# OFFICIAL DOCUMENT NOTICE

**EASTERN ARIZONA COLLEGE CATALOG** is available as an electronic document published on the Internet. The Internet version is updated as needed and is the College’s official publication. All who use the catalog are advised that when taking action or making plans based on published information, the Internet version should be relied upon as the official document. Public access to Internet-based College publications is available at all EAC administrative sites or at www.eac.edu.

This catalog has been prepared to give you information on the programs and courses available at Eastern Arizona College and to answer questions you may have about official policies, procedures, and regulations. To arrange a visit or to ask any questions, please contact us at:

*Eastern Arizona College*
*Thatcher, AZ 85552-0769*
*(928) 428-8272*
*1-800-678-3808*
*FAX: (928) 428-2578*
*Email: admissions@eac.edu*

Students needing language assistance to interpret information presented in this catalog should contact EAC’s Counseling Department for assistance. The Counseling Department is located at 615 North Stadium Avenue, Thatcher, Arizona, 85552-0769 and may also be reached by telephone at (928) 428-8253.

Estudiantes que necesitan ayuda en interpretar la información contenida en este catálogo deben de ponerse en contacto con el Eastern Arizona College Counseling Department (Departamento de Consejo). El Departamento de Consejo se ubica en 615 North Stadium Avenue, Thatcher, Arizona 85552-0769 y también nos puede llamar por teléfono al (928) 428-8253.
VISION
Inspire and empower students for lifetime success through a sense of community and world-class education.

MISSION
Eastern Arizona College is a student-centered institution that prepares individuals to thrive in a complex, ever-changing world through accessibility, cultural development, and innovative educational programs.

PURPOSES
The College shall:
• Provide university transfer degree programs and courses.
• Offer associate degree and certificate programs that meet workforce needs of the local and global communities.
• Maintain quality support services to assist students in identifying and achieving personal, educational, and career goals.
• Support the educational, cultural, and economic needs of the community.
• Offer activities and programs that promote general student welfare while fostering an environment in which students can develop leadership, citizenship, and character.
• Provide innovative activities and programs that foster life-long learning.
• Facilitate opportunities beyond traditional two-year programs through collaborative partnerships.

VALUES
• Accountability
• Integrity
• Inclusion
• Quality
• Innovation
• Tradition

DIVERSITY AND INCLUSION COMMITMENT
Eastern Arizona College values diversity and inclusion and commits to fostering a welcoming, fair and respectful environment in which all are given the opportunity to meet their educational goals. The focus of this commitment is built on the foundation of a community that appreciates, welcomes, and is ready to harness the unique talents and expertise of our widely diverse and dynamic community. EAC recognizes that an important aspect of higher education is exposure to different cultures, perspectives, and beliefs and wishes to foster this through curricular and co-curricular activities.

PRESIDENT’S WELCOME
Welcome to Eastern Arizona College, the oldest and most beautiful community college in Arizona. Nestled in the Gila Valley and surrounded by mountain ranges, EAC is steeped in tradition and ready to provide a great start to your future. We offer certificates and associate degrees that will prepare you to enter the job market with marketable skills or transfer to the university of your choice.

Eastern Arizona College has developed a long tradition of academic excellence and student success. We are fully accredited by The Higher Learning Commission and our qualified and caring faculty and staff are excited to help you achieve your goals. We believe there is something for everyone at EAC, and your success is our goal.

I invite you to visit our campus, talk with our faculty, and prepare yourselves for a collegiate experience that will surpass your expectations. On behalf of Eastern Arizona College, I look forward to seeing you on campus.

MISSION AND INTRODUCTION

ACCREDITATION
Eastern Arizona College is accredited by the Higher Learning Commission.

Higher Learning Commission
230 South LaSalle Street, Suite 7-500
Chicago, Illinois 60604-1411
Phone: (800) 621-7440 or (312) 263-0456
Fax: (312) 263-7462
Email: info@hlcommission.org
Web: www.hlcommission.org

The College is a member of the Arizona Community College System.

The names of associates, agencies, or governmental bodies which accredit, approve, or license Eastern Arizona College can be viewed at www.eac.edu/about_eac.Accreditation. Additional information on EAC’s accreditation standing and procedures can be obtained by contacting Shannon Seballos at (928)428-8339 or shannon.seballos@eac.edu.

STATE AUTHORIZATION
Eastern Arizona College has been authorized by the National Council for State Authorization Reciprocity Agreement (SARA) to offer online classes to students residing outside of Arizona. SARA requires EAC to follow an established common set of standards to offer post secondary distance education among member states, districts, and territories.

HISTORY
Eastern Arizona is a public community college. Founded as St. Joseph Stake Academy in 1888, it provided education for the youth of the Gila Valley from 1890 until 1933. The institution introduced junior college courses in the early 1920s.

On March 25, 1933, it became a public county institution under the authority of the Arizona State School Code and was renamed Gila Junior College. On July 1, 1950, the name of the College was changed from Gila Junior College to Eastern Arizona Junior College.

In 1962, the College became the first official state junior college in the newly formed Arizona State System of Community and Junior Colleges. In 1966, the word “Junior” was dropped from the name of the institution.

EAC ALUMNI ASSOCIATION
The Eastern Arizona College Alumni Association was organized by President Emil Maeser, fourth President (1898-1903) of the Latterday Saint Academy during the spring term in 1900.

The EAC Alumni Association played a significant role in the history of Eastern Arizona College. Beginning with Old Main, down through the completion of the Memorial Bell Tower, EAC’s alumni have contributed to the growth and development of the College.

Today, the Alumni Association boasts a membership of over 30,000 individuals. The Alumni Association has a Board of Directors and three standing committees to assist in fulfilling its purposes. The Alumni Association provides scholarships, reunions, and other alumni events to support current students and alumni.

Together, we are building a bright and vibrant future for all who come and experience Eastern Arizona College.

EAC FOUNDATION
The Eastern Arizona College Foundation is a non-profit corporation that is fiscally and organizationally separate from the College. The Foundation is empowered to receive gifts, bequests and endowments, which are tax deductible to the donor.

Through the EAC Foundation, a variety of ways have been developed for individuals and businesses to support Eastern Arizona College.

These gifts come to the Foundation in the form of cash, marketable securities, real property, bequests, and gifts-in-kind. Special gift provisions can also be made through a will, by gifts of insurance policies, or the establishment of an endowment or a trust.

Gifts to the Foundation may be given for a specific purpose or given without restriction. Donations can also be arranged to obtain the maximum tax benefit to the donor while at the same time providing support for the mission of the College. The Foundation staff, with the assistance of your attorney or accountant, can provide additional information on the donor plan that is best for you.

For over 125 years, support for Eastern Arizona College and its educational mission has come in many forms. It is the continued generosity and commitment of alumni, businesses, and friends of the College that has been instrumental in helping Eastern produce students ready for success and achievement in the world of tomorrow. If you would like more information, please contact the executive director of the EAC Foundation at (928) 428-8295 or 1-800-678-3808.

DISTRICT GOVERNING BOARD
Janet Brocker, President
Sam Moorhead, Vice President
Connie Cockrell, Secretary
Kurt Knauss, CFO/Treasurer
Fernando Shipley, Member

MISSION STATEMENT
The Gila County Provisional Community College District (GCPCCD), in association with EAC, creates and continuously improves affordable, accessible, effective, and safe learning environments for the lifelong educational needs of the diverse communities we serve. The district fulfills this mission through:

- University Transfer Education
- Developmental Education
- Workforce Development
- Continuing Education
- Community Education
- Community Services
- Cultural Activities
- Economic Stimulation Activities
- Adult Literacy Activities

GCPCCD, in association with EAC, is dedicated to providing individual attention and assessment as well as instructional and developmental courses to ensure that each student has access to the skills needed to achieve academic success. As a leading partner in community development, we contribute to the advancement of individual, social, economic and cultural interests in the region. We measure our success in fulfilling our mission by:

- Student enrollment
- The academic success of our students
- Community response to our program offerings
- The degree to which we satisfy the needs of community business/industry for skilled workforce

EASTERN ARIZONA COLLEGE IS A PLACE where you’ll make friends easily and feel at home instantly. Small class sizes and highly qualified, committed instructors ensure a quality education. And outside the classroom, opportunities for personal growth and enrichment abound. Whatever direction you take, there’s no better starting point than Eastern.

EAC’s ethnically diverse student body represents more than 50 states and territories and 24 foreign countries.

HOW DO I ENROLL FOR THE FIRST TIME AT EAC?

Becoming a student at EAC is easy! If you’ve never attended Eastern Arizona College, you are admitted by establishing a record at EAC. You can complete and submit the Admissions Application over the Web at www.eac.edu/apply.

Contact the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, Ext. 8270 for more information.

Due to AZ law, all students are classified as out-of-state for tuition purposes until the student has submitted citizenship (Prop 300) documents and AZ residency documents to the Records and Registration Office. For more information see pages 172-175.

In addition, most students will need to submit their official high school transcript to the Records and Registration Office for athletic eligibility, financial aid verification, scholarship eligibility, and course placement.

With very few exceptions, all classes at EAC have a 14 year minimum age requirement. Students younger than 14 may seek permission to participate in classes by petitioning the Academic Standards and Appeals Committee.

The act of enrolling in courses at the College indicates you agree to be subject to all the requirements, policies, and regulations in the College Catalog and Student Handbook, and agree to establish a permanent college academic record. You further acknowledge that in order to be admitted to other colleges or universities you may be required to send this academic record to those institutions. Your enrollment also certifies your understanding that the content of EAC courses is designed for adult students and if you are a younger student, you may feel constrained from participating in class discussions due to the maturity and age of other students and the subject matter being discussed.

We will be happy to evaluate your credits earned at other colleges or universities. You will need to have an evaluation completed if you:

- Want to receive credit for prior college work, or
- Need to show that prerequisites have been met, or
- Will be participating in intercollegiate athletics at EAC and need to establish eligibility.

Arrange for an official transcript to be sent directly to the EAC Records and Registration Office from every college you have attended.

NEW STUDENT ORIENTATION

EAC’s New Student Orientation is called Monster Bridge. Monster Bridge is offered over the course of one semester and will help you learn about resources and people on campus that can be helpful while navigating your first semester at EAC.

Orientation will teach you how to:

- Navigate campus and find classrooms.
- Meet new people.
- Find class information and academic support services.
- Participate in campus clubs and activities.
- Connect and use EAC technology resources.
- Manage time, budgets and social life.
- Find jobs.

ACADEMIC ADVISING AND REGISTRATION ASSISTANCE

Academic advising and registration assistance are strongly recommended for:

- All new students
- All degree-seeking students
- All students who plan to transfer to another college or university
- All students who are unsure of what major to pursue

Students registering for the first time can expect the following assistance from the Counseling Office:

- Academic Advising: Counselors and Faculty Advisors will help identify your academic goals and develop an educational plan.
- Registration Assistance: Counselors will assist you with learning how to utilize your Gila Hank account for class registration.
- Academic Support: Counselors will guide you on how to access the tools necessary for your academic success.

To make an appointment, contact the EAC Counseling Office at (928) 428-8326 or 1-800-678-3808, Ext. 8326 or email counseling@eac.edu for more information.
READING, ENGLISH AND MATH PLACEMENT

Course Placement. At Eastern Arizona College, we champion student success; correct course placement is a key component of success. EAC requires assessment of competency in reading, writing and mathematics. Through placement testing, students are able to identify strengths as well as areas that need improvement prior to their enrollment in college-level courses. This assessment process guides students to classes that challenge but don’t overwhelm.

In place of assessment, Eastern Arizona College also accepts other measures of college readiness, such as US high school transcripts that are no more than five years old, qualified ACT and SAT scores, and transcripts from other colleges or universities that the student attended previously.

Reading Proficiency. A demonstrated reading ability is a prerequisite for many courses and programs. Reading proficiency for most courses and programs can be demonstrated by one of the following methods:

- Earning a grade of “C” or better in ENG 091
- Achieving a minimum score of 250 on the Accuplacer Next Gen reading test
- Earning a grade of “C” or better in 9 credit hours of college courses requiring ENG 091 or equivalent as a prerequisite (if transferring in, credit hours must be transferrable and from a regionally accredited college or university)
- Achieving a minimum score of 18 on the reading portion of the ACT or a minimum score of 480 on the Evidence-Based Reading & Writing portion of the SAT (taken within the last 5 years)
- High School Cumulative Grade Point Average of 3.0 (if graduated in the last 5 years or currently in high school with 2+ years of completed high school coursework)

Math and English Skills Assessment. Students who intend to enroll in English, math or general education courses for the first time may be required to take the English and math skills assessments prior to enrollment. In place of assessment, multiple measures may be utilized to correctly place students in these courses.

Scheduling Placement Testing. You may take placement assessments by appointment during regular business hours on the Thatcher campus. If you are from out of the area, you may be able to schedule a remote testing session. For more information, contact the Counseling Department at (928) 428-8326 or 1-800-678-3808, Ext. 8326 or email counseling@eac.edu.

INTERNATIONAL STUDENTS

Eastern Arizona College is authorized under Federal law to enroll nonimmigrant students. Notice will be sent to the student indicating either acceptance or denial after the Records and Registration Office has received all of the following items. Contact the Records and Registration Office to obtain forms and more information. All items need to be received by June 1 for fall semester and by October 15 for spring semester.

- International Student Admissions Form
- $25 non-refundable application fee payable in U.S. dollars.
- Housing Application and deposit (if College housing is desired)
- Official transcript of high school and college work. High school transcripts (or the equivalent) must include signature of school official and clearly indicate a date of graduation. An official translation of your high school record must be submitted. The translation should indicate names of all courses taken, and grades obtained.
- Completed medical examination
- TOEFL test scores. The minimum TOEFL paper-based test score we accept is 500, the minimum TOEFL computer-based test score we accept is 173, and the minimum TOEFL internet-based test score we accept is 61. For information on the TOEFL, write to TOEFL Services, Educational Testing Service, P.O. Box 6151, Princeton, NJ 08541-6151, USA or go to www.ets.org/toefl.
- Certification of Finances
- Proof of hospitalization insurance

After being admitted to Eastern Arizona College, the International Student is responsible for completing all Immigration and Naturalization Service (INS) requirements. Students may not enroll in classes at Eastern Arizona College without the I-20 Certificate of Eligibility form on file in the Records and Registration Office.

- More specific information about international student admissions is available at the following links:
  - FAQ - https://www.eac.edu/Admissions/International/faq.shtm
  - Admissions Procedures - https://www.eac.edu/Admissions/International/procedures.shtm
- For more information, see studyinthestates.dhs.gov.
TUITION AND FEES

TUITION AND FEES FOR 2021-2022

The exact amount you will spend on college expenses will depend on your class schedule (textbooks needed, fees, etc.) and your housing and meal arrangements. Below is an estimate of the costs per semester, based on enrollment in 16 credit hours.

### General Tuition and Fees
- **Arizona Residents**: $1,350
- **Out-of-state**: $1,350
- **Students from WUE States**: $1,350

### Books & Incidentals
- **Arizona Residents**: $600*
- **Out-of-state**: $600*
- **Students from WUE States**: $600*

### Room & Meals
- **Arizona Residents**: $3,463*
- **Out-of-state**: $3,463*
- **Students from WUE States**: $3,463*

**TOTAL:**
- **Arizona Residents**: $5,413*
- **Out-of-state**: $9,763*
- **Students from WUE States**: $6,088*

*These are estimated costs and subject to annual change.

**19 meal plan, double occupancy room averaged over fall and spring semesters (least expensive option).**

### REFUNDABLE TUITION AND FEES FOR 2021-2022 (GRAHAM, GREENLEE AND GILA COUNTIES)

TUITION AND FEES

Tuition and Fees

2021-2022 Eastern Arizona College Academic Catalog

Financial Aid Office to seek and receive financial assistance

• To be eligible for consideration, you must:
  • Be a resident of New Mexico.
  • Be admitted to Eastern Arizona College
  • Declare a Program of Study/Major
  • Fill out a New Mexico Out-of-State Tuition Waiver Application in your Gila Hank Account
  • Maintain full-time student status while on the waiver, completing at least 12 credit hours at a minimum 2.0 GPA per semester
  • For priority consideration, students should register for classes as soon as possible prior to the semester of attendance.
  All student must fulfill Prop 300 and residency to be eligible.

Valid and current supporting documentation from your state of residence must accompany your New Mexico application:

• Drivers license
• Motor vehicle registration
• State income tax return for previous year
• High school transcript
• Property ownership document
• Dependency status indicated on parent’s federal income tax return from previous year
• Bank statement addressed to your state of residency

A tuition reciprocity agreement is made by and between the New Mexico Commission on Higher Education and Eastern Arizona College (and other community colleges in Arizona). The purpose of the agreement is to enable selected students from New Mexico to enroll at designated institutions of higher education in the State of Arizona with authorization to pay Arizona resident undergraduate tuition rates, and to enable an equal number of selected students from the State of Arizona to enroll at Western New Mexico University in New Mexico with authorization to pay New Mexico resident undergraduate tuition rates.

New Mexico students are not eligible to establish Arizona Residency to in-state tuition purposes until one year after discontinuing the New Mexico Waiver.

SENIOR CITIZEN

Senior Citizens who are at least age 55 are eligible for a tuition waiver. To receive the waiver, proof of continuous Arizona residency must be provided to the Records Office.

All student must fulfill Prop 300 and residency to be eligible.

Valid and current supporting documentation include (must be dated at least 1 year ago):

• AZ Driver’s license
• AZ Motor vehicle registration
• AZ State income tax return for previous year
• Bank statement or utility bill addressed to your Arizona residence

Senior citizens from out-of-state are eligible to have their in-state portion of tuition waived.

WESTERN UNDERGRADUATE EXCHANGE (WUE)

WUE is the Western Undergraduate Exchange, a program of the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in western states may enroll in many two-year and four-year college programs at a reduced tuition level: 150% of the institution’s resident tuition. To be eligible for consideration, you must:

• Be a legal resident of participating states—Alaska, California, Colorado, Guam, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Northern Marianas Islands, Oregon, Republic of the Marshall Islands,}

*Note: debit/credit card payments will be assessed a 2.75% non-refundable fee by the card processor.

Students can avoid paying debit/credit card fees by choosing the ACH (E-Check) payment option available online through Gila Hank.

You may also mail a check or money order to the following address:

Attn: Cashier
Eastern Arizona College
615 N. Stadium Ave
Thatcher, AZ 85552

Please make checks payable to Eastern Arizona College.

Cash payments can be made at the Fiscal Offices located in Thatcher, Globe and Payson but are discouraged due to Covid-19 restrictions and the inherent risks involved in students carrying large sums of money on their person.

Students may also choose to enroll in an online payment plan managed by Nelnet Business Solutions. Those choosing the payment plan option pay an up front enrollment fee of $25 which enables them to spread their tuition, dorm and declining meal plan expenses over several months. Payment plans are only available online through Gila Hank. Choose the Financial link located on the home screen then click the “pay” option. Payment plan options include ACH (E-Check) and debit/credit card (card processing fees do apply).

Registration is not complete until all tuition and fees and outstanding debts or balances are paid, or one is successfully enrolled in an online payment plan.

If you expect to receive financial aid you need to work closely with the Financial Aid Office to seek and receive financial assistance. If you are seeking aid for the fall semester, you are advised to begin the application process early the previous spring.

Classes will be automatically cancelled if tuition and fees are not paid by the fourth Monday in July for fall semester and the second Friday in December for spring semester. The Academic Calendar in the catalog specifies the dates by which all fees or financial aid arrangements are due. If payment is not received by these dates, your registration will be cancelled. If your registration is cancelled, you may not be able to get back into all your classes. Don’t let this happen to you! Be sure all financial arrangements are made by the date due.

TUITION WAIVERS

NEW MEXICO

There are a limited number of tuition fee waivers for residents of New Mexico who wish to attend Eastern Arizona College. To be eligible for consideration, you must:

• Be a resident of New Mexico.
• Be admitted to Eastern Arizona College
• Declare a Program of Study/Major
• Fill out a New Mexico Out-of-State Tuition Waiver Application in your Gila Hank Account
• Maintain full-time student status while on the waiver, completing at least 12 credit hours at a minimum 2.0 GPA per semester

Valid and current supporting documentation from your state of residence must accompany your New Mexico application:

• Be a legal resident of participating states—Alaska, California, Colorado, Guam, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Northern Marianas Islands, Oregon, Republic of the Marshall Islands,
Tuition and Fees: Refundable tuition and fees are defined as general tuition and out-of-state tuition. All students who officially withdraw from the College or individual semester-length or short-term courses before the close of registration for the course will receive a full refund. Students who withdraw from classes after the close of registration will not receive a refund. Fees including class, lab and other special or miscellaneous fees are not refundable.

Valid and current supporting documentation from your state of residence must accompany your WUE application:

- Drivers license
- Motor vehicle registration
- State income tax return for previous year
- High school transcript
- Property ownership document
- Dependency status indicated on parent’s federal income tax return from previous year
- Bank statement addressed to your state of residency

WHAT IS EAC’S REFUND POLICY?

Tuition and Fees: When the College cancels a course, a full refund will be made for the cancelled course.

Special Provision Refunds: Students with extenuating circumstances may petition the Admissions and Academic Standards Appeals Committee for a prorated tuition refund. Petitions are submitted via Gila Hank Online. Extenuating circumstances shall be limited to the following:

1. **Serious Illness or injury:** Illness or injury qualifies for a Special Provisions Refund when the condition impeded the student’s ability to attend class, submit assignments, or complete scheduled exams in a timely manner and causes the student to fall behind to the extent that the student’s performance and grade will be impaired as a direct result of the illness or injury. Written verification is required from the student’s physician, on the physician’s letterhead, verifying that illness or surgery prevents the student from being able to attend classes, or that attending classes would jeopardize the health of other students in class.

2. **Death of the Student or an immediate family member:** Qualifying family members shall include immediate family members i.e., father, mother, siblings, son, daughter, or spouse. The student must provide a death certificate or an obituary indicating the relationship to the deceased.

Any request for Special Provisions refund must be made in the same academic term as the withdrawal. Requests made after the academic term will not be considered.

Any Special Provisions refund granted will be prorated as follows:

- The final withdrawal occurs within the first 25% of the academic term, 75% of tuition refunded.
- The final withdrawal occurs within the first 50% of the academic term, 50% of tuition refunded.
- The final withdrawal occurs within the first 75% of the academic term, 25% of tuition refunded.

The student transcript will continue to show the classes registered for with a grade of “W”. “Withdrawal Without Record” (WOR) will not be awarded as this may cause EAC to be out of compliance with Federal Financial Aid.

In the event any federal financial aid monies are to be returned to the government, those returns will be deducted from the refund and the student receives only what may be remaining.

Other Refunds: Students who wish to appeal the refund policy may do so by petitioning the Admissions and Academic Standards Appeals Committee. Petitions are submitted via Gila Hank Online.

A student in the Armed Forces or the Arizona National Guard who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw and receive a full refund of tuition provided courses have not been completed.

A student who receives a Special Provision Refund or Active Duty Refund may also be granted a prorated refund for residence hall and meal ticket expenses.

Residence Halls Refunds: For refunds of reservation deposits or room costs, please refer to the “Housing and Dining Facilities” section of this catalog on page 22.

Meal Plan Refunds: For refunds of meal plans, please refer to the “Housing and Dining Facilities” section of this catalog on page 23.

Refund Petitions: Petitions for waiver of refund policies for residence halls and meal plans may be filed with the Dean of Students. Petition forms can be picked up in the Student Life Office located in the Gherald L. Hoopes Jr. Activities Center, Room 114, or by calling (928) 428-8354 to have a copy sent to you.
HOUSING AND DINING FACILITIES

HOUSING AVAILABILITY AND RESERVATIONS

Residence hall facilities are available on the Thatcher campus for both men and women. Tour arrangements of these facilities can be made with the Admissions Office when you visit campus or by calling (928) 428-8272. For students considering off-campus options, the Student Life Office maintains a web site directory of private facilities available for rent. Inquiries concerning the directory can be made by calling (928) 428-8354.

On campus residence hall spaces are limited, especially during the fall semester. Students are encouraged to apply for space as soon as they can by submitting a Housing Application and a $150 reservation deposit. Hall space assignments are made on a first-come, first-served basis, based on the date the Housing Office receives your application and deposit. Preference will be given to full-time students for College housing. Student must be 18 years of age or older by 45th day of the semester.

Students may apply online on EAC’s web site, www.eac.edu/Campus_Life/Housing/formChoice.shtml. Students may print a PDF version of application from this same link and send it with a deposit payment by mail. If you have question about the application and assignment process, please contact the Housing Office at (928) 428-8605.

EAC reserves the right to deny on campus housing, change room assignments, or remove a student from College housing if it is felt to be in the best interest of the student and/or the College.

EAC is not responsible for the loss, theft, or damage to personal property. Firearms, simulated weapons, any kind of projectile weapon and/or other weapons, explosives of any kind, intoxicating liquors, illegal drugs, or any mind-altering substances are prohibited in the residence halls and elsewhere on College property at all times. Those in violation will be subject to Student Conduct sanctions and/or possible expulsion from EAC and restricted items confiscated. Pets are not allowed in the residence hall areas or rooms at any time.

RESIDENCE HALL ROOM FEES FOR 2021-2022

Mark Allen and Nellie Lee are traditional, like gender residence halls, with double occupancy rooms. Room costs are $1,400 for fall semester and $1,400 for spring semester.

Residence Towers are four like-gender student suites adjoining a common area, with four students per suite. Room costs are $1,850 for fall semester and $1,850 for the spring semester.

Room and meal plan fees must be paid prior to the date the residence halls open for the semester. If fees are not paid by this date, your reservation will be subject to cancellation and your reservation deposit forfeited. Students not checking into assigned hall space by the end of the first day of class for that semester will be subject to the cancellation of their reservation and forfeit of deposit. Residence hall room costs are subject to annual change.

HOUSING DEPOSIT

A $150 reservation deposit is required to be included with Housing Application to reserve hall room space on campus. Upon check-in, the reservation deposit converts to a security deposit against loss or damage to College property. The Housing deposit may be left on account between semesters to reserve space for subsequent semesters. Individual or communal damage expenses will be charged to student(s) as they occur. A full deposit of $150 must be maintained in your student account in order to maintain your reservation for subsequent semester.

HOUSING CANCELLATIONS AND REFUND ELIGIBILITY

Students, whose plans have changed and are no longer planning to reside in an on-campus residence hall, are encouraged to cancel their reservation as soon as possible, so that available space can be freed for other students waiting for hall space.

Students may cancel residence hall reservations online on EAC’s web site, Residence Hall Reservation Confirmation/Cancellation link, www.eac.edu/Campus_Life/Housing/ConfirmCancel.shtml or by notifying the Housing Office at (928) 428-8605. Cancellations received on or before July 15 for the fall semester, or on or before December 15 for the spring semester, will result in a full refund of the $150 hall reservation deposit minus any damage charges. Cancellations after these dates will result in a forfeit of the reservation deposit.

Hall residents must complete a check-out with the hall Head Resident to be eligible for a refund of their deposit.

If a hall resident has paid their room cost and cancels their reservation on or before the halls open for the semester, they will be eligible for a full refund of the room cost. If the hall resident cancels their room cost and checks out prior to the end of the academic registration period for that semester, they will be eligible for a 50% refund of the room cost. If the hall resident checks out after the end of the academic registration period for that semester, they will not be eligible for a refund of the room cost.

CAMPUS DINING

Campus Dining is located in the NW corner of the Gherald L. Hoopes Jr. Activities Center Lobby. Meals are served both cafeteria-style and in Gila Hank’s Deli. Gila Hank’s Deli has extended hours of service throughout the day and evenings.
All students who live in a residence hall are required to purchase a meal plan option each semester. Any student, faculty, staff, or guests of the College may purchase food and beverages A La Carte in the cafeteria and Gila Hank’s Deli with cash, credit card, or debit card.

Meal plan costs are subject to annual change.
https://www.eac.edu/Campus_Life/Dining/options.shtm

**FOOD SERVICE REFUNDS:**
Students who completely withdraw from EAC and cancel their food service prior to the last Friday in October for the Fall semester or the last Friday in March for the Spring semester will be eligible for a refund of the unused portion of the initial meal plan purchase. Reloaded meal cards are not eligible for a refund.

**FACILITIES CLOSED**
On campus residence halls are closed to all students during the semester break between the fall and spring semesters and during Spring Break. Fall semester students residents returning for the spring semester may leave their personal possession in the hall room to which they have been assigned. Students are not required to remove personal possessions from rooms during the Spring Break.

Student residents not returning after the fall semesters are expected to check-out of the hall by 9 a.m. of the closure date of the hall or earlier. Students not checking out by this date/time will be subject to a daily-rate charge.

All spring semester student residents must check-out of residence halls by 9 a.m. of the closure date of the hall. Students not checking out by this date/time will be subject to a daily-rate charge.

Any exceptions to hall closures, check-out dates/times, or check-in dates/times must be approved by the Director of Student Life or the Housing Office.

Food service/dining hall is closed for meal plan use during scheduled hall closures and Thanksgiving day. At times during the fall and spring semesters, school picnics/BBQs are held on campus. An alternate meal schedule may be imposed during these times or the meal may be replaced by the picnic/BBQ activity.

For additional information concerning hall closures and food service on campus, please contact the Housing Office at (928) 428-8605 or the Student Life Office at (928) 428-8354 or visit the websites: https://www.eac.edu/Campus_Life/Dining/options.shtm, or https://www.eac.edu/Campus_Life/Housing/.
FINANCIAL AID

The Financial Aid Office’s mission is to provide Eastern Arizona College (EAC) students, prospective, current, and past, with prompt, accurate and courteous assistance.

To help students meet the financial obligations of college attendance, EAC administers a varied and comprehensive financial aid program. Financial aid is designed to bridge the gap between the costs of attending college and what students and their families are expected to contribute. Citizens, or eligible non-citizens of the United States, may apply for assistance regardless of sex, age, color, religion, marital status, national origin, pregnancy related conditions, handicap, or veteran disability.

The U.S. Department of Education, through EAC, offers three major student financial aid programs:

1. Federal Pell Grant
2. Federal Supplemental Educational Opportunity Grant (FSEOG)
3. Federal Work Study (FWS)

Eastern Arizona College does not participate in the Federal Direct Student Loan program.

A complete description of these programs is available online at: www.studentaid.ed.gov.

To be considered for financial aid, the following is required:

1. Complete an application for admissions, www.eac.edu/forms/SIF.
2. Complete the Free Application for Federal Student Aid (FAFSA), resulting in a Student Aid Report (SAR). The FAFSA can be completed on the web at: www.fafsa.ed.gov. For tips on how to complete the FAFSA go to go to 7 Things You Need Before Filling Out the 2021-22 FAFSA Form: https://studentaid.gov/articles/filling-out-fafsa/. To sign this application electronically and access your federal financial aid account in the future, apply for an FSA ID at: https://studentaid.gov/fsa-id/create-account-launch.
3. Documentation of information submitted on financial aid applications is required if the Central Processor selects it for a process called verification or EAC has conflicting information.
4. The student meets all other eligibility requirements as established by the U.S. Department of Education, State of Arizona, Eastern Arizona College and/or the funding agency.

The priority deadline for programs with limited funding such as FSEOG and FWS is December 15th, annually. Additional information or help is available through the Financial Aid Office. Please come in or call with your questions. It is important to have the right answer the first time rather than being delayed by inaccurate information. Corrections can be made electronically by the Financial Aid Office or online at the FAFSA web site using your FSA ID.

In general, eligibility for financial aid (Title IV funds) is determined through the following criteria:

- Student demonstrates financial need: when student’s institutional Cost of Attendance (COA) minus FAFSA results or Expected Family Contributions (EFC), results in a need. The FAFSA also determines eligibility for Pell Grant.
- Student is enrolled in courses that leads to a declared certificate or degree with a minimum duration of not less than one academic year (30 weeks of instruction) and not less than 16 credit hours.
- Student’s total number of credit hours enrolled in each semester.
- Student meets Satisfactory Academic Progress standards as established by Eastern Arizona College, and in compliance with federal regulations.
- Student does not owe an overpayment to a federal grant program.
- Student has not received 600% or 6 years of full time Pell Grant.
- Student is not in default on a Perkins, FFELP or FDSL loan.
- Students who have earned a bachelor’s degree are not eligible for financial aid at EAC.
- Student has provided EAC with transcripts from all previously attended institutions and these transcripts have been evaluated by the Registrar.

If a financial need has been demonstrated and the necessary qualifications have been met, assistance in the form of grants, work-study and/or scholarships may be made. Generally a “package” of aid or a combination of different types of assistance is awarded.

Because family capabilities vary, each aid award is designed specifically to fit the student’s circumstances. All awards are made based on an academic year beginning with fall semester and ending with Summer Term II; so a FAFSA must be completed each year. Students will be notified by mail through an “award letter” or the online Financial Aid System called “My Financial Aid” at: www.eac.edu/NetPartnerStudent/Logon.aspx. The award is based on the availability of funds and may be adjusted at any time.

FINANCIAL AID DISBURSEMENTS

Financial aid is disbursed to individual student accounts no earlier than 10 days prior to the first day of class. Generally, the first disbursement of grants and scholarships is two business days preceding the first day of the semester. Thereafter, disbursements are generally made on Thursday of each week. If after tuition, EAC approved fees, on campus board and room, and other student authorized charges are paid, and a balance remains, the balance will be paid by EAC to BankMobile. Students will select through BankMobile the method of payment, whether by check, direct deposit to personal bank accounts, or a debit card provided by BankMobile. Students can request an EAC check by contacting the Fiscal Control Office in person prior to the disbursement of funds for a given semester.

TRANSFER STUDENTS FROM OTHER INSTITUTIONS

If a student transfers to or from one school to another, previous financial aid awards will not automatically transfer. To receive aid at the new school, check with that school’s financial aid office to find out what aid programs
are available and what steps are required to receive it. Midyear transfer students to EAC must notify the Financial Aid Office of the transfer status so that required documents can be requested. Federal regulations require that EAC conduct a process called ‘Transfer Monitoring’ before disbursing financial aid. Academic transcripts from previously attended institutions are also required.

**WORK STUDY**

Eastern Arizona College provides many part-time work opportunities for students who have completed a FAFSA and been determined eligible for the Institutional or Federal Work Study Programs. Employment is available in a variety of on and off campus jobs, including office clerks, lab assistants, custodial crews, library helpers, America Reads tutors and others. Student employment is part of an award package. Students who have been awarded work study can find job opportunities on the EAC web site: www.eac.edu/Student_Services/Financial_Aid/jobs.htm. This web site also guides the work study recipient through the employment process.

**SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS**

The Eastern Arizona College (EAC) Financial Aid Office is required by federal regulations to monitor academic progress toward a degree or certificate for all degree seeking financial aid applicants. As a result, the Financial Aid Office reviews grades and attempted coursework of all applicants, whether or not aid was received, prior to the awarding of financial aid and following each period of enrollment. All students receiving financial aid are required to meet the standards listed below. Credit hours earned prior to receiving financial aid are subject to these standards. Students who do not meet these standards will be placed on financial aid warning, probation or suspension as stated.

**STANDARDS**

- Satisfactory academic progress toward a degree or certificate includes maintaining a cumulative grade point average of 2.00 (C), or its equivalent. The student must continue to earn a cumulative GPA of 2.0 throughout the course of attendance. Grade point values are: A = 4.0, B = 3.0, C = 2.0, D = 1.0, F = 0. Passing (P) grades do not count toward GPA but do count as completed course work.
- Satisfactory academic progress toward a degree or certificate also includes the total number of credit hours attempted each semester. Federal regulations require students to complete their program of study in a 150% time frame. The pace of progress, as established in this policy, requires students to complete a minimum of 67% of attempted credit hours. The completion rate is calculated by earned hours divided by attempted hours equal's completion rate. Transferred credit hours, as determined by the Registrar, will be added to the total hours attempted and earned when calculating the completion rate and 150% time frame. A student may change majors as often as desired but 150% time frame does not renew with each major change.
- Student's seeking additional degrees from EAC are limited as follows. After earning a first Associates degree of any type, a student may earn an additional 30 credit hours toward a second Associates degree but may not exceed 96 total credit hours. Students are limited to three certificates. Hours attempted while obtaining any degree count toward the aggregate of 96 credit hours. Students seeking a third Associates degree or fourth certificate are suspended from receiving Title IV financial aid even if they have fewer than 96 total credit hours.
- All repeated course work will be calculated as attempted hours. In accordance to federal regulations students can repeat a failed course until it is passed. A student can repeat a passed course once to improve the grade. However, once a student earns a degree a course within the completed degree cannot be repeated for a higher grade.
- The college does not consider Withdrawals (W), Fail (F), Incomplete (I), as successfully completed course work when determining the minimum hours completed. Courses dropped without record before expiration of the add/drop period are not counted against maximum time frame.
- There is no academic amnesty for financial aid recipients per federal regulations. Academic amnesty is when a student has successfully petitioned for withdrawal without record to have a Withdrawn or Failing grade removed from the transcript. Financial aid will still count removed course(s) as attempted credit hours.
- Students may receive federal aid for up to 30 credit hours of remedial coursework. The student must be accepted as a regular student in a degree program and need the remedial coursework to successfully complete required degree courses. Up to 30 credit hours of remedial coursework will be excluded from the 150% maximum time frame measurement. Remedial coursework does count towards the GPA calculation and the measurement to determine the students required 67% pace of progress.

**WARNING STATUS**

Students who do not comply with either the GPA or minimum credit hour completion ratio will receive a single semester of warning status. During this warning period the student must improve his/her GPA to a cumulative 2.0 and/or complete and make up deficient credit hours reaching a 67% completion rate. If a student earns a cumulative GPA that is below 1.0 no warning period will be given. If a student earns 2 or less credits in a semester no warning period will be given unless earned hours divided by attempted hours is equal to or greater than 67%.

**SUSPENSION STATUS**

Students who do not achieve a GPA of 2.0 or make up deficient credit hours during a period of warning will be placed on financial aid suspension status. Students who earn a semester GPA of less than 1.0 will be placed on suspension status unless their cumulative grade point average remains a 2.0 or higher. Students who earn 2 or less credit during a single semester will be placed on suspension status unless their earned hours divided by attempted hours is equal to or greater than 67%. A transfer student who withdraws from all courses their first semester at EAC will be placed on suspension status.
MAXIMUM CREDIT HOURS
SUSPENSION

The maximum number of credit hours a student may attempt and still be eligible for financial aid is 150% of the credits required to complete a declared degree, generally 96 credit hours for an associate's degree. This includes credits accepted as transfer to EAC. In keeping with institutional policy, the transferred GPA will not be included in the college’s calculation of the institutional GPA. A student will be suspended prior to exceeding the 150% time frame if this time frame will be exceeded during the next period of enrollment.

Students completing additional hours beyond the 150% allowed by regulation are required to complete the Maximum Credit Appeal (MCA) form.

FINANCIAL AID APPEAL PROCEDURE FOR SUSPENSION BASED ON NON-SATISFACTORY ACADEMIC PROGRESS

A student whose financial aid eligibility has been suspended must meet the following conditions in order to regain financial aid eligibility:

1. Complete the necessary credit hours on personal resources to improve cumulative GPA to a 2.0.
2. Complete the necessary credit hours on personal resources to achieve a 67% completion ratio.

If a student feels there were circumstances beyond his/her control that affected academic performance he/she may submit an appeal for a probationary period.

Suspended students will receive a suspension notice from the Financial Aid Office with information on the probationary appeals process. The appeal form is online at: www.eac.edu/Student_Services/Financial_Aid/forms/SAPAppeal2122.pdf.

Circumstances under which a student is permitted to appeal are:
- Death of a family member.
- Injury or illness of the student.
- Change in employment or work schedule.
- Other special circumstances.

Required documentation
- Newspaper obituaries or death certificates to substantiate death.
- Physician’s written statement to substantiate illness or accident.
- Written statement from clergy, family member, or other third party who knows the situation.
- Written statement from academic advisor or instructor.
- Documentation of change in work schedule that caused inability to attend courses.

Lack of documentation will always result in the denial of the appeal.

Appeal submission and possible outcomes:
1. The appeal is denied for lack of documentation or the financial aid counselor does not feel the documentation is adequate or the students' academic record does not indicate an ability to be successful in their chosen major.
2. A completed Non-Satisfactory Academic Progress Appeal form is submitted to the EAC Financial Aid Office with accompanying documentation within the specified appeals time frame as indicated in the suspension letter.
3. A probation period may be granted for one semester if the student can achieve a cumulative grade point average of 2.0 and/or a competition ratio of 67% within one semester. The student will be notified by email or letter of this determination.
4. A probation period may be granted based on an academic plan if it is not possible for the student to achieve a 2.0 cumulative grade point average and/or 67% completion ratio in one semester. This plan, if followed, will achieve the required cumulative grade point and completion rate when concluded.
5. Failure to adhere to the conditions of the probationary period may result in financial aid termination without the possibility of further appeal. To again become eligible a student must attend on personal resources to improve cumulative GPA and/or achieve a 67% completion ratio.
6. If a probationary period is denied, an appeal to an appeals committee is permitted if the student provides a written request and documentation that was not part of the original appeal. This must be received within seven days of the appeal denial. The Financial Aid Office must deem the additional information substantive enough to make a difference to the original outcome. The committee will review the original appeal, the additional documentation, and render a decision within 7 working days. The committee’s decision will be provided to the student by letter; it is final and cannot be challenged.
7. If a probationary period is granted based on a financial aid counselors review of the appeal and the student fails to meet the probationary conditions; an appeal to the financial aid appeals committee may be possible. The student must submit a non-satisfactory academic appeals form, document the reasons for failing the probationary period and the financial aid office must receive from an EAC Counselor a letter of request for the committee hearing. The counselor’s letter must state the reason(s) the committee should consider the students appeal. The committee will review the documentation, and render a decision within 7 working days. The committee’s decision will be provided to the student by letter; it is final and cannot be challenged.
8. There are instances when it is not mathematically possible for a student to achieve good standing within 150% time frame. Under this circumstance the appeal will be denied. The exception might be when the time frame only needs to be extended by a single semester for the student to reach a 2.0 cumulative GPA and/or 67% completion rate, and then the appeal may be approved.

FINANCIAL AID APPEAL PROCEDURE FOR A MAXIMUM CREDIT APPEAL

Suspension resulting from exceeding the maximum time frame of a 150% to complete degree requirements may be appealed to the Financial Aid Office.
**Appeal submission and possible outcomes:**

The student will obtain the required appeal document at: https://www.eac.edu/Student_Services/Financial_Aid/forms/MCA2122.pdf. The appeal must be submitted within the specified time frame as indicated in the suspension letter.

The student will complete all sections of the appeal. The student will print from their Gila Hank a degree audit based on the degree listed in Section I: #2 or #3 on the appeal form. A copy of this degree audit must be attached to the appeal. The student, based on the degree audit, will determine when the needed courses will be taken and list these courses in Section II according to semester. The student may seek assistance from an Academic Counselor or professor to complete the form. The student will agree to the terms of the appeal by reading and signing part three.

The student will submit the completed appeal form to the Financial Aid Office.

The Financial Aid Office will evaluate the appeal and determine if the student’s time frame to complete the stated degree is appropriate within federal guidelines. If approved, the appeal and courses outlined will be the contract under which the time frame is extended. The student must abide by this contract. Failure to do so may result in suspension without the opportunity to further appeals. Time frame appeals will be completed for one academic year at a time. Revisions to the contract must be approved by the Financial Aid Counselor prior to enrolling for non-approved courses.

If the appeal for extended time frame is denied a denial notice will be sent to the student by email or letter. The student may appeal this denial within seven days of the date the denial was sent. The appeal must be in writing explaining why the student feels the denial should be reviewed. The financial aid committee will review the student’s appeal and letter. The decision of the committee will be communicated in writing to the student within seven working days. The committee’s decision is final and cannot be challenged.

**DISBURSEMENT POLICY**

The U.S. Department of Education requires institutions of Higher Education to institute Cash Management requirements for Title IV programs. These requirements affect the crediting and disbursement of financial aid funds. Highlights of these regulations are as follows:

- The College cannot disburse financial aid funds to a student’s account until the student is enrolled in classes for the semester for which the funds are intended.
- The earliest the College may begin crediting a student’s account with financial aid funds is 10 days before the first day of the payment period.
- The College can only credit student accounts for allowable charges; i.e., tuition, fees, room and board if on campus. Any discretionary charges on an account may only be credited by financial aid if authorized by the student through a signed statement. This authorization may be rescinded at any time by contacting the Financial Aid Office.
- The College must provide a way for a Federal Pell Grant eligible student to obtain or purchase, by the seventh day of a payment period, the books and supplies required for the payment period if, 10 days before the beginning of the payment period the institution could disburse funds for which the student is eligible, the student would end up with a credit balance and the amount the college determines as needed for books and supplies is less than the credit balance.
- After tuition, fees and other student authorized charges are paid, any remaining award amount will be refunded according to the student’s chosen refund option. Students can receive their funds direct from EAC by paper check or they can choose one of two refund options offered through Bank Mobile. Bank Mobile options include Direct Deposit via ACH into a checking account or opening a Bank Mobile Vibe online checking account. The link for selecting a Bank Mobile option is Refundselection.com. You will need a personal code when selecting a Bank Mobile refund option. Please contact the Fiscal Office (928-428-8221 Option 2) to receive your personal code. Students can view EAC’s contract with Bank Mobile at: https://www.eac.edu/Student_Services/Financial_Aid/disburse.shtml.

**WITHDRAWING/STOPPING ATTENDANCE FROM CLASSES**

The federal law specifies how Eastern Arizona College must determine the amount of Title IV program assistance that you earn if you withdraw from all Title IV eligible courses. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, and Federal Supplemental Educational Opportunity Grants (FSEOGs). EAC does not participate in the Federal Student Loan Programs.

Though your aid is posted to your account at the start of each semester, you earn the funds as you complete the semester. If you withdraw during the semester, the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or EAC received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by EAC and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of the semester, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the semester, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. EAC may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). EAC needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If you receive (or EAC receives) excess Title IV program funds that must be returned, EAC must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

EAC must return this amount even if it didn’t keep this amount of your Title IV program funds.
FINANCIAL AID PROGRAM DESCRIPTIONS

Grants

Federal Pell Grant - The Federal Pell Grant is a federal Title IV grant program to help undergraduates pay for educational costs after high school. For many students, these grants provide a foundation of financial aid to which aid from other Federal and non-Federal sources may be added. Unlike loans, a Pell Grant does not have to be repaid. In order to receive a Federal Pell Grant a student must be enrolled in an eligible certificate or degree program as outlined in EAC's college catalog. The amount of the award is based upon the Expected Family Contribution (EFC), the cost of attendance, enrollment status, and a payment schedule issued by the U.S. Department of Education. The award may range from $0 to $6,495 per academic year. The award schedule may be adjusted pending Congressional budget authorizations. Pell Grants are pro-rated based on credit hours of enrollment: 12 is full time, 9 – 11 is ¾ time, 6 - 8 is ½ time and < 6 is less than half time.

The U.S. Congress has reinstated the year-round Pell Grant beginning with July 1, 2017. However, the eligibility rules for year-round Pell Grant have not been provided by the U.S. Department of Education. EAC will begin offering the year-round Pell Grant in the summer of 2018.

Federal Supplemental Educational Opportunity Grant (FSEOG) - FSEOG is a Title IV grant program which provides additional funds from the Federal Government to exceptionally needy students. This grant must be combined with other forms of aid and is also non-repayable. A grant may range from $200 to $2,000 per academic year. These funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

Leveraging Educational Assistance Partnership Program (LEAP) - LEAP is a federal grant program matched by the State of Arizona. Only Arizona residents are eligible. The award may range from $100 to $1500 per academic year. These funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

Federal Work Study (FWS) - The FWS funds provide opportunities for students to work part time and earn income to help meet educational expenses. Salaries must be equal to the current Arizona minimum wage, but the maximum amount a student may earn in an academic year is determined by the Financial Aid Office. Federal Work Study awards generally range from $500 to $4500 per academic year. Federal Work Study students are encouraged to perform community service employment and/or to participate in the America Reads Program. Funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

For additional information on Title IV financial aid program specifics, reference "The Student Guide" published by the U.S. Department of Education on the Internet at: www.studentaid.ed.gov. Alcohol and drug information is also required by law to be given to students. This information is published annually in the "Crime Statistics Report". Information from this report may also be obtained on the Internet at: https://www.eac.edu/About_EAC/Consumer_Information/report.pdf.

COST OF ATTENDANCE – 1 YEAR AT EAC

The following are average costs of attendance for three types of students, those living at home with a parent or relative (commuter), those living in a campus resident hall (on campus) and those renting an apartment or buying a home (off campus).

Non Resident (N/R) total budgets are also provided. These budgets are representative of an academic year (2021-2022) or nine month period. They are adjusted for periods of enrollment less than an academic year or for attendance less than full-time.

VETERANS AND CHILDREN OF DECEASED VETERANS

Eastern Arizona Colleges’ veterans’ services office acts as a liaison with the Department of Veterans Affairs. Students may be eligible to receive educational benefits if they are registered in courses that apply to the student’s approved programs.

Application forms, counseling, advisement and tutoring are available for students who are eligible for veteran’s educational benefits. The amount of benefit awarded is determined by the Department of Veterans Affairs, and is based on the number of credit hours for which a student is enrolled and the length of the enrollment period for each course.

You should apply for educational benefits from the Department of Veterans Affairs well in advance of your enrollment at Eastern Arizona College. Our Veteran’s Affairs Office can provide you with the Veterans Application for Education Benefits.

Veteran’s benefits available at EAC:

• Chapter 30 - Montgomery GI Bill®
• Chapter 31 - Vocational Rehabilitation (separately served through the local VA office
• Chapter 32 - VEAP Program
• Chapter 33 - Post 9/11 GI Bill & Transfer of Eligibility to Dependents (TOE)
• Chapter 35 - Survivors and dependents of deceased/100% disabled veterans
• Chapter 1606 - Montgomery GI Bill, Selected Reserve
• Chapter 1607 - REAP Reserve Educational Assistance Program

It is the student’s responsibility to notify the Veteran’s Coordinator regarding any change in enrollment, address, program of study, enrollment at another institution, or any other change that may impact their veteran’s educational benefits.

Those students receiving benefits must follow the VA academic progress policy to continue to receive benefits. Department of Veterans Affairs regulations require that all persons using any type of veteran educational assistance program make satisfactory academic progress toward achievement of their educational objective (program of study). A student who does not meet the minimum standards of 2.0 upon completion of 12 or more credit hours will be placed on probation, at which point the student will have no more than two semesters in which to improve academic standing to acceptable. At this point, if satisfactory academic progress has not been demonstrated, veteran educational benefits may be terminated. Benefits may be resumed when the student raises the cumulative grade point average to the required minimum standards or demonstrates the ability to meet these standards through the approval of a written appeal. For appeal procedures, contact the Veteran’s Coordinator in the Financial Aid Office. For additional details and information regarding veteran’s educational benefits, contact the Veteran’s Coordinator.

Distance Learning:

The course content and competencies for distance learning classes are the same as courses offered in-person or in a hybrid format. The courses offered in this format lead to completion of EAC degrees and/or certificates of completion. EAC uses Canvas for teacher/student interactions for online or hybrid classes. You will be contacted through official EAC channels to help with initial login.

Prior Credit Evaluation:

Department of Veterans Affairs requires that all persons using any type of veteran’s educational assistance must have all prior education and training evaluated. Students will be required to request transcripts from all prior institutions, including military training. Without all prior institutions and military training, veteran educational assistance may not be certified. Transcripts will be evaluated and credit will be granted, as appropriate.

Scholarships are primarily awarded on the basis of academic excellence, performance in a particular area, or need. Both new and returning full-time students can apply for scholarships.

To be considered for scholarships, you must be admitted to Eastern Arizona College and complete a current FAFSA application. The scholarship application must be submitted through your Gila Hank Account. Priority Application deadlines are December 31 and March 1. In order for a scholarship application to be considered complete, the following additional materials should be uploaded through your Gila Hank Account to the scholarship office:

• A copy of your most recent transcript:
  - High School Students: Official high school transcript including your last semester attended.
  - Transfer Students: Most recent unofficial college transcript.
• Two letters of recommendation
• Personal essay including an explanation of financial need, scholarship qualifications, description of clubs, service, etc. and your college and career goals (one page)

The Scholarship Officer has, as a matter of official policy, the right and obligation to discontinue any award made by or through the College upon receipt of verified evidence that a recipient of such an award has, either on the campus or in the community, demonstrated citizenship incompatible with standards of the College. This policy applies to all varieties of aid, as well as to academic, performing arts, athletic, or special scholarships.

INSTITUTIONAL SCHOLARSHIP GUIDELINES

All Students receiving any type of scholarship funded by EAC are required to adhere to these general guidelines:

• Submit an annual FAFSA application.
• Maintain satisfactory academic progress.

SCHOLARSHIPS

Specific scholarship types may have additional scholarship criteria that can be confirmed by the Scholarship Officer.

All Academic Team Scholarship. Two sophomore students who complete the All-USA Scholarship Application and are awarded the All-USA Scholarship are eligible for an additional scholarship from EAC based on Academic Team Standing. The Phi Theta Kappa nomination committee recommends students based on application materials. Student must be currently enrolled at EAC. Must be eligible to graduate between September 1 of the year he/she is nominated and the following August. International students in the U.S. on Student Visas are eligible to participate. **Academic.** Amounts vary based on availability of funds and GPA.

Athletic. Awarded by the Athletic Department. You must be eligible to participate in intercollegiate athletics and maintain NJCAA academic standards. Individual coaches may make other requirements.

Merit. Amounts vary based on availability of funds and other qualifications including (but not limited to): GPA, Academic major, extra-curricular activities; Campus residency status, etc.

Graham County Scholastic Recognition. For new high school seniors graduating in the top 10 percent of a Graham County High School. Amounts vary based on availability of funds and other EAC scholarships received.

Music. Awarded by the Music Department. Amounts vary based on availability of funds, audition, and participation.

Theatre. Awarded by the Theatre Department. Amounts vary based on availability of funds, audition, and participation.

Presidential Scholarships. Applicants must be residents of Apache or Greenlee counties. Amounts vary based on availability of funds.

DONOR SCHOLARSHIPS AWARDED THROUGH THE EAC FOUNDATION AND THE COLLEGE

The following scholarships, varying in value, are administered in accordance with stipulations of donors of these awards. The scholarship application must be submitted through your Gila Hank Account by March 1.

For additional information regarding the following scholarships, contact the Scholarship Office, Eastern Arizona College, Thatcher AZ 85552-0769; or call (928) 428-8272 or 1-800-678-3808 Ext 8272.

Allen H. and Marie A. Cress Memorial Music Scholarship. Awarded to a new or returning member of the A Cappella Choir. Must be a full-time or part-time student on Thatcher campus, must demonstrate good work and study habits and be a positive role model.

Alumni Association Scholarships. Each year the Alumni Association awards scholarships covering tuition for one year. Scholarships are awarded to children or grandchildren of EAC alumni who have a 3.5 GPA and are not receiving another EAC Scholarship. Preference given to previous recipients applying for a second year.

Annabell Weech Rufener Scholarship. This scholarship established in memory of Annabell Weech Rufener, Class of 1949, assists students who graduated from a Graham County high school.

Anna Deane Millett, Don and Carlotta Pace Scholarship. Awarded annually to a full-time returning sophomore enrolled in a university transfer curriculum and having a cumulative GPA of 3.0 or higher. Preference will be given to a student enrolled in Home Economics or a closely related field.

Ashley Marie Beals Memorial Scholarship. Must be enrolled in the EAC Nursing program or pursuing a degree in Pre-Medical Science. Recipient must be enrolled full-time at the Thatcher Campus. Applicants should include at least two letters of recommendation with their scholarship application.

Belle and Arnold Greenbaum Scholarship. Awarded to a returning full-time EAC student majoring in a university transfer curriculum for Mathematics or Education with a cumulative GPA of 3.0 or better. Preference is given to female, reentry students.

Bernstein Brothers Memorial Scholarship. Made possible by the friends and family of Billy and Tony Bernstein, this scholarship is awarded to a single parent who is attending school while raising a family. Recipient must be a full-time student with a prior 3.0 GPA.

Bette N. Smith Nursing Scholarship. Awarded to a full-time student seeking Registered Nurse Certification. Recipients must have an entry GPA of at least 3.5 from all previous institutions attended and maintain a GPA of 3.5 while at EAC. They should also demonstrate positive work and study habits and be positive role models for others enrolled in the EAC Nursing program. Second-year Nursing students will be given priority in the selection process.

Brianna Varnam Memorial Scholarship. Provides financial aid in memory of Brianna Varnam to students who love music. It is awarded to a student from Safford High School who will participate in the EAC Band program.

Bruce & Roberta Bishop Scholarship. Dr. Bruce Bishop taught choral music at Eastern Arizona College as a significant part of his 38-year career. Mrs. Bishop taught elementary school for over 30 years. They established this scholarship endowment to benefit EAC Choral Music Majors who also sing with the A Cappella Choir.

Charles Raymond Rhodes Memorial Geology Scholarship. This Memorial scholarship provides financial assistance to a deserving geology student. Charles was a lifelong learner, a prospector and an avid collector of rocks, minerals and meteorites. It was his desire to pass on his passion for geology to future generations.

Cobre Valley Regional Medical Center Scholarship. This scholarship is established to help those accepted into the EAC Nursing Program with preference given to those who would like their nursing career to be local.
D. Myrtice Wyland Memorial Scholarship. This scholarship is awarded to students participating in sewing, quilting or costume design courses.

Dallace Butler Memorial Scholarship. This scholarship is awarded to a returning student having a GPA of 3.0. Preference given to Pacific Islander or Native American full-time students.

Dr. David G. Lunt Choral Music Scholarship. Awarded to a full-time EAC student who is a vocal music major. Recipient should demonstrate an enthusiastic love for music, people and life including service through musical and/or other organizations and maintain a 2.5 GPA.

Debra Mullenaux Memorial Scholarship. Awarded to a full-time, married EAC student with a GPA of 3.0 or better. Financial need demonstrated through the Financial Aid Office is also required. Student must be enrolled in a Gila Valley Institute of Religion class other than Devotional at the time of application and throughout the time of scholarship support.

Dennis Braithwaite Memorial Scholarship. Awarded to a full-time EAC student who is a vocal music major. Recipient should demonstrate an enthusiastic love for music, people, and life including service through musical and/or other organizations and maintain a 2.5 GPA.

Don & Verlon Preston Family Memorial Scholarship. The Preston Family provides this scholarship to students who are children or grandchildren of EAC alumni.

The Donald J. Caldwell Educational Scholarship. Recipient will be an Arizona resident in the Licensed Practical Nurse or Nursing program with a 3.0 GPA. Applicants will complete an essay addressing their goals, and how they’ll be successful with the skills they gain, and why they qualify for the scholarship.

Dr. Dorine Chancellor Athletic Scholarship. Provided by former EAC Administrator Dr. Dorine Chancellor, this scholarship assists one Women’s Softball student and one Men’s Basketball student each year.

Dorothy Duke Curtis Scholarship. This scholarship was established to honor a special friend, wife and mother. Recipients will be fine arts majors with preference given to Theatre/Drama students.

Douglas Michael Loeb Memorial Scholarship. Awarded for tuition and fees to full-time students on the Thatcher campus majoring in Automotive Mechanics or Automotive Service Technology with a minimum GPA of 2.75. There must be evidence of need. You may receive federal financial aid but no other scholarships.

E. James Lee and Jacqueline McFadden Lee Scholarship. Applicants should show financial need and have and maintain a GPA of 3.0 or higher. Exceptions to the GPA requirement can be made if applicant shows employment at 20 hours or more per week while going to school.

EAC Faculty Association Scholarship. Available to any currently enrolled full-time student at EAC with a minimum GPA of 3.0 who is nominated in writing by a member of the EAC Faculty.

Eastern Arizona Hispanic Family Heritage Scholarship. Established by community donors in Graham and Greenlee counties, this scholarship assists graduates of Graham and Greenlee County high schools.

Eldon and Lucille Palmer Memorial Scholarship. Awarded to a full-time student pursuing a degree in Music. Recipient must be a graduate of Thatcher High School. Preference given to a student showing financial need as determined by the EAC Financial Aid Office.

Elizabeth Louise Loeb Memorial Scholarship. Awarded for tuition and fees to full-time students on the Thatcher campus majoring in Business Administration with a minimum GPA of 3.0. There must be evidence of need. Recipient may receive federal financial aid but no other scholarships.

Ella T. and J. David Lee Scholarship. Awarded to a graduate of a Graham County high school 3.0 or higher who demonstrates financial need. Continued eligibility requires maintaining a 3.0 GPA and full-time attendance at the Thatcher campus.

Emil Crockett Insurance Agency Scholarship. Awarded to a returning student majoring in a Business discipline. This scholarship award is based on high scholastic achievement (3.0 GPA) and residence in Graham County.

Dr. Everett & Gwen Edington Scholarship. From the class of 1947, Dr. Edington is pleased to assist graduates of Duncan High School attend EAC.

Farrel Claridge and Bessie A. Layton Scholarship. Eastern Arizona College has been a wonderful part of the Farrel C. and Bessie A. Layton family history. They hope this scholarship will provide others with similar great experiences available at EAC. It is awarded to a full-time Thatcher Campus student demonstrating financial need. Recipient must have and maintain a 3.0 GPA.

Follett College Stores Scholarship. Awarded to a returning student majoring in Business with an emphasis in Business Administration or Small Business Management with a cumulative GPA of 3.0 or above.

Fred and Olga Pace Scholarship. Awarded to a graduate of a Graham County high school demonstrating financial need and academic ability.

G. Wayne and Phillis Blake Scholarship. The family of G. Wayne and Phillis Blake established this endowed scholarship to help full-time students from Miami, Globe or San Carlos High school that exhibit financial need and have a GPA of 2.5 or better.

George R. Bingham, Jr. Memorial Drama Scholarship. Awarded to a new or returning full-time student majoring in Theatre and Cinematic Arts on the Thatcher campus. You must have an entry GPA of 2.5 or higher and maintain a GPA of 2.5 or higher at EAC.

GFWC Woman’s Club of Safford Scholarship. Awarded annually for more than 75 years to a graduate of a Graham County High School.

Glenn West Memorial Art Scholarship. Awarded on a semester basis toward the purchase of educational supplies to a full-time student returning to EAC’s Thatcher campus for the sophomore year with a major in any Art Department curriculum and having at least a 3.5 GPA in classes with ART prefix. Recipient will be reimbursed for art supplies after providing receipts to the EAC Foundation.

Graham County High School Concurrent Enrollment Scholarship. Awarded to students attending Graham County high schools who also will be taking college courses during their Junior and Senior years. Students should complete a regular EAC Scholarship application including a statement of financial need and letters of recommendation.

H. Greg Brockmeier Scholarship. H. Greg Brockmeier provided 32 years of service to this community and his employer. Sodexo, Inc. and Affiliates honors Greg with this scholarship which is presented to a new or returning
**SCHOLARSHIPS**

sophomore. Recipient must maintain a 3.0 GPA, full-time attendance and demonstrate financial need.

**Harvey J. and Loretta Olsen Memorial Scholarship.** Funds from this scholarship endowment provide tuition and additional funds toward educational expenses. The recipient will be an EAC student returning to EAC for the sophomore year. Applicants must be pursuing a university transfer curriculum, maintain a 3.0 GPA and full-time attendance.

**Helen Johnson Bone Scholarship.** Presented to a woman who is married or has been married, who is a full-time student seeking an AA or AAS degree which will prepare her for gainful employment. Recipient must demonstrate financial need. Recipient must be an Arizona resident possessing qualities of personal integrity, good moral character, and good citizenship, demonstrated by letters of recommendation. You must maintain full-time attendance, a GPA of 2.5 or higher and may not be receiving any other financial aid except government financial aid.

**Helen Papas Memorial Scholarship.** Awarded to a student exhibiting financial need with preference given to a student participating in an EAC choral group. Student must have and maintain a 3.0 GPA.

**Jared Taylor Brown, Alice Edna Hamblin and Polly Elizabeth Matthews Koger Scholarship.** Recipient must be a full-time student of Agribusiness having an entering GPA of 3.0 and maintain a 3.0 GPA for renewal up to 4 semesters. Student must demonstrate financial need through the Financial Aid Office. Recipient may receive federal financial aid but no other scholarships.

**Jeffrey R. Vaughn Memorial Scholarship.** Memorials the life of Jeff Vaughn and seeks to help students studying nursing or emergency medical services.

**Jerry & Verlene Anderson Scholarship.** Established in memory of Jerry Anderson and in honor of Verlene Anderson, who was employed at Eastern Arizona College for 30 years. Jerry loved to work on automobiles in his free time away from his job and could fix almost anything he touched. The scholarship assists students studying Automotive or other Industrial Technology fields.

**Jesse and Betty De Vaney Scholarship.** Jesse U. De Vaney retired after 37 years of service to Eastern Arizona College where he served as Instructor in the Business Administration Department and later in administrative positions such as Registrar and Dean of Admissions, Research and Development. In these capacities, he sought opportunities for students to achieve their highest academic potential. This scholarship supports students studying Business or Computer Science degrees.

**John Mickelson Endowed Scholarship.** Each year, a scholarship will be awarded to a full-time freshman student returning for sophomore year with a minimum GPA of 3.0 in all academic work. Applicants should demonstrate personal traits of leadership, positive attitude, citizenship, personal integrity and commitment to EAC.

**The Kalvert W. Lines Scholarship.** Made possible through an endowment created in his estate plans, the Kalvert W. Lines Scholarship is awarded to freshman students with a 3.75 GPA who will be returning for their sophomore year. Recipients must demonstrate financial need and be pursuing a university-transfer curriculum.

**Kathryn Murphy-Spencer L. Kimball Scholarship.** Awarded to a full-time student majoring in a university transfer curriculum at the Thatcher campus who has a minimum GPA of 3.75, financial need, and has provided service to the College or the community.

**Keith and Kathleen McBride Crockett Family Alumni Scholarship.** Awarded to a full-time EAC student who is the son, daughter, grandson or granddaughter of an EAC Alumnus. Include at least 2 letters of reference describing character, citizenship and commitment to self improvement. A GPA of 3.0 or better and full-time attendance is required to maintain the scholarship.

**Kristie and Patrick Putnam Scholarship.** Awarded to students who are single parents studying business, nursing, science, or computer science as a way to pay it forward for the opportunities received at Eastern Arizona College.

**MacDonald Scholarship Endowment.** Dr. Robbin MacDonald is pleased that the lord blessed him to be able to leave this endowment to help students who are participants in the music programs at Eastern.

**Mark J. Green Excellence in Spanish Scholarship.** Awarded to a full-time freshman EAC student who graduated from a Graham County high school. Recipient should be currently enrolled in a Spanish language course, who will be returning to EAC for the sophomore year.

**Mary Kim Tita Scholarship.** Awarded to a Native American student from Ft. Thomas High School or San Carlos High School enrolled full-time at EAC. Preference given to those seeking a degree in journalism, English, or closely related field. The recipient must possess qualities of personal integrity, good moral character, and good citizenship and have and maintain a minimum GPA of 2.75. Applicants should complete a 500-word essay entitled “Why I’m Pursuing My Career Goal.”

**Max and Clara Curtis Bennett Scholarship.** To improve the future of our communities and country, this memorial scholarship is awarded to a full-time student with a 3.25 or higher GPA. Preference is given to a student with financial need who is a resident of Graham or Greenlee Counties or another southeastern Arizona rural community.

**Meghan Lynne Hammer Memorial Scholarship.** This scholarship is established by family and friends in loving memory of Meghan Lynne Hammer. Though her life was short, she dedicated herself to pursuing a career in music to be a therapist, to help others live a better life through music. This scholarship is awarded annually to a Miami and Globe graduating senior pursuing a music degree at EAC. The recipient must be a full-time student participating in the EAC Band. This scholarship provides funds towards educational expenses.

**Mt. Graham Regional Medical Center Foundation Scholarship.** This scholarship is established by MGRMC Foundation to support the development of nurses in the local area. This scholarship is awarded annually to a student in the EAC Nursing Program.

**Newman Sustaining Board Scholarship.** The Newman Sustaining Board offers a scholarship each year to a student returning to the Newman Center. Student must be a registered Catholic with a cumulative GPA of 2.5 or better, be a good example of a Catholic on campus as well as in the community, live according to Catholic teachings and must be actively involved in the Newman Center with at least 3 group activities or more during the year.
Scholarships

Dr. Pam Rule Memorial Scholarship. Scholarship memorializes Dr. Pam Rule who taught anthropology courses at EAC and served as Director of the EAC Museum of Anthropology from 1986 to 1989. Awarded to a freshman EAC student who will be returning to EAC for his/her sophomore year. Must have and maintain a 3.0 GPA. Preference given to a student attending the Thatcher Campus of EAC.

Paul Lemons Memorial Scholarship. Established in memory of alumnu and educator, Lawrence Paul Lemons, this scholarship helps students from the Miami and Morenci areas.

Paula Dinsmore Daman Memorial Scholarship. This scholarship was established in memory of Paula Dinsmore Daman who graduated from Eastern Arizona College in 1970. Dyslexia was an obstacle for her but not a barrier. At Eastern she was a cheerleader, student government participant, swam and was on the tennis team. She taught and then raised four children through college. This scholarship seeks to help others overcome obstacles they may be facing.

Phyllis Martin Lord Scholarship. This scholarship is established by the family and friends of Phyllis Martin Lord to commemorate her uncommon life of service to her family, church and community. It is awarded annually to a student demonstrating economic need, scholarship potential, characteristics of personal integrity, and service to family, church and community. Please include letters of recommendation. Preference given to a student from northeastern Arizona.

Professional Support Staff Scholarship. Available to any currently enrolled full-time student at EAC with a minimum GPA of 3.0 who is nominated in writing by a member of the EAC professional support staff.

Dr. Ron Keith Memorial Scholarship. Established by the family of Dr. Ron Keith, a faculty emeritus and past EAC administrator, this scholarship helps students who are also members of the EAC Band Program.

Safford Lions Club Scholarship. Awarded annually to a full-time student who is a graduate of a Graham County high school. Recipient should have a 3.0 GPA, exhibit financial need and give service to the community.

Safford Rotary Club Scholarship. A scholarship is provided for a deserving student who is a graduate of a Graham County school to recognize achievement (high school GPA of 2.5 or higher) and provide financial aid. Recipient must be academically average or above, in need of financial aid, and enrolled for a minimum of 12 hours.

Sarah Lamoreaux Memorial Scholarship. Recipient must demonstrate qualities of goodness and be a positive role model with enthusiasm, dedication and school spirit, as well as demonstrate positive work and study habits.

Students in Service Scholarship. This scholarship provides financial assistance to students returning for their Sophomore year at Eastern who have demonstrated leadership in a club or organization on campus or in the community.

Sumitomo - Phelps Dodge Scholarship. Established by the Sumitomo Metals Mining Corporation in honor of the 20th Anniversary of their partnership with Phelps Dodge Corporation. This scholarship provides assistance to students pursuing a degree or certification in an Industrial Technology field (ITE) needed in the mining industry. Student must have and maintain a 2.75 GPA or better. Preference given to a Greenlee County resident.

United Way of Graham and Greenlee Counties Scholarship. Four-year plus books scholarship are awarded annually to seven students each year graduating from Graham and Greenlee County high schools who exhibit financial need. Additional multi-year scholarships that continue on to the ASU-EAC program are awarded to students who are single parents, education majors, and those considering employment in the non-profit community.

Virginia Rae Barr Memorial Scholarship. Awarded to a full-time Thatcher campus student majoring in Early Childhood Development or Elementary/Secondary Education. Preference given to a student who plans later emphasis in education for the developmentally disabled. Applicants should include a written statement with their application describing their career goals.

Walter and Julia Rogers Scholarship. This endowed scholarship was provided by Walter and Julia Rogers with fond memories of Walter’s great start at Gila Junior College. Recipient must be classified as a full-time student attending the Thatcher Campus of EAC. The recipient shall have and maintain a 3.0 GPA while pursing a university transfer curriculum or a certificate program that will lead to employment after attending EAC. Preference is given to a student from a Graham County high school.

Wilford E. Stailey Memorial Scholarship. Awarded to a full-time Thatcher student returning for the sophomore year who is enrolled in one of the following majors, in order of preference: Computer Information Systems, Computer Information Specialist, or Business and have and maintain a GPA of 2.0 or higher. To receive second semester proceeds, you are required to continue full-time status and a 2.0 or higher GPA.

William D. Smith Memorial Scholarship. An annual scholarship is awarded to a student majoring in Drafting. Recipient will be returning as a sophomore, demonstrated by classroom activities to have outstanding drafting ability, show a commitment to career objectives in that field, and have a cumulative GPA of 3.5. Academic excellence in all classroom activities will be an important consideration.

William J. Bone Scholarship. Recipient may be a freshman or sophomore and must have entering GPA of 2.5 and must maintain a 2.5 GPA as a full-time student. Arizona residency is required. Personal integrity, good moral character and good citizenship are also considered.
STUDENT SERVICES

ACTIVITIES AND ORGANIZATIONS

Eastern Arizona College offers many opportunities for students to become involved in the campus community regardless of whether they live on campus or off-campus or are a traditional or non-traditional student. Eastern Arizona College has a variety of student activities and organizations to choose from such as clubs, intramural sports, team sports, fine arts, service projects, student publications, student government, religious organizations, and scholastic organizations, just to name a few. Additional information can be found in the Student Handbook or the EAC Events Calendar, both of which are located on EAC’s website.

ALUMNI LIBRARY AND MEDIA CENTER

The Eastern Arizona College Alumni Library and Media Center serves the needs of the faculty, students and staff of the college and the needs of the adult community within Graham County in the general fields of educational, cultural and quality recreational material.

Visit the Library to use the Library’s extensive physical collection of books, magazines, newspapers, DVDs, and the Media Center’s 64 computers. To access the Library’s electronic information while off-campus, including eBooks, streaming videos and databases, students and staff can use their campus email information for authentication. Additionally, the Alumni Library and Media Center’s website offers a variety of resources to assist in student research such as LibGuides and how-to tutorials. Individual assistance is available to all students. The Alumni Library and Media Center also provides services like subject tutoring, Wi-Fi activation for students, testing services on behalf of faculty, maintains course reserve materials, distributes student ID cards and provides access to 15 study rooms.

Alumni Library Hours of Operation:

Fall/Spring*  
Monday through Thursday 7 a.m. to 10 p.m.  
Friday 7 a.m. to 5 p.m.  
Saturday 10 a.m. to 6 p.m.  
Sunday 6 p.m. to 10 p.m.

Please check with Alumni Library for current summer hours*  
Check the website for hours of operation.

*Hours are subject to change. The Library is closed on college holidays and various weeks between sessions. Library hours are posted at the Alumni Library and Media Center and on the Library’s website: https://eac.libguides.com/libraryhome

For additional information, contact:
Alumni Library  
Phone: (928) 428-8304  
Email: library@eac.edu

AWARDS

Eastern Arizona College annually awards students recognized for showing outstanding achievement in a variety of academic and non-academic areas. The following are some of the awards presented:

Athletic Awards. In addition to the annual Letterman awards, the Athletic Department and other boosters recognize outstanding performances in the areas of athletics by presenting the following awards:

- Alvin Goodman Scholastic Award: In memory of Alvin Goodman, an award is presented to the letterman in basketball who has received the highest scholastic average of the year.
- Athlete of the Year Award: Awards are given to both the male and female Athlete of the Year. The Athletes of the Year will have their names engraved on the permanent trophy in the trophy case.
- Basketball Most Valuable Player Award: The most valuable basketball player will have his name engraved on a permanent trophy.
- Wayne M. McGrath Scholastic Award: Given to the female athlete with the highest GPA for that year. Recipient may be a freshman or sophomore.
- Carl Kyser Award. This award honoring a former EAC Automotive Instructor, is given annually to the outstanding automotive student.
- Cassius Bavor Award. This is in memory of Cassius Bavor, a former employee of Eastern Arizona College. It is given to the most outstanding student employee on campus.
- Chief Yellowhorse Award. The Intertribal Club at EAC gives this award to the top sophomore Native American student and the top freshman Native American student based upon academic ability.
- Criminal Justice Student Association Award. The students of CJS give this award to a returning Administration of Justice student. Selection criteria include a 3.0 or higher GPA, providing service to the Club and the community, personal integrity, and a commitment to career objectives in the Administration of Justice field.
- Dramatic Awards. Given to the outstanding male and female drama student in the following categories: Best Actor, Best Supporting Actor, and Most Improved Actor. Other awards include the “Techie” Award and the Donald P. Jones award for service beyond the call of duty.
STUDENT SERVICES

EAC Faculty Association Award for an Outstanding Graduating Student. The Eastern Arizona College Faculty Association gives an award to an outstanding graduating student. GPA, extracurricular activities at the College, and community involvement help determine the winner who must be graduating in May.

Music Awards. Given to the four outstanding music students as chosen by the music instructors.

Voice Magazine. Prizes are awarded each year to outstanding poets and fiction writers whose work has appeared in the publication.

Other Awards. Other awards are presented annually by various college departments acknowledging individual student achievement in a variety of academic disciplines.

COMMUNICABLE DISEASE TRANSMISSION CONTROL
When College officials have probable cause to believe that a student has contracted a communicable disease which, through transmission, may present a significant injury/risk to other students, the student will be required to seek immediate medical attention at their own expense, or be removed from all campus activities. Following medical attention, and upon the written recommendation from the attending physician and/or public health guidelines, College officials may require the student to be isolated. This isolation may include, but not be limited to, temporary removal of the student from a residence hall, campus employment, and any other college facility or college-sponsored activity as deemed necessary. Individual cases will not be biased; rather, decisions will be made based upon the recommendation of the attending physician and/or public health guidelines.

The College does not assume any responsibility for accomplishing the isolation. It will be the responsibility of a student living in a residence hall to secure other accommodations should the District require isolation off campus.

The College shall respect the right to privacy of any student who has a communicable disease that may present significant injury/risk to other students. The student’s medical condition shall be disclosed only to the extent necessary to minimize the health risks to other students and District staff. College officials shall determine who shall be made aware of the student’s condition to facilitate the proper care of the student and prevent or minimize transmission. Persons deemed to have a “direct need to know” will be provided with appropriate information; however, these persons shall not further disclose such information.

COUNSELING DEPARTMENT SERVICES
The Counseling Department understands that coming to college, or returning to college, can be quite challenging. We offer services and resources that may help you on your educational journey and lead you towards academic success. Here are some of the services we offer:

Academic Advising and Support
Eastern Arizona College is committed to each student’s success. Academic advising is crucial to your progress, persistence, and satisfaction as you work towards reaching your goals. Our Academic Advisors will support and guide you to developing personal, academic, and career goals that are ambitious and rewarding.

Academic advisors can help you with:
- Exploring academic and career options
- Creating an academic plan
- Providing a sequencing guide specific to your major
- Researching your transfer options
- Support and guidance throughout your academic career
- Providing information on campus and community resources and services

Disability Resources
Eastern Arizona College recognizes disability as an aspect of diversity and promotes a culture of inclusion. The Counseling Department works with students with disabilities, faculty and staff to remove barriers by creating accommodation plans in compliance with Section 504 of the Rehabilitation Act of 1973 and Americans with Disabilities Act (ADA) of 1990.

If you need assistance with disability services, contact:

Aaron Westerfield, Disability Coordinator
Phone: (928) 428-8342
Email: aaron.westerfield@eac.edu

Note: The Arizona Relay Service provides free telephone access 24 hours a day for the hearing or speech impaired. To access, please call 1-800-367-8939 and ask for Eastern Arizona College at (928) 428-8253.

Evaluation/Testing Services
The Counseling Department administers a variety of testing services, including:
- Placement Testing
- GED/High School Equivalency
- Pearson Vue
- CLEP
- Non EAC Course Exams
- Scantron (Castle)

If you have a question regarding evaluation or testing, contact:

Jerri Lukens, Evaluation Specialist
Phone: (928) 428-8491
Email: jerri.lukens@eac.edu

INSPIRE
INSPIRE is a “Title III Strengthening Institutions Program” grant. INSPIRE Advisors assist students needing additional support to ensure college and Career success.

The program offers:
- Frequent advising
- Personal education planning
- Specialized tutoring
- Career services
- University exploration
All services are free to eligible Eastern Arizona College students. Our mission is to assist students in obtaining a certificate and/or degree within three years.

To refer a student or learn more about the program’s services, contact:

Kristi Apodaca, INSPIRE Advisor/Career Navigator
Phone: (928) 428-8316
Email: kristi.apodaca@eac.edu
Location: Student Services Building Room 161

Candace Lines, INSPIRE Advisor/Career Navigator
Phone: (928) 428-8335
Email: candace.lines@eac.edu
Location: Student Services Building Room 146

**Personal Counseling**
Counselors can help you cope with immediate needs, personal or social concerns, or adjusting to a new environment. Confidential, short-term counseling is offered on a variety of subjects. Referrals to community resources are given where needed.

If you need to talk to someone, contact:

Craig Smith, Counselor/Mental Health
Phone: (928) 428-8253
Email: craig.smith@eac.edu

**Study Skills**
Students may earn college credit by enrolling in study skills/college survival classes and group counseling courses. For more information, see Counseling courses in the Course Descriptions section of this catalog or contact the Counseling Department.

**Substance Abuse Prevention Program**
Substance abuse prevention within the Eastern Arizona College community is the assigned responsibility of the Counseling Department. To this end, the Department, on an ongoing basis, assesses the nature and extent of substance abuse at Eastern Arizona College and develops preventative measures to coincide with identified needs of the College. These measures include the dissemination of information, referrals to community support agencies and the sponsoring of counseling workshops.

Upon request or by referral, students can participate in The Buzz—an alcohol education and prevention program.

If you have a question about our drug/alcohol programs, contact:

Gina Roebuck, Coordinator of Counseling Services
Phone: (928) 428-8423

For all other questions, contact:

Jennifer Skinner, Secretary
Counseling Department
Phone: (928) 428-8253
Location: Student Services Building, 1st Floor

**HEALTH SERVICES**
All students are expected to provide their own health and accident insurance. When hospitalization or ambulance service is considered necessary, the College assumes no financial responsibility. Brochures describing health insurance programs for domestic and international students and dependents are available by request from the Student Life Office on the Thatcher Campus.

Although the College does not maintain health service facilities, students may use local emergency room and medical facilities. Serious illnesses or injuries occurring to nonresident students while on the Thatcher or Greenlee County Campuses are reported to the Dean of Students. Students residing in a residence hall are required to report any illnesses or injuries to the Residence Life Staff. Parents will be notified at once of any serious illness or injury.

College staff assigned to residence halls are concerned about student wellbeing and can help direct students to the appropriate medical services. However, they cannot take responsibility for providing sickbed services to students residing in the halls. The students and parents must arrange for such care.

**TUTORING SERVICES**
Eastern Arizona College offers free unlimited tutoring to all full and part-time students. Tutoring is available in most Gen Ed subjects such as Math, Sciences, Social Sciences, Writing, and Languages. Tutors are students who have taken the courses at EAC and have been recommended by their instructor to be a student tutor. Tutors can also help with study skills improvement, test taking strategies, and memorization techniques. Tutoring is available by walk-in or appointment. Tutoring methods offered are face-to-face, Zoom, online, and by phone call (for language practice).

At the Library, tutors and students have access to materials and resources that are used in the classroom to make the transition from classroom to working with a tutor as seamless as possible. Tutors can provide study session groups for concept review or test prep. Tutors are friendly and encouraging while the Library provides a modern and comfortable place to study and learn. Students are encouraged to visit the Alumni Library early on in the semester to meet the tutors and learn about services.

For more information, contact:

Cindi Reyes, Facilitator, Student Learning Center
Phone: (928) 428-8446
Email: cindi.reyes@eac.edu
THE COLLEGE HAS THE OBLIGATION to determine the standards of conduct appropriate for those who become members of its student body. These standards apply to all and will be administered by the President and/or his designee who may take disciplinary action deemed appropriate for the violation committed. Students, who have rights and privileges as citizens, must keep in mind that admission to the College is a privileged status and involves special additional obligations to the college community. It also presumes that students, as members of the academic community, understand that due regard for law and the rights of others are always involved in the realm of liberty.

Student conduct, on or off campus, prejudicial to the best interest of the College may be considered cause for disciplinary action or dismissal. The rules of conduct specified below are not all-inclusive but are emphasized as being among those necessary for the security and well-being of students attending Eastern Arizona College and are among the circumstances which may lead to disciplinary action and possible dismissal.

- Conviction of a crime or continued misconduct of any type that is an infraction of the established laws of the town, county, state or nation.
- Possessing or using intoxicating liquors, narcotics or other illegal drugs.
- Stealing or in possession of stolen articles.
- Malicious destruction of property.
- Endangering or threatening the life or physical safety of others or self.
- Possessing/use of any projectile weapon on campus.
- Failure to meet financial obligations to the College.

Student Code of Conduct violations that may include sexual harassment, sexual assault, dating and domestic violence, or stalking are considered Student Code of Conduct violations that may include sexual harassment, sexual assault, dating and domestic violence, or stalking are considered to be Title IX infractions and will be referred to the Title IX Coordinator for review as outlined in the Graham County Community College District’s (GCCCD) Regulation 2075.

Sexual Harassment Regulations

DEFINITION OF TERMS

Days: Calendar days exclusive of weekends, semester breaks, and official holidays as identified in the current EAC academic catalog.

Complainant: Student alleging complaint.

Official: College official(s) responsible for the program or action for which the student complainant has a grievance.

Student Affairs Officer: Dean of Students or authorized designee selected by the College President for oversight of student affairs.

Judiciary Committee: The Judiciary Committee serves as an appeals committee for student grievances involving non-academic standards. The Committee is also charged with responsibility to advise the College President on policies, standards, rules and regulations for non-academic standards that are applied in the grievance process.

Non-Academic Standards: All institutional actions exclusive of academic standards and discrimination as defined by federal or state laws.

OFFICIAL REVIEW PROCESS

When a complaint related to a non-academic action is alleged by a student, with the exception of sexual harassment, the student shall subscribe to the following procedure to render complaint legitimate. Complaints of sexual harassment should follow the procedure set forth in GCCCD Policy 2075.01 - Procedures for Alleged Violations of the Title IX Sexual Harassment Regulations.

Step 1. The Complainant shall seek out, within five (5) days of the action, the Official so both parties may be afforded an opportunity to clarify facts and reach a mutually acceptable grievance resolution.

Step 2. If Complainant satisfaction is not achieved in Step 1, the Complainant shall provide a written request identifying the problem and reach a mutually acceptable grievance resolution.

Step 3. If Complainant satisfaction is not achieved in Step 2, the Complainant shall provide a written request identifying the problem and request a meeting with the Dean of Students or designee within five (5) days after receiving a recommended solution as provided in Step I. Within five (5) days of receipt of the request, the Dean of Students or designee shall arrange for a meeting with the Complainant and attempt to mediate an acceptable resolution.

Step 4. If Complainant satisfaction is not achieved in Step 3, the Complainant shall provide a written request identifying the problem and request a meeting with the Dean of Students or designee within five (5) days after receiving a recommended solution as provided in Step I. Within five (5) days of receipt of the request, the Dean of Students or designee shall arrange for a meeting with the Complainant and attempt to mediate an acceptable resolution.

GRIEVANCE PROCEDURE– NON-ACADEMIC STANDARDS

Students aggrieved by College actions of a non-academic nature shall have the opportunity for appeal. When a complaint about a non-academic action arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render compliant legitimate. Complaints of sexual harassment should follow the procedure set forth in GCCCD Policy 2075.01 - Procedures for Alleged Violations of the Title IX Sexual Harassment Regulations.

The student’s right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process–Non-Academic Standards. The Official Review Process – Non-Academic Standards may not be applicable when services are delivered under the provisions of a negotiated contract. The appeal process does not suspend any actions which are being grieved.
resolution as provided in Step 2. Within ten (10) days of receipt of the request for a hearing, but not less than three (3) days of receipt of the request, the Chairperson of the Judiciary Committee shall arrange for a hearing. The Complainant, the Dean of Students or designee, and the Official shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Judiciary Committee shall set forth a written document addressing findings of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Dean of Students or designee, the Official and the College President. Decisions made by the Judiciary Committee are binding.

DISTANCE EDUCATION STUDENTS

Distance Learning Grievance Process (Regulation 5810.03)

If a resolution is not reached through the official grievance review process, distance education students who are still aggrieved may file a complaint or provide feedback to the following agency:

Distance Education students outside of Arizona, after completion of EAC’s internal complaint process, may appeal State Authorization Reciprocity Agreements (SARA) related complaints to the Arizona Community College Coordinating Council (AC4). (https://arizonacommunitycolleges.org/azsara/)

The Arizona State Authorization Reciprocity Agreements (AZ SARA) Council has jurisdiction over AZ SARA approved institutions regarding non-instructional complaints for distance education students. Upon completion of EAC’s and AC4’s complaint process, a student may register a complaint with the Arizona SARA Council. Visit the AZ SARA Complaint Process website for more information: https://azsara.arizona.edu/content/complaint-process.

HIGHER LEARNING COMMISSION

Residents of all states may submit complaints to:
230 South LaSalle Street, Suite 7-500
Chicago, Illinois 60604-1411
1-800-621-7440

TITLE IX POLICY AND REGULATION

As a recipient of federal financial assistance for education activities, Eastern Arizona College is required by Title IX of the Education Amendments of 1972 to ensure that all of its education programs and activities do not discriminate on the basis of sex/gender. Sex includes: sex, sex stereotypes, gender identity, gender expression, sexual orientation, and pregnancy or parenting status. Sexual harassment, sexual assault, dating and domestic violence, and stalking are forms of sex discrimination, which are prohibited under Title IX and by College policy 2075.01 and regulation. For Procedures for Alleged Violations of Title IX Sexual Harassment Regulations, refer to eac.edu/TitleIX.

GENERAL COLLEGE REGULATIONS REGARDING THE ILLEGAL USE OF A CONTROLLED SUBSTANCE

A. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited on College property or as part of any of the College’s activities. For purposes of this regulation a controlled substance shall include any of the following:
   a. An illegal drug
   b. A legal drug used in excess of medically prescribed dosage
   c. An alcoholic beverage
   d. Any other mind-altering substance, or any substance used in excess of medically prescribed dosage.
   e. Marijuana, even when employed for medical use.

B. The conviction for the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance on College property or as part of any of its activities shall result in one or more of the following conditions as considered appropriate by the Dean of Students or the Vice President of Academic and Student Affairs.
   a. Suspension or termination of enrollment with the College; or
   b. Requirement for the student to participate satisfactorily in a substance abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency; and/or
   c. Other enrollment restrictions or stipulations as deemed in the best interest of the College and the student.

Students will receive at least once each year information provided by the College detailing the College’s drug-free policy.

The College will conduct a biennial review of its “Program to Prevent Illicit Use of Drugs and Abuse of Alcohol by Employees and Students” to determine its effectiveness, implement needed changes, and ensure that disciplinary sanctions are consistently enforced.

Note: Federal law allows notification of parents or guardians when there is a violation of this policy or a student exhibits a pattern of illegal substance use.

INTERFERENCE WITH OR DISRUPTION OF EDUCATION

Eastern Arizona College is dedicated to the concept of providing education to all those who can benefit therefrom. The College has a responsibility to maintain public order so that individual rights to benefit from its programs and facilities will not be impaired.

A person commits interference with or disruption of education at Eastern Arizona College by doing any of the following:

- For the purpose of causing, or in reckless disregard of causing, interference with or disruption of Eastern Arizona College, threatening to cause physical injury to any employee of Eastern Arizona College or any person attending Eastern Arizona College.
- For the purpose of causing, or in reckless disregard of causing,
interference with or disruption of Eastern Arizona College, threatening
to cause damage to Eastern Arizona College, the property of an
Eastern Arizona College employee or any person attending Eastern
Arizona College.
• Knowingly going on or remaining on the property of Eastern Arizona
College for the purpose of interfering with or disrupting the lawful use
of the property or in any manner as to deny or interfere with the lawful
use of the property by others.
• Knowingly refusing to obey a lawful order given pursuant to
A.R.S. § 13-2911 (C).
• Bringing onto campus, or possessing on campus any: (a) deadly
weapon, (b) firearm (loaded or unloaded), (c) explosive, (d) nunchaku,
(e) breakable container containing flammable liquid with a flash point
of 150 degrees Fahrenheit or less and has a wick or similar device
capable of being ignited, or (f) any combination of parts or materials
designed and intended for use in making or converting a device into
any item set forth in subdivisions (c) or (e) of this paragraph. The
provisions of this paragraph shall not apply to Police Officers, certified
and commissioned in the State of Arizona, or to weapons, and/or
chemicals possessed and used as part of a course of instruction at
Eastern Arizona College, or for weapons used for lawful exhibition or
demonstration approved by the College President or designee.

For purposes of this policy, “interference with or disruption of” includes
causing an employee of Eastern Arizona College to take any action to
protect Eastern Arizona College or the employees, students or property of
Eastern Arizona College.

Campus Police shall have the primary charge to maintain public order
and the peaceful conduct of education upon all College property, assisted,
when appropriate, by local law enforcement personnel.

Penalties for interference with or disruption of education upon College
property shall include all appropriate legal remedies including, but not
limited to: (a) the criminal penalties specified by A.R.S. § 13-2911, (b) the
offender being required to leave College property, and (c) in the case of
a student, faculty member or other staff violator, suspension, expulsion,
or other appropriate disciplinary action. In addition, any deadly weapon,
dangerous instrument, or explosive that is used, displayed or possessed
by a person in violation of this policy shall be forfeited or otherwise
disposed in accord with A.R.S. § 13-2911 (D).

ACADEMIC INTEGRITY

Academic integrity is a vital part of the culture of all successful institutions
of higher learning. The value of the degrees, certificates, and coursework
offered by Eastern Arizona College greatly depends on its reputation as
an institution dedicated to academic honesty. This Academic Integrity
Policy provides guidance in helping students and faculty understand
the meaning and importance of academic integrity; defines academic
dishonesty; and outlines the procedures for handling infractions of
academic integrity. Each member of the EAC community is charged with
honoring and upholding the policies and procedures governing academic
integrity as set forth below.

DEFINITION OF TERMS

As used in this policy:

Academic Affairs Officer is the campus official designated by the
College President for oversight of academic affairs.

Academic evaluation refers to any assignment, project, test, essay, quiz,
performance, or other task or instrument by which students demonstrate
mastery of course content, thus earning credit toward a class grade.

Academic integrity means honesty and responsibility associated with
study, learning, and scholarship.

Academic misconduct means any act contrary to Academic Integrity, such
as cheating, plagiarism, and earning grades dishonestly.

Academic standards are the rules and principles by which grades,
student conduct, professional educator conduct, and class materials are
evaluated.

Admissions and Academic Standards Appeals Committee serves
as the appeals committee for grievances concerning academic standards;
compiles and considers reports on the nature and frequency of academic
misconduct; hears charges and evidence of repeated or particularly
serious academic misconduct; and imposes sanctions when such types of
academic misconduct is determined to have occurred.

College means any and all Graham County Community College District
(GCCCD) locations to which Eastern Arizona College delivers instructional
services to students enrolled for credit.

Dean is the administrator who, under the direction of the Chief Academic
Officer, supervises several academic divisions and other specified college
areas.

District refers to the Graham County Community College District.

Division Chair is the person who immediately supervises professional
educators in the departments comprising a division and other programs
relevant to the division function.

Plagiarism is the use of another person’s words, materials, work,
and ideas, and adoption of an actual document, including a document
available electronically, without properly acknowledging and documenting
the source.

Professional educator is employed by the College as the instructor
of record, contributing/substitute instructor of record, proctor, GCCCD
staff, or employee responsible for delivering instructional services and or
resources to students.

Restricted course materials are materials that are kept within the
control of a professional educator to be delivered to enrolled students in a
controlled manner. Restricting access to materials such as examinations,
quizzes, and various assignments allows professional educators to
control the resources available to students completing such evaluations,
thus providing a uniform assessment of the knowledge and abilities that
a student has obtained through his or her coursework. Examinations,
quizzes, and assignments that are deliberately made available to the
public by the professional educator of a course and without limitations are not restricted course materials.

**Student** means a person who is registered in a College course.

### STUDENT RESPONSIBILITIES

Students are responsible for understanding the College’s Academic Integrity Policy as well as the sanctions that may be imposed as a result of academic misconduct. Students are also responsible for understanding their appeal rights associated with findings of any policy violation. If the expectations and limitations of an assignment or assessment are unclear, students are expected to ask for clarification.

Students shall practice the provisions of the Academic Integrity Policy and uphold integrity in their academic pursuits.

### ACADEMIC INTEGRITY POLICY

Students at Eastern Arizona College are expected to:

- Conduct themselves in accordance with principles of academic integrity
- Behave so as to foster an atmosphere of honesty and fairness
- Avoid plagiarism and other forms of academic misconduct
- Give truthful information to any College professional educator or to any other College employee regarding issues concerning academic integrity or academic misconduct, or suspected academic misconduct
- Not alter, misuse, or forge any College document, record, or instrument of identification.

Students are not excused from these provisions because of any failure or inability on the part of the professional educator to prevent other instances of academic misconduct.

### ACADEMIC MISCONDUCT

Academic misconduct includes any act that improperly affects the evaluation of a student’s academic performance or achievement, or any act designed to deceive a professional educator. This definition applies whether the student’s act of misconduct affects his or her own work or the work of other students. Specific infractions include, but are not limited to, the following:

1. **Cheating on Examinations**: Cheating includes the use of crib sheets, “cheat sheets,” or discarded computer programs; aid from other persons; copying from another student’s work; and soliciting and giving or receiving unauthorized aid orally, electronically, or in writing. The student will not consult books, notes, calculators, or other materials of any kind during an examination or assignment without the express permission of the instructor. If calculators, spellers, or other hand-held electronic devices are permitted to be used during an examination or assignment, no information may be programmed into or retrieved from the device other than that expressly permitted by the instructor. Students in online or hybrid courses are responsible for maintaining the security of course materials and are forbidden to share examination materials and other restricted course materials with anyone. Any act that compromises the security, validity, or effectiveness of an academic evaluation, whether it is a regular assignment, a quiz, an examination, or an evaluation of another sort, is academic misconduct.

2. **Inappropriate Collaboration**: Permission from an instructor for students to “work together” on homework, an assignment, or paper is not permission for one student to present another student’s work as his or her own. Unless the professional educator specifies otherwise, all work submitted for a grade or credit toward completion of a course will be the product of the student’s own understanding, expressed in the student’s own words, calculations, computer code, etc. One form of inappropriate collaboration involves having another person significantly alter either the content or grammar of the student’s written work. A student may seek feedback from another student or individual concerning a document’s content, grammar, and spelling, but to avoid this type of inappropriate collaboration, the student must fix problems himself or herself.

3. **Collusion**: Collusion is the act of assisting others in their ventures of academic misconduct. Collusion includes but is not limited to providing advance copies of examinations and other restricted course materials; providing essays or other written assignments to others; acting as a “ghost writer” and significantly contributing to the written work of another without making your contributions known to the instructor and acquiring permission for such contributions; posing as another person in order to complete course work, examinations, or other academic work on that person’s behalf; working to conceal the academic misconduct of another student.

4. **Submitting the Same Assignment for Different Classes**: Submitting the same assignment for a second class violates the assumption that every assignment advances a student’s learning and growth. Unless instructors of both classes involved expressly allow it, submitting an assignment already submitted for another class is a breach of academic integrity.

5. **Intentional Misrepresentation**: Misrepresentation occurs when a student claims that source materials contain information or phrasing that they do not. In addition, misrepresentation occurs when a student omits or inserts words, changes words, misquotes, or takes correctly quoted phrases out of context. If this is done with the intent to deceive a professional educator in any academic evaluation, the student has committed a breach of academic integrity.

6. **Plagiarism**: Plagiarism means presenting someone else’s ideas or words as one’s own. Plagiarism may involve some degree of intent or may be the result of carelessness or ignorance of acceptable forms for citation. Not knowing how or when to cite a source does not excuse an act of plagiarism. Each of the four kinds of plagiarism below is a breach of academic integrity.

   - Copying without citation, the most serious form of plagiarism, involves copying part or all of a paper from the Internet, from a book or magazine, or from another source without indicating that the work is someone else’s. To avoid this form of plagiarism, quoted material must be placed in quotation marks and one of the standard forms of documentation (APA, MLA, etc.) must be used to indicate where the material came from.
   - Copying from an external source and citing the source but failing to show (by the use of quotation marks, for example) that
the material is a direct quotation is another form of plagiarism. Simply documenting the source does not indicate that the words themselves are someone else’s. Avoiding this form of plagiarism involves putting all quoted material in quotation marks or using the format designated by APA, MLA, etc. to indicate quoted material.

- Incorrect paraphrasing is another form of plagiarism. Paraphrasing involves putting a lengthy phrase, sentence, or group of sentences written by another into one’s own words, thereby making it significantly different from the original. Changing a few words, or rearranging words, is not proper paraphrasing, and though the source is cited (as is always required with paraphrased material), wording remains substantially that of another and cannot rightfully be represented as original. Avoiding this form of plagiarism involves either making the material a direct quote by using quotation marks and citing the source, or paraphrasing properly by substantially changing the original to new words; again, making sure to cite the source.

- Presenting arguments, lines of reasoning, or facts learned from someone else without citing the source, even if the material is paraphrased, is another form of plagiarism. The source must be properly cited.

7. **Improper Influence**: Attempting to influence a grade or to receive any other academic benefit not earned through the normal exercise of academic effort by offering anything of value, including the performance of services, to a professional educator, College employee, other College student, or any other person, is academic misconduct.

## PROCEDURES, SANCTIONS AND APPEALS FOR ACADEMIC MISCONDUCT

### The Professional Educator

The College respects and accepts the professional educator’s qualifications and rights to determine academic standards. The professional educator is accountable for establishing and maintaining appropriate academic standards for coursework and for informing students of any special rules or practices for a particular class.

When a professional educator becomes aware of a possible violation of academic integrity by one of his or her students, a confidential conference between the professional educator and the student should be held to discuss the perceived violation and its consequences. If, following the conversation, the professional educator is satisfied that a violation has occurred, he or she may determine that one or more of the following consequences are appropriate and impose such penalty:

- Issuing a verbal or written reprimand
- Requiring that the academic project or examination in question be repeated
- Assigning the academic project or examination in question a reduced grade
- Requiring that the academic project or examination in question be repeated for a reduced grade
- Assigning the academic project or examination in question a failing grade
- Assigning a reduced grade in the course
- Assigning a failing grade in the course
- Initiating the student’s involuntary withdrawal from the course

The professional educator will resolve most violations in the above manner.

The professional educator will report each violation and its disposition to the Division Chair within five business days of the occurrence; the chair will report to the appropriate Dean, who in turn will report it to the Admissions and Academic Standards Appeals Committee. If the professional educator feels that the violation in question was especially serious or repeated, he or she may recommend that additional penalties be imposed.

### The Admissions and Academic Standards Appeals Committee

The Admissions and Academic Standards Appeals Committee will be notified of all acts of academic misconduct. Such reports will be noted in the agenda and minutes of committee meetings. The committee may report the incidence and nature of these violations to the faculty and administration at appropriate intervals.

When, in the opinion of the committee, evidence of repeated or especially serious offenses exists, or upon the recommendation of the professional educator involved, the Admissions and Academic Standards Appeals Committee will consider the case and may decide to impose one or more of the following additional penalties against a violator:

- Placing a written reprimand in the student’s permanent file
- Restricting the student’s access to certain College resources
- Requiring the student to complete an academic integrity education program
- Placing the student on academic probation

If the Admissions and Academic Standards Appeals Committee concludes that the violation is so serious as to possibly warrant the student’s exclusion from extracurricular college activities, or suspension or dismissal from the College, it will make that recommendation to the Vice President of Academic and Student Affairs.

### The Vice President of Academic and Student Affairs

The Vice President of Academic and Student Affairs will resolve the most serious acts of academic misconduct. Only the Vice President of Academic and Student Affairs has authority to suspend or expel a student from the College for academic misconduct.

After receiving recommendation from the Admissions and Academic Standards Appeals Committee that a violation of academic integrity may warrant the student’s dismissal from the College, the Vice President of Academic and Student Affairs will consider the evidence and render a decision which shall be binding, subject only to student appeals as otherwise provided.

The Vice President of Academic and Student Affairs may impose additional penalties against a violator, which may include:

- Censure and exclusion from extracurricular college activities, including student government, athletics, performances, or other activities of the college community
- Suspension for a specified period of time
• Expulsion from the College without expectation of readmission

A Student's Right to Appeal
A student may appeal any decision to impose discipline as a result of academic misconduct through the established Grievance Procedure and Official Review Process for Academic Standards (GCCCD 5810.02). The Official Review Process is as follows:

Step 1. The Complainant shall seek out, within five (5) days of the action, the Professional Educator so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

Step 2. If complainant satisfaction is not achieved in Step I, the Complainant shall provide a written request for a meeting to the Division Chairperson responsible for oversight of the standards employed by the Professional Educator. Within five (5) days of receipt of the request the Division Chairperson shall arrange for a meeting to include the following individuals: the Division Chairperson, the Professional Educator, and the Complainant. The Division Chairperson shall attempt to mediate an acceptable solution.

Step 3. If Complainant satisfaction is not achieved in Step II, the Complainant shall provide a written request for a hearing by the Admissions and Academic Standards Appeals Committee. The request shall articulate the complaint and shall be delivered to the Academic Affairs Officer within five (5) days after receiving a recommended solution as provided in Step II then forwarded to Chair of the Admissions and Academic Standards Committee for review. Within ten (10) days of receipt of the request, but not less than three (3) days of receipt of request, the Chairperson of the Admissions and Academic Standards Appeals Committee shall arrange for a hearing. The Complainant, the Professional Educator and the Division Chairperson shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Admissions and Academic Standards Appeals Committee shall set forth a written document addressing finding of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Professional Educator, the Division Chairperson, and the College President. Decisions made by the Admissions and Academic Standards Appeal Committee are binding.
ACADEMIC GOOD STANDING

**Academic Probation.** If an enrolled student’s cumulative grade point average in either the fall or spring semester falls below the following levels in relation to the student’s total credits used in the calculation of the GPA, the student will be placed on academic probation. In the subsequent fall or spring semester the student will be allowed to register for no more than sixteen (16) credits.

<table>
<thead>
<tr>
<th>Credit Hours</th>
<th>Minimum Grade Point Average Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>12-15</td>
<td>1.60</td>
</tr>
<tr>
<td>16-30</td>
<td>1.75</td>
</tr>
<tr>
<td>31-45</td>
<td>1.90</td>
</tr>
<tr>
<td>46+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

**Extended Academic Probation.** At the end of the academic probation semester if the student fails to raise his/her GPA to the minimum GPA requirement specified above, the student will be placed on extended academic probation. While on extended academic probation the student will be limited to seven (7) credit hours in subsequent semesters and summer sessions until such time as the student meets the appropriate standard.

**Appeal of Academic Probation or Extended Academic Probation.** If a student believes he/she was placed on academic probation or extended academic probation as a result of extenuating circumstances, the student may petition the Admissions and Academic Standards Appeals Committee for an exception.

ATTENDANCE

You are expected to attend all class meetings and laboratory sessions for which you are registered. Instructors will advise you in writing of class policies governing absences, punctuality, make-up assignments, and exams at the beginning of each term.

ABSENCES

Absences accumulate beginning with the first day of class.

**Official Absences.** Absences from class due to authorized participation in College sponsored activities will be considered as official absences. There will be no institutionally sanctioned penalty associated with official absences. Designation of official absences will be made through the office of the Vice President of Academic and Student Affairs.

**Unofficial Absences.** Absences other than official absences will be considered as unofficial absences. Instructors are authorized to withdraw a student from class for excessive unofficial absences.

MAKE-UP ASSIGNMENTS AND EXAMS

It is your responsibility to make up any assignments or exams missed because of either an official or unofficial absence. Arrangements for make-up assignments or exams must be made with the individual instructor prior to the absence. At the discretion of the instructor, you may be denied the opportunity to make up assignments or exams missed because of an unofficial absence. Make-up assignments or exams for official absences shall not be punitive in nature.

PUNCTUALITY

You are expected to be prompt in attending each of your classes. Instructors are authorized to take appropriate actions, including withdrawing you from class, because of excessive tardiness.

THE CREDIT SYSTEM

Credit is given by means of a semester credit system which assigns each course a certain number of credits. A credit usually represents three hours of work each week in a 16-week semester; it may stand for an hour of classroom work and two hours of preparation, for three hours of laboratory work, or for some other combination as the particular course may demand.

AWARDING TRANSFER CREDIT

To apply credit earned at another accredited institution of higher education towards your EAC degree, you must have each of your former colleges send an official college transcript directly to EAC’s Records and Registration Office. We accept electronic and mailed official transcripts. We do not accept faxed or emailed transcripts. You may receive transfer credit for courses taken at another accredited higher education institution in which you received a grade of “C” or better.

**Eastern Arizona College uses the AZTransfer and TES College Source websites to evaluate student transcripts. AZTransfer has established with all AZ community colleges and state universities common general education core course numbers designated as Sun Numbers. Any course assigned with a Sun Number transfers to each AZ institution as identified in the Sun Matrix Report found at [http://aztransmac2.asu.edu/cgi-bin/WebObjects/ATASS.woa/wa/SUNMatrix](http://aztransmac2.asu.edu/cgi-bin/WebObjects/ATASS.woa/wa/SUNMatrix). In addition, EAC uses the AZ Transfer Course Equivalency Guide (CEG) and Community College CEG to help evaluate official college transcripts from other AZ colleges. EAC also uses the Transfer Evaluation System (TES) from CollegeSource to review course descriptions and store equivalencies from all other institutions.**

When transfer courses are determined to be equivalent or similar to EAC courses, you will receive credit for the equivalent EAC courses. Courses that are determined to not be equivalent or similar to EAC courses will transfer as elective credit. Students may view their evaluated courses.
displayed on their unofficial transcripts in their Gila Hank account. To review an evaluation of transfer courses contact the Records and Registration Office at (928) 428-8270.

In unusual circumstances, you may petition the Admissions and Academic Standards Appeals Committee for credit for transfer courses in which a grade of “D” was received.

Courses taken from another institution while you are academically suspended from EAC will not be accepted by EAC.

Accredited higher education institutions are those that are fully accredited by New England Association of Schools and Colleges, Middle States Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Schools and Colleges, Southern Association of Colleges and Schools, and/or the Western Association of Schools and Colleges.

Transfer credit from non-accredited postsecondary institutions may also be accepted if such credits represent equivalent or higher level work at Eastern Arizona College.

Prerequisite courses taken over ten years ago may not prepare you well for the subsequent course due to changes in the body of knowledge in the field being studied.

NATIONAL STANDARDIZED EXAMINATIONS

You may be awarded college credit for satisfactory scores on national standardized examinations listed in the American Council on Education’s “A Guide to Educational Credit by Examination, 4th Edition,” or its successor.

CLEP is an example of such an examination. The College’s Evaluation/Testing Center administers the CLEP. There is a fee for the CLEP exam. If you intend to transfer to another college or university you are cautioned that policies governing the awarding of CLEP credit vary from institution to institution. In all cases, scores earned for CLEP examinations will have to be submitted separately to each institution at which credit is being sought.

CREDIT BY DEPARTMENTAL EXAMINATION

If you have acquired college level knowledge or skill through work or life experiences for which you have not received college credit you may petition the Admissions and Academic Standards Appeals Committee to earn college credit by taking an EAC Departmental Exam provided you are not currently enrolled in that course nor seeking credit for a lower level course after successfully completing a higher level course. The petition may be obtained through EAC’s Records and Registration Office or online through your Gila Hank Online account. Upon approval of your petition, a comprehensive written and/or performance examination (not the course final exam) relating experience to course content will be administered by an instructor designated by the Vice President of Academic and Student Affairs. The examination will be documented by filing results in EAC’s Records and Registration Office. If proper test administrators are not available at the time of your request, you must wait until the test administrator is available. Permission to take such an exam is limited to subject areas offered by Eastern Arizona College in which competency can be measured satisfactorily by a written or performance test. A course may be challenged only one time. Credit awarded on this basis will be recorded on an official transcript only upon completion of 16 credit hours at Eastern Arizona College and will be shown on the transcript as “credit by departmental examination.” A credit by examination fee will be charged for the examination (see catalog, section “Other Fees”). Upon transfer, acceptance of credit awarded by means of departmental exam may be treated differently by the receiving institution.

CREDIT FOR INTERNATIONAL BACCALAUREATE

Credit may be awarded for International Baccalaureate coursework. An official translation from an approved accredited translation body by NACES or AICE must be obtained for any transcript that is non-English. Transcripts submitted to the Records Office will be evaluated on a course by course basis.

CREDIT FOR ADVANCED PLACEMENT

Testing and evaluation for Advanced Placement will be uniform throughout the District and shall be applied uniformly by divisions and individual instructors.

The following list shows the EAC credit awarded for specific advanced placement examinations.

American History. An AP Exam score of 4 or 5 earns credit for EAC courses HIS 101 and 102, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

Art (History). An AP Exam score of 3, 4 or 5 earns credit for EAC course ART 133 or ART 134, for 3 credits. A score of 1 or 2 earns no credit.

Art (Studio). An AP Exam score of 4 or 5 earns credit for EAC course ART 111 for 3 credits. A score of 1 or 2 earns no credit.

Biology. An AP Exam score of 4 or 5 earns credit for EAC courses BIO 181 and 182, a total of 8 credits. A score of 3 earns credit for BIO 100, for 4 credits. A score of 1 or 2 earns no credit.

Calculus AB. An AP Exam score of 3, 4 or 5 earns credit for EAC course MAT 220, for 5 credits. A score of 1 or 2 earns no credit.

Calculus BC. An AP Exam score of 4 or 5 earns credit for EAC courses MAT 220 and 230, a total of 9 credits. An AP Exam score of 3 earns credit for EAC course MAT 220, for 5 credits. A score of 1 or 2 earns no credit.

Chemistry. An AP Exam score of 4 or 5 earns credit for EAC courses CHM 151 and 152, a total of 8 credits. A score of 1, 2 or 3 earns no credit.

Comparative Government & Politics. An AP Exam score of 4 or 5 earns credit for EAC department elective credit, for 3 credits. A score of 1, 2 or 3 earns no credit.

English Literature/Composition. An AP Exam score of 4 or 5 earns credit for EAC course ENG 101, for 3 credits. A score of 1, 2 or 3 earns no credit.

English Language/Composition. An AP Exam score of 4 or 5 earns credit for EAC course ENG 101 for 3 credits. A score of 1, 2 or 3 earns no credit.

European History. An AP Exam score of 4 or 5 earns credit for EAC courses HIS 104 and 105, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

French Language. An AP Exam score of 3, 4 or 5 earns credit for EAC courses FRE 101, 102, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.
German Language. An AP Exam score of 3, 4 or 5 earns credit for EAC courses GER 101, 102, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

Macroeconomics. An AP Exam score of 4 or 5 earns credit for EAC course BUA 221, for 3 credits. A score of 1, 2 or 3 earns no credit.

Microeconomics. An AP Exam score of 4 or 5 earns credit for EAC course BUA 223, for 3 credits. A score of 1, 2 or 3 earns no credit.

Music Theory. An AP Exam score of 3, 4 or 5 earns credit for EAC course MUS 101, for 3 credits. A score of 1 or 2 earns no credit.

Physics B. An AP Exam score of 4 or 5 earns credit for EAC course PHY 111, for 4 credits. A score of 1, 2 or 3 earns no credit.

Physics C. An AP Exam score of 3, 4 or 5 on Mechanics earns credit for EAC course PHY 111, for 4 credits. A score of 1 or 2 earns no credit.

Psychology. An AP Exam score of 4 or 5 earns credit for EAC course PSY 101, for 3 credits. A score of 1, 2, or 3 earns no credit.

Spanish Language. An AP Exam score of 3, 4 or 5 earns credit for EAC courses SPA 101, 102, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

Statistics. An AP Exam score of 3, 4 or 5 earns credit for EAC course MAT 160, for 3 credits. A score of 1 or 2 earns no credit.

US Government and Politics. An AP Exam score of 4 or 5 earns credit for EAC course POS 110, for 3 credits. A score of 1, 2 or 3 earns no credit.

US History. An AP Exam score of 4 or 5 earns credit for EAC courses HIS 101 and 102, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

**CREDIT FOR APPRENTICESHIP TRAINING, LICENSING, AGENCY TRAINING, EXAMINATION, OR EVALUATION**

If you hold a valid and current license or accreditation for a specific skill or trade which included passing an exam by a state or nationally recognized Board and have been actively practicing that skill within the last five years, you may petition the Admissions and Academic Standards Appeals Committee for college credit in subject areas offered by EAC. You must supply the name and address of the accrediting Board, trade school, or agency to EAC’s Records and Registration Office.

Upon request by EAC’s Records and Registration Office, the place of prior accreditation must be willing to supply information about examination competencies. If this information is adequate for evaluation, the Admissions and Academic Standards Appeals Committee, in consultation with the Division in which courses are listed, will determine the specific courses for which credit will be given on the official transcript.

Transcript wording will be “Credit by departmental evaluation.” If there is a question about awarding of credit under these conditions, you will be given the opportunity to earn the credits in question by examination as described under the Credit By Examination section. Credit earned by apprenticeship training, licensing, or other agency training or examination may not be transferable. Credit awarded on this basis will be recorded on an official transcript only upon completion of at least 16 credit hours in courses at Eastern Arizona College and will be shown on the transcript as “credit awarded by evaluation.” Upon transfer, acceptance of credit awarded by evaluation may be treated differently by the receiving institution.

**CREDIT FOR MILITARY TRAINING**

“The 2006 Guide to the Evaluation of Educational Experiences in the Armed Services” or its successor, published by the American Council of Education, is used as the basis for evaluating training and experience in the armed forces. A student may receive college credit if the armed services training parallels a curriculum area offered at Eastern Arizona College, and the credit meets a program requirement, or is used as elective credit. Credit awarded on this basis will be recorded on an official transcript only upon completion of at least 16 credit hours in courses at Eastern Arizona College and will be shown on the transcript as “military credit awarded by evaluation.” Upon transfer, acceptance of credit awarded for military service may be treated differently by the receiving institution.

**GRADING**

Each course in which you are enrolled at the end of the course will be awarded one of the following grades:

<table>
<thead>
<tr>
<th>Letters</th>
<th>Grades</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4 grade points per semester credit</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3 grade points per semester credit</td>
</tr>
<tr>
<td>C</td>
<td>Competent</td>
<td>2 grade points per semester credit</td>
</tr>
<tr>
<td>D</td>
<td>Passing–not transferable</td>
<td>1 grade point per semester credit— not transferable and may not meet graduation requirements</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0 grade points per semester credit</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
<td>not computed in GPA</td>
</tr>
<tr>
<td>P</td>
<td>Credit only</td>
<td>not computed in GPA. A “P” is judged to be equivalent to a grade of “C” or higher.</td>
</tr>
<tr>
<td>W</td>
<td>Withdraw</td>
<td>not computed in GPA</td>
</tr>
<tr>
<td>X</td>
<td>Audit</td>
<td>not computed in GPA</td>
</tr>
<tr>
<td>Y</td>
<td>Grade not reported by instructor</td>
<td>not computed in GPA</td>
</tr>
</tbody>
</table>

Grade point averages are computed by multiplying the grade points earned by the corresponding credit and dividing the sum of those products by the total credit attempted.
GRADE OF FAILING “F”

The Department of Education states, “An earned ‘F’ is assigned when a student completes the course but fails to achieve course goals.” The grade of “F” or mark of failing will be given on final grade rolls when the student has participated in the course and has earned an F. An earned F shall be defined by all of the following indicators:
1. The student has not withdrawn themselves or requested to be withdrawn from the course prior to finals week.
2. The college has not withdrawn the student due to lack of participation reported by the instructor.
3. The instructor has not requested the student to be withdrawn through the proper channels after the 45th day rolls.
4. The student’s grade for the course has been calculated as a failing grade.

An earned “F” is not given for non-participation. A student who does not participate will be withdrawn from the course.

GRADE OF INCOMPLETE “I”

The grade of Incomplete (I) may be given for reasons acceptable to the instructor if you do not complete the objectives of the course during enrollment. Incompletes may be changed to grades when, upon contract with instructors, the objectives of the courses involved are completed at a passing level. You are solely responsible for making arrangements with instructors to complete course requirements. The course must be completed and a grade recorded by the end of the next regular semester following the Incomplete, or a grade of “F” will be recorded for the course.

GRADE OF PASS “P”

“P” grades are not calculated in your GPA. A “P” grade is normally available only to the non-transfer student. The Academic Standards Committee may approve a petition for up to 6 units of “P” grades to be applied toward fulfilling graduation requirements in a university parallel curriculum. “P” grades changed by petition are equivalent to “C” grades.

GRADE OF WITHDRAWAL “W”

You may obtain the grade of Withdraw (W) by officially withdrawing from a class within the allotted time frame. Ceasing to attend a class does not constitute withdrawal; however, faculty can initiate an official withdrawal from a course.

GRADE OF AUDIT “X”

The grade of Audit (X) is given to students who officially enroll in a course as an auditor to obtain course information and do not wish to earn college credit. When auditing, students pay the regular tuition and fee charges in addition to the audit fee as specified in the fee schedule.

Nursing is a competitive entry program, and students cannot advance in the nursing program without a letter grade. Therefore, NUR courses cannot be audited.

GRADES FOR REPEATED COURSES

You may repeat a course previously taken at Eastern Arizona College in order to improve your grade or to update your knowledge of the course material. When a course is repeated, credit may be counted only once for graduation and only the higher grade will be used for computation of the grade point average; however, all grades will appear on your transcript. Veterans cannot claim benefits for repeated courses unless the veteran received a grade of “F” and the course is needed for graduation.

GRADE CHANGES

Grade changes can be made through a grade change request initiated by the instructor, followed by approval of the Division Chair and Dean or Vice President of Academic and Student Affairs. If an instructor is not available, the Division Chair, Dean, or Vice President of Academic and Student Affairs may initiate a grade change request. Grade changes due to clerical errors can be made and corrected by the Records Office.

If a student desires to appeal a grade, that student must seek out the instructor so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution. If student satisfaction is not achieved after meeting with the instructor, the appeal will continue with Step II under the Official Review Process listed below.

GRIEVANCE PROCEDURE—ACADEMIC STANDARDS

Students aggrieved by College actions of an academic nature shall have the opportunity for appeal.

The professional educator’s qualifications and rights to determine academic standards are respected and accepted. The professional educator shall be accountable for establishing and maintaining appropriate academic standards for coursework.

When a complaint about academic standards arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render the complaint legitimate. Complaints of sexual harassment should follow the procedure set forth in GCCCD Policy 2075 - Procedures for Alleged Violations of the Title IX Sexual Harassment Regulations. The student’s right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process - Academic Standards. The Official Review Process - Academic Standards may not be applicable when services are delivered under the provisions of a negotiated contract. The appeal process does not suspend any actions which are being grieved.

DEFINITION OF TERMS

Days: Calendar days exclusive of official holidays as identified in the College Catalog.

Complainant: Student complainant.

Professional Educator: College professional educator(s) responsible for the program or action for which the student complainant has a grievance.
Vice President of Academic and Student Affairs: Campus official designated by the College President for oversight of academic affairs.

Admissions and Academic Standards Appeals Committee: College committee charged with responsibility to advise the College President on policies, standards, rules and regulations for academic standards and student admission; and to serve as an appeals committee for grievances concerning academic standards.

Academic Standard: All actions relating to grades, grading standards, professional educator conduct, materials presented in a classroom by the professional educator or adjunct, and professional educator discrimination against a student exclusive of discrimination as defined by federal or state laws.

OFFICIAL REVIEW PROCESS—ACADEMIC STANDARDS

Step 1. The Complainant shall seek out, within five (5) days of the action, the Professional Educator so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

Step 2. If Complainant satisfaction is not achieved in Step 1, the Complainant shall provide a written request for a meeting to the Division Chairperson responsible for oversight of the standards employed by the Professional Educator. Within five (5) days of receipt of the request the Division Chairperson shall arrange for a meeting to include the following individuals: the Division Chairperson, the Professional Educator, and the Complainant. The Division Chairperson shall attempt to mediate an acceptable solution.

Step 3. If Complainant satisfaction is not achieved in Step II, the Complainant shall provide a written request for a hearing by the Admissions and Academic Standards Appeals Committee. The request shall articulate the complaint and shall be delivered to the Vice President of Academic and Student Affairs within five (5) days after receiving a recommended solution as provided in Step II then forwarded to Chair of the Admissions and Academic Standards Committee for review. Within ten (10) days of receipt of the request, but not less than three (3) days of receipt of request, the Chairperson of the Admissions and Academic Standards Appeals Committee shall arrange for a hearing. The Complainant, the Professional Educator and the Division Chairperson shall attend the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Admissions and Academic Standards Appeals Committee shall set forth a written document addressing finding of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Professional Educator, the Division Chairperson, and the College President. Decisions made by the Admissions and Academic Standards Appeal Committee are binding.

HONORS

President’s List: The President’s List will, upon completion of each semester, include those full-time students who:

• Are enrolled in a curriculum listed in a College Academic Catalog leading to a degree offered by Eastern Arizona College,
• Complete during the semester a minimum of 12 credits at the 100 level or higher for which a grade other than an “I” (Incomplete) or “P” (Pass) grade was earned, and
• Received a 4.000 semester grade point average.

Dean’s List: The Dean’s List will, upon completion of each semester, include those full-time students who:

• Are enrolled in a curriculum listed in a College Academic Catalog leading to a degree offered by Eastern Arizona College,
• Complete during the semester a minimum of 12 credits at the 100 level or higher for which a grade other than an “I” (Incomplete) or “P” (Pass) grade was earned, and
• Received a 3.500 through 3.999 semester grade point average.

OFFICIAL NOTIFICATIONS

At initial enrollment all students receive an Eastern Arizona College MonsterMail account. This email account is free of charge and is the official notification channel for all EAC correspondence to the students. Correspondence sent to this address will be deemed official and adequate notification to you regarding the contents of such correspondence.

REGISTRATION

The act of enrolling in courses at the College indicates you agree to be subject to all the requirements, policies, and regulations in the College Catalog and Student Handbook, and agree to establish a permanent college academic record. You further acknowledge that in order to be admitted to other colleges or universities you may be required to send this academic record to those institutions. Your enrollment also certifies your understanding that the content of EAC courses are designed for adult students and if you are a younger student you may feel constrained from participating in class discussions due to the maturity and age of other students in addition to the subject matter being discussed. Contact the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, Ext. 8270 for details.

COURSE OVERLOAD

The typical academic load varies from 15 to 18 credit (semester) hours. Students carrying a minimum of 12 credit hours are considered full-time students for financial aid, residency, and scholarship purposes.

You are allowed to register for an “overload”—defined as more than 18 credit hours contingent upon the following criteria. For purposes of overload consideration, Activity/Personal Enrichment courses are not included in the number of credits to be examined.

• You may enroll for an overload of up to 22 credit hours if you have completed a minimum of 12 credits at Eastern Arizona College with a cumulative GPA of 2.75 or higher.
• If you have not completed, but are currently enrolled in, a minimum of 12 credits at Eastern Arizona College, you must petition to enroll for an overload of up to 22 credits for the subsequent semester contingent upon completion of your courses currently in progress of 2.75 or better. At the end of the semester, if the cumulative GPA for the courses in progress is less than 2.75, you will be administratively withdrawn from the course(s) requested in your petition. You may also be subject to other points of enforcement surrounding academic standards.
If you have completed at least 12 credits at Eastern Arizona College with a cumulative GPA of 2.25 through 2.7499, you must petition the Admissions and Academic Standards Committee for approval to register for an overload.

- If your cumulative GPA is less than 2.25, you will not be considered for an overload unless evidence is provided showing that impending graduation requirements cannot otherwise be met.
- If you are a first-time student or first-semester transfer student to Eastern Arizona College, you must petition the Admissions and Academic Standards Committee for an overload of up to 22 credits. An official transcript from either the high school or transfer institution must be on file in the Records and Registration Office.

If you want to enroll in more than 22 credits for a regular semester, you must petition the Admissions and Academic Standards Committee for additional overload consideration.

TRANSCRIPTS

An official transcript is a copy of a student’s permanent academic record issued by the college Registrar. It displays all courses taken, grades received, degrees or certificates awarded at EAC.

EAC has partnered with the National Student Clearinghouse to provide a convenient web-based method for students and alumni to request official transcripts. A fee of $10 will be charged for each official transcript ordered. You can order your official transcript by clicking the link in your Gila Hank account or by directly accessing the National Student Clearinghouse ordering website at www.getmytranscript.com. Transcripts may be sent electronically or mailed. EAC does not fax official transcripts.

If you desire to transfer to another institution of higher education, you should request the Records and Registration Office send your official transcript directly to the institution you expect to enter. Also, you may request that the Records and Registration Office send a transcript directly to a prospective employer.

Students may access their unofficial transcript through their Gila Hank account at any time for no charge. You may also visit the Records and Registration Office and present a government issued photo ID to have an unofficial copy printed.

Eastern Arizona College reserves the right to withhold transcripts from students who are in debt to the College. A student whose transcript is being withheld has the right to discuss the matter with EAC personnel who are empowered to resolve any dispute concerning indebtedness to the College.

WITHDRAWAL FROM A COURSE

You are responsible for initiating and completing official withdrawals from classes from which you wish to withdraw through the Records and Registration Office or over the Internet using Gila Hank Online. Withdrawal before the end of the registration period will result in the course not showing on your transcript. This is known as “Withdrawal Without Record.” Withdrawal from a course after the close of registration will result in a grade of “W” - “Withdrawn” - showing on your transcript. There is a different deadline for each type of course (semester-length, short-term, and summer) that is taught at EAC. Please see the listing below for the exact deadlines. If you do not officially withdraw from a course, you may receive a failing grade. Instructors are authorized to withdraw you from courses for excessive unofficial absences, excessive tardiness, disruptive behavior, or inability to perform the required tasks.

Your failure to drop a class after registration, regardless of nonattendance or nonpayment, does not release you from the financial obligation incurred at the time of registration. To ensure your registration is cancelled you must withdraw from the course. To completely remove your financial obligation for refundable fees, you must withdraw from the course during the open registration period for that course. If you incurred any nonrefundable fees, you will still be obligated to pay these fees.

Withdrawing from courses may affect a student’s financial aid eligibility, veteran’s benefits, and/or athletic eligibility. If you have received financial aid and withdraw from courses, please refer to the Return of Title IV Federal Student Aid Policy in the disclosure section of the College Catalog as to how this might affect you.

Semester-Length Courses: Students may withdraw themselves through the last day of class, not including finals week to receive a “W” grade.

Short-Term and Summer Session Courses: The last day for you or your instructor to initiate an official withdrawal from a short-term or summer session course is the last day of the course.
GRADUATION

Licensure
Eastern Arizona College offers various certificates and programs that enable the student to test for licensure. Eastern Arizona College makes no guarantee, either implied or stated, that you will pass any licensing test. Also, please be aware that any past criminal record may have an impact on your eligibility for licensure. You should investigate licensing requirements before entering a course of study.

Certificates
Eastern Arizona College offers a variety of certificates that provide skills-based and entry-level position training, and preparation for licensing tests. Please refer to the certificate major you intend to pursue offered by Eastern Arizona College identified in the curriculum section of this catalog for course and graduation requirements. Students are encouraged to visit with an academic advisor to review certificate requirements before submitting a petition for graduation. Petitions must be submitted through the student portal, Gila Hank.

Degrees
Eastern Arizona College grants the Associate of Arts (AA), Associate of Business (ABus), Associate of Science (AS), Associate of General Studies (AGS), and the Associate of Applied Science (AAS) degrees. Specific course requirements for each of the degrees offered by Eastern Arizona College are identified in the curriculum section of this catalog. Please refer to the major you intend to pursue at EAC for specific graduation requirements. Students are encouraged to visit with an academic advisor to review degree curriculum requirements before submitting a petition for graduation. Petitions must be submitted through the student portal, Gila Hank.

Approved Electives
EAC degree programs that are designed to transfer to all of Arizona’s public universities require you to select your electives from the courses listed in the Arizona Higher Education Course Equivalency Guide (CEG).

The E or Better Report indicates which courses transfer to Arizona State University, Northern Arizona University and the University of Arizona with an equivalency of Elective or better.

The E or Better Report refers only to courses taken during the current academic year. For information about the transferability of courses taken in past semesters, see your advisor.

**CHOICE OF CATALOG**

In order to meet current educational standards, EAC academic catalogs expire after five years. Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect during the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Continuous enrollment is limited to five academic years; afterward, students can choose any single catalog in effect during subsequent terms of enrollment.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

   **Example A:** Admitted and earned course credit at a public college or university: Fall 2019 (Active). Continued at a community college: Spring 2020, Fall 2020 (Active). Transferred to a university: Spring 2021 (2019 or any subsequent catalog).

   **Example B:** Admitted and earned course credit at a public college or university: Fall 2019 (Active). Enrolled but earned all Ws or Fs: Spring 2020 (Inactive). Transferred to a university: Spring 2021 (2019 or any subsequent catalog).

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission. Students are not obligated to enroll and earn course credit during summer term, but summer enrollment may be used to maintain continuous enrollment status.

   **Example A:** Admitted and earned course credit at a public college or university: Fall 2018 (Active). Nonattendance: Spring 2019, Fall 2019, Spring 2020 (Inactive). Readmitted and earned course credit at a community college: Fall 2020 (Active). Transferred to a university: Spring 2021 (2020 or any subsequent catalog).

   **Example B:** Admitted and earned course credit at a public college or university: Fall 2019 (Active). Nonattendance: Spring 2020 (Inactive). Readmitted, earned course credit at a community college: Summer 2020 (Active). Nonattendance: Fall 2020, Spring 2021 (Inactive). Transferred to a university: Fall 2021 (2019 or any subsequent catalog).

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

**GRADUATION HONORS**

**Highest Honors:** Granted to candidates for graduation who, at the conclusion of their last completed semester, at least 30 credits at EAC with a 4.000 cumulative grade average.

**High Honors:** Granted to candidates for graduation who, at the conclusion of their last completed semester, at least 30 credits at EAC with a minimum of 3.750 cumulative grade average.

**Honors:** Granted to candidates for graduation who, at the conclusion of their last completed semester, at least 30 credits at EAC with a minimum of 3.500 cumulative grade average.

**COMMENCEMENT**

To participate in commencement, your petition for a degree or certificate must be submitted by March 1st of the year you plan to participate. Students should work closely with the Records and Registration office to ensure you have met all requirements necessary to participate.

**DEVELOPMENTAL COURSES**

Credit earned for developmental classes which are numbered below 100 will not be counted towards degree completion, graduation honors or graduation grade point average.

**MULTIPLE DEGREES**

Eastern Arizona College offers the Associate of Arts (AA), Associate of Business (ABus), Associate of Science (AS), Associate of General Studies (AGS) and Associate of Applied Science (AAS) degrees. Once you have received one Associate degree, one or more additional degrees can also be received by completing the additional degree requirements with a minimum of 16 additional curriculum credits beyond the first degree. Degrees may be earned concurrently, however, an Associate of General Studies (AGS) degree will not be awarded in conjunction with any other transfer degree and a General Technical Studies (AAS) degree will not be awarded in conjunction with any AAS degree.
GENERAL EDUCATION

General education at Eastern Arizona College exposes you to a pattern of course work which broadens your perspectives and gives “every student pursuing an undergraduate degree the basic skills and the familiarity with various branches of knowledge which are associated with college and university education and are useful in advanced study within the university and in life beyond the university.” (State of Arizona General Education Values Statement, 1993)

General education at Eastern Arizona College supports the following student learning outcomes:

- Improve communication skills.
- Improve the ability to solve problems.
- Improve the ability to think critically.
- Improve the ability to interact with other cultures.
- Improve reading skills.
- Improve writing skills.
- Improve math skills.
- Improve the ability to interact in society.
- Improve skills in the use of technology.
- Improve the ability to analyze information from a variety of sources.
- Improve appreciation of the arts.

GENERAL EDUCATION REQUIREMENTS FOR TRANSFER DEGREES:

- Associate of Arts (AA)
- Associate of Business (ABus)
- Associate of General Studies (AGS)
- Associate of Science (AS)

Eastern Arizona College subscribes to the common structure for a transfer general education curriculum agreed upon by Arizona public community colleges and universities. This agreement provides you the opportunity to build a general education curriculum that is transferable upon completion without loss of credit to another Arizona public community college or university. This agreement is called the Arizona General Education Curriculum (AGEC).

The AGEC at Eastern Arizona College has three forms – the AGEC-A (Associate of Arts), AGEC-B (Associate of Business) and AGEC-S (Associate of Science) – and is a 35-39 semester-credit certificate program. Designed to articulate with different academic majors, the requirements of the three AGECs vary accordingly.

1. The AGEC-A is designed to fulfill the lower division general education requirements of liberal arts majors (e.g., Social Sciences, Fine Arts, Humanities). AGEC-A requires a minimum of college mathematics or college algebra to satisfy the Mathematics requirement.

2. The AGEC-B is designed to fulfill the lower division general education requirements of business majors. AGEC-B requires a minimum of brief Calculus to satisfy the Mathematics requirement.

3. The AGEC-S is designed to fulfill the lower division general education requirements of the more stringent mathematics and mathematics-based science majors. The AGEC-S requires a minimum of Calculus and a minimum of 8 credits of either university chemistry, physics, biology or geology. In addition, students must select six to eight additional credits of math higher than Calculus and/or an additional Lab Science course.

Eastern Arizona College has established Associate degree programs that satisfy each of the three AGECs. It will usually be in your best interest to complete the AGEC for your major at EAC before transferring to an Arizona university. When you have completed the AGEC, EAC will certify your achievement on your academic transcript. Completing the AGEC for your major at EAC fulfills the lower division, General Education requirements of the corresponding baccalaureate degree at each of the three state universities. Should you elect to not complete an AGEC at EAC you will not be afforded the same transfer status as those who do. Your courses will be evaluated on a course-by-course basis by the university to which you transfer.

Some majors, particularly in the professional fields, have significant prerequisites and/or program requirements that will not transfer within one of the three General Education programs described above. If you have selected a major that is not listed in the EAC catalog, or one that is listed as a Transfer Guide-Extra Requirements (TG-XR) degree, carefully consult the catalog and/or curriculum transfer guide (located at www.aztransfer.com) of the university to which you plan to transfer and the Course Equivalency Guide (located at www.aztransfer.com/cgi-bin/WebObjects/Admin_CEG) before you register for your GE courses. Obtaining assistance in this process from an advisor at the university you plan to transfer to is strongly recommended. EAC faculty advisors and counselors can also assist you.

You must meet the General Education requirements by selecting appropriate courses from the required program areas. In some cases, a degree program may require you to select specific courses rather than choose from the list of approved GE courses. Required courses for each EAC curricula are listed in the curriculum section of the catalog under the heading General Education Requirements.

INTENSIVE WRITING/Critical Inquiry

Intensive Writing/Critical Inquiry Courses emphasize writing as a tool for learning course materials, developing critical thinking skills, and communicating ideas effectively. To complete your AGEC, you must complete an Intensive Writing/Critical Inquiry course. These courses are designated in the list below with the notation (IW).
GENERAL EDUCATION (TRANSFER DEGREES)

GLOBAL/INTERNATIONAL/HISTORICAL AWARENESS
The AGEC requires that you complete a Global/International/Historical Awareness course. Global and International Awareness courses focus on contemporary, non-U.S., culture, politics, economics or social values and emphasize critical thinking and evaluation skills. Historical Awareness courses will consider that information dealing with the history of peoples and can include their art, values, culture, politics, etc. Courses that meet this requirement are designated with the notation (GIH).

DIVERSITY AND INCLUSION
The AGEC requires that you complete a Diversity and Inclusion course. Diversity and Inclusion courses foster a greater awareness and understanding of diverse populations and our collective complexity as a society. In addition, these courses seek to engage students in the critical analysis of contemporary and historical issues related to diversity. Courses that meet this requirement are designated with the notation (DI).

COURSE OPTIONS (AA, ABUS, AGS, AS)
To minimize the number of classes required to complete GE requirements, select courses from the General Education courses listing that also fulfill the Intensive Writing/Critical Inquiry, Global/International/Historical Awareness, and Diversity and Inclusion requirements. Note that a single course may fulfill more than one of the requirements.

GENERAL EDUCATION REQUIREMENTS FOR ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE

General education at Eastern Arizona College for an Associate of Applied Science Degree is based on the same philosophy as for transfer degrees. It exposes you to a pattern of course work which broadens your perspectives and gives “every student pursuing an undergraduate degree the basic skills and the familiarity with various branches of knowledge which are associated with college and university education and are useful in advanced study within the university and in life beyond the university.” (State of Arizona General Education Values Statement, 1993)

For an Associate of Applied Science degree, you will choose courses from at least three different GE categories. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education, where the maximum is two credits.

TRANSFER PARTNERSHIPS

TRANSFER DEGREES FOR ASU, NAU, AND U OF A

Eastern Arizona College offers three Associate of General Studies Degrees that are appropriate for transfer to Arizona’s public universities. These degrees contain the basic block of courses included in the Arizona General Education Curriculum (AGEC) as well as additional electives, giving you the appropriate number of credits needed to earn an associate degree. Successfully completing one of these degrees with a 2.5 GPA or better means all included AGEC courses will transfer as a block to ASU, NAU and UA and guarantees your admission.

The three Associate of General Studies Degrees are:

- **AGEC-A**: This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in areas such as Liberal Arts, Social Sciences, Fine Arts, Public Programs, and Communication. Learn more about the AGEC-A curriculum block by visiting: www.aztransfer.com/agec/a.html

- **AGEC-B**: This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in Business and Business-related areas such as Computer Information Systems or Economics. Learn more about the AGEC-B curriculum block by visiting: www.aztransfer.com/agec/b.html

- **AGEC-S**: This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in areas such as the Physical and Biological Sciences or Mathematics. Learn more about the AGEC-S curriculum block by visiting: www.aztransfer.com/agec/s.html

For more information on the ACEG curriculum, please visit AZTransfer at: aztransfer.com/generaleducation/

ARIZONA STATE UNIVERSITY

Eastern Arizona College and Arizona State University are proud to partner up to give you two unique paths to a bachelor’s degree.

- **ASU®The GilaValley**
  Earn a bachelor’s degree from Arizona State University without leaving Thatcher, Safford and the surrounding areas. ASU and Eastern Arizona College have established a partnership that allows you to complete your associate degree at EAC and then pursue your ASU bachelor’s degree through classes delivered on the EAC Thatcher campus. You can also take advantage of additional cost savings with a reduced ASU tuition rate.

  **ASU Programs Available at EAC:**
  - Bachelor of Arts in Organizational Leadership
  - Bachelor of Applied Science in Applied Leadership
  - Bachelor of Science in Nursing
  - Bachelor of Arts in Secondary Education
  - Bachelor of Arts in Elementary Education and Special Education Dual Certification

  For more information, please visit: admission.asu.edu/transfer/the-gila-valley

Guaranteed Program For Admission

Simplify your transfer with the Guaranteed Program For Admission. Transferring from a community college to a four-year university can be a smooth process when planned. The Guaranteed Program for Admission helps you plan and complete prescribed coursework designed to easily transfer to ASU. With more than 350 degree programs available, you will be well on your way to becoming an ASU Sun Devil.

**Program Benefits**

- ASU tools and guidance on which courses to take while attending your community college.
- Ability to transfer to ASU in the fall or spring semester.
- Classes at ASU available during the semester you need them.
- Your catalog year will remain the year you sign the agreement rather than the year you are admitted to ASU.

**Requirements**

- Work with your community college advisor and your ASU transfer specialist to monitor your progress.
- Understand and meet admission requirements (learn about general university transfer admission requirements and requirements for your major).
- Complete the coursework for the GPA in two years or less from the point when you sign up for the program with ASU.
- Agree that your academic data and advising information may be shared between your community college and ASU.

For more information about these partnership programs with ASU, visit www.transfer.asu.edu/eastern-az.
TRANSFER PARTNERSHIPS

2NAU-AT EAC-A JOINT ADMISSION PROGRAM
Northern Arizona University and Eastern Arizona College are working together to provide you with an affordable and convenient pathway towards earning your bachelor’s degree.

2NAU is a joint-admission program. You are first admitted to NAU as a non-degree seeking student while you attend classes at EAC until you are ready to claim your degree program and take classes towards your bachelor’s degree at NAU.

Features of the 2NAU joint-admission program include:
• Access to on-site Transition Coordinators who connect you with NAU resources.
• Information about how your associate degree at EAC can lead to an NAU degree locally, online or in Flagstaff.
• Acceptance of transfer credits completed at EAC, significantly reducing the cost of your bachelor’s degree.

Program Benefits
As a 2NAU student at EAC, you will have access to many resources at NAU including:
• Your NAU admissions application fee is waived.
• An NAU email address.
• An NAU ID card.
• A monthly subscription to the 2NAU newsletter The Turning Point.
• Access to student discounts and athletic events in Flagstaff.
• Merit based scholarship for students who qualify.

Requirements
• Must be admitted to Eastern Arizona College.
• Completed one or two semesters at Eastern Arizona College.

For additional information about the 2NAU joint-admission program, visit: nau.edu/admission/2nau-admission/

UA BRIDGE PROGRAM
The University of Arizona’s partnership with Eastern Arizona College provides a unique opportunity for students currently enrolled at EAC to earn their bachelor’s degree from the UA. Designed with you in mind, the UA Bridge program will assist in a smooth transition to the UA.

Program Benefits
• Guaranteed admission into most UA undergraduate degree programs.
• $2,000 renewable scholarships for eligible students.
• Dedicated pre-transfer admission counseling.
• Access to UA peer mentors.
• And more!

Requirements
• Be enrolled in EAC.
• Be at least one year away from transferring to UA when you apply.
• Maintain a 2.0 GPA while in the program.
• Complete 6 or more credits per semester once in the UA Bridge program.

For more information, visit: transfer.arizona.edu/bridge-program

OUT-OF-STATE UNIVERSITIES
In addition to the partnerships Eastern Arizona College has created with our in-state universities, we have also partnered with several out-of-state universities to give our students multiple choices of where to continue their educational journey.

Brigham Young University - Provo
EAC has a transfer partnership with BYU-Provo. If you earn an Associate of Arts, Associate of Business, Associate of General Studies, or Associate of Science degree from EAC, you increase the probability of your admission to BYU and will have completed nearly all BYU University Core (GE) requirements.

Brigham Young University - Hawaii
Students attending Eastern Arizona College who complete their Associate of Arts, Associate of General Studies, Associate of Science, or Associate of Business degree will have met the BYU-Hawaii general education (GE) requirements with the exception of the Interdisciplinary Studies course. EAC students are encouraged to complete their associate degree, with course grades of “C” or better, prior to transferring to BYU-Hawaii to ensure the smoothest transfer process.

Brigham Young University - Idaho
EAC has an articulation agreement with BYU-Idaho which means that EAC Students who have earned the Associate of Arts, Associate of Science, Associate of Business, or Associate of General Studies degrees will be considered as having completed the BYU-I general education requirements.

Grand Canyon University
Eastern Arizona College has specific articulated associate degrees with Grand Canyon University. Students who complete an Associate of Arts or Associate of Science degree may fulfill GCU’s General Education requirements. Students with an Associate of Applied Science degree must fulfill the General Education requirements and have a course-by-course evaluation completed.

Western New Mexico University
Students can easily apply their EAC credits toward a bachelor’s degree at WNMU. Students completing any of the three AGED modules (AGED-A, AGED-B or AGEC-S) will be deemed to have completed all WNMU General Education requirements except Oral Communication and Computer Literacy. An agreement is in place for EAC students transferring to WNMU to pursue a Bachelor of Science in Criminal Justice. In addition, the following degree completion programs are available fully online: Education, English, General Business, Interdisciplinary Studies, Nursing, Psychology, Rehabilitation Services, and Social Work. On-campus degree completion programs available to EAC transfer students include, but are not limited to: Accounting, Biology, Business Administration, Chemical Dependency, Education, Forest Wildlife, History, Mathematics, and Social Work.

Western Governors University
Are you beginning to look at the next steps in your academic journey? As an Eastern Arizona College partner, Western Governors University (WGU) wants to help you transition smoothly from your associate degree
to your bachelor’s degree. At WGU, you can earn a respected, accredited bachelor’s degree – online, on your schedule, and for less than you’d expect. Choose a degree program in business, information technology, K-12 education, or healthcare (including nursing.)

WGU is the only non-profit, online, competency-based education (CBE) university in the country. Students transferring from a U.S. community college into one of WGU’s colleges can expect a comprehensive transfer policy.

WGU offers a generous transfer credit policy! Students with an Associate of Arts (A.A.) or Associate of Science (A.S.) degree usually qualify for an Upper-Division standing at WGU. Depending on your degree program, you may qualify for additional requirement waivers. If you have completed some college coursework but have not earned a degree, WGU will conduct a transcript evaluation. Your experience may waive some of your requirements.

WGU also offers a number of scholarships including a Community College Partners Scholarship ($2,500) and Phi Theta Kappa Scholarship ($2,500).

Free application code: WGUAZJC

Out-of-State Transfer

Out-of-state universities have differing policies regarding the transfer of general education credit for application to your major or minor requirements. You should carefully consult the catalog of the university to which you wish to transfer.

 ADMINISTRATION OF JUSTICE

Associate of Arts Degree
AA-SR 60801 (Available On Campus and Online)
Advisor: Kris Matthews

This degree prepares you to transfer to a college or university and pursue a bachelor’s de-
gree in Administration of Justice. Since program requirements differ between universities,
the official transfer pathway (www.aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter) of the school which
you plan to attend upon leaving EAC should be consulted in order to adjust this program to
your personal needs.

This degree is also suitable if you are currently employed in law enforcement or an allied
public service profession and wish to improve your knowledge and skills. If you provide
proof of graduating from an AzPOST police academy, you will have fulfilled the following
courses toward an Administration of Justice degree.

AJS 103 Criminal Investigation
AJS 155 Firearms
AJS 202 Substantive Criminal Law
AJS 220 Procedural Criminal Law
AJS 266 The Police Function
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I
HPE 102 Beginning Physical Activities II

If you provide proof of graduating from the Arizona Department of Corrections Training
Academy (COTA), you will have fulfilled the following courses toward an Administration of
Justice degree.

AJS 130 The Correction Function
AJS 155 Firearms
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I

Select two additional Social Sciences courses from the list on
pages 55-56. 6 credits

Total General Education Requirements 36 to 36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the
General Education section of the catalog) may fulfill both General Education and Curriculum
Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or
above to obtain the 64 credit hours required. Choose electives from the list of courses in
the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-
mac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona
College Elective or Better report. If you plan to transfer, consult the catalog or an advisor
from the school you will transfer to as you make your selections. SPA 101, Elementary
Spanish I, and SPA 102, Elementary Spanish II, are highly recommended.

Total Elective Requirements 4 to 5 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you
must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in
  which graduation is anticipated.
- Remove any indebtedness to the College.

 ADMINISTRATION OF JUSTICE

Associate of Applied Science Degree
20801
Advisor: Kris Matthews

The Administration of Justice Associate of Applied Science degree is intended for students
who either plan to enter employment or who are currently working in law enforcement or
related fields and want to upgrade their knowledge and skills. If you provide proof of gradu-
ating from an AzPOST police academy, you will have fulfilled the following courses toward
an Administration of Justice degree.

AJS 103 Criminal Investigation
AJS 155 Firearms
AJS 202 Substantive Criminal Law
AJS 220 Procedural Criminal Law
AJS 266 The Police Function
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I
HPE 102 Beginning Physical Activities II

If you provide proof of graduating from the Arizona Department of Corrections Training
Academy (COTA) or have received the Introduction to Correctional Techniques I and Intro-
duction to Correctional Techniques II certificates from the Federal Bureau of Prisons and
the Federal Law Enforcement Training Center (FLETC), you will have fulfilled the following
courses toward an Administration of Justice degree.

AJS 130 The Correction Function | 3 credits
AJS 155 Firearms | 2 credits
EMT 121 Cardiopulmonary Resuscitation | 1/2 credit
HPE 101 Beginning Physical Activities I | 2 credits

Law Enforcement Training, Elective Credit | 11 1/2 credits

ADVANCED MANUFACTURING AND DESIGN TECHNICIAN

Certificate of Proficiency
30639
Advisor: Dorian R. Nelson

This certificate will focus on skill-based training for those interested in learning how to manufacture almost anything. This short-term training process will focus on manufacturing engineering technologies. The intent of this certificate is to take students from design knowledge to an emphasis on the development and fabrication of products. Core to this certification will be the development of individual skills so students can use fabrication equipment and automated machines to produce first run products.

Curriculum Requirements
AMT 101 Fundamentals of Machining 2 credits
AMT 102 Materials for Industry 3 credits
AMT 104 Machining and Fabrication 3 credits
AMT 110 Introduction to Fab Lab Technology 2 credits
AMT 111 Fab Lab Workshop I 1 to 3 credits
AMT 220 Advanced Manufacturing Methods OR
DRF 271 Advanced AutoCAD OR
WLD 211 Pipe Welding OR
WLD 260 Flux Cored Arc and Gas Metal Arc Welding OR
WLD 270 Technical Welding 3 to 4 credits
BUS 111 Business Mathematical Calculations OR
ENG 101 Written Communications I or higher 3 to 5 credits
DRF 150 Dimensioning and Tolerancing 1 credit
DRF 154 Introduction to AutoCAD 2 to 3 credits
DRF 220 Parametric Solid Modeling 3 credits
TEC 112 Basic Hydraulics and Pneumatics 2 credits
TEC 133 Safety Practices for Industry 1 credit
WLD 101 Welding OR
WLD 108 Welding and Metal Fabrication 3 credits

Total Minimum Certificate Requirements 29 to 35 credits

In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 8 certificate credits at Eastern Arizona College.

ADVANCED MANUFACTURING TECHNOLOGY

Associate of Applied Science Degree
20615
Advisor: Dorian R. Nelson

This program of study provides skill-based training for those interested in design and advanced manufacturing with an emphasis on fabrication processes. Instruction will revolve around development of products and production of these products. Core to this degree will be a fabrication laboratory concept of sharing ideas and producing innovative products using manual equipment and automated machines. This AAS degree is also available as a transfer degree to a BAS program. See your advisor for information concerning the transfer degree.

Curriculum Requirements
AMT 101 Fundamentals of Machining 2 credits
AMT 102 Materials for Industry 3 credits
AMT 104 Machining and Fabrication 3 credits
AMT 110 Introduction to Fab Lab Technology 2 credits
AMT 111 Fab Lab Workshop I 1 to 3 credits
AMT 220 Advanced Manufacturing Methods 4 credits
DRF 150 Dimensioning and Tolerancing 1 credit
DRF 154 Introduction to AutoCAD 2 to 3 credits
DRF 160 Descriptive Geometry 3 credits
DRF 220 Parametric Solid Modeling 3 credits
TEC 112 Basic Hydraulics and Pneumatics 2 credits
TEC 133 Safety Practices for Industry 1 credit
WLD 108 Welding and Metal Fabrication 3 credits

Total Curriculum Requirements 30 to 33 credits with a GPA of 2.00 or higher

Curriculum Related Requirements
In addition to the required courses above, select from the following Curriculum Related courses to complete a total of 40 curriculum credits:

Note: Students can choose a comprehensive program by selecting courses from multiple departments OR students can choose to emphasize their program of study by choosing multiple courses from the same department.

AMT 211 Fab Lab Workshop II 1 to 3 credits
AMT 240 Advanced Manufacturing Production Processes 3 credits
DRF 108 Technical Drafting 2 credits
DRF 271 Advanced AutoCAD 3 credits
DRF 299 Independent Study 1 to 3 credits
EGR 102 Introduction to Engineering 4 credits
ELT 110 Electricity and Electronics OR
AUT 105 Automotive Electrical Fundamentals 2 to 3 credits
ELT 111 DC Electrical Systems 3 credits
ELT 112 AC Electrical Systems 3 credits

2021-2022 Eastern Arizona College Academic Catalog | 65
CURRICULA

66 | 2021-2022 Eastern Arizona College Academic Catalog

For students transferring to a BAS program, it is highly recommended students choose electives from the Curriculum Related courses numbered 100 or above to obtain the 18 credits required. Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total Curriculum Related Requirements 7 to 10 credits with a GPA of 2.00 or higher

General Education Requirements

Composition
ENG 101 Written Communications I or higher 3 credits

Mathematics
BUS 111 Business Mathematical Calculations OR 3 to 5 credits
MAT 100 Applied Mathematics or higher

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. For students earning the AAS degree, it is highly recommended students choose electives from the Curriculum Related courses. For students transferring to a BAS program, it is highly recommended students choose additional General Education courses to complete the AGEC-A requirements. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 6 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Obtain a cumulative grade point average of 2.00 or higher.
- Complete a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

ARIZONA GENERAL EDUCATION CURRICULUM A (AGEC-A)

Certificate for Transfer
30000 (Available On Campus and Online)

Advisors: Gina Roebuck, Craig Smith, Aaron Westerfield

Upon completion of this certificate, the student fulfills the lower-division General Education requirements at the University of Arizona, Arizona State University and Northern Arizona University. Students are strongly advised to complete an associate degree after completing this certificate.

AGEC-A This General Education Program is better suited for majors in the Liberal Arts such as:
- Art
- English
- Health and P.E.
- History
- Languages
- Music
- Psychology
- Sociology
- Theatre

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry (IW) course. You must also complete a Global/International/Historical Awareness (GIH) course and a Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
Select one course from this list:
MAT 140 College Mathematics 3 to 5 credits
MAT 154 Precalculus Algebra
MAT 160 Introduction to Statistics
MAT 171 Finite Mathematics
MAT 181 Precalculus Trigonometry
MAT 187 Precalculus
MAT 210 Elements of Calculus
MAT 220 Calculus I
MAT 230 Calculus II
MAT 240 Calculus III
MAT 260 Differential Equations
PSY 220 Introduction to Statistics

Lab Science
Select two courses from this list. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

- Attain a cumulative grade point average of 2.00 or higher.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 certificate credits at Eastern Arizona College.

Mathematics
Select from list on pages 55-56. 3 to 5 credits

Lab Science
Select from list on pages 55-56. 8 credits

Humanities
ART 133 World Art I (GIH) (DII) 3 credits
ART 134 World Art II (GIH) (DII) 3 credits
Another Humanities course from list on pages 55-56 which also fulfills the Intensive Writing Requirement. 3 credits

Social Sciences
Choose from Social Sciences list on pages 55-56. Choose courses from more than one department. 6 credits

Options
Choose one course from list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 3 credits

Total General Education Requirements 35 to 37 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mac2.azasu.edu/cgi-bin/WebObjects/Admin_CE6.wa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 5 to 7 credits
Total Minimum Degree Requirements 64 credits
In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

ART
Associate of Arts Degree
AA-SR 60402
Advisor: Stuart Gibson
This curriculum provides the first two years of a four-year program in art at a professional art school or at a college of fine arts at one of the state’s public universities. Upon completion of one of these degrees at EAC, you will be able to transfer into a four-year college or university program. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. If you plan to terminate formal education after attending EAC and seek employment immediately upon graduation, the EAC Graphic Design curriculum may be a better choice than these degrees. You are advised to take one or more art courses before making serious plans for a career in art.

Curriculum Requirements
ART 101 Fundamentals of Design 3 credits
ART 102 Color and Design 3 credits
ART 111 Drawing 3 credits
ART 114 Figure Drawing for Art Majors 3 credits
ART 147 Beginning Oil Painting I 3 credits
ART 151 Beginning Sculpture I 2 credits
ART 161 Beginning Ceramics I 3 credits
ART 285 Printmaking 3 credits

Total Curriculum Requirements 22 credits

General Education Requirements
AGEC-A: To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DII) course. Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Automotive Maintenance
Certificate of Proficiency
30638
Advisor: Lloyd Adams
This certificate is designed to provide basic automotive skills training needed to be efficient at performing vehicle preventative maintenance procedures. This training program provides students with an opportunity to take the first step towards entry into an automotive repair career. This short-term program of study will help prepare students for ASE certification examinations.

Curriculum Requirements
Select at least 8 credits from the following courses:
AUT 101 Introduction to Automotive Technology 2 credits
AUT 180 Automotive Service Techniques 2 to 4 credits
AUT 105 Automotive Electrical Fundamentals 2 credits
AUT 280 Advanced Shop 4 credits

Curriculum Related Requirements
Select at least 8 credits from the following courses:
AUT 107 Automotive Electrical Systems and Equipment 2 credits
AUT 110 Fuel and Emission Systems 2 to 3 credits
In order to obtain this certificate you must:
- Complete each required course above with a grade of "C" or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 8 certificate credits at Eastern Arizona College.

BIOLOGICAL SCIENCE

Associate of Science Degree

AS-SR 80701

Advisors: Tammy Gillespie, Dave Henson

This degree will meet the requirements for the first two years of a four-year program in a college of arts and science at Arizona’s public universities. Upon graduation with this AS degree, you may enter upper-division work in any one of the life science fields (biology, botany, zoology, or other specialized area). Or, you may enter a college of education to major in biological science with the intention of teaching in a secondary school upon completing a bachelor’s degree and obtaining a teacher’s certificate. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements

BIO 181 General Biology I 4 credits
BIO 182 General Biology II 4 credits
MAT 160 Introduction to Statistics 3 credits
PHY 111 General Physics I 4 credits
PHY 112 General Physics II 4 credits

Total Curriculum Requirements

19 credits

General Education Requirements

AGEC-S, To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements. CHM 236 satisfies the IW requirement.

Composition

ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics

MAT 220 Calculus I 5 credits

Lab Science

CHM 151 General Chemistry I 4 credits
CHM 152 General Chemistry II 4 credits
CHM 235 General Organic Chemistry I 4 credits
CHM 236 General Organic Chemistry II (W) 4 credits

CHEMISTRY

Associate of Science Degree
AS-SR 80702
Advisors: Duane DeSpain, Joel Shelton

This degree prepares students to transfer to a college or university four- or five-year program leading to a bachelor’s degree in chemistry. Since program requirements differ between universities, the official transfer pathways (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. You should enter this curriculum having completed two years of algebra and one year of chemistry in high school or the equivalent college courses.

Curriculum Requirements
CHM 235 General Organic Chemistry I 4 credits
CHM 236 General Organic Chemistry II (IW) 4 credits
MAT 230 Calculus II 4 credits

Total Curriculum Requirements 12 credits

General Education Requirements

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
**Curriculum Requirements**

**Lab Science**
- CHM 151 General Chemistry I 4 credits
- CHM 152 General Chemistry II 4 credits
- PHY 211 Physics with Calculus I 5 credits
- PHY 212 Physics with Calculus II 5 credits

**Humanities**
Select two courses from Humanities list on pages 55-56. Choose courses from more than one department, and one course must be in the Fine Arts.

**Social Sciences**
Choose two courses from Social Sciences list on pages 55-56. Choose courses from more than one department.

**Total General Education Requirements**

41 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**

To obtain this degree you must take a minimum of 11 credit hours of approved elective courses numbered 100 or above. Approved courses are listed in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report.

Language proficiency demonstration: check University Transfer Guides to see if a language proficiency requirement is in place. If so, select courses that will satisfy the language proficiency.

MAT 240 - Calculus III (4 credits) is a requirement for many BA and BS chemistry degrees. Check with an advisor or consult the catalog of the university to which you will be transferring to see if you should take this course.

**Total Elective Requirements**

11 credits

**Total Minimum Degree Requirements**

64 credits

In order to obtain this certificate you must:

- Complete all required courses with a grade of "C" or better.
- Complete at least 3 certificate credits at Eastern Arizona College.
- Remove any indebtedness to the College.
- Complete at least 3 certificate credits at Eastern Arizona College.

**COMMERCIAL DRIVERS LICENSE**

**Certificate of Proficiency**

30645

Advisor: Kip Nielsen

This certificate trains students for entry-level positions in the high wage, high demand trucking industry. Students will be prepared to take the Arizona Department of Transportation Motor Vehicle Division (ADOT MVD) Class A Commercial Driver License permit exam. Endorsements covered include double and triple trailers, tank vehicles, and hazmat. Courses provide theory, application, and practice in closed course instruction. Students also complete 30 hours of behind the wheel instruction to practice and develop the skills necessary to obtain a Class A CDL through ADOT MVD. Students may take CDL 110, Commercial Driving: Behind the Wheel Refresher for an additional 30 hours of driving instruction.

In addition to general tuition, course fees apply to CDL 101, CDL 102, and CDL 110. See the Tuition and Fees section in the current catalog.

Students will be required to drive and test at ADOT MVD or an Authorized Third Party (ATP) Commercial Driver Licensing Examination site. An additional fee will be required.

**Application Requirement**

- Minimum age of 18 years old at the start of class
- Birth certificate or U.S. passport
- Valid Arizona motor vehicle license for a minimum of one year
- Arizona resident
- Minimum age of 21 years old to transport a placarded amounts of hazardous material or work in interstate commerce
- U.S. Department of Transportation Medical Certificate
- Students who are between 18 and 21 years of age are restricted to driving only in Arizona and transporting non-placarded amounts of hazardous material. Potential students should be aware prospective employers will review their MVD driving records and may require a five year background records check.

**Curriculum Requirements**

- CDL 100 CDL Prep 2 credits
- CDL 101 Commercial Driving: Closed Course 2 credits
- CDL 102 Commercial Driving: Behind the Wheel 1 credit

**Total Minimum Certificate Requirements**

5 credits

**COMMUNICATION STUDIES**

**Associate of Arts Degree**

AA-GR 60206

Advisor: Kyleigh Becker

This degree prepares students to transfer to a college or university and pursue a bachelor’s degree in Communication Studies or Organizational Communication. Emphasis is placed on becoming a Communication Generalist with classes offering a broad introduction to the field of Communication. Courses range from the theoretical bases and trends in research in the field to interpersonal, small group, intercultural, interviewing, and public speaking, and they reflect the core requirements of most universities. Classes are also appropriate for returning students desiring to brush up on communication skills or gain a better understanding of communication processes.

This major focuses on thoughtful construction and delivery of verbal messages and critical thinking, preparing students to be more successful participants in their community, employment, and interactions with others. The study of communication is relevant to all other academic fields and career interests.

**Curriculum Requirements**

- COM 100 Introduction to Human Communication 3 credits
- COM 115 Introduction to Interpersonal Communication 3 credits
- COM 200 Basic Communication Theory 3 credits
- COM 201 Public Speaking 3 credits
- COM 205 Survey of Communication Research OR
- COM 215 Interviewing Principles and Practices (IW) 3 credits
- COM 260 Elements of Intercultural Communication (IW) (DI) 3 credits
- COM 271 Small Group Communication 3 credits

**Total Curriculum Requirements**

21 credits

**General Education Requirements**

AGEC-A: To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GHI) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

**Composition**

- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

**Mathematics**

Select from list on pages 55-56. 3 to 5 credits

**Lab Science**

Select two Lab Science courses from list on pages 55-56. 8 credits

**Humanities**

Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 to 9 credits
Select one of the following options:

- DRF 290
- DRF 271
- DRF 232
- DRF 160
- BUA 259

Select from the list of Social Sciences courses on pages 55-56 to complete the 35 credits required for the AGEC.

**Total General Education Requirements**

**35 to 37 credits**

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**

With the help of your program advisor, you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. Foreign language is suggested for those transferring into a program with a foreign language requirement. You should also consult the catalog or an advisor from the school you will transfer to as you make your selections. If you are planning to transfer to ASU as a Communications major, you must complete a basic statistics (MAT 160 or PSY 220) course before you can be admitted as a major to their programs.

**Total Elective Requirements**

**6 to 8 credits**

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

**Total Minimum Degree Requirements**

**64 credits**

**Curriculum Related Requirements**

In addition to the required courses above, select from the following Curriculum Related courses to complete a total of 38 curriculum credits:

**Option 1:**

- AMT 104 Machining and Fabrication 3 credits

**Option 2:**

- AMT 101 Fundamentals of Machining 2 credits
- EGR 250 Plane Surveying OR
- WLD 101 Welding 3 credits

**Total Curriculum Requirements**

**29 to 35 credits with a GPA of 2.00 or higher**

**Total Curriculum Related Requirements**

**3 to 9 credits with a GPA of 2.00 or higher**

**General Education Requirements**

**Composition**

- ENG 100 Writing Fundamentals OR
- ENG 101 Written Communications I 3 credits
- TEC 260 Technical Report Writing OR
- ENG 102 Written Communications II 3 credits

**Mathematics**

- MAT 100 Applied Mathematics or higher 3 to 5 credits

Select a sufficient number of credits from the list of General Education courses on pages 57-56 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

**Total General Education Requirements**

**18 credits**

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100...
or above to obtain the 60 credit hours required. For students earning the AAS degree, it is highly recommended students choose electives from the Curriculum Related courses. For students transferring to a BAS program, it is highly recommended students choose additional General Education courses to complete the AGEC-A requirements. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 4 credits
Total Minimum Degree Requirements 60 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

Certificate of Proficiency
30618
Advisor: Doug Griffin

The Level I Computer Assisted Design and Drafting Certificate program prepares students to succeed as a CADD technician. This certification provides students with competencies in the following areas: manual drafting, 3D solid modeling, and residential architectural design.

Curriculum Requirements
DRF 154 Introduction to AutoCAD 2 to 3 credits
DRF 170 Residential Architecture 2 to 3 credits
DRF 271 Advanced AutoCAD 2 to 3 credits

Total Curriculum Requirements 6 to 9 credits

Select from the following additional courses to complete a minimum of 30 credits:
- AMT 101 Fundamentals of Machining 2 credits
- EGR 250 Plane Surveying 3 credits
- TEC 133 Safety Practices for Industry 1 credit

Total Minimum Certificate Requirements 17 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 9 certificate credits at Eastern Arizona College.

Certificate of Proficiency
30613
Advisor: Doug Griffin

The Computer Assisted Design and Drafting Certificate program prepares students to succeed as a CADD technician. This certification provides students with competencies in the following areas: manual drafting, 3D solid modeling, and residential architectural design.

Curriculum Requirements
AMT 102 Materials for Industry 3 credits
DRF 150 Dimensioning and Tolerancing 1 credit
DRF 154 Introduction to AutoCAD 2 to 3 credits
DRF 160 Descriptive Geometry 3 credits
DRF 170 Residential Architecture 2 to 3 credits
DRF 271 Advanced AutoCAD 2 to 3 credits
MAT 100 Applied Mathematics or higher 3 to 5 credits

Select one of the following options:
Option 1:
- AMT 104 Machining and Fabrication 3 credits

Option 2:
- AMT 101 Fundamentals of Machining 2 credits
- EGR 250 Plane Surveying OR
- WLD 101 Welding 3 credits

Total Curriculum Requirements 19 to 26 credits

Select from the following additional courses to complete a minimum of 30 credits:
AMT 110 Introduction to Fab Lab Technology 2 credits
DRF 108 Technical Drafting 2 credits
DRF 220 Parametric Solid Modeling 3 credits
DRF 230 Civil Drafting 3 credits
DRF 232 Structural Drafting 2 to 3 credits
DRF 262 Commercial Architecture 2 to 3 credits
EGR 250 Plane Surveying 3 credits
TEC 133 Safety Practices for Industry 1 credit

Total Minimum Certificate Requirements 30 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 certificate credits at Eastern Arizona College.
Associate of Applied Science Degree

20107

Advisors: Lydia Mata, James McBride, Scott Russell

This is a comprehensive program that prepares you for a variety of computer related positions. It is for the student who is interested in software development and maintenance, software installation and maintenance, networking software installation and maintenance (the systems manager), system design, and computer operations.

Curriculum Requirements

- CMP 100 Working in Technology 3 credits
- CMP 103 Introduction to Computer Based Systems 3 credits
- CMP 113 Operating Systems I 3 credits
- CMP 118 IT Fundamentals OR 3 credits
- CMP 151 Computer Systems I 3 credits
- CMP 170 Database Management with Microsoft Access 3 credits
- CMP 201 Systems and Procedures 3 credits
- CMP 250 Networking Systems I 3 credits
- CMP 251 Networking Systems II OR 3 credits
- CMP 284 Ethical Hacker 3 credits
- CMP 272 Web Development I 3 credits
- CMP 291 CIS Practicum 3 credits

Select one programming language (3 credits) from the following:
- CMP 121 Visual Basic Programming I 3 credits
- CMP 128 C# Programming I 3 credits

Total Curriculum Requirements 35 credits

Curriculum Related Requirements

Select 6 credits from the following courses:
- CMP 145 iOS Application Development I 3 credits
- CMP 255 Server Systems I 3 credits
- CMP 273 Web Development II 3 credits

Total Curriculum Related Requirements 6 credits

General Education Requirements

Composition
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II OR 3 credits
- ENG 260 Technical Report Writing OR 3 credits
- TEC 260 Technical Report Writing 3 credits

Mathematics
- MAT 100 Applied Mathematics or higher 3 to 5 credits

Select a sufficient number of credits, including at least one course from a GE category other than Composition or Mathematics, from the list of General Education courses on pages 57-58. You may not exceed nine credits in any GE Category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required.

Total Elective Requirements 5 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

Associate of Applied Science Degree

20111

Advisors: Janice Lawhorn, James Pryor

This is a comprehensive program that prepares you for a variety of computer related positions. It is for the student who is interested in software development and maintenance, software installation and maintenance, networking software installation and maintenance (the systems manager), system design, and computer operations.

Curriculum Requirements

- COS 101 Theory of Cosmetology I/Hairstyling 2 credits
- COS 103 Theory of Cosmetology II/Hairstyling 2 credits
- COS 105 Theory of Cosmetology III 2 credits
- COS 107 Theory of Cosmetology IV 2 credits
- COS 108 Skin Care I 1 credit
- COS 109 Skin Care II 2 credits
- COS 111 Permanent Waving, Shampooing, and Hairstyling I 4 credits
- COS 113 Permanent Waving, Shampooing, and Hairstyling II 4 credits
- COS 115 Permanent Waving, Shampooing, and Hairstyling III 3 credits
- COS 117 Permanent Waving, Shampooing, and Hairstyling IV 2 credits
- COS 121 Nail Care I 1 credit
- COS 125 Manicuring I 4 credits
- COS 131 Haircutting, Scalp Treatment, and Tinting I 5 credits
- COS 133 Haircutting, Scalp Treatment, and Tinting II 4 credits
- COS 135 Haircutting, Scalp Treatment, and Tinting III 4 credits
- COS 137 Haircutting, Scalp Treatment, and Tinting IV 2 credits

Total Curriculum Requirements 44 credits

General Education Requirements

Computers
- CMP 101 Introduction to Computers OR 3 credits
- CMP 103 Introduction to Computer Based Systems 3 credits

Composition
- ENG 100 Writing Fundamentals OR 3 credits
- ENG 101 Written Communications I 3 credits

Mathematics
- BUS 111 Business Mathematical Calculations OR 3 credits
- MAT 100 Applied Mathematics or higher 3 to 5 credits

Lab Science
- CHM 130 Fundamental Chemistry OR 4 credits
- CHM 138 An Introduction to General, Organic, and Biological Chemistry 4 credits

Select a sufficient number of credits, including at least one course from a GE category other than Composition or Mathematics, from the list of General Education courses on pages 57-58. You may not exceed nine credits in any GE Category, with the exception of Health and Physical Education where the maximum is two credits.

COSMETOLOGY
**Total General Education Requirements** 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required.

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

---

## COSMETOLOGY INSTRUCTOR

**Certificate of Proficiency**

**30110**

**Advisors:** Janice Lawhorn, James Pryor

The Cosmetology program provides students an opportunity to apply Cosmetology practices and principles in a simulated salon environment. Upon successful completion of the program, students will be eligible to take the Arizona State Board of Cosmetology Examination. Classes meet approximately eight hours a day, five days a week, and eight hours a day on a minimum of one Saturday a month during the regular school year. The Cosmetology program normally begins the last week of July and ends in mid-June the following year. A second cohort begins in January and ends in mid-December with a mid-summer break. The Cosmetology curriculum requirements can be completed in one academic year.

In addition to general tuition, a fee of $180 per credit hour is required for all Cosmetology courses. Cosmetology scholarships are available for those who qualify. Contact Eastern Arizona College Cosmetology Academy or EAC for more information. Entry into the Cosmetology program requires prior admission. For admission procedures to the Cosmetology program, contact Eastern Arizona College Cosmetology Academy, (928) 348-8878.

Special Note: A high school program is also offered to qualified students through a joint technological school district. The high school program meets four hours a day, five days a week, and eight hours a day on a minimum of one Saturday a month during the regular school year. The high school program will take four semesters to complete, if students enter the program as juniors. High school students entering as seniors can continue their program after high school graduation.

- Complete at least 15 certificate credits at Eastern Arizona College.
COSMETOLOGY/HAIRSTYLIST

Certificate of Proficiency
30129
Advisors: Janice Lawhorn, James Pryor

This program provides students an opportunity to apply Hairstylist practices and principles in a simulated salon environment. Students perform shampoos, cuts, and styles of men and women to prepare for licensure as professional hairstylists. Students receive instruction in hair design theory and concepts, hair coloring, chemical applications and permanent reconstructions. Students learn customer service, shop management, equipment operation, health and safety, and applicable laws and regulations. Upon successful completion of the 1000-hour program, students will be eligible to take the Arizona State Board of Cosmetology Examination. The Cosmetology/Hairstylist curriculum requirements can be completed in one academic year. After completing the program, students may consider their options to continue their education by enrolling in the Cosmetology or Cosmetology/Nail Technician programs.

In addition to general tuition, a fee of $180.00 per credit hour is required for all Hairstylist courses. Hairstylist waivers are available for those who qualify. Contact Eastern Arizona College Cosmetology Academy or EAC for more information. Entry into the Cosmetology/Hairstylist program requires prior admission. For admission procedures to the Cosmetology/Hairstylist program, contact Eastern Arizona College Cosmetology Academy, (928) 348-8878.

Special Note: A high school program is also offered to qualified students through a joint technological school district. The high school program meets four hours a day, five days a week, and eight hours a day on a minimum of one Saturday a month during the regular school year. The high school program will take three semesters to complete, if students enter the program as juniors. High school students entering as seniors can continue their program after high school graduation.

Total Minimum Certificate Requirements 32 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 certificate credits at Eastern Arizona College.

COSMETOLOGY/NAIL TECHNICIAN

Certificate of Proficiency
30114
Advisors: Janice Lawhorn, James Pryor

This program prepares you for an entry-level position as a nail technician. Emphasis is on basic nail care, manicuring, and hand and arm massage. Classes meet to satisfy the 600 hours training necessary to qualify for the Arizona State Board of Cosmetology nail technician exam.

Classes meet approximately eight hours a day, five days a week so that the 600 hours of training necessary to qualify for the Arizona State Board exam can be obtained in one semester. This program is only offered when a minimum of six full-time students are accepted and registered.

In addition to general tuition, a fee of $180.00 per credit hour is required for all Cosmetology courses. Cosmetology scholarships are available for those who qualify. Contact Eastern Arizona College Cosmetology Academy or EAC for more information. Entry into the Cosmetology/Nail Technician program requires prior admission. For admission procedures to the Cosmetology/Nail Technician program, contact Eastern Arizona College Cosmetology Academy, (928) 348-8878.

- Complete at least 15 certificate credits at Eastern Arizona College.
DENTAL ASSISTING SPECIALIST

Certificate of Proficiency
31303 (Available in Gila County only)
Advisor: Tanya Stapleton

This program of study provides the student with the necessary training to deliver quality oral healthcare. X-ray imaging and clinical skills are included in the training. This program provides the opportunity to become part of a professional dental team and to start a career in the healthcare field.

Curriculum Requirements
BIO 160 Introduction to Human Anatomy and Physiology OR
HCE 156 Science for Allied Health 4 credits
DAE 100 Introduction to Dental Assisting 3 credits
DAE 101 Dental Health and Safety 3 credits
DAE 105 Oral Health and Dental Disease Prevention 3 credits
DAE 107 Science in Dentistry 4 credits
DAE 109 Patient Information and Assessment 3 credits
DAE 112 Radiographic Imaging in Dentistry 4 credits
DAE 114 Foundations of Clinical Dentistry 4 credits
EMT 121 Cardiopulmonary Resuscitation 1/2 credit

Total Minimum Certificate Requirements 28 1/2 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Bank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 certificate credits at Eastern Arizona College.

EARLY CHILDHOOD EDUCATION

Associate of Arts Degree
AA-SR 60808
Advisor: Susan Norton

The Early Childhood Education Associate of Arts degree is intended for students who desire to further their education and complete a Bachelor of Arts degree from a university. This degree can lead to teacher certification and builds on the requirements for the National Credential or CDA and prepares students to meet the AZ Department of Education early childhood education content requirements. The general education requirements provides students with the required courses to fulfill the AGEC-A.

Curriculum Requirements
ECE 100 Foundations of Early Childhood Education 3 credits
ECE 102 Early Childhood Curriculum 3 credits
ECE 105 Health, Safety, and Nutrition 3 credits
ECE 110 Infants and Toddlers Development 3 credits
ECE 120 Guiding Children’s Social Development 3 credits
ECE 210 Home, School, and Community Relations 3 credits
ECE 220 Introduction to Early Childhood Special Education 3 credits
MAT 156 Principles of Mathematics I 3 credits
MAT 157 Principles of Mathematics II 3 credits
POS 221 Arizona Constitution and Government 1 credit

Total Curriculum Requirements 28 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GHA) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101 Written Communications I 3 credits

Mathematics
MAT 140 College Mathematics or higher 3 to 5 credits

Lab Science
BIO 100 Biology Concepts 4 credits
Another Lab Science course from list on pages 55-56. 4 credits

Humanities
ECE 281 Children’s Literature (DI) 3 credits
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 3 credits

Social Sciences
ECE 171 Child Growth and Development (DI) 3 credits
HIS 101 U.S. History to 1877 (GHI) (DI) 3 credits

Options
Select two courses from the Options category on pages 55-56. 6 credits
If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

EARLY CHILDHOOD EDUCATION

Associate of Applied Science Degree
20803
Advisor: Susan Norton

This degree builds on the requirements of the Early Childhood Education Certificate of Proficiency and gives the student additional skills to accompany certification in the field.

Curriculum Requirements
ECE 100 Foundations of Early Childhood Education 3 credits
ECE 102 Early Childhood Curriculum 3 credits
ECE 105 Health, Safety, and Nutrition 3 credits
ECE 110 Infants and Toddlers Development 3 credits
ECE 120 Guiding Children’s Social Development 3 credits
ECE 150 Practicum: Direct Field Experience Birth to Preschool 2 credits
ECE 210 Home, School, and Community Relations 3 credits
ECE 220 Introduction to Early Childhood Special Education 3 credits

Total Curriculum Requirements 23 credits

Advisor: Susan Norton

The Early Childhood Education Associate of Applied Science degree – University Track is
intended for students who desire to further their education and complete a Bachelor of
Applied Science degree (BAS) from a university. It is a degree that does not lead to teacher
certification but fulfills the BAS requirement set by Head Start and other early childhood
programs. This degree builds on the requirements of the Early Childhood Education
Certificate of Proficiency, the National Credential or CDA and the AAS degree. The general
education requirements provides students with the required courses to fulfill the AGEC-A.

Curriculum Requirements

ECE 100 Foundations of Early Childhood Education 3 credits
ECE 102 Early Childhood Curriculum 3 credits
ECE 105 Health, Safety, and Nutrition 3 credits
ECE 110 Infants and Toddlers Development 3 credits
ECE 120 Guiding Children’s Social Development 3 credits
ECE 150 Practicum: Direct Field Experience Birth to Preschool 2 credits
ECE 210 Home, School, and Community Relations 3 credits
ECE 220 Introduction to Early Childhood Special Education 3 credits

Total Curriculum Requirements 23 credits

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to ful-
fill degree requirements must be designated as an Intensive Writing/Critical Inquiry course
(IW), Global/International/Historical Awareness (GH) course, and Diversity and Inclusion (DI)
course. Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 140 College Mathematics or higher 3 credits

Lab Science
BIO 100 Biology Concepts 4 credits
Another Lab Science course from list on pages 55-56.

Humanities
ECE 281 Children’s Literature 3 credits
Select one additional course from the Humanities list on pages 55-56.
This course must be in the Fine Arts. 3 credits

Social Sciences
ECE 171 Child Growth and Development 3 credits
Select an additional course from the Social Sciences list on pages 55-56. 3 credits

Options
Select two courses from the Options category on pages 55-56. If you plan to transfer,
consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see
the General Education section of the catalog) may fulfill both General Education and Cur-
riculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100
or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog
or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 6 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following
general graduation requirements to obtain this degree:

Complete at least 16 degree credits at Eastern Arizona College.
Attain a cumulative grade point average of 2.00 or higher.
File a Graduation Petition at least 60 calendar days prior to the end of the semester in
which graduation is anticipated.
Remove any indebtedness to the College.

EARLY CHILDHOOD EDUCATION

Certificate of Proficiency
30814
Advisor: Susan Norton

The Early Childhood Education (ECE) program is designed for early childhood educators. Upon
completion of the certificate of proficiency students may apply for the National Child Develop-
ment Associate Certificate through a national CDA credentialing agency. If you wish to attain
national certification, we recommend that you enroll in ECE 240, Child Development Portfolio
and Assessment Preparation.

The Early Childhood Education Associate is a competent person who assumes primary
responsibility for meeting the specific needs of a group of children in a child development
setting by nurturing the child’s physical, social, emotional and intellectual needs; setting up
and maintaining the child care environment; and establishing a liaison relationship between
parents and the child development center.

After completing requirements for the Early Childhood Education Certificate of Proficiency,
you can earn a degree by completing the additional requirements for the Early Childhood
Education Associate of Applied Science degree or Early Childhood Education Associate of
Applied Science – BAS Track degree.

**Total General Education Requirements** 35 to 37 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 12 certificate credits at Eastern Arizona College.

### Elementary Education

**Associate of Arts Degree**

**AA-SR 60201**

**Advisor:** Celinda Palmer

If you plan a career in elementary or special education you can complete your first two years of study at EAC. Some universities now require a minor that can be started at EAC. Consult the department staff at the school where you plan to transfer for specific information.

- Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

**Total General Education Requirements** 35 to 37 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

### Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as to make your selections.

To meet the Arizona Department of Education highly qualified teacher requirements, choose electives from courses related to your specific content area.

**Total Elective Requirements**

**Total Minimum Degree Requirements** 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

### Secondary Education

**Associate of Arts Degree**

**TG-XR 60202**

**For Advising:** Check for advisor contact information in the curriculum description corresponding to the discipline you plan to teach. For example, if you plan to teach mathematics, look up one of the mathematics curricula for the name of a faculty member advising math majors.

EAC offers many curricula that provide the first two years of a four-year program leading to a bachelor’s degree and a secondary teaching certificate. Secondary education is by nature discipline specific. You should choose a university and a discipline you wish to teach as quickly as possible. Then obtain the catalog and/or transfer guide from that institution and follow their curriculum as closely as possible. Rather than this degree, you may wish to obtain the EAC Liberal Arts degree or discipline specific EAC degree if these allow you to more closely follow the curriculum at your chosen transfer institution.

<table>

</tr>
</tbody>
</table>

**Total Curriculum Requirements** 4 credits

### Curriculum Related Requirements

Select at least 12 credits from the Curriculum Requirements section for the Associate’s degree in your emphasis area. For Math and Science majors, students must complete MAT 220, Calculus I. Emphasis areas which offer the program described include:

- Art
- Chemistry
- General Science
- Health and Physical Education
- Mathematics
- Physics
- Biology
- English
- Geology
- History
- Music

**Total Curriculum Related Requirements** 12 credits

### General Education Requirements

**AGEC-A or AGEC-S** To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements. Students choosing content areas in Art, English, Health and Physical Education, History, or Music should complete an AGEC-A. Students choosing content areas in any of
the Mathematics or Sciences should complete an AGEC-S.

**Composition**
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

**Mathematics**
- MAT 140 College Mathematics or higher 3 to 5 credits

**Lab Science**
Two Lab Science courses from list on pages 55-56.
For Math or Science majors, students should select two sequenced courses from the list on pages 55-56. 8 credits

**Humanities**
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

**Social Sciences**
- EDU 200 Introduction to Education (DI) 3 credits
- HIS 101 U.S. History to 1877 (GIH) (DI) OR
- PLS 110 United States National Politics (GIH) (DI) 3 credits
- PSY 101 Introduction to Psychology (DI) 3 credits

**Options**
- CMP 103 Introduction to Computer Based Systems 3 credits

**Total General Education Requirements**
35 to 37 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.owa/ewa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Suggested courses for university transfer:**
**ASU Transfer Students**
- EDU 222 Introduction to Special Education

**Total Elective Requirements**
11 to 13 credits

**Total Minimum Degree Requirements**
64 credits
In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College,
- Attain a cumulative grade point average of 2.00 or higher,
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated,
- Remove any indebtedness to the College.

**Certificate of Proficiency**
**30628**
**Advisor:** Mark Andreason

The Electrical and Instrumentation Technician Certificate program provides the student an opportunity to develop entry-level skills in the industrial electrical field. Students will receive a background in the properties and applications of electricity, maintenance of electrical systems, and technical problem solving.

**Curriculum Requirements**
- CMP 101 Introduction to Computers OR
- CMP 103 Introduction to Computer Based Systems 3 credits
- ELT 110 Electricity and Electronics 3 credits
- ELT 111 DC Electrical Systems 3 credits
- ELT 112 AC Electrical Systems 3 credits
- ELT 115 Conduits and Raceways 3 credits
- ELT 161 Process Measurement Instrumentation I 3 credits
- ELT 171 Process Control Instrumentation 3 credits
- MAT 100 Applied Mathematics or higher 3 to 5 credits
- TEC 112 Basic Hydraulics and Pneumatics 2 credits
- Select 5 to 7 additional credits from the following:
  - AMT 110 Introduction to Fab Lab Technology 2 credits
  - AUT 105 Automotive Electrical Fundamentals 2 credits
  - COE 111 Cooperative Education I (Occupational) OR
  - TEC 191 Industry Internship I 1 to 4 credits
  - DRF 108 Technical Drafting 2 credits
  - DRF 154 Introduction to AutoCAD 2 to 3 credits
  - ELT 251 National Electric Code 2 credits
  - ELT 297 Workshop I to 6 credits
  - ELT 298 Workshop I to 3 credits
  - ELT 299 Independent Study 1 to 3 credits
  - TEC 116 Rigging 1 credit
  - TEC 133 Safety Practices for Industry 1 credit
  - WLD 101 Welding 3 credits

**Total Minimum Certificate Requirements**
33 credits
In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 certificate credits at Eastern Arizona College.

**Associate of Applied Science Degree**
**20611**
**Advisor:** Mark Andreason

The Electrical and Instrumentation Technology AAS degree provides the student an opportunity to develop and upgrade skills needed to be productive and successful in industrial electronics and instrumentation occupations. Additionally, this program develops career skills such as literacy, numeracy, and communication. This AAS degree is also available as a transfer degree to a BAS program. See your advisor for information concerning the transfer degree.

**Curriculum Requirements**
- ELT 110 Electricity and Electronics 3 credits
- ELT 111 DC Electrical Systems 3 credits
- ELT 112 AC Electrical Systems 3 credits
For students transferring to a BAS program, select a sufficient number of credits from the list of General Education courses on pages 86 | 2021-2022 Eastern Arizona College Academic Catalog

- ENG 102
- MIN 121
- EL
- DRF 154
- DRF 108
- COE 111
- TEC 112
- Basic Hydraulics and Pneumatics

Additional General Education courses to complete the AGEC-A requirements:
- CMP 103
- MAT 100
- TEC 260
- ENG 100
- WLD 108
- T 299
- BM 121
- TEC 133
- TEC 116
- TEC 191
- T 251
- T 272
- T 271
- T 258
- T 181
- T 162
- T 161
- T 299
- MHN 121
- TEC 133
- TEC 116
- TEC 191
- T 251
- T 272
- T 271
- T 258
- T 181
- T 162
- T 161

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 certificate degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

**ELECTRICAL FUNDAMENTALS**

**Certificate of Proficiency**

**30644**

**Advisor:** Mark Andreason

This program provides the student an opportunity to develop entry-level skills in the industrial electrical field. Students will receive a background in the properties and industrial applications of electricity.

**Curriculum Requirements**

- **ELT 110** Electricity and Electronics 3 credits
- **ELT 111** DC Electrical Systems 3 credits
- **ELT 112** AC Electrical Systems 3 credits
- **ELT 115** Conduits and Raceways 3 credits
- **HMN 121** Surface Mine Safety Training 1 credit
- **TAC 116** Rigging 1 credit
- **TAC 133** Safety Practices for Industry 1 credit
- **WLD 101** Welding OR 3 credits
- **WLD 108** Welding and Metal Fabrication 3 credits

**Total Curriculum Requirements** 40 credits with a GPA of 2.00 or higher

**General Education Requirements**

**Composition**

- **ENG 100** Writing Fundamentals OR 3 credits
- **ENG 101** Written Communications I 3 credits
- **ENG 102** Written Communications II OR 3 credits
- **TEC 260** Technical Report Writing 3 credits

**Mathematics**

- **MAT 100** Applied Mathematics or higher 3 to 5 credits

**Computers**

- **CMP 101** Introduction to Computers OR 3 credits
- **CMP 103** Introduction to Computer Based Systems 3 credits

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

**Total General Education Requirements** 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

**Elective Requirements**

To earn this degree, you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. For students earning the AAS degree, it is highly recommended students choose electives from the Curriculum Related courses. For students transferring to a BAS program, it is highly recommended students choose additional General Education courses to complete the AGEC-A requirements. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements** 6 credits

**Total Minimum Degree Requirements** 64 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 9 certificate credits at Eastern Arizona College.

**EMERGENCY MEDICAL TECHNICIAN**

**Certificate of Proficiency**

**30701**

**Advisor:** John Clegg

This Certificate prepares you for an entry-level position as an emergency medical technician at the basic level. Emphasis is on preparation to perform pre-hospital emergency services as specified by Arizona Department of Health Services, Bureau of Emergency Medical Services.

**Curriculum Requirements**

- **BIO 160** Introduction to Human Anatomy and Physiology OR 4 to 8 credits
- **BIO 201** Human Anatomy and Physiology I AND 9 credits
- **BIO 202** Human Anatomy and Physiology II 4 to 8 credits
- **EMT 103** Emergency Medical Technician 9 credits
- **EMT 121** Cardiopulmonary Resuscitation 1/2 credit
- **EMT 170** Vehicular Extrication and Trauma Care 1/2 credit
- **HCE 112** Medical Terminology 2 credits

**Total Minimum Certificate Requirements** 16 to 20 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 9 certificate credits at Eastern Arizona College.
EMERGENCY MEDICAL TECHNICIAN-PARAMEDIC

Certificate of Proficiency 30702
Advisor: John Clagg

This program prepares you for employment as a paramedic who is qualified to give emergency care to patients. The Eastern Arizona College Paramedic Training Program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (CAAHEP, www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). After successfully completing the certificate, you are eligible to take the required National Registry of Emergency Medical Technicians examinations at the Paramedic level. Entry into the paramedic program requires prior admission. For specific admission procedures, contact the EAC EMS Department at (928) 428-8336. EMT 210, EMT 212, and EMT 214 must be taken contiguously and each course must be completed with a “B” or better to successfully complete the program or the student must restart the entire program. This program is a fall-start program and is only offered when a minimum of 15 students are accepted and registered. Program size is limited to 24 students by Arizona State regulation.

Application Requirements

The following are required for application into the program:

- Must be at least 18 years of age prior to applying to the Paramedic Program
- Completion of high school or GED
- Current American Heart Association, BLS healthcare provider certification
- Current certification as an Arizona EMT or NREMT Certified EMT
- ENG 113 with a grade of “C” or higher or reading competency at the twelfth grade level or above, on EAC approved reading test
- MAT 100 with a grade of “C” or higher or placement test score as established by District policy
- Passage of written, practical, and oral entrance examinations
- Student must provide immunization records including proof of MMR, Varicella, Hepatitis B, Tdap, 2-step TB skin test, current flu shot and a completed 10-panel drug screen
- Current Arizona DPS fingerprint clearance card (required by agency contracts for clinical/vehicular rotations)
- Current health insurance coverage

Admission Requirements

The following prerequisite courses must be completed with a grade of “C” or higher prior to being admitted into the Paramedic Program:

BIO 160 Introduction to Human Anatomy and Physiology OR
BIO 201 Human Anatomy and Physiology I AND
BIO 202 Human Anatomy and Physiology II 4 to 8 credits
HCE 116 Medical Dosage Calculations 2 credits

Curriculum Requirements

BIO 160 Introduction to Human Anatomy and Physiology OR
BIO 201 Human Anatomy and Physiology I AND
BIO 202 Human Anatomy and Physiology II 4 to 8 credits
EMT 210 Paramedic I 12 credits
EMT 212 Paramedic II 12 credits
EMT 214 Paramedic III 6 credits
EMT 219 Pharmacology in Emergency Settings 2 credits
EMT 220 Advanced Cardiovascular Life Support 1 credit
EMT 221 Pediatric Advanced Life Support 1 credit
EMT 222 Trauma Patient Management 1 credit
HCE 116 Medical Dosage Calculations 2 credits

Total Minimum Certificate Requirements 41 to 45 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 certificate credits at Eastern Arizona College.

ENGINEERING

Associate of Science Degree
AS-SR 80706
Advisor: Spencer Udall

Today’s professional engineer requires a minimum of four years of highly theoretical and specialized training. Very often this training requires more than four regular college years; that is, either attendance for several summer terms or an additional fifth year, before you may qualify for the bachelor’s degree. Since program requirements differ between universities, the official transfer pathway (www.adtransfere.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. EAC offers you two years of training in the required background mathematics and sciences. In addition, EAC offers many of the General Education courses which are required as part of the overall education of an engineer.

Curriculum Requirements

CHM 151 General Chemistry I 4 credits
Select 4 additional credits from Lab Science list on pages 55-56. 4 credits
EGR 102 Introduction to Engineering 4 credits
MAT 240 Calculus III 4 credits
MAT 260 Differential Equations 4 credits
Choose at least 6 additional credits from the following:
EGR 130 C Programming I 3 credits
EGR 200 Introduction to Mining Engineering 3 credits
EGR 214 Engineering Mechanics I – Statics 3 credits
EGR 215 Engineering Mechanics II – Dynamics 3 credits
EGR 233 Mechanics of Materials 3 credits
EGR 250 Plane Surveying 3 credits
EGR 255 Thermodynamics 3 credits
EGR 296A Mineral Resource Engineering Seminar 1 credit
MAT 225 Elementary Linear Algebra 3 credits

Total Curriculum Requirements 26 credits

General Education Requirements

AGEC-S. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (WI), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 220 Calculus I 5 credits
MAT 230 Calculus II 4 credits

Lab Science
PHY 211 Physics with Calculus I 5 credits
PHY 212 Physics with Calculus II 5 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
### General Education Requirements

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

#### Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at [http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/ww/EBetter](http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/ww/EBetter). Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

### Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at [http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/ww/EBetter](http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/ww/EBetter). Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

You are encouraged to take liberal arts courses as electives such as art, creative writing, history, music, philosophy or psychology.

### ENGLISH

**Associate of Arts Degree**

**AA-GR 60203**

**Advisors:** Peter Chidester, Rebecca Jarvis, Ken Raines, Helen Robinson, Melanie Russell

This degree provides a foundation in written communications and familiarity with literary forms and major literary works. Since program requirements differ between universities, consult the official transfer pathway ([www.aztransfer.com/transferpathways](http://www.aztransfer.com/transferpathways)) of the school which you plan to attend upon leaving EAC in order to adjust this program to your personal needs.

### ENVIRONMENTAL TECHNOLOGY

**Associate of Applied Science Degree**

**20705**

**Advisor:** Nathan Cline

This degree prepares the student to apply for positions with agencies dealing with the environment, natural resources or the public. The degree will expose students to different aspects of the natural world and various cultures, and will provide communication skills.

### FIRE SCIENCE – LEVEL I

**Certificate of Proficiency**  
30635 (Available in Gila County only)  
**Advisors:** Ann Knights, Andrea Renon  

The Fire Science – Level I Certificate program, in cooperation with the Arizona Center for Fire Service Excellence (AZCFSE), prepares students for service as firefighters in rural settings. This certification emphasizes professional firefighting skills corresponding to the everyday demands of the profession. It is designed for both individuals already serving in the profession as firefighters and as a preparatory program for those who seek a career in firefighting.

**Total Minimum Certificate Requirements** 18 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of "C" or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 9 certificate credits at Eastern Arizona College.
FIRE SCIENCE – LEVEL II

Certificate of Proficiency
30625 (Available in Gila County only)
Advisors: Ann Knights, Andrea Renon
The Fire Science Level II Certificate program, in cooperation with the Arizona Center for Fire Service Excellence (ACFSE), prepares students for service as firefighters in rural settings. This certification emphasizes professional firefighting skills corresponding to the everyday demands of the profession. It is designed for both individuals already serving in the profession as firefighters and as a preparatory program for those who seek a career in firefighting. This certificate allows students the opportunity to participate in field training using current fire suppression technology.

Total Minimum Certificate Requirements 24 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 12 certificate credits at Eastern Arizona College.

FORESTRY

Associate of Arts Degree
TG-XR 60703
Advisor: Nathan Cline
This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Forestry. This degree also prepares you for a number of jobs in forestry and the forest products industry. A strong high school background in Mathematics and Chemistry is recommended.

Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. A Forestry bachelor’s degree is currently offered in Arizona only at Northern Arizona University.

Options
Select courses from the Options category on pages 55-56 with at least one course having an (IW) designation to complete the 35 credits required for the AGEC.

Total General Education Requirements 36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 60 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 14 credits

Total Minimum Degree Requirements 60 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

GENERAL STUDIES

Associate of General Studies Degree
50000 (Available On Campus and Online)
Advisors: James Pryor, Gina Roebuck, Aaron Westerfield
The Associate of General Studies degree (AGS) is available for those students whose preferred degree program of study is not otherwise available at EAC. For example, the AGS degree may be the best choice for you if:
- You plan to transfer to one of Arizona’s public universities and EAC does not offer a degree that matches the first two years of study in the major you wish to pursue.
- You plan to transfer to a private Arizona college or university or an out-of-state institution and you wish to customize an EAC degree to match the required courses in your major at that school.
- You do not plan to transfer to another College or University and wish to obtain an associate degree that incorporates a General Education component and lets you select other courses according to your interests.
- Other than the embedded AGEC, the AGS degree is not included in any transfer agreements and credits earned may be accepted or rejected by a receiving institution. If you plan to transfer upon completion of this degree and since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

General Education Requirements
The General Education Requirement may be satisfied in two different ways. Select the option below that best meets your needs.

Option 1 - Arizona General Education Curriculum
If you plan to transfer to one of Arizona’s public universities you will be best served by completing one of the three Arizona General Education Curricula. They are the AGEC-A, AGEC-B and AGEC-S. If you know where you are transferring and what your major will be, find out which AGEC is appropriate and follow it as outlined below. If the major you select does not accept an AGEC or has a unique set of General Education requirements go to Option Two.

AGEC-A (Available On Campus and Online): This General Education Program...
is better suited for majors in the Liberal Arts.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

**Composition**
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

**Mathematics**
Select one course from list on pages 55-56. 3 credits

**Lab Science**
Select two Lab Science courses from list on pages 55-56. If you plan to transfer consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

**Humanities**
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits

**Social Sciences**
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits

**Options**
Select courses from the Options category on pages 55-56 to complete the 35 credits required for the AGEC. 0 to 6 credits

**AGEC-B:** This General Education Program is intended for students majoring in a business curriculum.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

**Composition**
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

**Mathematics**
MAT 210 Elements of Calculus 4 credits

**Lab Science**
Select two courses from the list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

**Humanities**
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits

**Social Sciences**
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits

**Options**
Select courses from the Options category on pages 55-56 to complete the 36 credits required for the AGEC. 0 to 3 credits

**AGEC-S:** This General Education Program is intended for students majoring in a math or science curriculum.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

**Composition**
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

**Mathematics**
MAT 220 Calculus I or higher level mathematics course 5 credits

**Lab Science**
Select two sequenced courses from this list:
- If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.
  - BIO 181 General Biology I
  - BIO 182 General Biology II
  - BIO 201 Human Anatomy and Physiology I
  - BIO 202 Human Anatomy and Physiology II
  - CHM 151 General Chemistry I
  - CHM 152 General Chemistry II
  - CHM 235 General Organic Chemistry
  - CHM 236 General Organic Chemistry II (IW)
  - PHY 111 General Physics I
  - PHY 112 General Physics II
  - PHY 211 Physics with Calculus I
  - PHY 212 Physics with Calculus II

**Humanities**
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

**Social Sciences**
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

**Options**
For this certificate, you must select two additional courses to complete the 39 credits required for the AGEC. Eligible courses include any of the Lab Science courses or any math courses MAT 230 or higher. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

**Option 2 – Approved General Education Curriculum**

File with your graduation petition a General Education curriculum of at least 35 credits approved by a regionally accredited college or university for which equivalent transferable courses are available at EAC or an Arizona public university transfer guide for the major you intend to complete. Completion of those courses will fulfill the AGS degree General Education requirement.

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**
Depending on which AGEC you choose, select 25-29 credits of elective courses numbered 100 or above to obtain the 64 credit hours required.

**Total Elective Requirements** 25 to 29 credits

**Total Minimum Degree Requirements** 64 credits

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.
**GENERAL TECHNICAL STUDIES**

**Associate of Applied Science Degree**  
**20613 (Available On Campus and Online)**  
**Advisors:** Gayrene Claridge, Doug Griffin

The General Technical Studies AAS degree provides an opportunity for all students to develop and upgrade a broad variety of technical skills which are applicable to many entry-level technical occupations. Students are given the latitude to focus on specific programs which address their personal interests and aptitudes. Through the General Education component, this program also provides instruction in literacy, communication, mathematical, and interpersonal skills necessary for long-term career success.

**Curriculum Requirements**  
Students must complete at least one of the following Certificates of Proficiency:

- **30639** Advanced Manufacturing and Design Technician
- **30641** Advanced Manufacturing Technician
- **30638** Automotive Maintenance
- **30633** Automotive Service Consultant
- **30605** Automotive Technician
- **30104** Bookkeeping (offered on campus and online)
- **30118** Business Entrepreneurship
- **30134** Business Entrepreneurship Specialist
- **30133** Business Management
- **30116** Business Office Assistant (offered on campus and online)
- **30130** Business Project Management Fundamentals (offered on campus and online)
- **30121** Business Technology Specialist (offered on campus and online)
- **30645** Commercial Driver License
- **30618** Computer Assisted Design and Drafting Technology - Level I
- **30613** Computer Assisted Design and Drafting Technology - Level II
- **30110** Cosmetology
- **30111** Cosmetology Instructor
- **30129** Cosmetology/Hair stylist
- **30114** Cosmetology/Nail Technician
- **30105** Database Support
- **31303** Dental Assisting Specialist (offered in Gila County only)
- **30628** Electrical and Instrumentation Technician
- **30644** Electrical Fundamentals
- **30701** Emergency Medical Technician
- **30702** Emergency Medical Technician - Paramedic
- **30635** Fire Science - Level I (offered in Gila County only)
- **30625** Fire Science - Level II (offered in Gila County only)
- **30924** General Business (offered at ADC/FCI only)
- **30128** General Business Skills (offered at ADC/FCI only)
- **30402** Graphic Design
- **30643** HVAC-R
- **30920** HVAC-R (offered at ADC/FCI only)
- **30131** IT Support Professional
- **30813** Law Enforcement (offered on campus and online)
- **30710** Licensed Practical Nurse
- **30636** Major Appliance Repair (offered at ADC/FCI only)
- **30914** Masonry (offered at ADC/FCI only)
- **30401** Media Communications
- **30704** Medical Assistant
- **31302** Medical Billing and Coding Specialist
- **30706** Nursing Assistant
- **30708** Patient Care Technician
- **30119** Systems Administration & Networking
- **30502** Personal Trainer
- **31301** Phlebotomist Technician
- **30919** Pre-Apprentice Carpentry (offered at ADC/FCI only)
- **30132** Programming & IT Support
- **30123** Retail Management (offered on campus and online)

- **30934** Retail Management (offered at ADC/FCI only)
- **30642** Welding/Manufacturing Fundamentals
- **30626** Welding Technology

To earn this degree you must select a sufficient number of credits numbered 100 or above from the following departments to obtain the 40 curriculum credit hours required: AGR, AIS, AJS, AMT, ART, AUT, BLC, BLD, BUS, BUA, COE, CMP, COS, CSE, CUL, DPL, DSR, DTH, EGR, ELT, EMT, FSC, HCE, HIP, HVA, IAR, IPT, MDP, MDC, MIN, NUR, SBM, TEC, THC, and WLD. Students may not apply more than 4 credits from COE 111, COE 112, COE 113, and TEC 191 to the completion of this requirement.

**Total Curriculum Requirements**  
40 credits with a GPA of 2.00 or higher

**General Education Requirements**

**Composition**
- ENG 100  
- ENG 101

**Mathematics**
- BUS 111
- MAT 100

**Computers**
- CMP 101
- CMP 103

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

**Total General Education Requirements**  
18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements**  
6 credits

**Total Minimum Degree Requirements**  
64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

**GEOLOGY**

**Associate of Science Degree**  
**AS-SR 80703**  
**Advisor:** David Morris

The following curriculum will meet the lower-division requirements of most four-year schools in Geology. Upon satisfactory completion of the course work outlined below and graduation with an AS degree from Eastern Arizona College, you may enter upper-division work in any one of several earth science related fields, including general geology, geochemistry, hydrology and geophysics. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

You should have a firm background in mathematics (including algebra, geometry, and
Curriculum Requirements

- GLG 101 Physical Geology 4 credits
- GLG 102 Historical Geology 4 credits
- MAT 230 Calculus II 4 credits
- MAT 240 Calculus III 4 credits
- MAT 260 Differential Equations 4 credits

Total Curriculum Requirements 20 credits

General Education Requirements

AGEC-S. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

Composition
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics
- MAT 220 Calculus I 5 credits

Lab Science
- CHM 151 General Chemistry I 4 credits
- CHM 152 General Chemistry II 4 credits
- PHY 211 Physics with Calculus I 5 credits
- PHY 212 Physics with Calculus II 5 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
Choose from Social Sciences list on pages 55-56. Choose courses from more than one department. 6 credits

Total General Education Requirements 41 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

An introductory computer course is highly recommended.

Language proficiency demonstration – check University Transfer Guides to see if they have a language proficiency requirement. If so, select courses that will satisfy the language proficiency requirement.

Total Elective Requirements 3 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements** 1 credit

**Total Minimum Degree Requirements** 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

## HEALTH & PHYSICAL EDUCATION

### Associate of Arts Degree

**AA-SR 60501**

**Advisors:** Jim Bagnall, Shari Kay, Maurice Leitzke, Kate McCluskey, Cameron Turner

Recipients of this degree are prepared to pursue a major in Health or Physical Education and minor in Biology or Physical Science at a four-year college or university. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

A high school background in sports, biology and chemistry is helpful.

HIS 104  The Development of Europe to 1650 (GIH) (DI)  3 credits

HIS 105  Modern Europe Since 1550 (GIH) (DI)  3 credits

POS 110  United States National Politics (GIH) (DI)  3 credits

### Total General Education Requirements 35 to 36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

#### Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.

Any foreign language at the 202 course level may be transferred from an accredited college or university. Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.az.edu/cgi-bin/WebObjects/Admin_CEG.woa/qa/iEBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

#### Total Elective and Foreign Language Requirements 13 to 14 credits

#### Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.
HVAC-R

Certificate of Proficiency
30643
Advisor: Doug Griffin, George Rocha

This program is designed to prepare students to work in a heating or refrigeration business. The HVAC-R program includes basic instruction in heating, ventilation, air conditioning and refrigeration systems and their maintenance to help students develop a career in the HVAC-R field.

Curriculum Requirements
HVA 101 Principles of HVAC-R 3 credits
HVA 103 HVAC-R Controls 3 credits
HVA 105 Heating System Basics 3 credits
HVA 109 Troubleshooting HVAC-R Systems 3 credits
HVA 110 Electricity for HVAC-R 3 credits
HVA 115 EPA Certification 1 credit

Total Minimum Certificate Requirements 16 credits

In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.

Complete at least 10 certificate credits at Eastern Arizona College.

IT SUPPORT PROFESSIONAL

Certificate of Proficiency
30131
Advisor: Lydia Mata, James McBride, Scott Russell

This certificate program provides the needed information to start an entry level job in the IT industry. Successful completion of the certificate gives students the opportunity to obtain several industry certificates/certifications with career and educational counseling.

Curriculum Requirements
CMP 100 Working in Technology 3 credits
CMP 113 Operating Systems I 3 credits
CMP 118 IT Fundamentals 3 credits
CMP 155 Google IT Professional I 3 credits
CMP 156 Google IT Professional II 3 credits
CMP 250 Networking Systems I 3 credits

Total Minimum Certificate Requirements 18 credits

In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 10 certificate credits at Eastern Arizona College.

LANGUAGES

Associate of Arts Degree
AA-GR 60205

Advisors: Tonika Curtis, Bryan McBride

Language study at EAC prepares you for careers in business, education, international relations, translation, social work, transportation, journalism and many other areas. Many Language majors go on to professional schools (law, medicine, dentistry and business). Language students gain an appreciation of other cultures, which enhances their understanding of their own culture. Since program requirements differ between universities, the official transfer pathway (www.transfer.arizona.edu) for the school you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements
FRE 201 Intermediate French I (GH) (DI) OR SPA 201 Intermediate Spanish I (GH) (DI) 4 credits
FRE 202 Intermediate French II (GH) (DI) OR SPA 202 Intermediate Spanish II (GH) (DI) 4 credits
Courses in one other language at the 100 level or above. 8 credits

Total Curriculum Requirements 16 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

Composition

- Complete at least 3 certificate credits at Eastern Arizona College.

LIBERAL STUDIES

Associate of Arts Degree AA-GR 60000

Advisors: Kyleigh Becker, Gina Roebuck

A Liberal Studies Associate of Arts degree is appropriate if you plan to continue your education at a college or university and major in Liberal Arts. If you have not yet decided on a major but know you want to transfer to a four-year college or a university, this degree will fulfill the General Education requirement for many different programs of study. Liberal Studies Faculty Advisors are available to assist you in the selection of courses. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Select from Social Sciences list on pages 55-56. Choose courses from more than one department.

Options

Select courses from the Options category on pages 55-56 to complete the 35 General Education credit requirements.

Total General Education Requirements 35 credits

Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

- Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/CAAEBetter/cgi-bin/WebObjects/Admin_CEG.woa/CAAEBetter.
- Select the Eastern Arizona College Elective or Better Report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective and Foreign Language Requirements 29 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attend a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

LICENSED PRACTICAL NURSE

Certificate of Proficiency 30710

Advisor: Carolyn McCormies

This program prepares you to function as a practical nurse caring for acutely ill patients under the supervision of a registered nurse. Licensed Practical Nurse (LPN) gives basic nursing care and assists other members of the health care team. On successful completion of the program, you will be eligible to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN). Entry into the nursing program requires prior admission. For admission procedures to the nursing program, contact the Nursing Department, (928) 428-8396.

Application Requirements

The following are required to be completed prior to applying for the Nursing Program:

- Submit a copy of a valid Department of Public Safety fingerprint clearance card (allow 4 – 6 weeks)
- Reading competency at the twelfth grade level or above on an EAC approved reading test or completion of ENG 113 with a grade of "C" or higher
- Standardized Nursing Entrance Exam with minimum score at or above the national average for all components and for the composite score.

Admission Requirements

The following prerequisite courses are required to be completed with a minimum grade of "C" prior to starting the Nursing Program:

- CHM 130 Fundamental Chemistry or higher

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attend a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attend a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attend a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.
The following are required prior to starting the nursing program:

- Placement test score as established by District policy that places the student into MAT 154 or completion of MAT 120 or higher with a grade of “C” or higher
- Meet the minimum math requirements for medical dosage calculations by demonstrating competency through testing or course completion of HCE 116 at the specified level set forth by the Nursing program.
- Current Arizona Nursing Assistant Certification number
- Submit the completed Immunization Record and Nursing Physical Form
- Current AHA CPR card - health care provider level (MUST be American Heart Association)

NOTE: Pursuant to A.R.S. § 32-1606 (B) (17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting an application for licensure. If the applicant cannot prove that the absolute discharge date is five or more years before the date of filing the application, the Board of Nursing cannot process the application.

Curriculum Requirements

HCE 241 Nutrition 3 credits
NUR 120* Nursing One 9 credits
NUR 130* Nursing Two 9 credits
NUR 240* Nursing Three 9 credits
NUR 219* Pharmacology for Nursing 3 credits

Total Curriculum Requirements 33 credits

*All nursing courses must be passed with a grade of “B” or better.

General Education Requirements

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Lab Science
BIO 201 Human Anatomy and Physiology I 4 credits
BIO 202 Human Anatomy and Physiology II 4 credits

Total General Education Requirements 14 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Total Minimum Certificate Requirements 47 credits

In order to obtain this certificate you must:

- Complete each required course with a grade of “C” or better unless otherwise noted.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 certificate credits at Eastern Arizona College.

Upon completion of a four-year program at a college or university, you will be prepared for employment as a:

- Computer specialist in marketing, finance and accounting
- Systems analyst and designer
- Information system consultant and computer auditor
- Applications designer and programmer
- Networking system designer and manager

Total General Education Requirements 37 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.wow/va/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 6 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Maintain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

NOTE: If transferring to ASU, you will need to have a minimum of 12 Social Science credits to include:

- BUA 221 Principles of Macroeconomics 3 credits

MANAGEMENT INFORMATION SYSTEMS

Associate of Business Degree
ABus-SR 70102

Advisors: Michael Fox, Dana Barnett

This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Management Information Systems. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school to which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.
MATHEMATICS

Associate of Science Degree
AS-SR 81101
Advisors: Lucas Johnson, Ray Orr, Cliff Thompson

This degree will meet the General Education requirements and most of the mathematics requirements for the first two years of a four-year degree in Mathematics. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

General Education Requirements
AGEC-S. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 220 Calculus I 5 credits
MAT 260 Differential Equations 4 credits

Lab Science
From the list below, choose two courses with the same prefix totaling 8-10 credits:
BIO 181 General Biology I (Majors) AND 4 credits
BIO 182 General Biology II (Majors) OR 4 credits
CHM 151 General Chemistry I (Majors) AND 4 credits
CHM 152 General Chemistry II (Majors) OR 4 credits
PHY 211 Physics with Calculus I AND 5 credits
PHY 212 Physics with Calculus II 5 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
Choose from Social Sciences list on pages 55-56. Choose courses from more than one department. 6 credits

Options
Select courses from the list on pages 55-56 to achieve a total of at least 39 credits in General Education courses. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 2 to 4 credits

Total General Education Requirements 39 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/ww/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 8 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
• Remove any indebtedness to the College.

MEDIA COMMUNICATIONS

Associate of Applied Science Degree
20614
Advisor: Glen Cashetta

This program prepares students for entry-level employment in the media communications industry. Students will have the opportunity to develop skills in scripting, audio, lighting, cinematography, and editing. By completion of the program, students will have developed and produced various video projects.

Curriculum Requirements
MDC 112 Understanding Scriptwriting 2 credits
MDC 125 Video Color Correction 3 credits
MDC 150 Video Production 3 credits
MDC 160 Audio Production and Editing 3 credits
MDC 166 Audio Engineering 3 credits
MDC 180 Video Editing I 3 credits
MDC 191 Media Practicum I 1 credit
MDC 212 Writing the Screenplay 3 credits
MDC 250 Documentary Video Production 3 credits
MDC 254 Cinema Style Video Production 3 credits
MDC 280 Video Editing II 3 credits
MDC 290 Media Communications Capstone Project 3 credits

Total Curriculum Requirements 33 credits

Curriculum Related Requirements
Select 9 additional credits from the following:
ART 181 Graphic Design I 3 credits
ART 187 Beginning Photoshop 3 credits
CSL 115 Community Outreach Through Service Learning 1 to 2 credits
MDC 168 Audio for Studio and Sound Reinforcement 3 credits
MDC 252 Multi-Camera Video Field Production 3 credits
MDC 253 Sports Video Production 3 credits
THC 110 Acting I 3 credits
THC 231 Stagecraft 3 credits
THC 236 Introduction to Scene Design 3 credits

Total Curriculum Related Requirements 9 credits

General Education Requirements
Composition
ENG 101 Written Communications I or higher 3 credits

Social Sciences
MDC 102 Introduction to Media Communications 3 credits

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

**Total General Education Requirements** 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements**

**Total Minimum Degree Requirements** 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

---

**MEDIA COMMUNICATIONS**

**Certificate of Proficiency**

**30401**

**Advisor:** Glen Cashion

This program prepares a student to work in various audio/video development, production, promotion, and distribution occupations.

- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 11 certificate credits at Eastern Arizona College.

---

**MEDICAL ASSISTANT**

**Certificate of Proficiency**

**30704**

**Advisor:** Diane Knapp, Megan Martinez

Upon completion of this certificate program, students are eligible to sit for the American Medical Technologists (AMT) Certification Examination to be certified as a Registered Medical Assistant (RMA). This program prepares you for an entry-level position as a medical assistant. Emphasis is on preparation to perform both clerical duties and clinical duties in a medical office.

Courses in the program may require vaccinations or other medical tests. Students must obtain a two-step TB skin test (first step with TB results; second step, obtain another TB skin test with results one to three weeks later). See course descriptions for additional information. Students will be required to complete a minimum of 160 clinical hours in a health clinic.

MEDICAL BILLING AND CODING SPECIALIST

Certificate of Proficiency
31302
Advisor: Carolyn McCormies

This certificate prepares individuals for diagnostic and procedural coding and billing positions in settings such as clinics, physician offices, hospitals, managed care organizations, private billing, or insurance companies. The program includes theoretical and laboratory instruction as well as professional practice affiliation. This certification will also prepare students to begin careers as professional coders and/or billers and prepare students for AHIMA (American Health Information Management Association) certification. AHIMA will allow students the opportunity to prepare to take specific coding and/or billing certifications.

Curriculum Requirements
BIO 100 Introduction to Human Anatomy and Physiology OR
BIO 201 Human Anatomy and Physiology I AND
BIO 202 Human Anatomy and Physiology II 4 to 8 credits
HCE 102 Introduction to Health Information Management 3 credits
HCE 103 Computers in Healthcare 2 credits
HCE 112 Medical Terminology 2 credits
HCE 171 Introduction to Pharmacology OR
NUR 219 Pharmacology for Nursing 3 credits
HCE 181 Medical Claims Processing 3 credits
HCE 190 Human Body in Health and Disease OR
HCE 240 Human Pathophysiology 4 credits
HCE 210 Introduction to International Classification of Diseases (ICD-10) 3 credits
HCE 214 Current Procedural Terminology (CPT) II 4 credits
HCE 216 Professional Practice in Coding and Billing 3 credits

Total Minimum Certificate Requirements 17 to 21 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- Attain a cumulative grade point average of 2.00 or higher.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 9 certificate credits at Eastern Arizona College.

MUS - MUSIC

Associate of Arts Degree
AA-SR 60403
Advisors: Instrumental: Franklin Alvarez, Geoff DeSpain
Piano: Chase Moore
Vocal: Gideon Burrows, Chase Moore

The degree meets the requirements for a bachelor’s degree from a music department at a university, provided you take four semesters of applied music instruction and make satisfactory progress in either voice or a major instrument. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

To successfully pursue a college career in music education, you must be able to play at least one instrument well; have some experience and/or training in voice; and possess knowledge of music theory. You must also possess or obtain adequate piano skills.

Curriculum Requirements
Music Theory Requirements
MUS 105 Music Theory I 3 credits
MUS 106 Music Theory II 3 credits
MUS 107 Aural Perception I 1 credit
MUS 108 Aural Perception II 1 credit
MUS 205 Music Theory III 3 credits
MUS 206 Music Theory IV 3 credits
MUS 212 Aural Perception III 1 credit
MUS 213 Aural Perception IV 1 credit

Total Music Theory Requirements 16 credits

Applied Music Requirements
Upon transfer to a university, all students must perform a placement audition in their area of emphasis. This will determine the level of applied instruction at the university level.

MUS 161 Private Voice II AND 1 credit
MUS 162 Private Voice III AND 1 credit
MUS 261 Private Voice IV AND 1 credit
MUS 262 Private Voice V OR 1 credit
MUS 171 Private Piano II AND 1 credit
MUS 172 Private Piano III AND 1 credit
MUS 271 Private Piano IV AND 1 credit
MUS 272 Private Piano V OR 1 credit
MUS 181 Private Instruments II AND 1 credit
MUS 182 Private Instruments III AND 1 credit
MUS 281 Private Instruments IV AND 1 credit
MUS 282 Private Instruments V OR 1 credit
MUS 183 Private Strings II AND 1 credit
MUS 184 Private Strings III AND 1 credit
MUS 283 Private Strings IV AND 1 credit
MUS 284 Private Strings V 1 credit

Total Applied Music Requirements 4 credits

Ensemble Participation Requirement
Music majors must enroll in a minimum of one ensemble per semester, typically the major large performing group in your area of emphasis (instrumental, voice, strings, or keyboard).
MUS 111  Marching Band I  2 credits
MUS 211  Marching Band II  2 credits
MUS 125  Jazz Ensemble I  1 credit
MUS 126  Jazz Ensemble II  1 credit
MUS 225  Jazz Ensemble III  1 credit
MUS 226  Jazz Ensemble IV  1 credit
MUS 129  Women’s Chorale I  1 credit
MUS 130  Women’s Chorale II  1 credit
MUS 229  Women’s Chorale III  1 credit
MUS 230  Women’s Chorale IV  1 credit
MUS 136  A Cappella Choir I  2 credits
MUS 137  A Cappella Choir II  2 credits
MUS 236  A Cappella Choir III  2 credits
MUS 237  A Cappella Choir IV  2 credits
MUS 142  Symphonic Band I  2 credits
MUS 143  Symphonic Band II  2 credits
MUS 242  Symphonic Band III  2 credits
MUS 243  Symphonic Band IV  2 credits
MUS 151  Symphony Orchestra I  1 credit
MUS 152  Symphony Orchestra II  1 credit
MUS 251  Symphony Orchestra III  1 credit
MUS 252  Symphony Orchestra IV  1 credit
MUS 157  Chamber Orchestra I  1 credit
MUS 158  Chamber Orchestra II  1 credit
MUS 257  Chamber Orchestra III  1 credit
MUS 258  Chamber Orchestra IV  1 credit

Total Ensemble Participation Requirements  4 to 8 credits

Music Education Requirements
Choose from the list below for a total of 2 credits:

Instrumental Emphasis
MUS 117  Class Instruction in Brass I  1 credit
MUS 118  Class Instruction in Brass II  1 credit
MUS 119  Class Instruction in Woodwinds I  1 credit
MUS 120  Class Instruction in Woodwinds II  1 credit

String Emphasis
MUS 123  Class Instruction in Strings I  1 credit
MUS 124  Class Instruction in Strings II  1 credit

Vocal Emphasis
MUS 204  Elements of Conducting  2 credits

Total Music Education Requirements  2 credits

Piano Proficiency Requirement
A piano proficiency will be expected when music majors transfer to a university. All music majors must successfully complete MUS 256 to demonstrate their piano proficiency. Please note MUS 155, 156, and/or 255 may be needed to prepare for MUS 256.

MUS 256  Class Piano IV for Music Majors  1 credit

Total Curriculum Requirements  27 to 31 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101  Written Communications I  3 credits
ENG 102  Written Communications II  3 credits

Mathematics
Select from list on pages 55-56  3 to 5 credits

Lab Science
Select from list on pages 55-56.  8 to 10 credits

Humanities
MUS 101  World of Music (GIH) (DI)  3 credits
Select an ART, COM, ENG, or THC course from the Humanities list on pages 55-56.  3 credits

Social Sciences
Choose from Social Sciences list on pages 55-56. Choose courses from more than one department. Music Education majors should take EDU 200, Introduction to Education, as 3 of the 6 required Social Sciences credits.  6 credits

Options
Select courses from the list on pages 55-56 to achieve a total of at least 35 credits in General Education courses. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.  2 to 6 credits

Total General Education Requirements  35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To obtain this degree you may need up to two credit hours of approved elective courses numbered 100 or above. Approved elective courses are listed below.

DAN 132  Beginning Ballet I  1 credit
DAN 133  Beginning Ballet II  1 credit
DAN 232  Intermediate Ballet I  1 credit
DAN 233  Intermediate Ballet II  1 credit
DAN 150  Beginning Theatre Dance I  1 credit
DAN 151  Beginning Theatre Dance II  1 credit
DAN 260  Intermediate Theatre Dance I  1 credit
DAN 261  Intermediate Theatre Dance II  1 credit
MUS 155  Class Piano I for Music Majors  1 credit
MUS 156  Class Piano II for Music Majors  1 credit
MUS 255  Class Piano III for Music Majors  1 credit
MUS 203  Music Notation/Final.  2 credits
THC 205  Musical Theatre I  3 credits

Total Elective Requirements  0 to 2 credits

Total Minimum Degree Requirements  64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.0 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.
NURSING

Associate of Applied Science Degree
RN and BSN Track Option
20702

Advisors: Gayrene Claridge, Carolyn McCormies

This program is designed to prepare you for beginning employment as a staff nurse giving direct care to patients. The program has received approval by the Arizona Board of Nursing and is accredited by the Accreditation Commission for Education in Nursing (ACEN). On successful completion of the program, you will be awarded the Associate of Applied Science in Nursing degree and will be eligible to make application to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN). The program permits students to enter or exit the program based on their specific needs, space availability, and time limitations. Entry into the Nursing Program requires prior admission. For admission procedures to the Nursing Program, contact the Nursing Department, (928) 428-8396.

Application Requirements

The following are required to be completed prior to applying for the Nursing Program:

- Submit a copy of a valid Department of Public Safety fingerprint clearance card (allow 4–6 weeks).
- Reading competency at the twelfth grade level or above on an EAC approved reading test or completion of ENG 113 with a grade of "C" or higher.
- TEAS Assessment Nursing Entrance Exam with a minimum composite score showing proficient or above average for the composite score.

Admission Requirements

The following prerequisite courses are required to be completed with a minimum grade of "C" prior to starting the Nursing Program:

- CHM 130 Fundamental Chemistry or higher (CHM 138 preferred) 4 credits
- PSY 101 Introduction to Psychology 3 credits
- BIO 201 Human Anatomy and Physiology I 4 credits

The following are required prior to starting the Nursing Program:

- Placement test score as established by District policy that places the student into MAT 154 or completion of MAT 100 or higher with a grade of "C" or higher
- Meet the minimum math requirements for medical dosage calculations by demonstrating competency through testing or course completion of HCE 116 at the specified level set forth by the Nursing Program.
- Current Arizona Licensed Nursing Assistant number. This can be obtained by taking NUR 100 and passing the written and skills testing.
- Submit the completed Immunization Record and Nursing Physical Form
- Current AHA CPR card – health care provider level (MUST be American Heart Association)

NOTE: (Pursuant to Arizona Revised Statutes § 32-1606 (B) (17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before the Board of Nursing processes the application. If the applicant cannot prove that the absolute discharge date is five or more years before the date of filing the application, the Board of Nursing cannot process the application.)

Curriculum Requirements

- CHM 130 Fundamental Chemistry or higher (CHM 138 preferred) 4 credits
- HCE 240 Human Pathophysicsiology 4 credits
- HCE 241 Nutrition 3 credits
- NUR 120 Nursing One 9 credits
- NUR 130 Nursing Two 9 credits
- NUR 219 Pharmacology for Nursing 3 credits
- NUR 240 Nursing Three 9 credits
- NUR 250 Nursing Four 10 credits
- PSY 101 Introduction to Psychology 3 credits

Total Curriculum Requirements 54 credits*

*All nursing courses must be passed with a grade of "B" or better and all prerequisites and corequisites must be passed with a grade of "C" or better for students to remain in and complete the program.

General Education Requirements

Composition

- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics

No additional math required for the Associate RN Track. Suggested math sequence for BSN Track ONLY:

- MAT 140 College Mathematics 3 credits
- MAT 154 Pre-calculus Algebra 3 to 4 credits
- MAT 160 Introduction to Statistics 3 credits

Lab Science

- BIO 201 Human Anatomy and Physiology I 4 credits
- BIO 202 Human Anatomy and Physiology II 4 credits
- BIO 205 Microbiology 4 credits

Total General Education Requirements 18 to 25 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

For BSN Students: You should obtain a catalog from the institution you will transfer to or attend as a concurrent student and select courses required by the nursing curriculum at that institution.

Total Minimum Degree Requirements including prerequisites 72 to 79 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Maintain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

NURSING ASSISTANT

Certificate of Proficiency
30706

Advisor: Jill Cluff

This program prepares you for an entry-level position as a nursing assistant. Emphasis is on basic patient care skills, based on the knowledge of universal precautions, asepsis, basic human needs, body mechanics, treatments and procedures, patient admission, transfer, discharge, and eldercare.

NOTE: Students are eligible to sit for the Arizona State Board of Nursing Certified Nursing Assistant (CNA) Examination upon completion of the NUR 100, Nursing Assistant course.

The Board of Nursing may not consider applications for certification as a Certified Nursing Assistant if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before the Board of Nursing processes the application. The Arizona State Board of Nursing requirements for certification also include proof of legal presence in the United States and disclosure of any felony conviction(s).

Current Arizona Nursing Assistant Certification is an admission requirement to EAC’s Nursing program.

Courses in the program may require vaccinations or other medical tests. See course descriptions for additional information. Students will be required to complete a minimum of 40 hours in a skilled nursing facility.

Curriculum Requirements

- HCE 100 Basic Health Care Concepts and Skills 4 credits
- HCE 101 Basic Life Support CR
- EMT 122 First Aid and CPR 2 credits
- HCE 112 Medical Terminology 2 credits
- HCE 114 Math for Medications CR
- HCE 116 Medical Dosage Calculations 2 credits
- NUR 100 Nursing Assistant 6 credits

Total Minimum Certificate Requirements 16 credits

In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 8 certificate credits at Eastern Arizona College.

ORGANIZATIONAL LEADERSHIP

Associate of Arts Degree
60102

Advisors: Michael Fox, Scott Russell

This Associate of Arts Degree along with an AGEC-A (64 credits total) prepares you to transfer to a college or university and pursue a bachelor’s degree in Organizational Leadership. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

This degree also satisfies the needs of students - majors and non-majors - who are interested in organizational leadership primarily as a part of a broad liberal education. In addition, the courses provide a background in leadership principles and techniques to enhance work in such professional fields as education, business, law, and health-related fields.

Students often major in organizational leadership to prepare for careers in related fields such as business, law, social work, healthcare, and political science.

Note for consideration:
• The Arizona State University Organizational Leadership program offered at Eastern Arizona College will accept 75 transfer credits toward the 120 credits required for completion.

Curriculum Requirements
BUA 151 Scheduling and Cost Estimating 3 credits
BUA 200 Introduction to Organizational Leadership 3 credits
BUA 210 Society and Business 3 credits
BUA 259 Business Communications 3 credits

Total Curriculum Requirements 12 credits

Curriculum Related Requirements
Any EAC courses from the BUA, BUS, or EB/SM Departments. The courses selected must be listed in the Course Equivalency Guide as an elective or better to all three major Arizona universities. You may obtain a copy of the Arizona Course Equivalency Guide on the Internet at www.aztransfer.com.

Total Curriculum Related Requirements 12 credits

General Education Requirements
AGEC-A (available on Campus and Online): This General Education Program is better suited for majors in the Liberal Arts.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness course (GIH), and Diversity and Inclusion course (DI). Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 140 College Mathematics or higher 3 to 5 credits

Lab Science
Select two Lab Science courses from list on pages 55-56. If you plan to transfer consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Humanities
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Social Sciences
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Total Elective Requirements 35 credits

Total Curriculum Related Requirements 12 credits

Total General Education Requirements 35 credits

Total Elective Requirements 5 credits

Total Minimum Degree Requirements 64 credits

PARAMEDICINE

Associate of Applied Science Degree
20703

Advisor: John Clegg

This program prepares you for employment as a paramedic who is qualified to give emergency care to patients. The Eastern Arizona College Paramedic Training Program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (CAAHEP, www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). After successfully completing the degree, you are eligible to take the required National Registry of Emergency Medical Technicians examinations at the Paramedic level.

Entry into the paramedic program requires prior admission. For specific admission procedures, contact the EAC EMS Department at (928) 428-8398.

Completion of high school or GED

Current

Prerequisites

Must be at least 18 years of age prior to applying to the Paramedic Program
Completion of high school or GED
Current American Heart Association, BLS healthcare provider certification
Current certification as an Arizona EMT or NRERT Certified EMT
ENG 113 with a grade “C” or higher or reading competency at the twelfth grade level or above, on EAC approved reading test
MATH 100 with a grade of “C” or higher or placement test score as established by District policy
Passage of written, practical, and oral entrance examinations
Student must provide immunization records including proof of MMR, Varicella, Hepatitis B, Tdap, 2-step TB skin test, current flu shot and a completed 10-panel drug screen
Current Arizona DPS fingerprint clearance card (required by agency contracts for clinical/vehicular rotations)
Current health insurance coverage

Program Size
Limited to 24 students by Arizona State regulation.

Elective Requirements

The following requirements are specified in the catalog unless General Education Requirements are specified in the Degree.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 140 College Mathematics or higher 3 to 5 credits

Lab Science
Select two Lab Science courses from list on pages 55-56. If you plan to transfer consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Humanities
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Social Sciences
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Total Elective Requirements 35 credits

Total Minimum Degree Requirements 64 credits

Application Requirements

The following requirements are specified in the catalog unless General Education Requirements are specified in the Degree.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 140 College Mathematics or higher 3 to 5 credits

Lab Science
Select two Lab Science courses from list on pages 55-56. If you plan to transfer consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Humanities
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Social Sciences
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits
**General Graduation Requirements to obtain this degree:**

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.0 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

**Certificate of Proficiency 30708**

**Advisor:** Diane Knapp

This program will prepare you for an entry-level position as a patient care technician. Emphasis is on technical skills necessary to perform personal care to complex patients, implementation of selected portions of care plan including respiratory services, rehabilitation services, ECG, and phlebotomy under the supervision of registered nurses. Upon completion of this certificate of proficiency, students are eligible to sit for the National Certification exam as Certified Patient Care Technicians (CPCT), which is available through the National Healthcareer Association. Courses in the program may require vaccinations or other medical tests. See course descriptions for additional information.

**Curriculum Requirements**

- EMT 121 Cardiopulmonary Resuscitation OR
- EMT 122 First Aid and CPR OR
- HCE 101 Basic Life Support 1/2 to 2 credits
- HCE 112 Medical Terminology 2 credits
- HCE 114 Math for Medications OR
- HCE 116 Medical Dosage Calculations 2 credits
- HCE 180 Patient Care Technician 4 credits
- HCE 186 Phlebotomy and Clinical Laboratory 2 credits
- NUR 100 Nursing Assistant 6 credits

**Total Minimum Certificate Requirements 16 1/2 to 18 credits**

In order to obtain this certificate you must:

- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 9 certificate credits at Eastern Arizona College.

**PERSONAL TRAINER**

**Associate of Arts Degree 61301**

**Advisors:** Craig Hackett, Seneca Stromberg

This Associate of Arts Degree is an extension of the Personal Training Certificate offered in conjunction with the National Academy of Sports Medicine. Completing these courses increases marketability as a certified personal trainer, and prepares you to transfer to a college or university and pursue a baccalaureate degree.

It is highly recommended that you meet with an advisor listed above to assist you in planning your degree pathway.

**Curriculum Requirements**

- EMT 122 First Aid and CPR 2 credits
- HHP 107 Personal Training 2 credits
- HHP 210 Introduction to Exercise Science and Physical Education 3 credits
- HHP 213 Introduction to Strength and Conditioning for Sport Performance 3 credits
- HHP 274 Sports Nutrition 3 credits
- HHP 276 Sports Psychology 3 credits
- HHP 278 Kinetic Anatomy 3 credits

**Total Curriculum Requirements 19 credits**

**General Education Requirements**

**Composition**

- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

**Mathematics**

- MAT 140 College Mathematics or higher 3 to 5 credits
Lab Science
BIO 160 Introduction to Human Anatomy and Physiology 4 credits
Another Lab Science course from the list on pages 55-56 4 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
HHP 100 Personal Health (DI) 3 credits
Select one additional Social Science Course from the list on pages 55-56. 3 credits

Options
Select courses from the list on pages 55-56 to achieve a total of at least 35 credits in General Education courses. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 4 to 6 credit

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.wa/EABetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 10 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
• Remove any indebtedness to the College.

PERSONAL TRAINER

Certificate of Proficiency
30502
Advisors: Craig Hackett, Seneca Stromberg

Students will learn about the essentials of personal fitness training. Students will be introduced to the human movement system, the Optimal Performance Training (OPTTM) model, and other domains of basic exercise science including assessment, exercise technique and training instruction, program design, considerations in nutrition, client relations and behavioral coaching, and professional development, practice, and responsibility.

Curriculum Requirements
EMT 122 First Aid and CPR 2 credits
HHP 100 Personal Health 3 credits
HHP 107 Personal Training 2 credits
HHP 213 Introduction to Strength and Conditioning for Sport Performance 3 credits
HHP 274 Sports Nutrition 3 credits
HHP 278 Kinetic Anatomy 3 credits

Total Minimum Certificate Requirements 22 credits

In order to obtain this certificate you must:

• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 9 certificate credits at Eastern Arizona College.

PHLEBOTOMIST TECHNICIAN

Certificate of Proficiency
31301
Advisor: Carolyn McCormies

Upon completion of this certificate program, students are eligible to sit for the American Medical Technologists (AMT) Certification Examination to be certified as a Registered Phlebotomist Technician (RPT). Emphasis is on preparing the student to obtain blood specimens by skin puncture or venipuncture using proper technique on adults, children, and infants. Responsibilities of a phlebotomist include collecting fluid or tissue samples, drawing blood using different collection techniques, communication with patients to explain procedures, and conducting standard laboratory tests. Topics of study include ethics, infection control, communication, basic anatomy and physiology and medical terminology. Professional responsibilities include assembling equipment, verifying a patient’s identity, recording information in a patient’s medical records, sterilizing and safely handling equipment, and accurately labeling blood samples in the lab.

Students in the Phlebotomy Technician program will be in contact with potential infectious blood, tissues, and body fluids. Students must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis. Students must also provide proof of MMR (measles, mumps, & rubella) and Hepatitis B vaccinations.

AMT may deny an application if an applicant has any convictions involving a felony.

Courses in the program and clinical sites may require additional vaccinations or other medical tests. See specific course descriptions for information or contact the advisor of this program.

Curriculum Requirements
HCE 100 Basic Life Support OR 3 credits
HCE 186 Phlebotomy and Clinical Laboratory 2 credits
HCE 189 Phlebotomy Certification Review 2 credits

Total Curriculum Requirements 14 to 16 credits

Curriculum Related Requirements
Select 0 to 2 credits from the following courses:
BUS 251 Human Relations 3 credits
CMP 101 Introduction to Computers 3 credits
CMP 103 Introduction to Computer Based Systems 3 credits
HCE 156 Science for Allied Health 4 credits
HCE 171 Introduction to Pharmacology 3 credits
HCE 180 Patient Care Technician 4 credits
HCE 188 Electrodicogram 2 credits
HCE 289 Phlebotomy Practicum 2 credits
PSY 101 Introduction to Psychology 3 credits

Total Minimum Certificate Requirements 16 credits

In order to obtain this certificate you must:

• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 8 certificate credits at Eastern Arizona College.
PHYSICS

Associate of Science Degree
AS-SR 80704
Advisor: Karen Preston

This degree will meet the requirements of the first two years of a four-year program in physics or related fields (physical chemistry, applied mathematics, geophysics, biological physics, pre-medical science, scientific journalism, etc.). Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. You should enter this curriculum having completed two years of algebra and one year each of chemistry and physics in high school or the equivalent college courses.

**Total Minimum Degree Requirements** 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

POLITICAL SCIENCE

Associate of Arts Degree
AA-SR 60804
Advisor: Patrick Lukens

This degree provides the first two years of a four-year bachelor’s degree program in political science. Upon obtaining this AA degree you could enter a college of education and obtain a bachelor’s degree and a secondary teacher’s certificate; or enter a college of liberal arts and complete a bachelor’s degree in political science. Following this, you might enter law school, employment in government or enter graduate school for further and more specialized work in political science. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university. Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. ### PRE-MEDICAL SCIENCE

**Associate of Arts Degree**

**TG-XR 80707**

**Advisors**: Duane DeSpain, Joel Shelton

This degree provides the first two years of a four-year bachelor of science degree in preparation for entering one of the professional medical schools such as dentistry, medicine, osteopathy, or veterinary medicine.

To complete this curriculum in two years you will need to have completed two years of high school algebra and one year of high school chemistry or the college equivalents before you begin the curriculum requirements.

General Education section of the catalog may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 1 to 2 credits
Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Achieve a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

PRE-OPTOMETRY

Associate of Science Degree
TG-XR 80709
Advisors: Duane DeSpain, Joel Shelton

Requirements for admission to the schools and colleges of optometry vary. However, all require at least two years of pre-optometry study. Since each school has its own unique program, you should obtain the catalog of the institution you plan to transfer to and select elective EAC courses that meet the requirements of the transfer institution.

Curriculum Requirements
BIO 181 General Biology I 4 credits
BIO 182 General Biology II 4 credits
BIO 201 Human Anatomy and Physiology I 4 credits
BIO 202 Human Anatomy and Physiology II 4 credits

Humanities
Select from Humanities list on pages 55-56 Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
PSY 101 Introduction to Psychology (DI) 3 credits
Select an additional course from Social Sciences list on pages 55-56. 3 credits

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To obtain this degree you must take a minimum of two credits of elective courses numbered 100 or above to obtain the 64 credits required. You should obtain a catalog from the institution you will transfer to and select courses required by the optometry curriculum at that institution.

Total Elective Requirements 2 credits
Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Achieve a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

PRE-PHARMACY

Associate of Arts Degree
TG-XR 60704
Advisors: Duane DeSpain

This degree prepares you for entrance into the College of Pharmacy at the University of Arizona. If you plan to transfer to another university, its Pharmacy curriculum should be followed. Pharmacy aptitude tests should be taken and application to the university made early in your second year at EAC.

Please consult your advisor as there are approximately 72 credits of prerequisites required for admission into a College of Pharmacy.

Curriculum Requirements
All of the courses listed below are prerequisites for admission into many College of Pharmacy programs. Only 23 of these credits are required for graduation from Eastern Arizona College. Select at least 6 courses from the list below.

BIO 201 Human Anatomy and Physiology I 4 credits
BIO 202 Human Anatomy and Physiology II 4 credits
BIO 205 Microbiology 4 credits
CHM 235 General Organic Chemistry I 4 credits
CHM 236 General Organic Chemistry II (MW) 4 credits
MAT 160 Introduction to Statistics OR
PSY 220 Introduction to Statistics 3 credits
PHY 111 General Physics I 4 credits
PHY 112 General Physics II 4 credits

Total Curriculum Requirements 23 to 31 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GHI) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 210 Elements of Calculus OR
MAT 220 Calculus I to 5 credits

Lab Science
BIO 181 General Biology I 4 credits
BIO 182 General Biology II 4 credits
CHM 151 General Chemistry I 4 credits
CHM 152 General Chemistry II 4 credits

Humanities
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts.

If you plan to transfer, consult the catalog or an advisor from the school...
Curricula

Social Sciences
BUA 221 Principles of Macroeconomics (GH) (DI OR 3 credits
BUA 223 Principles of Microeconomics (DI) 3 credits
COM 201 Public Speaking 3 credits

Total General Education Requirements 38 to 39 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements except General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG), located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 0 to 3 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements except General Education Requirements are specified in the major.

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
• Remove any indebtedness to the College.

Programming & IT Support

Certificate of Proficiency 30132

Advisors: Lydia Mata, James McBride, Scott Russell

This certificate provides a fast track to employment by targeting specific computing skills with fewer general courses. The emphases in this certificate are the key areas in Programming and Information Technology Support. Students will learn programming concepts that will prepare them to work with multiple programming languages and use programming for IT automation. Students will be taught the basics of networking, system administration, and security and operating systems to prepare for a job in IT support.

Curriculum Requirements

CMP 118 IT Fundamentals OR
CMP 109 Basic Principles of IT AND
CMP 124 Intermediate Principles of IT 3 to 4 credits
CMP 128 Computer Programming I 3 credits
CMP 129 Computer Programming II 3 credits
CMP 155 Google IT Professional I 3 credits
CMP 156 Google IT Professional II 3 credits
CMP 272 Website Development I 3 credits

Total Minimum Certificate Requirements 22 to 23 credits

In order to obtain this certificate you must:

• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gala Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 11 certificate credits at Eastern Arizona College.
PSYCHOLOGY

Associate of Arts Degree

AA-SR 60806

Advisor: Nan Pennington

This degree specifies courses that satisfy the AGEC transfer pathway for an AA-SR degree. The Psychology courses identified in the Curriculum Requirements and the General Education Requirements also satisfy the preparatory major requirements for a baccalaureate degree in Psychology. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. This degree also satisfies the needs of students - majors and non-majors - who are interested in psychology primarily as a part of a broad liberal education. In addition, the courses provide a background in psychological principles and techniques to enhance work in other Social Sciences and in such professional fields as education, business, law enforcement, and health-related fields.

Students often major in psychology to prepare for careers in related fields such as personnel relations, occupational and personal counseling, medicine and dentistry, social and case work, marketing, administration, the legal profession, or counseling and teaching in the public schools. Others plan on graduate work in psychology. Graduate training in psychology prepares you for a career as an academic psychologist (teaching and research), clinical psychologist (mental health centers, institutions, and private practice), industrial and organizational psychologist, and government psychologist (research, administration, testing).

High school preparation should include courses in Social Sciences as well as the natural sciences (such as biology and chemistry). Two years of high school foreign language study and a proficiency in algebra is highly desirable. In general, the broad liberal arts education that prepares you for college studies is appropriate for majoring in Psychology at Eastern.

Total General Education Requirements 35 to 36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective and Foreign Language Requirements 15 to 16 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

RETAIL MANAGEMENT

Certificate of Proficiency

30123 (Available On Campus and Online)

Advisor: Michael Fox

This certificate prepares students for careers at management levels of retail businesses. It is endorsed by the Western Association of Food Chains and is designed for both grocery store employees and anyone else who is interested in furthering his or her career in retail management.

Total General Education Requirements: 35 to 36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

Select a sufficient number of elective credits to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Suggested courses for university transfer:
- UA Transfer Students
- Language proficiency demonstration: select courses that will satisfy the language proficiency at the University of Arizona.

Total Elective Requirements: 13 to 14 credits

Total Minimum Degree Requirements: 64 credits

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

SPORTS MEDICINE PROFESSIONS

Associate of Arts Degree
AA-SR 60502

Advisors: Craig Hackett, Seneca Stromberg

Recipients of this degree are prepared to pursue a major in Athletic Training, Wellness, Kinesiology, or related Sports Medicine degree at a four-year college or university. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

**Total Elective Requirements**  2 credits

**Total Minimum Degree Requirements**  64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Maintain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.

**Total General Education Requirements**  35 to 37 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Total Minimum Degree Requirements**  64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Maintain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
- Remove any indebtedness to the College.
WELDING/ MANUFACTURING
FUNDAMENTALS

Certificate of Proficiency
30642

Advisors: Nathan McCray, Dorian R. Nelson

This program provides the student an opportunity to develop skills using various welding and cutting tools, techniques, and materials in preparation for entry into the welding trades.

Curriculum Requirements

AMT 101 Fundamentals of Machining OR
AMT 104 Machining and Fabrication 2 to 3 credits
AMT 110 Introduction to Fab Lab Technology 2 credits
AMT 220 Advanced Manufacturing Methods 4 credits
WLD 101 Welding 3 credits
WLD 108 Welding and Metal Fabrication 3 credits
WLD 201 Repair Welding and Fabrication OR
WLD 270 Technical Welding 3 credits
WLD 211 Pipe Welding OR
WLD 260 Flux Cored Arc and Gas Metal Arc Welding 3 credits

Total Minimum Certificate Requirements 20 to 21 credits

In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 10 certificate credits at Eastern Arizona College.

WELDING TECHNOLOGY

Associate of Applied Science Degree
20609

Advisor: Nathan McCray

Welding Technology degree program provides the student an opportunity to develop skills using various welding and cutting tools, techniques, and materials. This degree program prepares students for career success in welding and metal fabrication. This Welding Technology degree also develops supervisory skills that enables students to become a project supervisor or manager. Welding certification by an independent agency is available. This AAS degree is also available as a transfer degree to a BAS program. See your advisor for information concerning the transfer degree.

Curriculum Requirements

AMT 101 Fundamentals of Machining OR
AMT 104 Machining and Fabrication 2 to 3 credits
AMT 102 Materials for Industry 3 credits
DRF 150 Dimensioning and Tolerancing 1 credit
TEC 133 Safety Practices for Industry 1 credit
WLD 101 Welding 3 credits
WLD 108 Welding and Metal Fabrication 3 credits
WLD 201 Repair Welding and Fabrication 3 credits
WLD 211 Pipe Welding 3 credits
WLD 260 Flux Cored Arc and Gas Metal Arc Welding 3 credits
WLD 270 Technical Welding 3 credits
WLD 290 Welding Certification 1 credit

Total Curriculum Requirements 26 to 27 credits with a GPA of 2.00 or higher

Curriculum Related Requirements

In addition to the required courses above, select from the following Curriculum Related courses to complete a total of 40 curriculum credits.

AMT 110 Introduction to Fab Lab Technology 2 credits
AMT 220 Advanced Manufacturing Methods 4 credits
AUT 101 Introduction to Automotive Technology OR
AUT 180 Automotive Service Techniques 2 to 4 credits
AUT 105 Automotive Electrical Fundamentals OR
ELT 110 Electricity and Electronics 2 to 3 credits
CCE 111 Cooperative Education I (Occupational) 1 to 4 credits
DRF 154 Introduction to AutoCAD 2 to 3 credits
DRF 271 Advanced AutoCAD 2 to 3 credits
SBM 110 Introduction to Entrepreneurship 3 credits
SBM 121 Supervision 3 credits
SBM 231 Business Planning 1 credit
TEC 112 Basic Hydraulics and Pneumatics 2 credits
WLD 299 Independent Study 1 to 4 credits

Total Curriculum Related Requirements 13 to 14 credits with a GPA of 2.00 or higher

General Education Requirements

Composition
ENG 100 Writing Fundamentals or higher 3 credits
Mathematics
BUS 111 Business Mathematical Calculations OR
MAT 100 Applied Mathematics or higher 3 to 5 credits

Computers
CMP 101 Introduction to Computers OR
CMP 103 Introduction to Computer Based Systems 3 credits

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. For students earning the AAS degree, it is highly recommended students choose electives from the Curriculum Related courses.

For students transferring to a BAS program, it is highly recommended students choose additional General Education courses to complete the AGEC-A requirements. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 6 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated.
• Remove any indebtedness to the College.
WELDING TECHNOLOGY

Certificate of Proficiency
30626
Advisor: Nathan McCray

General Education Requirements

AGEC-S. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course (IW), Global/International/Historical Awareness (GIH) course, and Diversity and Inclusion (DI) course. Note that a single course may fulfill more than one of the requirements.

COURSE DESCRIPTIONS

EAC offers over a thousand courses in fifty-three subject areas. Our classes are taught by highly qualified instructors, not teaching assistants, and classes are small so you won’t get lost in the crowd.

SAMPLE COURSE DESCRIPTION

1. This is the course number. Courses numbered from 001 to 099 will not be counted as graduation credit. Those numbered 100-199 are normally first-year or freshman level, and those numbered 200–299 are normally for second-year or sophomore students.
2. The credit hour is the unit of credit at EAC, as at most colleges and universities. Each credit hour represents one 50-minute class per week per semester, plus two hours of outside preparation and/or lab work.
3. An entry here indicates that the course meets one of EAC’s General Education requirements in the category shown.
4. The semester offered applies only to the Thatcher campus. Classes may also be offered in different semesters than specified depending on student demand. Requests for classes may be made to the Academic Deans on the Thatcher Campus. Other sites will offer and teach classes based on student demand at those sites. We reserve the right to cancel any class for which there is insufficient enrollment.
5. This designation indicates that the credits for this course do not count against you in an overload situation (18 or more credit hours).
6. An entry here indicates that in order to succeed in this course, you should have certain prerequisite experiences prior to taking it. Prerequisites are checked by computer at the time of registration. If you wish to enroll prior to receiving a grade in the prerequisite course, enrollment is allowed but is contingent on the final grade. If you have met the prerequisite at another institution, an official transcript from that institution must be on file and have been evaluated by the EAC Records and Registration Office prior to registration.

A waiver of prerequisites may be requested by petitioning the Admissions and Academic Standards Appeals Committee. The petition process must be completed prior to the end of registration for the course you wish to enroll in.

Students who enter or complete a course without meeting the prerequisites for that course may either be withdrawn from the course without a tuition refund, or receive no credit for the course.

ADMINISTRATION OF JUSTICE

AJS 101 Introduction to Criminal Justice
3 credits
GE category: Diversity and Inclusion
Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
An introduction to crime and society’s responses to it. Examines the nature and causes of crime, the criminal law, constitutional safeguards, and the organization and operation of the criminal justice system including the police, courts, and corrections. Covers the history of the criminal justice system, terminology, and career opportunities.

AJS 1101 Substantive Criminal Law
3 credits
Offered every fall and spring semester
This course covers the philosophy of legal sanctions and historical development from the common law to modern criminal law, classifications of crimes, elements of and parties to crimes, general definitions of crime, common defenses utilized, and includes specific offenses and the essential elements of each offense.

AJS 202 Substantive Criminal Law
3 credits
Offered every fall and spring semester
This course examines the history and development of correctional theories and institutions.

BIO 202 Human Anatomy and Physiology II
4 credits
GE category: Lab Science
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: BIO 201
Continuation of structure and function of the human body. Topics include the endocrine, circulatory, respiratory, digestive, urinary, and reproductive systems.

The Shared Unique Number (SUN) System helps you identify courses that will directly transfer among Arizona’s community colleges and three public universities. Using the SUN System, you can easily search for and enroll in courses that offer direct equivalency at other Arizona colleges and universities. SUN courses have their own unique course number and prefix listed alongside each college’s course number.

Look for the SUN icon in this catalog or on the EAC web site or visit www.aztransfer.com/sun/ for more information.
**AJS 225**  
**Criminology**  
3 credits  
GE category: Diversity and Inclusion, Social Sciences  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
Study of deviance, society’s role in defining behavior; theories of criminality and the economic, social, and psychological impact of crime; relationships between statistics and crime trends. Examines crime victimization and the various types of crime and categories of offenders.  

**AJS 254**  
**Crime Control**  
3 credits  
Offered every fall and spring semester  
This course focuses on the research regarding the effectiveness of various crime control programs. It is designed to provide students with a broad analysis of both historic and contemporary crime control strategies implemented by the police, courts, legislators, and the correctional system. It is based upon an emerging perspective that is transforming criminological theory and practice: environmental criminology.  

**AJS 266**  
**The Police Function**  
3 credits  
Offered every fall and spring semester  
This course is a study of who the police are, what they do, and how they do it. It includes basic patrol techniques including stopping, arresting, and handling criminal suspects, methods of police patrol and observation, handling domestic disputes and crisis intervention, and crimes in progress.  

**AJS 282**  
**Police Supervision**  
3 credits  
Offered every fall semester  
A study of the police first line supervisor’s role and responsibilities as they relate to leading, directing, and controlling personnel both formally and informally.  

**AJS 297**  
**Workshop**  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Administration of Justice.  

**AIS 108**  
**Introduction to Keyboarding Technique**  
1 credit  
Offered every fall and spring semester  
This course is designed to teach the keyboard and proper keyboarding technique. Identical to CMP 108.  

**AIS 117**  
**Electronic Keyboarding I**  
3 credits  
Offered every fall and spring semester  
This course introduces techniques of computer keyboarding with emphasis on touch control, speed, and accuracy. Using a word processing program, the course also introduces the formats of reports, letters, memos, tables, and employment documents.  

**AIS 118**  
**Electronic Keyboarding II**  
3 credits  
Offered every fall and spring semester  
After a comprehensive review of basic keyboarding principles with emphasis on improving speed and accuracy as well as developing 10-key skills, students use a word processing program to produce a wide range of typical business correspondence, tables, reports, forms, and publications based on current office practices. At least one semester of keyboarding is recommended.  

**AIS 213A**  
**Office Procedures/Records Management**  
1 credit  
Offered every fall semester  
One of the three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the business office. This module, students develop skills in the use of transcribing equipment to produce mailing documents in various business entities, including the medical, legal, government, education, and general business fields. Emphasizes listening techniques, English fundamentals, proofreading, and proper formatting. Keyboarding skill necessary.  

**AIS 213B**  
**Office Procedures/Office Transcription**  
1 credit  
Offered every fall semester  
One of three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the business office. In this module, students develop skills in the use of transcribing equipment to produce mailing documents in various business entities, including the medical, legal, government, education, and general business fields. Emphasizes listening techniques, English fundamentals, proofreading, and proper formatting. Keyboarding skill necessary.  

**AIS 213C**  
**Office Procedures/Professional Business Office**  
1 credit  
Offered every fall semester  
One of three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the professional business office. In this module, students develop skills for operating office equipment. Students are also introduced to the concepts of professionalism, etiquette, and acceptable attitudes for workplace success.  

**AIS 214**  
**The Office Professional**  
3 credits  
Offered every fall and spring semester  
Study and application of office procedures, skills, and responsibilities that reflect the technological changes, global influences and professionalism of the 21st century office professional. Students will learn to be productive team members, behave ethically, process information via technology, communicate effectively, prepare travel, meeting, and financial documents, lead and supervise others.  

**AIS 217**  
**AJS 282**  
**Workshop**  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Administration of Justice.  

**AIS 237**  
**Word Processing Applications**  
3 credits  
Offered every fall semester  
This course provides students with the opportunity to learn word processing for employment purposes or home use and to utilize a microcomputer as a word processor. It is recommended that the student key at a minimum rate of 40 words per minute.  

**AIS 238**  
**Advanced Office Applications**  
3 credits  
Offered every spring semester  
Prerequisite: CMP 101 or CMP 103 or instructor approval  
In this project-oriented course, students create documents suitable for professional and personal purposes in the desktop and cloud environment. Prior knowledge of word processing, spreadsheet, and presentation applications is essential. Activities will include using the common Office applications Word, Excel and PowerPoint. Students will also learn to use many of the other Office apps found in Office 365 such as OneDrive, OneNote, Swap, Teams, Forms, Stream and SharePoint.  

**AIS 239A**  
**Multimedia/Electronic Task Management**  
1 credit  
Offered every spring semester  
One of three multimedia modules designed to give students a higher level of office technology skills. A Personal Information Manager (PIM) program, students will learn how to manage email, organize schedules, maintain contact lists and to-do lists, and keep a log of computer tasks. This module also includes integrating data to and from other applications. Identical to CMP 239A.  

**AIS 239B**  
**Multimedia/Digital Imaging**  
1 credit  
Offered every spring semester  
One of three multimedia modules designed to give students a higher level of office technology skills. This module provides students with hands-on experience with digital imaging technology including scanners, digital cameras, and photo software. Students must be familiar with basic desktop publishing techniques to complete projects. Identical to CMP 239B.  

**AIS 239C**  
**Multimedia/Internet for Business**  
1 credit  
Offered every spring semester  
One of three multimedia modules designed to give students a higher level of office technology skills. In this module, students learn and apply the tools, language, and culture of the Internet. Important ethical issues are addressed as individual and team Internet projects are completed. Projects will include web site design and research. Identical to CMP 239C.
**AIS 240**
Desktop Publishing
3 credits
Offered every fall semester
Emphasizes basic to intermediate skills in desktop publishing through a variety of modern, real-life activities using current versions of Microsoft Publisher and Microsoft Word. Students will develop skills in making design and typography decisions, handling multi-column documents, inserting and editing graphics, and creating styles and charts. Students will create a portfolio of business documents to demonstrate mastery. Word processing skill is needed. Identical to CMP 240.

**AIS 241**
Integrated Business Projects
3 credits
Offered every spring semester
Prerequisite: AIS 238 or instructor approval
Reinforces the major office applications found in suite software: word processing, electronic presentations, spreadsheets, and databases. Students use the applications software in real-world situations that show the significance of learning the software and that require decision-making and problem-solving skills. Students will create an administrative professional portfolio.

**AIS 297**
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Administrative Information Services.

**AIS 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Administrative Information Services.

**AIS 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

**ART**
Fundamentals of Design
3 credits
Offered every fall semester
Covers the elements and principles of design in two-dimensional composition through a series of problem solving projects.

**ART 101**
Art 101 Fundamentals of Design
3 credits
Offered every fall semester
Covers the elements and principles of design in two-dimensional composition through a series of problem solving projects.

**ART 112**
Fundamentals of Design
3 credits
Offered every fall semester
Covers the elements and principles of design in two-dimensional composition through a series of problem solving projects.

**Agriculture**

**AGR 135**
Conservation and Natural Resources
3 credits
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course teaches the principles of ecology and their relevance to anthropomorphic impacts on ecosystems. This is a liberal studies course for non-science majors with an emphasis on contemporary environmental issues. Identical to BIO 105 without lab.

**AGR 230**
Gardening and Landscaping
3 credits
Offered every spring semester
Learn the basic principles of gardening and landscaping in a semi-arid desert environment. Successful completion of this course will fulfill the training requirements for the University of Arizona Cooperative Extension Master Gardener Program.

**AGR 297**
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Agriculture.

**AGR 298**
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Agriculture.

**AGR 299**
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

**Advanced Manufacturing Technology**

**AMT 101**
Fundamentals of Machining
2 credits
Offered every fall semester
Activity/Personal Enrichment
This course teaches the principles of machining and metal cutting using modern machine tools, hand tools, and precision measuring tools. Students will learn to use an engine lathe, milling machine, and hand drill. Identical to MSP 101.

**AMT 102**
Materials for Industry
3 credits
Offered every fall semester
This course examines the appropriate use of metals, ceramics, polymers, acrylics, and composites in product manufacturing and fabrication.

**AMT 104**
Machining and Fabrication
3 credits
Offered every spring semester
Prerequisite: AMT 101 or instructor approval
This course will help students develop an understanding and appreciation of the machine tool industry and the processes which produce metal projects. Focuses on using mills, lathes, and hand tooling to fabricate various products from a variety of metals using precise measurements and holding precise tolerances.

**AMT 110**
Introduction to Fab Lab Technology
2 credits
Offered every fall and spring semester
Successful completers of this course will qualify to work in the Fab Lab with supervision. This course introduces participants to concepts and tools used in a Fab Lab environment. Students learn proper safety procedures, machine setup, and operation of key Fab Lab equipment. Participants will work collectively to keep the lab safe, organized, and clean.

**AMT 111**
Fab Lab Workshop I
1 to 3 credits
Offered every fall and spring semester
Prerequisite: AMT 110 or instructor approval
This workshop allows participants an opportunity to turn an idea into a small usable product using Fab Lab machines and equipment. Students will investigate ideas to develop and bring ideas to reality. Students will be supervised and assisted to ensure proper safety procedures are followed, machine setup is correct and guided to ensure correct operation. Students will work collectively to keep the Fab Lab safe, organized, and the workstation cleaned up. Students will also be required to understand associated costs of supplies used in the fabrication process.

**AMT 211**
Fab Lab Workshop II
1 to 3 credits
Offered every fall and spring semester
Prerequisite: AMT 111 and DRF 154 or DRF 220 or instructor approval
This workshop allows students an opportunity to turn an idea into a small usable product using EAC Fab Lab equipment and CAD software. Students will investigate, develop, and bring ideas into reality. Students will be supervised and assisted to ensure proper safety procedures are followed and machine set-up is correct. Students will be guided to ensure equipment is used safely and correctly. Fab Lab students will work collectively to keep the Fab Lab safe, organized, and clean. Students will also be required to understand associated costs of supplies used in the fabrication process.

**AMT 220**
Advanced Manufacturing Methods
4 credits
Offered every spring semester
Prerequisite: AMT 104 or instructor approval
This course will focus on using manual tools, mill and lathe to produce parts from an industry standard drawing. Students will develop a process plan to establish the step-by-step process for part production. Students will use this process plan to ensure each part produced meets tolerances allowed as noted on drawing. The course also explores the work opportunities related to the emerging careers in the Advanced Manufacturing field.

**AMT 240**
Advanced Manufacturing Production Processes
3 credits
Offered upon request
Prerequisite: AMT 110 and AMT 220 or instructor approval
This course focuses on using manual machines, 3D printers, laser cutters, CNC (Computer Numerical Control) routers, plasma cutters, and CNC lathes and mills to produce multiple projects. Core to this course will be the study of industry products to improve their function and usability. Students will be required to develop and follow a manufacturing process plan from CAD (computer aided design) drawing. Students will also be required to upload a project’s machine code and manufacture parts within drawing/print callouts and specifications.

---

### Course Descriptions

2021-2022 Eastern Arizona College Academic Catalog | 119
ART 111 Drawing
1 to 3 credits
Offered every fall semester
Activity/Personal Enrichment
Study and practice of various representational drawing techniques in various media.

ART 114 Figure Drawing for Art Majors
2 to 3 credits
Offered every fall semester
Activity/Personal Enrichment
In this beginning course, students will sketch three-dimensional forms in chiaroscuro and create one- and two-point perspective drawings.

ART 122 Beginning Stained Glass I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Precision glass cutting, copper foil, and lead came techniques are developed in the creation of stained glass for interior and architectural art objects.

ART 123 Beginning Stained Glass II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Precision glass cutting, copper foil, and lead came techniques are developed in the creation of stained glass for interior and architectural art objects.

ART 124 Introduction to Gemology
2 credits
Offered upon request
Activity/Personal Enrichment
Introduction to identification, grading, and valuation for diamonds, colored stones, pearls, and precious metals.

ART 128 Beginning Digital Photography
3 credits
Offered every fall and spring semester
Prerequisite: CMP 099 or CMP 101 or CMP 103 or instructor approval
Exploration of basic camera techniques, lighting, composition, digital photography, and digital photo editing by computer, via lecture, critique, and picture taking.

ART 133 World Art I
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Humanities
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Survey of the history of art from the Paleolithic period to the Renaissance, including non-Western art.

ART 147 Beginning Oil Painting I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Oil painting materials and techniques including composition, structure, and expression are studied.

ART 148 Beginning Oil Painting II
1 to 3 credits
Prerequisite: ART 147 or instructor approval
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 147.

ART 151 Beginning Sculpture I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Problems in hand-forming, wheel work, clays, and firing are covered.

ART 152 Beginning Sculpture II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 151.

ART 153 Beginning Scrapbooking I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 153. A continuation of methods and techniques of modern scrapbooking.

ART 159 China Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
This class will cover the art of painting on porcelain with the use of background color and strokes.

ART 161 Beginning Ceramics I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Problems in hand-forming, wheel work, design, glazes, decorative processes, clays, and firing are covered.

ART 162 Beginning Ceramics II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 161.

ART 171 Beginning Crafts I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of various crafts.

ART 171A Beginning Crafts I - Tole Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of various crafts utilizing the artistic technique of tole painting.

ART 171B Beginning Crafts I - Nativity
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
This course provides instruction in ceramic techniques leading to the creation of a ceramic nativity scene. Techniques that will be taught include the preparation of unique painted designs, layers of acrylic paint colors, and the assembly of mixed media components such as jeweled, leather bags, and tiny clay pots.
ART 171D  
**Beginning Crafts I – Taxidermy**  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Emphasizes mounting a small life-size mammal, a small bird and a fish. Includes the construction of habitats. Comprises proper measuring techniques, skin preparation, form selection, mounting procedures, and the restoring of color to skin-mounted fish, and the preparation and painting of reproduction fish.

ART 172  
**Beginning Crafts II**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Continuation of ART 171.

ART 172A  
**Beginning Crafts II - Tole Painting**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Continuation of ART 171A.

ART 172B  
**Beginning Crafts II - Nativity**  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Continuation of ART 171B.

ART 172D  
**Beginning Crafts II – Taxidermy**  
3 credits  
Offered upon request  
Activity/Personal Enrichment  
Emphasizes mounting a medium life-size mammal and a medium life-size bird. Includes the construction of habitats. Comprises proper measuring techniques, skin preparation, form selection, mounting procedures, and the restoring of color.

ART 173  
**Beginning Jewelry I**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of jewelry making, covers basic fabrication of jewelry from sheet and wire, covers forming and soldering.

ART 174  
**Beginning Jewelry II**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of jewelry making, covers basic fabrication of jewelry from sheet and wire, covers forming and soldering.

ART 176  
**Beginning Gem Faceting I**  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Faceting machine is used to develop skills in gem stone faceting. A variety of cuts and styles are used depending on the natural qualities and shape of the stone.

ART 177  
**Beginning Gem Faceting II**  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 176. Faceting machine is used to develop skills in gem stone faceting. A variety of cuts and styles are used depending on the natural qualities and shape of the stone.

ART 178  
**Beginning Lapidary I**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 177. An introductory course in the study and application of classifying, selecting, cutting, shaping, and polishing minerals and gem stones.

ART 179  
**Beginning Lapidary II**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 178. An introductory course in the study and application of classifying, selecting, cutting, shaping, and polishing minerals and gem stones.

ART 180  
**Graphic Design I**  
3 credits  
Offered every fall semester  
Principles, tools, techniques, and media in graphic design layout. Includes layout, presentation, and concept development.

ART 181  
**Graphic Design II**  
3 credits  
Offered every spring semester  
Prerequisite: ART 180 or instructor approval  
A continuation of principles, tools, techniques, and media in graphic design layout. Includes layout, presentation, and concept development.

ART 186  
**Digital Illustration**  
3 credits  
Offered every fall semester  
Activity/Personal Enrichment  
Introduction to industry standard software for creating computer generated artwork and documents, with emphasis on creating a variety of readable, professionally laid-out documents, which meet design and printing industry standards. Students will be introduced to the basic use of Adobe Illustrator tools, illustrating of graphics, typography and layout design.

ART 187  
**Beginning Photoshop**  
3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 186. Exploration of varied techniques, styles, and media for illustration. Development of skills; emphasis on highly finished work.

ART 216  
**Illustration I**  
3 credits  
Offered every Spring semester  
Prerequisite: ART 111  
Exploration of varied techniques, styles, and media for illustration. Development of skills; emphasis on highly finished work.

ART 217  
**Illustration II**  
3 credits  
Offered every spring semester  
Prerequisite: ART 216  
Exploration of varied techniques, styles, and media for illustration. Development of skills; emphasis on highly finished work.

ART 222  
**Intermediate Stained Glass I**  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 221-223. Precision glass cutting, copper foil, and lead came techniques are developed in the creation of stained glass for interior and architectural art objects.

ART 223  
**Intermediate Stained Glass II**  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of ART 222.

ART 228  
**Intermediate Digital Photography**  
3 credits  
Offered upon request  
Prerequisite: ART 128  
Exploration of intermediate and advanced camera techniques, photographic styles, lighting, composition, digital photography, and digital photo editing.

ART 245  
**Intermediate Watercolor I**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: ART 146 or instructor approval  
Explore and use advanced techniques, styles, and methods for watercolor painting. Development of skills with an emphasis on highly finished work.

ART 246  
**Intermediate Watercolor II**  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: ART 245 or instructor approval  
Explore and use advanced techniques, styles, and methods for watercolor painting. Development of skills with an emphasis on highly finished work.
ART 247
Intermediate Oil Painting I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: ART 148 or instructor approval
Introduction to oil painting materials and techniques.

ART 248
Intermediate Oil Painting II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: ART 247 or instructor approval
Continuation of ART 247.

ART 251
Intermediate Sculpture I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 151-152. Develops techniques and skills in modeling, the creation of sculpture, and casting basic to composition.

ART 252
Intermediate Sculpture II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 251.

ART 253
Intermediate Scrapbooking I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 154. A continuation of methods and techniques of modern scrapbooking.

ART 254
Intermediate Scrapbooking II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 253. A continuation of methods and techniques of modern scrapbooking.

ART 261
Intermediate Ceramics I
2 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 161-162. Problems in hand-forming, wheel work, design, glazes, decorative processes, clays, and firing are covered.

ART 262
Intermediate Ceramics II
2 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 261.
ART 297
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Art.

ART 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Art.

ART 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

AUTOMOTIVE TECHNOLOGY

AUT 100
Automotive Fundamentals
2 credits
Offered upon request
This course provides a basic study of key automotive vehicle systems. Course provides basic operational knowledge, care, and maintenance of engine, fuel, ignition, suspension, brakes, and drive train systems.

AUT 101
Introduction to Automotive Technology
2 to 4 credits
Offered every fall semester
This course provides fundamental information on key automotive vehicle systems. Course teaches basic operational knowledge, care, and maintenance of engine, fuel, ignition, suspension, brakes, electrical, and drive train systems.

AUT 104
Small Engines
2 to 3 credits
Offered upon request
Provides operational principles, diagnosis, service, and overhaul procedures of small two-stroke and four-stroke gasoline engines.

AUT 105
Automotive Electrical Fundamentals
2 credits
Offered every fall semester
This course provides a study of automotive electrical and electronic fundamentals. Course has an emphasis on Ohm’s Law and application of Ohm’s Law in solving electrical system failures. This course provides an in-depth study on how to properly use wiring and current flow diagrams in electrical diagnosis and repair. Course includes using industry-standard diagnostic equipment and techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 106
Internal Combustion Engines
4 credits
Offered upon request
This course provides theory, diagnosis, and service common to all automotive internal combustion engines. Course includes engine rebuilding and performance testing. This course prepares students for the ASE certification test on engine repair.

AUT 107
Automotive Electrical Systems and Equipment
2 credits
Offered every fall semester
This course provides a study of automotive starting, supplemental restraint (air bags), and charging electrical systems and components. An emphasis is placed on electrical system diagnosis and electrical repair. Course gives students the opportunity to use various industry-standard, diagnostic, electrical equipment and testing techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 110
Fuel and Emission Systems
2 to 3 credits
Offered every fall semester
This course provides theory, diagnosis, and service information related to vehicle fuel and emission systems. Course includes an opportunity to analyze, test, and diagnose fuel and emission components and systems. This class, together with AUT 260 or AUT 220, prepares students for the ASE certification test on engine performance.

AUT 120
Manual Transmission and Drive Train
3 credits
Offered fall semester in even-numbered years
This course provides instruction related to power train theory, diagnosis, and service of clutches, driveline, synchromesh transmissions, and final drives. Course covers standard transmission, transaxles, and 4-wheel drive operation. Prepares the student for the ASE certification test on manual drive train.

AUT 131
Steering and Suspension Systems
3 credits
Offered every spring semester
Course provides theory, diagnosis and the repair of automotive steering and suspension systems. Course includes an in-depth study of tires and wheels, wheel balancing, two and four wheel alignment, and diagnostic and service techniques. Course prepares students for ASE certification test on steering and suspension systems.

AUT 132
Automatic Brake Systems
2 credits
Offered every fall semester
This course provides the theory, diagnosis and the repair of automotive brake systems. This is an in-depth study of disc and drum brake systems. The course covers anti-lock brakes, hydraulic operation, and brake system service, diagnosis and repair. Prepares students for ASE certification test on brakes.

AUT 150
Automotive Painting and Refinishing
3 credits
Offered upon request
Activity/Personal Enrichment
Students taking this course will study automotive painting, minor repair, and refinishing techniques. The course will provide instruction related to automotive paint types, painting and refinishing, and minor body repairs (forming, shaping and body filler use).

AUT 180
Automotive Service Techniques
2 credits
Offered upon request
Course provides individualized self-paced instruction in service and repair of automotive engines, electrical, transmissions, brakes, suspension, and A/C. Course includes an opportunity for the individual to service and repair vehicle systems and components using computer-based reference material. In this course’s modular lab assignments, emphasis is placed on each student’s ability to demonstrate practical application of learned skills. This course prepares students for all eight ASE certification tests.

AUT 200
Automotive Electronics and Computerized Vehicle Controls
2 credits
Offered spring semester in odd-numbered years
Prerequisite: AUT 105 and AUT 110 or instructor approval
This course provides a study of automotive power train computerized systems and addresses electronic principles. Course includes an in-depth study of computerized engine/power train control operation, trouble shooting techniques, and proper repair of these systems. This course requires each student have basic skills and knowledge in electrical/electronic fundamentals and prepares the student to take the ASE tests which have electrical/electronic or automotive computer control system questions.

AUT 230
Automatic Transmissions
4 credits
Offered fall semester in odd-numbered years
This course teaches operating principles of modern automatic transmissions and transaxles. Course includes diagnosis, maintenance, testing, repair, and basic information on computerized power train control systems. This course prepares students for the ASE certification test on automatic transmissions/transaxles.
AUT 250
Advanced Automotive Painting and Refinishing
3 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: AUT 150 or instructor approval
Students taking this course will study automotive painting, minor repair, and advanced painting techniques. The course will provide instruction related to automotive paint types, painting and refinishing, and minor body repairs (forming, shaping and body filler use).

AUT 260
Vehicle Performance and Diagnosis
3 credits
Offered every spring semester in even-numbered years
Prerequisite: AUT 105 and AUT 110 or instructor approval
This course provides instruction in computerized power train system operation and diagnostic procedures. Course includes an in-depth study in modern ignition, fuel, and power train computer-controlled systems. Course provides in-depth knowledge related to various onboard vehicle diagnostic processes. This course gives the student the opportunity to use industry-standard testing equipment such as PC-based scopes and hand-held scanners. Course requires an understanding of automotive electrical and electronic fundamentals and together with AUT 110, prepares the student for ASE certification test on engine performance.

AUT 265
Vehicle Emission Strategies and Testing
2 credits
Offered upon request
Prerequisite: AUT 105 or instructor approval
This course provides instruction on diagnostic procedures for automotive emission failure concerns. Course includes an in-depth study in how modern fuel, ignition, and power train computer-controlled systems relate to exhaust emission strategies. Course gives students an opportunity to use industry-standard testing equipment such as hand-held scanners and infrared exhaust analyzers. This course requires the student to have basic skills and knowledge in electrical/electronic fundamentals and together with AUT 110, prepares the student for ASE certification test on engine performance.

AUT 266
Vehicle Heating and Air Conditioning
3 credits
Offered every spring semester
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.

AUT 280
Advanced Shop
4 credits
Offered every spring semester
Prerequisite: AUT 180 or AUT 101 and AUT 105 or instructor approval
Course provides students with an opportunity to perform advanced automotive service work in preparation for entry into the automotive trade. Course includes an option for students to develop skills at an automotive worksite. This course addresses all service and repair on any vehicle system and provides the student exposure to shop management operations and strategies. This course is intended for the automotive major only and prepares the student to take all eight ASE automotive certification exams.

BIO 100
Biological Science
BI 100
Biological Concepts
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
An integrated course dealing with all living things at molecular, cellular, and organismic levels. This course is designed to meet the needs of science majors with an emphasis on biology, non-science majors with an emphasis on contemporary issues, and students majoring in fields for which a knowledge of living things and their interactions is necessary.

BIO 105
Environmetal Biology
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course covers the fundamentals of ecology and its relevance to anthropomorphic impacts on ecosystems. This course is for non-science majors with an emphasis on contemporary environmental issues.

BIO 160
Introduction to Human Anatomy and Physiology I
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course is designed to meet the needs of science majors with an emphasis on biology, non-science majors with an emphasis on contemporary issues, and students majoring in fields for which a knowledge of living things and their interactions is necessary.

BIO 161
General Biology I
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course is designed to meet the needs of science majors with an emphasis on biology, non-science majors with an emphasis on contemporary issues, and students majoring in fields for which a knowledge of living things and their interactions is necessary.

BIO 201
Human Anatomy and Physiology I
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: A grade of "C" or higher in one of the following courses: BIO 100, BIO 160, BIO 181, CHM 130, CHM 138 or CHM 151
Study of the structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system.

BIO 202
Human Anatomy and Physiology II
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: BIO 201
Continuation of structure and function of the human body. Topics include the endocrine, circulatory, respiratory, digestive, urinary, and reproductive systems.

BIO 205
Microbiology
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: BIO 100 or BIO 160 or BIO 181 or BIO 201 or CHM 130 or CHM 138 or CHM 151
Study of microorganisms and their relationship to health, ecology, and related fields.

BIO 2201
Human Anatomy and Physiology I
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: A grade of "C" or higher in one of the following courses: BIO 100, BIO 160, BIO 181, CHM 130, CHM 138 or CHM 151
Study of the structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system.
BIO 235
GIS Tools in Forestry and the Environment
2 credits
Offered every spring semester
This course provides an introduction to Geographic Information Systems (GIS) concepts and GIS software. Students will learn processes related to manipulating spatial and tabular data, querying a database, presenting data clearly, and effectively using maps, reports, and charts. Problem-solving and spatial modeling tools will be introduced.

BIO 295
Undergraduate Biological Research
4 credits
Offered every spring semester
This course is a unique opportunity for students to apply and practice that which they have learned about the research process. Whether collaborating with a mentor project or carrying out their personal research proposal, students discuss, analyze and critique their work through portfolio entries and team sessions coordinated by the instructor. Coursework culminates in a Poster Session of student research at the close of the semester.

BUS 111
Business Mathematical Calculations
3 credits
GE category: AAS degree only
Offered every fall and spring semester
Instruction and practice in fundamental business operations. Begins with basic mathematical operations and then continues through payroll, banking, interest, income tax, and other areas of business mathematics.

BUS 143
Real Estate Fundamentals
6 credits
Offered upon request
Provides an overview of Real Estate Fundamentals and meets the qualifications for the student to take the State of Arizona Real Estate test.

BUS 171
International Business
3 credits
Offered upon request
Overview of international business to introduce students to international trade concepts. Focus of the course is on international business environment issues that influence global business practices, decisions, and applications.

BUS 181
Reception Management
3 credits
Offered upon request
This course is a study of skills, attitude, and performance as they relate to front desk employees engaged in the hotel/motel industry.

BUS 205
Computerized Accounting with QuickBooks
2 credits
Offered every fall semester
Activity/Personal Enrichment
Prerequisites: BUS 101 or BUA 233 and CMP 101 or CMP 103 or instructor approval
This course is designed to assist students and small business owners in performing accounting tasks by using a computer software package designed specifically for accounting purposes. Students will develop skills to operate a computer to implement the following functions: recording transactions, generating financial and management reports, setting up and maintaining a system, and developing business budgets. The course utilizes the QuickBooks accounting software.

BUS 211
Retail Management
3 credits
Offered every spring semester
Principles and practices used in the management of retail stores. Includes site selection, layout, organization, staffing, positioning, customer service, promotional techniques, and all aspects of the buying function.

BUS 214
Contemporary Sports Management
3 credits
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
An introduction to local, national, and international sport, legal issues, and ethics in sport management, and its influence on society and culture. Assess and analyzes the increasing globalization of the sports industry and develops an understanding of the similarities and differences in sport management practices and applications around the world. Includes current trends in sports research and management. Covers the history of the sports industry, terminology, and career opportunities. Identical to HHP 214.

BUS 221
Human Resource Management
3 credits
Offered every fall and spring semester
Human resource theory and practice, planning, recruitment, placement, employee development, evaluation, benefits and services, health and safety, and employee relations.

BUS 251
Human Relations
3 credits
Offered every fall and spring semester
GE category: AAS degree only
Offered every fall and spring semester
Emphasizes application of basic psychological principles to the understanding and influencing of human behavior, particularly in personal and business relationships.

BUS 261
Fundamentals of Investing
3 credits
Offered upon request
Evaluation of various investment forms including study of inflation, taxation, government securities, stocks and bonds, real estate, and retirement plans.

BUS 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Business.

BUS 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

BUSINESS ADMINISTRATION
(For more business courses, see Business and Small Business Management)

BUA 101
Introduction to Business
3 credits
Offered every fall and spring semester
Organization, functions, activities, and roles of business in the American economic system; orientation to business terminology, practices, problems, and career opportunities. Primarily for freshmen majoring in some area of business.

BUA 150
Introduction to Project Management
3 credits
Offered every fall semester
This course is designed to introduce the student to the basic principles of project management in the construction, business, and technology fields.

BUA 151
Scheduling and Cost Estimating
3 credits
Offered every spring semester
This course is designed to teach various types of scheduling and estimating methods and the importance of incorporating these concepts into the completion of a successful construction, business, or technological project.
BUA 200  Introduction to Organizational Leadership  
3 credits  
Offered every fall semester  
This course presents a broad survey of leadership theory and research as currently practiced in formal organizations. Includes examination of leadership models, power and influence, team leadership, cross-cultural leadership, strategic styles of interaction, ethics, leadership skill development, decision-making techniques, and effective goal implementation.

BUA 201  Strategies for Career Preparation  
3 credits  
Offered every spring semester  
Activity/Personal Enrichment  
This course is designed to help students develop skills necessary to perform a comprehensive career self-assessment, a social media audit and to search and apply for jobs. The course includes creating an application, cover letter, resume, references, letters of recommendation, and thank you notes. Communication and interviewing skills are developed and live interviews conducted.

BUA 210  Society and Business  
3 credits  
GE category: Diversity and Inclusion, Social Sciences  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or placement test score as established by District policy  
An introduction to the study and scientific inquiry of issues and demands placed on business enterprise by owners, customers, government, employees, and society. Included are social, ethical, and public issues and analysis of the social impact of business responses.

BUA 220  Business Statistics  
3 credits  
Offered every fall and spring semester  
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy  
This course provides business applications of descriptive and inferential statistics, measurement of relationships, and statistical process management including the use of spreadsheet software for business statistical analysis.

BUA 221  Principles of Macroeconomics  
3 credits  
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
Study aggregates of the entire economy; concentrates on national income analysis, business cycles, the money and banking system, the global economy, and fiscal and monetary policy. Concurrent enrollment with BUA 223 not recommended.

BUA 222  Principles of Microeconomics  
3 credits  
GE category: Diversity and Inclusion, Social Sciences  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
Study of forces affecting individual productive units including analysis of price determinants through supply and demand, cost and equilibrium of firms under perfect and imperfect competition, distribution of income, and selected current problems. Concurrent enrollment in BUA 221 not recommended.

BUA 233  Uses of Accounting Information I  
3 credits  
Offered every fall and spring semester  
Introduction to the uses of financial information for internal and external purposes. Emphasizes using accounting information to meet the needs of financial decision makers, financial statement analysis, and understanding the business cycle.

BUA 243  Uses of Accounting Information II  
3 credits  
Offered every fall and spring semester  
Prerequisites: BUA 233  
Introduction to the uses of financial information for internal and external purposes. Emphasizes using accounting information to meet the needs of financial decision makers, focusing on analysis for use by management.

BUA 245  Legal Environment of Business  
3 credits  
Offered every fall and spring semester  
Introduces the sources and basic principles of the law as it relates to business, including the U.S. legal system, the Constitution, sources of the law, business ethics; and studies a variety of applications of the law in contracts, torts, agency, and government regulation of business.

BUA 259  Business Communications  
3 credits  
GE category: AAS degree only  
Offered every fall and spring semester  
Prerequisite: ENG 100 or higher with a grade of “C” or higher or instructor approval  
The study of oral and written communication in the occupational setting.

BUA 289  Business Capstone  
3 credits  
Offered every fall and spring semester  
Prerequisite: BUS 101 or BUA 233 and BUA 259 or instructor approval  
Develops skills for planning a business. Multiple areas of business planning will be covered, including analyzing the social and legal environment, setting personnel, organizing operations, planning marketing (including product, distribution, location and promotion), forecasting finances and identifying potential business pitfalls.

BUA 297  Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Business Administration.

BUA 298  Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Business Administration.

BUA 299  Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

BUA 258  Business Communications  
3 credits  
GE category: AAS degree only  
Offered every fall and spring semester  
Prerequisite: ENG 100 or higher with a grade of “C” or higher or reading placement test score as established by District policy  
This course is designed to help students understand basic chemical principles and master problem-solving skills. Students will develop an understanding of how those concepts and skills are relevant to other courses and their daily lives. Chemical topics covered in the course include basic science concepts, measurements, atomic theory, bonding, stoichiometry, states of matter, solutions, acids and bases, and nuclear chemistry.

CHM 130  Fundamental Chemistry  
4 credits  
GE category: Lab Science  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
This course is designed to help students understand basic chemical principles and master problem-solving skills. Students will develop an understanding of how those concepts and skills are relevant to other courses and their daily lives. Chemical topics covered in the course include basic science concepts, measurements, atomic theory, bonding, stoichiometry, states of matter, solutions, acids and bases, and nuclear chemistry.

CHM 151  General Chemistry I  
4 credits  
GE category: Lab Science  
Offered every fall semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
Provides the student with knowledge of the fundamental principles of chemistry with an emphasis on matter and measurement, states of matter, atomic structure, chemical periodicity, chemical bonding, chemical reactions, stoichiometry, energy of reactions, aqueous solutions, and properties of gases. The student also applies critical thinking strategies in scenario and inquiry-based laboratory activities. Recommend completion of at least two years high school algebra and one year high school chemistry or college equivalent.
CHM 152 **General Chemistry II**
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: CHM 151

Provides the student with knowledge of the fundamental principles of chemistry with an emphasis on the control of chemical reactions and the chemistry of the elements. Chemical kinetics, equilibria, acids-base chemistry, entropy of reactions, electron transfer reactions, nuclear chemistry, and an introduction to organic chemistry will be explored. The student will also apply critical thinking strategies in scenario and inquiry-based laboratory activities.

CHM 235 **General Organic Chemistry I**
4 credits
GE category: Lab Science, Intensive Writing
Offered every fall semester
Prerequisite: CHM 152

General principles of organic chemistry with emphasis on reactivity and synthesis. Topics include bonding, structure and properties of organic compounds, stereochemistry, overview of organic reactions, kinetics and thermodynamics, structure, synthesis, and reaction of alkenes, alkynes, and alkyl halides, nucleophilic substitution, elimination reactions, structure determination using Mass Spectrometry, Infrared Spectroscopy, and Nuclear Magnetic Resonance Spectroscopy, aromaticity, and electrophilic aromatic substitution reactions.

CHM 236 **General Organic Chemistry II**
4 credits
GE category: Lab Science, Intensive Writing
Offered every spring semester
Prerequisite: CHM 235 with a grade of "C" or higher and ENG 101 with a grade of "C" or higher

Continuation of CHM 235. General principles of organic chemistry with continued emphasis on reactivity and synthesis. Topics include the study of alcohols, ethers, epoxides, sulfides, conjugated systems, aromatic compounds, ketones, aldehydes, amines, carboxylic acids and their derivatives, enols, carbohydrates, nucleic acids, amino acids, peptides, proteins, lipids, and polymers.

CHM 298 **Workshop**
1 to 3 credits
Offered upon request
Activity/Personal Enrichment

Designed to meet a variety of needs for students in Chemistry.

COM 1110 **Introduction to Interpersonal Communication**
3 credits
GE category: Social Sciences
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy

This course will introduce students to the concepts and practices involved in interpersonal communication interactions. The course will cover the many dimensions of interpersonal communication including, but not exclusively, fundamental building blocks, perceptions, and self-concepts as they relate to communication interactions, interpersonal relationships, nonverbal communications, interpersonal conflict, deception, and interpersonal skills and dynamics in personal and professional relationships.

COMMUNICATION STUDIES

COM 100 **Introduction to Human Communication**
3 credits
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher and COM 200 with a grade of "C" or higher

This course introduces students to the breadth of research approaches and application in the field of communication. The course surveys the many dimensions of research methodologies including, but not exclusively: ethnography, survey, factor analysis, rhetorical, historical, and narrative and auto-ethnographic analyses and research in media and popular culture.
COM 215  Interviewing Principles and Practices  
3 credits  
GE category: Intensive Writing, Options  
Offered every fall semester  
Prerequisite: ENG 101 with a grade of "C" or higher  
This course introduces students to the concepts and practices related to multiple interviewing approaches. The course covers the multiple methodologies, interview settings and approaches, communication behaviors and principles, written and oral interviewing practices, and addresses the interviewing skills of both an interviewer and interviewee. Structures of interviews, instrumentation, multiple formats including: informational, recruiting, survey, health, performance reviews, employment and persuasive interviews is also covered.

COM 260  Elements of Intercultural Communication  
3 credits  
GE category: Diversity and Inclusion, Social Sciences, Intensive Writing  
Offered every spring semester  
Prerequisite: ENG 101 with a grade of "C" or higher  
This course will introduce students to intercultural and cross-cultural concepts and practices in the field of communication. The course covers globalization of communication, historical understandings of intercultural interactions, cultural identity, intercultural relationships, nonverbal communication expectations, cultural practices, and the communication behaviors embedded within intercultural interactions.

COM 271  Small Group Communication  
3 credits  
Offered every spring semester  
This course will introduce students to the breadth of theoretical approaches and practices related to communication in small group settings. During the course students will have the opportunity to study communication interaction approaches and put into practice the skills identified as effective communication strategies in small groups.

COM 298  Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in the Communication Studies Program.

COM 299  Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in the Communication Studies Program.

CMP 099  Computers for Beginners  
2 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
Activity/Personal Enrichment  
A first course for beginning computer users designed to introduce students who have never used a computer to the basic elements of running a computer in a comfortable, structured manner with significant instructor support in the lecture/demonstration mode.

CMP 100  Working in Technology  
3 credits  
Offered every fall semester  
Students will explore different areas of Information Systems/Technology in an effort to choose the right career path right for them. Students will explore educational and career options and evaluate which will best suit their needs. Emphasis is placed on creating a career and education plan to provide a clear path to success. Further, this course explores what technology is, what influences the acceptance of technology, and various skills needed to succeed in the field of Information Systems/Technology.

CMP 101  Introduction to Computers  
3 credits  
GE category: AAS degree only  
Offered every fall and spring semester  
A first course in computers designed to provide students with a hands-on experience of the personal computer and its uses in society. Basic operating system functions as well as application programs from the current Microsoft Office Suite will be taught including Word, Excel, and PowerPoint. True beginners may want to consider CMP 099, Computers for Beginners, before taking this course.

CMP 103  Introduction to Computer Based Systems  
3 credits  
GE category: GE Options, AAS degree only  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
Exploring the world of computers in business and society. Included topics are: digital literacy, the Internet and its multiple uses, AI, computers and mobile devices, programs and apps, digital safety/security, coding/programming, components of computers and mobile devices, definitions and examples of input and output, communications and networks, information and data management, and information systems. Business applications emphasize spreadsheet/database creation and manipulation. Word processing and email systems are also covered.

CMP 107  Basic Principles of IT  
2 credits  
Offered every fall semester  
This course provides an introduction to Information Technology (IT) and is designed to familiarize students with basic IT concepts. Students considering careers in IT will use multiple learning formats to acquire foundational IT concepts and skills. Students will prepare for the TestOut IT Fundamentals Pro and CompTIA IT Fundamentals+ (FO3-U61) certification exams by covering portions of those exams. This course is the first in the sequence of two courses, CMP 107 and CMP 109.

CMP 108  Introduction to Keyboarding Technique  
1 credit  
Offered every fall and spring semester  
This course is designed to teach the basic principles of keyboarding and repair, including providing a basic knowledge of PC components and their function and how to use Window built-in diagnostic tools. It provides a foundation in diagnosing common symptoms and catastrophic failures as well as proper hardware handling and removal and reinstallation of common components. It is recommended that students be familiar with basic Windows operating systems, navigation and menu and be able to use small hand tools.

CMP 110AN  Intermediate PC Troubleshooting and Repair  
1 credit  
Offered upon request  
This course is a follow-up to CMP 110A, providing intermediate PC troubleshooting and repair. Includes diagnosing common Windows system failures, changing system configurations, BIOS, and registry; downloading peripheral device drivers, and removal of CPU and motherboard. Recommendation: Completion of CMP 110A or equivalent.

CMP 113  Operating Systems I  
3 credits  
Offered every fall and spring semester  
In this course the rationale behind various operating systems will be examined, namely: Microsoft Windows, Linux/Unix, MacOS, and iOS. Hands-on experience will be gained using each operating system, including desktop management, file and folder manipulation, configuration, data manipulation, networking, proper operating system management, and operating system settings. It is recommended one introductory course in computers be completed prior to enrolling in this course.
COURSE DESCRIPTIONS

CMP 113D
Apple OS
1 credit
Offered every fall and spring semester
In this course, the rationale and use of the iOS/MacOS operating systems are explored and designed to provide experience using aspects of Apple's operating systems including: Settings, Gestures, Copying between programs, email setup and use, calendar setup and use, contacts setup and use, importing and exporting documents, iCloud setup and use, Keynote, and Pages. Continuing with MacOS operating system components including — file systems, OS organization, utilities and applications. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 113E
Microsoft OS
1 credit
Offered every fall and spring semester
In this course the rationale behind the Windows operating system will be examined. Hands-on experience will be gained using the operating system, including desktop management, file and folder manipulation, the uses of the control panel, digital media capabilities, Internet and networking rationale, and maintaining, monitoring and optimizing personal computers. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 113F
Linux/Unix OS
1 credit
Offered every fall and spring semester
In this course, the rationale behind the Linux/Unix operating system will be examined. Hands-on experience will be gained using each operating system, including desktop management, file and folder manipulation, configuration, data manipulation, networking, proper operating system management, and operating system settings.

CMP 118
IT Fundamentals
3 credits
Offered every fall semester
This course covers TestOut IT Fundamentals Pro and Prepares students for the TestOut IT Fundamentals Pro and CompTIA IT Fundamentals (FCO-U51) certification exams. Students considering careers in information technology will use multiple learning formats to acquire foundational concepts, knowledge, and skills.

CMP 120
Introduction to Coding
1 credit
Offered every fall semester
An introduction to software and programming concepts for students interested in visual or scripting languages. Topics include notations, data, operators, sequence, selection, repetition, and subprograms.

CMP 121
Visual Basic Programming I
3 credits
GE category: AAS degree only
Offered upon request
A comprehensive introduction to event-driven, object-oriented computer programming using the Visual Basic programming language. Students learn to write problem-solving programs and develop a wide variety of Windows applications in a graphical environment. The course uses Visual Basic to illustrate good programming practices, application development techniques, and overall visual design.

CMP 124
Computer Programming I
3 credits
Offered upon request
A comprehensive introduction to software and programming concepts. Students will learn to write problem-solving programs and develop a wide variety of Windows applications in a graphical environment. The course uses a variety of techniques to illustrate good programming practices, application development techniques, and overall visual design. General programming concepts including data types, classes, objects, methods, decision and repetition structures, and string and array manipulation will be covered. Computer literacy is assumed.

CMP 128
C# Programming I
3 credits
GE category: AAS degree only
Offered every spring semester
C# Programming I is an introductory programming course for vocational computer majors and students transferring to universities in a business program. Course concentration includes the Visual Studio integrated development environment including user interfaces and controls, and object-oriented programming concepts including data types, classes, objects, methods, decision and repetition structures, and string and array manipulation. Computer literacy is assumed. Identical to EGR 130.

CMP 129
C# Programming II
3 credits
Offered every spring semester
This course is an intermediate programming course for occupational computer majors and students transferring to universities in a business program. Course concentration includes the Visual Studio integrated development environment including user interfaces and controls, object-oriented programming concepts including structures, enumerated types, dictionaries, classes, and databases. Computer literacy is assumed.

CMP 145
iOS Application Development I
3 credits
Offered every fall semester
This course is an introductory programming course for vocational computer majors utilizing the Xcode application, the programming language Swift, and various iOS frameworks. Students will explore design patterns, coding conventions and guidelines, and essential concepts including storyboards and Cocoa Touch Frameworks. Computer literacy is assumed.

CMP 151
Computer Systems I
3 credits
Offered every fall semester
Students learn to write problem-solving programs and develop a wide variety of Windows applications in a graphical environment. The course uses Visual Basic to illustrate good programming practices, application development techniques, and overall visual design. General programming concepts including data types, classes, objects, methods, decision and repetition structures, and string and array manipulation will be covered. Computer literacy is assumed.

CMP 152
Computer Systems II
3 credits
Offered every spring semester
Designed to provide understanding and experience with hardware and operating systems at the technical support level, exploring aspects of the PC, including: computing, PC technician troubleshooting skills and tools, hardware performance, PC system components, peripheral devices and drivers, storage options and standards, networking theory and components, wireless networking concepts, printing processes, mobile devices, Windows system management, file management, security, and troubleshooting.

CMP 155
Google IT Professional I
3 credits
Offered every fall semester
This course is based on Google’s IT Professional Certificates, which are designed to provide the job-ready skills students need to start or advance their IT careers. This course along with CMP 156, Google IT Professional II, introduces troubleshooting, customer service, networking, operating systems, system administration, and security — all fundamentals of IT support that are critical for success in the workplace.

CMP 156
Google IT Professional II
3 credits
Offered every fall semester
This course is based on Google’s IT Professional Certificates, which are designed to provide the job-ready skills students need to start or advance their IT careers. This course along with CMP 155, Google IT Professional I, introduces troubleshooting, customer service, networking, operating systems, system administration, and security — all fundamentals of IT support that are critical for success in the workplace.

CMP 161
Electronic Spreadsheet with Microsoft Excel
3 credits
Offered every fall and spring semester
Comprehensive, practical applications and techniques using Microsoft Excel with hands-on experience in the computer laboratory. The beginning through advanced spreadsheet procedures taught will prepare the student to pass the Microsoft MOS Expert Certification test. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 170
Database Management with Microsoft Access
3 credits
Offered every fall and spring semester
Prerequisite: CMP 101 or CMP 103
The student will participate in case-based approaches to the storing, modification, and extraction of information from a computerized database management system. The student will learn how to create and maintain database objects including tables, forms, queries, reports, pages, macros, and modules. Database design, security, and integration with other programs and the Internet is also covered. Student interested in Microsoft Office Specialist certification will find the course an excellent foundation for exam preparation.
CMP 201  
Systems and Procedures  
3 credits  
Offered every spring semester  
Prerequisite: CMP 100 and CMP 103 or instructor approval  
This course introduces the elements of information systems used in business organizations. Students will learn about systems development, e-business and e-commerce strategies, network and telecommunication issues, enterprise systems, ethics relating to information technology, and project and database management. Concepts will be reinforced through group participation in the form of research, hands-on activities, projects, and presentations. Students will use Microsoft Office, Microsoft Project, and other software as needed to complete individual and group projects.

CMP 230  
Linux System Administration  
3 credits  
Offered every fall semester  
This course covers system architecture; Linux installation and package management; GNU and Unix commands; devices, Linux file systems, and the File System Hierarchy Standard; command line work, maintenance tasks.

CMP 239A  
Multimedia/Electronic Task Management  
1 credit  
Offered every spring semester  
One of three multimedia modules designed to give students a higher level of office technology skills. Using a Personal Information Manager (PIM) program, students will learn how to manage email, organize schedules, maintain contact lists and to-do lists, and keep a log of computer tasks. This module also includes integrating data to and from other applications. Identical to AS 239A.

CMP 239B  
Multimedia/Digital Imaging  
1 credit  
Offered every spring semester  
One of three multimedia modules designed to give students a higher level of office technology skills. This module provides students with hands-on experience with digital imaging technology including scanners, digital cameras, and photo software. Students must be familiar with basic desktop publishing techniques to complete projects. Identical to AS 239B.

CMP 239C  
Multimedia/Internet for Business  
1 credit  
Offered every spring semester  
One of three multimedia modules designed to give students a higher level of office technology skills. In this module, students learn and apply the tools, language, and culture of the Internet. Important ethical issues are addressed as individual and team Internet projects are completed. Projects will include web site design and research. Identical to AS 239C.

CMP 240  
Desktop Publishing  
3 credits  
Offered every fall semester  
This module also includes topics. The student will develop skills in making design and typography decisions, handling multi-column documents, inserting and editing graphics, and creating styles and charts. Students will create a portfolio of business documents to demonstrate mastery. Word processing skill is needed. Identical to AS 240.

CMP 250  
Networking Systems I  
3 credits  
Offered every spring semester  
This course is designed to provide an understanding of networking processes, hardware, installation, and troubleshooting. CompTIA Network+ exam objectives are covered in this course. Topics include: protocols, connections, software, network hardware, and the OSI Reference model, for use in local area networks (LANs) and wide area networks (WANs). This course also prepares one for the Certified Ethical Hacker (CEH) certification. This course is designed to provide an understanding of networking processes, hardware, installation, and troubleshooting. CompTIA Network+ exam objectives are covered in this course. Topics include: wireless networking protocols, connections, software, network hardware, and the OSI Reference model, for use in local area networks (LANs) and wide area networks (WANs). This course also prepares one for the Certified Ethical Hacker (CEH) certification.

CMP 251  
Networking Systems II  
3 credits  
Offered every spring semester  
This course is designed to provide an understanding of networking processes, hardware, installation, and troubleshooting. CompTIA Network+ exam objectives are covered in this course. Topics include: wireless networking protocols, connections, software, network hardware, and the OSI Reference model, for use in local area networks (LANs) and wide area networks (WANs). This course also prepares one for the Certified Ethical Hacker (CEH) certification.

CMP 255  
Server Systems I  
3 credits  
Offered every spring semester  
In this course, the fundamentals of virtualization and virtualization techniques are explored. Students will have the opportunity to install, configure, manage, and deploy virtual servers and workstations. It is recommended the student take a course discussing basic network technologies such as CMP 151, Computer Systems I, prior to attempting this course. Core elements of virtualization are explored as well as the fundamental concepts and skills. Concepts of how virtualization software operates, different hypervisor products, and how to manage hardware resources, such as CPU, memory, storage, networking, and the like within virtual environments will be covered.

CMP 272  
Website Development I  
3 credits  
Offered every fall and spring semester  
This course prepares the student to develop basic websites for use in all areas of society. The student will develop an understanding of networking requirements for the Internet in regards to web development. Students will learn web site design, planning, and organizational skills. The student will learn and use a wide variety of website development tools at introductory levels. Applications and skills taught will include beginning Dreamweaver, HTML, XHTML, all current standards in industry. The student will learn and use a wide variety of website development tools at introductory levels. Applications and skills taught will include beginning Dreamweaver, HTML, XHTML, all current standards in industry.

CMP 273  
Website Development II  
3 credits  
Offered every spring semester  
Prerequisite: CMP 272  
This course prepares the student to develop advanced websites for use in all areas of society. The student will learn and use a wide variety of website development tools at advanced levels. Applications and skills taught will include, but not be limited to, Dreamweaver, HTML, JavaScript, jQuery, Bootstrap, CSS Grids, and all current standards in industry.

CMP 280  
Database Design and Development  
3 credits  
Offered upon request  
This course is designed to provide individuals with a complete introduction to database concepts and the relational database model. Topics include SQL, normalization, design methodology, DBMS functions, database administration, and other database management approaches, such as client/server databases, and object oriented databases. At the completion of this course, students should be able to understand a user's database requirements and translate those requirements into a valid database design. Students should have already completed CMP 170 Database Management with Microsoft Access or possess equivalent knowledge.

CMP 284  
Ethical Hacker  
3 credits  
Offered every fall semester  
Prerequisite: CMP 250 or Instructor Approval  
This course takes an in-depth look at network security concepts and techniques. The Certified Ethical Hacker (CEH) is a certification program for a person to become an information security professional, also referred to as a white hat hacker. The white hat hacker is someone who systematically attempts to inspect network infrastructure with the consent of the network owner to find security vulnerabilities which a malicious hacker could potentially exploit. The CEH professional helps an organization assess their security posture by identifying vulnerabilities in the network and system infrastructure to determine if unauthorized access is possible.

CMP 291  
CIS Practicum  
5 credits  
Offered every fall and spring semester  
Prerequisite: CMP 100  
A course to provide the computer major with an opportunity to gain work experience in the field of computers. The course makes use of all computer courses in the major and will be taken during the student’s last semester of the degree or certificate course sequence.

CMP 297  
Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Computers.
COE 101
Job Seeking Strategies
1 to 2 credits
Offered upon request
This course is designed to help students develop the necessary paperwork to apply for jobs. Includes application, cover letter, résumé, references, letters of recommendation, and thank you notes. Communication and interviewing skills are developed and live interviews are conducted.

COE 111
Cooperative Education I (Occupational)
1 to 4 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Eastern Arizona College offers cooperative education courses for students who have selected a career objective. Designed to give students the opportunity to learn through supervised work experiences, the course integrates students’ educational activities with on-the-job learning opportunities. Meetings with the coordinator are designed to assist students in identifying activities and competencies they will complete on the job. This can include learning job survival skills, improving technical skills, and developing effective human relations and communications skills.

COE 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Cooperative Education.

COE 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

COS 101
Theory of Cosmetology I/Heating
2 credits
Offered upon request
Prerequisite: COS 101 or concurrent enrollment in COS 103
Continuation of Cosmetology Theory at an advanced level to prepare for licensure and job opportunities. Basic manipulative skills in manicuring, shampooing, haircutting, hair coloring, hair relaxers, curl construction, skin therapy, and hair treatments. Includes basic sciences in bacteriology, sanitation, chemistry, and physiology pertaining to the head, face, hands, arms, legs, and feet. The course also includes professional ethics, licensure, and salon management.

COS 103
Theory of Cosmetology II/Hair Styling
2 credits
Offered upon request
Prerequisite: COS 101 or concurrent enrollment in COS 101
Continuation of Cosmetology Theory at an intermediate level. Basic manipulative skills in manicuring, professional image and conduct, and personal hygiene. Includes basic sciences in bacteriology, sanitation, and physiology pertaining to the head, face, hands, and arms. Theory and use of electricity and light as applied to cosmetology. The course also includes Arizona laws and rules governing cosmetology.

COS 105
Theory of Cosmetology III
2 credits
Offered upon request
Prerequisite: COS 103 or concurrent enrollment in COS 103
Continuation of Cosmetology Theory at an advanced level. Basic manipulative skills in manicuring, shampooing, haircutting, curl construction, skin therapy, and hair treatments. Includes basic sciences in bacteriology, sanitation, and physiology pertaining to the head, face, hands, feet, legs, and arms. The course also includes ethics and salon management.

COS 107
Theory of Cosmetology IV
2 credits
Offered upon request
Prerequisite: COS 105 or concurrent enrollment in COS 105
Continuation of Cosmetology Theory at an advanced level to prepare for licensure and job opportunities. Basic manipulative skills in manicuring, shampooing, haircutting, hair coloring, hair relaxers, curl construction, skin therapy, and hair treatments. Includes basic sciences in bacteriology, sanitation, chemistry, and physiology pertaining to the head, face, hands, arms, legs, and feet. The course also includes professional ethics, licensure, and salon management.
COS 115  Permanent Waving, Shampooing, and Hairstyling III  
3 credits  
Offered upon request  
Prerequisite: COS 113 or concurrent enrollment in COS 113  
Continuation of COS 113. Advanced level of instruction in permanent wavy, chemical straightening, curling, shampooing, and hairstyling. Students will be instructed in basic manipulative skills, knowledge and safety precautions when giving chemical wave or chemical relaxer. Designed to bring student up to a professional level.

COS 117  Permanent Waving, Shampooing, and Hairstyling IV  
2 credits  
Offered upon request  
Prerequisite: COS 115 or concurrent enrollment in COS 115  
Continuation of COS 115. Professional level of instruction in permanent waving, chemical straightening, curling, shampooing, and hairstyling. Students will be instructed in basic manipulative skills, knowledge and safety precautions when giving chemical wave or chemical relaxer.

COS 121  Nail Care I  
1 credit  
Offered upon request  
Includes care and beautification of the hands, arms, feet, legs, and nails; practice in giving plain/oil manicures, pedicures, hand/arm massages, and foot/leg massages. A study is made of proper use of instruments, equipment, personal hygiene, sanitation, common nail conditions, diseases, and State Board rules and regulations affecting the cosmetologist performing manicuring, pedicuring, hand/arm and leg/foot massages.

COS 123  Nail Care II  
1 credit  
Offered upon request  
Prerequisite: COS 121 or concurrent enrollment in COS 121  
Continuation of COS 121. Includes care and beautification of the hands, arms, feet, legs, and nails; practice in giving plain/oil manicures, pedicures, hand/arm massages, and foot/leg massages. A study is made of proper use of instruments, equipment, personal hygiene, sanitation, common nail conditions, diseases, and State Board rules and regulations affecting the cosmetologist performing manicuring, pedicuring, hand/arm and leg/foot massages.

COS 125  Manicuring I  
4 credits  
Offered upon request  
First of four courses for students seeking a manicuring license. Includes care and beautification of the nails, hands, legs, feet, and arms. Emphasis is on theory, proper use of instruments, equipment, personal hygiene, common nail conditions and diseases, basic nail techniques, and State Board rules and regulations affecting manicurists.

COS 127  Manicuring II  
4 credits  
Offered upon request  
Prerequisite: COS 125 or concurrent enrollment in COS 125  
Second course for students seeking a cosmetology or manicuring license. Emphasis is on additional skill building in areas covered in Manicuring I including bacteriology, sanitation, and disinfection, safety in the salon, and professional image.

COS 131  Haircutting, Scalp Treatment, and Tinting I  
5 credits  
Offered upon request  
Instruction in all basic haircutting techniques. Introductory corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

COS 133  Haircutting, Scalp Treatment, and Tinting II  
4 credits  
Offered upon request  
Prerequisite: COS 131 or concurrent enrollment in COS 131  
Additional instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

COS 135  Haircutting, Scalp Treatment, and Tinting III  
4 credits  
Offered upon request  
Prerequisite: COS 133 or concurrent enrollment in COS 133  
Advanced instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

COS 137  Haircutting, Scalp Treatment, and Tinting IV  
2 credits  
Offered upon request  
Prerequisite: COS 135 or concurrent enrollment in COS 135  
Professional instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

COS 150  Manicuring III  
4 credits  
Offered upon request  
Prerequisite: COS 127 or concurrent enrollment in COS 127  
Third course for students seeking a manicuring license. Emphasis is on advanced skill building in areas covered in Manicuring I and II: product chemistry, anatomy and physiology, the nail and its disorders, the skin and its disorders, and client consultation.

COS 152  Manicuring IV  
4 credits  
Offered upon request  
Prerequisite: COS 127 or concurrent enrollment in COS 127  
Final manicuring course for students seeking a manicuring license. Emphasis is on polishing all manicuring skills in preparation for a mock state board exam. Additional instruction in salon management and nail product/services sales.

COS 201  Science for Cosmetology Instructors  
1 credit  
Offered upon request  
This course covers instructional techniques for teaching, demonstrations of the safe use of chemicals, safety precautions in the use of electricity and electrical equipment, and cosmetic chemistry. Theory and practical procedures are explained and demonstrated for each topic. Students must have a current cosmetology, hairstylist, aesthetics, or nail technician license and instructor permission.

COS 203  Management for Cosmetology Instructors  
3 credits  
Offered upon request  
This course covers instructional techniques for teaching and managing an introduction to personal improvement, Arizona laws and rules governing cosmetology business ethics, telephone techniques, receptionist techniques, and shop management. Students must have a current cosmetology, hairstylist, aesthetician, or nail technician license and instructor permission.

COS 205  Instructing in Cosmetology I  
3 credits  
Offered upon request  
This course covers correct instructional procedures pertaining to manicuring, shampooing, finger waving, haircutting, curl construction, and chemical applications on the hair, skin, or nails enabling student instructors to stress all safety precautions and to demonstrate their manipulative skills to students clearly and confidently. Student must have a current cosmetology, hairstylist, aesthetician, or nail technician license and instructor permission.

COS 206  Instructing in Cosmetology II  
3 credits  
Offered upon request  
Prerequisite: COS 205 or concurrent enrollment in COS 205  
This course covers basic instructional methods and techniques for effectively instructing students in the cosmetologist profession. Skills taught include haircutting with razor and scissors, observing and performing guidelines, roller placement, and chemical applications on the hair, skin, or nails. Students will learn clear and enthusiastic demonstration of all skills needed including designing lesson plans, demonstration schedules, theory schedules, quizzes and examinations, and observing and absorbing human relations in dealing with students and patrons. Student must have a current cosmetology, hairstylist, aesthetician, or nail technician license and instructor permission.

COS 240  Cosmetology Refresher I  
1 to 6 credits  
Offered upon request  
Professional level of instruction in permanent waving, chemical straightening, curling, shampooing, and hairstyling. Advanced instruction in haircutting techniques, hair color, bleaching, special effects, and color correction. Students will be instructed in these advanced techniques to ensure salon readiness.

COS 241  Cosmetology Refresher II  
2 to 6 credits  
Offered upon request  
Prerequisite: COS 240 or concurrent enrollment in COS 240  
Professional level of instruction in advanced cosmetology techniques. Instructors will work individually with each student to help them achieve the cosmetology hours needed to better hone their practical skill in the industry. Students will be instructed in these advanced techniques to attain jobs in other states and to be thoroughly skilled in all aspects of the cosmetology curriculum.
COURSE DESCRIPTIONS

COUNSELING

CSL 011 College Success Skills
1/2 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Provides the students with the ability to develop study strategies and to plan their academic program.

CSL 100 Inspire College and Career Success
1 credit
Offered every fall semester
Designed to provide comprehensive support to assist students in college and career success planning.

CSL 103 Leadership Techniques I
1 credit
Offered every fall semester
Activity/Personal Enrichment
This course on leadership is designed to provide the student with an opportunity to research, review, and understand various characteristics of personal leadership.

CSL 104 Personal Assessment
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Small group counseling with emphasis on developing an awareness of personal identity, values, and goals. Includes developing ability to understand others, give emotional support, and communicate in the group.

CSL 105 Personal Development
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of CSL 104 with further practice in defining values, improving communication skills, and understanding social problems.

CSL 109 Orientation to Student Success
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Provides the students with the ability to develop study strategies and to plan their academic programs and career decisions.

CSL 111 Leadership for Organizational Development
2 credits
Offered upon request
Offered in Gila County only
A first course in leadership for organizational development designed to provide students with communication, organizational management, and leadership skills.

CSL 114 Leadership Techniques II
1 credit
Offered every spring semester
Activity/Personal Enrichment
This course on leadership is designed to provide the student with an opportunity to research, review, and understand various characteristics of personal leadership.

CSL 115 Community Outreach Through Service Learning
1 to 2 credits
Offered upon request
Activity/Personal Enrichment
This course provides service learning opportunities for students to contribute to the community through service activities. This course also helps instill the importance of professional work traits, which can help students succeed as they enter the community workforce.

CSL 120 Monster Bridge I
1 credit
Offered every fall semester
Activity/Personal Enrichment
Three days of sessions and activities taught by EAC faculty, staff, and returning students. When new students begin Monster Bridge I, they will be assigned to a group of Monster Mentors. Mentors are returning students that have achieved academic and social success at EAC. Mentors will accompany and assist in teaching new students about student services, academic support, campus and community navigation, EAC technology, campus safety, study skills, time and money management, social integration, job search strategies, career exploration, etc.

CSL 122 Summer Bridge I
1 credit
Offered every fall semester
Activity/Personal Enrichment
Break-out sessions, self-reflection exercises, keynote speakers, and small group discussions will be utilized to educate, inform, and create relationships to promote a new student’s post-secondary experience. Working to improve the student’s college readiness and social integration, this course is also designed to develop reading comprehension and basic math skills in students with deficiencies.

CSL 123 Summer Bridge II
1 credit
Offered every fall semester
Activity/Personal Enrichment
Break-out sessions, self-reflection exercises, keynote speakers, and small group discussions will be utilized to educate, inform, and create relationships to promote a new student’s post-secondary experience. Working to improve the student’s college readiness and social integration, this course is also designed to develop reading comprehension and basic math skills in students with deficiencies.

CSL 127 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Counseling.

CSL 297 Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Counseling.

CSL 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Counseling.

CSL 299 Independent Study
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

DANCE

DAN 103 Beginning Ballroom Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Traditional and popular ballroom dance, also social skills.

DAN 104 Beginning Ballroom Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 103.

DAN 110 Beginning Folk Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Fundamental dance skills in folk dance.

DAN 111 Beginning Folk Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
An introduction to Modern Dance as a form of dance art.

DAN 121 Beginning Modern Dance II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 120.

DAN 122 Beginning Modern Dance I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
The study of ballet technique through the traditional exercises with proper awareness of style and phrasing.

DAN 133 Beginning Ballet II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 132 or instructor approval
Continuation of DAN 132.

2021-2022 Eastern Arizona College Academic Catalog | 133
**DAN 141**
**Traditional Hawaiian Dance I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Students will learn traditional hula interpretations, fundamental footwork, and hand gestures. Students will learn to apply and express gestures for songs, lyrics, and meaning. Each student learns specific hulas and performs individually and as a group by the end of the course. Students are required to create their own hair adornments and leis all under the direction of the hula instructor.

**DAN 142**
**Traditional Hawaiian Dance II**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 141. Students enhance their traditional hula interpretations, fundamental footwork, and hand gestures.

**DAN 145**
**Traditional Samoan Siva Dance I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Students will learn various traditional Samoan dances. Students are taught the basic foot work and hand gestures of traditional Siva and may be accompanied by chanting, Ipu (double gourd) or Pahu (drum). Students may be required to make accompanying implements such as hair adornments, leis, and Pa’u skirts under the direction of the instructor. Students are taught different historical aspects of Samoan mythology, genealogies, plants, and animals.

**DAN 146**
**Traditional Samoan Siva Dance II**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Students will learn various traditional Samoan dances. Students are taught the basic foot work and hand gestures of traditional Siva and may be accompanied by chanting, Ipu (double gourd) or Pahu (drum). Students may be required to make accompanying implements such as hair adornments, leis, and Pa’u skirts under the direction of the instructor. Students are taught different historical aspects of Samoan mythology, genealogies, plants, and animals. Continuation of DAN 145.

**DAN 150**
**Beginning Theatre Dance I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 145.

**DAN 151**
**Beginning Theatre Dance II**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 150 or instructor approval
Continuation of DAN 150.

**DAN 203**
**Intermediate Ballroom Dance I**
1 credit
Offered upon request
Activity/Personal Enrichment
Traditional and popular ballroom dance, also social skills.

**DAN 204**
**Intermediate Ballroom Dance II**
1 credit
Offered upon request
Activity/Personal Enrichment
Fundamental dance skills in folk dance.

**DAN 210**
**Intermediate Folk Dance I**
1 credit
Offered upon request
Activity/Personal Enrichment
Fundamental dance skills in folk dance.

**DAN 211**
**Intermediate Folk Dance II**
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 210.

**DAN 222**
**Intermediate Jazz Dance I**
1 credit
Offered upon request
Activity/Personal Enrichment
Dance skills in jazz.

**DAN 223**
**Intermediate Jazz Dance II**
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 222.

**DAN 232**
**Intermediate Ballet I**
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 133 or instructor approval
The study of ballet technique through the traditional exercises with proper awareness of style and phrasing and introduce pointe work.

**DAN 233**
**Intermediate Ballet II**
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 232 or instructor approval
Continuation of DAN 232.

**DAN 240**
**Dance Repertory**
1 credit
Offered upon request
Activity/Personal Enrichment
The study of performance skills from pre-classic to contemporary dance forms, including folk repertory.

**DAN 250**
**Intermediate Theatre Dance I**
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 151
Study and performance of a variety of dance styles for media dance entertainment to include modern, ballet, jazz, tap, and ballroom.

**DAN 251**
**Intermediate Theatre Dance II**
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 250
Continuation of DAN 250.

**DAN 298**
**Workshop**
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Dance.

**DAN 299**
**Independent Study**
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

**DENTAL ASSISTING EDUCATION**

**DAE 100**
**Introduction to Dental Assisting**
3 credits
Offered every fall semester
Offered in Gila County only
This course covers the history of dentistry, the education and characteristics of the dental assisting professional, members of the dental healthcare team, professional code of ethics in the field of dentistry, and the statutory law for the field of dentistry.

**DAE 101**
**Dental Health and Safety**
3 credits
Offered every fall semester
Offered in Gila County only
This course provides training to help the student understand the difference between regulations and recommendations pertaining to health and safety for employees and patients. The students will also identify professional organizations for dentists, dental assistants, and dental hygienists relative to safety training. Students will be given the opportunity to identify the government agencies and their function in relation to dentistry.

**DAE 105**
**Oral Health and Dental Disease Prevention**
3 credits
Offered every fall semester
Offered in Gila County only
Prerequisite: DAE 100, DAE 101, and BIO 160 or HCE 156 or concurrent enrollment in DAE 100, DAE 101, and BIO 160 or HCE 156
The learner will classify dental caries, discuss early childhood caries, and explain the importance of saliva related to tooth decay, explain the goal of CAMBRA, describe the prevalence of periodontal disease, identify the two basic types of periodontal disease and list and describe the seven basic care types.

**DAE 107**
**Science in Dentistry**
4 credits
Offered every fall semester
Offered in Gila County only
Prerequisite: DAE 105 or concurrent enrollment in DAE 105
This is an introductory course to bio-sciences as it relates to the oral embryology and histology, hand and neck anatomy, and tooth morphology. This course provides information on regions of the face (landmarks) and oral cavity. Upon completion, students will identify planes and associated body direction used to divide the body into sections and describe the four levels of organs of organization of the human body.
**COURSE DESCRIPTIONS**

**DAE 109**  
Patient Information and Assessment  
3 credits  
Offered every spring semester  
Offered in Gila County only  
Prerequisite: DAE 107 or concurrent enrollment in DAE 107  
This course focuses on the preclinical skills needed for delivered dental care including the importance of managing patient records. Students will be trained on patient vital signs assessments and the role of the dental assistant in a medical emergency. Students will be introduced to the principles of pharmacology.

**DAE 112**  
Radiographic Imaging in Dentistry  
4 credits  
Offered every spring semester  
Offered in Gila County only  
Prerequisite: DAE 107 or concurrent enrollment in DAE 107 or instructor approval  
This course provides the student uses of dental imaging, explains how x-rays are produced, and identifies types of radiation. The student will also understand the effects of radiation and how radiation is measured. Radiation safety is discussed in this course.

**DAE 114**  
Foundations of Clinical Dentistry  
4 credits  
Offered every spring semester  
Offered in Gila County only  
Prerequisite: DAE 107 or concurrent enrollment in DAE 107  
This course focuses on the preclinical skills needed for delivered dental care including dental hand pieces and dental hand instruments. Topics also include moisture control, anesthesia and pain control.

**DRF 108**  
Technical Drafting  
2 credits  
Offered upon request  
Course is designed for students with little or no drafting background. Course content includes use of drafting equipment, drafting techniques, lettering, geometric construction, multi-view, isometric, section view, and auxiliary view drawings. All drawings will meet the ASME Y14.5M standard for dimensioning and drawing layout.

**DRF 150**  
Dimensioning and Tolerancing  
1 credit  
Offered every spring semester  
An intensive course covering basic and advanced dimensioning techniques. Emphasis is placed on the ANSI Y14.5M standard for geometric dimensioning and tolerancing.

**DRF 154**  
Introduction to AutoCAD  
2 to 3 credits  
Offered every fall and spring semester  
Students will gain hands-on experience using AutoCAD computer drafting software. Emphasis is placed on the integration of 3D solid modeling and 2D drafting output. All drawings will meet the ASME Y14.5M standard.

**DRF 160**  
Descriptive Geometry  
3 credits  
Offered every fall semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154  
The study of lines, planes, successive auxiliary views, intersection of planes, angles between planes, developments, parallelism, perpendicularity, and the relationships between various geometric elements. All drawings will meet the ASME Y14.5M standard.

**DRF 170**  
Residential Architecture  
2 to 3 credits  
Offered every spring semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154  
Students will be instructed in residential architecture drafting techniques required to design and draft floor plans, exterior and interior details, and structural representations. The course will use architectural CAD software to develop a full set of residential house plans. All drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 202**  
Parametric Solid Modeling  
3 credits  
Offered every spring semester  
This course uses the latest in parametric modeling technology (SolidWorks & AutoDesk Inventor) in the study of mechanical drafting, threads and fasteners, detail and assembly drawings, section views, and basic dimensioning and tolerancing techniques. Parametric modeling simulates manufacturing processes, and completed solid models can be easily transferred to production tools such as 3D printers or CNC machines. All drawings will meet the ASME Y14.5M standard.

**DRF 220**  
Civil Drafting  
3 credits  
Offered every fall semester  
Prerequisite: DRF 154  
Studies basic elements of map drafting including symbols, plotting contour lines, grid maps, elevation and profiles, closed and open traverse, legal descriptions, grading, volumes, street construction, and basic use of GPS systems. All drawings will meet the AASHTO Green Book, American Architectural Graphic Standards, the International Building Code, the International Residential Code, ADA, and any additional local building and zoning requirements.

**DRF 230**  
Civil Drafting  
3 credits  
Offered every spring semester  
Prerequisite: DRF 154  
This course focuses on the use of CAD in the area of commercial architectural facilities layout and design. Projects involve the creation of commercial floor plans, external elevations, and site plans. Emphasis is placed upon meeting the customer needs, local building codes, and industry standards. All drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 275**  
Advanced AutoCAD  
2 to 3 credits  
Offered every spring semester  
Prerequisite: DRF 154  
Course examines how to use advanced AutoCAD software capabilities. Students will focus on system customization including menu development. Advanced drafting techniques, assembly part modeling, and drafting applications will also be included.

**DRF 290**  
Drafting Capstone Project  
2 credits  
Offered every spring semester  
Prerequisite: DRF 170 and DRF 230 with a grade of “C” or higher and prior or concurrent enrollment in DRF 220, or instructor approval  
This is an end-of-program capstone project course to allow students the opportunity to create a complete drafting and design project from start to finish in one of the principal drafting related areas emphasized throughout the degree program: architectural, civil, or mechanical. Successful completion of this course will validate competencies from previous coursework. All architectural and civil drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements. All mechanical drawings will meet the ASME Y14.5M standard.
COURSE DESCRIPTIONS

EARLY CHILDHOOD EDUCATION

ECE 100 Foundations of Early Childhood Education
3 credits
Offered every fall semester
Introduction to the field of Early Childhood Education including history, philosophy, and the application of child development techniques. Includes assessment techniques for observing and recording behaviors, communication skills, guidance techniques, developmentally appropriate practices and the role of the teacher in early childhood settings. Off campus observation and participation hours in a licensed childcare or public school birth through age eight.

ECE 102 Early Childhood Curriculum
3 credits
Offered every spring semester
This course provides the student with an introduction to methods and materials to assist young children three to five years of age in the learning process. Emphasis will be placed on assessment of children’s learning, arrangement of indoor/outdoor space, music and movement, dramatic play and creative media. Students will locate, plan, implement, and evaluate creative learning activities using a variety of methods and materials.

ECE 105 Health, Safety, and Nutrition
3 credits
Offered every fall semester
Nutrition education, menu planning, childhood diseases and illness, and sanitation and safety in group settings will be introduced. Protecting the health and safety of young children and promoting the development of lifelong health habits. Communication with health professionals and parents on health, safety, and nutrition issues will be included for children birth through age eight.

ECE 110 Infants and Toddlers Development
3 credits
Offered every spring semester
This course will provide the students with an introduction to the principles of development in children from birth through 36 months. Emphasis will be placed on individuality of child and the adult role in providing a safe, stimulating environment for the development of the very young child.

ECE 120 Guiding Children’s Social Development
3 credits
Offered every spring semester
Students will gain knowledge in a study of positive guidance and discipline techniques that can be used to encourage children to develop self-discipline and responsibility for their own actions. Students will also learn the importance of assessing, understanding, and enhancing the development of communication skills of young children to help guide and develop a child’s self-image. Students will learn how to translate information presented into related skills and procedures that support children’s social development.

ECE 150 Practicum: Direct Field Experience Birth to Preschool
2 credits
Offered every fall and spring semester
Prerequisite: ECE 100, ECE 102, ECE 105, ECE 110, ECE 120, or instructor approval
Supervised experience in the education, guidance and care of young children birth through age eight. Course begins with four weeks of classroom instruction on developmentally appropriate curriculum, guidance techniques, and age appropriate activities. Students will complete first aid certification, and must show proof of fingerprint clearance before student is placed at a center for lab.

ECE 171 Child Growth and Development
3 credits
GE category: Diversity and Inclusion, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course gives students a broad, comprehensive view of the science of human development at each stage of development from conception through adolescence. Considers the biological, cognitive, physical, and social aspects of development from a knowledge base of theory, research, and current issues. Students will apply learning to developmentally appropriate principles and practices that guide relationships and learning experiences for children through adolescence. Substantial discussion will include family, culture, ethnicity, and gender. This course is identical to PST 171.

ECE 210 Home, School, and Community Relations
3 credits
Offered every spring semester
This course will stress the importance of family. The course objectives will include the specific attitudes, philosophies, and practical techniques that teachers in any setting can find useful in building relationships with families.

ECE 220 Introduction to Early Childhood Special Education
3 credits
Offered every fall semester
An introductory level course with an emphasis on current educational practices and related educational theories including identification, causes, and characteristics of exceptional learners birth through age eight. An overview of the history of special education, assessment, intervention and curriculum will be introduced. Observation and participation hours in a special education setting required.

ECE 240 Child Development Portfolio and Assessment Preparation
3 credits
Offered every fall and spring semester
Prerequisite: Instructor approval
Includes an in-depth review of the functional areas providing the basis for the Child Development Associate competency and gives step-by-step approach of activities necessary to complete the CDA Assessment process. ECE 100, ECE 102, ECE 105, ECE 110, ECE 120 or equivalent modules within the past five years and be first-aid certified. Students seeking national CDA certification should consult with the Coordinator of the ECE program before enrolling in ECE 240 for complete details.

ECE 281 Children’s Literature
3 credits
GE category: Diversity and Inclusion, Humanities
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Introduction to children’s literature with a focus on how to effectively choose and use children’s literature in educational and other contexts. Consideris selection guidelines, storytelling, interpretation, and evaluation of children’s books. Students will discuss developmentally appropriate practice in the selection of books and stories for children. Identical to EDU 281 and ENG 281.

EDU 200 Introduction to Education
3 credits
GE category: Diversity and Inclusion, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Overview of the historical, political, economic, social, and philosophical factors that influence education and make it so complex. Opportunity for students to assess their interest and suitability for teaching.

EDU 222 Introduction to Special Education
3 credits
Offered every spring semester
An introductory level course with an emphasis on the history of special education in society and the United States, legal influences on the provision of special education services to disabled students, and characteristics and instructional approaches to educating disabled children.
EDU 230
Cultural Diversity in Education
3 credits
Offered every fall semester
Examination of the relationship of cultural values to the formation of the child’s self-concept and learning styles. Examination of the role of prejudice, stereotyping and cultural incompatibilities in education. Emphasis on preparing future teachers to offer an equal educational opportunity to children of all cultural groups.

EDU 234
ESL/SEI Methods II
3 credits
Offered every fall and spring semester
The training provides the participant with methods of planning, developing, and analyzing lesson plans in all content areas using ELL Standards in order to teach children who are learning English as a second language. The emphasis is on ELL Proficiency Standards, assessment objectives, recent changes in SEI requirements, teaching strategies, development/evaluation/adaptation of teaching materials and the role of culture in learning. The course examines the alignment of ELL Proficiency Standards to the Arizona Language Arts Academic Standards. The course covers alternative methods of assessment, and analysis of the use of AZELLA assessment. This training prepares participants for ethnically diverse classrooms. This training covers 45 hours toward the ADE requirement for teaching certification renewal.

EDU 281
Children’s Literature
3 credits
GE category: Diversity and Inclusion, Humanities
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy.
Introduction to children’s literature with a focus on how to effectively choose and use children’s literature in educational and other contexts. Considers selection guidelines, storytelling, interpretation, and evaluation of children’s books. Students will discuss developmentally appropriate practice in the selection of books and stories for children. Identical to ECE 281 and ENG 281.

EDU 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Education.

EDU 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course intended to meet a variety of needs for Education students.

EDU 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ELT 101
Fundamentals of Electricity and Electronics
3 credits
Offered upon request
This course is an introductory course into the basic principles of electricity and electronics theory with emphasis of electrical applications. The course will also introduce the student to the study of various blueprints, schematics, wiring diagrams and symbols as they are used in practical industrial applications.

ELT 110
Electricity and Electronics
3 credits
Offered every fall semester
Basic principles of electricity and electronics theory with an emphasis on commercial and industrial applications. Students will be introduced to the study of various drawings, schematics, wiring diagrams, and symbols as they are used in practical applications. The student will learn the electrical concepts and terminology of voltage, amperage, resistance, and power. The student will learn to solve electrical problems by use of Ohm’s Law formulas.

ELT 111
DC Electrical Systems
3 credits
Offered every fall semester
This course is an introductory course of direct current theory and systems with a heavy emphasis on industrial applications and setting. Students will be introduced to batteries, DC circuits, electrical test and measuring equipment, various conductors, semiconductors, insulators, as well as developing troubleshooting skills.

ELT 112
AC Electrical Systems
3 credits
Offered every fall semester
This course is an introductory course of Alternating Current (AC) theory and systems with a heavy emphasis on industrial application and settings. The course will introduce the student to transformers, electrical measuring test equipment, single and polyphase motors, motor controls, AC generation, and an introduction to troubleshooting skills.

ELT 115
Conduits and Raceways
3 credits
Offered every spring semester
An introductory course of conduit bending and installation as well as conduit supports and adherence to the National Electrical Code, with a heavy emphasis on commercial applications and settings. Students are introduced to various conduit types and sizes as well as the tools and equipment used to cut, bend, thread, and install electrical conduit. Students will use universal methods and techniques that can be implemented with any size and type of conduit.

ELT 161
Process Measurement Instrumentation I
3 credits
Offered every spring semester
This course is an introductory course in industrial process measurement and instrumentation. This course will introduce the student to the various industrial processes of pressure, temperature, level, flow, weight, force, position, and analytical measurement. The course also discusses the various instruments used in process measurements.

ELT 162
Process Measurement Instrumentation II
3 credits
Offered every spring semester
Prerequisite: ELT 161
This course supplements concepts studied in ELT 161 and continues to analyze industrial process measurement and instrumentation. The course will allow the student to continue a study of the various industrial processes of pressure, temperature, level, flow, weight, force, position, and analytical measurement.

ELT 171
Process Control Instrumentation
3 credits
Offered every spring semester
Prerequisite: ELT 161 or concurrent enrollment in ELT 161
This course is an introductory course into the basic principles of Process Control Instrumentation. The course examines the various industrial processes and how to control them through the use of electrical, electronic, and pneumatic automatic controllers. Course involves each student in designing and constructing electronic and pneumatic control systems. Students will learn the basic principles of Process Control Instrumentation and will be introduced to common circuits that can be implemented with any size and type of conduit.

ELT 181
Electronic Components
3 credits
Offered every fall semester
Prerequisite: ELT 112 with a grade of “C” or higher or instructor approval
This course is an introductory course into electronic components that are used in present day electronic devices. This course will delve into semiconductor theory and the manufacture and design of semiconductor components. It will also cover analog as well as digital components not to be limited to the following: semiconductor devices: diodes, silicon controlled rectifiers (SCR’s), bipolar junction transistors, field effect transistors (FET’s), operational amplifiers (OP AMP’s), digital logic gates, microprocessors, random access memory (RAM), and read only memory (ROM). The student will also be introduced to common circuits that employ these devices such as oscillators, amplifiers, flip-flops, multivibrators, shift registers, counters, frequency dividers, and microprocessor circuits.

ELT 251
National Electric Code
3 credits
Offered every spring semester
This course will introduce the student to the current National Electric Code (NEC) regulations and standards. The NEC provides regulations and standards pertaining to electrical components and systems including wiring methods, materials, conductors, overcurrent protective devices, branch circuits and feeders, grounding, transformers, services, special locations, and calculations. The purpose of the NEC is the practical safeguarding of persons and property from hazards arising from the use of electricity.

ELT 258
Electrical Troubleshooting
3 credits
Offered every fall semester
Prerequisite: ELT 112 or instructor approval
This course will require the student to apply theories, concepts, and practical applications to logically solve and repair electrical circuit problems. This will include the use of various test equipment, electrical diagrams, and other resources to analyze and correct electrical problems. The student will be required to implement and demonstrate safe electrical practices while troubleshooting electrical problems.
ELT 271
Programmable Logic Controllers
3 credits
Offered every spring semester
Prerequisite: ELT 112 or instructor approval
This course introduces the student to the principles of Programmable Logic Controllers (PLCs). This course emphasizes the applications and implementation of PLCs as used in industrial control settings. It analyzes the interfacing of inputs, outputs, and development of ladder logic control programming. The course will subject the student to elementary, intermediate, and advanced programming functions as commonly used in PLCs.

ELT 272
Motors and Motor Controls
3 credits
Offered every spring semester
Prerequisite: ELT 112
This course introduces the student to the various types of direct current and alternating current motors as well as single and polyphase motors. The course will also demonstrate various types of motor controls such as relay logic, use of sensors and variable speed control schemes. The student will learn to take voltage, current and resistance measurements to troubleshoot motors and control circuits. Students will learn to use and interpret schematics, blueprints, and diagrams to troubleshoot circuits and or design and construct motor control circuits.

ELT 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Electronics.

ELT 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Electronics.

ELT 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

EMERGENCY MEDICAL TECHNOLOGY

EMT 103
Emergency Medical Technician
9 credits
Offered every fall and spring semester
Prerequisite: Admission to Eastern Arizona College’s EMT Program.
Introductory course for students to learn skills to recognize and properly treat illness and injury in the pre-hospital setting. Successful completion of the course leads to the opportunity to test for certification by the National Registry of EMT’s and the Arizona Department of Health Services. A total of 12 hours of clinical experience and 12 hours of vehicular experience will be scheduled in the Emergency Department and on the ambulance to provide direct, hands-on experience with a variety of patients.

EMT 107
EMT Practicum
1-2 credits
Offered upon request
Prerequisite: Current Arizona EMT certification, passing both the written and oral entrance exams and a current BLS/CPR healthcare provider card or program accepted alternative is required. The prospective student will submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office prior to registration.
Eastern Arizona College offers cooperative education experience for students who have selected a career objective in EMS. Designed to give students the opportunity to learn through supervised work experiences as an EMT to gain practical work experience. The course integrates students’ educational activities with on-the-job learning opportunities.
Meetings with the coordinator are designed to assist students in identifying activities and competencies they will complete on the job. This can include learning job survival skills, improving technical skills, and developing effective human relations and communications skills.

EMT 110
Emergency Medical Responder
2 credits
Offered upon request
This course is focused on basic life support as performed by a health care provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills.

EMT 121
Cardiopulmonary Resuscitation
1/2 credit
Offered every fall and spring semester
This course follows the American Heart Association guidelines for knowledge and skill in cardiopulmonary resuscitation and AED at the healthcare provider level. Learning focuses on the skills involved in helping an individual with airway obstruction, respiratory arrest, and/or cardiac arrest.

EMT 122
First Aid and CPR
2 credits
Offered every fall and spring semester
This course is focused on basic life support as performed by a healthcare provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills. Identical to HCE 101 and HPE 190.

EMT 161
Emergency Medical Technician Refresher
2 credits
Offered every spring semester
Prerequisite: Must present one of the following: American Heart Association (BLS Healthcare Provider) CPR card, American Red Cross (Professional Rescuer) CPR card, expired American Heart Association BLS Healthcare Provider card or American Red Cross Professional Rescuer CPR card AND current EMT Certification from Arizona, from another state or territory, from National Registry OR Arizona EMT Certification which expired less than two years prior to start of class OR documentation of completion of prior training in an EMT 103 course or equivalent. The prospective student will complete documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office prior to the start of the class.
This course is designed to enable the Emergency Medical Technician to maintain proficiency and receive the latest information for handling the sick and injured. It may be repeated as many times as the person needs for recertification. Fulfills Department of Health Services requirements for EMT recertification every two years.

EMT 170
Vehicular Extrication and Trauma Care
1/2 credit
Offered every fall and spring semester
This course provides a review, as well as some new insights into vehicular extraction and providing patient care to the trauma patient. This course is interactive and designed to challenge the participant in the areas of knowledge base, decision-making, and application of skills.

EMT 180
EMS Instructional Strategies
2 credits
Offered upon request
Prerequisite: Instructor approval
This course is conducted in cooperation with the Arizona Department of Health Services, Bureau of Emergency Medical Services (EMS). It follows National Emergency Medical Services Education Standards (NEMSES) set forth by the National Highway and Traffic Safety Administration (NHTSA). It is designed to prepare and make eligible the participant for approval as an EMT instructor in the State of Arizona.
Course Descriptions

EMT 200
Paramedic Prep Course
2 credits
Offered upon request
Prerequisite: Proof of current NREMT or Arizona EMT certification and current BLS CPR healthcare provider card
Prepares the EMT to begin paramedic training. Covers review of EMT knowledge, human anatomy and physiology, math calculation and EKG interpretation. Designed to prepare students to pass paramedic entrance exams and to improve their success in paramedic school.

EMT 210
Paramedic I
12 credits
Offered upon request
Prerequisite: Admission to Eastern Arizona College’s Paramedic Program. HCE 116 and BIO 160 or BIO 201 and BIO 202 with a grade of “C” or higher. Concurrent enrollment in EMT 219 and EMT 220.
The Paramedic Training Program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (www.caahed.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). Continuous enrollment in EMT 210, 212, and 214 is the study of emergency medical care and evaluation and treatment of injuries. The program focuses on both technical and practical knowledge while providing in depth skills training to evaluate and treat a wide variety of both medical and trauma emergencies in the prehospital setting. Progression of learning includes didactic/laboratory integrated with or followed by additional clinical/field experience. Students will be required to complete a minimum of 24 clinical hours for EMT 212. Check the current catalog for all course fees.

EMT 212
Paramedic II
12 credits
Offered upon request
Prerequisite: EMT 210, EMT 219, and EMT 220 with a grade of “B” or higher. Current NREMT or Arizona EMT certification, AHA BLS healthcare provider card, and health insurance coverage are required.
The Eastern Arizona College Paramedic Training program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (www.caahed.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). Continuous enrollment in EMT 210, 212, and 214 is the study of emergency medical care and evaluation and treatment of injuries. The program focuses on both technical and practical knowledge while providing in depth skills training to evaluate and treat a wide variety of both medical and trauma emergencies in the prehospital setting. Progression of learning includes didactic/laboratory integrated with or followed by additional clinical/field experience. Students will be required to complete a minimum of 24 clinical hours for EMT 212. Check the current catalog for all course fees.

EMT 214
Paramedic III
6 credits
Offered upon request
Prerequisite: EMT 212 with a grade of “B” or higher. Current NREMT or Arizona EMT certification, AHA BLS healthcare provider card, ACLS and PALS provider card, and health insurance coverage are required.
This course will cover the clinical/vehicular portion of the Paramedic program. Students will complete 75 hours of clinical/vehicular time for each credit to total 450 hours over the course of the semester. A practical exam will be given to prepare students to take the skills portion of the National Registry Examination for Paramedics. Check the current catalog for all course fees.

EMT 219
Pharmacology in Emergency Settings
2 credits
Offered upon request
This course is designed to enhance knowledge in pharmacology to emergency medical technicians at the paramedic level. The content is focused on regulation of drugs, drug actions and interactions, and medications used in emergency situations.

EMT 220
Advanced Cardiovascular Life Support
1 credit
Offered every fall and spring semester
Prerequisite: Proof of current American Heart Association (BLS Healthcare Provider) CPR card or American Red Cross (Professional Rescuer) CPR card and current AZ Certification or Licensure at the Paramedic/RN level or above (PA-C, NP-C, MD, DO, etc.) or current Certification or Licensure at the Paramedic/RN level or above (PA-C, NP-C, MD, DO etc) from another state or territory, or Current Enrollment in a Paramedic or Nursing (RN) Program.
This course is designed to provide core information necessary to prepare students to pass American Heart Association’s ACLS Provider course. The content is focused on the key concepts of advanced cardiac life support including ethical considerations in cardiac resuscitation. The student should have EKG interpretation skills and a current BLS CPR card.

EMT 221
Pediatric Advanced Life Support
1 credit
Offered every fall and spring semester
Prerequisite: Proof of current American Heart Association (BLS Healthcare Provider) CPR card or American Red Cross (Professional Rescuer) CPR card and current AZ Certification or Licensure at the Paramedic/RN level or above (PA-C, NP-C, MD, DO, etc.) or current Certification or Licensure at the Paramedic/RN level or above (PA-C, NP-C, MD, DO etc) from another state or territory, or Current Enrollment in a Paramedic or Nursing (RN) Program.
This course is designed to provide core information necessary to prepare students to pass American Heart Association’s ACLS Provider course. The content is focused on the key concepts of advanced cardiac life support including ethical considerations in cardiac resuscitation. The student should have EKG interpretation skills and a current BLS CPR card.

EMT 222
Trauma Patient Management
1 credit
Offered upon request
With its comprehensive approach to core knowledge and skills, this course is appropriate for all levels of EMS personnel - from EMT and first responders to advanced EMTs, paramedics, trauma nurses, and physicians. Trauma course for the student who aspires to become certified in International Trauma Life Support (ITLS). This course includes classroom instruction, and hands-on skills training, and testing for ITLS Basic or Advanced certification. Innovative skills stations let you practice the abilities appropriate for your level of certification: patient assessment and management, basic and advanced airway management, spinal motion restriction - rapid extrication, short backboard, helmet management, log roll and long backboard/ scoop stretcher utilization, extremity immobilization and traction splint application, needle chest decompression and fluid resuscitation (for advanced certification).

EMT 229
ALS Refresher
3 credits
Offered every spring semester
Prerequisite: Must present one of the following: American Heart Association (BLS Healthcare Provider) CPR card, American Red Cross (Professional Rescuer) CPR card, expired American Heart Association BLS Healthcare Provider card or American Red Cross Professional Rescuer CPR card and current Paramedic Certification from Arizona, from another state or territory, from National Registry OR an Arizona Paramedic Certification that expired less than two years prior OR documentation of completion of prior training in a Paramedic course. The prospective student will submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office prior to the start of the class.
This course is designed to enable the Paramedic to maintain proficiency and receive the latest information for treating the sick and injured. It may be repeated as many times as the person needs for recertification. Fulfills Department of Health Service requirements for Paramedic recertification every 2 years.

EMT 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Emergency Medical Technology.
EMT 298 Workshop 1 to 3 credits
Offered upon request Activity/Personal Enrichment
Designed to meet a variety of needs for students in Emergency Medical Technology.

EMT 299 Independent Study 1 to 3 credits
Offered upon request Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ENGINEERING

EGR 102 EGR 1102 Introduction to Engineering 4 credits
Offered every fall and spring semester
Prerequisite: MAT 120 or higher with a grade of “C” or higher or placement test score as established by District policy
Engineering design, effective team participation and career preparation. Students are expected to participate in hands-on design projects, develop education/career plans and initiate development of the personal and management skills necessary for lifelong learning.

EGR 130 C # Programming I 3 credits
GE category: AAS degree only
Offered upon request
A comprehensive introduction to the C language; preparation and writing of programs using C, using current programming techniques. A prior programming language is helpful. For engineering majors, identical to CMP 130.

EGR 200 Introduction to Mining Engineering 3 credits
Offered every spring semester
This course provides an overview of the skills, applications, and careers in mining and geological engineering. Skills introduced include mapping, air photo interpretation, geophysics, rock mechanics testing, scan line surveying, spreadsheet calculations, and mine planning.
Applications introduced include mineral, energy, and water resource exploration and development, underground and surface construction, underground and surface mine development, operations, and environmental management. Course emphasizes development of teamwork, communication, and creative problem solving skills.

EGR 214 Engineering Mechanics I - Statics 3 credits
Offered every fall semester
Prerequisite: MAT 220 and PHY 211 with a grade of “C” or higher or concurrent enrollment in MAT 220 and PHY 211
First semester course on engineering mechanics which includes topics such as problem formulation and solution methods; two- and three-dimensional vector representation of forces, moments and couples; static equilibrium of particles, rigid bodies and engineering structures; analysis of external and internal forces in structures utilizing free-body diagrams; and properties of cross-sectional areas.

EGR 215 Engineering Mechanics II - Dynamics 3 credits
Offered every spring semester
Prerequisite: EGR 214 with a grade of “C” or higher
Dynamics is the second of two sophomore level courses dealing with engineering mechanics. This class builds on the concepts learned in the first course (Statics) and looks at bodies which are not in equilibrium. A study of the kinematics and kinetics of particle and rigid body motion. Concepts covered include: force and acceleration, work and energy, and impulse and momentum.

EGR 233 Mechanics of Materials 3 credits
Offered upon request
Prerequisite: EGR 214 or higher with a grade of “C” or higher
Students will learn the mechanics of deformable solids and fundamental concepts of stress, strain, and stress-strain on various structural systems, as well as mechanical properties of materials, material deformations under axial, bending and torsion loading or the coupled effects of these loads, and deflections due to mechanical loads and temperature. Students will also learn concepts of elasticity and inelasticity, strain energy, and load carrying capacity.

EGR 250 Plane Surveying 3 credits
Offered every spring semester
Prerequisite: MAT 181 with a grade of “C” or higher or MAT 187 with a grade of “C” or higher or instructor approval
This course provides an introduction to plane surveying. Students learn principles and practices of general surveying, chaining, leveling, stadia, and extensive field work using a variety of industry-standard instruments and techniques.

EGR 255 Thermodynamics 3 credits
Offered upon request
Prerequisite: Prior or concurrent enrollment in MAT 220 required
Thermodynamics is a basic science that deals with energy and energy changes. This course covers the basic principles of Thermodynamics and presents real-world applications and problems so that students can gain an understanding of physical and chemical changes that are influenced by the energy of systems.

EGR 296A Mineral Resource Engineering Seminar 1 credit
Offered upon request
This professional seminar provides a first opportunity for undergraduate students to examine and discuss topics in mineral resource engineering. The course features industry speakers describing current challenges and technology innovations in the broad area of mineral resources. Students develop skills in information retrieval, technical writing, and verbal presentation. Appreciation of sustainable development and the technical needs of the Mine of the Future are developed.

EGR 298 Workshop 1 to 3 credits
Offered upon request Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Engineering.

ENGLISH

ENG 090 Reading Improvement I 3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: ENG 090 with a grade of “C” or higher or reading placement test score as established by District policy
Emphasizes improvement in comprehension and related reading and thinking skills.

ENG 095 Interactive English Lab 1 to 3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester Activity/Personal Enrichment
This course is for students not concurrently enrolled in a composition course who wish to improve grammar, mechanics, and usage skills. Lab is self-paced, focusing on individual needs.

ENG 100 Writing Fundamentals 3 credits
Developmental Course
GE category: AAS degree only
Offered every fall and spring semester
Prerequisite: ENG 090 with a grade of “C” or higher or reading placement test score as established by District policy
This course emphasizes listening comprehension, sentence structure, vocabulary, and pronunciation through the use of the Rosetta Stone software.

ENG 098 Writing Lab 1 credit
Developmental course - does not count for graduation credit
Offered every fall and spring semester
This course is for students not concurrently enrolled in a composition course who wish to improve grammar, mechanics, and usage skills. Lab is self-paced, focusing on individual needs.

ENG 099 Reading Improvement II 3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Prerequisite: ENG 090 with a grade of “C” or higher or reading placement test score as established by District policy
Emphasizes improvement in comprehension and related reading and thinking skills.
ENG 101 Written Communications I
3 credits
GE category: English
Offered every fall and spring semester
Prerequisite: ENG 100 with a grade of "C" or higher and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher
Emphasizes clear and effective writing and critical reading. Students generate a minimum of 7,000 words through formal and informal writing projects, including revised drafts throughout the semester. Students with borderline placement scores will benefit from taking ENG 110, Written Communications I Lab which is designed to accompany ENG 101.

ENG 102 Written Communications II
3 credits
GE category: English
Offered every fall and spring semester
Prerequisite: ENG 101 with a grade of "C" or higher and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher
Continues development of skills and concepts taught in ENG 101. Emphasizes research and critical reading and writing. Students generate a minimum of 7,000 words including revisions throughout the semester.

ENG 110 Written Communications I Lab
1 credit
Offered every fall and spring semester
Provides individualized support for students enrolled in ENG 101 and other writing courses. Emphasizes the processes and skills required for effective narrative, analytic, argumentative, and source-based writing; punctuation, grammar, and stylistic concerns will be addressed as needed.

ENG 111 Written Communications II Lab
1 credit
Offered every fall and spring semester
Provides individualized support for students enrolled in ENG 102 and other writing courses. Emphasizes the processes and skills required for effective argumentative, source-based writing and analysis, as well as punctuation, grammar, and stylistic concerns.

ENG 113 College Reading
3 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: ENG 091 with a grade of "C" or higher or placement test score as established by District policy
Emphasizes mastery and application of critical reading strategies for college level texts.

ENG 131 Introduction to Creative Writing
3 credits
Offered spring semester in even-numbered years
Activity/Personal Enrichment
In this course, students will study methods of writing poetry, fiction, and creative non-fiction. They will share their works with their professor and peers in workshops, and in doing so, will learn to revise, edit and polish their creative works so as to prepare them for submission to publications.

ENG 201 World Literature I
3 credits
GE category: Humanities, Intensive Writing, Diversity and Inclusion, Global/International/Historical Awareness
Offered upon request
Prerequisite: ENG 101 with a grade of "C" or higher
Selected world literature from ancient times to the Renaissance. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 202 World Literature II
3 credits
GE category: Humanities, Intensive Writing, Diversity and Inclusion, Global/International/Historical Awareness
Offered upon request
Prerequisite: ENG 101 with a grade of "C" or higher
Selected world literature from the Renaissance to modern times. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 217 Writing Reflective Essays
3 credits
GE category: Options, Intensive Writing, Diversity and Inclusion
Offered every fall and spring semester
Prerequisite: ENG 101 with a grade of "C" or higher and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher
Writing, reading, and analyzing reflective creative nonfiction essays. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 218 Writing About Literature
3 credits
GE category: Humanities, Intensive Writing, Diversity and Inclusion
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher
Critical reading and analytical writing on poetry, fiction, and drama. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 221 English Literature I
3 credits
GE category: Humanities, Intensive Writing, Diversity and Inclusion
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher
Covers selected literature from the Middle Ages through the Restoration and Eighteenth Century. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 222 English Literature II
3 credits
GE category: Humanities, Intensive Writing, Diversity and Inclusion
Offered every spring semester
Prerequisite: ENG 101 with a grade of "C" or higher
Covers selected literature from the Romantic Period through the present. Exposes students to a variety of cultures, perspectives, and beliefs over these historical periods. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 230 Publications I
3 credits
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher or concurrent enrollment in ENG 101 or instructor approval
Students are responsible for preparing significant portions of Class, the yearbook of Eastern Arizona College. They will also participate in the production of EAC’s literary magazines. Students will gain experience with desktop publishing and digital imaging as prepress requirements for printing. The curriculum covers principles of journalism, elementary design, and basic photography, with work outside of the class, covering school activities and meeting production deadlines.

ENG 231 Publications II
3 credits
Offered upon request
Prerequisite: ENG 101 with a grade of "C" or higher or concurrent enrollment in ENG 101 or instructor approval
Students are responsible for preparing significant portions of Class, the yearbook of Eastern Arizona College. They will also participate in the production of EAC’s literary magazines. Students will gain experience with desktop publishing and digital imaging as prepress requirements for printing. The curriculum covers principles of journalism, elementary design, and basic photography, with work outside of the class, covering school activities and meeting production deadlines.

ENG 232 Poetry Writing
3 credits
Offered spring semester in odd-numbered years
Students will write 45 pages of poetry (including major revisions). Students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established poets.

ENG 233 Advanced Poetry Writing
3 credits
Offered spring semester in odd-numbered years
Prerequisite: ENG 232
Students will write 45 pages of poetry (including major revisions). Students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established poets.

ENG 234 Short Story Writing
3 credits
Offered every fall semester
Activity/Personal Enrichment
Discussion and critique of student work and readings of representative works.

ENG 235 Independent Writing: Poetry
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Students seeking 3 credit hours will write 45 pages of poetry (including major revisions). Students seeking 2 credit hours will write 30 pages of poetry (including major revisions). Students seeking 1 credit hour will write 15 pages of poetry (including major revisions). All students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established poets.
COURSE DESCRIPTIONS

ENG 236
Independent Writing: Fiction
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: Instructor approval
Students will complete a finished short story or novel chapter (3,000 to 6,000 words) for each hour they are registered. Students also complete critical writing evaluating the work of a published fiction writer from a writer’s perspective. Instructor works with students individually. The three-hour credit option is recommended in order to receive departmental elective credit at most universities.

ENG 237
Independent Writing: Nonfiction
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: Instructor approval
Advanced writing, reading, and analyzing nonfiction essays. Students will complete a revised nonfiction essay or collection of nonfiction essays (3,000 to 6,000 words including major revisions) for each credit hour. The three-hour credit option is recommended in order to receive departmental elective credit at most universities.

ENG 241
American Literature I
3 credits
GE category: Humanities, Intensive Writing, Diversity and Inclusion, Global/International/Historical Awareness
Offered every fall semester
Prerequisite: ENG 101 with a grade of “C” or higher and reading placement test score as established by District policy or ENG 091 with a grade of “C” or higher
Selected readings from Native beginnings to the Civil War. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 242
American Literature II
3 credits
GE category: Humanities, Intensive Writing, Diversity and Inclusion, Global/International/Historical Awareness
Offered every spring semester
Prerequisite: ENG 101 with a grade of “C” or higher and reading placement test score as established by District policy or ENG 091 with a grade of “C” or higher
Selected readings from the Civil War to the present. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 248
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Instructor approval
Designated to meet a variety of needs for students in the English Program.

ENG 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Instructor approval
Designated to meet a variety of needs for students in the English Program.

FAMILY AND CONSUMER RESOURCES

FCR 130
Sewing for Today
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 143
Skills in the selection, preparation, and serving at the intermediate level of gourmet foods including, but not restricted to, appetizers, vegetables, garnishes, omelets, quiches, soufflés, stir-fry, Italian cuisine, Scandinavian cuisine, microwave cuisine, phyllo dough, Saudi Arabian cuisine, French cuisine, fondue, and turkey and chicken de-boning with dressings.

FCR 134
Advanced Quilting
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
For students who need or want to learn a variety of quilting techniques. Projects are chosen by students to meet their individual needs and interests.

FCR 138
Beginning Machine Embroidery
2 credits
Offered upon request
Activity/Personal Enrichment
Advanced machine embroidery. Projects are chosen by students to meet individual needs, interest, and skill level; primarily part-time and non-major students.

FCR 140
Beginning Gourmet Cooking
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 143
Basic cooking instruction. Projects are chosen by students to meet individual needs, interest, and skill level; primarily part-time and non-major students.

FCR 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Family Consumer Resources.

FCR 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Intermediate to advanced instruction. Projects are chosen by students to meet individual needs, interest, and skill level; primarily for part-time and non-major students.

FCR 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.
FIRE SCIENCE

FSC 100 Introduction to Fire Science 3 credits
Offered upon request
This course is an overview of fire protection and emergency services. It will review career opportunities, culture and history, organization and functions of public and private fire protection, laws and regulations, terminology and nomenclature, basic fire chemistry, physics, and theories and fundamentals of how and why fires start, spread, and are controlled. Included is an introduction to firefighting strategy and tactics and the life safety initiatives.

FSC 101 Fire Department Operations I 6 credits
Offered upon request
Offered in Gila County only
This course is primarily designed for new fire department recruits or students wishing to become structural firefighters. The course covers all aspects of fire department operations including equipment and personnel policies. Preparation for Arizona Structural Fire Fighter certification through the Arizona Center for Fire Service Excellence (ACFSE) using International Fire Service Accreditation Congress (IFSA) standards and testing.

FSC 102 Fire Department Operations II 5 credits
Offered upon request
Offered in Gila County only
Prerequisite: Prior or concurrent enrollment in FSC 101 required
This course is primarily designed for new fire department recruits or students wishing to become structural firefighters. Emphasis is on the chemistry of fire, building construction, administrative policies, and techniques of firefighting. Preparation for Arizona Structural Fire Fighter certification through Arizona Center for Fire Service Excellence (ACFSE) using International Fire Service Accreditation Congress (IFSA) standards and testing.

FSC 106 Hazardous Materials First Responder Operations 2 credits
Offered upon request
Offered in Gila County only
This class prepares students to function as first responders at the operations level. Emphasis is on the basic characteristics of hazardous materials, hazardous materials laws and regulations, and the components of a planned response. Preparation for Arizona Structural Fire Fighter certification through the Arizona Center for Fire Service Excellence (ACFSE) using International Fire Service Accreditation Congress (IFSA) standards and testing. This course is presented in compliance with 29 Code of Federal Regulations (29CFR) Chapter XVI 1910.120 (g)(iii)(i) and the Arizona Administrative Code Title 8, Chapter 2, Article 6.

FSC 110 Fire Hydraulics 2 credits
Offered upon request
Offered in Gila County only
This course is intended to familiarize firefighters or persons who are interested in the field of fire protection with the complexities of pumping or moving water for firefighting activities.

FSC 112 Fire and Emergency Services Safety and Survival 3 credits
Offered upon request
Offered in Gila County only
This course introduces the basic principles and history related to the national firefighter life safety initiatives focusing on the need for cultural and behavioral change throughout the emergency services.

FSC 120 Fire Apparatus and Equipment 3 credits
Offered upon request
Offered in Gila County only
This course will familiarize the student with automotive apparatus (pumpers, aerial ladders, lift platforms, hose wagons, transports, and utility vehicles), water towers, heavy auxiliary mechanical equipment and appliances, generators, compressors, rescue and forcible entry tools, and cutting torches.

FSC 130 Fundamentals of Fire Prevention 3 credits
Offered upon request
Offered in Gila County only
This course provides fundamental knowledge relating to the field of fire prevention and community risk reduction. Topics include history and philosophy of fire prevention and community risk reduction, organization and operations of a fire prevention or community risk reduction bureau, use and application of codes and standards, plan reviews, fire inspections, fire and life safety education, and fire investigation.

FSC 135 Strength and Fitness for Fire Service 2 credits
Offered upon request
Offered in Gila County only
The course offers the students the aspects of fitness for firefighting. Students will learn how to develop strength, cardiovascular endurance and flexibility in a participatory learning environment. Course sessions will address aerobic and strength training, proper lifting, warm-up and flexibility techniques, training principles and elements of wellness. Proper handling of fire service equipment will be introduced.

FSC 140 Fire Protection Systems 3 credits
Offered upon request
Offered in Gila County only
This course provides information relating to the features of design and operation of fire alarm systems, water based fire suppression systems, special hazard fire suppression systems, water supply for fire protection and portable fire extinguishers.

FSC 150 Basic Wildland Firefighting 3 credits
Offered upon request
The course is presented through a series of lectures and field exercises. It includes factors affecting wildland fire behavior; the start and spread of fires; how fuels, topography, and weather conditions affect fire spread; and how to recognize dangerous situations on the fireline.

FSC 160 Enhanced Fitness Activities for Fire Science 3 credits
Offered upon request
Progress in this course is assessed using baseline physical fitness measurements and comparing them to post-physical fitness measurements at the end of the semester. The same tests are used for baseline and post-physical fitness testing: 3-minute step test, sit-ups, push-ups and all-and-reach flexibility test. Each student is required to show improvements in all physical fitness test performances after a semester of regular aerobic, strength-training and flexibility workouts. There is no threshold level that students need to reach in order to “pass” their tests. Attendance is required for regularly scheduled workouts.

FSC 204 Firefighting Tactics and Strategy 3 credits
Offered upon request
Offered in Gila County only
This course covers fireground tactics and strategies for emergency and non-emergency situations.

FSC 208 Building Construction for Fire Protection 3 credits
Offered upon request
Offered in Gila County only
This course provides components of building construction related to firefighter and life safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations, and operating at emergencies.

FSC 225 Incident Safety Officer 1 credit
Offered upon request
This course is designed to enable the student to identify and analyze health and safety aspects relating to their role as Incident Safety Officer in both emergency and non emergency situations.

FSC 297 Workshop 1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Fire Science.

FSC 298 Workshop 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Fire Science.
FSC 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

GENEALOGY
GEN 100
Beginning Genealogy
2 credits
Offered upon request
Activity/Personal Enrichment
Students will learn how to create a family tree and learn about their family history. This course will also help students know where to search for family historical information, including dates, location, and events that surround their ancestor’s lives.

GEN 101
Genealogy Search
2 credits
Offered upon request
Activity/Personal Enrichment
This course will help students with genealogical and family history research and use it to grow their family tree. Students will have the opportunity to focus on an individual or a small group of their ancestors. Students will gain a better understanding of events in their family history and explore personal and statistical details surrounding their family tree. Students will develop a secure knowledge of researching methodologies and genealogical proofs according to correct standards to definitively validate their research findings.

GEN 108
Video Editing for Family History
2 credits
Offered upon request
Activity/Personal Enrichment
An introductory course in video production for the individual who wants to document family history and other personal events. Participants capture home videos and scan photographs or slides to a computer so they can preserve and share these moments with their families. They create a DVD of their completed projects. This course is taught on the PC platform. Identical to MDC 108.

GEOLOGY
GLG 015
Rocks and Minerals
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Identification, classification, and origin of rocks and minerals with emphasis on materials common to Arizona.

GLG 101
Physical Geology
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course covers the fundamentals of geology: rocks, minerals, geologic time, plate tectonics, earthquakes, volcanoes, surface processes, and earth resources. The lab delves into the chemistry of minerals, how rocks form, geologic mapping with GPS, geology in the field, and other fundamental topics. Several field trips are taken each semester.

GLG 102
Historical Geology
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course is an introduction to the principles and interpretation of geologic history. It emphasizes the evolution of the earth’s lithosphere (crust), atmosphere, and biosphere through geologic time. It includes consideration of the historical aspects of plate tectonics, the geologic development of North America, and important events in biological evolution and the resulting assembly of fossils. It provides an appreciation for the vast extent of geologic time, the natural processes affecting change on the earth, and the identification of common fossil types.

GLG 110
Geologic Hazards and Disasters
4 credits
GE category: Lab Science, Global/International/Historical Awareness
Offered every spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Geologic hazards and disasters (earthquakes, volcanoes, tsunami, meteorite and comet impacts, flooding, severe weather) are important processes in shaping the earth and human civilization. This course will acquaint students with the scientific principles governing these processes and their historic and future effect on society.

GLG 118
Geology of Arizona
2 credits
Offered upon request
Geology of Arizona focuses on the unique geological processes and features found in Arizona. The course emphasizes specific regions and features within the state including, but not limited to, the Grand Canyon, Mt. Graham, and the Chiricahua mountains. The course will cover all of the dominant lithology and mineralogy of Arizona as well as the structural and geomorphological history of the region. Field trips will be a dominant feature of the course, comprising at least sixteen hours combined.

GLG 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Geology.

GLG 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

HEALTH AND PHYSICAL EDUCATION
HPE 101
Beginning Physical Activities I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.

HPE 101A
Beginning Cheerleading
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to teach safety techniques involved in cheerleading including jumps, stunts, pyramids, and tosses. Additional conditioning throughout the athletic seasons for participation at athletic events. Prior cheerleading experience helpful but not necessary.

HPE 101B
Beginning Bowling I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
To develop bowling skills, knowledge of the rules of the game that can be demonstrated during competition, and to increase level of physical fitness.
HPE 101Q  
**Beginning Swimming I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
To orient students to water. To learn basic swimming techniques and strokes for lifelong fitness.

HPE 101U  
**Beginning Tennis I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Designed to assist the student in learning the basic skills and knowledge which lead to optimum tennis performance.

HPE 101X  
**Beginning Volleyball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 101Y  
**Beginning Weights I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Weight lifting class designed to increase body strength using free weights and universal weight equipment. Students will learn basic weight lifting techniques and lifts to target particular muscle groups. Students will also learn a lifetime physical fitness skill to increase their level of fitness.

HPE 101A  
**Beginning Baseball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
A study of the game of baseball including fundamental techniques, rules, and a brief history of the game.

HPE 101B  
**Beginning Varsity Baseball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
A study of the game of baseball including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive baseball techniques and skills and to prepare student for competition.

HPE 101C  
**Beginning Basketball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Defensive strategies, rules, and a brief history of the game.

HPE 101D  
**Beginning Varsity Basketball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to teach an understanding of the rules of softball and techniques used which include hitting, throwing, catching, and offensive and defensive strategies.

HPE 101E  
**Beginning Softball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to assist the student in learning the fundamentals of softball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

HPE 101F  
**Beginning Varsity Softball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball and techniques used which include hitting, throwing, catching, and offensive and defensive strategies.

HPE 101G  
**Beginning Varsity Basketball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
This course is designed to teach students the game of basketball, offensive and defensive strategies of the game of basketball, and to prepare them to participate in competition.

HPE 101H  
**Mountain Bike Riding I**  
2 credits  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: Minimum age 16  
This program is designed to educate and improve knowledge of mountain bike riding. This includes knowledge of bike handling and familiarity of local trails.

HPE 101I  
**Beginning Aerobics I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to assist the student in developing overall physical fitness.

HPE 101J  
**Beginning Mixed Martial Arts I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to assist the student in learning basic skills and stability through mastery of the mixed martial arts.

HPE 101K  
**Beginning Hatha Yoga I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

HPE 101L  
**Beginning Chi Gong I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
This course is an introduction to the movement of ancient Chinese Chi Gong and its philosophy and meditation in movement and preventive medicine.

HPE 101M  
**Beginning Swim Aerobics I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to assist the student in developing overall physical fitness.

HPE 101N  
**Beginning Strength and Flexibility Training I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 101O  
**Beginning Power Walking I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to give students the opportunity to learn a warm-up, walk, and cool down using the proper stretching and power walking techniques.

HPE 101P  
**Beginning Hatha Yoga I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.
HPE 102
Beginning Physical Activities II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of HPE 101.

HPE 102C
Beginning Body Conditioning II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in developing the basic skills and knowledge in body conditioning.

HPE 102D
Beginning Bowling II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101D
Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.

HPE 102G
Beginning Golf II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101G
Designed to assist the student in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.

HPE 102H
Beginning Hiking II
1 credit
GE category: AAS degree only
Offered in Gila County only
Activity/Personal Enrichment
Designed to assist the student in learning basic skills and stability through participating in longer and more difficult mountain hikes.

HPE 102I
Beginning Jogging II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101I
Designed to give students the opportunity to learn warm-up, jog, run, and cool-down using the proper stretching and running techniques.

HPE 102J
Beginning Jogging-Hiking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of HPE 101J

HPE 102K
Beginning Cheerleading II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101K
Designed to assist the student in learning basic skills and knowledge for jogging and hiking.

HPE 102N
Beginning Swimming II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101N
Designed to give students the opportunity to learn warm-up, jog, run, and cool-down using the proper swimming techniques and strokes for swimming.

HPE 102O
Beginning Racquetball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101O
Designed to assist college level tennis players in furthering their skills and knowledge in racquetball.

HPE 102P
Beginning Basketball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101P
Designed to assist the student in learning the basic skills and knowledge which lead to optimum basketball performance. An additional fee is required.

HPE 102Q
Beginning Varsity Baseball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101Q
Designed to assist college level baseball players in furthering their skills and knowledge in baseball.

HPE 102R
Beginning Varsity Basketball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101R
Designed to assist college level basketball players in furthering their skills and knowledge in basketball.

HPE 102S
Beginning Varsity Softball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101S
Designed to assist college level softball players in furthering their skills and knowledge in softball.

HPE 102T
Beginning Varsity Golf II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101T
Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

HPE 102U
Beginning Varsity Tennis II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101U
Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.
HPE 102AO
Beginning Physioball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101AO
Designed to assist the student in learning basic skills and stability on an exercise physioball.

HPE 102AP
Pilates for Fun and Fitness II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101AP
This course is designed for the student to develop strength, flexibility, and centering by utilizing proper Pilates technique. Also, this course is designed to increase community awareness of various methods for the achievement of wellness and life-long fitness.

HPE 102AY
Beginning Hatha Yoga II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

HPE 102AZ
Beginning Chi Gong II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is a continuation to the movement of ancient Chinese Chi Gong and its philosophy and meditation in movement and preventive medicine.

HPE 102BA
Beginning Swim Aerobics II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist the student in developing overall physical fitness.

HPE 102BB
Beginning Strength and Flexibility Training II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101BB
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 102BC
Beginning Power Walking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101BC
Designed to give students the opportunity to learn warm-ups, walk, and cool down using the proper stretching and power walking techniques.

HPE 102BD
Beginning Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: Minimum age 13
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 104
Physical Conditioning and Assessment I
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 104
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 105
Physical Conditioning and Assessment II
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 105
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 155
Methods of Coaching Basketball
2 credits
Offered upon request
Activity/Personal Enrichment
Prepare students to coach basketball.

HPE 156
Methods of Coaching Volleyball
2 credits
Offered upon request
Activity/Personal Enrichment
Prepare students to coach volleyball.

HPE 165
Theory and Practice of Baseball
2 credits
GE category: AAS degree only
Offered every fall semester
Activity/Personal Enrichment
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles, and organizational methods.

HPE 166
Theory and Practice of Volleyball
2 credits
GE category: AAS degree only
Offered every fall semester
Activity/Personal Enrichment
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles, and organizational methods.

HPE 167
Theory and Practice of Softball
2 credits
GE category: AAS degree only
Offered every fall semester
Activity/Personal Enrichment
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles, and organizational methods.

HPE 169
Theory and Practice of Basketball
2 credits
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles, and organizational methods.

Lifeguard Training
2 credits
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
The objective of the course is to teach students the skills and knowledge an individual requires to properly assume lifeguarding responsibilities at a swimming pool, waterpark, or a nonsurf water beach.

HPE 180
Introduction to Leadership I
1 credit
Offered upon request
Prerequisite: HPE 102G
An introduction to teamwork skills including an overview of basic principles as well as assessment and implementation strategies.

HPE 181
Introduction to Leadership II
1 credit
Offered upon request
Prerequisite: HPE 180
To develop and enhance leadership techniques and skills to prepare students to be leaders.

HPE 190
First Aid and CPR
2 credits
Offered every fall and spring semester
This course is focused on basic life support as performed by a health care provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills. Identical to EMT 122 and HCE 101.

HPE 201
Advanced Physical Activities I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Sections provided in a variety of activities.

HPE 201C
Advanced Body Conditioning I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in developing the basic skills and knowledge in body conditioning.

HPE 201D
Advanced Bowling I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102D
Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.

HPE 201G
Advanced Golf I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102G
Designed to assist the student in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.
HPE 2011
Advanced Jogging I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102I
Designed to give students the opportunity to learn warm-up, jog, run, and cool-down using the proper stretching and running techniques.

HPE 201J
Advanced Jogging-Hiking I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102J
Student will learn the basic skills and knowledge for jogging and hiking.

HPE 201N
Advanced Cheerleading I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102N
This course is designed to teach safety techniques involved in cheerleading including jumps, stunts, pyramids, and tosses. Additional conditioning throughout the athletic seasons for participation at athletic events. Prior cheerleading experience helpful but not necessary.

HPE 2010
Advanced Racquetball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102O
To develop racquetball skills, knowledge of the rules of the game that can be demonstrated during competition, and to increase level of physical fitness.

HPE 201Q
Advanced Swimming I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
To learn basic swimming techniques and strokes for lifelong fitness.

HPE 201U
Advanced Tennis I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102U
Designed to assist the student in learning the basic skills and knowledge which lead to optimum tennis performance.

HPE 201X
Advanced Volleyball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102X
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 201Y
Advanced Weights I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Weight lifting class designed to increase body strength using free weights and universal weight equipment. Students will learn basic weight lifting techniques and lifts to target particular muscle groups. Students will also learn a lifetime physical fitness skill to increase their level of fitness.

HPE 201AA
Advanced Baseball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AA
A study of the game of baseball including fundamental techniques, rules, and a brief history of the game.

HPE 201AB
Advanced Varsity Baseball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AB
This course is designed to teach the fundamentals of the game of baseball, offensive and defensive strategies of the game of baseball, and to prepare student for competition.

HPE 201AC
Advanced Aerobics I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AC
Develop physical fitness and softball skills that may be demonstrated in competition and games.

HPE 201AD
Advanced Varsity Tennis I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102AD
Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

HPE 201AE
Advanced Varsity Softball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AE
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball and techniques used which include hitting, throwing, catching, and offensive and defensive strategies.

HPE 201AF
Advanced Varsity Volleyball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AF
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 201AG
Advanced Varsity Basketball I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 102AG
This course is designed to teach students the game of basketball, offensive and defensive strategies of the game of basketball and to prepare them to participate in competition.

HPE 201AJ
Advanced Aerobics I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102AJ
Designed to assist the student in developing overall physical fitness.

HPE 201AY
Advanced Hatha Yoga I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

HPE 201AZ
Advanced Chi Gong I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is a continuation to the movement of ancient Chinese Chi Gong and its philosophy and meditation in movement and preventive medicine.

HPE 201BA
Advanced Swim Aerobics I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist the student in developing overall physical fitness.

HPE 201BB
Advanced Strength and Flexibility Training I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 201BC
Advanced Power Walking I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102BC
Designed to give students the opportunity to learn warm-up, walk, and cool down using the proper stretching and power walking techniques.

HPE 201BD
Advanced Softball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102BD
Designed to teach the fundamentals of the game of softball including rules, hitting, throwing, catching, and fielding.
Advanced Body Conditioning II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment

Designed to assist the student in developing the basic skills and knowledge in body conditioning.

Advanced Bowling II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201D

Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.

Advanced Golf II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201I

This course is designed to teach students the fundamentals of golfing, prepare them to participate in competition and to understand the basic offensive and defensive strategies of the game. An additional fee is required.

Advanced Jogging-Hiking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201I

An additional fee is required.

Advanced Bowling II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201G

Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.

Advanced Cheerleading II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201N

This course is designed to teach safety techniques involved in cheerleading including jumps, stunts, pyramids, and tosses. Additional conditioning throughout the athletic seasons for participation at athletic events. Prior cheerleading experience helpful but not necessary.

Advanced Baseball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201A

A study of the game of baseball including fundamental techniques, rules, and a brief history of the game.

Advanced Varsity Baseball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201AB

A study of the game of baseball including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive baseball techniques and skills and to prepare student for competition.

Advanced Cooking
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201C

Designed to assist the student in developing basic culinary skills. This course is designed to teach students the basic cooking and fundamental techniques used in preparing basic recipes. Additional fees may apply.

Advanced Hatha Yoga II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201AY

Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

Advanced Varsity Tennis II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201AN

To become proficient in the basic offensive and defensive strategies of the game.

Advanced Racquetball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201AZ

Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

Advanced Varsity Golf II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201AM

This course is designed to teach the student an understanding of the basic movements and fundamentals of the game of golf. Students will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

Advanced Swimsuit Aerobics
1 credit

Activity/Personal Enrichment
Prerequisite: HPE 201N

This course is designed to teach safety techniques involved in cheerleading including jumps, stunts, pyramids, and tosses. Additional conditioning throughout the athletic seasons for participation at athletic events. Prior cheerleading experience helpful but not necessary.
COURSE DESCRIPTIONS

HPE 202BC
Advanced Power Walking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201BC
Designed to give students the opportunity to learn warm-up, walk, and cool down using the proper stretching and power walking techniques.

HPE 202BD
Advanced Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201BD
Designed to teach the fundamentals of the game of softball including rules, hitting, throwing, catching, and fielding.

HPE 204
Physical Conditioning and Assessment III
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 105
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 205
Physical Conditioning and Assessment IV
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 204
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 260
Principles of Officiating
2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201BD
Student will gain basic rule knowledge and skills for officiating. The sports and rules covered will include (but not be limited to) football, volleyball, soccer, wrestling, basketball, baseball, and softball as well as intramural sports such as ultimate frisbee, kickball, flag football, beach volleyball, tennis, dodgeball, etc. This class will use National Federation of High Schools rules for application in youth sports, middle school and high school organized sporting events and EAC Intramurals. Students will be placed in officiating programs and mentored to help improve skills and abilities as an official.

HPE 262A
Officiating: Volleyball
1 credit
Offered upon request
Rules and mechanics of officiating; training for prospective officials.

HPE 262B
Officiating: Basketball
1 credit
Offered upon request
Rules and mechanics of officiating; training for prospective officials.

HPE 262C
Officiating: Baseball/Softball
1 credit
Offered upon request
Rules and mechanics of officiating; training for prospective officials.

HPE 280
Introduction to Leadership III
1 credit
Offered upon request
An introduction to leadership skills including an overview of basic principles as well as assessment and implementation strategies.

HPE 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Health and Physical Education.

HPE 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

HEALTH CARE EDUCATION

HCE 100
Basic Health Care Concepts and Skills
4 credits
Offered every fall and spring semester
Prerequisite: ENG 055 or higher with a grade of “C” or higher or writing placement test score of 41 or above

HCE 101
Basic Life Support
2 credits
Offered every fall and spring semester
This course is focused on basic life support as performed by a health care provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills. Identical to HPE 190 and EMT 122.

HCE 102
Introduction to Health Information Management
3 credits
Offered upon request
In Gila County only
An overview of health care delivery systems and mechanisms in the U.S. Includes the medical model of healthcare and delivery in the U.S., public policy, professional roles, legal and regulatory issues, ancillary services, health record and payment systems including the Electronic Health Record (EHR), and computer systems. Also includes health reform initiatives in the U.S.

HCE 103
Computers in Healthcare
2 credits
Offered upon request
In Gila County only
Introduction to computer applications in healthcare settings including electronic health records, health record content, structure, and origin of clinical information for various healthcare settings. A basic review of federal, state, and organizational documentation guidelines. Legal and ethical issues applicable to health information documentation and coding practices. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

HCE 112
Medical Terminology
2 credits
Offered every fall and spring semester
This course is designed to give direction to the beginning allied health student who has very little experience in scientific or medical subjects. The content includes study of medical terms using a programmed learning, word-building system approach as well as the study of allied health professions, medical abbreviations and symbols, review of basic grammar as it relates to medical terminology, and introduction to basic body structures. Emphasis is placed on assessing individual and group needs and providing private consultation as well as group instruction to meet those needs.

HCE 114
Math for Medications
2 credits
Offered every fall and spring semester
Prerequisite: MAT 100 or higher with a grade of “C” or higher or math placement test score as established by District policy or instructor approval
This course is an introductory course in computers be

HCE 116
Medical Dosage Calculations
2 credits
Offered every fall and spring semester
Prerequisite: MAT 100 or higher with a grade of “C” or higher or math placement test score as established by District policy or instructor approval
This course involves reading medication documents and accurate calculation of dosages and solutions. The content includes study of basic math, systems of measurement, introduction to medication administration, and dosage calculation.
HCE 130 Medical Assisting: Administrative Competencies  
4 credits  
Offered every spring semester  
This course is focused on acquiring the knowledge necessary to perform medical assistant's administrative duties. The content includes introduction to common equipment utilized to file and maintain medical records, and defines and outlines the security and safety measures employed when working with medical records. Identifies and explains active, inactive, and closed medical records and how to set up a medical record retention system for a medical office. Defines medical assisting as it relates to the health care profession, ethics, safety, and security in the medical office, cultural diversity, integrated administrative procedures, health insurance, medical coding, and billing. Relates the importance of the FDA and DEA to administrative procedures and summarizes the purpose of federal healthcare regulations: HCOIA, False Claims Act, OSHA, and HIPAA.

HCE 152 Laboratory Assisting: Overview, Principles and Procedures  
4 credits  
Offered every fall semester  
Prerequisite: HCE 186 with a grade of "C" or higher or concurrent enrollment in HCE 186 or instructor approval. Must be at least 18 years of age at the start of the class; Present current CPR card issued by the American Heart Association (BLS Healthcare Provider) or American Red Cross (Professional Rescuer); Present proof of two-step TB skin test or chest X-ray within the past six (6) months; Present proof of MMR (measles, mumps, & rubella), Hepatitis B, Varicella (chickenpox), Tdap (tetanus, diphtheria, & pertussis), and Influenza Vaccine (Flu Shot) immunizations; Present proof of 10 Panel Drug Screen (Urine Drug Screen); Present proof of fingerprint clearance card. The prospective student will submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office prior to registration.

Designed to prepare individuals to enter the health profession as a laboratory assistant. Emphasis is on the role of a laboratory assistant, certification and regulatory agencies, process improvement, laboratory mathematics, documentation, legal implications, specimen integrity, principles and procedures for pre-analytical processing of laboratory specimens. Application of quality assurance, infection control, and laboratory safety. Performing specimen processing, pre-analytical processes, and point of care testing. Performing clerical and computer functions based on medical-legal guidelines for documentation.

HCE 156 Science for Allied Health  
4 credits  
Offered every spring semester  
Introduction to biology for the health professions. Includes principles of science, the chemistry of life, cell anatomy and physiology, cellular respiration, the making of proteins, cellular reproduction, patterns of inheritance, embryonic development, and human tissues.

HCE 160 Medical Assisting: Clinical Competencies  
6 credits  
Offered every fall semester  
Prerequisite: HCE 100 or concurrent enrollment in HCE 100 or NUR 100 or instructor approval with a valid/active LNA or CNA license; HCE 186 or concurrent enrollment in HCE 186, and HCE 171 or concurrent enrollment in HCE 171.

This course is focused on knowledge necessary to perform clinical competencies as a medical assistant. The clinical aspects of medical assisting focuses on compiling patient's medical histories, acquiring patient's vital signs, recording them, and attaining the ability to discern when a healthcare provider needs to be notified regarding a potential or apparent medical issue. Emphasis is placed on administering medications under the direction of a supervising physician/healthcare provider. Content also includes assisting with general and specialty exams, assisting with pediatric and geriatric patients, collecting lab specimens, and educating patients regarding disease process, medication needs, diagnostic procedures, and nutrition. Attention is placed on the general principles of physical therapy and cryotherapy as well as thermotherapy. The content includes performing sterile procedures, first aid, and ECG's. Cultural diversity is discussed as well as the importance of following HIPAA guidelines.

HCE 170 Medical Assisting: Externship  
4 credits  
Offered every spring semester  
Prerequisite: HCE 160

Designed to provide students a clinical setting environment in which they build on their clinical skills and front office competencies by being precepted by an experienced Medical Assistant. Each Medical Assistant student must complete an externship of a minimum of 160 hours in an ambulatory/c clinical health care setting. In the actual working environment, students will perform both administrative and clinical competencies. Administrative competencies include performing clerical functions, bookkeeping procedures, and special accounting entries. Clinical competencies include fundamental principles, specimen collection, diagnostic testing, and patient care. Transdisciplinary competencies are integrated in both clinical and administrative areas. These include communication, legal concepts, patient instruction, and operational functions. Students must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a healthcare provider indicating student is free from symptoms of pulmonary tuberculosis, and a current CPR card.

HCE 171 Introduction to Pharmacology  
3 credits  
Offered every fall semester  
This is an introductory course in pharmacology beginning with the history of the evolution of the science of pharmacology. The course develops into two major components: the principles and general aspects of pharmacology and discussion of the pharmacology of some specific organ systems and infections. The course will provide a good foundation of knowledge for those students who want to become a healthcare deliverer.

HCE 176 Patient Care Technician  
4 credits  
Offered every spring semester  
Prerequisite: NUR 100 or instructor approval with a valid/active CNA license

This course focuses on patient care services under the supervision of an instructor. Students will learn knowledge and skills necessary to perform mid-level nursing care to complex patients and recognize changes in patient conditions. Contents include but are not limited to infection control, Student must demonstrate utilizing universal precautions, sterile technique, performing sterile procedures such as wound care/ sterile dressing change, performing sterile technique while placing a urinary catheter, venipuncture, ECG application, neurological observation, and skills in assisting with physical and occupational therapy. Students must have an active and valid certified nursing assistant certification/or licensed nursing assistant.
HCE 190  
Human Body in Health and Disease  
4 credits  
Offered every fall and spring semester  
This course encompasses the study of the basic concepts of human biology which includes anatomy, physiology, biochemistry, cytology, histology, pathology and related pharmacology. Included are the essential anatomical and physiological concepts of the human body’s organ systems. Also included are discussions of growth, development, and aging of the human body. Understanding of these subjects leads to the topic of the psychological development of one’s personality and inter-social relationships. This is based on the concept of the human’s “hierarchy of needs” which is part of this course. Lab activities may be incorporated into the lectures. They will be designed to support or teach concept.

HCE 210  
Introduction to International Classification of Diseases (ICD-10)  
3 credits  
Offered upon request  
Offered in Gila County only  
Prerequisite: BI 160 or BI 202 and HCE 112 and HCE 190 or HCE 240 or concurrent enrollment in BI 160 or BI 202 and HCE 112 and HCE 190 or HCE 240  
Introduction to principles and applications of the International Classification of Diseases (ICD) coding system and the Healthcare Common Procedure Coding System (HCPCS). Includes overview of coding, introduction to ICD 10th Revision Clinical Modifications/Procedural Coding System (10-CM/PCS), coding conventions, coding guidelines, hospital inpatient, outpatient, and physician office coding, and overview of HCPCS.

HCE 212  
4 credits  
Offered upon request  
Offered in Gila County only  
Prerequisite: HCE 210 or concurrent enrollment in HCE 210  

HCE 214  
4 credits  
Offered upon request  
Offered in Gila County only  
Prerequisite: HCE 212 or concurrent enrollment in HCE 212  

HCE 216  
Professional Practice in Coding and Billing  
3 credits  
Offered upon request  
Offered in Gila County only  
Prerequisite: Prior or concurrent enrollment in HCE 214 required  
Designed to provide for student attainment of the entry-level competencies for medical coding and billing. Placement in a clinic, physician office, hospital, managed care organization, private billing, or insurance company setting is required for a minimum of 90 hours. In an actual work situation, students will perform both medical coding and billing competencies.

HCE 240  
Human Pathophysiology  
4 credits  
Offered every fall and spring semester  
Prerequisite: HCE 190 or BI 160 or BI 202 or concurrent enrollment in BI 160 or BI 202 and HCE 112 and HCE 190 or HCE 240  
Introduction to International Classification of Diseases (ICD) coding and healthcare reimbursement. Students will be exposed to ICD-10, CODING, documentation guidelines, reimbursement trends, and healthcare reimbursement. This will enable the student to work on and repair all major types of HVAC-R units.

HCE 289  
Phlebotomy Practicum  
2 credits  
Offered every spring semester  
Prerequisite: HCE 186 and HCE 189 or concurrent enrollment in HCE 189; Minimum age 18  
Designed to provide for student attainment of the entry-level competencies for phlebotomy technician. Placement in an inpatient and outpatient health care setting is required for a minimum of 90 hours. Clinical competencies include drawing blood from patients in hospitals, clinics, doctors’ offices, laboratories, or similar facilities for medical purposes. In an actual work situation, students will work as phlebotomists. Students will be exposed to ICD-10, CODING, documentation guidelines, reimbursement trends, and healthcare reimbursement.

HVA 101  
Principles of HVAC-R  
3 credits  
Offered upon request  
This course gives a history of HVAC-R development. Students learn the relationship between pressure and temperature, and heat transfer and become familiar with different types of HVAC-R units.

HVA 103  
HVAC-R Controls  
3 credits  
Offered upon request  
This course teaches the different controls that enable the HVAC-R units to operate as designed. The knowledge gained will provide the student with a greater understanding of HVAC-R controls. This will enable the student to work on and repair all major brands of heating units and will enable the student to maintain a well paid career.

HVA 105  
Heating System Basics  
1 to 3 credits  
Offered upon request  
This course teaches the different types of heating units used in all applications of the HVAC industry. The knowledge gained will enable the student to be able to work on and repair all major brands of heating units and will enable the student to maintain a well paid career.

HVA 109  
Troubleshooting HVAC-R Systems  
3 credits  
Offered upon request  
This course teaches the students the techniques required for servicing and repairing all forms of HVAC systems. The student will become familiar with being able to determine what is wrong in a given circumstance by evaluating what is wrong with information the student has learned. This knowledge will also enable the student to maintain a well paying career.

HVA 110  
Electricity for HVAC-R  
1 to 3 credits  
Offered upon request  
This course is designed for the application of concepts to the real world of HVAC-R. The course is designed with detailed electrical procedures, basic electrical concepts, reading of circuits and meters, identification of components, symbols and wiring diagrams used in air conditioning control systems, installation of contacts, relays, and overload switches as well as troubleshooting applicable to the field of HVAC-R technology.
HVA 115
EPA Certification
1 credit
Offered upon request
Upon successful completion of this course, students will be eligible to take the nationally recognized EPA Universal certification that will allow the individual to perform system evacuations of various cooling gases in the field of refrigeration technology.

HVA 201
Advanced HVAC-R Commercial Air Conditioning
3 credits
Offered upon request
Prerequisite: HVA 115 or instructor approval
This course develops a basic knowledge of commercial air conditioning. It helps students understand commercial package units, as well as the role of fresh air mixing, variable air volume, and variable refrigerant flow.

HISTORY

HIS 101 SUN
HIS 1131
U.S. History to 1877
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Colonial America and the United States from pre-Columbian era to 1877. This course of study includes units on discovery, colonization, the formation of the American Union, Constitutional principles, westward expansion, origins of north/south conflict, the Civil War and Reconstruction. Significant economic and social developments are placed in their historical context.

HIS 102 SUN
HIS 1132
U.S. History Since 1865
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
The United States since 1865. This course of study includes units on industrialization, the development of the west, the progressive era, World War I, the depression, World War II, the Cold War and recent American History. Significant economic and social developments are placed in their historical context.

HIS 104
The Development of Europe to 1650
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Survey and development of western thought, culture, and political history from ancient times to 1650. This course of study includes the rise of the city in Mesopotamia and Egypt, the rise of Greece and Rome, the Byzantine Empire and the Middle Ages in western Europe, the Renaissance and Reformation, exploration and expansion, and the century of religious warfare.

HIS 105
Modern European History Since 1550
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences
Offered every spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Survey and development of western thought, culture, and political history from 1550 to present day. This course of study includes the century of religious warfare, the age of Absolutism and Constitutionalism, the Scientific Revolution, the French Revolution, the Industrial Revolution, the rise of the Nation-State, World War I, World War II, the Cold War, and post-Cold War western world and globalism.

HIS 111
History of China to 1600
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences
Offered every spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Survey of the development of Chinese culture and society from early man to the Ming Dynasty and European penetration. Students will become familiar with continuity and change in Chinese history, from distinct features of homo erectus fossil finds in China, through the traditional society encountered by European traders in the seventeenth century. Topics will include the physical, climatological, and population characteristics of the region, contacts with surrounding cultures, the cultural, philosophical, and religious justifications for centralized imperial rule, traditional social structure, and social roles from the village level to the imperial court, and dynastic emergence, collapse, and reform. Chinese developments in writing, literature, art, science, and engineering will be reviewed at each historical stage.
## COURSE DESCRIPTIONS

**HHP 210**  
Introduction to Exercise Science and Physical Education  
3 credits  
Offered every spring semester  
An introduction to the disciplines and professions associated with exercise science/kinesthetics including an overview of historical and philosophical foundations.

**HHP 213**  
Introduction to Strength and Conditioning for Sport Performance  
3 credits  
Offered every fall and spring semester  
Introduction to basic strength and cardiovascular training principles including structures and function of the cardiorenal system, the integrated fitness assessment, the importance of core, balance, resistance, plyometric, and speed, agility, and quickness trainings, and causes and symptoms of chronic health conditions.

**HHP 214**  
Contemporary Sports Management  
3 credits  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
An introduction to local, national, and international sport, legal issues, and ethics in sport management, and its influence on society and culture. Assesses and analyzes the increasing globalization of the sport industry and develops an understanding of the similarities and differences in sport management practices and applications around the world. Includes current trends in sports research and management. Covers the history of the sports industry, terminology, and career opportunities. Identical to BUS 214.

**HHP 240**  
Fitness and Sports Medicine III  
1 credit  
Course is designed to allow application of techniques observed by students pursuing the Sports Medicine and Rehabilitative Therapies Certificate.

**HHP 241**  
Fitness and Sports Medicine IV  
1 credit  
Offered every spring semester  
Course is designed to allow application of techniques observed by students pursuing the Sports Medicine and Rehabilitative Therapies Certificate.

**HHP 270**  
Introduction to Sports Medicine  
3 credits  
Offered every fall and spring semester  
Introductory course designed to provide insight into the athletic training profession: emergency care, daily training room procedures, etc.

**HHP 274**  
Sports Nutrition  
3 credits  
Offered every fall semester  
Examination of the relationship between nutrition and the human body. Includes introduction to nutrition, food habits, nutritional components, food selection, nutritional assessment, eating disorders, and using your knowledge.

**HHP 276**  
Sports Psychology  
3 credits  
Offered every fall and spring semester  
Examination of psychological factors that influence sport performance and coaching behaviors and the psychological effects that sport and exercise involvement have on the participant. Includes an introduction to sport psychology and sport history, psychological principles of behavioral development and control, social psychological dimensions of sport and exercise, personality assessment, the study of special athletic populations, coaching roles and behavior, and exercise psychology.

**HHP 278**  
Kinetic Anatomy  
3 credits  
Offered every fall and spring semester  
Examination of anatomical factors that will enhance “hands-on” experiences, teach anatomical structures, present common anatomical conditions, and provide basic vocabulary of anatomy.

**HHP 293**  
Athletic Training Practicum II  
3 credits  
Offered upon request  
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

**HHP 294**  
Athletic Training Practicum III  
3 credits  
Offered upon request  
To teach and evaluate competencies in post-secondary education programs, professional development and responsibilities, assessment and evaluation, therapeutic exercise, and therapeutic modalities.

**HHP 295**  
Athletic Training Practicum IV  
3 credits  
Offered upon request  
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

**INDUSTRIAL ARTS**

**IAR 101**  
Woodworking  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
History of wood technology, use of tools, safety, construction principles, introduction to wood finishes and other wood processes. Students will be charged for some supplies.

**IAR 110**  
Upholstery  
2 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
The course includes construction practices in frames and bases, use of hand and power tools and the selection of finishes, fabrics, and materials and instruction in processes used in upholstery. Prior sewing experience is helpful but not required.

**IAR 112**  
Advanced Upholstery  
2 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: IAR 110  
The course includes advanced study of upholstery processes, covering selection of finishes, fabrics and materials and technical solutions to problems in advanced practices.

**IAR 120**  
Machine Woodworking  
2 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Use of power tools, industrial applications, proper structural relationships, and strength of wood construction. Students will be charged for some supplies.

**IAR 297**  
Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
A course designed to meet a variety of needs for students in Industrial Arts.

**IAR 298**  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
A course designed to meet a variety of needs for students in Industrial Arts.

**IAR 299**  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

**LANGUAGES**

**ASL 011**  
Conversational American Sign Language I  
3 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
Introduction to Conversational American Sign Language. Emphasizes vocabulary, structure, grammar, dialogues, and narratives.
ASL 012
Conversational American Sign Language II
3 credits
Developmental course - does not count for graduation credit
Offered upon request
Continuation of ASL 011. Emphasizes vocabulary, grammatical structure, dialogue, and narratives.

ASL 098
American Sign Language Lab I
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Emphasizes vocabulary, structure, grammar, dialogues, and narratives. Lab is conducted primarily without voice.

ASL 099
American Sign Language Lab II
1 credit
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of American Sign Language Lab I. Students taking the lab independent of ASL 011 receive 1 credit. Students taking the lab concurrently with ASL 011 receive 0 credit.

ASL 101
Beginning American Sign Language I
4 credits
GE category: GE Options
Offered upon request
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy.

ASL 102
Beginning American Sign Language II
4 credits
GE category: GE Options
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy.

FLN 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Meets individual student needs in languages other than Arabic, Chinese, French, German, and Spanish.

FRE 011
Beginning Conversational French I
2 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Emphasizes sentence structure, vocabulary, pronunciation, and study of French-speaking cultures.

FRE 012
Beginning Conversational French II
2 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Emphasizes sentence structure, vocabulary, pronunciation, and study of French-speaking cultures.

FRE 090
Interactive French Lab
1 to 3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
This course emphasizes listening comprehension, sentence structure, vocabulary, and pronunciation through the use of Rosetta Stone software.

FRE 101
Elementary French I
4 credits
GE category: GE Options Diversity and Inclusion, Global/International/Historical Awareness
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy.

FRE 102
Elementary French II
4 credits
GE category: GE Options Diversity and Inclusion, Global/International/Historical Awareness
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy and FRE 101 or instructor approval

FRE 201
Intermediate French I
4 credits
GE category: GE Options Diversity and Inclusion, Global/International/Historical Awareness
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy

FRE 202
Intermediate French II
4 credits
GE category: GE Options Diversity and Inclusion, Global/International/Historical Awareness
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy

FRE 261
French Conversation and Composition I
2 credits
Offered upon request
Emphasizes speaking and writing in everyday idiom; employs materials based on current topics.

FRE 262
French Conversation and Composition II
2 credits
Offered upon request
Emphasizes speaking and writing in everyday idiom; employs materials based on current topics.

SPA 011
Beginning Conversational Spanish I
2 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Emphasizes sentence structure, vocabulary, pronunciation, and study of Spanish-speaking cultures.

SPA 012
Beginning Conversational Spanish II
2 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
Emphasizes sentence structure, vocabulary, pronunciation, and study of Spanish-speaking cultures.

SPA 090
Interactive Spanish Lab
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
This course emphasizes listening comprehension, sentence structure, vocabulary, and pronunciation through the use of Rosetta Stone software.
**SPA 101** Elementary Spanish I  
4 credits  
GE category: Diversity and Inclusion, Global/International/Historical Awareness, GE Options  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
This course is designed for students at the Beginning Spanish I level. Emphasizes speaking, reading, writing, listening comprehension, and culture through a variety of approaches.

**SPA 102** Elementary Spanish II  
4 credits  
GE category: Diversity and Inclusion, Global/International/Historical Awareness, GE Options  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy and SPA 101 or instructor approval  
Continuation of SPA 101. Emphasizes speaking, reading, writing, listening comprehension, and culture through a variety of approaches.

**SPA 201** Intermediate Spanish I  
4 credits  
GE category: Diversity and Inclusion, Global/International/Historical Awareness, GE Options  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy and SPA 102 or instructor approval  
Intermediate study of Spanish language, with emphasis on speaking, listening, reading, and writing. Course taught in Spanish. With completion of four years of high school Spanish or equivalent experience in a Spanish speaking country, instructor may approve placement in this class.

**SPA 202** Intermediate Spanish II  
4 credits  
GE category: Diversity and Inclusion, Global/International/Historical Awareness, GE Options  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy and SPA 201 or instructor approval  
Intermediate study of Spanish language, with emphasis on speaking, listening, reading, and writing. Course taught in Spanish. With equivalent experience in a Spanish speaking country, instructor may approve placement in this class.

**SPA 261** Spanish Conversation and Composition I  
2 credits  
Offered upon request  
Emphasizes speaking and writing in everyday idioms; employs material based on current topics.

**SPA 262** Spanish Conversation and Composition II  
2 credits  
Offered upon request  
Emphasizes speaking and writing in everyday idioms; employs material based on current topics.

**MATHEMATICS**

**MAT 077** Elementary Algebra  
4 credits  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Prerequisite: Placement test score as established by District policy  
An introduction to Algebra. Topics include algebraic expressions, linear equations and inequalities, graphing, exponents, polynomials, factoring, and systems of equations.

**MAT 100** Applied Mathematics  
4 credits  
Developmental Course  
GE category: AAS degree only  
Offered every fall and spring semester  
A survey of mathematical concepts including operations with numbers and fundamental algebraic operations, measurement, geometry, right-triangle trigonometry, and statistical measures.

**MAT 140** College Mathematics  
3 credits  
GE category: Mathematics  
Offered every fall and spring semester  
Prerequisite: MAT 077 or higher with a grade of "C" or higher, or BUS 111 with a grade of "C" or higher, or placement test score as established by District policy and ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
Applications of mathematics to real life situations. Quantitative methods including probability, statistics, algebra, and exponential functions will be used to analyze concepts and applications from business, social sciences, the physical sciences, and the mathematics of finance. Optional topics may include linear programming, geometry, logic, graph theory, voting theory, and apportionment. Recommend completion of at least two years of high school algebra. Appropriate for students whose major does not require any Calculus.

**MAT 154** Precalculus Algebra  
4 credits  
GE category: Mathematics  
Offered every fall and spring semester  
Prerequisite: MAT 120 with a grade of "C" or higher or placement test score as established by District policy and ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
A first course to prepare students for calculus. Topics include functions, graphs, equations, exponentials, logarithms, matrices, and conic sections. Optional topics may include sequences and series.

**MAT 156** Principles of Mathematics I  
3 credits  
Offered every spring semester  
Prerequisite: MAT 140 or higher with a grade of "C" or higher or placement test score as established by District policy  
Mathematical principles and processes underlying mathematics instruction in grades K-8; numbers and the base-ten system, problem solving, fractions, decimals, addition, subtraction, multiplication, division, ratios, proportions, and number theory.

**MACHINE SHOP**

**MSP 108** Introduction to Oxyacetylene Welding and Metal Fabrication  
3 credits  
Offered upon request  
A basic welding and metal fabrication course which stresses theory and application in welding methods including oxyacetylene welding, brazing, cutting, and soldering. Instruction is also given on sheet metal layout and construction. Equivalent to WDL 108.

**MSP 297** Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Machine Shop.

**MSP 298** Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Machine Shop.
### COURSE DESCRIPTIONS

#### MAT 157
**Principles of Mathematics II**
3 credits
Offered every spring semester
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy
A continuation of MAT 156, Principles of Math I, including the processes underlying mathematics instruction in grades K-8; algebra, measurement, geometry including perimeter, area, volume, surface area, transformations, constructions, symmetry, scaling, statistics, and probability.

#### MAT 160
**Introduction to Statistics**
3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Introduces statistical methods as applied to collecting, tabulating, analyzing, presenting, and interpreting data. Topics covered include frequency distributions, measures of central tendency, measures of dispersion, elementary probability theory, estimation, hypothesis testing, regression and correlation. A basic course for students in business, behavioral and social sciences. Identical to PSY 220.

#### MAT 171
**Finite Mathematics**
4 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Math for social, life, and management sciences. Topics covered will be applicable to certain business majors (please consult your advisor). Includes systems of equations, set theory, matrices, probability, and other subjects.

#### MAT 181
**Precalculus Trigonometry**
3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 154 with a grade of “C” or higher or concurrent enrollment in MAT 154 or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Trigonometric functions, identities and equations; development and application of the various formulae for solving triangles, vectors, and complex numbers.

#### MAT 201
**MAT 212**
**Elements of Calculus**
4 credits
GE category: Mathematics
Offered upon request
Prerequisite: MAT 154 with a grade of “C” or higher or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Differentiable and integral calculus of elementary functions with applications to business, economics, and the social sciences. Not open to students who have received a grade of “C” or higher in MAT 220.

#### MAT 220
**Calculus I**
5 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 181 with a grade of “C” or higher or MAT 187 with a grade of “C” or higher or placement test score as established by District policy and ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Real numbers, limits and continuity for functions of a single real variable. Differentiability and applications of the derivative. Introduction to integral calculus and applications of the integral.

#### MAT 225
**Elementary Linear Algebra**
3 credits
Offered every fall semester
Prerequisite: MAT 210 or higher with a grade of “C” or higher
Introduction to vector spaces, linear transformations, matrices, determinants, eigenvalues and eigenvectors, and solutions of linear systems of equations.

#### MAT 230
**Calculus II**
4 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 220 with a grade of “C” or higher
Continuation of MAT 220. Transcendental functions, techniques of integration, parametric equations, improper integrals, infinite series, conics, and polar coordinates.

#### MAT 240
**Calculus III**
4 credits
GE category: Mathematics
Offered every spring semester
Prerequisite: MAT 230 with a grade of “C” or higher
Continuation of MAT 230. Vectors, geometry, differentiation, and integration in Euclidean n-space, Line and surface integrals, Theorems of Green, Gauss, and Stokes.

#### MAT 260
**Differential Equations**
4 credits
GE category: Mathematics
Offered every spring semester
Prerequisite: MAT 230 with a grade of “C” or higher and ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Basic concepts, ordinary differential equations of first order, higher order linear equations, variation of parameters, undetermined coefficients. Systems of equations, series solutions and Laplace transform methods. The course includes six Matlab assignments.

#### MAT 298
**Workshop**
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs of students in Mathematics.

#### MAT 299
**Independent Study**
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

#### MDC 102
**Introduction to Media Communications**
3 credits
GE Category: Diversity and Inclusion, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
This course covers laws, regulations, ethics, politics, social diversity, economics, and the globalization issues related to mass media communications. The focus of this course is to develop an understanding of current and past applications, methods, styles and techniques of each medium used in mass media communication. Examines the roles of books, newspapers, magazines, radio, television, motion pictures, advertising, and social media play in influencing individuals within society. Develops each individual’s understanding related to how various media affect society in the digital age.

#### MDC 108
**Video Editing for Family History**
2 credits
Offered upon request
An introductory course in video production for the individual who wants to document family history and other personal events. Participants capture home videos and scan photographs or slides to a computer so they can preserve and share these moments with their families. They create a DVD of their completed projects. This course is taught on the PC platform. Identical to GEN 108.

#### MDC 109
**Media Production Process**
1 credit
Offered upon request
Activity/Personal Enrichment
This course offers instruction in the use of low cost alternatives to develop highly engaging media presentations. Projects will be developed using the personal computer and low-cost editing software, cameras, and recorders. Students are encouraged to bring in their equipment to better learn how to use what they already have available.
MDC 115
Cinematic Storytelling
3 credits
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
This course introduces students to the world of cinematic storytelling by exploring the nature, structure, and function of storytelling in film and society. Students will analyze how elements such as plot, character, setting, and narrative techniques affect the meaning and impact of a film. By learning the proper structure and components of a story, students will be able to understand, create, and appreciate film narrative.

MDC 150
Video Production
3 credits
Offered upon request
An overview of the principles and beginning techniques of video production.

MDC 162
Audio Recording Techniques for Voice Actors
3 credits
Offered upon request
This course offers instruction in the basic functions, operation, and use of audio mixers and associated equipment for audio recording for voice actors. Training includes recording techniques, voice acting skills, and audio editing. Special topics cover interpreting novels, usage rights, and employment opportunities.

MDC 168
Audio for Studio and Sound Reinforcement
3 credits
Offered upon request
This course offers instruction in the concepts and functions of studio microphones, audio mixers, sound systems, consoles, amplifiers, speakers, and processors. Focus is on studio recording and sound reinforcement for live venues. Special topics cover audio aesthetics, usage rights, and employment opportunities.

MDC 180
Video Editing I
3 credits
Offered upon request
Course work covers current techniques in non-linear video editing. Students will become familiar with use of computer based editing concepts common to the video editing industry. Students will learn how to author and create a DVD of their completed projects. Students will do research comparisons on equipment and software available for video editing.

MDC 200
Film History
3 credits
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
This course explores the film industry within the context of its historical, social, economic, and artistic influence. Students will examine the aesthetic and commercial interests of cinema and its historical development from the 1890s to the contemporary period. Students will study the technology, the industrial structures, the personnel, and the films that have marked the evolution of film from silent shorts, world cinema, and through the rise and fall of the Hollywood studio system, to the period of conglomerator and convergence that currently defines the industry.

MDC 212
Writing the Screenplay
3 credits
Offered every spring semester
Prerequisite: MDC 112 and ENG 100 or higher with a grade of “C” or higher, or writing placement test score as established by District policy, or instructor approval
The emphasis of this course is on telling a visual story. Students are expected to develop and write a short screenplay. This course is a key component for success in other media production classes.

MDC 220
Principles of Filmmaking
3 credits
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
This course is designed to introduce students to the world of film production, guiding them through each step of the film production process. This course covers the important roles and responsibilities required throughout the entire filmmaking process. Students explore the five key disciplines of filmmaking: directing, cinematography, producing, production design, and post-production. The student will learn the importance of each phase of creating a motion picture, starting with the idea, and progressing to the completion of a short film. Students are provided with the knowledge, skills, and experience to film and produce a short film.

MDC 250
Documentary Video Production
3 credits
Offered upon request
Instruction in documentary video production for television, educational media, and corporate communications. The principles, standards, press rights, and ethics for documentary video production are covered. Students learn the process of producing, shooting, interviewing, and sound recording for video documentaries. Skills include pre-production planning, scheduling, location details, shot lists, and scripting for non-fiction video. Styles/techniques focus on different approaches to documentary production by PBS, BBC, National Geographic, and theatrical infotainment. Special topics cover documentary structure, aesthetics, usage rights, ethics, libel, and press laws.

MDC 252
Sports Production I
1 credits
Offered upon request
This course offers instruction in the functions, operation, and use of HD broadcast digital cameras, and associated equipment for live sports video production. Students learn the process of producing, directing, and special camera operations for Sports Video Production. Students produce EAC sports promos, player highlights, and team profiles that are incorporated into the live webcasts.

MDC 253
Sports Production II
1 credits
Offered upon request
This course offers instruction in the functions, operation, and use of HD broadcast digital cameras, and associated equipment for live sports video production. Students learn the process of producing, directing, and special camera operations for Sports Video Production. Students produce EAC sports promos, player highlights, and team profiles that are incorporated into the live webcasts.

MDC 254
Cinema Style Video Production
3 credits
Offered upon request
This course offers instruction in digital cinema video production and the specialized cameras, lighting, and grip equipment used in cinematic filmmaking. Students learn the art and technique of visual and narrative storytelling. Training covers cinematic shooting styles using natural and available light plus traditional artificial lighting. Fundamental elements focus on the basics of filmmaking: producing, research, story development, directing, cinematography, sound recording, and post-production editing. Special topics explore different cinema genres, structure, aesthetics, and the vision of the director. Special topics are location operations, safety and proper securing of video equipment and cables.

MDC 280
Video Editing II
3 credits
Offered every spring semester
Prerequisite: MDC 180 with a grade of “C” or higher or instructor approval
Continuation of MDC 180. This course covers current techniques in non-linear video editing. Students will become familiar with concepts of video trimming, staying in sync, editing in the timeline, changing audio levels, and visual effects. This course will also focus on developing the student’s understanding of the multiple methods a video editor uses to enhance the script’s intent and the final project outcome.

MDC 290
Media Communications Capstone Project
1 credits
Offered every spring semester
Prerequisite: MDC 150 and MDC 180 with a grade “C” or higher, or instructor approval
This course will serve media program majors. This course will require students to develop and incorporate a project from core curricula courses. The course will allow students to better prepare for work related activities by requiring them to apply learned concepts to a real-world scenario.

MDC 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Media Communications program.

MINING
MIN 121
Surface Mine Safety Training
1 to 2 credits
Offered upon request
Offered in Gila County only
This course will meet U.S. Mine Safety and Health Administration requirements for new miner training for individuals, contractors, and mine employees, when used as part of an approved safety training program.

MIN 297
Workshop
1 to 3 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Designed to meet a variety of needs of students in Mining and Industrial Technology.
MIN 299
Independent Study
1 to 3 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

MUSIC

General Information For All Private Instruction (Voice, Piano, Instruments)
All private instruction is given on levels of skill determined by the instructor. Course numbers for this instruction begin with the sub-collegiate level, 011 through 015, and range upward to four complete semesters of private college level study.

Length of private lesson is usually one-half hour with some variation by the instructor. There is a private lesson course fee required for private instruction in addition to college tuition.

MUS 011
Private Voice I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Private instruction in voice. A private lesson course fee is required.

MUS 012
Private Piano I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Study of basic principles of keyboard playing to include acquaintance with a variety of solo literature from representative musical eras and appropriate technical exercises as needed. The student will perform, analyze, build technical skills, and learn appropriate repertoire for their level of ability. A private lesson course fee is required.

MUS 013
Private Instruments I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Private instruction in band and orchestral instruments: flute, oboe, clarinet, bassoon, horn, saxophone, trumpet, trombone, tuba, baritone, guitar and percussion.

MUS 014
Private Strings I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. A private lesson course fee is required.

MUS 015
World of Music
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Humanities
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher and prior or concurrent enrollment in MUS 105 required
Continuation of MUS 106

MUS 016
Music Theory I
3 credits
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 107 required
Basic theory needed for development of musicianship and musical understanding; scales, keys, rhythm, triads, part-writing, cadences, dominant sevenths, secondary dominants, and simple modulations.

MUS 017
Music Theory II
3 credits
Offered every spring semester
Prerequisite: MUS 015 with a grade of "C" or higher and prior or concurrent enrollment in MUS 108 required
Continuation of MUS 105.

MUS 018
Aural Perception I
1 credit
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 105 required
Sight singing, ear training, and keyboard harmony.

MUS 019
Aural Perception II
1 credit
Offered every spring semester
Prerequisite: MUS 015 with a grade of "C" or higher and prior or concurrent enrollment in MUS 108 required
Continuation of MUS 107.

MUS 020
Marching Band I
2 credits
Offered every fall semester
Activity/Personal Enrichment
Teaches basic marching fundamentals. Performs for half-time shows at football games, parades, and reviews music and techniques appropriate to various marching styles. Provides pep band music for the basketball season.

MUS 021
Marching Percussion I
1 credit
Offered every fall semester
Activity/Personal Enrichment
Study and preparation of percussion music for the marching band. Class is separate from marching band and is required for percussion students from the pit and the battery.

MUS 022
Class Instruction in Brass I
1 credit
Offered every fall semester
Activity/Personal Enrichment
Elementary group instruction required of instrumental music majors. Includes skills of teaching brass at the elementary level. Upper brass instruments with emphasis on trumpet and French horn.

MUS 023
Jazz Ensemble I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Studies and performs a wide range of popular and jazz literature to develop musicianship. Auditions will be held.

MUS 024
Jazz Ensemble II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 125. Auditions will be held.
MUS 127  
Men's Chorus I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s choruses.

MUS 128  
Men's Chorus II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 127.

MUS 129  
Women's Chorale I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Women’s Chorale is an all-female vocal group that performs many facets of music that are both accompanied and a cappella. Along with rehearsals, Women’s Chorale performs at Fall and Spring Sing, Festival of Carols, and tours during the spring semester.

MUS 130  
Women's Chorale II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Women’s Chorale is an all-female vocal group that performs many facets of music that are both accompanied and a cappella. Along with rehearsals, Women’s Chorale performs at Fall and Spring Sing, Festival of Carols, and tours during the spring semester.

MUS 133  
Symphonic Choir I  
1/2 to 1 credit  
Offered upon request  
Activity/Personal Enrichment  
Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s, women’s and mixed choruses.

MUS 134  
Symphonic Choir II  
0.5 to 1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 133.

MUS 135  
Vocal Show Ensemble I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Offered every fall and spring semester

MUS 136  
A Cappella Choir I  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 136. Auditions will be held.

MUS 137  
A Cappella Choir II  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 136. Auditions will be held.

MUS 139  
Vocal Show Ensemble II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 135. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC's vocal show ensemble, known as "Company."

MUS 140  
Chamber Ensemble I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of chamber music repertoire with weekly coaching sessions of string quartets and trios, with piano and in other combinations with other instruments. Auditions will be held.

MUS 141  
Chamber Ensemble II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 140. Auditions will be held.

MUS 142  
Symphonic Band I  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Open to men and women. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC’s vocal show ensemble, known as "Company."

MUS 143  
Symphonic Band II  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Continuation of MUS 142.

MUS 144  
Symphony Orchestra I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
This class prepares concerts for public performances and provides accompaniment for music performances. Auditions will be held.

MUS 145  
Symphony Orchestra II  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 141. Auditions will be held.

MUS 146  
Beginning Guitar  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Covers the history, style, and development of playing skill on the guitar.

MUS 147  
Class Piano I for Music Majors  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of the piano and piano playing for the music major. This class will aid you with your development as a professional musician and help focus skills as a beginner pianist.

MUS 148  
Private Voice I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
A private lesson course fee is required.

MUS 149  
Private Voice II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 148.

MUS 150  
Private Voice III  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 149.

MUS 151  
Private Voice IV  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 150.

MUS 152  
Jazz Theory and Improvisation I  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Jazz Theory and Improvisation serves as an essential tool to music majors in the professional world. During this course, majors will learn the techniques of jazz soling, extended harmony, and basic jazz composing techniques. Specifically, the study of blues scales and ii/VI/I progressions are included within the curriculum. The student will synthesize basic jazz scales into effective jazz solos. Students must play an instrument.

MUS 153  
Jazz Theory and Improvisation II  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Fundamentals of the piano and piano playing for the music major. This class will aid you with your development as a professional musician and help focus skills as a beginner pianist.

MUS 154  
Class Piano I for Non-Music Majors  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of the piano and piano playing for the non-music major. This class will help you with your professional development as a beginning musician, personal enjoyment, and musical gain.
MUS 171
Private Piano II
1 credit
Offered upon request
Activity/Personal Enrichment
Study of basic principles of keyboard playing to include acquaintance with a variety of solo literature from representative musical eras and appropriate technical exercises as needed. The student will perform, analyze, build technical skills, and learn appropriate repertoire for their level of ability. A private lesson course fee is required.

MUS 172
Private Piano III
1 credit
Offered upon request
Activity/Personal Enrichment
Study of basic principles of keyboard playing to include acquaintance with a variety of solo literature from representative musical eras and appropriate technical exercises as needed. The student will perform, analyze, build technical skills, and learn appropriate repertoire for their level of ability. A private lesson course fee is required.

MUS 181
Private Instruments II
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in band and orchestral instruments: flute, oboe, clarinet, bassoon, horn, saxophone, trumpet, trombone, tuba, baritone, guitar, and percussion. A private lesson course fee is required.

MUS 182
Private Instruments III
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 181. A private lesson course fee is required.

MUS 183
Private Strings II
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, MUS 014 and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries required. A private lesson course fee is required.

MUS 184
Private Strings III
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 183. Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, MUS 014 and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries required. A private lesson course fee is required.

MUS 190
Vocal Jazz Ensemble I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to meet the need for a small vocal ensemble that can travel and present entertaining variety shows of a professional nature, in the local community and around the state. A variety of pop musical styles will be studied and performed. Auditions will be held.

MUS 191
Vocal Jazz Ensemble II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 190. Auditions will be held.

MUS 203
Music Notation/Finale
2 credits
Offered upon request
Activity/Personal Enrichment
This course covers the basic techniques of using Finale, a professional-level computer music notation program. Basic knowledge of music theory and computer literacy are recommended.

MUS 204
Elements of Conducting
2 credits
Offered every spring
Fundamentals and essentials of conducting and rehearsal techniques used by both choral and instrumental conductors.

MUS 205
Music Theory III
3 credits
Offered every fall semester
Prerequisites: MUS 106, MUS 108, and concurrent enrollment in MUS 212 required
Diatonic and chromatic harmonic writing and analysis including 20th century techniques.

MUS 206
Music Theory IV
3 credits
Offered every spring semester
Prerequisites: MUS 205, MUS 212 and concurrent enrollment in MUS 213 required
Continuation of MUS 205.

MUS 211
Marching Band II
2 credits
Offered every fall semester
Activity/Personal Enrichment
Prerequisite: MUS 111
Teaches basic marching fundamentals. Performs for half-time shows at football games, parades, and reviews music and techniques appropriate to various marching styles. Provides pop band music for the basketball season.

MUS 211B
Marching Percussion II
1 credit
Offered every fall semester
Activity/Personal Enrichment
Study and preparation of percussion music for the marching band. Class is separate from marching band and is required for percussion students from the pit and the battery.

MUS 212
Aural Perception III
1 credit
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 205 and MUS 108 required
Continuation of MUS 108.

MUS 213
Aural Perception IV
1 credit
Offered every spring semester
Prerequisite: Prior or concurrent enrollment in MUS 206 and MUS 212 required
Continuation of MUS 212.

MUS 225
Jazz Ensemble III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 128. Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s, women’s, and mixed choirs.

MUS 226
Jazz Ensemble IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 225. Auditions will be held.

MUS 227
Men’s Chorus III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 128. Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s choirs.

MUS 228
Men’s Chorus IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 227.

MUS 229
Women’s Chorale III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Women’s Chorale is an all-female vocal group that performs many facets of music that are both accompanied and a cappella. Along with rehearsals, Women’s Chorale performs at Fall and Spring Sing, Festival of Carols, and tours during the spring semester.

MUS 230
Women’s Chorale IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 229.

MUS 233
Symphonic Choir III
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 134. Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s, women’s, and mixed choirs.

MUS 234
Symphonic Choir IV
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 233.
MUS 235
Vocal Show Ensemble III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Open to men and women. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC’s vocal show ensemble, known as “Company.”

MUS 236
A Cappella Choir III
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 141. Accompanied and a cappella literature of all periods studied and performed. Intended to be the top, large vocal ensemble - the touring choir. Focus on literature for Fall Sing, Christmas Concert, Messiah, Tour, and Spring Sing concerts. Auditions will be held.

MUS 237
A Cappella Choir IV
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 236. Admission by audition and director permission.

MUS 239
Vocal Show Ensemble IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Open to men and women. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC’s vocal show ensemble, known as “Company.”

MUS 240
Chamber Ensemble III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 141. Auditions will be held.

MUS 241
Chamber Ensemble IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 240. Auditions will be held.

MUS 242
Symphonic Band III
2 credits
Offered every spring semester
Activity/Personal Enrichment
Continuation of MUS 143. Open for membership without audition to students from any major field of study as well as faculty and community members. This ensemble is also an outstanding forum for music majors to refine skills on primary or secondary instruments. Required for instrumental music majors.

MUS 243
Symphonic Band IV
2 credits
Offered every spring semester
Activity/Personal Enrichment
Continuation of MUS 242.

MUS 251
Symphony Orchestra III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 152. Studies and performs a wide selection of symphonic literature. Orchestra prepares concerts for public performances and provides accompaniment for music performances. Auditions will be held.

MUS 252
Symphony Orchestra IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 251. Auditions will be held.

MUS 255
Class Piano III for Music Majors
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: MUS 156 with a grade of “C” or higher
Fundamentals of the piano and piano playing for the music major. This class will aid with the student’s development as a professional musician and help focus skills as a beginning pianist.

MUS 256
Class Piano IV for Music Majors
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: MUS 255 with a grade of “C” or higher
Fundamentals of the piano and piano playing for the music major. This class will aid you with your development as a professional musician and help focus skills as a beginning pianist.

MUS 257
Chamber Orchestra III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 158.

MUS 258
Chamber Orchestra IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 257.

MUS 261
Private Voice IV
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in proper singing techniques using art song literature. A private lesson course fee is required.

MUS 262
Private Voice V
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in proper singing techniques using art song literature. A private lesson course fee is required.

MUS 271
Private Piano IV
1 credit
Offered upon request
Activity/Personal Enrichment
Study of basic principles of keyboard playing to include acquaintance with a variety of solo literature from representative musical eras and appropriate technical exercises as needed. The student will perform, analyze, build technical skills, and learn appropriate repertoire for their level of ability. A private lesson course fee is required.

MUS 272
Private Piano V
1 credit
Offered upon request
Activity/Personal Enrichment
Study of basic principles of keyboard playing to include acquaintance with a variety of solo literature from representative musical eras and appropriate technical exercises as needed. The student will perform, analyze, build technical skills, and learn appropriate repertoire for their level of ability. A private lesson course fee is required.

MUS 278
Private Instruments IV
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in band and orchestral instruments: flute, oboe, clarinet, bassoon, horn, saxophone, trumpet, trombone, tuba, baritone, guitar, and percussion. A private lesson course fee is required.

MUS 282
Private Instruments V
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 281. A private lesson course fee is required.

MUS 283
Private Strings IV
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 184. Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, MUS 014 and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries required. A private lesson course fee is required.

MUS 284
Private Strings V
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 283. Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, MUS 014 and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries required. A private lesson course fee is required.

MUS 290
Vocal Jazz Ensemble III
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 191. Designed to meet the need for a small vocal ensemble that can travel and present entertaining variety shows of a professional nature, in the local community and around the state. A variety of pop musical styles will be studied and performed. Auditions will be held.

MUS 291
Vocal Jazz Ensemble IV
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 290. Auditions will be held.
NURSING

NUR 100 Nursing Assistant
6 credits
Offered every fall and spring semester
Prerequisite: ENG 055 or higher with a grade of "C" or higher or writing placement test score as established by District policy and ENG 090 or higher with a grade of "C" or higher or reading placement test score as established by District policy and MAT 100 or higher with a grade of "C" or higher or math placement test score as established by District policy or instructor approval
A course designed to prepare individuals for entry-level positions as nursing assistants in structured health care settings directly supervised by a registered or licensed practical nurse. Successful completion of the certification written and manual skills exams will lead to a certification as a Licensed Nursing Assistant (LNA) through the Arizona State Board of Nursing. Students must take NUR 100G, Nursing Assistant Lab, concurrently with this course. Students must attain a minimum of 120 hours of total instruction, which must include a minimum of 40 hours of classroom instruction, 20 hours in the skills lab, and 40 clinical hours in a skilled nursing facility. The Arizona State Board of Nursing requirements for certification include proof of legal presence in the United States and disclosure of felony conviction(s) through a background check paid to Corporate Screening. Fingerprints are required in order for DPS/FBI to conduct background checks for criminal convictions. Student must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis.

NUR 120 Nursing One
9 credits
Offered every fall and spring semester
Prerequisite: Admission to Eastern Arizona College’s nursing program
This course creates a foundation of nursing practice for each student. Themes for the program include caring, clinical competency, and nursing identity. This course teaches fundamental elements of nursing practice. Students will provide basic nursing care to stable and older clients in a variety of settings. Instruction will be offered through multiple methods such as didactic, skills lab, online and in the clinical setting. Entry into NUR 120 requires prior admission to the nursing program.

NUR 130 Nursing Two
9 credits
Offered every fall and spring semester
Prerequisite: BIO 202 with a grade of "C" or higher, NUR 120 with a grade of "B" or higher, and NUR 219 with a grade of "B" or higher
This course allows students to build on the foundation of nursing practice by focusing on nursing care of acutely ill hospitalized patients. Themes for the program include caring, clinical competency, and nursing identity. This course teaches medical-surgical nursing. Students will provide nursing care to multiple adult clients in a variety of acute care settings. Instruction will be offered through multiple methods such as didactic, skills lab, online and in the clinical setting.

NUR 219 Pharmacology for Nursing
3 credits
Offered every fall and spring semester
Prerequisite: BIO 201 and CHM 130 or higher (CHM 138 preferred) with a grade of "C" or higher
This course presents the foundation of pharmacology taught in the nursing process format. It offers drug information in the group classification format and includes drug indications, actions, contraindications, side effects, implications for administration, and related patient/family teaching. It integrates anatomy and physiology, basic pathophysiology, microbiology, and drug administration concepts.

NUR 240 Nursing Three
9 credits
Offered every fall and spring semester
Prerequisite: NUR 130 with a grade of "B" or higher
This course allows students to apply nursing judgment and skills focusing on nursing care of maternal child health and pediatric clients and integrating caring, clinical competency, and nursing identity. Students will provide nursing care to maternal, newborn, and pediatric clients. Students will also have the opportunity to utilize leadership and management skills in a variety of settings. Instruction will be offered through multiple methods such as didactic, skills lab, online, and in the clinical setting.

NUR 250 Nursing Four
10 credits
Offered every fall and spring semester
Prerequisite: NUR 240 with a grade of "B" or higher
This course is designed to students to synthesize nursing concepts and principles from this and previous courses in the provision of care to complex and critically ill clients. Themes for the program include caring, clinical competency, and nursing identity. Students will provide nursing care to critically ill clients in critical care, psychiatric and maternal child settings. Instruction will be offered through multiple methods such as didactic, skills lab, online and in the clinical setting. A live NCLEX review course is incorporated at the end of this course utilizing a national expert as the speaker.

NUR 297 Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Nursing Program.

NUR 299 Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Nursing Program.

PHYSICS

PHY 107 Physical Concepts
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Students are introduced to basic physical concepts in mechanics, fluids, heat, sound, optics, electricity, magnetism, atomic and nuclear physics. Recommend completion of one year of high school algebra.

PHY 111 PHY 1111 General Physics I
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: MAT 181 with a grade of "C" or higher, or concurrent enrollment in MAT 181, or MAT 187 with a grade of "C" or higher, or concurrent enrollment in MAT 187, or placement test score as established by District policy, or division approval
This course covers the fundamental principles of classical mechanics and thermodynamics. Problem solving is on the trigonometric level.

PHY 112 PHY 1112 General Physics II
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: PHY 111
Covers the fundamental principles of electricity, magnetism, and optics. Problem solving is on the algebraic level, with some trigonometric problems included.

PHY 211 PHY 1121 Physics with Calculus I
5 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: MAT 220 or concurrent enrollment in MAT 220 required
Covers fundamental principles of mechanics, fluids, thermodynamics, and wave motion using calculus.

PHY 212 PHY 1131 Physics with Calculus II
5 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: PHY 211
Covers fundamental principles of electricity and magnetism. Problem solving using calculus.

PHY 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Physical Science.
Pacific/International/History

Political

Science

POS 110 POS 1110
United States National Politics

3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Explores the history of the U.S. Constitution and interpretations of that document (past and present). Analyzes constitutional civil liberties and civil rights for minorities, the uniqueness of American Federalism, the American political process (media, public opinion, political parties, and elections), and the principles and structure of American national government and how that government makes policy.

POS 120 POS 1120
World Politics

3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Examines international relations and foreign policy. This course of study includes units on theories in world politics, history of foreign relations, international systems, actors within international systems, warfare versus international cooperation, and economic relations. This course is designed for full-time students who are Political Science majors, or are filling General Education requirements.

PSY 101 PSY 1101
Introduction to Psychology

3 credits
GE category: Diversity and Inclusion, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
The study of individual behavior from conception through childhood, adolescence, adulthood, middle and old age. Determiners of psychological growth: motor, social, emotional, intellectual, language, and personality development are presented.

PSY 220
Introduction to Statistics

3 credits
GE category: Mathematics
Offered every fall and spring semester
Prerequisite: MAT 140 or higher with a grade of "C" or higher or placement test score as established by District policy
Introduces statistical methods as applied to collecting, tabulating, analyzing, presenting and interpreting data. Topics covered include frequency distributions, measures of central tendency, measures of dispersion, elementary probability theory, estimation, hypothesis testing, regression and correlation. A basic course for students in business, behavioral and social sciences. Identical to MAT 160.

PSY 230
Social Psychology

3 credits
GE category: Diversity and Inclusion, Social Sciences
Offered every fall and spring semester
Prerequisite: PSY 101 with a grade of "C" or higher, and ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course is an introduction to the experimental and quantitative methods used by psychologists to generate new psychological knowledge, and to determine the generality, validity, and reliability of research data. Laboratory will offer demonstrations as well as direct experience with research methods and techniques, and with methods for the analysis, description, and reporting of research results. Students will design and conduct an experiment as approved by the instructor.

PSY 270 PSY 2290
Experimental Psychology

4 credits
GE category: Diversity and Inclusion, Intensive Writing, Social Sciences
Offered every spring semester
Prerequisites: ENG 102 with a grade of "C" or higher, and PSY 101 with a grade of "C" or higher, and prior or concurrent enrollment in PSY 220 or MAT 160 with a grade of "C" or higher
This course is an introduction to the experimental and quantitative methods used by psychologists to generate new psychological knowledge, and to determine the generality, validity, and reliability of research data. Laboratory will offer demonstrations as well as direct experience with research methods and techniques, and with methods for the analysis, description, and reporting of research results. Students will design and conduct an experiment as approved by the instructor.

PSY 250
Developmental Psychology

3 credits
GE category: Diversity and Inclusion, Social Sciences
Offered every fall semester
Prerequisite: PSY 101 with a grade of "C" or higher, and ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
The study of individual behavior from conception through childhood, adolescence, adulthood, middle and old age. Determiners of psychological growth: motor, social, emotional, intellectual, language, and personality development are presented.

PSY 240
Abnormal Psychology

3 credits
GE category: Diversity and Inclusion, Social Sciences
Offered every spring semester
Prerequisite: PSY 101 with a grade of "C" or higher, and ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This is a survey course that includes historical and contemporary definitions of the theories and research regarding the field of abnormal psychology. It includes assessment, diagnosis, and treatment of anxiety disorders, mood disorders, dissociative disorders, stress and physical health, personality disorders, body disorders, schizophrenia disorders, and life-span disorders.
SMB 110
Introduction to Entrepreneurship
3 credits
Offered every fall semester
Introduces the entrepreneurial concepts of business management, including planning, raising capital, using business information, managing employees, and marketing products and services. The course includes the principles needed to operate a business and is designed for those who plan to have their own businesses and for those who desire to upgrade their skills in business management.

SMB 111
Marketing
3 credits
Offered every fall and spring semester
A study of all the business functions performed in getting goods and services from the producer to the consumer, including understanding the customer and designing an appropriate system of products, pricing, promotion, and distribution to meet customer needs.

SMB 121
Supervision
3 credits
Offered every spring semester
This course explores the supervisory skills needed to become a successful supervisor. It accomplishes this objective through coverage of the principles of management: planning, organizing, staffing, leading, and control. Students receive hands-on experience in many situations faced by supervisors.

SMB 211
Financial Management
3 credits
Offered every fall and spring semester
Presents the principles of business financial management, including financial planning, understanding and analyzing financial statements, working capital management, break-even analysis, and raising capital. Emphasis is placed on using financial information for making effective business decisions.

SMB 221
Business Ethics
3 credits
Offered every fall and spring semester
Improving the quality of business decisions and enhancing long-term business success through understanding ethical dilemmas, moral philosophy, character development, social responsibility, organizational culture, and special issues in a global economy.

SMB 231
Business Planning
1 credit
Offered every spring semester
Prerequisite: CMP 101 or CMP 103
Develops skills for writing a business plan on computer, using word processing and spreadsheet software. All areas of a business plan will be covered, including the business market, mission statement, operations, products/services, marketing plan, and financial plan.

SMB 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Small Business Management.

SMB 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Small Business Management.

SMB 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

SOCIOLOGY

SOC 101
Introduction to Sociology
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Examines the nature and scope of sociology, its terminology and concepts; studies sociological perspectives, social processes, social institutions, development of society, and characteristics of social life.

SOC 110
Marriage and the Family
3 credits
GE category: Diversity and Inclusion, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Studies practices and theories of how relationships are formed, courting practices and adjustment strategies to couple and marital living as well as problems and conflict resolutions associated with marriage and family life. Also examines how children affect marriage, divorce, and remarriage relationships.

SOC 201
SOC 2250
Social Problems
3 credits
GE category: Diversity and Inclusion, Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Examines the nature and scope of sociology, its terminology and concepts; studies sociological perspectives, social processes, social institutions, development of society, and characteristics of social life.

SOC 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

TECHNICAL EDUCATION

TEC 103
WorkKeys Career Skills Enhancement
1 credit
Offered every fall and spring semester
This course is designed to provide individualized, computer-based instruction in applied math, graphic literacy, and workplace documents to students in career and technical education programs. It prepares students to obtain the industry credential ACT WorkKeys National Career Readiness Certificate (NCRC). The NCRC measures and certifies the essential work skills needed for success in jobs across industries and occupations.

TEC 112
Basic Hydraulics and Pneumatics
2 credits
Offered every fall semester
This course provides basic instruction in the principles and applications of fluid power in industrial applications. The course will discuss safety, installation, troubleshooting, basic components, theory and practices of industrial hydraulic and pneumatic systems.

TEC 116
Rigging
1 credit
Offered upon request
Provides instruction in the use of slings and common rigging hardware. Emphasizes basic rigging techniques, hitch configurations, safe loading practices, and load inspection, as well as the use of American National Standards Institute (ANSI) hand signals.

TEC 120
Aviation Ground School I
3 credits
Offered upon request
Instruction in flight theory, navigation, aircraft safety and operation, and federal aviation regulations. Completion of this course prepares and qualifies the student for FAA written exams.
TEC 121
Aviation Ground School II
3 credits
Offered upon request
Prerequisite: TEC 120
A continuation of instruction in flight theory, navigation, aircraft safety and operation, and federal aviation regulations. Completion of this course prepares and qualifies the student for FAA written exam for the Instrument Airplane Rating.

TEC 123
Aviation Ground School
6 credits
Offered upon request
Prerequisite: TEC 120 and TEC 121
Designed to assist the student in preparation for the FAA written exam for the private, commercial and flight instructor license and, if desired, for the instrument rating.

TEC 132
OSHA 10 Training
1/2 credit
Offered upon request
Offered in Gila County only
Students will be introduced to OSHA policies, procedures and standards as well as general industry safety and health principles covered in OSHA Act Part 1910. All OSHA standards will be followed. Upon successful completion of the course, participants will receive an OSHA general industry card from the Department of Labor.

TEC 133
Safety Practices for Industry
1 credit
Offered every fall semester
This course provides a comprehensive study related to hazards and safety practice and procedures within a technical shop environment. The focus of this course is to instill key concepts related to keeping workers and students safe before they enter the workplace. Topics will include proper hazardous material handling and documentation, Material Safety Data sheets, power tool safety, personal protective equipment, first aid, fire prevention, electrical dangers, lockout/tagout, and ways to avoid workplace injury.

TEC 171
Renewable Energy Technology
2 credits
Offered every fall semester
This course provides an introduction to renewable and alternative energy technology. Students will learn the following aspects of renewable energy: history, conservation, climate change, passive and active solar systems, wind, heat, wind energy, micro-hydro electricity, and bio-fuels.

TEC 172
Photovoltaic Design and Application
2 credits
Offered upon request
This course provides an introduction into the science of active solar energy, converting sunlight into electricity. Students will learn the following aspects of photovoltaic energy: history, basic electricity, solar energy, conversion factors, wiring, site design, installation, and maintenance.

TEC 173
Passive Solar Design and Application
2 credits
Offered upon request
This course provides an introduction into the technology and application of passive solar energy as a renewable and energy efficient form of construction. Students will learn the following aspects of passive solar energy providing heating and cooling: types of solar collectors, water system components, space heating systems, site and sizing criteria, installation procedures, operation and maintenance.

TEC 174
Wind Turbine Design and Application
2 credits
Offered upon request
This course provides an introduction into the science of small wind turbine derived energy, converting wind into electricity. Students will learn the following aspects of small wind turbine energy: history, basic electricity, climate and weather energy, conversion factors, wiring, site analysis, site design, installation, and maintenance. Small wind turbines have <100kw generation capacity.

TEC 175
Introduction to Weatherization
1 credit
Offered upon request
This course prepares students to assess and implement weatherization tactics in order to protect buildings or homes and its interior from the elements.

TEC 176
Building Energy Analyst Training
5 credits
Offered upon request
This course prepares student to test for Building Performance Institute (BPI) Building Analyst Certification.

TEC 191
Industry Internship I
1 to 4 credits
Offered upon request
Activity/Personal Enrichment
Prerequisite: Instructor approval
Eastern Arizona College offers industry internship courses for students who have selected a specific career objective in an industrial-technical field. Designed to give students the opportunity to learn through supervised work experiences, the courses integrate students’ educational activities with on-the-job learning opportunities. Meetings with the Coordinator are designed to assist students in identifying activities (competencies they will complete on the job), learning job survival and improvement skills, and developing effective human relations and communications skills.

TEC 260
Technical Report Writing
3 credits
GE category: AAS degree only
Offered every spring semester
Prerequisite: ENG 100 or ENG 101
Drafting and revising memos, letters, résumés, proposals, and interpretive reports. Identical to ENG 260.

THC 110
Acting I
3 credits
Offered every fall semester
Investigation and practice of the fundamentals in the acting process. Coursework will include physical and mental preparation for the actor, ensemble building, improvisation, mastery of specific theatre terminology, and beginning work with scenes and monologues.

THC 111
Acting II
3 credits
Offered every spring semester
Prerequisite: THC 110 or instructor approval
This course serves as further exploration of Stanislavsky’s system of actor training. The actor will refine performance techniques through dedicated scene study of major plays within the realm of modern-realism. In addition, students in this course will investigate and practice effective techniques for theatrical auditioning, résumé creation, monologue preparation, and the actor’s self-presentation.

THC 112
Acting for Film
2 credits
Offered upon request
Study and command of techniques of acting, analytical studies of visual aspects of characterization together with the actor’s relationship to the stage and all parts of play production, training in poise, movement, pantomime, interpretation of lines, and in theatre and drama appreciation. Opportunity for experience in college productions.

THEATRE AND CINEMATIC ARTS

THC 105
THE 1100
Introduction to Theatre
3 credits
GE category: Diversity and Inclusion, Global/International/Historical Awareness, Humanities
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
This course seeks to provide students with a broad base of knowledge about the theatre and foster an appreciation of this dynamic art form through the study of dramatic plays, varied theatrical practices, the roles of different stage artists, and the historical and cultural significances of diverse dramatic forms and genres.
THC 117  Voice and Diction for Theater  
3 credits  
Offered every spring semester  
Activity/Personal Enrichment  
An introduction to vocal training for production of Standard American Speech with an emphasis on resonance, breath control, vocal relaxation, and posture using the International Phonetic Alphabet and a variety of contemporary approaches to vocal training.

THC 120  Rehearsal and Production I  
1 to 2 credits  
Offered every fall semester  
Activity/Personal Enrichment  
This class is a special opportunity available to students who seek to create with their fellows the "delicate illusory reality that we call the theatre." The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 121  Rehearsal and Production II  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of THC 120. This class is a special opportunity available to students who seek to create with their fellows the "delicate illusory reality that we call the theatre." The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 140  Costume Construction  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
This is the foundational course for all other courses in Costume Design and Costume Technology. The techniques you learn in this course will become your building blocks for all other courses in this area of study. The skills samples provide an opportunity for hands-on practice of standard costume-construction methods.

THC 141  Introduction to Costume Design  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: THC 140 with a grade of "C" or higher  
Students will explore the design process, costume silhouette and detail, and scripts and character analysis within the context of historical theatrical costuming.

THC 160  Repertory Acting Company I  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: THC 110 or instructor approval  
A course intended to model the structure of a professional theatre company in which members of the ensemble collaborate to stage creative performance projects. Emphasis will be placed on the application of targeted performance theory, the implementation of effective acting practices in rehearsal, and the development of well-crafted theatrical productions. Participation in performances and minimal rehearsals held outside of the scheduled class time is required. Performance topics will vary by semester.

THC 161  Repertory Acting Company II  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: THC 160  
Continuation of THC 160.

THC 170  Introduction to Stage Lighting  
3 credits  
Offered every fall semester  
Activity/Personal Enrichment  
Stage lighting will introduce to the student a practical approach to the technical and production aspects of lighting for theatre, musical theatre, and musical concerts. Students will use a variety of techniques as they learn to hang and focus lighting instruments, understand the physics of lighting, read and understand light plots and paperwork, investigate CAD for stage lighting, and learn the types and uses of multi-parameter fixtures. In conjunction with the Music and Drama Departments, students will take an active role in each of the major productions.

THC 171  Stage Combat  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Introduction to the fundamentals of stage combat: how to conduct fights, duels and other alterations on stage that appear realistic to the audience, but are, in fact, safe for the participants.

THC 203  Principles of Dramatic Structure  
3 credits  
Offered every fall semester  
Prerequisite: THC 105 or instructor approval  
This course focuses on the fundamental analysis, interpretation, and evaluation of dramatic literature for theatrical production. Emphasis will be placed on creatively investigating the structure, style, themes, plot, characters, language, and context of assigned plays from different genres and eras. Assigned readings and attendance at selected play productions will be required.

THC 205  Musical Theatre I  
3 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Continuation of THC 204. This class is a special opportunity available to students who seek to create with their fellows the "delicate illusory reality that we call the theatre." The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 217  Introduction to Design Scenography  
3 credits  
Offered every fall semester  
Activity/Personal Enrichment  
This course provides an introduction to the role and responsibilities of the theatre designer (scenic, lighting, costume, sound, and multimedia effects) for stage productions. The class introduces the aesthetic principles and practices employed by designers/artists of the stage and screen, including visual research, text analysis, applying historical and social contexts to design, basic knowledge of the elements and principles of design, conceptualization, and design development as well as methods of visual communication (sketching, storyboarding, rendering, drafting, model making).

THC 220  Rehearsal and Production III  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of THC 217. This class is a special opportunity available to students who seek to create with their fellows the "delicate illusory reality that we call the theatre." The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 221  Rehearsal and Production IV  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of THC 220. This class is a special opportunity available to students who seek to create with their fellows the "delicate illusory reality that we call the theatre." The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 230  Stage Makeup  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
To teach and give experiences in basic design and application of stage makeup, based on character analysis of an individually-chosen character from a play, movie, or piece of literature.

THC 231  Stagecraft  
3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Stagecraft will introduce to the student a practical approach to the technical and production aspects of musical theatre and drama. Students will use a variety of techniques as they learn scenic artistry and develop the skills needed to construct scenery, hang and focus lighting instruments, and implement a sound system for effects and reinforcement. In conjunction with the Music and Drama Departments, students will take an active role in each of the major productions.

THC 236  Introduction to Scene Design  
3 credits  
Offered every fall and spring semester  
Prerequisite: THC 231 or instructor approval  
Basic principles of scene design including script analysis, design elements, model building, rendering techniques, and design project.

THC 260  Repertory Acting Company III  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: THC 161  
Continuation of THC 161.
COURSE DESCRIPTIONS

THC 261
Reperatory Acting
Company IV
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: THC 260
Continuation of THC 260.

THC 290
Acting Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Advanced study in acting technique for the aspiring theatre artist. The actor will continue to refine the command of skills in script analysis, artistic interpretation of the text, and successful vocal and physical performance. This course provides the opportunity for students to receive additional supervision and critique in his or her development as an actor and will culminate in a recital, workshop, showcase, or juried performance.

THC 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Theatre and Cinematic Arts.

THC 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

WELDING

WLD 101
Welding
3 credits
Offered every fall and spring semester
This course teaches principles of arc and oxyacetylene welding, flame cutting, and brazing with emphasis on mastering basic welding techniques. An additional fee is required.

WLD 108
Welding and Metal Fabrication
3 credits
Offered every fall semester
Principles of arc and oxyacetylene welding, flame cutting, and brazing with emphasis on metal fabrication techniques.

WLD 111
Arc Welding
3 credits
Offered upon request
Activity/Personal Enrichment
Arc welding machines, their use and care; flat, vertical, overhead welding will be covered using various types of electrodes. Welding safety and basic electrical principles will be covered.

WLD 124
MIG Welding
3 credits
Offered every fall and spring semester
Offered in Gila County only
Activity/Personal Enrichment
The basic principles of inert gas welding using a MIG welder. Basic skills will be developed using a MIG welder on a variety of materials.

WLD 126
TIG Welding
3 credits
Offered upon request
Activity/Personal Enrichment
Offered in Gila County only
The basic principles of inert gas welding using a TIG welder. Basic skills will be developed using a TIG welder on a variety of materials and all positions.

WLD 201
Repair Welding and Fabrication
3 credits
Offered every fall semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This course covers the safe and efficient use of welding tools and techniques to repair and maintain industrial machinery. The course emphasizes the fabrication of guards and brackets, welding of dissimilar metals, structural welding, out-of-position welding, GMAW welding, SMAW welding, air arc welding, various grinding and cutting tools, shears, breaks, and rollers.

WLD 211
Pipe Welding
3 credits
Offered every spring semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This course provides skill development in advanced arc welding techniques in all positions. In this course students will use TIG, GMAW, plasma and flame cutting equipment. This course places an emphasis on preparing the student to take the AWS welding certification test.

WLD 260
Flux Cored Arc and Gas Metal Arc Welding
3 credits
Offered every spring semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This course teaches flux cored arc welding (FCAW) and gas metal arc welding (GMAW) principles and techniques. Course includes metal preparation processes, equipment set-up, and welding techniques related to different metal types and welding positions. This course helps prepare students for American Welding Society (AWS) entry-level certifications.

WLD 270
Technical Welding
3 credits
Offered every spring semester
Prerequisite: WLD 101 or WLD 108 or instructor approval
This course teaches welding processes as used in modern industry. Course provides instruction in and experience with all major welding processes with emphasis on proper welding techniques to ensure students understand industry requirements. This course places an emphasis on preparing the student to take the AWS welding certification test.

WLD 280
Advanced Arc Welding
3 credits
Offered every spring semester
Prerequisite: WLD 260 and WLD 270 or instructor approval
Application of advanced welding techniques utilizing multiple welding processes to successfully weld pipe and plate. Instruction will emphasize certification test preparation towards AWS welding codes. An additional fee is required.

WLD 290
Welding Certification
1 credit
Offered every spring semester
Activity/Personal Enrichment
Prerequisite: WLD 260 or WLD 270 or concurrent enrollment in WLD 260 or WLD 270 or instructor approval
This course prepares students for American Welding Society (AWS) certification or other welding certifications. This course relies on previous welding courses or industry experience for skill development. An additional fee (approximately $75) is required for students who would like their official weld coupon inspected by a Certified Welding Inspector (CWI). Students will be required to pay for the inspection directly to the vendor and must be willing to have their official weld coupon inspected and approved by the course instructor prior to the inspection by a CWI.

WLD 291
Welding Certification II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: WLD 290 or instructor approval
This course prepares students for American Welding Society (AWS) certification or other welding certifications. This course relies on previous welding courses or industry experience for skill development. An additional fee (approximately $75) is required for students who would like their official weld coupon inspected by a Certified Welding Inspector (CWI). Students will be required to pay for the inspection directly to the vendor and must be willing to have their official weld coupon inspected and approved by the course instructor prior to the inspection by a CWI.

WLD 297
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Welding Technology.

WLD 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Welding Technology.

WLD 299
Independent Study
1 to 4 credits
Offered upon request
Activity/Personal Enrichment
Research, design and execution of original projects under faculty supervision.
ACCOMMODATION FOR STUDENTS WITH DISABILITIES

Eastern Arizona College will provide students with disabilities, who meet eligibility requirements, reasonable and appropriate accommodations to participate in the educational experiences offered by the College. Services may include tutorial assistance, readers, signers, note taking assistance, Braille or taped text, electronic formatted materials, accessibility provisions, modifications to classrooms and other facilities, modifications to testing procedures, and other accommodations determined to be appropriate.

Students seeking an accommodation should contact the Counseling Office at Eastern Arizona College, 615 North Stadium Avenue, Thatcher, Arizona 85552, telephone (928) 428-8425, to specify the nature of the accommodation requested. The college will respond to specific student requests for accommodation or auxiliary aids and services in a prompt and reasonable fashion. It is the responsibility of the student to inform the College at the address or by telephone specified above of his/her acceptance of an accommodation plan and to schedule a meeting with staff to begin implementation of a plan.

Reasonable accommodation shall not be construed as a guarantee of student success. Rather, reasonable accommodation provides the opportunity to participate. Reasonable accommodation is not in any way intended to devalue the end educational product.

ACADEMIC ADJUSTMENTS AND REASONABLE ACCOMMODATIONS FOR STUDENTS WITH COGNITIVE DEVELOPMENT DISORDERS

Students requesting an accommodation to address cognitive development disorders must:

1. Have been admitted to Eastern Arizona College,
2. Provide Eastern Arizona College with psycho-educational, psychological, psychiatric, or other appropriate diagnostic evaluation(s), as requested, to document the nature and extent of the disability. This documentation must:
   a. Include a psychoeducational evaluation that has been accomplished within the parameters of the diagnostic criteria established by the Diagnostic and Statistical Manual of Mental Disorders-IV, hereinafter referred to as the DSM-IV, and
   b. Include evidence that the evaluator has the appropriate qualifications and credentials for her/him to offer a diagnostic determination within the parameters of the diagnostic criteria for Cognitive Development Disorders established by the DSM-IV, and
   c. Be on file in the student’s permanent record before the student receives accommodation services.

ACADEMIC ADJUSTMENTS AND REASONABLE ACCOMMODATIONS FOR STUDENTS WITH OTHER DISABILITIES

Students requesting an accommodation to provide an academic adjustment or barrier free access must:

1. Have been admitted to Eastern Arizona College,
2. Provide Eastern Arizona College with an evaluation or medical information certifying the disability, and
3. Include evidence that the evaluator has the professional credentials and or specialized training, which qualifies her/him to offer a diagnostic determination.

COLLEGE FINANCIAL CONDITION

Students desiring information concerning Eastern Arizona College’s financial condition may obtain this information from the Fiscal Control Office. Additionally, annually audited financial statements can be found at https://www.eac.edu/About_EAC/Budget/FinancialStatements.shtml.

DISCLOSURE OF GRADUATION RATES

Students desiring information concerning Eastern Arizona College’s graduation rates and transfer-out rates under the Student Right to Know Act, Public Law 101-542, may obtain this information from the Institutional Research Office.

EEO/AFFIRMATIVE ACTION

Graham County Community College District does not discriminate in admission or access to, or treatment or employment in, its programs and activities on the basis of race, creed, color or national origin, sex, disability or age. You may contact the District EEO/ADA Coordinator at (928) 428-8915, fax (928) 428-2578, mail – Eastern Arizona College, 615 North Stadium Avenue, Thatcher, Arizona 85552-0769; or at the Student Services Building, Office 221.

EQUITY IN ATHLETICS

Students desiring information concerning Eastern Arizona College’s intercollegiate athletic programs under the Equity in Athletics Disclosure Act of 1994, Section 360B of Publication L. 103-382, may obtain this information from the Institutional Research Office.

FACILITIES

Eastern Arizona College takes pride in having clean, safe, and up-to-date classrooms, laboratories, and performance areas. Specific inquiries about facilities should be addressed to the Admissions Office.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords you certain rights with respect to your education records. They are:

1. The right to inspect and review your education records within 45 days of the day the College receives a request for access. Submit to the registrar, dean, head of the academic division or department, or other appropriate official, a written request that identifies the record(s) you wish to inspect. The College official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise you of the correct official to whom your request should be addressed.

2. The right to request the amendment of your education records that you believe are inaccurate or misleading. You may ask the College to amend a record by writing to the College official responsible for the record, clearly identifying the part of the record you want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as you request, the College will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when you are notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel; a person or company with whom the College has contracted such as an attorney, auditor, or collection agent); a person serving on the Governing Board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC, 20202-4605

The College hereby designates the following categories of student information as public or “Directory Information.” Such information may be disclosed by the institution for any purpose, at its discretion.

- Category I: Name, dates of attendance, class, and picture.
- Category II: Previous institutions attended, major fields of study, awards, honors (includes Dean’s List), degrees conferred (including dates).
- Category III: Past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes).

You may withhold disclosure of any category of information under the Family Educational Rights and Privacy Act of 1974, as amended. To withhold disclosure, select the Non-disclosure option for FERPA release in your Gila Hank account. You may do this at any time. The College assumes that the failure of any student to specifically request the withholding of categories of “Directory Information” indicates individual approval for disclosure.

Parents or guardians may have access to the education records of a dependent student defined in the Internal Revenue Code of 1954, Section 152, as evidenced by a notarized affidavit stating that the student is a dependent for income tax purposes, or other documentation as may be separately approved by the registrar, on a case-by-case basis.

A Directory of Records which lists all education records maintained on students by the College is available at the Records and Registration Office. Questions concerning the Family Educational Rights and Privacy Act may be referred to that office.

NOTIFICATION OF OCCUPATIONAL OPPORTUNITIES

Graham County Community College District informs students, parents, employees and the general public that we provide an equal opportunity occupational education program. All courses, services and activities are offered without regard to race, creed, color or national origin, sex, disability, or age.

Limited English speaking skills will not be a barrier to admission or participation in occupational educational programs. Admissions to Graham County Community College District must meet the criteria as published in the College Catalog.

PROGRAM TO PREVENT ILLICIT USE OF DRUGS AND ABUSE OF ALCOHOL BY EMPLOYEES AND STUDENTS

I. Introduction and Purpose

The adoption by Congress of the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) requires federal contractors and grantees to certify that they will provide a drug-free school. As a recipient of federal grants, the District must adopt a program toward accomplishing this goal. While federal legislation has been the impetus for creation of the program, the District recognizes that substance abuse is a problem of national proportions that also affects Eastern Arizona College. Based upon that concern, it is intended that this program for prevention of alcohol and drug abuse on our campuses will go beyond the strict dictates of the law and will serve as a comprehensive educational and resource tool.

Arizona voters recently approved the Arizona Medical Marijuana Act.
(Proposition 203), which has legalized the use and possession of medical marijuana by certain individuals. The Act does not allow any person to use or possess marijuana in public. Additionally, it does not require employers to allow any employee to use or possess marijuana at work, nor to be under the influence of marijuana at work. Accordingly, the College will continue to prohibit the use and possession of all controlled substances (including marijuana) by students and employees on College property, and will continue to prohibit employees from working while under the influence of marijuana.

To this end the Graham County Community College District Governing Board has developed policies to:

A. Ensure that the Eastern Arizona College working and learning environment for students, employees and the public is safe, orderly and free of illegal activity.
B. Comply with the Drug Free School and Communities Act of 1989 (PL 101-26), the Drug Free Workplace Act of 1988 (PL 100-690, Title IV, Subtitle D) and other relevant substance abuse laws.
C. Provide students with access to appropriate treatment and rehabilitation assistance for problems associated with substance use or abuse.

REF: GCCCD Policy #4710 and Regulation #4710.01 which specify for employees the standards of conduct and consequences of violation, and Regulation #5800.02 which specifies for students the standards of conduct and consequences of violation in relation to drug and alcohol use.

II. Standards of Conduct

The above referenced policies spelled out in detail in the Eastern Arizona College General Catalog, state clearly that:

A. The manufacture, distribution, dispensing, possession or use of a controlled substance by any person on District property or as part of any of the District’s activities is prohibited.
B. A “controlled substance” is defined as an illegal drug, a legal drug used in excess of recommended dosage, an alcoholic beverage and/or any other mind altering substance. Marijuana, even when employed for a medical use, is considered to be a “controlled substance” under this Section.
C. Employees are prohibited from ingesting any controlled substance at work and from being at work while under the influence of any controlled substance. For the purpose of this Section, the College will not consider an employee who is a “registered qualifying patient” within the meaning of the Arizona Medical Marijuana Act to be under the influence of marijuana solely because of the presence of marijuana metabolites.

III. Sanctions for Violation of Standards of Conduct

Disciplinary actions include, but are not limited to:

A. Termination of Enrollment/Employment within the District,
B. Requirement to participate satisfactorily in a substance abuse assistance or rehabilitation program, or
C. Other enrollment/employment restrictions or stipulations, or combination of enrollment/employment restrictions or stipulations.

IV. Legal Consequences of Alcohol Abuse & Illicit Drugs Use

A. Laws Governing Alcohol

The State of Arizona sets twenty-one as the “legal drinking age.” An underage person who buys, receives, possesses or consumes alcoholic beverages is guilty of a misdemeanor and may be subject to a fine and imprisonment for up to six months. The Uniform Act Regulating Traffic on Highways prohibits driving while under the influence of intoxicating liquor or drugs (DUI). Drivers charged with DUI who refuse to be tested face suspension of their licenses or permits to drive for 12 months. A driver whose test results show a blood or breath alcohol concentration of 0.08 or more will have his/her license or permit to drive suspended or denied for not less than 90 consecutive days. The punishment for DUI ranges from not less than 10 days in jail and a fine of not less than $250 for a first offense to a minimum of 90 days in jail and revocation of the driver’s license for one year upon a second offense.

B. Laws Governing the Use of Drugs

Federal Laws: The Federal Comprehensive Drug Abuse Prevention and Control Act prohibits the possession, sale and trafficking of controlled substances. The Omnibus Drug Act of 1988 allows the following penalties for conviction of possession of illegal drugs: civil fines up to $10,000; forfeiture of cars, boats, or planes conveying the substance; loss of public housing; the loss of all federal benefits including student loans and grants.

Arizona Laws:

a. Title Thirteen, Chapter 34 of the Arizona Revised Statutes lists drug offenses and their penalties. Following is a list of drugs which are frequently misused with a description of the potential penalties attached to a conviction.

i. Marijuana: First offense for possession or use of marijuana in an amount of less than two pounds constitutes a Class 6 felony and carries a possible prison term of 1.5 years and related fines. The sale of marijuana in an amount of less than two pounds carries a prison sentence of .5-1.5 years and related fines.

ii. LSD: Possession, use and sale of LSD are class 4 felonies carrying sentences from 1.5-3 years and related fines.

iii. Heroin and Cocaine: Use and sale of heroin and cocaine are class 2 felonies carrying sentences from 4-10 years and related fines.

b. Title 36, Chapters 28.1 of the Arizona Revised Statutes codifies the Arizona Medical Marijuana Act, which protects certain individuals from prosecution for the medical use of marijuana. Among other things, the Act:

i. Does not authorize any person to smoke marijuana in any public place.

ii. Does not require an employer to allow any employee to use,
Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

VI. Drug or Alcohol Counseling, Treatment, Rehabilitation or Re-entry Programs That are Available to Employees or Students

Eastern Arizona College does not provide direct drug or alcohol counseling, treatment or rehabilitation services. Students or employees with concerns related to the use/abuse of drugs or alcohol are encouraged to meet with a member of the Counseling staff on the Thatcher Campus for confidential consultation and referral. Counseling staff are located in the Student Services Building on Stadium Avenue on the Thatcher Campus. Appointments can be made by calling (928) 428-8253. Arizona State Prison inmates are encouraged to contact the Program Supervisor at their institutions. Inmates at the Federal Correctional Institution (Swift Trail) should contact the FCI Psychology Department.

Direct contact with organizations or individuals providing drug or alcohol counseling, treatment or rehabilitation services can be made by students or employees depending on location:

- Graham County, Southeastern Arizona Behavioral Health Services (SEABHS), Safford: (928) 428-4550
- Greenlee County, Southeastern Arizona Behavioral Health Services (SEABHS), Clifton: (928) 865-4531

VII. Confidentiality

This Program is not intended to create obligations or restrictions that may interfere with the confidential nature of counseling, clinical or therapeutic relationships. Confidentiality will be maintained in accordance with state and federal laws, including the Arizonans with Disabilities Act and the Americans with Disabilities Act.

For tuition purposes, your residence is determined according to statutory law (A.R.S. §15-1801 et seq.) and regulations and precedents established previously by the State Community College Board (R7-1-304 and R7-1-305). These are subject to change by statute or State Board regulations.
RESIDENCY

All students are classified as out-of-state for tuition purposes when admitted to Eastern Arizona College. Arizona law requires that any student entering higher education do two things before being classified as in-state for tuition purposes: 1) prove Arizona residency; 2) submit citizenship (Prop 300) documentation.

ARIZONA RESIDENCY

State Residency: No person having his/her domicile elsewhere than in the State of Arizona shall be eligible for classification as an in-state student for tuition purposes. The minimum requirements for residency are:
1. Continuous physical presence in the state for one year
2. Financial independence from out-of-state parents
3. Evidence of intent to establish residency

It is the responsibility of the student to submit AZ residency documents to the Records office either through their Gila Hank account or in person at any campus or location.

Students must submit one of the following documents dated at least one year old to prove AZ residency:
- Arizona driver’s license, permit, or ID card
- Arizona high school transcript
- Dependency as indicated on tax return
- Arizona State Income Tax Return
- Arizona Voter registration
- Tribal document (reservation lies within Arizona)
- Automobile registration

PROP 300 - CITIZENSHIP

In 2006, Arizona voters passed Prop 300 that states any student who enrolls in higher education must prove citizenship or lawful immigration status in order to receive in-state tuition. In addition, anyone who has not proved Prop 300 is ineligible to receive tuition waivers, fee waivers, grants, scholarship assistance, financial aid, tuition assistance or any other type of financial assistance that is subsidized or paid in whole or in part with state monies.

You can find a list of appropriate documentation at www.eac.edu/prop300. Students may submit Prop 300 documentation through their Gila Hank account or in person at any campus or location.

In accordance with state regulation we have published below Arizona Revised Statute §15-1802 and the definitions provided in A.R.S. §15-1801.

ARIZONA REVISED STATUTE §15-1801 DEFINITIONS

Armed forces of the United States means the army, the navy, the air force, the marine corps, the coast guard, the commissioned corps of the United States public health services, the national oceanographic and atmospheric administration, the national guard and any military reserve unit of any branch of the armed forces of the United States.

Continuous attendance means enrollment at an educational institution in this state as a full-time student, as such term is defined by the governing body of the educational institution, for a normal academic year since the beginning of the period for which continuous attendance is claimed. Such person need not attend summer sessions or any other intersession beyond the normal academic year in order to maintain continuous attendance.

Domicile means a person’s true, fixed and permanent home and place of habitation. It is the place where he intends to remain and to which he expects to return when he leaves without intending to establish a new domicile elsewhere.

Emancipated person means a person who is neither under a legal duty of service to his parent nor entitled to the support of such parent under the laws of this state.

Parent means a person's father or mother, or if one parent has custody, that parent, or if there is no surviving parent or the whereabouts of the parents are unknown, then a guardian of an unemancipated person if there are not circumstances indicating that such guardianship was created primarily for the purpose of conferring the status of an in-state student on such unemancipated person.

ARIZONA REVISED STATUTE §15-1802 IN-STATE STUDENT STATUS

1. Except as otherwise provided in this article, no person having a domicile elsewhere than in this state is eligible for classification as an in-state student for tuition purposes.
2. A person is not entitled to classification as an in-state student until the person is domiciled in this state for one year, except that a person whose domicile is in this state is entitled to classification as an in-state student if the person meets one of the following requirements:
   a. The domicile of the person’s parent is in this state and the parent is entitled to claim the person as an exemption for state and federal tax purposes.
   b. The person is an employee of an employer that transferred the person to this state for employment purposes or the person is the spouse of such an employee.
   c. The person is an employee of a school district in this state and is under contract to teach on a full-time basis or is employed as a full-time noncertified classroom aide at a school within that school district. For the purposes of this paragraph, the person is eligible for classification as an in-state student only for courses necessary to complete the requirements for certification by the state board of education to teach in a school district in this state. No member of the person’s family is eligible for classification as
an in-state student if the person is eligible for classification as an in-state student pursuant to this paragraph, unless the family member is otherwise eligible for classification as an in-state student pursuant to this section.

d. The person’s spouse has established domicile in this state for at least one year, has demonstrated intent and financial independence and is entitled to claim the student as an exemption for state and federal tax purposes or the person’s spouse was temporarily out of state for educational purposes, but maintained a domicile in this state. If the person is a noncitizen, the person must be in an eligible visa status pursuant to federal law to classify as an in-state student for tuition purposes.

3. The domicile of an unemancipated person is that of the person’s parent.

4. Any unemancipated person who remains in this state when the person’s parent, who had been domiciled in this state, removes from this state is entitled to classification as an in-state student until attainment of the degree for which the person is currently enrolled, as long as the person maintains continuous attendance.

5. A person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders or who is the spouse or a dependent child as defined in section 43-1001 of a person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders is entitled to classification as an in-state student. A spouse or a dependent child does not lose in-state student classification under this subsection if the spouse or dependent child qualifies for in-state tuition classification at the time the spouse or dependent child is accepted for admission to a community college under the jurisdiction of a community college district governing board or a university under the jurisdiction of the Arizona board of regents. The student, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification.

6. A person who is a member of the armed forces of the United States or the spouse or a dependent as defined in section 43-1001 of a member of the armed forces of the United States is entitled to classification as an in-state student if the member of the armed forces has claimed this state as the person’s state of legal residence for at least twelve consecutive months before the member of the armed forces, spouse or dependent enrolls in a
RESIDENCY

University under the jurisdiction of the Arizona Board of Regents or a community college under the jurisdiction of a community college district governing board. For the purposes of this subsection, the requirement that a person be domiciled in this state for one year before enrollment to qualify for in-state student classification does not apply.

7. A person holding an honorable discharge from the uniformed services of the United States from either active duty or reserve or national guard status, or who has retired from active duty or reserve or national guard status, shall be granted immediate classification as an in-state student and, while continuously enrolled, does not lose in-state student classification if the person has demonstrated objective evidence of intent to be a resident of Arizona that, for the purposes of this section, includes at least one of the following:

- Registration to vote in this state
- An Arizona Driver’s License
- Arizona Motor Vehicle Registration
- Employment History in Arizona
- Transfer of major banking services to Arizona
- Change of permanent address on all pertinent records.
- Other materials of whatever kind or source relevant to domicile or residency status

8. A person who is a member of an Indian tribe recognized by the United States department of the interior whose reservation land lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.

9. A person who has participated in the AmeriCorps program or the volunteers in service to America program for at least one year in this state is entitled to classification as an in-state student.

10. A person who meets any of the following requirements is entitled to immediate classification as an in-state student and shall be granted immediate classification as an in-state student and does not lose in-state student classification if the person has demonstrated objective evidence of intent to be a resident of this state that, for the purposes of this section, includes at least one of the following:

- Registration to vote in this state
- An Arizona Driver’s License
- Arizona Motor Vehicle Registration
- Employment History in Arizona
- Transfer of major banking services to Arizona
- Change of permanent address on all pertinent records.
- Other materials of whatever kind or source relevant to domicile or residency status

a. The person is a veteran as defined in title 38 of the United States Code who, while using educational assistance under 38 United States Code chapter 30 or 33, enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under the jurisdiction of a community college district governing board within three years after the veteran’s discharge from active duty service of ninety or more days or who remains continuously enrolled beyond the three-year period following the discharge of the veteran.

b. The person does not meet the requirements prescribed in paragraph 3 or 4 of this subsection and, while using educational assistance under 38 United States Code chapter 30 or 33, enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under the jurisdiction of a community college district governing board within three years after the veteran’s discharge from active duty service of ninety or more days or remains continuously enrolled beyond the three-year period following the discharge of the veteran.
c. The person, while using benefits under the Marine Gunnery Sergeant John David Fry Scholarship prescribed in 38 United States Code section 3311(b)(9), enrolls in a university under the jurisdiction of the Arizona board of regents or a community college under the jurisdiction of a community college district governing board.

d. The person, while using transferred Post/911 G.I. Bill benefits pursuant to 38 United States Code section 3319 during a time in which the transferor is a member of the uniformed services serving on active duty, enrolls in a university under the jurisdiction of the Arizona board of regents or a community college under the jurisdiction of a community college district governing board.

e. The person is otherwise described in 38 United States Code section 3679(c).

PRESUMPTIONS RELATING TO STUDENT STATUS

Unless the contrary appears to the satisfaction of the Registrar, it shall be presumed that:

- No emancipated person has established a domicile in this state while attending any higher educational institution in this state as a full-time student in the absence of a clear demonstration to the contrary.
- Once established, a domicile is not lost by mere absence unaccompanied by intention to establish a new domicile.
- A person who has been domiciled in this state immediately prior to becoming a member of the armed forces of the United States shall not lose in-state status by reason of such person’s presence in any other state or country while a member of the armed forces of the United States.

EVIDENCE OF DOMICILE

Any student who has attended EAC as an out-of-state student for tuition purposes must fill out a domicile affidavit in order to change their residency status. Domicile affidavits must be submitted prior to the start of the term that students want to change their residency classification. If a domicile affidavit is received after the start of the term, the residency change will go into effect the following semester. Residency changes are not retroactive.

1. The affidavit must be signed by the student and filed with the Records Office in order to verify domicile.

2. A student must turn in two pieces of documentation showing AZ residency. Any of the following may be used in determining a student’s domicile in Arizona (must be dated at least 1 year):
   - AZ Income tax return
   - AZ Voter registration
   - AZ Automobile registration
   - AZ Driver’s license
   - Graduation from an AZ high school
   - Source of financial support
   - Dependency as indicated on Federal income tax return

ALIEN IN-STATE STUDENT STATUS

An alien is entitled to classification as an in-state refugee student if such person has been granted refugee status in accordance with all applicable laws of the United States and has met all other requirements for domicile.

OUT OF COUNTY RESIDENCY

Arizona residents from counties in which there is no established community college district (Apache and Greenlee) may enroll in credit classes at Eastern Arizona College without payment of out-of-county charges. General tuition and fees are still payable.

RESIDENCY REVIEW

If we classify you as a non-resident for tuition purposes and you disagree, you may request a review by a Residency Review Committee. Your request must be written, signed by you, and accompanied by a sworn statement of all facts relative to the matter. You must file your request for review with the Registrar of the College within ten days of the time you receive notification from us of your classification as a non-resident. If you don’t properly file a request within this ten-day period, you waive review for the current enrollment period. You will receive written notice of the date, time and place of the Residency Review Committee meeting and you have the right to appear and be represented by the advisor of your choice and at your expense. You or your advisor, but not both, may examine and cross-examine witnesses and summarize the evidence. The decision of the Residency Review Committee is final.
THE PERSONAL SAFETY AND WELL-BEING of the students, faculty and staff at Eastern Arizona College are always an important concern. You are encouraged to take responsibility for your own security and the security of others.

Many people are involved in keeping the campus safe and secure. A truly safe campus, however, can only be achieved through the cooperation of all students, faculty and staff.

Anyone at any campus location who becomes aware of a crime (or is the victim of a crime) or any emergency should make an accurate and prompt report of the occurrence to police or appropriate campus staff.

SECURITY AND MAINTENANCE OF CAMPUS FACILITIES

Physical Resources (Maintenance) Department maintains and regularly inspects the buildings and grounds with a careful eye for safety and security. They also respond to reports of potential safety and security hazards (i.e. broken windows, locks, etc.) making prompt repairs. Campus Police/Security regularly patrols the campus and reports any hazardous conditions to the Physical Resources Department (i.e. malfunctioning doors, lights, etc.) which falls under their purview.

College classroom facilities are to remain locked when not in use. Individuals needing to use College facilities should submit a Facility Request form through the Student Life Office to obtain permission to use a particular room or College facility.

Students and employees are encouraged to report any maintenance-related, safety and security or potential safety and security hazards to:

- Thatcher Campus
  - Physical Resources (Maintenance) Dept: (928) 428-8300 (Closes at 3:00 p.m.)
  - Campus Police: (928) 428-8240 or (928) 428-8241
  - After Hours: (928) 965-8240
  - Graham County Sheriff (24 hour dispatch): (928) 428-0808

- Globe Campus
  - Physical resources (Maintenance) Dept.: (928) 425-8481
  - ext 124
  - Campus Security: (928) 425-8481
  - ext 124
  - Gila County Sheriff: (928) 425-4449

- Payson Campus
  - Physical Resources (Maintenance) Dept.: (928) 468-8039
  - ext 240
  - Campus Security: (928) 468-8039
  - Gila County Sheriff: (928) 474-2208

Changes in Safety and Security Procedures

Timely warnings will be issued, as prescribed by policy, to alert the campus community of certain crimes that pose a serious threat to safety to aid in the prevention of similar crimes. Students in residence halls...
Illegal Drugs or Alcohol Not Permitted on Campus

Eastern Arizona College seeks to encourage and sustain an academic environment that both respects individual freedom and promotes the health, safety and welfare of all members of its community.

In keeping with these objectives, the College has established a policy and set up guidelines governing the possession and/or consumption of alcoholic beverages and illegal substances.

Alcohol is not permitted anywhere on the College campus at any time. Likewise, the College does not permit the use of marijuana, LSD, cocaine or any other illegal drug on the College campus. Individuals possessing, using or distributing such drugs are subject to disciplinary action (such as formal reprimands, community service, referral to counseling, suspension and expulsion) and possible arrest, imprisonment or fine, according to Arizona state law.

Who Can Help if I or a Friend Have a Problem with Substance Abuse?

Eastern's Counseling Department provides professional and confidential counseling and referrals to help students with substance abuse problems.

The Counseling Department is located in the Student Services Building at 615 North Stadium Avenue, Thatcher, Arizona or may be contacted by calling (928) 428-8253.

All students and employees will receive a copy of regulations 4710.01 and 5800.01 regarding the Drug Free Schools and Communities Act.

Personal Safety and Protection against Sexual Assault or Violent Crime

Eastern Arizona College considers the personal safety of students, employees, and visitors an essential element in the maintenance of a learning environment and has a responsibility to ensure they can enjoy the benefits and opportunities the College has to offer in this environment, free from:

- Dating Violence
- Domestic Violence
- Sexual Assault
- Stalking
- Bullying
- Sexual Harassment
- Sexual Misconduct
- Retaliation

Every member of the College community should be aware that the College is strongly opposed to sexual assault, violence, and other threatening or endangering behavior (see full list above). Federal law and EAC’s Student Code of Conduct and policies, prohibits such behavior.

DUTY TO REPORT

Any employee who receives a complaint of discrimination, harassment, or sexual misconduct or becomes aware, directly or indirectly, of a behavior that violates Title IX is required to report the alleged misconduct immediately to the Title IX Coordinator.

EAC is required by law and College policy to investigate good faith complaints of sexual misconduct. All complaints, formal or informal, will be investigated in a manner that is prompt, adequate, and impartial.

TITLE IX - SEXUAL HARASSMENT

Eastern Arizona College adheres to all federal, state, and local civil rights laws prohibiting discrimination in employment and education. The College does not discriminate in its admissions practices, in its employment practices, or in its educational programs or activities on the basis of sex/gender. As a recipient of federal financial assistance for education activities, the College is required by Title IX of the Education Amendments of 1972 to ensure that all of its education programs and activities do not discriminate on the basis of sex/gender.

Any employee who receives a complaint of discrimination, harassment, or sexual misconduct or becomes aware, directly or indirectly, of a behavior that violates Title IX is required to report the alleged misconduct immediately to the Title IX Coordinator.

Questions regarding Title IX, including its application and/or concerns about noncompliance, should be directed to the Title IX Coordinator. For a complete copy of the regulation or for more information, please visit Regulation 2075.01 or contact the Title IX Coordinator or go to: https://www.eac.edu/TitleIX/Individuals who believe they have experienced sex discrimination, harassment, and/or retaliation in violation of this regulation may contact an Official With Authority or the Title IX Coordinator directly.

REPORTING

The guiding principle in the report of a sexual assault or violent crime is to avoid re-victimizing the survivor by forcing the person into any plan of action. Assistance with the well-being of the survivor is the primary goal. Victims may contact any one of several College departments or community agencies for assistance. The following resources provide immediate aid or ongoing consultation:

- Fire, Medical, Police: 911 or 9-911 from a Thatcher campus phone
- Thatcher Campus Police: (928) 428-8240 or (928) 428-8241 (After hours: (928) 965-8240)
- Graham County Sheriff (24 hour dispatch): (928) 428-0808
- Gila County Sheriff (Payson): (928) 474-2208
- Gila County Sheriff (Globe): (928) 425-4449
- Sexual Assault 24/7 Crisis Line: (800)-400-1001
- Mt. Graham Safe House (Safford): (928) 348-9104
- Student Life Office: (928) 428-8354 (Mon - Fri, 8 a.m. - 5 p.m.)
- Counseling Office: (928) 428-8253 (Mon - Fri, 8 a.m. - 5 p.m.)
- Mark Allen On-Call Phone Number: (928) 428-8925
- Residence Towers On-Call Phone Number: (928) 322-1711
- Nellie Lee On-Call Phone Number: (928) 235-0166
- Student Life & Housing Administrator: (928) 428-8606
- Director of Student Life & Housing Office: (928) 428-8605

In the event of a medical emergency, medical response personnel will be contacted. In the case of a sexual assault, emergency medical personnel are required to report the assault to the local law enforcement agency. However, the assault survivor who does not wish to see the police will be encouraged to seek a medical exam to treat physical problems and address the potential for injury, venereal disease, HIV, or pregnancy. The Rape Crisis Hotline can assist with these arrangements whether or not the survivor chooses to report the incident.

It is recognized that a sexual assault survivor may be undecided in reporting the assault to the police. A report to the police can empower the survivor in exercising legal rights and aid in the protection of others. If a report is to be made to the police, the survivor will be encouraged not to destroy evidence by cleaning up their person, clothing or bedding in any way. If the sexual assault survivor is undecided in reporting, the survivor will be encouraged to preserve evidence anyway in case it is decided to file a police report at a later date.

If the survivor has decided not to report the assault, the report recipient will maintain confidentiality. Other alternatives include:

- Make an anonymous report to police
- Make a report at a later date with the understanding that a report made after 72 hours may limit prosecution efforts.

Sexual assault survivors may seek counseling at any time from College counseling services or the Rape Crisis Hotline.
Annual Security and Fire Safety Report
Eastern Arizona College complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 U.S. Code §1092(f) and the Higher Education Opportunity Act of 2008, by distributing an Annual Security and Fire Safety Report. The report is intended to inform the campus community of campus safety information, Clery Act crime statistics, on-campus housing fire data and statistics, and policies and procedures relating to sexual violence, emergency response, and other safety factors. A copy of EAC’s Annual Security and Fire Safety Report is available for review at www.eac.edu/About_EAC/Consumer_Information/report.pdf. Additional copies are available at the Alumni Library (Thatcher Campus), the Learning Resource Center (Payson Campus), and the library (Gila Pueblo Campus). A paper copy of the report will be provided upon request at EAC’s District Office.

Daily Crime Log and Fire Log
A daily crime log listing all crime and alleged criminal incidents reported to campus police/security is available on-site, during normal business hours, at each of the campuses: EAC Police Department, located at 620 N. College Avenue, Thatcher, AZ.

A fire log containing all reported fires that occurred at any of EAC’s on-campus student housing facilities is available during normal business hours at the Housing Office located at 900 N. College Avenue, Thatcher AZ.

Sex Offender Community Notification
Arizona Revised Statute §13-3825 Community Notification requires community notification of Level 2 or 3 sex offenders residing in the area. This includes notification to the surrounding neighborhood, area schools, appropriate community groups, and prospective employers. Information on the identity and residential address of all levels of registered sex offenders is available at the Arizona Department of Public Safety’s website at https://www.azdps.gov/services/public/offender.

Note: AZ DPS Sex Offender Registry is powered by a third party website named OffenderWatch.
SECURITY AND SAFETY

Social Security Number Use
EAC does not use the social security number of faculty, staff and students as that individual’s EAC Identification Number. Faculty, staff and students are assigned a random EAC identification number at their first enrollment or employment with EAC. Students are requested, but not required, to provide their social security number to facilitate awarding of financial aid, for learning or tuition credits for income tax purposes, and for supplementary identification purposes when necessary. Neither the social security number nor the EAC identification number are shared to third parties without the written consent of the student.

Veterans Information
Every Veteran claiming Veteran’s Educational Benefits is responsible for notifying the Veteran’s representative at Eastern Arizona College of any change in his/her schedule which causes an increase or decrease in credit hour load as soon as the change occurs. For questions, please contact the Veteran’s Representative in the Financial Aid Office on the Thatcher Campus of Eastern Arizona College or phone (928) 428-8287, or 1-800-678-3808, Ext. 8287.

Voter Registration Forms
Mail in voter registration forms for Graham and Greenlee Counties are available for all enrolled students and the public. Forms can be obtained at the reception desk in the Student Services Building on the Thatcher Campus. Voter registration forms may also be requested from the following:

Arizona Residents: Call toll free 1-877-THE VOTE (1-877-843-8683) or Access the Vote Arizona web page at www.azsos.gov for election information, voter information, and registration form.

New Mexico Residents: Call 1-800-477-3632 and ask for the Bureau of Elections

All Other States: Access the National Voter web page at www.eac.gov

Access the Register to Vote web page at www.vote.govcm
