The foregoing is a recommended, or suggested, sequence of courses. Of course, if a student enters the program in the spring, or transfers credit in, the above would have to be modified.

*This degree dictates specific courses that must be taken to meet the General Education requirements. Consult your catalog. **All courses must be completed with a grade of "C" or better--Be sure to check the catalog for other changes and requirements.***

Any developmental courses (such as ENG 113, ENG 100 and MAT 120) must be taken in addition to those recommended for the first semester as prerequisites for later courses.

¹ To obtain this degree, you must demonstrate proficiency in a foreign language at the 202 course level. High School foreign language credits may be applied and testing options are available.
