OFFICIAL DOCUMENT NOTICE

EASTERN ARIZONA COLLEGE CATALOGS and class schedules are available as both printed and electronic documents published on the Internet. Printed documents are correct as of the date of preparation. The Internet versions are updated regularly and are the College’s official publications. All who use the catalogs or class schedules are advised that when taking action or making plans based on published information, the Internet versions should be relied upon as the official documents. Public access to Internet-based College publications is available at all EAC administrative sites or at www.eac.edu.

This catalog has been prepared to give you information on the programs and courses available at Eastern Arizona College and to answer questions you may have about official policies, procedures, and regulations. To arrange a visit or to ask any questions, please contact us at:

E-MAIL: ADMISSIONS@EAC.EDU

Students needing language assistance to interpret information presented in this catalog should contact EAC’s Counseling Department for assistance. The Counseling Department is located at 615 North Stadium Avenue, Thatcher, Arizona, 85552-0769 and may also be reached by telephone at (928) 428-8253.

Estudiantes que necesitan ayuda en interpretar la información contenida en este catálogo deben de ponerse en contacto con el Eastern Arizona College Counseling Department (Departamento de Consejo). El Departamento de Consejo se ubica en 615 North Stadium Avenue, Thatcher, Arizona 85552-0769 y también nos puede llamar por teléfono al (928) 428-8253.
MISSION AND INTRODUCTION

VISION: The College shall be the premier resource for higher education in eastern Arizona.

MISSION: The mission of Eastern Arizona College is to provide quality higher education. The College is accountable to its stakeholders for educational results, fiscal responsibility, and cultural development.

PURPOSES: The College shall provide:

• Associate degree programs and courses for university transfer.
• Programs that meet workforce needs of business, industry, and government.
• Opportunities for Adult Education.
• Support services to assist students in identifying and achieving personal, educational, and career goals.
• Services which meet the community's diverse cultural and economic needs.
• Activities and programs which promote general student welfare while fostering an environment in which students can develop leadership, citizenship, and character.
• Activities and programs that foster life-long learning.

The College will help individuals acquire knowledge and skills that will enhance their abilities to think, feel, act, and enjoy.

VALUES:

• Continuous Improvement
• Diversity
• Institutional Quality
• Integrity
• Learning-Centered Education
• Partnership Development
• People
• Scholarship

PRESIDENT'S WELCOME

The faculty, staff, and students of Eastern Arizona College welcome you!

Eastern is the oldest member of the Arizona Community College system and enjoys a rich tradition of educational excellence, achievement, and commitment. Even though we have a long history and are located in a rural area, our technology is cutting-edge and our faculty is qualified and caring. This is the best place to get a good start. Fully accredited by the North Central Association, Eastern offers numerous Associate degree and Certificate programs. Students are prepared for immediate entry into the job market or successful transfer to a university of their choice. Our campus is the most beautiful in the state of Arizona.

Remember, the will to succeed is nothing without the will to prepare. We are committed to helping you become a champion at life. We sincerely hope that your visit with us is joyful and rewarding.

Futures begin at Eastern Arizona College!

ACCREDITION
Eastern Arizona College is accredited by The Higher Learning Commission and is a member of the North Central Association, www.ncacche.org or (312) 263-0456.
The College is a member of the Arizona Community College System.
The names of associates, agencies or governmental bodies which accredit, approve, or license Eastern Arizona College and the procedures by which documents describing that activity may be reviewed and can be obtained from the Provost/Chief Academic and Student Officer during regular business hours in the Student Services Building.

HISTORY
Eastern Arizona is a public community college. Founded as St. Joseph Stake Academy in 1888, it provided education for the youth of the Gila Valley from 1890 until 1933. The institution introduced junior college courses in the early 1920s.

On March 25, 1933, it became a public county institution under the authority of the Arizona State School Code and was renamed Gila Junior College. On July 1, 1950, the name of the College was changed from Gila Junior College to Eastern Arizona Junior College.

In 1962, the College became the first official state junior college in the newly formed Arizona State System of Community and Junior Colleges. In 1966, the word “Junior” was dropped from the name of the institution.

EAC ALUMNI ASSOCIATION
The Eastern Arizona College Alumni Association was organized by President Emil Maeser, fourth President (1898-1903) of the Latter-day Saint Academy during the spring term in 1900.
The EAC Alumni Association has played a significant role in the history of Eastern Arizona College. Beginning with Old Main, down through the present-day Middle Campus Expansion, Eastern’s alumni have contributed to the growth and development of the College.

Today, the over hundred-year old Alumni Association boasts a membership of over 25,000 individuals. The Alumni Association has a Board of Directors and three standing committees to assist in fulfilling its purposes. The Alumni Association provides scholarships, reunions, and other alumni events to support current students and alumni.

Together, we are building a bright and vibrant future for all who come and experience Eastern Arizona College.

EAC FOUNDATION
The Eastern Arizona College Foundation is a non-profit corporation that is fiscally and organizationally separate from the College. The Foundation is empowered to receive gifts, bequests and endowments, which are tax deductible to the donor.

Through the EAC Foundation, a variety of ways have been developed for individuals and businesses to support Eastern Arizona College.

These gifts come to the Foundation in the form of cash, marketable securities, real property, bequests, and gifts-in-kind. Special gift provisions can also be made through a will, by gifts of insurance policies, or the establishment of an endowment or a trust.

Gifts to the Foundation may be given for a specific purpose or given without restriction. Donations can also be arranged to obtain the maximum tax benefit to the donor while at the same time providing support for the mission of the College. The Foundation staff, with the assistance of your attorney or accountant, can provide additional information on the donor plan that is best for you.

For over 100 years, support for Eastern Arizona College and its educational mission has come in many forms. It is the continued generosity and commitment of alumni, businesses, and friends of the College that has been instrumental in helping Eastern to produce students ready for success and achievement in the world of tomorrow. If you would like more information, please contact the executive director of the EAC Foundation at (928) 428-8295 or 1-800-445-2472.

GILA COUNTY CAMPUSES

In association with Eastern Arizona College

MISSION STATEMENT: The Gila Community College District creates and continuously improves affordable, accessible, effective, and safe learning environments for the lifelong educational needs of the diverse communities we serve. Our campuses fulfill this mission through:

- University Transfer Education
- Developmental Education
- Workforce Development
- Continuing Education
- Community Education
- Community Services
- Cultural Activities
- Economic Stimulation Activities
- Adult Literacy Activities

The College is dedicated to providing individual attention and assessment as well as instructional and developmental courses to ensure that each student has access to the skills needed to achieve academic success. As a leading partner in community development, we contribute to the advancement of individual, social, economic and cultural interests in the region. We measure our success in fulfilling our mission by:

- Student enrollment
- The academic success of our students
- Community response to our program offerings
- Degree to which we satisfy the needs of community business/industry for skilled workforce

COMMUNITY COLLEGE
gila campuses
GILA COUNTY SCHOLARSHIPS
Departmental, Scholar, Preferential, Senior Citizen, and Resident/Community Involvement Scholarships are available at Gila Community College. Both new and returning full-time students are eligible for scholarships. Scholarship applications will begin to be reviewed and awards made after the March 1st priority date for the following academic year. Applications should be submitted as early as possible, however applications received after March 1 will be considered as long as scholarship funds are available. If you’re selected to receive a scholarship you will be notified by mail and must acknowledge your acceptance in writing within 15 days of the date of notification. You may request Gila Pueblo scholarship application forms from the Scholarship/Financial Aid Office, Gila Community College (Globe: 928-425-8481, Payson: 928-468-8039, and San Carlos: 928-475-5981).

The Scholarship Officer has, as a matter of official policy, the right and obligation to discontinue any award made by or through the College upon receipt of verified evidence that a recipient of such an award has, either on the campus or in the community, demonstrated citizenship incompatible with standards of the College. This policy applies to all varieties of aid, as well as to academic, music, athletic, or special scholarships.

MAPS OF PAYSON AND GILA PUEBLO CAMPUSES
ENROLLMENT

EASTERN ARIZONA COLLEGE IS A place where you'll make friends easily and feel at home instantly. Small class sizes and highly qualified, committed instructors ensure a quality education. And outside the classroom, opportunities for personal growth and enrichment abound. Whatever direction you take, there's no better starting point than Eastern.

EAC's ethnically diverse student body represents more than 36 states and territories and 11 foreign countries.

HOW DO I ENROLL FOR THE FIRST TIME AT EAC?

Becoming a student at EAC is easy! If you've never attended Eastern Arizona College, you are admitted by establishing a record at EAC. There are three convenient ways to do this.

1. You may complete and submit the Admissions Form over the Web at www.eac.edu, or
2. Call Operator Assisted Registration during business hours at (928) 428-8270 or 1-800-678-3808, ext. 8270 and we'll take the information over the phone, or
3. Complete the Admissions Form which is found in each printed class schedule and:
   • Mail it to: EAC Records and Registration, Thatcher, AZ 85552-0769
   • Fax it to: EAC Records and Registration, (928) 428-8493
   • Bring it to the Records and Registration Office in the College Student Services Building between 8:30 a.m. and 4:30 p.m., Monday through Friday.

Contact the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, ext. 8270 for more information.

The act of enrolling in courses at the College indicates you agree to be subject to all the requirements, policies, and regulations in the College Catalog, Schedule of Classes and Student Handbook, and agree to establish a permanent college academic record. You further acknowledge that in order to be admitted to other colleges or universities you may be required to send this academic record to those institutions. Your enrollment also certifies your understanding that the content of EAC courses is designed for adult students and if you are a younger student you may feel constrained from participating in class discussions due to the maturity and age of other students, in addition to the subject matter being discussed.

If you are a resident of Apache, Greenlee, or Santa Cruz County in Arizona and you plan on enrolling in classes on the Thatcher Campus or at any other Graham County site, you need to complete an Out-of-County Residence Affidavit. The Affidavit form is available from the Records and Registration Office. We will be glad to mail the form to you.

We will be happy to evaluate your credits earned at other colleges or universities. You will need to have an evaluation completed if you:
• Want to receive credit for prior college work, or
• Need to show that prerequisites have been met, or
• Will be participating in intercollegiate athletics at EAC and need to establish eligibility.

Arrange for an official transcript to be sent directly to the EAC Records and Registration Office from every college you have attended. If the transcript you wish evaluated is from a non-Arizona college or university, please arrange to have course descriptions of the transcript courses also sent to the EAC Records and Registration Office. Be sure the descriptions are from the catalog for the year the course was taken.

ORIENTATION AND REGISTRATION ASSISTANCE

Eastern Arizona College offers Orientation and Registration Assistance for new students. The Orientation Program is designed to familiarize you with available services, registration procedures, and degree requirements. Orientation can be obtained in several ways:

1. A complete review of the College catalog, class schedule and student handbook will provide a good orientation to EAC. These publications are available at the College’s Web site. You may also call the Admissions and Scholarships Office at (928) 428-8272 or 1-800-678-3808, ext. 8272 to request these publications be mailed to you.
2. A Web-based orientation to Eastern Arizona College can be accomplished by studying the contents of the EAC site at www.eac.edu. The opportunity to submit questions by e-mail is provided.
3. Students registering for the first time can expect the following assistance from Counseling Staff:
   • Academic Planning: you will learn how to use the tools necessary for planning your college program.
   • Advising: Counselors and Faculty Advisors will be available to assist you.
   • Registration Assistance: We will assist you with learning how to use our registration systems.
4. It is highly recommended that all first time, full-time students successfully complete a semester long orientation class, CSL 109, Orientation to Student Success. This class provides the student with instruction in study skills, time management and also provides the opportunity to obtain vital information about Student Life activities, Library Services, Financial Aid, and Academic Planning. Sections are taught by faculty in each of the academic divisions giving the student the opportunity to work closely with someone in the division containing their major. Undecided students will be provided with the opportunity to explore career options. Students should complete this class in the first or second semester of their full-time enrollment.

Call (928) 428-8253 or 1-800-678-3808, ext. 8253 or send an e-mail to counseling@eac.edu for more information.
REVIEWING, ENGLISH AND MATH PLACEMENT TESTING

All new or continuing, full or part-time students who intend to make initial enrollment in a mathematics class or in an English Composition class are required to take the appropriate placement test. Because students must, as a condition of graduation, demonstrate a reading proficiency at the 10th grade level for the AAS degree and at the 12th grade level for the AA, AS, ABus or AGS degree, all students are required to complete the reading placement test. The reading placement score will determine if graduation requirements have been met or if developmental reading courses are needed.

Placement in English composition and mathematics courses based on placement testing scores is mandatory and will be determined by a student’s respective placement test scores. Nonetheless, students may choose to enroll in a mathematics class that is one level higher than the course designated by their testing score. Students choosing to enroll in a higher level course must sign a form indicating that they are aware that they are not enrolling in the proper course and that enrolling in the higher level course could affect their academic standing.

The requirement that you take placement testing will be waived if:
- You have taken either the ASSET or COMPASS placement tests previously and can provide EAC with scores.
- You are a transfer student and can provide an official transcript showing a grade of “C” or better in college level English or math.
- You have taken the ACT or SAT and can provide evidence you have achieved the following minimum scores:

<table>
<thead>
<tr>
<th>English Minimum Score</th>
<th>Math Minimum Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>ACT English Score of 21*</td>
<td>ACT Math Score of 21**</td>
</tr>
<tr>
<td>SAT Verbal Score of 530</td>
<td>SAT Math Score of 520</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Reading Minimum Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>ACT Reading Score of 18***</td>
</tr>
<tr>
<td>SAT Verbal Score of 530</td>
</tr>
</tbody>
</table>

*Student will be placed in ENG 101, Written Communications I.
**Student will be placed in MAT 154, College Algebra.
**Student will have met the graduation reading requirement for the AAS, AA, ABus, AGS and AS Degrees.

Check with the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, ext. 8270 to see if we have your ACT or SAT scores on file.

You may obtain placement testing at EAC in several ways:
1. You may take placement tests in conjunction with an EAC Preview Day visit. Contact the Admissions and Scholarship Office at (928) 428-8272 or 1-800-678-3808, ext. 8272 for Preview Day information.
2. You may take placement tests by appointment during regular business hours on the Thatcher campus. For more information, contact the Counseling Department at (928) 428-8253 or 1-800-678-3808, ext. 8253 or send an e-mail to counseling@eac.edu.
3. Scheduled placement testing is also offered at other EAC locations as follows:

- **Greenlee County, Morenci High School—EAC Office**
  - Monday, August 11, 2008: 4:00 p.m.
  - Monday, January 5, 2009: 4:00 p.m.
  - Monday, August 17, 2009: 4:00 p.m.
  - Monday, January 11, 2010: 4:00 p.m.

A nonrefundable $20 assessment fee will be added to your registration billing the first time you register for an English composition class and an additional $20 assessment fee will be added to your registration billing the first time you register for a mathematics class. The assessment fee is paid by all students as part of the cost of evaluating academic skills upon entry into academic programs and measuring improvement upon completion of academic programs. This evaluation is crucial for assuring the quality of EAC educational programming.

INTERNATIONAL STUDENTS

International students may be admitted to Eastern Arizona College. Notice will be sent to the student indicating either acceptance or denial after the Records and Registration Office has received all of the following items. Contact the Records and Registration Office to obtain forms and more information. All items need to be received by August 1 for Fall Semester and by December 1 for Spring Semester.

- Admissions Form
- $25 non-refundable application fee payable in US Dollars, or in the form of an International Reply Coupon issued through a government or postal office overseas
- Housing Application and deposit (if College housing is desired)
- Official transcript of high school and college work
- Completed medical examination
- TOEFL test scores. The minimum TOEFL paper-based test score we accept is 500 and the minimum TOEFL computer-based test score we accept is 173. For information on the TOEFL, write to Test of English as a Foreign Language, Educational Testing Service, Princeton, NJ 08540, USA. You may be admitted without TOEFL scores contingent upon participation in a college language training program designed and approved to meet your individual needs.
- Letters of recommendation from two persons, preferably officials from the student’s former school
- Certification of Finances
- Proof of hospitalization insurance

After being admitted to Eastern Arizona College, the International Student is responsible for completing all Immigration and Naturalization Service (INS) requirements. Students may not enroll in classes at Eastern Arizona College without the I-20 Certificate of Eligibility form on file in the Records and Registration Office.

WHAT ABOUT MY RESIDENCY?

**State Residency:** No person having his/her domicile elsewhere than in the State of Arizona shall be eligible for classification as an in-state student for tuition purposes. The minimum requirements for residency are:

1. Continuous physical presence in the state for one year
2. Financial independence from out-of-state parents
3. Evidence of intent to establish residency
4. Compliance with Proposition 300 (see page 180)

For more information, refer to the disclosure section of the College Catalog on page 180, or contact the Records and Registration Office.

**County Residency:** Arizona residents from counties in which there is no established community college district (Apache, Greenlee, and Santa Cruz) may enroll in credit classes at Eastern Arizona College without payment of out-of-county charges, provided the student completes a properly executed Arizona Out-of-County Residence Affidavit at the time of registration. General Tuition and Fees are still payable.
TUITION AND FEES

TUITION AND FEES FOR 2008-2009

The exact amount you will spend on college expenses will depend on your class schedule (textbooks needed, fees, etc.) and your housing and meal arrangements. Below is an estimate of the costs per semester, based on enrollment in 16 credit hours.

<table>
<thead>
<tr>
<th>General Tuition and Fees</th>
<th>Arizona Residents</th>
<th>Out-of-state Non-resident</th>
<th>Students from WUE States</th>
</tr>
</thead>
<tbody>
<tr>
<td>Books &amp; Incidentals</td>
<td>$690*</td>
<td>$690*</td>
<td>$690*</td>
</tr>
<tr>
<td>Room &amp; Meals**</td>
<td>2,300*</td>
<td>2,300*</td>
<td>2,300*</td>
</tr>
<tr>
<td>Out-of-State Tuition NA</td>
<td>3,030</td>
<td>345</td>
<td></td>
</tr>
<tr>
<td>TOTAL:</td>
<td>$3,590*</td>
<td>$6,620*</td>
<td>$3,935*</td>
</tr>
</tbody>
</table>

*These are estimated costs and subject to annual change. **7-day meal plan, double room occupancy.

*Proposition 300, passed by Arizona voters in November 2006, stipulates that college students who are not legal United States citizens or are without lawful immigration status must pay out-of-state tuition.

**Per credit hour, in addition to General Tuition.

NONREFUNDABLE FEES FOR 2008-2009

Allied Health:
- Nursing lab fee $100 per term
- Nursing malpractice insurance $15 per year*
- EMT/EMT/Paramedic insurance $61.50 per year*
- EMT lab fee $25 per credit hour
- Paramedic lab fee $25 per credit hour
- All other malpractice insurance $15 per year*

Check returned fee:
- 1st time $25
- Additional $30
- CLEP administrative fee $15
- Course fees (per term):
  - Cooking lab fee $25
  - Jewelry course fee $15
  - Lapidary course fee $15
  - Video Editing course fee $15
  - Welding course fee $20
- Credit by exam (per credit hour, in addition to General Tuition) $35
- Diploma/Certificate replacement fee $15
- Graduation fee $25
- ID card replacement fee $10
- International student admission application fee $25
- Library:
  - Overdue books fee $.05 per day
  - Overdue videos fee $.50 per day
  - Overdue reserve books fee $.50 per hour
  - Math and English assessment (per discipline) $20
  - Miscellaneous activities fees To be determined
- Parking Violation:
  - 1st Offense $10
  - Additional $15
- Transcripts:
  - Transcript fee $3
  - FAX surcharge fee $2

*Estimated. Rates will be adjusted when actual premium is known.

HOW AND WHEN DO I PAY MY TUITION AND FEES?

Tuition and fees should be paid to the Cashier in the Fiscal Control Office located in the Student Services Building on the Eastern Arizona College campus. Payment should be made at the time of registration. You may pay by phone, online, personal checks, VISA or MasterCard, or mail your check or money order to Cashier, Eastern Arizona College, Thatcher AZ 85552-0769. Checks, drafts, or postal or express money orders should be made payable to Eastern Arizona College. Registration is not complete until all tuition and fees and outstanding debts or balances are paid.

If you expect to receive financial aid you need to work closely with the Financial Aid Office to seek and receive financial assistance. If you are seeking aid for the fall semester, you are advised to begin the application process early the previous spring.

Classes will be automatically canceled if tuition and fees are not paid by August 1 for fall semester and December 15 for spring semester. The Academic Calendar section of the class schedule and catalog specifies the dates by which all fees or financial aid arrangements are due. If payment is not received by these dates, your registration will be canceled. If your registration is canceled, you may not be able to get back into all your classes. Don’t let this happen to you! Be sure all financial arrangements are made by the date due.

NEW MEXICO (OUT-OF-STATE) TUITION WAIVERS

There are a limited number of Out-of-State tuition fee waivers for residents of New Mexico who wish to attend Eastern Arizona College. To be eligible for consideration, you must:

- Be a resident of New Mexico
- Be admitted to Eastern Arizona College
- Have a minimum 2.0 GPA (a transcript from your most recent school must accompany your application)
- Fill out a New Mexico Out-of-State Tuition Waiver Application at www.eac.edu/forms/NewMexico.shtm or request that an application form be mailed to you.

tuitionandfees
• For priority consideration you should register for classes as soon as possible prior to the semester you plan on attending.

This agreement is made by and between the New Mexico Commission on Higher Education, an “agency” of the State of New Mexico and Eastern Arizona College (and other community colleges in Arizona). The purpose of the agreement is to establish a tuition reciprocity program to enable selected students from New Mexico to enroll at designated institutions of higher education in the State of Arizona with authorization to pay Arizona resident undergraduate tuition rates, and to enable an equal number of selected students from the State of Arizona to enroll at Western New Mexico University in New Mexico with authorization to pay New Mexico resident undergraduate tuition rates.

WESTERN UNDERGRADUATE EXCHANGE (WUE)

WUE is the Western Undergraduate Exchange, a program of the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in western states may enroll in many two-year and four-year college programs at a reduced tuition level: 150% of the institution’s resident tuition. To be eligible for consideration, you must:

• Be a legal resident of participating states—Alaska, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, or Wyoming

• Be admitted to Eastern Arizona College

• Maintain full-time student status while on the waiver having an annual accumulation of 24 credit hours at a minimum 2.0 GPA

• When you apply for admission to Eastern Arizona College—print out a WUE waiver application at www.eac.edu/Academics/Student_Records/pdf_forms/WUE.pdf or request that an application form be mailed to you

• Valid and current supporting documentation from your state of residence must accompany your WUE application:
  • Drivers license
  • Motor vehicle registration
  • State income tax return for previous year
  • High school transcript or diploma
  • Property ownership document
  • Dependency status indicated on parent’s federal income tax return from previous year
  • Bank statement addressed to your state of residency

WHAT IS EAC’S REFUND POLICY?

Tuition and Fees: Refundable tuition and fees are defined as general tuition and out-of-state tuition. All students who officially withdraw from the College or individual semester-length or short-term courses before the close of registration for the course will receive a full refund. Students who withdraw from open entry/open exit courses after the term or semester in which the course is offered has begun will not receive a refund. Fees including assessment, class, lab and other special or miscellaneous fees are not refundable.

All refunds and deposits that may be due a student will first be applied to debts that the student owes the College. When federal student aid is used to pay for tuition and fees, the refund will be made to the federal fund, not to the student.

Federal regulations require that if you are a federal financial aid recipient and you totally withdraw from the College on or before the 60% point in the enrollment period, you must return a percentage of the federal aid funds disbursed. For example: if you withdraw at the 30% point of the enrollment period, you earn 30% of all aid that could be disbursed. The remaining 70% of the aid is unearned aid and must be returned. Further information is available at the Financial Aid Office and/or their web page at www.eac.edu/finaid or in the disclosures section of this catalog.

Cancelled Courses: When the College cancels a course, a full refund will be made for the cancelled course.

Other Refunds: If you wish to appeal the refund policy you may do so by petitioning the Admissions and Academic Standards Appeals Committee. Petitions are submitted online to the Records and Registration Office.

A student in the Armed Forces or the Arizona National Guard who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw and receive a full refund of tuition provided courses have not been completed.

Residence Halls: In order to meet the demand for housing and provide rooms for those students who really need them, there are firm cancellation and refund policies in effect. If you wish to cancel your residence hall reservation, you must notify the Housing Office at (928) 428-8605. Cancellations on or before July 15 for the fall semester or on or before December 15 for spring semester will result in a full refund of your $150 housing reservation/damage deposit. Cancellations after these dates will result in the loss of your housing reservation/damage deposit. You must pay your room cost prior to the first day the residence halls open for the semester. If you do not pay by this date, your reservation will be cancelled and your housing reservation/damage deposit forfeited. If you pay then cancel your reservation by this date, you will be eligible for a full refund of your room cost. If you move out of the residence hall prior to the end of the academic registration period, your housing reservation/damage deposit will be forfeited and you will be eligible for a 50% refund of your room cost. After the end of the registration period, there will be no further refunds of room costs. Housing reservation/damage deposits will be refunded minus individual and/or communal damages. Petitions for a waiver of the refund policy may be filed in the Student Life Office.

Meal Plan: Students who cancel their meal plan through 60% of the campus food service period will be eligible for a pro-rata refund only if they completely withdraw from school.

Students living in the residence halls are required to have an approved meal plan.
**HOUSING AND DINING FACILITIES**

**HOUSING AVAILABILITY**

Residence hall facilities are available on the Thatcher campus for both men and women. A tour of these facilities can be arranged when you visit our campus. Preference will be given to full-time students for College housing. Our Student Life Office also maintains a website directory of off-campus housing facilities available for rent.

We reserve the right to deny campus housing, change room assignments, or remove a student from College housing if it is felt to be in the best interest of the student and/or the College. We cannot be responsible for loss, theft, or damage to personal property. Firearms, simulated weapons, any kind of projectile weapons, other weapons, explosives of all kinds, intoxicating liquors, and illegal drugs are prohibited in the residence halls and elsewhere on college property. If found, they will be confiscated and violators subject to disciplinary action and/or possible expulsion. Pets are not allowed in the residence hall areas or rooms.

**ROOM RESERVATIONS**

Returning students have priority for College housing; however, if you’re a returning student, you must have a full room deposit and current housing contract on file by the end of the previous semester or lose your priority.

To make a room reservation, submit to the Housing Office a completed Residence Hall Application and License Agreement and a $150 housing deposit. Priority will be granted on the basis of the date the application and deposit are received.

**COLLEGE HOUSING DEPOSIT**

A $150 housing deposit and a declaration of your intent on the Residence Hall Application are required to reserve space in College housing. Upon check-in, the funds become a deposit against loss or damage to College property. Housing deposits may be left on account between semesters. Individual and communal damage expenses will be charged as they occur. A full deposit of $150 must be maintained in your account in order to maintain your reservation between semesters.

**HOUSING CANCELLATIONS AND REFUND ELIGIBILITY**

In order to meet the demand for housing and provide rooms for those students who really need them, there are firm cancellation and refund policies in effect. If you wish to cancel your housing reservation, you must notify the Housing Office at (928) 428-8605. Cancellations on or before July 15 for the fall semester or on or before December 15 for spring semester will result in a full refund of your $150 Housing Reservation Deposit. Cancellations after these dates will result in loss of your deposit. Your room payment must be made on or before the first day the residence halls open for the semester. If you do not pay by this date, your reservation will be cancelled and your deposit forfeited. If you move out of the residence hall prior to the end of the academic registration period, your deposit will be forfeited and you will be eligible for a 50% refund of your room fee. After the end of the registration period, there will be no further room fee refunds. Housing Deposits will be refunded minus individual and/or communal damages. Petitions for a waiver of the Housing Refund Policy may be filed in the Student Life Office.

**RESIDENCE HALL ROOM COSTS FOR 2008-2009**

Mark Allen, Nellie Lee, and Wesley Taylor are Traditional Halls with double occupancy rooms: $1100 for Fall Semester and $740 for Spring Semester. Single occupancy on a space-available basis.

Residence Towers’ 4-person-suites: $1,465 for Fall Semester and $980 for Spring Semester.

Residence hall room costs are subject to annual change. Room and meal plan charges are due and payable on or before the first day the residence halls open for the semester.

**WHAT ABOUT DINING FACILITIES?**

All students living in residence halls are required to purchase one of the meal plans described below. Small refrigerators and locking cupboards are provided in Residence Towers so students may prepare snacks to supplement their meal plans.

Campus food service is available 234 days per academic year. There are approximately 118 days in fall semester and 116 in spring semester. Students eat in the Food Service area of the Gherald L. Hoopes Jr. Activities Center. Meals are cafeteria-style and feature “all you can eat” (unlimited seconds). Three meals per day are served Monday through Friday. Brunch and dinner are served on the weekends. All meals must be used within the week or they are lost (“Use or Lose”). Only one meal can be used per meal time. Sack meals can be ordered 24 hours in advance.

Take-out food is available in the Gherald L. Hoopes Jr. Activities Center Food Service area. Check the signage for hours and menu. Students may order from the menu and pay on a per-item basis (a la carte).

**MEAL PLANS 2008-2009**

- **Plan A:** All 19 meals out of 19 served per week: $1,380 per semester.
- **Plan B:** Any 14 meals out of 19 served per week: $1,280 per semester.
- **Plan C:** Any 10 meals out of 19 served per week: $1,215 per semester.

**CAMPUS DINING OPTIONS FOR THOSE WITHOUT MEAL PLANS**

Commuter students, faculty, staff, and guests are welcome to enjoy campus dining in the Food Service area and pay for their meal on a cash basis. Those who do not live in College housing may also purchase any of the meal plans available to students living in the residence halls.

**CASH**

Estimated Food Service Guest-Line prices, including sales tax, will be charged:

FINANCIAL AID

EASTERN ARIZONA COLLEGE HAS A comprehensive financial aid program to ensure, to the extent of available funding, that no student will be denied a college education because of lack of funds. EAC believes that primary responsibility for financing your education rests with you and your family. The ability of you and your family to provide that support is calculated through a federally approved needs analysis system.

A financial aid “package” often includes more than one type of aid. Eligibility requirements for the following programs are general in nature, and may change without notice. For more specific details please access the EAC Financial Aid web site at www.eac.edu/finaid or contact the Financial Aid Office, Eastern Arizona College, Thatcher, AZ 85552-0769, (928) 428-8287 or 1-800-678-3808 Ext. 8287; fax (928) 428-2578.

GRANTS
Grants are awards which do not have to be repaid. Included are Federal Pell Grants, Federal Supplemental Educational Opportunity Grants (FSEOG), and for Arizona residents, the Leveraging Educational Assistance Partnership (LEAP – formerly SSIG) and Academic Competitiveness Grant.

EMPLOYMENT
Federal College Work-Study Program (FWS): Federally funded part-time employment. Pay dates are twice monthly. Student employees are paid at least the federal minimum hourly rate.

Institutional Work-Study Program: College funded part-time employment awarded at specific request of faculty or staff. Pay procedures are similar to those under FWS above.

Terms and Conditions of Federal or Institutional Work Study Employment
If you have been awarded Federal Work-Study:
• Confirm award with Financial Aid Office
• Locate a job. See listing under Student Employment at the Financial Aid Web site
• If you are a first-time EAC employee, fill out an employee “Set-Up Packet” at the cashier’s counter in the Student Services Building. Bring two forms of identification (social security card and driver’s license preferred).
• Work your agreed schedule and keep a careful record of the dates and hours.
• Turn in your time sheets to your supervisor before noon on the 15th and 30th of the month.
• Complete the timesheet with your correct student ID and sign it!
• Check calendar for pay dates. Typically it is the 7th and 22nd of the month. Take your identification and pick up your check at the cashier’s window.

Note! If you are applying your work-study earnings toward a college debt, you must come to the cashier’s counter and endorse your check so the funds can be transferred to reduce your outstanding bill.

LOANS
EAC does not participate in the Federal Student Loan Programs. Information on lenders of private educational loans is available from the Financial Aid Office staff.

DISBURSEMENTS
Disbursement of grants and scholarships in excess of institutional charges will be by transfer to your University Card two days prior to the first day of classes or as soon after as practical.
THE APPLICATION PROCESS

The Free Application for Federal Student Aid (FAFSA) should be submitted as soon as possible after January 1 if you plan to enroll the following fall term. EAC’s deadline for priority consideration is March 1. Since errors or incomplete forms cause delays it is important to complete the form early, carefully, and accurately. We encourage you to apply on the Internet at www.fafsa.ed.gov. Completing your FAFSA on the Internet can speed up the FAFSA process. Using the web version can cut down on postal service delays. It also does edit checks as you enter data which helps cut down on errors. If there are difficulties or questions in filling out the form, please utilize online assistance or request assistance from a high school counselor or our Financial Aid Office.

Approximately 30% of all applications will be selected for a process called “verification.” If the Department of Education or the College selects you for verification, you must prove that the information you reported is correct by submitting income tax forms and other documents. Therefore, you should save copies of all records and materials used in applying for aid.

ELIGIBILITY DETERMINATION

Before aid can be awarded, your financial aid file must be complete, including all documents requested. Aid is then awarded on a first-come, first-served basis until funds are depleted. The amount of your award is determined by eligibility, availability of funds, and compliance with deadlines. You must reapply for aid each year.

Only regular students are eligible for federal financial aid. Regular students are defined by Eastern Arizona College as those students having earned a high school diploma or a GED. High school or home schooled students that are simultaneously enrolled in college classes are not considered regular, degree seeking students, and are not eligible for federal financial aid.

Two basic steps are used in determining financial aid eligibility.

Step 1. Determination of costs (student budget). Financial Aid considers fees, tuition, room and board, books, transportation, and personal expenses. Several standard budgets are designed to reflect a modest but adequate standard of living. Budgets are revised only if you can document extraordinary costs over which you have no control. The following are samples of the standard budgets to be used for the academic year based on an average of 16 credits per semester.

*Out-of-state fees are an additional $3,030 per semester or $6,060 per year. Proposition 300, passed by Arizona voters in November 2006, stipulates that college students who are not legal United States citizens or are without lawful immigration status must pay out-of-state tuition.

Step 2. From the appropriate budget, subtract the expected family contribution as computed from information supplied on the FAFSA application. This results in the maximum eligibility.

Financial aid cannot be awarded until you have declared a major and are enrolled in courses that will lead to a degree or certificate. If you have neither a high school diploma nor GED, you must take and pass the Ability to Benefit test and results must be in the Financial Aid Office before aid can be awarded.

NOTIFICATION OF AWARD

A notification of aid offered will be mailed to you. The Fiscal Control Office disburses aid and all debts to the College will be deducted from any amounts due you.

SATISFACTORY ACADEMIC PROGRESS

To insure compliance with Federal regulations, EAC will award federal financial aid only to those students who are making satisfactory academic progress toward obtaining a degree or certificate. These procedures are designed to encourage you to successfully complete a degree or certificate in the appropriate amount of time. EAC has established the following by which to judge that progress. These standards should not be confused with the academic standards of the College, which may differ.

Standards: You are required to successfully complete at least 67% of your total attempted credit hours whether or not you received aid for all the terms attended. Repeat courses are counted in the total number of credits for that semester. Audited credit hours are not included.

You are required to maintain at least a 1.75 cumulative grade point average (GPA) if you have attempted 1-30 semester hours and a 2.0 or better cumulative grade point average if you have attempted 31 or higher semester hours.

Ninety-six (96) credits, including transfer credits, will be considered the maximum time frame for completion of most Associate degree programs. Proportional amounts of time will be allocated to students in shorter programs.

Financial aid may cover a maximum of 30 credit hours of developmental classes. This includes classes below the 100 level and MAT 120 and ENG 100. However these credits will be included in the maximum total of attempted hours allowed.

Financial Aid Status: If you completed fewer than the required credits or did not achieve the required GPA, you will be placed on probation for the following semester. While on probation, you may continue to receive financial aid but must complete all attempted credits with at least a 2.00 semester GPA.

If you achieve less than a 1.00 term GPA or complete no credits, you will not receive a probationary semester and future aid will be canceled.

Appeals: If you fail to meet the above standards and feel that there are significant extenuating circumstances you may submit an appeal. Appeals are to be made in writing to the Director of Financial Aid and should outline the specific problem and project your ability to complete the program.

Reestablishing Eligibility: If your aid is canceled due to lack of compliance with the above earned credits standard, you can reestablish eligibility by completing credits at Eastern Arizona College or another college without federal financial aid. If these credits are taken at another school you must arrange to have an academic transcript sent from the other school. Only those credits which transfer will be included in the calculation. Transfer credits are not included when your GPA is calculated. Only EAC credits affect your GPA.

Financial Aid will attempt to notify you of any deficiencies in a timely manner; however, it is your responsibility to be aware of the conditions of Satisfactory Academic Progress and to ensure compliance.
STUDENT RIGHTS
You have the right to know:
• what programs are available at EAC.
• the deadlines for submitting applications.
• how your financial aid eligibility was determined.
• the refund and repayment policies.
• the satisfactory progress requirements.
• the costs at EAC.

STUDENT RESPONSIBILITIES
You must:
• complete all application materials accurately and on time.
• provide correct information. Misreporting may be considered a criminal offense.
• accept responsibility for all agreements that you sign.
• notify the Financial Aid Office in writing of any changes in address, marital status, name, or drop in credits that takes you below the number of credits for which you are receiving aid.

VETERANS AND CHILDREN OF DECEASED VETERANS
Most of Eastern Arizona College’s curricula and courses listed in this catalog are approved for veterans training. You can contact the EAC Veterans Affairs Office (in the Records and Registration Office) for information on approved courses. These programs are maintained by cooperative arrangement between Eastern Arizona College, the State of Arizona, and the United States Department of Education. The College and students must comply with all regulations governing the Act under which the students are granted educational benefits.

You should apply for educational benefits from the Department of Veterans Affairs well in advance of your enrollment at Eastern Arizona College. Our Veterans Affairs Office can provide you with the Veterans Application for Education Benefits. You’ll need to arrange for transmittal directly to EAC of an official transcript from all colleges attended. For further information please write to Veterans Affairs Office, Eastern Arizona College, Thatcher AZ 85552-0769.

For additional information contact: Records and Registration Office, Eastern Arizona College, Thatcher AZ 85552-0769, (928) 428-8493; FAX: (928) 428-8493; send email to: records@eac.edu.

Scholarships
Scholarships are primarily awarded on the basis of academic excellence, performance in a particular area, or need. Both new and returning full-time students are eligible for scholarships. Scholarship applications will begin to be reviewed and awards made after the March 1st priority date for the following academic year. Applications should be submitted as early as possible, however applications received after March 1 will be considered as long as scholarship funds are available. If you’re selected to receive a scholarship you will be notified promptly (before May 1 in most cases) and must acknowledge your acceptance in writing within 15 days of the date of notification.

The Scholarship Officer has, as a matter of official policy, the right and obligation to discontinue any award made by or through the College upon receipt of verified evidence that a recipient of such an award has, either on the campus or in the community, demonstrated citizenship incompatible with standards of the College. This policy applies to all varieties of aid, as well as to academic, performing arts, athletic, or special scholarships.

INSTITUTIONAL SCHOLARSHIP GUIDELINES
The following academic guidelines will be necessary for you to maintain your scholarship status. This applies to all students currently on scholarship as well as new awardees. Individual scholarships may have other requirements, based upon the type of scholarship awarded. If you have questions, you should check either with the Scholarship Office or with the person directly responsible for the awarding of the scholarship.

• All students in every category must complete 12 credit hours or more each semester without exception.
• All scholarships will be for a maximum of four semesters.
• Renewal depends on maintaining a satisfactory GPA and exemplary citizenship.
• Certain scholarships are available only to students who are residents of specific Arizona counties.

All Academic Team Scholarship. Each year, two EAC, full-time, sophomore students are chosen for the All Arizona Academic Team and are the recipients of a scholarship ranging from $500 to $1,000. Development of the student’s application for nomination should begin toward the end of the spring semester for freshmen or very early in the fall semester for sophomores. To be considered for nomination, students must complete a biographical questionnaire, have at least a cumulative GPA of 3.25, write an essay, and fill out other related forms available through Phi Theta Kappa and the Counseling Office. In addition to the EAC Scholarship, recipients are awarded a full tuition scholarship for four semesters to attend U of A, ASU, or NAU funded by the Arizona Board of Regents.

Academic—awarded to cover cost of tuition. For consideration, a new student must have a GPA of 3.0 or higher and apply to the Scholarship Office. ACT or SAT scores and a high school transcript are required. The first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

Athletic—awarded to prospective or returning athletes by the Athletic Department. You must be eligible to participate in intercollegiate athletics and maintain NJCAA academic standards. Individual coaches may make other requirements.

Beauty Pageant—awarded to Miss Graham County and the four runners – up in the Miss Graham County pageant. Amount is flexible not to exceed the cost for full tuition. Available for two semesters immediately following the pageant.

Departmental—awarded by each division (Business, Communicative Arts, Fine Arts, Health and Physical Education, Technology Education, Science and Allied Health, Social Sciences, and Mathematics). To receive consideration, you should correspond with the Division Chair, the Department Head of the curriculum of your interest, and make written application to the Scholarship Office. To qualify for consideration you need a high school or college GPA of 2.5 or above or demonstrate excellence in a curricular or extracurricular program offered at EAC. The first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

Graham County Scholastic Recognition—covers tuition and books for those students who graduate in the top 10 percent of their Graham County high school classes. Awards are based on rankings from your high school counselor. You must maintain a semester GPA of 3.5 or better, or a cumulative GPA of 3.25 for the first semester the scholarship is received. For later semesters you must maintain a cumulative GPA of 3.375 or better, or a semester GPA of 3.5.

Music—awarded by the Music Department to cover various amounts toward tuition, based on audition and level of involvement in department
organizations. A high school or college GPA of at least 2.5 is needed to qualify. Scholarships are renewable provided you continue to participate enthusiastically in music organizations, demonstrate positive leadership, and meet academic requirements: the first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

Theatre – awarded by the Theatre Department to cover tuition. A high school or college GPA of at least 2.5 is required. Scholarships are based on auditions or documentation of dramatic abilities. Scholarships are renewable provided you continue to participate enthusiastically in theatre and meet academic requirements: the first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

Presidential Scholarships – available only to students who are residents of Apache, Greenlee, and Santa Cruz counties (counties which are not currently part of a community college district). Awards fall into the following categories:

**Presidential Award of Excellence** – covers room, board, tuition, and books; you must reside on campus. To qualify you need a high school GPA of 3.75 or higher, or place in the upper 10 percent of your class, or earn a score of at least 25 on the ACT. You must maintain a semester GPA of 3.5 or better, or a cumulative GPA of 3.25 for the first semester you receive the scholarship. For later semesters you must maintain a cumulative GPA of 3.75 or a semester GPA of 3.5.

**Presidential Preferential** – covers room and board, you must reside on campus. To qualify you need a high school GPA of 3.5 or higher, or place in the upper 20 percent of your class. You must earn a semester GPA of 3.0 or better, or a cumulative GPA of 2.75 for the first semester the scholarship is received. For later semesters, you must maintain a cumulative GPA of 2.875 or a semester GPA of 3.0.

**Presidential Scholar** – flexible amount but not to exceed the cost of a room in a campus residence hall. Funds may be used for room, tuition, fees, or books. To qualify you need a high school GPA of 3.0 or higher, or place in the upper 30 percent of your class. You must maintain a semester GPA of 2.75 or better, or a cumulative GPA of 2.50 for the first semester the scholarship is received. For later semesters you must maintain a cumulative GPA of 2.625 or better or a semester GPA of 2.75.

**Senior Citizen Tuition Scholarship** – Senior Citizens who are at least age 55 are eligible for tuition scholarships if they are residents of Arizona. Those from out-of-state pay only the out-of-state portion of the tuition.

**DONOR SCHOLARSHIPS AWARDED THROUGH THE EAC FOUNDATION AND THE COLLEGE**

The following scholarships, varying in value, are administered by the Scholarship Office in accordance with stipulations of donors of these awards. You are encouraged to designate, at the time you make application, the specific scholarships for which you wish to be considered.

For additional information regarding the following scholarships, contact the Scholarship Office, Eastern Arizona College, Thatcher AZ 85552-0769; or call (928) 428-8272 or 1-800-678-3808 Ext 8272.

**Allen H. and Marie A. Cress Memorial Music Scholarship.** Awarded to a new or returning member of the A Cappella Choir. Must be a full-time or part-time student on Thatcher campus, must demonstrate good work and study habits and be a positive role model.

**Alumni Association Scholarships.** Each year the Alumni Association awards scholarships covering tuition for one year. Scholarships are awarded to children or grandchildren of EAC alumni who have a 3.5 GPA and are not receiving another EAC Scholarship. Preference given to previous recipients applying for a second year.

**Alumni Library Staff Scholarship.** Awarded annually by the staff of the Alumni Library to a returning full-time student. To qualify, you must be a Work-Study student employed by the Alumni Library, demonstrate good work qualities, and be a positive role model.

**Anna Deane Millett, Don and Carlotta Pace Scholarship.** Awarded annually to a full-time returning sophomore enrolled in a university transfer curriculum and having a cumulative GPA of 3.0 or higher. Preference will be given to a student enrolled in Home Economics or a closely related field.

**Arthur N. and Gwendolyn Eve Excellence in Education Scholarship.** In honor of Arthur N. and Gwendolyn Eve, this scholarship is awarded annually to students who wish to be educators. Assistance is given students completing an Education degree that need financial support to complete their student teaching requirements. The scholarship is used to pay fees for fingerprint card registration required prior to acceptance as a student teacher.

**Ashley Marie Beals Memorial Scholarship.** Must be enrolled in the EAC nursing program or pursuing a degree in Pre-Medical Science. Recipient must be enrolled full-time at the Thatcher Campus. Applicants should include at least two letters of recommendation with their scholarship application.

**Belle and Arnold Greenbaum Scholarship.** Awarded to a returning full-time EAC student majoring in a university transfer curriculum for Mathematics or Education with a cumulative GPA of 3.0 or better. Preference is given to female, reentry students.

**Bernstein Brothers Memorial Scholarship.** Made possible by the friends and family of Billy and Tony Bernstein, this scholarship is awarded to an incoming freshman or sophomore attending EAC pursuing a degree in one of the natural sciences or a degree from the ITE Division. Recipient must be a full-time student with a prior 3.0 GPA.

**Bette N. Smith Nursing Scholarship.** Awarded to a full-time student seeking Registered Nurse Certification. Recipients must have an entry GPA of at least 3.5 from all previous institutions attended and maintain a GPA of 3.5 while at EAC. They should also demonstrate positive work and study habits and be positive role models for others enrolled in the EAC nursing program. Second-year nursing students will be given priority in the selection process.

**Bureau of Indian Affairs Scholarships (BIA).** Federal awards through the BIA and various tribes to Native American students. The application form is the FAFSA, plus the tribal application available from the tribe or the Financial Aid Office. The tribe determines the amount of the award. Disbursements of grants and scholarships will be by cash or check on the first day of the semester or as soon after as practical.

**Catholic Daughters of the Americas Scholarship.** This scholarship is awarded to a deserving Catholic student, either a freshman or a returning sophomore. Recipient must be enrolled in 12 or more hours and maintain a GPA of 2.0 or higher. Recipient must be an active participant with church activities, provide letters of recommendation and complete a supplemental application obtained at the EAC Scholarship office, or the Court St. Rose of Lima Parish.
**Chase Scholarship.** The Safford branch of Chase Bank awards an annual scholarship to returning freshmen who are majoring in some field of Business Administration or who are taking courses in this field. Selection is based upon academic ability (minimum GPA of 3.0), need, and participation in extracurricular activities. Recipient will be a graduate of a Graham County high school.

**Clara Curtis Bennett Memorial Scholarship.** To improve the future of our communities and country, this memorial scholarship is awarded to a full-time student with a 3.25 or higher GPA. Preference is given to a student with financial need who is a resident of Graham or Greenlee counties or other southeastern Arizona rural community.

**Class of 1964 Scholarship.** This scholarship is made possible by the generous contributions of the very loyal and spirited Eastern Arizona Junior College Class of 1964. It is awarded to a full-time student who is entering college as a graduate of an Arizona high school with a 3.0 GPA. The award is for four semesters if recipient maintains a 3.0 GPA and full-time status towards a degree or certificate program.

**College Park Student Scholarship.** Established by Gerald Deabel, owner of the College Park Apartments, this scholarship is awarded to a full-time student who has and maintains a 3.0 GPA at the Thatcher Campus. Recipient must demonstrate financial need.

You must have an entering GPA of 3.0 or higher and maintain this GPA throughout the term of the scholarship. You must possess qualities of personal integrity, good moral character, and good citizenship, demonstrated by three letters of recommendation. Preference given to a student from northeastern Arizona.

Professional Support Staff Scholarship. Available to any currently enrolled full-time student at EAC with a minimum GPA of 3.0 who is nominated in writing by a member of the EAC professional support staff.

Russell T. and Leola Lundell Memorial Scholarship. Awarded to a full-time student majoring in Chemistry, returning to Thatcher campus as a sophomore with a GPA of 3.5 or higher. Satisfactory progress in the major at the end of the freshman year is required as well as financial need. Additional criteria include demonstrated service to the College and the community, and good character. Renewable for one semester.

Ruth Merrill Moeller Scholarship. Established by Mr. Theo L. Moeller in honor of his wife of 50 years and commemorating the beginning of that relationship at Gila College. The scholarship is awarded to a new or returning full-time student majoring in Music.

Safford Business and Professional Women's Club Scholarship. The Safford Business and Professional Women's Club provides this scholarship to women returning to college after an interruption caused by occupational or family responsibilities. Each scholarship provides tuition for one year. Use additional scholarship application available at Admissions and Scholarships Office.

Safford Lions Club Scholarship. Awarded annually to a full-time student who is a graduate of a Graham County high school. Recipient should have a 3.0 GPA, exhibit financial need and give service to the community.

Safford Rotary Club Scholarship. A scholarship is provided for a deserving student who is a graduate of a Graham County school to recognize achievement (high school GPA of 2.5 or higher) and provide financial aid. Recipient must be academically average or above, in need of financial aid, and enrolled for a minimum of 12 hours.

Sarah Lamoreaux Memorial Scholarship. Recipient must demonstrate qualities of goodness and be a positive role model with enthusiasm, dedication and school spirit, as well as demonstrate positive work and study habits.

Sumitomo - Phelps Dodge Scholarship. Established by the Sumitomo Metals Mining Corporation in honor of the 20th Anniversary of their partnership with Phelps Dodge Corporation. This scholarship provides assistance to students pursuing a degree or certification in an Industrial Technology field (ITE) needed in the mining industry. Student must have and maintain a 2.75 GPA or better. Preference given to a Greenlee County resident.

Tom and Becky Johnson Nursing Scholarship. Recipient will be a second year nursing student with a 3.0 GPA. Preference will be given to students exhibiting financial need.

Virginia Rae Barr Memorial Scholarship. Awarded to a full-time Thatcher campus student majoring in Early Childhood Development or Elementary/Secondary Education. Preference given to a student who plans later emphasis in education for the developmentally disabled. Applicants should include a written statement with their application describing their career goals.

Walter and Julia Rogers Scholarship. This endowed scholarship was provided by Walter and Julia Rogers with fond memories of Walter’s great start at Gila Junior College. Recipient must be classified as a full-time student attending the Thatcher Campus of EAC. The recipient shall have and maintain a 3.0 GPA while pursuing a university transfer curriculum or a certificate program that will lead to employment after attending EAC. Preference is given to a student from a Graham County high school.

Wayne M. and Barbara S. McGrath Memorial Scholarship. Established to benefit the students and the community they love, this scholarship was started by the family of former EAC President Wayne McGrath. The recipient shall have and maintain a 3.0 GPA while attending the Thatcher Campus as a full-time student. Preference is given to those showing financial need. Preference given to EAC freshmen returning for their sophomore year. Scholarship is renewable up to four total semesters.

Wilford E. Stailey Memorial Scholarship. Awarded to a full-time Thatcher student returning for the sophomore year who is enrolled in one of the following majors, in order of preference: Computer Information Systems, Computer Information Specialist, or Business and have and maintain a GPA of 2.0 or higher. To receive second semester proceeds, you are required to continue full-time status and a 2.0 or higher GPA.
**William D. Smith Memorial Scholarship.** An annual scholarship is awarded to a student majoring in Drafting. Recipient will be returning as a sophomore, demonstrated by classroom activities to have outstanding drafting ability, show a commitment to career objectives in that field, and have a cumulative GPA of 3.5. Academic excellence in all classroom activities will be an important consideration.

**William J. Bone Scholarship.** Recipient may be a freshman or sophomore and must have entering GPA of 2.5 and must maintain a 2.5 GPA as a full-time student. Arizona residency is required. Personal integrity, good moral character and good citizenship are also considered.

**William N. (Billy) Stroud III Memorial Scholarship.** Awarded to a sophomore returning to Thatcher campus as a full-time student majoring in Athletic Training and acquiring hours toward NATA certification. Additional criteria include outstanding aptitude in athletic training and leadership ability. Recipient must not be receiving any other athletic scholarship.

**Woman's Club of Safford Math/Science Award.** Awarded annually to a student majoring in math or science.

**Woman's Club of Safford Music Award.** Awarded annually to a student majoring in music.

**DONOR SCHOLARSHIPS AWARDED BY DONOR**

Scholarships listed below are awarded as indicated. Application is not made to the College for these awards. Instead, students should contact their high school counseling offices.

**Cobre Valley Community Hospital Auxiliary Nursing Scholarship.** The Cobre Valley Community Hospital Auxiliary in Claypool, Arizona, awards a scholarship to a resident of Gila County who is a full-time student on Thatcher campus seeking a degree in Nursing. You must have completed the educational prerequisites for the EAC nursing program, have an entry GPA of 3.0 or higher from previous institutions attended, and maintain a minimum 3.0 GPA at EAC. You must possess qualities of personal integrity, good moral character, and good citizenship as demonstrated by three letters of recommendation.

**Safford Elks Lodge Scholarship.** Six outstanding high school seniors (3 male and 3 female) are chosen each year to receive the Safford Elks Lodge scholarships. Selection is based on scholastic record, need, leadership and extracurricular participation.
STUDENT SERVICES

ACTIVITIES AND ORGANIZATIONS
Wishing to provide opportunities for wholesome recreation, service to the community, democratic participation in student government, and acquiring experience in leadership, Eastern Arizona College encourages and supports a varied program of student activities and organizations. These include athletics, dramatics, music, religion, student publications, intramural sports, politics, and social and scholastic organizations. Additional information concerning these activities can be found in the Student Handbook published by the Student Life Office.

ALUMNI LIBRARY
The Alumni Library consists of the library and media center. It serves students, faculty, and the community by providing research and recreational materials. Computer facilities and media are also available for use by all students and non-student patrons 18 years of age and over.

The Library has approximately 46,000 books, 100 magazines and newspapers, and 27 subscription databases providing full-text journal and newspaper articles, poetry, short stories, and reference e-books. There are also collections of music CDs and software programs for check-out. There are 12 small conference rooms and three large study areas for student use. Wireless Internet is available for students in the Alumni Library.

The media center has approximately 1,200 DVDs and videotapes available for overnight checkout by students. Computers, printers, and Internet access are available to students and community patrons 18 years of age and over.

Alumni Library hours during fall and spring semesters:
Monday through Thursday 7 a.m. to 10 p.m.
Friday 7 a.m. to 5 p.m.
Saturday 10 a.m. to 4 p.m.
Sunday 6 p.m. to 10 p.m.

Summer hours are:
Monday through Thursday 7 a.m. to 7 p.m.
Friday 7 a.m. to 5 p.m.
Closed weekends

The Library is closed on college holidays, and closes at 5 p.m. the night before holidays. It is open the night before classes resume, from 6 p.m. to 10 p.m. All closures will be posted.

ASPIRE
As a part of the College’s guidance and counseling service, ASPIRE, funded by the U.S. Office of Education under a Title IV Student Support Services grant, is designed to provide eligible students with additional support to make their college experience more successful. Problems with registration, financial aid, transportation, transferring to another school, career decision making, and other student concerns may be resolved with the aid of the ASPIRE counselors and advisors. ASPIRE also provides alternative modes of instruction in mathematics for students as well as tutoring in all subject areas.

Financial need, a disabling condition, or being a first-generation college student are the primary eligibility requirements for ASPIRE. Check with the Counseling Department to see if you are eligible for these services.

AWARDS
At the end of each school year a variety of awards are presented to students who have shown outstanding achievement during the school year. Following is a list of some of the annual awards.

Athletic Awards. In addition to the annual Letterman awards, the Athletic Department and other boosters recognize outstanding performances in the areas of athletics by presenting the following awards:

Alvin Goodman Scholastic Award: In memory of Alvin Goodman, an award is presented to the letterman in basketball who has received the highest scholastic average of the year.

Athlete of the Year Award: Awards are given to both the male and female Athlete of the Year. The Athletes of the Year will have their names engraved on the permanent trophy in the trophy case.

Basketball Most Valuable Player Award: The most valuable basketball player will have his name engraved on a permanent trophy.

Wayne M. McGrath Scholastic Award: Given to the female athlete with the highest GPA for that year. Recipient may be a freshman or sophomore.

Carl Kyser Award. This award honoring a former EAC Automotive Instructor, is given annually to the outstanding automotive student.

Cassius Bavor Award. This is in memory of Cassius Bavor, a former employee of Eastern Arizona College. It is given to the most outstanding student employee on campus.

Criminal Justice Student Association Award. The students of CISA give this award to a returning Administration of Justice student. Selection criteria include a 3.0 or higher GPA, providing service to the Club and the community, personal integrity, and a commitment to career objectives in the Administration of Justice field.

Dramatic Awards. Given to the outstanding male and female drama student in the following categories: Best Actor, Best Supporting Actor, Most Improved Actor. Other awards include the “Techie” Award and the Donald P. Jones award for service beyond the call of duty.

EAC Faculty Association Award for an Outstanding Graduating Student. The Eastern Arizona College Faculty Association gives an award to an outstanding graduating student. GPA, extracurricular activities at the College, and community involvement help determine the winner who must be graduating in May.

Keita James Smith Award. Given by Mr. and Mrs. Keith E. Smith in memory of their son, Keita James Smith, a cash award is presented to a male student who is outstanding in science or technology.

Music Awards. Given to the outstanding music students as chosen by the music instructors.

Nat Hoopes Memorial Mayor’s Trophy. Given to the student with the highest GPA over four semesters of attendance at EAC, with a demonstrated record of leadership in school activities and satisfactory citizenship.

Voice Magazine. Prizes are awarded each year to outstanding poets and fiction writers whose work has appeared in the publication.
When College officials have probable cause to believe that a student has contracted a communicable disease which, through transmission, may present a significant injury/risk to other students, it will be the responsibility of a student living in a residence hall to secure other accommodations should the District require isolation.

The College does not assume any responsibility for accomplishing the isolation of a student with an identified communicable disease that may present significant injury/risk to other students. It will be the responsibility of a student living in a residence hall to secure other accommodations should the District require isolation.

The College shall respect the right to privacy of any student who has a communicable disease that may present significant injury/risk to other students. The student’s medical condition shall be disclosed only to the extent necessary to minimize the health risks to other students and District staff. The chief student officer of a particular campus or center shall determine who shall be made aware of the student’s condition while at the same time taking steps to assure that the number of personnel made aware will be kept at the minimum needed to assure proper care of the student and to detect situations in which the potential for transmission of the disease may increase. Persons deemed to have a “direct need to know” will be provided with appropriate information; however, these persons shall not further disclose such information.

Substance abuse prevention within the Eastern Arizona College community is the assigned responsibility of the Counseling Department. To this end, the Department, on an ongoing basis, assesses the nature and extent of substance abuse at Eastern Arizona College and tailors preventative measures to identified needs of the College. These measures include the dissemination of information, referrals to community support agencies and the sponsoring of counseling and workshop programs within which individuals can explore the extent of their own drug and/or alcohol dependency. This prevention program is available to all EAC students and staff.

Health Services are provided. Please contact the Assistant Dean of Counseling on the Thatcher Campus to inquire about procedures.

The Arizona Relay Service provides free telephone access 24 hours a day for the hearing or speech impaired. To access, please call 1-800-367-8939 and ask for Eastern Arizona College at (928) 428-8253.

SUBSTANCE ABUSE PREVENTION PROGRAM

Services and educational opportunities for students with disabilities are provided. Please contact the Assistant Dean of Counseling on the Thatcher Campus to inquire about procedures.

TUTORING

Students requiring extra assistance in their academic work are encouraged to contact their instructors, faculty advisor, or visit the Counseling Department to inquire about tutoring services. Depending on the availability of funds and qualified tutors, every effort will be made to arrange a tutoring program to meet your needs.
STUDENT CODE OF CONDUCT

THE COLLEGE HAS THE OBLIGATION to determine the standards of conduct appropriate for those who become members of its student body. These standards apply to all and will be administered by the President and/or his designee who may take disciplinary action deemed appropriate for the violation committed. Students, who have rights and privileges as citizens, must keep in mind that admission to the College is a privileged status and involves special additional obligations to the college community. It also presumes that students, as members of the academic community, understand that due regard for law and the rights of others are always involved in the realm of liberty.

The rules of conduct specified below are not all-inclusive but are emphasized as being among those necessary for the security and well-being of students attending Eastern Arizona College and are among the circumstances which may lead to disciplinary action and possible dismissal.

- Conviction of a crime or continued misconduct of any type that is an infraction of the established laws of the town, county, state or nation.
- Possessing or using intoxicating liquors, narcotics or other illegal drugs.
- Stealing or in possession of stolen articles.
- Malicious destruction of property.
- Endangering or threatening the life or physical safety of others or self, including forcible or nonforcible sexual assault.
- Possession/use of any projectile weapon on campus.
- Failure to meet financial obligations to the College.
- Student conduct, on or off campus, prejudicial to the best interest of the College may be considered cause for disciplinary action or dismissal.

GRIEVANCE PROCEDURE—NON-ACADEMIC STANDARDS

Students aggrieved by College actions of a non-academic nature shall have the opportunity for appeal. When a complaint about a non-academic action arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render the complaint legitimate. Complaints of sexual harassment should follow the procedure set forth in GCCCD Policy 4730.00 Sexual Harassment and described later in this section under “Sexual Discrimination/Harassment Complaints”. The student’s right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process—Non-Academic Standards. The Official Review Process – Non-Academic Standards may not be applicable when services are delivered under the provisions of a negotiated contract. The appeal process does not suspend any actions which are being grieved.

DEFINITION OF TERMS

Days: Calendar days exclusive of weekends, semester breaks, and official holidays as identified in the College Catalog.

Complainant: Student complainant.

Official: College official(s) responsible for the program or action for which the student complainant has a grievance.

Student Affairs Officer: Campus official designated by the College President for oversight of student affairs.

Judiciary Committee: College committee charged with responsibility to advise the College President on policies, standards, rules and regulations for non-academic standards; and to serve as an appeals committee for grievances involving non-academic standards.

Non-Academic Standards: All institutional actions exclusive of academic standards and discrimination as defined by federal or state laws.

OFFICIAL REVIEW PROCESS

Step 1. The Complainant shall seek out, within five (5) days of the action, the Official so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

Step 2. If Complainant satisfaction is not achieved in Step 1, the Complainant shall provide a written request identifying the problem and requesting a meeting with the Student Affairs Officer. Within five (5) days of receipt of the request, the Student Affairs Officer shall arrange for a meeting with the Complainant and attempt to mediate an acceptable solution.

Step 3. If Complainant satisfaction is not achieved in Step 2, the Complainant shall provide a written request for a hearing by the Judiciary Committee. The request shall articulate the complaint and shall be delivered to the Chairperson of the Judiciary Committee and Student Affairs Officer within five (5) days after receiving a recommended solution as provided in Step II. Within ten (10) days of receipt of the request for a hearing, but not less than three (3) days of receipt of the request, the Chairperson of the Judiciary Committee shall arrange for a hearing. The Complainant, the Student Affairs Officer and the Official shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Judiciary Committee shall set forth a written document addressing findings of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Student Affairs Officer, the Official and the College President. Decisions made by the Judiciary Committee are binding.

SEXUAL DISCRIMINATION/HARASSMENT COMPLAINTS

It is the policy of Eastern Arizona College that there be no discrimination against any employee, applicant for employment, or student on the basis of sex. In keeping with this policy, the College prohibits sexual harassment by any of its employees, its students, or third parties against any other employee, applicant for employment, or student. The College considers sexual harassment to be a major offense that can result in the suspension or discharge of the offender.
Any unwelcome sexual advance, request for sexual favors, or other verbal or physical conduct of a sexual nature, constitutes sexual harassment when:

1. Submission to the conduct is made either an explicit or implicit condition of employment or academic standing;
2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting an employee or applicant for employment; or used as the basis for an academic decision affecting a student; or
3. The harassment substantially interferes with an employee’s work performance or creates an intimidating, hostile or offensive academic environment.

**BRINGING A COMPLAINT**

Any employee, applicant for employment, or student who believes that he/she or another employee, applicant for employment, or student, (1) has been discriminated against on the basis of sex, or (2) has been sexually harassed, should promptly report the matter to any Dean (Assistant, Associate, etc.), the Provost, or Executive Vice President of the College. A College Dean, Provost, or Executive Vice President who receives a report of sexual harassment must present the allegations to the College President as soon as reasonably possible. The College President or personnel designated by the College President shall investigate complaints of sexual harassment. A complaint arising from a Graham County site may be reported to the Provost/Chief Academic and Student Officer at 928-428-8261, Student Services Building Room 219. A complaint arising from a Greenlee County site may be reported to the Dean of Discovery Park Campus at (928) 428-6260, Discovery Park Campus, 1651 W. Discovery Park Blvd., Safford, AZ 85546.

**RESOLUTION OF A COMPLAINT**

The College is committed to investigating each complaint thoroughly and taking immediate and appropriate corrective action on all confirmed violations of this policy. In determining whether or not any particular alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the alleged incident(s) and the context in which the alleged incident(s) occurred will be reviewed and considered. The College prohibits reprisals by any of its employees or students against any complaining employee(s), student(s), or corroborating witness(es). Confidentiality will be maintained to the maximum extent reasonably possible.

**SEXUAL ASSAULT COMPLAINTS**

A charge of sexual assault against a College student will be handled in a similar manner as described above in the Complaint of Sexual Harassment by the Provost/Chief Academic and Student Officer of the Thatcher Campus or Chief Officer for Greenlee County Eastern Arizona College sites. When a complainant of sexual assault gives information to the Officer that a sexual assault has taken place and accuses a College student of the offense, the Officer will have the discretion to suspend the accused student pending a hearing. When any necessary investigation is complete, the Officer will formally notify the accused student of the charges and will set a hearing date within 5 class days.

**GENERAL COLLEGE REGULATIONS REGARDING THE ILLEGAL USE OF A CONTROLLED SUBSTANCE**

1. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited on College property or as part of any of the College’s activities. For purposes of this regulation a controlled substance shall include any of the following:
   a. An illegal drug
   b. A legal drug used in excess of medically prescribed dosage
   c. An alcoholic beverage
   d. Any other mind-altering substance used in excess of medically prescribed dosage.

2. The conviction for the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance on College property or as part of any of its activities shall be cause for immediate suspension and shall result in one or more of the following conditions as considered appropriate by the College Office designated in charge of student affairs:
   a. Termination of enrollment with the college;
   b. Requirement for the student to participate satisfactorily in a substance abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency; and/or
   c. Other enrollment restrictions or stipulations as deemed in the best interest of the College and the student.

3. Students shall receive each semester in the Class Schedule for careful consideration, information provided by the College detailing:
   a. Standards of conduct related to the possession, use, or distribution of drugs and alcohol by students on our institution’s property or as any part of our institution’s activities, including sanctions imposed for violation of those standards as detailed above in “General College Regulations,” paragraphs A and B;
   b. A description of applicable legal sanctions under local, state, and federal law for unlawful possession, use, or distribution of illicit drugs and alcohol;
   c. A description of the health risks associated with use of illicit drugs and the abuse of alcohol; and
   d. A description of any drug and alcohol counseling treatment or rehabilitation or reentry programs that are available to students.

The College will conduct a biennial review of its “Program to Prevent Illicit Use of Drugs and Abuse of Alcohol by Employees and Students” to determine its effectiveness, implement needed changes, and ensure that disciplinary sanctions are consistently enforced.

Note: Federal law allows notification of parents or guardians when there is a violation of this policy or a student exhibits a pattern of illegal substance use.

**INTERFERENCE WITH OR DISRUPTION OF EDUCATION**

Eastern Arizona College is dedicated to the concept of providing education to all those who can benefit therefrom. The College has a responsibility to maintain public order so that individual rights to benefit from its programs and facilities will not be impaired.

A person commits interference with or disruption of education at Eastern Arizona College by doing any of the following:

- For the purpose of causing, or in reckless disregard of causing, interference with or disruption of Eastern Arizona College, threatening to cause physical injury to any employee of Eastern Arizona College or any person attending Eastern Arizona College.
- For the purpose of causing, or in reckless disregard of causing, interference with or disruption of Eastern Arizona College, threatening to cause damage to Eastern Arizona College, the property of an Eastern Arizona College employee or any person attending Eastern Arizona College.
- Knowingly going on or remaining on the property of Eastern Arizona College for the purpose of interfering with or disrupting the lawful use of the property or in any manner as to deny or interfere with the lawful use of the property by others.
- Knowingly refusing to obey a lawful order given pursuant to A.R.S. § 13-2911 (C).
• Bringing onto campus, or possessing on campus any: (a) deadly weapon, (b) firearm (loaded or unloaded), (c) explosive, (d) nunchaku, (e) breakable container containing flammable liquid with a flash point of 150 degrees Fahrenheit or less and has a wick or similar device capable of being ignited, or (f) any combination of parts or materials designed and intended for use in making or converting a device into any item set forth in subdivisions (c) or (e) of this paragraph. The provisions of this paragraph shall not apply to Police Officers, certified and commissioned in the State of Arizona, or to weapons, and/or chemicals possessed and used as part of a course of instruction at Eastern Arizona College, or for weapons used for lawful exhibition or demonstration approved by the College President or designee.

For purposes of this policy, “interference with or disruption of” includes causing an employee of Eastern Arizona College to take any action to protect Eastern Arizona College or the employees, students or property of Eastern Arizona College.

Campus Security shall have the primary charge to maintain public order and the peaceful conduct of education upon all College property, assisted, when appropriate, by local law enforcement personnel.

Penalties for interference with or disruption of education upon College property shall include all appropriate legal remedies including, but not limited to: (a) the criminal penalties specified by A.R.S. § 13-2911, (b) the offender being required to leave College property, and (c) in the case of a student, faculty member or other staff violator, suspension, expulsion, or other appropriate disciplinary action. In addition, any deadly weapon, dangerous instrument, or explosive that is used, displayed or possessed by a person in violation of this policy shall be forfeited or otherwise disposed in accord with A.R.S. § 13-2911 (D).

ACADEMIC INTEGRITY
Academic integrity is a vital part of the culture of all successful institutions of higher learning. The value of the degrees, certificates, and coursework offered by Eastern Arizona College greatly depends, now and in the future, on its reputation as an institution dedicated to academic honesty. This Academic Integrity Policy provides guidance in helping students and faculty understand the meaning and importance of academic integrity; defines academic dishonesty; and outlines the procedures for handling infractions of academic integrity. No provision or section of this policy shall be construed as infringing upon the academic freedom of any member of the EAC community to pursue and participate in any academic endeavor ordinarily considered appropriate. Each member of the EAC community is charged with honoring and upholding the policies and procedures governing academic integrity as set forth below.

DEFINITION OF TERMS
As used in this policy:

**Academic evaluation** refers to any assignment, project, test, essay, quiz, performance, or other task or instrument by which students demonstrate mastery of course content, thus earning credit toward a class grade.

**Academic integrity** means honesty and responsibility associated with study, learning, and scholarship.

**Academic misconduct** means any act contrary to Academic Integrity, such as cheating, plagiarism, and earning grades dishonestly.

**Academic standards** are the rules and principles by which grades, student conduct, professional educator conduct, and class materials are evaluated.

**Admissions and Academic Standards Appeals Committee** serves as the appeals committee for grievances concerning academic standards; compiles and considers reports on the nature and frequency of academic misconduct; hears charges and evidence of repeated or particularly serious academic misconduct; and imposes sanctions when such types of academic misconduct is determined to have occurred.

**College** means any and all Graham County Community College District (GCCCD) locations to which Eastern Arizona College delivers instructional services to students enrolled for credit.

**Dean** is the administrator who, under the direction of the Provost/Chief Academic and Student Officer, supervises several academic divisions and other specified college areas.

**District** refers to the Graham County Community College District.

**Division Chair** is the person who immediately supervises professional educators in the departments comprising a division and other programs relevant to the division function.

**Judiciary Committee** serves as the appeals committee for grievances involving non-academic standards, hears charges and considers evidence of academic misconduct in the most serious cases, and imposes sanctions when academic misconduct is determined in those cases.

**Plagiarism** is the use of another person’s words, materials, work, and ideas; and adoption of an actual document, including a document available electronically, without properly acknowledging and documenting the source.

**Professional educator** is employed by the College as the instructor of record, contributing/substitute instructor of record, proctor, GCCCD staff or employee responsible for delivering instructional services and or resources to students.

**Student** means a person who is registered in a College course.

**STUDENT RESPONSIBILITIES**
Students are responsible for understanding the College’s policy regarding academic integrity and academic misconduct as well as the sanctions that may be imposed as a result of academic misconduct. Students are also responsible for understanding their appeal rights associated with findings of any policy violation.

Students shall practice the provisions of the College’s Code of Academic Integrity and uphold integrity in their academic pursuits.

**CODE OF ACADEMIC INTEGRITY**
Students at Eastern Arizona College are expected to:

• Conduct themselves in accordance with principles of academic integrity
• Behave so as to foster an atmosphere of honesty and fairness
• Avoid plagiarism and other forms of academic misconduct
• Give truthful information to any College professional educator or to any other College employee regarding issues concerning academic integrity or academic misconduct, or suspected academic misconduct
• Not alter, misuse, or forge any College document, record, or instrument of identification.

Students are not excused from these provisions because of any failure or inability on the part of the professional educator to prevent other instances of academic misconduct.

**ACADEMIC MISCONDUCT**
Academic misconduct includes any act that improperly affects the evaluation of a student’s academic performance or achievement, or any act
designated to deceive a professional educator. Specific infractions include, but are not limited to, the following:

1. **Cheating on Examinations:** Cheating includes the use of crib sheets, “cheat sheets,” or discarded computer programs; aid from other persons; copying from another student’s work; and soliciting and giving or receiving unauthorized aid orally, electronically, or in writing. The student will not consult books, notes, calculators, or other materials of any kind during an examination or assignment without the express permission of the instructor. If calculators, spellers, or other hand-held electronic devices are permitted to be used during an examination or assignment, no information may be programmed into or retrieved from the device other than that expressly permitted by the instructor.

2. **Inappropriate Collaboration:** Permission from an instructor for students to “work together” on homework, an assignment, or paper is not permission for one student to present another student’s work as his or her own. Unless the professional educator specifies otherwise, all work submitted for a grade or credit toward completion of a course will be the product of the student’s own understanding, expressed in the student’s own words, calculations, computer code, etc. One form of inappropriate collaboration involves having another person significantly alter either the content or grammar of the student’s written work. A student may seek feedback from another student or individual concerning a document’s content, grammar, and spelling, but to avoid this type of inappropriate collaboration, the student must fix problems himself or herself.

3. **Submitting the Same Assignment for Different Classes:** Submitting the same assignment for a second class violates the assumption that every assignment advances a student’s learning and growth. Unless instructors of both classes involved expressly allow it, submitting an assignment already submitted for another class is a breach of academic integrity.

4. **Intentional Misrepresentation:** Misrepresentation occurs when a student claims that source materials contain information or phrasing that they do not. In addition, misrepresentation occurs when a student omits or inserts words, changes words, misquotes, or takes correctly quoted phrases out of context. If this is done with the intent to deceive a professional educator in any academic evaluation, the student has committed a breach of academic integrity.

5. **Plagiarism:** Plagiarism means presenting someone else’s ideas or words as one’s own. Plagiarism may involve some degree of intent or may be the result of carelessness or ignorance of acceptable forms for citation. Not knowing how or when to cite a source does not excuse an act of plagiarism. Each of the four kinds of plagiarism below is a breach of academic integrity.

   - **Copying without citation:** The most serious form of plagiarism, involves copying part or all of a paper from the Internet, from a book or magazine, or from another source without indicating that the work is someone else’s. To avoid this form of plagiarism, quoted material must be placed in quotation marks and one of the standard forms of documentation (APA, MLA, etc.) must be used to indicate where the material came from.

   - **Copying from an external source and citing the source but failing to show (by the use of quotation marks, for example) that the material is a direct quotation:** This is another form of plagiarism. Simply documenting the source does not indicate that the words themselves are someone else’s. Avoiding this form of plagiarism involves putting all quoted material in quotation marks or using the format designated by APA, MLA, etc. to indicate quoted material.

   - **Incorrect paraphrasing:** Another form of plagiarism. Paraphrasing involves putting a lengthy phrase, sentence, or group of sentences written by another into one’s own words, thereby making it significantly different from the original. Changing a few words, or rearranging words, is not proper paraphrasing, and though the source is cited (as is always required with paraphrased material), wording remains substantially that of another and cannot rightfully be represented as original. Avoiding this form of plagiarism involves either making the material a direct quote by using quotation marks and citing the source, or paraphrasing properly by substantially changing the original to new words; again, making sure to cite the source.

   - **Presenting arguments, lines of reasoning, or facts learned from someone else without citing the source, even if the material is paraphrased, is another form of plagiarism. The source must be properly cited.**

6. **Improper Influence:** Attempting to influence a grade or to receive any other academic benefit not earned through the normal exercise of academic effort by offering anything of value, including the performance of services, to a professional educator, College employee, other College student, or any other person, is academic misconduct.

**PROCEDURES, SANCTIONS AND APPEALS**

**THE PROFESSIONAL EDUCATOR**

The College respects and accepts the professional educator’s qualifications and rights to determine academic standards. The professional educator is accountable for establishing and maintaining appropriate academic standards for coursework and for informing students of any special rules or practices for a particular class.

When a professional educator becomes aware of a possible violation of academic integrity by one of his or her students, a confidential conference between the professional educator and the student should be held to discuss the perceived violation and its consequences. If, following the conversation, the professional educator is satisfied that a violation has occurred, he or she may determine that one or more of the following consequences are appropriate and impose such penalty:

- Issuing a verbal or written reprimand
- Requiring that the academic project or examination in question be repeated
- Assigning the academic project or examination in question a reduced grade
- Requiring that the academic project or examination in question be repeated for a reduced grade
- Assigning the academic project or examination in question a failing grade
- Assigning a reduced grade in the course
- Assigning a failing grade in the course
- Initiating the student’s involuntary withdrawal from the course

The professional educator will resolve most violations in the above manner.

The professional educator will report each violation and its disposition to the division chair within five business days of the occurrence; the chair will report to the appropriate dean, who in turn will report it to the Admissions and Academic Standards Appeals Committee. If the professional educator feels that the violation in question was especially serious or repeated, he or she may recommend that additional penalties be imposed.

**THE ADMISSIONS AND ACADEMIC STANDARDS APPEALS COMMITTEE**

The Admissions and Academic Standards Appeals Committee will be notified of all acts of academic misconduct. Such reports will be noted in the agenda and minutes of committee meetings. The committee may
report the incidence and nature of these violations to the faculty and administration at appropriate intervals.

When, in the opinion of the committee, evidence of repeated or especially serious offenses exists, or upon the recommendation of the professional educator involved, the Admissions and Academic Standards Appeals Committee will consider the case and may decide to impose one or more of the following additional penalties against a violator:

- Placing a written reprimand in the student’s permanent file
- Restricting the student’s access to certain college resources
- Requiring the student to complete an academic integrity education program
- Placing the student on academic probation.
- If the Admissions and Academic Standards Appeals Committee concludes that the violation is so serious as to possibly warrant the student’s exclusion from extracurricular college activities, or suspension or dismissal from the College, it will make that recommendation to the Judiciary Committee.

THE JUDICIARY COMMITTEE

The Judiciary Committee will resolve the most serious acts of academic misconduct. Only the Judiciary Committee has authority to suspend or expel a student from the College for academic misconduct.

ACADEMIC REGULATIONS

ACADEMIC GOOD STANDING

*Academic Probation.* If an enrolled student’s cumulative Grade Point Average (GPA) in either the fall or spring semester falls below the following levels in relation to the student’s total credits used in the calculation of the Grade Point Average, the student will be placed on academic probation. In the subsequent fall or spring semester the student will be allowed to register for no more than sixteen (16) credits.

<table>
<thead>
<tr>
<th>Credit Hours</th>
<th>Minimum Grade Point Average Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>12-15</td>
<td>1.60</td>
</tr>
<tr>
<td>16-30</td>
<td>1.75</td>
</tr>
<tr>
<td>31-45</td>
<td>1.90</td>
</tr>
<tr>
<td>46+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

*Extended Academic Probation.* At the end of the academic probation semester if the student fails to raise his/her GPA to the minimum GPA requirement specified above, the student will be placed on extended academic probation. While on extended academic probation the student will be limited to seven (7) credit hours in subsequent semesters and summer sessions until such time as the student meets the appropriate standard.

*Appeal of Academic Probation or Extended Academic Probation.* If a student believes he/she was placed on academic probation or extended academic probation as a result of extenuating circumstances, the student may petition the Admissions and Academic Standards Appeals Committee for an exception.

ATTENDANCE

You are expected to attend all class meetings and laboratory sessions for which you are registered. Instructors will advise you in writing of class policies governing absences, punctuality, make-up assignments, and exams at the beginning of each term.

ABSENCES

Absences accumulate beginning with the first day of class.

*Official Absences.* Absences from class due to authorized participation in College sponsored activities will be considered as official absences. There will be no institutionally sanctioned penalty associated with official absences. Designation of official absences will be made through the Provost/Chief Academic and Student Officer.

*Unofficial Absences.* Absences other than official absences will be considered as unofficial absences. Instructors are authorized to withdraw a student from class for excessive unofficial absences.

MAKE-UP ASSIGNMENTS AND EXAMS

It is your responsibility to make up any assignments or exams missed because of either an official or unofficial absence. Arrangements for make-up assignments or exams must be made with the individual instructor prior to the absence. At the discretion of the instructor, you may be denied the opportunity to make up assignments or exams missed because of an unofficial absence. Make-up assignments or exams for official absences shall not be punitive in nature.

PUNCTUALITY

You are expected to be prompt in attending each of your classes. Instructors are authorized to take appropriate actions, including withdrawing you from class, because of excessive tardiness.

THE CREDIT SYSTEM

Credit is given by means of a semester credit system which assigns each course a certain number of credits. A credit usually represents three hours of work each week in a 16-week semester; it may stand for an hour of classroom work and two hours of preparation, for three hours of laboratory work, or for some other combination as the particular course may demand.

After receiving recommendation from the Admissions and Academic Standards Appeals Committee that a violation of academic integrity may warrant the student’s dismissal from the college, the Judiciary Committee will consider the evidence and render a decision which shall be binding, subject only to student appeals as otherwise provided.

The Judiciary Committee may impose additional penalties against a violator, which may include:

- Censure and exclusion from extracurricular college activities, including student government, athletics, performances, or other activities of the college community
- Suspension for a specified period of time
- Expulsion from the College without expectation of readmission

A STUDENT’S RIGHT TO APPEAL

A student may appeal any decision to impose discipline as a result of academic misconduct through the established Grievance Procedure and Official Review Process for Academic Standards (GCCCD 5810.02).
AWARDING TRANSFER CREDIT

To apply credit earned at another accredited institution of higher education towards your EAC Degree, you must have each of your former colleges send an official college transcript directly to EAC's Records and Registration Office. If you are applying for transfer credit earned at an out-of-state college you must also furnish the Records and Registration Office with a copy of the catalog in effect at the time the course work was taken.

You may receive transfer credits for courses taken at another accredited higher education institution in which you received a grade of “C” or better. When the transfer courses are determined to be equivalent or very similar to EAC courses, you will receive credit for the equivalent EAC courses. Courses that are determined to not be equivalent or similar to EAC courses will transfer as elective credit. In unusual circumstances, you may petition the Admissions and Academic Standards Appeals Committee for credit for transfer courses in which a grade of "D" was received.

Courses taken from another institution while you are academically suspended from EAC will not be accepted by EAC.

Accredited higher education institutions are those that are fully accredited by New England Association of Schools and Colleges, Middle States Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Schools and Colleges, Southern Association of Colleges and Schools, and/or the Western Association of Schools and Colleges.

Transfer credit from non-accredited postsecondary institutions may also be accepted if such credits represent equivalent or higher level work at Eastern Arizona College.

Prerequisite courses taken over ten years ago may not prepare you well for the subsequent course due to changes in the body of knowledge in the field being studied.

NATIONAL STANDARDIZED EXAMINATIONS

You may be awarded college credit for satisfactory scores on national standardized examinations listed in the American Council on Education’s “A Guide to Educational Credit by Examination, 4th Edition,” or its successor.

CLEP is an example of such an examination. The College’s Evaluation Center administers the CLEP. There is a fee for the CLEP exam. If you intend to transfer to another college or university you are cautioned that policies governing the awarding of CLEP credit vary from institution to institution. In all cases, scores earned for CLEP examinations will have to be submitted separately to each institution at which credit is being sought.

Credit for CLEP scores earned after July 1, 2005. You may be awarded EAC credit through CLEP scores earned after July 1, 2005 if you scored 50 or above on the subject exams.

LANGUAGES

The preferred method of demonstrating language proficiency in Spanish, French and German at EAC is by enrolling in the College’s competency based courses in one of those languages at the appropriate level, rather than attempting a CLEP or other exam. Once proficiency has been demonstrated, EAC will place the credits earned on your transcript making them fully transferable.

Should you wish to obtain EAC language credit through CLEP, the following standards will apply. Students who are awarded EAC language credit through CLEP and who wish to transfer this credit as evidence of language proficiency, may also be required by the receiving institution to pass an oral examination.

COMPETENCY BASED CREDIT

The College offers open entry/open exit courses in which student success and course completion is based on mastery of specified competencies. Such courses are laboratory intensive, and are characterized by students entering and completing within various time frames. Open entry/open exit courses are not tied to minute:credit ratios. Credits are awarded upon the achievement of clearly defined and measurable course competencies.

CREDIT BY ARTICULATION WITH SECONDARY SCHOOLS

High school students participating in a secondary program articulated with Eastern Arizona College will receive college credit according to the terms of the articulation agreement with the specific secondary school. Credits earned via articulated secondary programs may not be transferable, depending on the policies of the receiving institution.

CREDIT BY DEPARTMENTAL EXAMINATION

If you have acquired college level knowledge or skill through work or life experiences for which you have not received college credit, you may petition the Admissions and Academic Standards Appeals Committee to earn college credit by taking an EAC Departmental Exam provided you are not currently enrolled in that course nor seeking credit for a lower level course after successfully completing a higher level course. This petition may be obtained through EAC’s Records and Registration Office or online through your Gila Hank Online account. Upon approval of your petition, a comprehensive written and/or performance examination (not the course final exam) relating experience to course content will be administered by an instructor designated by the Provost/Chief Academic and Student Officer. The examination will be documented by filing results in EAC’s Records and Registration Office. If proper test administrators are not available at the time of your request, you may wait until the test administrator is available. Permission to take such an exam is limited to subject areas offered by Eastern Arizona College in which competency can be measured satisfactorily by a written or performance test. A course may be challenged only one time. Credit awarded on this basis will be recorded on an official transcript only upon completion of 16 credit hours at Eastern Arizona College and will be shown on the transcript as “credit by departmental examination.” A credit by examination fee will be charged for the examination (see catalog, section “Other Fees”). Upon transfer, acceptance of credit awarded by means of departmental exam may be treated differently by the receiving institution.

CREDIT FOR ADVANCED PLACEMENT

Testing and evaluation for Advanced Placement will be uniform throughout the District and shall be applied uniformly by divisions and individual instructors.

The following list shows the EAC credit awarded for specific advanced placement examinations.

**American History.** An AP Exam score of 4 or 5 earns credit for EAC courses HIS 101 and 102, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

**Art (History).** An AP Exam score of 3, 4 or 5 earns credit for EAC course ART 134, for 3 credits. A score of 1 or 2 earns no credit.

**Art (Studio).** With an AP Exam score of 3, 4 or 5, the Art Department will evaluate your portfolio for possible credit. A score of 1 or 2 earns no credit.

**Biology.** An AP Exam score of 4 or 5 earns credit for EAC courses BIO 181 and 182, a total of 8 credits. A score of 3 earns credit for BIO 100, for 4 credits. A score of 1 or 2 earns no credit.

**Chemistry.** An AP Exam score of 4 or 5 earns credit for EAC courses CHM 151 and 152, a total of 8 credits. A score of 3 earns credit for CHM 151, for 4 credits. A score of 1 or 2 earns no credit.

**English Literature/Composition.** An AP Exam score of 4 or 5 earns credit for EAC course ENG 101, for 3 credits. A score of 1, 2 or 3 earns no credit.

**English Language/Composition.** An AP Exam score of 4 or 5 earns credit for EAC courses ENG 101 and 102, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

**European History.** An AP Exam score of 4 or 5 earns credit for EAC courses HIS 104 and 105, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

**French Language.** An AP Exam score of 3, 4 or 5 earns credit for EAC courses FRE 101, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

**German Language.** An AP Exam score of 3, 4 or 5 earns credit for EAC courses GER 101, 102, 201 and 202, a total of 16 credits. A score of 2 earns credit for GER 101 and 102, a total of 8 credits. A score of 1 earns no credit.

**Mathematics AB.** An AP Exam score of 3, 4 or 5 earns credit for EAC course MAT 220, for 4 credits. A score of 1 or 2 earns no credit.

**Mathematics BC.** An AP Exam score of 4 or 5 earns credit for EAC courses MAT 220 and 230, a total of 8 credits. An AP Exam score of 3 earns credit for EAC course MAT 220, for 4 credits. A score of 1 or 2 earns no credit.

**Music Literature.** An AP Exam score of 3, 4 or 5 earns credit for EAC course MUS 101, for 3 credits. A score of 1 or 2 earns no credit.

**Political Science American Government and Politics.** An AP Exam score of 4 or 5 earns credit for EAC course POS 110, for 3 credits. A score of 1, 2 or 3 earns no credit.

**Spanish Language.** An AP Exam score of 3, 4 or 5 earns credit for EAC courses SPA 101, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

**Statistics.** An AP Exam score of 3, 4 or 5 earns credit for EAC course MAT 160, for 3 credits.

CREDIT FOR APPRENTICESHIP TRAINING, LICENSING, OR OTHER AGENCY TRAINING OR EXAMINATION

If you hold a valid and current license or accreditation for a specific skill or trade which included passing an exam by a state or nationally recognized Board and have been actively practicing that skill within the last five years, you may petition the Admissions and Academic Standards Appeals Committee for college credit in subject areas offered by EAC. If you hold a valid and current license or accreditation for a specific skill or trade which included passing an exam by a state or nationally recognized Board and have been actively practicing that skill within the last five years, you may petition the Admissions and Academic Standards Appeals Committee for college credit in subject areas offered by EAC. If you wish to receive college credit, you must supply the name and address of the accrediting Board, trade school, or agency to EAC’s Records and Registration Office.

Upon request by EAC’s Records and Registration Office, the place of prior training or examination will be evaluated. If appropriate, credit will be awarded. If the information is inadequate for evaluation, the Admissions and Academic Standards Appeals Committee, in consultation with the Division in which courses are listed, will determine the specific courses for which credit will be given on the official transcript.

Transcript wording will be “Credit by departmental evaluation.” If there is a question about awarding of credit under these conditions, you will be given the opportunity to earn the credits in question by examination as described under the Credit By Examination section. Credit earned by apprenticeship training, licensing, or other agency training or examination may not be transferable.

CREDIT FOR MILITARY TRAINING

“The 2006 Guide to the Evaluation of Educational Experiences in the Armed Services” or its successor, published by the American Council on Education, is used as the basis for evaluating training and experience in the armed forces. A student may receive college credit if the armed services training parallels a curriculum area offered at Eastern Arizona College, and the credit meets a program requirement, or is used as elective credit. Credit awarded on this basis will be recorded on an official transcript only upon completion of at least 16 credit hours in courses at Eastern Arizona College and will be shown on the transcript as “military credit awarded by evaluation.” Upon transfer, acceptance of credit awarded for military service may be treated differently by the receiving institution.

CREDIT BY EVALUATION

The “National Guide to Educational Credit for Training Programs,” or its successor, published by the American Council on Education is used as the basis for evaluating training and experience in non-collegiate sponsored training programs. A student may receive Eastern Arizona College credit if the non-college training program parallels a curriculum area offered at EAC and the credit meets a program requirement or is used as elective credit. Credit awarded on this basis will be recorded on an official transcript only upon completion of at least 16 credit hours in courses at Eastern Arizona College and will be shown on the transcript as “credit awarded by evaluation.” Upon transfer, acceptance of credit awarded by evaluation may be treated differently by the receiving institution.

GRADING

Each course in which you are enrolled at the close of registration for that course will be awarded one of the following grades:

<table>

</tr>
</tbody>
</table>

Grade point averages are computed by multiplying the grade points earned by the corresponding credit and dividing the sum of those products by the total credit attempted.

GRADE OF INCOMPLETE “I”

The grade of Incomplete (I) may be given for reasons acceptable to the instructor if you do not complete the objectives of the course during enrollment. Incompletes may be changed to grades when, upon contract with instructors, the objectives of the courses involved are completed at a passing level. You are solely responsible for making arrangements with instructors to complete course requirements. The course must be completed and a grade recorded by the end of the next regular semester following the Incomplete, or a grade of “F” will be recorded for the course.

GRADE OF PASS “P”

If you are in a transfer program it is recommended that you limit the number of credits in which you receive “P” grades to no more than six. Excessive “P” grades may prevent you from being admitted to the university program of your choice. “P” grades are not calculated in your GPA. “P” grades changed by petition are equivalent to “C” grades.

GRADE OF WITHDRAWAL “W”

You may obtain the grade of Withdrew (W) by officially withdrawing from the class. Ceasing to attend the class does not constitute withdrawal.

GRADE OF AUDIT “X”

The grade of Audit (X) is given to students who officially enroll in a course as an auditor to obtain course information and do not wish to earn college credit. When auditing, you pay the regular tuition and fee charges in addition to the audit fee as specified in the fee schedule.

GRADES FOR REPEATED COURSES

You may repeat a course previously taken at Eastern Arizona College in order to improve your grade or to update your knowledge of the course material. When a course is repeated, credit may be counted only once for graduation and only the higher grade will be used for computation of the grade point average; however, all grades will appear on your transcript. Veterans cannot claim benefits for repeated courses unless the veteran received a grade of “F” and the course is needed for graduation.

GRADE REPORTING SYSTEM

You will be mailed a printed copy of your grade report upon written or verbal request to the Records and Registration Office.

GRADE CHANGES

Grade changes can be made only by instructors with the approval of the Provost/Chief Academic and Student Officer, with the exception of clerical errors made and corrected by the Records and Registration Office. If an instructor is not available, petitions for grade changes will be considered by the Admissions and Academic Standards Appeals Committee.

An appeal for a grade change will not be considered unless a petition for same is filed with the Records and Registration Office within six (6) months of the close of the semester in which the grade was received.

GRIEVANCE PROCEDURE–ACADEMIC STANDARDS

Students aggrieved by College actions of an academic nature shall have the opportunity for appeal.

The professional educator’s qualifications and rights to determine academic standards are respected and accepted. The professional educator shall be accountable for establishing and maintaining appropriate academic standards for coursework.

When a complaint about academic standards arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render the complaint legitimate. Complaints of sexual harassment should follow the procedure described in GCCCD 4730.00 Sexual Harassment. The student’s right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process—Academic Standards. The Official Review Process - Academic Standards
may not be applicable when services are delivered under the provisions of a negotiated contract. The appeal process does not suspend any actions which are being grieved.

**DEFINITION OF TERMS**

**Days:** Calendar days exclusive of official holidays as identified in the College Catalog.

**Complainant:** Student complainant.

**Professional Educator:** College professional educator(s) responsible for the program or action for which the student complainant has a grievance.

**Academic Affairs Officer:** Campus official designated by the College President for oversight of academic affairs.

**Admissions and Academic Standards Appeals Committee:** College committee charged with responsibility to advise the College President on policies, standards, rules and regulations for academic standards and student admission; and to serve as an appeals committee for grievances concerning academic standards.

**Academic Standard:** All actions relating to grades, grading standards, professional educator conduct, materials presented in a classroom by the professional educator or adjunct, and professional educator discrimination against a student exclusive of discrimination as defined by federal or state laws.

**OFFICIAL REVIEW PROCESS—ACADEMIC STANDARDS**

**Step 1.** The Complainant shall seek out, within five (5) days of the action, the Professional Educator so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

**Step 2.** If Complainant satisfaction is not achieved in Step 1, the Complainant shall provide a written request for a meeting to the Division Chairperson responsible for oversight of the standards employed by the Professional Educator. Within five (5) days of receipt of the request the Division Chairperson shall arrange for a meeting to include the following individuals: the Division Chairperson, the Professional Educator, and the Complainant. The Division Chairperson shall attempt to mediate an acceptable solution.

**Step 3.** If Complainant satisfaction is not achieved in Step 2, the Complainant shall provide a written request for a hearing by the Admissions and Academic Standards Appeals Committee. The request shall articulate the complaint and shall be delivered to the Academic Affairs Officer within five (5) days after receiving a recommended solution as provided in Step 2. Within ten (10) days of receipt of the request, but not less than three (3) days of receipt of request, the Chairperson of the Admissions and Academic Standards Appeals Committee shall arrange for a hearing. The Complainant, the Professional Educator and the Division Chairperson shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Admissions and Academic Standards Appeals Committee shall set forth a written document addressing finding of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Professional Educator, the Division Chairperson, and the College President. Decisions made by the Admissions and Academic Standards Appeal Committee are binding.

**HONORS**

**President’s List:** The President’s List will, upon completion of each semester, include those full-time students who:

- Are enrolled in a curriculum listed in a College Academic Catalog leading to a degree offered by Eastern Arizona College,
- Complete during the semester a minimum of 12 credits at the 100 level or higher for which a grade other than an “I” (Incomplete) or “P” (Pass) grade was earned, and
- Received a 4.000 semester grade point average.

**Dean’s List:** The Dean’s List will, upon completion of each semester, include those full-time students who:

- Are enrolled in a curriculum listed in a College Academic Catalog leading to a degree offered by Eastern Arizona College,
- Complete during the semester a minimum of 12 credits at the 100 level or higher for which a grade other than an “I” (Incomplete) or “P” (Pass) grade was earned, and
- Received a 3.500 through 3.999 semester grade point average.

**OFFICIAL NOTIFICATIONS**

You are required to maintain in the Records and Registration Office a current address, to which official College correspondence will be mailed. Correspondence mailed first class to this address will be deemed official and adequate notification to you regarding the contents of such correspondence.

**REGISTRATION**

The act of enrolling in courses at the College indicates you agree to be subject to all the requirements, policies, and regulations in the College Catalog, Schedule of Classes and Student Handbook, and agree to establish a permanent college academic record. You further acknowledge that in order to be admitted to other colleges or universities you may be required to send this academic record to those institutions. Your enrollment also certifies your understanding that the content of EAC courses are designed for adult students and if you are a younger student you may feel constrained from participating in class discussions due to the maturity and age of other students in addition to the subject matter being discussed. Contact the Records and Registration Office at (928) 428-8270 or 1-800-678-3808 Ext. 8270 for details.

**COURSE OVERLOAD**

The typical academic load varies from 15 to 18 credit (semester) hours. Students carrying a minimum of 12 credit hours are considered full-time students for financial aid, residency, and scholarship purposes.

You are allowed to register for an “overload”—defined as more than 18 credit hours of Regular Semester courses other than those designated as Open Entry/Open Exit or Short Term courses less than a semester in length—contingent upon the following criteria. For purposes of overload consideration, Activity/Personal Enrichment Courses are not included in the number of credits to be examined.

- You may enroll for an overload of up to 22 credit hours if you have completed a minimum of 12 credits at Eastern Arizona College with a cumulative GPA of 2.75 or higher.
- If you have not completed, but are currently enrolled in, a minimum of 12 credits at Eastern Arizona College, you must petition to enroll for an overload of up to 22 credits for the subsequent semester contingent upon completion of your courses currently in progress with a GPA of 2.75 or better. At the end of the semester, if the cumulative GPA for the courses in progress is less than 2.75, you will be administratively withdrawn from the course(s) requested in your petition. You may also be subject to other points of enforcement surrounding academic standards.
- If you have completed at least 12 credits at Eastern Arizona College with a cumulative GPA of 2.25 through 2.7499, you must petition the Admissions and Academic Standards Committee for approval to register for an overload.
If your cumulative GPA is less than 2.25, you will not be considered for an overload unless evidence is provided showing that impending graduation requirements cannot otherwise be met. If you are a first-time student or first-semester transfer student to Eastern Arizona College, you must petition the Admissions and Academic Standards Committee for an overload of up to 22 credits. An official transcript from either the high school or transfer institution must be on file in the Records and Registration Office.

If you want to enroll in more than 22 credits for a regular semester, you must petition the Admissions and Academic Standards Committee for additional overload consideration.

TRANSCRIPTS
A fee of $3, payable in advance, will be charged for each transcript and if EAC is requested to fax any transcript, there will be an additional $2 charge.

Eastern Arizona College reserves the right to withhold transcripts from students who are in debt to the College. A student whose transcript is being withheld has the right to discuss the matter with EAC personnel who are empowered to resolve any dispute concerning indebtedness to the College.

If you desire to transfer to another institution of higher education, you should request that the Records and Registration Office send your transcript directly to the institution you expect to enter. Also, you may request that the Records and Registration Office mail a transcript directly to a prospective employer.

WITHDRAWAL FROM A COURSE
You are responsible for initiating and completing official withdrawals from classes from which you wish to withdraw through the Records and Registration Office or over the internet using Gila Hank Online. Withdrawal before the end of the registration period will result in the course not showing on your transcript. This is known as “Withdrawal Without Record.” Withdrawal from a course after the close of registration will result in a grade of “W” - “Withdrawal With Record” showing on your transcript. There is a different deadline for each type of course (semester-length, short-term, open entry/open exit and summer) that is taught at EAC. Please see the listing below for the exact deadlines. If you do not officially withdraw from a course, you may receive a failing grade. Instructors are authorized to withdraw you from courses for excessive unofficial absences, excessive tardiness, disruptive behavior, or inability to perform the required tasks.

Your failure to drop a class after registration, regardless of nonattendance or nonpayment, does not release you from the financial obligation incurred at the time of registration. To ensure your registration is cancelled you must withdraw from the course.

To completely remove your financial obligation for refundable fees, you must withdraw from the course during the open registration period for that course. If you incurred any nonrefundable fees, you will still be obligated to pay these fees. Instructors are not always obligated to withdraw you from their courses and you should not assume they will do so.

If you have received financial aid and withdraw from courses, please refer to the Return of Title IV Federal Student Aid Policy in the disclosure section of the College Catalog as to how this might affect you.

Semester-Length Courses: The last day for you to initiate an official withdrawal from a semester-length course and to receive a “W” grade is six weeks prior to the last Friday before final exams. The instructor may initiate a withdrawal from a semester-length course up to the last Friday before final exams.

Short-Term, Open Entry/Open Exit, and Summer Session Courses: The last day for you or your instructor to initiate an official withdrawal from a short-term, open entry/open exit or summer session course is the last day of the course.
GRADUATION

LICENSURE
Eastern Arizona College offers various certificates and programs that enable the student to test for licensure. Eastern Arizona College makes no guarantee, either implied or stated, that you will pass any licensing test. Also, please be aware that any past criminal record may have an impact on your eligibility for licensure. You should investigate licensing requirements before entering a course of study.

DEGREES
Eastern Arizona College grants the Associate of Arts (AA), Associate of Business (ABus), Associate of Science (AS), Associate of General Studies (AGS) and the Associate of Applied Science degrees (AAS).

Specific course requirements for each of the degrees offered by Eastern Arizona College are identified in the curriculum section of this catalog. Please refer to the major you intend to pursue at EAC for specific graduation requirements.

APPROVED ELECTIVES
EAC degree programs that are designed to transfer to all of Arizona’s public universities require you to select your electives from the courses listed in the Arizona Higher Education Course Equivalency Guide (CEG) (located at https://az.transfer.org/cgi-bin/WebObjects/Admin_CEG). Select the Eastern Arizona College - Elective or Better Report. Additional detailed information is available there.

Select courses from the list for the academic year in which you will be taking the class. For example, if you are planning to take ART 101 as an elective in the 2008-2009 academic year it must be included on the list of approved electives for 2008-2009. Only courses on the approved list for the academic year in which you take the class can be counted toward degree completion.

CHOICE OF CATALOG
Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

Example A: Admitted and earned course credit at a public college or university: Fall 2007 (Active). Continued at a community college: Spring 2008, Fall 2008 (Active). Transferred to a university: Spring 2009 (Active) or any subsequent catalog.

Example B: Admitted and earned course credit at a public college or university: Fall 2006 (Active). Enrolled but earned all Ws or Fs: Spring 2007 (Inactive). Enrolled in audit courses only: Fall 2007 (Inactive). Nonattendance: Spring 2008 (Inactive). Transferred to a university: Fall 2008 (Active) or any subsequent catalog.

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission. Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

GRADUATION HONORS

Highest Honors: Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a 4.000 cumulative grade average.

High Honors: Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a minimum of 3.750 cumulative grade average.

Honors: Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a minimum of 3.500 cumulative grade average.

DEVELOPMENTAL COURSES
Credit earned for Developmental Classes which are numbered below 100 will not be counted towards degree completion, graduation honors or graduation Grade Point Average.

MULTIPLE DEGREES
Eastern Arizona College offers the Associate of Arts, Associate of Business, Associate of Science, Associate of General Studies and Associate of Applied Science degrees. Once you have received one Associate Degree, one or more additional degrees can also be received by completing the additional degree requirements with a minimum of 16 additional credits beyond the first degree. With the exception of the Associate of General Studies (AGS) degree, degrees may be earned concurrently.
GENERAL EDUCATION

GENERAL EDUCATION REQUIREMENTS FOR ASSOCIATE OF APPLIED SCIENCE DEGREE

General Education broadens your perspectives and introduces you to several important fields of knowledge. In meeting Eastern Arizona College’s GE requirements you will also gain increased awareness of ethnicity, race and gender, and international and historical influences on our culture.

Choose courses from at least three different categories. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education, where the maximum is two credits.

### GENERAL EDUCATION REQUIREMENTS FOR ASSOCIATE OF ARTS, ASSOCIATE OF BUSINESS AND ASSOCIATE OF SCIENCE DEGREES

General Education broadens your perspectives and introduces you to several important fields of knowledge. In meeting Eastern Arizona College’s GE requirements you will also gain increased awareness of ethnicity, race and gender, and international and historical influences on our culture.

The Arizona Board of Regents has agreed to three transfer general education programs. The purpose of the agreement is to ensure that when you complete your GE requirements at EAC you will be able to transfer to an Arizona public university without loss of credits.

The three transfer general education programs are the Arizona General Education Curriculum, Associate of Arts (AGEC-A), the Arizona General Education Curriculum, Associate of Business (AGEC-B), and the Arizona General Education Curriculum, Associate of Science (AGEC-S).

Eastern Arizona College has established general education programs satisfying each of the three AGECs. It will usually be in your best interest to complete the AGEC for your major at EAC before transferring to an Arizona university. When you have completed the AGEC, EAC will certify your achievement on your academic transcript. Completing the AGEC for your major at EAC fulfills the lower division, general education requirements of the corresponding baccalaureate degree at each of the three state universities. Should you elect to not complete an AGEC at EAC you will not be afforded the same transfer status as those who do.

Your courses will be evaluated on a course-by-course basis by the university to which you transfer.

Some majors, particularly in the professional fields, have significant prerequisites and/or program requirements that will not transfer within one of the three general education programs described above. If you have selected a major that is not listed in the EAC catalog, or one that is listed as a Transfer Guide-Extra Requirements (TG-XR) degree, carefully consult the catalog and/or curriculum transfer guide of the university to which you plan to transfer and the Course Equivalency Guide before you register for your GE courses. Obtaining assistance in this process from an advisor at the university you plan to transfer to is strongly recommended. EAC faculty advisors and counselors can also assist you.

You must meet the General Education requirements by selecting appropriate courses from the required program areas. In some cases, a degree program may require you to select specific courses rather than choose from the list of approved GE courses. Required courses for each EAC curriculum are listed in the curriculum section of the catalog under the heading General Education Requirements.

### INTENSIVE WRITING/CRITICAL INQUIRY

To complete your AGEC, you must complete an Intensive Writing/Critical Inquiry course. These courses are designated in the list below with the notation (IW).

### GLOBAL/INTERNATIONAL/HISTORICAL AWARENESS

The AGEC also requires that you complete a Global/International/Historical Awareness course. Courses that meet this requirement are designated with the notation (GHI).

A single course will not be used to fulfill both the Intensive Writing/Critical Inquiry and the Global/International/Historical Awareness requirements. To minimize the number of classes required to complete GE requirements, select courses from the humanities or social sciences that also fulfill the Intensive Writing/Critical Inquiry or Global/International/Historical Awareness requirements.

### ETHNICITY, RACE AND GENDER

Course content addressing ethnicity, race and gender is embedded in the College’s humanities and social science courses that are part of the general education program.

TRANSFER PARTNERSHIPS

ARIZONA STATE UNIVERSITY, NORTHERN ARIZONA UNIVERSITY AND THE UNIVERSITY OF ARIZONA

Eastern Arizona College offers three Associate Degrees that are appropriate for transfer to Arizona's public universities. These Associate Degrees are 64 credits and have four basic “blocks” upon which they are built. The blocks are: the Arizona General Education Curriculum (AGEC), Common Courses, Special Requirements, and Electives. If you complete the degrees, you will be guaranteed to enter the university with Junior status.

The three degrees are:
- **Associate of Arts (AA):** This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in areas such as Liberal Arts, Social Sciences, Fine Arts, Public Programs, and Communication.
- **Associate of Business (ABus):** This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in Business and Business-related areas such as Computer Information Systems or Economics.
- **Associate of Science (AS):** This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in areas such as the Physical and Biological Sciences or Mathematics.

Completion of the Arizona General Education Curriculum (AGEC) guarantees your admission to the universities if you are a resident student. Non-residents must have a grade point average of 2.5 on a 4.0 scale. Completion of the AGEC also means that you will have met the lower-division general education requirements at any of the universities for the majors that articulate with that AGEC.

*All three of the state universities may accept the Eastern Arizona College Associate of Applied Science (AAS) degree as applicable to certain Bachelor of Applied Science degrees (BAS). You should contact a transfer advisor for the university you plan to attend, or carefully consult the catalog and/or curriculum transfer guide for that institution.

**BRIGHAM YOUNG UNIVERSITY–PROVO**

EAC has a transfer partnership with BYU. If you earn an Associate of Arts, Associate of Business, Associate of General Studies, or Associate of Science degree from EAC, you increase the probability of your admission to BYU.

If you are admitted to BYU with an Associate of Arts, Associate of General Studies, Associate of Business, or Associate of Science Degree from EAC, you will have completed all BYU University Core (GE) requirements with the exception of American Heritage, Advanced Writing, and the Advanced Mathematics or Foreign Language requirements. EAC offers mathematics and foreign language courses that you may take to satisfy BYU’s advanced Mathematics or Foreign Language requirement. You should consult the BYU/EAC Articulation Agreement in selecting these courses. A copy of the Agreement is available from the Counseling Department.

The EAC/BYU transfer partnership does not cover the transfer and applicability of major courses. You are encouraged to consult with the prospective major department at BYU for recommendations on EAC courses that can be taken toward your intended major.

**BRIGHAM YOUNG UNIVERSITY–HAWAI**

Students attending Eastern Arizona College who complete their Associate of Arts, Associate of General Studies, Associate of Science, or Associate of Business degree will have met the BYU-Hawaii general education (GE) requirements with the exception of the Interdisciplinary Studies course.

The general education requirements for students transferring to BYU-I will be those in effect at the time of their initial enrollment at BYU-I. Additional aspects of the transfer agreement are as follows:

- Credit will also be granted for courses with a “C” grade or better which apply to the major.
- Credit for courses of a remedial nature (usually numbered 99 and below) will not be transferable.
- Students who apply to BYU-Hawaii with less than an Associate Degree, will have their college work evaluated on a course-by-course basis to determine equivalencies. Only courses with grades of “C” or better will be accepted.

**BRIGHAM YOUNG UNIVERSITY–IDAHO**

EAC has an articulation agreement with BYU-Idaho:

- EAC Students who have earned the Associate of Arts, Associate of Science, Associate of Business, or Associate of General Studies degrees will be considered as having completed the BYU-I general education requirements.
- For students who have not earned the degree, the EAC courses listed in the General Education Articulation Agreement (available in the EAC Counseling Department) are those which will apply toward general education requirements at BYU-I.
- As students transfer, their credit will be evaluated on a course-by-course basis according to the General Education Transfer Agreement.
- The general education requirements for students transferring to BYU-I will be those in effect at the time of their initial enrollment at BYU-I.

**WESTERN NEW MEXICO UNIVERSITY**

Arizona residents may be eligible for an out-of-state tuition fee waiver from Western New Mexico.

Students completing the Eastern Arizona College Associate of Arts Degree (AA), Associate of Business Degree (ABus), the Associate of Science Degree (AS), or the Associate of General Studies Degree (AGS) can fulfill Western New Mexico University General Education (GE) requirements provided they include in their degree program courses specifically listed in the articulation agreement as meeting WMNU general education requirements in the Oral Communication, History, Computer, and Physical and Mental Well Being areas. Copies of the articulation agreement can be obtained from the Counseling Department.

**OUT-OF-STATE TRANSFER**

Out-of-state universities have differing policies regarding the transfer of general education credit for application to your major or minor requirements. You should carefully consult the catalog of the university to which you wish to transfer.

Administration of Justice

ASSOCIATE OF ARTS DEGREE
AA-SR 60801

Advisor: Cornel Stemley

This degree prepares you to transfer to a college or university and pursue a Bachelor's Degree in Administration of Justice. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

This degree is also suitable if you are currently employed in law enforcement or an allied public service profession and wish to improve your knowledge and skills.

Total General Education Requirements 35 credits

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of "C" or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TAME, or ABLE test*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TAME, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Administration of Justice

ASSOCIATE OF APPLIED SCIENCE DEGREE
20801

Advisor: Cornel Stemley

The Administration of Justice Associate of Applied Science Degree is intended for students who either plan to enter employment or who are currently working in law enforcement or related fields and want to upgrade their knowledge and skills. If you successfully complete the AJS 115 and AJS 215 Basic Peace Officer Academy, you will have fulfilled the following courses toward the Administration of Justice Associate of Applied Science or Associate of Arts Degree:

Administration of Justice

ASSOCIATE OF APPLIED SCIENCE DEGREE–BAS TRACK
20804

Advisor: Cornel Stemley

The Administration of Justice Associate of Applied Science Degree – University Track is intended for students who desire to further their education and complete a web-based Bachelor of Applied Science Degree (BAS) from a university. It is designed as a 2+2 program to assist students entering employment, or who are currently working in law enforcement or related fields, and want to obtain a Bachelor’s Degree. If you successfully complete the AJS 115 and AJS 215 Basic Peace Officer Academy, you will have fulfilled the following courses toward the Administration of Justice Associate of Applied Science Degrees or the Associate of Arts Degree:

- AJS 101 Criminal Law
- AJS 102 Criminal Investigation
- AJS 103 Criminal Investigation
- AJS 120 Police Communications
- AJS 126 The Juvenile Function
- AJS 130 The Correction Function
- AJS 135 The Traffic Function
- AJS 202 Substantive Criminal Law
- AJS 203 Advanced Criminal Investigation
- AJS 220 Procedural Criminal Law
- AJS 225 Criminology
- AJS 226 The Police Function
- AJS 270 Evidence
- AJS 280 Community Policing
- AJS 282 Police Supervision

Total Curriculum Requirements 45 credits with a GPA of 2.00 or higher

General Education Requirements

English
- ENG 101 Written Communications I 6 credits
- ENG 102 Written Communications II 6 credits

Computers
- CMP 103 Introduction to Computer Based Systems 3 credits

Lab Science
- BIO 100 Biology Concepts 4 credits

Social Science
- PSY 101 Introduction to Psychology 3 credits

Math
- MAT 154 College Algebra or
- MAT 140 College Mathematics 3 credits

Total General Education Requirements 19 credits

Total Curriculum Requirements 45 credits with a GPA of 2.00 or higher

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher*
  2. ACT Assessment Reading score of 14 or higher*
  3. SAT verbal score of 530 or higher*
  4. Completion of ENG 091, Reading Improvement II, with a grade of "C" or better
  5. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, T.ABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, T.ABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Administrative Information Services**

**ASSOCIATE OF APPLIED SCIENCE DEGREE 20114**

**Advisors:** Dana Barnett, Derek Rich

This program emphasizes the skill development necessary to function as an administrative professional in business. A variety of computer software applications are integrated into the course of study. Students will learn to perform the tasks required for positions as administrative assistant, office specialist, office assistant, information processing specialist, and accounting clerk. Students may elect courses as preparation for careers as medical or legal transcriptionists. Additionally, students in the Administrative Information Services program will practice the knowledge and skills required for the Microsoft Office Specialist Certification Exams.

**Curriculum Requirements**

- **AIS 118** Electronic Keyboarding II 3 credits
- **AIS 213A** Office Procedures/Records Management 1 credit
- **AIS 213B** Office Procedures/Offerce Transcription 1 credit
- **AIS 213C** Office Procedures/Electronic Office Equipment 1 credit
- **AIS 214** The Office Professional 3 credits
- **AIS 237** Word Processing Applications 3 credits
- **AIS 238** Advanced Office Applications 3 credits
- **AIS 239A** Multimedia/Electronic Task Management 1 credit
- **AIS 239B** Multimedia/Digital Imaging 1 credit
- **AIS 239C** Multimedia/Internet for Business 1 credit
- **AIS 240** Desktop Publishing 2 credits
- **AIS 241** Integrated Business Projects 3 credits
- **BUS 101** Fundamentals of Accounting 3 credits
- **BUS 251** Human Relations 3 credits
- **COE 101** Job Seeking Strategies 2 credits

Select 11 additional credits from the following:

- **AIS 117** Electronic Keyboarding I 3 credits
- **AIS 225** Medical Transcription OR 3 credits
- **HCE 225** Medical Transcription 3 credits
- **AIS 226** Legal Transcription 3 credits
- **AIS 235H** Beginning Microsoft Word 1/2 credit
- **AIS 235I** Intermediate Microsoft Word 1/2 credit
- **AIS 235J** Advanced Microsoft Word 1/2 credit
- **AIS 101** Introduction to Criminal Justice 3 credits
- **ART 186** Digital Illustration 3 credits
- **ART 188** Digital Publishing 3 credits

### General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

### Elective and Foreign Language Requirements

- To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:
  1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC. This option will fulfill your foreign language and elective course requirements and will result in a total of 72 hours required to obtain the degree.
  2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language and elective course requirements and result in 64 credits required to obtain the degree.
  3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete eight credits in courses of your choice numbered 100 or higher to obtain the 64 credits required for the degree.

**Total Elective and Foreign Language Requirements 8 to 16 credits**

### Total Minimum Degree Requirements 64 credits

- In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:
  1. Complete at least 16 degree credits at Eastern Arizona College.
  2. Attain a cumulative grade point average of 2.00 or higher.
  3. Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
     1. EAC COMPASS reading assessment test score of 60 or higher*
     2. EAC ASSET reading assessment test score of 35 or higher*
     3. ACT Assessment Reading score of 18 or higher*
     4. SAT verbal score of 530 or higher*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

Anthropology

ASSOCIATE OF ARTS DEGREE
AA-SR 60802

Advisor: Linda Blan

In order to understand the physical and behavioral diversity found in humankind, anthropologists study the biological and cultural factors that influence human behavior. Anthropology is internally divided into four sub-fields: physical anthropology (the study of man as a biological entity), archaeology (the study of past cultures), ethnology (the study of living cultures) and linguistics. The undergraduate anthropology student studies in each sub-field, preparatory to selecting an area of specialization.

As the single branch of social science dealing primarily with non-western pre-industrialized societies, anthropology adds a unique dimension to liberal education. A background in anthropology is generally useful in a variety of fields, including law, philosophy, social work, history and medicine.

High school students planning to major in anthropology should take two years of high school mathematics, preferably algebra, and some work in a language, preferably, German, French or Spanish. A background in English is also critical.

Graduates with bachelor's degrees in anthropology can find employment in all pursuits normally open to other graduates in the various liberal arts, or as teachers of social studies in secondary schools. Anthropology provides a suitable background for positions with a variety of federal, state, and local agencies.

Students seeking work as professional anthropologists should plan for advanced degrees in anthropology. Graduates with master's degrees may find work in government, community colleges or museums. For university teaching and research careers, a Ph.D. is usually necessary.

Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements

ANT 120 Indian American Culture 3 credits
ANT 210 Archaeology of the Southwest 3 credits
ANT 220 Principles of Archaeology 3 credits
ANT 222 Buried Cities and Lost Tribes 3 credits

Total Curriculum Requirements 12 credits

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

English
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 154 College Algebra 3 credits

Lab Science
BIO 100 Biology Concepts 4 credits
Another Lab Science course from list on pages 46-47 4 credits

Humanities
Select from Humanities list on pages 46-47. Choose courses from more than one department and one course must be in the Arts. 9 credits

Social Science
ANT 101 Introduction to Physical Anthropology 3 credits
ANT 102 Introduction to Cultural Anthropology 3 credits
Another non-Anthropology department Social Science course from list on pages 46-47 3 credits

Total General Education Requirements 35 credits

Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC. This option will fulfill your foreign language requirement. You will need to select a one credit elective course from the approved list to obtain the 64 credits required for this degree.

2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement. You will need to select nine credits of elective courses from the approved list to obtain the 64 credits required for this degree.

3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete 17 credits in courses of your choice from the approved list on pages 46-47 to obtain the 64 credits required for the degree.

Total Elective and Foreign Language Requirements 17 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

1. Complete at least 16 degree credits at Eastern Arizona College.
2. Obtain the 64 credits required for this degree.
3. Demonstrate proficiency in a foreign language at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete 17 credits in courses of your choice from the approved list on pages 46-47 to obtain the 64 credits required for the degree.

File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.

Remove any indebtedness to the College.

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC COMPASS score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.
Arizona General Education Curriculum A (AGEC-A)

**CERTIFICATE FOR TRANSFER**

30000

**Advisors:** Sharon Allen, Joanne Ellsworth, Wayne Flake, Ida Nunley, Gwen Lewis, Ray Orr, Lee Russell, Marilyn Wilton

Upon completion of this certificate, the student fulfills the lower-division general education requirements at the University of Arizona, Arizona State University and Northern Arizona University. Students are strongly advised to complete an associate degree after completing this certificate.

**AGEC-A. This General Education Program is better suited for majors in the Liberal Arts such as:**

- Anthropology
- History
- Sociology
- Art
- Languages
- Music
- Health and P.E.
- English
- Psychology
- Theatre

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

  - PHY 212  Physics with Calculus II

**Humanities**
- Select two courses from this list. You must choose from at least two different departments. At least one course must be from the Fine Arts (Bold type). If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.
  - ART 133  World Art I
  - ART 134  World Art II (GIH)
  - ENG 201  World Literature I (IW) or (GIH)
  - ENG 202  World Literature II (IW) or (GIH)
  - ENG 218  Writing About Literature (IW)
  - ENG 221  English Literature I (IW)
  - ENG 222  English Literature II (IW)
  - ENG 241  American Literature I (IW) or (GIH)
  - ENG 242  American Literature II (IW) or (GIH)
  - MUS 101  World of Music (GIH)
  - SPC 150  Oral Interpretation of Literature
  - SPC 201  Public Speaking (IW)
  - THC 105  Introduction to Drama (GIH)

**Social Science**
- Select two courses from this list. You must choose from at least two different departments. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.
  - AJS 101  Introduction to Criminal Justice
  - ANT 101  Introduction to Physical Anthropology
  - ANT 102  Introduction to Cultural Anthropology (GIH)
  - ANT 110  Mexican-American Culture
  - ANT 120  Indian American Culture
  - ANT 211  Women in Cross-Cultural Perspective (GIH)
  - ANT 220  Principles of Archaeology
  - ANT 222  Buried Cities and Lost Tribes (GIH)
  - BUA 221  Principles of Macroeconomics (GIH)
  - BUA 223  Principles of Microeconomics
  - HIS 101  U.S. History I (GIH)
  - HIS 102  U.S. History II (GIH)
  - HIS 104  Western Civilization I (GIH)
  - HIS 105  Western Civilization II (GIH)
  - HIS 220  History of Mexico (GIH)
  - POS 100  Introduction to Political Science
  - POS 110  United States National Politics (GIH)
  - PSY 101  Introduction to Psychology
  - PSY 230  Social Psychology
  - PSY 250  Developmental Psychology
  - PSY 270  Experimental Psychology (IW)
  - SOC 101  Introduction to Sociology
  - SOC 110  Marriage and the Family
  - SOC 201  Social Problems

**Options**
- Select two additional courses. Eligible courses include any of the Lab Science courses or any math courses MAT 230 or higher. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Minimum Certificate Requirements**

In order to earn this certificate you must:
- Complete the required course options with a grade of “C” or better.
- Complete a minimum of 15 semester credits of course work at Eastern Arizona College.
Art
ASSOCIATE OF ARTS DEGREE
AA-SR 60402

OR

Art Education
ASSOCIATE OF ARTS DEGREE
AA-SR 60401

Advisor: Kenny Rhodes

This curriculum provides the first two years of a four-year program in art at a professional art school or at a college of fine arts at one of the state's public universities. Upon completion of one of these degrees at EAC, you will be able to transfer into a four-year college or university program. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. If you plan to terminate formal education after attending EAC and seek employment immediately upon graduation, the EAC Advertising Design curriculum may be a better choice than these degrees. You are advised to take one or more art courses before making serious plans for a career in art.

Curriculum Requirements

ART 101 Fundamentals of Design 3 credits
ART 102 Color and Design 3 credits
ART 111 Drawing 3 credits
ART 114 Figure Drawing 3 credits
ART 147 Beginning Oil Painting I 3 credits
ART 151 Beginning Sculpture I 2 credits
ART 161 Beginning Ceramics I 2 credits
ART 285 Printmaking 3 credits

Total Curriculum Requirements 22 credits

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

English
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
3 credits

Select from list on pages 46-47.

Lab Science 8 credits
Select from list on pages 46-47.

Humanities
ART 133 World Art I 3 credits
ART 134 World Art II 3 credits
Another Humanities course from list on pages 46-47 which also fulfills the Intensive Writing Requirement. 3 credits

Social Science
Choose from Social Science list on pages 46-47.
Choose courses from more than one department.

Options 3 credits

Choose one course from list on pages 46-47. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To obtain this degree you must take a minimum of eight credits of courses of your choice from the approved list found on pages 46-47 to obtain the 64 credits required.

Total Elective Requirements 7 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.
Automotive Service Consultant

CERTIFICATE OF PROFICIENCY
30633

Advisor: Brian Coppola

The Automotive Service Consultant certificate program develops skills necessary for entry into the automotive service consultant/advisor career area. The program is designed to provide in one year much of the basic automotive skills training needed to be productive and efficient in an automotive service consultant/advisor position. Additionally, the certificate program provides salesmanship and customer communication training necessary for this career area.

Core Automotive Curriculum Requirements
Select at least 20 credits from the following courses:

- AUT 101 Introduction to Automotive Technology OR
- AUT 180 Automotive Service Techniques
- AUT 105 Automotive Electrical Fundamentals 2 credits
- AUT 106 Internal Combustion Engines OR
- DSL 120 Diesel Engines 4 credits
- AUT 107 Automotive Electrical Systems OR Equipment OR
- DSL 130 Diesel Electrical Systems Design and Diagnosis 3 credits
- AUT 110 Fuel and Emission Systems 2 to 3 credits
- AUT 131 Steering and Suspension Systems 3 credits
- AUT 132 Automotive Brake Systems 2 credits
- AUT 266 Vehicle Heating and Air Conditioning 3 credits

Curriculum Related Requirements
Select at least 9 credits from the following courses:

- AUT 298 Workshop OR
- BUS 160 Communication for the Occupations 3 credits
- CMP 101 Introduction to Computers OR
- CMP 103 Introduction to Computer Based Systems 3 credits
- COE 101 Cooperative Education I (Occupational) OR
- TEC 191 Industry Internship I 1 to 3 credits
- SBM 101 Sales and Customer Service 3 credits

Total Minimum Certificate Requirements 29 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
- EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

Automotive Service Technology

ASSOCIATE OF APPLIED SCIENCE DEGREE
20601

Advisor: Brian Coppola

EAC supports ASE certification of technicians

The Automotive Service Technology degree provides an opportunity for all students to develop and upgrade skills needed to be productive and successful upon entry into several automotive service and repair occupations. Additionally, this program develops the career skills necessary for an individual to move into sales, business management, or supervisory positions. The Automotive Service Technology program is recognized for its high level of achievement by meeting local and national industry standards. The degree course work will help prepare students for ASE certification tests.

Curriculum Requirements

- AUT 101 Introduction to Automotive Technology 2 credits
- AUT 105 Automotive Electrical Fundamentals 2 credits
- AUT 106 Internal Combustion Engines OR
- DSL 120 Diesel Engines 4 credits
- AUT 107 Automotive Electrical Systems OR Equipment OR
- DSL 130 Diesel Electrical Systems Design and Diagnosis 2 to 3 credits
- AUT 110 Fuel and Emission Systems 2 to 3 credits
- AUT 120 Manual Transmission and Drive Train 3 credits
- AUT 130 Industry Internship I 1 to 4 credits
- AUT 131 Steering and Suspension Systems 3 credits
- AUT 132 Automotive Brake Systems 2 credits
- AUT 180 Automotive Service Techniques OR
- AUT 181 Automotive Service Techniques OR
- AUT 182 Automotive Service Techniques OR
- AUT 183 Automotive Service Techniques OR
- AUT 184 Automotive Service Techniques OR
- AUT 185 Automotive Service Techniques OR
- AUT 220 Automotive Electronics and Computerized Vehicle Controls 3 credits
- AUT 230 Automatic Transmissions 4 credits
- AUT 260 Vehicle Performance and Diagnosis 3 credits
- AUT 266 Vehicle Heating and Air Conditioning 3 credits
- AUT 280 Advanced Shop OR
- TEC 191 Industry Internship I 3 credits

Choose at least 6 to 10 additional credits from the following to obtain the 46 credits of Curriculum Requirements:

- AUT 150 Automotive Painting and Refinishing 3 credits
- AUT 298 Workshop OR
- AUT 299 Independent Study 1 to 3 credits
- BUS 160 Communication for the Occupations OR
- SBM 101 Sales and Customer Service OR
- SBM 201 Small Business Management OR 3 credits
- COE 111 Cooperative Education I (Occupational) 1 to 4 credits
- COE 101 Job Seeking Strategies 2 credits
- CSL 109 Orientation to Student Success 1 credit
- MSP 101 Fundamentals of Machine Shop OR
- MSP 104 Machine Shop 4 credits
- TEC 112 Basic Hydraulics and Pneumatics 2 credits
- WLD 108 Oxyacetylene Welding and Metal Fabrication 3 credits
- WLD 101 Welding 2 to 3 credits
- WLD 201 Repair Welding 3 credits

Total Curriculum Requirements 46 credits with a GPA of 2.00 or higher
Automotive Technician

CERTIFICATE OF PROFICIENCY
30605

Advisor: Brian Coppola

The Automotive Technician certificate program is designed to provide in one year much of the basic automotive skills training needed to be productive in an automotive service facility. Additionally, this certificate will help prepare the student for ASE certification tests.

Core Automotive Curriculum Requirements

Select at least 10 credits from the following courses:

- AUT 105 Automotive Electrical Fundamentals 2 credits
- AUT 106 Internal Combustion Engines OR
- DSL 120 Diesel Engines 4 credits
- AUT 107 Automotive Electrical Systems and Equipment 2 credits
- AUT 101 Introduction to Automotive Technology OR
- AUT 180 Automotive Service Techniques 2 to 4 credits
- AUT 280 Advanced Shop OR 3 credits
- TEC 191 Industry Internship I 2 credits

Driveability Area Curriculum Requirements

Select at least 5 credits from the following courses:

- AUT 110 Fuel and Emission Systems 2 to 3 credits
- AUT 220 Automotive Electronics and Computerized Vehicle Controls 3 credits
- AUT 260 Vehicle Performance and Diagnosis 3 credits

Chassis & Power Train Area Curriculum Requirements

Select at least 8 credits from the following courses:

- AUT 120 Manual Transmission and Drive Train 3 credits
- AUT 131 Steering and Suspension Systems 3 credits
- AUT 132 Automotive Brake Systems 2 credits
- AUT 230 Automatic Transmissions 4 credits
- AUT 266 Vehicle Heating and Air Conditioning 3 credits

Curriculum Related Requirements

Select at least 6 credits from the following courses:

- AUT 298 Workshop OR
- AUT 299 Independent Study 1 to 3 credits
- CMP 101 Introduction to Computers OR
- CMP 103 Introduction to Computer Based Systems 3 credits
- COE 101 Job Seeking Strategies OR
- COE 111 Cooperative Education I (Occupational) 1 to 3 credits
- MSP 101 Fundamentals of Machine Shop OR 2 credits
- MSP 104 Machine Shop 4 credits
- WLD 101 Welding OR 2 to 3 credits
- WLD 108 Oxyacetylene Welding and Metal Fabrication 3 credits

Total Minimum Certificate Requirements 29 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
- EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher
  2. EAC ASSET reading assessment test score of 35 or higher
  3. ACT Assessment Reading score of 14 or higher
  4. SAT verbal score of 530 or higher
  5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
  6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

General Education Requirements

**Computers**
- CMP 101 Introduction to Computers OR
- CMP 103 Introduction to Computer Based Systems 3 credits

**Mathematics/English**
- BUS 111 Business Mathematical Calculations AND/OR
- ENG 100 Writing Fundamentals or higher 3 credits

An additional 9 to 12 credits are to be selected from the list of General Education courses on pages 45-46. You may not exceed 9 credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Total Minimum Degree Requirements 64 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:

- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher
  2. EAC ASSET reading assessment test score of 35 or higher
  3. ACT Assessment Reading score of 14 or higher
  4. SAT verbal score of 530 or higher
  5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
  6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
Basic Peace Officer Academy

CERTIFICATE OF PROFICIENCY
30811

Advisor: To be determined.

This certificate is designed to prepare you for entry-level employment with an Arizona law enforcement agency as a certified Peace Officer. All of the academy training is state mandated and certified by the Arizona Peace Officer Standards and Training Board (AzPOST). Specific state requirements must be met to enroll in AJS 115 and AJS 215. Contact the Administration of Justice advisor for details.

Upon successful completion of this certificate, you will have fulfilled the following courses towards the Administration of Justice AAS or AA degrees:

AJS 102 Criminal Law
AJS 103 Criminal Investigation
AJS 120 Police Communications
AJS 140 The Traffic Function
AJS 155 Firearms
AJS 202 Substantive Criminal Law
AJS 266 The Police Function

An additional 12 credits, including at least one course from a GE category other than English or Mathematics, are to be selected from the list of General Education courses. You may not exceed nine credits in any GE Category, with the exception of Health and Physical Education, where the maximum is two credits.

Total General Education Requirements  18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements

To obtain this degree you must take a minimum of four credits in courses of your choice numbered 100 or above to obtain the 64 credits required.

Total Elective Requirements 4 credits

Total Minimum Degree Requirements  64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

1. Complete at least 16 degree credits at Eastern Arizona College.
2. Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
   - EAC COMPASS reading assessment test score of 60 or higher*
   - EAC ASSET reading assessment test score of 35 or higher*
   - ACT Assessment Reading score of 14 or higher*
   - SAT verbal score of 530 or higher*
   - Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
   - Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

3. *Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, T ABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.
4. File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
5. Remove any indebtedness to the College.
Business Administration

ASSOCIATE OF BUSINESS DEGREE
ABus 70101

Advisors: Mark Anderson

This degree prepares students to transfer to a college or university and pursue a Bachelor’s degree in Business Administration. Upon obtaining the bachelor’s degree, you are prepared for employment in fields such as Accounting, Computer Information Systems, Economics, Finance, Management or Marketing. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements
A grade of “C” or better in each of the following courses along with a cumulative Grade Point Average of 2.5 or better is required for admission to the junior and senior years of a business program at Arizona’s state universities.

Business Electives 5 credits
Any EAC courses from the AIS, BUA, BUS, or SBM Departments. The courses selected must be listed in the Course Equivalency Guide as an elective to all three major Arizona universities. You may obtain a copy of the Arizona Course Equivalency Guide on the Internet at http://az.transfer.org/cgi-bin/WebObjects/Admin_CEG

Total Curriculum Requirements 28 credits

General Education Requirements
AGEC-B. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Computer Literacy
CMP 103 Introduction to Computer Based Systems 3 credits

English
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 210 Elements of Calculus 4 credits

Lab Science
Select two courses from the list on pages 46-47. 8 credits

Humanities
Select from Humanities list on pages 46-47. Choose courses from more than one department and one course must be in the Arts. 6-9 credits

Social Science
Choose from Social Science list on pages 46-47. Choose courses from more than one department. 6-9 credits

Total General Education Requirements 36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABEL, orABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABEL, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Business Education

**Total General Education Requirements**  
40 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**

To obtain this degree you must take a minimum of twelve credits of courses of your choice from the approved list found on pages 46-47 to obtain the 64 credits required.

Language proficiency demonstration: check University Transfer Guides to see if a language proficiency requirement is in place. If so, select courses that will satisfy the language proficiency.
MAT 240 - Calculus III (3 credits) is a requirement for many BA and BS chemistry degrees. Check with an advisor or consult the catalog of the university to which you will be transferring to see if you should take this course.

Total Elective Requirements 12 credits
Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

1. Complete at least 16 degree credits at Eastern Arizona College.
2. Attain a cumulative grade point average of 2.00 or higher.
3. Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
   1. EAC COMPASS reading assessment test score of 76 or higher*
   2. EAC ASSET reading assessment test score of 40 or higher*
   3. ACT Assessment Reading score of 18 or higher*
   4. SAT verbal score of 530 or higher*
   5. Completion of ENG 113, College Reading, with a grade of “C” or better
   6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

CNC Machining

CERTIFICATE OF PROFICIENCY
30620

Advisor: Newell Dryden

The CNC Machining Certificate program prepares the student to work in the computer technology field in the area of CNC programming and CNC machining. Students will develop skills with machine shop math and learn to solve problems with machine shop set-ups on computer controlled machines.

Curriculum Requirements

MSP 101 Fundamentals of Machine Shop 2 credits
MSP 102 Materials of Industry 3 credits
MSP 104 Machine Shop 4 credits
MSP 201 Machine Tool Methods 3 credits
MSP 250 CNC Programming 4 credits
DRF 150 Dimensioning and Tolerancing 1 credit
DRF 154 Introduction to AutoCAD 2 to 3 credits
ELT 101 Fundamentals of Electricity and Electronics 3 credits
TEC 101 Technical Math I OR
MAT 120 Intermediate Algebra 4 credits
TEC 102 Technical Math II 4 credits
CMP 101 Introduction to Computers OR
CMP 103 Introduction to Computer Based Systems 3 credits

Total Minimum Certificate Requirements 33 credits

To obtain this certificate, you must complete each required course above with a grade of “C” or better.

Community Health Advocate, Diabetes

CERTIFICATE OF PROFICIENCY
31201

Advisor: Mayuree Siripoon

This program prepares advocates for prevention of and education about diabetes. This diabetes-specific curriculum is relevant to any patient/population confronting this disease. The Community Health Advocate program is applicable to both entry-level position and experienced healthcare professionals. The program emphasizes new information on the disease process and recent developments in prevention and management of diabetes.

Curriculum Requirements

HCE 100 Basic Health Care Concepts and Skills 4 credits
HCE 108 Preparing Therapeutic Diet 2 credits
HCE 112 Medical Terminology 2 credits
HCE 140 Diabetes Awareness 2 credits
HCE 141 Diabetes Prevention and Control 3 credits
HCE 142 Diabetic Advocacy 3 credits

Total Minimum Certificate Requirements 16 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:

1. Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
2. EAC COMPASS writing placement score of 85 or higher entered into your student record.
3. Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
4. Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
5. EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

Computer Assisted Design and Drafting Technology

ASSOCIATE OF APPLIED SCIENCE DEGREE
20603

Advisors: Doug Griffin, Dee Lauritzen

The Computer Assisted Design and Drafting program prepares students to succeed as a CADD technician. This degree specializes in 3 dimensional design concepts, 3D solids and parametric modeling, residential and commercial architectural design and planning, 3D animation, and cartography (map drawing).

Curriculum Requirements

DRF 105 Technical Drafting OR
EGR 120 Engineering Drafting 2 credits
DRF 150 Dimensioning and Tolerancing 1 credit
DRF 160 Descriptive Geometry OR
EGR 124 Engineering Graphics 3 credits
DRF 170 Residential Architecture 3 credits
DRF 220 Machine Drafting 3 credits
DRF 230 Civil Drafting 3 credits
DRF 232 Structural Drafting 2 credits
DRF 271 Advanced AutoCAD 2 to 3 credits

1. Complete BUS 111, Business Mathematical Calculations, with a grade of “C” or higher.
2. Complete BUS 111, Business Mathematical Calculations, with a grade of “C” or higher.
3. Complete BUS 111, Business Mathematical Calculations, with a grade of “C” or higher.
4. Complete BUS 111, Business Mathematical Calculations, with a grade of “C” or higher.
5. Complete BUS 111, Business Mathematical Calculations, with a grade of “C” or higher.

To obtain this certificate, you must complete each required course above with a grade of “C” or better.

**Total Curriculum Requirements**

43 credits with a GPA of 2.00 or higher

**General Education Requirements**

**English**

- ENG 100 Writing Fundamentals OR
- ENG 101 Written Communications I

**Computers**

- CMP 103 Introduction to Computer Based Systems

**Mathematics**

Option #1:

- TEC 101 Technical Math I OR
- MAT 120 Intermediate Algebra AND
- TEC 102 Technical Math II

Option #2:

- MAT 154 College Algebra AND
- MAT 181 Plane Trigonometry

Select an additional four credits in a category other than Mathematics from the list of General Education courses if you selected Math option #1.

Select an additional six credits in a category other than Mathematics from the list of General Education courses if you selected Math option #2.

You may not exceed two credits in the Health and Physical Education category.

**Total General Education Requirements**

18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**

You will need to complete three credits of elective courses to complete the 64 credits required for the degree.

**Total Elective Requirements**

3 credits

**Total Minimum Degree Requirements**

64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher*
  2. EAC ASSET reading assessment test score of 35 or higher*
  3. ACT Assessment Reading score of 14 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
  6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.

- Remove any indebtedness to the College.
Computer Assisted Design and Drafting Technology – Level I
CERTIFICATE OF PROFICIENCY
30618
Advisors: Doug Griffin, Dee Lauritzen

The Level I Computer Assisted Design and Drafting Certificate program prepares students to succeed as a CADD technician. This certification provides students with competencies in the following areas: manual drafting, 3D solid modeling, and residential architectural design.

An additional 9 credits, including courses in one area other than English and Mathematics, are to be selected from the list of General Education courses. You may not exceed nine credits in any GE Category, with the exception of Health and Physical Education, where the maximum is two credits.

Total General Education Requirements 18 credits

Elective Requirements

To obtain this degree you must complete a minimum of 64 credits.

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above.

1. EAC COMPASS reading assessment test score of 60 or higher*
2. EAC ASSET reading assessment test score of 35 or higher*
3. ACT Assessment Reading score of 14 or higher*
4. SAT verbal score of 530 or higher*
5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Computer Information Systems
ASSOCIATE OF BUSINESS DEGREE
ABus-SR 70102

Advisors: James McBride, Mike Moore, Scott Russell

This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Computer Information Systems. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.html) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Upon completion of a four-year program at a college or university, you will be prepared for employment as a:

- Computer specialist in marketing, finance and accounting
- Systems analyst and designer
- Information system consultant and computer auditor
- Applications designer and programmer
- Networking system designer and manager

Cosmetology

ASSOCIATE OF APPLIED SCIENCE DEGREE
2011

Advisor: Gayrene Claridge

The Cosmetology program trains persons to be beauty operators, hairstylists, beauticians and cosmetologists. The Cosmetology curricula requirements, an intensive program designed to meet cosmetologist-licensing requirements for the Arizona State Board of Cosmetology, can be completed in one academic year. The program normally begins on approximately August 1 and ends in mid-June the following year. Classes meet approximately 8 hours a day, five days a week for 10½ months so that the 1600 hours training necessary to qualify for the state exam can be obtained in one year. With the completion of 18 General Education credits and 2 Elective credits, students can also earn an Associate of Applied Science Degree.

### 30627
#### Advisor: Steven Herbert

The Diesel Technician Certificate program provides the student an opportunity to develop entry-level skills in diesel service and repair. The focus of this certificate is off-highway Caterpillar equipment. Additionally, this certificate will help prepare the student for ASE Diesel certification tests.

**Total Minimum Certificate Requirements**: 34 credits

Before completing this certificate you must have completed the Diesel Technician Certificate - 30627. DSL 297, 298, or 299 credits applied to the Diesel Technician Certificate - 30627 may not be used again to complete this certificate.

In addition to completing the course requirements above with a grade of "C" or better, you must meet an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of "C" or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of "C" or better.
- Completion of MAT 120, Intermediate Algebra, or higher with a grade of "C" or better.
- EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

## Diesel Technician - Advanced - Certificate of Proficiency
### 30630
#### Advisor: Steven Herbert

The Diesel Technician - Advanced Certificate program provides the student an opportunity to develop advanced skills in diesel service and repair. The focus of this certificate is off-highway Caterpillar equipment. Additionally, this certificate will help prepare the student for ASE Diesel certification tests.

Diesel Technology

ASSOCIATE OF APPLIED SCIENCE DEGREE
20602
Advisor: Steven Herbert

The Diesel Technology AAS degree provides an opportunity for students to develop and upgrade skills needed to be productive and successful upon entry into diesel service and repair occupations. The focus of the program is off-highway Caterpillar equipment. Additionally, this program develops the career skills such as literacy, numeracy, and communication. The degree course work will help prepare students for ASE Diesel certification tests.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher*
  2. EAC ASSET reading assessment test score of 35 or higher*
  3. ACT Assessment Reading score of 14 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
  6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Early Childhood Education

ASSOCIATE OF APPLIED SCIENCE DEGREE

   • Remove any indebtedness to the College.

---

**Early Childhood Education**

**CERTIFICATE OF PROFICIENCY**

**30814**

**Advisor:** JoAnn Morales

The Early Childhood Education (ECE) program is designed for early childhood teacher training. Upon completion of the certificate of proficiency students may apply for the National Child Development Associate Certificate through a national CDA credentialing agency. If you wish to attain national certification, we recommend that you enroll in ECE 240, Child Development Portfolio and Assessment Preparation. This national certification demonstrates competencies in the following areas:

- Planning the program and setting for a center-based early childhood program for 10 to 25 children.
- Observing young children.
- Involving parents and families.
- Enhancing the intellectual and personality development of children.
- Conducting programs for the creative and physical development of children.
- Developing bilingual programs and crafts programs.
- Managing early childhood centers.

The Early Childhood Education Associate is a competent person who assumes primary responsibility for meeting the specific needs of a group of children in a child development setting by nurturing the child’s physical, social, emotional and intellectual needs; setting up and maintaining the child care environment; and establishing a liaison relationship between parents and the child development center. Students enrolling in this program are required to attend lab. All labs are taught off campus in an early child care setting. To complete the lab requirements, students must be either employed or volunteering in a formal day care setting, provide or teach preschool in their home, or provide childcare in their home for the minimum number of lab hours required for each ECE course the student is enrolled in.

After completing requirements for the Early Childhood Education Certificate of Proficiency, you can:

- Earn a degree in Child Care by completing the additional requirements shown for the Early Childhood Education Associate of Applied Science degree.
- Earn an Associate of General Studies degree by completing the 35 credits of General Education requirements, and sufficient electives to total 64 credits.

Elementary Education

ASSOCIATE OF ARTS DEGREE
AA-SR 60201

Advisor: JoAnne Ellsworth

If you plan a career in elementary or special education you can complete your first two years of study at EAC. Some universities now require a minor that can be started at EAC. Consult with department staff at the school where you plan to transfer for specific information. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements

EDU 200  Introduction to Education  3 credits
EDU 222  Introduction to Special Education  3 credits
EDU 230  Cultural Diversity in Education  3 credits
EDU 233  ESL/SEI Methods I  3 credits
MAT 156  Principles of Mathematics I  3 credits
MAT 157  Principles of Mathematics II  3 credits
POS 220  United States and Arizona Constitution  3 credits
CMP 103  Introduction to Computer Based Systems  3 credits
Select 4 credits of elective courses from the approved list (see pages 46-47) related to your specific content area.  4 credits

Total Curriculum Requirements  28 credits

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

English
ENG 101  Written Communications I  3 credits
ENG 102  Written Communications II  3 credits

Mathematics
Select one course from list on pages 46-47.  3 credits

Lab Science
Two Lab Science courses from list on pages 46-47. Courses from two different departments must be selected.  8 credits

Humanities
Select two courses from the following:  6 credits
ART 133  World Art I
ART 134  World Art II
MUS 101  World of Music
SPC 150  Oral Interpretation of Literature
SPC 201  Public Speaking
THC 105  Introduction to Drama
Select one additional course from the Humanities list on pages 46-47.  3 credits

Social Science
HIS 101  U.S. History I OR
HIS 102  U.S. History II  3 credits
POS 110  United States National Politics  3 credits
PSY 101  Introduction to Psychology  3 credits

Total General Education Requirements  35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To obtain this degree you must take a minimum of 1 credit of elective courses from the approved list to complete the 64 credits required.

Total Elective Requirements  1 credit

Total Minimum Degree Requirements  64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

1. Complete at least 16 degree credits at Eastern Arizona College.
2. Attain a cumulative grade point average of 2.00 or higher.
3. Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
   1. EAC COMPASS reading assessment test score of 76 or higher*
   2. EAC ASSET reading assessment test score of 40 or higher*
   3. ACT Assessment Reading score of 18 or higher*
   4. SAT verbal score of 530 or higher*
   5. Completion of ENG 113, College Reading, with a grade of “C” or better
   6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

1. File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
2. Remove any indebtedness to the College.
Secondary Education

ASSOCIATE OF ARTS DEGREE
TG-XR 60202

For Advising: Check for advisor contact information in the curriculum description corresponding to the discipline you plan to teach. For example, if you plan to teach mathematics, look up one of the mathematics curricula for the name of a faculty member advising math majors.

EAC offers many curricula that provide the first two years of a four-year program leading to a bachelor's degree and a secondary teaching certificate. Secondary education is by nature discipline specific. You should choose a university and a discipline you wish to teach as quickly as possible. Then obtain the catalog and/or transfer guide from that institution and follow their curriculum as closely as possible. Rather than this degree, you may wish to obtain the EAC Liberal Arts Degree or discipline specific EAC Degree if these allow you to more closely follow the curriculum at your chosen transfer institution. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Discipline areas which offer the program described above include:
- Art Education
- Business Education
- English
- Health and Physical Education
- Mathematics
- Political Science
- Biology
- Chemistry
- Geology
- History
- Music Education
- Technology Education

Arizona State University and the University of Arizona require that all applicants to their teacher programs pass the Pre-Professional Skills Test (PPST). Northern Arizona University no longer requires this test. You should check with your advisor at least two full semesters before transferring to determine when the PPST will be offered at EAC and how to register for the three parts of the test, which cover mathematics, reading and writing.

Curriculum Requirements
EDU 200 Introduction to Education 3 credits
POS 221 Arizona Constitution and Government 1 credit
Total Curriculum Requirements 4 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Electrical and Instrumentation Technician

CERTIFICATE OF PROFICIENCY
30628

Advisor: Charles Smith

The Electrical and Instrumentation Technician Certificate program provides the student an opportunity to develop entry-level skills in the industrial electrical field. Students will receive a background in the properties and applications of electricity, maintenance of electrical systems, and technical problem solving.

Total Minimum Certificate Requirements 33 credits

In addition to completing the course requirements above with a grade of “C” or better, students must demonstrate a reading competency at the tenth grade level or above by one of the following methods:

- EAC COMPASS reading assessment test score of 60 or higher*
- EAC ASSET reading assessment test score of 35 or higher*
- ACT Assessment Reading score of 14 or higher*
- SAT verbal score of 530 or higher*
- Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
- Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Student Information System terminals or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Student Information System terminals or from your advisor.

Electrical and Instrumentation Technician - Advanced

CERTIFICATE OF PROFICIENCY
30631

Advisor: Charles Smith

The Electrical and Instrumentation Technician - Advanced Certificate program provides the student an opportunity to develop advanced skills in the industrial electrical field. Students will receive a background in industrial applications of electricity, maintenance processes, troubleshooting, and workplace communication.

Any course from the list on pages 45-46. 3 credits

Total General Education Requirements: 19 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Total Minimum Degree Requirements: 65 credits

In addition to completing each of the courses listed above, you must meet the following general graduation requirements to obtain this degree:

1. Complete at least 16 degree credits at Eastern Arizona College.
2. Attain a cumulative grade point average of 2.00 or higher.
3. Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
   1. EAC COMPASS reading assessment test score of 60 or higher*
   2. EAC ASSET reading assessment test score of 35 or higher*
   3. ACT Assessment Reading score of 14 or higher*
   4. SAT verbal score of 530 or higher*
   5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
   6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

   *Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

4. File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
5. Remove any indebtedness to the College.

Emergency Medical Technician

– Basic

CERTIFICATE OF PROFICIENCY
30701

Advisor: Mark Kempton

This Certificate prepares you for an entry-level position as an emergency medical technician at the basic level. Emphasis is on preparation to perform pre-hospital emergency services as specified by Arizona Department of Health Services, Bureau of Emergency Medical Services.

Curriculum Requirements

Total Minimum Certificate Requirements: 10 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:

1. Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
2. EAC COMPASS writing placement score of 85 or higher entered into your student record.
3. Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
4. Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
5. EAC COMPASS mathematics placement score of 61 or higher entered into your student record.
Emergency Medical Technician - Paramedic
CERTIFICATE OF PROFICIENCY
30702
Advisor: Mark Kempton

This program is designed to prepare the student for an entry-level position as an emergency medical technician at the paramedic level. Emphasis is on preparation to perform emergency services as specified by Arizona Department of Health Services, Bureau of Emergency Medical Services.

The following entry proficiencies are recommended:
- A ninth grade or higher reading level as determined by an EAC Placement Test or completion of ENG 100, Writing Fundamentals.
- Mathematics skills at the MAT 077 level or higher as determined by an EAC Placement Test or successful completion of MAT 055, Basic Math.
- Certification as an Arizona Certified Emergency Medical Technician.

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective and Foreign Language Requirements
To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:
- If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC. This option will fulfill your foreign language requirement. You will need to select a one credit elective course from the approved list to obtain the 64 credits required for this degree.
If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement. You will need to select nine credits of elective courses from the approved list to obtain the 64 credits required for this degree.

If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete 17 credits of elective courses from the approved list found on pages 46-47 to obtain the 64 credits required for the degree.

You are encouraged to take liberal arts courses as electives such as art, creative writing, history, music, philosophy or psychology. Total Elective and Foreign Language Requirements 17 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available online at Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

Environmental Technology

ASSOCIATE OF APPLIED SCIENCE DEGREE
20705

Advisor: Mike McCarthy

This degree prepares the student to apply for positions with agencies dealing with the environment, natural resources or the public. The degree will expose students to different aspects of the natural world and various cultures, and will provide communications skills.

An additional 5 credits, including courses in one area other than Computers and Mathematics, are to be selected from the list of General Education courses. You may not exceed 9 credits in any GE category, with the exception of Health and Physical Education, where the maximum is two credits.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements

To obtain this degree you must complete a minimum thirteen credits of courses of your choice numbered 100 or above to obtain the 64 credits required.

Total Elective Requirements 13 credits

Total Minimum Degree Requirements 64 credits
In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.0 or higher.
- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher
  2. ACT Assessment Reading score of 14 or higher
  3. SAT verbal score of 530 or higher
  4. Completion of ENG 091, Reading Improvement II, with a grade of "C" or better
  5. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.

- Remove any indebtedness to the College.

**Fire Science**

**CERTIFICATE OF PROFICIENCY**

30625

**Advisor:** Mark Kempton

The Fire Science Certificate program, in cooperation with the Arizona Fire Marshall’s Office, prepares students for service as firefighters in rural settings. This certification emphasizes professional firefighting skills corresponding to the everyday demands of the profession. It is designed for both individuals already serving in the profession as firefighters and as a preparatory program for those who seek a career in firefighting.

- EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

**Forestry**

**ASSOCIATE OF ARTS DEGREE**

TG-XR 60703

**Advisors:** Mike McCarthy

This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Forestry. This degree also prepares you for a number of jobs in forestry and the forest products industry. A strong high school background in Mathematics and Chemistry is recommended.

Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/casstudents/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

A Forestry bachelor’s degree is currently offered in Arizona only at Northern Arizona University.

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of "C" or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABC, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABC, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

General Studies

ASSOCIATE OF GENERAL STUDIES DEGREE
50000

Advisors: Sharon Allen, Hopi Fitz-William, Gwen Lewis, Ida Nunley, Ray Orr, Lee Russell

The Associate of General Studies Degree (AGS) is available for those students whose preferred degree program of study is not otherwise available at EAC. For example, the AGS Degree may be the best choice for you if:

You plan to transfer to one of Arizona's public universities and EAC does not offer a degree pathway that matches the first two years of study in the major you wish to pursue.

You plan to transfer to a private Arizona college or university or an out-of-state institution and you wish to customize an EAC degree to match the required courses in your major at that school.

You do not plan to transfer to another College or University and wish to obtain an Associate Degree that incorporates a General Education component and lets you select other courses according to your interests.

Other than the embedded AGEC, the AGS Degree is not included in any transfer agreements and credits earned may be accepted or rejected by a receiving institution. If you plan to transfer upon completion of this degree and since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

General Education Requirements

The General Education Requirement may be satisfied in two different ways. Select the option below that best meets your needs.

Option 1 - Arizona General Education Curriculum

If you plan to transfer to one of Arizona’s public universities you will be best served by completing one of the three Arizona General Education Curriculums. They are the AGEC-A, AGEC-B and AGEC-S. If you know where you are transferring and what your major will be, find out which AGEC is appropriate and follow it as outlined below. If the major you select does not accept an AGEC or has a unique set of General Education requirements go to Option Two.

AGEC-A: This General Education Program is better suited for majors in the Liberal Arts.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

**English**

ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

**Mathematics**

Select one course from list on pages 46-47. 3 credits

**Lab Science**

Two Lab Science courses from list on pages 46-47. If you plan to transfer consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

**Humanities**

Select from at least two departments on the Humanities list on pages 46-47. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6-9 credits

**Social Science**

Select from at least two departments on the Social Science list on pages 46-47. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6-9 credits

**Options**

Select courses from the options category on pages 46-47 to complete the 35 credits required for the AGEC. 0-6 credits

AGEC-B: This General Education Program is intended for students majoring in a business curriculum.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

**English**

ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

**Mathematics**

MAT 210 Elements of Calculus 4 credits

**Lab Science**

Select two courses from the list on pages 46-47. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

**Humanities**

Select from at least two departments on the Humanities list on pages 46-47. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6-9 credits
Social Science
Select from at least two departments on the Social Science list on pages 46-47. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6-9 credits

Options
CMP 103 Introduction to Computer Based Systems 3 credits
Select courses from the options category to complete the 36 credits required for the AGEC. 0-3 credits

AGEC-S: This General Education Program is intended for students majoring in a math or science curriculum.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

English
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 220 Calculus I or higher-level mathematics course. 4 credits

Lab Science
Select two of the following courses: 8 credits
If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.
BIO 181 General Biology I
BIO 182 General Biology II
BIO 201 Human Anatomy and Physiology I
BIO 202 Human Anatomy and Physiology II
CHM 151 General Chemistry I
CHM 152 General Chemistry II
CHM 230 Fundamental Organic Chemistry
CHM 235 General Organic Chemistry
CHM 236 General Organic Chemistry II
PHY 111 General Physics I
PHY 112 General Physics II
PHY 211 Physics with Calculus I
PHY 212 Physics with Calculus II

Humanities
Select from at least two departments on the Humanities list on pages 46-47. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Social Science
Select from at least two departments on the Social Science list on pages 46-47. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Options
For this certificate, you must select two additional courses to complete the 38 credits required for the AGEC. Eligible courses include any of the Lab Science courses or any math courses MAT 230 or higher. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Option 2 - Approved General Education Curriculum
File with your graduation petition a general education curriculum of at least 35 credits approved by a regionally accredited college or university for which equivalent transferable courses are available at EAC or an Arizona public university transfer guide for the major you intend to complete. Completion of those courses will fulfill the AGS Degree General Education requirement.

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
Depending on which AGEC you choose, select 26-29 credits of elective courses numbered at the 100 level or above to complete the 64 credits required for the degree.

Total Elective Requirements 26-29 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

1. Complete at least 16 degree credits at Eastern Arizona College.
2. Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
   1. EAC COMPASS reading assessment test score of 76 or higher*
   2. EAC ASSET reading assessment test score of 40 or higher*
   3. ACT Assessment Reading score of 18 or higher*
   4. SAT verbal score of 530 or higher*
   5. Completion of ENG 113, College Reading, with a grade of “C” or better
   6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

1. File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
2. Remove any indebtedness to the College.
Geology

ASSOCIATE OF SCIENCE DEGREE
AS-SR 80703

Advisor: David Morris

The following curriculum will meet the lower-division requirements of most four-year schools in geology. Upon satisfactory completion of the course work outlined below and graduation with an AS degree from Eastern Arizona College, you may enter upper division work in any one of several earth science related fields, including general geology, geo-chemistry, hydrology and geophysics. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

You should have a firm background in mathematics (including algebra, geometry, and trigonometry) and chemistry. Physics is helpful. A deficiency in any of the above areas may necessitate refresher courses before pursuing a geology curriculum.

Curriculum Requirements

- GLG 101 Physical Geology 4 credits
- GLG 102 Historical Geology 4 credits
- MAT 230 Calculus II 4 credits
- MAT 240 Calculus III 4 credits
- MAT 260 Differential Equations 3 credits

Total Curriculum Requirements 19 credits

General Education Requirements

AGEC-S. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

English

- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics

- MAT 220 Calculus I 4 credits

Lab Science

- CHM 151 General Chemistry I 4 credits
- CHM 152 General Chemistry II 4 credits
- PHY 211 Physics with Calculus I 5 credits
- PHY 212 Physics with Calculus II 5 credits

Humanities

Select from Humanities list on pages 46-47. Choose courses from more than one department and one course must be in the Arts. 6 credits

Social Science

Choose from Social Science list on pages 46-47. Choose courses from more than one department. 6 credits

Total General Education Requirements 40 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To obtain this degree you must complete a minimum of 64 credits of courses numbered 100 or higher. Select from the approved list found on pages 46-47 to obtain the 64 credits required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

An introductory computer course is highly recommended.

Language proficiency demonstration – check University Transfer Guides to see if they have a language proficiency requirement. If so, select courses that will satisfy the language proficiency requirement.

Total Elective Requirements 5 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Additional credits, with no more than 2 credits in the Health and Physical Education category, are to be selected from the list of General Education courses.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

Elective Requirements

To obtain this degree you must take a one credit course of your choice numbered 100 or above to obtain the 64 credits required.

Total Elective Requirements 1 credit

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Achieve a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher*
  2. EAC ASSET reading assessment test score of 35 or higher*
  3. ACT Assessment Reading score of 14 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 091, Reading Improvement II, with a grade of "C" or better

- Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
- EAC COMPASS mathematics placement score of 61 or higher entered into your student record.
Health & Physical Education

ASSOCIATE OF ARTS DEGREE
AA-SR 60501

Advisors: Jim Bagnall, Dan Dersam, Shari Kay, Maurice Leitzke, Kate McCluskey, John O’Mera

Recipients of this degree are prepared to pursue a major in Health or Physical Education and minor in Biology or Physical Science at a four-year college or university. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

A high school background in sports, biology and chemistry is helpful.

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To obtain this degree you must take a minimum of nine credits of elective courses from the approved list to obtain the 64 credits required.

| Total Elective Requirements | 9 |
| Total Minimum Degree Requirements | 64 |

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

History

ASSOCIATE OF ARTS DEGREE
AA-SR 60803

Advisor: Patrick Lukens

This degree prepares you to transfer to four-year college or university and pursue a bachelor's degree in history. In addition to teaching, history provides excellent background for entering Law School or for pursuing any type of social or government work. Also, some recent trends suggest history majors are being hired for business because of the need for people who are trained in reading primary source material, synthesizing what they read, and applying it in problem-solving situations. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective and Foreign Language Requirements
To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:
• If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC. This option will fulfill your foreign language and elective requirements and will result in a total of 66 credits required to obtain the degree.
• If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement. You will need to select six credits of elective courses from the approved list to obtain the 64 credits required for this degree.
• If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete 14 credits of elective courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete 14 credits of elective courses from the approved list found on pages 46-47 to obtain the 64 credits required for the degree.

Total Elective and Foreign Language Requirements 14 to 16 credits
Total Minimum Degree Requirements 64 to 66 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.0 or higher.
• Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
• Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

Industrial Plant Technician

CERTIFICATE OF PROFICIENCY
30629

Advisor: Frank Martinez

The Industrial Plant Technician Certificate program provides the student an opportunity to develop entry-level skills in the field of industrial plant technology. Students will receive a background in the maintenance and repair of mechanical systems typically found in industrial settings, significant hands-on experience with those systems, and instruction and practice in technical problem solving.

Curriculum Requirements
CMP 101 Introduction to Computers 3 credits
IPT 110 Industrial Shop Practices 3 credits
IPT 120 Industrial Pump Maintenance and Repair 3 credits
IPT 130 Industrial Valve Maintenance and Repair 3 credits
IPT 140 Bulk Materials Handling 3 credits
IPT 150 Industrial Plant Hydraulics 2 credits
IPT 160 Machinery Maintenance and Troubleshooting 3 credits
TEC 112 Basic Hydraulics and Pneumatics 2 credits
WLD 101 Welding 3 credits
WLD 201 Repair Welding and Fabrication 3 credits

Select 6 additional credits from the following:
MIN 121 Surface Mine Safety Training 1 credit
IPT 297 Workshop 1 to 6 credits
IPT 298 Workshop 1 to 3 credits
IPT 299 Independent Study 1 to 3 credits
TEC 191 Industry Internship I 1 to 4 credits
TEC 192 Industry Internship II 1 to 4 credits

Total Minimum Certificate Requirements 34 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:
• Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
• EAC COMPASS writing placement score of 85 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
• EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

In addition to the above requirements, students must demonstrate reading ability at the 10th grade-level or higher by achieving an appropriate score on an EAC-approved reading test or by successful completion of ENG 091, Reading Improvement II.
Industrial Plant Technician - Advanced

CERTIFICATE OF PROFICIENCY
30632

Advisor: Frank Martinez

The Industrial Plant Technician - Advanced Certificate program provides the student an opportunity to develop advanced skills in the field of industrial plant technology. Students will receive a background in industrial mechanical applications, maintenance processes, troubleshooting, and workplace communication.

Total Minimum Certificate Requirements 22 credits

Before completing this certificate you must have completed the Industrial Plant Technician Certificate - 30629. IPT 297, 298, or 299 credits applied to the Industrial Plant Technician Certificate - 30629 may not be used again to complete this certificate.

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
- EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

In addition to the above requirements, students must demonstrate reading ability at the 10th grade-level or higher by achieving an appropriate score on an EAC-approved reading test or by successful completion of ENG 091, Reading Improvement II.

Social Science

Any course from the list on pages 45-46. 3 credits

Total General Education Requirements 18 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Total Minimum Degree Requirements** 64 credits

In addition to completing each of the courses listed above, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher*  
  2. EAC ASSET reading assessment test score of 35 or higher*  
  3. ACT Assessment Reading score of 14 or higher*  
  4. SAT verbal score of 530 or higher*  
  5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better  
  6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*  

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

**Information Technology Technician**

**CERTIFICATE OF PROFICIENCY**

**30119**

**Advisors:** James McBride, Mike Moore, Scott Russell

This certificate program provides a faster track, emphasizing specific computer skills and fewer general courses. You will learn how to establish, organize and maintain many of the small computer network systems in use today.

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
- EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

**Laboratory Assistant**

**CERTIFICATE OF PROFICIENCY**

**30712**

**Advisor:** Mayuree Siripoon

This program prepares you for an entry-level position as a laboratory assistant. Emphasis is on preparation to perform duties in a medical laboratory. Professional duties in a laboratory include drawing blood specimens, processing specimens, managing inventory of lab supplies, conducting quality assurance activities, performing point-of-care testing, using computers to assist in testing and documenting laboratory activities.

The following entry proficiencies are recommended:
- A ninth grade or higher reading level as determined by an EAC Placement Test or completion of ENG 100, Writing Fundamentals.
- Mathematics skills at the MAT 077 level or higher as determined by an EAC Placement Test or successful completion of MAT 055, Basic Math.

Languages

ASSOCIATE OF ARTS DEGREE
AA-GR 60205

Advisors: Tonka Curtis, Bryan McBride

Languages study at EAC prepares you for careers in business, education, international relations, translation, social work, transportation, journalism and many other areas. Many Languages majors go on to professional schools (law, medicine, dentistry and business). Language students gain an appreciation of other cultures, which enhances their understanding of their own culture. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cau/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements
FRE 201 Intermediate French I OR
SPA 201 Intermediate Spanish I 4 credits
FRE 202 Intermediate French II OR
SPA 202 Intermediate Spanish II 4 credits
Courses in one other language at the 100 level or above 8 credits
Total Curriculum Requirements 16 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Social Science
ANT 110 Mexican-American Culture 3 credits
Select two other courses from list on pages 46-47 6 credits

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To obtain this degree you must take a minimum of 13 credits of elective courses from the approved list to obtain the 64 credits required.

Total Elective Requirements 13 credits
Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

Law Enforcement Office Assistant

CERTIFICATE OF PROFICIENCY
30812

Advisors: Derek Rich

This certificate is designed to prepare you for entry-level employment with a Criminal Justice agency as an office assistant. It also allows persons already employed in a Criminal Justice workgroup to upgrade their clerical and office technology skills and knowledge.

Curriculum Requirements
AIS 101 Introduction to Criminal Justice 3 credits
AJS 101 Introduction to Criminal Justice 3 credits
AJS 120 Police Communications 3 credits
AJS 266 The Police Function 3 credits
CMP 101 Introduction to Computers OR
AJS 103 Criminal Investigation 3 credits
CMP 103 Introduction to Computer Based Systems 3 credits
AJS 118 Electronic Keyboarding II 3 credits
AIS 213A Office Procedures/Records Management 1 credit
AIS 213B Office Procedures/Office Transcription 1 credit
AIS 213C Office Procedures/Electronic Office Equipment 1 credit
AJS 214 The Office Professional 3 credits
AJS 238 Advanced Office Applications 3 credits

Total Minimum Certificate Requirements 27 credits

To obtain this certificate, you must complete each required course above with a grade of “C” or better. In addition, you must meet an academic requirement by one of the following methods:

• EAC COMPASS writing placement score of 85 or higher entered into your student record, OR
• Completion of ENG 100, Writing Fundamentals or higher with a grade of “C” or better.
## Law Enforcement Technology

### CERTIFICATE OF PROFICIENCY

**30813**

**Advisor:** To be determined.

This certificate is designed to prepare you for applying with an Arizona law enforcement agency to become a certified Peace Officer. It also allows persons already employed in law enforcement or a related Criminal Justice field to upgrade their skills and knowledge.

**Total Minimum Certificate Requirements: 21 credits**

To obtain this certificate, you must complete each required course above with a grade of "C" or better. In addition, you must meet an academic requirement by one of the following methods:

- EAC COMPASS writing placement score of 60 or higher entered into your student record, OR
- Completion of ENG 100, Writing Fundamentals or higher with a grade of "C" or better.

### Liberal Studies

**ASSOCIATE OF ARTS DEGREE**

**AA-GR 60000**

**Advisors:** Sharon Allen, Hopi Fitz-William, Gwen Lewis, Ray Orr, Ida Nunley, Adam Stinchcombe, Lee Russell

A Liberal Studies Associate of Arts Degree is appropriate if you plan to continue your education at a college or university and major in Liberal Arts. If you have not yet decided on a major but know you want to transfer to a four-year college or a university, this degree will fulfill the general education requirement for many different programs of study. Liberal Studies Faculty Advisors are available to assist you in the selection of courses. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

### General Education Requirements

**AGEC-A.** To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

### Social Science

Select from the list on pages 46-47. Choose courses from at least two different departments. 6-9 credits

### Options

Select courses from the options category on pages 46-47 to complete the 35 General Education credits required. 0-6 credits

### Elective and Language Requirements

To obtain this degree you must demonstrate proficiency in a language other than English at the 202 course level. To do this select from the following options:

- If you have no language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC. This option will fulfill your language requirement. You will need to select 13 credits of elective courses from the approved list to obtain the 64 credits required for this degree.
- If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your language requirement. You will need to select 21 credits of elective courses from the approved list to obtain the 64 credits required for this degree.
- If you have completed four years of high school language courses or have obtained language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate language proficiency by testing, you will need to complete 29 credits of elective courses from the approved list to obtain the 64 credits required for the degree.

**Total Elective and Language Requirements: 29 credits**

**Total Minimum Degree Requirements: 64 credits**

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of "C" or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
Licensed Practical Nurse  
CERTIFICATE OF PROFICIENCY  
30710  
Advisor: Mayuree Siripoon  
This program prepares you to function as a practical nurse caring for acutely ill patients under the supervision of a registered nurse. Licensed Practical Nurse (LPN) gives basic nursing care and assists other members of the health-care team. On successful completion of the program, you will be eligible to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN). Entry into the nursing program requires prior admission. For admission procedures to the nursing program, contact the Nursing Department, (928) 428-8396.

Prerequisites
The following courses are required to be completed with a minimum grade of “C” to be considered for acceptance into the program. High school courses will not substitute.

- CHM 138 An Introduction to General, Organic, and Biological Chemistry OR CHM 230 Fundamental Organic Chemistry 4 credits
- MAT 120 Intermediate Algebra OR Placement Test score into higher Algebra course 0 to 4 credits
- PSY 101 Introduction to Psychology 3 credits

Other requirements are the following:
- Current American Heart Association, Health Care Provider CPR certification
- Current Arizona Certified Nursing Assistant
- Reading competency at the twelfth grade level or above on an EAC approved reading test or completion of ENG 113 with a grade of “C” or higher
- Passing the Nursing Entrance Test (NET)

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements
To obtain this degree you must take a minimum of two credits of courses of your choice numbered 100 or above to obtain the 64 credits required.

Total Elective Requirements 2 credits

Total Minimum Degree Requirements 64 credits
In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher*
  2. EAC ASSET reading assessment test score of 35 or higher*
  3. ACT Assessment Reading score of 14 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 091, Reading Improvement II, with a grade of "C" or better
  6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

### Machine Technology

**CERTIFICATE OF PROFICIENCY**

**30619**

**Advisor:** Newell Dryden

The Machine Technology Certificate program provides the student an opportunity to develop skills in the metal working field where there is a great demand for skilled workers. Students will receive a background in machining, precise measuring, and technical problem solving to prepare them for entry into the machine tool industry.

### Mathematics

**ASSOCIATE OF ARTS DEGREE**

**AA-SR 61101**

**Advisors:** Adam Stinchcombe

This degree will meet the general education requirements and most of the mathematics requirements for the first two years of a four-year degree in Mathematics at Northern Arizona University. Since program requirements differ between universities, the official transfer guide ([www.aztransfer.org/cas/students/transfer_guides.htm](http://www.aztransfer.org/cas/students/transfer_guides.htm)) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

**Curriculum Requirements**

Total Minimum Certificate Requirements 21 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:
Medical Assistant

CERTIFICATE OF PROFICIENCY
30704

Advisors: Robert Richman, Mayuree Siripoon

This program prepares you for an entry-level position as a medical assistant. Emphasis is on preparation to perform both clerical duties and clinical duties in a medical office.

The following entry proficiencies are recommended:
• A ninth grade or higher reading level as determined by an EAC Placement Test or completion of ENG 100, Writing Fundamentals.
• Mathematics skills at the MAT 077 level or higher as determined by an EAC Placement Test or successful completion of MAT 055, Basic Math.

Curriculum Requirements

Health Care Education Core Requirements
HCE 100 Basic Health Care Concepts and Skills OR
NUR 100 Nursing Assistant 4 or 8 credits
HCE 101 Basic Life Support 2 credits
HCE 112 Medical Terminology 2 credits
HCE 114 Math for Medications 2 credits
HCE 190 Human Body in Health and Disease 4 credits

Total Health Care Education Core Requirements 14 to 18 credits

HCE 130 Medical Assisting: Administrative Competencies 4 credits
HCE 160 Medical Assisting: Clinical Competencies 6 credits
HCE 170 Medical Assisting: Externship 4 credits
HCE 186 Phlebotomy and Clinical Laboratory 2 credits

Total Minimum Certificate Requirements 30 to 34 credits

To obtain this certificate, you must complete each required course with a grade of “C” or better.

Medical Transcription

CERTIFICATE OF PROFICIENCY
30705

Advisors: Robert Richman, Mayuree Siripoon

This program prepares you for an entry-level position as a medical transcriptionist. Emphasis is on the transcription of a wide variety of medical communications from machine dictation and an introduction to the terminology encountered in various medical specialties. A review of the language skills of punctuation, spelling, editing, proofreading, and vocabulary is stressed.

The following exit proficiencies are required:
• EAC COMPASS writing placement score of 85 or higher entered into your student record or completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
• EAC COMPASS placement into MAT 077 or higher or completion of MAT 055, Basic Math, or higher with a grade of “C” or better.

Curriculum Requirements

Health Care Education Core Requirements
HCE 100 Basic Health Care Concepts and Skills OR
NUR 100 Nursing Assistant 4 or 8 credits
HCE 101 Basic Life Support 2 credits
HCE 112 Medical Terminology 2 credits
HCE 114 Math for Medications 2 credits

Total Health Care Education Core Requirements 10 to 14 credits

AIS 237 Word Processing Applications or
AIS 238 Advanced Office Applications 3 credits
HCE 225 Medical Transcription or
AIS 225 Medical Transcription 3 credits

Total Minimum Certificate Requirements 16 to 20 credits

To obtain this certificate, you must complete each required course with a grade of “C” or better.

Music

ASSOCIATE OF ARTS DEGREE
AA-SR 60403

Advisors:
Instrumental: Franklin Alvarez
Vocal: Bruce Bishop, Trish Jordahl

The Degree meets the requirements for a bachelor’s degree from a music department at a university provided you take four semesters of applied music instruction and make satisfactory progress in either voice or a major instrument. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

To successfully pursue a college career in music education, you must be able to play at least one instrument well; have some experience and/or training in voice; and possess knowledge of music theory. You must also possess or obtain adequate piano skills.

Curriculum Requirements

Music Theory Requirements
MUS 105 Music Theory I 3 credits
MUS 106 Music Theory II 3 credits
MUS 107 Aural Perception I 1 credit

**Lab Science**

Select from list on pages 46-47. 8 credits

**Humanities**

Select from Humanities list on pages 46-47. Choose courses from more than one department and one course must be in the Arts. 9 credits

**Social Science**

Choose from Social Science list on pages 46-47. Choose courses from more than one department. 9 credits

**Total General Education Requirements**

35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

### Elective Requirements

To obtain this degree you must complete a minimum of 64 credits. Depending on your choice of ensemble courses in the curriculum requirements section you will need no additional courses or up to two credits of elective courses from the approved list found on pages 46-47 to obtain the 64 credits required.

**Total Elective Requirements**

0 to 2 credits

### Total Minimum Degree Requirements

64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

1. Complete at least 16 degree credits at Eastern Arizona College.
2. Attain a cumulative grade point average of 2.00 or higher.
3. Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
   1. EAC COMPASS reading assessment test score of 76 or higher*
   2. EAC ASSET reading assessment test score of 40 or higher*
   3. ACT Assessment Reading score of 18 or higher*
   4. SAT verbal score of 530 or higher*
   5. Completion of ENG 113, College Reading, with a grade of “C” or better
   6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*
*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

**Nail Technician**

**CERTIFICATE OF PROFICIENCY**

**30114**

**Advisor:** Gayrene Claridge

This program prepares you for an entry-level position as a nail technician. Emphasis is on basic nail care, manicuring, and hand and arm massage. Classes meet to satisfy the 600 hours training necessary to qualify for the Arizona State Board of Cosmetology nail technician exam.

Special Note: Classes meet approximately eight hours a day, six days a week so that the 600 hours of training necessary to qualify for the Arizona State exam can be obtained in three to four months. A high school nail technician program is offered to qualified students through a joint technological school district. The high school program will meet 3 hours a day, 5 days a week, and 8 hours a day on a minimum of one Saturday a month, for a total of 300 hours of training each semester.

**Total Minimum Certificate Requirements** 18 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
- EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

**Nursing**

**ASSOCIATE OF APPLIED SCIENCE DEGREE**

**20702**

**Advisor:** Mayuree Siripoon

This program is designed to prepare you for beginning employment as a staff nurse giving direct care to patients. The program has received approval by the Arizona Board of Nursing. On successful completion of the program, you will be awarded the Associate of Applied Science in Nursing degree and will be eligible to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). The program permits students to enter or exit from the program based on their specific needs, space availability, and time limitations. Entry into the nursing program requires prior admission. For admission procedures to the nursing program, contact the Nursing Department, (928) 428-8396.

**Application Requirements**

The following are required to be completed prior to applying for the Nursing Program:

- Current American Heart Association, Health Care Provider CPR certification
- Reading competency at the twelfth grade level or above on an EAC approved reading test or completion of ENG 113 with a grade of “C” or higher
- Nursing Entrance Test (NET) score at or above the national average

**Admission Requirements**

The following prerequisite courses are required to be completed with a minimum grade of “C” prior to starting the Nursing Program.

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>

</tr>
</tbody>
</table>

The following are required prior to starting the nursing program:

- Placement test score as established by District policy that places the student into MAT 154 or completion of MAT 120 or higher with a grade of “C” or higher
- Possess a current and valid Certified Nursing Assistant certificate
- Pass the Medical Dosage Calculations Exam at 90% or pass the HCE 116 final exam at 90%
- Submit the completed Immunization Record and Statement of Current Health Status forms
- Submit a copy of a valid Department of Public Safety fingerprint clearance card prior to starting the program. It is imperative that the applicant begin the process of securing a fingerprint clearance card immediately, as the process can take as long as four to eight weeks.

NOTE: Pursuant to A.R.S. § 32-1606(B)(17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting an application for licensure. If the applicant cannot prove that the absolute discharge date is five or more years before the date of filing the application, the Board of Nursing cannot process the application.)

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Total Minimum Degree Requirements including prerequisites 71 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

1. Complete at least 16 degree credits at Eastern Arizona College.
2. Attain a cumulative grade point average of 2.00 or higher.
3. Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
   1. EAC COMPASS reading assessment test score of 60 or higher*
   2. EAC ASSET reading assessment test score of 35 or higher*
   3. ACT Assessment Reading score of 14 or higher*
   4. SAT verbal score of 530 or higher*
   5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
   6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

1. File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
2. Remove any indebtedness to the College.

Nursing Assistant

CERTIFICATE OF PROFICIENCY 30706

Advisor: Mayuree Siripoon

This program prepares you for an entry-level position as a nursing assistant. Emphasis is on basic patient care skills, based on the knowledge of universal precautions, asepsis, basic human needs, body mechanics, treatments and procedures, patient admission, transfer, discharge, and eldercare.

The following entry proficiencies are recommended:

1. A ninth grade reading level on an EAC placement test or completion of ENG 100, Writing Fundamentals.
2. An EAC placement test score at the MAT 077 level or higher or successful completion of MAT 055, Basic Math.

Curriculum Requirements

Health Care Education Core Requirements
- HCE 100 Basic Health Care Concepts and Skills 4 credits
- HCE 101 Basic Life Support 2 credits
- HCE 112 Medical Terminology 2 credits
- HCE 114 Math for Medications 2 credits

Total Health Care Education Core Requirements 10 credits
- NUR 100 Nursing Assistant 8 credits

Total Minimum Certificate Requirements 18 credits

To obtain this certificate, you must complete each required course with a grade of “C” or better. Upon completion of the program, you will qualify to take the State nursing assistant certification exam.

Office Assistant

CERTIFICATE OF PROFICIENCY 30116

Advisors: Dana Barnett, Derek Rich

This certificate program provides basic training in office skills and business knowledge that is expected in the business world today. The curriculum prepares you for positions such as clerk, receptionist or office assistant.

Curriculum Requirements

Health Care Education Core Requirements
- HCE 100 Basic Health Care Concepts and Skills 4 credits

Total Health Care Education Core Requirements 10 credits
- NUR 100 Nursing Assistant 8 credits

Total Minimum Certificate Requirements 18 credits

To obtain this certificate, you must complete each required course with a grade of “C” or better.
Paramedicine
ASSOCIATE OF APPLIED SCIENCE DEGREE
20703

Advisor: Mark Kempton

This program prepares you for employment as a paramedic who is qualified to give emergency care to patients. The program is approved by the Arizona Department of Health Services, Office of Emergency Medical Services and by the National Registry of Emergency Medical Services. After successfully completing the Degree you are eligible to take the required State and National Registry of Emergency Medical Technicians examinations at the Paramedic level.

Program size is limited to 20 students by Arizona State regulation.

The following are required for admission into the program:
- Completion of high school or GED
- Current American Heart Association, health care provider CPR certification
- Current certification as an Arizona Basic EMT or above
- Reading competency at the ninth grade level or above, on EAC-approved reading test
- Successful completion of CHM 130 Fundamental Chemistry or equivalent for 4 credits
- Passage of written and oral entrance examinations

Pharmacy Technician

ASSOCIATE OF APPLIED SCIENCE DEGREE
20704

Advisors: Mayuree Siripoon

This program prepares you for an intermediate level on the pharmacy team. Emphasis is on preparation to perform duties in a pharmacy setting as a pharmacy technician. Professional duties may include: selecting, counting, and pouring prescription medications; updating patient profiles and preparing prescription labels; assisting with drug purchasing and inventory control; packaging medications in unit-dose or med-card form; mixing intravenous solutions and other specialized medications; and gathering data for pharmacists to use in monitoring drug therapy. On successful completion of the program, you will be awarded the Associate of Applied Science degree and will be eligible to take the National Certification test and become a certified pharmacy technician (CPhT).

Curriculum Requirements
HCE 100 Basic Health Care Concepts and Skills 4 credits
HCE 101 Basic Life Support 2 credits
HCE 112 Medical Terminology 2 credits

HCE 174 Fundamentals of Pharmacy Practice 4 credits
HCE 175 Sterile Products and Compounding 3 credits
HCE 176 Pharmacy Practice for Technician 4 credits

Total Minimum Certificate Requirements 28 credits

In addition to completing the required courses above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
• EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

Physics
ASSOCIATE OF SCIENCE DEGREE
AS-SR 80704
Advisor: Madhuri Bapat

This degree will meet the requirements of the first two years of a four-year program in physics or related fields (physical chemistry, applied mathematics, geophysics, biological physics, pre-medical science, scientific journalism, etc.). Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. You should enter this curriculum having completed two years of algebra and one year each of chemistry and physics in high school or the equivalent college courses.

Curriculum Requirements
MAT 181 Plane Trigonometry 3 credits
MAT 260 Differential Equations 3 credits
PHY 211 Physics with Calculus I 5 credits
PHY 212 Physics with Calculus II 5 credits
Total Curriculum Requirements 16 credits

General Education Requirements
AGEC-S. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Political Science
ASSOCIATE OF ARTS DEGREE
AA-SR 60804
Advisor: Patrick Lukens

This degree provides the first two years of a four-year bachelor's degree program in political science. Upon obtaining this AA degree you could enter a college of education and obtain a bachelor's degree and a secondary teacher's certificate; or enter a college of liberal arts and complete a bachelor's degree in political science. Following this, you might enter law school, employment in government or enter graduate school for further and more specialized work in political science. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements
ANT 102 Introduction to Cultural Anthropology 3 credits
CMP 103 Introduction to Computer Based Systems 3 credits
HIS 101 U.S. History I 3 credits
HIS 102 U.S. History II 3 credits
POS 110 United States National Politics 3 credits
Total Curriculum Requirements 15 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Elective Requirements
To obtain this degree you must complete a minimum of ten credits of courses from the approved list to obtain the 64 credits required.
Total Elective Requirements 10 credits
Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABEL, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABEL, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective and Foreign Language Requirements
To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:
• If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC. This option will fulfill your foreign language and elective requirements and will result in a total of 66 hours required to obtain the degree.
• If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement. You will need to select 6 credits of elective courses from the approved list to obtain the 64 credits required for this degree.
• If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete 14 credits of elective courses numbered 100 or higher from the approved list found on pages 46-47 to obtain the 64 credits required for the degree.

Total Elective and Foreign Language Requirements 14 to 16 credits

Total Minimum Degree Requirements 64 to 66 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better

   6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ASSET tests*

   *Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ASSET score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.
   • File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
   • Remove any indebtedness to the College.

Pre-Chiropractic Medicine

ASSOCIATE OF SCIENCE DEGREE
TG-XR 80705

Advisors: Joel Shelton, Mayuree Siripoon

The following curriculum will satisfy the pre-admission requirements for most colleges offering a degree in chiropractic medicine.

Curriculum Requirements
BIO 202  Human Anatomy and Physiology II  4 credits
CHM 152  General Chemistry II  4 credits
Total Curriculum Requirements  8 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Lab Science
BIO 201  Human Anatomy and Physiology I  4 credits
CHM 151  General Chemistry I  4 credits
Humanities
Select from Humanities list on pages 46-47. Choose courses from more than one department and one course must be in the Arts. 9 credits
Social Science
Select courses from this list on pages 46-47. 9 credits
Total General Education Requirements  35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To obtain this degree you must take a minimum of 21 credits of elective courses numbered 100 or above to obtain the 64 credits required. You should obtain a catalog from the institution you will transfer to and select electives required by that institution.

Total Elective Requirements  21 credits
Total Minimum Degree Requirements  64 credits
In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attend a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Pre-Engineering

ASSOCIATE OF SCIENCE DEGREE
AS-SR 80706

Advisor: Jack Bailey

Today's professional engineer requires a minimum of four years of highly theoretical and specialized training. Very often this training requires more than four regular college years; that is, either attendance for several summer terms or an additional fifth year, before you may qualify for the bachelor's degree. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

EAC offers you two years of training in the required background mathematics and sciences. In addition, EAC offers many of the General Education courses which are required as part of the overall education of an engineer.

Elective Requirements

To obtain this degree you must take six credits of elective courses numbered 100 or above to obtain the 64 credits required. You should obtain a catalog from the institution you will transfer to and select electives required by that institution. Those desiring to transfer to the University of Arizona should have one course in micro or macro economics.

Total Elective Requirements 6 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
Pre-Physical Therapy

ASSOCIATE OF ARTS DEGREE
TG-XR 60705

Advisor: Mayueree Siripoon

This degree will fulfill the pre-physical therapy requirements at most transfer institutions. Obtain the catalog of the institution you plan to transfer to and select your elective courses based on their requirements.

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To obtain this degree you must take nine credits of elective courses numbered 100 or above to obtain the 64 credits required. You should obtain a catalog from the institution you will transfer to and select electives required by that institution.

Total Elective Requirements 9 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.

• Remove any indebtedness to the College.

Psychology

ASSOCIATE OF ARTS DEGREE
AA-SR 60806

Advisor: Jennifer Leaver

This degree specifies courses that satisfy the AGEC transfer pathway for an AA-SR degree. The Psychology courses identified in the Curriculum Requirements and the General Education Requirements also satisfy the preparatory major requirements for a baccalaureate degree in Psychology. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. This degree also satisfies the needs of students - majors and non-majors - who are interested in psychology primarily as a part of a broad liberal education. In addition, the courses provide a background in psychological principles and techniques to enhance work in other social sciences and in such professional fields as education, business, law enforcement, and health-related fields.

Students often major in psychology to prepare for careers in related fields such as personnel relations, occupational and personal counseling, medicine and dentistry, social and case work, marketing, administration, the legal profession, or counseling and teaching in the public schools. Others plan on graduate work in psychology. Graduate training in psychology prepares you for a career as an academic psychologist (teaching and research), clinical psychologist (mental health centers, institutions, and private practice), industrial and organizational psychologist, and government psychologist (research, administration, testing).

High school preparation should include courses in social sciences as well as the natural sciences (such as biology and chemistry). Two years of high school foreign language study and a proficiency in algebra is highly desirable. In general, the broad liberal arts education that prepares you for college studies is appropriate for majoring in Psychology at Eastern.

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

**English**
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

**Mathematics**
- MAT 154 College Algebra 3 credits

**Lab Science**
- BIO 100 Biology Concepts 4 credits
  - Another Lab Science course from list on pages 46-47. 4 credits

**Humanities**
- Select from Humanities list on pages 46-47. Choose courses from more than one department and one course must be in the Arts. 9 credits

**Social Science**
- PSY 230 Social Psychology 3 credits
- PSY 240 Abnormal Psychology or 3 credits
- PSY 250 Developmental Psychology
- SOC 101 Introduction to Sociology 3 credits

**Total General Education Requirements** 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective and Foreign Language Requirements**

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:
- If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC. This option will fulfill your foreign language and electives requirements.
- If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement. You will need to select eight credits of elective courses from the approved list to obtain the 64 credits required for this degree.
- If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete 16 credits of elective courses from the approved list found on pages 46-47 to obtain the 64 credits required for the degree.

**Total Elective and Foreign Language Requirements** 16 credits

**Total Minimum Degree Requirements** 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.0 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better*
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Sociology
ASSOCIATE OF ARTS DEGREE
AA-GR 60807

Advisor: Wayne Flake

This Degree provides the first two years of a baccalaureate program in either sociology or social work. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

The field of sociology contains a variety of specialization and career applications pertaining to the study of human society and social planning. Opportunities in sociology are usually found in areas of college teaching, in social research, and in planning and administration for government and private institutions. The general areas of specialization include criminology, demography, communications and public opinion, race and ethnic relations, urban/rural affairs, family relations, linguistics, the medical field, as well as many other areas. The fields of social work include: family case work, child welfare, school social work, psychiatric social work, probation, parole, industrial social work, group social work, and community organizations.

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

- If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC. This option will fulfill your foreign language requirement. You will need to select nine credit hours of elective courses from the approved list to obtain the 64 credit hours required for this degree.
- If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement. You will need to select nine credit hours of elective courses from the approved list to obtain the 64 credit hours required for this degree.
- If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information. If you demonstrate foreign language proficiency by testing, you will need to complete 17 credit hours of elective courses from the approved list found on pages 46-47 to obtain the 64 credit hours required for the degree.

Recommended Electives:

Courses in anthropology, psychology, history, political science, and economics will serve as very useful preparation.

Total Elective and Foreign Language Requirements 17 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
- Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

  *Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
Specialty Officer Academy

CERTIFICATE OF PROFICIENCY
30815

Advisors: To be determined.

This certificate is designed to prepare students for employment with the Arizona Department of Motor Vehicles as a certified Specialty Officer in their enforcement services. All of the academy training is state mandated and certified by the Arizona Peace Officer Standards and Training Board (AzPOST). Specific state requirements must be met to enroll in AJS 116. Contact the Administration of Justice advisor for details.

Curriculum Requirements
AJS 116  Specialty Officer Academy  19 credits
HPE 104  Physical Conditioning and Assessment I  2 credits

Total Minimum Certificate Requirements  21 credits

To obtain this certificate, you must complete each required course above with a grade of “C” or “P” or better. In addition, you must meet an academic requirement by one of the following methods:
- EAC COMPASS writing placement score of 60 or higher entered into your student record.
- Completion of ENG 100, Writing Fundamentals or higher and ENG 099, Writing Fundamentals Lab or higher with a grade of “C” or better.

Sports Medicine and Rehabilitative Therapies

CERTIFICATE OF PROFICIENCY
30501

Advisor: Jim Bagnall

Students in this program will learn basic exercise science, nutrition, fitness assessment, exercise programming, and instructional and spot techniques. Students who successfully complete the program are prepared to earn national certification as an ACE Personal Fitness Trainer. They may go on to further education leading to a career as an athletic trainer or a physical therapist.

Curriculum Requirements
HCE 101  Basic Life Support  2 credits
HCE 112  Medical Terminology  2 credits
HCE 156  Science for Allied Health  4 credits
HPE 100  Personal Health  3 credits
HPE 140  Introduction to Fitness and Sports Medicine I  1 credit
HPE 141  Introduction to Fitness and Sports Medicine II  1 credit
HPE 210  Introduction to Exercise Science and Physical Education  3 credits
HPE 211  Professional Activities - Weight Training  2 credits
HPE 212  Professional Activities - Aerobic Fitness  2 credits
HPE 240  Introduction to Fitness and Sports Medicine III  1 credit
HPE 241  Introduction to Fitness and Sports Medicine IV  1 credit
HPE 270  Introduction to Sports Medicine  3 credits
HPE 272  Introduction to Rehabilitative Techniques  3 credits
HPE 274  Sports Nutrition  3 credits
HPE 276  Sports Psychology  3 credits
HPE 278  Kinetic Anatomy  3 credits
HPE 292  Athletic Training Practicum I  3 credits

Total Minimum Certificate Requirements  40 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC COMPASS writing placement score of 85 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
- EAC COMPASS mathematics placement score of 60 or higher entered into your student record.

Systems Administration

ASSOCIATE OF APPLIED SCIENCE DEGREE
2012

Advisors: James McBride, Mike Moore, Scott Russell

The Systems Administration degree covers Microsoft and Linux systems administration and networking. This degree includes a wide range of topics including server installation and administration, security, directory services, data communications, network troubleshoot ing, and database design and development. The degree prepares students for employment in the information technology field and will help prepare the student for certification exams.

Curriculum Requirements
CMP 100  Computer Careers  2 credits
CMP 103  Introduction to Computer Based Systems  3 credits
CMP 113  Windows Operating System I  3 credits
CMP 120  Introduction to Programming  1 credit
CMP 151  Information Technology Essentials  3 credits
CMP 170  Database Management with Microsoft Access  3 credits
CMP 201  Systems and Procedures  3 credits
CMP 205  Data Communications  3 credits
CMP 230  Linux System Administration  3 credits
CMP 250  Networking  3 credits
CMP 255  Microsoft Windows Server Administration  3 credits

EAC COMPASS mathematics placement score of 60 or higher entered into your student record.
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**
To obtain this degree you must complete a minimum of 64 credits. Depending on your choice of courses in the curriculum related requirements section you will need 3 to 4 credits of elective courses numbered 100 or higher.

**Total Elective Requirements** 3 to 4 credits

**Total Minimum Degree Requirements** 64 to 65 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 60 or higher*
  2. EAC ASSET reading assessment test score of 35 or higher*
  3. ACT Assessment Reading score of 14 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
  6. Grade equivalency score of 10 or higher as demonstrated by the Nelson Denny, TABE, or TALE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TALE, or TALE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

---

**Technology Education**

**ASSOCIATE OF ARTS DEGREE**

**TG-XR 60601**

**Advisor:** Brian Coppola

This degree will prepare you to transfer to a college of education or technology at a university and continue your education with a goal of teaching industrial, technical and vocational courses. Since program requirements differ between universities, the official transfer guide ([www.aztransfer.org/cas/students/transfer_guides.htm](http://www.aztransfer.org/cas/students/transfer_guides.htm)) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

**Curriculum Requirements**

- **AUT 101** Introduction to Automotive Technology 4 credits
- **DRF 108** Technical Drafting 2 credits
- **DRF 154** Introduction to AutoCAD 2 to 3 credits
- **ELT 101** Fundamentals of Electricity and Electronics 3 credits
- **IAR 101** Woodworking 2 to 3 credits
- **MSP 104** Machine Shop 4 credits
- **MSP 110** Welding 2 credits

**Total Curriculum Requirements** 19 credits

**General Education Requirements**

**AGEC-A.** To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

**English**
- **ENG 101** Written Communications I 3 credits
- **ENG 102** Written Communications II 3 credits

**Mathematics**

Select one course from list on pages 46-47. 3 credits

**Lab Science**

Two Lab Science courses from list on pages 46-47. Courses from two different departments must be selected. 8 credits

**Humanities**

Select from Humanities list on pages 46-47. Choose courses from more than one department and one course must be in the Arts. 9 credits

**Social Science**

Select from Social Science list on pages 46-47. Choose courses from more than one department. 9 credits

**Total General Education Requirements** 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**
To obtain this degree you must take a minimum of 10 credit hours of elective courses numbered 100 or above to obtain the 64 credit hours required.

**Total Elective Requirements** 10 credits

**Total Minimum Degree Requirements** 64 credits
In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Theatre & Cinematic Arts

ASSOCIATE OF ARTS DEGREE

AA-SR 60404

Advisor: Dan Robbins, William Nidiffer

This degree provides the first two-years of a four-year program in Theatrical Arts. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. At EAC you may gain experience in acting, scene design, make-up, lighting, directing, theatre history, children’s theatre, Spanish theatre, handicapped theatre, educational theatre, and theory and criticism.

Curriculum Requirements

| THC 110 | Acting I | 3 credits |
| THC 111 | Acting II | 3 credits |
| THC 120 | Theatre Workshop I | 1 to 2 credits |
| THC 200 | Theatre History I | 3 credits |
| THC 201 | Theatre History II | 3 credits |
| THC 203 | Principles of Dramatic Structure | 3 credits |
| THC 230 | Stage Makeup | 2 credits |
| THC 231 | Stagecraft | 3 credits |

Total Curriculum Requirements | 21 credits |

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

English

| ENG 101 | Written Communications I | 3 credits |
| ENG 102 | Written Communications II | 3 credits |

Mathematics

Select from list on pages 46-47. | 3 credits |

Lab Science

Select from list on pages 46-47. | 8 credits |

Humanities

| MUS 101 | World of Music | 3 credits |
| THC 105 | Introduction to Drama | 3 credits |

Another Humanities course from list on pages 46-47. | 3 credits |

Social Science

| PSY 101 | Introduction to Psychology | 3 credits |

Select two additional Social Science courses from the list on pages 46-47. Choose courses from more than one department. | 6 credits |

Total General Education Requirements | 35 credits |

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To obtain this degree you must take a minimum of eight credits of elective courses from the approved list found on pages 46-47 to obtain the 64 credits required.

Total Elective Requirements | 8 credits |

Total Minimum Degree Requirements | 64 credits |

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*
  2. EAC ASSET reading assessment test score of 40 or higher*
  3. ACT Assessment Reading score of 18 or higher*
  4. SAT verbal score of 530 or higher*
  5. Completion of ENG 113, College Reading, with a grade of “C” or better
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
Web Design
CERTIFICATE OF PROFICIENCY
30122
Advisors: James McBride, Mike Moore, Scott Russell

This certificate will provide you a fast track to obtaining specific computer skills. You will learn how to establish, organize and maintain websites on the Internet.

Curriculum Requirements
ART 181  Graphic Design I  3 credits
ART 287  Digital Imaging/Photoshop  3 credits
CMP 100  Computer Careers  2 credits
CMP 103  Introduction to Computer Based Systems  3 credits
CMP 110T Multimedia  3 credits
CMP 113  Windows Operating System I  3 credits
CMP 120  Introduction to Programming  1 credit
CMP 170  Database Management with Microsoft Access  3 credits
CMP 205  Data Communications  3 credits
CMP 272  Website Development I  3 credits
CMP 273  Website Development II  3 credits

Total Minimum Certificate Requirements  30 credits

Welding Technology
CERTIFICATE OF PROFICIENCY
30626
Advisor: Newell Dryden

The Welding Technology Certificate program provides the student an opportunity to develop skills using various welding and cutting tools, techniques, and materials in preparation for entry into the welding trades. Welding certification by an independent agency is available.

Curriculum Requirements
DRF 150  Dimensioning and Tolerancing  1 credit
WLD 101  Welding  3 credits
WLD 108  Oxyacetylene Welding and Metal Fabrication  3 credits
WLD 211  Pipe Welding  3 credits
WLD 260  Flux Cored Arc and Gas/Metal Arc Welding  3 credits
WLD 270  Technical Welding  3 credits
WLD 290  Welding Certification  1 credit
Select 13 additional credits from the following:
COE 111  Cooperative Education I (Occupational) OR
WLD 299  Independent Study  1 to 4 credits
DRF 154  Introduction to AutoCAD  2 to 3 credits
DRF 271  Advanced AutoCAD  2 to 3 credits
MSP 102  Materials of Industry  3 credits
MSP 104  Machine Shop  4 credits

Total Minimum Certificate Requirements  30 credits

In addition to completing the course requirements above with a grade of “C” or better, you must meet an academic requirement by one of the following methods:
• Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
• EAC COMPASS writing placement score of 85 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of TEC 101, Technical Math I, or MAT 120, Intermediate Algebra, or higher with a grade of “C” or better.
• EAC COMPASS mathematics placement score of 61 or higher entered into your student record.

Wildlife Biology
ASSOCIATE OF SCIENCE DEGREE
TG-XR 80710
Advisor: Mike McCarthy

This degree provides the first two years of a Bachelor of Science Degree in Wildlife Biology or Wildlife Management. Since program requirements differ between universities, the official transfer guide (www.aztransfer.org/cas/students/transfer_guides.htm) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements
BIO 181  General Biology I  4 credits
BIO 182  General Biology II  4 credits
MAT 160  Introduction to Statistics  3 credits
MAT 181  Plane Trigonometry  3 credits

Total Curriculum Requirements  14 credits

General Education Requirements
AGEC-S. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

English
ENG 101  Written Communications I  3 credits
ENG 102  Written Communications II  3 credits

Mathematics
MAT 220  Calculus I  4 credits

Lab Science
CHM 151  General Chemistry I  4 credits
CHM 152  General Chemistry II  4 credits

Humanities
Select from Humanities list on pages 46-47. Choose courses from more than one department and one course must be in the Arts.9 credits

Social Science
BUA 221  Principles of Macroeconomics  3 credits
BUA 223  Principles of Microeconomics  3 credits
Select one additional Social Science course from list on pages 46-47.  3 credits

Total General Education Requirements  36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.
Elective Requirements
To obtain this degree you must take a minimum of a 14 credits of course numbered 100 or above to obtain the 64 credits required.

Total Elective Requirements 14 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the twelfth grade level or above by one of the following methods:
  1. EAC COMPASS reading assessment test score of 76 or higher*  
  2. EAC ASSET reading assessment test score of 40 or higher*  
  3. ACT Assessment Reading score of 18 or higher*  
  4. SAT verbal score of 530 or higher*  
  5. Completion of ENG 113, College Reading, with a grade of “C” or better  
  6. Grade equivalency score of 12 or higher as demonstrated by the Nelson Denny, TABE, or ABLE tests*

*Your EAC COMPASS reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC Compass score has been placed in your record and is available on Gila Hank Online or from your advisor.

• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

Word Processing Specialist
CERTIFICATE OF PROFICIENCY
30121

Advisors: Dana Barnett, Derek Rich

Completion of this certificate will help you develop good keyboarding skills and become a specialist in one or more word processing software programs.

COURSE DESCRIPTIONS

EAC offers over a thousand courses in fifty-three subject areas. Our classes are taught by highly qualified instructors, not teaching assistants, and classes are small so you won’t get lost in the crowd.

SAMPLE COURSE DESCRIPTION

1. This is the course number. Courses numbered from 001 to 099 will not be counted as graduation credit. Those numbered 100-199 are normally first-year or freshman level, and those numbered 200-299 are normally for second-year or sophomore students.

2. The credit hour is the unit of credit at EAC, as at most colleges and universities. Each credit hour represents one 50-minute class per week per semester, plus two hours of outside preparation and/or lab work.

3. An entry here indicates that the course meets one of EAC’s general education requirements in the category shown.

4. The semester offered applies only to the Thatcher campus. Classes may also be offered in different semesters than specified depending on student demand. Requests for classes may be made to the Academic Deans on the Thatcher Campus. Other sites will offer and teach classes based on student demand at those sites. We reserve the right to cancel any class for which there is insufficient enrollment.

5. This designation indicates that the credits for this course do not count against you in an overload situation (18 or more credit hours).

6. An entry here indicates that in order to succeed in this course, you should have certain prerequisite experiences prior to taking it.

Prerequisites are checked by computer at the time of registration. If you wish to enroll prior to receiving a grade in the prerequisite course, enrollment is allowed but is contingent on the final grade. If you have met the prerequisite at another institution, an official transcript from that institution must be on file and have been evaluated by the EAC Records and Registration Office prior to registration.

A waiver of prerequisites may be requested by petitioning the Admissions and Academic Standards Appeals Committee. The petition process must be completed prior to the end of registration for the course you wish to enroll in.

Students who enter or complete a course without meeting the prerequisites for that course may either be withdrawn from the course without a tuition refund, or receive no credit for the course.

---

BIO 202
Human Anatomy and Physiology II
4 credits
GE category: Lab Science
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: BIO 201
Continuation of structure and function of the human body. Topics include the endocrine, circulatory, respiratory, digestive, urinary, and reproductive systems.
Administration of Justice

**AJS 101**
Introduction to Criminal Justice 3 credits
GE: category: Social Science
Offered every fall semester
An introduction to crime and society’s responses to it. Examines the nature and causes of crime, the criminal law, constitutional safeguards, and the organization and operation of the criminal justice system including the police, courts, and corrections. Covers the history of the criminal justice system, terminology and career opportunities.

**AJS 102**
Criminal Law 3 credits
Offered every fall semester
Examines the major areas of constitutional law as they relate to the operations of the subsystems of the criminal justice system. Case law studied will include but not be limited to free speech, freedom of assembly, right to a speedy trial, freedom from self-incrimination, etc.

**AJS 103**
Criminal Investigation 3 credits
Offered every fall semester
This course covers the fundamentals of criminal investigations. The theory of criminal investigations, crime scene procedures, case preparation, interviewing and basic investigative techniques are examined.

**AJS 115**
Basic Peace Officer Academy I 15 credits
Offered upon request
An approved AzPOST Peace Officer Academy designed to train a regular or reserve officer for State certification. Students must be sponsored by an approved law enforcement agency, or admitted through open enrollment, in accordance with all current Arizona Peace Officer Standards and Training Board guidelines. All students must first be admitted to the academy to enroll in the course. Refer to the Administration of Justice AAS Degree curriculum for a listing of courses that, upon academy graduation, are fulfilled toward the Administration of Justice AAS or AA Degrees.

**AJS 116**
Specialty Officer Academy 19 credits
Offered upon request
An approved AzPOST Specialty Officer Academy designed to train a person for State certification. Students must be employed or sponsored by an approved law enforcement agency, or admitted through open enrollment, in accordance with all current Arizona Peace Officer Standards and Training Board guidelines. All students must first be admitted to the academy to enroll in the course.

**AJS 120**
Police Communications 3 credits
Offered every fall semester
This course covers methods of communication used in police work, including testify in court, and radio communications, with special emphasis placed on written communications and police report writing.

**AJS 126**
The Juvenile Function 3 credits
Offered every spring semester
An examination of the history and development of juvenile justice theories, procedures, and institutions.

**AJS 130**
The Correction Function 3 credits
Offered every spring semester
This course examines the history and development of correctional theories and institutions.

**AJS 140**
The Traffic Function 3 credits
Offered every spring semester
This course examines the traffic laws of Arizona most commonly used by law enforcement officers. Included is a study of traffic control procedures along with the theory and application of vehicle accident investigation.

**AJS 155**
Firearms 2 credits
Offered upon request
This course familiarizes students with the handling, care, and use of firearms. Emphasis is placed upon the moral and legal aspects of using a firearm. Attention is given to target analysis, range drill procedures, and firearm selection. Actual shooting of firearms is involved.

**AJS 160**
Concealed Weapons 1 credit
Offered every fall and spring semester
An approved course academically designed to meet the Firearms Safety Training Program requirement for an Arizona Department of Public Safety Concealed Weapon Permit. Students will be required to sign the three (3) listed forms on the course outline. Contact the Administration of Justice program coordinator as to current legal requirements for obtaining a CCW permit.

**AJS 202**
Substantive Criminal Law 3 credits
Offered every spring semester
This course covers the philosophy of legal sanctions and historical development from the common law to modern criminal law, classifications of crimes, elements of and parties to crimes, general definitions of crime, common defenses utilized, and includes specific offenses and the essential elements of each offense. Special emphasis is given to the Arizona Revised Statutes Title 13 Criminal Law.

**AJS 203**
Advanced Criminal Investigation 3 credits
Offered every spring semester
Continuation of AJS 103. It includes the ability to perform advanced crime scene investigation duties under simulated field conditions. Physical evidence procedures, interviewing and interrogation, fingerprinting and the investigation of specific crimes will be covered.

**AJS 210**
Basic Peace Officer Academy II 15 credits
Offered upon request
Prerequisite: AJS 115
An approved AzPOST Peace Officer Academy designed to train a regular or reserve officer for State certification. Students must be sponsored by an approved law enforcement agency, or admitted through open enrollment, in accordance with all current Arizona Peace Officer Standards and Training Board guidelines. All students must first be admitted to the academy to enroll in the course. Refer to the Administration of Justice AAS Degree curriculum description for a listing of courses that, upon academy graduation, are fulfilled toward the Administration of Justice AAS or AA Degrees.

**AJS 220**
Procedural Criminal Law 3 credits
Offered every fall semester
A study of court systems and procedures from arrest to final disposition, with special attention given to the appellate and Supreme Court decisions; due process of law, and Constitutional Law.

**AJS 225**
Criminology 3 credits
Offered every spring semester
Study of deviance, society’s role in defining behavior; theories of criminality and the economic, social, and psychological impact of crime; relationships between statistics and crime trends. Examines crime victimization and the various types of crime and categories of offenders.

**AJS 266**
The Police Function 3 credits
Offered every spring semester
This course is a study of basic police techniques including stopping, arresting and handling criminal suspects; methods of police patrol and observation; handling domestic disputes and crisis intervention; and crimes in progress.

**AJS 270**
Evidence 3 credits
Offered every spring semester
Rules of evidence in general; including origin, development, philosophy, and constitutional basis of evidence. Special attention given to rules governing admissibility of evidence as determined by statute and case law. Specific landmark decisions will be considered.

**AJS 280**
Community Policing 3 credits
Offered every fall semester
The examination, recognition, and understanding of community problems; community policing; methods of coping with human behavior, conflict, and communication; ethnic and minority cultures and environments; the community and relationships with the Criminal Justice System.

**AJS 282**
Police Supervision 3 credits
Offered every fall semester
A study of the police first line supervisor’s role and responsibilities as they relate to leading, directing, and controlling personnel both formally and informally.
Administrative Information Services

**AIS 108** Introduction toKeyboarding Technique
1 credit
Offered every fall and spring semester
This course is designed to teach the keyboard and proper keyboard technique. Identical to CMP 108.

**AIS 117** Electronic Keyboarding I
3 credits
Offered every fall and spring semester
This course introduces techniques of computer keyboarding with emphasis on touch control, speed, and accuracy. Using a word processing program, the course also introduces the formats of reports, letters, memos, tables, and employment documents.

**AIS 118** Electronic Keyboarding II
3 credits
Offered every fall and spring semester
After a comprehensive review of basic keyboarding principles with emphasis on improving speed and accuracy, students use a word processing program to produce a wide range of typical business correspondence, tables, reports, forms, and publications based on current office practices. At least one semester of keyboarding is recommended.

**AIS 213A** Office Procedures/Records Management
1 credit
Offered every fall semester
One of the three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the business office. This module, students develop skills in the use of transcribing equipment to produce legible and accurate typewritten copy. They also learn to use the latest technology for reprographics equipment, and communications equipment.

**AIS 213B** Office Procedures/Office Transcription
1 credit
Offered every fall semester
One of three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the business office. This module, students develop skills for operating electronic calculators, reprographics equipment, and communications equipment. Students will develop the touch-method of calculating for a variety of business activities and will use the latest technology for reprographics and communications tasks. Also includes equipment maintenance and troubleshooting.

**AIS 213C** Office Procedures/Electronic Office Equipment
1 credit
Offered every fall semester
One of three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the business office. This module, students develop skills for operating electronic calculators, reprographics equipment, and communications equipment. Students will develop the touch-method of calculating for a variety of business activities and will use the latest technology for reprographics and communications tasks. Also includes equipment maintenance and troubleshooting.

**AIS 214** The Office Professional
3 credits
Offered every fall and spring semester
Study and application of office procedures, skills, and responsibilities that reflect the technological changes, global influences and professionalism of the 21st century office professional. Students will learn to be productive team members; behave ethically; process information via technology; communicate effectively; prepare travel, meeting, and financial documents; and lead and supervise others.

**AIS 225** Medical Transcription
3 credits
Offered every fall and spring semester
This course is designed to give the student a working knowledge of medical terminology and medical report formats used in transcription from taped medical dictation. Recommended keyboarding skills of 40 wpm. Identical to HCE 225.

**AIS 226** Legal Transcription
3 credits
Offered every fall and spring semester
This course is designed to give the student a working knowledge of legal terminology and legal report formats used in transcription from taped legal dictation. Recommended keyboarding skills of 40 wpm.

**AIS 235A** Multimedia/Electronic Task Management
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. Using a Desktop Information Management (DIM) program, students will learn how to manage e-mail, organize schedules, maintain contact lists and to-do lists, and keep track of tasks. This module also includes integrating data to and from other applications. Identical to CMP 239A.

**AIS 235B** Multimedia/Digital Imaging
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. This module provides students with hands-on experience with digital imaging technology including scanners, digital cameras, and photo software. Students must be familiar with basic desktop publishing techniques to complete projects. Identical to CMP 239B.

**AIS 235C** Multimedia/Internet for Business
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. In this module, students learn and apply the tools, language, and culture of the Internet. Important ethical issues are addressed as individual and team Internet projects are completed. Projects will include web site design and research. Identical to CMP 239C.

**AIS 240** Desktop Publishing
2 credits
Offered every fall and spring semester
Emphasizes basic to intermediate skills in desktop publishing through a variety of modern, real-life activities using both desktop publishing and word processing software. Students will develop skills in managing design and typography, handling multicolour documents, inserting and editing graphics, and creating styles and charts. Students will create a portfolio of business documents and other multimedia pieces.
ments to demonstrate mastery. Word processing skill is needed.

**AIS 241**
Integrated Business Projects
3 credits
Offered every spring semester
Prerequisite: AIS 238 or instructor approval

Reinforces the major office applications found in suite software—word processing, electronic presentations, spreadsheets, and databases. Students use the applications software in real-world situations that show the significance of learning the software and that require decision-making and problem-solving skills.

**AIS 297**
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment

Designed to meet a variety of needs for students in Administrative Information Services.

**AIS 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment

Designed to meet a variety of needs for students in Administrative Information Services.

**AIS 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment

Design and execution of original projects under faculty supervision.

## Adult Basic Skills

**ABS 010**
Orientation
1/2 credit
Offered upon request

This course will assist the student in understanding program operations for the Adult Education Program. It will also provide study skills and strategies for adults to work at their optimal ability.

**ABS 020**
ELAA Beginning Literacy
2 credits
Offered upon request

This course emphasizes speaking, listening, reading and writing through strategies such as basic vocabulary and grammatical structures in face to face conversations with one person at a time or in familiar, supportive group. Topics about common, routine matters become familiar. Listening skills are developed during short monologues and dialogues.

**ABS 021**
ELAA I
2 credits
Offered upon request

Provides learners with basic vocabulary and grammatical structures in face-to-face conversations with one person at a time or in a familiar, supportive group. Topics about common, routine matters become familiar. Listening skills are developed during short monologues and dialogues.

**ABS 022**
ELAA II
2 credits
Offered upon request

Learners at this stage of proficiency comprehend basic vocabulary and grammatical structures in face-to-face conversations with one person at a time. Listening communications are short monologues and dialogues on familiar routine topics delivered at a slow-to-normal rate. Their speech is guided by specific questions when necessary.

**ABS 023**
ELAA III
2 credits
Offered upon request

Students at this stage of proficiency can write short reports or essays up to four paragraphs using basic vocabulary and common language structures. The adult learner can comprehend short conversations and interactions that are face-to-face with one person at a time or in small groups. Listening communications consist of moderately short monologues and dialogues on familiar routine topics.

**ABS 024**
ELAA IV
2 credits
Offered upon request

Students at this stage of proficiency comprehend standard speech in most settings. They are able to comprehend the main ideas and relevant details of extended discussions on a wide variety of general interest topics. They have mastered basic sentence structure and verb tenses, but may have some difficulty with more complex structures. Learners’ rate of speech is at a normal-to-fast rate.

**ABS 025**
ELAA V
2 credits
Offered upon request

Develops improved proficiency and understanding of most standard speech. Expands understanding of the main ideas and relevant details of discussions or presentations on a wide range of topics including unfamiliar and technical ones. Listening communications are exercised in the form of lectures, debates, discussions and critiques. Learners expand understanding of speech variations in stress, intonation, pace and rhythm.

**ABS 030**
Basic Math I
2 credits
Offered every spring semester

Basic mathematical concepts will be applied to a variety of real-life problems.

**ABS 031**
Basic Math II
2 credits
Offered upon request

This course is an introduction to number sense, data analysis, measurements and beginning algebra and geometry.

**ABS 032**
Basic Math III
2 credits
Offered upon request

High intermediate mathematical concepts and more complex concepts will be applied to solve a variety of real-life problems.

**ABS 035**
Secondary Math I
2 credits
Offered upon request

Secondary mathematical concepts will be applied to solve a variety of real-life problems.

**ABS 036**
Secondary Math II
2 credits
Offered upon request

Advanced secondary mathematical concepts will be applied to solve a variety of real-life problems.

**ABS 040**
Basic Reading I
2 credits
Offered upon request

This course will assist the learner to develop and apply reading strategies for the understanding of written materials.

**ABS 041**
Basic Reading II
2 credits
Offered upon request

This course will assist the student in decoding strategies to derive meaning of words and distinguish between various texts.

**ABS 042**
Basic Reading III
2 credits
Offered upon request

This course will assist the student in understanding the meaning of words and texts in different genres through various reading strategies.

**ABS 050**
Science
2 credits
Offered upon request

This course provides learners with a broad knowledge base and the ability to use a range of reasoning skills including analyzing and solving problems, applying information to new situations, explaining results, and interpreting information.

**ABS 060**
Social Studies
2 credits
Offered upon request

This course provides learners a road-map to place in perspective the people, ideas, and events that have shaped our nation and the world.

**ABS 070**
Elementary Writing I
2 credits
Offered upon request

This course is an introduction to decoding strategies, grammar, and writing skills.

**ABS 071**
Elementary Writing II
2 credits
Offered upon request

This course is an introduction to writing applying correct spelling, punctuation, capitalization, grammar, and usage rules to complete a variety of writing tasks.

**ABS 072**
Elementary Writing III
2 credits
Offered upon request

This course will emphasize the writing process to create expository and narrative paragraphs. Polished grammar and spelling corrections are expected to be included in final drafts.

**ABS 075**
Secondary Writing I
2 credits
Offered upon request

This course is a brief review of complex grammar rules and usage, with a focus on developing a persuasive essay, an expository essay, a personal narrative, and a research project.
Agriculture

AGR 102 Animal Industry
3 credits
Offered upon request
A comprehensive view of the livestock and poultry industries, including the way the science of biology is used in modern livestock practice.

AGR 119 Beginning Horseshoeing
2 credits
Offered upon request
Fundamentals of beginning horseshoeing, including anatomy and physiology as it deals with the proper shoeing of horses.

AGR 120 Equine Health Management
3 credits
Offered upon request
Familiarizes students with basic equine anatomy, physiology, nutrition, preventive medicine, first aid, reproduction, and common diseases of horses.

AGR 135 Conservation and Natural Resources
3 credits
Offered every fall and spring semester
Study of conservation as it relates to natural resources, including water, forest, range, wildlife, and recreation. Identical to BIO 105 without lab.

AGR 230 Gardening and Landscaping
3 credits
Offered every spring semester
Basic principles of gardening and landscaping in a semi-arid desert environment. Successful completion of this course will fulfill the training requirements for the University of Arizona Cooperative Extension Master Gardener Program.

AGR 240 Water and Watersheds
3 credits
Offered upon request
The course will meet the training requirements of the Arizona, Graham, and Greenlee County Cooperative Extension Master Watershed Steward Program. The study will be of biotic and abiotic functions of a watershed, the benefits and uses of the natural resources and the impacts of the socio-economic concerns and activities of the community.

Anthropology

ANT 101 Introduction to Physical Anthropology
3 credits
GE category: Social Science
Offered every fall semester
This course is an in depth study of the writing process used in a variety of genres, including a research paper.

ANT 102 Introduction to Cultural Anthropology
3 credits
GE category: Social Science
Offered every fall and spring semester
Introduces to cultural anthropology, presents culture as a complex adaptive mechanism allowing human populations to solve universal problems in a variety of ways. Cross cultural content is emphasized as the course explores the diversity of human lifeways and the use of that diversity as a comparative laboratory.

ANT 110 Mexican-American Culture
3 credits
GE category: Social Science
Offered every spring semester
The Mexican-American culture, from an anthropological, sociological, and historical point of view with emphasis upon contemporary conditions and problems is presented. The course surveys Mexican-American people from their origins in Meso-America and the Gran Chichimeca to the present in the southwestern United States. It includes settlement patterns, society and political economy of the Spanish Empire and Mexico in El Norte since the Treaty of Guadalupe Hidalgo.

ANT 120 Indian American Culture
3 credits
GE category: Social Science
Offered every fall semester
Survey of Indian cultures north of Mexico. Prehistory, history, culture, arts, and mythology of representative groups from all culture areas.

ANT 201 Archaeology of the Southwest
3 credits
Offered every spring semester
Explores the development of culture in the prehistoric Southwest from the late Pleistocene through the early historic period. Study of archaeological data recovered from the Southwest.

ANT 202 Archaeology/Buried Cities and Lost Tribes
3 credits
GE category: Social Science
Offered every spring semester
Study and practice of various representational drawing techniques in various media.

ART 101 Fundamentals of Design
2 to 3 credits
Offered every fall semester
Covers the elements of line, value, shape, texture, and color used according to the principles of design in two-dimensional composition.

ART 102 Color and Design
2 to 3 credits
Offered every spring semester
Principles of color theory as related to the visual arts.

ART 111 Introduction to Pastel Materials and Techniques
1 to 3 credits
Activity/Personal Enrichment
Introduction to pastel materials and techniques.

ART 111B Drawing/The Creative Process
2 credits
Offered upon request
Activity/Personal Enrichment
In this beginning course, students will sketch 3-dimensional forms in chiaroscuro and create one-and two-point perspective drawings.

ART 114 Figure Drawing
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Drawing from draped models, supplementary study of anatomy.

ART 122 Beginning Stained Glass
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Precision glass cutting, copper foil, and lead came techniques are developed in the creation of stained glass for interior and architectural art objects.
ART 123
Beginning Stained Glass II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Precision glass cutting, copper foil, and lead came techniques are developed in the creation of stained glass for interior and architectural art objects.

ART 126
Glass Design
2 credits
Offered upon request
Activity/Personal Enrichment
Provides the student with an opportunity to understand and relate the media of liquid glass in its basic element in nature and for its practical as well as aesthetic use.

ART 128
Beginning Digital Photography
3 credits
Offered every fall and spring semester
Exploration of basic camera techniques, lighting, composition, digital photography and digital photo editing.

ART 133
World Art I
3 credits
GE category: Humanities
Offered every fall semester
Survey of the history of art from the Paleolithic period to the Renaissance, including non-Western art.

ART 134
World Art II
3 credits
GE category: Humanities
Offered every spring semester
Survey of the history of art from the Renaissance to the present time.

ART 141
Mixed Media Techniques in Contemporary Painting
2 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
This course is designed to provide instruction in the numerous techniques, materials, and approaches to mixed media painting in contemporary art, including the use of tools, application of materials, and composition.

ART 143
Beginning Acrylic Painting I
1 to 3 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
This course is designed to provide an introduction to the numerous techniques, materials and approaches to painting with acrylics, including use of tools and materials, composition, color theory and mixing, use of underpainting, washes, glazing, masking, light, shadow, and depth.

ART 145
Beginning Watercolor I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Introducing a variety of techniques using water-soluble media with emphasis on composition and color.

ART 146
Beginning Watercolor II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Develops methods of carving and composition. Studies in types of woods and how to use their natural qualities; how to use a variety of finishes for the woods.

ART 147
Beginning Oil Painting I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Oil painting materials and techniques including composition, structure, and expression are studied.

ART 148
Beginning Oil Painting II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 147.

ART 151
Beginning Sculpture I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Develops basic techniques and skills in modeling, the creation of sculpture, and casting basic to composition.

ART 152
Beginning Sculpture II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 151.

ART 153
Beginning Scrapbooking I
1 to 2 credits
Offered upon request
Activity/Personal Enrichment
The student is introduced to the methods and techniques of modern scrapbooking. The student will learn how to develop quality page layouts through paper selection, cropping photos, journaling, use of stamps, embossing, incorporation of computer generated images and text, and templates, along with many other scrapbooking techniques currently being used in the scrapbooking industry.

ART 154
Beginning Scrapbooking II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 153.

ART 155
Beginning Ceramic Crafts I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 154.

ART 156
Beginning Ceramic Crafts II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 155.

ART 157
Beginning Woodcarving I
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 156.

ART 158
Beginning Woodcarving II
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 157.

ART 159
China Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
This class will cover the act of painting overglazes on the surface of china or tile blanks.

ART 160
Beginning Ceramics I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 158.

ART 161
Beginning Ceramics II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 160.

ART 162
Beginning Ceramics II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 161.

ART 167
Beginning Crafts I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of various crafts.

ART 171
Beginning Crafts I - Tole Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of various crafts utilizing the artistic technique of tole painting.

ART 172
Beginning Crafts II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171.

ART 172A
Beginning Ceramics II - Tole Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 172.
**ART 173**  
Beginning Jewelry I  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of jewelry making; covers basic fabrication of jewelry from sheet and wire; covers forming and soldering.

**ART 174**  
Beginning Jewelry II  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of jewelry making; covers basic fabrication of jewelry from sheet and wire; covers forming and soldering.

**ART 176**  
Beginning Gem Faceting I  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Faceting machine is used to develop skills in gemstone faceting. A variety of cuts and styles are used depending on the natural qualities and shape of the stone.

**ART 177**  
Beginning Gem Faceting II  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 176.

**ART 178**  
Beginning Lapidary I  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
An introductory course in the study and application of classifying, selecting, cutting, shaping, and polishing minerals and gem stones.

**ART 179**  
Beginning Lapidary II  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 178.

**ART 181**  
Graphic Design I  
3 credits  
Offered every fall semester  
Principles, tools, techniques, and media in graphic design layout. Includes layout, presentation, and concept development.

**ART 182**  
Graphic Design II  
3 credits  
Offered every spring semester  
A continuation of principles, tools, techniques, and media in graphic design layout. Includes layout, presentation, and concept development.

**ART 184**  
Basic Computer Graphics  
3 credits  
Offered upon request  
Emphasizes the fundamental concepts and features of Photoshop. Uses industry-standard image-editing tools for designers who want to produce sophisticated graphics for the Web and for print. This course cannot be used as a curriculum requirement for the Advertising Design AAS program.

**ART 185**  
Advanced Computer Graphics  
3 credits  
Offered upon request  
Emphasizes the advanced concepts and features of Photoshop. Uses industry-standard image-editing tools for designers who want to produce sophisticated graphics for the Web and for print. This course cannot be used as a curriculum requirement for the Advertising Design AAS program.

**ART 186**  
Digital Illustration  
3 credits  
Offered every fall semester  
Introduction to industry standard software for creating computer generated artwork and documents, with emphasis on creation of a variety of readable, professionally laid-out documents, which meet design and printing industry standards. Students will be introduced to the basic use of Adobe Illustrator tools, illustrating of graphics, typography and layout design.

**ART 187A**  
Basic Photoshop I  
2 credits  
Offered upon request  
Maximizing the quality of graphic images by adjusting color or image in parts of that picture. Improving the ability to print the picture after it has been modified. Instruction utilizes Adobe Photoshop software.

**ART 187B**  
Basic Photoshop II  
2 credits  
Offered upon request  
Prerequisite: Prior or concurrent enrollment in ART 187A required  
Using a variety of tools and commands for improving the quality of a photographic image. Transforming ordinary images into extraordinary digital artwork. Creating graphics by modifying image data using Adobe Photoshop software.

**ART 187C**  
Basic Photoshop III  
2 credits  
Offered upon request  
Prerequisite: ART 187A and ART 187B or concurrent enrollment in ART 187B  
Using the pen tool to draw precise straight or curved paths and create intricate selections. Creating advanced vector shapes which can be filled, stroked, and used as clipping paths. Creating complex effects using layers, masks, clipping groups, and style layers with Adobe Photoshop software.

**ART 188**  
Digital Publishing  
3 credits  
Offered every spring semester  
An introduction to electronic or “desktop” publishing on the Macintosh computer. Topics will include the development of text and graphics and the use of the page layout program Adobe InDesign, to create a variety of documents for publication.

**ART 189**  
Typography  
3 credits  
Offered every spring semester  
A study of type, including the history and development of type terminology; fonts and their uses; type in design; composition, and typesetting on the computer.

**ART 190**  
Beginning Fibers I  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Use of fibers through a variety of techniques. Includes introduction to off-loom weaving, on-loom weaving, machine knitting, basketry, and paper making.

**ART 191**  
Beginning Fibers II  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Further development of techniques developed in ART 190.

**ART 192**  
Yearbook Production I  
2 credits  
Offered every fall semester  
Activity/Personal Enrichment  
Students in this class are responsible for preparing the first two-thirds of Eastern Arizona College’s annual, “The Oasis,” via desktop publishing and digital imaging to prepress requirements for printing. Curriculum covers the rules of journalism, techniques of layout, design, and photography. Class members are expected to work outside of the class covering school activities and meeting production deadlines.

**ART 193**  
Yearbook Production II  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Students in this class are responsible for preparing the final third of Eastern Arizona College’s annual, “The Oasis,” via desktop publishing and digital imaging to prepress requirements for printing. Curriculum covers the rules of journalism, techniques of layout, design, and photography. Class members are expected to work outside of the class covering school activities and meeting production deadlines.

**ART 216**  
Illustration I  
3 credits  
Offered every fall and spring semester  
Exploration of varied techniques, styles, and media for illustration. Development of skills; emphasis on highly finished work.

**ART 217**  
Illustration II  
2 to 3 credits  
Offered every fall and spring semester  
Prerequisite: ART 216  
Continuation of ART 216.

**ART 222**  
Intermediate Stained Glass I  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 122-123. Precision glass cutting, copper foil, and lead came techniques are developed in the creation of stained glass for interior and architectural art objects.

**ART 223**  
Intermediate Stained Glass II  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 222.

**ART 228**  
Intermediate Digital Photography  
3 credits  
Offered upon request  
Prerequisite: ART 128 and ART 287  
Exploration of intermediate and advanced camera techniques, photo-

Graphic styles, lighting, composition, digital photography, and digital photo editing.

"orange peel" effect on its surface. This hands-on course will consist of making of ware, preparation of kiln, firing, unloading and cleaning up.

Advanced fabrication techniques including chain making and box construction. Emphasis is on the development of personal expression in the design of jewelry.

Methods of firing ranging from pit fire, sigillata, raku, and majolica, using low-fire clay bodies such as terra cotta and low-fire electric kiln cone 06 firing range. This hands-on course will consist of making ware, preparation of kiln, firing, unloading and cleaning up.

Develops methods of carving and composition. Studies in types of woods and how to use their natural qualities; how to use a variety of finishes for the woods.

Problems in hand-forming, wheel work, design, glazes, decorative processes, clays, and firing are covered.

Advanced study of lapidary arts, gem stone faceting. A variety of cuts and styles are used depending on the natural qualities and shape of the stone.

Design and execution of various crafts.

The kiln upon maturing temperature. The salt rapidly vaporizes and combines with the silica in the clay to form an
**ART 287**
Digital Imaging/Photoshop
3 credits
Offered every fall semester
Maximizes the quality of graphic images; prepares color images for output; creates special graphic effects; modifying scanned images, and retouching images.

**ART 289**
Portfolio Development
1 credit
Offered every spring semester
Activity/Personal Enrichment
Develop a portfolio to be used as a base for exploring employment (including self-employment) opportunities, further career development, renewal, and/or continued education and training, personal development.

**ART 290**
Intermediate Fibers I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Use of fibers through a variety of techniques. Includes introduction to off-loom weaving, on-loom weaving, machine knitting, basketry, and paper-making.

**ART 291**
Intermediate Fibers II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 290.

**ART 297**
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Art.

**ART 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Art.

**ART 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

**Astronomy**

**AST 101**
Introduction to Astronomy
3 credits
GE category: AAS degree only
Offered every fall and spring semester
A survey of modern astronomy covering topics about the solar system, galaxies, evolution of stars and methods used to explore these phenomena.

**AST 102**
Lab - Introduction to Astronomy
1 credit
Offered every fall and spring semester
Introduction to astronomical observation with the use of a series of telescopes and lab exercises.

**AST 103**
Introduction to Astronomy
4 credits
GE category: Lab Science
Offered every fall and spring semester
A survey of modern astronomy introducing topics from our solar system and other planetary systems, galaxies, the evolution of stars, and the methods and technology used to explore planetary and stellar processes. Included with this course is a lab that introduces the student to astronomical observations with the use of a series of telescopes and lab exercises. AST 103 is the same as AST 101 and AST 102 combined.

**Astronomy**

**AUT 102**
Diesel Service Techniques
2 credits
Offered every fall semester
Provides an overview of basic diesel equipment systems. This course provides safety and basic operational knowledge, care, and maintenance inspection of engine, fuel, suspension, brakes, electrical, and drive train systems. Also includes information related to a diesel shop organization structure, product line information, and use of Caterpillar’s service and repair information system. Identical to DSL 110.

**AUT 103**
Principles of Automotive High Performance
3 credits
Offered upon request
Theory and application of engineering principles to optimize the performance characteristics of automotive engines, power trains, and chassis.

**AUT 104**
Small Engines
2 to 3 credits
Offered upon request
Provides operational principles, diagnosis, service, and overhaul procedures of small two-stroke and four-stroke gasoline engines.

**AUT 105**
Automotive Electrical Fundamentals
2 credits
Offered every fall semester
Provides a study of automotive electrical and electronic fundamentals with an emphasis on Ohm’s Law and application of Ohm’s Law in solving electrical system failures. This course provides an in-depth study on how to properly use wiring and current flow diagrams in electrical diagnosis and repair. Includes using industry standard diagnostic equipment and techniques. Prepares the student to take the ASE Certification Test on Electrical/Electronic Systems.

**AUT 106**
Internal Combustion Engines
4 credits
Offered upon request
Provides theory, diagnosis, and service common to all automotive internal combustion engines. Includes engine rebuilding and performance testing. This course prepares students for ASE Certification Test on Engine Repair.

**AUT 107**
Automotive Electrical Systems and Equipment
2 credits
Offered every fall semester
Provides a study of automotive starting, supplemental restraint (air bag) and charging electrical systems and components. An emphasis is placed on electrical system diagnosis and electrical repair. Includes using various industry standard diagnostic electrical equipment and testing techniques. Prepares the student to take the ASE Certification Test on Electrical/Electronic Systems.

**AUT 108**
Diesel Engines
4 credits
Offered every fall semester
Provides theory, diagnosis and service common to all diesel engines. Includes engine rebuilding and performance testing. This course prepares students for the ASE Certification test on Medium/Heavy Truck Diesel Engines. Identical to DSL 120.

**AUT 109**
Diesel Electrical Systems Design and Diagnosis
3 credits
Offered every fall semester
Provides a study of diesel starting, charging, and accessory electrical systems and components. An emphasis is placed on electrical system diagnosis and electrical repair. Includes using various industry standard diagnostic electrical equipment and testing techniques. Prepares the student to take the ASE certification test on Electrical/Electronic Systems. Identical to DSL 130.

**AUT 110**
Fuel and Emission Systems
2 to 3 credits
Offered upon request
Provides theory, diagnosis, and service of automotive fuel and emission systems. Includes an opportunity to analyze fuel and emission systems with emphasis on practical application of computer controlled fuel and emission systems. This course, together with AUT 260, prepares students for the ASE Certification Test on Engine Performance.

**AUT 113**
Diesel Fuel Systems
3 credits
Offered every fall semester
Provides theory, diagnosis and service of hydro-mechanical and electronic diesel fuel systems. Includes an opportunity to analyze fuel system components, and system operational characteristics. The course shall place emphasis on testing and service procedures of
Caterpillar’s mechanical & computer controlled fuel systems. This class prepares students for the ASE Certification test related to heavy duty diesel fuel systems. Identical to DSL 140.

**AUT 117**
**Machine Hydraulics**
*2 credits*
Offered every spring semester
Prerequisite: TEC 112 or instructor approval
Provides instruction in operational theory and testing techniques related to hydraulic components and circuits on mobile diesel equipment. Includes an opportunity for the individual to apply fluid power principles and investigate the functional characteristics of hydraulic pumps, flow valves, pressure valves, directional valves, motors, cylinders, and accumulators. Emphasis is placed on the student’s ability to test, service, and repair diesel equipment: hydraulic systems and system components. Identical to DSL 150.

**AUT 120**
**Manual Transmission and Drive Train**
*3 credits*
Offered fall semester in even-numbered years
Provides theory, diagnosis, and service of clutches, drive line, synchromesh transmissions and final drives. Includes standard transaxles and 4-wheel drive. Prepares students for ASE Certification Test on Manual Drive Train.

**AUT 125**
**Heavy Equipment Drive Train**
*3 credits*
Offered every spring semester
Provides theory, diagnosis, and service of clutches, driveline, synchromesh transmissions and final drives, torque converters, and automatic transmission. Includes proper repair and service of assemblies for standard and automatic transmissions. Prepares the student for the ASE Certification Test on Manual and Automatic Drive Trains. Identical to DSL 160.

**AUT 131**
**Steering and Suspension Systems**
*3 credits*
Offered every spring semester
Provides the theory, diagnosis, and repair of automotive steering and suspension systems. This in-depth study includes tires and wheels, wheel balancing, two and four wheel alignment, and diagnostic and service techniques. Prepares students for ASE Certification Test on Steering and Suspension Systems.

**AUT 132**
**Automotive Brake Systems**
*2 credits*
Offered upon request
Provides the theory, diagnosis, and repair of automotive brake systems, and a study of disc and drum brake systems. The course covers anti-lock brakes, hydraulic operation, and brake system service, diagnosis, and repair. Prepares students for ASE Certification Test on Brakes.

**AUT 135**
**Heavy Equipment Suspension, Steering and Brake Systems**
*3 credits*
Offered every fall semester
This course provides the theory, diagnosis, and the repair of heavy equipment suspension, steering and brake systems. This in-depth study includes tires and wheels, steering components, suspension types, and hydraulic & air brake systems. This course covers diagnostic and service techniques of suspension, steering and braking systems. Identical to DSL 170.

**AUT 150**
**Automotive Painting and Refinishing**
*3 credits*
Offered every spring semester
Activity/Personal Enrichment
Students taking this course will study automotive painting, minor repair, and refinishing techniques. The course will provide instruction related to automotive paint types, painting & refinishing, and minor body repairs (forming, shaping & body filler use).

**AUT 180**
**Automotive Service Techniques**
*2 credits*
Offered upon request
Provides individualized self-paced instruction in service and repair of automotive engines, electrical, transmissions, brakes, suspension and A/C. Includes an opportunity for the individual to service and repair vehicle systems and components using proper reference material. Emphasis is placed on the student’s ability to demonstrate practical application of learned skills related to automotive service. This course prepares students for all eight ASE Certification tests.

**AUT 220**
**Automotive Electronics and Computerized Vehicle Controls**
*3 credits*
Offered every spring semester
Prerequisite: AUT 110 or instructor approval
Provides a study of automotive power train electrical systems and addresses electronic principles. Includes an in-depth study of electronic engine/power train control operation, trouble shooting techniques, and proper repair of these systems. This course requires that each student have basic skills and knowledge in electrical/electronic fundamentals and prepares the student to take the ASE tests which have electrical/electronic or automotive computer control system questions.

**AUT 225**
**Diesel Computerized System Controls**
*2 credits*
Offered every spring semester
Prerequisite: AUT 109 or instructor approval
Provides a study of diesel equipment power train electronic control systems and addresses electronic principles. Includes an in-depth study of electronic engine/power train control operation, component operation, trouble shooting techniques, and proper repair of these systems. This course requires that each student have basic skills and knowledge in electrical/electronic fundamentals and prepares the student to take the ASE tests which have electrical/electronic or computer control system questions. Identical to DSL 240.

**AUT 230**
**Automatic Transmissions**
*4 credits*
Offered fall semester in odd-numbered years
Provides a study of the operating principles of modern automatic transmissions and transaxles. Includes diagnosis, maintenance, testing, repair, and basic information on computer power train control systems. This course prepares students for ASE Certification Test on Automatic Transmissions/Transaxle.

**AUT 255**
**Vehicle Emission Strategies and Testing**
*2 credits*
Offered upon request
Prerequisite: AUT 105 or instructor approval
Provides instruction on diagnostic procedures for automotive emission failure concerns. Includes an in-depth study in how modern fuel, ignition, and power train computer controlled systems relate to exhaust emission strategies. Gives the student the opportunity to use industry standard testing equipment such as hand-held scanners and infrared exhaust analyzers. This course requires the student to have basic skills and knowledge in electrical/electronic fundamentals and, together with AUT 110, prepares the student for ASE certification test on Engine Performance.

**AUT 266**
**Vehicle Heating and Air Conditioning**
*3 credits*
Offered every spring semester
Provides a study of basic operating principles, diagnosis, and service of modern automotive and diesel heating and air conditioning systems, including R12 and 134a systems. Includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on Heating and Air Conditioning.

**AUT 280**
**Advanced Shop**
*3 credits*
Offered every spring semester
Provides the student with an opportunity to perform advanced automotive service work in preparation for entry into the automotive trade. Includes an option for the student to develop skills at an automotive worksite. This course addresses all service and repair on any vehicle system and provides the student exposure to shop management operations and strategies. This course is intended for the automotive major only and prepares the student to take all eight ASE automotive certification exams.

**AUT 297**
**Workshop**
*1 to 6 credits*
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Automotive Technology.
BIO 100
Biology Concepts
4 credits
GE category: Lab Science
Offered every fall and spring semester
An integrated course dealing with both plants and animals, related to our environment from molecule to biosphere. A liberal studies course for non-science majors with an emphasis on contemporary issues.

BIO 101A
Desert Survival
1 credit
Offered upon request
Activity/Personal Enrichment
Students will learn the conditions of a desert environment that make it so dangerous. They will become acquainted with techniques to survive in this harsh environment.

BIO 101B
Birds of the Gila Valley
1 credit
Offered upon request
Activity/Personal Enrichment
Students will learn different aspects of the life and behavior of birds. Students will participate in viewing and identifying some common birds of the Gila Valley.

BIO 101C
Natural History of the Gila Valley
1 credit
Offered upon request
Activity/Personal Enrichment
Students will see the geologic and climatic forces that have created the environment of the Gila Valley. Students will identify strategies that plants and animals use to survive in the desert environment.

BIO 101E
Careers in Environmental Biology
1 credit
Offered upon request
This class will expose learners to the different career opportunities in the field of Environmental Biology. Learners will obtain information about career preparation to obtain jobs in this field.

BIO 105
Environmental Biology
4 credits
GE category: Lab Science
Offered every fall semester
Fundamentals of ecology and their relevance to human impact on natural ecosystems. A liberal studies course for non-science majors with an emphasis on contemporary issues.

BIO 160
Introduction to Human Anatomy and Physiology
4 credits
GE category: Lab Science
Offered upon request
Study of structure and dynamics of the human body. For students who desire a one-semester course in anatomy and physiology.

BIO 181
General Biology I
4 credits
GE category: Lab Science
Offered every fall semester
Designed for Biology majors. Principles of structure and function of living things at molecular, cellular, and organismic levels of organization. One year of high school chemistry or one semester of college level chemistry recommended.

BIO 182
General Biology II
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: BIO 181
Designed for Biology majors. Additional principles of structure and function of living things at cellular, and organismic and higher levels of organization.

BIO 187
Introduction to Biological Research
4 credits
Offered upon request
This course is designed to introduce students to the scientific research process at an interactive level. Basic tools and procedures of an environmental or ecological researcher will be discussed and reinforced in the lab setting. The culminating product will be an individualized written research proposal that may become the basis for further scientific investigation in BIO 295.

BIO 201
Human Anatomy and Physiology I
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: BIO 100 or BIO 160 or BIO 181 or CHM 130 or CHM 151
Study of the structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system.

BIO 202
Human Anatomy and Physiology II
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: BIO 201
Continuation of structure and function of the human body. Topics include the endocrine, circulatory, respiratory, digestive, urinary, and reproductive systems.

BIO 205
Microbiology
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: BIO 100 or BIO 160 or BIO 181 or BIO 201 or CHM 130 or CHM 138 or CHM 151
Study of microorganisms and their relationship to health, ecology, and related fields.

BIO 226
Ecology
4 credits
GE category: Lab Science
Offered every fall semester
Arizona contains a broad diversity of biotic and abiotic variables acting upon the plant and animal species that have adapted to life in a sometimes harsh desert environment. These fragile ecosystems have been affected from both a positive and negative standpoint by an increasing human population. This course will provide students with a basic understanding of ecological principles, concepts of energy flow through an environment, and knowledge and hands-on experiences to better understand the characteristics, restoration strategies, interactions within, and stewardship for healthy ecosystems.

BIO 295
Undergraduate Biological Research
4 credits
Offered every spring semester
Prerequisite: BIO 187 or instructor approval
This course is a unique opportunity for students to apply and practice that which they have learned about the research process. Whether partnering with a mentor project or carrying out their personal research proposal, students discuss, analyze and critique their work through portfolio entries and team sessions coordinated by the instructor. Coursework culminates in a Poster Session of student research at the close of the semester.

BIO 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Automotive Technology.

BUS 101
Fundamentals of Accounting
3 credits
Offered every fall and spring semester
Concurrent enrollment in BUA 233 not permitted
An accounting and record keeping course of practical value to many people at home or in business. Covers theory of debits and credits of most common accounts, the trial balance, and financial reports. Students with special aptitude in bookkeeping who plan to continue in accounting should take BUA 233 and 243 instead.

BUS 111
Business Mathematical Calculations
3 credits
GE category: AAS degree only
Offered every fall and spring semester
Prerequisite: Placement test or equivalent or instructor approval
Instruction and practice in fundamental business operations. Begins with basic
mathematical operations and then continues through payroll, banking, interest, income tax, and other areas of business mathematics.

BUS 131 Income Tax Procedures and Preparation
3 credits
Offered upon request
This course is designed for students who aspire to learn the concepts needed to prepare income tax returns for individuals including the determination of income, deduction, credits, and taxable income.

BUS 143 Real Estate Fundamentals
6 credits
Offered upon request
To give the student an overview of Real Estate Fundamentals and prepare the student to pass the State of Arizona Real Estate test.

BUS 160 Communication for the Occupations
3 credits
GE category: AAS degree only
Offered every fall and spring semester
Prerequisite: ENG 100 or higher
The study of oral and written communication in the occupational setting.

BUS 181 Reception Management
3 credits
Offered upon request
This course is a study of skills, attitude and performance as they relate to front desk employees engaged in the hotel/motel industry.

BUS 205 Computerized Accounting with QuickBooks
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisites: BUS 101 or BUA 233; and CMP 101 or CMP 103
Designed to assist students and small business owners in performing accounting tasks by using a computer software package designed specifically for accounting purposes. Students will develop skills to operate a computer to implement the following functions: recording transactions, generating financial and management reports, setting up and maintaining a system, and developing business budgets. The course utilizes the QuickBooks accounting software.

BUS 211 Retail Management
3 credits
Offered every spring semester
Principles and practices used in the management of retail stores. Includes site selection, layout, organization, staffing, positioning, customer service, promotional techniques and all aspects of the buying function.

BUS 221 Human Resource Management
3 credits
Offered every fall semester
Human resource theory and practice, planning, recruitment, placement, employee development, evaluation, benefits and services, health and safety, and employee relations.

BUS 251 Human Relations
3 credits
GE category: AAS degree only
Offered every fall and spring semester
Prerequisite: ENG 100 or higher
Emphasizes the application of basic psychological principles to the understanding and influencing of behavior, particularly in personal and business relationships.

BUS 297 Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Business.

BUS 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Business Administration.

BUS 299 Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

Business Administration
(for more business courses, see Business and Small Business Management)

BUA 101 Introduction to Business
3 credits
Offered every fall and spring semester
Organization, functions, activities, and roles of business in the American economic system; orientation to business terminology, practices, problems, and career opportunities. Primarily for freshmen majoring in some area of business.

BUA 221 Principles of Macroeconomics
3 credits
GE category: Social Science
Offered every fall semester
Studies aggregates of the entire economy, concentrates on national income analysis, business cycles, the money and banking system, the global economy, and fiscal and monetary policy. Concurrent enrollment with BUA 223 not recommended.

BUA 223 Principles of Microeconomics
3 credits
GE category: Social Science
Offered every spring semester
Study of forces affecting individual productive units: includes analysis of price determinants through supply and demand, cost and equilibrium of firms under perfect and imperfect competition, distribution of income, and selected current problems. Concurrent enrollment with BUA 221 not recommended.

BUA 233 Uses of Accounting Information I
4 credits
Offered every fall and spring semester
Introduction to the uses of financial information for internal and external purposes. Emphasizes using accounting information to meet the needs of financial decision makers, focusing on analysis for use by management.

BUA 245 Legal Environment of Business
3 credits
Offered every spring semester
Introduces the sources and basic principles of the law as it relates to business, including the U.S. legal system, the Constitution, sources of the law, business ethics; and studies a variety of applications of the law in contracts, torts, agency, and government regulation of business.

BUA 297 Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Business Administration.

BUA 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Business Administration.

BUA 299 Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

Chemistry

CHM 130 Fundamental Chemistry
4 credits
GE category: Lab Science
Offered every fall and spring semester
This course is designed to help students understand basic chemical principles and master problem-solving skills. Students will develop an understanding of how those concepts and skills are relevant to other courses and their daily lives. Chemical topics covered in the course include basic science concepts, measurements, atomic theory, bonding, stoichiometry, states of matter, solutions, acids & bases, and nuclear chemistry.
**CHM 138**
An Introduction to General, Organic, and Biological Chemistry
4 credits
GE category: Lab Science
Offered every fall and spring semester

For students with little or no background in chemistry. The first half of this one semester course includes an introduction to general principles of chemistry including measurements, atomic structure, chemical bonding, naming compounds, states of matter, solutions, and chemical reactions with applications in health care. The second half of the course covers aspects of organic and biological chemistry that directly affect health care. They include sections on hydrocarbons, organic functional groups, carbohydrates, lipids, proteins, enzymes, nucleic acids, and metabolic pathways that provide energy for life.

**CHM 151**
General Chemistry I
4 credits
GE category: Lab Science
Offered every fall semester

Provides the student with knowledge of the fundamental principles of chemistry with an emphasis on matter and measurement, states of matter, atomic structure, chemical periodicity, chemical bonding, chemical reactions, stoichiometry, energy of reactions, aqueous solutions, and properties of gases. The student also applies critical thinking strategies in scenario and inquiry-based laboratory activities. Recommend completion of at least two years high school algebra and one year high school chemistry or college equivalent.

**CHM 152**
General Chemistry II
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: CHM 151

Provides the student with knowledge of the fundamental principles of chemistry with an emphasis on the control of chemical reactions and the chemistry of the elements. Chemical kinetics, equilibria, acids-base chemistry, entropy of reactions, electron transfer reactions, nuclear chemistry, and an introduction to organic chemistry will be explored. The student will also apply critical thinking strategies in scenario and inquiry-based laboratory activities.

**CHM 230**
Fundamental Organic Chemistry
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: CHM 138 or CHM 151

An introduction to carbon-containing compounds. Included is the study of hydrocarbons, alcohols, carbonyl compounds, amines, as well as bio-organic compounds. Designed for students in the Allied Health Sciences such as Pre-Nursing or Pre-Optometry.

**CHM 235**
General Organic Chemistry I
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: CHM 152

General principles of organic chemistry with emphasis on reactivity and synthesis. Topics include bonding, structure and properties of organic compounds, stereochemistry, kinetics and thermodynamics, substitution and elimination reactions, structure, synthesis, and reaction of alkenes, alkynes, alcohols, and IR and NMR spectroscopy.

**CHM 236**
General Organic Chemistry II
4 credits
GE category: Lab Science, Intensive Writing
Offered every spring semester
Prerequisite: CHM 235 and prior or concurrent enrollment in ENG 102 Continuation of CHM 235. General principles of organic chemistry with continued emphasis on reactivity and synthesis. Topics include the study of ethers, epoxides, sulfides, conjugated systems, aromatic compounds, ketones, aldehydes, amines, carboxylic acids and their derivatives, enols, carbohydrates, nucleic acids, amino acids, peptides, proteins, lipids, and polymers.

**CHM 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment

Design and execution of original projects under faculty supervision.

**CHM 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment

Uses of computer hardware and software in business and society; computer terminology; program definition and flowcharting/algorithms; introduction to programming using general purpose language and word processing, spreadsheet, database, graphics, multimedia, and Internet.

**Computers**

**CMP 099**
Computers for Beginners
2 credits
Offered upon request

A first course for beginning computer users designed to introduce students who have never used a computer to the basic elements of running a computer in a comfortable, structured manner with significant instructor support in the lecture/demonstration mode.

**CMP 100**
Computer Careers
2 credits
Offered upon request

This course is designed to help students determine an appropriate computer field as a career. Students will be given time to conduct career research in the field to help them select a career path. Emphasis is placed on choosing an appropriate career path and then creating a career plan to achieve their success. Students will also be given the opportunity to visit area businesses, conduct an informational interview with a business professional, and participate in a job shadowing program.

**CMP 101**
Introduction to Computers
3 credits
GE category: AAS degree only
Offered every fall and spring semester

A first course in computers designed to provide students with hands-on experience of the personal computer and its uses in society. Application programs from the Microsoft Office Suite will be taught including Word, Excel, Access, and PowerPoint. True beginners may want to consider CMP 099 Computer for Beginners, before taking this course.

**CMP 103**
Introduction to Computer Based Systems
3 credits
GE category: GE Options, AAS degree only
Offered every fall and spring semester

This one semester course includes an introduction to general, organic, and biological chemistry. The student will also apply critical thinking strategies in scenario and inquiry-based laboratory activities.

**CMP 106**
Computers for Teachers
3 credits
Offered upon request

Introduction to the use of computers in the classroom. Using current varieties of software for assignment presentation including desktop publishing, grading, student information, presentation software from the computer to the screen, using the Internet to teach through websites and other varieties of multimedia.

**CMP 108**
Introduction to Keyboarding Technique
1 credit
Offered every fall and spring semester

This course is designed to teach the keyboard and proper keyboarding technique. Identical to AIS 108.

**CMP 110**
Current Applications
2 credits
Offered upon request

Provides individuals with the opportunity to develop personal projects in varieties of current software such as spreadsheet, database, word processing, multimedia, Internet and other applications for microcomputers, which cannot take place in courses where time is given to learn a software package, but not to use it for personal project design and implementation. Not for computer majors, except as elective. Computer majors take CMP 244 or 245. Others may take CMP 244 or 245, after completing this course.

**CMP 110J**
Microsoft Excel
1/2 credit
Offered upon request
Activity/Personal Enrichment

Provides individuals with opportunity to specialize in Microsoft Excel software. Recommend completion of an introductory course.

**CMP 110K**
Microsoft Word
1/2 credit
Offered upon request
Activity/Personal Enrichment

Provides individuals with opportunity to specialize in Microsoft Word software. Recommend completion of one introductory course.

**CMP 110L**
Microsoft Windows
1/2 credit
Offered upon request
Activity/Personal Enrichment

Provides individuals with opportunity to specialize in Windows software applica-

Courses are offered upon request with the opportunity to specialize in introductory applications using two modules of Microsoft Office.
CMP 115C
Advanced Microsoft Windows
1/2 credit
Offered upon request
Students will become familiar with advanced level functions of Microsoft Windows, an operating system used for organizing and maintaining computers.

CMP 120
Introduction to Programming
1 credit
Offered upon request
An introduction to software and programming concepts for students interested in visual or scripting languages. Topics include notations, data, operators, sequence, selection, repetition, and subprograms.

CMP 121
Visual Basic Programming I
3 credits
GE category: AAS degree only
Offered upon request
An introductory programming course for vocational computer majors and students transferring to universities in a business program. Course concentration includes object-oriented programming including data types, classes, objects, methods, decision and repetition structures, and string and array manipulation. Students who have no previous programming experience are encouraged to take CMP 120 Introduction to Programming prior to taking C# Programming I.

CMP 130
C Programming I
3 credits
GE category: AAS degree only
Offered upon request
A comprehensive introduction to the C language, preparation and writing of programs using C, using current programming techniques. A prior programming language is helpful. For 2-year Computer Majors or students transferring in a Computer Information Systems degree (Same as Management Information Systems). Students are advised to take CMP 120 Introduction to Programming before CMP 130. Identical to EGR 130.

CMP 151
Information Technology Essentials
3 credits
Offered upon request

CMP 152
Information Technology Technician
3 credits
Offered upon request

CMP 170
Database Management with Microsoft Access
3 credits
Offered upon request
Prerequisite: CMP 101 or CMP 103
The student will participate in case-based approaches to the storing, modification, and extraction of information from a computerized database management system. The student will learn how to create and maintain database objects including tables, forms, queries, reports, pages, macros, and modules. Database design, security, and integration with other programs and the Internet is also covered. Student interested in Microsoft Office Specialist certification will find the course an excellent foundation for exam preparation.

CMP 201
Systems and Procedures
3 credits
Offered upon request
Prerequisite: CMP 101 or CMP 103
This course introduces the elements of information systems used in business organizations. Students will learn about systems development, e-business and e-commerce strategies, network and telecommunication issues, enterprise systems, ethics relating to information technology, and project and database management. Concepts will be reinforced through group participation in the form of research, hands-on activities, projects, and presentations. Students will use Microsoft Office, Microsoft Project, and other software as needed to complete individual and group projects.

CMP 205
Data Communications
3 credits
Offered upon request
Prerequisite: CMP 101 or CMP 103
This course provides an introduction to data communications. Topics include an introduction to and the fundamentals of communications, communications media, servers, and clients, communication equipment and services, data transmission, protocols, network concepts, local area, wide area, and metropolitan area networks, network management and security, the Internet, e-business applications and the business data communications industry, and addressing the challenge of living in a connected world.

CMP 230
Linux System Administration
3 credits
Offered upon request
Prerequisite: CMP 113
A course in operating systems installation and administration utilizing workstation and server applications of Linux. Students should have completed one or more courses in computer programming and be familiar with the concepts of computer programming and data communications.

CMP 235H
Beginning Microsoft Word
1/2 credit
Offered upon request
Designed to provide the student with an opportunity to cover and practice basic features of word processing using Microsoft Word software. Identical to AIS 235H.

CMP 235I
Intermediate Microsoft Word
1/2 credit
Offered upon request
This course is designed to provide intermediate word processing skills to students with prior experience using microcomputers and Microsoft Word. It is recommended that the student key at a minimum rate of 25 words per minute. Identical to AIS 235I.

CMP 235J
Advanced Microsoft Word
1/2 credit
Offered upon request
This course is designed to provide advanced word processing skills to students with prior experience using microcomputers and Microsoft Word. It is recommended that the student have an intermediate knowledge of Microsoft Word and key at a minimum rate of 25 words per minute. Identical to AIS 235J.

CMP 239A
Multimedia/Electronic Task Management
1 credit
Offered every fall and spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. Using a Desktop Information Management (DIM) program, students will learn how to manage e-mail, organize schedules, maintain contact lists and to-do lists, and keep a log of computer tasks. This module also includes integrating data to and from other applications. Identical to AIS 239A.
Cmp 239b
Multimedia/Digital Imaging
1 credit
Offered every fall and spring semester
Provides students with hands-on experience with digital imaging technology including scanners, digital cameras, and photo software. Students must be familiar with basic desktop publishing techniques to complete projects. Identical to AIS 239b.

Cmp 239c
Multimedia/Internet for Business
1 credit
Offered every fall and spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. In this module, students learn and apply the tools, language, and culture of the Internet. Important ethical issues are addressed as individual and team Internet projects are completed. Projects will include web site design and research. Identical to AIS 239c.

Cmp 250
Networking
3 credits
Offered upon request
Advanced techniques in networking with emphasis on the installation, maintenance, and design of local area networks. CompTIA Network+ exam objectives are also covered in this course.

Cmp 255
Microsoft Windows Server Administration
3 credits
Offered upon request
This course is designed to prepare a student for the challenges faced as a Microsoft networking professional. Specific topic coverage includes: Introduction to Windows Server, managing hardware devices, creating and managing users, implementing and managing groups, managing access to files, managing disk and data storage, advanced file system management, implementing and managing printing, implementing and using group policies, administering a server, monitoring server performance, managing and implementing backups and disaster recovery, administering web resources, and security basics for Windows Server.

Cmp 272
Website Development I
3 credits
Offered upon request
This course prepares the student to develop basic websites for use in all areas of society. The student will develop an understanding of networking requirements for the Internet in regards to web development. Students will learn web site design, planning, and organizational skills. The student will learn and use a wide variety of website development tools at introductory levels. Applications and skills taught will include beginning Dreamweaver, HTML, XHTML, all current standards in industry. Before enrolling in this course, it is suggested the student have a thorough knowledge of Internet terminology and be comfortable using common Internet features including uploading and downloading files. To be successful, intermediate skills in file management, i.e., saving, copying, moving, and creating files and folders, are needed. A beginning course in the Internet or Operating Systems would be helpful.

Cmp 273
Website Development II
3 credits
Offered upon request
Prerequisite: Cmp 272
This course prepares the student to develop advanced websites for use in all areas of society. The student will learn and use a wide variety of website development tools at advanced levels. Applications and skills taught will include, but not be limited to, Dreamweaver, HTML, XHTML, XML, Fireworks, and Flash, all current standards in industry.

Cmp 280
Database Design and Development
3 credits
Offered upon request
This course is designed to provide individuals with a complete introduction to database concepts and the relational database model. Topics include QBE, SQL, normalization, design methodology, DBMS functions, database administration, and other database management approaches, such as client/server databases, object oriented databases, and data warehouses. At the completion of this course, students should be able to understand a user’s database requirements and translates those requirements into a valid database design. Students should have already completed CMP 170 Database Management or possess equivalent knowledge.

Cmp 285
Network Security
3 credits
Offered upon request
This course takes an in-depth look at network security concepts and techniques. This course examines theoretical concepts that make the world of security unique. Also, this course will adopt a practical, hands-on approach when examining networking security techniques. Along with examining different network strategies, this course will explore the advancement of network implementation as well as timeless problem solving strategies.

Cmp 291
CIS Practicum
3 credits
Offered upon request
Prerequisite: CMP 100
A course to provide the computer major with an opportunity to gain work experience in the field of computers. The course makes use of all computer courses in the major and will be taken during the student’s last semester of the degree or certificate course sequence.

Cmp 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Computers.

Cmp 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Computers.

Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

Cooperative Education
Eastern Arizona College offers a cooperative education program for students who have selected a career objective. Designed to give students the opportunity to learn through supervised work experiences, the program integrates students’ educational activities with on-the-job learning opportunities. The program is designed to serve students from all disciplines offered at EAC. Participants include full-time and part-time students who wish to experience supervised on-the-job training as part of their regular degree programs, and career employees who wish to improve their skills, upgrade their positions or move to new career areas through job-related experiences and goals described in a written training plan. Credit is based on total hours completed in on-the-job learning during the semester as follows: 75 hours (5 hrs/week) - 1 credit; 150 hours (10 hrs/week) - 2 credits; 225 hours (15 hrs/week) - 3 credits; 300 hours (20 hrs/week) - 4 credits.

Before participating, you should:
• Select and begin pursuing a career objective.
• Complete or be currently enrolled in one or more courses related to your career objective.
• Be employed in, or be able to be placed in, a job that is related to your career objective, and with a supervisor (employer) who is willing to participate in the Cooperative Education experience. A student may enroll in Cooperative Education each semester until earning a maximum of eight credits.

Coe 101
Job Seeking Strategies
1 to 2 credits
Offered upon request
This course is designed to help students develop the necessary paperwork to apply for jobs. Includes application, cover letter, resume, reference, letter of recommendation, and thank you notes. Communication and interviewing skills are developed and live interviews are conducted.
**COE 111**  
Cooperative Education I (Occupational)  
1 to 4 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Project plus 75 lab hours per credit.

**COE 112**  
Cooperative Education II (Occupational)  
1 to 4 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Project plus 75 lab hours per credit.

**COE 113**  
Cooperative Education III (Occupational)  
1 to 4 credits  
Offered upon request  
Activity/Personal Enrichment  
Project plus 75 lab hours per credit.

**COE 121**  
Cooperative Education I (Non-Occupational)  
1 to 4 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Project plus 75 lab hours per credit.

**COE 122**  
Cooperative Education II (Non-Occupational)  
1 to 4 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Project plus 75 lab hours per credit.

**COE 298**  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Cooperative Education.

**COE 299**  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

---

**Cosmetology**

**COS 101**  
Theory of Cosmetology I  
2 credits  
Offered upon request  
Introduction to the basic manipulative skills in manicuring, professional image and conduct and personal hygiene. Includes basic sciences in bacteriology, sanitation and physiology pertaining to the head, face, hands and arms. Theory and use of electricity and light as applied to cosmetology. The course also includes Arizona laws and rules governing cosmetology.

**COS 103**  
Theory of Cosmetology II  
2 credits  
Offered upon request  
Prerequisite: COS 101 or concurrent enrollment in COS 101  
Continuation of Cosmetology Theory at an intermediate level. Basic manipulative skills in manicuring, professional image and conduct and personal hygiene. Includes basic sciences in bacteriology, sanitation and physiology pertaining to the head, face, hands and arms. Theory and use of electricity and light as applied to cosmetology. The course also includes ethics and shop management.

**COS 105**  
Theory of Cosmetology III  
2 credits  
Offered upon request  
Prerequisite: COS 103 or concurrent enrollment in COS 103  
Continuation of Cosmetology Theory at an advanced level. Basic manipulative skills in manicuring, shampooing, haircutting, curl construction, and hair treatments. Includes basic sciences in bacteriology, sanitation and physiology pertaining to the head, face, hands and arms. The course also includes ethics and shop management.

**COS 111**  
Permanent Waving, Shampooing and Hairstyling I  
4 credits  
Offered upon request  
Basic instruction in permanent waving, chemical straightening, curling, shampooing and hairstyling. Students will be instructed in basic manipulative skills, knowledge and safety precautions when giving chemical wave or chemical relaxer. Designed to bring student up to an intermediate level.

**COS 113**  
Permanent Waving, Shampooing and Hairstyling II  
4 credits  
Offered upon request  
Prerequisite: COS 111 or concurrent enrollment in COS 111  
Continuation of COS 111. Intermediate level of instruction in permanent waving, chemical straightening, curling, shampoo and hairstyling. Students will be instructed in basic manipulative skills, knowledge and safety precautions when giving chemical wave or chemical relaxer. Designed to bring student up to an advanced level.

**COS 115**  
Permanent Waving, Shampooing and Hairstyling III  
3 credits  
Offered upon request  
Prerequisite: COS 113 or concurrent enrollment in COS 113  
Continuation of COS 113. Advanced level of instruction in permanent waving, chemical straightening, curling, shampoo and hairstyling. Students will be instructed in basic manipulative skills, knowledge and safety precautions when giving chemical wave or chemical relaxer. Designed to bring student up to a professional level.

**COS 117**  
Permanent Waving, Shampooing and Hairstyling IV  
2 credits  
Offered upon request  
Prerequisite: COS 115 or concurrent enrollment in COS 115  
Continuation of COS 113. Professional level of instruction in permanent waving, chemical straightening, curling, shampoo and hairstyling. Students will be instructed in basic manipulative skills, knowledge and safety precautions when giving chemical wave or chemical relaxer.

**COS 121**  
Manicuring, Hand and Arm Massage I  
1 credit  
Offered upon request  
Includes care and beautification of the hands, arms and nails; practice in giving plain/oil manicures and hand/arm massages. A study is made of proper use of instruments, equipment, personal hygiene, sanitation, common nail conditions, diseases, and State Board rules and regulations affecting the cosmetologist performing manicuring/hand and arm massages.

**COS 123**  
Manicuring, Hand and Arm Massage II  
1 credit  
Offered upon request  
Prerequisite: COS 121 or concurrent enrollment in COS 121  
Continuation of COS 121. Includes care and beautification of the hands, arms and nails; practice in giving plain/oil manicures and hand/arm massages. A study is made of proper use of instruments, equipment, personal hygiene, sanitation, common nail conditions, diseases, and State Board rules and regulations affecting the cosmetologist performing manicuring/hand and arm massages.
ing, bleaching, special effects and color corrections. Modern techniques for facials (electrical and manipulative), makeup, hair removal, and lash and brow tinting.

**COS 135**
Haircutting, Scalp Treatment, Tinting and Facial III
4 credits
Offered upon request
Prerequisite: COS 133 or concurrent enrollment in COS 133
Advanced instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of haircoloring, bleaching, special effects and color corrections. Modern techniques for facials (electrical and manipulative), makeup, hair removal, and lash and brow tinting.

**COS 137**
Haircutting, Scalp Treatment, Tinting and Facial IV
2 credits
Offered upon request
Prerequisite: COS 135 or concurrent enrollment in COS 135
Professional instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of haircoloring, bleaching, special effects and color corrections. Modern techniques for facials (electrical and manipulative), makeup, hair removal, and lash and brow tinting.

**COS 150**
Manicuring III
4 credits
Offered upon request
Prerequisite: COS 127 or concurrent enrollment in COS 127
Third course for students seeking a manicuring license. Emphasis is on advanced skill building in areas covered in Manicuring I and II; product chemistry; anatomy and physiology; the nail and its disorders, the skin and its disorders, and client consultation.

**COS 152**
Manicuring IV
4 credits
Offered upon request
Prerequisite: COS 150 or concurrent enrollment in COS 150
Final manicuring course for students seeking a manicuring license. Emphasis is on polishing all manicuring skills in preparation for a mock state board exam. Additional instruction in salon management and nail products/services sales.

**COS 201**
Science for Cosmetology Instructors
1 credit
Offered upon request
This course covers instructional techniques for teaching, demonstrations of the safe use of chemicals, safety precautions in the use of electricity and electrical equipment, and cosmetic chemistry. Theory and practical procedures are explained and demonstrated for each topic. Students must have a current cosmetology license and instructor permission.

**COS 203**
Management for Cosmetology Instructors
3 credits
Offered upon request
This course covers instructional techniques for teaching and mastering an introduction to personal improvement, Arizona laws and rules governing cosmetology business ethics, telephone techniques, receptionist techniques, and shop management. Student must have a current cosmetology license and instructor permission.

**COS 205**
Instructing in Cosmetology I
3 credits
Offered upon request
This course covers correct instructional procedures pertaining to manicuring, shampooing, fingerwaving, haircutting and curl construction, enabling student instructors to stress all safety precautions, and to demonstrate their manipulative skills to students clearly and confidently. Student must have a current cosmetology license and instructor permission.

**COS 206**
Instructing in Cosmetology II
3 credits
Offered upon request
Prerequisite: COS 205
This course covers basic instructional methods and techniques for the effective observation and assistance to experienced instructors, in the performance of their duties, to perform skill demonstrations in chemical applications. Student must have a current cosmetology license and instructor permission.

**COS 207**
Instructing in Cosmetology III
3 credits
Offered upon request
Prerequisite: COS 206
This course covers basic instructional methods and techniques for the effective instructing of students in the skills of haircutting with razor and scissors, observing and performing guidelines, roller placement, and the clear and enthusiastic demonstration of all skills needed. Students must have a current cosmetology license and instructor permission.

**COS 208**
Instructing in Cosmetology IV
3 credits
Offered upon request
Prerequisite: COS 207
This course covers designing lesson plans, demonstration schedules, theory schedules, quizzes and examinations and observing and absorbing human relations in dealing with students and patrons. Student must have a current cosmetology license and instructor permission.

**Counseling**

**CSL 011**
College Success Skills
1/2 credit
Offered upon request
Activity/Personal Enrichment
This developmental course does not count for graduation credit.

**CSL 020**
College Survival Skills
2 credits
Offered upon request
Activity/Personal Enrichment
This 10-week course, usually taught at the beginning of each semester and designed for participants in ASPIRE, will increase the student’s basic academic skills. It covers goal setting, time management, reading text books, and test taking strategies.

**CSL 103**
Leadership Techniques
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
This course equips students with the techniques and mechanics of group leadership; emphasizes understanding and utilizing parliamentary procedures.

**CSL 104**
Personal Assessment
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Small group counseling with emphasis on developing an awareness of personal identity, values, and goals. Includes developing ability to understand others, give emotional support, and communicate in the group.

**CSL 105**
Personal Development
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of CSL 104 with further practice in defining values, improving communication skills, and understanding social problems.

**CSL 109**
Orientation to Student Success
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Provides the students with the ability to develop study strategies and to plan their academic programs and career decisions.

**CSL 111**
Leadership for Community Development
2 credits
Offered upon request
Offered in Gila County only
A first course in leadership for community development designed to provide students with communication, organizational management, and leadership skills. Also includes techniques to analyze the neighborhood environment and enhancements to improve the quality of life; and provides students the opportunity to analyze aspects of leadership.

**CSL 297**
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Counseling.

**CSL 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Counseling.

**CSL 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.
Dance

DAN 103
Beginning Ballroom Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Traditional and popular ballroom dance, also social skills.

DAN 104
Beginning Ballroom Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 103.

DAN 110
Beginning Folk Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Fundamental dance skills in folk dance.

DAN 111
Beginning Folk Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 110.

DAN 112
Beginning Square Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Dance skills in Western styles of square, stomp, and round dances.

DAN 113
Beginning Square Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 112.

DAN 114
Beginning Western Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Dance skill in Western styles.

DAN 115
Beginning Western Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 114.

DAN 120
Beginning Modern Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
An introduction to Modern Dance as a form of dance art.

DAN 121
Beginning Modern Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 120.

DAN 122
Beginning Jazz Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Dance skills in jazz.

DAN 123
Beginning Jazz Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 122.

DAN 130
Beginning Tap Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Dance skills in various tap dances.

DAN 131
Beginning Tap Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 130.

DAN 132
Beginning Ballet I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
The study of ballet technique through the traditional exercises, with proper awareness of style and phrasing.

DAN 133
Beginning Ballet II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 132
Continuation of DAN 132.

DAN 134
Beginning Clogging I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course introduces the student to the fundamental dance skills of clogging. Clogging is a traditional style of percussive fold dance which involves rhythmic foot tapping that can be danced to any style of music.

DAN 135
Beginning Clogging II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 134.

DAN 150
Beginning Theatre Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Study and performance of a variety of dance styles for media dance entertainment to include modern, ballet, jazz, tap, and ballroom.

DAN 151
Beginning Theatre Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 150
Continuation of DAN 150.

DAN 203
Intermediate Ballroom Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Traditional and popular ballroom dance, also social skills.

DAN 204
Intermediate Ballroom Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 203.

DAN 210
Intermediate Folk Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Fundamental dance skills in folk dance.

DAN 211
Intermediate Folk Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 210.

DAN 212
Intermediate Square Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Dance skills in Western styles of square, stomp, and round dances.

DAN 213
Intermediate Square Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 212.

DAN 214
Intermediate Western Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Dance skill in Western styles.

DAN 215
Intermediate Western Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 214.

DAN 222
Intermediate Jazz Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Dance skills in jazz.

DAN 223
Intermediate Jazz Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 222.

DAN 230
Intermediate Tap Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Dance skills in various tap dances.

DAN 231
Intermediate Tap Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 230.
**DAN 232**  
Intermediate Ballet I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: DAN 133  
The study of ballet technique through the traditional exercises, with proper awareness of style and phrasing and introduce pointe work.  

**DAN 233**  
Intermediate Ballet II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: DAN 232  
Continuation of DAN 232.  

**DAN 234**  
Intermediate Clogging I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: DAN 133  
A continuation of DAN 135. This course expands the learner's knowledge of the fundamental dance skills of clogging. Clogging is a traditional style of percussive fold dance which involves rhythmic foot tapping that can be danced to any style of music.  

**DAN 235**  
Intermediate Clogging II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: DAN 234  
A continuation of DAN 234. This course expands the learner's knowledge of the fundamental dance skills of clogging. Clogging is a traditional style of percussive fold dance which involves rhythmic foot tapping that can be danced to any style of music.  

**DAN 240**  
Dance Repertory  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
The study of performance skills from pre-classic to contemporary dance forms, including folk repertory.  

**DAN 250**  
Intermediate Theatre Dance I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: DAN 151  
Study and performance of a variety of dance styles for media dance entertainment to include modern, ballet, jazz, tap, and ballroom.  

**DAN 251**  
Intermediate Theatre Dance II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: DAN 250  
Continuation of DAN 250.  

**DAN 281**  
Dance Composition  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
A study of the choreographic process which makes use of content, form, and technique while examining the elements of time, space, and energy. Analyzes choreographed works in all areas of dance and recreates some dances for learning purposes.  

**DAN 298**  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design to meet a variety of needs for students in Dance.  

**DAN 299**  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.  

**Diesel**  

**DSL 110**  
Diesel Service Techniques  
2 credits  
Offered every fall semester  
Provides an overview of basic diesel equipment systems. This course provides a broad knowledge base in diesel shop organization structure, product line information, and use of Caterpillar’s service and repair information system. Identical to AUT 102.  

**DSL 120**  
Diesel Engines  
4 credits  
Offered every fall semester  
Provides theory, diagnosis and service common to all diesel engines. Includes engine rebuilding and performance testing. This course prepares students for the ASE Certification test on medium/heavy truck diesel engines. Identical to AUT 108.  

**DSL 130**  
Diesel Electrical Systems Design and Diagnosis  
3 credits  
Offered every fall semester  
Provides a study of diesel starting, charging, and accessory electrical systems and components. An emphasis is placed on electrical system diagnosis and electrical repair. Includes using various industry standard diagnostic electrical equipment and testing techniques. Prepares the student to take the ASE certification test on electrical/electronic systems. Identical to AUT 109.  

**DSL 140**  
Diesel Fuel Systems  
3 credits  
Offered every fall semester  
Provides theory, diagnosis and service of hydro-mechanical and electronic diesel fuel systems. Includes an opportunity to analyze fuel system components, and system operational characteristics. The course shall place emphasis on testing and service procedures of Caterpillar’s mechanical & computer controlled fuel systems. This class prepares students for the ASE Certification test related to heavy duty diesel fuel systems. Identical to AUT 113.  

**DSL 150**  
Machine Hydraulics  
2 credits  
Offered every spring semester  
Prerequisite: TEC 112 or instructor approval  
Provides in-depth operational information related to heavy duty diesel engine fuel, compression, air induction, and exhaust systems. Teaches diagnosis and repair of mechanical engines. Requires students to isolate and repair mechanical engine, fuel, and air induction system concerns by following strategic processes. Students use industry standard tooling, repair information systems, and engine repair processes. Helps prepare students for ASE certification test on heavy truck diesel engines.  

**DSL 160**  
Heavy Equipment Drive Train  
3 credits  
Offered every spring semester  
Prerequisite: DSL 130 or instructor approval  
Provides a study of diesel equipment power train electronic control systems and addresses electronic principles. Includes an in-depth study of electronic engine/power train control operation, component operation, trouble shooting techniques, and proper repair of these systems. This course requires that each student have basic skills and knowledge in electrical/electronic fundamentals and prepares the student to take the ASE tests which have electrical/
electronic or computer control system questions. Identical to AUT 225.

**DSL 297 Workshop**  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in the Diesel Technology program.

**DSL 298 Workshop**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in the Diesel Technology program.

**DSL 299 Independent Study**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

## Drafting Technology

**DRF 104 Blueprint Reading**  
2 credits  
Offered upon request  
Interpreting technical drawings and accompanying specifications. Emphasizes technical terms and symbols, industrial standards and tolerances. Reading of working drawings and sketches, basic drafting fundamentals and techniques are covered. Designated for non-drafting technicians.

**DRF 108 Technical Drafting**  
2 credits  
Offered every fall and spring semester  
Course is designed for students with little or no drafting background. Course content includes careers in drafting/engineering, use of drafting equipment, drafting techniques, lettering, geometric construction, multiview and isometric drawings, sectional and auxiliary views, and basic dimensioning.

**DRF 150 Dimensioning and Tolerancing**  
1 credit  
Offered every spring semester  
An intensive course covering basic and advanced dimensioning techniques. Emphasis is placed on the ANSI Y14.5M standard for geometric dimensioning and tolerancing.

**DRF 154 Introduction to AutoCAD**  
2 to 3 credits  
Offered every fall and spring semester  
Students will gain hands-on experience using AutoCAD computer drafting software. Emphasis is placed on the integration of 3D solid modeling and 2D drafting output.

**DRF 160 Descriptive Geometry**  
3 credits  
Offered every fall semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154  
The study of lines, planes, successive auxiliary views, intersection of planes, angles between planes, developments, parallelism, perpendicularity, and the relationships between various geometric elements.

**DRF 170 Residential Architecture**  
3 credits  
Offered every spring semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154  
Students will be instructed in residential architecture drafting techniques required to design and draft floor plans, exterior and interior details, and structural representations. The course will use architectural CAD software to develop a full set of residential house plans.

**DRF 207 CADD Workshop**  
1 credit  
Offered upon request  
For high school and community college teachers, or other interested individuals, wishing to advance their knowledge and skills in the area of Computer Assisted Design and Drafting (CADD). This short-term course is geared to meet the various levels of CADD expertise from beginning to advanced. Attendees will be divided into skill level groups and areas of interest. Basic technique and commands will be covered for the beginning skill levels and advanced techniques will be covered for attendees with experience in the CADD field.

**DRF 214 3D Animation**  
3 credits  
Offered every fall semester  
Activity/Personal Enrichment  
Prerequisite: DRF 154  
Students become familiar with the different methods of developing 3D graphics and animation using Alias Wavefront Maya software.

**DRF 220 Machine Drafting**  
3 credits  
Offered upon request  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154  
This course uses the latest in parametric drafting technology (AutoCAD Mechanical Desktop, Autodesk Inventor) in the study of mechanical drafting, threads and fasteners, detail and assembly drawings, section views, and basic dimensioning and tolerancing techniques.

**DRF 230 Civil Drafting**  
3 credits  
Offered every fall semester  
Prerequisite: DRF 154  
Studies basic elements of map drafting, including symbols, plotting contour lines, grid maps, elevation and profiles, closed and open traverse, and basic use of GPS systems.

**DRF 232 Structural Drafting**  
2 credits  
Offered every spring semester  
Prerequisite: DRF 154  
A study of the basic elements of structural drafting including symbols, dimensioning, design, and detail drawing of steel and concrete structures.

**DRF 240 Electronics Drafting**  
3 credits  
Offered upon request  
This course covers the basic elements of electronic drafting. Students create block diagrams, electronic schematics, printed circuit board drawing packages, and electro-mechanical drawings of racks, panels, and chassis. Use of current industrial standards is emphasized.

**DRF 262 Commercial Architecture**  
2 to 3 credits  
Offered upon request  
Prerequisite: DRF 170 or instructor approval  
Course will focus on the use of CAD in the area of commercial architectural facilities layout and design. Projects involve the creation of commercial floor plans, external elevations, and site plans. Emphasis is placed upon meeting the customer needs, local building codes, and industry standards.

**DRF 263 CAD for industry**  
2 to 3 credits  
Offered upon request  
Students will explore different Computer Aided Drafting systems or applications. Students will select one or two software applications from among AutoCAD LT, AutoDesk products, architectural or mechanical applications, etc., and produce working drawings, models, or other appropriate output to demonstrate the use of each product.

**DRF 271 Advanced AutoCAD**  
2 to 3 credits  
Offered every spring semester  
Prerequisite: DRF 154  
Course examines how to use advanced AutoCAD software capabilities. Students will focus on system customization including menu development and macro programming using AutoLisp. Advanced drawing techniques and drafting applications will also be included.

**DRF 284 Advanced Animation**  
3 credits  
Offered upon request  
Prerequisite: DRF 214 or MDC 210  
Students study advanced methods of developing and presenting animation. They become familiar with 2D still frame editing, 3D object creation using available animation software, compositing video segments, and the use of audio tracks in animation. Students develop storyboards for all projects. Students learn about and use special effects, cuts, sound, and final editing and output techniques. Students output completed projects via CD-ROM, Internet, and/or videotape.

**DRF 297 Workshop**  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Drafting Technology.

**DRF 298 Workshop**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Drafting Technology.

**DRF 299 Independent Study**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.
Early Childhood Education

**ECE 100**
Introduction to Early Childhood Education
3 credits
Offered every fall semester
Introduction to the field of Early Childhood Education including history, philosophy, and the application of child development techniques. Includes techniques for observing and recording behaviors, communication skills, guidance techniques, developmentally appropriate practices and the role of the teacher in early childhood settings.

**ECE 102**
Early Childhood Curriculum/Activities
3 credits
Offered every fall semester
This course provides the student with an introduction to methods and materials to assist young children in the learning process. Emphasis will be placed on the arrangement of indoor/outdoor space, music and movement, dramatic play and creative media. Locating, planning, implementing and evaluating creative learning activities using a variety of methods and materials.

**ECE 105**
Health, Safety and Nutrition
3 credits
Offered every fall semester
Nutrition education, menu planning, childhood diseases and illness, and sanitation and safety in group settings will be introduced. Protecting the health and safety of young children and promoting the development of lifelong health habits. Communication with health professionals and parents on health, safety, and nutrition issues will be included.

**ECE 110**
Infants and Toddlers Curriculum and Teaching
3 credits
Offered every spring semester
This course will provide the students with an introduction to the principles of development in children from birth through 36 months. Emphasis will be placed on individuality of child and the adult role in providing a safe and stimulating environment for the development of the very young child.

**ECE 120**
Guiding Children's Social Development and Behavior
3 credits
Offered every spring semester
Students will gain knowledge in a study of positive guidance and discipline techniques that can be used to encourage children to develop self-discipline and responsibility for their own actions. Students will also learn the importance of assessing, understanding, and enhancing the development of communication skills of young children to help guide and develop a child’s self image. Students will learn how to translate information presented into related skills and procedures that support children’s social development.

**ECE 171**
Child Growth and Development
3 credits
Offered every spring semester
This course will stress the importance of family. The course objectives will include the specific attitudes, philosophies, and practical techniques that teachers in any setting can find useful in building relationships with families.

**ECE 210**
Home, School, and Community Relations
3 credits
Offered every spring semester
This course will require students to develop a comprehensive view of the child at each stage of development from conception to adolescence. Considers the biological, cognitive, personality, and social aspects of development. Identical to PSY 171.

**ECE 240**
Child Development Portfolio and Assessment Preparation
3 credits
Offered every fall and spring semester
Prerequisite: Instructor approval
Includes an in-depth review of the functional area of providing the basis for the Child Development Associate competency. It gives step-by-step approach of activities necessary to complete the CDA Assessment process.

**ECE 281**
Children's Literature
3 credits
Offered every fall semester
Introduction to children's literature with a focus on how to effectively choose and use children's literature in educational contexts. Considers selection guidelines, storytelling, interpretation, and evaluation. Identical to EDU 281 and ENG 281.

**ECE 295**
CDA Renewal
1 credit
Offered every fall and spring semester
This course is provided specifically for those who need to renew their CDA credential. This course will review all aspects of early care and will also require each student to be in a work setting involving children.

**Education**

**EDU 100**
Substitute Teacher Role Preparation
3 credits
Offered upon request
The class is designed to prepare learners to enter a school setting as a substitute teacher and fill the role of the regular instructor in the classroom, on the playground and as a staff member. Learners will engage in a variety of activities that will enhance their awareness of challenges encountered by today’s youth, enable them to recognize and develop appropriate learning activities and implement effective instructional and classroom management techniques.

**EDU 100D**
Substitute Teacher Role Preparation Overview
1 credit
Offered upon request
This class is an overview designed to prepare learners to enter a school setting as a substitute teacher.

**EDU 200**
Introduction to Education
3 credits
Offered every fall semester
An introduction to the educational system covering traditions, philosophies, responsibilities, and obligations of those in the teaching profession.

**EDU 222**
Introduction to Special Education
3 credits
Offered every spring semester
An introductory level course with an emphasis on the history of special education in society and the United States, legal influences on the provision of special education services to disabled students, and characteristics and instructional approaches to educating disabled children.

**EDU 230**
Cultural Diversity in Education
3 credits
Offered every fall semester
Examination of the role of prejudice, stereotyping and cultural incompatibilities in education. Emphasis on preparing future teachers to offer an equal educational opportunity to children of all cultural groups.

**EDU 232**
SEI Strategies
1 credit
Offered upon request
Student will examine the English Language Learner (ELL) Proficiency
EDU 328
Children's Literature 3 credits
Offered every fall semester
Introduction to children's literature with a focus on how to effectively choose and use children's literature in educational contexts. Considers selection guidelines, storytelling, interpretation, and evaluation. Identical to ECE 281 and ENG 281.

EDU 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Education.

EDU 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course intended to meet a variety of needs for Education students.

EDU 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

EDU 233
ESL/SEI Methods I 3 credits
Offered upon request
This course provides the student with methods of planning, developing, and analyzing lesson plans in all content areas using English Language Learners (ELL) Standards. Emphasis is on components of curriculum content, teaching strategies, development/evaluation/adaptation of teaching materials, and the role of culture in learning. Student will examine the alignment of ELL Proficiency Standards to the state and national academic standards. This course also covers multiple assessment techniques, tracking of student progress using the AZELLA assessment, and use of assessment results for placement and accommodation.

EDU 234
ESL/SEI Methods II 3 credits
Offered every spring semester
The training provides the participant with methods of planning, developing, and analyzing lesson plans in all content areas using ELL Standards in order to teach children who are learning English as a second language. The emphasis is on ELL Proficiency Standards, assessment objectives, recent changes in SEI requirements, teaching strategies, development/evaluation/adaptation of teaching materials and the role of culture in learning. The course examines the alignment of ELL Proficiency Standards, assessment objectives, recent changes in SEI requirements, teaching strategies, development/evaluation/adaptation of teaching materials and the role of culture in learning. The course examines the alignment of ELL Proficiency Standards to the Arizona Language Arts Academic Standards. The course covers alternative methods of assessment, and analysis of the use of AZELLA assessment. This training prepares participants for ethnically diverse classrooms. This training covers 45 hours toward the ADE requirement for teaching certification renewal.

EDU 250
The Community College in Arizona 3 credits
Offered spring semester in odd-numbered years
An introduction to the community college including history, philosophy, and organization. May be taken to satisfy certification requirements for the State of Arizona.

EDT 101
Fundamentals of Electricity and Electronics 3 credits
Offered every fall semester
Electronics for students in all technologies. Course will cover the basic laws of electron flow and their application to technical devices.

EDT 110
Electricity and Electronics 3 credits
Offered every fall semester
This course is an introductory course into the basic principles of electricity and electronics theory with a heavy emphasis of industrial applications. Students will be introduced to batteries, DC circuits, electrical test and measuring equipment, various conductors, semiconductors, insulators, as well as developing troubleshooting skills.

EDT 112
AC Electrical Systems 3 credits
Offered every fall semester
This course is an introductory course of alternating current (AC) theory and systems with a heavy emphasis on industrial application and setting. Students will be introduced to transformers, electrical measuring test equipment, single and polyphase motors, motor controls AC generation, as well as troubleshooting skills.

EDT 115
Conduits and Raceways 1 credit
Offered every fall semester
This course is an introductory course of conduit and raceway installation and bending with heavy emphasis on industrial applications and settings. Students will be introduced to various conduit types, sizes, tools and equipment used to cut, bend, thread and install electrical conduit. It provides hands-on application to wire pulling and termination methods.

EDT 161
Process Measurement Instrumentation I 3 credits
Offered every spring semester
This course is an introductory course in industrial process measurement and instrumentation. This course will introduce the student to the various industrial processes of pressure, temperature, level, flow, weight, force position, and analytical measurements.

EDT 162
Process Measurement Instrumentation II 3 credits
Offered every spring semester
Prerequisite: EDT 161
This course also covers substation maintenance and design, digital logic gates, microprocessors, random access memory (RAM), and read only memory (ROM). The student will also be introduced to common circuits that employ these devices such as oscillators, amplifiers, flip-flops, multivibrators, shift registers, counters, frequency dividers, and microprocessor circuits.

EDT 191
Substation Maintenance 3 credits
Offered every fall semester
Prerequisite: EDT 110, 111 and EDT 112
This course will introduce the student to various types of electrical power distribution substations employed by many industrial and utility companies. This course also covers substation switching configurations, distribution substation configurations, substation components, switchgear maintenance, circuit breaker fundamentals, storage batteries maintenance, and testing of these sub-systems. The course will also provide background information and testing procedures related to protective relays, transformers, and oil gas and oil.
Emergency Medical Technology

EMT 071 EMT Preparatory and Airway Modules
1 credit
Developmental course – does not count for graduation credit
Offered upon request
This course is designed to supplement the Basic EMT course; modules 1 & 2. It serves as a retention tool for students not meeting EMT 103 course academic standards.

EMT 072 Introduction to Patient Assessment
1 credit
Developmental course – does not count for graduation credit
Offered upon request
This course is designed to supplement the Basic EMT course; modules 3. It serves as a retention tool for students not meeting EMT 103 course academic standards.

EMT 073 Emergency Care for the Medical Patient
1 credit
Developmental course – does not count for graduation credit
Offered upon request
This course is designed to supplement the Basic EMT course; module 4. It serves as a retention tool for students not meeting EMT 103 course academic standards.

EMT 075 Geriatric Emergencies
1 credit
Offered upon request
This course is designed to give prehospital providers a systematic approach, from the physical to the emotional changes, with growing old to medical emergencies. Additionally this course will deal with prehospital providers interactions with the terminally ill patient.

EMT 103 Basic Emergency Medical Technician
9 credits
Offered every fall and spring semester
Prerequisite: Must be at least 18 years of age at the start of the class; Demonstrate reading proficiency by scoring a minimum of 41 on the ASSET Exam; Concurrent enrollment in EMT 121 or present current CPR card issued by the American Heart Association (Health Care Provider) or American Red Cross (Professional Rescuer); Present proof of TB immunization or chest x-ray within past 6 months; Present proof of rubella and rubella immunization. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.
Introductory course for the student who aspires to become an Emergency Medical Technician-Basic. Student learning will focus on human anatomy and physiology, disease process, initial assessment and patient stabilization, proper use of equipment such as automatic external defibrillators, blood glucose monitors, MAST Trousers, airway adjuncts as well as legal issues, scope of practice, extrication, documentation, communication, and ambulance protocols. A total of 16 hours of clinical experience will be scheduled in the Emergency Department to provide direct hands-on experience with a variety of patients, in addition, 16 hours of vehicular experience will be required. This course is designed to meet all State and National requirements to prepare in testing for the EMT-Basic via the National Registry Exam.

EMT 110 First Responder
2 credits
Offered upon request
Designed to provide basic emergency care knowledge and skills to individuals who will provide the first emergency care. The objective of the first person on the emergency scene will be to recognize the needs of the victim and deliver quality care to the patient, minimizing discomfort and preventing further complications. No certification is offered.

EMT 120 Introduction to First Aid and CPR
1/2 credit
Offered upon request
Presents an overview of Basic First Aid and Heartsaver CPR. Individuals seeking Advanced First Aid or Healthcare Provider CPR should take EMT 122.

EMT 121 Cardiopulmonary Resuscitation
1/2 credit
Offered upon request
Designed to train community members in the skills of cardiopulmonary resuscitation, mouth-to-mouth ventilation, and stabilization of victims with airway obstruction. Upon course completion, the student may be eligible for basic life support certification by the American Heart Association.

EMT 122 First Aid and CPR
2 credits
Offered upon request
Presents skills and techniques that teach you both rules and important exceptions in first aid emergencies. The student will learn to follow the emergency action principles. Identical to HPE 190.

EMT 161 Emergency Medical Technician Refresher
2 credits
Offered upon request
Prerequisite: Current CPR card issued by American Heart Assn. (Health Care Provider) or American Red Cross (Professional Rescuer). Also, current EMT Certification from Arizona OR from another state or territory OR from National Registry; or Arizona EMT Certification which expired less than two years prior to start of class. The prospective student will submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office prior to the start of the class.
Designed to enable the Emergency Medical Technician to maintain proficiency and receive the latest information for handling the sick and injured. It may be repeated as many times as the person needs for re-certification. Fulfills Department of Health Services requirements for EMT re-certification every 2 years.

EMT 165 Geriatric Emergencies
1 credit
Offered upon request
This course is designed to give prehospital providers a systematic approach, from the physical to the emotional changes, with growing old to medical emergencies. Additionally this course will deal with prehospital providers interactions with the terminally ill patient.

EMT 170 Vehicular Extrication and Trauma Care
1/2 credit
Offered upon request
This course provides a review, as well as some new insights into vehicular extrication and providing patient care to the trauma patient. This course is interactive and designed to challenge the participant in the areas of knowledge based decision-making and application of skills.

EMT 180 EMS Instructional Strategies
2 credits
Offered upon request
Prerequisite: (1) Approval from the Arizona Department of Health Services to attend an Instructional Strategies Course (ISC), (2) Sponsorship by an Arizona certified Basic Life Support (BLS) Training Program
This course is conducted in cooperation with the Arizona Department of Health Services, Bureau of Emergency Medical Services (BEMS). It is designed to prepare and make eligible the participant for approval as an EMT instructor in the State of Arizona. In addition to this course, the participant must complete a 100-hour internship with their sponsoring certified EMT training program.

EMT 181 CPR Instructional Strategies
2 credits
Offered upon request
Prerequisite: Current and valid certification in CPR as a Health Care Provider or Professional Rescuer
This course is designed to prepare and make eligible the participant for...
EMT 205
Paramedic Transition Course
22 credits
Offered upon request
Prerequisite: Apply and be accepted into Paramedic Program
This course is designed to prepare, and make eligible, the participant for certification with the Arizona Department of Health Services as a paramedic. Acceptance in the course is based on a competitive screening process and dependent on meeting all requirements as prescribed by the Arizona Department of Health Services, Bureau of Emergency Medical Services. EMT 205 is equivalent to EMT 210 and EMT 212.

EMT 210
Paramedic I
12 credits
Offered upon request
Prerequisite: EMT 103
The successful completion of this course and EMT 202 fulfills the educational portion for Arizona Department of Health Services requirements for intermediate emergency medical technician certification. Designed to provide the Emergency Medical Technician with specific treatment and emergency skills necessary in care of the acutely ill or seriously injured as they pertain to pre-hospital emergency care. Before finalizing registration, the student should be able to produce an active Arizona EMT Certification, have 1 year’s experience as Basic EMT, and have passed written and oral entrance exams. In addition to regular classes for an extended semester, additional clinical experience is required.

EMT 212
Paramedic II
12 credits
Offered upon request
Prerequisite: EMT 210 with a grade of “C” or higher
Continuation of EMT 210. For best results, EMT 210 should have been completed within 6 months of beginning EMT 212.

EMT 214
Paramedic III
12 credits
Offered every fall semester
Prerequisite: EMT 212 with a grade of “C” or higher
Continuation of EMT 212. For best results, EMT 212 should have been completed within 6 months of beginning EMT 214. This course requires a total of 360 hours of clinical/vehicular experiences.

EMT 219
Pharmacology in Emergency Settings
3 credits
Offered upon request
This course is designed to enhance knowledge in pharmacology to emergency medical technicians at the paramedic level. The content is focused on regulation of drugs, drug actions and interactions, and medications used in emergency situations.

EMT 220
Advanced Cardiac Life Support
2 credits
Offered upon request
This course is designed to provide core information necessary to prepare students for the American Heart Association’s ACLS Provider course. The content is focused on the key concepts of advanced cardiac life support including ethical considerations in cardiac resuscitation. The student should have EKG interpretation skills and a current BCLS CPR card.

EMT 220A
Advanced Cardiac Life Support Renewal
1 credit
Offered upon request
This course is designed to provide core information necessary to prepare students for the American Heart Association’s ACLS Provider course. The content is focused on the key concepts of advanced cardiac life support including ethical considerations in cardiac resuscitation.

EMT 221
Pediatric Advanced Life Support
2 credits
Offered upon request
This course is designed to provide guidance to prehospital care providers in the management of pediatric emergencies. The content is focused on advanced life support care for children in emergency situations and expedient transfer to a facility that can offer definitive care.

EMT 221A
Pediatric Advanced Life Support Renewal
1 credit
Offered upon request
This course is designed for renewal of Pediatric Advanced Life Support certification.

EMT 222
Trauma Patient Management
1 credit
Offered upon request
This course is designed to prepare students for basic and/or advanced management of the traumatized patient.

The content is focused on emergency scene management, trauma patient assessment, triage, and standards of basic and advanced life support including emergency transportation criteria, communications and documentation. Mechanism of injury, trauma airway management, shock resuscitation, and other trauma patient considerations are included.

EMT 229
Paramedic Refresher
3 credits
Offered upon request
A review course for paramedic students prior to taking the National Registry of EMTs certification examination. Students must present proof of Arizona Paramedic Certification at the first class meeting.

EGR 102
Introduction to Engineering
4 credits
Offered upon request
Prerequisite: MAT 077 or higher with a grade of “C” or higher, or placement testing or equivalent
Engineering design, effective team participation and career preparation. Students are expected to participate in hands-on design projects, develop education/career plans and initiate development of the personal and management skills necessary for life long learning.

Course Descriptions
EGR 120 Engineering Drafting 2 credits
Offered every fall and spring semester
Course is designed for students with little or no drafting background.
Course content includes careers in drafting/engineering, use of drafting equipment, drafting techniques, lettering, geometric construction, multi-view and isometric drawings, sectional and auxiliary views, and basic dimensioning.

EGR 130 C Programming I 3 credits
Offered upon request
A comprehensive introduction to the C language; preparation and writing of programs using C, using current programming techniques. A prior programming language is helpful. For Pre-Engineering majors. Identical to CMP 130.

EGR 214 Engineering Mechanics I - Statics 3 credits
Offered upon request
Prerequisite: MAT 220 and PHY 211 with a grade of "C" or higher, or concurrent enrollment in MAT 220 and PHY 211
Students will learn the fundamental concepts of statics and statics, deformation and displacements, elasticity and inelasticity, strain energy and load carrying capacity. Students will also analyze and design structural members subjected to tension, compression, torsion and bending.

EGR 215 Engineering Mechanics II - Dynamics 3 credits
Offered upon request
Prerequisite: EGR 214, EGR 102, MAT 220 and PHY 211, or concurrent enrollment in MAT 220 and PHY 211
Motions of particles and rigid bodies under external forces; influence of vibration on mechanical systems.

EGR 223 Mechanics of Materials 3 credits
Offered upon request
Prerequisite: MAT 181 or higher and EGR 214 or higher with a grade of "C" or higher
Students will learn the fundamental concepts of stresses and strains, deformations and displacements, elasticity and inelasticity, strain energy and load carrying capacity. Students will also analyze and design structural members subjected to tension, compression, torsion and bending.

EGR 255 Thermodynamics 3 credits
Offered upon request
Prerequisite: Prior or concurrent enrollment in MAT 220 required
Thermodynamics is a basic science that deals with energy and energy changes. This course covers the basic principles of Thermodynamics and presents real-world applications and problems so that students can gain an understanding of physical and chemical changes that are influenced by the energy of systems.

ENG 054 Basic Writing Skills Lab 1 credit
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment Concurrent enrollment in ENG 055 required
Practice in grammar, mechanics, and usage to develop clear and effective writing. Lab is self-paced, focusing on individual needs.

ENG 055 Basic Writing Skills 3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: ENG 054 with a grade of "C" or higher, or placement test score as established by District policy and concurrent enrollment in ENG 099 required
Practice in reading and writing sentences, paragraphs, and short essays; intensive review of basic grammar.

ENG 090 Reading Improvement I 3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: ENG 100 with a grade of "C" or higher, or placement test score as established by District policy
Emphasizes improvement in comprehension and related reading and thinking skills.

ENG 091 Reading Improvement II 3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Emphasizes improvement in comprehension and related reading and thinking skills. Completion meets AAS graduation reading requirement.

ENG 098 Writing Lab 1 credit
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: ENG 101 with a grade of "C" or higher
Continues development of skills and concepts taught in ENG 101. Emphasizes research and critical reading and writing. Students generate a minimum of 7,000 words including revision throughout the semester.
ENG 110
Written Communications I Lab
1 credit
Offered every fall and spring semester
A self-paced, open entry/open exit course. One-on-one support for students in ENG 101, emphasizing the processes and skills required for effective writing. Some classes meet one-on-one, grammar and stylistic concerns as needed on a individual basis.

ENG 111
Written Communications II Lab
1 credit
Offered every fall and spring semester
A self-paced, open entry/open exit course. One-on-one support for students in ENG 101, emphasizing the processes and skills required for effective writing. Some classes meet one-on-one, grammar and stylistic concerns as needed on an individual basis.

ENG 112
Speed Reading
2 credits
Offered upon request
Activity/Personal Enrichment
Introduces students to various reading techniques designed to increase speed and comprehension; also emphasizes study skills.

ENG 113
College Reading
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: ENG 091 with a grade of “C” or higher, or placement test score as established by District policy.
Emphasizes mastery and application of critical reading strategies for college level texts. Completion meets AA, ABus, AGS and AS graduation reading requirements.

ENG 131
Introduction to Creative Writing
3 credits
Offered spring semester in odd-numbered years
Activity/Personal Enrichment
Introduction to techniques in writing poetry and fiction; emphasizes elements of poetry such as imagery, meter, rhythm, and form, and elements of fiction such as dialogue, description, conflict, characterization, and point of view.

ENG 161
Power Vocabulary
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Focuses on vocabulary and spelling with emphasis on etymology, word parts, and context clues.

ENG 189
Film as Literature I
3 credits
Offered every spring semester
Investigation of film as literature, applying literary concepts to analysis and evaluation of cinematic works.

ENG 190
Film as Literature II
3 credits
Offered every spring semester
Investigation of film as literature, applying literary concepts to analysis and evaluation of cinematic works. This course is a continuation of ENG 189.

ENG 191
Film as Literature III
3 credits
Offered every spring semester
Investigation of film as literature, applying literary concepts to analysis and evaluation of cinematic works. This course is a continuation of ENG 190.

ENG 201
World Literature I
3 credits
GE category: Humanities, Intensive Writing
Prerequisite: ENG 102 with a grade of “C” or higher or concurrent enrollment in ENG 102
Selected world literature from ancient times to the Renaissance. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 202
World Literature II
3 credits
GE category: Humanities, Intensive Writing
Prerequisite: ENG 102 with a grade of “C” or higher or concurrent enrollment in ENG 102
Selected world literature from the Renaissance to modern times. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 218
Writing About Literature
3 credits
GE category: Humanities, Intensive Writing
Prerequisite: ENG 102 with a grade of “C” or higher or concurrent enrollment in ENG 102
Critical reading and analytical writing on poetry, fiction, and drama. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 221
English Literature I
3 credits
GE category: Humanities, Intensive Writing
Offered every fall semester
Prerequisite: ENG 102 with a grade of “C” or higher or concurrent enrollment in ENG 102
Covers selected literature from the Middle Ages through the Restoration and Eighteenth Century. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 222
English Literature II
3 credits
GE category: Humanities, Intensive Writing
Offered every spring semester
Prerequisite: ENG 102 with a grade of “C” or higher or concurrent enrollment in ENG 102
Covers selected literature from the Romantic Period to the present. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 223
Advanced Poetry Writing
3 credits
Offered spring semester in even-numbered years
Prerequisite: ENG 232
Continuation of ENG 232.

ENG 232
Poetry Writing
3 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: Instructor approval
Directed fiction writing. Students confer with instructor throughout semester. To receive department elective credit at many universities, English majors should register for 3 credit hours.

ENG 241
American Literature I
3 credits
GE category: Humanities, Intensive Writing
Prerequisite: ENG 102 with a grade of “C” or higher or concurrent enrollment in ENG 102
Selected readings from Native American to the Civil War. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 242
American Literature II
3 credits
GE category: Humanities, Intensive Writing
Prerequisite: ENG 102 with a grade of “C” or higher or concurrent enrollment in ENG 102
Selected readings from the Civil War to the present. Students generate a
Family and Consumer Resources

**ENG 260**
Technical Report Writing
3 credits
GE category: AAS degree only
Offered every fall and spring semester
Prerequisite: ENG 100 or ENG 101
Drafting and revising memos, letters, resumes, proposals, and interpretive reports. Identical to TEC 260.

**ENG 281**
Children’s Literature
3 credits
Offered every fall semester
Introduction to children’s literature with a focus on how to effectively choose and use children’s literature in educational contexts. Considers selection guidelines, storytelling, interpretation, and evaluation. Identical to ECE 281 and EDU 281.

**ENG 283**
Tutor Training Workshop I
2 credits
Offered upon request
Introductory workshop in tutoring composition, review of writing skills.

**ENG 284**
Tutor Training Workshop II
2 credits
Offered upon request
Continued improvement of writing and tutoring skills acquired in ENG 283.

**ENG 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Meets specific student needs.

**ENG 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Original projects under faculty supervision.

**FCR 130**
Sewing for Today
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Basic or advanced clothing instruction. Projects are chosen by students to meet individual needs and interests, primarily part-time or non-major students.

**FCR 132**
Quilting
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
For students who need or want to learn a variety of quilting techniques. Projects are chosen by students to meet their individual needs and interests.

**FCR 134**
Advanced Quilting
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: FCR 132
For students who need or want to learn advanced quilting techniques. Projects are chosen by students to meet their individual needs and interests.

**FCR 143**
Beginning Gourmet Cooking
1 credit
Offered upon request
Activity/Personal Enrichment
The art of preparing and serving a variety of gourmet foods and an appreciation of foreign cuisine.

**FCR 144**
Beginning Mexican Cuisine
1 credit
Offered upon request
Activity/Personal Enrichment
The beginning skills include the selection, preparation, and serving of basic Mexican cuisine including, but not restricted to, beans, tamales, enchiladas, chili sauces, and Mexican desserts.

**FCR 145**
Intermediate Gourmet Cooking
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 143
Skills in the selection, preparation and serving at the intermediate level of gourmet foods including, but not restricted to, appetizers, vegetables, garnishes, omelets, quiches and soufflés, stir-fry, Italian cuisine, Scandinavian cuisine, microwave cuisine, phyllo dough, Saudi Arabian cuisine, French cuisine, fondu, and turkey and chicken de-boning with dressings.

**FCR 146**
Intermediate Mexican Cuisine
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 144
Skills in preparation, selection, and serving at the intermediate level of Mexican cuisine.

**FCR 147**
Advanced Gourmet Cooking
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 145
Skills in the selection, preparation and serving at the advanced level of gourmet foods including, but not restricted to, appetizers, vegetables, garnishes, omelets, quiche and soufflés, stir-fry, Italian cuisine, Mexican fiesta, German cuisine, Scandinavian cuisine, microwave cuisine, phyllo dough, Saudi Arabian cuisine, French cuisine, fondu, and turkey and chicken de-boning with dressings.

**FCR 148**
Advanced Mexican Cuisine
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 146
Skills in preparation, selection, and serving at the advanced level of Mexican cuisine.

**FCR 297**
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: Prior or concurrent enrollment in FSC 101 required
This is the advanced firefighting course, primarily designed for new fire department recruits. Emphasis is on the chemistry of fire, building construction, administrative policies, and techniques of firefighting. Preparation for State Fire Marshall's Fire Fighter certification.

**FSC 100**
Introduction to Fire Science
3 credits
Offered upon request
The primary intent of this course is to acquaint new firefighters with history, traditions, terminology, organization, and operation of the service.

**FSC 101**
Fire Department Operations I
6 credits
Offered upon request
This course is the introductory Fire Science course, primarily designed for new fire department recruits. The course covers all aspects of fire department operations, including equipment and personnel policies. Preparation for State Fire Marshall's Fire Fighter certification.

**FSC 102**
Fire Department Operations II
5 credits
Offered upon request
Prerequisite: Prior or concurrent enrollment in FSC 101 required
This is the advanced firefighting course, primarily designed for new fire department recruits. Emphasis is on the chemistry of fire, building construction, administrative policies, and techniques of firefighting. Preparation for State Fire Marshall's Fire Fighter certification.

**FSC 105**
Firefighter Safety and Survival
2 credits
Offered upon request
To improve firefighter safety on the fireground and emergency medical scenes.

**FSC 106**
Hazardous Materials First Responder
2 credits
Offered upon request
The purpose of this course is to address the behavior and dangers of hazardous materials. Emphasis will be commonly encountered chemicals and factors which impact a responder’s decisions at the scene.

**FSC 110**
Fire Hydraulics
2 credits
Offered upon request
Fireground operations covering basic formulas for determining fire pump discharge pressures, the laws of pressure and hydraulics associated with fire systems.
FSC 115 \textbf{Rescue Practices for Fire Service} \\
3 credits \textit{Offered upon request} \\
Introduction to skills necessary to assess, extricate, and care for victims in emergency situations. This course also includes an overview of fire service-based rescue, rescue operations and incident management, and civilian versus firefighter rescue. Also includes an overview of technical rescues.

FSC 120 \textbf{Fire Apparatus and Equipment} \\
3 credits \textit{Offered upon request} \\
This course will familiarize the student with automotive apparatus (pumpers, aerial ladders, lift platforms, hose wagons, transports and utility vehicles), water towers, heavy auxiliary mechanical equipment and appliances, generators, compressors, rescue and forcible entry tools and cutting torches.

FSC 125 \textbf{Driver Operator for Fire Equipment} \\
3 credits \textit{Offered upon request} \\
This course will teach the techniques for driving and handling fire vehicles. Includes safe operating procedures, defensive driving, apparatus inspection, training in emergency maneuvers, and the key components of the driving system.

FSC 130 \textbf{Fundamentals of Fire Prevention} \\
3 credits \textit{Offered upon request} \\
Introduction to the principles of fire prevention. Includes authority, responsibility and organization of fire prevention, inspection procedures and reports, fire hazard recognition, building construction, and occupancy classifications. Also includes site access and means of egress, water-based fire protection and water supply systems, portable extinguishers, special agent, extinguishing systems, and fire detection and alarm systems, plans review, hazardous materials and flammable and combustible liquids, and storage, handling, and use of other hazardous materials.

FSC 135 \textbf{Strength and Fitness for Fire Service} \\
2 credits \textit{Offered upon request} \\
The course offers the students the aspects of fitness for fire fighting. Students will learn how to develop strength, cardiovascular endurance and flexibility in a participatory learning environment. Course sessions will address aerobic and strength training, proper lifting, warm-up and flexibility techniques, training principles and elements of wellness. Proper handling of fire service equipment will be introduced.

FSC 140 \textbf{Fire Protection Systems} \\
3 credits \textit{Offered upon request} \\
In this course the student will learn the principles of fire protection systems. Includes portable and fixed fire extinguishing equipment, automatic sprinkler and deluge systems, rate of temperature rise and smoke detecting devices and alarm systems.

FSC 145 \textbf{Arson Detection and Investigation} \\
3 credits \textit{Offered upon request} \\
Basic principles of arson investigation. Includes an introduction to fire investigation, laws, fire causes, determining point of origin, evidence, fire setters, scene investigation and preparation, and courtroom demeanor and testimony.

FSC 150 \textbf{Basic Wildland Firefighting} \\
3 credits \textit{Offered upon request} \\
The course is presented through a series of lectures, field and sand table exercises. Includes the factors that affect wildland fire behavior, the start and spread of fires, how topography, slope and weather elements affect fire behavior and how to recognize dangerous situations on the fireline.

FSC 155 \textbf{Advanced Wildland Firefighting} \\
3 credits \textit{Offered upon request} \\
Prerequisite: FSC 150 \\
This course is designed to instruct prospective fireline supervisors in wildland fire behavior for effective and safe fire management operations. After completion of the course, students will be able to determine basic input data of terrain, fuels, and weather required for understanding fire behavior for various times of the day or night. They will also be able to describe the causes of extreme fire behavior conditions (spotting, crowning, fire whirl) due to weather, fuels, and/or topography.

FSC 160 \textbf{Enhanced Fitness Activities for Fire Science} \\
3 credits \textit{Offered upon request} \\
Progress in this course is assessed using baseline physical fitness measurements and comparing them to post-physical fitness measurements at the end of the semester. The same tests are used for baseline and post-physical fitness testing: 3-minute step test, sit-ups, push-ups, sit-and-reach flexibility test. Each student is required to show improvements in all physical fitness test performances after a semester of regular aerobic, strength-training and flexibility workouts. There is no threshold level that students need to reach in order to "pass" their tests. Attendance is required for regularly scheduled workouts.

FSC 170 \textbf{Firefighting Tactics and Strategy} \\
3 credits \textit{Offered upon request} \\
Methods of coordinating personnel, equipment, and apparatus on the fireground. Practical methods of controlling and extinguishing structural, and other types of fires. Includes simulation exercises. Recommended completion of FSC 101 and FSC 102 or be a current member of a Fire Department.

FSC 175 \textbf{Building Construction for Firefighters} \\
3 credits \textit{Offered upon request} \\
This course is designed to improve firefighter safety on the fireground. This course will demonstrate the effects that fire and heat may have on various types of building construction and the resulting loss of structural integrity. It also includes information on the signs and symptoms of structural damage.

FSC 201 \textbf{Patient Stabilization} \\
2 credits \textit{Offered upon request} \\
Training the EMT, First Responder and firefighter in the specialized skills and procedures necessary when stabilizing a patient during and after a vehicular extrication emergency.

FSC 202 \textbf{Supervisory Training for Firefighters} \\
3 credits \textit{Offered upon request} \\
Offered in Gila County only \\
This course offers the professional firefighter the opportunity to transition to the role of company officer and addresses supervisory skills and practices in the fire protection field. Topics include the supervisor’s duties and responsibilities. Topics also include the supervisor’s role, supervision skills, the changing work environment, managing change, organizing for results, discipline, grievances, and safety. Upon completion of this course, students will have developed an understanding of the roles and responsibilities of the effective fire service supervisor while meeting the requirements of NFPA 1021.

FSC 210 \textbf{Instructor I} \\
2 credits \textit{Offered upon request} \\
This course provides theoretical and practical training in developing and instructing fire and emergency services training programs. Includes an exploration of safety and legal issues, adult learning psychology, developing, planning and presenting effective instruction, evaluating student learning, teaching diverse learners, and use of instructional media.

FSC 214 \textbf{Human Resource Management for Fire Service} \\
3 credits \textit{Offered upon request} \\
Offered in Gila County only \\
Prerequisite: FSC 202 \\
This course examines relationships and issues in personnel administration and human resource development in the context of fire-related organizations. Topics include personnel management, organizational development, productivity, recruitment and selection, performance management systems, discipline, and collective bargaining.

FSC 220 \textbf{Leadership for the Fire Service} \\
3 credits \textit{Offered upon request} \\
This course provides practical training for fire service leadership and supervision. Includes decision-making, problem solving, running a meeting, managing multiple roles, creativity, power, and ethics. Also includes situational leadership, delegation, coaching, and discipline.

FSC 223 \textbf{Incident Command System} \\
1 credit \textit{Offered upon request} \\
This course is designed to provide the participant with knowledge about emergency/disaster field operations that will enable the Incident Safety Officer to direct the work efforts of others in a more coordinated and efficient manner.

FSC 225 \textbf{Incident Safety Officer} \\
1 credit \textit{Offered upon request} \\
This course is designed to enable the student to identify and analyze health and safety aspects relating to their role as Incident Safety Officer in both emergency and non-emergency situations.
FSC 250
Wildland Urban Interface
3 credits
Offered upon request
This course is designed to meet the training needs for firefighters and company officers confronting wildland fire that threatens life, property and improvements.

FSC 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Fire Science.

FSC 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Fire Science.

FSC 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

Gaming

GAM 101
Gaming Regulations and Controls
3 credits
Offered upon request
Offered in Gila County only
Introduction to the laws and regulations related to the gaming industry within the United States with specific focus on Indian gaming in Arizona. Examination of Compact Agreements between Native American Tribes and State of Arizona and the impact of Indian gaming operations. This course introduces the student to the various segments of the Gaming Industry. Major topics include a review of the historical background of gaming and the evolution of the different types of gaming lotteries, riverboat, conventional and Native American gaming. Coursework will also provide an examination of the mathematics and analysis of gaming, and related practices for gaming and casino operations. Additional topics will include a technological review of industry trends, legislative developments and an overview of the economic, social impacts and tourism impacts. This course provides a foundation for additional coursework in the occupational area of Gaming and Casino Management and Casino Operations programs.

GAM 106
History of American Indian Gaming
3 credits
Offered upon request
Offered in Gila County only
This course reviews the historical landmarks in the casino and gaming industry within the United States. It focuses primarily on the legalization of gaming in the southwestern United States. The course offers opportunity to examine the economic and employment impacts of gaming on local jurisdictions. Students will also review the current and future developments of gaming.

GAM 210
Casino Customer Service
3 credits
Offered upon request
Offered in Gila County only
This course enables the student to examine the role and responsibilities of employees in building quality guest relationships that create customer satisfaction as well as exploring the functions and opportunities for customer service employees in hospitality businesses.

GAM 220
Slots Management
3 credits
Offered upon request
Offered in Gila County only
This course is an introduction to basic slot management functions focusing on departmental responsibilities and operating procedures. There is emphasis on supervising slot shift manager, mechanics, floor personnel, change personnel, booth cashiers, carousel attendants, and coin room managers. This course also addresses slot drop, count room, jackpot fills, and credits.

Geology

GLG 015
Rocks and Minerals
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Identification, classification, and origin of rocks and minerals with emphasis on materials common to Arizona.

GLG 101
Physical Geology
4 credits
GE category: Lab Science
Offered every fall semester
This course covers the fundamentals of geology: rocks, minerals, geologic time, plate tectonics, earthquakes, volcanoes, surface processes, and earth resources. The lab delves into the chemistry of minerals, how rocks form, geologic mapping with GPS, geology in the field, and other fundamental topics. Several field trips are taken each semester.

GLG 102
Historical Geology
4 credits
GE category: Lab Science
Offered every spring semester
This course is an introduction to the principles and interpretation of geologic history. It emphasizes the evolution of the earth’s lithosphere (crust), atmosphere, and biosphere through geologic time. It includes consideration of the historical aspects of plate tectonics, the geologic development of North America, and important events in biological evolution and the resulting assembly of fossils. It provides an appreciation for the vast extent of geologic time, the natural processes affecting change on the earth, and the identification of common fossil types.

GLG 103
Environmental Geology
4 credits
Offered upon request
Offered in Gila County only
This course examines geological hazards of concern to citizens of Arizona and nearby areas, the ways in which people exacerbate the problems, and the measures that people can take to avoid and correct them.

GLG 110
Geologic Hazards and Disasters
4 credits
GE category: Lab Science
Offered every spring semester
Geologic hazards and disasters (earthquakes, volcanoes, tsunami, meteorite and comet impacts, flooding, severe weather) are important processes in shaping the earth and human civilization. This course will acquaint students with the scientific principles governing these processes and their historic and future effect on society.

GLG 118
Geology of Arizona
2 credits
Offered upon request
Geology of Arizona focuses on the unique geological processes and features found in Arizona. The course emphasizes specific regions and features within the state including, but not limited to, the Grand Canyon, Mt. Graham, and the Chiricahua mountains. The course will cover all of the dominant lithology and mineralogy of Arizona as well as the structural and geomorphological history of the region. Field trips will be a dominant feature of the course, comprising at least sixteen hours combined.

Health and Physical Education

HPE 100
Personal Health
3 credits
Offered upon request
Students will gain an understanding of health issues critical to their well being. This includes body functions in health and disease, ways of maintaining and improving one’s health, means of preventing disorders, understanding common diseases and the importance of proper curative measures. Required for HPE majors.

HPE 101
Beginning Physical Activities I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Sections are offered in a variety of physical activities, including individual, dual, and team sports.

HPE 101C
Beginning Body Conditioning I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in developing the basic skills and knowledge in body conditioning.

HPE 101D
Beginning Bowling I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.
Activity/Personal Enrichment

Offered every fall and spring

GE category: AAS degree only

1 credit

HPE 101F
Beginning Football I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

A study of the game of football including fundamental techniques: offensive, defensive and special teams strategies, rules and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare student for competition.

HPE 101G
Beginning Golf I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

Designed to assist the student in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.

HPE 101I
Beginning Jogging I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

Designed to assist students learning the basic skills and knowledge for jogging and hiking.

HPE 101J
Beginning Jogging-Hiking I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

Designed to assist student learning the basic skills and knowledge for jogging and hiking.

HPE 101N
Beginning Poms and Cheers I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

This course is designed to teach safety techniques involved in cheerleading and spirit leading, including jumps, lifts, stunts, pyramids and tosses. This course provides additional conditioning throughout the athletic seasons for participation at athletic events.

HPE 101O
Beginning Racquetball I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

To develop racquetball skills, knowledge of the rules of the game that can be demonstrated during competition and to increase level of physical fitness.

HPE 101Q
Beginning Swimming I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

To learn basic swimming techniques and strokes. Practice four competitive swim strokes and introduce basic life saving techniques.

HPE 101U
Beginning Tennis I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

Designed to assist the student in learning the basic skills and knowledge which lead to optimum tennis performance.

HPE 101X
Beginning Volleyball I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 101Y
Beginning Weights I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

Weight lifting class designed to increase body strength using free and universal weight equipment. Students will learn basic weight lifting techniques and lifts to target particular muscle groups. Students will also learn a lifetime physical fitness skill to increase their level of fitness.

HPE 101A
Beginning Baseball I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

A study of the game of baseball including fundamental techniques, rules and a brief history of the game.

HPE 101B
Beginning Varsity Baseball I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

A study of the game of baseball including fundamental techniques, offensive and defensive strategies, rules and a brief history of the game. To develop and enhance competitive baseball techniques and skills and to prepare student for competition.

HPE 101C
Beginning Varsity Basketball I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

This course is designed to teach students the fundamentals of basketball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

HPE 101D
Beginning Varsity Football I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

A study of the game of football including fundamental techniques, offensive and defensive strategies, rules and a brief history of the game. To develop and enhance competitive football techniques and skills to prepare students for competition.

HPE 101E
Beginning Varsity softball I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball, techniques used which include hitting, throwing and catching, offensive and defensive strategies.

HPE 101F
Beginning Varsity Volleyball I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

A study of the game of volleyball including fundamental techniques, rules and a brief history of the game.

HPE 101G
Beginning Varsity Tennis I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

HPE 101H
Mountain Bike Riding I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

This program is designed to educate and improve knowledge of Mountain Bike Riding. This includes knowledge of bike handling and familiarity of local trails.

HPE 101J
Beginning Aerobics I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

Designed to assist the student in developing overall physical fitness.

HPE 101K
Cardio Kickboxing I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

This course is designed to give students an understanding of basic kickboxing footwork and techniques. Students will learn proper stances, kicking, punch- ing, blocks and attitude while increasing their fitness level and flexibility. All set to music!

HPE 101L
Beginning T’ai Chi Ch’uan I

GE category: AAS degree only
Offered upon request

Activity/Personal Enrichment

An introduction to the ancient Chinese exercise form T’ai Chi Ch’uan, and the oriental philosophies on which it is based.

HPE 101M
Beginning Varsity Golf I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

HPE 101N
Beginning Varsity Tennis I

GE category: AAS degree only
Offered every fall and spring semester

Activity/Personal Enrichment

Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.
HPE 101AQ
Beginning Physioball I  
1 credit  
GE category: AAS degree only  
Offered upon request  
Offered in Gila County only  
Activity/Personal Enrichment  

Designed to assist the student in learning basic skills and stability on an exercise ball.

HPE 101AP
Pilates for Fun and Fitness I  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  

This course is designed for the student to develop strength, flexibility and centering by utilizing proper Pilates technique. Also, this course is designed to increase community awareness of various methods for the achievement of wellness and life-long fitness.

HPE 101AY
Beginning Hatha Yoga I  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  

This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

HPE 101BA
Beginning Swim Aerobics I  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  

Designed to assist the student in developing overall physical fitness.

HPE 101BB
Beginning Strength and Flexibility Training I  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  

Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 101BC
Beginning Power Walking I  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  

Designed to give students the opportunity to learn warm-up, jog, run and cool down using the proper stretching and power walking techniques.

HPE 101BD
Beginning Softball I  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  

Designed to teach the fundamentals of the game of softball including rules, hitting, throwing, catching and fielding.

HPE 102
Beginning Physical Activities II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Continuation of HPE 101.

HPE 102C
Beginning Body Conditioning II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 101C  

Designed to assist the student in developing the basic skills and knowledge in body conditioning.

HPE 102D
Beginning Bowling II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 101D  

Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.

HPE 102E
Beginning Football II  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 101F  

A study of the game of football including fundamental techniques: offensive, defensive and special teams strategies, rules and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare student for competition.

HPE 102F
Beginning Golf II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 101G  

Designed to assist the student in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.

HPE 102G
Beginning Tennis II  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 101I  

Designed to assist the student in learning the basic skills and knowledge which lead to optimum tennis performance.

HPE 102H
Beginning Golf Hiking II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 101J  

This course is designed to teach safety techniques involved in canoeing and rafting including jumps, lifts, stunts, pyramids and tosses. This course provides additional conditioning throughout the athletic seasons for participation at athletic events.

HPE 102K
Beginning Racquetball II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 101O  

To develop racquetball skills, knowledge of the rules of the game that can be demonstrated during competition and to increase level of physical fitness.

HPE 102L
Beginning Swimming II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 101Q  

To learn basic swimming techniques and strokes. Practice four competitive swim strokes and introduce basic life saving techniques.

HPE 102M
Beginning Baseball II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 101AA  

A study of the game of baseball including fundamental techniques, rules and a brief history of the game.

HPE 102N
Beginning Varsity Baseball II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 101AB  

A study of the game of baseball including fundamental techniques, offensive and defensive strategies, rules and a brief history of the game. To develop and enhance competitive baseball techniques and skills and to prepare student for competition.
HPE 102AC
Beginning Basketball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101AC
This course is designed to teach students the fundamentals of basketball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

HPE 102AD
Beginning Varsity Football II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101AD
A study of the game of football including fundamental techniques, offensive and defensive strategies, rules and a brief history of the game. To develop and enhance competitive football techniques and skills to prepare students for competition.

HPE 102AE
Beginning Varsity Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment Prerequisite: HPE 101AE
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball, techniques used which include hitting, throwing and catching, offensive and defensive strategies.

HPE 102AF
Beginning Varsity Volleyball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment Prerequisite: HPE 101AF
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 102AG
Beginning Varsity Basketball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101AG
This course is designed to teach students the game of basketball, offensive and defensive strategies of the game of basketball, and to prepare them to participate in competition.

HPE 102AJ
Beginning Aerobics II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101AJ
Designed to assist the student in developing overall physical fitness.

HPE 102AM
Beginning Varsity Golf II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101AM
Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

HPE 102AN
Beginning Varsity Tennis II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101AN
Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

HPE 102AO
Beginning Physioball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment Prerequisite: HPE 101AO
Designed to assist the student in learning basic skills and stability on an exercise ball.

HPE 102AP
Pilates for Fun and Fitness II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment Prerequisite: HPE 101AP
This course is designed for the student to develop strength, flexibility and centering by utilizing proper Pilates technique. Also, this course is designed to increase community awareness of various methods for the achievement of wellness and life-long fitness.

HPE 102AY
Beginning Hatha Yoga II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment Prerequisite: HPE 101AY
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

HPE 102BA
Beginning Swim Aerobics II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101BA
Designed to assist the student in developing overall physical fitness.

HPE 102BB
Beginning Strength and Flexibility Training II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101BB
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 102BC
Beginning Power Walking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment Prerequisite: HPE 101BC
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and aid in lowering levels of stress and blood pressure.

HPE 104
Physical Conditioning and Assessment I
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment Prerequisite: HPE 101Y
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and aid in lowering levels of stress and blood pressure.

HPE 107
Personal Training
3 credits
Offered upon request
Prerequisite: Concurrent enrollment in HPE 104 or 105 or 204 or 205
This course is designed to develop an understanding of the principles of strength and fitness training, including fitness evaluation, exercise prescription, special populations, nutrition and the scientific foundations of continued learning required in an ever-changing field. It will also provide a hands-on application of these principles.

HPE 140
Introduction to Fitness and Sports Medicine I
1 credit
Offered every fall semester
Activity/Personal Enrichment Prerequisite: HPE 101BD
This course is designed to allow on-field observations of student athletes participation in various fitness and athletic events as associated with sports medicine.
HPE 141  
Introduction to Fitness and Sports Medicine II  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 140  
This course is designed to allow clinical observation of post surgery/trauma rehabilitation and sport specific interventions.

HPE 155  
Methods of Coaching Basketball  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Prepare students to be able to coach basketball.

HPE 163  
Theory and Practice of Football  
2 credits  
GE category: AAS degree only  
Offered every fall semester  
Activity/Personal Enrichment  
A study of the fundamental techniques of team play, game strategy, rules, coaching principles and organizational methods.

HPE 165  
Theory and Practice of Baseball  
2 credits  
GE category: AAS degree only  
Offered every fall semester  
Activity/Personal Enrichment  
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles and organizational methods.

HPE 167  
Theory and Practice of Softball  
2 credits  
GE category: AAS degree only  
Offered every fall semester  
Activity/Personal Enrichment  
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles, and organizational methods.

HPE 169  
Theory and Practice of Basketball  
2 credits  
GE category: AAS degree only  
Offered every spring semester  
Activity/Personal Enrichment  
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles and organizational methods.

HPE 170  
Lifeguard Training  
2 credits  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
The objective of the course is to teach students the skills and knowledge an individual requires to properly assume lifeguarding responsibilities at a swimming pool, waterpark, or a nonsurf water beach.

HPE 172  
Water Safety Instruction  
2 credits  
Offered upon request  
Includes a review of water courses the student will be eligible to teach. Teaching methods relative to those courses, general information for instructors, and practice teaching. Whenever possible, practice teaching will be done in actual swimming courses, rather than peer group simulation of class situations. Swimming skills practices.

HPE 174A  
Scuba Diving  
1 credit  
Offered upon request  
Offered in Gila County only  
Activity/Personal Enrichment  
Fundamentals of safe scuba diving with emphasis on theory of diving mechanics, physics, physiology and safe practices. This course does not include actual diving and is confined to classroom instruction only.

HPE 178  
Introduction to Leadership I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
An introduction to teamwork skills including an overview of basic principles as well as assessment and implementation strategies.

HPE 180  
Introduction to Leadership II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 180  
To develop and enhance leadership techniques and skills to prepare students to be leaders.

HPE 190  
First Aid and CPR  
2 credits  
Offered upon request  
Prerequisite: HPE 201D  
Offers instruction in first aid, CPR, and basic life saving techniques. Prerequisite: HPE 201D.
**HPE 201U**
Advanced Tennis I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102U
Designed to assist the student in learning the basic skills and knowledge which lead to optimum tennis performance.

**HPE 201X**
Advanced Volleyball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102X
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

**HPE 201Y**
Advanced Weights I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102Y
Weight lifting class designed to increase body strength using free weights and universal weight equipment. Students will learn basic weight lifting techniques and lifts to target particular muscle groups. Students will also learn a lifetime physical fitness skill to increase their level of fitness.

**HPE 201AA**
Advanced Baseball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AA
A study of the game of baseball including fundamental techniques, rules and a brief history of the game.

**HPE 201AB**
Advanced Varsity Baseball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AB
A study of the game of baseball including fundamental techniques, offensive and defensive strategies, rules and a brief history of the game. To develop and enhance competitive baseball techniques and skills and to prepare student for competition.

**HPE 201AC**
Advanced Basketball I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102AC
This course is designed to teach students the fundamentals of basketball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

**HPE 201AD**
Advanced Varsity Football I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102AD
A study of the game of football including fundamental techniques, offensive and defensive strategies, rules and a brief history of the game. To develop and enhance competitive football techniques and skills to prepare students for competition.

**HPE 201AE**
Advanced Softball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AE
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball, techniques used which include hitting, throwing and catching, offensive and defensive strategies.

**HPE 201AF**
Advanced Varsity Volleyball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AF
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

**HPE 201AG**
Advanced Varsity Basketball I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102AG
This course is designed to teach students the game of basketball, offensive and defensive strategies of the game of basketball and to prepare them to participate in competition.

**HPE 201AJ**
Advanced Aerobics I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102AJ
Designed to assist the student in developing overall physical fitness.

**HPE 201AM**
Advanced Varsity Golf I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102AM
Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

**HPE 201AN**
Advanced Varsity Tennis I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102AN
Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

**HPE 201AY**
Advanced Hatha Yoga I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AY
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

**HPE 202**
Advanced Physical Activities II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of HPE 201.

**HPE 202C**
Advanced Body Conditioning II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201C
Designed to assist the student in developing the basic skills and knowledge in body conditioning.

**HPE 202D**
Advanced Bowling II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201D
Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.
**HPE 202F**  
Advanced Football II  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 201F  
A study of the game of football including fundamental techniques: offensive, defensive and special teams strategies, rules and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare student for competition.

**HPE 202O**  
Advanced Racquetball II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 201O  
To develop racquetball skills, knowledge of the rules of the game that can be demonstrated during competition and to increase level of physical fitness.  

**HPE 202Q**  
Advanced Swimming II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 201Q  
To learn basic swimming techniques and strokes. Practice four competitive swim strokes and introduce basic life saving techniques.

**HPE 202A**  
Advanced Varsity Baseball II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 201AA  
A study of the game of baseball including fundamental techniques, rules, and a brief history of the game.

**HPE 202B**  
Advanced Varsity Basketball II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 201AB  
This course is designed to teach students the fundamentals of basketball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

**HPE 202C**  
Advanced Varsity Football II  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 201AC  
This course is designed to teach students the fundamentals of football, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

**HPE 202D**  
Advanced Varsity Golf II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 201AD  
This course is designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

**HPE 202E**  
Advanced Varsity Tennis II  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 201AE  
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball, techniques used which include hitting, throwing and catching, offensive and defensive strategies.
HPE 202AY
Advanced Hatha Yoga II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201AY
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

HPE 202BA
Advanced Swim Aerobics II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201BA
Designed to assist the student in developing overall physical fitness.

HPE 202BB
Advanced Strength and Flexibility Training II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201BB
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 202BC
Advanced Power Walking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201BC
Designed to give students the opportunity to learn warm-up, jog, run and cool down using the proper stretching and power walking techniques.

HPE 202BD
Advanced Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201BD
Designed to teach the fundamentals of the game of softball including rules, hitting, throwing, catching and fielding.

HPE 204
Physical Conditioning and Assessment III
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 205
Physical Conditioning and Assessment IV
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 204
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 210
Introduction to Exercise Science and Physical Education
3 credits
Offered every spring semester
An introduction to the disciplines and professions associated with exercise science/physical education including an overview of historical and philosophical foundations.

HPE 211
Professional Activities - Weight Training
2 credits
Offered upon request
Activity/Personal Enrichment
Introduction to basic resistance training principles. This includes history, anatomy, physiology, biomechanics, weight training principles and concepts, program development, and assessment.

HPE 212
Professional Activities - Aerobic Fitness
2 credits
Offered every spring semester
Activity/Personal Enrichment
Introduction to basic aerobic fitness principles which includes history, cardio respiratory anatomy, aerobic fitness concepts, program development, and assessment.

HPE 220
Professional Activity I
3 credits
Offered fall semester in odd-numbered years
Assists the student in learning the skills and teaching methods for golf, football, and basketball. It includes basic techniques, methods, rules, and strategies.

HPE 221
Professional Activity II
3 credits
Offered spring semester in even-numbered years
Assists the student in learning the skills and teaching methods for tennis, softball and racquetball. It includes basic techniques, methods, rules, and strategies.

HPE 222
Professional Activity III
3 credits
Offered spring semester in odd-numbered years
Assists the student in learning the skills and teaching methods for tennis, softball and racquetball. It includes basic techniques, methods, rules, and strategies.

HPE 223
Professional Activity IV
3 credits
Offered fall semester in even-numbered years
Assists the student in learning the skills and teaching methods for tennis, softball and racquetball. It includes basic techniques, methods, rules, and strategies.

HPE 240
Introduction to Fitness and Sports Medicine III
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 141
Course is designed to allow application of techniques observed for the Gift Program: Sports Medicine and Rehabilitation Therapies.

HPE 241
Introduction to Fitness and Sports Medicine IV
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 240
Course is designed to allow clinical application for the Gift Program: Intro to Fitness and Sports Medicine.

HPE 262A
Officiating: Volleyball
1 credit
Offered upon request
Rules and mechanics of officiating; training for prospective officials.

HPE 262B
Officiating: Basketball
1 credit
Offered upon request
Rules and mechanics of officiating; training for prospective officials.

HPE 262C
Officiating: Baseball/Sofball
1 credit
Offered upon request
Rules and mechanics of officiating; training for prospective officials.

HPE 270
Introduction to Sports Medicine
3 credits
Offered upon request
Introductory course designed to provide insight into the athletic training profession: emergency care, daily training room procedures, etc.

HPE 272
Introduction to Rehabilitative Techniques
3 credits
Offered upon request
This course will introduce the student to rehabilitation. Rehabilitation consists of treatment and education designed to help injured patients regain maximum function, a sense of well-being, and the highest level of independence possible. True rehabilitation consists of both psychological and physical recovery.

HPE 274
Sports Nutrition
3 credits
Offered upon request
Examination of the relationship between nutrition and the human body. Includes introduction to nutrition, food habits, nutritional components, food selection, nutritional assessment, eating disorders, and using your knowledge.

HPE 276
Sports Psychology
3 credits
Offered upon request
Examination of psychological factors that influence sport performance and coaching behaviors and the psychological effects that sport and exercise involve have on the participant. Includes an introduction to sport psychology and sport history, psychological principles of behavioral development and control, social psychological dimensions of sport and exercise, personality assessment, the study of...
special athletic populations, coaching roles and behavior, and exercise psychology.

**HPE 278**
Kinetic Anatomy
3 credits
Offered upon request
Examination of anatomical factors that will enhance "hands-on" experiences, teach anatomical structures, present common anatomical conditions, provide basic vocabulary of anatomy.

**HPE 280**
Introduction to Leadership III
1 credit
Offered upon request
Activity/Personal Enrichment
An introduction to leadership skills including an overview of basic principles as well as assessment and implementation strategies.

**HPE 282**
High Adventure Leadership
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
We will use an outdoor setting, leadership modules, and student teaching to facilitate the acquisition of leadership skills. Students will have the opportunity to exhibit these skills through planning and carrying out a high adventure activity within a group setting. Class attendance and participation are vital to this learning process.

**HPE 292**
Athletic Training Practicum I
3 credits
Offered upon request
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

**HPE 294**
Athletic Training Practicum III
3 credits
Offered upon request
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

**HPE 295**
Athletic Training Practicum IV
3 credits
Offered upon request
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

**HPE 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Health and Physical Education.

**HPE 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

**Health Care Education**

**HCE 100**
Basic Health Care Concepts and Skills
4 credits
Offered upon request
Introductory course for the students who are interested in health occupations. Student learning will focus on health care systems, careers in health care, personal qualities of a health care worker, legal responsibilities, and basic knowledge and skills required in the health profession. This course is designed to prepare the student to enter the world of health occupations.

**HCE 101**
Basic Life Support
2 credits
Offered every fall and spring semester
This course is focused on basic life support as provided by a health care provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth and first aid skills.

**HCE 104**
Home Health Aide
6 credits
Offered upon request
This course is designed to provide knowledge and skills necessary for a home health aide to work as part of the home health care team. The focus is on basic human needs, communications, working with ill persons, eldercare, nutrition, special diets, and home management. In addition to classroom instruction, a supervised field practice in client’s homes or an adult care home for the total of 90 hours is required.

**HCE 108**
Preparing Therapeutic Diet
2 credits
Offered upon request
This course is designed to develop an understanding of healthy cooking principles including food preparation for the prevention and control of lifestyle diseases like Type II diabetes, High Blood Pressure and High Cholesterol. Students will take an active role in their learning process by formulating and learning to read labels, creating menu plans, cooking meals, and sharing their information and discoveries with the class.

**HCE 112**
Medical Terminology
2 credits
Offered upon request
This course is an introductory course for the beginning allied health student. Includes study of medical terms using scientific or medical subjects. The content includes introduction to the beginning allied health student who has very little experience in scientific or medical subjects. The content includes study of medical terms using scientific or medical subjects. The content includes study of medical terms using scientific or medical subjects.

**HCE 114**
Math for Medications
2 credits
Offered upon request
This course is an introductory course for reading medication documents and accurate calculation of dosages and solutions. The content includes review of basic math, systems of measurement, introduction to medication administration and dosage calculation.

**HCE 115**
Pharmacy Calculations
2 credits
Offered upon request
This course includes mathematical concepts for pharmaceutical calculations. Emphasis is on using ratios, percents, and proportions in dosage equations; applying metric measurements in ratios and proportions; preparing pharmaceutical solutions; using business math in the pharmacy; and understanding the apothecary system.

**HCE 120**
Medical Coding and Billing
3 credits
Offered upon request
This course is focused on knowledge necessary to perform medical assistant’s administrative duties. The content includes introduction to medical assisting and health profession, ethics, safety, and security in the medical office, integrated administrative procedures, health insurance, medical coding and billing.

**HCE 130**
Medical Assisting: Administrative Competencies
4 credits
Offered upon request
This course is focused on knowledge necessary to perform medical assistant’s administrative duties. The content includes introduction to medical assisting and health profession, ethics, safety, and security in the medical office, integrated administrative procedures, health insurance, medical coding and billing.
HCE 140
Diabetes Awareness
2 credits
Offered upon request
This course will teach the purpose, role, and function of the Community Health Advocate and will provide an overview of diabetes, including types, symptoms, effects, risk factors, and history of diabetes. Traditional ways of maintaining well-being and nutritional concerns related to diabetes will be studied.

HCE 141
Diabetes Prevention and Control
3 credits
Offered upon request
This course teaches preventative health care practices for the control of primary, secondary, and tertiary forms of diabetes. Study will include methods of reducing risk and managing effects of diabetes, including financial, community, and medical resources to support the diabetic patient.

HCE 142
Diabetic Advocacy
3 credits
Offered upon request
This course teaches the characteristics of an effective translational community health advocate, including communication skills and educational methodologies and tools for working with diabetic patients and their families and community resources for the diabetic patient. Includes 50 hours of service learning experience in a healthcare setting.

HCE 150
Practice Medical Coding and Billing
3 credits
Offered upon request
This course is focused on skills necessary to perform medical coding and billing duties. The student will practice in a medical office or a computer simulation of a medical office regarding integrated administrative procedures, medical coding, insurance billing and collection.

HCE 152
Laboratory Assisting: Overview, Principles and Procedures
3 credits
Offered upon request
Prerequisite: HCE 186 with a grade of "C" or higher, or concurrent enrollment in HCE 186
Designed to prepare individuals to enter the health profession as a laboratory assistant. Emphasis is on the role of a laboratory assistant, certification and regulatory agencies, process improvement, laboratory mathematics, documentation, legal implications, specimen integrity, principles and procedures for pre-analytical processing of laboratory specimens. Application of quality assurance, infection control, and laboratory safety. Performing specimen processing, pre-analytical processes, and point of care testing. Performing clerical and computer functions based on medicolegal guidelines for documentation.

HCE 156
Science for Allied Health
4 credits
Offered every spring semester
Introduction to biology for the health professions. Includes principles of science, the chemistry of life, cell anatomy and physiology, cellular respiration, cellular reproduction, patterns of inheritance, embryonic development, and human tissues.

HCE 158
Laboratory Assisting Practicum
2 credits
Offered upon request
Prerequisite: HCE 152 with a grade of "C" or higher, or concurrent enrollment in HCE 152
Practicum in laboratory assisting based in healthcare facilities. Adhering to quality assurance, quality control, infection control, and laboratory safety, students will perform clinical skills for pre-analytical processing of laboratory specimens, initial testing phases, and point-of-care testing using laboratory instrumentation, information systems, and supplies. Performing clerical and computer functions based on medicolegal guidelines for documentation.

HCE 159
Clinical Laboratory Operations
2 credits
Offered upon request
Overview of laboratory services, laboratory professionals, and the role of a clinical laboratory technician. Understanding of health care reform, reimbursement, cost analysis, coding, credentialing, accreditation, and regulatory agencies. Emphasis on process improvement, laboratory mathematics, statistics, documentation, medicolegal implications, education, management and personnel, and specimen integrity. Application of pre-analytical, analytical, and post-analytical principles, infection control, and laboratory safety. Recognition of acceptable quality control and quality management principles, phlebotomy principles, and lab equipment, and water purification. Includes information systems and information management in laboratories. Importance of professional growth, ethical conduct, communicating with the patient and public.

HCE 160
Medical Assisting: Clinical Competencies
6 credits
Offered upon request
Prerequisite: HCE 100 or NUR 100 or concurrent enrollment in HCE 100 or NUR 100
This course is focused on knowledge necessary to perform clinical competencies as a medical assistant. The content includes emergency procedures and first aid, therapeutic approach, integrated clinical procedures, diagnostic procedures, and laboratory procedures.

HCE 170
Medical Assisting: Externship
4 credits
Offered upon request
Prerequisite: HCE 130 or HCE 160 or concurrent enrollment in HCE 130 or HCE 160
Designed to provide for student attainment of the Entry-Level Competencies for Medical Assistant. Placement in an ambulatory care setting is required. In an actual work situation, students will perform both administrative and clinical competencies. Administrative competencies include perform clerical functions, perform bookkeeping procedures, and prepare special accounting entries. Clinical competencies include fundamental principles, specimen collection, diagnostic testing, and patient care. Transdisciplinary competencies will be integrated in both clinical and administrative areas. These include communication, legal concepts, patient instruction, and operational functions.

HCE 174
Fundamentals of Pharmacy Practice
4 credits
Offered upon request
This course introduces the basic concepts essential for pharmacy technicians. The concepts include: history of pharmacy practice; pharmacy laws and ethics; terminology and abbreviations; routes and dosage formulations; anatomy and physiology; top 20 drugs; community pharmacy operations; community pharmacy calculations; introduction to compounding; institutional pharmacy operations; institutional pharmacy calculations; and introduction to sterile products.

HCE 175
Sterile Products and Compounding
3 credits
Offered upon request
This course introduces the concepts of sterile products and pharmaceutical compounding. It is designed for pharmacy technician students. The content includes introduction to sterile products and compounding; compounding practices and considerations; facilities, garb and equipment; aseptic calculations; properties of sterile products; aseptic technique; sterile product preparations such as topical ointment (TPO) and chemotherapy; compounding such as capsules, tablets, lozenges, troches, sticks, solutions, suspensions, emulsions, ointments, creams, pastes, and gels; ophthalmic, otic, and nasal preparations; and quality control and assurance.

HCE 176
Pharmacy Practice for Technician
4 credits
Offered upon request
Prerequisite: HCE 174 or concurrent enrollment in HCE 174
Designed to provide for student attainment of the Entry-Level Competencies for Pharmacy Technician. Placement in various pharmacy settings is required. In an actual work situation, students will perform pharmacy technician competencies. Professional competencies may include selecting, counting, and pouring prescription medications; updating patient profiles and preparing prescription labels; assisting with drug purchasing and inventory control; packaging medications in unit-dose or medcard form; mixing intravenous solutions and other specialized medications; and gathering data for pharmacists to use in monitoring drug therapy.
HCE 180
Patient Care Technician
4 credits
Offered every fall semester
Prerequisite: NUR 100
This course is focused on patient care services under supervision of an instructor. Students will learn knowledge and skill necessary to perform mid level nursing care to complex patients and recognize changes in patient conditions. Contents include but not limited to infection control, sterile technique, wound care, urinary catheterization, venipuncture, EKG application, neurological observation and skills in assisting with physical and occupational therapy.

HCE 186
Phlebotomy and Clinical Laboratory
2 credits
Offered upon request
The study of accurate, up to date, practical information and instruction in phlebotomy procedures and techniques, along with a comprehensive background in phlebotomy theory and principles. Skills include drawing blood, obtaining blood cultures, using Lancet or a Microlance for a Microdraw or an Infant Heel Stick, and measuring bleeding time. This course requires successful invasive draws including 6 draws using vacuum system, 4 draws using butterfly system, and 4 fingertips. For students intending to take the National Certification Exam, the requirement is 50 successful draws.

HCE 188
Electrocardiogram
2 credits
Offered upon request
This course is focused on knowledge and skill necessary to perform electrocardiogram duties. The content includes basic anatomy and physiology of the cardiac, pulmonary, and vascular systems. Technique, equipment and supplies used in telemetry including information for interpreting rhythm strips will be covered.

HCE 190
Human Body in Health and Disease
4 credits
Offered upon request
This course encompasses the study of the basic concepts of human biology which includes anatomy, physiology, biochemistry, cytology, histology, pathology and related pharmacology. The contents include the structures and functions of the body, the chemistry of life, cells and tissues, organ systems of the body, mechanisms of disease in various systems of the body including related pharmacology, nutrition and metabolism, fluid and electrolyte balance, acid-base balance, and growth and development. Lab activities will be incorporated into the lectures. They will be designed to support or teach concept. This course is designed to meet the needs of students in a variety of health-related programs.

HCE 225
Medical Transcription
3 credits
Offered every fall and spring semester
This course is designed to give the student a working knowledge of medical terminology and medical report formats used in transcription from taped medical dictation. Recommend keyboarding skills at 40 wpm. Identical to AIS 225.

HCE 240
Human Pathophysiology
4 credits
Offered every fall and spring semester
Prerequisite: BIO 202 or concurrent enrollment in BIO 202 or instructor approval
Chemical, biologic, biochemical, and psychological processes as a foundation for the understanding of alterations in health. The contents include basic concepts of disease process, altered status/growth and development, and pathophysiology of the human body systems. These may provide awareness of possible implications of certain aspects of diseases, current scientific advances and selected therapeutics.

HCE 241
Nutrition
3 credits
Offered upon request
Nutrition education, menu planning, childhood diseases and illness, and sanitation and safety in group settings will be introduced. Also presented will be protecting the health and safety of young children and promoting the development of lifelong health habits. Communication with health professionals and parents on health, safety, and nutrition issues will be included.

HCE 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Allied Health.

HCE 299
Independent Study
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

History
HIS 101
U.S. History I
3 credits
GE category: Social Science
Offered every fall and spring semester
Colonial America and the United States from pre- Columbian era to 1877. This course of study includes units on discovery, colonization, the formation of the American Union, Constitutional principles, westward expansion, origins of north/south conflict, the Civil War and Reconstruction. Significant economic and social developments are placed in their historical context.

HIS 102
U.S. History II
3 credits
GE category: Social Science
Offered every fall and spring semester
The United States since 1877. This course of study includes units on industrialization, the development of the west, the progressive era, World War I, the depression, World War II, the Cold War and recent American history. Significant economic and social developments are placed in their historical context.

HIS 104
Western Civilization I
3 credits
GE category: Social Science
Offered every fall and spring semester
Survey and development of western thought, culture and political history from ancient times to 1560.

HIS 105
Western Civilization II
3 credits
GE category: Social Science
Offered every fall semester
Survey and development of western thought, culture, and political history from 1560 through present day.

HIS 220
History of Mexico
3 credits
GE category: Social Science
Offered every spring semester
Survey of the political, economic, social and cultural developments in the history of Mexico from Precolumbian times to the present.

HRM 110
Safe Food Handling and Sanitation
3 credits
Offered upon request
Offered in Gila County only
A study of personal cleanliness, sanitary practices in food preparation; causes, investigation and control of illness caused by food contamination and workplace sanitation standards.

HRM 120
Hotel Facilities Management
3 credits
Offered upon request
Offered in Gila County only
This course provides an overview of the lodging management industry. The student will have the opportunity to explore hospitality careers, food service, restaurant organization, hotels and hotel organization, meeting industry, management and leadership, human resources, marketing and selling, marketing communications, management companies, and ethics in hospitality management.

HRM 130
Culinary Math
3 credits
Offered upon request
Offered in Gila County only
This course is an opportunity to develop mathematical skills needed in the field of food service. Skills developed in this course are critical to controlling food costs and effective management.
HRM 140
Food Production I
3 credits
Offered upon request
Offered in Gila County only
Concept related to preparation of hot foods, pantry, and bakery items for commercial kitchens. Emphasis on essential components and techniques of food production, food cost control, setting standards, ordering, and inventory.

Industrial Arts

IAR 101
Woodworking
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
History of wood technology, use of tools, safety, construction principles, introduction to wood finishes and other wood processes. Students will be charged for some supplies.

IAR 110
Upholstery
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
The course includes construction practices in frames and bases, use of hand and power tools and the selection of finishes, fabrics, and materials, and instruction in processes used in upholstery.

IAR 112
Advanced Upholstery
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: IAR 110
The course includes advanced study of upholstery processes, covering selection of finishes, fabrics, and materials and technical solutions to problems in advanced practices.

IAR 120
Machine Woodworking
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Use of power tools, industrial applications, proper structural relationships, and strength of wood construction. Students will be charged for some supplies.

IAR 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Industrial Arts.

IAR 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Industrial Arts.

IAR 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

Industrial Plant Technology

IPT 110
Industrial Shop Practices
3 credits
Offered every fall semester
Activity/Personal Enrichment
The course includes construction practices in frames and bases, use of hand and power tools and the selection of finishes, fabrics, and materials, and instruction in processes used in upholstery.

IPT 120
Industrial Pump Maintenance and Repair
3 credits
Offered every fall semester
This course covers various types of pumps and their associated piping systems as applied in industrial settings.

IPT 130
Industrial Valve Maintenance and Repair
3 credits
Offered every fall semester
This course covers various types of valves and their associated piping systems as applied in industrial settings.

IPT 150
Industrial Plant Hydraulics
2 credits
Offered every spring semester
Prerequisite: IPT 140 with a grade of “C” or higher
This course reviews fluid mechanics in an industrial setting, as applied to the operation, maintenance, and repair of specific industrial equipment.

IPT 160
Machinery Maintenance and Troubleshooting
3 credits
Offered every spring semester
Prerequisite: IPT 140 with a grade of “C” or higher, or concurrent enrollment in IPT 140
This course teaches systematic methods of identifying causes of mechanical failure and using predictive methods to prevent mechanical failure.

IPT 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Industrial Plant Technology.

IPT 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Industrial Plant Technology.

IPT 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

Languages

APA 101
Apache Language I
4 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Emphasizes speaking, writing, listening comprehension, and culture through a variety of approaches.

ASL 011
Conversational American Sign Language I
3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Introduction to Conversational American Sign Language. Emphasizes vocabulary, structure, grammar, dialogues, and narratives.

ASL 012
Conversational American Sign Language II
3 credits
Developmental course - does not count for graduation credit
Offered upon request
Continuation of ASL 011.

ASL 098
American Sign Language Lab I
1 credit
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Practice in sign skills for beginning students of American Sign Language. Emphasizes vocabulary, structure, grammar, dialogues, and narratives. Lab is conducted primarily without voice. Students taking the lab independent of ASL 101 receive 1 credit. Students taking the lab concurrently with ASL 101 receive 0 credit.

ASL 099
American Sign Language Lab II
1 credit
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of American Sign Language Lab I. Students taking the lab independent of ASL 102 receive 1 credit. Students taking the lab concurrently with ASL 102 receive 0 credit.

ASL 101
Beginning American Sign Language I
4 credits
Offered every fall and spring semester
Concurrent enrollment in ASL 098G required
Development of American Sign Language and its application within the deaf community. Emphasizes vocabulary, structure, grammar, dialogues, and narratives.
### ASL 102
**Beginning American Sign Language II**
- 4 credits
- Offered every fall and spring semester
- Concurrent enrollment in ASL 099G required
- Continuation of ASL 101.

### ASL 110
**Finger Spelling**
- 2 credits
- Offered upon request
- Offered in Gila County only
- Activity/Personal Enrichment
- Prerequisite: ASL 101 or instructor approval

Introduction to basic finger spelling techniques. Focus on receptive and expressive skills of the manual alphabet and numbers. Concentration on methods and applications.

### CHI 101
**Elementary Chinese I**
- 5 credits
- Offered upon request

Introduces Chinese speaking culture through a variety of approaches and emphasizes communication skills and basic skills in pronunciation, grammar, elementary conversation, and development of basic reading and writing skills.

### FLN 298
**Workshop**
- 1 to 3 credits
- Offered upon request
- Activity/Personal Enrichment

Meets individual student needs in languages other than Apache, French, German, and Spanish.

### FRE 101
**Elementary French I**
- 4 credits
- Offered every fall and spring semester

Emphasizes speaking, reading, writing, listening comprehension, and culture through a variety of approaches.

### FRE 102
**Elementary French II**
- 4 credits
- Offered every fall and spring semester
- Continuation of FRE 101.

### FRE 201
**Intermediate French I**
- 4 credits
- GE category: GE Options
- Offered every fall and spring semester

Intermediate study of French language, with emphasis on speaking, listening, reading, and writing. Course taught in French. Completion of FRE 102 or two or more years of high school French or equivalent experience in a French speaking country recommended.

### FRE 202
**Intermediate French II**
- 4 credits
- GE category: GE Options
- Offered every fall and spring semester
- Continuation of FRE 201. Course taught in French. Completion of FRE 201 or four years of high school French or equivalent experience in a French speaking country recommended.

### FRE 261
**French Conversation and Composition I**
- 2 credits
- Offered upon request

Emphasizes speaking and writing in everyday idiom; employs materials based on current topics.

### FRE 262
**French Conversation and Composition II**
- 2 credits
- Offered upon request
- Continuation of FRE 261.

### FRE 298
**Workshop**
- 1 to 3 credits
- Offered upon request
- Activity/Personal Enrichment

Designed to meet a variety of needs for students in French.

### FRE 299
**Independent Study**
- 1 to 3 credits
- Offered upon request
- Activity/Personal Enrichment

Design and execution of original projects under faculty supervision for students in French Language.

### GER 099G
**Elementary German I**
- 2 credits
- Developmental course - does not count for graduation credit
- Offered upon request
- Activity/Personal Enrichment

Emphasizes sentence structure, vocabulary, and pronunciation; includes study of German-speaking culture.

### GER 101
**Beginning Conversational German I**
- 2 credits
- Developmental course - does not count for graduation credit
- Offered upon request
- Activity/Personal Enrichment

Continuation of GER 099G required

### GER 102
**Elementary German II**
- 4 credits
- Offered upon request

Emphasizes speaking, reading, writing, listening comprehension, and culture through a variety of approaches.

### GER 201
**Intermediate German I**
- 4 credits
- Offered upon request

Intermediate study of German language, with emphasis on speaking, listening, reading, and writing.

### GER 202
**Intermediate German II**
- 4 credits
- Offered upon request
- Continuation of GER 201.

### GER 298
**Workshop**
- 1 to 3 credits
- Offered upon request
- Activity/Personal Enrichment

Design and execution of original projects under faculty supervision for students in German Language.

### ITA 011
**Beginning Conversational Italian I**
- 2 credits
- Developmental course - does not count for graduation credit
- Offered upon request
- Activity/Personal Enrichment

This course emphasizes sentence structure, vocabulary, pronunciation, and a study of Italian-speaking cultures.

### ITA 012
**Beginning Conversational Italian II**
- 2 credits
- Developmental course - does not count for graduation credit
- Offered upon request
- Activity/Personal Enrichment

Continuation of ITA 011.

### JPN 011
**Beginning Conversational Japanese I**
- 2 credits
- Developmental course - does not count for graduation credit
- Offered upon request
- Activity/Personal Enrichment

Continuation of JPN 011.

### JPN 012
**Beginning Conversational Japanese II**
- 2 credits
- Developmental course - does not count for graduation credit
- Offered upon request
- Activity/Personal Enrichment

Emphasizes sentence structure, vocabulary, and pronunciation; includes study of Japanese-speaking culture.

### JPN 101
**Elementary Japanese I**
- 5 credits
- Offered every fall and spring semester

Introduces Japanese speaking culture and emphasizes communication skills and basic skills in grammar, reading,
and writing, including HIRAGANA, KATAKANA, 70 KANJI, through a variety of approaches.

**JPN 102**
Elementary Japanese II
5 credits
Offered every fall and spring semester
Continuation of JPN 101.

**JPN 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision for Japanese Language students.

**POR 011**
Beginning Conversational Portuguese I
2 credits
Offered upon request
Activity/Personal Enrichment
Emphasizes sentence structure, vocabulary, pronunciation, and study of Portuguese-speaking cultures.

**POR 012**
Beginning Conversational Portuguese II
2 credits
Offered upon request
Activity/Personal Enrichment
Continuation of POR 011.

**SPA 011**
Beginning Conversational Spanish I
2 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Emphasizes sentence structure, vocabulary, pronunciation, and study of Spanish-speaking cultures.

**SPA 012**
Beginning Conversational Spanish II
2 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of SPA 011.

**SPA 013**
Intermediate Conversational Spanish I
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Third semester conversational Spanish. Reinforces and expands existing conversational skills.

**SPA 101**
Elementary Spanish I
4 credits
Offered every fall and spring semester
Emphasizes speaking, reading, writing, listening comprehension, and culture through a variety of approaches.

**SPA 102**
Elementary Spanish II
4 credits
Offered every fall and spring semester
Continuation of SPA 101.

**SPA 120**
Spanish for Medical Personnel
3 credits
Offered upon request
Conversational practice in a medical context. Designed to develop speaking and listening techniques essential for basic medical situations, stressing expressions of courtesy and medical terminology.

**SPA 201**
Intermediate Spanish I
4 credits
GE category: GE Options
Offered every fall and spring semester
Intermediate study of Spanish language, with emphasis on speaking, listening, reading, and writing. Course taught in Spanish. Completion of SPA 102 or two or more years of high school Spanish or equivalent experience in a Spanish speaking country recommended.

**SPA 202**
Intermediate Spanish II
4 credits
GE category: GE Options
Offered every fall and spring semester
Continuation of SPA 201. Course taught in Spanish. Completion of SPA 201 or four years of high school Spanish or equivalent experience in a Spanish speaking country recommended.

**SPA 261**
Spanish Conversation and Composition I
2 credits
Offered upon request
Emphasizes speaking and writing in everyday idiom; employs material based on current topics.

**SPA 262**
Spanish Conversation and Composition II
2 credits
Offered upon request
Continuation of SPA 261.

**SPA 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Spanish.

**SPA 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision for Spanish Language students.

**Machine Shop**

**MSP 108**
Introduction to Oxyacetylene Welding and Metal Fabrication
3 credits
Offered upon request
A basic welding and metal fabrication course which stresses theory and application in welding methods including oxyacetylene welding, brazing, cutting, and soldering. Instruction is also given on sheet metal layout and construction.

**MSP 110**
Welding
2 credits
Offered upon request
This course teaches the principles of arc and oxy-acetylene welding, flame cutting, and brazing with emphasis on mastering basic welding techniques.

**MSP 115**
Blacksmithing and Fabricating
2 credits
Offered upon request
Activity/Personal Enrichment
This is a course in forging, casting, welding, brazing, hot metal forming, heat-treating and layout, and design of metal parts and projects. Students will learn how to perform the tasks required for metal fabricating for the production of completed metal projects.

**MSP 123**
Precision Measuring Tools
3 credits
Offered upon request
This course brings the student to an entry-level competency in measuring tools and includes an introduction to quality control with accuracy, precision, and reliability as main principles.

**MSP 201**
Machine Tool Methods
3 credits
Offered spring semester in even-numbered years
A study of industrial machine tool methods. Includes writing job sheets, estimating machining time, tool and cutter grinding, doing jig bore work, heat treating, fabricating jigs and fixtures, use of all machines in the shop and final inspection.

**MSP 210**
Technical Welding
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: MSP 110 or concurrent enrollment in MSP 110 or instructor approval required
This course includes practice in advanced arc welding techniques in all positions. MIG, TIG, plasma arc, pattern burning, and flame cutting equipment.
are all used. Emphasis is placed on preparing the student to take the AWS welding certification test.

**Mathematics**

**MAT 055**
Basic Math
4 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: MAT 055 or equivalent
A basic course in mathematics with attention given the operations of addition, subtraction, multiplication and division of rational numbers. Problem solving with percentage, measurement (perimeter, area, and volume) and linear equations with one variable.

**MAT 077**
Elementary Algebra
4 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: MAT 055 with a grade of “C” or higher, or placement test score as established by District policy
An introduction to algebra via linear expressions, equations and inequalities. Topics covered include real numbers, expressions, equations and inequalities with one and two variables, exponents, and polynomials.

**MAT 120**
Intermediate Algebra
4 credits
GE category: AAS degree only
Offered every fall and spring semester
Prerequisite: MAT 077 with a grade of “C” or higher, or placement test score as established by District policy
A continuation of Elementary Algebra via equations and expressions of degree 2, radicals, and rational expressions. Topics covered include functions, graphing, system of equations, inequalities, radicals, quadratics, and conic sections. Identical to TEC 101.

**MAT 140**
College Mathematics
3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 120 with a grade of “C” or higher, or placement test score as established by District policy
Applications of mathematics to real life problems. Probability, statistics, graph theory and algebra will be used to analyze concepts and applications from business, social sciences and the physical sciences. Appropriate for students whose major does not require college algebra or precalculus.

**MAT 154**
College Algebra
3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 140 with a grade of “C” or higher, or placement test score as established by District policy
A review of polynomials, exponents, and radicals; solutions to equations and inequalities in one and two variables. Topics covered include exponential, logarithmic, and quadratic functions; roots of polynomials; graphs of various functions and conic sections; solutions of systems of linear equations.

**MAT 156**
Principles of Mathematics I
3 credits
Offered every fall semester
Prerequisite: MAT 154 & MAT 140 with a grade of “C” or higher, or placement test score as established by District policy
Mathematical principles and processes underlying mathematics instruction in grades K-8; problem solving, number theory, systems of whole numbers, integers, rational numbers, real numbers, ratios, decimals, and percents.

**MAT 157**
Principles of Mathematics II
3 credits
Offered every spring semester
Prerequisite: MAT 150 or MAT 154 with a grade of “C” or higher, or placement test score as established by District policy
Mathematical principles and processes underlying current and evolving programs of mathematics instruction in elementary schools, grades K-8; real numbers, geometry and measurement, statistics and probability.

**MAT 160**
Introduction to Statistics
3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 140 or MAT 154 or higher with a grade of “C” or higher, or placement test score as established by District policy
Introduces statistical methods as applied to collecting, tabulating, analyzing, presenting, and interpreting data. Topics covered include frequency distributions, measures of central tendency, measures of dispersion, elementary probability theory, estimation, hypothesis testing, regression and correlation. A basic course for students in business, behavioral and social science. Identical to PSY 220.

**MAT 171**
Finite Mathematics
4 credits
GE category: Mathematics
Offered every spring semester
Prerequisite: MAT 154 or higher with a grade of “C” or higher, or Placement Test Score of 81 or higher or equivalent
Math for social, life, and management sciences. Topics covered will be applicable to certain business majors (please consult your advisor). Includes systems of equations, set theory, matrices, probability, logic, and other subjects.

**MAT 181**
Plane Trigonometry
3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 154 with a grade of “C” or higher, or concurrent enrollment in MAT 154, or placement test score as established by District policy
Trigonometric functions, identities and equations; development and application of the various formulae for solving triangles, vectors, and complex numbers.

**MAT 210**
Elements of Calculus
4 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 150 or MAT 154 with a grade of “C” or higher, or placement test score as established by District policy
Differential and integral calculus of elementary functions with applications to business, economics, and the social sciences. Not open to students that have had MAT 220, Calculus I.

**MAT 220**
Calculus I
4 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 181 with a grade of “C” or higher
Real numbers, limits and continuity for functions of a single real variable. Differentiability and applications of the derivative. Introduction to integral calculus and applications of the integral.
MAT 230  
Calculus II  
4 credits  
GE category: Mathematics  
Offered every fall and spring semester  
Prerequisite: MAT 220 with a grade of “C” or higher  
Continuation of MAT 220. Transcendental functions, techniques of integration, indeterminate forms and improper integrals, numerical methods, infinite series, conics and polar coordinates.

MAT 240  
Calculus III  
4 credits  
GE category: Mathematics  
Offered every fall semester  
Prerequisite: MAT 230 with a grade of “C” or higher  
Continuation of MAT 230. Vectors, geometry, differentiation and integration in Euclidean n-space. Line and surface integrals. Theorems of Green, Gauss and Stokes.

MAT 260  
Differential Equations  
3 credits  
GE category: Mathematics  
Offered every spring semester  
Prerequisite: MAT 230 or MAT 240 with a grade of “C” or higher  
Basic concepts, ordinary differential equations of first order, higher order linear equations, variation of parameters, undetermined coefficients. Systems of equations, series solutions and Laplace transform methods.

MAT 298  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs of students in Mathematics.

MAT 299  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

Media Communications

MDC 102  
Introduction to Media Communications  
3 credits  
Offered upon request  
Survey of theory, nature, function, and impact of current communication technologies. Includes a review and evaluation of various media and auxiliary industries, such as journalism, radio, television, film, recordings, advertising, and public relations. Covers laws and regulations, ethics, and politics related to media communications.

MDC 112  
Scriptwriting  
2 credits  
Offered upon request  
Writing scripts for teleproductions and other media projects. Students will explore dramatic writing and creating the story for the screen.

MDC 150  
Video Production  
3 credits  
Offered upon request  
An overview of the principles and beginning techniques of video production.

MDC 180  
Video Editing I  
3 credits  
Offered upon request  
Course work covers current techniques in linear and non-linear video editing. Students will become familiar with use of on-camera, camera-to-camera/VCR, and computer based editing concepts common to the video editing industry. Students will do research comparisons on equipment and software available for video editing.

MDC 210  
Introduction to Computer Animation  
2 credits  
Offered upon request  
Students are introduced to the world of computer animation. Students will learn how to create objects, texture, and animations using one of the industry leading animation programs (AliasWavefront – MAYA). Students will explore various types of special effects and particle emitters. Completed projects will be transferred to CD-R, DVD-R, or video tape.

Mining

MIN 121  
Surface Mine Safety Training  
1 credit  
Offered upon request  
Offered in Gila County only  
This course will meet U. S. Mine Safety and Health Administration requirements for new miner training for individuals, contractors, and mine employees, when used as part of an approved safety training program.

MIN 297  
Workshop  
1 to 3 credits  
Offered upon request  
Offered in Gila County only  
Activity/Personal Enrichment  
Designed to meet a variety of needs of students in Mining and Industrial Technology.

MIN 299  
Independent Study  
1 to 3 credits  
Offered upon request  
Offered in Gila County only  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

Music

General Information For All Private Instruction (Voice, Piano, Instruments)

All private instruction is given on levels of skill determined by the instructor. Course work covers current techniques in linear and non-linear video editing. Students will become familiar with use of on-camera, camera-to-camera/VCR, and computer based editing concepts common to the video editing industry. Students will do research comparisons on equipment and software available for video editing.

MUS 012  
Private Piano I  
1 credit  
Developmental course - does not count for graduation credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction in piano techniques. A private lesson course fee is required.

MUS 013  
Private Instruments I  
1 credit  
Developmental course - does not count for graduation credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction in band and orchestral instruments: flute, oboe, clarinet, bassoon, horn, saxophone, trumpet, trombone, tuba, baritone, guitar and percussion. Instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 013, and range upward for four complete semesters of private study. (One 30-minute lesson per week earns one hour credit). Participation in semester recital is required. A private lesson course fee is required.

MUS 014  
Private Strings I  
1 credit  
Developmental course - does not count for graduation credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction in orchestral stringed instruments: violin, viola, violoncello, and contrabass. A private lesson course fee is required.

MUS 020  
Elementary Theory  
2 credits  
Developmental course - does not count for graduation credit  
Offered every fall semester  
Activity/Personal Enrichment  
A one-semester remedial music theory course designed specifically for music majors who need preparation for MUS 105 Theory I as determined by in-class placement tests.

MUS 011  
Private Voice I  
1 credit  
Developmental course - does not count for graduation credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction in voice. A private lesson course fee is required.

MUS 101  
World of Music  
3 credits  
GE category: Humanities  
Offered every fall and spring semester  
Increases all students’ ability to appreciate and enjoy the masterpieces of music of all periods through the study of styles, forms, and composers; attending/discussing concerts, and listening to recordings in the classroom and in the Media Center. Non-technical. Not recommended for music majors.
MUS 102
Music Fundamentals
2 credits
Offered every spring semester
Activity/Personal Enrichment
Provides the non-music major with a background in music symbols and notation sufficient to begin work in musical learning. May also introduce some music theory.

MUS 105
Music Theory I
3 credits
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 106 and MUS 107 required
Basic theory needed for development of musicianship and musical understanding; scales, keys rhythm, triads, part writing, cadences, dominant sevenths, secondary dominants, and simple modulations.

MUS 106
Music Theory II
3 credits
Offered every spring semester
Prerequisite: MUS 105 with a grade of "C" or higher and prior or concurrent enrollment in MUS 107 required
Continuation of MUS 105.

MUS 107
Aural Perception I
1 credit
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 106 and MUS 107 required
Sight singing, ear training and keyboard harmony.

MUS 108
Aural Perception II
1 credit
Offered every spring semester
Prerequisite: Prior or concurrent enrollment in MUS 106 and MUS 107 required
Continuation of MUS 107.

MUS 111
Marching Band I
2 credits
Offered every fall semester
Activity/Personal Enrichment
Teaches basic marching fundamentals. Prepares half-time shows, parades and reviews music and techniques appropriate to various marching styles. Provides pep band music for the basketball season.

MUS 117
Class Instruction in Brass I
1 credit
Offered fall semester in odd-numbered years
Activity/Personal Enrichment
Includes skills of teaching brass at the elementary level. Upper brass instruments with emphasis on trumpet and French horn.

MUS 118
Class Instruction in Brass II
1 credit
Offered upon request
Activity/Personal Enrichment
Includes skills of teaching strings on elementary level. Lower stringed instruments with emphasis on cello and bass.

MUS 120
Class Instruction in Woodwinds II
1 credit
Offered fall semester in even-numbered years
Activity/Personal Enrichment
Includes skills of teaching woodwinds on the elementary level. Single reed instruments with emphasis on flute, clarinet, saxophone.

MUS 121
Class Instruction in Percussion I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 127.

MUS 122
Class Instruction in Percussion II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 127.

MUS 124
Class Instruction in Strings II
1 credit
Offered upon request
Activity/Personal Enrichment
Includes skills of teaching strings on elementary level. Upper stringed instruments with emphasis on violin and viola.

MUS 125
Jazz Ensemble I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Includes skills of teaching strings on elementary level. Lower stringed instruments with emphasis on cello and bass.

MUS 126
Jazz Ensemble II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 125. Auditions will be held.

MUS 127
Men's Chorus I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 125. Auditions will be held.

MUS 128
Men's Chorus II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 127.

MUS 129
Women's Chorale I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 127.

MUS 130
Women's Chorale II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 129.

MUS 133
Symphonic Choir I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continued and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts.

MUS 134
Symphonic Choir II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 133.

MUS 135
Vocal Show Ensemble I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Open to men and women. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC's vocal show ensemble, known as "Company."

MUS 136
A Cappella Choir I
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continued and a cappella literature of all periods studied and performed. Focus on music department tour literature. Intended to be the top large vocal ensemble, the touring choir. Focus on literature for Fall Sing, Christmas Concert, Messiah, and Spring Sing concerts. Auditions will be held.
MUS 137  
A Cappella Choir II  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 136. Auditions will be held.

MUS 139  
Vocal Show Ensemble II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 135. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC’s vocal show ensemble, known as “Company.”

MUS 140  
Chamber Ensemble I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of chamber music repertoire with weekly coaching sessions of string quartets and trios, with piano and in other combinations with other instruments. Auditions will be held.

MUS 141  
Chamber Ensemble II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 140. Auditions will be held.

MUS 142  
Symphonic Band I  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Open for membership without audition to students from any major field of study as well as faculty and community members. This ensemble is also an outstanding forum for music majors to refine skills on primary or secondary instruments. Required for instrumental music majors.

MUS 143  
Symphonic Band II  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Continuation of MUS 142.

MUS 147  
String Orchestra I  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 147.

MUS 148  
String Orchestra II  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 147.

MUS 151  
Symphony Orchestra I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Studies and performs a wide selection of symphonic literature. Orchestra prepares concerts for public performances and provides accompaniment for music performances. Auditions will be held.

MUS 152  
Symphony Orchestra II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 151. Auditions will be held.

MUS 153  
Beginning Guitar  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Covers the history, style, and development of playing skill on the guitar.

MUS 155  
Class Piano I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 154. A private lesson course fee is required.

MUS 156  
Class Piano II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 155. A private lesson course fee is required.

MUS 157  
Chamber Orchestra I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
This course is dedicated to providing musical and educational opportunity to study and perform a wide selection of string orchestra literature, as well as increasing the skill levels of individual performers within the ensemble. As a performance based class the ultimate goal is to provide musically satisfying performances.

MUS 158  
Chamber Orchestra II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 157.

MUS 161  
Private Voice II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction in proper singing techniques using art song literature. A private lesson course fee is required.

MUS 162  
Private Voice III  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 161. A private lesson course fee is required.

MUS 163  
Private Strings II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. Participation in semester recitals and/or juries required. A private lesson course fee is required.

MUS 171  
Private Piano II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Private instruction on the piano. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 012, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

MUS 172  
Private Piano III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Private instruction on the piano. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 012, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

Vocal Jazz Ensemble I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Designed to meet the need for a small vocal ensemble that can travel and present entertaining variety shows of a professional nature, in the local community and around the state. A variety of pop musical styles will be studied and performed. Auditions will be held.
MUS 191
Vocal Jazz Ensemble II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 190. Auditions will be held.

MUS 203
Music Notation/Finale
2 credits
Offered upon request
Activity/Personal Enrichment
This course covers the basic techniques of using Finale, a professional-level computer music notation program. Basic knowledge of music theory and computer literacy are recommended.

MUS 204
Elements of Conducting
2 credits
Offered upon request
Fundamentals and essentials of conducting and rehearsal techniques used by both choral and instrumental conductors.

MUS 205
Music Theory III
3 credits
Offered every fall semester
Prerequisites: MUS 106, MUS 108, and concurrent enrollment in MUS 212 required
Diatonic and chromatic harmony writing and analysis including 20th century techniques.

MUS 206
Music Theory IV
3 credits
Offered every spring semester
Prerequisites: MUS 205, MUS 212 and concurrent enrollment in MUS 213 required
Continuation of MUS 205.

MUS 211
Marching Band II
2 credits
Offered every fall semester
Activity/Personal Enrichment
Prerequisite: MUS 111
Teaches basic marching fundamentals. Prepares half-time shows, parades, and reviews music and techniques appropriate to various marching styles. Provides pep band music for the basketball season.

MUS 212
Aural Perception III
1 credit
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 205 and MUS 108 required
Continuation of MUS 108.

MUS 213
Aural Perception IV
1 credit
Offered every spring semester
Prerequisite: Prior or concurrent enrollment in MUS 206 and MUS 212 required
Continuation of MUS 212.

MUS 225
Jazz Ensemble III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 224. Offers studies and performances of jazz repertory and exposure to modern trends in jazz and blues music. Auditions will be held.

MUS 226
Jazz Ensemble IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 225. Auditions will be held.

MUS 227
Men's Chorus III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 226. A men's choir designed to provide opportunities for men's voices. Auditions will be held.

MUS 228
Men's Chorus IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 227. Designed for men's voices.

MUS 229
Women's Chorale III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 228. A women's ensemble for the fall semester. Focus on music department literature. Emphasis on rehearsal and performance of choral works. Auditions will be held.

MUS 230
Women's Chorale IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 229. A women's ensemble for the fall semester. Focus on music department literature. Emphasis on rehearsal and performance of choral works. Auditions will be held.

MUS 231
Symphonic Choir III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 230. Accompanied and a cappella women's literature of all periods studied and performed. Focus on music department literature. Focus on literature for Fall Sing, Christmas Concert, Messiah, and Spring Sing concerts.

MUS 232
Symphonic Choir IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 231. Accompanied and a cappella women's literature of all periods studied and performed. Focus on music department literature. Focus on literature for Fall Sing, Christmas Concert, Messiah, and Spring Sing concerts.

MUS 233
Vocal Show Ensemble III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 232. A men's ensemble for the fall semester. Focus on performance of accompanied and a cappella literature. Opportunities to perform in men's choruses. Auditions will be held.

MUS 234
Vocal Show Ensemble IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 233. A men's ensemble for the fall semester. Focus on performance of accompanied and a cappella literature. Opportunities to perform in men's choruses. Auditions will be held.

MUS 235
A Cappella Choir III
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 234. Offers study and performance of vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held.

MUS 236
A Cappella Choir IV
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 235. Offers study and performance of vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held.

MUS 237
Symphonic Band IV
2 credits
Offered every spring semester
Activity/Personal Enrichment
Continuation of MUS 236. Offers study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed.
MUS 251
Symphony Orchestra III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 152. Studies and performs a wide selection of symphonic literature. Orchestra prepares concerts for public performances and provides accompaniment for music performances. Auditions will be held.

MUS 252
Symphony Orchestra IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 251. Auditions will be held.

MUS 255
Class Piano III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Fundamentals of piano. Can cover literature used in the first two years of piano study.

MUS 256
Class Piano IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Fundamentals of piano. Can cover literature used in the first two years of piano study.

MUS 257
Chamber Orchestra III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 158.

MUS 258
Chamber Orchestra IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 257.

MUS 261
Private Voice IV
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in proper singing techniques using art song literature. A private lesson course fee is required.

MUS 262
Private Voice V
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 261. A private lesson course fee is required.

MUS 263
Private Strings V
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 283. A private lesson course fee is required.

MUS 271
Private Piano IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Private instruction on the piano. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 012, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

MUS 272
Private Piano V
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Private instruction on the piano. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 012, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

MUS 281
Private Instruments IV
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in band and orchestral instruments: flute, oboe, clarinet, bassoon, horn, saxophone, trumpet, trombone, tuba, baritone, guitar and percussion. A private lesson course fee is required.

MUS 282
Private Instruments V
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 281. A private lesson course fee is required.

MUS 283
Private Strings IV
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in stringed instruments. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 014, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

MUS 284
Private Strings V
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 283. A private lesson course fee is required.

MUS 290
Vocal Jazz Ensemble III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 191. Designed to meet the need for a small vocal ensemble that can travel and present entertaining variety shows of a professional nature, in the local community and around the state. A variety of pop musical styles will be studied and performed. Auditions will be held.

MUS 291
Vocal Jazz Ensemble IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 290. Auditions will be held.

MUS 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in music.

MUS 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original music projects under faculty supervision.

NUR 100
Nursing Assistant
8 credits
Offered every fall and spring semester
A course designed to prepare individuals for entry-level positions as nursing assistants in structured health care settings directly supervised by a registered or licensed practical nurse. At the completion of this course, the students may be eligible to complete the written and manual skills certification exams. Successful completion of the certification written and manual skills exams will lead to a certification as a certified nursing assistant (CNA) through the Arizona State Board of Nursing. Students must take NUR 100G concurrently with this course.

NUR 105
Road Trip to Success in Nursing School
1 credit
Offered upon request
This course is an introduction into the nursing program. It will include differentiating a program of study from individual courses; clarifying expectations; learning study skills and test-taking strategies; practicing stress and coping techniques; and enhancing organizational and time management skills. It is formatted to provide two intense days shortly before beginning the nursing program (NUR 120).

NUR 120
Nursing One
9 credits
Offered every fall semester
This course introduces basic concepts and skills necessary to provide basic nursing care to clients in a variety of settings. Concepts included in this course are nursing, the nursing process, the roles of the nurse and other health care professionals, ethical and legal issues in nursing, pharmacology, medication administration, communication skills, theories of growth and development, stress and adaptation, care for elderly and clients in long-term care facilities, care for clients who have surgery and alteration in mobility, and introduction to mental health nursing. Emphasis is on basic assessment skills, analysis, use of nursing process, and the psychological, physical, safety needs of clients of all ages and cultures. Entry into NUR 120 requires prior admission to the nursing program.

NUR 130
Nursing Two
9 credits
Offered every spring semester
Prerequisite: NUR 120 and NUR 219 or HCE 219
This course is designed to help the nursing student continue to build on the basic concepts and skills necessary to provide nursing care to clients of all ages and cultures in primary care, acute care and chronic care settings. This course focuses on application of nursing process to assist the family with health, illness, coping and adaptation issues encountered during childbearing, newborn care, nursing care of children, clients with surgery, acute and chronic illnesses. Concepts include application of pharmacological therapeutics.
pies. Emphasis is on supportive and restorative care, continued accountability, and effective communication skills. Clinical experiences include medical-surgical, maternity, and pediatric. Upon successful completion of Nursing One and Two, the student is eligible to take the National Council of Licensing Exam as a Practical Nurse.

**NUR 150**
LPN to RN: Review and Transition
3 credits
Offered upon request
This course will act as a review of the standard curriculum for LPN programs. It will also include suggestions for preparation and test taking strategies. It will include information on role development and successful transitioning from LPN to RN.

**NUR 160**
Critical Thinking Seminar for Nursing
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: Instructor approval
This course will explore critical thinking within the context of nursing. The seminar format will provide an opportunity to apply critical thinking to current coursework. It is structured for students to enroll at the beginning of the semester, or halfway through the semester. This might address challenges or allow for practice within the present nursing course.

**NUR 202**
Intravenous Infusion Therapy and Medication Skills
2 credits
Offered upon request
Prerequisite: LPN or RN or instructor approval
This course provides additional tasks to the scope of practice for Licensed Practical Nurses (LPNs). Completion of this course allows LPNs to perform peripheral-short venipuncture (for infusion or laboratory specimens); flush with saline and/or heparin flush a peripheral-short, peripheral-midline catheter, or central line, including a PICC; and administer, monitor, and discontinue specified premixed-admixture medications into peripheral-short and peripheral-midline sites. This course is also recommended for Registered Nurses (RNs) as a refresher course for IV infusion therapy skills.

**NUR 219**
Pharmacology
3 credits
Offered every fall and spring semester
Prerequisite: CHM 138 or CHM 230 or completion of both HCE 115 and HCE 156
The study of the interaction of chemicals with living organisms to produce biologic effects. The emphasis is on the general principles of drug action that form the basis for understanding the actions of specific drugs. This course introduces the pharmacologic basis of clinical practice. Identical to HCE 219.

**NUR 230**
Mental Health Nursing
3 credits
Offered every summer term
Prerequisite: NUR 130
This course focuses on application of nursing process in meeting needs of clients in psychiatric/mental health settings. Concepts related to emotional problems, and pathological reactions to life stresses are studied. Progression is toward increased responsibility for establishment of therapeutic relationships and development of individualized plans of care. Clinical experiences are expanded with an introduction to psychiatric nursing.

**NUR 240**
Nursing Three
9 credits
Offered every fall semester
Prerequisite: NUR 130 or division approval indicating a pass rate of 85% on the HESI-PN
This course focuses on nursing care of acutely ill hospitalized patients of all ages and cultures. Concepts include health and illness, responses to alterations of nutrition, metabolic, activity, and exercise patterns, and responses to alterations of endocrine, nervous, and elimination functions. Concepts include high-risk perinatal nursing. Emphasis is on decision-making and evaluation in the nursing process. Clinical experiences permit the student to demonstrate beginning proficiency in the role of professional nurse.

**NUR 250**
Nursing Four
9 credits
Offered every spring semester
Prerequisite: NUR 240 and HCE 240
This course concentrates on patients with multiple problems and critically ill patients of all ages and cultures. Concepts include responses to alterations in cardiovascular, circulatory, and hematologic function; gas exchange and respiratory function; integumentary structure and function; musculoskeletal function; neurologic and sensorineural function; reproductive function; and, psychiatric disorders. Contemporary issues in professional nursing management and leadership are also studied. Emphasis is on decision-making and evaluation in the nursing process. Clinical experiences permit students to function as accountable members of the health team in preparation for the graduate role.

**NUR 295**
NCLEX-RN Review
2 credits
Offered upon request
Prerequisite: NUR 250 or concurrent enrollment in NUR 250 or instructor approval
This course reviews the standard curriculum for nursing programs including universal principles of nursing care management, maternal child and pediatric nursing, psychiatric and mental health nursing, as well as pharmacology, adult health and critical care. It includes a review of the structure and scoring of the NCLEX-RN, as well as suggestions for preparation and test taking strategies.

**NUR 297**
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: NUR 250 or concurrent enrollment in NUR 250 or instructor approval
Offered to meet a variety of needs for students in Nursing.

**NUR 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: NUR 250 or concurrent enrollment in NUR 250 or instructor approval
Offered to meet a variety of needs for students in Nursing.

**NUR 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Offered to meet a variety of needs for students in Nursing.

**PHI 101**
Introduction to Philosophy
3 credits
GE category: Humanities
Offered upon request
Survey of Western Philosophy; emphasis primarily on social/political philosophies, logic, ethics, philosophy of religion, philosophy of science and aesthetics.

**PHI 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Philosophy.

**PHI 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

**PHYS 107**
Physical Concepts
4 credits
GE category: Lab Science
Offered every fall and spring semester
Students are introduced to basic physical concepts in mechanics, fluids, heat, sound, optics, electricity, magnetism, atomic and nuclear physics. Recommend completion of one year of high school algebra.

**PHYS 111**
General Physics I
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: MAT 181 with a grade of “C” or higher, or concurrent enrollment in MAT 181, or placement test score as established by District policy, or division approval
This course covers the fundamental principles of mechanics, waves, thermodynamics, fluids, and periodic motion. Problem solving is on the trigonometric level.

**PHYS 112**
General Physics II
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: MAT 181 with a grade of “C” or higher, or concurrent enrollment in MAT 181, or placement test score as established by District policy, or division approval
This course covers the fundamental principles of electricity, magnetism and optics. Problem solving on algebraic level.

**PHYS 211**
Physics with Calculus I
5 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: MAT 220 or concurrent enrollment in MAT 220 required
Covers fundamental principles of mechanics, fluids, thermodynamics, and wave motion using calculus.
**PHY 212**  
Physics with Calculus II  
5 credits  
GE category: Lab Science  
Offered every spring semester  
Prerequisite: PHY 211  
Covers fundamental principles of electricity and magnetism. Problem solving using calculus.

**PHY 298**  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Physical Science.

**PSY 100**  
Introduction to Political Science  
3 credits  
GE category: Social Science  
Offered upon request  
Examines major political philosophies and relates them to countries of the world. For majors and non-majors.

**PSY 110**  
United States National Politics  
3 credits  
GE category: Social Science  
Offered every fall and spring semester  
Examines the principles, structure, and political process of American national government and related problems. Meets the federal government requirement for teacher certification. This course is designed for full-time students who are Political Science majors, or are fulfilling general education requirements, or are seeking to fulfill U.S. Constitution requirements for a teaching certificate.

**PSY 200**  
United States and Arizona Constitution  
3 credits  
Offered every fall semester  
Examines constitutional features and structure of American national government and Arizona government. Surveys political history and contemporary problems of Arizona. Meets Arizona Constitution requirement for teacher certification. This course is designed to meet certification needs of employed teachers in the area served by Eastern Arizona College. The first five weeks of the semester will deal with Arizona Constitution and history; the remaining time will deal with the U.S. Constitution.

**POS 221**  
Arizona Constitution and Government  
1 credit  
Offered every fall and spring semester  
Examines constitutional features and structure of Arizona government. Surveys political history and contemporary problems of Arizona. Meets Arizona Constitution requirement for teacher certification. This course meets the first five weeks of each semester.

**PSY 298**  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

## Political Science

**PSY 220**  
Introduction to Statistics  
3 credits  
Offered every fall and spring semester  
Prerequisite: MAT 140 or MAT 154 or higher, or placement test score as established by District policy  
Introduces statistical methods as applied to collecting, tabulating, analyzing, presenting, and interpreting data. Topics covered include frequency distributions, measures of central tendency, measures of dispersion, elementary probability theory, estimation, hypothesis testing, regression, and correlation. A basic course for students in business, behavioral and social science. Identical to MAT 160.

## Small Business Management

(For more business courses, see Business and Business Administration)

**SMB 101**  
Sales and Customer Service  
3 credits  
Offered every fall semester  
Explores the importance of selling as a business activity, knowledge of the product and customer, the sales communication process, and the specific techniques and strategies used in selling. Also emphasizes customer service concepts crucial to the operation of a successful business.

**SMB 105**  
Getting Customers and Keeping Them  
1 credit  
Offered upon request  
A course to help participants take an active role in the attraction, nurture, and maintenance of customers or clients in the very competitive twenty-first century global economy by participating in positive customer service activities. Designed for managers.

**SMB 106**  
Ebay as a Home-Based Business  
1 credit  
Offered upon request  
Offered in Gila County only  
This course is designed to provide students the opportunity to learn and practice the skills required to open and operate a successful home-based business using eBay and other Internet auction and resource sites. Basic familiarity with computer operations and the Internet is recommended.

**PSY 270**  
Experimental Psychology  
4 credits  
GE category: Social Science, Intensive Writing  
Offered every spring semester  
Prerequisites: PSY 101, ENG 102, and PSY 220 or MAT 160 or concurrent enrollment in ENG 102, PSY 220, or MAT 160  
This course is an introduction to the experimental and quantitative methods used by psychologists to generate new psychological knowledge, and to determine the generality, validity, and reliability of research data. Laboratory will offer demonstrations as well as direct experience with research methods and techniques, and with methods for the analysis, description, and reporting of research results. Students will design and conduct an experiment as approved by the instructor.

## Psychology

**PSY 101**  
Introduction to Psychology  
3 credits  
GE category: Social Science  
Offered every fall and spring semester  
A general survey of the important concepts in psychology with traditional theories and modern developments. It includes, but is not limited to, such topics as the history of psychology, the biological foundations of behavior, learning, memory, problem solving, sensation and perception, states of consciousness, motivation, emotions, personality, intelligence, gender and sexuality, and abnormal behavior.

**PSY 240**  
Abnormal Psychology  
3 credits  
GE category: Social Science  
Offered every spring semester  
Prerequisite: PSY 101  
This is a survey course that includes historical and contemporary definitions of the theories and research regarding the field of abnormal psychology. It includes assessment, diagnosis, and treatment of anxiety disorders, mood disorders, dissociative disorders, stress and physical health, personality disorders, body disorders, schizophrenic disorders, and life-span disorders.

**PSY 250**  
Developmental Psychology  
3 credits  
GE category: Social Science  
Offered every fall semester  
Prerequisite: PSY 101 with a grade of “C” or higher  
The study of individual behavior from conception through childhood, adolescence, adulthood, middle and old age. Determiners of psychological growth; motor, social, emotional, intellectual, language, and personality development are presented.
SBM 110
Introduction to Entrepreneurship
3 credits
Offered every fall semester
Introduces the entrepreneurial concepts of business management, including planning, raising capital, using business information, managing employees, and marketing products and services. The course includes the principles needed to operate a business and is designed for those who plan to have their own businesses and for those who desire to upgrade their skills in business management.

SBM 111
Marketing
3 credits
Offered every fall and spring semester
A study of all the business functions performed in getting goods and services from the producer to the consumer, including understanding the customer and designing an appropriate system of products, pricing, promotion, and distribution to meet customer needs.

SBM 115
Applied Market Research I
2 credits
Offered every spring semester
This course introduces marketing concepts, functions, and strategies of applied marketing in a real-time market research company. Students are given practical marketing experience while also being trained on the business methods behind them.

SBM 121
Supervision
3 credits
Offered every spring semester
This course explores the supervisory skills needed to become a successful supervisor. It accomplishes this objective through coverage of the principles of management: planning, organizing, staffing, leading, and control. Students receive hands-on experience in many situations faced by supervisors.

SBM 201
Small Business Management
3 credits
Offered every fall semester
Introduces the fundamentals of business management, including planning, raising capital, using business information, managing employees, and marketing products and services. The course is oriented toward principles needed to operate a small business and is designed for those who may eventually have their own businesses or for those who desire to upgrade their skills in their present businesses.

SBM 211
Financial Management
3 credits
Offered every fall semester
Presents the principles of business financial management, including financial planning, understanding and analyzing financial statements, working capital management, break-even analysis, and raising capital. Emphasis is placed on using financial information for making effective business decisions.

SBM 221
Business Ethics
3 credits
Offered every spring semester
Improving the quality of business decisions and enhancing long-term business success through understanding ethical dilemmas, moral philosophy, character development, social responsibility, organizational culture, and special issues in a global economy.

SBM 231
Business Planning
1 credit
Offered every fall and spring semester
Prerequisite: CMP 101 or CMP 103
Develops skills for writing a business plan on computer, using word processing and spreadsheet software. All areas of a business plan will be covered, including the business market, mission statement, operations, products/services, marketing plan, and financial plan.

SBM 260
Small Business Initiative
2 credits
Offered upon request
Activity/Personal Enrichment
This 10 week 32 hour course is designed to help small business owners or operators write a business plan that includes a comprehensive financial management plan, along with operational and marketing strategies. Through lively lectures, small group discussions, videos and plenty of hands-on exercises, you will develop your marketing strategies, perform financial analysis, prepare your cash flow statement and look at many operational issues. Course instructors come from small business ownership experience.

SBM 261
NxLevel Entrepreneurial Management
3 credits
Offered upon request
Activity/Personal Enrichment
NxLevel is designed to help entrepreneurs learn the skills needed to create, develop and strengthen successful business ventures. NxLevel addresses the special needs of the entrepreneurs by providing a practical, hands-on, common sense approach to developing their small business—whether just starting out or ready to grow and expand. NxLevel incorporates (1) experienced business educators, with prominent business leaders as guest speakers for each teaching module, (2) networking and learning opportunities with local business leaders and participants, (3) comprehensive textbooks, workbooks, and resource guides, (4) one-on-one business counseling and support as needed or desired, (5) learning environment to practice creative problem solving.

SBM 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Small Business Management.

SBM 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Small Business Management.

SBM 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

SOC 101
Introduction to Sociology
3 credits
GE category: Social Science
Offered every fall and spring semester
Examines the nature and scope of sociology, its terminology and concepts; studies sociological perspectives, social processes, social institutions, development of society, and characteristics of social life.

SOC 110
Marriage and the Family
3 credits
GE category: Social Science
Offered every fall and spring semester
Studies life course themes, patterns of relationships, courting practices, and adjustment strategies to present and future living, as well as problems associated with marriages and families.

SOC 201
Social Problems
3 credits
GE category: Social Science
Offered every fall and spring semester
Studies the principal social problems of contemporary America: delinquency, crime, violence, substance abuse, education, minority relationships, aging, population, and ecology.

SOC 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

SSE 110
Introduction to Social Work
3 credits
Offered upon request
Offered in Gila County only
This course examines the profession of social work, its value base, field of practice, and societal role. Major social problems, philosophies of social welfare provision, program and policy initiatives, and the response of social work as a profession are addressed. In addition, the obligation of professional social workers to promote social and economic justice on the behalf of populations vulnerable to or oppressed by ethnocentrism, racism, sexual orientation, disability, ageism, or religious/spiritual affiliations is emphasized.
Speech Communications

**SPC 100**
Introduction to Human Communication  
3 credits  
Offered every fall and spring semester  
A topics-oriented introduction to basic theories, dimensions, and concepts of human communicative interaction and behavior.

**SPC 150**
Oral Interpretation of Literature  
3 credits  
GE category: Humanities  
Offered every fall and spring semester  
Prerequisite: ENG 101 with a grade of “C” or better  
Imaginative and skillful oral rendering of prose and poetry through study of literature and techniques of presentation.

**SPC 201**
Public Speaking  
3 credits  
GE category: Humanities, Intensive Writing  
Offered every fall and spring semester  
Prerequisite: ENG 102 with a grade of “C” or higher, or concurrent enrollment in ENG 102  
Study and practice of effective, audience-centered public speaking. Includes methodology of written and spoken communication. Students generate a minimum of 2,500 words including revisions throughout the semester.

**SPC 220**
Voice and Diction  
2 credits  
Offered every spring semester  
Studies speaking voice, trains in articulation and pronunciation, and applies principles of phonetics to interpretation.

**SPC 298**
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Speech Communications.

**SPC 299**
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

Technical Education

**TEC 101**
Technical Math I  
4 credits  
GE category: AAS degree only  
Offered every fall and spring semester  
Prerequisite: MAT 077 with a grade of “C” or higher, or placement test score as established by District policy  
A continuation of Elementary Algebra via equations and expressions of degree 2, radicals, and rational expressions. Topics covered include functions, graphing, system of equations, inequalities, radicals, quadratics, and conic sections. Identical to MAT 120.

**TEC 102**
Technical Math II  
4 credits  
GE category: AAS degree only  
Offered every spring semester  
Prerequisite: TEC 101 with a grade of “C” or higher, or MAT 120 with a grade of “C” or higher  
An introduction to functions including error analysis, analytical and numerical trigonometry, systems of linear equations, vector algebra, and three-dimensional geometry. Using mathematics and a scientific calculator or computer software to solve technical problems is emphasized.

**TEC 112**
Basic Hydraulics and Pneumatics  
2 credits  
Offered every fall and spring semester  
Provides instruction in the principles and applications of fluid power in an industrial setting. Emphasizes safely installing, maintaining, and troubleshooting hydraulic and pneumatic systems.

**TEC 114**
Bicycle Maintenance  
1 credit  
Offered upon request  
Prerequisite: Minimum age 16  
The objective of this course is to teach students to repair and maintain bicycles.

**TEC 115**
Water and Wastewater Plant Operation  
3 credits  
Offered upon request  
Designed to provide the student with the knowledge, skills, and techniques required to pass a State of Arizona Certification Examination for Class I or Class II Water or Wastewater Plant Operator.

**TEC 116**
Rigging  
1 credit  
Offered every fall and spring semester  
Provides instruction in the use of slings and common rigging hardware. Emphasizes basic rigging techniques, hitch configurations, safe loading practices, and load inspection, as well as the use of American National Standards Institute (ANSI) hand signals.

**TEC 120**
Aviation Ground School I  
3 credits  
Offered upon request  
Comprehensive instruction in theory of flight, navigation, aircraft operation, and Federal Aviation regulations. Prepares the student for the FAA written test for the private and commercial pilot applications. It is desirable to take TEC 120 and 121 concurrently. These two courses meet the requirements for taking the FAA exam.

**TEC 121**
Aviation Ground School II  
3 credits  
Offered upon request  
Comprehensive instruction in theory of flight, navigation, aircraft operation, and Federal Aviation regulations. Prepares the student for the FAA written test for the private and commercial pilot applications. It is desirable to take TEC 120 and 121 concurrently. These two courses meet the requirements for taking the FAA exam.

**TEC 123**
Aviation Ground School  
6 credits  
Offered upon request  
Prerequisite: TEC 120 and TEC 121  
Designed to assist the student in preparation for the FAA written exam for the private, commercial and flight instructor license and, if desired, for the instrument rating.

**TEC 150**
Heavy Equipment Operation I  
6 credits  
Offered upon request  
Offered in Gila County only  
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results for drugs; Must have successfully completed either OSHA 10 or MSHA Training. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.  
This course is an introduction to the use of heavy equipment with emphasis on safety, preventive maintenance, and grade stake interpretation.

**TEC 151**
Heavy Equipment Operation II  
6 credits  
Offered upon request  
Offered in Gila County only  
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results for drugs; Must have successfully completed either OSHA 10 or MSHA Training. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.  
This course is designed to introduce the trainee to the basic concepts and procedures related to using heavy equipment to perform earthwork. The course identifies the most appropriate types of equipment for specific jobs and describes the basic operations of the equipment.

**TEC 155**
Commercial Driver License Class B  
5 credits  
Offered upon request  
Offered in Gila County only  
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results; Physically qualified as outlined by Arizona Department of Transportation; Must have social security card; Must present proof that there have been no DUI convictions for the past five years; Must present proof of satisfactory driving record with no more than three moving violations during the past three years. Must present documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.  
This course is a comprehensive study of basic theories, applied laws, and practices related to driving a Class B commercial vehicle. The student who successfully completes this course will receive a CDL Class B Learner’s permit. This course does not include the Hazardous Materials Endorsement.
Eastern Arizona College offers industry internship courses for students who have selected a specific career objective in an industrial-technical field. Designed to give students the opportunity to learn through supervised work experiences, the courses integrate students’ educational activities with on-the-job learning opportunities. Meetings with the Coordinator are designed to assist students in identifying activities (competencies they will complete on the job), learning job survival and improvement skills, and developing effective human relations and communications skills.

**TEC 191 Industry Internship I**  
1 to 4 credits  
Offered every fall semester  
Activity/Personal Enrichment

Eastern Arizona College offers industry internship courses for students who have selected a specific career objective in an industrial-technical field. Designed to give students the opportunity to learn through supervised work experiences, the courses integrate students’ educational activities with on-the-job learning opportunities. Meetings with the Coordinator are designed to assist students in identifying activities (competencies they will complete on the job), learning job survival and improvement skills, and developing effective human relations and communications skills.

**TEC 192 Industry Internship II**  
1 to 4 credits  
Offered every spring semester  
Activity/Personal Enrichment

Eastern Arizona College offers industry internship courses for students who have selected a specific career objective in an industrial-technical field. Designed to give students the opportunity to learn through supervised work experiences, the courses integrate students’ educational activities with on-the-job learning opportunities. Meetings with the Coordinator are designed to assist students in identifying activities (competencies they will complete on the job), learning job survival and improvement skills, and developing effective human relations and communications skills.

**TEC 260 Technical Report Writing**  
3 credits  
GE category: AAS degree only  
Offered every fall and spring semester  
Prerequisite: ENG 100 or ENG 101

Drafting and revising memos, letters, resumes, proposals, and interpretive reports. Identical to ENG 260.

**TEC 291 Industry Internship III**  
1 to 4 credits  
Offered every fall semester  
Activity/Personal Enrichment

Eastern Arizona College offers industry internship courses for students who have selected a specific career objective in an industrial-technical field. Designed to give students the opportunity to learn through supervised work experiences, the courses integrate students’ educational activities with on-the-job learning opportunities. Meetings with the Coordinator are designed to assist students in identifying activities (competencies they will complete on the job), learning job survival and improvement skills, and developing effective human relations and communications skills.

**TEC 292 Industry Internship IV**  
1 to 4 credits  
Offered every spring semester  
Activity/Personal Enrichment

Eastern Arizona College offers industry internship courses for students who have selected a specific career objective in an industrial-technical field. Designed to give students the opportunity to learn through supervised work experiences, the courses integrate students’ educational activities with on-the-job learning opportunities. Meetings with the Coordinator are designed to assist students in identifying activities (competencies they will complete on the job), learning job survival and improvement skills, and developing effective human relations and communications skills.

**TEC 297 Workshop**  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment

Designed to meet a variety of needs for students in Technical Education.

**TEC 298 Workshop**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment

Designed to meet a variety of needs for students in Technical Education.

**TEC 299 Independent Study**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment

Design and execution of original projects under faculty supervision.

### Theatre & Cinematic Arts

**THC 103 Introduction to Motion Pictures**  
2 credits  
Offered upon request  
Activity/Personal Enrichment

Intended to sharpen the skills of observation and perception. Students will gain insight and knowledge into the creative process of film making.

**THC 105 Introduction to Drama**  
3 credits  
GE category: Humanities  
Offered every fall and spring semester

A survey of the nature of theatre from primitive beginnings to present, integrating the art of communication by offering the student an overview of playwrighting, acting, production, and criticism, with an emphasis on cultural diversity.

**THC 110 Acting I**  
3 credits  
Offered every fall and spring semester

Study and command of techniques of acting, analytical studies of visual aspects of characterization, together with actor’s relationship to the stage and all parts of play production; training in poise, movement, pantomime, interpretation of lines, and in theatre and drama appreciation. Opportunity for experience in college productions.

**THC 111 Acting II**  
3 credits  
Offered upon request

Intensive work in text analysis and the development of sustained character portrayal.

**THC 112 Acting for Film**  
2 credits  
Offered upon request

Study and command of techniques of acting, analytical studies of visual aspects of characterization, together with actor’s relationship to the stage and all parts of play production; training in poise, movement, pantomime, interpretation of lines, and in theatre and drama appreciation. Opportunity for experience in college productions.

**THC 120 Theatre Workshop I**  
1 to 2 credits  
Offered every fall semester  
Activity/Personal Enrichment

Participation in one or more phases of a drama production.

**THC 121 Theatre Workshop II**  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment

Continuation of THC 120.

**THC 140 Stage Costume I**  
2 credits  
Offered every fall semester  
Activity/Personal Enrichment

Study and experience in costuming for the stage. Topics include historical aspects of style, design, and costume construction. Practical experience gained through design and construction of costumes required by current department productions.

**THC 141 Stage Costume II**  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment

Continuation of THC 140.

**THC 160 Repertory Acting Company I**  
1 to 3 credits  
Offered every fall semester  
Activity/Personal Enrichment

Performance oriented acting course that emphasizes the techniques of performing, staging, and professionalism of the theatre. The company will tour various churches, schools, conventions, etc.

**THC 161 Repertory Acting Company II**  
1 to 3 credits  
Offered every spring semester  
Activity/Personal Enrichment

Continuation of THC 160.

**THC 200 Theatre History I**  
3 credits  
Offered every fall semester  
Activity/Personal Enrichment

Study of origins and development of the arts of theatre from primitive ritual to medieval theatre.

**THC 201 Theatre History II**  
3 credits  
Offered every spring semester  
Activity/Personal Enrichment

Continues the study of theatre from medieval time to modern. The integrated study of plays, theatre architecture, dramatic styles, and theories of significant periods.

**THC 203 Principles of Dramatic Structure**  
3 credits  
Offered every fall and spring semester

Analysis, interpretation, and evaluation of dramatic literature for theatrical production. Selected readings of classic, modern, and contemporary plays.
THC 205
Musical Theatre I
3 credits
Offered every spring semester
Activity/Personal Enrichment
A survey of musical theatre, its origins, development, and influence and practical evaluation of involved skills.

THC 210
Acting III
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
To learn and increase techniques that will perfect the acting instrument through improvisation, class exercises, and scenework.

THC 211
Acting IV
3 credits
Offered upon request
Activity/Personal Enrichment
The study of nonrealistic styles, including expressionism, absurdism, and the contemporary avant-garde and to work with select exercises in both representational and presentational modes.

THC 220
Theatre Workshop III
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of THC 121.

THC 221
Theatre Workshop IV
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of THC 220.

THC 230
Stage Makeup
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
To teach and give experiences in basic design and application of stage makeup, based on character analysis of an individually-chosen character from a play, movie, or piece of literature.

THC 231
Stagecraft
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Study of and experience in the technical side of the theatre. Topics include design and construction of scenery, lighting and lighting tools, and color in light and pigment.

THC 236
Introduction to Scene Design
3 credits
Offered every fall and spring semester
Basic principles of scene design, including design elements, model building, rendering techniques, and design project.

THC 260
Repertory Acting Company III
1 to 3 credits
Offered every fall semester
Activity/Personal Enrichment
Continuation of THC 161.

THC 261
Repertory Acting Company IV
1 to 3 credits
Offered every spring semester
Activity/Personal Enrichment
Continuation of THC 260.

THC 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Theatre and Cinematic Arts.

THC 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

Welding

WLD 101
Welding
2 to 3 credits
Offered every fall and spring semester
This course teaches principles of arc and oxy-acetylene welding, flame cutting, and brazing with emphasis on mastering basic welding techniques.

WLD 108
Oxyacetylene Welding and Metal Fabrication
3 credits
Offered upon request
A basic welding and metal fabrication course which stresses theory and application in welding methods including oxyacetylene welding, brazing, cutting, and soldering. Instruction is also given on sheet metal layout and construction, identical to MSP 108.

WLD 111
Arc Welding
3 credits
Offered upon request
Activity/Personal Enrichment
Arc welding machines, their use and care; flat, vertical, overhead welding will be covered using various types of electrodes. Welding safety and basic electrical principles will be covered.

WLD 114
Advanced Arc Welding
3 credits
Offered upon request
Activity/Personal Enrichment
Advanced welding techniques on the basic positions. Introduction to other electronic welding processes, destructive and nondestructive testing.

WLD 124
MIG Welding
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
The basic principles of inert gas welding using a MIG welder. Basic skills will be developed using a MIG welder on a variety of materials.

WLD 126
TIG Welding
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
The basic principles of inert gas welding using a TIG welder. Basic skills will be developed using a TIG welder on a variety of materials and all positions.

WLD 201
Repair Welding and Fabrication
3 credits
Offered every spring semester
Prerequisite: WLD 101 with a grade of “C” or higher
This course covers the safe and efficient use of welding tools and techniques to repair and maintain industrial machinery. The course emphasizes the fabrication of guards and brackets, welding of dissimilar metals, structural welding, out-of-position welding, MIG welding, SMAW welding, air-arc welding, various grinding and cutting tools, shears, breaks, and rollers.

WLD 211
Pipe Welding
3 credits
Offered upon request
Covers requirements for welding of piping systems, cross country pipelines, piping in petroleum and chemical, as well as structural industries.
Northern Arizona University and Eastern Arizona College are working together to bring you a variety of bachelor’s and master’s degrees.

NAU BACHELOR’S DEGREES
- B.A.S. Health Sciences
- B.A.S. Public Agency Service
- B.A.S./B.S. S.I.S. Humanities or Public Management (90/30)
- B.S. Nursing (web)
- B.A.S. Computer Technology (web)
- B.S. Elementary Education (on site)
- B.A.I.S. Arts and Letters

Complete your first two years of undergraduate study at EAC, then transfer to NAU-Thatcher for the remaining two years. Agreements between NAU and EAC guarantee you a smooth transition into NAU’s bachelor degree programs.

NAU MASTER’S DEGREES
- M.Ed. Human Relations
- M.Ed. Educational Technology (web)
- M.Ed. Elementary Education
- M.Ed. Secondary Education (partial)
- M.Ed. Educational Leadership K-12 Principal Emphasis
- M.Ed. Educational Leadership
- M.Ed. Special Education (partial)
- M.S. Engineering
- M. Administration (web)

If you’re thinking about going back to school for a master’s degree or endorsement, NAU’s innovations in distance education deserve a look.

CERTIFICATIONS AND ENDORSEMENTS
- Principalship and Superintendence
- Bilingual/ESL Endorsement
- Reading Endorsement
- Public Management Certification (web)

ADMISSION
New undergraduate students must complete the Undergraduate Admission Application and attach copies of official transcripts. Graduate students, full- or part-time, should complete the Application for Graduate Admission. Those students who wish to pursue a graduate degree also must arrange for official transcripts of all college work. Both application forms can be picked up at the NAU-Eastern Arizona College office or online at www.home.nau.edu.

REGISTRATION
Consult with your EAC Advisor and your NAU Local Area Coordinator for dates, times, and registration processes.

FINANCIAL AID
Because of NAU’s partnership with Eastern Arizona, you might qualify for financial aid that you otherwise could not receive. Inquire to the NAU office of Student Financial Aid: (928)523-4951; P.O. Box 4608; Flagstaff, AZ 86011-4608.

Textbooks are available from the NAU Bookstore online at www.bookstore.nau.edu or by phone at 800-426-7674 or in Flagstaff at (928) 523-4041.

When you call, have complete course information ready. You will be asked for department, course number, instructor name, sequence number, location of course, and type of course you are attending.

COMPUTER LAB
The NAU computer lab is located in the EAC Industrial Technology Building, Room 7. Call (928) 348-9619 for the days and times that computer lab will be open.

GETTING STARTED
- Call your NAU-Thatcher office for an appointment with an NAU advisor. You will need to bring a copy of your transcripts with you.
  Thatcher: (800) 426-8315 ext. 4-1921
- Complete the paperwork required for admission to NAU
- Choose and register for your courses
- Pay or arrange financial aid for tuition and fees
- Attend class
- Graduate!

Northern Arizona University-Thatcher

NAU BACHELOR’S DEGREES
**B.A.S. in Health Sciences**: The Health Sciences program is designed for students who possess an Associate of Applied Science (AAS) degree (allied health professionals with degrees other than the AAS degree may apply for an exception) and who want to earn a bachelor’s degree via distance learning while continuing to work. The program enhances theoretical and clinical knowledge and promotes career advancement in management, education, public health, sales, marketing, and research. This degree program is available as a BAS (Bachelor of Applied Science) or BS (Bachelor of Science). An advisor can help you determine which is best for you.

**B.A.S. in Public Agency Service**: The B.A.S. degree program in Public Agency Service is designed to provide you with the knowledge and analytical skills appropriate for a variety of career paths in government and private agencies, including public and private justice systems, social and community services, and public and private assistance programs. Within each program, you focus either on public agency administration (budgeting, planning, and organizational issues in public agencies) or social and community service (delivery of services to individuals and communities).

**B.A.I.S. in Humanities**: The Interdisciplinary Studies (BIS) 90-30 offers you an opportunity to design a plan of studies, in consultation with an advisor, to meet your individualized educational needs. With the 90-30 program there are two Emphasis areas to choose from, Humanities and Public Management. You choose either of these degrees if you plan to enter an occupation which requires a broad general education, if you are seeking career advancement, personal intellectual...
enrichment or if you are considering a preprofessional plan. With this 90-30 program, students may transfer up to a maximum of 90 hours of community college and/or university credit from a regionally accredited institution. Students who have completed a Associate’s degree and an AGEC will have fulfilled the requirement for the 35 units of liberal studies credit and Focus area. Students meeting all program requirements, including NAU’s Foundation, Liberal Studies and Diversity requirements, prior to transferring to NAU, will need 30 hours of credit from NAU to complete the degree requirements.

**B.A.I.S. in Public Management:** The Interdisciplinary Studies (BIS) 90-30 offers you an opportunity to design a plan of studies, in consultation with an advisor, to meet your individualized educational needs. With the 90-30 program there are two Emphasis areas to choose from, Humanities and Public Management. You choose either of these degrees if you plan to enter an occupation which requires a broad general education, if you are seeking career advancement, personal intellectual enrichment or if you are considering a preprofessional plan. With this 90-30 program, students may transfer up to a maximum of 90 hours of community college and/or university credit from a regionally accredited institution. Students who have completed a Associate’s degree and an AGEC will have fulfilled the requirement for the 35 units of liberal studies credit and Focus area. Students meeting all program requirements, including NAU’s Foundation, Liberal Studies and Diversity requirements, prior to transferring to NAU, will need 30 hours of credit from NAU to complete the degree requirements.

**B.S in Nursing (Internet):** The Nursing program will work for you if you plan to take a holistic approach in your nursing practice and you want health care training to serve rural and minority populations. The R.N.-to-B.S.N. program enables registered nurses to make the transition to the broader scope of practice available to baccalaureate graduates.

**B.A.S. in Computer Technology:** This articulated 2+2 A.A.S. to B.A.S. program in Computer Technology will provide an opportunity for individuals to broaden their career horizons by seamlessly combining their EAC courses with this Northern Arizona University degree program. This program will accommodate those individuals who are place-bound because of employment or other commitments, through distance learning course offerings.

**B.S. in Elementary Education:** NAU can prepare you for a career in the classroom. For over 100 years, NAU has been providing quality training to education professionals. In cooperation with EAC, students wishing to complete a Bachelor of Science in Elementary Education may do so by following a program of courses established by EAC and NAU through our local area coordinators.

**B.S.I.S/B.A.I.S. Arts and Letters:** This program will provide an excellent foundation for students who plan to continue on in graduate studies. Along with a variety of courses that cultivate critical and analytic skills, students will learn to understand and discuss major cultural movements that are necessary to the clear thinking and responsible decision-making required in many professional careers and post-baccalaureate degrees. This program provides a broad variety of liberal arts classes which allows the student to explore their individual interests. There is an emphasis on faculty-governed student autonomy and individualized learning which allows students to tailor their program to long-term interests.

**NAU MASTER’S DEGREES**

**M.Ed. in Human Relations:** You should consider the M.Ed. in Human Relations if you are in the business world, the military, or the field of education and seek advanced training in understanding human behavior and the learning process. This 36-hour program will give you the graduate education you need to succeed.

**M.Ed. in Educational Technology:** This program includes a variety of courses that can be taken completely online. It will help you develop a philosophy of technology integration based on theories of learning and experiences and also help you develop an awareness of and know how to implement standards for teachers and students. You will learn to understand the use of technologies and their integration in a culturally, linguistically and physically diverse learning environment.

**M.Ed. in Elementary Education:** An M.Ed. in Elementary Education from NAU helps teachers increase their classroom management skills through advanced courses and teaching methods. The reading endorsement is incorporated into this program, which can be completed in three years.

**M.Ed. in Educational Leadership, K-12 Principal Emphasis:** This program includes much of the material presented in the Educational Leadership masters but is designed for those students who are looking for a more streamlined path to principal certification. This 36 credit degree can be completed via in-person, web and ITV classes and has been created especially for those students focused on principalship.

**M.Ed. in Educational Leadership:** NAU’s M.Ed. in Educational Leadership promotes the skills and values needed for leadership positions in school administration. Local faculty teaches research, evaluation, and other essential skills required by future leaders. NAU’s program can be completed in three years.

**M.Ed. in Special Education:** NAU’s M.Ed. in Special Education prepares teachers to deal with special populations—both disabled and gifted—enabling them to become more knowledgeable, skilled, and effective at mainstreaming exceptional students in the classroom. The program can be completed in three years.

**M.S. in Engineering (Tri-University):** Arizona’s three state universities, NAU, ASU, and UofA, are collaborating to offer the Tri-University Master of Science in Engineering program. This graduate degree program is designed to meet the educational needs of practicing engineers by offering courses via distance delivery. Since the program is collaborative, students can take courses offered by any of the three partner institutions.

**M. Administration:** This business-based degree is designed especially for full-time employed business and public service professionals in a mid-career path. You can complete this 36-hour master’s degree entirely on the web and receive a quality, flexible graduate business education.
DISCLOSURES

ACCOMMODATION FOR STUDENTS WITH DISABILITIES
Eastern Arizona College will provide students with disabilities, who meet eligibility requirements, reasonable and appropriate accommodations to participate in the educational experiences offered by the College. Services may include tutorial assistance, readers, signers, note taking assistance, Braille or taped text, electronic formatted materials, accessibility provisions, modifications to classrooms and other facilities, modifications to testing procedures, and other accommodations determined to be appropriate.

Students seeking an accommodation should contact the Counseling Office at Eastern Arizona College, 615 North Stadium Avenue, Thatcher, Arizona 85552, telephone (928) 428-8425, to specify the nature of the accommodation requested. The college will respond to specific student requests for accommodation or auxiliary aids and services in a prompt and reasonable fashion. It is the responsibility of the student to inform the College at the address or by telephone specified above of his/her acceptance of an accommodation plan and to schedule a meeting with staff to begin implementation of a plan.

Reasonable accommodation shall not be construed as a guarantee of student success. Rather, reasonable accommodation provides the opportunity to participate. Reasonable accommodation is not in any way intended to devalue the end educational product.

ACADEMIC ADJUSTMENTS AND REASONABLE ACCOMMODATIONS FOR STUDENTS WITH COGNITIVE DEVELOPMENT DISORDERS
Students requesting an accommodation to address cognitive development disorders must:
1. Have been admitted to Eastern Arizona College,
2. Provide Eastern Arizona College with psycho-educational, psychological, psychiatric, or other appropriate diagnostic evaluation(s), as requested, to document the nature and extent of the disability. This documentation must:
   a. Include a psychoeducational evaluation that has been accomplished within the parameters of the diagnostic criteria established by the Diagnostic and Statistical Manual of Mental Disorders-IV, hereinafter referred to as the DSM-IV, and
   b. Include evidence that the evaluator has the appropriate qualifications and credentials for her/him to offer a diagnostic determination within the parameters of the diagnostic criteria for Cognitive Development Disorders established by the DSM-IV, and
   c. Be on file in the student’s permanent record before the student receives accommodation services.

ACADEMIC ADJUSTMENTS AND REASONABLE ACCOMMODATIONS FOR STUDENTS WITH OTHER DISABILITIES
Students requesting an accommodation to provide an academic adjustment or barrier free access must:
1. Have been admitted to Eastern Arizona College,
2. Provide Eastern Arizona College with an evaluation or medical information certifying the disability, and
3. Include evidence that the evaluator has the professional credentials and or specialized training, which qualifies her/him to offer a diagnostic determination.

COLLEGE FINANCIAL CONDITION
Students desiring information concerning Eastern Arizona College’s financial condition may obtain this information from the Fiscal Control Office.

DISCLOSURE OF GRADUATION RATES
Students desiring information concerning Eastern Arizona College’s graduation rates and transfer-out rates under the Student Right to Know Act, Public Law 101-542, may obtain this information from the Institutional Research Office.

EEO/AFFIRMATIVE ACTION
Graham County Community College District does not discriminate in admission or access to, or treatment or employment in, its programs and activities on the basis of race, creed, color or national origin, sex, disability or age. You may contact the District EEO/ADA Coordinator at (928) 428-8915, fax (928) 428-2578, mail – Eastern Arizona College, 615 North Stadium Avenue, Thatcher, Arizona 85552-0769; or at the Student Services Building, Office 221.

EQUITY IN ATHLETICS
Students desiring information concerning Eastern Arizona College’s intercollegiate athletic programs under the Equity in Athletics Disclosure Act of 1994, Section 3608 of Publication L. 103-382, may obtain this information from the Institutional Research Office.

FACILITIES
Eastern Arizona College takes pride in having clean, safe, and up-to-date classrooms, laboratories, and performance areas. Specific inquiries about facilities should be addressed to the Admissions Office.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
The Family Educational Rights and Privacy Act (FERPA) affords you certain rights with respect to your education records. They are:
1. The right to inspect and review your education records within 45 days of the day the College receives a request for access. Submit to the registrar, dean, head of the academic division or department, or other appropriate official, a written request that identifies the record(s) you wish to inspect. The College official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise you of the correct official to whom your request should be addressed.
2. The right to request the amendment of your education records that you believe are inaccurate or misleading. You may ask the College to amend a record that you believe is inaccurate or misleading. You should write the College official responsible for the record, clearly identifying the part of the record you want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as you request, the College will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when you are notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials...
with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel); a person or company with whom the College has contracted such as an attorney, auditor, or collection agent; a person serving on the Governing Board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC, 20202-4605

The College hereby designates the following categories of student information as public or “Directory Information.” Such information may be disclosed by the institution for any purpose, at its discretion.

- Category I: Name, address, telephone number, email address, dates of attendance, class, and picture.
- Category II: Previous institutions attended, major fields of study, awards, honors (includes Dean’s List), degrees conferred (including dates).
- Category III: Past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), date and place of birth.

You may withhold disclosure of any category of information under the Family Educational Rights and Privacy Act of 1974, as amended. To withhold disclosure, written notification must be received in the Records and Registration Office prior to the last day of registration as stated in the College Catalog. Forms requesting the withholding of Directory Information are available in the Records and Registration Office. The College assumes that the failure of any student to specifically request the withholding of categories of “Directory Information” indicates individual approval for disclosure.

Parents or guardians may have access to the education records of a dependent student defined in the Internal Revenue Code of 1954, Section 152, as evidenced by a notarized affidavit stating that the student is a dependent for income tax purposes, or other documentation as may be separately approved by the registrar, on a case-by-case basis.

A Directory of Records which lists all education records maintained on students by the College is available at the Records and Registration Office. Questions concerning the Family Educational Rights and Privacy Act may be referred to that office.

**NOTIFICATION OF OCCUPATIONAL OPPORTUNITIES**

Graham County Community College District informs students, parents, employees, and the general public that we provide an equal opportunity educational program. All courses, services and activities are offered without regard to race, creed, color or national origin, sex, disability, or age.

Limited English speaking skills will not be a barrier to admission or participation in occupational educational programs. Admissions to Graham County Community College District must meet the criteria as published in the College catalog.

**POLICY FOR REPAYMENT OF TITLE IV FEDERAL STUDENT AID**

Federal Regulations regarding repayment of federal financial aid have changed the formula for calculating the amount of aid a student and school may retain when a student withdraws. Students who withdraw from ALL classes prior to completing more than 60% of an enrollment term will have their eligibility for federal aid recalculated based on the percentage of the term completed, which shall be calculated as follows:

- Number of Days Completed by Student (divided by)
- Total Number of Days in Term

The total number of calendar days in a term excludes any scheduled breaks of more than five (5) days.

Unearned federal aid (the amount that must be returned to the appropriate program) will be returned in the following order: Federal Pell Grant, then Federal Supplemental Educational Opportunity Grant (FSEOG), and then Federal Academic Competitiveness Grant. Any wages earned under the Federal Work Study Program are exempt from this policy.

Please note that students are responsible for any balance owed to Eastern Arizona College as a result of the repayment of federal aid funds.

The student must repay or make satisfactory arrangements, with the Department of Education, to repay within 45 days of Eastern Arizona College’s notification of overpayment of federal funds (or lose Title IV eligibility).

We recommend that you try to complete at least one class, if possible, to avoid any financial hardship imposed by this new regulation. However, if you do withdraw, it is important that you understand your obligations.

**PROGRAM TO PREVENT ILLICIT USE OF DRUGS AND ABUSE OF ALCOHOL BY EMPLOYEES AND STUDENTS**

**I. Introduction and Purpose**

The adoption by Congress of the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) requires federal contractors and grantees to certify that they will provide a drug-free school. As a recipient of federal grants, the District must adopt a program toward accomplishing this goal. While federal legislation has been the impetus for creation of the program, the District recognizes that substance abuse is a problem of national proportions that also affects Eastern Arizona College. Based upon that concern, it is intended that this program for prevention of alcohol and drug abuse on our campuses will go beyond the strict dictates of the law and will serve as a comprehensive educational and resource tool. To this end the Graham County Community College District Governing Board has developed policies to:

A. Ensure that the Eastern Arizona College working and learning environment for students, employees and the public is safe, orderly and free of illegal activity.

B. Comply with the Drug Free School and Communities Act of 1989 (PL 101-26), the Drug Free Workplace Act of 1988 (PL 100-690, Title IV, Subtitle D) and other relevant substance abuse laws.

C. Provide students with access to appropriate treatment and rehabilitation assistance for problems associated with substance use or abuse.

REF: GCCCD Policy #4710 and Regulation #4710.01 which specify for employees the standards of conduct and consequences of violation, and Regulation #5800.01 which specifies for students the standards of conduct and consequences of violation in relation to drug and alcohol use.
II. Standards of Conduct
The above referenced policies spelled out in detail in the Eastern Arizona College General Catalog, state clearly that:
A. “The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance on District property or as part of any of the District’s activities is prohibited.”
B. “Controlled Substances,” are defined as an illegal drug, a legal drug used in excess of recommended dosage, an alcoholic beverage and/or any mind altering substance.

III. Sanctions for Violation of Standards of Conduct
Disciplinary actions include, but are not limited to:
A. Termination of Enrollment/Employment within the District,
B. Requirement to participate satisfactorily in a substance abuse assistance or rehabilitation program, or
C. Other enrollment/employment restrictions or stipulations.

IV. Legal Consequences of Alcohol Abuse & Illicit Drugs Use
A. Laws Governing Alcohol
The State of Arizona sets twenty-one as the “legal drinking age.” An underage person who buys, receives, possesses or consumes alcoholic beverages is guilty of a misdemeanor and may be subject to a fine and imprisonment for up to six months. The Uniform Act Regulating Traffic on Highways prohibits driving while under the influence of intoxicating liquor or drugs (DUI). Drivers charged with DUI who refuse to be tested face suspension of their licenses or permits to drive for 12 months. A driver whose test results show a blood or breath alcohol concentration of 0.08 or more will have his/her license or permit to drive suspended or denied for not less than 90 consecutive days. The punishment for DUI ranges from not less than 10 days in jail and a fine of not less than $250 for a first offense to a minimum of 90 days in jail and revocation of the driver’s license for one year upon a second offense.
B. Laws Governing the Use of Drugs
Federal Laws: The Federal Comprehensive Drug Abuse Prevention and Control Act prohibits the possession, sale and trafficking of controlled substances. The Omnibus Drug Act of 1988 allows the following penalties for conviction of possession of illegal drugs: civil fines up to $10,000; forfeiture of cars, boats, or planes conveying the substance; loss of public housing; the loss of all federal benefits including student loans and grants.
Arizona Laws: Title Thirteen, Chapter 34 of the Arizona Revised Statutes lists drug offenses and their penalties. Following is a list of drugs which are frequently misused with a description of the potential penalties attached to a conviction.
1. Marijuana: First offense for possession or use of marijuana in an amount of less than one pound constitutes a Class 6 felony and carries a possible prison term of one and one-half years and a fine of not less than $750. The sale of marijuana in an amount of less than one pound carries a prison sentence of four years and a fine of at least $750.
2. LSD: Possession, use and sale of LSD are felonies carrying sentences from four to five years and fines of not less than $1,000.
3. Heroin and Cocaine: Use and sale of heroin and cocaine are felonies carrying sentences from four to seven years and a fine of not less than $2,000.

V. Health Risks Associated with the Use of Illicit Drugs and the Abuse of Alcohol
A. Illicit Drug Use: Controlled substances subject to illicit use are divided into several broad categories:
• Narcotics (Morphine, Opium, Heroin) are highly addictive. The effects of their use generally leads to feelings of euphoria, drowsiness, respiratory depression, constricted pupils, and nausea. Overdose is characterized by slow and shallow breathing, clammy skin, convulsions, coma, and possible death.
• Depressants (Barbiturates, Chloral Hydrate, Quaalude) are moderately to highly addictive. Effects include slurred speech, disorientation, and drunken behavior without the odor of alcohol. Overdose results in shallow respiration, clammy skin, dilated pupils, weak and rapid pulse, coma, and possible death.
• Stimulants (Cocaine, Amphetamine) are not known to be physically addictive but create a high psychological dependence. Effects of use are increased alertness, excitement, euphoria, increased pulse rate and blood pressure, insomnia, and loss of appetite. An overdose can lead to agitation, increase in body temperature, hallucinations, convulsions, and possible death.
• Hallucinogens (LSD, Mescaline and Peyote, TCP) are not known to be addictive. The effects of use include illusions and hallucinations, and poor perception of time and distance. Overdose causes longer, more intense “trip episodes,” psychosis, and possible death.

Revised use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

VI. Drug or Alcohol Counseling, Treatment, Rehabilitation or Re-entry Programs That are Available to Employees or Students
Eastern Arizona College does not provide direct drug or alcohol counseling, treatment or rehabilitation services. Students or employees with concerns related to the use/abuse of drugs or alcohol are encouraged to meet with a member of the Counseling staff on the Thatcher Campus for confidential consultation and referral. Counseling staff are located in the Student Services Building on Stadium Avenue on the Thatcher Campus. Appointments can be made by calling (928) 428-8253. Arizona State Prison inmates are encouraged to contact the Program Supervisor at their institutions. Inmates at the Federal Correctional Institution (Swift Trail) should contact the FCI Psychology Department.

Direct contact with organizations or individuals providing drug or alcohol counseling, treatment or rehabilitation services can be made by students or employees depending on location:
• Graham County, Southeastern Arizona Behavioral Healthcare Services (SEABHS), Safford: (928) 428-4550
• Greenlee County, Southeastern Arizona Behavioral Healthcare Services (SEABHS), Clifton: (928) 865-4531
RESIDENCY

For tuition purposes, your residence is determined according to statutory law (A.R.S. §15-1801 et.seq.) and regulations and precedents established previously by the State Community College Board (R7-1-304 and R7-1-305). These are subject to change by statute or State Board regulations.

Your residency status must be determined before you register and pay fees. It is your responsibility to register under the correct residency. Your residency status will not change automatically. Proper documentation must be filed with the Records and Registration Office for review and approval before your residency status will be changed. Requests for change in residency status must be made before registration. A change in residency classification will not take effect until the next registration following the change in status. Residency changes are not retroactive.

In determining your residency classification, we may consider all evidence, written or oral, presented by you and any other relevant information received from any other source. We may request a written sworn statement from you.

In addition to documentation for in-state residency status, Arizona residents must also provide evidence of citizenship or legal immigration status in order to be charged in-state tuition as per Proposition 300 which was passed by Arizona voters in 2006. You can find a list of appropriate documentation at www.eac.edu/prop300.

If we classify you as a non-resident for tuition purposes and you disagree, you may request a review by a Residency Review Committee. Your request must be written, signed by you, and accompanied by a sworn statement of all facts relative to the matter. You must file your request for review with the Registrar of the College within ten days of the time you receive notification from us of your classification as a non-resident. If you don’t properly file a request within this ten-day period, you waive review for the current enrollment period. You will receive written notice of the date, time and place of the Residency Review Committee meeting and you have the right to appear and be represented by the advisor of your choice and at your expense. You or your advisor, but not both, may examine and cross-examine witnesses and summarize the evidence. The decision of the Residency Review Committee is final.

In accordance with state regulation we have published below Arizona Revised Statute §15-1802 and the definitions provided in A.R.S. §15-1801.

ARIZONA REVISED STATUTE §15-1801 DEFINITIONS

Armed forces of the United States means the army, the navy, the air force, the marine corps, the coast guard, the commissioned corps of the United States public health services, the national oceanographic and atmospheric administration, the national guard and any military reserve unit of any branch of the armed forces of the United States.

Continuous attendance means enrollment at an educational institution in this state as a full-time student, as such term is defined by the governing body of the educational institution, for a normal academic year since the beginning of the period for which continuous attendance is claimed. Such person need not attend summer sessions or any other intersession beyond the normal academic year in order to maintain continuous attendance.

Domicile means a person’s true, fixed and permanent home and place of habitation. It is the place where he intends to remain and to which he expects to return when he leaves without intending to establish a new domicile elsewhere.

Emancipated person means a person who is neither under a legal duty of service to his parent nor entitled to the support of such parent under the laws of this state.

Parent means a person’s father or mother, or if one parent has custody, that parent, or if there is no surviving parent or the whereabouts of the parents are unknown, then a guardian of an emancipated person if there are not circumstances indicating that such guardianship was created primarily for the purpose of conferring the status of an in-state student on such emancipated person.

ARIZONA REVISED STATUTE §15-1802

IN-STATE STUDENT STATUS

1. Except as otherwise provided in this article, no person having a domicile elsewhere than in this state is eligible for classification as an in-state student for tuition purposes.

2. A person is not entitled to classification as an in-state student until the person is domiciled in this state for one year, except that a person whose domicile is in this state is entitled to classification as an in-state student if the person meets one of the following requirements:
   a. The person’s parent’s domicile is in this state and the parent is entitled to claim the person as an exemption for state and federal tax purposes.
   b. The person is an employee of an employer who transferred the person to this state for employment purposes or the person is the spouse of such an employee.
   c. The person is an employee of a school district in this state and is on contract to teach on a full-time basis, or is employed as a full-time noncertified classroom aide.

3. The domicile of an emancipated person is that of the person’s parent.

4. Any emancipated person who remains in this state when the person’s parent, who had been domiciled in this state, removes from this state is entitled to classification as an in-state student until attainment of the degree for which currently enrolled, as long as the person maintains continuous attendance.

5. A person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders or who is the spouse of a dependent child as defined in section 43-1001 of...
a person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders is entitled to classification as an in-state student. A spouse or a dependent child does not lose in-state classification under this subsection if the spouse or dependent child qualifies for in-state tuition classification at the time the spouse or dependent child is accepted for admission to a community college under the jurisdiction of a community college district governing board or a university under the jurisdiction of the Arizona board of regents. The student, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification.

6. A person who is a member of the armed forces of the United States or the spouse or a dependent as defined in section 43-1001 of a member of the armed forces of the United States is entitled to classification as an in-state student if the member of the armed forces has claimed this state as the person’s state of legal residence for at least twelve consecutive months before the member of the armed forces, spouse or dependent enrolls in a university under the jurisdiction of the Arizona board of regents or a community college under the jurisdiction of a community college district governing board. For purposes of this subsection, the requirement that a person be domiciled in this state for one year before enrollment to qualify for in-state student classification does not apply.

7. A person who is honorably discharged from the armed forces of the United States shall be granted immediate classification as an in-state student on honorable discharge from the armed forces and, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification if the person has met all of the following requirements:
   a. Declared Arizona as the person’s legal residence with the person’s branch of service at least one year prior to discharge from the armed forces.
   b. Demonstrated objective evidence of intent to be a resident of Arizona which, for the purposes of this section, includes at least one of the following:
      • An Arizona driver license
      • Arizona motor vehicle registration
      • Employment history in Arizona
      • Arizona voter registration
      • Transfer of major banking services to Arizona
      • Change of permanent address on all pertinent records.
      • Other materials of whatever kind or source relevant to domicile or residency status
   c. Filed an Arizona income tax return with the department of revenue during the previous tax year.

8. A person who is a member of an Indian tribe recognized by the United States department of the interior whose reservation land lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.

**EVIDENCE OF DOMICILE**

1. An affidavit signed by the student must be filed with the person responsible for verifying domicile (the Residency Clerk in our Records and Registration Office).
2. Any of the following may be used in determining a student’s domicile in Arizona:
   - Income tax return
   - Voter registration
   - Automobile registration
   - Driver’s license
   - Place of graduation from high school
   - Source of financial support
   - Dependency as indicated on Federal income tax return
   - Ownership of real property
   - Notarized statement of landlord or employer
   - Bank accounts
   - Other relevant information

**ALIEN IN-STATE STUDENT STATUS**

An alien is entitled to classification as an in-state refugee student if such person has been granted refugee status in accordance with all applicable laws of the United States and has met all other requirements for domicile.

**EVIDENCE OF COUNTY RESIDENCY**

County Residency – Arizona residents from counties in which there is no established community college district (Apache, Greenlee, and Santa Cruz) may enroll in credit classes at Eastern Arizona College without payment of out-of-county charges, provided the student completes a properly executed Arizona Out-of-County Residence Affidavit at the time of registration. General tuition and fees are still payable. If you are registering for an EAC Course offered in your home county, a residence affidavit is not necessary. An affidavit, signed by the student, must be filed with the person responsible for verifying domicile (the Residency Clerk in our Records and Registration Office) to prove continuous residency in a county for fifty (50) days.

Any of the following may be used to determine a student’s county residency:
   - Notarized statement of landlord or employer
   - County voter registration
   - Source of financial support
   - Place of graduation from high school
   - Ownership of real property
   - Bank account
   - Other relevant information
SECURITY AND SAFETY

THE PERSONAL SAFETY AND WELL-BEING of the students, faculty and staff at Eastern Arizona College are always an important concern of ours. You are encouraged to be responsible for your own security and the security of others.

Many people are involved in keeping the campus safe and secure. A truly safe campus, however, can only be achieved through the cooperation of all students, faculty and staff.

Request form through the Student Life Office to obtain permission to use a particular room or College facility.

CHANGES IN SAFETY AND SECURITY PROCEDURES

Updated printed materials explaining changes in safety and security procedures (including timely reports regarding the occurrence of campus crimes) will be prepared and distributed to all students and employees.

Students in residence halls are further instructed in areas of crime prevention through meetings in which printed and video materials are reviewed and discussed. Future new students will be given the most current information.

In addition, EAC will release the latest crime statistics for the most recent year in our General Catalog and will provide full distribution to students and employees.

ILLEGAL DRUGS OR ALCOHOL NOT PERMITTED ON CAMPUS

Eastern Arizona College seeks to encourage and sustain an academic environment that both respects individual freedom and promotes the health, safety and welfare of all members of its community.

In keeping with these objectives, the College has established a policy and set up guidelines governing the possession and/or consumption of alcoholic beverages and illegal substances.

Alcohol is not permitted anywhere on the College campus at any time. Likewise, the College does not permit the use of marijuana, LSD, cocaine or any other illegal drug on the College campus. Individuals possessing, using or distributing such drugs are subject to disciplinary action (such as formal reprimands, community service, referral to counseling, suspension and expulsion) and possible arrest, imprisonment or fine, according to Arizona state law.

WHO CAN HELP IF I OR A FRIEND HAVE A PROBLEM WITH SUBSTANCE ABUSE

Eastern’s Counseling Department provides professional and confidential counseling and referrals to help students with substance abuse problems.

The Counseling Department is located in the Student Services Building at 615 North Stadium Avenue, Thatcher, Arizona or may be contacted by calling (928) 428-8253.

All students and employees will receive a copy of regulations 4710.1 and 5800.1 regarding the Drug Free Schools and Communities Act.

Anyone at any campus location who becomes aware of a crime (or is the victim of a crime) or any emergency should make an accurate and prompt report of the occurrence.

Medical or Police Emergency 911

Campus Police (928) 428-8240

Student Life Office (928) 428-8354

Housing Office (928) 428-8605

Head Residents:

Mark Allen (928) 428-8236

Nellie Lee (928) 428-8237

Residence Towers (928) 428-8606

Wesley Taylor (928) 428-8238

RESPONSIBILITY FOR SAFETY

Thatcher Campus Police and student security personnel are available from 8 a.m. to 2 a.m. The Campus Police Building is located at 620 North College Avenue, Thatcher, Arizona and their number is (928) 428-8240 or 552-0157 (Pager).

Campus Police officers are certified by the Arizona Law Enforcement Officers Advisory Council and have full law enforcement authority anywhere in the state. EAC’s Campus Police are responsible for a full range of public safety services including all crime reports, investigations, medical and fire emergencies and traffic accidents. They are also responsible for the enforcement of laws regulating drinking, the use of controlled substances, weapons, and all other incidents requiring police assistance. Campus police monitor criminal activity of students in off campus locations of student organizations recognized by the College.

RESPONSIBILITY FOR KEEPING CAMPUS BUILDINGS AND GROUNDS SAFE

Eastern’s Physical Resources (Maintenance) Department maintains the College buildings and grounds with a careful eye for safety and security. Physical Resources staff regularly inspect campus facilities and promptly makes repairs affecting safety and security. They respond to reports of potential safety and security hazards such as broken windows and locks.

Students and College staff members are encouraged to call the Physical Resources Department at (928) 428-8300 to report any actual or potential safety or security hazards. Individuals residing on campus are urged to keep their doors locked.

College classroom facilities are to remain locked when not in use. Individuals needing to use College facilities should submit a Facility Request form through the Student Life Office to obtain permission to use a particular room or College facility.
PERSONAL SAFETY AND PROTECTION AGAINST SEXUAL ASSAULT OR VIOLENT CRIME

Eastern Arizona College considers the personal physical safety of students, employees, and visitors an essential element in the maintenance of a learning environment. Every member of the College community should be aware that the College is strongly opposed to sexual assault, violence, and other threatening or endangering behavior. Such behavior is prohibited by law as well as the Student Code of Conduct.

DISSEMINATION OF INFORMATION CONCERNING SEXUAL ASSAULT AND VIOLENT CRIME

The College will annually provide information concerning sexual assault and violent crime including at least the following:

- The definition of sexual assault and violent crime
- A statement of the College’s policy prohibiting sexual assault and violent crime
- The most accurate data available about the reported incidence of sexual assault and violent crime occurring on campus property
- Precautions which students should take to avoid becoming victims of sexual assault and violent crime
- Procedures for reporting sexual assault and violent crime
- Services which are available to both complainants and those accused of sexual assault and violent crime
- Statements of the rights of sexual assault and violent crime complainants and those accused of such actions in the College judicial process

DEFINITIONS

For the purpose of this policy, sexual assault is any sexual behavior between two or more people to which one person does not or cannot consent. The abuse of alcohol or other substances does not relieve individuals of their responsibilities to themselves or others. Violent crime is one or more persons intentionally inflicting bodily harm on another person or persons.

REPORTING

The guiding principle in the report of a sexual assault or violent crime is to avoid re-victimizing the survivor by forcing the person into any plan of action. Assistance with the wellbeing of the survivor is the primary goal. Victims may contact any one of several College departments or community agencies for assistance. The following resources provide immediate aid or ongoing consultation:

Graham County

For all Emergencies 911 or 9-911 from a campus phone
Campus Police (928) 428-8240 or Pager 552-0157
Graham County Sheriff (928) 428-3141
Thatcher Police (928) 428-2296 (Mon - Fri, 8 a.m. - 5 p.m.)
Thatcher Police (928) 428-3141 after hours
Rape Crisis 24-Hour Hotline 1-800-400-1001
Eastern Arizona College Counseling Office (928) 428-8253 (Mon - Fri, 8 a.m. - 5 p.m.)
Student Life Office (Mon - Fri, 8 a.m. - 5 p.m.) (928) 428-8354
Housing Office (928) 428-8605 or Pager 552-1173
Residence Hall Staff
Mark Allen North Pager: 552-1162
Mark Allen South Pager: 552-1161
Nellie Lee Pager: 552-1163
Residence Towers Pager: 552-1164
Southern Arizona Center Against Sexual Assault 1-800-400-1001

In the event of a medical emergency, medical response personnel will be contacted. In the case of a sexual assault, emergency medical personnel are required to report the assault to the local law enforcement agency. However, the assault survivor who does not wish to see the police will be encouraged to seek a medical exam to treat physical problems and address the potential for injury, venereal disease, HIV, or pregnancy. The Rape Crisis Hotline can assist with these arrangements whether or not the survivor chooses to report the incident.

It is recognized that a sexual assault survivor may be undecided in reporting the assault to the police. A report to the police can empower the survivor in exercising legal rights and aid in the protection of others. If a report is to be made to the police, the survivor will be encouraged not to destroy evidence by cleaning up their person, clothing or bedding in any way. If the sexual assault survivor is undecided in reporting, the survivor will be encouraged to preserve evidence anyway in case it is decided to file a police report at a later date.

If the survivor has decided not to report the assault, the report recipient will maintain confidentiality. Other alternatives include:
- Make an anonymous report to police
- Make a report at a later date with the understanding that a report made after 72 hours may limit prosecution efforts.

Sexual assault survivors may seek counseling at any time from College counseling services or the Rape Crisis Hotline.

INTERVENTION

It is the intention of the College to take whatever action may be needed to prevent, correct, and if necessary, discipline acts of sexual assault or violence. Possible sanctions for students resulting from the College’s judicial process range from formal reprimands, community service, referral to counseling, suspension and expulsion. Possible sanctions for employees range from reprimands, referral to counseling, to termination of employment. Possible sanctions for visitors range from reprimands to being barred from College property and activities. Both the accuser and the accused of sexual assault shall be informed of the outcome of the campus disciplinary process.

JUDICIAL PROCESS

A charge of sexual assault against a College student will be handled under the same procedure as bringing a Complaint of Sexual Harassment by the Provost/Chief Academic and Student Officer of the Thatcher Campus or Dean/Chief Officer for Greenlee County Eastern Arizona College site. When a complainant of sexual assault gives information to the Officer that a sexual assault has taken place and accuses a College student of the offense, the Officer will have the discretion to suspend the accused standard, and violent crime.

- A charge of sexual assault against a College student will be handled under the same procedure as bringing a Complaint of Sexual Harassment by the Provost/Chief Academic and Student Officer of the Thatcher Campus or Dean/Chief Officer for Greenlee County Eastern Arizona College site. When a complainant of sexual assault gives information to the Officer that a sexual assault has taken place and accuses a College student of the offense, the Officer will have the discretion to suspend the accused standard, and violent crime.

The sexual reputation of the complainant and accused will neither typically be accorded to those under the College judicial process.

The accused will have all the rights of due process, which are normally accorded to those under the College judicial process.

D. The victim will be notified in writing of any sanction imposed.
E. The victim will be notified of any appeals filed by the assailant and subsequent results.

RIGHTS OF THE SEXUAL ASSAULT COMPLAINANTS AND ACCUSED

A. The complainant and accused will have the right to be accompanied throughout the judicial process by an individual of their choice.
B. The sexual reputation of the complainant and accused will neither be used as evidence nor discussed in the judicial procedure.
C. The accused will have all the rights of due process, which are normally accorded to those under the College judicial process.
D. The victim will be notified in writing of any sanction imposed.
E. The victim will be notified of any appeals filed by the assailant and subsequent results.
SEXUAL HARASSMENT
Any employee or applicant for employment or student who believes that he or she has been discriminated against on the basis of sex, or has been sexually harassed, should report the matter to any Dean (Assistant, Associate, etc.), the Provost, or Executive Vice President of the College.

The College President or personnel designated by the College President shall investigate complaints of sexual harassment. Any College administrator who receives a report of alleged sexual harassment must report the allegations to the College President as soon as reasonably possible.

SOCIAL SECURITY NUMBER USE
EAC does not use the Social Security Number of faculty, staff and students as that individual’s EAC Identification Number. Faculty, staff and students are assigned a random EAC identification number at their first enrollment or employment with EAC. Students are requested, but not required, to provide their social security number to facilitate awarding of financial aid, for learning or tuition credits for income tax purposes, and for supplementary identification purposes when necessary. Neither the social security number nor the EAC identification number are shared to third parties without the written consent of the student.

VETERANS INFORMATION
Every Veteran claiming Veteran’s Educational Benefits is responsible for notifying the Veteran’s representative at Eastern Arizona College of any change in his/her schedule which causes an increase or decrease in credit hour load as soon as the change occurs. For questions, please contact the Veteran’s Representative in the Records and Registration Office on the Thatcher Campus of Eastern Arizona College or phone (928) 428-8273, or 1-800-678-3808, Ext. 8273.

VOTER REGISTRATION FORMS
Mail in voter registration forms for Graham and Greenlee Counties are available for all enrolled students and the public. Forms can be obtained at the Records and Registration Office and the Alumni Library on the Thatcher Campus. Voter registration forms may also be requested from the following:

Arizona Residents: Call toll free 1-877-THE VOTE (1-877-843-8683) or Access the Vote Arizona web page at www.azsos.gov for election information, voter information, and registration form.

New Mexico Residents: Call 1-800-477-3632 and ask for the Bureau of Elections

All Other States: Access to the National Voter web page at www.eac.gov/voter

Access to the Be A Voter web page at www.BeAVoter.org
