Activity Course: No  
CIP Code: 12.0401  
Assessment Mode: Portfolio  
Semester Taught: Upon Request  
GE Category: None  
Separate Lab: No  
Awareness Course: No  
Intensive Writing Course: No

Prerequisites:  
COS 133 or concurrent enrollment in COS 133

Educational Value:  
Provides further training in cosmetology for those preparing to become a licensed cosmetologist.

Description:  
Advanced instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

Supplies:  
Student cosmetology kit
Competencies and Performance Standards

1. Demonstrate haircutting techniques.

   Learning objectives
   What you will learn as you master the competency:
   a. Demonstrate sectioning and distribution relative to bone structure and hair growth.
   b. Demonstrate proper use of tapering and shaping scissors, razors, and electric clippers.
   c. Demonstrate basic cutting patterns and styles.
   d. Demonstrate men's haircutting techniques.

   Performance Standards
   Competence will be demonstrated:
   o during supervised clinical
   o in completion of Phase III Exam
   Criteria - Performance will be satisfactory when:
   o learner demonstrates sectioning and distribution relative to bone structure and hair growth
   o learner demonstrates proper use of tapering and shaping scissors, razors, and electric clippers
   o learner demonstrates basic cutting patterns and styles
   o learner demonstrates men's haircutting techniques

2. Demonstrate scalp treatment techniques.

   Learning objectives
   What you will learn as you master the competency:
   a. Demonstrate proper massage preparation and massage techniques.
   b. Describe types of scalp disorders, their causes, and treatment for these disorders.
   c. Demonstrate proper brushing techniques.

   Performance Standards
   Competence will be demonstrated:
   o during supervised clinical
   o in completion of Phase III Exam
   Criteria - Performance will be satisfactory when:
   o learner demonstrates proper massage preparation and massage techniques
   o learner describes types of scalp disorders, their causes, and treatment for these disorders
   o learner demonstrates proper brushing techniques

3. Demonstrate hair coloring techniques.

   Learning objectives
   What you will learn as you master the competency:
   a. Demonstrate pre-tinting procedures.
   b. Explain variations in commercial hair coloring products.
   c. Demonstrate hair coloring techniques including fillers, conditioners, color, lighteners, and
bleaching.

d. Demonstrate hair color, hair color removal and a skin patch test.

Performance Standards

Competence will be demonstrated:
- during supervised clinical
- in completion of Phase III Exam

Criteria - Performance will be satisfactory when:
- learner demonstrates pre-tinting procedures
- learner explains variations in commercial hair coloring products
- learner demonstrates hair coloring techniques including fillers, conditioners, color, lighteners, and bleaching
- learner demonstrates hair color, hair color removal and a skin patch test

4. Demonstrate hair color weave and frosting applications.

Learning objectives

What you will learn as you master the competency:

a. Demonstrate a client color consultation.

b. Demonstrate knowledge of the color wheel in providing the color service using a patch test.

c. Demonstrate advanced foiling techniques using hair color.

d. Demonstrate advanced foiling techniques using hair color lightening products including bleach.

e. Demonstrate a frosting technique using hair color, lightening products, and bleach with a frosting cap.

Performance Standards

Competence will be demonstrated:
- during supervised practical
- during mock board exam
- in completion of Phase III Exam

Criteria - Performance will be satisfactory when:
- learner demonstrates a client color consultation
- learner demonstrates knowledge of the color wheel in providing the color service demonstrating a patch test
- learner demonstrates advanced foiling techniques using hair color
- learner demonstrates advanced foiling techniques using hair color lightening products including bleach
- learner demonstrates frosting techniques using hair color, lightening products, and bleach with a frosting cap
**Types of Instruction**
Classroom instruction  
Demonstration  
Supervised practicals  
Theory group work

**Grading Information**

**Grading Rationale**
Customer service skill  33.3%  
Performance/technical skill  33.3%  
Clinic work  33.3%

**Grading Scale**
A  90% - 100%  
B  80% - 89%  
C  70% - 79%  
D  60% - 69%  
F  Below 59%
