• Partnership Development
• People
• Scholarship

PRESIDENT’S WELCOME
The faculty, staff, and students of Eastern Arizona College welcome you!

Eastern is the oldest member of the Arizona Community College system and enjoys a rich tradition of educational excellence, achievement, and commitment. Even though we have a long history and are located in a rural area, our technology is cutting-edge and our faculty is qualified and caring. This is the best place to get a good start. Fully accredited by the North Central Association, Eastern offers numerous Associate degree and Certificate programs. Students are prepared for immediate entry into the job market or successful transfer to a university of their choice. Our campus is the most beautiful in the state of Arizona.

Remember, the will to succeed is nothing without the will to prepare. We are committed to helping you become a champion at life. We sincerely hope that your visit with us is joyful and rewarding.

Futures begin at Eastern Arizona College!

HISTORY

Eastern Arizona is a public community college. Founded as St. Joseph Stake Academy in 1888, it provided education for the youth of the Gila Valley from 1890 until 1933. The institution introduced junior college courses in the early 1920s.

On March 25, 1933, it became a public county institution under the authority of the Arizona State School Code and was renamed Gila Junior College. On July 1, 1950, the name of the College was changed from Gila Junior College to Eastern Arizona Junior College.

In 1962, the College became the first official state junior college in the newly formed Arizona State System of Community and Junior Colleges. In 1966, the word “Junior” was dropped from the name of the institution.

EAC ALUMNI ASSOCIATION

The Eastern Arizona College Alumni Association was organized by President Emil Maeser, fourth President (1898-1903) of the Latter-day Saint Academy during the spring term in 1900.

The EAC Alumni Association played a significant role in the history of Eastern Arizona College. Beginning with Old Main, down through the completion of the Memorial Bell Tower, Eastern’s alumni have contributed to the growth and development of the College.

Today, the Alumni Association boasts a membership of over 30,000 individuals. The Alumni Association has a Board of Directors and three standing committees to assist in fulfilling its purposes. The Alumni Association provides scholarships, reunions, and other alumni events to support current students and alumni.

Together, we are building a bright and vibrant future for all who come and experience Eastern Arizona College.

EAC FOUNDATION

The Eastern Arizona College Foundation is a non-profit corporation that is fiscally and organizationally separate from the College. The Foundation is empowered to receive gifts, bequests and endowments, which are tax deductible to the donor.

Through the EAC Foundation, a variety of ways have been developed for individuals and businesses to support Eastern Arizona College.

These gifts come to the Foundation in the form of cash, marketable securities, real property, bequests, and gifts-in-kind. Special gift provisions can also be made through a will, by gifts of insurance policies, or the establishment of an endowment or a trust.

Gifts to the Foundation may be given for a specific purpose or given without restriction. Donations can also be arranged to obtain the maximum tax benefit to the donor while at the same time providing support for the mission of the College. The Foundation staff, with the assistance of your attorney or accountant, can provide additional information on the donor plan that is best for you.

For over 125 years, support for Eastern Arizona College and its educational mission has come in many forms. It is the continued generosity and commitment of alumni, businesses, and friends of the College that has been instrumental in helping Eastern produce students ready for success and achievement in the world of tomorrow. If you would like more information, please contact the executive director of the EAC Foundation at (928) 428-8295 or 1-800-678-3808.

MISSION STATEMENT
The Gila Community College District creates and continuously improves affordable, accessible, effective, and safe learning environments for the lifelong educational needs of the diverse communities we serve. Our campuses fulfill this mission through:

- University Transfer Education
- Developmental Education
- Workforce Development
- Continuing Education
- Community Education
- Community Services
- Cultural Activities
- Economic Stimulation Activities
- Adult Literacy Activities

The College is dedicated to providing individual attention and assessment as well as instructional and developmental courses to ensure that each student has access to the skills needed to achieve academic success. As a leading partner in community development, we contribute to the advancement of individual, social, economic and cultural interests in the region. We measure our success in fulfilling our mission by:

- Student enrollment
- The academic success of our students
- Community response to our program offerings
- The degree to which we satisfy the needs of community business/industry for skilled workforce

**ENROLLMENT**

**EASTERN ARIZONA COLLEGE IS A PLACE** where you’ll make friends easily and feel at home instantly. Small class sizes and highly qualified, committed instructors ensure a quality education. And outside the classroom, opportunities for personal growth and enrichment abound. Whatever direction you take, there’s no better starting point than Eastern.

EAC’s ethnically diverse student body represents more than 31 states and territories and 22 foreign countries.

**HOW DO I ENROLL FOR THE FIRST TIME AT EAC?**

Becoming a student at EAC is easy! If you’ve never attended Eastern Arizona College, you are admitted by establishing a record at EAC. There are three convenient ways to do this.

You may complete and submit the Admissions Form over the Web at www.eac.edu/forms/SIF, or Call Operator Assisted Registration during business hours at (928) 428-8270 or 1-800-678-3808, Ext. 8270 and we’ll take the information over the phone, or Complete the Admissions Form which is available in the Records Office or online and:

- Mail it to: EAC Records and Registration, Thatcher, AZ 85552-0769
- Fax it to: EAC Records and Registration, (928) 428-3729
- Bring it to the Records and Registration Office in the College Student Services Building between 8:30 a.m. and 4:30 p.m., Monday through Friday.

Contact the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, Ext. 8270 for more information.

With very few exceptions, all classes at EAC have a 14 year minimum age requirement. Students younger than 14 may seek permission to participate in classes by petitioning the Academic Standards and Appeals Committee.

The act of enrolling in courses at the College indicates you agree to be subject to all the requirements, policies, and regulations in the College Catalog and Student Handbook, and agree to establish a permanent college academic record. You further acknowledge that in order to be admitted to other colleges or universities you may be required to send this academic record to those institutions. Your enrollment also certifies your understanding that the content of EAC courses is designed for adult students and if you are a younger student you may feel constrained from participating in class discussions due to the maturity and age of other students, in addition to the subject matter being discussed.

We will be happy to evaluate your credits earned at other colleges or universities. You will need to have an evaluation completed if you:

- Want to receive credit for prior college work, or
- Need to show that prerequisites have been met, or
- Will be participating in intercollegiate athletics at EAC and need to establish eligibility.

Arrange for an official transcript to be sent directly to the EAC Records and Registration Office from every college you have attended. If the transcript you wish evaluated is from a non-Arizona college or university, please arrange to have course descriptions of the transcript courses also sent to the EAC Records and Registration Office. Be sure the descriptions are from the catalog for the year the course was taken.

**ORIENTATION AND REGISTRATION ASSISTANCE**

Eastern Arizona College offers Orientation and Registration Assistance for new students. The Orientation Program is designed to familiarize you with available services, registration procedures, and degree requirements. Orientation can be obtained in several ways:

1. A complete review of the College Catalog and Student Handbook will provide a good orientation to EAC. These publications are available at the College’s website. You may also call the Admissions and Scholarships Office at (928) 428-8272 or 1-800-678-3808, Ext. 8272 to request these publications be mailed to you.
2. A Web-based orientation to Eastern Arizona College can be accomplished by studying the contents of the EAC site at www.eac.edu. The opportunity to submit questions by email is provided.
3. Students registering for the first time can expect the following assistance from Counseling Staff:
   - Academic Planning: you will learn how to use the tools necessary for planning your college program.
   - Advising: Counselors and Faculty Advisors will be available to assist you.
   - Registration Assistance: We will assist you with learning how to use our registration systems.
4. It is highly recommended that all first time, full-time students successfully complete a semester long orientation class, CSL 109, Orientation to Student Success. This class provides the student with instruction in study skills, time management and also provides the opportunity to obtain vital information about Student Life activities, Library Services, Financial Aid, and Academic Planning. Sections are taught by faculty in each of the academic divisions, giving the student the opportunity to work closely with someone in the division containing their major. Undecided students will be provided with the opportunity to explore career options. Students should complete this class in the first or second semester of their full-time enrollment.

Call (928) 428-8253 or 1-800-678-3808, Ext. 8253 or send an email to counseling@eac.edu for more information.
READING, ENGLISH AND MATH PLACEMENT TESTING

All new or continuing, full or part-time students who intend to make initial enrollment in a mathematics, English Composition, or any other general education class are required to take the appropriate placement test. Initial enrollment in most general education classes require reading proficiency at least at the 10th grade level. The reading placement score will determine if graduation requirements and initial general education enrollment requirements have been met or if developmental reading courses are needed.

Placement in English Composition and mathematics courses based on placement testing scores is mandatory and will be determined by a student's respective placement test scores. Nonetheless, students may choose to enroll in a mathematics class that is one level higher than the course designated by their testing score. Students choosing to enroll in a higher level course must sign a form indicating that they are aware that they are not enrolling in the proper course and that enrolling in the higher level course could affect their academic standing.

The requirement that you take placement testing may be waived if:

• You have taken either the ASSET, ACT COMPASS or ACCUPLACER placement tests previously and can provide EAC with official scores.
• You are a transfer student and can provide an official transcript showing a grade of “C” or better in college level English or math.
• You have taken the ACT or SAT and can provide evidence you have achieved the following minimum scores:

<table>
<thead>
<tr>
<th>English Minimum Score</th>
<th>Math Minimum Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>ACT English Score of 18*</td>
<td>ACT Math Score of 22**</td>
</tr>
<tr>
<td>SAT Verbal Score of 530</td>
<td>SAT Math Score of 520</td>
</tr>
</tbody>
</table>

**Student will be placed in ENG 101, Written Communications I.**

Check with the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, Ext. 8270 to see if we have your ACT or SAT scores on file.

How to take placement tests:

1. You may take placement tests by appointment during regular business hours on the Thatcher campus. For more information, contact the Counseling Department at (928) 428-8253 or 1-800-678-3808, Ext. 8253 or send an email to counseling@eac.edu.
2. Scheduled placement testing is also offered at Greenlee County, Morenci High School–EAC Office by appointment. Call Jennifer Morales at (928) 865-7290 to make an appointment.

INTERNATIONAL STUDENTS

Eastern Arizona College is authorized under Federal law to enroll nonimmigrant students. Notice will be sent to the student indicating either acceptance or denial after the Records and Registration Office has received all of the following items. Contact the Records and Registration Office to obtain forms and more information. All items need to be received by August 1 for fall semester and by December 1 for spring semester.

- Admissions Form
- $25 non-refundable application fee payable in U.S. dollars, or in the form of an International Reply Coupon issued through a government or postal office overseas
- Housing Application and deposit (if College housing is desired)
- Official transcript of high school and college work
- Completed medical examination
- TOEFL test scores. The minimum TOEFL paper-based test score we accept is 500, the minimum TOEFL computer-based test score we accept is 173, and the minimum TOEFL internet-based test score we accept is 61. For information on the TOEFL, write to TOEFL Services, Educational Testing Service, P.O. Box 6151, Princeton, NJ 08541-6151, USA or go to www.ets.org/toefl. You may be admitted without TOEFL scores contingent upon participation in a college language training program designed and approved to meet your individual needs.
- Letters of recommendation from two persons, preferably officials from the student’s former school
- Certification of Finances
- Proof of hospitalization insurance

After being admitted to Eastern Arizona College, the International Student is responsible for completing all Immigration and Naturalization Service (INS) requirements. Students may not enroll in classes at Eastern Arizona College without the I-20 Certificate of Eligibility form on file in the Records and Registration Office.

WHAT ABOUT MY RESIDENCY?

State Residency: No person having his/her domicile elsewhere than in the State of Arizona shall be eligible for classification as an in-state student for tuition purposes. The minimum requirements for residency are:

1. Continuous physical presence in the state for one year
2. Financial independence from out-of-state parents
3. Evidence of intent to establish residency
4. Compliance with Proposition 300 (see page 184).

For more information, refer to the disclosures section of the College Catalog on page 184, or contact the Records and Registration Office.

HOW AND WHEN DO I PAY MY TUITION AND FEES?

Tuition and fees should be paid to the Cashier in the Fiscal Control Office located in the Student Services Building on the Eastern Arizona College campus. Payment should be made at the time of registration.

You may pay by phone, online or in person with your VISA, MasterCard, American Express, or Discover card. *Note: Debit/Credit card payments will be assessed a 2.75% non-refundable fee by the card processor. Students can avoid paying debit/credit card fees by choosing the ACH (E-check) payment option available online through Gila Hank. You may also mail a check or money order to Cashier, Eastern Arizona College, Thatcher, AZ 85552-0769. Checks, drafts, and postal or express money orders should be made payable to Eastern Arizona College. Students may also choose to enroll in an online payment plan managed by Nelnet Business Solutions. Those choosing the payment plan option pay an enrollment fee of $25 and are then able to spread their tuition, dorm and meal plan expenses over several months. Payment plans are accessible through Gila Hank by going to the “Pay Tuition/Fees” tab and choosing the “Payment Plan” link. Payment plan options include ACH (E-check) and debit/credit card (card processing fees do apply).

Registration is not complete until all tuition and fees and outstanding debts or balances are paid, or one is successfully enrolled in an online payment plan.

If you expect to receive financial aid you need to work closely with the Financial Aid Office to seek and receive financial assistance. If you are seeking aid for the fall semester, you are advised to begin the application process early the previous spring.

Classes will be automatically cancelled if tuition and fees are not paid by the fourth Monday in July for fall semester and the second Friday in December for spring semester. The Academic Calendar in the catalog specifies the dates by which all fees or financial aid arrangements are due. If payment is not received by these dates, your registration will be cancelled. If your registration is cancelled, you may not be able to get back into all your classes. Don’t let this happen to you! Be sure all financial arrangements are made by the date due.

NEW MEXICO (OUT-OF-STATE) TUITION WAIVERS

There are a limited number of Out-of-State tuition fee waivers for residents of New Mexico who wish to attend Eastern Arizona College. To be eligible for consideration, you must:

- Be a resident of New Mexico
- Be admitted to Eastern Arizona College
- Have a minimum 2.0 GPA (a transcript from your most recent school must accompany your application)
- Fill out a New Mexico Out-of-State Tuition Waiver Application at www.eac.edu/newmexico or request that an application form be mailed to you
- For priority consideration you should register for classes as soon as possible prior to the semester you plan on attending

This agreement is made by and between the New Mexico Commission on Higher Education, an “agency” of the State of New Mexico and Eastern Arizona College (and other community colleges in Arizona). The purpose of the agreement is to establish a tuition reciprocity program to enable selected students from New Mexico to enroll at designated institutions of higher education in the State of Arizona with authorization to pay Arizona resident undergraduate tuition rates, and to enable an equal number of selected students from the State of Arizona to enroll at Western New Mexico University in New Mexico with authorization to pay New Mexico resident undergraduate tuition rates.

WESTERN UNDERGRADUATE EXCHANGE (WUE)

WUE is the Western Undergraduate Exchange, a program of the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in western states may enroll in many two-year and four-year college programs at a reduced tuition level: 150% of the institution’s resident tuition. To be eligible for consideration, you must:

- Be a legal resident of participating states—Alaska, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, or Wyoming
- Be admitted to Eastern Arizona College
- Maintain full-time student status while on the waiver completing at least 12 credit hours at a minimum 2.0 GPA per semester
- When you apply for admission to Eastern Arizona College—print out a WUE waiver application at www.eac.edu/Academics/Student_Records/pdf_forms/WUE.pdf or request that an application form be mailed to you
- Valid and current supporting documentation from your state of
residence must accompany your WUE application:
- Drivers license
- Motor vehicle registration
- State income tax return for previous year
- High school transcript or diploma
- Property ownership document
- Dependency status indicated on parent’s federal income tax return from previous year
- Bank statement addressed to your state of residency

WHAT IS EAC’S REFUND POLICY?

**Tuition and Fees:** Refundable tuition and fees are defined as general tuition and out-of-state tuition. All students who officially withdraw from the College or individual semester-length or short-term courses before the close of registration for the course will receive a full refund. Students who withdraw from open entry/open exit courses after the term or semester in which the course is offered has begun will not receive a refund. Students who withdraw from classes after the close of registration will not receive a refund. Fees including class, lab and other special or miscellaneous fees are not refundable.

All refunds and deposits that may be due a student will first be applied to debts that the student owes the College. When federal student aid is used to pay for tuition and fees, the refund will be made to the federal fund, not to the student.

Federal regulations require that if you are a federal financial aid recipient and you totally withdraw from the College on or before the 60% point in the enrollment period, you must return a percentage of the federal aid funds disbursed. For example: if you withdraw at the 30% point of the enrollment period, you earn 30% of all aid that could be disbursed. The remaining 70% of the aid is unearned aid and a portion of the 70% may have to be returned. Further information is available at the Financial Aid Office and/or their web page at www.eac.edu/finaid or in the disclosures section of this catalog.

**Cancelled Courses:** When the College cancels a course, a full refund will be made for the cancelled course.

**Special Provision Refunds:** Students with extenuating circumstances may petition the Admissions and Academic Standards Appeals Committee for a prorated tuition refund. Petitions are submitted via Gila Hank Online. Extenuating circumstances shall be limited to the following:

1. **Serious Illness or injury:** Illness or injury qualifies for a Special Provisions Refund when the condition impeded the student’s ability to attend class, submit assignments, or complete scheduled exams in a timely manner and causes the student to fall behind to the extent that the student’s performance and grade will be impaired as a direct result of the illness or injury. Written verification is required from the student’s physician, on the physician’s letterhead, verifying that illness or surgery prevents the student from being able to attend classes, or that attending classes would jeopardize the health of other students in class.

2. **Death of the Student or an immediate family member:** Qualifying family members shall include immediate family members i.e., father, mother, siblings, son, daughter, or spouse. The student must provide a death certificate or an obituary indicating the relationship to the deceased.

Any request for Special Provisions refund must be made in the same academic term as the withdrawal. Requests made after the academic term will not be considered.

Any Special Provisions refund granted will be prorated as follows:
- The final withdrawal occurs within the first 25% of the academic term, 75% of tuition refunded.
- The final withdrawal occurs within the first 50% of the academic term, 50% of tuition refunded.
- The final withdrawal occurs within the first 75% of the academic term, 25% of tuition refunded.
- The final withdrawal occurs after 75% of the academic term, no refund shall be made.

The student transcript will continue to show the classes registered for with a grade of “W.” “Withdrawal Without Record” (WOR) will not be awarded as this may cause EAC to be out of compliance with Federal Financial Aid.

In the event any federal financial aid monies are to be returned to the government, those returns will be deducted from the refund and the student receives only what may be remaining.

**Other Refunds:** Students who wish to appeal the refund policy may do so by petitioning the Admissions and Academic Standards Appeals Committee. Petitions are submitted via Gila Hank Online.

A student in the Armed Forces or the Arizona National Guard who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw and receive a full refund of tuition provided courses have not been completed.

A student who receives a Special Provision Refund or Active Duty Refund may also be granted a prorated refund for residence hall and meal ticket expenses.

**Residence Halls Refunds:** For refunds of reservation deposits or room costs, please refer to the “Housing and Dining Facilities” section of this catalog on page 23.

**Meal Plan Refunds:** For refunds of meal plans, please refer to the “Housing and Dining Facilities” section of this catalog on page 24.

**Refund Petitions:** Petitions for waiver of refund policies for residence halls and meal plans may be filed with the Dean of Students. Petition forms can be picked up in the Student Life Office located in the Gerald L. Hoopes Jr. Activities Center, Room 114, or by calling (928) 428-8354 to have a copy sent to you.
HOUSING AND DINING FACILITIES

HOUSING AVAILABILITY AND RESERVATIONS

Residence hall facilities are available on the Thatcher campus for both men and women. Tour arrangements of these facilities can be made with the Admissions Office when you visit campus or by calling (928) 428-8272.

For students considering off-campus options, the Student Life Office maintains a web site directory of private facilities available for rent. Inquiries concerning the directory can be made by calling (928) 428-8354.

On campus residence hall spaces are limited, especially during the fall semester. Students are encouraged to apply for space as soon as they can by submitting a Housing Application and a $150 reservation deposit. Hall space assignments are made on a first-come, first-served basis, based on the date the Housing Office receives your application and deposit.

Preference will be given to full-time students for College housing. Student must be 18 years of age or older by 45th day of the semester. Students may apply online on EAC’s web site, www.eac.edu/Campus_Life/Housing/formChoice.shtm. Students may print a PDF version of application from this same link and send it with a deposit payment by mail. If you have a question about the application and assignment process, please contact the Housing Office at (928) 428-8605.

EAC reserves the right to deny on campus housing, change room assignments, or remove a student from College housing if it is felt to be in the best interest of the student and/or the College.

EAC is not responsible for the loss, theft, or damage to personal property. Firearms, simulated weapons, any kind of projectile weapon and/or other weapons, explosives of any kind, intoxicating liquors, illegal drugs, or any mind-altering substances are prohibited in the residence halls and elsewhere on College property at all times. Those in violation will be subject to disciplinary action and/or possible expulsion from EAC and restricted items confiscated. Pets are not allowed in the residence hall areas or rooms at any time.

RESIDENCE HALL ROOM COSTS FOR 2017-2018

Mark Allen, Nellie Lee, and Wesley Taylor are traditional, like gender residence halls, with double occupancy rooms. Room costs are $1535 for fall semester and $1040 for spring semester.

Residence Towers are four like-gender student suites adjoining a common area, with four students per suite. Room costs are $2055 for fall semester and $1365 for the spring semester.

Room and meal plan costs must be paid prior to the date the residence halls open for the semester. If costs are not paid by this date, your reservation will be subject to cancellation and your reservation deposit forfeited. Students not checking into assigned hall space by the end of the first day of class for that semester will be subject to the cancellation of their reservation and forfeit of deposit. Residence hall room costs are subject to annual change.

HOUSING DEPOSIT

The $150 reservation deposit is required to be included with Housing Application to reserve space on campus. Upon check-in, the reservation deposit converts to a security deposit against loss or damage to College property. The Housing deposit may be left on account between semesters to reserve space in subsequent semesters. Individual or communal damage expenses will be charged to student(s) as they occur. A full deposit of $150 must be maintained in your student account in order to maintain your reservation for subsequent semester.

HOUSING CANCELLATIONS AND REFUND ELIGIBILITY

Students, whose plans have changed and are no longer planning to reside in an on campus residence hall, are encouraged to cancel their reservation as soon as possible, so that available space can be freed for other students waiting for hall space.

Students may cancel residence hall reservations online on EAC’s web site, Residence Hall Reservation Confirmation/Cancellation, www.eac.edu/Campus_Life/Housing/confirmCancel.shtm or by notifying the Housing Office at (928) 428-8605. Cancellations received on or before July 15 for the fall semester, or on or before December 15 for the spring semester, will result in a full refund of the $150 hall reservation deposit. Cancellations after these dates will result in a forfeit of the reservation deposit.

Hall residents must complete a check-out with the hall Head Resident to be eligible for a refund of your deposit, room or meal plan costs if eligible for a refund.

If you have paid your room cost and cancel your reservation on or before the halls open for the semester, you will be eligible for a full refund of your room cost, but deposit will be forfeited. If you have checked into your hall space and then check-out prior to the end of the academic registration period for that semester, you will be eligible for a 50% refund of your room cost and deposit is forfeited. If you check-out after the end of the academic registration period for that semester, you will not be eligible for a refund of your room cost, but will receive a refund of deposit minus any charges for damages as a result of your stay in hall.

CAMPUS DINING

Campus Dining is located in the NW corner of the Gherald L. Hoopes Jr. Activities Center, accessed from the internal common area of the Center. During the fall and spring semesters, approximately 234 meals are served cafeteria-style, with unlimited seconds. During service periods, 19 meals a week are served, 3-a-day Mon-Fri, and brunch/dinner on weekends.
All students that live in a residence hall are required to purchase 1 of 3 meal plans available. Only one meal per meal period can be used from a student's plan. All plan meals must be used during a week's service period or unused meals are lost. A substitute, “Brown Bag” meal, may be ordered 24 hours in advance with Campus Dining.

Meal plans may be purchased by any student, faculty, or staff. They along with guests of the College also have the option to pay by the meal with cash.

**MEAL PLANS AND CASH COSTS 2017-2018**

**Plan A:** All 19 meals of 19 served per week: $2,010 per semester.

**Plan B:** Any 14 meals out of 19 served per week: $1,865 per semester.

**Plan C:** Any 10 meals out of 19 served per week: $1,765 per semester.

**CASH PAY:**
Estimated Food Service Guest-Line prices, including sales tax, will be charged:

- **2017-2018**
  - Breakfast: $7.15
  - Lunch: $8.95
  - Dinner*: $12.98
  - Daily Total: $29.08

*Special dinners may be charged an additional amount.

**MEAL PLAN REFUNDS:**
Students, who cancel their meal plan prior to 60% of the campus food service period for semester has passed, will be eligible for a pro-rata refund only if they completely withdraw from EAC.

**FACILITIES CLOSED**

On campus residence halls are closed to all students during the Thanksgiving Break, semester break between the fall and spring semesters, and during Spring Break. Fall semester students residents returning for the spring semester may leave their personal possession in the hall room that they have been assigned. Students are not required to remove personal possessions from rooms during the Thanksgiving and Spring Breaks.

Student residents not returning after the fall semesters are expected to check-out of the hall by 9 a.m. of the closure date of the hall or earlier. Students not checking out by this date/time will be subject to a daily-rate charge.

All spring semester student residents must check-out of hall by 9 a.m. of the closure date of the hall. Students not checking out by this date/time will be subject to a daily-rate charge.

Any exceptions to hall closures, check-out dates/times, or check-in dates/times must be approved by the Director of Student Life or Housing Office.

Food service/dining hall is closed for meal plan use during scheduled hall closures. At times during the fall and spring semesters, school picnics/BBQs are held on campus. An alternate meal schedule may be imposed during these times or the meal may be replaced by the picnic/BBQ activity.

For additional information concerning hall closures and food service on campus, please contact the Housing Office at (928) 428-8605.

FINANCIAL AID

The Financial Aid Office’s mission is to provide Eastern Arizona College (EAC) students, prospective, current, and past, with prompt, accurate and courteous assistance.

To help students meet the financial obligations of college attendance, EAC administers a varied and comprehensive financial aid program. Financial aid is designed to bridge the gap between the costs of attending college and what students and their families are expected to contribute. Citizens, or eligible non-citizens of the United States, may apply for assistance regardless of sex, age, color, religion, marital status, national origin, pregnancy related conditions, handicap, or veteran disability.

The U.S. Department of Education, through EAC, offers three major student financial aid programs:

1. Federal Pell Grant
2. Federal Supplemental Educational Opportunity Grant (FSEOG)
3. Federal Work Study (FWS)

Eastern Arizona College does not participate in the Federal Direct Student Loan program.

A complete description of these programs is available online at: www.studentaid.ed.gov.

To be considered for financial aid, the following is required:

1. Complete an application for admissions, www.eac.edu/forms/SIF and be admitted to EAC in a degree program. Financial aid requires a student be admitted as a high school graduate with a regular high school diploma, high school equivalence test (GED), or has completed home schooling.

2. Complete the Free Application for Federal Student Aid (FAFSA), resulting in a Student Aid Report (SAR). The FAFSA can be completed on the web at: www.fafsa.ed.gov. A tutorial for the FAFSA on the web can be found at: www.finaid.ucsb.edu/FAFSA/Simplification/index.html. To sign this application electronically and access your federal financial aid account in the future, apply for an FSA ID at: www.studentaid.ed.gov/sa/fafsa/filling-out/fsaid. Dependent student’s parent(s) must also apply for an FSA ID.

3. Documentation of information submitted on financial aid applications is required if the Central Processor selects it for a process called verification or EAC has conflicting information.

4. The student meets all other eligibility requirements as established by the U.S. Department of Education, State of Arizona, Eastern Arizona College and/or the funding agency.

The priority deadline for programs with limited funding such as FSEOG and FWS is March 1st, annually. Additional information or help is available through the Financial Aid Office. Please come in or call with your questions. It is important to have the right answer the first time rather than being delayed by inaccurate information. Corrections can be made electronically by the Financial Aid Office or online at the FAFSA web site using your FSA ID.

In general, eligibility for financial aid (Title IV funds) is determined through the following criteria.

- Student demonstrates financial need: when student’s institutional Cost of Attendance (COA) minus FAFSA results or Expected Family Contributions (EFC), results in a need. The FAFSA also determines eligibility for Pell Grant.
- Student is enrolled in courses that leads to a declared certificate or degree with a minimum duration of not less than one academic year (30 weeks of instruction) and not less than 16 credit hours.
- Student’s total number of credit hours enrolled in each semester.
- Student meets Satisfactory Academic Progress standards as established by Eastern Arizona College, and in compliance with federal regulations.
- Student does not owe an overpayment to a federal grant program.
- Student has not received 600% or 6 years of full time Pell Grant.
- Student is not in default on a Perkins, FFELP or FDSL loan.
- Students who have earned a bachelor’s degree are not eligible for financial aid at EAC.
- Student has provided EAC with transcripts from all previously attended institutions and these transcripts have been evaluated by the Registrar.

If a financial need has been demonstrated and the necessary qualifications have been met, assistance in the form of grants, work-study and/or scholarships may be made. Generally a “package” of aid or a combination of different types of assistance is awarded.

Because family capabilities vary, each aid award is designed specifically to fit the student’s circumstances. All awards are made based on an academic year beginning with fall semester and ending with Summer Term II; so a FAFSA must be completed each year. Students will be notified by mail through an “award letter” or the online Financial Aid System called “My Financial Aid” at: www.eac.edu/NetPartnerStudent/Logon.aspx. The award is based on the availability of funds and may be adjusted at any time.

FINANCIAL AID DISBURSEMENTS

Financial aid is disbursed to individual student accounts no earlier than 10 days prior to the first day of class. Generally, the first disbursement of grants and scholarships is two business days preceding the first day of the semester. Thereafter, disbursements are generally made on Thursday of each week. If after tuition, EAC approved fees, on campus board and room, and other student authorized charges are paid, and a balance remains, the balance will be paid by EAC to BankMobile. Students will select through BankMobile the method of payment, whether by check, direct deposit to personal bank accounts, or a debit card provided by BankMobile. Students can request an EAC check by contacting the Fiscal Control Office in person prior to the disbursement of funds for a given semester.
FINANCIAL AID

TRANSFER STUDENTS FROM OTHER INSTITUTIONS

If a student transfers to or from one school to another, previous financial aid awards will not automatically transfer. To receive aid at the new school, check with that school’s financial aid office to find out what aid programs are available and what steps are required to receive it. Midyear transfer students to EAC must notify the Financial Aid Office of the transfer status so that required documents can be requested. Federal regulations require that EAC conduct a process called ‘Transfer Monitoring’ before disbursing financial aid. Academic transcripts from previously attended institutions are also required.

WORK STUDY

Eastern Arizona College provides many part-time work opportunities for students who have completed a FAFSA and been determined eligible for the Institutional or Federal Work Study Programs. Employment is available in a variety of on and off campus jobs, including office clerks, lab assistants, custodial crews, library helpers, America Reads tutors and others. Student employment is part of an award package. Students who have been awarded work study can find job opportunities on the EAC web site at: www.eac.edu/Student_Services/Financial_Aid/jobs.shtm. This web site also guides the work study recipient through the employment process.

SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS

The Eastern Arizona College (EAC) Financial Aid Office is required by federal regulations to monitor academic progress toward a degree or certificate for all degree seeking financial aid applicants. As a result, the Financial Aid Office reviews grades and attempted coursework of all applicants, whether or not aid was received, prior to the awarding of financial aid and following each period of enrollment. All students receiving financial aid are required to meet the standards listed below. Credit hours earned prior to receiving financial aid are subject to these standards. Students who do not meet these standards will be placed on financial aid warning, probation or suspension as stated.

STANDARDS

• Satisfactory academic progress toward a degree or certificate includes maintaining a cumulative grade point average of 2.00 (C), or its equivalent. The student must continue to earn a cumulative GPA of 2.0 throughout the course of attendance. Grade point values are: A = 4.0, B = 3.0, C = 2.0, D = 1.0, F = 0. Passing (P) grades do not count toward GPA but do count as completed course work.

• Satisfactory academic progress toward a degree or certificate also includes the total number of credit hours attempted each semester. Federal regulations require students to complete their program of study in a 150% time frame. The pace of progress, as established in this policy, requires students to complete a minimum of 67% of attempted credit hours. The completion rate is calculated by earned hours divided by attempted hour’s equal’s completion rate. Transferred credit hours, as determined by the Registrar, will be added to the total hours attempted and earned when calculating the completion rate and 150% time frame. However, a transfer student who withdraws from all courses their first semester at EAC will be placed on suspension status.

• Student’s seeking additional degrees from EAC are limited as follows. After earning a first Associates degree of any type, a student may earn an additional 30 credit hours toward a second Associates degree but may not exceed 96 total credit hours. Students are limited to three certificates. Hours attempted while obtaining any degree count toward the aggregate of 96 credit hours. Students seeking a third Associates degree or fourth certificate are suspended from receiving Title IV financial aid even if they have fewer than 96 total credit hours.

• All repeated course work will be calculated as attempted hours. In accordance to federal regulations students can repeat a failed course until it is passed. A student can repeat a passed course once to improve the grade.

• The college does not consider Withdrawals (W), Fail (F), Incomplete (I), as successfully completed course work when determining the minimum hours completed. Courses dropped without record before expiration of the add/drop period are not counted against maximum time frame.

• There is no academic amnesty for financial aid recipients per federal regulations. Academic amnesty is when a student has successfully petitioned for withdrawal without record to have a Withdrawn or Failing grade removed from the transcript. Financial aid will still count removed course(s) as attempted credit hours.

• Students taking remedial course work will be given an additional 28 credit hours to complete degree requirements. The student must be accepted as a regular student in a degree program and need the remedial course work to successfully complete required degree courses.

WARNING STATUS

Students who do not comply with either the GPA or minimum credit hour completion ratio will receive a single semester of warning status. During this warning period the student must improve his/her GPA to a cumulative 2.0 and/or complete and make up deficient credit hours reaching a 67% completion rate. If a student earns a cumulative GPA that is below 1.0 no warning period will be given. If a student earns 2 or less credits in a semester no warning period will be given unless earned hours divided by attempted hours is equal to or greater than 67%.

SUSPENSION STATUS

Students who do not achieve a GPA of 2.0 or make up deficient credit hours during a period of warning will be placed on financial aid suspension status. Students who earn a semester GPA of less than 1.0 will be placed on suspension status unless their cumulative grade point average remains a 2.0 or higher. Students who earn 2 or less credit during a single semester will be placed on suspension status unless their earned hours divided by attempted hours is equal to or greater than 67%.

MAXIMUM CREDIT HOURS SUSPENSION

The maximum number of credit hours a student may attempt and still
be eligible for financial aid is 150% of the credits required to complete a declared degree, generally 96 credit hours for an associate’s degree. This includes credits accepted as transfer to EAC. In keeping with institutional policy, the transferred GPA will not be included in the college’s calculation of the institutional GPA. A student may be suspended prior to exceeding the 150% time frame if this time frame will be exceeded during the next period of enrollment.

Students completing additional hours beyond the 150% allowed by regulation are required to complete the Maximum Credit Appeal (MCA) form.

FINANCIAL AID APPEAL PROCEDURE FOR SUSPENSION BASED ON NON-SATISFACTORY ACADEMIC PROGRESS

A student whose financial aid eligibility has been suspended must meet the following conditions in order to regain financial aid eligibility:

1. Complete the necessary credit hours on personal resources to improve cumulative GPA to a 2.0.
2. Complete the necessary credit hours on personal resources to achieve a 67% completion ratio.

If a student feels there were circumstances beyond his/her control that affected academic performance he/she may submit a single appeal for one probationary period.

Suspended students will receive a suspension notice from the Financial Aid Office with information on the probationary appeals process. The appeal form is online at: www.eac.edu/Student_Services/Financial_Aid/forms/17-18-SuspensionAppeal.pdf.

Circumstances under which a student is permitted to appeal are:

- Death of a family member.
- Injury or illness of the student.
- Change in employment or work schedule.
- Other special circumstances.

Required documentation:

- Newspaper obituaries or death certificates to substantiate death.
- Physician’s written statement to substantiate illness or accident.
- Written statement from clergy, family member, or other third party who knows the situation.
- Written statement from academic advisor or instructor.
- Documentation of change in work schedule that caused inability to attend courses.

Lack of documentation will always result in the denial of the appeal.

Appeal submission and possible outcomes:

1. A completed Non-Satisfactory Academic Progress Appeal form is submitted to the EAC Financial Aid Office with accompanying documentation within the specified appeals time frame as indicated in the suspension letter.
2. A probation period may be granted for one semester if the student can achieve a cumulative grade point average of 2.0 and/or a completion ratio of 67% within one semester. The student will be notified by email or letter of this determination.
3. A probation period may be granted based on an academic plan if it is not possible for the student to achieve a 2.0 cumulative grade point average and/or 67% completion ratio in one semester. This plan, if followed, will achieve the required cumulative grade point and completion rate when concluded.
4. Failure to adhere to the conditions of the probationary period may result in financial aid termination without the possibility of further appeal. To again become eligible a student must attend on personal resources to improve cumulative GPA and/or achieve a 67% completion ratio.
5. If a probationary period is denied, an appeal to an appeals committee is permitted if the student provides a written request and documentation that was not part of the original appeal. This must be received within seven days of the appeal denial. The Financial Aid Office must deem the additional information substantive enough to make a difference to the original outcome. The committee will review the original appeal, the additional documentation, and render a decision within 7 working days. The committee’s decision will be provided to the student by letter; it is final and cannot be challenged.

6. There are instances when it is not mathematically possible for a student to achieve good standing within 150% time frame. Under this circumstance the appeal will be denied. The exception might be when the time frame only needs to be extended by a single semester for the student to reach a 2.0 cumulative GPA and/or 67% completion rate, and then the appeal may be approved.

FINANCIAL AID APPEAL PROCEDURE FOR A MAXIMUM CREDIT APPEAL

Suspension resulting from exceeding the maximum time frame of a 150% to complete degree requirements may be appealed to the Financial Aid Office.

Appeal submission and possible outcomes:

The student will obtain the required appeal document at: www.eac.edu/Student_Services/Financial_Aid/forms/17-18-MaximumAttemptedCreditAppeal.pdf. The appeal must be submitted within the specified time frame as indicated in the suspension letter.

The student will complete part one on the appeal and then schedule an appointment to meet with an academic advisor/counselor. This meeting is to determine what course work is required to complete degree requirements and when the courses will be taken. The advisor/counselor will complete part two and sign the appeal. The student will agree to the terms of the appeal by reading and signing part three.

The academic advisor/counselor will submit the completed appeal form to the Financial Aid Office.

The Financial Aid Office will evaluate the appeal and determine if the student’s time frame to complete the stated degree is appropriate within federal guidelines. If approved, the appeal and courses outlined will be the contract under which the time frame is extended. The student must abide by this contract. Failure to do so will result in suspension without the opportunity to further appeals. Time frame appeals will be completed for one academic year at a time. No additional course work is permitted.
beyond what is listed on this contract, even if financial aid does not pay for the additional courses. Revisions to the contract must be approved by the academic advisor/counselor prior to enrolling for non-approved courses.

If the appeal for extended time frame is denied a denial notice will be sent to the student by email or letter. The student may appeal this denial within seven days of the date the denial was sent. The appeal must be in writing explaining why the student feels the denial should be reviewed by the financial aid committee. The financial aid committee will review the student’s appeal and letter. The decision of the committee will be communicated in writing to the student within seven working days. The committee’s decision is final and cannot be challenged.

DISBURSEMENT POLICY

The U.S. Department of Education requires institutions of Higher Education to institute Cash Management requirements for Title IV programs. These requirements affect the crediting and disbursement of financial aid funds. Highlights of these regulations are as follows:

1. The College cannot disburse financial aid funds to a student’s account until the student is enrolled in classes for the semester for which the funds are intended.
2. The earliest the College may begin crediting a student’s account with financial aid funds is 10 days before the first day of the payment period.
3. The College can only credit student accounts for allowable charges; i.e., tuition, fees, room and board if on campus. Any discretionary charges on an account may only be credited by financial aid if authorized by the student through a signed statement. This authorization may be rescinded at any time by contacting the Financial Aid Office.
4. The College must provide a way for a Federal Pell Grant eligible student to obtain or purchase, by the seventh day of a payment period, the books and supplies required for the payment period if, 10 days before the beginning of the payment period the institution could disburse funds for which the student is eligible, the student would end up with a credit balance and the amount the college determines as needed for books and supplies is less than the credit balance.
5. After tuition, EAC approved fees and other student authorized charges are paid, and a balance remains, the balance will be transferred to the student’s BankMobile account. Students will select through BankMobile the method of payment, whether by check, direct deposit, or the BankMobile Debit Card. The link for selecting your refund method is: www.refundselection.com/refundselection/#/welcome/continue.
6. Students can view EAC’s contract with BankMobile at: www.eac.edu/Student_Services/Financial_Aid/disburse.shtml.

WITHDRAWING/STOPPING ATTENDANCE FROM CLASSES

The federal law specifies how Eastern Arizona College must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, and Federal Supplemental Educational Opportunity Grants (FSEOGs). EAC does not participate in the Federal Student Loan Programs.

Though your aid is posted to your account at the start of each semester, you earn the funds as you complete the semester. If you withdraw during the semester, the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or EAC received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by EAC and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of the semester, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the semester, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. EAC may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). EAC needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If you receive (or EAC receives) excess Title IV program funds that must be returned, EAC must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

EAC must return this amount even if it didn’t keep this amount of your Title IV program funds.

If EAC is not required to return all of the excess funds, you must return the remaining amount.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is $50 or less. You must make arrangements with EAC or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that EAC may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. EAC will also charge you for any Title IV program funds that the school was required to return. If you don’t already know EAC’s refund policy, you should ask the Registrar’s Office for a copy. The Registrar’s Office can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on student aid on the web at www.studentaid.ed.gov.
FINANCIAL AID PROGRAM DESCRIPTIONS

Grants

Federal Pell Grant - The Federal Pell Grant is a federal Title IV grant program to help undergraduates pay for educational costs after high school. For many students, these grants provide a foundation of financial aid to which aid from other Federal and non-Federal sources may be added. Unlike loans, a Pell Grant does not have to be repaid. In order to receive a Federal Pell Grant a student must be enrolled in an eligible certificate or degree program as outlined in EAC’s college catalog. The amount of the award is based upon the Expected Family Contribution (EFC), the cost of attendance, enrollment status, and a payment schedule issued by the U.S. Department of Education. The award may range from $0 to $5,920 per academic year. The award schedule may be adjusted pending Congressional budget authorizations. Pell Grants are pro-rated based on credit hours of enrollment: 12 is full time, 9 – 11 is ¾ time, 6 - 8 is ½ time and < 6 is less than half time.

The U.S. Congress has reinstated the year-round Pell Grant beginning with July 1, 2017. However, the eligibility rules for year-round Pell Grant have not been provided by the U.S. Department of Education. EAC will begin offering the year-round Pell Grant in the summer of 2018.

Federal Supplemental Educational Opportunity Grant (FSEOG) - FSEOG is a Title IV grant program which provides additional funds from the Federal Government to exceptionally needy students. This grant must be combined with other forms of aid and is also non-repayable. A grant may range from $200 to $2,000 per academic year. These funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

Leveraging Educational Assistance Partnership Program (LEAP) - LEAP is a federal grant program matched by the State of Arizona. Only Arizona residents are eligible. The award may range from $100 to $1500 per academic year. These funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

Federal Work Study (FWS) - The FWS funds provide opportunities for students to work part time and earn income to help meet educational expenses. Salaries must be equal to the current Arizona minimum wage, but the maximum amount a student may earn in an academic year is determined by the Financial Aid Office. Federal Work Study awards generally range from $500 to $3000 per academic year. Federal Work Study students are encouraged to perform community service employment and/or to participate in the America Reads Program. Funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

For additional information on Title IV financial aid program specifics, reference “The Student Guide” published by the U.S. Department of Education on the Internet at: www.studentaid.ed.gov. Alcohol and drug information is also required by law to be given to students. This information is published annually in the “Crime Statistics Report”. Information from this report may also be obtained on the Internet at: www.eac.edu/About_EAC/Consumer_Information/Safety.shtm.

COST OF ATTENDANCE – 1 YEAR AT EAC

The following are average costs of attendance for three types of students, those living at home with a parent or relative (commuter), those living in a campus resident hall (on campus) and those renting an apartment or buying a home (off campus).

Non Resident (N/R) total budgets are also provided. These budgets are representative of an academic year (2017-2018) or nine month period. They are adjusted for periods of enrollment less than an academic year or for attendance less than full-time.

VETERANS AND CHILDREN OF DECEASED VETERANS

Eastern Arizona Colleges’ veterans’ services office acts as a liaison with the Department of Veterans Affairs. Students may be eligible to receive educational benefits if they are registered in courses that apply to the student’s approved programs.

Application forms, counseling, advisement and tutoring are available for students who are eligible for veteran’s educational benefits. The amount of benefit awarded is determined by the Department of Veterans Affairs, and is based on the number of credit hours for which a student is enrolled and the length of the enrollment period for each course.

You should apply for educational benefits from the Department of Veterans Affairs well in advance of your enrollment at Eastern Arizona College. Our Veteran’s Affairs Office can provide you with the Veterans Application for Education Benefits.
Veteran’s benefits available at EAC:

- Chapter 30 - Montgomery GI Bill
- Chapter 31 - Vocational Rehabilitation (separately served through the local VA office)
- Chapter 32 - VEAP Program
- Chapter 33 - Post 9/11 GI Bill & Transfer of Eligibility to Dependents (TOE)
- Chapter 35 - Survivors and dependents of deceased/100% disabled veterans
- Chapter 1606 - Montgomery GI Bill, Selected Reserve
- Chapter 1607 - REAP Reserve Educational Assistance Program

It is the student’s responsibility to notify the Veteran’s Coordinator regarding any change in enrollment, address, program of study, enrollment at another institution, or any other change that may impact their veteran’s educational benefits.

Those students receiving benefits must follow the VA academic progress policy to continue to receive benefits. Department of Veterans Affairs regulations require that all persons using any type of veteran educational assistance program make satisfactory academic progress toward achievement of their educational objective (program of study). A student who does not meet the minimum standards of 2.0 upon completion of 12 or more credit hours will be placed on probation, at which point the student will have no more than two semesters in which to improve academic standing to acceptable. At this point, if satisfactory academic progress has not been demonstrated, veteran educational benefits may be terminated. Benefits may be resumed when the student raises the cumulative grade point average to the required minimum standards or demonstrates the ability to meet these standards through the approval of a written appeal. For appeal procedures, contact the Veteran’s Coordinator in the Records Office. For additional details and information regarding veteran’s educational benefits, contact the Veteran’s Coordinator.

Distance Learning:

The course content and competencies for distance learning classes are the same as courses offered in-person or in a hybrid format. The courses offered in this format lead to completion of EAC degrees and/or certificates of completion. EAC uses WebStudy for teacher/student interactions for online or hybrid classes. You will be contacted through official EAC channels to help with initial login.

Prior Credit Evaluation:

Department of Veterans Affairs requires that all persons using any type of veteran’s educational assistance must have all prior education and training evaluated. Students will be required to request transcripts from all prior institutions, including military training. Without all prior institutions and military training, veteran educational assistance may not be certified. Transcripts will be evaluated and credit will be granted, as appropriate.
SCHOLARSHIPS

Scholarships are primarily awarded on the basis of academic excellence, performance in a particular area, or need. Both new and returning full-time students can apply for scholarships. Scholarship applications will begin to be reviewed and awards made after the March 1st priority deadline for the following academic year.

In order to be considered for scholarships, you must be admitted to Eastern Arizona College. The scholarship application must be submitted through your Gila Hank Account by March 1. In order for a scholarship application to be considered complete, the following additional materials should be uploaded through your Gila Hank Account to the scholarship office:

- A copy of your high school or college transcript
- Two letters of recommendation
- Personal essay including an explanation of financial need, scholarship qualifications, description of clubs, service, etc. and your college and career goals (one page)

These documents can also be mailed or delivered in person to:

Eastern Arizona College
Attn: Admissions and Scholarship Office
615 North Stadium Avenue
Thatcher, Arizona 85552

The Scholarship Officer has, as a matter of official policy, the right and obligation to discontinue any award made by or through the College upon receipt of verified evidence that a recipient of such an award has, either on the campus or in the community, demonstrated citizenship incompatible with standards of the College. This policy applies to all varieties of aid, as well as to academic, performing arts, athletic, or special scholarships.

INSTITUTIONAL SCHOLARSHIP GUIDELINES

The following academic guidelines will be necessary for you to maintain your scholarship status. This applies to all students currently on scholarship as well as new awardees. Individual scholarships may have other requirements, based upon the type of scholarship awarded. If you have questions, you should check either with the Scholarship Office or with the person directly responsible for the awarding of the scholarship.

- All students in every category must complete 12 credit hours or more each semester.
- All scholarships will be for a maximum of four semesters.
- Renewal depends on maintaining a satisfactory GPA and exemplary citizenship.
- Certain scholarships are available only to students who are residents of specific Arizona counties.

All Academic Team Scholarship. Each year, two EAC, full-time, sophomore students are chosen for the All Arizona Academic Team and are the recipients of a scholarship ranging from $500 to $1,000. Development of the student's application for nomination should begin toward the end of the spring semester for freshmen or very early in the fall semester for sophomores. To be considered for nomination, students must complete a biographical questionnaire, have at least a cumulative GPA of 3.25, write an essay, and fill out other related forms available through Phi Theta Kappa and the Counseling Office. In addition to the EAC Scholarship, recipients are awarded a full tuition scholarship for four semesters to attend U of A, ASU, or NAU funded by the Arizona Board of Regents.

Academic. Awarded to cover cost of tuition. For consideration, a new student must have a GPA of 3.0 or higher. The first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

Athletic. Awarded to prospective or returning athletes by the Athletic Department. You must be eligible to participate in intercollegiate athletics and maintain NJCAA academic standards. Individual coaches may make other requirements.

Departmental. Awarded by academic division. To receive consideration, you should correspond with the Division Chair, the Department Head of the curriculum of your interest. To qualify for consideration you need a high school or college GPA of 2.5 or above or demonstrate excellence in a curricular or extracurricular program offered at EAC. The first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

Graham County Scholastic Recognition. Covers tuition and assistance towards the purchase of books for those students who graduate in the top 10 percent of their Graham County high school classes. Awards are based on rankings from your high school counselor. You must maintain a semester GPA of 3.5 or better, or a cumulative GPA of 3.25 for the first semester the scholarship is received. For later semesters you must maintain a cumulative GPA of 3.375 or better, or a semester GPA of 3.5.

Music. Awarded by the Music Department to cover various amounts toward tuition, based on audition and level of involvement in department organizations. A high school or college GPA of at least 2.5 is needed to qualify. Scholarships are renewable provided you continue to participate enthusiastically in music organizations, demonstrate positive leadership, and meet academic requirements: the first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.
**Theatre.** Awarded by the Theatre Department to cover tuition. A high school or college GPA of at least 2.5 is required. Scholarships are based on auditions or documentation of dramatic abilities. Scholarships are renewable provided you continue to participate enthusiastically in theatre and meet academic requirements: the first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

**Presidential Scholarships.** Applicants must be residents of Apache or Greenlee counties. Awards fall into the following categories:

- **Presidential Award of Excellence.** Requires a minimum 3.5 GPA to qualify. Scholarship may provide assistance to cover the basic costs of a traditional on campus room, Plan C meal plan, in-state tuition and assistance towards the purchase of textbooks.

- **Presidential Preferential.** Requires a minimum 3.0 GPA to qualify. Students are required to submit a FAFSA application. Scholarship may provide assistance to cover the basic costs of a traditional on campus room, Plan C meal plan, in-state tuition after Federal Financial Aid funds are applied. Students may also receive assistance towards the purchase of textbooks.

- **Presidential Scholar.** Need based Scholarship. Students must qualify for Filled Pell Grant, live on campus and participate in a structured academic success program as determined by the Scholarship Office.

**Senior Citizen Tuition Scholarship.** Senior Citizens who are at least age 55 are eligible for tuition scholarships if they are residents of Arizona. Those from out-of-state pay only the out-of-state portion of the tuition.

**DONOR SCHOLARSHIPS AWARDED THROUGH THE EAC FOUNDATION AND THE COLLEGE**

The following scholarships, varying in value, are administered in accordance with stipulations of donors of these awards. You are encouraged to designate, at the time you make application, the specific scholarships for which you wish to be considered.

For additional information regarding the following scholarships, contact the Scholarship Office, Eastern Arizona College, Thatcher AZ 85552-0769; or call (928) 428-8272 or 1-800-678-3808 Ext 8272.

ACTIVITIES AND ORGANIZATIONS

Wishing to provide opportunities for wholesome recreation, service to the community, democratic participation in student government, and acquiring experience in leadership, Eastern Arizona College encourages and supports a varied program of student activities and organizations. These include athletics, dramatics, music, religion, student publications, intramural sports, politics, and social and scholastic organizations. Additional information concerning these activities can be found in the Student Handbook published by the Student Life Office.

ALUMNI LIBRARY

The Alumni Library consists of the library and media center. It serves students, faculty, and the community by providing research and recreational materials. Computer facilities and media are also available for use by students and non-student patrons 18 years of age and over.

The Library has approximately 51,000 books, 64 magazines and newspapers, and 40 subscription databases providing full-text journal and newspaper articles, poetry, short stories, and e-books. Many of these databases and our online catalog are searchable with one integrated link called “EAC-y” Search (“Easy Search”). There are also collections of academic and entertainment DVDs and music CDs for check-out.

Twelve small conference rooms and three large study areas are available for student use. Wireless Internet is available for students in the Alumni Library.

The media center has computers, printers, and Internet access. There are approximately 1,100 DVDs available for overnight checkout by students and community patrons over 18 years of age. Faculty place media items on reserve for student use in the Media Center/Library Building.

Alumni Library hours during fall and spring semesters:

- Monday through Thursday: 7 a.m. to 10 p.m.
- Friday: 7 a.m. to 5 p.m.
- Saturday: 10 a.m. to 4 p.m.
- Sunday: 6 p.m. to 10 p.m.

The Library is closed on college holidays, and closes at 5 p.m. the night before holidays. It is open the night before classes resume, from 6 p.m. to 10 p.m. All closures will be posted.

Summer session hours are:

- Monday through Thursday: 7 a.m. to 7 p.m.
- Friday: 7 a.m. to 5 p.m.

Closed weekends and holidays. All closures will be posted.

AWARDS

At the end of each school year a variety of awards are presented to students who have shown outstanding achievement during the school year. Following is a list of some of the annual awards.

Athletic Awards. In addition to the annual Letterman awards, the Athletic Department and other boosters recognize outstanding performances in the areas of athletics by presenting the following awards:

- **Alvin Goodman Scholastic Award**: In memory of Alvin Goodman, an award is presented to the letterman in basketball who has received the highest scholastic average of the year.
- **Athlete of the Year Award**: Awards are given to both the male and female Athlete of the Year. The Athletes of the Year will have their names engraved on the permanent trophy in the trophy case.
- **Basketball Most Valuable Player Award**: The most valuable basketball player will have his name engraved on a permanent trophy.
- **Wayne M. McGrath Scholastic Award**: Given to the female athlete with the highest GPA for that year. Recipient may be a freshman or sophomore.

Carl Kyser Award. This award honoring a former EAC Automotive Instructor, is given annually to the outstanding automotive student.

Cassius Bavor Award. This is in memory of Cassius Bavor, a former employee of Eastern Arizona College. It is given to the most outstanding student employee on campus.

Chief Yellowhorse Award. The Intertribal Club at EAC gives this award to the top sophomore Native American student and the top freshman Native American student based upon academic ability.

Criminal Justice Student Association Award. The students of CJSA give this award to a returning Administration of Justice student. Selection criteria include a 3.0 or higher GPA, providing service to the Club and the community, personal integrity, and a commitment to career objectives in the Administration of Justice field.

Dramatic Awards. Given to the outstanding male and female drama student in the following categories: Best Actor, Best Supporting Actor, and Most Improved Actor. Other awards include the “Techie” Award and the Donald P. Jones award for service beyond the call of duty.

EAC Faculty Association Award for an Outstanding Graduating Student. The Eastern Arizona College Faculty Association gives an award to an outstanding graduating student. GPA, extracurricular activities at the College, and community involvement help determine the winner who must be graduating in May.

Music Awards. Given to the four outstanding music students as chosen by the music instructors.

Voice Magazine. Prizes are awarded each year to outstanding poets and fiction writers whose work has appeared in the publication.
**Other Awards.** Other awards are presented annually by various college departments acknowledging individual student achievement in a variety of academic disciplines.

**COUNSELING PROGRAMS**

The goal of the counseling program of Eastern Arizona College is to assist each student to develop decision-making skills, provide opportunities for personal and career awareness, and to strengthen competencies in dealing with others. Problems of adjustment to the academic and social environment of college are not unusual and the counseling staff is prepared to help you with personal concerns as well as educational concerns.

You may earn college credit by enrolling in study skills/college survival classes and group counseling courses. For more information see the Counseling courses in the Course Descriptions section of this catalog. The Counseling Department also provides support programs for specific groups of students including Native American students and Reentry students.

**EVALUATION CENTER**

The Evaluation Center administers a variety of testing services including: ACT COMPASS and ACCUPLACER placement testing, GED testing, the College Level Examination Program (CLEP), and Castle Worldwide testing. The Center can provide proctoring services for students taking online courses.

For further information, contact the Evaluation Center by phone at (928) 428-8491, or by FAX at (928) 428-2074.

**HEALTH SERVICES**

All students are expected to provide their own health and accident insurance. When hospitalization or ambulance service is considered necessary, the College assumes no financial responsibility. Brochures describing health insurance programs for domestic and international students and dependents are available by request from the Student Life Office on the Thatcher Campus.

Although the College does not maintain health service facilities, students may use local emergency room and medical facilities. Serious illnesses or injuries occurring to nonresident students while on the Thatcher or Greenlee County Campuses are reported to the Dean of Students. Students residing in a residence hall are required to report any illnesses or injuries to the Residence Life Staff. Parents will be notified at once of any serious illness or injury.

College staff assigned to residence halls are concerned about student wellbeing and can help direct students to the appropriate medical services. However, they cannot take responsibility for providing sickbed services to students residing in the halls. The students and parents must arrange for such care.

**COMMUNICABLE DISEASE TRANSMISSION CONTROL**

When College officials have probable cause to believe that a student has contracted a communicable disease which, through transmission, may present a significant injury/risk to other students, the student will be required to seek immediate medical attention at personal expense, or be removed from all campus activities. Following medical attention, and upon the written recommendation from the attending physician, the Chief Student Officer of a particular campus or center may require the student to be isolated. This isolation may include, but not be limited to, temporary removal of the student from a residence hall, campus employment, and classes. Individual cases will not be prejudiced; rather, decisions will be made based upon the recommendation of the attending physician and/or public health guidelines.

The College does not assume any responsibility for accomplishing the isolation of a student with an identified communicable disease that may present significant injury/risk to other students. It will be the responsibility of a student living in a residence hall to secure other accommodations should the District require isolation.

The College shall respect the right to privacy of any student who has a communicable disease that may present significant injury/risk to other students. The student’s medical condition shall be disclosed only to the extent necessary to minimize the health risks to other students and District staff.

The Chief Student Officer of a particular campus or center shall determine who shall be made aware of the student’s condition while at the same time taking steps to assure that the number of personnel made aware will be kept at the minimum needed to assure proper care of the student and to detect situations in which the potential for transmission of the disease may increase. Persons deemed to have a “direct need to know” will be provided with appropriate information; however, these persons shall not further disclose such information.

**SUBSTANCE ABUSE PREVENTION PROGRAM**

Substance abuse prevention within the Eastern Arizona College community is the assigned responsibility of the Counseling Department. To this end, the Department, on an ongoing basis, assesses the nature and extent of substance abuse at Eastern Arizona College and tailors preventative measures to identified needs of the College. These measures include the dissemination of information, referrals to community support agencies and the sponsoring of counseling and workshop programs within which individuals can explore the extent of their own drug and/or alcohol dependency. This prevention program is available to all EAC students and staff.

**SERVICES FOR STUDENTS WITH DISABILITIES**

Services and educational opportunities for students with disabilities are provided. Please contact the Assistant Dean of Counseling on the Thatcher Campus to inquire about procedures.

The Arizona Relay Service provides free telephone access 24 hours a day for the hearing or speech impaired. To access, please call 1-800-367-8939 and ask for Eastern Arizona College at (928) 428-8253.

**STUDENT LEARNING CENTER**

The Eastern Arizona College Student Learning Center offers free tutoring and computers upon availability. Students requiring extra assistance in their academic work are encouraged to visit the Center to inquire about services or for more information, call (928) 428-8446.
STUDENT CODE OF CONDUCT

THE COLLEGE HAS THE OBLIGATION to determine the standards of conduct appropriate for those who become members of its student body. These standards apply to all and will be administered by the President and/or his designee who may take disciplinary action deemed appropriate for the violation committed. Students, who have rights and privileges as citizens, must keep in mind that admission to the College is a privileged status and involves special additional obligations to the college community. It also presumes that students, as members of the academic community, understand that due regard for law and the rights of others are always involved in the realm of liberty.

The rules of conduct specified below are not all-inclusive but are emphasized as being among those necessary for the security and well-being of students attending Eastern Arizona College and are among the circumstances which may lead to disciplinary action and possible dismissal.

• Conviction of a crime or continued misconduct of any type that is an infraction of the established laws of the town, county, state or nation.
• Possessing or using intoxicating liquors, narcotics or other illegal drugs.
• Stealing or in possession of stolen articles.
• Malicious destruction of property.
• Endangering or threatening the life or physical safety of others or self, including forcible or nonforcible sexual assault.
• Possession/use of any projectile weapon on campus.
• Failure to meet financial obligations to the College.
• Student conduct, on or off campus, prejudicial to the best interest of the College may be considered cause for disciplinary action or dismissal.

GRIEVANCE PROCEDURE—NON-ACADEMIC STANDARDS

Students aggrieved by College actions of a non-academic nature shall have the opportunity for appeal. When a complaint about a non-academic action arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render the complaint legitimate. Complaints of sexual harassment should follow the procedure set forth in GCCCD Policy 4730.00 Sexual Harassment and described later in this section under “Sexual Discrimination/Harassment Complaints.”

The student’s right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process—Non-Academic Standards. The Official Review Process – Non-Academic Standards may not be applicable when services are delivered under the provisions of a negotiated contract. The appeal process does not suspend any actions which are being grieved.

DEFINITION OF TERMS

Days: Calendar days exclusive of weekends, semester breaks, and official holidays as identified in the College Catalog.

Complainant: Student complainant.

Official: College official(s) responsible for the program or action for which the student complainant has a grievance.

Student Affairs Officer: Campus official designated by the College President for oversight of student affairs.

Judiciary Committee: College committee charged with responsibility to advise the College President on policies, standards, rules and regulations for non-academic standards; and to serve as an appeals committee for grievances involving non-academic standards.

Non-Academic Standards: All institutional actions exclusive of academic standards and discrimination as defined by federal or state laws.

OFFICIAL REVIEW PROCESS

Step 1. The Complainant shall seek out, within five (5) days of the action, the Official so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

Step 2. If Complainant satisfaction is not achieved in Step 1, the Complainant shall provide a written request identifying the problem and requesting a meeting with the Student Affairs Officer. Within five (5) days of receipt of the request, the Student Affairs Officer shall arrange for a meeting with the Complainant and attempt to mediate an acceptable solution.

Step 3. If Complainant satisfaction is not achieved in Step 2, the Complainant shall provide a written request for a hearing by the Judiciary Committee. The request shall articulate the complaint and shall be delivered to the Chairperson of the Judiciary Committee and Student Affairs Officer within five (5) days after receiving a recommended solution as provided in Step II. Within ten (10) days of receipt of the request for a hearing, but not less than three (3) days of receipt of the request, the Chairperson of the Judiciary Committee shall arrange for a hearing. The Complainant, the Student Affairs Officer and the Official shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Judiciary Committee shall set forth a written document addressing findings of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Student Affairs Officer, the Official and the College President. Decisions made by the Judiciary Committee are binding.

SEXUAL DISCRIMINATION/HARASSMENT COMPLAINTS

It is the policy of Eastern Arizona College that there be no discrimination against any employee, applicant for employment, or student on the basis of sex. In keeping with this policy, the College prohibits sexual harassment by any of its employees, its students, or third parties against any other employee, applicant for employment, or student. The College considers
sexual harassment to be a major offense that can result in the suspension or discharge of the offender.

Any unwelcome sexual advance, request for sexual favors, or other verbal or physical conduct of a sexual nature, constitutes sexual harassment when:

1. Submission to the conduct is made either an explicit or implicit condition of employment or academic standing;
2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting an employee or applicant for employment; or used as the basis for an academic decision affecting a student; or
3. The harassment substantially interferes with an employee's work performance or creates an intimidating, hostile or offensive work environment; or interferes with a student's academic performance or creates an intimidating, hostile or offensive academic environment.

BRINGING A COMPLAINT

Any employee, applicant for employment, or student who believes that he/she or another employee, applicant for employment, or student, (1) has been discriminated against on the basis of sex, or (2) has been sexually harassed, should promptly report the matter to any Dean (Assistant, Associate, etc.), the Provost, or Executive Vice President of the College. A College Dean, Provost, or Executive Vice President who receives a report of sexual harassment must present the allegations to the College President as soon as reasonably possible. The College President or personnel designated by the College President shall investigate complaints of sexual harassment. A complaint arising from a Graham County site may be reported to the Provost/Chief Academic and Student Officer at (928) 428-8261, Student Services Building Room 219. A complaint arising from a Greenlee County site may be reported to Mike Crockett, Dean of Instruction, at (928) 428-8291, Student Services Building Room 216.

RESOLUTION OF A COMPLAINT

The College is committed to investigating each complaint thoroughly and taking immediate and appropriate corrective action on all confirmed violations of this policy. In determining whether or not any particular alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the alleged incident(s) and the context in which the alleged incident(s) occurred will be reviewed and considered. The College prohibits reprisals by any of its employees or students against any complaining employee(s), student(s), or corroborating witness(es). Confidentiality will be maintained to the maximum extent reasonably possible.

SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING COMPLAINTS

A charge of any of the above complaints against a College student will be handled by the Provost/Chief Academic and Student Officer of the Thatcher Campus or Chief Officer for Greenlee County Eastern Arizona College sites in a similar manner as described above in the Complaint of Sexual Harassment. When a complainant of sexual assault gives information to the Officer that a sexual assault has taken place and accuses a College student of the offense, the Officer will have the discretion to suspend the accused student pending a hearing. When any necessary investigation is complete, the Officer will formally notify the accused student of the charges and will set a hearing date within 5 class days.

GENERAL COLLEGE REGULATIONS REGARDING THE ILLEGAL USE OF A CONTROLLED SUBSTANCE

1. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited on College property or as part of any of the College’s activities. For purposes of this regulation a controlled substance shall include any of the following:
   a. An illegal drug
   b. A legal drug used in excess of medically prescribed dosage
   c. An alcoholic beverage
   d. Any other mind-altering substance, or any substance used in excess of medically prescribed dosage.

2. The conviction for the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance on College property or as part of any of its activities shall be cause for immediate suspension and shall result in one or more of the following conditions as considered appropriate by the College Office designated in charge of student affairs.
   a. Termination of enrollment with the college; or
   b. Requirement for the student to participate satisfactorily in a substance abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency; and/or
   c. Other enrollment restrictions or stipulations as deemed in the best interest of the College and the student.

3. Students should carefully consider information provided by the College detailing:
   a. Standards of conduct related to the possession, use, or distribution of drugs and alcohol by students on our institution’s property or as any part of our institution’s activities, including sanctions imposed for violation of those standards as detailed above in “General College Regulations,” paragraphs A and B;
   b. A description of applicable legal sanctions under local, state, and federal law for unlawful possession, use, or distribution of illicit drugs and alcohol;
   c. A description of the health risks associated with use of illicit drugs and the abuse of alcohol; and
   d. A description of any drug and alcohol counseling treatment or rehabilitation or reentry programs that are available to students.

The College will conduct a biennial review of its “Program to Prevent Illicit Use of Drugs and Abuse of Alcohol by Employees and Students” to determine its effectiveness, implement needed changes, and ensure that disciplinary sanctions are consistently enforced.

Note: Federal law allows notification of parents or guardians when there is a violation of this policy or a student exhibits a pattern of illegal substance use.
INTERFERENCE WITH OR DISRUPTION OF EDUCATION

Eastern Arizona College is dedicated to the concept of providing education to all those who can benefit therefrom. The College has a responsibility to maintain public order so that individual rights to benefit from its programs and facilities will not be impaired.

A person commits interference with or disruption of education at Eastern Arizona College by doing any of the following:

- For the purpose of causing, or in reckless disregard of causing, interference with or disruption of Eastern Arizona College, threatening to cause physical injury to any employee of Eastern Arizona College or any person attending Eastern Arizona College.
- For the purpose of causing, or in reckless disregard of causing, interference with or disruption of Eastern Arizona College, threatening to cause damage to Eastern Arizona College, the property of an Eastern Arizona College employee or any person attending Eastern Arizona College.
- Knowingly going on or remaining on the property of Eastern Arizona College for the purpose of interfering with or disrupting the lawful use of the property or in any manner as to deny or interfere with the lawful use of the property by others.
- Knowingly refusing to obey a lawful order given pursuant to A.R.S. § 13-2911 (C).
- Bringing onto campus, or possessing on campus any: (a) deadly weapon, (b) firearm (loaded or unloaded), (c) explosive, (d) nunchaku, (e) breakable container containing flammable liquid with a flash point of 150 degrees Fahrenheit or less and has a wick or similar device capable of being ignited, or (f) any combination of parts or materials designed and intended for use in making or converting a device into any item set forth in subdivisions (c) or (e) of this paragraph. The provisions of this paragraph shall not apply to Police Officers, certified and commissioned in the State of Arizona, or to weapons, and/or chemicals possessed and used as part of a course of instruction at Eastern Arizona College, or for weapons used for lawful exhibition or demonstration approved by the College President or designee.

For purposes of this policy, “interference with or disruption of” includes causing an employee of Eastern Arizona College to take any action to protect Eastern Arizona College or the employees, students or property of Eastern Arizona College.

Campus Police shall have the primary charge to maintain public order and the peaceful conduct of education upon all College property, assisted, when appropriate, by local law enforcement personnel.

Penalties for interference with or disruption of education upon College property shall include all appropriate legal remedies including, but not limited to: (a) the criminal penalties specified by A.R.S. § 13-2911, (b) the offender being required to leave College property, and (c) in the case of a student, faculty member or other staff violator, suspension, expulsion, or other appropriate disciplinary action. In addition, any deadly weapon, dangerous instrument, or explosive that is used, displayed or possessed by a person in violation of this policy shall be forfeited or otherwise disposed in accord with A.R.S. § 13-2911 (D).

ACADEMIC INTEGRITY

Academic integrity is a vital part of the culture of all successful institutions of higher learning. The value of the degrees, certificates, and coursework offered by Eastern Arizona College greatly depends on its reputation as an institution dedicated to academic honesty. This Academic Integrity Policy provides guidance in helping students and faculty understand the meaning and importance of academic integrity; defines academic dishonesty; and outlines the procedures for handling infractions of academic integrity. Each member of the EAC community is charged with honoring and upholding the policies and procedures governing academic integrity as set forth below.

DEFINITION OF TERMS

As used in this policy:

Academic evaluation refers to any assignment, project, test, essay, quiz, performance, or other task or instrument by which students demonstrate mastery of course content, thus earning credit toward a class grade.

Academic integrity means honesty and responsibility associated with study, learning, and scholarship.

Academic misconduct means any act contrary to Academic Integrity, such as cheating, plagiarism, and earning grades dishonestly.

Academic standards are the rules and principles by which grades, student conduct, professional educator conduct, and class materials are evaluated.

Admissions and Academic Standards Appeals Committee serves as the appeals committee for grievances concerning academic standards; compiles and considers reports on the nature and frequency of academic misconduct; hears charges and evidence of repeated or particularly serious academic misconduct; and imposes sanctions when such types of academic misconduct is determined to have occurred.

College means any and all Graham County Community College District (GCCCD) locations to which Eastern Arizona College delivers instructional services to students enrolled for credit.

Dean is the administrator who, under the direction of the Chief Academic Officer, supervises several academic divisions and other specified college areas.

District refers to the Graham County Community College District.

Division Chair is the person who immediately supervises professional educators in the departments comprising a division and other programs relevant to the division function.

Judiciary Committee serves as the appeals committee for grievances involving non-academic standards, hears charges and considers evidence of academic misconduct in the most serious cases, and imposes sanctions when academic misconduct is determined in those cases.

Plagiarism is the use of another person’s words, materials, work, and ideas, and adoption of an actual document, including a document available electronically, without properly acknowledging and documenting the source.
Professional educator is employed by the College as the instructor of record, contributing/substitute instructor of record, proctor, GCCCD staff, or employee responsible for delivering instructional services and or resources to students.

Restricted course materials are materials that are kept within the control of a professional educator to be delivered to enrolled students in a controlled manner. Restricting access to materials such as examinations, quizzes, and various assignments allows professional educators to control the resources available to students completing such evaluations, thus providing a uniform assessment of the knowledge and abilities that a student has obtained through his or her coursework. Examinations, quizzes, and assignments that are deliberately made available to the public by the professional educator of a course and without limitations are not restricted course materials.

Student means a person who is registered in a College course.

STUDENT RESPONSIBILITIES
Students at Eastern Arizona College are expected to:

- Conduct themselves in accordance with principles of academic integrity
- Behave so as to foster an atmosphere of honesty and fairness
- Avoid plagiarism and other forms of academic misconduct
- Give truthful information to any College professional educator or to any other College employee regarding issues concerning academic integrity or academic misconduct, or suspected academic misconduct
- Not alter, misuse, or forge any College document, record, or instrument of identification.

Students are not excused from these provisions because of any failure or inability on the part of the professional educator to prevent other instances of academic misconduct.

ACADEMIC INTEGRITY POLICY

Students at Eastern Arizona College are expected to:

- Conduct themselves in accordance with principles of academic integrity
- Behave so as to foster an atmosphere of honesty and fairness
- Avoid plagiarism and other forms of academic misconduct
- Give truthful information to any College professional educator or to any other College employee regarding issues concerning academic integrity or academic misconduct, or suspected academic misconduct
- Not alter, misuse, or forge any College document, record, or instrument of identification.

Students are not excused from these provisions because of any failure or inability on the part of the professional educator to prevent other instances of academic misconduct.

ACADEMIC MISCONDUCT

Academic misconduct includes any act that improperly affects the evaluation of a student’s academic performance or achievement, or any act designed to deceive a professional educator. This definition applies whether the student’s act of misconduct affects his or her own work or the work of other students. Specific infractions include, but are not limited to, the following:

1. **Cheating on Examinations:** Cheating includes the use of crib sheets, “cheat sheets,” or discarded computer programs; aid from other persons; copying from another student’s work; and soliciting and giving or receiving unauthorized aid orally, electronically, or in writing. The student will not consult books, notes, calculators, or other materials of any kind during an examination or assignment without the express permission of the instructor. If calculators, spellers, or other hand-held electronic devices are permitted to be used during an examination or assignment, no information may be programmed into or retrieved from the device other than that expressly permitted by the instructor. Students in online or hybrid courses are responsible for maintaining the security of course materials and are forbidden to share examination materials and other restricted course materials with anyone. Any act that compromises the security, validity, or effectiveness of an academic evaluation, whether it is a regular assignment, a quiz, an examination, or an evaluation of another sort, is academic misconduct.

2. **Inappropriate Collaboration:** Permission from an instructor for students to “work together” on homework, an assignment, or paper is not permission for one student to present another student’s work as his or her own. Unless the professional educator specifies otherwise, all work submitted for a grade or credit toward completion of a course will be the product of the student’s own understanding, expressed in the student’s own words, calculations, computer code, etc. One form of inappropriate collaboration involves having another person significantly alter either the content or grammar of the student’s written work. A student may seek feedback from another student or individual concerning a document’s content, grammar, and spelling, but to avoid this type of inappropriate collaboration, the student must fix problems himself or herself.

3. **Collusion:** Collusion is the act of assisting others in their ventures of academic misconduct. Collusion includes but is not limited to providing advance copies of examinations and other restricted course materials; providing essays or other written assignments to others; acting as a “ghost writer” and significantly contributing to the written work of another without making your contributions known to the instructor and acquiring permission for such contributions; posing as another person in order to complete course work, examinations, or other academic work on that person’s behalf; working to conceal the academic misconduct of another student.

4. **Submitting the Same Assignment for Different Classes:** Submitting the same assignment for a second class violates the assumption that every assignment advances a student’s learning and growth. Unless instructors of both classes involved expressly allow it, submitting an assignment already submitted for another class is a breach of academic integrity.

5. **Intentional Misrepresentation:** Misrepresentation occurs when a student claims that source materials contain information or phrasing that they do not. In addition, misrepresentation occurs when a student omits or inserts words, changes words, misquotes, or takes correctly quoted phrases out of context. If this is done with the intent to deceive a professional educator in any academic evaluation, the student has committed a breach of academic integrity.

6. **Plagiarism:** Plagiarism means presenting someone else’s ideas or words as one’s own. Plagiarism may involve some degree of
The Professional Educator

The College respects and accepts the professional educator’s qualifications and rights to determine academic standards. The professional educator is accountable for establishing and maintaining appropriate academic standards for coursework and for informing students of any special rules or practices for a particular class.

When a professional educator becomes aware of a possible violation of academic integrity by one of his or her students, a confidential conference between the professional educator and the student should be held to discuss the perceived violation and its consequences. If, following the conversation, the professional educator is satisfied that a violation has occurred, he or she may determine that one or more of the following consequences are appropriate and impose such penalty:

- Issuing a verbal or written reprimand
- Requiring that the academic project or examination in question be repeated
- Assigning the academic project or examination in question a reduced grade
- Requiring that the academic project or examination in question be repeated for a reduced grade
- Assigning the academic project or examination in question a failing grade
- Assigning a reduced grade in the course
- Assigning a failing grade in the course
- Initiating the student’s involuntary withdrawal from the course

The professional educator will resolve most violations in the above manner.

The professional educator will report each violation and its disposition to the Division Chair within five business days of the occurrence; the chair will report to the appropriate Dean, who in turn will report it to the Admissions and Academic Standards Appeals Committee. If the professional educator feels that the violation in question was especially serious or repeated, he or she may recommend that additional penalties be imposed.

The Admissions and Academic Standards Appeals Committee

The Admissions and Academic Standards Appeals Committee will be notified of all acts of academic misconduct. Such reports will be noted in the agenda and minutes of committee meetings. The committee may report the incidence and nature of these violations to the faculty and administration at appropriate intervals.

When, in the opinion of the committee, evidence of repeated or especially serious offenses exists, or upon the recommendation of the professional educator involved, the Admissions and Academic Standards Appeals Committee will consider the case and may decide to impose one or more of the following additional penalties against a violator:

- Placing a written reprimand in the student’s permanent file
- Restricting the student’s access to certain college resources
- Requiring the student to complete an academic integrity education program
- Placing the student on probation

If the Admissions and Academic Standards Appeals Committee concludes that the violation is so serious as to possibly warrant the student’s exclusion from extracurricular college activities, or suspension or dismissal from the College, it will make that recommendation to the Judiciary Committee.

The Judiciary Committee

The Judiciary Committee will resolve the most serious acts of academic misconduct. Only the Judiciary Committee has authority to suspend or expel a student from the College for academic misconduct.

After receiving recommendation from the Admissions and Academic Standards Appeals Committee that a violation of academic integrity may
warrant the student’s dismissal from the College, the Judiciary Committee will consider the evidence and render a decision which shall be binding.

The Judiciary Committee may impose additional penalties against a violator, which may include:

- Censure and exclusion from extracurricular college activities, including student government, athletics, performances, or other activities of the college community
- Suspension for a specified period of time
- Expulsion from the College without expectation of readmission

A Student’s Right to Appeal
A student may appeal any decision to impose discipline as a result of academic misconduct through the established Grievance Procedure and Official Review Process for Academic Standards (GCCCD 5810.02).
ACADEMIC REGULATIONS

ACADEMIC GOOD STANDING

**Academic Probation.** If an enrolled student’s cumulative grade point average in either the fall or spring semester falls below the following levels in relation to the student’s total credits used in the calculation of the GPA, the student will be placed on academic probation. In the subsequent fall or spring semester the student will be allowed to register for no more than sixteen (16) credits.

**Extended Academic Probation.** At the end of the academic probation semester if the student fails to raise his/her GPA to the minimum GPA requirement specified above, the student will be placed on extended academic probation. While on extended academic probation the student will be limited to seven (7) credit hours in subsequent semesters and summer sessions until such time as the student meets the appropriate standard.

**Appeal of Academic Probation or Extended Academic Probation.** If a student believes he/she was placed on academic probation or extended academic probation as a result of extenuating circumstances, the student may petition the Admissions and Academic Standards Appeals Committee for an exception.

**ATTENDANCE**

You are expected to attend all class meetings and laboratory sessions for which you are registered. Instructors will advise you in writing of class policies governing absences, punctuality, make-up assignments, and exams at the beginning of each term.

**ABSENCES**

Absences accumulate beginning with the first day of class.

**Official Absences.** Absences from class due to authorized participation in College sponsored activities will be considered as official absences. There will be no institutionally sanctioned penalty associated with official absences. Designation of official absences will be made through the Provost/Chief Academic and Student Officer.

**Unofficial Absences.** Absences other than official absences will be considered as unofficial absences. Instructors are authorized to withdraw a student from class for excessive unofficial absences.

MADE-UP ASSIGNMENTS AND EXAMS

It is your responsibility to make up any assignments or exams missed because of either an official or unofficial absence. Arrangements for make-up assignments or exams must be made with the individual instructor prior to the absence. At the discretion of the instructor, you may be denied the opportunity to make up assignments or exams missed because of an unofficial absence. Make-up assignments or exams for official absences shall not be punitive in nature.

**PUNCTUALITY**

You are expected to be prompt in attending each of your classes. Instructors are authorized to take appropriate actions, including withdrawing you from class, because of excessive tardiness.

THE CREDIT SYSTEM

Credit is given by means of a semester credit system which assigns each course a certain number of credits. A credit usually represents three hours of work each week in a 16-week semester; it may stand for an hour of classroom work and two hours of preparation, for three hours of laboratory work, or for some other combination as the particular course may demand.

AWARDING TRANSFER CREDIT

To apply credit earned at another accredited institution of higher education towards your EAC degree, you must have each of your former colleges send an official college transcript directly to EAC’s Records and Registration Office. If you are applying for transfer credit earned at an out-of-state college you must also furnish the Records and Registration Office with a copy of the course descriptions in effect at the time the course work was taken.

You may receive transfer credits for courses taken at another accredited higher education institution in which you received a grade of “C” or better. Courses that are determined to not be equivalent or similar to EAC courses will transfer as elective credit. In unusual circumstances, you may petition the Admissions and Academic Standards Appeals Committee for credit for transfer courses in which a grade of “D” was received.

Courses taken from another institution while you are academically suspended from EAC will not be accepted by EAC.

Accredited higher education institutions are those that are fully accredited by New England Association of Schools and Colleges, Middle States Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Schools and Colleges, Southern Association of Colleges and Schools, and/or the Western Association of Schools and Colleges.
Transfer credit from non-accredited postsecondary institutions may also be accepted if such credits represent equivalent or higher level work at Eastern Arizona College.

Prerequisite courses taken over ten years ago may not prepare you well for the subsequent course due to changes in the body of knowledge in the field being studied.

**NATIONAL STANDARDIZED EXAMINATIONS**

You may be awarded college credit for satisfactory scores on national standardized examinations listed in the American Council on Education’s “A Guide to Educational Credit by Examination, 4th Edition,” or its successor.

CLEP is an example of such an examination. The College’s Evaluation Center administers the CLEP. There is a fee for the CLEP exam. If you intend to transfer to another college or university you are cautioned that policies governing the awarding of CLEP credit vary from institution to institution. In all cases, scores earned for CLEP examinations will have to be submitted separately to each institution at which credit is being sought.

**Credit for CLEP scores earned after July 1, 2005.** You may be awarded EAC credit through CLEP scores earned after July 1, 2005 if you scored 50 or above on the subject exams.

**LANGUAGES**

The preferred method of demonstrating language proficiency in Spanish and French at EAC is by enrolling in the College’s competency based courses in one of those languages at the appropriate level, rather than attempting a CLEP or other exam. Once proficiency has been demonstrated, EAC will place the credits earned on your transcript making them fully transferable.

Should you wish to obtain EAC language credit through CLEP, the following standards will apply. Students who are awarded EAC language credit through CLEP and who wish to transfer this credit as evidence of language proficiency, may also be required by the receiving institution to pass an oral examination.

COMPETENCY BASED CREDIT

The College offers open entry/open exit courses in which student success and course completion is based on mastery of specified competencies. Such courses are laboratory intensive, and are characterized by students entering and completing within various time frames. Open entry/open exit courses are not tied to minute/credit ratios. Credits are awarded upon the achievement of clearly defined and measurable course competencies.

CREDIT BY ARTICULATION WITH SECONDARY SCHOOLS

High school students participating in a secondary program articulated with Eastern Arizona College will receive college credit according to the terms of the articulation agreement with the specific secondary school. Credits earned via articulated secondary programs may not be transferable, depending on the policies of the receiving institution.

CREDIT BY DEPARTMENTAL EXAMINATION

If you have acquired college level knowledge or skill through work or life experiences for which you have not received college credit you may petition the Admissions and Academic Standards Appeals Committee to earn college credit by taking an EAC Departmental Exam provided you are not currently enrolled in that course nor seeking credit for a lower level course after successfully completing a higher level course. This petition may be obtained through EAC’s Records and Registration Office or online through your Gila Hank Online account. Upon approval of your petition, a comprehensive written and/or performance examination (not the course final exam) relating experience to course content will be administered by an instructor designated by the Provost/Chief Academic and Student Officer. The examination will be documented by filing results in EAC’s Records and Registration Office. If proper test administrators are not available at the time of your request, you must wait until the test administrator is available. Permission to take such an exam is limited to subject areas offered by Eastern Arizona College in which competency can be measured satisfactorily by a written or performance test. A course may be challenged only one time. Credit awarded on this basis will be recorded on an official transcript only upon completion of 16 credit hours at Eastern Arizona College and will be shown on the transcript as “credit by departmental examination.” A credit by examination fee will be charged for the examination (see catalog, section “Other Fees”). Upon transfer, acceptance of credit awarded by means of departmental exam may be treated differently by the receiving institution.

CREDIT FOR ADVANCED PLACEMENT

Testing and evaluation for Advanced Placement will be uniform throughout the District and shall be applied uniformly by divisions and individual instructors.

The following list shows the EAC credit awarded for specific advanced placement examinations.

**American History.** An AP Exam score of 4 or 5 earns credit for EAC courses HIS 101 and 102, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

**Art (History).** An AP Exam score of 3, 4 or 5 earns credit for EAC course ART 133 or ART 134, for 3 credits. A score of 1 or 2 earns no credit.

**Art (Studio).** An AP Exam score of 4 or 5 earns credit for EAC course ART 111 for 3 credits. A score of 1, 2 or 3 earns no credit.

**Biology.** An AP Exam score of 4 or 5 earns credit for EAC courses BIO 181 and 182, a total of 8 credits. A score of 3 earns credit for BIO 100, for 4 credits. A score of 1 or 2 earns no credit.

**Calculus AB.** An AP Exam score of 3, 4 or 5 earns credit for EAC course MAT 220, for 5 credits. A score of 1 or 2 earns no credit.

**Calculus BC.** An AP Exam score of 4 or 5 earns credit for EAC courses MAT 220 and 230, a total of 9 credits. An AP Exam score of 3 earns credit for EAC course MAT 220, for 5 credits. A score of 1 or 2 earns no credit.

**Chemistry.** An AP Exam score of 4 or 5 earns credit for EAC courses CHM 151 and 152, a total of 8 credits. A score of 1, 2 or 3 earns no credit.

**Comparative Government & Politics.** An AP Exam score of 4 or 5 earns credit for EAC department elective credit, for 3 credits. A score of 1, 2 or 3 earns no credit.

**English Language/Composition.** An AP Exam score of 4 or 5 earns credit for EAC course ENG 101, for 3 credits. A score of 1, 2 or 3 earns no credit.

**European History.** An AP Exam score of 4 or 5 earns credit for EAC courses HIS 104 and 105, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

**French Language.** An AP Exam score of 3, 4 or 5 earns credit for EAC courses FRE 101, 102, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

**German Language.** An AP Exam score of 3, 4 or 5 earns credit for EAC courses GER 101, 102, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

**Microeconomics.** An AP Exam score of 4 or 5 earns credit for EAC course BUA 221, for 3 credits. A score of 1, 2 or 3 earns no credit.

**Macroeconomics.** An AP Exam score of 4 or 5 earns credit for EAC course BUA 223, for 3 credits. A score of 1, 2 or 3 earns no credit.

CREDIT FOR MILITARY TRAINING, LICENSING, AGENCY TRAINING, EXAMINATION, OR EVALUATION

If you hold a valid and current license or accreditation for a specific skill or trade which included passing an exam by a state or nationally recognized Board and have been actively practicing that skill within the last five years, you may petition the Admissions and Academic Standards Appeals Committee for college credit in subject areas offered by EAC. You must supply the name and address of the accrediting Board, trade school, or agency to EAC's Records and Registration Office.

Upon request by EAC's Records and Registration Office, the place of prior accreditation must be willing to supply information about examination competencies. If this information is adequate for evaluation, credit awarded on this basis will be recorded on an official transcript only upon completion of at least 16 credit hours in courses at Eastern Arizona College and will be shown on the transcript as “military credit awarded by evaluation.” Upon transfer, acceptance of credit awarded for military service may be treated differently by the receiving institution.

GRADING

Each course in which you are enrolled at the close of registration for that course will be awarded one of the following grades:

</tbody>
</table>

Grade point averages are computed by multiplying the grade points earned by the corresponding credit and dividing the sum of those products by the total credit attempted.

GRADE OF INCOMPLETE “I”

The grade of Incomplete (I) may be given for reasons acceptable to the instructor if you do not complete the objectives of the course during enrollment. Incompletes may be changed to grades when, upon contract with instructors, the objectives of the courses involved are completed at a passing level. You are solely responsible for making arrangements with instructors to complete course requirements. The course must be completed and a grade recorded by the end of the next regular semester following the Incomplete, or a grade of “F” will be recorded for the course.
GRADE OF PASS “P”
If you are in a transfer program it is recommended that you limit the number of credits in which you receive “P” grades to no more than six. Excessive “P” grades may prevent you from being admitted to the university program of your choice. “P” grades are not calculated in your GPA. “P” grades changed by petition are equivalent to “C” grades.

GRADE OF WITHDRAWAL “W”
You may obtain the grade of Withdrawn (W) by officially withdrawing from the class within the allotted time frame. Ceasing to attend the class does not constitute withdrawal.

GRADE OF AUDIT “X”
The grade of Audit (X) is given to students who officially enroll in a course as an auditor to obtain course information and do not wish to earn college credit. When auditing, you pay the regular tuition and fee charges in addition to the audit fee as specified in the fee schedule.

GRADES FOR REPEATED COURSES
You may repeat a course previously taken at Eastern Arizona College in order to improve your grade or to update your knowledge of the course material. When a course is repeated, credit may be counted only once for graduation and only the higher grade will be used for computation of the grade point average; however, all grades will appear on your transcript. Veterans cannot claim benefits for repeated courses unless the veteran received a grade of “F” and the course is needed for graduation.

GRADE REPORTING SYSTEM
You will be mailed a printed copy of your grade report upon written or verbal request to the Records and Registration Office.

GRADE CHANGES
Grade changes can be made only by instructors with the approval of the Provost/Chief Academic and Student Officer, with the exception of clerical errors made and corrected by the Records and Registration Office. If an instructor is not available, petitions for grade changes will be considered by the Admissions and Academic Standards Appeals Committee. An appeal for a grade change will not be considered unless a petition for same is filed with the Records and Registration Office within six (6) months of the close of the semester in which the grade was received.

GRIEVANCE PROCEDURE–ACADEMIC STANDARDS
Students aggrieved by College actions of an academic nature shall have the opportunity for appeal.

The professional educator’s qualifications and rights to determine academic standards are respected and accepted. The professional educator shall be accountable for establishing and maintaining appropriate academic standards for coursework.

When a complaint about academic standards arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render the complaint legitimate. Complaints of sexual harassment should follow the procedure described in GCCCD 4730.00 Sexual Harassment. The student’s right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process - Academic Standards. The Official Review Process - Academic Standards may not be applicable when services are delivered under the provisions of a negotiated contract. The appeal process does not suspend any actions which are being grievred.

DEFINITION OF TERMS

Days: Calendar days exclusive of official holidays as identified in the College Catalog.

Complainant: Student complainant.

Professional Educator: College professional educator(s) responsible for the program or action for which the student complainant has a grievance.

Academic Affairs Officer: Campus official designated by the College President for oversight of academic affairs.

Admissions and Academic Standards Appeals Committee: College committee charged with responsibility to advise the College President on policies, standards, rules and regulations for academic standards and student admission; and to serve as an appeals committee for grievances concerning academic standards.

Academic Standard: All actions relating to grades, grading standards, professional educator conduct, materials presented in a classroom by the professional educator or adjunct, and professional educator discrimination against a student exclusive of discrimination as defined by federal or state laws.

OFFICIAL REVIEW PROCESS–ACADEMIC STANDARDS

Step 1. The Complainant shall seek out, within five (5) days of the action, the Professional Educator so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

Step 2. If Complainant satisfaction is not achieved in Step 1, the Complainant shall provide a written request for a meeting to the Division Chairperson responsible for oversight of the standards employed by the Professional Educator. Within five (5) days of receipt of the request the Division Chairperson shall arrange for a meeting to include the following individuals: the Division Chairperson, the Professional Educator, and the Complainant. The Division Chairperson shall attempt to mediate an acceptable solution.

Step 3. If Complainant satisfaction is not achieved in Step 2, the Complainant shall provide a written request for a hearing by the Admissions and Academic Standards Appeals Committee. The request shall articulate the complaint and shall be delivered to the Academic Affairs Officer within five (5) days after receiving a recommended solution as provided in Step 2. Within ten (10) days of receipt of the request, but not less than three (3) days of receipt of request, the Chairperson
of the Admissions and Academic Standards Appeals Committee shall arrange for a hearing. The Complainant, the Professional Educator and the Division Chairperson shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Admissions and Academic Standards Appeals Committee shall set forth a written document addressing finding of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Professional Educator, the Division Chairperson, and the College President. Decisions made by the Admissions and Academic Standards Appeal Committee are binding.

HONORS

President’s List: The President’s List will, upon completion of each semester, include those full-time students who:

- Are enrolled in a curriculum listed in a College Academic Catalog leading to a degree offered by Eastern Arizona College,
- Complete during the semester a minimum of 12 credits at the 100 level or higher for which a grade other than an “I” (Incomplete) or “P” (Pass) grade was earned, and
- Received a 4.000 semester grade point average.

Dean’s List: The Dean’s List will, upon completion of each semester, include those full-time students who:

- Are enrolled in a curriculum listed in a College Academic Catalog leading to a degree offered by Eastern Arizona College,
- Complete during the semester a minimum of 12 credits at the 100 level or higher for which a grade other than an “I” (Incomplete) or “P” (Pass) grade was earned, and
- Received a 3.500 through 3.999 semester grade point average.

OFFICIAL NOTIFICATIONS

At initial enrollment all students receive an Eastern Arizona College MonsterMail account. This email account is free of charge and is the official notification channel for all EAC correspondence to the students. Correspondence sent to this address will be deemed official and adequate notification to you regarding the contents of such correspondence.

REGISTRATION

The act of enrolling in courses at the College indicates you agree to be subject to all the requirements, policies, and regulations in the College Catalog and Student Handbook, and agree to establish a permanent college academic record. You further acknowledge that in order to be admitted to other colleges or universities you may be required to send this academic record to those institutions. Your enrollment also certifies your understanding that the content of EAC courses are designed for adult students and if you are a younger student you may feel constrained from participating in class discussions due to the maturity and age of other students in addition to the subject matter being discussed. Contact the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, Ext. 8270 for details.

COURSE OVERLOAD

The typical academic load varies from 15 to 18 credit (semester) hours. Students carrying a minimum of 12 credit hours are considered full-time students for financial aid, residency, and scholarship purposes.

You are allowed to register for an “overload”—defined as more than 18 credit hours of Regular Semester courses other than those designated as open entry/open exit or short term courses less than a semester in length—contingent upon the following criteria. For purposes of overload consideration, Activity/Personal Enrichment courses are not included in the number of credits to be examined.

- You may enroll for an overload of up to 22 credit hours if you have completed a minimum of 12 credits at Eastern Arizona College with a cumulative GPA of 2.75 or higher.
- If you have not completed, but are currently enrolled in, a minimum of 12 credits at Eastern Arizona College, you must petition to enroll for an overload of up to 22 credits for the subsequent semester contingent upon completion of your courses currently in progress with a GPA of 2.75 or better. At the end of the semester, if the cumulative GPA for the courses in progress is less than 2.75, you will be administratively withdrawn from the course(s) requested in your petition. You may also be subject to other points of enforcement surrounding academic standards.
- If you have completed at least 12 credits at Eastern Arizona College with a cumulative GPA of 2.25 through 2.7499, you must petition the Admissions and Academic Standards Committee for approval to register for an overload.
- If your cumulative GPA is less than 2.25, you will not be considered for an overload unless evidence is provided showing that impending graduation requirements cannot otherwise be met.
- If you are a first-time student or first-semester transfer student to Eastern Arizona College, you must petition the Admissions and Academic Standards Committee for an overload of up to 22 credits. An official transcript from either the high school or transfer institution must be on file in the Records and Registration Office.

If you want to enroll in more than 22 credits for a regular semester, you must petition the Admissions and Academic Standards Committee for additional overload consideration.

TRANSCRIPTS

A fee of $5, payable in advance, will be charged for each transcript and if EAC is requested to fax any transcript, there will be an additional $2 charge.

Eastern Arizona College reserves the right to withhold transcripts from students who are in debt to the College. A student whose transcript is being withheld has the right to discuss the matter with EAC personnel who are empowered to resolve any dispute concerning indebtedness to the College.

If you desire to transfer to another institution of higher education, you should request that the Records and Registration Office send your transcript directly to the institution you expect to enter. Also, you may request that the Records and Registration Office mail a transcript directly to a prospective employer.
WITHDRAWAL FROM A COURSE

You are responsible for initiating and completing official withdrawals from classes from which you wish to withdraw through the Records and Registration Office or over the Internet using Gila Hank Online. Withdrawal before the end of the registration period will result in the course not showing on your transcript. This is known as “Withdrawal Without Record." Withdrawal from a course after the close of registration will result in a grade of “W" - “Withdrawal With Record" - showing on your transcript. There is a different deadline for each type of course (semester-length, short-term, open entry/open exit and summer) that is taught at EAC. Please see the listing below for the exact deadlines. If you do not officially withdraw from a course, you may receive a failing grade. Instructors are authorized to withdraw you from courses for excessive unofficial absences, excessive tardiness, disruptive behavior, or inability to perform the required tasks.

Your failure to drop a class after registration, regardless of nonattendance or nonpayment, does not release you from the financial obligation incurred at the time of registration. To ensure your registration is cancelled you must withdraw from the course. To completely remove your financial obligation for refundable fees, you must withdraw from the course during the open registration period for that course. If you incurred any nonrefundable fees, you will still be obligated to pay these fees. Instructors are not always obligated to withdraw you from their courses and you should not assume they will do so.

If you have received financial aid and withdraw from courses, please refer to the Return of Title IV Federal Student Aid Policy in the disclosure section of the College Catalog as to how this might affect you.

Semester-Length Courses: The last day for you to initiate an official withdrawal from a semester-length course and to receive a “W" grade is five weeks prior to the last Friday before final exams. The instructor may initiate a withdrawal from a semester-length course up to final exams.

Short-Term, Open Entry/Open Exit, and Summer Session Courses: The last day for you or your instructor to initiate an official withdrawal from a short-term, open entry/open exit, or summer session course is the last day of the course.
GRADUATION

LICENSURE
Eastern Arizona College offers various certificates and programs that enable the student to test for licensure. Eastern Arizona College makes no guarantee, either implied or stated, that you will pass any licensing test. Also, please be aware that any past criminal record may have an impact on your eligibility for licensure. You should investigate licensing requirements before entering a course of study.

CERTIFICATES
Work with your adviser/instructor to plan and apply for your chosen certificate program.

DEGREES
Eastern Arizona College grants the Associate of Arts (AA), Associate of Business (ABus), Associate of Science (AS), Associate of General Studies (AGS), and the Associate of Applied Science (AAS) degrees. Specific course requirements for each of the degrees offered by Eastern Arizona College are identified in the curriculum section of this catalog. Please refer to the major you intend to pursue at EAC for specific graduation requirements.

APPROVED ELECTIVES
EAC degree programs that are designed to transfer to all of Arizona’s public universities require you to select your electives from the courses listed in the Arizona Higher Education Course Equivalency Guide (CEG) (located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/CEG). Select the Eastern Arizona College Elective or Better Report. Additional detailed information is available there.

Select courses from the list for the academic year in which you will be taking the class. For example, if you are planning to take ART 101 as an elective in the 2017-2018 academic year it must be included on the list of approved electives for 2017-2018. Only courses on the approved list for the academic year in which you take the class can be counted toward degree completion.
CHOICE OF CATALOG

Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

   **Example A:** Admitted and earned course credit at a public college or university: Fall 2016 (Active). Continued at a community college: Spring 2017, Fall 2017 (Active). Transferred to a university: Spring 2018 (2016 or any subsequent catalog).

   **Example B:** Admitted and earned course credit at a public college or university: Fall 2015 (Active). Enrolled but earned all Ws or Fs: Spring 2016 (Inactive). Enrolled in audit courses only: Fall 2014 (Inactive). Nonattendance: Spring 2017 (Inactive). Transferred to a university: Fall 2017 (2017 or any subsequent catalog).

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission. Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.

   **Example A:** Admitted and earned course credit at a public college or university: Fall 2015 (Active). Nonattendance: Spring 2016, Fall 2016, Spring 2017 (Inactive). Readmitted and earned course credit at a community college: Fall 2017 (Active). Transferred to a university: Spring 2018 (2017 or any subsequent catalog).

   **Example B:** Admitted and earned course credit at a public college or university: Fall 2015 (Active). Nonattendance: Spring 2016 (Inactive), Readmitted, earned course credit at a community college: Summer 2016 (Active). Nonattendance: Fall 2016, Spring 2017 (Inactive). Transferred to a university: Fall 2017 (2015 or any subsequent catalog).

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

GRADUATION HONORS

**Highest Honors:** Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a 4.000 cumulative grade average.

**High Honors:** Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a minimum of 3.750 cumulative grade average.

**Honors:** Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a minimum of 3.500 cumulative grade average.

DEVELOPMENTAL COURSES

Credit earned for developmental classes which are numbered below 100 will not be counted towards degree completion, graduation honors or graduation grade point average.

MULTIPLE DEGREES

Eastern Arizona College offers the Associate of Arts (AA), Associate of Business (ABus), Associate of Science (AS), Associate of General Studies (AGS) and Associate of Applied Science (AAS) degrees. Once you have received one Associate degree, one or more additional degrees can also be received by completing the additional degree requirements with a minimum of 16 additional credits beyond the first degree. Degrees may be earned concurrently, however, an Associate of General Studies (AGS) degree will not be awarded in conjunction with any other transfer degree and a General Technical Studies (AAS) degree will not be awarded in conjunction with any AAS degree.
GENERAL EDUCATION

General education at Eastern Arizona College exposes you to a pattern of course work which broadens your perspectives and gives “every student pursuing an undergraduate degree the basic skills and the familiarity with various branches of knowledge which are associated with college and university education and are useful in advanced study within the university and in life beyond the university.” (State of Arizona General Education Values Statement, 1993)

General education at Eastern Arizona College supports the following student learning outcomes:

- Improve communication skills.
- Improve the ability to solve problems.
- Improve the ability to think critically.
- Improve the ability to interact with other cultures.
- Improve reading skills.
- Improve writing skills.
- Improve math skills.
- Improve the ability to interact in society.
- Improve skills in the use of technology.
- Improve the ability to analyze information from a variety of sources.
- Improve appreciation of the arts.

GENERAL EDUCATION REQUIREMENTS FOR TRANSFER DEGREES:

- Associate of Arts (AA)
- Associate of Business (ABus)
- Associate of General Studies (AGS)
- Associate of Science (AS)

Eastern Arizona College subscribes to the common structure for a transfer general education curriculum agreed upon by Arizona public community colleges and universities. This agreement provides you the opportunity to build a general education curriculum that is transferable upon completion without loss of credit to another Arizona public community college or university. This agreement is called the Arizona General Education Curriculum (AGEC).

The AGEC at Eastern Arizona College has three forms — the AGEC-A (Associate of Arts), AGEC-B (Associate of Business) and AGEC-S (Associate of Science) — and is a 35-39 semester-credit certificate program. Designed to articulate with different academic majors, the requirements of the three AGECs vary accordingly.

1. The AGEC-A is designed to fulfill the lower division general education requirements of liberal arts majors (e.g., social sciences, fine arts, humanities). AGEC-A requires a minimum of college mathematics or college algebra to satisfy the Mathematics requirement.

2. The AGEC-B is designed to fulfill the lower division general education requirements of business majors. AGEC-B requires a minimum of brief calculus to satisfy the Mathematics requirement.

3. The AGEC-S is designed to fulfill the lower division general education requirements of the more stringent mathematics and mathematics-based science majors. The AGEC-S requires a minimum of Calculus and a minimum of 8 credits of either university chemistry, physics, biology or geology. In addition, students must select six to eight additional credits of math higher than Calculus and/or an additional Lab Science course.

Eastern Arizona College has established Associate degree programs that satisfy each of the three AGECs. It will usually be in your best interest to complete the AGEC for your major at EAC before transferring to an Arizona university. When you have completed the AGEC, EAC will certify your achievement on your academic transcript. Completing the AGEC for your major at EAC fulfills the lower division, General Education requirements of the corresponding baccalaureate degree at each of the three state universities. Should you elect to not complete an AGEC at EAC you will not be afforded the same transfer status as those who do. Your courses will be evaluated on a course-by-course basis by the university to which you transfer.

Some majors, particularly in the professional fields, have significant prerequisites and/or program requirements that will not transfer within one of the three General Education programs described above. If you have selected a major that is not listed in the EAC catalog, or one that is listed as a Transfer Guide-Extra Requirements (TG-XR) degree, carefully consult the catalog and/or curriculum transfer guide (located at www.aztransfer.com) of the university to which you plan to transfer and the Course Equivalency Guide (located at www.aztransfer.com/cgi-bin/WebObjects/Admin_CEG) before you register for your GE courses. Obtaining assistance in this process from an advisor at the university you plan to transfer to is strongly recommended. EAC faculty advisors and counselors can also assist you.

You must meet the General Education requirements by selecting appropriate courses from the required program areas. In some cases, a degree program may require you to select specific courses rather than choose from the list of approved GE courses. Required courses for each EAC curriculum are listed in the curriculum section of the catalog under the heading General Education Requirements.

INTENSIVE WRITING/CRITICAL INQUIRY

Intensive Writing/Critical Inquiry Courses emphasize writing as a tool for learning course materials, developing critical thinking skills, and communicating ideas effectively. To complete your AGEC, you must complete an Intensive Writing/Critical Inquiry course. These courses are designated in the list below with the notation (IW).
**GENERAL EDUCATION**

### GLOBAL/INTERNATIONAL/HISTORICAL AWARENESS

The AGEC requires that you complete a Global/International/Historical Awareness course. Global and International Awareness courses focus on contemporary, non-U.S., culture, politics, economics or social values and emphasize critical thinking and evaluation skills. Historical Awareness courses will consider that information dealing with the history of peoples and can include their art, values, culture, politics, etc. Courses that meet this requirement are designated with the notation (GIH).

A single course will not be used to fulfill both the Intensive Writing/Critical Inquiry and the Global/International/Historical Awareness requirements. To minimize the number of classes required to complete GE requirements, select courses from the humanities or social sciences that also fulfill the Intensive Writing/Critical Inquiry or Global/International/Historical Awareness requirements.

### ETHNICITY, RACE AND GENDER

Course content addressing ethnicity, race and gender is embedded in the College’s humanities and social sciences courses that are part of the General Education program.

# GENERAL EDUCATION [AAS DEGREES]

## GENERAL EDUCATION REQUIREMENTS FOR ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE

General education at Eastern Arizona College for an Associate of Applied Science Degree is based on the same philosophy as for transfer degrees. It exposes you to a pattern of course work which broadens your perspectives and gives “every student pursuing an undergraduate degree the basic skills and the familiarity with various branches of knowledge which are associated with college and university education and are useful in advanced study within the university and in life beyond the university.” (State of Arizona General Education Values Statement, 1993)

For an Associate of Applied Science degree, you will choose courses from at least three different GE categories. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education, where the maximum is two credits.

TRANSFER PARTNERSHIPS

ARIZONA STATE UNIVERSITY, NORTHERN ARIZONA UNIVERSITY AND THE UNIVERSITY OF ARIZONA

Eastern Arizona College offers three Associate degrees that are appropriate for transfer to Arizona’s public universities.* These Associate degrees are 64 credits and have four basic “blocks” upon which they are built. The blocks are: the Arizona General Education Curriculum (AGEC), Common Courses, Special Requirements, and Electives. If you complete the degrees, you will be guaranteed to enter the university with Junior status.

The three degrees are:

**Associate of Arts (AA):** This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in areas such as Liberal Arts, Social Sciences, Fine Arts, Public Programs, and Communication.

**Associate of Business (ABus):** This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in Business and Business-related areas such as Computer Information Systems or Economics.

**Associate of Science (AS):** This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in areas such as the Physical and Biological Sciences or Mathematics.

Completion of the Arizona General Education Curriculum (AGEC) guarantees your admission to the universities if you have a grade point average of 2.5 on a 4.0 scale. Completion of the AGEC also means that you will have met the lower-division General Education requirements at any of the universities for the majors that articulate with that AGEC.

*All three of the state universities may accept the Eastern Arizona College Associate of Applied Science (AAS) degree as applicable to certain Bachelor of Applied Science degrees (BAS). You should contact a transfer advisor for the university you plan to attend, or carefully consult the catalog and/or curriculum transfer guide for that institution.

EAC-ASU BACHELOR’S DEGREE PARTNERSHIP

TRANSFER OPTIONS

Arizona State University welcomes you as a transfer applicant. ASU considers you a transfer student if you have attended a community college or four-year college or university after graduating from high school. Many students transfer directly to ASU to attend the Tempe Campus. Work with your advisor to determine how best to facilitate the transfer process. In addition to the option to continue your education at ASU, students may also take advantage of the opportunity to earn an ASU bachelor’s degree without leaving Thatcher, Safford or surrounding areas.

**Associate to Bachelor’s Degree Options at EAC**

Students may take advantage of the EAC-ASU partnership and complete an ASU Bachelor’s degree in Thatcher on the Eastern Arizona College campus. ASU degrees available in Thatcher include:

- Bachelor of Applied Science in Applied Leadership (BAS)
- Bachelor of Science in Nursing (BSN-CEP)
- Bachelor of Arts in Organizational Leadership (BA)
- Bachelor of Education in Secondary Education (BAE)

Read more about the local programs as well as options to transfer to an ASU campus at [www.transfer.asu.edu/eac](http://www.transfer.asu.edu/eac).

**Transfer Admission Guarantee (TAG)**

Through the Transfer Admission Guarantee program, you follow a prescribed sequence of course work that meets the lower-division course requirements for an ASU major. When you complete your TAG, you will have met the requirements for your associate degree and be on track toward earning your bachelor’s degree. TAGs include the appropriate AGEC (Arizona General Education Curriculum) and an associate degree.

**Benefits include:**

- Guaranteed admission to ASU degree programs.
- Cost-effective pathway ensuring all courses transfer and apply to your ASU degree.
- Eligibility for participation in the ASU Tuition Commitment program.
- Access to ASU transfer advising by phone and occasionally in-person.

**Terms of the TAG:**

- Working with your community college and ASU advisors to monitor progress on the TAG.
- Completing the TAG with a specified GPA and any special requirements.
- Completing the TAG in a period not to exceed three years.
- Agreeing that student academic data and advising information may be shared between your community college and ASU.
- Pathway certification verifying completion of the TAG requirements.

TRANSFER PARTNERSHIPS

EAC2NAU–A JOINT ADMISSION PROGRAM

NAU and Eastern Arizona College (EAC) are working together to help you earn your bachelor’s degree.

You can be admitted to NAU while attending EAC. You’ll receive personalized services that will help you plan for the least expensive route to a four year degree at NAU.

EAC2NAU:
• Focuses on your success at EAC and at NAU
• Provides you with information about how your associate’s degree at EAC can lead to an NAU degree locally, online, or in Flagstaff
• Waives your application fee to NAU
• Is the most affordable road to a four year degree

Program Requirements:
You are eligible for the program if you:
• have 30 units or less in transferable credit
• are enrolled in two or more classes at EAC
• have not previously completed a bachelor’s degree with NAU
• continue to be enrolled in at least two classes at EAC

Benefits:
As an EAC2NAU student you’ll have access to many resources at NAU:
• an NAU email address
• an NAU ID card
• access to online library services
• access to student discounts, athletic events and more!
• Scholarships and Financial Aid

Attending a local community college for two or more years before transferring to NAU is the most affordable route to a four-year degree. In addition, NAU is prepared to support students through scholarships and other financial support. EAC2NAU students may be eligible for the Joint Admission Transfer Scholarship and/or a variety of other opportunities.

More Information
For more information about this program visit www.nau.edu/eac2nau.

BRIGHAM YOUNG UNIVERSITY–PROVO

EAC has a transfer partnership with BYU-Provo. If you earn an Associate of Arts, Associate of Business, Associate of General Studies, or Associate of Science degree from EAC, you increase the probability of your admission to BYU-Provo.

If you are admitted to BYU-Provo with an Associate of Arts, Associate of General Studies, Associate of Business, or Associate of Science degree from EAC, you will have completed all BYU-Provo University Core (GE) requirements with the exception of American Heritage, Advanced Writing, and the Advanced Mathematics or Foreign Language requirements. EAC offers mathematics and foreign language courses that you may take to satisfy BYU-Provo’s advanced mathematics or foreign language requirement. You should consult the BYU-Provo/EAC Articulation Agreement in selecting these courses. A copy of the agreement is available from the Counseling Department.

The EAC-Provo/BYU transfer partnership does not cover the transfer and applicability of major courses. You are encouraged to consult with the prospective major department at BYU-Provo for recommendations on EAC courses that can be taken toward your intended major.

BRIGHAM YOUNG UNIVERSITY–HAWAII

Students attending Eastern Arizona College who complete their Associate of Arts, Associate of General Studies, Associate of Science, or Associate of Business degree will have met the BYU-Hawaii General Education (GE) requirements with the exception of the Interdisciplinary Studies course.

Additional aspects of the transfer agreement are as follows:
• Credit will also be granted for courses with a “C” grade or better which apply to the major.
• Credit for courses of a remedial nature (usually numbered 99 and below) will not be transferable.
• Students who apply to BYU-Hawaii with less than an Associate degree, will have their college work evaluated on a course-by-course basis to determine equivalencies. Only courses with grades of “C” or better will be accepted.
TRANSFER PARTNERSHIPS

**BRIGHAM YOUNG UNIVERSITY–IDAHO**

EAC has an articulation agreement with BYU-Idaho:

- EAC Students who have earned the Associate of Arts, Associate of Science, Associate of Business, or Associate of General Studies degrees will be considered as having completed the BYU-Idaho General Education requirements.
- For students who have not earned the degree, the EAC courses listed in the General Education Articulation Agreement (available in the EAC Counseling Department) are those which will apply toward General Education requirements at BYU-Idaho.
- As students transfer, their credit will be evaluated on a course-by-course basis according to the General Education Transfer Agreement.
- The General Education requirements for students transferring to BYU-Idaho will be those in effect at the time of their initial enrollment at BYU-Idaho.

**GRAND CANYON UNIVERSITY**

Eastern Arizona College (EAC) has specific articulated Associate Degrees with Grand Canyon University (GCU). Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) may fulfill Grand Canyon University’s General Education requirements. Students without a transfer-oriented degree (Associate of Applied Science) must fulfill the General Education requirements and have a course-by-course evaluation completed. Additional programmatic admission requirements and transfer policy information can be found within the www.gcu.edu/Policy-Handbook.php.

A course equivalency guide provides an assessment of the courses between Eastern Arizona College and Grand Canyon University (GCU). This guide will be used in evaluating official transcripts. These courses fulfill the competency requirements; however, the courses may not fulfill the credit requirements. To obtain an undergraduate degree at GCU, students are required to meet a minimum of 120 semester credit hours.

**WESTERN NEW MEXICO UNIVERSITY**

Arizona residents may be eligible for an out-of-state tuition fee waiver from Western New Mexico.

Students completing the Eastern Arizona College Associate of Arts degree (AA), Associate of Business degree (ABus), the Associate of Science degree (AS), or the Associate of General Studies degree (AGS) can fulfill Western New Mexico University General Education (GE) requirements provided they include in their degree program courses specifically listed in the articulation agreement as meeting WMNU General Education requirements in the Oral Communication, History, Computer, and Physical and Mental Well Being areas. Copies of the articulation agreement can be obtained from the Counseling Department.

**OUT-OF-STATE TRANSFER**

Out-of-state universities have differing policies regarding the transfer of General Education credit for application to your major or minor requirements. You should carefully consult the catalog of the university to which you wish to transfer.

ADMINISTRATION OF JUSTICE

Associate of Arts Degree
AA-SR 60801 (Available On Campus and Online)
Advisors: Kris Matthews

This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Administration of Justice. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

This degree is also suitable if you are currently employed in law enforcement or an allied public service profession and wish to improve your knowledge and skills. If you successfully complete the AJS 115 and AJS 215 Basic Peace Officer Academy or provide proof of graduating from an AzPOST police academy, you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 103 Criminal Investigation
AJS 155 Firearms
AJS 202 Substantive Criminal Law
AJS 220 Procedural Criminal Law
AJS 266 The Police Function
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I
HPE 102 Beginning Physical Activities II

If you provide proof of graduating from the Arizona Department of Corrections Training Academy (COTA), you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 130 The Correction Function
AJS 155 Firearms
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I

Curriculum Requirements
AJS 101 Introduction to Criminal Justice 3 credits
AJS 103 Criminal Investigation 3 credits
AJS 130 The Correction Function 3 credits
AJS 202 Substantive Criminal Law 3 credits
AJS 220 Procedural Criminal Law 3 credits
AJS 225 Criminology 3 credits
AJS 254 Crime Control 3 credits
AJS 266 The Police Function 3 credits

Total Curriculum Requirements 24 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/ Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

### ANTHROPOLOGY

**Associate of Arts Degree**  
**AA-SR 60802**  
**Advisor:** Linda Blan

In order to understand the physical and behavioral diversity found in humankind, anthropologists study the biological and cultural factors that influence human behavior. Anthropology is internally divided into four sub-fields: physical anthropology (the study of man as a biological entity), archaeology (the study of past cultures), ethnology (the study of living cultures), and linguistics. The undergraduate anthropology student studies in each sub-field, preparatory to selecting an area of specialization.

As the single branch of Social Sciences dealing primarily with non-western pre-industrialized societies, anthropology adds a unique dimension to liberal education. A background in anthropology is generally useful in a variety of fields, including law, philosophy, social work, history and medicine.

High school students planning to major in anthropology should take two years of high school mathematics, preferably algebra, and some work in a language, preferably, German, French or Spanish. A background in English is also critical.

Graduates with bachelor’s degrees in anthropology can find employment in all pursuits normally open to other graduates in the various liberal arts, or as teachers of social studies in secondary schools. Anthropology provides a suitable background for positions with a variety of federal, state, and local agencies.

Students seeking work as professional anthropologists should plan for advanced degrees in anthropology. Graduates with master’s degrees may find work in government, community colleges or museums. For university teaching and research careers, a Ph.D. is usually necessary.

Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

**ART**

**Associate of Arts Degree**
**AA-SR 60402**
**Advisor:** Stuart Gibson
This curriculum provides the first two years of a four-year program in art at a professional art school or at a college of fine arts at one of the state’s public universities. Upon completion of one of these degrees at EAC, you will be able to transfer into a four-year college or university program. Since program requirements differ between universities, the official transfer pathway ([http://aztransfer.com/transferpathways](http://aztransfer.com/transferpathways)) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. If you plan to terminate formal education after attending EAC and seek employment immediately upon graduation, the EAC Graphic Design curriculum may be a better choice than these degrees. You are advised to take one or more art courses before making serious plans for a career in art.

**Curriculum Requirements**
- ART 101 Fundamentals of Design 3 credits
- ART 102 Color and Design 3 credits
- ART 111 Drawing 3 credits
- ART 114 Figure Drawing for Art Majors 3 credits

COMMUNICATION STUDIES

Associate of Arts Degree
AA-GR 60206

Advisor: Kris McBride

This degree prepares students to transfer to a college or university and pursue a bachelor’s degree in Communication Studies or Organizational Communication. Emphasis is placed on becoming a Communication Generalist with classes offering a broad introduction to the field of Communication. Courses range from the theoretical bases and trends in research in the field to interpersonal, small group, intercultural, interviewing, and public speaking, and they reflect the core requirements of most universities. Classes are also appropriate for returning students desiring to brush up on communication skills or gain a better understanding of communication processes. This major focuses on thoughtful construction and delivery of verbal messages and critical thinking, preparing students to be more successful participants in their community, employment, and interactions with others. The study of communication is relevant to all other academic fields and career interests.

**Total General Education Requirements**

35 to 37 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

**Elective Requirements**

With the help of your program advisor, you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. Foreign language is suggested for those transferring into a program with a foreign language requirement. You should also consult the catalog or an advisor from the school you will transfer to as you make your selections. If you are planning to transfer to ASU as a Communications major, you must complete a basic statistics (MAT 160 or PSY 220) course before you can be admitted as a major to their programs.

**Total Elective Requirements**

6 to 8 credits

**Total Minimum Degree Requirements**

COSMETOLOGY

Associate of Applied Science Degree

2011

Advisors: Gayrene Claridge, Janice Lawhorn

The Cosmetology program provides students an opportunity to apply Cosmetology practices and principles in a simulated salon environment. Upon successful completion of the program, students will be eligible to take the Arizona State Board of Cosmetology Examination. Classes meet approximately eight hours a day, five days a week for 10½ months in order to obtain the 1600 hours training necessary to qualify for the state exam. The Cosmetology curriculum requirements can be completed in one academic year. Students can continue their education and complete an Associate of Applied Science degree by taking eighteen General Education credits and two elective credits.

In addition to general tuition, a fee of $180.00 per credit hour is required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

COSMETOLOGY

Certificate of Proficiency
30110

Advisors: Gayrene Claridge, Janice Lawhorn

The Cosmetology program provides students an opportunity to apply Cosmetology practices and principles in a simulated salon environment. Upon successful completion of the program, students will be eligible to take the Arizona State Board of Cosmetology examination. Classes meet approximately eight hours a day, five days a week for 10½ months in order to obtain the 1600 hours training necessary to qualify for the state exam. The Cosmetology program normally begins the last week of July and ends in mid-June the following year. A second cohort begins in January and ends in mid-December with a mid-summer break. The Cosmetology curriculum requirements can be completed in one academic year.

In addition to general tuition, a fee of $180.00 per credit hour is required for all Cosmetology courses. Cosmetology scholarships are available for those who qualify. Contact Eastern Arizona Academy of Cosmetology or EAC for more information. Entry into the Cosmetology program requires prior admission. For admission procedures to the Cosmetology program, contact Eastern Arizona Academy of Cosmetology, (928) 348-8878.

Special Note: A high school program is also offered to qualified students through a joint technological school district. The high school program meets four hours a day, five days a week, and eight hours a day on a minimum of one Saturday a month during the regular school year. The high school program will take two years to complete if students enter the program as juniors. High school students entering as seniors can continue their program after high school graduation.

### EARLY CHILDHOOD EDUCATION

**Certificate of Proficiency**

**30814**

**Advisor:** John Morales

The Early Childhood Education (ECE) program is designed for early childhood teacher training. Upon completion of the certificate of proficiency, students may apply for the National Child Development Associate (NCDA) through a national CDA credentialing agency. If you wish to attain national certification, we recommend that you enroll in ECE 240, Child Development Portfolio and Assessment Preparation. This national certification demonstrates competencies in the following areas:

- Design developmentally appropriate curriculum and activities.
- Consider historical and contemporary trends in Early Childhood.
- Examine issues of ethics and professionalism in the Early Childhood field.
- Identify theories and milestones of growth and development in children.
- Understand the importance of providing a healthy and safe environment for young children.
- Articulate positive guidance techniques with young children.
- Demonstrate techniques to observe young children.
- Create relationships with parents and families through communication and involvement.

- Integrate children’s literature into daily lesson plans.
- Support inclusive programs to meet the needs of all children.

The Early Childhood Education Associate is a competent person who assumes primary responsibility for meeting the specific needs of a group of children in a child development setting by nurturing the child’s physical, social, emotional and intellectual needs; setting up and maintaining the child care environment; and establishing a liaison relationship between parents and the child development center.

After completing requirements for the Early Childhood Education Certificate of Proficiency, you can earn a degree by completing the additional requirements for the Early Childhood Education Associate of Applied Science degree or Early Childhood Education Associate of Applied Science – BAS Track degree.

**Advisor:** Celinda Palmer

If you plan a career in elementary or special education, you can complete your first two years of study at EAC. Some universities now require a minor that can be started at EAC. Consult with department staff at the school where you plan to transfer for specific information. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

EMERGENCY MEDICAL TECHNICIAN

Certificate of Proficiency

30701

Advisor: Randy Morris

This Certificate prepares you for an entry-level position as an emergency medical technician at the basic level. Emphasis is on preparation to perform pre-hospital emergency care to patients. The Eastern Arizona College Paramedic Training Program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (CAHEP, www.cahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). After successfully completing the certificate, you are eligible to take the required National Registry of Emergency Medical Technicians examinations at the Paramedic level. Entry into the paramedic program requires prior admission. For specific admission procedures, contact the EAC EMS Department at (928) 428-8398. EMT 210, EMT 212, and EMT 214 must be taken contiguously and each course must be completed with a “B” or better to successfully complete the program or the student must restart the entire program. This program is a fall-start program and is only offered when a minimum of 15 students are accepted and registered. Program size is limited to 24 students by Arizona State regulation.

Application Requirements

The following are required for application into the program:

- Must be at least 18 years of age prior to applying to the Paramedic Program
- Completion of high school or GED
- Current American Heart Association, BLS healthcare provider certification
- Current certification as an Arizona EMT or NREMT Certified EMT
- ENG 111 with a grade of “C” or higher, or ENG 100 Writing Fundamentals or higher
- Passage of written, practical, and oral entrance examinations
- Student must provide immunization records including proof of MMR, Varicella, Hepatitis B, Tdap, 2-step TB skin test, current flu shot and a completed 10-panel drug screen
- Current Arizona DPS fingerprint clearance card (required by agency contracts for clinical/vehicular rotations)
- Current health insurance coverage

Admission Requirements

The following prerequisite courses must be completed with a grade of “C” or higher prior to being admitted into the Paramedic Program:

- BIO 160 Introduction to Human Anatomy and Physiology
- BIO 201 Human Anatomy and Physiology I
- BIO 202 Human Anatomy and Physiology II
- EMT 103 Emergency Medical Technician
- EMT 121 Cardiopulmonary Resuscitation
- EMT 170 Vehicular Extrication and Trauma Care
- HCE 112 Medical Terminology

Total Minimum Certificate Requirements 16 to 20 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.

You must also complete an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- ENG equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
- ENG equivalent mathematics placement score of 41 or higher entered into your student record.

Engineering

Associate of Science Degree
AS-SR 80706

Advisor: Tom Palmer

Today’s professional engineer requires a minimum of four years of highly theoretical and specialized training. Very often this training requires more than four regular college years; that is, either attendance for several summer terms or an additional fifth year, before you may qualify for the bachelor’s degree. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

EAC offers you two years of training in the required background mathematics and sciences. In addition, EAC offers many of the General Education courses which are required as part of the overall education of an engineer.

This certificate will focus on skill-based training for those interested in learning how to design and produce projects using EAC’s Fab Lab. This short-term training process will take students from basic product design knowledge to an emphasis on fabricating small products. Core to this certificate will be the development of individual skills so students can use fabrication equipment and automated machines.

Curriculum Requirements
AMT 102 Materials for Industry 3 credits
AMT 104 Machining and Fabrication 3 credits
AMT 110 Introduction to Fab Lab Technology 2 credits
CSL 115 Community Outreach Through Service Learning 1 to 2 credits
DRF 154 Introduction to AutoCAD 2 to 3 credits
TEC 133 Safety Practices for Industry 1 credit
WLD 108 Welding and Metal Fabrication 3 credits

Total Minimum Certificate Requirements 16 credits

In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 6 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
• Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
• EAC equivalent writing placement score of 70 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
• EAC equivalent mathematics placement score of 41 or higher entered into your student record.

FORESTRY

Associate of Arts Degree
TG-XR 60703
Advisor: Aaron Burk

This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Forestry. This degree also prepares you for a number of jobs in forestry and the forest products industry. A strong high school background in Mathematics and Chemistry is recommended.

Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. A Forestry bachelor’s degree is currently offered in Arizona only at Northern Arizona University.

GENERAL STUDIES

Associate of General Studies Degree
50000 (Available On Campus and Online)
Advisors: Ray Orr, Gina Roebuck, Kenny Smith

The Associate of General Studies degree (AGS) is available for those students whose preferred degree program of study is not otherwise available at EAC. For example, the AGS degree may be the best choice for you if:

- You plan to transfer to one of Arizona’s public universities and EAC does not offer a degree pathway that matches the first two years of study in the major you wish to pursue.
- You plan to transfer to a private Arizona college or university or an out-of-state institution and you wish to customize an EAC degree to match the required courses in your major at that school.
- You do not plan to transfer to another College or University and wish to obtain an associate degree that incorporates a General Education component and lets you select other courses according to your interests.

Other than the embedded AGEC, the AGS degree is not included in any transfer agreements and credits earned may be accepted or rejected by a receiving institution. If you plan to transfer upon completion of this degree and since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

General Education Requirements

The General Education Requirement may be satisfied in two different ways. Select the option below that best meets your needs.

Option 1 - Arizona General Education Curriculum

If you plan to transfer to one of Arizona’s public universities you will be best served by completing one of the three Arizona General Education Curriculums. They are the AGEC-A, AGEC-B and AGEC-S. If you know where you are transferring and what your major will be, find out which AGEC is appropriate and follow it as outlined below. If the major you select does not accept an AGEC or has a unique set of General Education requirements go to Option Two.

AGEC-A (Available On Campus and Online): This General Education Program is better suited for majors in the Liberal Arts.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Mathematics

Select one course from list on pages 55-56.

Lab Science

Select two Lab Science courses from list on pages 55-56. If you plan to transfer consult the catalog or an advisor from the school you will transfer to as you make your selections.

Humanities

Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements: 6 to 9 credits
Social Sciences
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits

Options
Select courses from the Options category on pages 55-56 to complete the 35 credits required for the AGEC. 0 to 6 credits

AGEC-B: This General Education Program is intended for students majoring in a business curriculum.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 210 Elements of Calculus 4 credits

Lab Science
Select two courses from the list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Humanities
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits

Social Sciences
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Options
For this certificate, you must select two additional courses to complete the 39 credits required for the AGEC. Eligible courses include any of the Lab Science courses or any math courses MAT 230 or higher. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Option 2 - Approved General Education Curriculum
File your graduation petition a General Education curriculum of at least 35 credits approved by a regionally accredited college or university for which equivalent transferable courses are available at EAC or an Arizona public university transfer guide for the major you intend to complete. Completion of those courses will fulfill the AGS degree General Education requirement.

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
Depending on which AGEC you choose, select 25-29 credits of elective courses numbered at the 100 level or above to complete the 64 credits required for the degree.

Total Elective Requirements 25 to 29 credits
Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

### GEOLOGY

**Associate of Science Degree**

**AS-SR 80703**

**Advisor:** David Morris

The following curriculum will meet the lower-division requirements of most four-year schools in Geology. Upon satisfactory completion of the course work outlined below and graduation with an AS degree from Eastern Arizona College, you may enter upper-division work in any one of several Earth science related fields, including general geology, geo-chemistry, hydrology and geophysics. Since program requirements differ between universities, the official transfer pathway [www.aztransfer.com/transferpathways](http://www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

You should have a firm background in mathematics (including algebra, geometry, and trigonometry) and chemistry. Physics is helpful. A deficiency in any of the above areas may necessitate refresher courses before pursuing a geology curriculum.

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

**Total General Education Requirements**  18 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements**  1 credit

**Total Minimum Degree Requirements**  64 credits
In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better

*Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

HEALTH & PHYSICAL EDUCATION

Associate of Arts Degree AA-SR 60501
Advisors: Jim Bagnall, Shari Kay, Maurice Leitzke, Kate McCluskey, John O’Mera, Cameron Turner

Recipients of this degree are prepared to pursue a major in Health or Physical Education and minor in Biology or Physical Science at a four-year college or university. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

A high school background in sports, biology and chemistry is helpful.

HISTORY

Associate of Arts Degree
AA-SR 60803
Advisor: Patrick Lukens

This degree prepares you to transfer to a four-year college or university and pursue a bachelor’s degree in history. In addition to teaching, history provides excellent background for entering law school or for pursuing any type of social or government work. Also, some recent trends suggest history majors are being hired for business because of the need for people who are trained in reading primary source material, synthesizing what they read, and applying it in problem-solving situations. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required for this degree. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

LIBERAL STUDIES

Associate of Arts Degree
AA-GR 60000

Advisors: Ray Orr, Gina Roebuck, Kenny Smith, Adam Stinchcombe

A Liberal Studies Associate of Arts degree is appropriate if you plan to continue your education at a college or university and major in Liberal Arts. If you have not yet decided on a major but know you want to transfer to a four-year college or a university, this degree will fulfill the General Education requirement for many different programs of study. Liberal Studies Faculty Advisors are available to assist you in the selection of courses. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

General Education Requirements

AA-GE A: To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

MUSIC

Associate of Arts Degree
AA-SR 60403
Advisors: Instrumental: Franklin Alvarez, Geoff DeSpain
Piano: Chase Moore
Vocal: Bruce Bishop, Chase Moore

The degree meets the requirements for a bachelor’s degree from a music department at a university, provided you take four semesters of applied music instruction and make satisfactory progress in either voice or a major instrument. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

To successfully pursue a college career in music education, you must be able to play at least one instrument well; have some experience and/or training in voice; and possess knowledge of music theory. You must also possess or obtain adequate piano skills.

### NAIL TECHNICIAN

**Certificate of Proficiency**

**30114**

**Advisors:** Gayrene Claridge, Janice Lawhorn

This program prepares you for an entry-level position as a nail technician. Emphasis is on basic nail care, manicuring, and hand and arm massage. Classes meet to satisfy the 600 hours training necessary to qualify for the Arizona State Board of Cosmetology nail technician exam.

Classes meet approximately eight hours a day, five days a week so that the 600 hours of training necessary to qualify for the Arizona State exam can be obtained in one semester. This program is only offered when a minimum of six full-time students are accepted and registered.

In addition to general tuition, a fee of $180.00 per credit hour is required for all Cosmetology courses. Cosmetology scholarships are available for those who qualify. Contact Eastern Arizona Academy of Cosmetology or EAC for more information. Entry into the Cosmetology program requires prior admission. For admission procedures to the Cosmetology program, contact Eastern Arizona Academy of Cosmetology, (928) 498-8878.

### NURSING

**Associate of Applied Science Degree**

**RN and BSN Track Option**

**20702**

**Advisors:** Gayrene Claridge, Carolyn McCormies

This program is designed to prepare you for beginning employment as a staff nurse giving direct care to patients. The program has received approval by the Arizona Board of Nursing and is accredited by the Accreditation Commission for Education in Nursing (ACEN). On successful completion of the program, you will be awarded the Associate of Applied Science in Nursing degree and will be eligible to make application to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN). The program permits students to enter or exit from the program based on their specific needs, space availability, and time limitations. Entry into the Nursing Program requires prior admission. For admission procedures to the Nursing Program, contact the Nursing Department, (928) 428-8396.

**Application Requirements**

The following are required to be completed prior to applying for the Nursing Program:

- Submit a copy of a valid Department of Public Safety Fingerprint clearance card (allow 4 – 6 weeks).
- Reading competency at the twelfth grade level or above on an EAC approved reading test or completion of ENG 113 with a grade of “C” or higher.
- TEAS Assessment Nursing Entrance Exam with a minimum composite score showing proficient or above average for the composite score.

**Admission Requirements**

The following prerequisite courses are required to be completed with a minimum grade of “C” prior to starting the Nursing Program:

<table>

The following are required prior to starting the Nursing Program:

- Placement test score as established by District policy that places the student into MAT 154 or completion of MAT 100 with a grade of “C” or higher.
- Meet the minimum math requirements for medical dosage calculations by demonstrating competency through testing or course completion of HSE 116 at the specified level set forth by the Nursing Program.
- Current Arizona Licensed Nursing Assistant number. This can be obtained by taking NUR 100 and passing the written and skills testing.
- Submit the completed Immunization Record and Nursing Physical Form.
- Current AHA CPR card - health care provider level (MUST be American Heart Association)

**NOTE:** Pursuant to A.R.S. § 32-1606(B) (17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting an application for licensure. If the applicant cannot prove that the absolute discharge date is five or more years before the date of filing the application, the Board of Nursing cannot process the application.)

NURSING ASSISTANT

Certificate of Proficiency
30706
Advisor: Jill Cluff

This program prepares you for an entry-level position as a nursing assistant. Emphasis is on basic patient care skills, based on the knowledge of universal precautions, asepsis, basic human needs, body mechanics, treatments and procedures, patient admission, transfer, discharge, and eldercare.

NOTE: Students are eligible to sit for the Arizona State Board of Nursing Certified Nursing Assistant (CNA) Examination upon completion of the NUR 100, Nursing Assistant course.

The Board of Nursing may not consider applications for certification as a Certified Nursing Assistant if the applicant has any felony convictions and has not received an absolute discharge from the sentence(s) for all felony convictions. The absolute discharge must be received five or more years before the Board of Nursing processes the application. The Arizona State Board of Nursing requires for certification also include proof of legal presence in the United States and disclosure of any felony conviction(s).

Current Arizona Nursing Assistant Certification is an admission requirement to EAC’s nursing program.

Courses in the program may require vaccinations or other medical tests. See course descriptions for additional information. Students will be required to complete a minimum of 40 hours in a skilled nursing facility.

PHLEBOTOMIST TECHNICIAN

Certificate of Proficiency
31301
Advisor: Carolyn McCormies

Upon completion of this certificate program, students are eligible to sit for the American Medical Technologists (AMT) Certification Examination to be certified as a Registered Phlebotomist Technician (RPT). Emphasis is on preparing the student to obtain blood specimens by skin puncture or venipuncture using proper technique on adults, children, and infants. Responsibilities of a phlebotomist include collecting fluid or tissue samples, drawing blood using different collection techniques, communication with patients to explain procedures, and conducting standard laboratory tests. Topics of study include ethics, infection control, communication, basic anatomy and physiology and medical terminology. Professional responsibilities include assembling equipment, verifying a patient’s identity, recording information in a patient’s medical records, sterilizing and safely handling equipment, and accurately labeling blood samples in the lab.

Students in the Phlebotomy Technician program will be in contact with potential infectious blood, tissues, and body fluids. Students must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis. Students must also provide proof of MMR (measles, mumps, & rubella) and Hepatitis B vaccinations.

AMT may deny an application if an applicant has any convictions involving a felony.

Courses in the program and clinical sites may require additional vaccinations or other medical requirements, including vaccinations against tuberculosis (source of active infection) and meningococcal disease. Students should be aware that immunizations against tetanus and hepatitis B may be required for certain blood samples.

In order to obtain this certificate you must:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.

PHLEBOTOMIST TECHNICIAN

Certificate of Proficiency
31301
Advisor: Carolyn McCormies

Upon completion of this certificate program, students are eligible to sit for the American Medical Technologists (AMT) Certification Examination to be certified as a Registered Phlebotomist Technician (RPT). Emphasis is on preparing the student to obtain blood specimens by skin puncture or venipuncture using proper technique on adults, children, and infants.

Responsibilities of a phlebotomist include collecting fluid or tissue samples, drawing blood using different collection techniques, communication with patients to explain procedures, and conducting standard laboratory tests. Topics of study include ethics, infection control, communication, basic anatomy and physiology and medical terminology.

Professional responsibilities include assembling equipment, verifying a patient’s identity, recording information in a patient’s medical records, sterilizing and safely handling equipment, and accurately labeling blood samples in the lab.

Students in the Phlebotomy Technician program will be in contact with potential infectious blood, tissues, and body fluids. Students must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis. Students must also provide proof of MMR (measles, mumps, & rubella) and Hepatitis B vaccinations.

AMT may deny an application if an applicant has any convictions involving a felony.

Courses in the program and clinical sites may require additional vaccinations or other medical requirements, including vaccinations against tuberculosis (source of active infection) and meningococcal disease. Students should be aware that immunizations against tetanus and hepatitis B may be required for certain blood samples.

In order to obtain this certificate you must:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
- EAC equivalent mathematics placement score of 41 or higher entered into your student record.

PHYSICS

Associate of Science Degree

AS-SR 80704

Advisor: Madhuri Bapat

This degree will meet the requirements of the first two years of a four-year program in physics or related fields (physical chemistry, applied mathematics, geophysics, biological physics, pre-medical science, scientific journalism, etc.). Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. You should enter this curriculum having completed two years of algebra and one year each of chemistry and physics in high school or the equivalent college courses.

POLITICAL SCIENCE

Associate of Arts Degree
AA-SR 60804

Advisor: Patrick Lukens

This degree provides the first two years of a four-year bachelor’s degree program in political science. Upon obtaining this AA degree you could enter a college of education and obtain a bachelor’s degree and a secondary teacher’s certificate; or enter a college of liberal arts and complete a bachelor’s degree in political science. Following this, you might enter law school, employment in government or enter graduate school for further and more specialized work in political science. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

### PRE-PHARMACY

**Associate of Arts Degree**

**TG-XR 60704**

**Advisors:** Duane DeSpain, Joel Shelton

This degree prepares you for entrance into the College of Pharmacy at the University of Arizona. If you plan to transfer to another university, its Pharmacy curriculum should be followed. Pharmacy aptitude tests should be taken and application to the university made early in your second year at EAC.

Please consult your advisor as there are approximately 72 credits of prerequisites required for admission into a College of Pharmacy.

#### Curriculum Requirements

All of the courses listed below are prerequisites for admission into many College of Pharmacy programs. Only 23 of these credits are required for graduation from Eastern Arizona College. Select at least 6 courses from the list below.

### PSYCHOLOGY

**Associate of Arts Degree**  
**AA-SR 60806**  
**Advisor:** Nan Pennington

This degree specifies courses that satisfy the AGEC transfer pathway for an AA-SR degree. The Psychology courses identified in the Curriculum Requirements and the General Education Requirements also satisfy the preparatory major requirements for a baccalaureate degree in Psychology. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. This degree also satisfies the needs of students - majors and non-majors - who are interested in psychology primarily as a part of a broad liberal education. In addition, the course provide a background in psychological principles and techniques to enhance work in other Social Sciences and in such professional fields as education, business, law enforcement, and health-related fields.

Students often major in psychology to prepare for careers in related fields such as personnel relations, occupational and personal counseling, medicine and dentistry, social and case work, marketing, administration, the legal profession, or counseling and teaching in the public schools. Others plan graduate work in psychology. Graduate training in psychology prepares you for a career as an academic psychologist (teaching and research), clinical psychologist (mental health centers, institutions, and private practice), industrial and organizational psychologist, and government psychologist (research, administration, testing).

High school preparation should include courses in Social Sciences as well as the natural sciences (such as biology and chemistry). Two years of high school foreign language study and a proficiency in algebra is highly desirable. In general, the broad liberal arts education that prepares you for college studies is appropriate for majoring in Psychology at Eastern.

COURSE DESCRIPTIONS

EAC offers over a thousand courses in fifty-three subject areas. Our classes are taught by highly qualified instructors, not teaching assistants, and classes are small so you won’t get lost in the crowd.

SAMPLE COURSE DESCRIPTION

1. This is the course number. Courses numbered from 001 to 099 will not be counted as graduation credit. Those numbered 100-199 are normally first-year or freshman level, and those numbered 200-299 are normally for second-year or sophomore students.
2. The credit hour is the unit of credit at EAC, as at most colleges and universities. Each credit hour represents one 50-minute class per week per semester, plus two hours of outside preparation and/or lab work.
3. An entry here indicates that the course meets one of EAC’s General Education requirements in the category shown.
4. The semester offered applies only to the Thatcher campus. Classes may also be offered in different semesters than specified depending on student demand. Requests for classes may be made to the Academic Deans on the Thatcher Campus. Other sites will offer and teach classes based on student demand at those sites. We reserve the right to cancel any class for which there is insufficient enrollment.
5. This designation indicates that the credits for this course do not count against you in an overload situation (18 or more credit hours).
6. An entry here indicates that in order to succeed in this course, you should have certain prerequisite experiences prior to taking it. Prerequisites are checked by computer at the time of registration. If you wish to enroll prior to receiving a grade in the prerequisite course, enrollment is allowed but is contingent on the final grade. If you have met the prerequisite at another institution, an official transcript from that institution must be on file and have been evaluated by the EAC Records and Registration Office prior to registration.

A waiver of prerequisites may be requested by petitioning the Admissions and Academic Standards Appeals Committee. The petition process must be completed prior to the end of registration for the course you wish to enroll in.

Students who enter or complete a course without meeting the prerequisites for that course may either be withdrawn from the course without a tuition refund, or receive no credit for the course.

### Advanced Manufacturing Technology

**AMT 102**  
*Materials for Industry*  
3 credits  
Offered every fall semester  
This course examines the appropriate use of metals, ceramics, polymers, acrylics, and composites in product manufacturing and fabrication.

**AMT 104**  
*Machining and Fabrication*  
3 credits  
Offered every fall semester  
This course will help students develop an understanding and appreciation of the machine tool industry and the processes which produce metal projects. Focuses on using mills, lathes, surface grinders, and hand tooling to fabricate various products from a variety of metals using precise measurements and holding precise tolerances.

**AMT 220**  
*Advanced Manufacturing Methods*  
4 credits  
Offered every spring semester  
Prerequisite: AMT 110 or instructor approval  
This course will focus on using manual tools, mill, lathe, surface grinder, and CNC (Computer Numerical Control) machines to produce first-run prototype parts from an industry standard drawing. Students will develop a process plan to establish the step-by-step process for part production. Students will use this process plan to ensure each part produced meets tolerances allowed as noted on CAD/CAM drawing. The course also explores the work opportunities related to the emerging careers in Advanced Manufacturing field.

**AMT 297**  
*Fab Lab Workshop I*  
1 to 3 credits  
Offered every fall and spring semester  
Prerequisite: AMT 110 or instructor approval  
This workshop allows participants an opportunity to turn an idea into a small usable product using Fab Lab machines and equipment. Students will investigate ideas to develop and bring ideas to reality. Students will be supervised and assisted to ensure proper safety procedures are followed, machine setup is correct and guided to ensure correct operation. Students will work collectively to keep the Fab Lab safe, organized, and the workstation cleaned up. Students will also be required to understand associated costs of supplies used in the fabrication process.

**AMT 298**  
*Fab Lab Workshop II*  
1 to 3 credits  
Offered every fall and spring semester  
Prerequisite: AMT 111 and DRF 154 or instructor approval  
This workshop allows students an opportunity to turn an idea into a small usable product using EAC Fab Lab equipment and CAD software. Students will investigate, develop, and bring ideas into reality. Students will be supervised and assisted to ensure proper safety procedures are followed and machine set-up is correct. Students will be guided to ensure equipment is used safely and correctly. Students will be required to link ideas using web-based video dialog with another MIT endorsed Fab Lab. Fab Lab students will work collectively to keep the Fab Lab safe, organized, and clean. Students will also be required to understand associated costs of supplies used in the fabrication process.

**AMT 111**  
*Fab Lab Workshop I*  
1 to 3 credits

Offered every fall and spring semester
Activity/Personal Enrichment
This course is designed to provide instruction in the numerous techniques, materials, and approaches to mixed media painting in contemporary art, including the use of tools, application of materials, and composition.

ART 154 Beginning Scrapbooking II 1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 153.

ART 155 Beginning Ceramics II 1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Problems in hand-forming, wheel work, design, glazes, decorative processes, clays, and firing are covered.

ART 156 Beginning Ceramics I 1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 155.

ART 157 Beginning Woodcarving I 2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Develops methods of carving and composition. Studies in types of woods and how to use their natural qualities; how to use a variety of finishes for the woods.

ART 158 Beginning Woodcarving II 2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 157.

ART 159 China Painting 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
This class will cover the act of painting overglazes on the surface of china or tile blanks.

ART 161 Beginning Ceramics I 1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Problems in hand-forming, wheel work, design, glazes, decorative processes, clays, and firing are covered.

ART 162 Beginning Ceramics II 1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 161.

ART 168 Beginning Ceramic Crafts I 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Painting techniques are developed in the use of stains and glazes for the decoration of mold-made ceramic objects. Small kiln firing skills are developed.

ART 169 Beginning Ceramic Crafts II 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Painting techniques are developed in the use of stains and glazes for the decoration of mold-made ceramic objects. Small kiln firing skills are developed.

ART 171 Beginning Crafts I 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of various crafts.

ART 171A Beginning Crafts I - Tole Painting 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171.

ART 172 Beginning Crafts II 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171.

ART 172A Beginning Crafts II - Tole Painting 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171A.

ART 172B Beginning Crafts II - Nativity 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171B.

ART 172C Beginning Crafts II – Doll Making 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171C.
ART 172D  
**Beginning Crafts II – Taxidermy**  
3 credits  
Offered upon request  
Activity/Personal Enrichment  
Emphasizes mounting a medium life-size mammal and a medium life-size bird. Includes the construction of habitats. Comprises proper measuring techniques, skin preparation, form selection, mounting procedures, and the restoring of color.

ART 173  
**Beginning Jewelry I**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of jewelry making, covers basic fabrication of jewelry from sheet and wire, covers forming and soldering.

ART 174  
**Beginning Jewelry II**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of jewelry making, covers basic fabrication of jewelry from sheet and wire, covers forming and soldering.

ART 176  
**Beginning Gem Faceting I**  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Faceting machine is used to develop skills in gem stone faceting. A variety of cuts and styles are used depending on the natural qualities and shape of the stone.

ART 177  
**Beginning Gem Faceting II**  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 176.

ART 178  
**Beginning Lapidary I**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
An introductory course in the study and application of classifying, selecting, cutting, shaping, and polishing minerals and gem stones.

ART 179  
**Beginning Lapidary II**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 178.

ART 181  
**Graphic Design I**  
3 credits  
Offered every fall semester  
Principles, tools, techniques, and media in graphic design layout. Includes layout, presentation, and concept development.

ART 182  
**Graphic Design II**  
3 credits  
Offered every spring semester  
Prerequisite: ART 181 or instructor approval  
A continuation of principles, tools, techniques, and media in graphic design layout. Includes layout, presentation, and concept development.

ART 184  
**Basic Computer Graphics**  
3 credits  
Offered upon request  
Emphasizes the fundamental concepts and features of Photoshop. Uses industry-standard, image-editing tools for designers who want to produce sophisticated graphics for the Web and for print. This course cannot be used as a curriculum requirement for the Graphic Design AAS program. It is recommended that the student have a working knowledge of computers.

ART 185  
**Advanced Computer Graphics**  
3 credits  
Offered upon request  
Emphasizes the advanced concepts and features of Photoshop. Uses industry-standard, image-editing tools for designers who want to produce sophisticated graphics for the Web and for print. This course cannot be used as a curriculum requirement for the Graphic Design AAS program. It is recommended that the student have a working knowledge of Basic Adobe Photoshop.

ART 186  
**Digital Illustration**  
3 credits  
Offered every fall semester  
Introduction to industry standard software for creating computer generated artwork and documents, with emphasis on creation of a variety of readable, professionally laid-out documents, which meet design and printing industry standards. Students will be introduced to the basic use of Adobe Illustrator tools, illustrating of graphics, typography and layout design.

ART 187  
**Beginning Photoshop**  
3 credits  
Offered every fall and spring semester  
Maximizing the quality of graphic images by adjusting color or image in parts of that picture. Improving the ability to print the picture after it has been modified. Instruction utilizes Adobe Photoshop software.

ART 187A  
**Basic Photoshop I**  
2 credits  
Offered upon request  
Maximizing the quality of graphic images by adjusting color or image in parts of that picture. Improving the ability to print the picture after it has been modified. Instruction utilizes Adobe Photoshop software.

ART 187B  
**Basic Photoshop II**  
2 credits  
Offered upon request  
Prerequisite: Prior or concurrent enrollment in ART 187A required  
Using a variety of tools and commands for improving the quality of a photographic image. Transforming ordinary images into extraordinary digital artwork. Creating graphics by modifying image data using Adobe Photoshop software.

ART 187C  
**Basic Photoshop III**  
2 credits  
Offered upon request  
Prerequisite: ART 187A and ART 187B or concurrent enrollment in ART 187B. Using the pen tool to draw precise straight or curved paths and create intricate selections. Creating advanced vector shapes which can be filled, stroked and used as clipping paths. Creating complex effects using layers, masks, clipping groups, and style layers with Adobe Photoshop software.

ART 187D  
**Basic Photoshop IV**  
2 credits  
Offered upon request  
Prerequisite: ART 187A and ART 187B or concurrent enrollment in ART 187B. Using advanced vector shapes, which can be filled, stroked and used as clipping paths. Creating complex effects using layers, masks, clipping groups, and style layers with Adobe Photoshop software.

ART 188  
**Digital Publishing**  
3 credits  
Offered every spring semester  
An introduction to electronic or “desktop” publishing on the Macintosh computer. Topics will include the development of text and graphics and the use of the page layout program Adobe InDesign, to create a variety of documents for publication.

ART 189  
**Typography**  
3 credits  
Offered every fall semester  
A study of type including the history and development of type, terminology, fonts and their uses, type in design, composition, and typesetting on the computer.

ART 190  
**Beginning Fibers I**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Use of fibers through a variety of techniques. Includes introduction to off-knot weaving, on-knot weaving, machine knitting, basketry, and paper making.

ART 191  
**Beginning Fibers II**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Further development of techniques developed in ART 190. Student will be able to work with more independence and less guidance than in ART 190 since basic concepts have been introduced.

ART 216  
**Illustration I**  
3 credits  
Offered every spring semester  
Exploration of varied techniques, styles, and media for illustration. Development of skills; emphasis on highly finished work.

ART 217  
**Illustration II**  
3 credits  
Offered every fall semester  
Prerequisite: ART 216  
Continuation of ART 216. Exploration of advanced techniques, styles, and media for illustration. Development of skills; emphasis on highly finished work.

ART 222  
**Intermediate Stained Glass I**  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 122-123. Precision glass cutting, copper foil, and lead came techniques are developed in the creation of stained glass for interior and architectural art objects.

ART 223  
**Intermediate Stained Glass II**  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 222.

ART 228  
**Intermediate Digital Photography**  
3 credits  
Offered upon request  
Prerequisite: ART 128  
Exploration of intermediate and advanced camera techniques, photographic styles, lighting, composition, digital photography, and digital photo editing.

ART 245  
**Intermediate Watercolor I**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Explore and use advanced techniques, styles, and methods for watercolor painting. Development of skills with an emphasis on highly finished work.
COURSE DESCRIPTIONS

ART 246
Intermediate Watercolor II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Explore and use advanced techniques, styles, and methods for watercolor painting. Development of skills with an emphasis on highly finished work.

ART 247
Intermediate Oil Painting I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Introduction to oil painting materials and techniques.

ART 248
Intermediate Oil Painting II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 247.

ART 251
Intermediate Sculpture I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 151-152. Develops techniques and skills in modeling, the creation of sculpture, and casting basic to composition.

ART 252
Intermediate Sculpture II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 251.

ART 253
Intermediate Scrapbooking I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 154.

ART 254
Intermediate Scrapbooking II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 253.

ART 257
Intermediate Woodcarving I
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 157-158. Develops methods of carving and composition. Studies in types of woods and how to use their natural qualities; how to use a variety of finishes for the woods.

ART 258
Intermediate Woodcarving II
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 257.

ART 261
Intermediate Ceramics I
2 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 161-162. Problems in hand-forming, wheel work, design, glazes, decorative processes, clays, and firing are covered.

ART 262
Intermediate Ceramics II
2 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 261.

ART 263
Firing Techniques I
1 to 2 credits
Offered upon request
Activity/Personal Enrichment
Methods of firing ranging from pit fire, sigillata, raku, and majolica, using low-fire clay bodies such as terra cotta and low-fire electric kiln cone 06 firing range. This hands-on course will consist of making ware, preparation of kiln, firing, unloading and cleaning up.

ART 264
Firing Techniques II
2 credits
Offered upon request
Activity/Personal Enrichment
A continuation of ART 263. Methods of firing ranging from pit fire, sigillata, raku, and majolica, using low-fire clay bodies such as terra cotta and low-fire electric kiln cone 06 firing range. This hands-on course will consist of making ware, preparation of kiln, firing, unloading, and clean up.

ART 266
Intermediate Ceramic Crafts I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 168-169. Painting techniques are developed in the use of stains and glazes for the decoration of mold-made ceramic objects. Small kiln firing skills are developed.

ART 269
Intermediate Ceramic Crafts II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 268.

ART 271
Intermediate Crafts I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of various crafts.

ART 271A
Intermediate Crafts I – Tole Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 172A.

ART 271B
Intermediate Crafts I – Nativity
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 172B.

ART 271C
Intermediate Crafts I – Doll Making
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 172C.

ART 271D
Intermediate Crafts I – Taxidermy
3 credits
Offered upon request
Activity/Personal Enrichment
Emphasizes mounting a large life-size bird and a big game animal. Includes the construction of habitats. Comprises proper measuring techniques, skin preparation, form selection, mounting procedures, and the restoring of color.

ART 272
Intermediate Crafts II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 271.

ART 272A
Intermediate Crafts II – Tole Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 271A.

ART 272B
Intermediate Crafts II – Nativity
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 271B.

ART 272C
Intermediate Crafts II – Doll Making
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 271C.

ART 273
Intermediate Jewelry I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Develops skills begun in Beginning Jewelry I and II, including sand casting, metal and wood inlays, overlays and marriage of metals.

ART 274
Intermediate Jewelry II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Advanced fabrication techniques including chain making and box construction. Emphasis is on the development of personal expression in the design of jewelry.

ART 276
Intermediate Gem Faceting I
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 176-177. Faceting machine is used to develop skills in gem stone faceting. A variety of cuts and styles are used depending on the natural qualities and shape of the stone.

ART 277
Intermediate Gem Faceting II
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 276.

ART 278
Intermediate Lapidary I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 178-179. A more advanced study of lapidary arts, gem identification, material suitability, tools and techniques, and may introduce the student to the faceting of precious gems and the art of intarsia.

ART 279
Intermediate Lapidary II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 278.

ART 285
Printmaking
3 credits
Offered every spring semester
Activity/Personal Enrichment
Printmaking processes for synthesis into a form of personal expression. Emphasis on etching, intaglio, block printing, and serigraphy.
ART 287
Advanced Photoshop
3 credits
Offered every spring semester
Prerequisite: ART 187 with a grade of "C" or higher or instructor approval
Maximizes the quality of graphic images, prepares color images for output, creates special graphic effects, modifying scanned images, and retouching images.

ART 289
Portfolio Development
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
This class is intended for Graphic Design majors in their final semester. Graphic Design majors will develop a portfolio to be used as a base for exploring employment (including self-employment), opportunities, further career development, renewed and/or continued education and training, and personal development.

ART 290
Intermediate Fibers I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Use of fibers through a variety of techniques. Includes introduction to off-loom weaving, on-loom weaving, machine knitting, basketry, and paper-making.

ART 291
Intermediate Fibers II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 290 with more independent decision making regarding projects and their production.

ART 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Art.

ART 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Art.

ART 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ASTRONOMY

AST 103
Introduction to Astronomy
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
A survey of modern astronomy introducing origins from our solar system and other planetary systems, galaxies, the evolution of stars, and the methods and technology used to explore planetary and stellar processes. Included with this course is a lab that introduces the student to astronomical observations with the use of a series of telescopes and lab exercises.

AUTOMOTIVE TECHNOLOGY

AUT 100
Automotive Fundamentals
2 credits
Offered upon request
This course provides a basic study of key automotive vehicle systems. Course provides basic operational knowledge, care, and maintenance of engine, fuel, ignition, suspension, brakes, and drive train systems.

AUT 101
Introduction to Automotive Technology
2 to 4 credits
Offered every fall semester
This course provides fundamental information on key automotive vehicle systems. Course teaches basic operational knowledge, care, and maintenance of engine, fuel, ignition, suspension, brakes, electrical, and drive train systems.

AUT 104
Small Engines
2 to 3 credits
Offered upon request
Provides operational principles, diagnosis, service, and overhaul procedures of small two-stroke and four-stroke gasoline engines.

AUT 105
Automotive Electrical Fundamentals
2 credits
Offered every fall semester
This course provides a study of automotive electrical and electronic fundamentals. Course has an emphasis on Ohm’s Law and application of Ohm’s Law in solving electrical system failures. This course provides an in-depth study on how to properly use wiring and current flow diagrams in electrical diagnosis and repair. Course includes using industry-standard diagnostic equipment and techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 106
Internal Combustion Engines
4 credits
Offered upon request
This course provides theory, diagnosis, and service common to all automotive internal combustion engines. Course includes engine rebuilding and performance testing. This course prepares students for the ASE certification test on engine repair.

AUT 107
Automotive Electrical Systems and Equipment
2 credits
Offered every fall semester
This course provides a study of automotive starting, supplemental restraint (air bags), and charging electrical systems and components. An emphasis is placed on electrical system diagnosis and electrical repair. Course gives students the opportunity to use various industry-standard, diagnostic, electrical equipment and testing techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 108
Fuel and Emission Systems
2 to 3 credits
Offered every fall semester
This course provides theory, diagnosis, and service information related to vehicle fuel and emission systems. Course includes an opportunity to analyze, test, and diagnose fuel and emission components and systems. This class, together with AUT 260 or AUT 220, prepares students for the ASE certification test on engine performance.

AUT 109
Drive Train
2 to 3 credits
Offered every spring semester
This course provides the theory and practice of transmission and drive train systems. This is an in-depth study of transmission, powertrain operation, and suspension. Course covers anti-lock brakes, hydraulic operation, and brake system service, diagnosis and repair. Prepares students for ASE certification test on drive train.

AUT 110
Manual Transmission and Drive Train
3 credits
Offered fall semester in even-numbered years
This course provides instruction related to power train theory, diagnosis, and service of clutch systems, driveline, synchronmesh transmissions, and final drives. Course covers standard transmission, transaxes, and 4-wheel drive operation. Prepares the student for the ASE certification test on manual drive train.

AUT 131
Steering and Suspension Systems
3 credits
Offered every spring semester
Course provides theory, diagnosis and the repair of automotive steering and suspension systems. Course includes an in-depth study of tires and wheels, wheel balancing, two and four wheel alignment, and diagnostic and service techniques. Course prepares students for ASE certification test on steering and suspension systems.

AUT 132
Automotive Brake Systems
2 credits
Offered every fall semester
This course provides the theory, diagnosis and the repair of automotive brake systems. This is an in-depth study of disc and drum brake systems. The course covers anti-lock brakes, hydraulic operation, and brake system service, diagnosis and repair. Prepares students for ASE certification test on brakes.

AUT 150
Automotive Painting and Refinishing
3 credits
Offered every spring semester
Activity/Personal Enrichment
Students taking this course will study automotive painting, minor repair, and refinishing techniques. The course will provide instruction related to automotive paint types, painting and refinishing, and minor body repairs (forming, shaping and body filler use).

AUT 180
Automotive Service Techniques
2 credits
Offered upon request
Course provides individualized self-paced instruction in service and repair of automotive engines, electrical, transmissions, brakes, suspension, and A/C. Course includes an opportunity for the individual to service and repair vehicle systems and components using computer-based reference material. In this course’s modular lab assignments, emphasis is placed on each student’s ability to demonstrate practical application of learned skills. This course prepares students for all eight ASE certification tests.
AUT 220  
Automotive Electronics and Computerized Vehicle Controls  
2 credits  
Offered spring semester in odd-numbered years  
Prerequisite: AUT 105 and AUT 110 or instructor approval  
This course provides a study of automotive power train computerized systems and addresses electrical principles. Course includes an in-depth study of computerized engine/power train control operation, trouble shooting techniques, and proper repair of these systems. This course requires each student have basic skills and knowledge in electrical/electronic fundamentals and prepares the student to take the ASE test which have electrical/electronic or automotive computer control system questions.

AUT 230  
Automatic Transmissions  
4 credits  
Offered fall semester in odd-numbered years  
This course teaches operating principles of modern automatic transmissions and transaxles. Course includes diagnosis, maintenance, testing, repair, and basic information on computerized power train control systems. This course prepares students for the ASE certification test on automatic transmissions/transaxles.

AUT 250  
Advanced Automotive Painting and Refinishing  
3 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: AUT 105 or instructor approval  
Students taking this course will study automotive painting, minor repair, and advanced painting techniques. The course will provide instruction related to automotive paint types, painting and refinishing, and minor body repairs (forming, shaping and body filler use).

AUT 260  
Vehicle Performance and Diagnosis  
3 credits  
Offered every spring semester in even-numbered years  
Prerequisite: AUT 105 and AUT 110 or instructor approval  
This course provides instruction in computerized power train system operation and diagnostic procedures. Course includes an in-depth study in modern ignition, fuel, and power train computer-controlled systems. Course provides in-depth knowledge related to various onboard vehicle diagnostic processes. This course gives the student the opportunity to use industry-standard testing equipment such as PC-based scopes and hand-held scanners. Course requires an understanding of automotive electrical and electronic fundamentals and together with AUT 110, prepares the student for ASE certification test on engine performance.

AUT 265  
Vehicle Emission Strategies and Testing  
2 credits  
Offered upon request  
Prerequisite: AUT 105 or instructor approval  
This course provides instruction on diagnostic procedures for automotive emission failure concerns. Course includes an in-depth study in how modern fuel/ignition, and power train computer controlled systems relate to exhaust emission strategies. Course gives students an opportunity to use industry-standard testing equipment such as hand-held scanners and infrared exhaust analyzers. This course requires the student to have basic skills and knowledge in electrical/electronic fundamentals and together with AUT 110, prepares the student for ASE certification test on engine performance.

AUT 266  
Vehicle Heating and Air Conditioning  
3 credits  
Offered every spring semester  
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.

AUT 280  
Advanced Shop  
4 credits  
Offered every spring semester  
Prerequisite: AUT 180 or AUT 101 and AUT 105 or instructor approval  
Course provides students with an opportunity to perform advanced automotive service work in preparation for entry into the automotive trade. Course includes an option for students to develop skills at an automotive worksite. This course addresses all service and repair on any vehicle system and provides the student exposure to shop management operations and strategies. This course is intended for the automotive major only and prepares the student to take all eight ASE automotive certification exams.

AUT 297  
Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Automotive Technology.

AUT 298  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Automotive Technology.

AUT 299  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

BIO 100  
Biology Concepts  
4 credits  
GE category: Lab Science  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
An integrated course dealing with both plants and animals, related to our environment from molecule to biosphere. A liberal studies course for non-science majors with an emphasis on contemporary issues.

BIO 101A  
Desert Survival  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Students will learn the conditions of a desert environment that make it so dangerous. They will become acquainted with techniques to survive in this harsh environment.

BIO 101B  
Birds of the Gila Valley  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Students will learn different aspects of the life and behavior of birds. Students will participate in viewing and identifying some common birds of the Gila Valley.

BIO 101C  
Natural History of the Gila Valley  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Students will see the geologic and climatic strategies that plants and animals use to survive in the desert environment.

BIO 101E  
Careers in Environmental Biology  
1 credit  
Offered upon request  
This class will expose learners to the different career opportunities in the field of Environmental Biology. Learners will obtain information about career preparation to obtain jobs in this field.

BIO 105  
Environmental Biology  
4 credits  
GE category: Lab Science  
Offered every fall semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
Fundamentals of ecology and their relevance to human impact on natural ecosystems. A liberal studies course for non-science majors with an emphasis on contemporary issues.

BIO 130  
Ecology of the Gila River  
3 credits  
Offered upon request  
The course will meet the training requirements of the Arizona Master Watershed Steward Program in Graham and Greenlee counties. Students will study biotic and abiotic functions of a watershed, explore the benefits and uses of natural resources, and discuss impacts of the socioeconomic concerns and activities of the community. Identical to AGR 240.

BIO 160  
Introduction to Human Anatomy and Physiology  
4 credits  
GE category: Lab Science  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
Study of structure and dynamics of the human body. For students who desire one semester in anatomy and physiology.

BIO 181  
General Biology I  
4 credits  
GE category: Lab Science  
Offered every fall semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
Designed for Biology majors. Principles of structure and function of living things at molecular, cellular, and organismic levels of organization. One year of high school chemistry or one semester of college level chemistry recommended.
BIO 182 General Biology II
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: BIO 181
Designed for Biology majors. Additional principles of structure and function of living things at molecular, cellular, and organismic and higher levels of organization.

BIO 187 Introduction to Biological Research
4 credits
Offered upon request
This course is designed to introduce students to the scientific research process at an introductory level. Basic tools and procedures of an environmental or ecological researcher will be discussed and reinforced in the lab setting. The culminating product will be an individualized written research proposal that may become the basis for further scientific investigation in BIO 295.

BIO 201 Human Anatomy and Physiology I
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: A grade of “C” or higher in one of the following courses: BIO 105, BIO 160, BIO 161, CHM 120, CHM 130 or CHM 151
Study of the structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system.

BIO 202 Human Anatomy and Physiology II
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: BIO 201
Continuation of structure and function of the human body. Topics include endocrine, circulatory, respiratory, digestive, urinary, and reproductive systems.

BIO 226 Ecology
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Arizona contains a broad diversity of both and animal species that have adapted to life in a sometimes harsh, desert environment. These fragile ecosystems have been affected from both a positive and negative standpoint by an increasing human population. This course will provide students with a basic understanding of ecological principles, concepts of energy flow through an environment, and knowledge and hands-on experiences to better understand the characteristics, restoration strategies, interactions within, and stewardship for healthy ecosystems.

BIO 295 Undergraduate Biological Research
4 credits
Offered every spring semester
This course is a unique opportunity for students to apply and practice what they have learned about the research process. Whether partnering with a mentor to teach new scientific skills or to carry out their own research proposal, students discuss, analyze, and critique their work through portfolio entries and team sessions coordinated by the instructor. Coursework culminates in a Poster Session of student research at the close of the semester.

BUS 205 Computerized Accounting with QuickBooks
2 credits
Offered every fall semester
Activity/Personal Enrichment
Prerequisites: BUS 101 or BUA 233 and CMP 101 or CMP 103 or instructor approval
This course is designed to assist students and small business owners in performing accounting tasks by using a computer software package designed specifically for accounting purposes. Students will develop skills to operate a computer to implement the following functions: recording transactions, generating financial and management reports, setting up and maintaining a system, and developing business budgets. The course utilizes the QuickBooks accounting software.

BUS 211 Retail Management
3 credits
Offered every spring semester
Principles and practices used in the management of retail stores. Includes site selection, layout, organization, staffing, positioning, customer service, promotional techniques, and all aspects of the buying function.

BUS 214 Contemporary Sports Management
3 credits
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
An introduction to local, national, and international sport, legal issues, and ethics in sport management, and its influence on society and culture. Examines and analyzes the increasing globalization of the sports industry and develops an understanding of the similarities and differences in sport management practices and applications around the world. Includes current trends in sports research and management. Covers the history of the sports industry, terminology, and career opportunities. Identical to HHP 214.

BUS 221 Human Resource Management
3 credits
Offered every fall and spring semester
Human resource theory and practice, planning, recruitment, placement, employee development, evaluation, benefits and services, health and safety, and employee relations.
BUS 251  
Human Relations  
3 credits  
GE category: AAS degree only  
Offered every fall and spring semester  
Emphasizes application of basic psychological principles to the understanding and influencing of human behavior, particularly in personal and business relationships.

BUS 261  
Fundamentals of Investing  
3 credits  
Offered upon request  
Evaluation of various investment forms including study of inflation, taxation, government securities, stocks and bonds, real estate, and retirement plans.

BUS 297  
Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Business.

BUS 298  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Business.

BUS 299  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

BUA 151  
Scheduling and Cost Estimating  
3 credits  
Offered every spring semester  
This course is designed to teach various types of scheduling and estimating methods and the importance of incorporating these concepts into the completion of a successful construction, business, or technological project.

BUA 200  
Introduction to Organizational Leadership  
3 credits  
Offered every fall semester  
This course presents a broad survey of leadership theory and research as currently practiced in formal organizations. Includes examination of leadership models, power and influence, team leadership, cross-cultural leadership, strategic styles of interaction, ethics, leadership skill development, decision-making techniques, and effective goal implementation.

BUA 210  
Society and Business  
3 credits  
GE category: Social Sciences  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or placement test score as established by District policy  
An introduction to the study and scientific inquiry of issues and demands placed on business enterprise by owners, customers, government, employees, and society. Included are social, ethical, and public issues and analysis of the social impact of business responses.

BUA 220  
BUA 2201 Business Statistics  
3 credits  
Offered every fall semester  
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy  
This course provides business applications of descriptive and inferential statistics, measurement of relationships, and statistical process management including the use of spreadsheet software for business statistical analysis.

BUA 221  
Principles of Macroeconomics  
3 credits  
GE category: Social Sciences  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or placement test score as established by District policy  
Studies aggregates of the entire economy; concentrates on national income analysis, business cycles, the money and banking system, the global economy, and fiscal and monetary policy. Concurrent enrollment with BUA 223 not recommended.

BUA 222  
Principles of Microeconomics  
3 credits  
GE category: Social Sciences  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or placement test score as established by District policy  
Study of forces affecting individual productive units including analysis of price determinants through supply and demand, cost and equilibrium of firms under perfect and imperfect competition, distribution of income, and selected current problems. Concurrent enrollment in BUA 221 not recommended.

BUA 233  
Uses of Accounting Information I  
3 credits  
Offered every fall and spring semester  
Introduction to the uses of financial information for internal and external purposes. Emphasizes using accounting information to meet the needs of financial decision makers, financial statement analysis, and understanding the business cycle.

BUA 243  
Uses of Accounting Information II  
3 credits  
Offered every spring semester  
Prerequisites: BUA 233  
Introduction to the uses of financial information for internal and external purposes. Emphasizes using accounting information to meet the needs of financial decision makers, focusing on analysis for use by management.

BUA 245  
Legal Environment of Business  
3 credits  
Offered every fall and spring semester  
Introduces the sources and basic principles of the law as it relates to business, including the U.S. legal system, the Constitution, sources of the law, business ethics; and studies a variety of applications of the law in contracts, torts, agency, and government regulation of business.

BUA 249  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Business Administration.

CHEMISTRY  

CHM 130  
Fundamental Chemistry  
4 credits  
GE category: Lab Science  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or placement test score as established by District policy  
This course is designed to help students understand basic chemical principles and master problem-solving skills. Students will develop an understanding of how those concepts and skills are relevant to other courses and their daily lives. Chemical topics covered in the course include basic science concepts, measurements, atomic theory, bonding, stoichiometry, states of matter, solutions, acids and bases, and nuclear chemistry.

CHM 138  
An Introduction to General, Organic, and Biological Chemistry  
4 credits  
GE category: Lab Science  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or placement test score as established by District policy  
For students with little or no background in chemistry. The first half of this one semester course includes an introduction to general principles of chemistry including measurements, atomic structure, chemical bonding, naming compounds, states of matter, solutions, and chemical reactions with applications in health care. The second half of the course covers aspects of organic and biological chemistry that directly affect health care. They include sections on hydrocarbons, organic functional groups, carbohydrates, lipids, proteins, enzymes, nucleic acids, and metabolic pathways that provide energy for life.
CHM 1151  General Chemistry I
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Provides the student with knowledge of the fundamental principles of chemistry with an emphasis on matter and measurement, states of matter, atomic structure, chemical periodicity, chemical bonding, chemical reactions, stoichiometry, energy of reactions, aqueous solutions, and properties of gases. The student also applies critical thinking strategies in scenario and inquiry-based laboratory activities. Recommend completion of at least two years high school algebra and one year high school chemistry or college equivalent.

CHM 1152  General Chemistry II
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: CHM 151
Provides the student with knowledge of the fundamental principles of chemistry with an emphasis on the control of chemical reactions and the chemistry of the elements. Chemical kinetics, equilibria, acids-base chemistry, entropy of reactions, nuclear transfer reactions, nuclear chemistry, and an introduction to organic chemistry will be explored. The student will also apply critical thinking strategies in scenario and inquiry-based laboratory activities.

CHM 230  Fundamental Organic Chemistry
4 credits
GE category: Lab Science
Offered upon request
Prerequisite: CHM 130 or CHM 138 or CHM 151
An introduction to carbon-containing compounds. Included is the study of hydrocarbons, alcohols, carboxyl compounds, amines, carbohydrates, lipids, proteins, enzymes, nucleic acids, and metabolic pathways.

CHM 235  General Organic Chemistry I
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: CHM 152
General principles of organic chemistry with emphasis on reactivity and synthesis. Topics include bonding, structure and properties of organic compounds, stereochemistry, overview of organic reactions, kinetics and thermodynamics, structure, synthesis, and reaction of alkenes, alkynes, and alky halides, nucleophilic substitution and elimination reactions, structure determination using Mass Spectrometry, Infrared Spectroscopy, and Nuclear Magnetic Resonance Spectroscopy, aromaticity, and electrophilic aromatic substitution reactions.

CHM 236  General Organic Chemistry II
4 credits
GE category: Lab Science, Intensive Writing
Offered every spring semester
Prerequisite: CHM 235 with a grade of "C" or higher and ENG 101 with a grade of "C" or higher
Continuation of CHM 235. General principles of organic chemistry with continued emphasis on reactivity and synthesis. Topics include the study of alcohols, ethers, epoxides, sulfides, conjugated systems, aromatic compounds, ketones, aldehydes, amines, carboxylic acids and their derivatives, enols, carbohydrates, nucleic acids, amino acids, peptides, proteins, lipids, and polymers.

COMM 100  Introduction to Human Communication
3 credits
Offered every fall semester
Prerequisite: CHM 152
General principles of organic chemistry with emphasis on reactivity and synthesis. Topics include bonding, structure and properties of organic compounds, stereochemistry, overview of organic reactions, kinetics and thermodynamics, structure, synthesis, and reaction of alkenes, alkynes, and alkyl halides, nucleophilic substitution and elimination reactions, structure determination using Mass Spectrometry, Infrared Spectroscopy, and Nuclear Magnetic Resonance Spectroscopy, aromaticity, and electrophilic aromatic substitution reactions.

COMM 110  Introduction to Interpersonal Communication
3 credits
Offered every fall semester
This course will introduce students to the concepts and practices involved in interpersonal communication interactions. The course will cover the many dimensions of interpersonal communication including, but not exclusively, fundamental building blocks, perceptions and self-concepts as they relate to communication interactions, interpersonal relationships, nonverbal communications, interpersonal conflict, deception, and interpersonal skills and dynamics in personal and professional relationships.

COMM 150  Oral Interpretation of Literature
3 credits
Offered upon request
Prerequisite: ENG 101 with a grade of "C" or higher
Imaginative and skillful oral rendering of prose and poetry through study of literature and techniques of presentation.

COMM 200  Basic Communication Theory
3 credits
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher
This course will introduce students to the breadth of theoretical approaches in the field of communication. The course will survey the many dimensions of study including, but not exclusively, interpersonal communication, influence, media, rhetorical analysis, organizational, and gender communication focus areas.

COMM 201  Public Speaking
3 credits
GE category: Humanities
Offered every fall and spring semester
Prerequisite: ENG 101 with a grade of "C" or higher
Study and practice of effective, audience-centered public speaking. Includes methodology of written and spoken communication.
COM 271 Small Group Communication
3 credits
Offered every spring semester
This course will introduce students to the breadth of theoretical approaches and practices related to communication in small group settings. During the course students will have the opportunity to study communication interaction approaches and put into practice the skills identified as effective communication strategies in small groups.

COM 298 Workshop
1 to 3 credits
Offered upon request Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Communication Studies Program.

COM 299 Independent Study
1 to 3 credits
Offered upon request Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Communication Studies Program.

COMPUTERS

CMP 099 Computers for Beginners
2 credits
Developmental course - does not count for graduation credit
Offered upon request Activity/Personal Enrichment
A first course for beginning computer users designed to introduce students who have never used a computer to the basic elements of running a computer in a comfortable, structured manner with significant instructor support in the lecture/demonstration mode.

CMP 100 Computer Careers
2 credits
Offered upon request
This course is designed to help students determine an appropriate computer field as a career. Students will be given time to conduct career research in the field to help them select a career path. Emphasis is placed on choosing an appropriate career path and then creating a career plan to achieve their success. Students will also be given the opportunity to visit area businesses, conduct an informational interview with a business professional, and participate in a job shadowing program.

CMP 101 Introduction to Computers
3 credits
GE Category: AAS degree only
Offered every fall and spring semester
A first course in computers designed to provide students with a hands-on experience of the personal computer and its uses in society. Basic operating system functions as well as application programs from the current Microsoft Office Suite will be taught including Word, Excel, and PowerPoint. True beginners may want to consider CMP 099, Computers for Beginners, before taking this course.

CMP 103 Introduction to Computer Based Systems
3 credits
GE Category: GE Options, AAS degree only
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Uses of computer hardware and software in business and society, computer terminology, program definition and flowcharting/ algorithms, introduction to programming using general purpose language and word processing, spreadsheet, database, graphics, multimedia, and Internet. Business applications focus on spreadsheet creation and formatting along with database creation and formatting.

CMP 108 Introduction to Keyboarding Technique
1 credit
Offered every fall and spring semester
This course is designed to teach the keyboard and proper keyboarding technique. Identical to AS 108.

CMP 110 Current Applications
2 credits
Offered upon request
Provides individuals with the opportunity to develop personal projects in varieties of current software such as spreadsheet, database, word processing, multimedia, Internet and other applications for microcomputers, which cannot take place in courses where time is given to learn a software package, but not to use it for personal project design and implementation. Not for computer majors, except as elective.

CMP 110R QuickBooks
1/2 to 2 credits
Offered upon request
Takes the students through the features of current QuickBooks to develop an introductory skill level for personal and vocational use.

CMP 110X Beginning Microsoft Excel
1/2 to 1 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft Excel, a spreadsheet program.

CMP 110Y Intermediate Microsoft Excel
1/2 to 1 credit
Offered upon request
Students will become familiar with intermediate level functions of Microsoft Excel, a spreadsheet program.

CMP 110Z Advanced Microsoft Excel
1/2 to 1 credit
Offered upon request
Students will become familiar with the advanced level functions of Microsoft Excel, a spreadsheet program.

CMP 110AA Beginning Microsoft Access
1/2 to 1 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft Access, a database software package.

CMP 110AB Intermediate Microsoft Access
1/2 to 1 credit
Offered upon request
Students will become familiar with intermediate level functions of Microsoft Access, a database software package.

CMP 110AC Advanced Microsoft Access
1/2 credit
Offered upon request
Students will become familiar with advanced level functions of Microsoft Access, a database software package.

CMP 110AD Beginning Microsoft PowerPoint
1/2 to 1 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft PowerPoint, a slide and video software package.

CMP 110AE Intermediate Microsoft PowerPoint
1/2 to 1 credit
Offered upon request
Students will become familiar with intermediate level functions of Microsoft PowerPoint, a slide and video software package.

CMP 110AF Advanced Microsoft PowerPoint
1/2 to 1 credit
Offered upon request
Students will become familiar with advanced level functions of Microsoft PowerPoint, a slide and video software package.

CMP 110AJ Microsoft Outlook I
1/2 to 1 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft Outlook, an integrated electronic mail, calendar, and task management software package.

CMP 110AK Microsoft Outlook II
1/2 to 1 credit
Offered upon request
Students will become familiar with advanced level functions of Microsoft Outlook, an integrated electronic mail, calendar, and task management software package.

CMP 110AM PC Troubleshooting and Repair
1 credit
Offered upon request
This course is designed to teach the basic principles of PC troubleshooting and repair, including providing a basic knowledge of PC components and their function and how to use Windows built-in diagnostic tools. It provides a foundation in diagnosing common symptoms and catastrophic failures as well as proper hardware handling and removal and reinstallation of common components. It is recommended that students be familiar with basic Windows operating systems, navigation and menu and be able to use small hand tools.

CMP 110AN Intermediate PC Troubleshooting and Repair
1 credit
Offered upon request
This course is a follow-up to CMP 110AM, providing intermediate PC troubleshooting and repair. Includes diagnosing common Windows system failures, changing system configurations, BIOS, and registry; downloading peripheral device drivers, and removal of CPU and motherboard. Recommendation: Completion of CMP 110AM or equivalent.
CMP 113
Operating Systems I
3 credits
Offered every fall and spring semester
In this course the rationale behind the Windows operating system will be examined. Hands-on experience will be gained using the operating system, including desktop management, file and folder manipulation, the uses of the control panel, digital media capabilities, Internet and networking rationale, and maintaining, monitoring and optimizing personal computers. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 113B
Apple OS X
1/2 credit
Offered upon request
Designed to provide experience using aspects of the Mac OS X including: Finder, Dock, Stacks, Searchlight, Spaces, Expose, Drive Mounting, Time Machine, Utilities, Settings, mac, iPhoto, and iMovie.

CMP 113D
Apple OS
1 credit
Offered every fall and spring semester
In this course the rationale and use of the iOS operating system is explored and designed to provide experience using aspects of Apple’s iOS including: Settings, Gestures, Copying between programs, email setup and use, calendar setup and use, contacts setup and use, importing and exporting documents, iCloud setup and use, Keynote, and Pages.

CMP 113E
Microsoft OS
1 credit
Offered every fall and spring semester
The rationale behind the Windows operating system will be explored. Hands-on experience will be gained using the Windows operating system, including desktop management, file and folder manipulation, configuration, data management, network- ing, proper operating system management, and operating system settings. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 113F
Linux/Unix OS
1 credit
Offered every fall and spring semester
The rationale behind the Linux/Unix operating system will be explored. Hands-on experience will be gained using each operating system, including desktop management, file and folder manipulation, configuration, data management, networking, proper operating system management, and operating system settings.

CMP 115A
Beginning Microsoft Windows
1/2 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft Windows, an operating system used for organizing and maintaining computers.

CMP 120
Introduction to Programming
1 credit
Offered upon request
An introduction to software and programming concepts for students interested in visual or scripting languages. Topics include notations, data, operators, sequence, selection, repetition, and subprograms.

CMP 121
Visual Basic Programming I
3 credits
GE category: AAS degree only
Offered every fall semester
A comprehensive introduction to event-driven, object-oriented computer programming using the Visual Basic programming language. Students learn to write problem-solving programs and develop a wide variety of Windows applications in a graphical environment. The course uses Visual Basic to illustrate good programming practices, application development techniques, and overall visual design.

CMP 126
Java Programming I
3 credits
Offered upon request
An introductory programming course for vocational computer majors and students transferring to universities in a business program. Course concentration includes object-oriented programming including data types, classes, objects, methods, decision and repetition structures, string and array manipulation, and Java applets. Computer majors are encouraged to take CMP 126 as their final programming language in their program of study. Students who have no previous computer programming experience should consider taking CMP 120 before taking CMP 126.

CMP 128
C Programming I
3 credits
GE category: AAS degree only
Offered every spring semester
C Programming I is an introductory programming course for vocational computer majors and students transferring to universities in a business program. Course concentration includes the Visual Studios integrated development environment including user interfaces and controls, and object-oriented programming concepts including data types, classes, objects, methods, decision and repetition structures, string and array manipulation. Computer literacy is assumed.

CMP 130
C Programming I
3 credits
GE category: AAS degree only
Offered upon request
A comprehensive introduction to the C language; preparation and writing of programs using C, using current programming techniques. A prior programming language is helpful. For two-year Computer majors or students transferring in a Computer Information/Management Information Systems degree. Identical to EGR 130.

CMP 145
iOS Application Development I
3 credits
Offered every fall semester
This course is an introductory programming course for vocational computer majors utilizing the Xcode application, the programming language Swift, and various iOS frameworks. Students will explore design patterns, coding conventions and guidelines, and essential concepts including storyboards and Cocoa Touch Frameworks. Computer literacy is assumed.

CMP 151
Computer Systems I
3 credits
Offered every fall semester
Designed to provide an understanding and experience with hardware and operating systems at the technical support level, exploring aspects of the PC, including: computing, PC technician troubleshooting skills and tools, hardware performance, PC system components, peripheral devices and drivers, storage options and standards, networking theory and components.

CMP 152
Computer Systems II
3 credits
Offered every spring semester
Designed to provide an understanding and experience with hardware and operating systems at the technical support level, exploring aspects of the PC, including: wireless networking concepts, printing processes, mobile devices, Windows system management, file management, security, and troubleshooting.

CMP 161
Electronic Spreadsheet with Microsoft Excel
3 credits
Offered every fall and spring semester
Comprehensive, practical applications and techniques using Microsoft Excel with hands-on experience in the computer laboratory. The beginning through advanced spreadsheet procedures taught will prepare the student to pass the Microsoft MOUS Expert Certification test. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 170
Database Management with Microsoft Access
3 credits
Offered every fall and spring semester
Prerequisite: CMP 101 or CMP 103
The student will participate in case-based approaches to the storing, modification, and extraction of information from a computized database management system. The student will learn how to create and maintain database objects including tables, forms, queries, reports, pages, macros, and modules. Database design, security, and integration with other programs and the Internet is also covered. Student interested in Microsoft Office Specialist certification will find the course an excellent foundation for exam preparation.

CMP 201
Systems and Procedures
3 credits
Offered every spring semester
Prerequisite: CMP 100 and CMP 103 or instructor approval
This course introduces the elements of information systems used in business organizations. Students will learn about systems development, e-business and e-commerce strategies, network and telecommunication issues, enterprise systems, ethics relating to information technology, and project and database management. Concepts will be reinforced through group participation in the form of research, hands-on activities, projects, and presentations. Students will use Microsoft Office, Microsoft Project, and other software as needed to complete individual and group projects.

CMP 230
Linux System Administration
3 credits
Offered every fall semester
This course covers system architecture; Linux installation and package management; GNU and Unix commands; devices, Linux file systems, and the File System Hierarchy Standard; command line work, maintenance tasks.

CMP 235H
Beginning Microsoft Word
1/2 to 1 credit
Offered upon request
Designed to provide the student with an opportunity to cover and practice basic features of word processing using Microsoft Word software.

CMP 235I
Intermediate Microsoft Word
1/2 to 1 credit
Offered upon request
This course is designed to provide intermediate word processing skills to students with prior experience using microcomputers and Microsoft Word. It is recommended that the student key at a minimum rate of 25 words per minute.
COURSE DESCRIPTIONS

CMP 235J
Advanced Microsoft Word
1/2 to 1 credit
Offered upon request
This course is designed to provide advanced word processing skills to students with prior experience using microcomputers and Microsoft Word. It is recommended that the student have an intermediate knowledge of Microsoft Word and key at a minimum rate of 25 words per minute.

CMP 239A
Multimedia/Electronic Task Management
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. Using a Personal Information Manager (PIM) program, students will learn how to manage email, organize schedules, maintain contact lists and to-do lists, and keep a log of computer tasks. This module also includes integrating data to and from other applications. Identical to AIS 239A.

CMP 239B
Multimedia/Digital Imaging
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. This module provides students with hands-on experience with digital imaging technology including scanners, digital cameras, and photo software. Students must be familiar with basic desktop publishing techniques to complete projects. Identical to AIS 239B.

CMP 239C
Multimedia/Internet for Business
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. In this module, students learn and apply the tools, language, and culture of the Internet. Important ethical issues are addressed as individual and team Internet projects are completed. Projects will include web site design and research. Identical to AIS 239C.

CMP 240
Desktop Publishing
3 credits
Offered every fall and spring semester
Emphasizes basic to intermediate skills in desktop publishing through a variety of modern, real-life activities using current versions of Microsoft Publisher and Microsoft Word. Students will develop skills in making design and typography decisions, handling multi-column documents, inserting and editing graphics, and creating styles and charts. Students will create a portfolio of business documents to demonstrate mastery. Word processing skill is needed. Identical to AIS 240.

CMP 250
Networking Systems I
3 credits
Offered every fall semester
This course is designed to provide an understanding of networking signaling processes, hardware, installation, and troubleshooting. CompTIA Network+ exam objectives are covered. Topics include: protocols, connections, software, network hardware and the OSI Reference model, for use in local area networks (LANs) and wide area networks (WANs). This course also prepares one for continuing on to Microsoft and Cisco certifications.

CMP 251
Networking Systems II
3 credits
Offered every spring semester
This course is designed to provide an understanding of networking signaling processes, hardware, installation, and troubleshooting. CompTIA Network+ exam objectives are covered. Topics include: wireless networking protocols, connections, software, network hardware as well as network security and network management for use in local area networks (LANs) and wide area networks (WANs). This course also prepares one for continuing on to Microsoft and Cisco certifications.

CMP 255
Server Administration
3 credits
Offered upon request
CompTIA Server+ is an international, vendor-neutral certification for technical support professionals with 18 to 24 months of IT experience. CompTIA Server+ certifies the technical knowledge and skills required to build, maintain, troubleshoot, and support server hardware and software technologies. The exam covers virtualization, disaster recovery and security procedures.

CMP 272
Website Development I
3 credits
Offered every fall and spring semester
This course prepares the student to develop basic websites for use in all areas of society. The student will develop an understanding of networking requirements for the Internet in regards to web development. Students will learn web site design, planning, and organizational skills. The student will learn and use a wide variety of website development tools at introductory levels. Applications and skills taught will include beginning Dreamweaver, HTML, XHTML, all current standards in industry. Before enrolling in this course, it is suggested the student have a thorough knowledge of Internet terminology and be comfortable using common Internet features including uploading and downloading files. To be successful, intermediate skills in file management, i.e., saving, copying, moving, and creating files and folders, are needed. A beginning course in the Internet or Operating Systems would be helpful.

CMP 273
Website Development II
3 credits
Offered every spring semester
Prerequisite: CMP 272
This course prepares the student to develop advanced websites for use in all areas of society. The student will learn and use a wide variety of website development tools at advanced levels. Applications and skills taught will include, but not be limited to, Dreamweaver, HTML, XHTML, XML, Fireworks, and Flash, all current standards in industry.

CMP 280
Database Design and Development
3 credits
Offered upon request
This course is designed to provide individuals with a complete introduction to database concepts and the relational database model. Topics include QBE, SQL, normalization, design methodology, DBMS functions, database administration, and other database management approaches, such as client/server databases, object oriented databases, and data warehouses. At the completion of this course, students should be able to understand a user's database requirements and translate those requirements into a valid database design. Students should have already completed CMP 170 Database Management with Microsoft Access or possess equivalent knowledge.

COOPERATIVE EDUCATION
Eastern Arizona College offers cooperative education courses for students who have selected a career objective. Designed to give students the opportunity to learn through supervised work experiences, the course integrates students’ educational activities with on-the-job learning opportunities. Meetings with the coordinator are designed to assist students in identifying activities and competencies they will complete on the job. This can include learning job survival skills, improving technical skills, and developing effective human relations and communications skills.

The courses are designed to serve students from all disciplines who wish to experience supervised on-the-job training as part of their skills, upgrade their positions, or move to new career areas through job-related experiences and goals described in a written training plan.

Credit is based on total hours completed in on-the-job learning during the semester as follows: 75 hours (5 hrs/week) - 1 credit 150 hours (10 hrs/week) - 2 credits 225 hours (15 hrs/week) - 3 credits 300 hours (20 hrs/week) - 4 credits Before participating, you should: Select and begin pursuing a career objective. Complete or be currently enrolled in one or more courses related to your career objective. Be employed in, or be able to be placed in, a job that is related to your career objective, and with a supervisor (employer) who is willing to participate in the Cooperative Education experience. A student may enroll in Cooperative Education each semester until earning a maximum of eight credits.

**DRF 170 Residential Architecture**

*2 to 3 credits*  
Offered every spring semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154  
Students will be instructed in residential architecture drafting techniques required to design and create floor plans, exterior and interior details, and structural representations. The course will use architectural CAD software to develop a full set of residential house plans. All drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 207 CADD Workshop**

*1 credit*  
Offered upon request  
For high school and community college teachers, or other interested individuals, wishing to advance their knowledge and skills in the area of Computer Assisted Design and Drafting (CADD). This short-term course is geared to meet the various levels of CADD expertise from beginning to advanced. Attendees will be divided into skill level groups and areas of interest. Basic technique and commands will be covered for the beginning skill levels and advanced techniques will be covered for attendees with experience in the CADD field.

**DRF 220 Parametric Solid Modeling**

*3 credits*  
Offered every spring semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154 or instructor approval  
This course uses the latest in parametric modeling technology (SolidWorks & Autodesk Inventor) in the study of mechanical drafting, threads and fasteners, detail and assembly drawings, section views, and basic dimensioning and tolerancing techniques. Parametric modeling simulates manufacturing processes, and completed solid models can be easily transferred to production tools such as 3D printers or CNC machines. All drawings will meet the ASME Y14.5M standard.

**DRF 230 Civil Drafting**

*3 credits*  
Offered every fall semester  
Prerequisite: DRF 154  
Studies basic elements of map drafting including symbols, plotting contour lines, grid maps, elevation and profiles, closed and open traverse, legal descriptions, grading, volumes, street construction, and basic use of GPS systems. All drawings will meet the AASHTO Green Book, American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 232 Structural Drafting**

*2 to 3 credits*  
Offered every spring semester  
Prerequisite: DRF 154  
A study of the basic elements of structural drafting including symbols, dimensioning, design, and detail drafting of steel and concrete structures. All drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 235 Arc Geographic Information Systems I**

*2 credits*  
Offered upon request  
Prerequisite: DRF 230 with a grade of “C” or higher or instructor approval  
This course provides an introduction to Arc Geographic Information Systems (GIS) concepts and GIS databases. Students will learn processes related to manipulating spatial and tabular data, querying a database, presenting data clearly, and effectively using maps, reports, and charts.

**DRF 236 Arc Geographic Information Systems II**

*3 credits*  
Offered upon request  
Prerequisite: DRF 235 with a grade of “C” or higher  
This course utilizes advanced Arc Geographic Information Systems (GIS) concepts and GIS databases. Students will design and create a GIS project using geodatabase and validation rules while learning to edit topology and perform spatial analysis.

**DRF 262 Commercial Architecture**

*2 to 3 credits*  
Offered upon request  
Prerequisite: DRF 154  
Course will focus on the use of CAD in the area of commercial architectural facilities layout and design. Projects involve the creation of commercial floor plans, external elevations, and site plans. Emphasis is placed upon meeting the customer needs, local building codes, and industry standards. All drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 271 Advanced AutoCAD**

*2 to 3 credits*  
Offered every spring semester  
Prerequisite: DRF 154  
Course examines how to use advanced AutoCAD software capabilities. Students will focus on system customization including menu development. Advanced drafting techniques, assembly part modeling, and drafting applications will also be included.

**DRF 290 Drafting Capstone Project**

*2 credits*  
Offered every spring semester  
Prerequisite: DRF 170 and DRF 230 with a grade of “C” or higher and prior concurrent enrollment in DRF 220, or instructor approval  
This is an end-of-program capstone project course to allow students the opportunity to create a complete drafting and design project from start to finish in one of the principal drafting related areas emphasized throughout the degree program: architectural, civil, or mechanical. Successful completion of this course will validate competencies from previous coursework. All architectural and civil drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements. All mechanical drawings will meet the ASME Y14.5M standard.

**DRF 297 Activity/Personal Enrichment**

*1 to 6 credits*  
Offered upon request  
Activity/Personal Enrichment  
Designated to meet a variety of needs for students in Drafting Technology.

**DRF 298 Workshop**

*1 to 3 credits*  
Offered upon request  
Activity/Personal Enrichment  
Designated to meet a variety of needs for students in Drafting Technology.
COURSE DESCRIPTIONS

ECE 110
Infants and Toddlers Development
3 credits
Offered every spring semester
This course will provide the students with an introduction to the principles of development in children from birth through 36 months. Emphasis will be placed on individuality of child and the adult role in providing a safe, stimulating environment for the development of the very young child.

ECE 120
Guiding Children’s Social Development
3 credits
Offered every spring semester
Students will gain knowledge in a study of positive guidance and discipline techniques that can be used to encourage children to develop self-discipline and responsibility for their own actions. Students will also learn the importance of assessing, understanding, and enhancing the development of communication skills of young children to help guide and develop a child’s self-image. Students will learn how to translate information presented into related skills and procedures that support children’s social development.

ECE 150
Practicum: Direct Field Experience Birth to Preschool
2 credits
Offered every fall and spring semester
Prerequisite: ECE 100, ECE 102, ECE 105, ECE 110, or instructor approval
Supervised experience in the education, guidance and care of young children birth through age eight. Course begins with four weeks of classroom instruction on developmentally appropriate curriculum, guidance techniques, and age appropriate activities. Students will complete first aid certification, and must show proof of fingerprint clearance before student is placed at a center for lab.

ECE 171
Child Growth and Development
3 credits
GE category: Social Sciences
Offered every spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
This course gives students a broad, comprehensive view of the science of human development at each stage of development from conception through adolescence. Considers the biological, cognitive, physical, and social aspects of development from a knowledge base of theory, research, and current issues. Students will apply learning to developmentally appropriate principles and practices that guide relationships and learning experiences for all children. Additional discussion will include family, culture, ethnicity, and gender. This course is identical to PSY 171.

EDU 200
Introduction to Education
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Overview of the historical, political, economic, social, and philosophical factors that influence education and make it so complex. Opportunity for students to assess their interest and suitability for teaching.

EDU 222
Introduction to Special Education
3 credits
Offered every fall semester
An introductory level course with an emphasis on the history of special education and related educational theories including identification, causes, and characteristics of exceptional learners birth through age eight. An overview of the history of special education, assessment, intervention and curriculum will be introduced. Observation and participation hours in a special education setting required.

EDU 240
Child Development Portfolio and Assessment Preparation
3 credits
Offered every fall and spring semester
Prerequisite: Instructor approval
Includes an in-depth review of the functional areas providing the basis for the Child Development Associate competency and gives step-by-step approach of activities necessary to complete the CDA Assessment process.

EDU 281
Children’s Literature
3 credits
GE category: Humanities
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Introduction to children’s literature with a focus on how to effectively choose and use children’s literature in educational and other contexts. Considerations include guidelines, storytelling, interpretation, and evaluation of children’s books. Students will discuss developmentally appropriate practice in the selection of books and stories for children. Identical to EDU 281 and ENG 281.

EDU 299
Independent Study
1 to 4 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Early Childhood Education program.
EDU 233
ESL/SEI Methods I
3 credits
Offered upon request
This course provides the student with methods of planning, developing, and analyzing lesson plans in all content areas using English Language Learners (ELL) Standards. Emphasis is on components of curriculum content, teaching strategies, development/evaluation/adaptation of teaching materials, and the role of culture in learning. Student will examine the alignment of ELL Proficiency Standards to the state and national academic standards. This course also covers multiple assessment techniques, tracking of student progress using the AZELLA assessment, and use of assessment results for placement and accommodation.

EDU 234
ESL/SEI Methods II
3 credits
Offered upon request
The training provides the participant with methods of planning, developing, and analyzing lesson plans in all content areas using ELL Standards in order to teach children who are learning English as a second language. The emphasis is on ELL Proficiency Standards, assessment objectives, recent changes in SEI requirements, teaching strategies, development/evaluation/adaptation of teaching materials and the role of culture in learning. The course examines the alignment of ELL Proficiency Standards to the Arizona Language Arts Academic Standards. The course covers alternative methods of assessment, and analysis of the use of AZELLA assessment. This training prepares participants for ethnically diverse classrooms. This training covers 45 hours toward the ADE requirement for teaching certification renewal.

EDU 281
Children’s Literature
3 credits
GE category: Humanities
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Introduction to children’s literature with a focus on how to effectively choose and use children’s literature in educational and other contexts. Considers selection guidelines, storytelling, interpretation, and evaluation of children’s books. Students will discuss developmentally appropriate practice in the selection of books and stories for children. Identical to ECE 281 and ENG 281.

EDU 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Education.

EDU 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course intended to meet a variety of needs for Education students.

EDU 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ELT 101
Fundamentals of Electricity and Electronics
3 credits
Offered upon request
This course is an introductory course into the basic principles of electricity and electronics theory with emphasis of electrical applications. The course will also introduce the student to the study of various blueprints, schematics, wiring diagrams and symbols as they are used in practical industrial applications.

ELT 110
Electricity and Electronics
3 credits
Offered every fall semester
This course is an introductory course into the basic principles of electricity and electronics theory with a heavy emphasis on industrial applications. Students will be introduced to the study of various blueprints, schematics, wiring diagrams and symbols as they are used in practical industrial applications.

ELT 111
DC Electrical Systems
3 credits
Offered every fall semester
This course is an introductory course of direct current theory and systems with a heavy emphasis on industrial applications and setting. Students will be introduced to batteries, DC circuits, electrical test and measuring equipment, various conductors, semiconductors, insulators, as well as developing troubleshooting skills.

ELT 112
AC Electrical Systems
3 credits
Offered every fall semester
This course is an introductory course of Alternating Current (AC) theory and systems with a heavy emphasis on industrial application and settings. The course will introduce the student to transformers, electrical measuring test equipment, single and polyphase motors, motor controls, AC generation, and troubleshooting skills.

ELT 115
Conduits and Raceways
2 credits
Offered every fall semester
This course is an introductory course of conduit installation and bending as well as raceways, with a heavy emphasis on industrial applications and settings. The course will introduce the student to various conduit types and sizes as well as the tools and equipment used to cut, bend, thread, and install electrical conduit. Wire pulling and termination will also be included.

ELT 161
Process Measurement Instrumentation I
3 credits
Offered every spring semester
This course is an introductory course in industrial process measurement and instrumentation. This course will introduce the student to the various industrial processes of pressure, temperature, level, flow, weight, force, position, and analytical measurement. The course also discusses the various instruments used in process measurements.

ELT 162
Process Measurement Instrumentation II
3 credits
Offered every spring semester
Prerequisite: ELT 161
This course supplements concepts studied in ELT 161 and continues to analyze industrial process measurement and instrumentation. The course will allow the student to continue a study of the various industrial processes of pressure, temperature, level, flow, weight, force, position, and analytical measurement.

ELT 171
Process Control Instrumentation
3 credits
Offered every spring semester
Prerequisite: ELT 161 or concurrent enrollment in ELT 161
This course is an introductory course into the basic principles of Process Control Instrumentation. This course examines the various industrial processes and how to control them through the use of electrical, electronic, and pneumatic automatic controllers. Course involves each student in different modes of process controls such as on/off and proportional and integral and derivative modes. It also deals with interfacing process measurement signals to controller inputs and connecting controller outputs to a final control element.

ELT 181
Electronic Components
3 credits
Offered every fall semester
Prerequisite: ELT 112 with a grade of “C” or higher or instructor approval
This course is an introductory course into electronic components that are used in present day electronic devices. This course will delve into semiconductor theory and the manufacture and design of semiconductor components. It will also cover analog as well as digital components not to be limited to the following semiconductor devices: diodes, silicon controlled rectifiers (SCR’s), bipolar junction transistors, field effect transistors (FET’s), operational amplifiers (OP AMP’s), digital logic gates, microprocessors, random access memory (RAM), and read only memory (ROM). The student will also be introduced to common circuits that employ these devices such as oscillators, amplifiers, flip-flops, multivibrators, shift registers, counters, frequency dividers, and microprocessor circuits.

ELT 191
Substation Maintenance
3 credits
Offered every fall semester
Prerequisite: ELT 110, ELT 111 and ELT 112
This course will introduce the student to the various types of electrical power distribution substations employed by many industrial and utility companies. It will also cover substation switching configurations, distribution substation configurations, substation components, switchgear maintenance and testing, circuit breaker fundamentals, maintenance and testing, and storage batteries maintenance and testing. Fundamentals of protective relays and testing are also covered as well as transformer testing and transformer oil and gas testing procedures.
ELT 251
National Electric Code
2 credits
Offered upon request
Prerequisite: ELT 112 or instructor approval
This course will introduce the student to the current National Electric Code (NEC) regulations and standards. The NEC provides regulations and standards pertaining to electrical components and systems including wiring methods, materials, conductors, overcurrent protective devices, branch circuits and feeders, grounding, transformers, services, special locations, and calculations. The purpose of the NEC is the practical safeguarding of persons and property from hazards arising from the use of electricity.

ELT 271
Programmable Logic Controllers
3 credits
Offered every spring semester
Prerequisite: ELT 112 or instructor approval
This course introduces the student to the principles of Programmable Logic Controllers (PLCs). This course emphasizes the applications and implementation of PLCs as used in industrial control settings. It analyzes the interfacing of inputs, outputs, and development of ladder logic control programming. The course will subject the student to elementary, intermediate, and advanced programming functions as commonly used in PLCs.

ELT 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Electronics.

ELT 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Electronics.

EMT 103
Emergency Medical Technician
9 credits
Offered every fall and spring semester
Prerequisite: Admission to Eastern Arizona College’s EMT Program. Introductory course for students to learn skills to recognize and properly treat illness and injury in the pre-hospital setting. Successful completion of the course leads to the opportunity to test for certification by the National Registry of EMT’s and the Arizona Department of Health Services. A total of 12 hours of clinical experience and 12 hours of vehicular experience will be scheduled in the Emergency Department and on the ambulance to provide direct, hands-on experience with a variety of patients.

EMT 110
Emergency Medical Responder
2 credits
Offered upon request
This course is focused on basic life support as performed by a health care provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills.

EMT 122
First Aid and CPR
2 credits
Offered every fall and spring semester
Prerequisite: ELT 298
This course is designed to focus on basic life support as performed by a health care provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills. Identical to HCE 101 and HPE 190.

EMT 161
Emergency Medical Technician Refresher
2 credits
Offered every spring semester
Prerequisite: Current CPR card issued by American Heart Association (Health Care Provider) or American Red Cross (Professional Rescuer). CPR card may be expired within one year as a new AHA BLS card will be issued after completion of the course. Proof of current state or NREMT certification. Expired certification is acceptable as long as it is less than two years expired prior to start of class. Failed attempt on NREMT exam is also acceptable. The prospective student will submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office prior to registration. This course is designed to meet National Registry and Arizona Bureau of EMS (BEMS) recertification requirements for the EMT. Enhances the knowledge base of the Emergency Medical Technician (EMT) and reinforces basic skill competencies. BLS for Healthcare Providers will also be completed during the course and a CPR card issued upon completion.

EMT 170
Vehicular Extrication and Trauma Care
1/2 credit
Offered upon request
This course follows the American Heart Association guidelines for knowledge and skill in cardiopulmonary resuscitation and AED at the healthcare provider level. Learning focuses on the skills involved in helping an individual with airway obstruction, respiratory arrest, and/or cardiac arrest.

EMT 180
EMS Instructional Strategies
2 credits
Offered every fall semester
Prerequisite: Instructor approval
This course is conducted in cooperation with the Arizona Department of Health Services, Bureau of Emergency Medical Services (EMS). It follows National Emergency Medical Services Education Standards (NEMSES) set forth by the National Highway and Traffic Safety Administration (NHTSA). It is designed to prepare and make eligible the participant for approval as an EMT instructor in the State of Arizona.

EMT 200
Paramedic Prep Course
2 credits
Offered upon request
Prerequisite: Proof of current NREMT or Arizona EMT certification and current BLS CPR healthcare provider card
Prepares the EMT to begin paramedic training. Covers review of EMT knowledge, human anatomy and physiology, math calculation and EKG interpretation. Designed to prepare students to pass paramedic entrance exams and to improve their success in paramedic school.

EMT 210
Paramedic I
12 credits
Offered upon request
Prerequisite: Admission to Eastern Arizona College’s Paramedic Program. HCE 112 and BIO 160 or BIO 201 and BIO 202 with a grade of “C” or higher. Concurrent enrollment in EMT 219 and EMT 220. The Paramedic Training Program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). Continuous enrollment in EMT 210, 212, and 214 is the study of emergency medical care and evaluation and treatment of injuries. The program focuses on both technical and practical knowledge while providing in-depth skills training to evaluate and treat a wide variety of both medical and trauma emergencies in the prehospital setting. Progression of learning includes didactic/laboratory integrated with or followed by additional clinical/field experience. Student will be responsible to pay an additional fee for Fisdap as part of the course fees.

EMT 219
Trend Analysis
1/2 credit
Offered upon request
This course is conducted in cooperation with the Arizona Department of Health Services, Bureau of Emergency Medical Services (EMS). It follows National Emergency Medical Services Education Standards (NEMSES) set forth by the National Highway and Traffic Safety Administration (NHTSA). It is designed to prepare and make eligible the participant for approval as an EMT instructor in the State of Arizona.
EGR 214
Programmable Gate Arrays and VHDL
3 credits
Offered every spring semester
Prerequisite: MAT 120 with a grade of "C" or higher or placement test score as established by District policy
This course is designed to satisfy lower division requirements for electrical and computer engineering. Students will learn number systems, coding of information, Boolean algebra, combinational and sequential logic circuit design, and an introduction to logic design using Field Programmable Gate Arrays and VHDL.

EGR 220
Advanced Cardiovascular Life Support
1 credit
Offered upon request
This course is designed to provide core information necessary to prepare students for the American Heart Association's ACLS Provider course. The content is focused on the key concepts of advanced cardiac life support including ethical considerations in cardiac resuscitation. The student should have ECG interpretation skills and a current BLS/CPR card.

EGR 221
Pediatric Advanced Life Support
1 credit
Offered upon request
This course is designed to provide guidance to prehospital care providers in the management of pediatric emergencies. The content is focused on advanced life support care for children in emergency situations and operation of transfer to a facility that can offer definitive care.

EGR 222
Trauma Patient Management
1 credit
Offered upon request
With its comprehensive approach to core knowledge and skills, this course is appropriate for all levels of EMS personnel - from EMT and first responders to advanced EMTs, paramedics, trauma nurses, and physicians. Trauma course for the student who aspires to become certified in International Trauma Life Support (ITLS). This course includes classroom instruction, and hands-on skills training, and testing for ITLS Basic or Advanced certification. Innovative skills stations let you practice the abilities appropriate for your level of certification: patient assessment and management, basic and advanced airway management, spinal motion restriction - rapid extrication, short backboard, helmet management, long roll and long backboard/scout stretcher utilization, extremity immobilization and traction splint application, needle chest decompression and fluid resuscitation (for advanced certification).

EGR 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Emergency Medical Technology.

EGR 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Emergency Medical Technology.

EGR 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ENGINEERING

EGR 102 Engineering Introduction to Engineering
4 credits
Offered every fall and spring semester
Prerequisite: MAT 120 or higher with a grade of "C" or higher or placement test score as established by District policy
Engineering design, effective team participation, and development. Students are expected to participate in hands-on design projects, develop education/career plans and initiate development of the personal and management skills necessary for lifelong learning.

EGR 130 C Programming I
3 credits
GE category: AAS degree only
Offered upon request
A comprehensive introduction to the C language: preparation and writing of programs using C, using current programming techniques. A prior programming language is helpful. For engineering majors. Identical to CMP 130.
**Course Descriptions**

**EGR 215**
Engineering Mechanics II - Dynamics
3 credits
Offered every fall semester
Prerequisite: EGR 214 with a grade of "C" or higher
Dynamics is the second of two sophomore level courses dealing with engineering mechanics. This class builds on the concepts learned in the first course (Statics) and looks at bodies which are not in equilibrium. A study of the kinematics and kinetics of particle and rigid body motion. Concepts covered include: force and acceleration, work and energy, and impulse and momentum.

**EGR 220**
Circuits I
4 credits
Offered every spring semester
Prerequisite: MAT 260 with a grade of "C" or higher, or concurrent enrollment in MAT 260
This course covers the basic principles of both direct current and alternating current electric circuits. Topics include Kirchoff's Laws, simple resistive circuits, node and mesh equations, operational amplifiers, inductors and capacitors and the first and second order circuits involving them, phasors, and transformers.

**EGR 233**
Mechanics of Materials
3 credits
Offered upon request
Prerequisite: EGR 214 or higher with a grade of "C" or higher
Students will learn the fundamental concepts of stresses and strains, deformations and displacements, elasticity and inelasticity, strain energy, and load carrying capacity. Students will also analyze and design structural members subjected to tension, compression, tension, and bending.

**EGR 250**
Plane Surveying
3 credits
Offered every spring semester
Prerequisite: MAT 181 with a grade of "C" or higher or MAT 187 with a grade of "C" or higher or instructor approval
This course provides an introduction to plane surveying. Students learn principles and practices of general surveying, chaining, leveling, stadia, and extensive field work using a variety of industry-standard instruments and techniques.

**EGR 255**
Thermodynamics
3 credits
Offered upon request
Prerequisite: Prior or concurrent enrollment in MAT 220 required
Thermodynamics is a basic science that deals with energy and energy changes. This course covers the basic principles of Thermodynamics and presents real-world applications and problems so that students can gain an understanding of physical and chemical changes that are influenced by the energy of systems.

**EGR 296A**
Mineral Resource Engineering Seminar
1 credit
Offered upon request
This professional seminar provides a first opportunity for undergraduate students to examine and discuss topics in mineral resource engineering. The course features industry speakers describing current challenges and technology innovations in the broad area of mineral resources. Students develop skills in information retrieval, technical writing, and verbal presentation. Appreciation of sustainable development and the technical needs of the Mine of the Future are developed.

**EGR 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Engineering.

**EGR 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

**ENG 054**
Basic Writing Skills Lab
1 credit
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Concurrent enrollment in ENG 055 required
Practice in grammar, mechanics, and usage to develop clear and effective writing. Lab is self-paced, focusing on individual needs.

**ENG 055**
Basic Writing Skills
3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: Placement testing or equivalent and concurrent enrollment in ENG 054 required
Individual and group instruction in basic writing skills.

**ENG 089**
Reading Improvement Lab I
1 credit
Developmental course - does not count for graduation credit
Offered upon request
An open entry/open exit developmental course for students who wish to improve vocabulary, comprehension, and critical reading skills. Lab is self-paced, focusing on individual needs. Recommended for students at the tenth grade or higher reading level.

**ENG 090**
Reading Improvement Lab II
1 credit
Developmental course - does not count for graduation credit
Offered every fall semester
Prerequisite: Placement testing or equivalent and concurrent enrollment in ENG 090 required
This professional seminar provides a first opportunity for undergraduate students to examine and discuss topics in mineral resource engineering. The course features industry speakers describing current challenges and technology innovations in the broad area of mineral resources. Students develop skills in information retrieval, technical writing, and verbal presentation. Appreciation of sustainable development and the technical needs of the Mine of the Future are developed.

**ENG 091**
Reading Improvement II
3 credits
Developmental course - does not count for graduation credit
Offered every fall semester
Prerequisite: Placement testing or equivalent and concurrent enrollment in ENG 091 required
This course covers the basic principles of Thermodynamics and presents real-world applications and problems so that students can gain an understanding of physical and chemical changes that are influenced by the energy of systems.

**ENG 099**
Writing Fundamentals Lab
1 credit
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Practice in grammar, mechanics, and usage to develop clear and effective writing. Lab is self-paced, focusing on individual needs.

**ENG 100**
Writing Fundamentals
3 credits
GE category: AAS degree only
Offered every fall and spring semester
Prerequisite: ENG 055 with a grade of "C" or higher or placement test score as established by District policy and concurrent enrollment in ENG 099 required
Practice in reading and writing sentences, paragraphs, and short essays; intensive review of basic grammar.

**ENG 101 SUN ENG 101**
Written Communications I
3 credits
GE category: Composition
Offered every fall and spring semester
Prerequisite: ENG 100 with a grade of "C" or higher or writing placement test score as established by District policy and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher
Emphasizes clear and effective writing and critical reading. Students generate a minimum of 7,000 words including revisions throughout the semester. Students with borderline placement scores will benefit from taking the English lab (ENG 110 - Written Communications I Lab) that is designed to accompany ENG 101.

**ENG 102 SUN ENG 102**
Written Communications II
3 credits
GE category: Composition
Offered every fall and spring semester
Prerequisite: ENG 101 with a grade of "C" or higher and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher
Continues development of skills and concepts taught in ENG 101. Emphasizes research and critical reading and writing. Students generate a minimum of 7,000 words including revisions throughout the semester.

**ENG 110**
Written Communications I Lab
1 credit
Offered every fall and spring semester
A self-paced, open entry/open exit course. One-on-one support for students in ENG 101, emphasizing the processes and skills required for effective narrative, analytic, and source-based writing. In addition, practice in punctuation, grammar, and stylistic concerns as needed on an individual basis.
ENG 111
Written Communications II Lab
1 credit
Offered every fall and spring semester
A self-paced, open entry/open exit course.
One-on-one support for students in ENG 102, emphasizing the processes and skills required for effective literary analysis and source-based writing, including focus on MLA documentation and avoiding plagiarism. In addition, practice in punctuation, grammar, and stylistic concerns as needed on an individual basis.

ENG 113
College Reading
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: ENG 091 with a grade of "C" or higher or placement test score as established by District policy
Emphasizes mastery and application of critical reading strategies for college level texts. Completion meets AA, ABus, AGS, and AS graduation reading requirements.

ENG 131
Introduction to Creative Writing
3 credits
Offered spring semester in even-numbered years
Activity/Personal Enrichment

Offered every fall and spring semester
Activity/Personal Enrichment
This course teaches the principles of machining and metal cutting using modern machine tools, hand tools, and precision measuring tools. Students will learn to use all of the five basic machine tools, lathe, milling machine, drilling machines, shaper, and precision grinders.

MSP 102 Materials of Industry
3 credits
Offered every fall semester
This is a study of metals, ceramics, polymers and other commonly used industrial materials. This course explores the extraction, processing, refinement and utilization of a wide variety of industrial materials.

MSP 104 Machine Shop
4 credits
Offered every fall semester
This course directly the student in the use of five basic machine tools: drilling machines, lathe, milling machine, shaper, and precision grinders. Students will learn to use precision measuring instruments and layout equipment and to machine projects to print dimensions.

MSP 108 Introduction to Oxyacetylene Welding and Metal Fabrication
3 credits
Offered upon request
A basic welding and metal fabrication course which stresses theory and application in welding methods including oxyacetylene welding, brazing, cutting, and soldering. Instruction is also given on sheet metal layout and construction. Identical to WLD 108.

MSP 115 Blacksmithing and Fabricating
2 credits
Offered upon request
Activity/Personal Enrichment
This is a course in forging, casting, welding, brazing, hot metal forming, heat-treating and layout, and design of metal parts and projects. Students will learn how to perform the tasks required for metal fabricating for the production of completed metal projects.

MSP 250 Advanced Machine Shop II
3 credits
Offered every fall semester
Prerequisite: MSP 240
This course promotes advanced skill development in the machine shop along with technical theory of machine tool operations. Projects consist of computer numerical control machining and complex machine tool processes.

MSP 260 Pattern Making and Foundry
2 credits
Offered upon request
This course covers the technology of sand casting for part production and the creation of artistic pieces. It includes industrial pattern making techniques and foundry methods.

MSP 270 Advanced Machine Shop III
3 credits
Offered every spring semester
Prerequisite: MSP 101 or MSP 104
A study of the methods of programming computerized numerical controlled machine tools, including continuous path contour planning, use of computer aided manufacturing, software, operating, editing programs and communicating with CNC machines. Using CNC machine tools to produce parts programmed from blueprint specifications.

MSP 297 Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Machine Shop.

MSP 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Machine Shop.

MSP 299 Independent Study
1 to 4 credits
Offered upon request
Activity/Personal Enrichment
Research, design and execution of original projects under faculty supervision.
MATHEMATICS

MAT 055
Basic Math
4 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
A basic course in mathematics. Topics include operations with whole numbers, integers, fractions, and decimal numbers, ratio, proportion, and percent. Additional topics include U.S. customary and metric measurement systems, and geometry.

MAT 077
Elementary Algebra
4 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: Placement test score as established by District policy
An introduction to Algebra. Topics include algebraic expressions, linear equations and inequalities, graphing, exponents, polynomials, factoring, and systems of equations.

MAT 100
Applied Mathematics
4 credits
GE category: AAS degree only
Offered every fall and spring semester
A survey of mathematical concepts including operations with numbers and fundamental algebraic operations, measurement, geometry, right-triangle trigonometry, and statistical measures of center.

MAT 120
Intermediate Algebra
4 credits
GE category: AAS degree only
Offered every fall and spring semester
Prerequisite: MAT 077 with a grade of “C” or higher or placement test score as established by District policy
A continuation of Elementary Algebra. Topics include functions, inequalities, equations, systems of equations, polynomials, and rational expressions and functions.

MAT 140
College Mathematics
3 credits
GE category: Mathematics
Offered every fall and semester
Prerequisite: MAT 077 or higher with a grade of “C” or higher or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or placement test score as established by District policy
Applications of mathematics to real life problems. Quantitative methods including probability, statistics, geometry, algebra, and exponential functions will be used to analyze concepts and applications from business, social sciences, the physical sciences, and the mathematics of finance. Recommend completion of at least two years of high school algebra. Appropriate for students whose major does not require College Algebra or Precalculus.

MAT 154
Prentice Hall College Mathematics: A Survey of Mathematics
4 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 120 with a grade of “C” or higher or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or placement test score as established by District policy
A first course to prepare students for calculus. Topics include functions, graphs, equations, logarithms, systems with matrices. Optional topics may include conic sections, sequences, and series.

MAT 156
Principles of Mathematics I
3 credits
Offered every fall and spring semester
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy
Mathematical principles and processes underlying mathematics instruction in grades K-8; problem solving, number theory, systems of whole numbers, integers, rational numbers, real numbers, ratios, decimals, and percents.

MAT 157
Principles of Mathematics II
3 credits
Offered every fall and spring semester
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy
Mathematical principles and processes underlying current and evolving programs of mathematics instruction in elementary schools, grades K-8; real numbers, geometry and measurement, statistics and probability.

MAT 160
Introduction to Statistics
3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or placement test score as established by District policy
Applications of statistical methods as applied to collecting, tabulating, analyzing, presenting, and interpreting data. Topics covered include frequency distributions, measures of central tendency, measures of dispersion, elementary probability theory, estimation, hypothesis testing, regression and correlation. A basic course for students in business, behavioral and social sciences. Identical to PSY 220.

MAT 171
Intermediate Algebra
3 credits
GE category: Mathematics
Offered every spring semester
Prerequisite: MAT 187 with a grade of “C” or higher or concurrent enrollment in ENG 091
A continuation of MAT 110. Designed to meet a variety of needs of students in business, behavioral and social sciences. Topics include operations with numbers and fundamental algebraic operations, measurement, geometry, right-triangle trigonometry, and statistical measures of center.

MAT 210
Elements of Calculus
4 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 154 with a grade of “C” or higher or placement test score as established by District policy
Differential and integral calculus of elementary functions with applications to business, economics, and the social sciences. Not open to students who have received a grade of “C” or higher in MAT 220.

MAT 220
Calculus I
5 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 181 with a grade of “C” or higher or MAT 187 with a grade of “C” or higher or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Real numbers, limits and continuity for a single real variable. Differentiability and applications of the derivative. Introduction to integral calculus and applications of the integral.

MAT 230
Calculus II
4 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 220 with a grade of “C” or higher
Continuation of MAT 220. Topics include techniques of integration, indefinite integrals, improper integrals, numerical methods, infinite series, conics, and polar coordinates.

MAT 240
Calculus III
4 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 230 with a grade of “C” or higher
Continuation of MAT 220. Vectors, geometry, differentiation, and integration in Euclidean n-space. Line and surface integrals. Theorems of Green, Gaus, and Stokes.

MAT 250
Differential Equations
3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 230 with a grade of “C” or higher
Basic concepts, ordinary differential equations of first order, higher order linear equations, variation of parameters, undetermined coefficients. Systems of equations, series solutions and Laplace transform methods.

MAT 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs of students in Mathematics.
MDC 112 Understanding Scriptwriting  
2 credits  
Offered every fall semester  
This course provides an introduction to scriptwriting for film and video, the role of the script in media production, format and structure of the script, and basic understanding of scriptwriting for fiction and nonfiction.

MDC 125 Video Color Correction  
3 credits  
Offered every spring semester  
This course covers the foundations of color correction used in film. Exploration of professional techniques used in video color correction including teaching the student how to balance color, manipulate light, and set the tone to successfully enhance a film.

MDC 150 Video Production  
3 credits  
Offered upon request  
An overview of the principles and beginning techniques of video production.

MDC 160 Audio Production and Editing  
3 credits  
Offered upon request  
Course provides an introduction to many aspects of digital audio production. Course teaches basic sound system principles, live sound reinforcement techniques, digital audio recording and editing processes.

MDC 166 Audio Engineering  
3 credits  
Offered upon request  
This course offers instruction in the functions, operation, and use of audio mixers and associated equipment for audio recording for advanced audio production. Training includes advanced audio theory, audio mixing techniques, time-code synchronization, MIDI, music editing, album sequencing, commercial audio production, plus understanding and applying audio-effects. Special topics cover audio structure, aesthetics, usage rights, and employment opportunities.

MDC 168 Audio for Studio and Sound Reinforcement  
3 credits  
Offered upon request  
This course offers instruction in the concepts and functions of studio microphones, audio mixers, sound systems, consoles, amplifiers, speakers, and processors. Focus is on studio recording and sound reinforcement for live venues. Special topics cover audio aesthetics, usage rights, and employment opportunities.

MDC 180 Video Editing I  
3 credits  
Offered upon request  
Course work covers current techniques in non-linear video editing. Students will become familiar with use of computer based editing concepts common to the video editing industry. Students will learn how to author and create a DVD of their completed projects. Students will do research comparisons on equipment and software available for video editing.

MDC 191 Media Practicum I  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Designed to provide students with supervised work experience in media communications and to integrate students’ classroom and practical learning opportunities.

MDC 212 Writing the Screenplay  
3 credits  
Offered every fall semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
The emphasis of this course is on telling a visual story. Students are expected to develop and write a short screenplay. This course is a key component for success in other media production classes.

MDC 250 Documentary Video Production  
3 credits  
Offered upon request  
Instruction in documentary video production for television, educational media, and corporate communications. The principles, standards, press rights, and ethics for documentary video production are covered. Students learn the process of producing, shooting, interviewing, and sound recording for video documentaries. Skills include pre-production planning, scheduling, location details, shot lists, and scripting for non-fiction video. Styles/techniques focus on different approaches to documentary production by PBS, BBC, National Geographic, and theatrical information. Special topics cover documentary story structure, aesthetics, usage rights, ethics, libel, and press laws.

MDC 252 Multi-Camera Video Field Production  
3 credits  
Offered upon request  
This course offers instruction in the functions, operation, and use of mobile multi-cameras and associated equipment for live video and event production. Students learn the process of pre-production location planning, venue lighting, directing talent, live switching, graphics, audio mixing, and microphones for live location video performances. Training includes location site surveys and safe organization of the equipment and crew within the constraints of both indoor and outdoor venues. All students are cross-trained in crew assignments, operations, equipment set-up, and leading. Special topics are location operations, safety, and proper securing of video equipment and cables.

MDC 253 Sports Video Production  
3 credits  
Offered upon request  
This course offers instruction in the functions, operation and use of HD broadcast digital cameras, and associated equipment for live sports video production. Training includes shooting on-location at the EAC football stadium and at the EAC gym for live webcasts. Students learn the process of producing, directing, and special camera operations for Sports Video Production. Students produce EAC sports promos, player highlights, and team profiles that are incorporated into the live webcasts. Opportunities include sports commentary and reporting. All students are cross-trained in crew assignments, operations, equipment set-up, and leading. Special topics are location operations, safety, and proper securing of video equipment and cables.

MDC 254 Cinema Style Video Production  
3 credits  
Offered upon request  
This course offers instruction in digital cinema video production and the specialized cameras, lighting, and grip equipment used in cinematic filmmaking. Students learn the art and technique of visual and narrative storytelling. Training covers cinematic shooting styles using natural and available light plus traditional artificial lighting. Fundamental elements focus on the basics of filmmaking: producing, research, story development, directing, cinematography, sound recording, and post-production editing. Special topics explore different cinema genres, structure, aesthetics, and the vision of the director. Special topics are location operations, safety and proper securing of video equipment and cables.
MIN 299
Independent Study
1 to 3 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

MUS 014
Private Strings I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. A private lesson course fee is required.

MUS 020
Elementary Theory
2 credits
Developmental course - does not count for graduation credit
Offered every fall semester
Activity/Personal Enrichment
A one-semester remedial music theory course designed specifically for music majors who need preparation for MUS 105 Theory I as determined by in-class placement tests.

MUS 040
Introduction to Chamber Ensemble
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Study and performance of a wide variety of chamber music repertoire with weekly coaching sessions of string quartets and trios, with piano and in other combinations with other instruments.

MUS 011
Private Voice I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Private instruction in voice. A private lesson course fee is required.

MUS 091
Private Piano I for Non-Music Majors
1 to 3 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Private instruction in piano techniques. A private lesson course fee is required.

MUS 022
Private Strings II for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Private instruction in stringed instruments: violin, viola, violoncello, and viola da gamba. A private lesson course fee is required.

MUS 050
Basic Guitar
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
This course covers the history, style, and development of playing skill on the guitar.

MUS 012

MUS 101
World of Music
3 credits
GE category: Humanities
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Includes all students’ ability to appreciate and enjoy the masterpieces of music of all periods through the study of styles, forms, and composers, attending/concerts, and listening to recordings. Non-technical.

MUS 102
Music Fundamentals
2 credits
Offered every spring semester
Activity/Personal Enrichment
Provides the non-music major with a background in music symbols and notation sufficient to begin work in musical learning. May also introduce some music theory.

MUS 105
Music Theory I
3 credits
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 107 required
Basic theory needed for development of musicianship and musical understanding; scales, keys, rhythm, triads, part-writing, cadences, dominant sevenths, secondary dominants, and simple modulations.

MUS 106
Music Theory II
3 credits
Offered every spring semester
Prerequisite: MUS 105 with a grade of “C” or higher and prior or concurrent enrollment in MUS 108 required
Continuation of MUS 105.

MUS 107
Aural Perception I
1 credit
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 105 required
Sight singing, ear training, and keyboard harmony.

MUS 108
Aural Perception II
1 credit
Offered every spring semester
Prerequisite: Prior or concurrent enrollment in MUS 106 and MUS 107 required
Continuation of MUS 107.

MUS 111
Marching Band I
2 credits
Offered every fall semester
Activity/Personal Enrichment
Teaches basic marching fundamentals. Performs for half-time shows at football games, parades, and reviews music and techniques appropriate to various marching styles. Provides pep band music for the basketball season.

MUS 111B
Marching Percussion I
1 credit
Offered every fall semester
Activity/Personal Enrichment
Study and preparation of percussion music for the marching band. Class is separate from marching band and is required for percussion students from the pit and the battery.
MUS 117  
Class Instruction in Brass I  
1 credit  
Offered every fall semester  
Activity/Personal Enrichment  
Elementary group instruction required of instrumental music majors. Includes skills of teaching brass at the elementary level. Upper brass instruments with emphasis on trumpet and French horn.

MUS 119  
Class Instruction in Woodwinds I  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Includes skills in teaching woodwinds at the elementary level. Single reed instruments with emphasis on flute, clarinet, and saxophone.

MUS 120  
Class Instruction in Woodwinds II  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Includes skills of teaching woodwinds on the elementary level. Covers double reed instruments with emphasis on oboe and bassoon.

MUS 121  
Class Instruction in Percussion I  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Includes skills in teaching percussion at the elementary level. Percussion instruments with emphasis on standard percussion.

MUS 123  
Class Instruction in Strings I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Includes skills of teaching strings on elementary level. Upper stringed instruments with emphasis on violin and viola.

MUS 124  
Class Instruction in Strings II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Includes skills of teaching strings on elementary level. Lower stringed instruments with emphasis on cello and bass.

MUS 125  
Jazz Ensemble I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Studies and performs a wide range of popular and jazz literature to develop musicianship. Auditions will be held.

MUS 126  
Jazz Ensemble II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 125. Auditions will be held.

MUS 127  
Men’s Chorus I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 127.

MUS 128  
Women’s Chorale I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 133.

MUS 129  
Women’s Chorale II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 133. Auditions will be held.

MUS 130  
Women’s Chamber II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 133. Auditions will be held.

MUS 132  
Jazz Ensemble I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Studies and performs a wide range of popular and jazz literature to develop musicianship. Auditions will be held.

MUS 133  
Symphonic Choir I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Includes and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s choruses.

MUS 134  
Symphonic Choir II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 133.

MUS 135  
Vocal Show Ensemble I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Open to men and women. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC’s vocal show ensemble, known as “Company.”

MUS 136  
A Cappella Choir I  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 133. Auditions will be held.

MUS 137  
A Cappella Choir II  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 133. Auditions will be held.

MUS 138  
Vocal Show Ensemble II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 133. Auditions will be held.

MUS 139  
Symphonic Band I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of mallet music repertoire.

MUS 140  
Symphonic Band II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Open for membership without audition to students from any major field of study as well as faculty and community members. This ensemble is also an outstanding forum for music majors to refine skills on primary or secondary instruments. Required for instrumental music majors.

MUS 141  
Chamber Ensemble II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 140. Auditions will be held.

MUS 142  
Symphonic Band I  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Continuation of MUS 142.

MUS 143  
Symphonic Band II  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of mallet music repertoire.

MUS 144  
Mallet Ensemble I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Open for membership without audition to students from any major field of study as well as faculty and community members. This ensemble is also an outstanding forum for music majors to refine skills on primary or secondary instruments. Required for instrumental music majors.

MUS 145  
Mallet Ensemble II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Open for membership without audition to students from any major field of study as well as faculty and community members. This ensemble is also an outstanding forum for music majors to refine skills on primary or secondary instruments. Required for instrumental music majors.

MUS 146  
Mallet Ensemble II  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of mallet music repertoire.

MUS 151  
Symphony Orchestra I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Studies and performs a wide selection of symphonic literature. Orchestra prepares concerts for public performances and provides accompaniment for music performances. Auditions will be held.

MUS 152  
Symphony Orchestra II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 151. Auditions will be held.

MUS 153  
Beginning Guitar  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Covers the history, style, and development of playing skill on the guitar.
**MUS 155**
Class Piano I for Music Majors  
1 credit  
Offered every fall semester  
Activity/Personal Enrichment  
Continuation of MUS 154. Fundamentals of piano for the music major. The course will encourage improvement of certain, defined piano skills to enhance performance and musicianship.

**MUS 156**
Class Piano II for Music Majors  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 155. Fundamentals of piano for the music major. The course will encourage improvement of certain, defined piano skills to enhance performance and musicianship.

**MUS 157**
Chamber Orchestra I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
This course is dedicated to providing musical and educational opportunity to study and perform a wide selection of chamber or small orchestra literature. This orchestra prepares concerts for public performances and provides accompaniment for musical theatre performances.

**MUS 158**
Chamber Orchestra II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 157. Offered every fall semester.

**MUS 161**
Private Voice II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction on the piano. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 012, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

**MUS 162**
Private Voice III  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 161. A private lesson course fee is required.

**MUS 163**
Jazz Theory and Improvisation I  
1 credit  
Offered upon request  
A basic course in the study of jazz improvisation. Specifically the study of blues scales and ii / V / I progressions are included within the curriculum. The student will synthesize basic jazz scales into effective jazz solos. Students must play an instrument.

**MUS 164**
Jazz Theory and Improvisation II  
1 credit  
Offered upon request  
A basic course in the study of jazz improvisation. Specifically the study of blues scales and ii / V / I progressions are included within the curriculum. The student will synthesize basic jazz scales into effective jazz solos. Students must play an instrument.

**MUS 165**
Class Piano for Non-Music Majors  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Class instruction of piano keyboard repertoire, technical skills, and keyboard theory commensurate with student’s level of achievement. May be taken four times for credit.

**MUS 166**
Private Piano II  
1 credit  
Offered upon request  
Activity/Personal Enrichment

Students will be introduced to OSHA policies, procedures and standards as well as general industry safety and health principles covered in OSHA Act Part 1910. All OSHA standards will be followed. Upon successful completion of the course, participants will receive an OSHA general industry safety and health 10-hour course completion card from the Department of Labor.

TEC 133   Safety Practices for Industry
1 credit
Offered every fall semester
This course provides a comprehensive study related to hazards and safety practice and procedures within a technical shop environment. The focus of this course is to instill key concepts related to keeping workers and students safe before they enter the workplace. Topics will include proper hazardous material handling and documentation, Material Safety Data sheets, power tool safety, personal protective equipment, first aid, fire prevention, electrical dangers, lockout/tagout, and ways to avoid workplace injury.

TEC 150   Heavy Equipment Operation I
6 credits
Offered upon request
Offered in Gila County only
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results for drugs; Must have successfully completed either OSHA 10 or MSHA Training. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.
This course is an introduction to the use of heavy equipment with emphasis on safety, preventive maintenance, and grade stake interpretation.

TEC 151   Heavy Equipment Operation II
6 credits
Offered upon request
Offered in Gila County only
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results for drugs; Must have successfully completed either OSHA 10 or MSHA Training. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.
This course is designed to introduce the trainee to the basic concepts and procedures related to using heavy equipment to perform earthwork. The course identifies the most appropriate types of equipment for specific jobs and describes the basic operations of the equipment.

TEC 155   Commercial Driver License Endorsement
Class B
5 credits
Offered upon request
Offered in Gila County only
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results; Physically qualified as outlined by Arizona Department of Transportation; Must have social security card; Must present proof that there have been no DUI convictions for the past five years; Must present proof of satisfactory driving record with no more than three moving violations during the past three years. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.
This course is a comprehensive study of basic theories, applied laws, and practices related to driving a Class B commercial vehicle. The student who successfully completes this course will receive a CDL Class B Learner’s Permit. This course does not include the Hazardous Materials Endorsement.

TEC 171   Renewable Energy Technology
2 credits
Offered every fall semester
This course provides an introduction to renewable and alternative energy technology. Students will learn the following aspects of renewable energy: history, conservation, climate change, passive and active solar systems, wind, wind energy, micro-hydro electricity, and bio-fuels.

TEC 172   Photovoltaic Design and Application
2 credits
Offered upon request
This course provides an introduction into the science of active solar energy, converting sunlight into electricity. Students will learn the following aspects of photovoltaic energy: history, basic electricity, solar energy, conversion factors, wiring, site design, installation, and maintenance.

TEC 173   Passive Solar Design and Application
2 credits
Offered upon request
This course provides an introduction into the technology and application of passive solar energy as a renewable and energy efficient form of construction. Students will learn the following aspects of passive solar energy providing heating and cooling: types of solar collectors, water system components, space heating systems, site and siting criteria, installation procedures, operation and maintenance.

TEC 174   Wind Turbine Design and Application
2 credits
Offered upon request
This course provides an introduction into the science of small wind turbine derived energy, converting wind into electricity. Students will learn the following aspects of small wind turbine energy: history, basic electricity, climate and weather energy, conversion factors, wiring, site analysis, site design, installation, and maintenance. Small wind turbines have <100kw generation capacity.

TEC 175   Introduction to Weatherization
1 credit
Offered upon request
This course prepares students to assess and implement weatherization tactics in order to protect buildings or homes and its interior from the elements.
TEC 176  
**Building Energy Analyst Training**  
5 credits  
Offered upon request  
This course prepares student to test for Building Performance Institute (BPI) Building Analyst Certification.

TEC 191  
**Industry Internship I**  
1 to 4 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: Instructor approval

Eastern Arizona College offers industry internship courses for students who have selected a specific career objective in an industrial-technical field. Designed to give students the opportunity to learn through supervised work experiences, the courses integrate students’ educational activities with on-the-job learning opportunities. Meetings with the Coordinator are designed to assist students in identifying activities (competencies they will complete on the job), learning job survival and improvement skills, and developing effective human relations and communications skills.

TEC 260  
**Technical Report Writing**  
3 credits  
GE category: AAS degree only  
Offered every spring semester  
Prerequisite: ENG 100 or ENG 101  
Drafting and revising memos, letters, résumés, proposals, and interpretive reports. Equivalent to ENG 260.

TEC 297  
**Workshop**  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Technical Education.

TEC 298  
**Workshop**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Technical Education.

TEC 299  
**Independent Study**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

THEATRE AND CINEMATIC ARTS

THC 103  
**Introduction to Motion Pictures**  
2 credits  
Offered upon request  
Activity/Personal Enrichment

Offered every fall and spring semester  
Prerequisite: Instructor approval  
This course is designed to familiarize students with the technical aspects of the motion picture industry. Emphasis will be placed on the application of targeted performance theory, the implementation of effective acting practices in rehearsal, and the development of well-crafted theatrical productions. Participation in performances and minimal rehearsals held outside of the scheduled class time is required. Performance topics will vary by semester.

THC 140  
**Costume Construction**  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: THC 141  
This course is designed to familiarize students with the technical aspects of the motion picture industry. Emphasis will be placed on the application of targeted performance theory, the implementation of effective acting practices in rehearsal, and the development of well-crafted theatrical productions. Participation in performances and minimal rehearsals held outside of the scheduled class time is required. Performance topics will vary by semester.

THC 141  
**Introduction to Costume Design**  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: THC 140 with a grade of "C" or higher  
Students will explore the design process, costume silhouette and detail, and scripts and character analysis within the context of historical theatrical costumes.

THC 160  
**Repertory Acting Company I**  
1 to 3 credits  
Offered every fall and spring semester  
Prerequisite: THC 160  
Continuation of THC 160.

THC 170  
**Introduction to Stage Lighting**  
3 credits  
Offered every fall semester  
Prerequisite: Instructor approval  
This course is designed to familiarize students with the technical aspects of the motion picture industry. Emphasis will be placed on the application of targeted performance theory, the implementation of effective acting practices in rehearsal, and the development of well-crafted theatrical productions. Participation in performances and minimal rehearsals held outside of the scheduled class time is required. Performance topics will vary by semester.

THC 171  
**Stage Combat**  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Introduction to the fundamentals of stage combat: how to conduct fights, duels and other altercations on stage that appear realistic to the audience, but are, in fact, safe for the participants.
Principles of Dramatic Structure
3 credits
Offered every spring semester
Prerequisite: THC 105 or instructor approval
This course focuses on the fundamental analysis, interpretation, and evaluation of dramatic literature for theatrical production. Emphasis will be placed on creatively investigating the structure, style, themes, plot, characters, language, and context of assigned plays from different genres and eras. Assigned readings and attendance at selected play productions will be required.

Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of THC 220. This class is a special opportunity available to students who seek to create with their fellows the "delicate illusionary reality that we call the theatre." The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

Stage Makeup
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
To teach and give experiences in basic design and application of stage makeup, based on character analysis of an individually-chosen character from a play, movie, or piece of literature.

Stagecraft
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Stagecraft will introduce to the student a practical approach to the technical and production aspects of musical theatre and drama. Students will use a variety of techniques as they learn scenic artistry and develop the skills needed to construct scenery, hang and focus lighting instruments, and implement a sound system for effects and reinforcement. In conjunction with the Music and Drama Departments, students will take an active role in each of the major productions.

Introduction to Scene Design
3 credits
Offered every fall and spring semester
Prerequisite: THC 231 or instructor approval
Basic principles of scene design including script analysis, design elements, model building, rendering techniques, and design project.

Repertory Acting Company III
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: THC 161
Continuation of THC 161.

Repertory Acting Company IV
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: THC 260
Continuation of THC 260.

Acting Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Study and command of techniques of acting, analytical studies of visual aspects of characterization together with the actor’s relationship to the stage and all parts of play production, training in pose, movement, pantomime, interpretation of lines, and in theatre and drama appreciation. Opportunity for experience in college productions.

Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Theatre and Cinematic Arts.

Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

Welding
2 to 3 credits
Offered every fall and spring semester
This course teaches principles of arc and oxyacetylene welding, flame cutting, and brazing with emphasis on mastering basic welding techniques.

Welding and Metal Fabrication
3 credits
Offered every fall semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This basic welding and metal fabrication course will stress theory and application of fundamental welding and soldering methods. These methods include torch welding along with brazing, soldering, heating, and cutting. Student will be exposed to stick Arc and MIG (metal inert gas) welding. Instruction is also given on sheet metal layout and construction of a small project. This course also provides an introduction to using a numerical controlled plasma cutter to fabricate a project uploaded from a CAM (computer aided machining) program. An additional nonrefundable welding course fee is required.

Welding
3 credits
Offered every spring semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This course covers the safe and efficient use of welding tools and techniques to repair and maintain industrial machinery. The course emphasizes the fabrication of guards and brackets, welding of dissimilar metals, structural welding, out-of-position welding, MIG welding, SAW welding, air arc welding, various grinding and cutting tools, shears, breaks, and rollers.

Pipe Welding
3 credits
Offered every spring semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This course provides skill development in advanced arc welding techniques in all positions. In this course students will use TIG, GMAW, plasma and flame cutting equipment. This course places an emphasis on preparing the student to take the AWS welding certification test.

Flux Cored Arc and Gas Metal Arc Welding
3 credits
Offered every spring semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This course teaches flux cored arc welding (FCAW) and gas metal arc welding (GMAW) principles and techniques. Course includes metal preparation processes, equipment set-up, and welding techniques related to different metal types and welding positions. This course helps prepare students for American Welding Society (AWS) entry-level certifications.

Technical Welding
3 credits
Offered every spring semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This course teaches welding processes as used in modern industry. Course provides instruction in and experience with all major welding processes with emphasis on proper welding techniques to ensure students understand industry requirements. This course places an emphasis on preparing the student to take the AWS welding certification test.
WLD 290
Welding Certification
1/2 to 1 credit
Offered every spring semester
Activity/Personal Enrichment
Prerequisite: WLD 260 or WLD 270 or concurrent enrollment in WLD 260 or WLD 270 or instructor approval
This course prepares students for American Welding Society (AWS) certification or other welding certifications. This course relies on previous welding courses or industry experience for skill development. An additional fee (approximately $75) is required for students who would like their official weld coupon inspected by a Certified Welding Inspector (CWI). Students will be required to pay for the inspection directly to the vendor and must be willing to have their official weld coupon inspected and approved by the course instructor prior to the inspection by a CWI.

WLD 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Welding Technology.

WLD 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Welding Technology.

WLD 299
Independent Study
1 to 4 credits
Offered upon request
Activity/Personal Enrichment
Research, design and execution of original projects under faculty supervision.
ACCOMMODATION FOR STUDENTS WITH DISABILITIES

Eastern Arizona College will provide students with disabilities, who meet eligibility requirements, reasonable and appropriate accommodations to participate in the educational experiences offered by the College. Services may include tutorial assistance, readers, signers, note taking assistance, Braille or taped text, electronic formatted materials, accessibility provisions, modifications to classrooms and other facilities, modifications to testing procedures, and other accommodations determined to be appropriate.

Students seeking an accommodation should contact the Counseling Office at Eastern Arizona College, 615 North Stadium Avenue, Thatcher, Arizona 85552, telephone (928) 428-8425, to specify the nature of the accommodation requested. The college will respond to specific student requests for accommodation or auxiliary aids and services in a prompt and reasonable fashion. It is the responsibility of the student to inform the College at the address or by telephone specified above of his/her acceptance of an accommodation plan and to schedule a meeting with staff to begin implementation of a plan.

Reasonable accommodation shall not be construed as a guarantee of student success. Rather, reasonable accommodation provides the opportunity to participate. Reasonable accommodation is not in any way intended to devalue the end educational product.

ACADEMIC ADJUSTMENTS AND REASONABLE ACCOMMODATIONS FOR STUDENTS WITH COGNITIVE DEVELOPMENT DISORDERS

Students requesting an accommodation to address cognitive development disorders must:

1. Have been admitted to Eastern Arizona College,
2. Provide Eastern Arizona College with psycho-educational, psychological, psychiatric, or other appropriate diagnostic evaluation(s), as requested, to document the nature and extent of the disability. This documentation must:
   a. Include a psychoeducational evaluation that has been accomplished within the parameters of the diagnostic criteria established by the Diagnostic and Statistical Manual of Mental Disorders-IV, hereinafter referred to as the DSM-IV, and
   b. Include evidence that the evaluator has the appropriate qualifications and credentials for her/him to offer a diagnostic determination within the parameters of the diagnostic criteria for Cognitive Development Disorders established by the DSM-IV, and
   c. Be on file in the student’s permanent record before the student receives accommodation services.

ACADEMIC ADJUSTMENTS AND REASONABLE ACCOMMODATIONS FOR STUDENTS WITH OTHER DISABILITIES

Students requesting an accommodation to provide an academic adjustment or barrier free access must:

1. Have been admitted to Eastern Arizona College,
2. Provide Eastern Arizona College with an evaluation or medical information certifying the disability, and
3. Include evidence that the evaluator has the professional credentials and or specialized training, which qualifies her/him to offer a diagnostic determination.

FACILITIES

Eastern Arizona College takes pride in having clean, safe, and up-to-date classrooms, laboratories, and performance areas. Specific inquiries about facilities should be addressed to the Admissions Office.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords you certain rights with respect to your education records. They are:

1. The right to inspect and review your education records within 45 days of the day the College receives a request for access. Submit to the registrar, dean, head of the academic division or department, or other appropriate official, a written request that identifies the record(s) you wish to inspect. The College official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise you of the correct official to whom your request should be addressed.

2. The right to request the amendment of your education records that you believe are inaccurate or misleading. You may ask the College to amend a record that you believe is inaccurate or misleading. You should write the College official responsible for the record, clearly identifying the part of the record you want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as you request, the College will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when you are notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, or research, or support staff position (including law enforcement unit personnel; a person or company with whom the College has contracted such as an attorney, auditor, or collection agent; a person serving on the Governing Board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC, 20202-4605

The College hereby designates the following categories of student information as public or “Directory Information.” Such information may be disclosed by the institution for any purpose, at its discretion.

- Category I: Name, address, telephone number, email address, dates of attendance, class, and picture.
- Category II: Previous institutions attended, major fields of study, awards, honors (includes Dean’s List), degrees conferred (including dates).
- Category III: Past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), date and place of birth.

You may withhold disclosure of any category of information under the Family Educational Rights and Privacy Act of 1974, as amended. To withhold disclosure, written notification must be received in the Records and Registration Office prior to the last day of registration as stated in the College Catalog. Forms requesting the withholding of Directory Information are available in the Records and Registration Office. The College assumes that the failure of any student to specifically request the withholding of categories of “Directory Information” indicates individual approval for disclosure.

Parents or guardians may have access to the education records of a dependent student defined in the Internal Revenue Code of 1954, Section 152, as evidenced by a notarized affidavit stating that the student is a dependent for income tax purposes, or other documentation as may be separately approved by the registrar, on a case-by-case basis.

A Directory of Records which lists all education records maintained on students by the College is available at the Records and Registration Office. Questions concerning the Family Educational Rights and Privacy Act may be referred to that office.

NOTIFICATION OF OCCUPATIONAL OPPORTUNITIES

Graham County Community College District informs students, parents, employees and the general public that we provide an equal opportunity occupational education program. All courses, services and activities are offered without regard to race, creed, color or national origin, sex, disability, or age.

Limited English speaking skills will not be a barrier to admission or participation in occupational educational programs. Admissions to Graham County Community College District must meet the criteria as published in the College Catalog.

PROGRAM TO PREVENT ILLICIT USE OF DRUGS AND ABUSE OF ALCOHOL BY EMPLOYEES AND STUDENTS

I. Introduction and Purpose

The adoption by Congress of the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) requires federal contractors and grantees to certify that they will provide a drug-free school. As a recipient of federal grants, the District must adopt a program toward accomplishing this goal. While federal legislation has been the impetus for creation of the program, the District recognizes that substance abuse is a problem of national proportions that also affects Eastern Arizona College.
Based upon that concern, it is intended that this program for prevention of alcohol and drug abuse on our campuses will go beyond the strict dictates of the law and will serve as a comprehensive educational and resource tool.

Arizona voters recently approved the Arizona Medical Marijuana Act (Proposition 203), which has legalized the use and possession of medical marijuana by certain individuals. The Act does not allow any person to use or possess marijuana in public. Additionally, it does not require employers to allow any employee to use or possess marijuana at work, nor to be under the influence of marijuana at work. Accordingly, the College will continue to prohibit the use and possession of all controlled substances (including marijuana) by students and employees on College property, and will continue to prohibit employees from working while under the influence of marijuana.

To this end the Graham County Community College District Governing Board has developed policies to:

A. Ensure that the Eastern Arizona College working and learning environment for students, employees and the public is safe, orderly and free of illegal activity.

B. Comply with the Drug Free School and Communities Act of 1989 (PL 101-26), the Drug Free Workplace Act of 1988 (PL 100-690, Title IV, Subtitle D) and other relevant substance abuse laws.

C. Provide students with access to appropriate treatment and rehabilitation assistance for problems associated with substance use or abuse.

REF: GCCCD Policy #4710 and Regulation #4710.01 which specify for employees the standards of conduct and consequences of violation, and Regulation #5800.01 which specifies for students the standards of conduct and consequences of violation in relation to drug and alcohol use.

II. Standards of Conduct

The above referenced policies spelled out in detail in the Eastern Arizona College General Catalog, state clearly that:

A. The manufacture, distribution, dispensing, possession or use of a controlled substance by any person on District property or as part of any of the District’s activities is prohibited.

B. A “controlled substance” is defined as an illegal drug, a legal drug used in excess of recommended dosage, an alcoholic beverage and/or any other mind altering substance. Marijuana, even when employed for a medical use, is considered to be a “controlled substance” under this Section.

C. Employees are prohibited from ingesting any controlled substance at work and from being at work while under the influence of any controlled substance. For the purpose of this Section, the College will not consider an employee who is a “registered qualifying patient” within the meaning of the Arizona Medical Marijuana Act to be under the influence of marijuana solely because of the presence of marijuana metabolites.

III. Sanctions for Violation of Standards of Conduct

Disciplinary actions include, but are not limited to:

A. Termination of Enrollment/Employment within the District,

B. Requirement to participate satisfactorily in a substance abuse assistance or rehabilitation program, or

C. Other enrollment/employment restrictions or stipulations, or combination of enrollment/employment restrictions or stipulations.

IV. Legal Consequences of Alcohol Abuse & Illicit Drugs Use

A. Laws Governing Alcohol

The State of Arizona sets twenty-one as the “legal drinking age.” An underage person who buys, receives, possesses or consumes alcoholic beverages is guilty of a misdemeanor and may be subject to a fine and imprisonment for up to six months. The Uniform Act Regulating Traffic on Highways prohibits driving while under the influence of intoxicating liquor or drugs (DUI). Drivers charged with DUI who refuse to be tested face suspension of their licenses or permits to drive for 12 months. A driver whose test results show a blood or breath alcohol concentration of 0.08 or more will have his/her license or permit to drive suspended or denied for not less than 90 consecutive days. The punishment for DUI ranges from not less than 10 days in jail and a fine of not less than $250 for a first offense to a minimum of 90 days in jail and revocation of the driver’s license for one year upon a second offense.

B. Laws Governing the Use of Drugs

Federal Laws: The Federal Comprehensive Drug Abuse Prevention and Control Act prohibits the possession, sale and trafficking of controlled substances. The Omnibus Drug Act of 1988 allows the following penalties for conviction of possession of illegal drugs: civil fines up to $10,000; forfeiture of cars, boats, or planes conveying the substance; loss of public housing; the loss of all federal benefits including student loans and grants.

Arizona Laws:

a. Title Thirteen, Chapter 34 of the Arizona Revised Statutes lists drug offenses and their penalties. Following is a list of drugs which are frequently misused with a description of the potential penalties attached to a conviction.

i. Marijuana: First offense for possession or use of marijuana in an amount of less than one pound constitutes a Class 6 felony and carries a possible prison term of one and one-half years and a fine of not less than $750. The sale of marijuana in an amount of less than one pound carries a possible prison sentence of four years and a fine of at least $750.

ii. LSD: Possession, use and sale of LSD are felonies carrying sentences from four to five years and fines of not less than $1,000.

iii. Heroin and Cocaine: Use and sale of heroin and cocaine are felonies carrying sentences from four to seven years and a fine of not less than $2,000.

b. Title 36, Chapters 28.1 of the Arizona Revised Statutes codifies the Arizona Medical Marijuana Act, which protects certain individuals from prosecution for the medical use of marijuana. Among other things, the Act:

i. Does not authorize any person to smoke marijuana in any public place.
B. Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described. Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition can also lead to permanent damage to vital organs such as the brain and the liver. Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

VI. Drug or Alcohol Counseling, Treatment, Rehabilitation or Re-entry Programs That are Available to Employees or Students

Eastern Arizona College does not provide direct drug or alcohol counseling, treatment or rehabilitation services. Students or employees with concerns related to the use/abuse of drugs or alcohol are encouraged to meet with a member of the Counseling staff on the Thatcher Campus for confidential consultation and referral. Counseling staff are located in the Student Services Building on Stadium Avenue on the Thatcher Campus. Appointments can be made by calling (928) 428-8253. Arizona State Prison inmates are encouraged to contact the Program Supervisor at their institutions. Inmates at the Federal Correctional Institution (Swift Trail) should contact the FCI Psychology Department. Direct contact with organizations or individuals providing drug or alcohol counseling, treatment or rehabilitation services can be made by students or employees depending on location:

- Graham County, Southeastern Arizona Behavioral Health Services (SEABHS), Safford: (928) 428-4550
- Greenlee County, Southeastern Arizona Behavioral Health Services (SEABHS), Clifton: (928) 865-4531

VII. Confidentiality

This Program is not intended to create obligations or restrictions that may interfere with the confidential nature of counseling, clinical or therapeutic relationships. Confidentiality will be maintained in accordance with state and federal laws, including the Arizonans with Disabilities Act and the Americans with Disabilities Act.

For tuition purposes, your residence is determined according to statutory law (A.R.S. §15-1801 et seq.) and regulations and precedents established previously by the State Community College Board (R7-1-304 and R7-1-305). These are subject to change by statute or State Board regulations.
RESIDENCY

Your residency status must be determined before you register and pay fees. It is your responsibility to register under the correct residency. Your residency status will not change automatically. Proper documentation must be filed with the Records and Registration Office for review and approval before your residency status will be changed. Requests for change in residency status must be made before registration. A change in residency classification will not take effect until the next registration following the change in status. Residency changes are not retroactive.

In determining your residency classification, we may consider all evidence, written or oral, presented by you and any other relevant information received from any other source. We may request a written sworn statement from you.

In addition to documentation for in-state residency status, Arizona residents must also provide evidence of citizenship or legal immigration status in order to be charged in-state tuition as per Proposition 300 which was passed by Arizona voters in 2006. You can find a list of appropriate documentation at www.eac.edu/prop300.

If we classify you as a non-resident for tuition purposes and you disagree, you may request a review by a Residency Review Committee. Your request must be written, signed by you, and accompanied by a sworn statement of all facts relative to the matter. You must file your request for review with the Registrar of the College within ten days of the time you receive notification from us of your classification as a non-resident. If you don’t properly file a request within this ten-day period, you waive review for the current enrollment period. You will receive written notice of the date, time and place of the Residency Review Committee meeting and you have the right to appear and be represented by the advisor of your choice and at your expense. You or your advisor, but not both, may examine and cross-examine witnesses and summarize the evidence. The decision of the Residency Review Committee is final.

In accordance with state regulation we have published below Arizona Revised Statute §15-1802 and the definitions provided in A.R.S. §15-1801.

ARIZONA REVISED STATUTE §15-1801
DEFINITIONS

Armed forces of the United States means the army, the navy, the air force, the marine corps, the coast guard, the commissioned corps of the United States public health services, the national oceanographic and atmospheric administration, the national guard and any military reserve unit of any branch of the armed forces of the United States.

Continuous attendance means enrollment at an educational institution in this state as a full-time student, as such term is defined by the governing body of the educational institution, for a normal academic year since the beginning of the period for which continuous attendance is claimed. Such person need not attend summer sessions or any other intersession beyond the normal academic year in order to maintain continuous attendance.

Domicile means a person’s true, fixed and permanent home and place of habitation. It is the place where he intends to remain and to which he expects to return when he leaves without intending to establish a new domicile elsewhere.

Emancipated person means a person who is neither under a legal duty of service to his parent nor entitled to the support of such parent under the laws of this state.

Parent means a person’s father or mother, or if one parent has custody, that parent, or if there is no surviving parent or the whereabouts of the parents are unknown, then a guardian of an unemancipated person if there are not circumstances indicating that such guardianship was created primarily for the purpose of conferring the status of an in-state student on such unemancipated person.

ARIZONA REVISED STATUTE §15-1802
IN-STATE STUDENT STATUS

1. Except as otherwise provided in this article, no person having a domicile elsewhere than in this state is eligible for classification as an in-state student for tuition purposes.

2. A person is not entitled to classification as an in-state student until the person is domiciled in this state for one year, except that a person whose domicile is in this state is entitled to classification as an in-state student if the person meets one of the following requirements:

   a. The person’s parent’s domicile is in this state and the parent is entitled to claim the person as an exemption for state and federal tax purposes.

   b. The person is an employee of an employer that transferred the person to this state for employment purposes or the person is the spouse of such an employee.

   c. The person is an employee of a school district in this state and is under contract to teach on a full-time basis, or is employed as a full-time uncertified classroom aide at a school within that school district. For purposes of this paragraph, the person is eligible for classification as an in-state student only for courses necessary to complete the requirements for certification by the state board of education to teach in a school district in this state. No member of the person’s family is eligible for classification as an in-state student if the person is eligible for classification as an in-state student pursuant to this paragraph, unless the family member is otherwise eligible for classification as an in-state student pursuant to this section.

   d. The person’s spouse has established domicile in this state for at least one year and has demonstrated intent and financial independence and is entitled to claim the student as an exemption for state and federal tax purposes or the person’s spouse was temporarily out of state for educational purposes, but maintained a domicile in this state. If the person is a noncitizen, the person
must be in an eligible visa status pursuant to federal law to clas-
sify as an in-state student for tuition purposes.
3. The domicile of an unemancipated person is that of the person’s
parent.
4. Any unemancipated person who remains in this state when the
person’s parent, who had been domiciled in this state, removes
from this state is entitled to classification as an in-state student
until attainment of the degree for which currently enrolled, as long
as the person maintains continuous attendance.
5. A person who is a member of the armed forces of the United
States and who is stationed in this state pursuant to military orders
or who is the spouse or a dependent child as defined in section
43-1001 of a person who is a member of the armed forces of the
United States and who is stationed in this state pursuant to military
orders is entitled to classification as an in-state student: A spouse
or a dependent child does not lose in-state classification under this
subsection if the spouse or dependent child qualifies for in-state
tuition classification at the time the spouse or dependent child is
accepted for admission to a community college under the jurisdic-
tion of a community college district governing board or a university
under the jurisdiction of the Arizona Board of Regents. The student,
while in continuous attendance toward the degree for which cur-
rently enrolled, does not lose in-state student classification.
6. A person who is a member of the armed forces of the United
States or the spouse or a dependent as defined in section 43-
1001 of a member of the armed forces of the United States is
entitled to classification as an in-state student if the member of
the armed forces has claimed this state as the person’s state of
legal residence for at least twelve consecutive months before the
member of the armed forces, spouse or dependent enrolls in a
university under the jurisdiction of the Arizona Board of Regents or
a community college under the jurisdiction of a community college
district governing board. For purposes of this subsection, the
requirement that a person be domiciled in this state for one year
before enrollment to qualify for in-state student classification does
not apply.
7. A person who is honorably discharged from the armed forces of
the United States shall be granted immediate classification as an
in-state student on honorable discharge from the armed forces
and, while in continuous attendance toward the degree for which
currently enrolled, does not lose in-state student classification if
the person has met all of the following requirements:
a. Declared Arizona as the person’s legal residence with the person’s branch of service at least one year prior to discharge from the armed forces.
b. Demonstrated objective evidence of intent to be a resident of Arizona which, for the purposes of this section, includes at least one of the following:
   - An Arizona driver license
   - Arizona motor vehicle registration
   - Employment history in Arizona
   - Arizona voter registration
   - Transfer of major banking services to Arizona
   - Change of permanent address on all pertinent records.
   - Other materials of whatever kind or source relevant to domicile or residency status
c. Filed an Arizona income tax return with the department of revenue during the previous tax year.

8. A person who is a member of an Indian tribe recognized by the United States department of the interior whose reservation land lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.

PRESUMPTIONS RELATING TO STUDENT STATUS

Unless the contrary appears to the satisfaction of the Registrar, it shall be presumed that:

- No emancipated person has established a domicile in this state while attending any educational institution in this state as a full-time student in the absence of a clear demonstration to the contrary.
- Once established, a domicile is not lost by mere absence unaccompanied by intention to establish a new domicile.
- A person who has been domiciled in this state immediately prior to becoming a member of the armed forces of the United States shall not lose in-state status by reason of such person’s presence in any other state or country while a member of the armed forces of the United States.

EVIDENCE OF DOMICILE

1. An affidavit signed by the student must be filed with the person responsible for verifying domicile (the Residency Clerk in our Records and Registration Office).
2. Any of the following may be used in determining a student’s domicile in Arizona:
   - Income tax return
   - Voter registration
   - Automobile registration
   - Driver’s license
   - Place of graduation from high school
   - Source of financial support
   - Dependency as indicated on Federal income tax return
   - Ownership of real property
   - Notarized statement of landlord or employer
   - Bank accounts

- Other relevant information

ALIEN IN-STATE STUDENT STATUS

An alien is entitled to classification as an in-state refugee student if such person has been granted refugee status in accordance with all applicable laws of the United States and has met all other requirements for domicile.

OUT OF COUNTY RESIDENCY

Arizona residents from counties in which there is no established community college district (Apache and Greenlee) may enroll in credit classes at Eastern Arizona College without payment of out-of-county charges. General tuition and fees are still payable.
SECURITY AND SAFETY

THE PERSONAL SAFETY AND WELL-BEING of the students, faculty and staff at Eastern Arizona College are always an important concern of ours. You are encouraged to be responsible for your own security and the security of others.

Many people are involved in keeping the campus safe and secure. A truly safe campus, however, can only be achieved through the cooperation of all students, faculty and staff.

Anyone at any campus location who becomes aware of a crime (or is the victim of a crime) or any emergency should make an accurate and prompt report of the occurrence.

Responsibility for Safety
Thatcher Campus Police and student security personnel are available from 8 a.m. to 2 a.m. The Campus Police Building is located at 620 North College Avenue, Thatcher, Arizona and their number is (928) 428-8240 or 1-800-337-7407 (Pager).

Campus Police officers are certified by the Arizona Law Enforcement Officers Advisory Council and have full law enforcement authority anywhere in the state. EAC’s Campus Police are responsible for a full range of public safety services including all crime reports, investigations, medical and fire emergencies and traffic accidents. They are also responsible for the enforcement of laws regulating drinking, the use of controlled substances, weapons, and all other incidents requiring police assistance. Campus police monitor criminal activity of students in off campus locations of student organizations recognized by the College.

Responsibility for Keeping Campus Buildings and Grounds Safe
Eastern’s Physical Resources (Maintenance) Department maintains the College buildings and grounds with a careful eye for safety and security. Physical Resources staff regularly inspects campus facilities and promptly makes repairs affecting safety and security. They respond to reports of potential safety and security hazards such as broken windows and locks.

Students and College staff members are encouraged to call the Physical Resources Department at (928) 428-8300 to report any actual or potential safety or security hazards. Individuals residing on campus are urged to keep their doors locked.

College classroom facilities are to remain locked when not in use. Individuals needing to use College facilities should submit a Facility Request form through the Student Life Office to obtain permission to use a particular room or College facility.

Changes in Safety and Security Procedures
Updated printed materials explaining changes in safety and security procedures (including timely reports regarding the occurrence of campus crimes) will be prepared and distributed to all students and employees.

Students in residence halls are further instructed in areas of crime prevention through meetings in which printed and video materials are reviewed and discussed. Future new students will be given the most current information.

In addition, EAC will release the latest crime statistics for the most recent year in our General Catalog and will provide full distribution to students and employees.

Illegal Drugs or Alcohol Not Permitted on Campus
Eastern Arizona College seeks to encourage and sustain an academic environment that both respects individual freedom and promotes the health, safety and welfare of all members of its community.

In keeping with these objectives, the College has established a policy and set up guidelines governing the possession and/or consumption of alcoholic beverages and illegal substances.

Alcohol is not permitted anywhere on the College campus at any time. Likewise, the College does not permit the use of marijuana, LSD, cocaine or any other illegal drug on the College campus. Individuals possessing, using or distributing such drugs are subject to disciplinary action (such as formal reprimands, community service, referral to counseling, suspension and expulsion) and possible arrest, imprisonment or fine, according to Arizona state law.

Who Can Help if I or a Friend Have a Problem with Substance Abuse?
Eastern’s Counseling Department provides professional and confidential counseling and referrals to help students with substance abuse problems.

The Counseling Department is located in the Student Services Building at 615 North Stadium Avenue, Thatcher, Arizona or may be contacted by calling (928) 428-8253.

All students and employees will receive a copy of regulations 4710.1 and 5800.1 regarding the Drug Free Schools and Communities Act.
SECURITY AND SAFETY

Personal Safety and Protection against Sexual Assault or Violent Crime
Eastern Arizona College considers the personal physical safety of students, employees and visitors an essential element in the maintenance of a learning environment. Every member of the College community should be aware that the College is strongly opposed to sexual assault, violence and other threatening or endangering behavior. Such behavior is prohibited by law as well as the Student Code of Conduct.

Dissemination of Information Concerning Sexual Assault and Violent Crime
The College will annually provide information concerning sexual assault and violent crime including at least the following:

- The definition of sexual assault and violent crime
- A statement of the College’s policy prohibiting sexual assault and violent crime
- The most accurate data available about the reported incidence of sexual assault and violent crime occurring on campus property
- Precautions which students should take to avoid becoming victims of sexual assault and violent crime
- Procedures for reporting sexual assault and violent crime
- Services which are available to both complainants and those accused of sexual assault and violent crime
- Statements of the rights of sexual assault and violent crime complainants and those accused of such actions in the College judicial process

Definitions
For the purpose of this policy, sexual assault is any sexual behavior between two or more people to which one person does not or cannot consent. The abuse of alcohol or other substances does not relieve individuals of their responsibilities to themselves or others.

Violent crime is one or more persons intentionally inflicting bodily harm on another person or persons.

Reporting
The guiding principle in the report of a sexual assault or violent crime is to avoid re-victimizing the survivor by forcing the person into any plan of action. Assistance with the wellbeing of the survivor is the primary goal. Victims may contact any one of several College departments or community agencies for assistance. The following resources provide immediate aid or ongoing consultation:

In the event of a medical emergency, medical response personnel will be contacted. In the case of a sexual assault, emergency medical personnel are required to report the assault to the local law enforcement agency. However, the assault survivor who does not wish to see the police will be encouraged to seek a medical exam to treat physical problems and address the potential for injury, venereal disease, HIV, or pregnancy. The Rape Crisis Hotline can assist with these arrangements whether or not the survivor chooses to report the incident.

It is recognized that a sexual assault survivor may be undecided in reporting the assault to the police. A report to the police can empower the survivor in exercising legal rights and aid in the protection of others. If a report is to be made to the police, the survivor will be encouraged not to destroy evidence by cleaning up their person, clothing or bedding in any way. If the sexual assault survivor is undecided in reporting, the survivor will be encouraged to preserve evidence anyway in case it is decided to file a police report at a later date.

If the survivor has decided not to report the assault, the report recipient will maintain confidentiality. Other alternatives include:

- Make an anonymous report to police
- Make a report at a later date with the understanding that a report made after 72 hours may limit prosecution efforts

Sexual assault survivors may seek counseling at any time from College counseling services or the Rape Crisis Hotline.

Intervention
It is the intention of the College to take whatever action may be needed to prevent, correct, and if necessary, discipline acts of sexual assault or violence. Possible sanctions for students resulting from the College’s judicial process range from formal reprimands, community service, referral to counseling, suspension and expulsion. Possible sanctions for employees range from reprimands, referral to counseling, to termination of employment. Possible sanctions for visitors range from reprimands to
being barred from College property and activities. Both the accuser and the accused of sexual assault shall be informed of the outcome of the campus disciplinary process.

**Judicial Process**

A charge of sexual assault against a College student will be handled under the same procedure as bringing a Complaint of Sexual Harassment by the Provost/Chief Academic and Student Officer of the Thatcher Campus or Dean/Chief Officer for Greenlee County Eastern Arizona College site. When a complainant of sexual assault gives information to the Officer that a sexual assault has taken place and accuses a College student of the offense, the Officer will have the discretion to suspend the accused student pending a hearing. When any necessary investigation is complete, the Officer will formally notify the accused student of the charges and will set a hearing date within five (5) class days.

**Rights of the Sexual Assault Complainants and Accused**

A. The complainant and accused will have the right to be accompanied throughout the judicial process by an individual of their choice.

B. The sexual reputation of the complainant and accused will neither be used as evidence nor discussed in the judicial procedure.

C. The accused will have all the rights of due process, which are normally accorded to those under the College judicial process.

D. The victim will be notified in writing of any sanction imposed.

E. The victim will be notified of any appeals filed by the assailant and subsequent results.

**Sexual Harassment**

Any employee or applicant for employment or student who believes that he or she has been discriminated against on the basis of sex, or has been sexually harassed, should report the matter to any Dean (Assistant, Associate, etc.), the Provost, or Executive Vice President of the College.

The College President or personnel designated by the College President shall investigate complaints of sexual harassment. Any College administrator who receives a report of alleged sexual harassment must report the allegations to the College President as soon as reasonably possible.

**Annual Security and Fire Safety Report**

The Annual Security and Fire Safety Report that includes all reported campus crimes is available on the EAC website and can be accessed at www.eac.edu/About_EAC/Consumer_Information/report.pdf. A paper copy of the report will be provided upon request. A daily crime log is available from the EAC Police Department upon written request.

SECURITY AND SAFETY

**Social Security Number Use**
EAC does not use the social security number of faculty, staff and students as that individual’s EAC Identification Number. Faculty, staff and students are assigned a random EAC identification number at their first enrollment or employment with EAC. Students are requested, but not required, to provide their social security number to facilitate awarding of financial aid, for learning or tuition credits for income tax purposes, and for supplementary identification purposes when necessary. Neither the social security number nor the EAC identification number are shared to third parties without the written consent of the student.

**Veterans Information**
Every Veteran claiming Veteran’s Educational Benefits is responsible for notifying the Veteran’s representative at Eastern Arizona College of any change in his/her schedule which causes an increase or decrease in credit hour load as soon as the change occurs. For questions, please contact the Veteran’s Representative in the Records and Registration Office on the Thatcher Campus of Eastern Arizona College or phone (928) 428-8273, or 1-800-678-3808, Ext. 8273.

**Voter Registration Forms**
Mail in voter registration forms for Graham and Greenlee Counties are available for all enrolled students and the public. Forms can be obtained at the Records and Registration Office and the Alumni Library on the Thatcher Campus. Voter registration forms may also be requested from the following:

- **Arizona Residents:** Call toll free 1-877-THE VOTE (1-877-843-8683) or Access the Vote Arizona web page at www.azsos.gov for election information, voter information, and registration form.
- **New Mexico Residents:** Call 1-800-477-3632 and ask for the Bureau of Elections
- **All Other States:** Access the National Voter web page at www.eac.gov. Access the Register to Vote web page at www.vote.govcm
