OFFICIAL DOCUMENT NOTICE

EASTERN ARIZONA COLLEGE CATALOG is available as both a printed and an electronic document published on the Internet. Printed documents are correct as of the date of preparation. The Internet version is updated as needed and is the College’s official publication. All who use the catalog are advised that when taking action or making plans based on published information, the Internet version should be relied upon as the official document. Public access to Internet-based College publications is available at all EAC administrative sites or at www.eac.edu.

This catalog has been prepared to give you information on the programs and courses available at Eastern Arizona College and to answer questions you may have about official policies, procedures, and regulations. To arrange a visit or to ask any questions, please contact us at:

Eastern Arizona College
Thatcher, AZ 85552-0769
(928) 428-8272
1-800-678-3808
FAX: (928) 428-2578
Email: admissions@eac.edu

Students needing language assistance to interpret information presented in this catalog should contact EAC’s Counseling Department for assistance. The Counseling Department is located at 615 North Stadium Avenue, Thatcher, Arizona, 85552-0769 and may also be reached by telephone at (928) 428-8253.

Estudiantes que necesitan ayuda en interpretar la información contenida en este catálogo deben de ponerse en contacto con el Eastern Arizona College Counseling Department (Departamento de Consejo). El Departamento de Consejo se ubica en 615 North Stadium Avenue, Thatcher, Arizona 85552-0769 y también nos puede llamar por teléfono al (928) 428-8253.
VISION
The College shall be the premier resource for higher education in eastern Arizona.

MISSION
The mission of Eastern Arizona College is to provide quality higher education. The College is accountable to its stakeholders for educational results, fiscal responsibility, and cultural development.

PURPOSES
The College shall provide:
• Associate degree programs and courses for university transfer.
• Programs that meet workforce needs of business, industry, and government.
• Opportunities for Adult Education.
• Support services to assist students in identifying and achieving personal, educational, and career goals.
• Services which meet the community’s diverse cultural and economic needs.
• Activities and programs which promote general student welfare while fostering an environment in which students can develop leadership, citizenship, and character.
• Activities and programs that foster life-long learning.

The College will help individuals acquire knowledge and skills that will enhance their abilities to think, feel, act, and enjoy.

VALUES
• Continuous Improvement
• Diversity
• Institutional Quality
• Integrity
• Learning-Centered Education
• Partnership Development
• People
• Scholarship

PRESIDENT’S WELCOME
The faculty, staff, and students of Eastern Arizona College welcome you!

Eastern is the oldest member of the Arizona Community College system and enjoys a rich tradition of educational excellence, achievement, and commitment. Even though we have a long history and are located in a rural area, our technology is cutting-edge and our faculty is qualified and caring. This is the best place to get a good start. Fully accredited by the North Central Association, Eastern offers numerous Associate degree and Certificate programs. Students are prepared for immediate entry into the job market or successful transfer to a university of their choice. Our campus is the most beautiful in the state of Arizona.

Remember, the will to succeed is nothing without the will to prepare. We are committed to helping you become a champion at life. We sincerely hope that your visit with us is joyful and rewarding.

Futures begin at Eastern Arizona College!

MISSION AND INTRODUCTION

ACCREDITATION

Eastern Arizona College is accredited by the Higher Learning Commission.

Higher Learning Commission
230 South LaSalle Street, Suite 7-500
Chicago, Illinois 60604-1411
Phone: (800) 621-7440 or (312) 263-0456
Fax: (312) 263-7462
Email: info@hlcommission.org
Web: www.hlcommission.org

The College is a member of the Arizona Community College System.

The names of associates, agencies, or governmental bodies which accredit, approve, or license Eastern Arizona College and the procedures by which documents describing that activity may be reviewed and can be obtained from the Provost/Chief Academic and Student Officer during regular business hours in the Student Services Building.

HISTORY

Eastern Arizona is a public community college. Founded as St. Joseph Stake Academy in 1888, it provided education for the youth of the Gila Valley from 1890 until 1933. The institution introduced junior college courses in the early 1920s.

On March 25, 1933, it became a public county institution under the authority of the Arizona State School Code and was renamed Gila Junior College. On July 1, 1950, the name of the College was changed from Gila Junior College to Eastern Arizona Junior College.

In 1962, the College became the first official state junior college in the newly formed Arizona State System of Community and Junior Colleges. In 1966, the word “Junior” was dropped from the name of the institution.

EAC ALUMNI ASSOCIATION

The Eastern Arizona College Alumni Association was organized by President Emil Maeser, fourth President (1898-1903) of the Latter-day Saint Academy during the spring term in 1900.

The EAC Alumni Association played a significant role in the history of Eastern Arizona College. Beginning with Old Main, down through the completion of the Memorial Bell Tower, Eastern’s alumni have contributed to the growth and development of the College.

Today, the Alumni Association boasts a membership of over 30,000 individuals. The Alumni Association has a Board of Directors and three standing committees to assist in fulfilling its purposes. The Alumni Association provides scholarships, reunions, and other alumni events to support current students and alumni.

Together, we are building a bright and vibrant future for all who come and experience Eastern Arizona College.

EAC ALUMNI ASSOCIATION BOARD

Joel Biggs, EAC Foundation President

EAC FOUNDATION

The Eastern Arizona College Foundation is a non-profit corporation that is fiscally and organizationally separate from the College. The Foundation is empowered to receive gifts, bequests and endowments, which are tax deductible to the donor.

Through the EAC Foundation, a variety of ways have been developed for individuals and businesses to support Eastern Arizona College.

These gifts come to the Foundation in the form of cash, marketable securities, real property, bequests, and gifts-in-kind. Special gift provisions can also be made through a will, by gifts of insurance policies, or the establishment of an endowment or a trust.

Gifts to the Foundation may be given for a specific purpose or given without restriction. Donations can also be arranged to obtain the maximum tax benefit to the donor while at the same time providing support for the mission of the College. The Foundation staff, with the assistance of your attorney or accountant, can provide additional information on the donor plan that is best for you.

For over 125 years, support for Eastern Arizona College and its educational mission has come in many forms. It is the continued generosity and commitment of alumni, businesses, and friends of the College that has been instrumental in helping Eastern produce students ready for success and achievement in the world of tomorrow. If you would like more information, please contact the executive director of the EAC Foundation at (928) 428-8295 or 1-800-678-3808.

Assistant Dean
MISSION STATEMENT

The Gila Community College District creates and continuously improves affordable, accessible, effective, and safe learning environments for the lifelong educational needs of the diverse communities we serve. Our campuses fulfill this mission through:

- University Transfer Education
- Developmental Education
- Workforce Development
- Continuing Education
- Community Education
- Community Services
- Cultural Activities
- Economic Stimulation Activities
- Adult Literacy Activities

The College is dedicated to providing individual attention and assessment as well as instructional and developmental courses to ensure that each student has access to the skills needed to achieve academic success. As a leading partner in community development, we contribute to the advancement of individual, social, economic and cultural interests in the region. We measure our success in fulfilling our mission by:

- Student enrollment
- The academic success of our students
- Community response to our program offerings
- The degree to which we satisfy the needs of community business/industry for skilled workforce

In association with Eastern Arizona College
ENROLLMENT

EASTERN ARIZONA COLLEGE IS A PLACE where you’ll make friends easily and feel at home instantly. Small class sizes and highly qualified, committed instructors ensure a quality education. And outside the classroom, opportunities for personal growth and enrichment abound. Whatever direction you take, there’s no better starting point than Eastern.

EAC’s ethnically diverse student body represents more than 31 states and territories and 22 foreign countries.

HOW DO I ENROLL FOR THE FIRST TIME AT EAC?

Becoming a student at EAC is easy! If you’ve never attended Eastern Arizona College, you are admitted by establishing a record at EAC. There are three convenient ways to do this.

You may complete and submit the Admissions Form over the Web at www.eac.edu/forms/SIF, or Call Operator Assisted Registration during business hours at (928) 428-8270 or 1-800-678-3808, Ext. 8270 and we’ll take the information over the phone, or Complete the Admissions Form which is available in the Records Office or online and:

• Mail it to: EAC Records and Registration, Thatcher, AZ 85552-0769
• Fax it to: EAC Records and Registration, (928) 428-3729
• Bring it to the Records and Registration Office in the College Student Services Building between 8:30 a.m. and 4:30 p.m., Monday through Friday.

Contact the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, Ext. 8270 for more information.

With very few exceptions, all classes at EAC have a 14 year minimum age requirement. Students younger than 14 may seek permission to participate in classes by petitioning the Academic Standards and Appeals Committee.

The act of enrolling in courses at the College indicates you agree to be subject to all the requirements, policies, and regulations in the College Catalog and Student Handbook, and agree to establish a permanent college academic record. You further acknowledge that in order to be admitted to other colleges or universities you may be required to send this academic record to those institutions. Your enrollment also certifies your understanding that the content of EAC courses is designed for adult students and if you are a younger student you may feel constrained from participating in class discussions due to the maturity and age of other students, in addition to the subject matter being discussed.

We will be happy to evaluate your credits earned at other colleges or universities. You will need to have an evaluation completed if you:

• Want to receive credit for prior college work, or
• Need to show that prerequisites have been met, or
• Will be participating in intercollegiate athletics at EAC and need to establish eligibility.

Arrange for an official transcript to be sent directly to the EAC Records and Registration Office from every college you have attended. If the transcript you wish evaluated is from a non-Arizona college or university, please arrange to have course descriptions of the transcript courses also sent to the EAC Records and Registration Office. Be sure the descriptions are from the catalog for the year the course was taken.

ORIENTATION AND REGISTRATION ASSISTANCE

Eastern Arizona College offers Orientation and Registration Assistance for new students. The Orientation Program is designed to familiarize you with available services, registration procedures, and degree requirements. Orientation can be obtained in several ways:

1. A complete review of the College Catalog and Student Handbook will provide a good orientation to EAC. These publications are available at the College’s web site. You may also call the Admissions and Scholarships Office at (928) 428-8272 or 1-800-678-3808, Ext. 8272 to request these publications be mailed to you.

2. A Web-based orientation to Eastern Arizona College can be accomplished by studying the contents of the EAC site at www.eac.edu. The opportunity to submit questions by email is provided.

3. Students registering for the first time can expect the following assistance from Counseling Staff:
   • Academic Planning: you will learn how to use the tools necessary for planning your college program.
   • Advising: Counselors and Faculty Advisors will be available to assist you.
   • Registration Assistance: We will assist you with learning how to use our registration systems.

4. It is highly recommended that all first time, full-time students successfully complete a semester long orientation class, CSL 109, Orientation to Student Success. This class provides orientation instruction in study skills, time management and also provides the opportunity to obtain vital information about Student Life activities, Library Services, Financial Aid, and Academic Planning.

Sections are taught by faculty in each of the academic divisions, giving the student the opportunity to work closely with someone in the division containing their major. Undecided students will be provided with the opportunity to explore career options. Students should complete this class in the first or second semester of their full-time enrollment.

Call (928) 428-8253 or 1-800-678-3808, Ext. 8253 or send an email to counseling@eac.edu for more information.
READING, ENGLISH AND MATH PLACEMENT TESTING

All new or continuing, full or part-time students who intend to make initial enrollment in a mathematics, English Composition, or any other general education class are required to take the appropriate placement test. Initial enrollment in most general education classes require reading proficiency at least at the 10th grade level. The reading placement score will determine if graduation requirements and initial general education enrollment requirements have been met or if developmental reading courses are needed.

Placement in English Composition and mathematics courses based on placement testing scores is mandatory and will be determined by a student’s respective placement test scores. Nonetheless, students may choose to enroll in a mathematics class that is one level higher than the course designated by their testing score. Students choosing to enroll in a higher level course must sign a form indicating that they are aware that they are not enrolling in the proper course and that enrolling in the higher level course could affect their academic standing.

The requirement that you take placement testing may be waived if:

- You have taken either the ASSET, ACT COMPASS or ACCUPLACER placement tests previously and can provide EAC with official scores.
- You are a transfer student and can provide an official transcript showing a grade of “C” or better in college level English or math.
- You have taken the ACT or SAT and can provide evidence you have achieved the following minimum scores:

  **English Minimum Score**  
  ACT English Score of 18*  
  SAT Verbal Score of 530

  **Math Minimum Score**  
  ACT Math Score of 22**  
  SAT Math Score of 520

  **Reading Minimum Score**  
  ACT Reading Score of 18  
  SAT Verbal Score of 430

*Student will be placed in ENG 101, Written Communications I.
**Student will be placed in MAT 154, Precalculus Algebra.

Check with the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, Ext. 8270 to see if we have your ACT or SAT scores on file.

How to take placement tests:

1. You may take placement tests by appointment during regular business hours on the Thatcher campus. For more information, contact the Counseling Department at (928) 428-8253 or 1-800-678-3808, Ext. 8253 or send an email to counseling@eac.edu.

2. Scheduled placement testing is also offered at Greenlee County, Morenci High School–EAC Office by appointment. Call Jennifer Morales at (928) 865-7290 to make an appointment.

INTERNATIONAL STUDENTS

Eastern Arizona College is authorized under Federal law to enroll nonimmigrant students. Notice will be sent to the student indicating either acceptance or denial after the Records and Registration Office has received all of the following items. Contact the Records and Registration Office to obtain forms and more information. All items need to be received by August 1 for fall semester and by December 1 for spring semester.

- Admissions Form
- $25 non-refundable application fee payable in U.S. dollars, or in the form of an International Reply Coupon issued through a government or postal office overseas
- Housing Application and deposit (if College housing is desired)
- Official transcript of high school and college work
- Completed medical examination
- TOEFL test scores. The minimum TOEFL paper-based test score we accept is 500, the minimum TOEFL computer-based test score we accept is 173, and the minimum TOEFL internet-based test score we accept is 61. For information on the TOEFL, write to TOEFL Services, Educational Testing Service, P.O. Box 6151, Princeton, N.J. 08541-6151, USA or go to www.ets.org/toefl. You may be admitted without TOEFL scores contingent upon participation in a college language training program designed and approved to meet your individual needs.
- Letters of recommendation from two persons, preferably officials from the student’s former school
- Certification of Finances
- Proof of hospitalization insurance

After being admitted to Eastern Arizona College, the International Student is responsible for completing all Immigration and Naturalization Service (INS) requirements. Students may not enroll in classes at Eastern Arizona College without the I-20 Certificate of Eligibility form on file in the Records and Registration Office.

WHAT ABOUT MY RESIDENCY?

**State Residency:** No person having his/her domicile elsewhere than in the State of Arizona shall be eligible for classification as an in-state student for tuition purposes. The minimum requirements for residency are:

1. Continuous physical presence in the state for one year
2. Financial independence from out-of-state parents
3. Evidence of intent to establish residency
4. Compliance with Proposition 300 (see page 184).

For more information, refer to the disclosures section of the College Catalog on page 184, or contact the Records and Registration Office.
TUITION AND FEES

TUITION AND FEES FOR 2017-2018

The exact amount you will spend on college expenses will depend on your class schedule (textbooks needed, fees, etc.) and your housing and meal arrangements. Below is an estimate of the costs per semester, based on enrollment in 16 credit hours.

FAX surcharge fee $2

HOW AND WHEN DO I PAY MY TUITION AND FEES?

Tuition and fees should be paid to the Cashier in the Fiscal Control Office located in the Student Services Building on the Eastern Arizona College campus. Payment should be made at the time of registration.

You may pay by phone, online or in person with your VISA, MasterCard, American Express, or Discover card. "Note: Debit/Credit card payments will be assessed a 2.75% non-refundable fee by the card processor. Students can avoid paying debit/credit card fees by choosing the ACH (E-check) payment option available online through Gila Hank. You may also mail a check or money order to Cashier, Eastern Arizona College, Thatcher, AZ 85552-0769. Checks, drafts, and postal or express money orders should be made payable to Eastern Arizona College. Students may also choose to enroll in an online payment plan managed by Nelnet Business Solutions. Those choosing the payment plan option pay an enrollment fee of $25 and are then able to spread their tuition, dorm and meal plan expenses over several months. Payment plans are accessible through Gila Hank by going to the "Pay Tuition/Fees" tab and choosing the "Payment Plan" link. Payment plan options include ACH (E-check) and debit/credit card (card processing fees do apply). Registration is not complete until all tuition and fees and outstanding debts or balances are paid, or one is successfully enrolled in an online payment plan.

If you expect to receive financial aid you need to work closely with the Financial Aid Office to seek and receive financial assistance. If you are seeking aid for the fall semester, you are advised to begin the application process early the previous spring.

Classes will be automatically cancelled if tuition and fees are not paid by the fourth Monday in July for fall semester and the second Friday in December for spring semester. The Academic Calendar in the catalog specifies the dates by which all fees or financial aid arrangements are due. If payment is not received by these dates, your registration will be cancelled. If your registration is cancelled, you may not be able to get back into all your classes. Don't let this happen to you! Be sure all financial arrangements are made by the date due.

NEW MEXICO (OUT-OF-STATE) TUITION WAIVERS

There are a limited number of Out-of-State tuition fee waivers for residents of New Mexico who wish to attend Eastern Arizona College. To be eligible for consideration, you must:

• Be a resident of New Mexico
• Be admitted to Eastern Arizona College
• Have a minimum 2.0 GPA (a transcript from your most recent school must accompany your application)
• Fill out a New Mexico Out-of-State Tuition Waiver Application at www.eac.edu/newmexico or request that an application form be mailed to you
• For priority consideration you should register for classes as soon as possible prior to the semester you plan on attending

This agreement is made by and between the New Mexico Commission on Higher Education, an “agency” of the State of New Mexico and Eastern Arizona College (and other community colleges in Arizona). The purpose of the agreement is to establish a tuition reciprocity program to enable selected students from New Mexico to enroll at designated institutions of higher education in the State of Arizona with authorization to pay Arizona resident undergraduate tuition rates, and to enable an equal number of selected students from the State of Arizona to enroll at Western New Mexico University in New Mexico with authorization to pay New Mexico resident undergraduate tuition rates.

WESTERN UNDERGRADUATE EXCHANGE (WUE)

WUE is the Western Undergraduate Exchange, a program of the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in western states may enroll in many two-year and four-year college programs at a reduced tuition level: 150% of the institution’s resident tuition. To be eligible for consideration, you must:

• Be a legal resident of participating states—Alaska, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, or Wyoming
• Be admitted to Eastern Arizona College
• Maintain full-time student status while on the waiver completing at least 12 credit hours at a minimum 2.0 GPA per semester
• When you apply for admission to Eastern Arizona College—print out a WUE waiver application at www.eac.edu/Academics/Student_Records/pdf_forms/WUE.pdf or request that an application form be mailed to you
• Valid and current supporting documentation from your state of
residence must accompany your WUE application:

- Drivers license
- Motor vehicle registration
- State income tax return for previous year
- High school transcript or diploma
- Property ownership document
- Dependency status indicated on parent’s federal income tax return from previous year
- Bank statement addressed to your state of residency

**WHAT IS EAC’S REFUND POLICY?**

**Tuition and Fees:** Refundable tuition and fees are defined as general tuition and out-of-state tuition. All students who officially withdraw from the College or individual semester-length or short-term courses before the close of registration for the course will receive a full refund. Students who withdraw from open entry/open exit courses after the term or semester in which the course is offered has begun will not receive a refund. Students who withdraw from classes after the close of registration will not receive a refund. Fees including class, lab and other special or miscellaneous fees are not refundable.

All refunds and deposits that may be due a student will first be applied to debts that the student owes the College. When federal student aid is used to pay for tuition and fees, the refund will be made to the federal fund, not to the student.

Federal regulations require that if you are a federal financial aid recipient and you totally withdraw from the College on or before the 60% point in the enrollment period, you must return a percentage of the federal aid funds disbursed. For example: if you withdraw at the 30% point of the enrollment period, you earn 30% of all aid that could be disbursed. The remaining 70% of the aid is unearned aid and a portion of the 70% may have to be returned. Further information is available at the Financial Aid Office and/or their web page at www.eac.edu/finaid or in the disclosures section of this catalog.

**Cancelled Courses:** When the College cancels a course, a full refund will be made for the cancelled course.

**Special Provision Refunds:** Students with extenuating circumstances may petition the Admissions and Academic Standards Appeals Committee for a prorated tuition refund. Petitions are submitted via Gila Hank Online. Extenuating circumstances shall be limited to the following:

1. **Serious illness or injury:** Illness or injury qualifies for a Special Provisions Refund when the condition impeded the student’s ability to attend class, submit assignments, or complete scheduled exams in a timely manner and causes the student to fail to keep up to the extent that the student’s performance and grade will be impaired as a direct result of the illness or injury. Written verification is required from the student’s physician, on the physician’s letterhead, verifying that illness or surgery prevents the student from being able to attend classes, or that attending classes would jeopardize the health of other students in class.

2. **Death of the Student or an immediate family member:** Qualifying family members shall include immediate family members i.e., father, mother, siblings, son, daughter, or spouse. The student must provide a death certificate or an obituary indicating the relationship to the deceased.

Any request for Special Provisions refund must be made in the same academic term as the withdrawal. Requests made after the academic term will not be considered.

Any Special Provisions refund granted will be prorated as follows:
- The final withdrawal occurs within the first 25% of the academic term, 75% of tuition refunded.
- The final withdrawal occurs within the first 50% of the academic term, 50% of tuition refunded.
- The final withdrawal occurs within the first 75% of the academic term, 25% of tuition refunded.
- The final withdrawal occurs after 75% of the academic term, no refund shall be made.

The student transcript will continue to show the classes registered for with a grade of “W”. “Withdrawal Without Record” (WOR) will not be awarded as this may cause EAC to be out of compliance with Federal Financial Aid.

In the event any federal financial aid monies are to be returned to the government, those returns will be deducted from the refund and the student receives only what may be remaining.

**Other Refunds:** Students who wish to appeal the refund policy may do so by petitioning the Admissions and Academic Standards Appeals Committee. Petitions are submitted via Gila Hank Online.

A student in the Armed Forces or the Arizona National Guard who is called to active duty and assigned to a duty station, verifiable by a copy of the orders, will be allowed to withdraw and receive a full refund of tuition provided courses have not been completed.

A student who receives a Special Provision Refund or Active Duty Refund may also be granted a prorated refund for residence hall and meal ticket expenses.

**Residence Halls Refunds:** For refunds of reservation deposits or room costs, please refer to the “Housing and Dining Facilities” section of this catalog on page 23.

**Meal Plan Refunds:** For refunds of meal plans, please refer to the “Housing and Dining Facilities” section of this catalog on page 24.

**Refund Petitions:** Petitions for waiver of refund policies for residence halls and meal plans may be filed with the Dean of Students. Petition forms can be picked up in the Student Life Office located in the Gerald L. Hoopes Jr. Activities Center, Room 114, or by calling (928) 428-8354 to have a copy sent to you.
HOUSING AND DINING FACILITIES

HOUSING AVAILABILITY AND RESERVATIONS

Residence hall facilities are available on the Thatcher campus for both men and women. Tour arrangements of these facilities can be made with the Admissions Office when you visit campus or by calling (928) 428-8272. For students considering off-campus options, the Student Life Office maintains a web site directory of private facilities available for rent. Inquiries concerning the directory can be made by calling (928) 428-8354.

On campus residence hall spaces are limited, especially during the fall semester. Students are encouraged to apply for space as soon as they can by submitting a Housing Application and a $150 reservation deposit. Hall space assignments are made on a first-come, first-served basis, based on the date the Housing Office receives your application and deposit. Preference will be given to full-time students for College housing. Student must be 18 years of age or older by 45th day of the semester. Students may apply online on EAC’s web site, www.eac.edu/Campus_Life/Housing/formChoice.shtm. Students may print a PDF version of application from this same link and send it with a deposit payment by mail. If you have question about the application and assignment process, please contact the Housing Office at (928) 428-8605.

EAC reserves the right to deny on campus housing, change room assignments, or remove a student from College housing if it is felt to be in the best interest of the student and/or the College.

EAC is not responsible for the loss, theft, or damage to personal property. Firearms, simulated weapons, any kind of projectile weapon and/or other weapons, explosives of any kind, intoxicating liquors, illegal drugs, or any mind-altering substances are prohibited in the residence halls and elsewhere on College property at all times. Those in violation will be subject to disciplinary action and/or possible expulsion from EAC and restricted items confiscated. Pets are not allowed in the residence hall areas or rooms at any time.

RESIDENCE HALL ROOM COSTS FOR 2017-2018

Mark Allen, Nellie Lee, and Wesley Taylor are traditional, like gender residence halls, with double occupancy rooms. Room costs are $1535 for fall semester and $1040 for spring semester.

Residence Towers are four like-gender student suites adjoining a common area, with four students per suite. Room costs are $2055 for fall semester and $1365 for the spring semester.

Room and meal plan costs must be paid prior to the date the residence halls open for the semester. If costs are not paid by this date, your reservation will be subject to cancellation and your reservation deposit forfeited. Students not checking into assigned hall space by the end of the first day of class for that semester will be subject to the cancellation of their reservation and forfeit of deposit. Residence hall room costs are subject to annual change.

HOUSING DEPOSIT

The $150 reservation deposit is required to be included with Housing Application to reserve space on campus. Upon check-in, the reservation deposit converts to a security deposit against loss or damage to College property. The Housing deposit may be left on account between semesters to reserve space in subsequent semesters. Individual or communal damage expenses will be charged to student(s) as they occur. A full deposit of $150 must be maintained in your student account in order to maintain your reservation for subsequent semester.

HOUSING CANCELLATIONS AND REFUND ELIGIBILITY

Students, whose plans have changed and are no longer planning to reside in an on campus residence hall, are encouraged to cancel their reservation as soon as possible, so that available space can be freed for other students waiting for hall space.

Students may cancel residence hall reservations online on EAC’s web site, Residence Hall Reservation Confirmation/Cancellation, www.eac.edu/Campus_Life/Housing/confirmCancel.shtm or by notifying the Housing Office at (928) 428-8605. Cancellations received on or before July 15 for the fall semester, or on or before December 15 for the spring semester, will result in a full refund of the $150 hall reservation deposit. Cancellations after these dates will result in a forfeit of the reservation deposit.

Hall residents must complete a check-out with the hall Head Resident to be eligible for a refund of your deposit, room or meal plan costs if eligible for a refund.

If you have paid your room cost and cancel your reservation on or before the halls open for the semester, you will be eligible for a full refund of your room cost, but deposit will be forfeited. If you have checked into your hall space and then check-out prior to the end of the academic registration period for that semester, you will be eligible for a 50% refund of your room cost and deposit is forfeited. If you check-out after the end of the academic registration period for that semester, you will not be eligible for a refund of your room cost, but will receive a refund of deposit minus any charges for damages as a result of your stay in hall.

CAMPUS DINING

Campus Dining is located in the NW corner of the Gherald L. Hoopes Jr. Activities Center, accessed from the internal common area of the Center. During the fall and spring semesters, approximately 234 meals are served cafeteria-style, with unlimited seconds. During service periods, 19 meals a week are served, 3-a-day Mon-Fri, and brunch/dinner on weekends.
All students that live in a residence hall are required to purchase 1 of 3 meal plans available. Only one meal per meal period can be used from a student's plan. All plan meals must be used during a week's service period or unused meals are lost. A substitute, “Brown Bag” meal, may be ordered 24 hours in advance with Campus Dining.

Meal plans may be purchased by any student, faculty, or staff. They along with guests of the College also have the option to pay by the meal with cash.

MEAL PLANS AND CASH COSTS 2017-2018

Plan A: All 19 meals of 19 served per week: $2,010 per semester.
Plan B: Any 14 meals out of 19 served per week: $1,865 per semester.
Plan C: Any 10 meals out of 19 served per week: $1,765 per semester.

CASH PAY:
Estimated Food Service Guest-Line prices, including sales tax, will be charged:

*Special dinners may be charged an additional amount.

MEAL PLAN REFUNDS:
Students, who cancel their meal plan prior to 60% of the campus food service period for semester has passed, will be eligible for a pro-rata refund only if they completely withdraw from EAC.

FACILITIES CLOSED

On campus residence halls are closed to all students during the Thanksgiving Break, semester break between the fall and spring semesters, and during Spring Break. Fall semester students residents returning for the spring semester may leave their personal possession in the hall room that they have been assigned. Students are not required to remove personal possessions from rooms during the Thanksgiving and Spring Breaks.

Student residents not returning after the fall semesters are expected to check-out of the hall by 9 a.m. of the closure date of the hall or earlier. Students not checking out by this date/time will be subject to a daily-rate charge.

All spring semester student residents must check-out of hall by 9 a.m. of the closure date of the hall. Students not checking out by this date/time will be subject to a daily-rate charge.

Any exceptions to hall closures, check-out dates/times, or check-in dates/times must be approved by the Director of Student Life or Housing Office.

Food service/dining hall is closed for meal plan use during scheduled hall closures. At times during the fall and spring semesters, school picnics/BBQs are held on campus. An alternate meal schedule may be imposed during these times or the meal may be replaced by the picnic/BBQ activity.

For additional information concerning hall closures and food service on campus, please contact the Housing Office at (928) 428-8605.
FINANCIAL AID

The Financial Aid Office’s mission is to provide Eastern Arizona College (EAC) students, prospective, current, and past, with prompt, accurate and courteous assistance.

To help students meet the financial obligations of college attendance, EAC administers a varied and comprehensive financial aid program. Financial aid is designed to bridge the gap between the costs of attending college and what students and their families are expected to contribute. Citizens, or eligible non-citizens of the United States, may apply for assistance regardless of sex, age, color, religion, marital status, national origin, pregnancy related conditions, handicap, or veteran disability.

The U.S. Department of Education, through EAC, offers three major student financial aid programs:

1. Federal Pell Grant
2. Federal Supplemental Educational Opportunity Grant (FSEOG)
3. Federal Work Study (FWS)

Eastern Arizona College does not participate in the Federal Direct Student Loan program.

A complete description of these programs is available online at: www.studentaid.ed.gov.

To be considered for financial aid, the following is required:

1. Complete an application for admissions, www.eac.edu/forms/SIF and be admitted to EAC in a degree program. Financial aid requires a student be admitted as a high school graduate with a regular high school diploma, high school equivalence test (GED), or has completed home schooling.

2. Complete the Free Application for Federal Student Aid (FAFSA), resulting in a Student Aid Report (SAR). The FAFSA can be completed on the web at: www.fafsa.ed.gov. A tutorial for the FAFSA on the web can be found at: www.finaid.ucsb.edu/FAFSA/Simplification/index.html. To sign this application electronically and access your federal financial aid account in the future, apply for an FSA ID at: www.studentaid.ed.gov/sa/fafsa/filling-out/fsaid. Dependent student’s parent(s) must also apply for an FSA ID.

3. Documentation of information submitted on financial aid applications is required if the Central Processor selects it for a process called verification or EAC has conflicting information.

4. The student meets all other eligibility requirements as established by the U.S. Department of Education, State of Arizona, Eastern Arizona College and/or the funding agency.

The priority deadline for programs with limited funding such as FSEOG and FWS is March 1st, annually. Additional information or help is available through the Financial Aid Office. Please come in or call with your questions. It is important to have the right answer the first time rather than being delayed by inaccurate information. Corrections can be made electronically by the Financial Aid Office or online at the FAFSA web site using your FSA ID.

In general, eligibility for financial aid (Title IV funds) is determined through the following criteria.

- Student demonstrates financial need: when student’s institutional Cost of Attendance (COA) minus FAFSA results or Expected Family Contributions (EFC), results in a need. The FAFSA also determines eligibility for Pell Grant.
- Student is enrolled in courses that leads to a declared certificate or degree with a minimum duration of not less than one academic year (30 weeks of instruction) and not less than 16 credit hours.
- Student’s total number of credit hours enrolled in each semester.
- Student meets Satisfactory Academic Progress standards as established by Eastern Arizona College, and in compliance with federal regulations.
- Student does not owe an overpayment to a federal grant program.
- Student has not received 600% or 6 years of full time Pell Grant.
- Student is not in default on a Perkins, FFELP or FDSL loan.
- Students who have earned a bachelor’s degree are not eligible for financial aid at EAC.
- Student has provided EAC with transcripts from all previously attended institutions and these transcripts have been evaluated by the Registrar.

If a financial need has been demonstrated and the necessary qualifications have been met, assistance in the form of grants, work-study and/or scholarships may be made. Generally a “package” of aid or a combination of different types of assistance is awarded.

Because family capabilities vary, each aid award is designed specifically to fit the student’s circumstances. All awards are made based on an academic year beginning with fall semester and ending with Summer Term II; so a FAFSA must be completed each year. Students will be notified by mail through an “award letter” or the online Financial Aid System called “My Financial Aid” at: www.eac.edu/NetPartnerStudent/Logon.aspx. The award is based on the availability of funds and may be adjusted at any time.

FINANCIAL AID DISBURSEMENTS

Financial aid is disbursed to individual student accounts no earlier than 10 days prior to the first day of class. Generally, the first disbursement of grants and scholarships is two business days preceding the first day of the semester. Thereafter, disbursements are generally made on Thursday of each week. If after tuition, EAC approved fees, on campus board and room, and other student authorized charges are paid, and a balance remains, the balance will be paid by EAC to BankMobile. Students will select through BankMobile the method of payment, whether by check, direct deposit to personal bank accounts, or a debit card provided by BankMobile. Students can request an EAC check by contacting the Fiscal Control Office in person prior to the disbursement of funds for a given semester.
TRANSFER STUDENTS FROM OTHER INSTITUTIONS

If a student transfers to or from one school to another, previous financial aid awards will not automatically transfer. To receive aid at the new school, check with that school’s financial aid office to find out what aid programs are available and what steps are required to receive it. Midyear transfer students to EAC must notify the Financial Aid Office of the transfer status so that required documents can be requested. Federal regulations require that EAC conduct a process called ‘Transfer Monitoring’ before disbursing financial aid. Academic transcripts from previously attended institutions are also required.

WORK STUDY

Eastern Arizona College provides many part-time work opportunities for students who have completed a FAFSA and been determined eligible for the Institutional or Federal Work Study Programs. Employment is available in a variety of on and off campus jobs, including office clerks, lab assistants, custodial crews, library helpers, America Reads tutors and others. Student employment is part of an award package. Students who have been awarded work study can find job opportunities on the EAC web site at: www.eac.edu/Student_Services/Financial_Aid/jobs.shtm. This web site also guides the work study recipient through the employment process.

SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS

The Eastern Arizona College (EAC) Financial Aid Office is required by federal regulations to monitor academic progress toward a degree or certificate for all degree seeking financial aid applicants. As a result, the Financial Aid Office reviews grades and attempted coursework of all applicants, whether or not aid was received, prior to the awarding of financial aid and following each period of enrollment. All students receiving financial aid are required to meet the standards listed below. Credit hours earned prior to receiving financial aid are subject to these standards. Students who do not meet these standards will be placed on financial aid warning, probation or suspension as stated.

STANDARDS

- Satisfactory academic progress toward a degree or certificate includes maintaining a cumulative grade point average of 2.00 (C), or its equivalent. The student must continue to earn a cumulative GPA of 2.0 throughout the course of attendance. Grade point values are: A = 4.0, B = 3.0, C = 2.0, D = 1.0, F = 0. Passing (P) grades do not count toward GPA but do count as completed course work.
- Satisfactory academic progress toward a degree or certificate also includes the total number of credit hours attempted each semester. Federal regulations require students to complete their program of study in a 150% time frame. The pace of progress, as established in this policy, requires students to complete a minimum of 67% of attempted credit hours. The completion rate is calculated by earned hours divided by attempted hour’s equal’s completion rate. Transferred credit hours, as determined by the Registrar, will be added to the total hours attempted and earned when calculating the completion rate and 150% time frame. However, a transfer student who withdraws from all courses their first semester at EAC will be placed on suspension status.
- Student’s seeking additional degrees from EAC are limited as follows. After earning a first Associates degree of any type, a student may earn an additional 30 credit hours toward a second Associates degree but may not exceed 96 total credit hours. Students are limited to three certificates. Hours attempted while obtaining any degree count toward the aggregate of 96 credit hours. Students seeking a third Associates degree or fourth certificate are suspended from receiving Title IV financial aid even if they have fewer than 96 total credit hours.
- All repeated course work will be calculated as attempted hours. In accordance to federal regulations students can repeat a failed course until it is passed. A student can repeat a passed course once to improve the grade.
- The college does not consider Withdrawals (W), Fail (F), Incomplete (I), as successfully completed course work when determining the minimum hours completed. Courses dropped without record before expiration of the add/drop period are not counted against maximum time frame.
- There is no academic amnesty for financial aid recipients per federal regulations. Academic amnesty is when a student has successfully petitioned for withdrawal without record to have a Withdrawn or Failing grade removed from the transcript. Financial aid will still count removed course(s) as attempted credit hours.
- Students taking remedial course work will be given an additional 28 credit hours to complete degree requirements. The student must be accepted as a regular student in a degree program and need the remedial course work to successfully complete required degree courses.

WARNING STATUS

Students who do not comply with either the GPA or minimum credit hour completion ratio will receive a single semester of warning status. During this warning period the student must improve his/her GPA to a cumulative 2.0 and/or complete and make up deficient credit hours reaching a 67% completion rate. If a student earns a cumulative GPA that is below 1.0 no warning period will be given. If a student earns 2 or less credits in a semester no warning period will be given unless earned hours divided by attempted hours is equal to or greater than 67%.

SUSPENSION STATUS

Students who do not achieve a GPA of 2.0 or make up deficient credit hours during a period of warning will be placed on financial aid suspension status. Students who earn a semester GPA of less than 1.0 will be placed on suspension status unless their cumulative grade point average remains a 2.0 or higher. Students who earn 2 or less credit during a single semester will be placed on suspension status unless their earned hours divided by attempted hours is equal to or greater than 67%.

MAXIMUM CREDIT HOURS SUSPENSION

The maximum number of credit hours a student may attempt and still
be eligible for financial aid is 150% of the credits required to complete a declared degree, generally 96 credit hours for an associate’s degree. This includes credits accepted as transfer to EAC. In keeping with institutional policy, the transferred GPA will not be included in the college’s calculation of the institutional GPA. A student may be suspended prior to exceeding the 150% time frame if this time frame will be exceeded during the next period of enrollment.

Students completing additional hours beyond the 150% allowed by regulation are required to complete the Maximum Credit Appeal (MCA) form.

**FINANCIAL AID APPEAL PROCEDURE FOR SUSPENSION BASED ON NON-SATISFACTORY ACADEMIC PROGRESS**

A student whose financial aid eligibility has been suspended must meet the following conditions in order to regain financial aid eligibility:

1. Complete the necessary credit hours on personal resources to improve cumulative GPA to a 2.0.
2. Complete the necessary credit hours on personal resources to achieve a 67% completion ratio.

If a student feels there were circumstances beyond his/her control that affected academic performance he/she may submit a single appeal for one probationary period.

Suspended students will receive a suspension notice from the Financial Aid Office with information on the probationary appeals process. The appeal form is online at: www.eac.edu/Student_Services/Financial_Aid/forms/17-18-SuspensionAppeal.pdf.

**Circumstances under which a student is permitted to appeal are:**

- Death of a family member.
- Injury or illness of the student.
- Change in employment or work schedule.
- Other special circumstances.

**Required documentation**

- Newspaper obituaries or death certificates to substantiate death.
- Physician’s written statement to substantiate illness or accident.
- Written statement from clergy, family member, or other third party who knows the situation.
- Written statement from academic advisor or instructor.
- Documentation of change in work schedule that caused inability to attend courses.

Lack of documentation will always result in the denial of the appeal.

**Appeal submission and possible outcomes:**

1. A completed Non-Satisfactory Academic Progress Appeal form is submitted to the EAC Financial Aid Office with accompanying documentation within the specified appeals time frame as indicated in the suspension letter.
2. A probation period may be granted for one semester if the student can achieve a cumulative grade point average of 2.0 and/or a completion ratio of 67% within one semester. The student will be notified by email or letter of this determination.

3. A probation period may be granted based on an academic plan if it is not possible for the student to achieve a 2.0 cumulative grade point average and/or 67% completion ratio in one semester. This plan, if followed, will achieve the required cumulative grade point and completion rate when concluded.
4. Failure to adhere to the conditions of the probationary period may result in financial aid termination without the possibility of further appeal. To again become eligible a student must attend on personal resources to improve cumulative GPA and/or achieve a 67% completion ratio.
5. If a probationary period is denied, an appeal to an appeals committee is permitted if the student provides a written request and documentation that was not part of the original appeal. This must be received within seven days of the appeal denial. The Financial Aid Office must deem the additional information substantive enough to make a difference to the original outcome. The committee will review the original appeal, the additional documentation, and render a decision within 7 working days. The committee’s decision will be provided to the student by letter; it is final and cannot be challenged.
6. There are instances when it is not mathematically possible for a student to achieve good standing within 150% time frame. Under this circumstance the appeal will be denied. The exception might be when the time frame only needs to be extended by a single semester for the student to reach a 2.0 cumulative GPA and/or 67% completion rate, and then the appeal may be approved.

**FINANCIAL AID APPEAL PROCEDURE FOR A MAXIMUM CREDIT APPEAL**

Suspension resulting from exceeding the maximum time frame of a 150% to complete degree requirements may be appealed to the Financial Aid Office.

**Appeal submission and possible outcomes:**

The student will obtain the required appeal document at: www.eac.edu/Student_Services/Financial_Aid/forms/17-18-MaximumAttemptedCreditAppeal.pdf. The appeal must be submitted within the specified time frame as indicated in the suspension letter.

The student will complete part one on the appeal and then schedule an appointment to meet with an academic advisor/counselor. This meeting is to determine what course work is required to complete degree requirements and when the courses will be taken. The advisor/counselor will complete part two and sign the appeal. The student will agree to the terms of the appeal by reading and signing part three.

The academic advisor/counselor will submit the completed appeal form to the Financial Aid Office.

The Financial Aid Office will evaluate the appeal and determine if the student’s time frame to complete the stated degree is appropriate within federal guidelines. If approved, the appeal and courses outlined will be the contract under which the time frame is extended. The student must abide by this contract. Failure to do so will result in suspension without the opportunity to further appeals. Time frame appeals will be completed for one academic year at a time. No additional course work is permitted.
beyond what is listed on this contract, even if financial aid does not pay for the additional courses. Revisions to the contract must be approved by the academic advisor/counselor prior to enrolling for non-approved courses.

If the appeal for extended time frame is denied a denial notice will be sent to the student by email or letter. The student may appeal this denial within seven days of the date the denial was sent. The appeal must be in writing explaining why the student feels the denial should be reviewed by the financial aid committee. The financial aid committee will review the student's appeal and letter. The decision of the committee will be communicated in writing to the student within seven working days. The committee's decision is final and cannot be challenged.

**DISBURSEMENT POLICY**

The U.S. Department of Education requires institutions of Higher Education to institute Cash Management requirements for Title IV programs. These requirements affect the crediting and disbursement of financial aid funds. Highlights of these regulations are as follows:

- The College cannot disburse financial aid funds to a student's account until the student is enrolled in classes for the semester for which the funds are intended.
- The earliest the College may begin crediting a student's account with financial aid funds is 10 days before the first day of the payment period.
- The College can only credit student accounts for allowable charges; i.e., tuition, fees, room and board if on campus. Any discretionary charges on an account may only be credited by financial aid if authorized by the student through a signed statement. This authorization may be rescinded at any time by contacting the Financial Aid Office.
- The College must provide a way for a Federal Pell Grant eligible student to obtain or purchase, by the seventh day of a payment period, the books and supplies required for the payment period if, 10 days before the beginning of the payment period the institution could disburse funds for which the student is eligible, the student would end up with a credit balance and the amount the college determines as needed for books and supplies is less than the credit balance.
- After tuition, EAC approved fees and other student authorized charges are paid, and a balance remains, the balance will be transferred to the student’s BankMobile account. Students will select through BankMobile the method of payment, whether by check, direct deposit, or the BankMobile Debit Card. The link for selecting your refund method is: www.refundselection.com/refundselection/#/welcome/continue.

**WITHDRAWING/STOPPING ATTENDANCE FROM CLASSES**

The federal law specifies how Eastern Arizona College must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, and Federal Supplemental Educational Opportunity Grants (FSEOGs). EAC does not participate in the Federal Student Loan Programs.

Though your aid is posted to your account at the start of each semester, you earn the funds as you complete the semester. If you withdraw during the semester, the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or EAC received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by EAC and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of the semester, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the semester, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. EAC may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). EAC needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If you receive (or EAC receives) excess Title IV program funds that must be returned, EAC must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

EAC must return this amount even if it didn't keep this amount of your Title IV program funds.

If EAC is not required to return all of the excess funds, you must return the remaining amount.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is $50 or less. You must make arrangements with EAC or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that EAC may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. EAC will also charge you for any Title IV program funds that the school was required to return. If you don’t already know EAC’s refund policy, you should ask the Registrar's Office for a copy. The Registrar’s Office can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDEX (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on student aid on the web at www.studentaid.ed.gov.
FINANCIAL AID PROGRAM DESCRIPTIONS

**Grants**

**Federal Pell Grant** - The Federal Pell Grant is a federal Title IV grant program to help undergraduates pay for educational costs after high school. For many students, these grants provide a foundation of financial aid to which aid from other Federal and non-Federal sources may be added. Unlike loans, a Pell Grant does not have to be repaid. In order to receive a Federal Pell Grant a student must be enrolled in an eligible certificate or degree program as outlined in EAC’s college catalog. The amount of the award is based upon the Expected Family Contribution (EFC), the cost of attendance, enrollment status, and a payment schedule issued by the U.S. Department of Education. The award may range from $0 to $5,920 per academic year. The award schedule may be adjusted pending Congressional budget authorizations. Pell Grants are pro-rated based on credit hours of enrollment: 12 is full time, 9 – 11 is ¾ time, 6 - 8 is ½ time and < 6 is less than half time.

The U.S. Congress has reinstated the year-round Pell Grant beginning with July 1, 2017. However, the eligibility rules for year-round Pell Grant have not been provided by the U.S. Department of Education. EAC will begin offering the year-round Pell Grant in the summer of 2018.

**Federal Supplemental Educational Opportunity Grant (FSEOG)** - FSEOG is a Title IV grant program which provides additional funds from the Federal Government to exceptionally needy students. This grant must be combined with other forms of aid and is also non-repayable. A grant may range from $200 to $2,000 per academic year. These funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

**Leveraging Educational Assistance Partnership Program (LEAP)** - LEAP is a federal grant program matched by the State of Arizona. Only Arizona residents are eligible. The award may range from $100 to $1500 per academic year. These funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

**Federal Work Study (FWS)** - The FWS funds provide opportunities for students to work part time and earn income to help meet educational expenses. Salaries must be equal to the current Arizona minimum wage, but the maximum amount a student may earn in an academic year is determined by the Federal Aid Office. Federal Work Study awards generally range from $500 to $3000 per academic year. Federal Work Study students are encouraged to perform community service employment and/or to participate in the America Reads Program. Funds are limited and awarded to eligible students who meet the priority service deadline, then to others.

For additional information on Title IV financial aid program specifics, reference “The Student Guide” published by the U.S. Department of Education on the Internet at: [www.studentaid.ed.gov](http://www.studentaid.ed.gov). Alcohol and drug information is also required by law to be given to students. This information is published annually in the “Crime Statistics Report”. Information from this report may also be obtained on the Internet at: [www.eac.edu/About_EAC/Consumer_Information/Safety.shtm](http://www.eac.edu/About_EAC/Consumer_Information/Safety.shtm).

COST OF ATTENDANCE – 1 YEAR AT EAC

The following are average costs of attendance for three types of students, those living at home with a parent or relative (commuter), those living in a campus resident hall (on campus) and those renting an apartment or buying a home (off campus).

Non Resident (N/R) total budgets are also provided. These budgets are representative of an academic year (2017-2018) or nine month period. They are adjusted for periods of enrollment less than an academic year or for attendance less than full-time.

VETERANS AND CHILDREN OF DECEASED VETERANS

Eastern Arizona Colleges’ veterans’ services office acts as a liaison with the Department of Veterans Affairs. Students may be eligible to receive educational benefits if they are registered in courses that apply to the student’s approved programs.

Application forms, counseling, advisement and tutoring are available for students who are eligible for veteran’s educational benefits. The amount of benefit awarded is determined by the Department of Veterans Affairs, and is based on the number of credit hours for which a student is enrolled and the length of the enrollment period for each course.

You should apply for educational benefits from the Department of Veterans Affairs well in advance of your enrollment at Eastern Arizona College. Our Veteran’s Affairs Office can provide you with the Veterans Application for Education Benefits.
Veteran's benefits available at EAC:

- Chapter 30 - Montgomery GI Bill
- Chapter 31 - Vocational Rehabilitation (separately served through the local VA office)
- Chapter 32 - VEAP Program
- Chapter 33 - Post 9/11 GI Bill & Transfer of Eligibility to Dependents (TOE)
- Chapter 35 - Survivors and dependents of deceased/100% disabled veterans
- Chapter 1606 - Montgomery GI Bill, Selected Reserve
- Chapter 1607 - REAP Reserve Educational Assistance Program

It is the student’s responsibility to notify the Veteran’s Coordinator regarding any change in enrollment, address, program of study, enrollment at another institution, or any other change that may impact their veteran’s educational benefits.

Those students receiving benefits must follow the VA academic progress policy to continue to receive benefits. Department of Veterans Affairs regulations require that all persons using any type of veteran educational assistance program make satisfactory academic progress toward achievement of their educational objective (program of study). A student who does not meet the minimum standards of 2.0 upon completion of 12 or more credit hours will be placed on probation, at which point the student will have no more than two semesters in which to improve academic standing to acceptable. At this point, if satisfactory academic progress has not been demonstrated, veteran educational benefits may be terminated. Benefits may be resumed when the student raises the cumulative grade point average to the required minimum standards or demonstrates the ability to meet these standards through the approval of a written appeal. For appeal procedures, contact the Veteran’s Coordinator in the Records Office. For additional details and information regarding veteran’s educational benefits, contact the Veteran’s Coordinator.

Distance Learning:

The course content and competencies for distance learning classes are the same as courses offered in-person or in a hybrid format. The courses offered in this format lead to completion of EAC degrees and/or certificates of completion. EAC uses WebStudy for teacher/student interactions for online or hybrid classes. You will be contacted through official EAC channels to help with initial login.

Prior Credit Evaluation:

Department of Veterans Affairs requires that all persons using any type of veteran's educational assistance must have all prior education and training evaluated. Students will be required to request transcripts from all prior institutions, including military training. Without all prior institutions and military training, veteran educational assistance may not be certified. Transcripts will be evaluated and credit will be granted, as appropriate.
SCHOLARSHIPS

Scholarships are primarily awarded on the basis of academic excellence, performance in a particular area, or need. Both new and returning full-time students can apply for scholarships. Scholarship applications will begin to be reviewed and awards made after the March 1st priority deadline for the following academic year.

In order to be considered for scholarships, you must be admitted to Eastern Arizona College. The scholarship application must be submitted through your Gila Hank Account by March 1. In order for a scholarship application to be considered complete, the following additional materials should be uploaded through your Gila Hank Account to the scholarship office:

- A copy of your high school or college transcript
- Two letters of recommendation
- Personal essay including an explanation of financial need, scholarship qualifications, description of clubs, service, etc. and your college and career goals (one page)

These documents can also be mailed or delivered in person to:

Eastern Arizona College
Attn: Admissions and Scholarship Office
615 North Stadium Avenue
Thatcher, Arizona 85552

The Scholarship Officer has, as a matter of official policy, the right and obligation to discontinue any award made by or through the College upon receipt of verified evidence that a recipient of such an award has, either on the campus or in the community, demonstrated citizenship incompatible with standards of the College. This policy applies to all varieties of aid, as well as to academic, performing arts, athletic, or special scholarships.

INSTITUTIONAL SCHOLARSHIP GUIDELINES

The following academic guidelines will be necessary for you to maintain your scholarship status. This applies to all students currently on scholarship as well as new awardees. Individual scholarships may have other requirements, based upon the type of scholarship awarded. If you have questions, you should check either with the Scholarship Office or with the person directly responsible for the awarding of the scholarship.

- All students in every category must complete 12 credit hours or more each semester.
- All scholarships will be for a maximum of four semesters.
- Renewal depends on maintaining a satisfactory GPA and exemplary citizenship.
- Certain scholarships are available only to students who are residents of specific Arizona counties.

All Academic Team Scholarship. Each year, two EAC, full-time, sophomore students are chosen for the All Arizona Academic Team and are the recipients of a scholarship ranging from $500 to $1,000. Development of the student’s application for nomination should begin toward the end of the spring semester for freshmen or very early in the fall semester for sophomores. To be considered for nomination, students must complete a biographical questionnaire, have at least a cumulative GPA of 3.25, write an essay, and fill out other related forms available through Phi Theta Kappa and the Counseling Office. In addition to the EAC Scholarship, recipients are awarded a full tuition scholarship for four semesters to attend U of A, ASU, or NAU funded by the Arizona Board of Regents.

Academic. Awarded to cover cost of tuition. For consideration, a new student must have a GPA of 3.0 or higher. The first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

Athletic. Awarded to prospective or returning athletes by the Athletic Department. You must be eligible to participate in intercollegiate athletics and maintain NJCAA academic standards. Individual coaches may make other requirements.

Departmental. Awarded by academic division. To receive consideration, you should correspond with the Division Chair, the Department Head of the curriculum of your interest. To qualify for consideration you need a high school or college GPA of 2.5 or above or demonstrate excellence in a curricular or extracurricular program offered at EAC. The first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

Graham County Scholastic Recognition. Covers tuition and assistance towards the purchase of books for those students who graduate in the top 10 percent of their Graham County high school classes. Awards are based on rankings from your high school counselor. You must maintain a semester GPA of 3.5 or better, or a cumulative GPA of 3.25 for the first semester the scholarship is received. For later semesters you must maintain a cumulative GPA of 3.375 or better, or a semester GPA of 3.5.

Music. Awarded by the Music Department to cover various amounts toward tuition, based on audition and level of involvement in department organizations. A high school or college GPA of at least 2.5 is needed to qualify. Scholarships are renewable provided you continue to participate enthusiastically in music organizations, demonstrate positive leadership, and meet academic requirements: the first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.
**SCHOLARSHIPS**

**Theatre.** Awarded by the Theatre Department to cover tuition. A high school or college GPA of at least 2.5 is required. Scholarships are based on auditions or documentation of dramatic abilities. Scholarships are renewable provided you continue to participate enthusiastically in theatre and meet academic requirements: the first semester you receive this scholarship, a minimum semester GPA of 2.5 or a cumulative GPA of 2.25 must be earned. For later semesters you must maintain a 2.5 semester GPA or a cumulative GPA of 2.375.

**Presidential Scholarships.** Applicants must be residents of Apache or Greenlee counties. Awards fall into the following categories:

- **Presidential Award of Excellence.** Requires a minimum 3.5 GPA to qualify. Scholarship may provide assistance to cover the basic costs of a traditional on campus room, Plan C meal plan, in-state tuition and assistance towards the purchase of textbooks.

- **Presidential Preferential.** Requires a minimum 3.0 GPA to qualify. Students are required to submit a FAFSA application. Scholarship may provide assistance to cover the basic costs of a traditional on campus room, Plan C meal plan, in-state tuition after Federal Financial Aid funds are applied. Students may also receive assistance towards the purchase of textbooks.

- **Presidential Scholar.** Need based Scholarship. Students must qualify for FSA Pell Grant. Live on campus and participate in a structured academic success program as determined by the Scholarship Office.

**Senior Citizen Tuition Scholarship.** Senior Citizens who are at least age 55 are eligible for tuition scholarships if they are residents of Arizona. Those from out-of-state pay only the out-of-state portion of the tuition.

**DONOR SCHOLARSHIPS AWARDED THROUGH THE EAC FOUNDATION AND THE COLLEGE**

The following scholarships, varying in value, are administered in accordance with stipulations of donors of these awards. You are encouraged to designate, at the time you make application, the specific scholarships for which you wish to be considered.

For additional information regarding the following scholarships, contact the Scholarship Office, Eastern Arizona College, Thatcher AZ 85552-0769; or call (928) 428-8272 or 1-800-678-3808 Ext 8272.

- **Allen H. and Marie A. Cress Memorial Music Scholarship.** Awarded to a new or returning member of the A Cappella Choir. Must be a full-time or part-time student on Thatcher campus, must demonstrate good work and study habits and be a positive role model.

- **Alumni Association Scholarships.** Each year the Alumni Association awards scholarships covering tuition for one year. Scholarships are awarded to children or grandchildren of EAC alumni who have a 3.5 GPA and are not receiving another EAC Scholarship. Preference given to previous recipients applying for a second year.

- **Anna Deane Millett, Don and Carlotta Pace Scholarship.** Awarded annually to a full-time returning sophomore enrolled in a university transfer curriculum and having a cumulative GPA of 3.0 or higher. Preference will be given to a student enrolled in Home Economics or a closely related field.

- **Arthur N. and Gwendolyn Eve Excellence in Education Scholarship.** In honor of Arthur N. and Gwendolyn Eve, this scholarship is awarded annually to students who wish to be educators. Assistance is given students completing an Education degree that need financial support to complete their student teaching requirements. The scholarship is used to pay fees for fingerprint card registration required prior to acceptance as a student teacher.

- **Ashley Marie Beals Memorial Scholarship.** Must be enrolled in the EAC Nursing program or pursuing a degree in Pre-Medical Science. Recipient must be enrolled full-time at the Thatcher Campus. Applicants should include at least two letters of recommendation with their scholarship application.

- **Belle and Arnold Greenbaum Scholarship.** Awarded to a returning full-time EAC student majoring in a university transfer curriculum for Mathematics or Education with a cumulative GPA of 3.0 or better. Preference is given to female, reentry students.

- **Bernstein Brothers Memorial Scholarship.** Made possible by the friends and family of Billy and Tony Bernstein, this scholarship is awarded to an incoming freshman or sophomore attending EAC pursuing a degree in one of the natural sciences or a degree from the ITE Division. Recipient must be a full-time student with a prior 3.0 GPA.

- **Bette N. Smith Nursing Scholarship.** Awarded to a full-time student seeking Registered Nurse Certification. Recipients must have an entry GPA of at least 3.5 from all previous institutions attended and maintain a GPA of 3.5 while at EAC. They should also demonstrate positive work and study habits and be positive role models for others enrolled in the EAC Nursing program. Second-year Nursing students will be given priority in the selection process.

- **Dallace Butler Memorial Scholarship.** This scholarship is awarded to a returning student having a GPA of 3.0. Preference given to Pacific Islander or Native American full-time students.

- **Dr. David G. Lunt Choral Music Scholarship.** Awarded to a full-time EAC student who is a vocal music major. Recipient should demonstrate an enthusiastic love for music, people and life including service through musical and/or other organizations and maintain a 2.5 GPA.

- **Debra Mullenaux Memorial Scholarship.** Awarded to a full-time, married EAC student with a GPA of 3.0 or better. Financial need demonstrated through the Financial Aid Office is also required. Student must be enrolled in a Gila Valley Institute of Religion class other than Devotional at the time of application and throughout the time of scholarship support.

- **Dennis Braithwaite Memorial Scholarship.** Awarded to a full-time EAC student who is a vocal music major. Recipient should demonstrate an enthusiastic love for music, people, and life including service through musical and/or other organizations and maintain a 2.5 GPA.

- **The Donald J. Caldwell Educational Scholarship.** Recipient will be an Arizona resident in the Licensed Practical Nurse or Nursing program with a 3.0 GPA. Applicants will complete an essay addressing their goals, and how they will be successful with the skills they gain, and why they qualify for the scholarship.
**Dr. Dorine Chancellor Athletic Scholarship.** Provided by former EAC Administrator Dr. Dorine Chancellor, this scholarship assists one Women’s Softball student and one Men’s Basketball student each year.

**Douglas Michael Loeb Memorial Scholarship.** Awarded for tuition and fees to full-time students on the Thatcher campus majoring in Automotive Mechanics or Automotive Service Technology with a minimum GPA of 2.75. There must be evidence of need. You may receive federal financial aid but no other scholarships.

**DRG Technologies Business Scholarship.** Awarded to a full-time student who is a resident of Graham or Greenlee County. Recipient must have and maintain a 3.0 GPA and pursue a degree in Business (Administration, Finance, Accounting, Management, etc.) or Computer Information Systems (Computer Information Systems, Computer Technology, etc.)

**DRG Technologies Graphic Design Scholarship.** Awarded to a full-time student who is a resident of Graham or Greenlee County. Recipient must have and maintain a 3.0 GPA and pursue a degree or certificate in Graphic Design.

**E. James Lee and Jacqueline McFadden Lee Scholarship.** Applicants should show financial need and have and maintain a GPA of 3.0 or higher. Exceptions to the GPA requirement can be made if applicant shows employment at 20 hours or more per week while going to school.

**EAC Faculty Association Scholarship.** Available to any currently enrolled full-time student at EAC with a minimum GPA of 3.0 who is nominated in writing by a member of the EAC Faculty.

**Eldon and Lucille Palmer Memorial Scholarship.** Awarded to a full-time student pursuing a degree in Music. Recipient must be a graduate of Thatcher High School. Preference given to a student showing financial need as determined by the EAC Financial Aid Office.

**Elizabeth Louise Loeb Memorial Scholarship.** Awarded for tuition and fees to full-time students on the Thatcher campus majoring in Business Administration with a minimum GPA of 3.0. There must be evidence of need. Recipient may receive federal financial aid but no other scholarships.

**Ella T. and J. David Lee Scholarship.** Awarded to a graduate of a Graham County high school with a GPA of 3.0 or higher who demonstrates financial need. Continued eligibility requires maintaining a 3.0 GPA and full-time attendance at the Thatcher campus.

**Emil Crockett Insurance Agency Scholarship.** Awarded to a returning student who is majoring in a Business discipline. Awarding of the scholarship is based on high scholastic achievement (3.0 GPA) and residence in Graham County.

**Farrel Claridge and Bessie A. Layton Scholarship.** Eastern Arizona College has been a wonderful part of the Farrel C. and Bessie A. Layton family history. They hope this scholarship will provide others with similar great experiences available at EAC. It is awarded to a full-time Thatcher Campus student demonstrating financial need. Recipient must have and maintain a 3.0 GPA.

**Follett College Stores Scholarship.** Awarded to a returning student majoring in Business with an emphasis in Business Administration or Small Business Management with a cumulative GPA of 3.0 or above.

**Fred and Olga Pace Scholarship.** Awarded to a graduate of a Graham County high school demonstrating financial need and academic ability.

**G. Wayne and Phillis Blake Scholarship.** The family of G. Wayne and Phillis Blake established this endowed scholarship to help full-time students from Miami, Globe or San Carlos High school that exhibit financial need and have a GPA of 2.5 or better.

**George R. Bingham, Jr. Memorial Drama Scholarship.** Awarded to a new or returning full-time student majoring in Theatre and Cinematic Arts on the Thatcher campus. You must have an entry GPA of 2.5 or higher and maintain a GPA of 2.5 or higher at EAC.

**GFWC Woman’s Club of Safford Scholarship.** Awarded annually to a graduate of a Graham County high school.

**Glenn West Memorial Art Scholarship.** Awarded on a semester basis toward the purchase of educational supplies to a full-time student returning to EAC’s Thatcher campus for the sophomore year with a major in any Art Department curriculum and having at least a 3.5 GPA in classes with ART prefix. Recipient will be reimbursed for art supplies after providing receipts to the EAC Foundation.

**Graham County High School Concurrent Enrollment Scholarship.** Awarded to students attending Graham County high schools who also will be taking college courses during their Junior and Senior years. Students should complete a regular EAC Scholarship application including a statement of financial need and letters of recommendation.

**H. Greg Brockmeier Scholarship.** H. Greg Brockmeier provided 32 years of service to this community and his employer, Sodexo, Inc. and Affiliates honors Greg with this scholarship which is presented to a new or returning sophomore. Recipient must maintain a 3.0 GPA, full-time attendance and demonstrate financial need.

**Harvey J. and Loretta Olsen Memorial Scholarship.** Funds from this scholarship endowment provide tuition and additional funds toward educational expenses. The recipient will be an EAC student returning to EAC for the sophomore year. Applicants must be pursuing a university transfer curriculum, maintain a 3.0 GPA and full-time attendance.

**Helen Johnson Bone Scholarship.** Presented to a woman who is married or has been married, who is a full-time student seeking an AA or AAS degree which will prepare her for gainful employment. Recipient must demonstrate financial need. Recipient must be an Arizona resident possessing qualities of personal integrity, good moral character, and good citizenship, demonstrated by letters of recommendation. You must maintain full-time attendance, a GPA of 2.5 or higher and may not be receiving any other financial aid except government financial aid.

**Helen Papas Memorial Scholarship.** Awarded to a student exhibiting financial need with preference given to a student participating in an EAC choral group. Student must have and maintain a 3.0 GPA.

**Jared Taylor Brown, Alice Edna Hamblin and Polly Elizabeth Matthews Koger Scholarship.** Recipient must be a full-time student of Agribusiness having an entering GPA of 3.0 and maintain a 3.0 GPA for renewal up to 4 semesters. Student must demonstrate financial need through the Financial Aid Office. Recipient may receive federal financial aid but no other scholarships.
**SCHOLARSHIPS**

**Jody Buzicky Women’s Athletic Scholarship.** Awarded to a female athlete or team manager for one of the EAC interscholastic Athletic Teams. Recipient must be a full-time student and have and maintain a 3.0 GPA.

**John Mickelson Endowed Scholarship.** Each year, a scholarship will be awarded to a full-time freshman student returning for sophomore year with a minimum GPA of 3.0 in all academic work. Applicants should demonstrate personal traits of leadership, positive attitude, citizenship, personal integrity and commitment to EAC.

**The Kalvert W. Lines Scholarship.** Made possible through an endowment created in his estate plans, the Kalvert W. Lines Scholarship is awarded to freshman students with a 3.75 GPA who will be returning for their sophomore year. Recipients must demonstrate financial need and be pursuing a university-transfer curriculum.

**Kathryn Murphy-Spencer L. Kimball Scholarship.** Awarded to a full-time student majoring in a university transfer curriculum at the Thatcher campus who has a minimum GPA of 3.75, financial need, and has provided service to the College or the community.

**Keith and Kathleen McBride Crockett Family Alumni Scholarship.** Awarded to a full-time EAC student who is the son, daughter, grandson or granddaughter of an EAC Alumnus. Include at least 2 letters of reference describing character, citizenship and commitment to self improvement. A GPA of 3.0 or better and full-time attendance is required to maintain the scholarship.

**Kristie and Patrick Putnam Scholarship.** Awarded to students who are single parents studying business, nursing, science, or computer science as a way to pay it forward for the opportunities received at Eastern Arizona College.

**Mark J. Green Excellence in Spanish Scholarship.** Awarded to a full-time freshman EAC student who graduated from a Graham County high school. Recipient should be currently enrolled in a Spanish language course, who will be returning to EAC for the sophomore year.

**Mary Kim Titla Scholarship.** Awarded to a Native American student from Ft. Thomas High School or San Carlos High School enrolled full-time at EAC. Preference given to those seeking a degree in journalism, English, or closely related field. The recipient must possess qualities of personal integrity, good moral character, and good citizenship and have and maintain a minimum GPA of 2.75. Applicants should complete a 500-word essay entitled “Why I’m Pursuing My Career Goal.”

**Mary Louise “Mella” Palmer Memorial Scholarship.** Awarded to a nursing student from Thatcher or Pima High School who exhibits financial need.

**Max and Clara Curtis Bennett Scholarship.** To improve the future of our communities and country, this memorial scholarship is awarded to a full-time student with a 3.25 or higher GPA. Preference is given to a student with financial need who is a resident of Graham or Greenlee Counties or another southeastern Arizona rural community.

**Meghan Lynne Hammer Memorial Scholarship.** This scholarship is established by family and friends in loving memory of Meghan Lynne Hammer. Though her life was short, she dedicated herself to pursuing a career in music to be a therapist, to help others live a better life through music. This scholarship is awarded annually to a Miami and Globe graduating senior pursuing a music degree at EAC. The recipient must be a full-time student participating in the EAC Band. This scholarship provides funds towards educational expenses.

**Mt. Graham Regional Medical Center Foundation Scholarship.** This scholarship is established by MGRMC Foundation to support the development of nurses in the local area. This scholarship is awarded annually to a student in the EAC Nursing Program.

**Newman Sustaining Board Scholarship.** The Newman Sustaining Board offers a scholarship each year to a student returning to the Newman Center. Student must be a registered Catholic with a cumulative GPA of 2.5 or better, be a good example of a Catholic on campus as well as in the community, live according to Catholic teachings and must be actively involved in the Newman Center with at least 3 group activities or more during the year.

**Ora Deconcini-Martin Scholarship.** Awarded to a full-time student returning to EAC for his/her sophomore year at the Thatcher Campus. Recipients need a freshman GPA of 3.0 and be pursuing a degree in Business Administration or Business Education.

**Dr. Pam Rule Memorial Scholarship.** Scholarship memorializes Dr. Pam Rule who taught anthropology courses at EAC and served as Director of the EAC Museum of Anthropology from 1986 to 1989. Awarded to a freshman EAC student who will be returning to EAC for his/her sophomore year. Must have and maintain a 3.0 GPA. Recipient must be enrolled in a science, Social Sciences or liberal arts curricula.

**Phyllis Martin Lord Scholarship.** This scholarship is established by the family and friends of Phyllis Martin Lord to commemorate her uncommon life of service to her family, church and community. It is awarded annually to a student demonstrating economic need, scholarship potential, characteristics of personal integrity, and service to family, church and community. Please include letters of recommendation. Student recipients must be enrolled full-time at the Thatcher campus and maintain a 2.5 GPA. Preference given to Business Administration majors.

**Pizza Edge Scholarship.** For a full-time, degree-seeking student at the Thatcher campus. Provides tuition for one year; and may be renewed for one additional year. You must have an entering GPA of 3.0 or higher and maintain this GPA throughout the term of the scholarship. You must possess qualities of personal integrity, good moral character, and good citizenship, demonstrated by three letters of recommendation. Preference given to a student returning to EAC.

**Professional Support Staff Scholarship.** Available to any currently enrolled full-time student at EAC with a minimum GPA of 3.0 who is nominated in writing by a member of the EAC professional support staff.

**Dr. Ron Keith Memorial Scholarship.** Established by the family of Dr. Ron Keith, a faculty emeritus and past EAC administrator, this scholarship helps students who are also members of the EAC Band Program.
**Russell T. and Leola Lundell Memorial Scholarship.** Awarded to a full-time student majoring in Chemistry, returning to Thatcher campus as a sophomore with a GPA of 3.5 or higher. Satisfactory progress in the major at the end of the freshman year is required as well as financial need. Additional criteria include demonstrated service to the College and the community, and good character. Renewable for one semester.

**Safford Lions Club Scholarship.** Awarded annually to a full-time student who is a graduate of a Graham County high school. Recipient should have a 3.0 GPA, exhibit financial need and give service to the community.

**Safford Rotary Club Scholarship.** A scholarship is provided for a deserving student who is a graduate of a Graham County school to recognize achievement (high school GPA of 2.5 or higher) and provide financial aid. Recipient must be academically average or above, in need of financial aid, and enrolled for a minimum of 12 hours.

**Sarah Lamoreaux Memorial Scholarship.** Recipient must demonstrate qualities of goodness and be a positive role model with enthusiasm, dedication and school spirit, as well as demonstrate positive work and study habits.

**Sumitomo - Phelps Dodge Scholarship.** Established by the Sumitomo Metals Mining Corporation in honor of the 20th Anniversary of their partnership with Phelps Dodge Corporation. This scholarship provides assistance to students pursuing a degree or certification in an Industrial Technology field (ITE) needed in the mining industry. Student must have and maintain a 2.75 GPA or better. Preference given to a Greenlee County resident.

**United Way of Graham County Scholarship.** A two semester scholarship is awarded annually to 25 students graduating from Graham and Greenlee County high schools who exhibit financial need.

**VFW Auxiliary Post 10385 Scholarship.** Awarded to new or returning EAC students who are veterans of the United States Armed Services or relatives of veterans (father, mother, son, daughter, grandson, granddaughter, niece or nephew). Preference given to a veteran. Scholarship recipient must have and maintain a cumulative GPA of 2.0 or better (C average).

**Virginia Rae Barr Memorial Scholarship.** Awarded to a full-time Thatcher campus student majoring in Early Childhood Development or Elementary/Secondary Education. Preference given to a student who plans later emphasis in education for the developmentally disabled. Applicants should include a written statement with their application describing their career goals.

**Walter and Julia Rogers Scholarship.** This endowed scholarship was provided by Walter and Julia Rogers with fond memories of Walter’s great start at Gila Junior College. Recipient must be classified as a full-time student attending the Thatcher Campus of EAC. The recipient shall have and maintain a 3.0 GPA while pursuing a university transfer curriculum or a certificate program that will lead to employment after attending EAC. Preference is given to a student from a Graham County high school.

**Wilford E. Stailey Memorial Scholarship.** Awarded to a full-time Thatcher student returning for the sophomore year who is enrolled in one of the following majors, in order of preference: Computer Information Systems, Computer Information Specialist, or Business and have and maintain a GPA of 2.0 or higher. To receive second semester proceeds, you are required to continue full-time status and a 2.0 or higher GPA.

**William D. Smith Memorial Scholarship.** An annual scholarship is awarded to a student majoring in Drafting. Recipient will be returning as a sophomore, demonstrated by classroom activities to have outstanding drafting ability, show a commitment to career objectives in that field, and have a cumulative GPA of 3.5. Academic excellence in all classroom activities will be an important consideration.

**William J. Bone Scholarship.** Recipient may be a freshman or sophomore and must have entering GPA of 2.5 and must maintain a 2.5 GPA as a full-time student. Arizona residency is required. Personal integrity, good moral character and good citizenship are also considered.
STUDENT SERVICES

ACTIVITIES AND ORGANIZATIONS
Wishing to provide opportunities for wholesome recreation, service to the community, democratic participation in student government, and acquiring experience in leadership, Eastern Arizona College encourages and supports a varied program of student activities and organizations. These include athletics, dramatics, music, religion, student publications, intramural sports, politics, and social and scholastic organizations. Additional information concerning these activities can be found in the Student Handbook published by the Student Life Office.

ALUMNI LIBRARY
The Alumni Library consists of the library and media center. It serves students, faculty, and the community by providing research and recreational materials. Computer facilities and media are also available for use by students and non-student patrons 18 years of age and over.

The Library has approximately 51,000 books, 64 magazines and newspapers, and 40 subscription databases providing full-text journal and newspaper articles, poetry, short stories, and e-books. Many of these databases and our online catalog are searchable with one integrated link called “EAC-y* Search” (*Easy Search). There are also collections of academic and entertainment DVDs and music CDs for check-out. Twelve small conference rooms and three large study areas are available for student use. Wireless Internet is available for students in the Alumni Library.

The media center has computers, printers, and Internet access. There are approximately 1,100 DVDs available for overnight checkout by students and community patrons over 18 years of age. Faculty place media items on reserve for student use in the Media Center/Library Building.

Alumni Library hours during fall and spring semesters:
Monday through Thursday 7 a.m. to 10 p.m.
Friday 7 a.m. to 5 p.m.
Saturday 10 a.m. to 4 p.m.
Sunday 6 p.m. to 10 p.m.

The Library is closed on college holidays, and closes at 5 p.m. the night before holidays. It is open the night before classes resume, from 6 p.m. to 10 p.m. All closures will be posted.

Summer session hours are:
Monday through Thursday 7 a.m. to 7 p.m.
Friday 7 a.m. to 5 p.m.
Closed weekends and holidays. All closures will be posted.

AWARDS
At the end of each school year a variety of awards are presented to students who have shown outstanding achievement during the school year. Following is a list of some of the annual awards.

Athletic Awards. In addition to the annual Letterman awards, the Athletic Department and other boosters recognize outstanding performances in the areas of athletics by presenting the following awards:

Alvin Goodman Scholastic Award: In memory of Alvin Goodman, an award is presented to the letterman in basketball who has received the highest scholastic average of the year.

Athlete of the Year Award: Awards are given to both the male and female Athlete of the Year. The Athletes of the Year will have their names engraved on the permanent trophy in the trophy case.

Basketball Most Valuable Player Award: The most valuable basketball player will have his name engraved on a permanent trophy.

Wayne M. McGrath Scholastic Award: Given to the female athlete with the highest GPA for that year. Recipient may be a freshman or sophomore.

Carl Kyser Award. This award honoring a former EAC Automotive Instructor, is given annually to the outstanding automotive student.

Cassius Bavor Award. This is in memory of Cassius Bavor, a former employee of Eastern Arizona College. It is given to the most outstanding student employee on campus.

Chief Yellowhorse Award. The Intertribal Club at EAC gives this award to the top sophomore Native American student and the top freshman Native American student based upon academic ability.

Criminal Justice Student Association Award. The students of CJSA give this award to a returning Administration of Justice student. Selection criteria include a 3.0 or higher GPA, providing service to the Club and the community, personal integrity, and a commitment to career objectives in the Administration of Justice field.

Dramatic Awards. Given to the outstanding male and female drama student in the following categories: Best Actor, Best Supporting Actor, and Most Improved Actor. Other awards include the “Techie” Award and the Donald P. Jones award for service beyond the call of duty.

EAC Faculty Association Award for an Outstanding Graduating Student. The Eastern Arizona College Faculty Association gives an award to an outstanding graduating student. GPA, extracurricular activities at the College, and community involvement help determine the winner who must be graduating in May.

Music Awards. Given to the four outstanding music students as chosen by the music instructors.

Voice Magazine. Prizes are awarded each year to outstanding poets and fiction writers whose work has appeared in the publication.
Other Awards. Other awards are presented annually by various college departments acknowledging individual student achievement in a variety of academic disciplines.

COUNSELING PROGRAMS
The goal of the counseling program of Eastern Arizona College is to assist each student to develop decision-making skills, provide opportunities for personal and career awareness, and to strengthen competencies in dealing with others. Problems of adjustment to the academic and social environment of college are not unusual and the counseling staff is prepared to help you with personal concerns as well as educational concerns.

You may earn college credit by enrolling in study skills/college survival classes and group counseling courses. For more information see the Counseling courses in the Course Descriptions section of this catalog. The Counseling Department also provides support programs for specific groups of students including Native American students and Reentry students.

EVALUATION CENTER
The Evaluation Center administers a variety of testing services including: ACT COMPASS and ACCUPLACER placement testing, GED testing, the College Level Examination Program (CLEP), and Castle Worldwide testing. The Center can provide proctoring services for students taking online courses.

For further information, contact the Evaluation Center by phone at (928) 428-8491, or by FAX at (928) 428-2074.

HEALTH SERVICES
All students are expected to provide their own health and accident insurance. When hospitalization or ambulance service is considered necessary, the College assumes no financial responsibility. Brochures describing health insurance programs for domestic and international students and dependents are available by request from the Student Life Office on the Thatcher Campus.

Although the College does not maintain health service facilities, students may use local emergency room and medical facilities. Serious illnesses or injuries occurring to nonresident students while on the Thatcher or Greenlee County Campuses are reported to the Dean of Students. Students residing in a residence hall are required to report any illnesses or injuries to the Residence Life Staff. Parents will be notified at once of any serious illness or injury.

College staff assigned to residence halls are concerned about student wellbeing and can help direct students to the appropriate medical services. However, they cannot take responsibility for providing sickbed services to students residing in the halls. The students and parents must arrange for such care.

COMMUNICABLE DISEASE TRANSMISSION CONTROL
When College officials have probable cause to believe that a student has contracted a communicable disease which, through transmission, may present a significant injury/risk to other students, the student will be required to seek immediate medical attention at personal expense, or be removed from all campus activities. Following medical attention, and upon the written recommendation from the attending physician, the Chief Student Officer of a particular campus or center may require the student to be isolated. This isolation may include, but not be limited to, temporary removal of the student from a residence hall, campus employment, and classes. Individual cases will not be prejudiced; rather, decisions will be made based upon the recommendation of the attending physician and/or public health guidelines.

The College does not assume any responsibility for accomplishing the isolation of a student with an identified communicable disease that may present significant injury/risk to other students. It will be the responsibility of a student living in a residence hall to secure other accommodations should the District require isolation.

The College shall respect the right to privacy of any student who has a communicable disease that may present significant injury/risk to other students. The student’s medical condition shall be disclosed only to the extent necessary to minimize the health risks to other students and District staff. The Chief Student Officer of a particular campus or center shall determine who shall be made aware of the student’s condition while at the same time taking steps to assure that the number of personnel made aware will be kept at the minimum needed to assure proper care of the student and to detect situations in which the potential for transmission of the disease may increase. Persons deemed to have a “direct need to know” will be provided with appropriate information; however, these persons shall not further disclose such information.

SUBSTANCE ABUSE PREVENTION PROGRAM
Substance abuse prevention within the Eastern Arizona College community is the assigned responsibility of the Counseling Department. To this end, the Department, on an ongoing basis, assesses the nature and extent of substance abuse at Eastern Arizona College and tailors preventative measures to identified needs of the College. These measures include the dissemination of information, referrals to community support agencies and the sponsoring of counseling and workshop programs within which individuals can explore the extent of their own drug and/or alcohol dependency. This prevention program is available to all EAC students and staff.

SERVICES FOR STUDENTS WITH DISABILITIES
Services and educational opportunities for students with disabilities are provided. Please contact the Assistant Dean of Counseling on the Thatcher Campus to inquire about procedures.

The Arizona Relay Service provides free telephone access 24 hours a day for the hearing or speech impaired. To access, please call 1-800-367-8939 and ask for Eastern Arizona College at (928) 428-8253.

STUDENT LEARNING CENTER
The Eastern Arizona College Student Learning Center offers free tutoring and computers upon availability. Students requiring extra assistance in their academic work are encouraged to visit the Center to inquire about services or for more information, call (928) 428-8446.
STUDENT CODE OF CONDUCT

THE COLLEGE HAS THE OBLIGATION to determine the standards of conduct appropriate for those who become members of its student body. These standards apply to all and will be administered by the President and/or his designee who may take disciplinary action deemed appropriate for the violation committed. Students, who have rights and privileges as citizens, must keep in mind that admission to the College is a privileged status and involves special additional obligations to the college community. It also presumes that students, as members of the academic community, understand that due regard for law and the rights of others are always involved in the realm of liberty.

The rules of conduct specified below are not all-inclusive but are emphasized as being among those necessary for the security and well-being of students attending Eastern Arizona College and are among the circumstances which may lead to disciplinary action and possible dismissal.

- Conviction of a crime or continued misconduct of any type that is an infraction of the established laws of the town, county, state or nation.
- Possessing or using intoxicating liquors, narcotics or other illegal drugs.
- Stealing or in possession of stolen articles.
- Malicious destruction of property.
- Endangering or threatening the life or physical safety of others or self, including forcible or nonforcible sexual assault.
- Possession/use of any projectile weapon on campus.
- Failure to meet financial obligations to the College.
- Student conduct, on or off campus, prejudicial to the best interest of the College may be considered cause for disciplinary action or dismissal.

DEFINITION OF TERMS

Days: Calendar days exclusive of weekends, semester breaks, and official holidays as identified in the College Catalog.

Complainant: Student complainant.

Official: College official(s) responsible for the program or action for which the student complainant has a grievance.

Student Affairs Officer: Campus official designated by the College President for oversight of student affairs.

Judiciary Committee: College committee charged with responsibility to advise the College President on policies, standards, rules and regulations for non-academic standards; and to serve as an appeals committee for grievances involving non-academic standards.

Non-Academic Standards: All institutional actions exclusive of academic standards and discrimination as defined by federal or state laws.

OFFICIAL REVIEW PROCESS

Step 1. The Complainant shall seek out, within five (5) days of the action, the Official so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

Step 2. If Complainant satisfaction is not achieved in Step 1, the Complaint shall provide a written request identifying the problem and requesting a meeting with the Student Affairs Officer. Within five (5) days of receipt of the request, the Student Affairs Officer shall arrange for a meeting with the Complainant and attempt to mediate an acceptable solution.

Step 3. If Complainant satisfaction is not achieved in Step 2, the Complainant shall provide a written request for a hearing by the Judiciary Committee. The request shall articulate the complaint and shall be delivered to the Chairperson of the Judiciary Committee and Student Affairs Officer within five (5) days after receiving a recommended solution as provided in Step II. Within ten (10) days of receipt of the request for a hearing, but not less than three (3) days of receipt of the request, the Chairperson of the Judiciary Committee shall arrange for a hearing. The Complainant, the Student Affairs Officer and the Official shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Judiciary Committee shall set forth a written document addressing findings of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Student Affairs Officer, the Official and the College President. Decisions made by the Judiciary Committee are binding.

SEXUAL DISCRIMINATION/HARASSMENT COMPLAINTS

It is the policy of Eastern Arizona College that there be no discrimination against any employee, applicant for employment, or student on the basis of sex. In keeping with this policy, the College prohibits sexual harassment by any of its employees, its students, or third parties against any other employee, applicant for employment, or student. The College considers
sexual harassment to be a major offense that can result in the suspension or discharge of the offender.

Any unwelcome sexual advance, request for sexual favors, or other verbal or physical conduct of a sexual nature, constitutes sexual harassment when:

1. Submission to the conduct is made either an explicit or implicit condition of employment or academic standing;
2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting an employee or applicant for employment; or used as the basis for an academic decision affecting a student; or
3. The harassment substantially interferes with an employee’s work performance or creates an intimidating, hostile or offensive work environment; or interferes with a student’s academic performance or creates an intimidating, hostile or offensive academic environment.

BRINGING A COMPLAINT
Any employee, applicant for employment, or student who believes that he/she or another employee, applicant for employment, or student, (1) has been discriminated against on the basis of sex, or (2) has been sexually harassed, should promptly report the matter to any Dean (Assistant, Associate, etc.), the Provost, or Executive Vice President of the College. A College Dean, Provost, or Executive Vice President who receives a report of sexual harassment must present the allegations to the College President as soon as reasonably possible. The College President or personnel designated by the College President shall investigate complaints of sexual harassment. A complaint arising from a Graham County site may be reported to the Provost/Chief Academic and Student Officer at (928) 428-8261, Student Services Building Room 219. A complaint arising from a Greenlee County site may be reported to Mike Crockett, Dean of Instruction, at (928) 428-8291, Student Services Building Room 216.

RESOLUTION OF A COMPLAINT
The College is committed to investigating each complaint thoroughly and taking immediate and appropriate corrective action on all confirmed violations of this policy. In determining whether or not any particular alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the alleged incident(s) and the context in which the alleged incident(s) occurred will be reviewed and considered. The College prohibits reprisals by any of its employees or students against any complaining employee(s), student(s), or corroborating witness(es). Confidentiality will be maintained to the maximum extent reasonably possible.

SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING COMPLAINTS
A charge of any of the above complaints against a College student will be handled by the Provost/Chief Academic and Student Officer of the Thatcher Campus or Chief Officer for Greenlee County Eastern Arizona College sites in a similar manner as described above in the Complaint of Sexual Harassment. When a complainant of sexual assault gives information to the Officer that a sexual assault has taken place and accuses a College student of the offense, the Officer will have the discretion to suspend the accused student pending a hearing. When any necessary investigation is complete, the Officer will formally notify the accused student of the charges and will set a hearing date within 5 class days.

GENERAL COLLEGE REGULATIONS REGARDING THE ILLEGAL USE OF A CONTROLLED SUBSTANCE
1. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited on College property or as part of any of the College’s activities. For purposes of this regulation a controlled substance shall include any of the following:
   a. An illegal drug
   b. A legal drug used in excess of medically prescribed dosage
   c. An alcoholic beverage
   d. Any other mind-altering substance, or any substance used in excess of medically prescribed dosage.
2. The conviction for the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance on College property or as part of any of its activities shall be cause for immediate suspension and shall result in one or more of the following conditions as considered appropriate by the College Office designated in charge of student affairs.
   a. Termination of enrollment with the college;
   b. Requirement for the student to participate satisfactorily in a substance abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency; and/or
   c. Other enrollment restrictions or stipulations as deemed in the best interest of the College and the student.
3. Students should carefully consider information provided by the College detailing:
   a. Standards of conduct related to the possession, use, or distribution of drugs and alcohol by students on our institution’s property or as any part of our institution’s activities, including sanctions imposed for violation of those standards as detailed above in “General College Regulations,” paragraphs A and B;
   b. A description of applicable legal sanctions under local, state, and federal law for unlawful possession, use, or distribution of illicit drugs and alcohol;
   c. A description of the health risks associated with use of illicit drugs and alcohol;
   d. A description of any drug and alcohol counseling treatment or rehabilitation or reentry programs that are available to students.

The College will conduct a biennial review of its “Program to Prevent Illicit Use of Drugs and Abuse of Alcohol by Employees and Students” to determine its effectiveness, implement needed changes, and ensure that disciplinary sanctions are consistently enforced.

Note: Federal law allows notification of parents or guardians when there is a violation of this policy or a student exhibits a pattern of illegal substance use.
INTERFERENCE WITH OR DISRUPTION OF EDUCATION

Eastern Arizona College is dedicated to the concept of providing education to all those who can benefit therefrom. The College has a responsibility to maintain public order so that individual rights to benefit from its programs and facilities will not be impaired.

A person commits interference with or disruption of education at Eastern Arizona College by doing any of the following:

- For the purpose of causing, or in reckless disregard of causing, interference with or disruption of Eastern Arizona College, threatening to cause physical injury to any employee of Eastern Arizona College or any person attending Eastern Arizona College.
- For the purpose of causing, or in reckless disregard of causing, interference with or disruption of Eastern Arizona College, threatening to cause damage to Eastern Arizona College, the property of an Eastern Arizona College employee or any person attending Eastern Arizona College.
- Knowingly going on or remaining on the property of Eastern Arizona College for the purpose of interfering with or disrupting the lawful use of the property or in any manner as to deny or interfere with the lawful use of the property by others.
- Knowingly refusing to obey a lawful order given pursuant to A.R.S. § 13-2911 (C).
- Bringing onto campus, or possessing on campus any: (a) deadly weapon, (b) firearm (loaded or unloaded), (c) explosive, (d) nunchaku, (e) breakable container containing flammable liquid with a flash point of 150 degrees Fahrenheit or less and has a wick or similar device capable of being ignited, or (f) any combination of parts or materials designed and intended for use in making or converting a device into any item set forth in subdivisions (c) or (e) of this paragraph. The provisions of this paragraph shall not apply to Police Officers, certified and commissioned in the State of Arizona, or to weapons, and/or chemicals possessed and used as part of a course of instruction at Eastern Arizona College, or for weapons used for lawful exhibition or demonstration approved by the College President or designee.

For purposes of this policy, “interference with or disruption of” includes causing an employee of Eastern Arizona College to take any action to protect Eastern Arizona College or the employees, students or property of Eastern Arizona College.

Campus Police shall have the primary charge to maintain public order and the peaceful conduct of education upon all College property, assisted, when appropriate, by local law enforcement personnel.

Penalties for interference with or disruption of education upon College property shall include all appropriate legal remedies including, but not limited to: (a) the criminal penalties specified by A.R.S. § 13-2911, (b) the offender being required to leave College property, and (c) in the case of a student, faculty member or other staff violator, suspension, expulsion, or other appropriate disciplinary action. In addition, any deadly weapon, dangerous instrument, or explosive that is used, displayed or possessed by a person in violation of this policy shall be forfeited or otherwise disposed in accord with A.R.S. § 13-2911 (D).

ACADEMIC INTEGRITY

Academic integrity is a vital part of the culture of all successful institutions of higher learning. The value of the degrees, certificates, and coursework offered by Eastern Arizona College greatly depends on its reputation as an institution dedicated to academic honesty. This Academic Integrity Policy provides guidance in helping students and faculty understand the meaning and importance of academic integrity; defines academic dishonesty; and outlines the procedures for handling infractions of academic integrity. Each member of the EAC community is charged with honoring and upholding the policies and procedures governing academic integrity as set forth below.

DEFINITION OF TERMS

As used in this policy:

- Academic evaluation refers to any assignment, project, test, essay, quiz, performance, or other task or instrument by which students demonstrate mastery of course content, thus earning credit toward a class grade.
- Academic integrity means honesty and responsibility associated with study, learning, and scholarship.
- Academic misconduct means any act contrary to Academic Integrity, such as cheating, plagiarism, and earning grades dishonestly.
- Academic standards are the rules and principles by which grades, student conduct, professional educator conduct, and class materials are evaluated.
- Admissions and Academic Standards Appeals Committee serves as the appeals committee for grievances concerning academic standards; compiles and considers reports on the nature and frequency of academic misconduct; hears charges and evidence of repeated or particularly serious academic misconduct; and imposes sanctions when such types of academic misconduct is determined to have occurred.
- College means any and all Graham County Community College District (GCCCD) locations to which Eastern Arizona College delivers instructional services to students enrolled for credit.
- Dean is the administrator who, under the direction of the Chief Academic Officer, supervises several academic divisions and other specified college areas.
- District refers to the Graham County Community College District.
- Division Chair refers to the Graham County Community College District.
- Division Chair is the person who immediately supervises professional educators in the departments comprising a division and other programs relevant to the division function.
- Judiciary Committee serves as the appeals committee for grievances involving non-academic standards, hears charges and considers evidence of academic misconduct in the most serious cases, and imposes sanctions when academic misconduct is determined in those cases.
- Plagiarism is the use of another person’s words, materials, work, and ideas, and adoption of an actual document, including a document available electronically, without properly acknowledging and documenting the source.
**Professional educator** is employed by the College as the instructor of record, contributing/substitute instructor of record, proctor, GCCCD staff, or employee responsible for delivering instructional services and or resources to students.

**Restricted course materials** are materials that are kept within the control of a professional educator to be delivered to enrolled students in a controlled manner. Restricting access to materials such as examinations, quizzes, and various assignments allows professional educators to control the resources available to students completing such evaluations, thus providing a uniform assessment of the knowledge and abilities that a student has obtained through his or her coursework. Examinations, quizzes, and assignments that are deliberately made available to the public by the professional educator of a course and without limitations are not restricted course materials.

**Student** means a person who is registered in a College course.

**STUDENT RESPONSIBILITIES**

Students are responsible for understanding the College’s Academic Integrity Policy as well as the sanctions that may be imposed as a result of academic misconduct. Students are also responsible for understanding their appeal rights associated with findings of any policy violation. If the expectations and limitations of an assignment or assessment are unclear, students are expected to ask for clarification.

Students shall practice the provisions of the Academic Integrity Policy and uphold integrity in their academic pursuits.

**ACADEMIC INTEGRITY POLICY**

Students at Eastern Arizona College are expected to:

- Conduct themselves in accordance with principles of academic integrity
- Behave so as to foster an atmosphere of honesty and fairness
- Avoid plagiarism and other forms of academic misconduct
- Give truthful information to any College professional educator or to any other College employee regarding issues concerning academic integrity or academic misconduct, or suspected academic misconduct
- Not alter, misuse, or forge any College document, record, or instrument of identification.

Students are not excused from these provisions because of any failure or inability on the part of the professional educator to prevent other instances of academic misconduct.

**ACADEMIC MISCONDUCT**

Academic misconduct includes any act that improperly affects the evaluation of a student’s academic performance or achievement, or any act designed to deceive a professional educator. This definition applies whether the student’s act of misconduct affects his or her own work or the work of other students. Specific infractions include, but are not limited to, the following:

1. **Cheating on Examinations:** Cheating includes the use of crib sheets, “cheat sheets,” or discarded computer programs; aid from other persons; copying from another student’s work; and soliciting and giving or receiving unauthorized aid orally, electronically, or in writing. The student will not consult books, notes, calculators, or other materials of any kind during an examination or assignment without the express permission of the instructor. If calculators, spellers, or other hand-held electronic devices are permitted to be used during an examination or assignment, no information may be programmed into or retrieved from the device other than that expressly permitted by the instructor. Students in online or hybrid courses are responsible for maintaining the security of course materials and are forbidden to share examination materials and other restricted course materials with anyone. Any act that compromises the security, validity, or effectiveness of an academic evaluation, whether it is a regular assignment, a quiz, an examination, or an evaluation of another sort, is academic misconduct.

2. **Inappropriate Collaboration:** Permission from an instructor for students to “work together” on homework, an assignment, or paper is not permission for one student to present another student’s work as his or her own. Unless the professional educator specifies otherwise, all work submitted for a grade or credit toward completion of a course will be the product of the student’s own understanding, expressed in the student’s own words, calculations, computer code, etc. One form of inappropriate collaboration involves having another person significantly alter either the content or grammar of the student’s written work. A student may seek feedback from another student or individual concerning a document’s content, grammar, and spelling, but to avoid this type of inappropriate collaboration, the student must fix problems himself or herself.

3. **Collusion:** Collusion is the act of assisting others in their ventures of academic misconduct. Collusion includes but is not limited to providing advance copies of examinations and other restricted course materials; providing essays or other written assignments to others; acting as a “ghost writer” and significantly contributing to the written work of another without making your contributions known to the instructor and acquiring permission for such contributions; posing as another person in order to complete course work, examinations, or other academic work on that person’s behalf; working to conceal the academic misconduct of another student.

4. **Submitting the Same Assignment for Different Classes:** Submitting the same assignment for a second class violates the assumption that every assignment advances a student’s learning and growth. Unless instructors of both classes involved expressly allow it, submitting an assignment already submitted for another class is a breach of academic integrity.

5. **Intentional Misrepresentation:** Misrepresentation occurs when a student claims that source materials contain information or phrases that they do not. In addition, misrepresentation occurs when a student omits or inserts words, changes words, misquotes, or takes correctly quoted phrases out of context. If this is done with the intent to deceive a professional educator in any academic evaluation, the student has committed a breach of academic integrity.

6. **Plagiarism:** Plagiarism means presenting someone else’s ideas or words as one’s own. Plagiarism may involve some degree of
intend or may be the result of carelessness or ignorance of acceptable forms for citation. Not knowing how or when to cite a source does not excuse an act of plagiarism. Each of the four kinds of plagiarism below is a breach of academic integrity.

- Copying without citation, the most serious form of plagiarism, involves copying part or all of a paper from the Internet, from a book or magazine, or from another source without indicating that the work is someone else’s. To avoid this form of plagiarism, quoted material must be placed in quotation marks and one of the standard forms of documentation (APA, MLA, etc.) must be used to indicate where the material came from.

- Copying from an external source and citing the source but failing to show (by the use of quotation marks, for example) that the material is a direct quotation is another form of plagiarism. Simply documenting the source does not indicate that the words themselves are someone else’s. Avoiding this form of plagiarism involves putting all quoted material in quotation marks or using the format designated by APA, MLA, etc. to indicate quoted material.

- Incorrect paraphrasing is another form of plagiarism. Paraphrasing involves putting a lengthy phrase, sentence, or group of sentences written by another into one’s own words, thereby making it significantly different from the original. Changing a few words, or rearranging words, is not proper paraphrasing, and though the source is cited (as is always required with paraphrased material), wording remains substantially that of another and cannot rightfully be represented as original. Avoiding this form of plagiarism involves either making the material a direct quote by using quotation marks and citing the source, or paraphrasing properly by substantially changing the original to new words; again, making sure to cite the source.

- Presenting arguments, lines of reasoning, or facts learned from someone else without citing the source, even if the material is paraphrased, is another form of plagiarism. The source must be properly cited.

7. **Improper Influence:** Attempting to influence a grade or to receive any other academic benefit not earned through the normal exercise of academic effort by offering anything of value, including the performance of services, to a professional educator, College employee, other College student, or any other person, is academic misconduct.

**PROCEDURES, SANCTIONS AND APPEALS**

**The Professional Educator**

The College respects and accepts the professional educator’s qualifications and rights to determine academic standards. The professional educator is accountable for establishing and maintaining appropriate academic standards for coursework and for informing students of any special rules or practices for a particular class.

When a professional educator becomes aware of a possible violation of academic integrity by one of his or her students, a confidential conference between the professional educator and the student should be held to discuss the perceived violation and its consequences. If, following the conversation, the professional educator is satisfied that a violation has occurred, he or she may determine that one or more of the following consequences are appropriate and impose such penalty:

- Issuing a verbal or written reprimand
- Requiring that the academic project or examination in question be repeated
- Assigning the academic project or examination in question a reduced grade
- Requiring that the academic project or examination in question be repeated for a reduced grade
- Assigning the academic project or examination in question a failing grade
- Assigning a reduced grade in the course
- Assigning a failing grade in the course
- Initiating the student’s involuntary withdrawal from the course

The professional educator will resolve most violations in the above manner.

The professional educator will report each violation and its disposition to the Division Chair within five business days of the occurrence; the chair will report to the appropriate Dean, who in turn will report it to the Admissions and Academic Standards Appeals Committee. If the professional educator feels that the violation in question was especially serious or repeated, he or she may recommend that additional penalties be imposed.

**The Admissions and Academic Standards Appeals Committee**

The Admissions and Academic Standards Appeals Committee will consider the case and may decide to impose one or more of the following additional penalties against a violator:

- Placing the student on academic probation
- Restricting the student’s access to certain college resources
- Requiring the student to complete an academic integrity education program
- Requiring that the academic project or examination in question be repeated
- Requiring that the student’s permanent file be repeated
- Assigning a reduced grade
- Assigning the academic project or examination in question a reduced grade
- Assigning the academic project or examination in question a failing grade
- Assigning a reduced grade in the course
- Assigning a failing grade in the course
- Initiating the student’s involuntary withdrawal from the course

The Admissions and Academic Standards Appeals Committee will be notified of all acts of academic misconduct. Such reports will be noted in the agenda and minutes of committee meetings. The committee may report the incidence and nature of these violations to the faculty and administration at appropriate intervals.

When, in the opinion of the committee, evidence of repeated or especially serious offenses exists, or upon the recommendation of the professional educator involved, the Admissions and Academic Standards Appeals Committee will consider the case and may decide to impose one or more of the following additional penalties against a violator:

- Placing a written reprimand in the student’s permanent file
- Restricting the student’s access to certain college resources
- Requiring the student to complete an academic integrity education program
- Placing the student on academic probation

If the Admissions and Academic Standards Appeals Committee concludes that the violation is so serious as to possibly warrant the student’s exclusion from extracurricular college activities, or suspension or dismissal from the College, it will make that recommendation to the Judiciary Committee.

**The Judiciary Committee**

The Judiciary Committee will resolve the most serious acts of academic misconduct. Only the Judiciary Committee has authority to suspend or expel a student from the College for academic misconduct.

After receiving recommendation from the Admissions and Academic Standards Appeals Committee that a violation of academic integrity may
warrant the student’s dismissal from the College, the Judiciary Committee will consider the evidence and render a decision which shall be binding.

The Judiciary Committee may impose additional penalties against a violator, which may include:

- Censure and exclusion from extracurricular college activities, including student government, athletics, performances, or other activities of the college community
- Suspension for a specified period of time
- Expulsion from the College without expectation of readmission

**A Student’s Right to Appeal**

A student may appeal any decision to impose discipline as a result of academic misconduct through the established Grievance Procedure and Official Review Process for Academic Standards (GCCCD 5810.02).
ACADEMIC REGULATIONS

ACADEMIC GOOD STANDING

Academic Probation. If an enrolled student’s cumulative grade point average in either the fall or spring semester falls below the following levels in relation to the student’s total credits used in the calculation of the GPA, the student will be placed on academic probation. In the subsequent fall or spring semester the student will be allowed to register for no more than sixteen (16) credits.

<table>
<thead>
<tr>
<th>Credit Hours</th>
<th>Minimum Grade Point Average Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>12-15</td>
<td>1.60</td>
</tr>
<tr>
<td>16-30</td>
<td>1.75</td>
</tr>
<tr>
<td>31-45</td>
<td>1.90</td>
</tr>
<tr>
<td>46+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Extended Academic Probation. At the end of the academic probation semester if the student fails to raise his/her GPA to the minimum GPA requirement specified above, the student will be placed on extended academic probation. While on extended academic probation the student will be limited to seven (7) credit hours in subsequent semesters and summer sessions until such time as the student meets the appropriate standard.

Appeal of Academic Probation or Extended Academic Probation. If a student believes he/she was placed on academic probation or extended academic probation as a result of extenuating circumstances, the student may petition the Admissions and Academic Standards Appeals Committee for an exception.

ATTENDANCE

You are expected to attend all class meetings and laboratory sessions for which you are registered. Instructors will advise you in writing of class policies governing absences, punctuality, make-up assignments, and exams at the beginning of each term.

ABSENCES

Absences accumulate beginning with the first day of class.

Official Absences. Absences from class due to authorized participation in College sponsored activities will be considered as official absences. There will be no institutionally sanctioned penalty associated with official absences. Designation of official absences will be made through the Provost/Chief Academic and Student Officer.

Unofficial Absences. Absences other than official absences will be considered as unofficial absences. Instructors are authorized to withdraw a student from class for excessive unofficial absences.

MAKE-UP ASSIGNMENTS AND EXAMS

It is your responsibility to make up any assignments or exams missed because of either an official or unofficial absence. Arrangements for make-up assignments or exams must be made with the individual instructor prior to the absence. At the discretion of the instructor, you may be denied the opportunity to make up assignments or exams missed because of an unofficial absence. Make-up assignments or exams for official absences shall not be punitive in nature.

PUNCTUALITY

You are expected to be prompt in attending each of your classes. Instructors are authorized to take appropriate actions, including withdrawing you from class, because of excessive tardiness.

THE CREDIT SYSTEM

Credit is given by means of a semester credit system which assigns each course a certain number of credits. A credit usually represents three hours of work each week in a 16-week semester; it may stand for an hour of classroom work and two hours of preparation, for three hours of laboratory work, or for some other combination as the particular course may demand.

AWARDING TRANSFER CREDIT

To apply credit earned at another accredited institution of higher education towards your EAC degree, you must have each of your former colleges send an official college transcript directly to EAC’s Records and Registration Office. If you are applying for transfer credit earned at an out-of-state college you must also furnish the Records and Registration Office with a copy of the course descriptions in effect at the time the course work was taken.

You may receive transfer credits for courses taken at another accredited higher education institution in which you received a grade of “C” or better. When the transfer courses are determined to be equivalent or very similar to EAC courses, you will receive credit for the equivalent EAC courses. Courses that are determined to not be equivalent or similar to EAC courses will transfer as elective credit. In unusual circumstances, you may petition the Admissions and Academic Standards Appeals Committee for credit for transfer courses in which a grade of “D” was received.

Courses taken from another institution while you are academically suspended from EAC will not be accepted by EAC.

Accredited higher education institutions are those that are fully accredited by New England Association of Schools and Colleges, Middle States Association of Colleges and Schools, North Central Association of Colleges and Schools, Northwest Association of Schools and Colleges, Southern Association of Colleges and Schools, and/or the Western Association of Schools and Colleges.
Transfer credit from non-accredited postsecondary institutions may also be accepted if such credits represent equivalent or higher level work at Eastern Arizona College.

Prerequisite courses taken over ten years ago may not prepare you well for the subsequent course due to changes in the body of knowledge in the field being studied.

NATIONAL STANDARDIZED EXAMINATIONS

You may be awarded college credit for satisfactory scores on national standardized examinations listed in the American Council on Education’s “A Guide to Educational Credit by Examination, 4th Edition,” or its successor.

CLEP is an example of such an examination. The College’s Evaluation Center administers the CLEP. There is a fee for the CLEP exam. If you intend to transfer to another college or university you are cautioned that policies governing the awarding of CLEP credit vary from institution to institution. In all cases, scores earned for CLEP examinations will have to be submitted separately to each institution at which credit is being sought.

Credit for CLEP scores earned after July 1, 2005. You may be awarded EAC credit through CLEP scores earned after July 1, 2005 if you scored 50 or above on the subject exams.

LANGUAGES

The preferred method of demonstrating language proficiency in Spanish and French at EAC is by enrolling in the College’s competency based courses in one of those languages at the appropriate level, rather than attempting a CLEP or other exam. Once proficiency has been demonstrated, EAC will place the credits earned on your transcript making them fully transferable.

Should you wish to obtain EAC language credit through CLEP, the following standards will apply. Students who are awarded EAC language credit through CLEP and who wish to transfer this credit as evidence of language proficiency, may also be required by the receiving institution to pass an oral examination.

COMPETENCY BASED CREDIT

The College offers open entry/open exit courses in which student success and course completion is based on mastery of specified competencies. Such courses are laboratory intensive, and are characterized by students entering and completing within various time frames. Open entry/open exit courses are not tied to minute/credit ratios. Credits are awarded upon the achievement of clearly defined and measurable course competencies.

CREDIT BY ARTICULATION WITH SECONDARY SCHOOLS

High school students participating in a secondary program articulated with Eastern Arizona College will receive college credit according to the terms of the articulation agreement with the specific secondary school. Credits earned via articulated secondary programs may not be transferable, depending on the policies of the receiving institution.

CREDIT BY DEPARTMENTAL EXAMINATION

If you have acquired college level knowledge or skill through work or life experiences for which you have not received college credit you may petition the Admissions and Academic Standards Appeals Committee to earn college credit by taking an EAC Departmental Exam provided you are not currently enrolled in that course nor seeking credit for a lower level course after successfully completing a higher level course. This petition may be obtained through EAC's Records and Registration Office or online through your Gila Hank Online account. Upon approval of your petition, a comprehensive written and/or performance examination (not the course final exam) relating experience to course content will be administered by an instructor designated by the Provost/Chief Academic and Student Officer. The examination will be documented by filing results in EAC's Records and Registration Office. If proper test administrators are not available at the time of your request, you must wait until the test administrator is available. Permission to take such an exam is limited to subject areas offered by Eastern Arizona College in which competency can be measured satisfactorily by a written or performance test. A course may be challenged only one time. Credit awarded on this basis will be recorded on an official transcript only upon completion of 16 credit hours at Eastern Arizona College and will be shown on the transcript as “credit by departmental examination.” A credit by examination fee will be charged for the examination (see catalog, section “Other Fees”). Upon transfer, acceptance of credit awarded by means of departmental exam may be treated differently by the receiving institution.

CREDIT FOR ADVANCED PLACEMENT

Testing and evaluation for Advanced Placement will be uniform throughout the District and shall be applied uniformly by divisions and individual instructors.

The following list shows the EAC credit awarded for specific advanced placement examinations.

American History. An AP Exam score of 4 or 5 earns credit for EAC courses HIS 101 and 102, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

Art (History). An AP Exam score of 3, 4 or 5 earns credit for EAC course ART 133 or ART 134, for 3 credits. A score of 1 or 2 earns no credit.

Art (Studio). An AP Exam score of 4 or 5 earns credit for EAC course ART 111 for 3 credits. A score of 1, 2 or 3 earns no credit.

Biology. An AP Exam score of 4 or 5 earns credit for EAC courses BIO 181 and 182, a total of 8 credits. A score of 3 earns credit for BIO 100, for 4 credits. A score of 1 or 2 earns no credit.

Calculus AB. An AP Exam score of 3, 4 or 5 earns credit for EAC course MAT 220, for 5 credits. A score of 1 or 2 earns no credit.

Calculus BC. An AP Exam score of 4 or 5 earns credit for EAC courses MAT 220 and 230, a total of 9 credits. An AP Exam score of 3 earns credit for EAC course MAT 220, for 5 credits. A score of 1 or 2 earns no credit.

Chemistry. An AP Exam score of 4 or 5 earns credit for EAC courses CHM 151 and 152, a total of 8 credits. A score of 1, 2 or 3 earns no credit.

Comparative Government & Politics. An AP Exam score of 4 or 5 earns credit for EAC department elective credit, for 3 credits. A score of 1, 2 or 3 earns no credit.

English Language/Composition. An AP Exam score of 4 or 5 earns credit for EAC course ENG 101, for 3 credits. A score of 1, 2 or 3 earns no credit.

English Literature/Composition. An AP Exam score of 4 or 5 earns credit for EAC course ENG 101, for 3 credits. A score of 1, 2 or 3 earns no credit.

European History. An AP Exam score of 4 or 5 earns credit for EAC courses HIS 104 and 105, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

French Language. An AP Exam score of 3, 4 or 5 earns credit for EAC courses FRE 101, 102, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

German Language. An AP Exam score of 3, 4 or 5 earns credit for EAC courses GER 101, 102, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

Microeconomics. An AP Exam score of 4 or 5 earns credit for EAC course BUA 221, for 3 credits. A score of 1, 2 or 3 earns no credit.

Microeconomics. An AP Exam score of 4 or 5 earns credit for EAC course BUA 223, for 3 credits. A score of 1, 2 or 3 earns no credit.
Music Theory. An AP Exam score of 3, 4 or 5 earns credit for EAC course MUS 101, for 3 credits. A score of 1 or 2 earns no credit.

Physics B. An AP Exam score of 4 or 5 earns credit for EAC course PHY 111, for 4 credits. A score of 1, 2 or 3 earns no credit.

Physics C. An AP Exam score of 3, 4 or 5 on Mechanics earns credit for EAC course PHY 112, for 4 credits. A score of 1 or 2 earns no credit.

Physics C. An AP Exam score of 3, 4 or 5 on Electricity and Magnetism earns credit for EAC course PHY 112, for 4 credits. A score of 1 or 2 earns no credit.

Psychology. An AP Exam score of 3, 4 or 5 earns credit for EAC course PSY 101, for 3 credits. A score of 1, 2, or 3 earns no credit.

Spanish Language. An AP Exam score of 3, 4 or 5 earns credit for EAC courses SPA 101, 102, 201 and 202, a total of 16 credits. A score of 1 or 2 earns no credit.

Statistics. An AP Exam score of 3, 4 or 5 earns credit for EAC course MAT 160, for 3 credits. A score of 1 or 2 earns no credit.

US Government and Politics. An AP Exam score of 4 or 5 earns credit for EAC course POS 110, for 3 credits. A score of 1, 2 or 3 earns no credit.

US History. An AP Exam score of 4 or 5 earns credit for EAC courses HIS 101 and 102, a total of 6 credits. A score of 1, 2 or 3 earns no credit.

CREDIT FOR MILITARY TRAINING, LICENSING, AGENCY TRAINING, EXAMINATION, OR EVALUATION

If you hold a valid and current license or accreditation for a specific skill or trade which included passing an exam by a state or nationally recognized Board and have been actively practicing that skill within the last five years, you may petition the Admissions and Academic Standards Appeals Committee for college credit in subject areas offered by EAC. You must supply the name and address of the accrediting Board, trade school, or agency to EAC’s Records and Registration Office.

Upon request by EAC’s Records and Registration Office, the place of prior accreditation must be willing to supply information about examination competencies. If this information is adequate for evaluation, the Admissions and Academic Standards Appeals Committee, in consultation with the Division in which courses are listed, will determine the specific courses for which credit will be given on the official transcript.

Transcript wording will be “Credit by departmental evaluation.” If there is a question about awarding of credit under these conditions, you will be given the opportunity to earn the credits in question by examination as described under the Credit By Examination section. Credit earned by apprenticeship training, licensing, or other agency training or examination may not be transferable. Credit awarded on this basis will be recorded on an official transcript only upon completion of at least 16 credit hours in courses at Eastern Arizona College and will be shown on the transcript as “credit awarded by evaluation.” Upon transfer, acceptance of credit awarded by evaluation may be treated differently by the receiving institution.

CREDIT FOR MILITARY TRAINING

*The 2006 Guide to the Evaluation of Educational Experiences in the Armed Services* or its successor, published by the American Council of Education, is used as the basis for evaluating training and experience in the armed forces. A student may receive college credit if the armed services training parallels a curriculum area offered at Eastern Arizona College, and the credit meets a program requirement, or is used as elective credit. Credit awarded on this basis will be recorded on an official transcript only upon completion of at least 16 credit hours in courses at Eastern Arizona College and will be shown on the transcript as “military credit awarded by evaluation.” Upon transfer, acceptance of credit awarded for military service may be treated differently by the receiving institution.

GRADING

Each course in which you are enrolled at the close of registration for that course will be awarded one of the following grades:

<table>
<thead>
<tr>
<th>Letters</th>
<th>Grades</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4 grade points per semester credit</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3 grade points per semester credit</td>
</tr>
<tr>
<td>C</td>
<td>Competent</td>
<td>2 grade points per semester credit</td>
</tr>
<tr>
<td>D</td>
<td>Passing– not transferable</td>
<td>1 grade point per semester credit– not transferable and may not meet graduation requirements</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0 grade points per semester credit</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
<td>not computed in GPA</td>
</tr>
<tr>
<td>P</td>
<td>Credit only</td>
<td>not computed in GPA. A “P” is judged to be equivalent to a grade of “C” or higher.</td>
</tr>
<tr>
<td>W</td>
<td>Withdrawed</td>
<td>not computed in GPA</td>
</tr>
<tr>
<td>X</td>
<td>Audit</td>
<td>not computed in GPA</td>
</tr>
<tr>
<td>Y</td>
<td>Grade not reported by instructor</td>
<td>not computed in GPA</td>
</tr>
</tbody>
</table>

Grade point averages are computed by multiplying the grade points earned by the corresponding credit and dividing the sum of those products by the total credit attempted.

GRADE OF INCOMPLETE “I”

The grade of Incomplete (I) may be given for reasons acceptable to the instructor if you do not complete the objectives of the course during enrollment. Incompletes may be changed to grades when, upon contract with instructors, the objectives of the courses involved are completed at a passing level. You are solely responsible for making arrangements with instructors to complete course requirements. The course must be completed and a grade recorded by the end of the next regular semester following the Incomplete, or a grade of “F” will be recorded for the course.
GRADE OF PASS “P”
If you are in a transfer program it is recommended that you limit the number of credits in which you receive “P” grades to no more than six. Excessive “P” grades may prevent you from being admitted to the university program of your choice. “P” grades are not calculated in your GPA. “P” grades changed by petition are equivalent to “C” grades.

GRADE OF WITHDRAWAL “W”
You may obtain the grade of Withdraw (W) by officially withdrawing from the class within the allotted time frame. Ceasing to attend the class does not constitute withdrawal.

GRADE OF AUDIT “X”
The grade of Audit (X) is given to students who officially enroll in a course as an auditor to obtain course information and do not wish to earn college credit. When auditing, you pay the regular tuition and fee charges in addition to the audit fee as specified in the fee schedule.

GRADES FOR REPEATED COURSES
You may repeat a course previously taken at Eastern Arizona College in order to improve your grade or to update your knowledge of the course material. When a course is repeated, credit may be counted only once for graduation and only the higher grade will be used for computation of the grade point average; however, all grades will appear on your transcript. Veterans cannot claim benefits for repeated courses unless the veteran received a grade of “F” and the course is needed for graduation.

GRADE REPORTING SYSTEM
You will be mailed a printed copy of your grade report upon written or verbal request to the Records and Registration Office.

GRADE CHANGES
Grade changes can be made only by instructors with the approval of the Provost/Chief Academic and Student Officer, with the exception of clerical errors made and corrected by the Records and Registration Office. If an instructor is not available, petitions for grade changes will be considered by the Admissions and Academic Standards Appeals Committee.

An appeal for a grade change will not be considered unless a petition for same is filed with the Records and Registration Office within six (6) months of the close of the semester in which the grade was received.

GRIEVANCE PROCEDURE—ACADEMIC STANDARDS
Students aggrieved by College actions of an academic nature shall have the opportunity for appeal.

The professional educator’s qualifications and rights to determine academic standards are respected and accepted. The professional educator shall be accountable for establishing and maintaining appropriate academic standards for coursework.

When a complaint about academic standards arises, with the exception of sexual harassment, the student shall subscribe to the following procedure to render the complaint legitimate. Complaints of sexual harassment should follow the procedure described in GCCCD 4730.00 Sexual Harassment. The student’s right for grievance shall be forfeited if the complaint is not addressed through the Official Review Process - Academic Standards. The Official Review Process - Academic Standards may not be applicable when services are delivered under the provisions of a negotiated contract. The appeal process does not suspend any actions which are being grieved.

DEFINITION OF TERMS
Days: Calendar days exclusive of official holidays as identified in the College Catalog.
Complainant: Student complainant.
Professional Educator: College professional educator(s) responsible for the program or action for which the student complainant has a grievance.

Academic Affairs Officer: Campus official designated by the College President for oversight of academic affairs.

Admissions and Academic Standards Appeals Committee: College committee charged with responsibility to advise the College President on policies, standards, rules and regulations for academic standards and student admission; and to serve as an appeals committee for grievances concerning academic standards.

Academic Standard: All actions relating to grades, grading standards, professional educator conduct, materials presented in a classroom by the professional educator or adjunct, and professional educator discrimination against a student exclusive of discrimination as defined by federal or state laws.

OFFICIAL REVIEW PROCESS—ACADEMIC STANDARDS
Step 1. The Complainant shall seek out, within five (5) days of the action, the Professional Educator so both parties may be afforded an opportunity to clarify facts and to reach a mutually acceptable solution.

Step 2. If Complainant satisfaction is not achieved in Step 1, the Complainant shall provide a written request for a meeting to the Division Chairperson responsible for oversight of the standards employed by the Professional Educator. Within five (5) days of receipt of the request the Division Chairperson shall arrange for a meeting to include the following individuals: the Division Chairperson, the Professional Educator, and the Complainant. The Division Chairperson shall attempt to mediate an acceptable solution.

Step 3. If Complainant satisfaction is not achieved in Step 2, the Complainant shall provide a written request for a hearing by the Admissions and Academic Standards Appeals Committee. The request shall articulate the complaint and shall be delivered to the Academic Affairs Officer within five (5) days after receiving a recommended solution as provided in Step 2. Within ten (10) days of receipt of the request, but not less than three (3) days of receipt of request, the Chairperson...
of the Admissions and Academic Standards Appeals Committee shall arrange for a hearing. The Complainant, the Professional Educator and the Division Chairperson shall be in attendance at the hearing. Within ten (10) days of the conclusion of the hearing, the Chairperson of the Admissions and Academic Standards Appeals Committee shall set forth a written document addressing finding of fact and the decision reached by the Committee. Copies shall be addressed to the Complainant, the Professional Educator, the Division Chairperson, and the College President. Decisions made by the Admissions and Academic Standards Appeal Committee are binding.

HONORS

President’s List: The President’s List will, upon completion of each semester, include those full-time students who:

- Are enrolled in a curriculum listed in a College Academic Catalog leading to a degree offered by Eastern Arizona College.
- Complete during the semester a minimum of 12 credits at the 100 level or higher for which a grade other than an “I” (Incomplete) or “P” (Pass) grade was earned, and
- Received a 4.000 semester grade point average.

Dean’s List: The Dean’s List will, upon completion of each semester, include those full-time students who:

- Are enrolled in a curriculum listed in a College Academic Catalog leading to a degree offered by Eastern Arizona College.
- Complete during the semester a minimum of 12 credits at the 100 level or higher for which a grade other than an “I” (Incomplete) or “P” (Pass) grade was earned, and
- Received a 3.500 through 3.999 semester grade point average.

OFFICIAL NOTIFICATIONS

At initial enrollment all students receive an Eastern Arizona College MonsterMail account. This email account is free of charge and is the official notification channel for all EAC correspondence to the students. Correspondence sent to this address will be deemed official and adequate notification to you regarding the contents of such correspondence.

REGISTRATION

The act of enrolling in courses at the College indicates you agree to be subject to all the requirements, policies, and regulations in the College Catalog and Student Handbook, and agree to establish a permanent college academic record. You further acknowledge that in order to be admitted to other colleges or universities you may be required to send this academic record to those institutions. Your enrollment also certifies your understanding that the content of EAC courses are designed for adult students and if you are a younger student you may feel constrained from participating in class discussions due to the maturity and age of other students in addition to the subject matter being discussed. Contact the Records and Registration Office at (928) 428-8270 or 1-800-678-3808, Ext. 8270 for details.

COURSE OVERLOAD

The typical academic load varies from 15 to 18 credit (semester) hours. Students carrying a minimum of 12 credit hours are considered full-time students for financial aid, residency, and scholarship purposes.

You are allowed to register for an “overload”—defined as more than 18 credit hours of Regular Semester courses other than those designated as open entry/open exit or short term courses less than a semester in length—contingent upon the following criteria. For purposes of overload consideration, Activity/Personal Enrichment courses are not included in the number of credits to be examined.

- You may enroll for an overload of up to 22 credit hours if you have completed a minimum of 12 credits at Eastern Arizona College with a cumulative GPA of 2.75 or higher.
- If you have not completed, but are currently enrolled in, a minimum of 12 credits at Eastern Arizona College, you must petition to enroll for an overload of up to 22 credits for the subsequent semester contingent upon completion of your courses currently in progress with a GPA of 2.75 or better. At the end of the semester, if the cumulative GPA for the courses in progress is less than 2.75, you will be administratively withdrawn from the course(s) requested in your petition. You may also be subject to other points of enforcement surrounding academic standards.
- If you have completed at least 12 credits at Eastern Arizona College with a cumulative GPA of 2.25 through 2.7499, you must petition the Admissions and Academic Standards Committee for approval to register for an overload.
- If your cumulative GPA is less than 2.25, you will not be considered for an overload unless evidence is provided showing that impending graduation requirements cannot otherwise be met.
- If you are a first-time student or first-semester transfer student to Eastern Arizona College, you must petition the Admissions and Academic Standards Committee for an overload of up to 22 credits. An official transcript from either the high school or transfer institution must be on file in the Records and Registration Office.

If you want to enroll in more than 22 credits for a regular semester, you must petition the Admissions and Academic Standards Committee for additional overload consideration.

TRANSCRIPTS

A fee of $5, payable in advance, will be charged for each transcript and if EAC is requested to fax any transcript, there will be an additional $2 charge.

Eastern Arizona College reserves the right to withhold transcripts from students who are in debt to the College. A student whose transcript is being withheld has the right to discuss the matter with EAC personnel who are empowered to resolve any dispute concerning indebtedness to the College.

If you desire to transfer to another institution of higher education, you should request that the Records and Registration Office send your transcript directly to the institution you expect to enter. Also, you may request that the Records and Registration Office mail a transcript directly to a prospective employer.
WITHDRAWAL FROM A COURSE

You are responsible for initiating and completing official withdrawals from classes from which you wish to withdraw through the Records and Registration Office or over the Internet using Gila Hank Online. Withdrawal before the end of the registration period will result in the course not showing on your transcript. This is known as “Withdrawal Without Record.” Withdrawal from a course after the close of registration will result in a grade of “W” - “Withdrawal With Record” - showing on your transcript. There is a different deadline for each type of course (semester-length, short-term, open entry/open exit and summer) that is taught at EAC. Please see the listing below for the exact deadlines. If you do not officially withdraw from a course, you may receive a failing grade. Instructors are authorized to withdraw you from courses for excessive unofficial absences, excessive tardiness, disruptive behavior, or inability to perform the required tasks.

Your failure to drop a class after registration, regardless of nonattendance or nonpayment, does not release you from the financial obligation incurred at the time of registration. To ensure your registration is cancelled you must withdraw from the course. To completely remove your financial obligation for refundable fees, you must withdraw from the course during the open registration period for that course. If you incurred any nonrefundable fees, you will still be obligated to pay these fees. Instructors are not always obligated to withdraw you from their courses and you should not assume they will do so.

If you have received financial aid and withdraw from courses, please refer to the Return of Title IV Federal Student Aid Policy in the disclosure section of the College Catalog as to how this might affect you.

**Semester-Length Courses:** The last day for you to initiate an official withdrawal from a semester-length course and to receive a “W” grade is five weeks prior to the last Friday before final exams. The instructor may initiate a withdrawal from a semester-length course up to final exams.

**Short-Term, Open Entry/Open Exit, and Summer Session Courses:** The last day for you or your instructor to initiate an official withdrawal from a short-term, open entry/open exit, or summer session course is the last day of the course.
GRADUATION

LICENSURE
Eastern Arizona College offers various certificates and programs that enable the student to test for licensure. Eastern Arizona College makes no guarantee, either implied or stated, that you will pass any licensing test. Also, please be aware that any past criminal record may have an impact on your eligibility for licensure. You should investigate licensing requirements before entering a course of study.

CERTIFICATES
Work with your adviser/instructor to plan and apply for your chosen certificate program.

DEGREES
Eastern Arizona College grants the Associate of Arts (AA), Associate of Business (ABus), Associate of Science (AS), Associate of General Studies (AGS), and the Associate of Applied Science (AAS) degrees. Specific course requirements for each of the degrees offered by Eastern Arizona College are identified in the curriculum section of this catalog. Please refer to the major you intend to pursue at EAC for specific graduation requirements.

APPROVED ELECTIVES
EAC degree programs that are designed to transfer to all of Arizona’s public universities require you to select your electives from the courses listed in the Arizona Higher Education Course Equivalency Guide (CEG) (located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/CEG). Select the Eastern Arizona College Elective or Better Report. Additional detailed information is available there.

Select courses from the list for the academic year in which you will be taking the class. For example, if you are planning to take ART 101 as an elective in the 2017-2018 academic year it must be included on the list of approved electives for 2017-2018. Only courses on the approved list for the academic year in which you take the class can be counted toward degree completion.
CHOICE OF CATALOG

Students maintaining continuous enrollment at any public Arizona community college or university may graduate according to the requirements of the catalog in effect at the time of initial enrollment or according to the requirements of any single catalog in effect during subsequent terms of continuous enrollment. Students may maintain continuous enrollment whether attending a single public community college or university in Arizona or transferring among public institutions in Arizona while pursuing their degrees.

1. A semester in which a student earns course credit will be counted toward continuous enrollment. Non-credit courses, audited courses, failed courses, or courses from which the student withdraws do not count toward the determination of continuous enrollment for catalog purposes.

   **Example A:** Admitted and earned course credit at a public college or university: Fall 2016 (Active). Continued at a community college: Spring 2017, Fall 2017 (Active). Transferred to a university: Spring 2018 (2016 or any subsequent catalog).

   **Example B:** Admitted and earned course credit at a public college or university: Fall 2015 (Active). Enrolled but earned all Ws or Fs: Spring 2016 (Inactive). Enrolled in audit courses only: Fall 2014 (Inactive). Nonattendance: Spring 2017 (Inactive). Transferred to a university: Fall 2017 (2017 or any subsequent catalog).

2. Students who do not meet the minimum enrollment standard stipulated in No. 1 during three consecutive semesters (fall/spring) and the intervening summer term at any public Arizona community college or university are no longer considered continuously enrolled, and must meet requirements of the public Arizona community college or university catalog in effect at the time they are readmitted or of any single catalog in effect during subsequent terms of continuous enrollment after readmission. Students are not obligated to enroll and earn course credit during summer terms, but summer enrollment may be used to maintain continuous enrollment status.

   **Example A:** Admitted and earned course credit at a public college or university: Fall 2015 (Active). Nonattendance: Spring 2016, Fall 2016, Spring 2017 (Inactive). Readmitted and earned course credit at a community college: Fall 2017 (Active). Transferred to a university: Spring 2018 (2017 or any subsequent catalog).

3. Students admitted or readmitted to a public Arizona community college or university during a summer term must follow the requirements of the catalog in effect the following fall semester or of any single catalog in effect during subsequent terms of continuous enrollment.

4. Students transferring among Arizona public higher education institutions must meet the admission requirements, residency requirements, and all curricular and academic requirements of the degree-granting institution.

GRADUATION HONORS

**Highest Honors:** Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a 4.000 cumulative grade average.

**High Honors:** Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a minimum of 3.750 cumulative grade average.

**Honors:** Granted to candidates for graduation who have, at the conclusion of their last completed semester, at least 30 credits at EAC with a minimum of 3.500 cumulative grade average.

DEVELOPMENTAL COURSES

Credit earned for developmental classes which are numbered below 100 will not be counted towards degree completion, graduation honors or graduation grade point average.

MULTIPLE DEGREES

Eastern Arizona College offers the Associate of Arts (AA), Associate of Business (ABus), Associate of Science (AS), Associate of General Studies (AGS) and Associate of Applied Science (AAS) degrees. Once you have received one Associate degree, one or more additional degrees can also be received by completing the additional degree requirements with a minimum of 16 additional credits beyond the first degree. Degrees may be earned concurrently, however, an Associate of General Studies (AGS) degree will not be awarded in conjunction with any other transfer degree and a General Technical Studies (AAS) degree will not be awarded in conjunction with any AAS degree.
GENERAL EDUCATION

General education at Eastern Arizona College exposes you to a pattern of course work which broadens your perspectives and gives “every student pursuing an undergraduate degree the basic skills and the familiarity with various branches of knowledge which are associated with college and university education and are useful in advanced study within the university and in life beyond the university.” (State of Arizona General Education Values Statement, 1993)

General education at Eastern Arizona College supports the following student learning outcomes:

- Improve communication skills.
- Improve the ability to solve problems.
- Improve the ability to think critically.
- Improve the ability to interact with other cultures.
- Improve reading skills.
- Improve writing skills.
- Improve math skills.
- Improve the ability to interact in society.
- Improve skills in the use of technology.
- Improve the ability to analyze information from a variety of sources.
- Improve appreciation of the arts.

GENERAL EDUCATION REQUIREMENTS FOR TRANSFER DEGREES:

- Associate of Arts (AA)
- Associate of Business (ABus)
- Associate of General Studies (AGS)
- Associate of Science (AS)

Eastern Arizona College subscribes to the common structure for a transfer general education curriculum agreed upon by Arizona public community colleges and universities. This agreement provides you the opportunity to build a general education curriculum that is transferable upon completion without loss of credit to another Arizona public community college or university. This agreement is called the Arizona General Education Curriculum (AGEC).

The AGEC at Eastern Arizona College has three forms — the AGEC-A (Associate of Arts), AGEC-B (Associate of Business) and AGEC-S (Associate of Science) — and is a 35-39 semester-credit certificate program. Designed to articulate with different academic majors, the requirements of the three AGECs vary accordingly.

1. The AGEC-A is designed to fulfill the lower division general education requirements of liberal arts majors (e.g., social sciences, fine arts, humanities). AGEC-A requires a minimum of college mathematics or college algebra to satisfy the Mathematics requirement.

2. The AGEC-B is designed to fulfill the lower division general education requirements of business majors. AGEC-B requires a minimum of brief calculus to satisfy the Mathematics requirement.

3. The AGEC-S is designed to fulfill the lower division general education requirements of the more stringent mathematics and mathematics-based science majors. The AGEC-S requires a minimum of Calculus and a minimum of 8 credits of either university chemistry, physics, biology or geology. In addition, students must select six to eight additional credits of math higher than Calculus and/or an additional Lab Science course.

Eastern Arizona College has established Associate degree programs that satisfy each of the three AGECs. It will usually be in your best interest to complete the AGEC for your major at EAC before transferring to an Arizona university. When you have completed the AGEC, EAC will certify your achievement on your academic transcript. Completing the AGEC for your major at EAC fulfills the lower division, General Education requirements of the corresponding baccalaureate degree at each of the three state universities. Should you elect to not complete an AGEC at EAC you will not be afforded the same transfer status as those who do. Your courses will be evaluated on a course-by-course basis by the university to which you transfer.

Some majors, particularly in the professional fields, have significant prerequisites and/or program requirements that will not transfer within one of the three General Education programs described above. If you have selected a major that is not listed in the EAC catalog, or one that is listed as a Transfer Guide-Extra Requirements (TG-XR) degree, carefully consult the catalog and/or curriculum transfer guide (located at www.aztransfer.com) of the university to which you plan to transfer and the Course Equivalency Guide (located at www.aztransfer.com/cgi-bin/WebObjects/Admin_CEG) before you register for your GE courses. Obtaining assistance in this process from an advisor at the university you plan to transfer to is strongly recommended. EAC faculty advisors and counselors can also assist you.

You must meet the General Education requirements by selecting appropriate courses from the required program areas. In some cases, a degree program may require you to select specific courses rather than choose from the list of approved GE courses. Required courses for each EAC curricula are listed in the curriculum section of the catalog under the heading General Education Requirements.

INTENSIVE WRITING/Critical Inquiry

Intensive Writing/Critical Inquiry Courses emphasize writing as a tool for learning course materials, developing critical thinking skills, and communicating ideas effectively. To complete your AGEC, you must complete an Intensive Writing/Critical Inquiry course. These courses are designated in the list below with the notation (IW).
GENERAL EDUCATION

GLOBAL/INTERNATIONAL/HISTORICAL AWARENESS

The AGEC requires that you complete a Global/International/Historical Awareness course. Global and International Awareness courses focus on contemporary, non-U.S., culture, politics, economics or social values and emphasize critical thinking and evaluation skills. Historical Awareness courses will consider that information dealing with the history of peoples and can include their art, values, culture, politics, etc. Courses that meet this requirement are designated with the notation (GIH).

A single course will not be used to fulfill both the Intensive Writing/Critical Inquiry and the Global/International/Historical Awareness requirements. To minimize the number of classes required to complete GE requirements, select courses from the humanities or social sciences that also fulfill the Intensive Writing/Critical Inquiry or Global/International/Historical Awareness requirements.

ETHNICITY, RACE AND GENDER

Course content addressing ethnicity, race and gender is embedded in the College’s humanities and social sciences courses that are part of the General Education program.

GENERAL EDUCATION [AAS DEGREES]

GENERAL EDUCATION REQUIREMENTS FOR ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE

General education at Eastern Arizona College for an Associate of Applied Science Degree is based on the same philosophy as for transfer degrees. It exposes you to a pattern of course work which broadens your perspectives and gives “every student pursuing an undergraduate degree the basic skills and the familiarity with various branches of knowledge which are associated with college and university education and are useful in advanced study within the university and in life beyond the university.” (State of Arizona General Education Values Statement, 1993)

For an Associate of Applied Science degree, you will choose courses from at least three different GE categories. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education, where the maximum is two credits.

TRANSFER PARTNERSHIPS

ARIZONA STATE UNIVERSITY, NORTHERN ARIZONA UNIVERSITY AND THE UNIVERSITY OF ARIZONA

Eastern Arizona College offers three Associate degrees that are appropriate for transfer to Arizona’s public universities.* These Associate degrees are 64 credits and have four basic “blocks” upon which they are built. The blocks are: the Arizona General Education Curriculum (AGEC), Common Courses, Special Requirements, and Electives. If you complete the degrees, you will be guaranteed to enter the university with Junior status.

The three degrees are:

Associate of Arts (AA): This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in areas such as Liberal Arts, Social Sciences, Fine Arts, Public Programs, and Communication.

Associate of Business (ABus): This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in Business and Business-related areas such as Computer Information Systems or Economics.

Associate of Science (AS): This degree is designed for students who plan to transfer to a university and earn a bachelor’s degree in areas such as the Physical and Biological Sciences or Mathematics.

Completion of the Arizona General Education Curriculum (AGEC) guarantees your admission to the universities if you have a grade point average of 2.5 on a 4.0 scale. Completion of the AGEC also means that you will have met the lower-division General Education requirements at any of the universities for the majors that articulate with that AGEC.

*All three of the state universities may accept the Eastern Arizona College Associate of Applied Science (AAS) degree as applicable to certain Bachelor of Applied Science degrees (BAS). You should contact a transfer advisor for the university you plan to attend, or carefully consult the catalog and/or curriculum transfer guide for that institution.

EAC-ASU BACHELOR’S DEGREE PARTNERSHIP

TRANSFER OPTIONS

Arizona State University welcomes you as a transfer applicant. ASU considers you a transfer student if you have attended a community college or four-year college or university after graduating from high school. Many students transfer directly to ASU to attend the Tempe Campus. Work with your advisor to determine how best to facilitate the transfer process. In addition to the option to continue your education at ASU, students may also take advantage of the opportunity to earn an ASU bachelor’s degree without leaving Thatcher, Safford or surrounding areas.

Associate to Bachelor’s Degree Options at EAC

Students may take advantage of the EAC-ASU partnership and complete an ASU Bachelor’s degree in Thatcher on the Eastern Arizona College campus. ASU degrees available in Thatcher include:

• Bachelor of Applied Science in Applied Leadership (BAS)
• Bachelor of Science in Nursing (BSN-CEP)
• Bachelor of Arts in Organizational Leadership (BA)
• Bachelor of Education in Secondary Education (BAE)

Read more about the local programs as well as options to transfer to an ASU campus at www.transfer.asu.edu/eac.

Transfer Admission Guarantee (TAG)

Through the Transfer Admission Guarantee program, you follow a prescribed sequence of course work that meets the lower-division course requirements for an ASU major. When you complete your TAG, you will have met the requirements for your associate degree and be on track toward earning your bachelor’s degree. TAGs include the appropriate AGEC (Arizona General Education Curriculum) and an associate degree.

Benefits include:

• Guaranteed admission to ASU degree programs.
• Cost-effective pathway ensuring all courses transfer and apply to your ASU degree.
• Eligibility for participation in the ASU Tuition Commitment program.
• Access to ASU transfer advising by phone and occasionally in-person.

Terms of the TAG:

• Working with your community college and ASU advisors to monitor progress on the TAG.
• Completing the TAG with a specified GPA and any special requirements.
• Completing the TAG in a period not to exceed three years.
• Agreeing that student academic data and advising information may be shared between your community college and ASU.
• Pathway certification verifying completion of the TAG requirements.

More Information

For more information about these partnership programs with ASU, visit www.transfer.asu.edu/eastern-az.
TRANSFER PARTNERSHIPS

EAC2NAU—A JOINT ADMISSION PROGRAM

NAU and Eastern Arizona College (EAC) are working together to help you earn your bachelor’s degree.

You can be admitted to NAU while attending EAC. You’ll receive personalized services that will help you plan for the least expensive route to a four year degree at NAU.

EAC2NAU:
• Focuses on your success at EAC and at NAU
• Provides you with information about how your associate’s degree at EAC can lead to an NAU degree locally, online, or in Flagstaff
• Waives your application fee to NAU
• Is the most affordable road to a four year degree

Program Requirements:
You are eligible for the program if you:
• have 30 units or less in transferable credit
• are enrolled in two or more classes at EAC
• have not previously completed a bachelor’s degree with NAU
• continue to be enrolled in at least two classes at EAC

Benefits:
As an EAC2NAU student you’ll have access to many resources at NAU:
• an NAU email address
• an NAU ID card
• access to online library services
• access to student discounts, athletic events and more!
• Scholarships and Financial Aid

Attending a local community college for two or more years before transferring to NAU is the most affordable route to a four-year degree. In addition, NAU is prepared to support students through scholarships and other financial support. EAC2NAU students may be eligible for the Joint Admission Transfer Scholarship and/or a variety of other opportunities.

More Information
For more information about this program visit www.nau.edu/eac2nau.

BRIGHAM YOUNG UNIVERSITY—PROVO

EAC has a transfer partnership with BYU-Provo. If you earn an Associate of Arts, Associate of Business, Associate of General Studies, or Associate of Science degree from EAC, you increase the probability of your admission to BYU-Provo.

If you are admitted to BYU-Provo with an Associate of Arts, Associate of General Studies, Associate of Business, or Associate of Science degree from EAC, you will have completed all BYU-Provo University Core (GE) requirements with the exception of American Heritage, Advanced Writing, and the Advanced Mathematics or Foreign Language requirements.

EAC offers mathematics and foreign language courses that you may take to satisfy BYU-Provo’s advanced mathematics or foreign language requirement. You should consult the BYU-Provo/EAC Articulation Agreement in selecting these courses. A copy of the agreement is available from the Counseling Department.

The EAC-Provo/BYU transfer partnership does not cover the transfer and applicability of major courses. You are encouraged to consult with the prospective major department at BYU-Provo for recommendations on EAC courses that can be taken toward your intended major.

BRIGHAM YOUNG UNIVERSITY—HAWAII

Students attending Eastern Arizona College who complete their Associate of Arts, Associate of General Studies, Associate of Science, or Associate of Business degree will have met the BYU-Hawaii General Education (GE) requirements with the exception of the Interdisciplinary Studies course.

Additional aspects of the transfer agreement are as follows:
• Credit will also be granted for courses with a “C” grade or better which apply to the major.
• Credit for courses of a remedial nature (usually numbered 99 and below) will not be transferable.
• Students who apply to BYU-Hawaii with less than an Associate degree, will have their college work evaluated on a course-by-course basis to determine equivalencies. Only courses with grades of “C” or better will be accepted.
TRANSFER PARTNERSHIPS

BRIGHAM YOUNG UNIVERSITY–IDAHO

EAC has an articulation agreement with BYU-Idaho:

- EAC Students who have earned the Associate of Arts, Associate of Science, Associate of Business, or Associate of General Studies degrees will be considered as having completed the BYU-Idaho General Education requirements.
- For students who have not earned the degree, the EAC courses listed in the General Education Articulation Agreement (available in the EAC Counseling Department) are those which will apply toward General Education requirements at BYU-Idaho.
- As students transfer, their credit will be evaluated on a course-by-course basis according to the General Education Transfer Agreement.
- The General Education requirements for students transferring to BYU-Idaho will be those in effect at the time of their initial enrollment at BYU-Idaho.

A course equivalency guide provides an assessment of the courses between Eastern Arizona College and Grand Canyon University (GCU). This guide will be used in evaluating official transcripts. These courses fulfill the competency requirements; however, the courses may not fulfill the credit requirements. To obtain an undergraduate degree at GCU, students are required to meet a minimum of 120 semester credit hours.

GRAND CANYON UNIVERSITY

Eastern Arizona College (EAC) has specific articulated Associate Degrees with Grand Canyon University (GCU). Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) may fulfill Grand Canyon University’s General Education requirements. Students without a transfer-oriented degree (Associate of Applied Science) must fulfill the General Education requirements and have a course-by-course evaluation completed. Additional programmatic admission requirements and transfer policy information can be found within the www.gcu.edu/Policy-Handbook.php.

WESTERN NEW MEXICO UNIVERSITY

Arizona residents may be eligible for an out-of-state tuition fee waiver from Western New Mexico.

Students completing the Eastern Arizona College Associate of Arts degree (AA), Associate of Business degree (ABus), the Associate of Science degree (AS), or the Associate of General Studies degree (AGS) can fulfill Western New Mexico University General Education (GE) requirements provided they include in their degree program courses specifically listed in the articulation agreement as meeting WMNU General Education requirements in the Oral Communication, History, Computer, and Physical and Mental Well Being areas. Copies of the articulation agreement can be obtained from the Counseling Department.

OUT-OF-STATE TRANSFER

Out-of-state universities have differing policies regarding the transfer of General Education credit for application to your major or minor requirements. You should carefully consult the catalog of the university to which you wish to transfer.

ADMINISTRATION OF JUSTICE

Associate of Arts Degree
AA-SR 60801 (Available On Campus and Online)
Advisor: Kris Matthews

This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Administration of Justice. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

This degree is also suitable if you are currently employed in law enforcement or an allied public service profession and wish to improve your knowledge and skills. If you successfully complete the AJS 115 and AJS 215 Basic Peace Officer Academy or provide proof of graduating from an AzPOST police academy, you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 103 Criminal Investigation
AJS 155 Firearms
AJS 202 Substantive Criminal Law
AJS 220 Procedural Criminal Law
AJS 266 The Police Function
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I
HPE 102 Beginning Physical Activities II

If you provide proof of graduating from the Arizona Department of Corrections Training Academy (COTA), you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 130 The Correction Function
AJS 155 Firearms
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I

Curriculum Requirements
AJS 101 Introduction to Criminal Justice 3 credits
AJS 103 Criminal Investigation 3 credits
AJS 130 The Correction Function 3 credits
AJS 202 Substantive Criminal Law 3 credits
AJS 220 Procedural Criminal Law 3 credits
AJS 225 Criminology 3 credits
AJS 254 Crime Control 3 credits
AJS 266 The Police Function 3 credits

Total Curriculum Requirements 24 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 140 College Mathematics OR
MAT 154 Precalculus Algebra 3 to 4 credits

Lab Science
BIO 100 Biology Concepts 4 credits
Another Lab Science course from list on pages 55-56. 4 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 9 credits

Social Sciences
PSY 101 Introduction to Psychology 3 credits
Select two additional Social Sciences courses from the list on pages 55-56. 6 credits

Total General Education Requirements 35 to 36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. SPA 101, Elementary Spanish I, and SPA 102, Elementary Spanish II, are highly recommended.

Total Elective Requirements 4 to 5 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

ADMINISTRATION OF JUSTICE

Associate of Applied Science Degree
20801
Advisor: Kris Matthews

The Administration of Justice Associate of Applied Science degree is intended for students who either plan to enter employment or who are currently working in law enforcement or related fields and want to upgrade their knowledge and skills. If you successfully complete the AJS 115 and AJS 215 Basic Peace Officer Academy or provide proof of graduating from an AzPOST police academy, you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 103 Criminal Investigation
AJS 155 Firearms
AJS 202 Substantive Criminal Law
AJS 220 Procedural Criminal Law
AJS 266 The Police Function
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I
HPE 102 Beginning Physical Activities II

If you provide proof of graduating from the Arizona Department of Corrections Training Academy (COTA), you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 130 The Correction Function
AJS 155 Firearms
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I

Curriculum Requirements
AJS 101 Introduction to Criminal Justice 3 credits
AJS 103 Criminal Investigation 3 credits
AJS 126 The Juvenile Function 3 credits
AJS 130 The Correction Function 3 credits
AJS 202 Substantive Criminal Law 3 credits
AJS 220 Procedural Criminal Law 3 credits
AJS 225 Criminology 3 credits
AJS 254 Crime Control 3 credits
Curricula

Total Curriculum Requirements 30 credits with a GPA of 2.0 or higher

General Education Requirements

Composition
BUA 259 Business Communications 3 credits
ENG 100 Writing Fundamentals OR ENG 101 Written Communications I 3 credits

Lab Science
BIO 100 Biology Concepts 4 credits

Social Sciences
PSY 101 Introduction to Psychology 3 credits

Computers
CMP 101 Introduction to Computers OR
CMP 103 Introduction to Computer Based Systems 3 credits

Total General Education Requirements 19 credits

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. SPA 101, Elementary Spanish I, and SPA 102, Elementary Spanish II, are highly recommended.

Total Elective Requirements 15 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT, Reading Assessment, SAT Verbal Score, Nelson Denny, TABEL, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better

If you provide proof of graduating from the Arizona Department of Corrections Training Academy (COTA), you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 103 The Correction Function
AJS 155 Firearms
AJS 254 Crime Control
AJS 266 Airborne Office Supervision
AJS 282 Police Supervision

Curriculum Requirements

AJS 101 Introduction to Criminal Justice 3 credits
AJS 103 Criminal Investigation 3 credits
AJS 126 The Juvenile Function 3 credits
AJS 130 The Correction Function 3 credits
AJS 202 Substantive Criminal Law 3 credits
AJS 220 Procedural Criminal Law 3 credits
AJS 225 Criminology 3 credits
AJS 254 Crime Control 3 credits
AJS 266 Police Supervision 3 credits

PSY 101 Introduction to Psychology 3 credits

Computers
CMP 103 Introduction to Computer Based Systems 3 credits

Total General Education Requirements 19 to 20 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. SPA 101, Elementary Spanish I, and SPA 102, Elementary Spanish II, are highly recommended.

Total Elective Requirements 14 to 15 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.

Administration of Justice

Associate of Applied Science Degree—BAS Track 20804

Advisor: Kris Matthews

The Administration of Justice Associate of Applied Science degree – University Track is intended for students who desire to further their education and complete a web-based Bachelor of Applied Science degree (BAS) from a university. It is designed as a 2+2 program to assist students entering employment, or who are currently working in law enforcement or related fields, and want to obtain a bachelor’s degree. If you successfully complete the AJS 115 and AJS 215 Basic Peace Officer Academy or provide proof of graduating from an APPOST police academy, you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 103 Criminal Investigation
AJS 155 Firearms
AJS 202 Substantive Criminal Law
AJS 220 Procedural Criminal Law
AJS 266 The Police Function
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I
HPE 102 Beginning Physical Activities II

If you provide proof of graduating from the Arizona Department of Corrections Training Academy (COTA), you will have fulfilled the following courses toward an Administration of Justice degree.

AJS 130 The Correction Function
AJS 155 Firearms
EMT 121 Cardiopulmonary Resuscitation
HPE 101 Beginning Physical Activities I
ADMINISTRATIVE PROFESSIONAL

Associate of Applied Science Degree
20114 (Available On Campus and Online)

Advisors: Dana Barnett, Tammy Campbell, Derek Rich

This program emphasizes the skill development necessary to function as an administrative professional in business. A variety of computer software applications are integrated into the course of study. Students will learn to perform the tasks required for positions as administrative assistant, office specialist, office assistant, information processing specialist, and accounting clerk.

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 4 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better *Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
ADVANCED MANUFACTURING TECHNOLOGY

Associate of Applied Science Degree
20615
Advisor: Nathan McCray

This program of study provides skill-based training for those interested in design and advanced manufacturing with an emphasis on fabrication processes. Instruction will revolve around development of products and production of these products. Core to this degree will be a fabrication laboratory concept of sharing ideas and producing innovative products using manual equipment and automated machines.

Total Curriculum Requirements 46 credits with a GPA of 2.00 or higher

General Education Requirements

Composition
ENG 101 Written Communications I or higher 3 credits

Counseling
CSL 115 Community Outreach Through Service Learning 1 to 2 credits

Mathematics
MAT 100 Applied Mathematics or higher 3 to 5 credits

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE test*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better

Note: Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

ANTHROPOLOGY

Associate of Arts Degree
AA-SR 60802
Advisor: Linda Blan

In order to understand the physical and behavioral diversity found in humankind, anthropologists study the biological and cultural factors that influence human behavior. Anthropology is internally divided into four sub-fields: physical anthropology (the study of man as a biological entity), archaeology (the study of past cultures), ethnology (the study of living cultures) and linguistics. The undergraduate anthropology student studies in each sub-field, preparatory to selecting an area of specialization.

As the single branch of Social Sciences dealing primarily with non-western pre-industrialized societies, anthropology adds a unique dimension to liberal education. A background in anthropology is generally useful in a variety of fields, including law, philosophy, social work, history and medicine.

High school students planning to major in anthropology should take two years of high school mathematics, preferably algebra, and some work in a language, preferably, German, French or Spanish. A background in English is also critical.

Graduates with bachelor’s degrees in anthropology can find employment in all pursuits normally open to other graduates in the various liberal arts, or as teachers of social studies in secondary schools. Anthropology provides a suitable background for positions with a variety of federal, state, and local agencies.

Students seeking work as professional anthropologists should plan for advanced degrees in anthropology. Graduates with master’s degrees may find work in government, community colleges or museums. For university teaching and research careers, a Ph.D. is usually necessary.

Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Select another non-ANT department Social Sciences course from list on pages 55-56. 3 credits

### Options

Choose one course from list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 3 credits

### Total General Education Requirements

**35 to 36 credits**

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

### Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required for this degree. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

### Total Elective and Foreign Language Requirements

**16 to 17 credits**

### Total Minimum Degree Requirements

**64 credits**

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

**ARIZONA GENERAL EDUCATION CURRICULUM A (AGEC-A)**

### Certificate for Transfer

**30000 (Available On Campus and Online)**

**Advisors:** Sharon Allen, Wayne Flake, Ray Orr, Gina Roebuck, Kenny Smith

Upon completion of this certificate, the student fulfills the lower-division General Education requirements at the University of Arizona, Arizona State University and Northern Arizona University. Students are strongly advised to complete an associate degree after completing this certificate.

AGEC-A. This General Education Program is better suited for majors in the Liberal Arts such as:

- Anthropology
- Art
- English
- Health and P.E.
- History
- Languages
- Music
- Psychology
- Sociology
- Theatre

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

CURRICULA

Options  8 credits
For this certificate, you must select two additional courses. Eligible courses include any of the Lab Science courses or any math courses MAT 230 or higher. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Intensive Writing  0 to 4 credits
ANT 211 Women in Cross-Cultural Perspective (IW) or (GIH)
CHM 236 General Organic Chemistry II (IW)
COM 215 Interviewing Principles and Practices (IW)
COM 260 Elements of Intercultural Communication (IW)
ENG 201 World Literature I (IW) or (GIH)
ENG 202 World Literature II (IW) or (GIH)
ENG 217 Writing Reflective Essays (IW) or (GIH)
ENG 218 Writing About Literature (IW)
ENG 221 English Literature I (IW)
ENG 222 English Literature II (IW)
ENG 241 American Literature I (IW) or (GIH)
ENG 242 American Literature II (IW) or (GIH)
PSY 270 Experimental Psychology (IW)

Total Minimum Certificate Requirements  39 credits
In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 15 credits at Eastern Arizona College.

ART

Associate of Arts Degree
AA-SR 60402
Advisor: Stuart Gibson
This curriculum provides the first two years of a four-year program in art at a professional art school or at a college of fine arts at one of the state’s public universities. Upon completion of one of these degrees at EAC, you will be able to transfer into a four-year college or university program. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. If you plan to terminate formal education after attending EAC and seek employment immediately upon graduation, the EAC Graphic Design curriculum may be a better choice than these degrees. You are advised to take one or more art courses before making serious plans for a career in art.

Curriculum Requirements
ART 101 Fundamentals of Design 3 credits
ART 102 Color and Design 3 credits
ART 111 Drawing 3 credits
ART 114 Figure Drawing for Art Majors 3 credits
ART 147 Beginning Oil Painting I 3 credits
ART 151 Beginning Sculpture I 2 credits
ART 161 Beginning Ceramics I 2 credits
ART 285 Printmaking 3 credits

Total Curriculum Requirements  22 credits

General Education Requirements
AASCE-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
Select from list on pages 55-56. 3 to 5 credits

Lab Science
Select from list on pages 55-56. 8 credits

Humanities
ART 133 World Art I (GIH) 3 credits
ART 134 World Art II (GIH) 3 credits
Another Humanities course from list on pages 55-56 which also fulfills the Intensive Writing Requirement. 3 credits

Social Sciences
Choose from Social Sciences list on pages 55-56. Choose courses from more than one department. 6 credits

Options
Choose one course from list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 3 credits

Total General Education Requirements  35 to 37 credits

Total Elective Requirements  5 to 7 credits

Total Minimum Degree Requirements  64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.
Certificate of Proficiency
30638
Advisor: Brian Coppola

This certificate is designed to provide basic automotive skills training needed to be efficient at performing vehicle preventative maintenance procedures. This training program provides students with an opportunity to take the first step towards entry into an automotive repair career. This short-term program of study will help prepare students for ASE certification examinations.

Curriculum Requirements
Select at least 8 credits from the following courses:
- AUT 101 Introduction to Automotive Technology OR
- AUT 180 Automotive Service Techniques 2 to 4 credits
- AUT 105 Automotive Electrical Fundamentals 2 credits
- AUT 280 Advanced Shop 4 credits

Curriculum Related Requirements
Select at least 8 credits from the following courses:
- AUT 107 Automotive Electrical Systems and Equipment 2 credits
- AUT 110 Fuel and Emission Systems 2 to 3 credits
- AUT 131 Steering and Suspension Systems 3 credits
- AUT 132 Automotive Brake Systems 2 credits

Total Minimum Certificate Requirements 16 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 6 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
- EAC equivalent mathematics placement score of 70 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. Please review this information so that you make an informed decision regarding your education at EAC. http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtml

Certificate of Proficiency
30633
Advisor: Brian Coppola

The Automotive Service Consultant certificate program develops skills necessary for entry into the automotive service consultant/advisor career area. The program is designed to provide in one year much of the basic automotive skills training needed to be productive and efficient in an automotive service consultant/advisor position. Additionally, the certificate program provides salesmanship and customer communication training necessary for this career area.

Curriculum Requirements
Select at least 20 credits from the following courses:
- AUT 101 Introduction to Automotive Technology OR
- AUT 180 Automotive Service Techniques 2 to 4 credits
- AUT 105 Automotive Electrical Fundamentals 2 credits
- AUT 106 Internal Combustion Engines 4 credits
- AUT 107 Automotive Electrical Systems and Equipment 2 credits
- AUT 110 Fuel and Emission Systems 2 to 3 credits
- AUT 131 Steering and Suspension Systems 3 credits
- AUT 132 Automotive Brake Systems 2 credits
- AUT 266 Vehicle Heating and Air Conditioning 3 credits

Curriculum Related Requirements
Select at least 10 credits from the following courses:
- AUT 297 Workshop OR
- AUT 299 Independent Study 1 to 3 credits
- BUA 259 Business Communications 3 credits
- BUS 221 Human Resource Management 3 credits
- CMP 101 Introduction to Computers OR
- CMP 103 Introduction to Computer Based Systems 3 credits
- COE 111 Cooperative Education I (Occupational) OR
- TEC 191 Industry Internship I 1 to 3 credits
- CSL 115 Community Outreach Through Service Learning 1 to 2 credits
- SBM 221 Business Ethics 3 credits

Total Minimum Certificate Requirements 30 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
- EAC equivalent mathematics placement score of 41 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. AUTOMOTIVE SERVICE TECHNOLOGY

Associate of Applied Science Degree

20601

Advisor: Brian Coppola

EAC supports ASE certification of technicians.

The Automotive Service Technology degree provides an opportunity for all students to develop and upgrade skills needed to be productive and successful upon entry into several automotive service and repair occupations. Additionally, this program develops the career skills necessary for an individual to move into sales, business management, or supervisory positions. The Automotive Service Technology program is recognized for its high level of achievement by meeting local and national industry standards. The degree course work will help prepare students for ASE certification tests.

Curriculum Requirements

AUTF 105 Automotive Electrical Fundamentals 2 credits
AUTF 106 Internal Combustion Engines 4 credits
AUTF 107 Automotive Electrical Systems and Equipment 2 credits
AUTF 110 Fuel and Emission Systems 2 to 3 credits
AUTF 120 Manual Transmission and Drive Train 3 credits
AUTF 131 Steering and Suspension Systems 3 credits
AUTF 132 Automotive Brake Systems 2 credits
AUTF 180 Automotive Service Techniques OR
AUTF 101 Introduction to Automotive Technology 2 to 4 credits
AUTF 220 Automotive Electronics and Computerized Vehicle Controls 2 credits
AUTF 230 Automatic Transmissions 4 credits
AUTF 260 Vehicle Performance and Diagnosis 3 credits
AUTF 266 Vehicle Heating and Air Conditioning 3 credits
AUTF 280 Advanced Shop OR
TCEF 191 Industry Internship I 3 to 4 credits

Choose at least 7-11 additional credits from the following to obtain the 46 credits of Curriculum Requirements:

AMTF 104 Machining and Fabrication OR
MSPF 101 Fundamentals of Machine Shop 2 to 3 credits
AMTF 110 Introduction to Fab Lab Technology 2 credits
AUTF 150 Automotive Painting and Refinishing 3 credits
AUTF 297 Workshop OR
AUTF 299 Independent Study 1 to 3 credits
COEF 101 Job Seeking Strategies 2 credits
COEF 111 Cooperative Education I (Occupational) 1 to 4 credits
SBMF 110 Introduction to Entrepreneurship 3 credits
SBMF 231 Business Planning 1 credit
TCEF 12 Basic Hydraulics and Pneumatics 2 credits
WLD 101 Welding 2 to 3 credits
WLD 108 Welding and Metal Fabrication 3 credits
WLD 201 Repair Welding and Fabrication 3 credits
WLD 260 Flux Cored Arc and Gas Metal Arc Welding 3 credits
WLD 270 Technical Welding 3 credits

Total Curriculum Requirements 46 credits with a GPA of 2.00 or higher

General Education Requirements

Mathematics/Composition

BUS 111 Business Mathematical Calculations AND/OR
ENG 100 Writing Fundamentals or higher 3 to 6 credits

Computers

CMFT 101 Introduction to Computers OR
CMFT 103 Introduction to Computer Based Systems 3 credits

Counseling

CMFT 115 Community Outreach Through Service Learning 1 to 2 credits

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABEL, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
• Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABEL, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

AUTOMOTIVE TECHNICIAN

Certificate of Proficiency

30605

Advisor: Brian Coppola

The Automotive Technician certificate program is designed to provide in one year much of the basic automotive skills training needed to be productive in an automotive service facility. Additionally, this certificate will help prepare the student for ASE certification tests.

Core Automotive Curriculum Requirements

Select at least 10 credits from the following courses:

AUTF 101 Introduction to Automotive Technology OR
AUTF 180 Automotive Service Techniques 2 to 4 credits
AUTF 105 Automotive Electrical Fundamentals 2 credits
AUTF 106 Internal Combustion Engines 4 credits
AUTF 107 Automotive Electrical Systems and Equipment 2 credits
AUTF 280 Advanced Shop OR
TCEF 191 Industry Internship I 2 credits

Driveability Area Curriculum Requirements

Select at least 5 credits from the following courses:

AUTF 110 Fuel and Emission Systems 2 to 3 credits
AUTF 220 Automotive Electronics and Computerized Vehicle Controls 2 credits
AUTF 260 Vehicle Performance and Diagnosis 3 credits

Chassis & Power Train Area Curriculum Requirements

Select at least 8 credits from the following courses:

AUTF 120 Manual Transmission and Drive Train 3 credits
AUTF 131 Steering and Suspension Systems 3 credits
AUTF 132 Automotive Brake Systems 2 credits
AUTF 230 Automatic Transmissions 4 credits
AUTF 266 Vehicle Heating and Air Conditioning 3 credits

Curriculum Related Requirements

Select at least 7 credits from the following courses:

AMTF 104 Machining and Fabrication OR

*Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABEL, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABEL, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
BIOLOGICAL SCIENCE

Associate of Science Degree
AS-SR 80701

Advisors: Aaron Burk, Tammy Gillespie, Dave Herson

This degree will meet the requirements for the first two years of a four-year program in a college of arts and science at Arizona’s public universities. Upon graduation with this AS degree, you may enter upper-division work in any one of the life science fields (biology, botany, zoology, or other specialized area). Or, you may enter a college of education to major in biological science with the intention of teaching in a secondary school upon completing a bachelor’s degree and obtaining a teacher’s certificate. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Select a sufficient number of credits, including at least one course from a GE category other than Composition or Mathematics, from the list of General Education courses on pages 57-58. You may not exceed nine credits in any GE Category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements: 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements: 4 credits

Total Minimum Degree Requirements: 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of "C" or better
- *Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

**Gainful Employment Shtm**

Regarding your education at EAC http://www.eac.edu/Student_Services/Financial_Aid
BUSINESS ADMINISTRATION

Associate of Business Degree
ABus 70101
Advisor: Michael Fox

This degree prepares students to transfer to a college or university and pursue a bachelor’s degree in Business Administration. Upon obtaining the bachelor’s degree, you are prepared for employment in fields such as Accounting, Computer Information Systems, Economics, Finance, Management or Marketing. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements
A grade of “C” or better in each of the following courses along with a cumulative grade point average of 2.5 or better is required for admission to the junior and senior years of a business program at Arizona’s state universities.

- BUA 220 Business Statistics 3 credits
- BUA 223 Principles of Microeconomics 3 credits
- BUA 233 Uses of Accounting Information I 3 credits
- BUA 243 Uses of Accounting Information II 3 credits
- BUA 245 Legal Environment of Business 3 credits

Total Curriculum Requirements 15 credits

Curriculum Related Requirements
Any EAC courses from the BUA, BUS, or SBM Departments. The courses selected must be listed in the Course Equivalency Guide as an elective or to better all three major Arizona universities. You may obtain a copy of the Arizona Course Equivalency Guide on the Internet at www.aztransfer.com.

Total Curriculum Related Requirements 9 credits

General Education Requirements
AGEC-B. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
Suggested math sequence for transfer to NAU and UA:
- MAT 171 Finite Mathematics AND 8 credits
- MAT 210 Elements of Calculus or higher
- MAT 181 Precalculus Trigonometry OR
- MAT 187 Precalculus 3 to 5 credits
- MAT 220 Calculus I 5 credits

Lab Science
Select two courses from the list on pages 55-56. 8 credits

Total Minimum Degree Requirements 64 credits

Total Elective Requirements 1 to 3 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
BUA 221 Principles of Macroeconomics (GHI) 3 credits
Select another non-BUA department Social Sciences course from list on pages 55-56. 3 credits

Computers
CMP 103 Introduction to Computer Based Systems 3 credits

Total General Education Requirements 37 to 39 credits

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.wos/Object/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Minimum Degree Requirements 13 to 14 credits

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

BUSINESS PROJECT MANAGEMENT FUNDAMENTALS

Certificate of Proficiency
30927

Advisors: Dana Barnett, Andy Shaver

This program is designed to prepare students to plan, schedule, supervise, and complete various projects in diverse business fields. This certificate allows students to choose the areas of management they enjoy or want to further improve.

In order to obtain this certificate you must:

- Complete each required course above with a grade of "C" or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 8 credits at Eastern Arizona College.
### BUSINESS TECHNOLOGY SPECIALIST

**Certificate of Proficiency**  
**30121 (Available On Campus and Online)**  
**Advisors:** Dana Barnett, Tammy Campbell, Derek Rich  
Completion of this certificate will help you develop good keyboarding skills and become a specialist in one or more word processing software programs.

18 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 9 credits at Eastern Arizona College.

**Gainful Employment Disclosure.** The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. Please review this information so that you make an informed decision regarding your education at EAC. [http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtml](http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtml)

### CHEMISTRY

**Associate of Science Degree**  
**AS-SR 80702**  
**Advisors:** Duane DeSpain, Joel Shelton  
This degree prepares students to transfer to a college or university four- or five-year program leading to a bachelor’s degree in chemistry. Since program requirements differ between universities, the official transfer pathway ([www.aztransfer.com/transferpathways](http://www.aztransfer.com/transferpathways)) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. You should enter this curriculum having completed two years of algebra and one year of chemistry in high school or the equivalent college courses.

### COMMUNICATION STUDIES

**Associate of Arts Degree**  
**AA-GR 60206**  
**Advisor:** Kris McBride  
This degree prepares students to transfer to a college or university and pursue a bachelor’s degree in Communication Studies or Organizational Communication. Emphasis is placed on becoming a Communication Generalist with classes offering a broad introduction to the field of Communication. Courses range from the theoretical bases and trends in research in the field to interpersonal, small group, intercultural, interviewing, and public speaking, and they reflect the core requirements of most universities. Courses are also appropriate for returning students desiring to brush up on communication skills or gain a better understanding of communication processes. This major focuses on thoughtful construction and delivery of verbal messages and critical thinking, preparing students to be more successful participants in their community, employment, and interactions with others. The study of communication is relevant to all other academic fields and career interests.

#### Total Curriculum Requirements  
21 credits

**Humanities**  
Select two courses from Humanities list on pages 55-56. Choose courses from more than one department, and one course must be in the Fine Arts.

#### Social Sciences**  
Choose two courses from Social Sciences list on pages 55-56. Choose courses from more than one department.

**Total General Education Requirements**  
41 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**  
To obtain this degree you must take a minimum of 11 credit hours of approved elective courses numbered 100 or above. Approved courses are listed in the Arizona Higher Education Course Equivalency Guide (CEG) located at [http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter](http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter). Select the Eastern Arizona College Elective or Better report.

Language proficiency demonstration: check University Transfer Guides to see if a language proficiency requirement is in place. If so, select courses that will satisfy the language proficiency.

MAT 240 - Calculus III (4 credits) is a requirement for many BA and BS chemistry degrees. Check with an advisor or consult the catalog of the university to which you will be transferring to see if you should take this course.

**Total Elective Requirements**  
11 credits

**Total Minimum Degree Requirements**  
64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

### PHY 212  
**Physics with Calculus II**  
5 credits

### CHM 236  
**General Organic Chemistry II ( IW)**  
4 credits

### MAT 230  
**Calculus II**  
4 credits

### Total General Education Requirements  
In order to obtain this degree you must take a minimum of 11 credit hours of approved elective courses numbered 100 or above. 11 credits

**Total Minimum Degree Requirements**  
64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
**General Education Requirements**

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

**Composition**
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

**Mathematics**
Select from list on pages 55-56. 3 to 5 credits

**Lab Science**
Select two Lab Science courses from list on pages 55-56. 8 credits

**Humanities**
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 to 9 credits

**Social Sciences**
- PSY 101 Introduction to Psychology OR SOCI 101 Introduction to Sociology (GH) 3 credits
Select from the list of Social Sciences courses on pages 55-56. Courses selected must be from more than one department. 3 to 6 credits

**Options**
Select courses from the Options category on pages 55-56 to complete the 3 credits required for the AGEC. 0 to 6 credits

**Total General Education Requirements** 35 to 37 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**
With the help of your program advisor, you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. Foreign language is suggested for those transferring into a program with a foreign language requirement. You should also consult the catalog or an advisor from the school you will transfer to as you make your selections. If you are planning to transfer to ASU as a Communications major, you must complete a basic statistics (MAT 160 or PSY 220) course before you can be admitted as a major to their programs.

**Total Elective Requirements** 6 to 8 credits

**Total Minimum Degree Requirements** 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

---

**COMPUTER ASSISTED DESIGN AND DRAFTING TECHNOLOGY**

**Associate of Applied Science Degree**

**20603**

**Advisor:** Doug Griffin

The Computer Assisted Design and Drafting program prepares students to succeed as a CAD Technician. This degree specializes in 3D design concepts, 3D solids and parametric modeling, residential and commercial architectural design and planning, and cartography (civil drafting).

Total Curriculum Requirements 43 credits with a GPA of 2.00 or higher

General Education Requirements

Composition
ENG 100 Writing Fundamentals OR
ENG 101 Written Communications I 3 credits
TEC 260 Technical Report Writing OR
ENG 102 Written Communications II 3 credits

Mathematics
MAT 100 Applied Mathematics or higher 3 to 5 credits
Select a sufficient number of credits from the list of General Education courses on pages 57-59 to obtain the 15 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 3 credits
Total Minimum Degree Requirements 64 credits
In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests.*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
*Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.

To complete each required course above with a grade of “C” or better
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

### COMPUTER INFORMATION SYSTEMS

#### Associate of Business Degree

**ABus-SR 70102**

**Advisors:** Lydia Mata, James McBride, Scott Russell

This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Computer Information Systems. Since program requirements differ between universities, the official transfer pathway ([www.aztransfer.com/transferpathways](http://www.aztransfer.com/transferpathways)) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Upon completion of a four-year program at a college or university, you will be prepared for employment as:

- Computer specialist in marketing, finance and accounting
- Systems analyst and designer
- Information system consultant and computer auditor
- Applications designer and programmer
- Networking system designer and manager

**Total Minimum Degree Requirements:** 64 credits

**Total General Education Requirements:** 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

#### Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or higher to complete the 64 credits required for the degree.

**Total Elective Requirements:** 6 credits

---

**Total Minimum Degree Requirements:** 64 credits

**Total General Education Requirements:** 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100 or higher to complete the 64 credits required for the degree.

**Total Elective Requirements:** 6 credits
ENG 102  Written Communications II  3 credits
Mathematics
MAT 210  Elements of Calculus  4 credits
Lab Science
Select two Lab Science courses from list on pages 55-56.  8 credits
Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts.  6 credits
Social Sciences
BUA 221  Principles of Macroeconomics (GH)  3 credits
BUA 223  Principles of Microeconomics  3 credits
Another Social Sciences course from list on pages 55-56.  3 credits
Total General Education Requirements  36 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.
Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.
Total Elective Requirements  6 credits
Total Minimum Degree Requirements  64 credits
In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

COSMETOLOGY

Associate of Applied Science Degree
2011
Advisors: Gayrene Claridge, Janice Lawhorn

The Cosmetology program provides students an opportunity to apply Cosmetology practices and principles in a simulated salon environment. Upon successful completion of the program, students will be eligible to take the Arizona State Board of Cosmetology Examination. Classes meet approximately eight hours a day, five days a week for 10½ months in order to obtain the 1600 hours training necessary to qualify for the state exam. The Cosmetology program normally begins the last week of July and ends in mid-June the following year. A second cohort begins in January and ends in mid-December with a mid-summer break. The Cosmetology curriculum requirements can be completed in one academic year. Students can continue their education and complete an Associate of Applied Science degree by taking eighteen General Education credits and two elective credits. In addition to general tuition, a fee of $180.00 per credit hour is required for all Cosmetology courses. Cosmetology scholarships are available for those who qualify. Contact Eastern Arizona Academy of Cosmetology or EAC for more information. Entry into the Cosmetology program requires prior admission. For admission procedures to the Cosmetology program, contact Eastern Arizona Academy of Cosmetology, (928) 348-8878.

Curriculum Requirements
COS 101  Theory of Cosmetology I  2 credits
COS 103  Theory of Cosmetology II  2 credits
COS 105  Theory of Cosmetology III  2 credits
COS 107  Theory of Cosmetology IV  2 credits
COS 108  Skin Care I  1 credit
COS 109  Skin Care II  2 credits
COS 111  Permanent Waving, Shampooing, and Hairstyling I  4 credits
COS 113  Permanent Waving, Shampooing, and Hairstyling II  4 credits
COS 115  Permanent Waving, Shampooing, and Hairstyling III  3 credits
COS 117  Permanent Waving, Shampooing, and Hairstyling IV  2 credits
COS 121  Nail Care I  1 credit
COS 125  Manicuring I  4 credits
COS 131  Haircutting, Scalp Treatment, and Tinting I  5 credits
COS 133  Haircutting, Scalp Treatment, and Tinting II  4 credits
COS 135  Haircutting, Scalp Treatment, and Tinting III  4 credits
COS 137  Haircutting, Scalp Treatment, and Tinting IV  2 credits

Total Curriculum Requirements  44 credits
General Education Requirements

Computers
CMP 101  Introduction to Computers OR
CMP 103  Introduction to Computer Based Systems  3 credits
Composition
ENG 100  Writing Fundamentals OR
ENG 101  Written Communications I  3 credits

DATABASE SUPPORT
Certificate of Proficiency
30105
Advisors: Lydia Mata, James McBride, Scott Russell
If you want to complete a faster track, emphasizing specific computer skills and fewer general courses, this certificate is for you. The emphases in this certificate are the three key areas in demand in the office environment at the technical support level including programming in database modules with networking skills for LAN environments.

Curriculum Requirements
CMP 100  Computer Careers 2 credits
CMP 103  Introduction to Computer Based Systems 3 credits
CMP 113  Operating Systems I 3 credits
CMP 121  Visual Basic Programming I 3 credits
CMP 128  C# Programming I 3 credits
CMP 170  Database Management with Microsoft Access 3 credits
CMP 250  Networking Systems I 3 credits
CMP 280  Database Design and Development 3 credits
CMP 291  CIS Practicum 5 credits

Total Minimum Certificate Requirements 28 credits
In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 14 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
• Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better OR
  BUA 250, Business Communications, with a grade of “C” or better.
• EAC equivalent writing placement score of 70 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of MAT 101, Applied Mathematics, or higher with a grade of “C” or better.
• EAC equivalent mathematics placement score of 41 or higher entered into your student record.

**Total General Education Requirements** 18 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

**Elective Requirements**
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

The course listed below is recommended.

**Total Elective Requirements** 23 credits

**Total Minimum Degree Requirements** 64 credits
In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests.
  2. Completion of ENG O91, Reading Improvement II, with a grade of “C” or better.
- *Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
Mathematics
MAT 140 College Mathematics or higher 3 credits

Lab Science
BIO 100 Biology Concepts 4 credits
Another Lab Science course from list on pages 55-56. 4 credits

Humanities
ECE 281 Children’s Literature 3 credits
Select one additional course from the Humanities list on pages 55-56. 3 credits

Social Sciences
ECE 171 Child Growth and Development 3 credits
Select another non-PSY Social Sciences course from the list on pages 55-56. 3 credits

Options
Select two courses from the Options category on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Total General Education Requirements 35 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 6 credits

Total Minimum Degree Requirements 64 credits
In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ALE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
*Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ALE test score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.

• Remove any indebtedness to the College.

EARLY CHILDHOOD EDUCATION
Certificate of Proficiency
30814
Advisor: JoAnn Morales

The Early Childhood Education (ECE) program is designed for early childhood teacher training. Upon completion of the certificate of proficiency students may apply for the National Child Development Associate Certificate through a national CDA credentialing agency. If you wish to attain national certification, we recommend that you enroll in ECE 240, Child Development Portfolio and Assessment Preparation. This national certification demonstrates competencies in the following areas:
• Design developmentally appropriate curriculum and activities.
• Consider historical and contemporary trends in Early Childhood.
• Examine issues of ethics and professionalism in the Early Childhood field.
• Identify theories and milestones of growth and development in children.
• Understand the importance of providing a healthy and safe environment for young children.
• Articulate positive guidance techniques with young children.
• Demonstrate techniques to observe young children.
• Create relationships with parents and families through communication and involvement.

• Integrate children’s literature into daily lesson plans.
• Support inclusive programs to meet the needs of all children.

The Early Childhood Education Associate is a competent person who assumes primary responsibility for meeting the specific needs of a group of children in a child development setting by nurturing the child’s physical, social, emotional and intellectual needs; setting up and maintaining the child care environment; and establishing a liaison relationship between parents and the child development center.

After completing requirements for the Early Childhood Education Certificate of Proficiency, you can earn a degree by completing the additional requirements for the Early Childhood Education Associate of Applied Science degree or Early Childhood Education Associate of Applied Science – BAS Track degree.

Curriculum Requirements
ECE 100 Foundations of Early Childhood Education 3 credits
ECE 102 Early Childhood Curriculum 3 credits
ECE 105 Health, Safety, and Nutrition 3 credits
ECE 110 Infants and Toddlers Development 3 credits
ECE 120 Guiding Children’s Social Development 3 credits
ECE 150 Practicum: Direct Field Experience Birth to Preschool 2 credits
ECE 171 Child Growth and Development 3 credits
ECE 210 Home, School, and Community Relations 3 credits
ECE 220 Introduction to Early Childhood Special Education 3 credits
ECE 281 Children’s Literature 3 credits

Total Minimum Certificate Requirements 29 credits
In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 15 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
• Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
• EAC equivalent writing placement score of 70 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
• EAC equivalent mathematics placement score of 41 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. ELEMNTARY EDUCATION
Associate of Arts Degree
AA-SR 60201
Advisor: Celinda Palmer

If you plan a career in elementary or special education you can complete your first two years of study at EAC. Some universities now require a minor that can be started at EAC. Consult with department staff at the school where you plan to transfer for specific information. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust program to your personal needs.

Curriculum Requirements
EDU 222 Introduction to Special Education 3 credits
EDU 230 Cultural Diversity in Education 3 credits
EDU 234 ESL/SEI Methods II 3 credits
MAT 156 Principles of Mathematics I 3 credits
MAT 157 Principles of Mathematics II 3 credits
POS 221 Arizona Constitution and Government 1 credit

Total Curriculum Requirements 16 credits
General Education Requirements
AEGC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 140 College Mathematics or higher 3 to 5 credits

Lab Science
Two Lab Science courses from list on pages 55-56. Courses from two different departments must be selected. 8 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
EDU 200 Introduction to Education 3 credits
HIS 101 U.S. History to 1877 (GIH) or
POS 110 United States National Politics (GIH) 3 credits
PSY 101 Introduction to Psychology 3 credits

Options
CMP 103 Introduction to Computer Based Systems 3 credits

Total General Education Requirements 35 to 37 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mar2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

To meet the Arizona Department of Education highly qualified teacher requirements, choose electives from courses related to your specific content area.

Total Elective Requirements 11 to 13 credits
Total Minimum Degree Requirements 64 credits
In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

CURRICULA

Associate of Arts Degree
TG-XR 60202
For Advising: Check for advisor contact information in the curriculum description corresponding to the discipline you plan to teach. For example, if you plan to teach mathematics, look up one of the mathematics curricula for the name of a faculty member advising math majors.

EAC offers many curricula that provide the first two years of a four-year program leading to a bachelor’s degree and a secondary teaching certificate. Secondary education is by nature discipline specific. You should choose a university and a discipline you wish to teach as quickly as possible. Then obtain the catalog and/or transfer guide from that institution and follow their curriculum as closely as possible. Rather than this degree, you may wish to obtain the EAC Liberal Arts degree or discipline specific EAC degree if these allow you to more closely follow the curriculum at your chosen transfer institution.

Curriculum Requirements
EDU 224 ESL/SEI Methods II 3 credits
POS 221 Arizona Constitution and Government 1 credit

Total Curriculum Requirements 4 credits

Curriculum Related Requirements
Select at least 12 credits from the Curriculum Requirements section for the Associate’s degree in your emphasis area. For Math and Science majors, students must complete MAT 220, Calculus I. Emphasis areas which offer the program described include:

• Art  • Biology
• Chemistry  • English
• General Science  • Geology
• Health and Physical Education  • History
• Mathematics  • Music
• Physics

Total Curriculum Related Requirements 12 credits

General Education Requirements
AEGC-A or AEGC-S. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course. Students choosing content areas in Art, English, Health and Physical Education, History, or Music should complete an AEGC-A. Students choosing content areas in any of the Mathematics or Sciences should complete an AEGC-S.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 140 College Mathematics or higher 3 to 5 credits

Lab Science
Two Lab Science courses from list on pages 55-56. For Math or Science majors, students should select two sequenced courses from the list on pages 55-56. 8 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
EDU 200 Introduction to Education 3 credits
HIS 101 U.S. History to 1877 (GIH) or
POS 110 United States National Politics 3 credits
PSY 101 Introduction to Psychology 3 credits

Options
CMP 103 Introduction to Computer Based Systems 3 credits

Total General Education Requirements 35 to 37 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mar2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Suggested courses for university transfer:

ASU Transfer Students
EDU 222 Introduction to Special Education

Total Elective Requirements 11 to 13 credits
Total Minimum Degree Requirements 64 credits
In addition to completing the required courses listed above with a grade of “C” or better, you...
must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

### ELECTRICAL AND INSTRUMENTATION TECHNICIAN

**Certificate of Proficiency**

30628

**Advisor:** Charles Smith

The Electrical and Instrumentation Technician Certificate program provides the student an opportunity to develop entry-level skills in the industrial electrical field. Students will receive a background in the properties and applications of electricity, maintenance of electrical systems, and technical problem solving.

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

**Total General Education Requirements**

18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Cur-
Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hour requirement. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 6 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT, Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement I, with a grade of "C" or better
    *Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

EMERGENCY MEDICAL TECHNICIAN

Certificate of Proficiency
30701
Advisor: Randy Morris

This Certificate prepares you for an entry-level position as an emergency medical technician at the basic level. Emphasis is on preparation to perform pre-hospital emergency services as specified by Arizona Department of Health Services, Bureau of Emergency Medical Services.

Note: Students are eligible to sit for the National Registry EMT Exam upon completion of the EMT 103, Emergency Medical Technician course.

Curriculum Requirements
BIO 160 Introduction to Human Anatomy and Physiology OR
BIO 201 Human Anatomy and Physiology I AND
BIO 202 Human Anatomy and Physiology II 4 to 8 credits
EMT 103 Emergency Medical Technician 9 credits
EMT 121 Cardiopulmonary Resuscitation 1/2 credit
EMT 170 Vehicular Extrication and Trauma Care 1/2 credit
HCE 112 Medical Terminology 2 credits

Total Minimum Certificate Requirements 16 to 20 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of "C" or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of "C" or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of "C" or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of "C" or better.
- EAC equivalent mathematics placement score of 41 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. Please review this information so that you make an informed decision regarding your education at EAC. http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtm

EMERGENCY MEDICAL TECHNICIAN-PARAMEDIC

Certificate of Proficiency
30702
Advisor: Randy Morris

This program prepares you for employment as a paramedic who is qualified to give emergency care to patients. The Eastern Arizona College Paramedic Training Program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (CAAHEP, www.caahcep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). After successfully completing the certificate, you are eligible to take the required National Registry of Emergency Medical Technicians examinations at the Paramedic level. Entry into the paramedic program requires prior admission. For specific admission procedures, contact the EAC EMS Department at (928) 428-8398. EMT 210, EMT 212, and EMT 214 must be taken contiguously and each course must be completed with a "B" or better to successfully complete the program or the student must restart the entire program.

This program is a fall-start program and is only offered when a minimum of 15 students are accepted and registered. Program size is limited to 24 students by Arizona State regulation.

Application Requirements
The following are required for application into the program:

- Must be at least 18 years of age prior to applying to the Paramedic Program
- Completion of high school or GED
- Current American Heart Association, BLS healthcare provider certification
- Current certification as an Arizona EMT or NREMT Certified EMT
- ENG 113 with a grade "C" or higher or reading competency at the twelfth grade level or above, on EAC approved reading test
- MAT 100 with a grade of "C" or higher or placement test score as established by District policy
- Passage of written, practical, and oral entrance examinations
- Student must provide immunization records including proof of MMR, Varicella, Hepatitis B, Tdap, 2-step TB skin test, current flu shot and a completed 10-panel drug screen
- Current Arizona DPS fingerprint clearance card (required by agency contracts for clinical/vehicular rotations)
- Current health insurance coverage

Admission Requirements
The following prerequisite courses must be completed with a grade of "C" or higher prior to being admitted into the Paramedic Program:

BIO 160 Introduction to Human Anatomy and Physiology OR
BIO 201 Human Anatomy and Physiology I AND
BIO 202 Human Anatomy and Physiology II 4 to 8 credits
HCE 112 Medical Terminology 2 credits

Curriculum Requirements
BIO 160 Introduction to Human Anatomy and Physiology OR
BIO 201 Human Anatomy and Physiology I AND
BIO 202 Human Anatomy and Physiology II 4 to 8 credits
EMT 210 Paramedic 12 credits
EMT 212 Paramedic II 12 credits
EMT 214 Paramedic III 6 credits
EMT 219 Pharmacology in Emergency Settings 2 credits
EMT 220 Advanced Cardiovascular Life Support 1 credit
EMT 221 Pediatric Advanced Life Support 1 credit
EMT 222 Trauma Patient Management 1 credit
HCE 112 Medical Terminology 2 credits

Total Minimum Certificate Requirements 41 to 45 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of "C" or better.
Curricula

• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 15 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:

• Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
• EAC equivalent writing placement score of 70 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of MAT 101, Applied Mathematics, or higher with a grade of “C” or better.
• EAC equivalent mathematics placement score of 41 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. Engineering

Associate of Science Degree
AS-SR 80706

Advisor: Tom Palmer

Today’s professional engineer requires a minimum of four years of highly theoretical and specialized training. Very often this training requires more than four regular college years; that is, either attendance for several summer terms or an additional fifth year, before you may qualify for the bachelor’s degree. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

EAC offers you two years of training in the required background mathematics and sciences. In addition, EAC offers many of the General Education courses which are required as part of the overall education of an engineer.

Curriculum Requirements

- CHM 151 General Chemistry I 4 credits
- Select 4 additional credits from Lab Science list on pages 55-56. 4 credits
- EGR 102 Introduction to Engineering 4 credits
- MAT 240 Calculus III 4 credits
- MAT 260 Differential Equations 3 credits

Choose at least 6 additional credits from the following:

- EGR 130 C Programming I 3 credits
- EGR 150 Digital Logic Design 3 credits
- EGR 200 Introduction to Mining Engineering 3 credits
- EGR 214 Engineering Mechanics I – Statics 3 credits
- EGR 215 Engineering Mechanics II – Dynamics 3 credits
- EGR 220 Circuits I 4 credits
- EGR 233 Mechanics of Materials 3 credits
- EGR 250 Plane Surveying 3 credits
- EGR 255 Thermodynamics 3 credits
- EGR 296A Mineral Resource Engineering Seminar 1 credit

Total Curriculum Requirements 25 to 26 credits

General Education Requirements

AEGC-3. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition

- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics

- MAT 220 Calculus I 5 credits
- MAT 230 Calculus II 4 credits

Lab Science

- PHY 211 Physics with Calculus I 5 credits
- PHY 212 Physics with Calculus II 5 credits

Humanities

Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences

Choose from Social Sciences list on pages 55-56. 6 credits

Total General Education Requirements 37 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/va/EBetter. Select the Eastern Arizona College Elective or Better Report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 1 to 2 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

English

Associate of Arts Degree
AA-GR 60203

Advisors: Peter Chidester, Laura David, Rebecca Jarvis, Terrence Jones, Ken Raines, Melanie Russell

This degree provides a foundation in written communications and familiarity with literary forms and major literary works. Since program requirements differ between universities, consult the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC in order to adjust this program to your personal needs.

Curriculum Requirements

- ENG 218 Writing About Literature (WI) 3 credits
- Select 9 credits from the following courses:
  - ENG 201 World Literature I (WI) or (GIH) 3 credits
  - ENG 202 World Literature II (WI) or (GIH) 3 credits
  - ENG 221 English Literature I (WI) 3 credits
  - ENG 222 English Literature II (WI) 3 credits
  - ENG 241 American Literature I (WI) or (GIH) 3 credits
  - ENG 242 American Literature II (WI) or (GIH) 3 credits

Total Curriculum Requirements 12 credits

General Education Requirements

AEGC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition

- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics

Select from list on pages 55-56. 3 credits
Lab Science
Select two Lab Science courses from list on pages 55-56.  8 credits

Humanities
ART 133  World Art I (GH)  OR
ART 134  World Art II (GH)  3 credits
MUS 101  World of Music (GH)  OR
THC 105  Introduction to Theatre (GH)  3 credits
Select from the list of Humanities courses on pages 55-56.  3 credits

Social Sciences
HS 104  The Development of Europe to 1650 (GH)  OR
HS 105  Modern Europe Since 1550 (GH)  3 credits
Select from the list of Social Sciences courses on pages 55-56.  3 credits
Courses selected must be from more than one department.  6 credits

Total General Education Requirements  35 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective and Foreign Language Requirements
To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:
1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required for this degree. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wwa/5Better. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

You are encouraged to take liberal arts courses as electives such as art, creative writing, history, music, philosophy or psychology.

Total Elective and Foreign Language Requirements  17 credits
Total Minimum Degree Requirements  64 credits
In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

ENVIRONMENTAL TECHNOLOGY

Associate of Applied Science Degree
20705
Advisor: Aaron Burk
This degree prepares the student to apply for positions with agencies dealing with the environment, natural resources or the public. The degree will expose students to different aspects of the natural world and various cultures, and will provide communication skills.

Curriculum Requirements
ANT 102  Introduction to Cultural Anthropology  3 credits
ANT 120  Indian American Culture  3 credits
ANT 210  Archaeology of the Southwest  3 credits
BIO 101E  Careers in Environmental Biology  1 credit
BIO 105  Environmental Biology  4 credits
BIO 226  Ecology  4 credits
BIO 295  Undergraduate Biological Research  4 credits
CHE 130  Fundamental Chemistry  4 credits
COM 201  Public Speaking  3 credits
EMT 122  First Aid and CPR  2 credits
HPE 104  Physical Conditioning and Assessment I  2 credits

Total Curriculum Requirements  33 credits

General Education Requirements
Composition
ENG 101  Written Communications I  3 credits
ENG 102  Written Communications II  3 credits

Mathematics
MAT 100  Applied Mathematics or higher  3 to 5 credits

Computers
CMP 101  Introduction to Computers OR
CMP 103  Introduction to Computer Based Systems  3 credits
Select a sufficient number of credits, including at least one course from a GE category other than Composition or Mathematics, from the list of General Education courses on pages 57-58. You may not exceed nine credits in any GE Category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements  18 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required.

Total Elective Requirements  13 credits
Total Minimum Degree Requirements  64 credits
In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*.
  2. Completion of ENG 091, Reading Improvement II, with a grade of "C" or better.
•*Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.
Certificate of Proficiency
30641
Advisor: Nathan McCray

This certificate will focus on skill-based training for those interested in learning how to design and produce projects using EAC’s Fab Lab. This short-term training process will take students from basic product design knowledge to an emphasis on fabricating small products. Core to this certification will be the development of individual skills so students can use fabrication equipment and automated machines.

Curriculum Requirements
- AMT 102 Materials for Industry
- AMT 104 Machining and Fabrication
- AMT 110 Introduction to Fab Lab Technology
- CSL 115 Community Outreach Through Service Learning
- DRF 154 Introduction to AutoCAD
- TEC 133 Safety Practices for Industry
- WLD 108 Welding and Metal Fabrication

Total Minimum Certificate Requirements: 16 credits

FIRE SCIENCE

Associate of Applied Science Degree
20610 (Available in Gila County only)

Advisor: Pam Butterfield

The Fire Science Associate of Applied Science degree is intended for students who either plan to enter employment or who are currently working in fire services or related fields and want to upgrade their knowledge and skills. The degree provides individuals wishing to become professional firefighters with the skills necessary for a fire service career and existing firefighters with the opportunity for career advancement.

Curriculum Requirements
- EMT 103 Emergency Medical Technician
- FSC 101 Fire Department Operations I
- FSC 102 Fire Department Operations II
- FSC 106 Hazardous Materials First Responder Operations
- FSC 110 Fire Hydraulics
- FSC 120 Fire Apparatus and Equipment
- FSC 130 Fundamentals of Fire Prevention
- FSC 135 Strength and Fitness for Fire Service
- FSC 150 Basic Wildland Firefighting
- FSC 204 Firefighting Tactics and Strategy
- FSC 208 Firefighter Safety and Building Construction

Total Curriculum Requirements: 41 credits with a GPA of 2.00 or higher

General Education Requirements

Composition
- ENG 100 Writing Fundamentals OR
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II OR
- ENG 260 Technical Report Writing OR
- TEC 260 Technical Report Writing 3 credits

Mathematics
- MAT 100 Applied Mathematics or higher 3 to 5 credits

Computers
- CMP 101 Introduction to Computers OR
- CMP 102 Introduction to Fab Lab Technology OR
- TEC 260 Technical Report Writing OR

Total General Education Requirements: 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Total Elective Requirements: 5 credits

Total Minimum Degree Requirements: 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 50 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denby, TABE, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
- Complete 57-58 credits in General Education, with a minimum of two credits
- Complete at least 16 credits in the major

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. ## FIRE SCIENCE – LEVEL I

**Certificate of Proficiency**

**30635 (Available in Gila County only)**

**Advisors:** Pat Burke, Pam Butterfield

The Fire Science – Level I Certificate program, in cooperation with the Arizona Center for Fire Service Excellence (AZCFSE), prepares students for service as firefighters in rural settings. This certification emphasizes professional firefighting skills corresponding to the everyday demands of the profession. It is designed for both individuals already serving in the profession as firefighters and as a preparatory program for those who seek a career in firefighting.

FORESTRY

Associate of Arts Degree
TG-XR 60703
Advisor: Aaron Burk

This degree prepares you to transfer to a college or university and pursue a bachelor’s degree in Forestry. This degree also prepares you for a number of jobs in forestry and the forest products industry. A strong high school background in Mathematics and Chemistry is recommended.

Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. A Forestry bachelor’s degree is currently offered in Arizona only at Northern Arizona University.

Curriculum Requirements
- BIO 182 General Biology II 4 credits
- CMP 103 Introduction to Computer Based Systems 3 credits
- MAT 160 Introduction to Statistics 3 credits

Total Curriculum Requirements 10 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics
- MAT 154 Precalculus Algebra AND
- MAT 161 Precalculus Trigonometry OR
- MAT 187 Precalculus 5 to 7 credits

Lab Science
- BIO 181 General Biology I 4 credits
- CHM 130 Fundamental Chemistry 4 credits

Humanities
- COM 201 Public Speaking 3 credits
- Select another non-COM department Humanities course with a (GIH) designation from list on pages 55-56. 3 credits

Social Sciences
- BUA 223 Principles of Microeconomics 3 credits
- Select a course with a prefix other than BUA from Social Sciences list on pages 55-56. 3 credits

Options
Select courses from the Options category on pages 55-56 with at least one course having an (IW) designation to complete the 35 credits required for the AGEC. 2 to 4 credits

Total General Education Requirements 35 credits
Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 19 credits

Total Minimum Degree Requirements 64 credits
In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

GENERAL STUDIES

Associate of General Studies Degree
50000 (Available On Campus and Online)
Advisors: Ray Orr, Gina Roebuck, Kenny Smith

The Associate of General Studies degree (AGS) is available for those students whose preferred degree program of study is not otherwise available at EAC. For example, the AGS degree may be the best choice for you if:

- You plan to transfer to one of Arizona’s public universities and EAC does not offer a degree pathway that matches the first two years of study in the major you wish to pursue.
- You plan to transfer to a private Arizona college or university or an out-of-state institution and you wish to customize an EAC degree to match the required courses in your major at that school.
- You do not plan to transfer to another College or University and wish to obtain an associate degree that incorporates a General Education component and lets you select other courses according to your interests.
- Other than the embedded AGEC, the AGS degree is not included in any transfer agreements and credits earned may be accepted or rejected by a receiving institution. If you plan to transfer upon completion of this degree and since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

General Education Requirements
The General Education Requirement may be satisfied in two different ways. Select the option below that best meets your needs.

Option 1 - Arizona General Education Curriculum
If you plan to transfer to one of Arizona's public universities you will be best served by completing one of the three Arizona General Education Curriculums. They are the AGEC-A, AGEC-B and AGEC-S. If you know where you are transferring and what your major will be, find out which AGEC is appropriate and follow it as outlined below. If the major you select does not accept an AGEC or has a unique set of General Education requirements go to Option Two.

AGEC-A (Available On Campus and Online): This General Education Program is better suited for majors in the Liberal Arts.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics
Select one course from list on pages 55-56. 3 credits

Lab Science
Select two Lab Science courses from list on pages 55-56. If you plan to transfer consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Humanities
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits
Social Sciences
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits

Options
Select courses from the Options category on pages 55-56 to complete the 35 credits required for the AGEC. 0 to 6 credits

AGEC-B: This General Education Program is intended for students majoring in a business curriculum.

To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 210 Elements of Calculus 4 credits

Lab Science
Select two courses from the list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Humanities
Select from at least two departments on the Humanities list on pages 55-56. At least one of the Humanities courses must be from the Fine Arts. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 to 9 credits

Social Sciences
Select from at least two departments on the Social Sciences list on pages 55-56. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 6 credits

Options
For this certificate, you must select two additional courses to complete the 39 credits required for the AGEC. Eligible courses include any of the Lab Science courses or any math courses MAT 230 or higher. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 8 credits

Option 2 - Approved General Education Curriculum
File with your graduation petition a General Education curriculum of at least 35 credits approved by a regionally accredited college or university for which equivalent transferable courses are available at EAC or an Arizona public university transfer guide for the major you intend to complete. Completion of those courses will fulfill the AGS degree General Education requirement.

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements
Depending on which AGEC you choose, select 25-29 credits of elective courses numbered at the 100 level or above to complete the 64 credits required for the degree.

Total Elective Requirements 25 to 29 credits
Total Minimum Degree Requirements 64 credits
In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:
• Complete at least 16 degree credits at Eastern Arizona College.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

GENERAL TECHNICAL STUDIES

Associate of Applied Science Degree
20613 (Available On Campus and Online)

Advisors: Gayrene Claridge, Doug Griffin, Andy Shaver

The General Technical Studies AAS degree provides an opportunity for all students to develop and upgrade a broad variety of technical skills which are applicable to many entry-level technical occupations. Students are given the latitude to focus on specific programs which address their personal interests and aptitudes. Through the General Education component, this program also provides instruction in literacy, communication, mathematical, and interpersonal skills necessary for long-term career success.

Curriculum Requirements
Students must complete at least one of the following Certificates of Proficiency:

• 30638 Automotive Maintenance
• 30633 Automotive Service Consultant
• 30605 Automotive Technician
• 30104 Bookkeeping (offered on campus and online)
• 30116 Business Office Assistant (offered on campus and online)
• 30927 Business Project Management Fundamentals
• 30121 Business Technology Specialist (offered on campus and online)
• 30618 Computer Assisted Design and Drafting Technology - Level I
• 30613 Computer Assisted Design and Drafting Technology - Level II
• 30901 Construction Technology (offered at ADC/FCI only)
• 30110 Cosmetology
• 30111 Cosmetology Instructor
• 30105 Database Support
total of 40 credit hours is required. One of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course.

The General Education section of the catalog may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements
To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*
2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better

Complete all four years of high school for the General Education section of the catalog.

A deficiency in any of the above areas may necessitate refresher courses before pursuing a geology curriculum.

GEOLOGY

Associate of Science Degree
AS-SR 80703
Advisor: David Morris

The following curriculum will meet the lower-division requirements of most four-year schools in Geology. Upon satisfactory completion of the course work outlined below and graduation with an AS degree from Eastern Arizona College, you may enter upper-division work in any one of several earth science related fields, including general geology, geochemistry, hydrology and geophysics. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathway) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. You should have a firm background in mathematics (including algebra, geometry, and trigonometry) and chemistry. Physics is helpful. A deficiency in any of the above areas may necessitate refresher courses before pursuing a geology curriculum.

Total General Education Requirements 18 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Total Elective Requirements 4 credits

Total Minimum Degree Requirements 64 credits

If you plan to transfer, consult the catalog in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmar2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

An introductory computer course is highly recommended.

Language proficiency demonstration – check University Transfer Guides to see if they have a language proficiency requirement. If so, select courses that will satisfy the language proficiency requirement.

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

HISTORY

Associate of Arts Degree

AA-SR 60803

Advisor: Patrick Lukens

This degree prepares you to transfer to a four-year college or university and pursue a bachelor’s degree in history. In addition to teaching, history provides excellent background for entering law school or for pursuing any type of social or government work. Also, some recent trends suggest history majors are being hired for business because of the need for people who are trained in reading primary source material, synthesizing what they read, and applying it in problem-solving situations. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements

ANT 102 Introduction to Cultural Anthropology (GIH) 3 credits
CMP 103 Introduction to Computer Based Systems 3 credits
ENG 242 American Literature II (IW) or (GIH) 3 credits
HIS 101 U.S. History to 1877 (GIH) 3 credits
HIS 102 U.S. History Since 1865 (GIH) 3 credits

Total Curriculum Requirements 15 credits

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition

ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics

MAT 140 College Mathematics OR
MAT 154 Precalculus Algebra 3 to 4 credits

Lab Science

Select from list on pages 55-56. 8 credits

Humanities

ENG 241 American Literature I (IW) or (GIH) 3 credits
COM 201 Public Speaking OR
THC 105 Introduction to Theatre (GIH) 3 credits
Select a course from the list on pages 55-56. 3 credits

Social Sciences

HIS 104 The Development of Europe to 1650 (GIH) 3 credits
HIS 105 Modern Europe Since 1550 (GIH) 3 credits
POS 110 United States National Politics (GIH) 3 credits

Total General Education Requirements 35 to 66 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Elective and Foreign Language Requirements

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required for this degree. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztrans-mac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.ace/wea/CEBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective and Foreign Language Requirements 13 to 14 credits

Total Minimum Degree Requirements 64 credits
HVAC-R

Certificate of Proficiency 30920

Advisors: Mike Crockett, Andy Shaver

This program is designed to prepare students to work in a heating or refrigeration business. The HVAC-R program includes basic instruction in heating, ventilation, air conditioning and refrigeration systems and their maintenance to help students develop a career in the HVAC-R field.

Curriculum Requirements

HVA 101 Principles of HVAC-R 4 credits
HVA 103 HVAC-R Controls 4 credits
HVA 105 Heating System Basics 3 credits
HVA 109 Troubleshooting HVAC-R Systems 4 credits
HVA 110 Electricity for HVAC-R 3 credits
HVA 115 EPA Certification 1 credit

Total Minimum Certificate Requirements 19 credits

In order to obtain this certificate you must:

• Complete each required course above with a grade of “C” or better.
• File a petition for this certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 10 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:

• Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
• EAC equivalent writing placement score of 41 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
• EAC equivalent mathematics placement score of 41 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding your education at EAC. http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtml

LANGUAGES

Associate of Arts Degree AA-GR 60205

Advisors: Tonka Curtis, Bryan McBride

Language study at EAC prepares you for careers in business, education, international relations, translation, social work, transportation, journalism and many other areas. Many Language majors go on to professional schools (law, medicine, dentistry and business). Language students gain an appreciation of other cultures, which enhances their understanding of their own culture. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements

FRE 201 Intermediate French I (GH) OR 4 credits
SPA 201 Intermediate Spanish I (GH) 3 credits
FRE 202 Intermediate French II (GH) OR 4 credits
SPA 202 Intermediate Spanish II (GH) 3 credits
Courses in one other language at the 100 level or above. 8 credits

Total Curriculum Requirements 16 credits

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

ENG 102 Written Communications II 3 credits

Mathematics

Select from list on pages 55-56. 3 credits

Lab Science

Select from list on pages 55-56. 8 credits

Humanities

You must choose from at least one of the following: 3 credits
ART 133 World of Art I (GH)
ART 134 World of Art II (GH)
MUS 101 World of Music (GH)
THC 105 Introduction to Theatre (GH)
Select from list on pages 55-56. 6 credits

Social Sciences

ANT 110 Mexican-American Culture OR 3 credits
COM 260 Elements of Intercultural Communication (IW) 3 credits
Select from list on pages 55-56. 6 credits

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To obtain this degree you must take a minimum of 13 credit hours of approved elective courses numbered 100 or above. Approved courses are listed in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.wss/wa/EBetter. Select the Eastern Arizona College Elective or Better report.

Total Elective Requirements 13 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.
LAW ENFORCEMENT OFFICE ASSISTANT

Certificate of Proficiency
30812 (Available On Campus and Online)

Advisors: Kris Matthews, Derek Rich

This certificate is designed to prepare you for entry-level employment with a Criminal Justice agency as an office assistant. It also allows persons already employed in a Criminal Justice workgroup to upgrade their clerical and office technology skills and knowledge.

Curriculum Requirements

- AJS 101 Introduction to Criminal Justice 3 credits
- AJS 103 Criminal Investigation 3 credits
- AJS 254 Crime Control 3 credits
- AJS 266 The Police Function 3 credits
- CMP 101 Introduction to Computers OR
- CMP 103 Introduction to Computer Based Systems 3 credits
- AIS 118 Electronic Keyboarding II 3 credits
- AIS 213A Office Procedures/Records Management 1 credit
- AIS 213B Office Procedures/Office Transcription 1 credit
- AIS 213C Office Procedures/Professional Business Office 1 credit
- AIS 214 The Office Professional 3 credits
- AIS 238 Advanced Office Applications 3 credits

Total Minimum Certificate Requirements 27 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 11 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.

Gainful Employment Disclosure. LIBERAL STUDIES

Associate of Arts Degree
AA-GR 60000

Advisors: Ray Orr, Gina Roebuck, Kenny Smith, Adam Stinchcombe

A Liberal Studies Associate of Arts degree is appropriate if you plan to continue your education at a college or university and major in Liberal Arts. If you have not yet decided on a major but know you want to transfer to a four-year college or a university, this degree will fulfill the General Education requirement for many different programs of study. Liberal Studies Faculty Advisors are available to assist you in the selection of courses. Since program requirements differ between universities, the official transfer pathway (www.adtransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics
- Select from list on pages 55-56. 3 credits

Lab Science
- Select from list on pages 55-56. 8 credits
Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

General Education Requirements

In order to obtain this certificate you must:

- Complete each required course with a grade of "C" or better unless otherwise noted.
- File a petition for certificate through your Gila Hank Online account.
- Complete at least 15 credits at Eastern Arizona College.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. Please review this information so that you make an informed decision regarding your education at EAC. http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtml
MANUFACTURING AND DESIGN TECHNICIAN

Certificate of Proficiency
30639
Advisor: Nathan McCray

This certificate will focus on skill-based training for those interested in learning how to manufacture almost anything. This short-term training process will focus on manufacturing engineering technologies. The intent of this certificate is to take students from design knowledge to an emphasis on the development and fabrication of products. Core to this certification will be the development of individual skills so students can use fabrication equipment and automated machines to produce first run products.

Curriculum Requirements
AMT 102 Materials for Industry 3 credits
AMT 104 Machining and Fabrication 3 credits
AMT 110 Introduction to Fab Lab Technology 2 credits
AMT 111 Fab Lab Workshop I 1 to 3 credits
AMT 220 Advanced Manufacturing Methods 4 credits
DRF 150 Dimensioning and Tolerancing 1 credit
DRF 154 Introduction to AutoCAD 2 to 3 credits
DRF 220 Parametric Solid Modeling 3 credits
MAT 100 Applied Mathematics or higher OR ENG 101 Written Communications I or higher 3 to 5 credits
TEC 133 Safety Practices for Industry 1 credit
WLD 108 Welding and Metal Fabrication 3 credits

Total Minimum Certificate Requirements 28 to 33 credits

In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 14 credits at Eastern Arizona College.

Gainful Employment Disclosure: The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data, and other valuable data. MANUFACTURING ENGINEERING TECHNICIAN

Certificate of Proficiency
30640
Advisor: Nathan McCray

This certificate will focus on fundamental engineering foundations by delivering a hands-on, skill-based educational process. This certificate is for those interested in learning more about engineering as a career choice while learning how to manufacture almost anything. The intent of this certificate is to take students from design knowledge to an emphasis on product development using automated machines.

Curriculum Requirements
AMT 102 Materials for Industry 3 credits
AMT 104 Machining and Fabrication 3 credits
AMT 110 Introduction to Fab Lab Technology 2 credits
AMT 220 Advanced Manufacturing Methods 4 credits
DRF 220 Parametric Solid Modeling 3 credits
EGR 102 Introduction to Engineering 4 credits
ELT 110 Electricity and Electronics 3 credits
ENG 101 Written Communications I or higher 3 credits
MAT 154 Precalculus Algebra or higher 4 to 5 credits
TEC 133 Safety Practices for Industry 1 credit
WLD 108 Welding and Metal Fabrication 3 credits

Total Minimum Certificate Requirements 33 to 34 credits

In order to obtain this certificate you must:
• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 15 credits at Eastern Arizona College.

Gainful Employment Disclosure: The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data, and other valuable data. Please review this information so that you make an informed decision regarding your education at EAC. http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtml
**MATHEMATICS**

### Associate of Science Degree

**AS-SR 81101**

**Advisors:** Pedro Dabalza, Debra Green, Ray Orr

This degree will meet the General Education requirements and most of the mathematics requirements for the first two years of a four-year degree in Mathematics. Since program requirements differ between universities, the official transfer pathway [http://aztransfer.com/transferpathways](http://aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

**Curriculum Requirements**

**Humanities**

Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts.

6 credits

**Social Sciences**

Choose from Social Sciences list on pages 55-56. Choose courses from more than one department.

6 credits

**Options**

Select courses from the list on pages 55-56 to achieve a total of at least 39 credits in General Education courses. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

3 to 5 credits

**Total General Education Requirements** 39 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at [http://aztransfer.com/transferpathways](http://aztransfer.com/transferpathways). Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements** 17 credits

**Total Minimum Degree Requirements** 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

**MEDIA COMMUNICATIONS**

### Associate of Applied Science Degree

**20614**

**Advisor:** Glen Cashetta

This program prepares students for entry-level employment in the media communications industry. Students will have the opportunity to develop skills in scripting, audio, lighting, cinematography, and editing. By completion of the program, students will have developed and produced various video projects.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at [http://aztransfer.com/transferpathways](http://aztransfer.com/transferpathways). Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements** 17 credits

**Total Minimum Degree Requirements** 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
Complete each required course above with a grade of “C” or better.

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

MEDICAL CODING AND BILLING SPECIALIST

Certificate of Proficiency
31302 (Available in Gila County only)

Advisors: Pat Burke, Stephen Cullen

This certificate prepares individuals for diagnostic and procedural coding and billing positions in settings such as clinics, physician offices, hospitals, managed care organizations, private billing, or insurance companies. The program includes theoretical and laboratory instruction as well as professional practice affiliation. This certification will also prepare students to begin careers as professional coders and/or billers and prepare students for AHIMA (American Health Information Management Association) certification. AHIMA will allow students the opportunity to prepare to take specific coding and/or billing certifications.

Curriculum Requirements
- BIO 160 Introduction to Human Anatomy and Physiology OR
- BIO 201 Human Anatomy and Physiology I AND
- BIO 202 Human Anatomy and Physiology II 4 to 8 credits
- HCE 102 Introduction to Health Information Management 3 credits
- HCE 103 Computers in Healthcare 2 credits
- HCE 112 Medical Terminology 2 credits
- HCE 171 Introduction to Pharmacology OR
- NUR 219 Pharmacology for Nursing 3 credits
- HCE 181 Medical Claims Processing 3 credits
- HCE 190 Human Body in Health and Disease OR
- HCE 240 Human Pathophysiology 4 credits
- HCE 210 Introduction to International Classification of Diseases (ICD-10) 3 credits
- HCE 216 Professional Practice in Coding and Billing 3 credits

Total Minimum Certificate Requirements 35 to 39 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 15 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
- EAC equivalent mathematics placement score of 41 or higher entered into your student record.

Gainful Employment Disclosure: The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. MEDICAL LABORATORY ASSISTANT

Certificate of Proficiency
30712

Advisor: Carolyn McCormies

This program prepares you for an entry-level position as a medical laboratory assistant. Emphasis is on preparation to perform duties in a medical laboratory. Professional duties in a laboratory include drawing blood specimens, processing specimens, managing inventory of lab supplies, conducting quality assurance activities, performing point-of-care testing, and using computers to assist in testing and documenting laboratory activities. Upon completion of this certificate program, students are eligible to sit for the American Medical Technologists (AMT) Certification Examination to be certified as a medical laboratory assistant.

Courses in the program may require vaccinations or other medical tests. See course descriptions for additional information. Students will be required to complete a minimum of 150 hours in a clinical laboratory setting. Minimum age 18 prior to enrollment in HCE 158 required.

Curriculum Requirements
- HCE 100 Basic Health Care Concepts and Skills OR
- NUR 100 Nursing Assistant 4 or 6 credits
- HCE 101 Basic Life Support OR
- EMT 122 First Aid and CPR 2 credits
- HCE 112 Medical Terminology 2 credits
- HCE 114 Math for Medications OR
- HCE 115 Medical Dosage Calculations 2 credits
- HCE 152 Laboratory Assisting: Overview, Principles and Procedures 4 credits
- HCE 158 Laboratory Assisting Practicum I 2 credits
- HCE 159 Clinical Laboratory Operations 4 credits
- HCE 186 Phlebotomy and Clinical Laboratory 2 credits
- HCE 189 Phlebotomy Certification Review 2 credits
- HCE 258 Laboratory Assisting: Practicum II 2 credits

Total Minimum Certificate Requirements 26 to 28 credits

In order to obtain this certificate you must:
- Complete each required course above with a grade of “C” or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 13 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
- EAC equivalent mathematics placement score of 41 or higher entered into your student record.

MUSIC

Associate of Arts Degree
AA-SR 60403

Advisors: Instrumental: Franklin Alvarez, Geoff DeSpain
Piano: Chase Moore
Vocal: Bruce Bishop, Chase Moore

The degree meets the requirements for a bachelor’s degree from a music department at a university, provided you take four semesters of applied music instruction and make satisfactory progress in either voice or a major instrument. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

To successfully pursue a college career in music education, you must be able to play at least one instrument well; have some experience and/or training in voice; and possess knowledge of music theory. You must also possess or obtain adequate piano skills.

Curriculum Requirements

NAIL TECHNICIAN

Certificate of Proficiency
30114
Advisors: Gayrene Claridge, Janice Lawhorn

This program prepares you for an entry-level position as a nail technician. Emphasis is on basic nail care, manicuring, and hand and arm massage. Classes meet to satisfy the 600 hours training necessary to qualify for the Arizona State Board of Cosmetology nail technician exam.

Classes meet approximately eight hours a day, five days a week so that the 600 hours of training necessary to qualify for the Arizona State exam can be obtained in one semester. This program is only offered when a minimum of six full-time students are accepted and registered.

In addition to general tuition, a fee of $189.00 per credit hour is required for all Cosmetology courses. Cosmetology scholarships are available for those who qualify. Contact Eastern Arizona Academy of Cosmetology or EAC for more information. Entry into the Cosmetology program requires prior admission. For admission procedures to the Cosmetology program, contact Eastern Arizona Academy of Cosmetology, (928) 348-8878.

Curriculum Requirements

COS 121 Nail Care I 1 credit
COS 122 Nail Care II 1 credit
COS 125 Manicuring I 4 credits
COS 127 Manicuring II 4 credits
COS 150 Manicuring III 4 credits
COS 152 Manicuring IV 4 credits

Total Minimum Certificate Requirements 18 credits

In order to obtain this certificate you must:

1. Complete each required course above with a grade of “C” or better.
2. File a petition for certificate through your Gila Hank Online account.
3. Remove any indebtedness to the College.
4. Complete at least 9 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:

1. Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
2. EAC equivalent writing placement score of 70 or higher entered into your student record.
3. Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
4. Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
5. EAC equivalent mathematics placement score of 41 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. Please review this information so that you make an informed decision regarding your education at EAC. http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.stm

Nursing

Associate of Applied Science Degree
RN and BSN Track Option
20702
Advisors: Gayrene Claridge, Carolyn McCormies

This program is designed to prepare you for beginning employment as a staff nurse giving direct care to patients. The program has received approval by the Arizona Board of Nursing and is accredited by the Accreditation Commission for Education in Nursing (ACEN). On successful completion of the program, you will be awarded the Associate of Applied Science in Nursing degree and will be eligible to make application to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN). The program permits students to enter or exit from the program based on their specific needs, space availability, and time limitations. Entry into the Nursing Program requires prior admission. For admission procedures to the Nursing Program, contact the Nursing Department, (928) 428-8396.

Application Requirements

The following are required to be completed prior to applying for the Nursing Program:

1. Submit a copy of a valid Department of Public Safety fingerprint clearance card (allow 4 – 6 weeks)
2. Reading competency at the twelfth grade level or above on an EAC approved reading test or completion of ENG 113 with a grade of “C” or higher
3. TEAS Assessment Nursing Entrance Exam with a minimum composite score showing proficient or above average for the composite score.

Admission Requirements

The following prerequisite courses are required to be completed with a minimum grade of “C” prior to starting the Nursing Program:

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>CHM 130</td>
<td>4</td>
</tr>
<tr>
<td>PSY 101</td>
<td>3</td>
</tr>
<tr>
<td>BIO 201</td>
<td>4</td>
</tr>
<tr>
<td>ENG 113</td>
<td>3</td>
</tr>
</tbody>
</table>

The following are required prior to starting the Nursing Program:

1. Placement test score as established by District policy that places the student into MAT 154 or completion of MAT 100 or higher with a grade of “C” or higher
2. Meet the minimum math requirements for medical dosage calculations by demonstrating competency through testing or course completion of HCE 116 at the specified level set forth by the Nursing Program.
3. Current Arizona Licensed Nursing Assistant number. This can be obtained by taking NUR 100 and passing the written and skills testing.
4. Submit the completed Immunization Record and Nursing Physical Form
5. Current AHA CPR card - health care provider level (MUST be American Heart Association)

Note: Pursuant to A.R.S. § 32-1806 (B) (17), an applicant for professional or practical nurse license by examination is not eligible for licensure if the applicant has any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge must be received five or more years before submitting an application for licensure. (If the applicant cannot prove that the absolute discharge date is five or more years before the date of filing the application, the Board of Nursing cannot process the application.)
CURRICULA

NURSING ASSISTANT

Certificate of Proficiency
30706
Advisor: Jill Cluff

This program prepares you for an entry-level position as a nursing assistant. Emphasis is on basic patient care skills, based on the knowledge of universal precautions, asepsis, basic human needs, body mechanics, treatments and procedures, patient admission, transfer, discharge, and eldercare.

NOTE: Students are eligible to sit for the Arizona State Board of Nursing Certified Nursing Assistant (CNA) Examination upon completion of the NUR 100, Nursing Assistant course. The Board of Nursing may not consider applications for certification as a Certified Nursing Assistant if the applicant has any felony convictions and has not received an absolute discharge from the sentence(s) for all felony convictions. The absolute discharge must be received five or more years before the Board of Nursing processes the application. The Arizona State Board of Nursing requirements for certification also include proof of legal presence in the United States and disclosure of any felony conviction(s).

Current Arizona Nursing Assistant Certification is an admission requirement to EAC’s Nursing program.

Courses in the program may require vaccinations or other medical tests. See course descriptions for additional information. Students will be required to complete a minimum of 40 hours in a skilled nursing facility.

Total Minimum Certificate Requirements: 16 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of “C” or better.
- File a petition for the certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 8 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
- EAC equivalent mathematics placement score of 41 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. Please review this information so that you make an informed decision regarding your education at EAC. http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtml

Total Minimum Degree Requirements

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better
- Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Total Minimum Degree Requirements: 72 to 79 credits

*All nursing courses must be passed with a grade of “B” or better and all prerequisites and corequisites must be passed with a grade of “C” or better for students to remain in and complete the program.

General Graduation Requirements

• Attain a cumulative grade point average of 2.00 or higher
• Complete at least 16 degree credits at Eastern Arizona College
• Remove any indebtedness to the College
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
ParaMedicine

Associate of Applied Science Degree

20703

Advisor: Randy Morris

This program prepares you for employment as a paramedic who is qualified to give emergency care to patients. The Eastern Arizona College Paramedic Training Program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (CAAHEP, www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CAEMSP). After successfully completing the degree, you are eligible to take the required National Registry of Emergency Medical Technicians examinations at the Paramedic level.

Entry into the paramedic program requires prior admission. For specific admission procedures, contact the EAC EMS Department at (928) 428-8398. EMT 210, EMT 212, and EMT 214 must be taken contiguous and each course must be completed with a "B" or better to successfully complete the program or the student must restart the entire program.

This program is a fall-start program and is only offered when a minimum of 15 students are accepted and registered. Program size is limited to 24 students by Arizona State regulation.

Application Requirements

The following are required for application into the program:

- Must be at least 18 years of age prior to applying to the Paramedic Program
- Completion of high school or GED
- Current American Heart Association, BLS healthcare provider certification
- Current certification as an Arizona EMT or NREMT Certified EMT
- ENG 113 with a grade of "C" or higher or reading competency at the twelfth grade level or above
- MAT 100 with a grade of "C" or higher or placement test

Admission Requirements

The following prerequisite courses must be completed with a grade of "C" or higher prior to being admitted into the Paramedic Program:

BIO 160 Introduction to Human Anatomy and Physiology OR
BIO 201 Human Anatomy and Physiology I AND
BIO 202 Human Anatomy and Physiology II 4 to 8 credits
HCE 112 Medical Terminology 2 credits

Curriculum Requirements

EMT 210 Paramedic I 12 credits
EMT 212 Paramedic II 12 credits
EMT 214 Paramedic III 6 credits
EMT 219 Pharmacology in Emergency Settings 2 credits
EMT 220 Advanced Cardiovascular Life Support 1 credit
EMT 221 Pediatric Advanced Life Support 1 credit
EMT 222 Trauma Patient Management 1 credit
HCE 112 Medical Terminology 2 credits

Total Curriculum Requirements 37 credits

General Education Requirements

Composition
ENG 101 Written Communications I 3 credits

Lab Science
BIO 160 Introduction to Human Anatomy and Physiology OR
BIO 201 Human Anatomy and Physiology I AND
BIO 202 Human Anatomy and Physiology II 4 to 8 credits

Mathematics
MAT 140 College Mathematics or higher 3 to 5 credits

Social Sciences
PSY 101 Introduction to Psychology 3 credits

Select a sufficient number of credits from the list of General Education courses on pages 57-58 to obtain the 18 credits required. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 9 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College
- Attain a cumulative grade point average of 2.00 or higher
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests*
  2. Completion of ENG 091, Reading Improvement II, with a grade of "C" or better
- Your EAC equivalent assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

Certificate of Proficiency

30708

Advisor: Jill Cluff

This program will prepare you for an entry-level position as a Patient Care Technician. Emphasis is on technical skills necessary to perform personal care to complex patients, implementation of selected portions of care plan including respiratory services, rehabilitation services, ECG, and phlebotomy under the supervision of registered nurses. Upon completion of this certificate of proficiency, students are eligible to sit for the National Certification exam as Certified Patient Care Technicians (CPCT), which is available through the National Healthcareer Association. Courses in the program may require vaccinations or other medical tests. See course descriptions for additional information.

Curriculum Requirements

EMT 121 Cardiopulmonary Resuscitation OR
EMT 122 First Aid and CPR OR
HCE 101 Basic Life Support 1/2 to 2 credits
HCE 112 Medical Terminology 2 credits
HCE 114 Math for Medications OR
HCE 116 Medical Dosage Calculations 2 credits
HCE 180 Patient Care Technician 4 credits
HCE 186 Phlebotomy and Clinical Laboratory 2 credits
NUR 100 Nursing Assistant 6 credits

Total Minimum Certificate Requirements 16.5 to 18 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of "C" or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 9 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:
PERSONAL COMPUTER SYSTEMS/NETWORKING

Certificate of Proficiency 30119
Advisors: Lydia Mata, James McBride, Scott Russell

This certificate program provides a faster track, emphasizing specific computer skills and fewer general courses. You will learn how to establish, organize and maintain many of the small computer network systems in use today.

PHLEBOTOMIST TECHNICIAN

Certificate of Proficiency 31301
Advisor: Carolyn McCormies

Upon completion of this certificate program, students are eligible to sit for the American Medical Technologists (AMT) Certification Examination to be certified as a Registered Phlebotomist Technician (RPT). Emphasis is on preparing the student to obtain blood specimens by skin puncture or venipuncture using proper technique on adults, children, and infants. Responsibilities of a phlebotomist include collecting fluid or tissue samples, drawing blood using different collection techniques, communication with patients to explain procedures, and conducting standard laboratory tests. Topics of study include ethics, infection control, communication, basic anatomy and physiology and medical terminology. Professional responsibilities include assembling equipment, verifying a patient’s identity, recording information in a patient’s medical records, sterilizing and safely handling equipment, and accurately labeling blood samples in the lab.

Students in the Phlebotomy Technician program will be in contact with potential infectious blood, tissues, and body fluids. Students must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis. Students must also provide proof of MMR (measles, mumps, & rubella) and Hepatitis B vaccinations.

AMT may deny an application if an applicant has any convictions involving a felony. Courses in the program and clinical sites may require additional vaccinations or other

**Associate of Science Degree**

**AS-SR 80704**

**Advisor:** Madhuri Bapat

This degree will meet the requirements of the first two years of a four-year program in physics or related fields (chemistry, applied mathematics, geophysics, biological physics, pre-medical science, scientific journalism, etc.). Since program requirements differ between universities, the official transfer pathway ([www.aztransfer.com/transferpathways](http://aztransfer.com/transferpathways)) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. You should enter this curriculum having completed two years of algebra and one year each of chemistry and physics in high school or the equivalent college courses.

**Total General Education Requirements: 39 credits**

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at [http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter](http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter). Select the Eastern Arizona College Elective or Better Report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements: 12 credits**

**Total Minimum Degree Requirements: 64 credits**

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Obtain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
POLITICAL SCIENCE

 Associate of Arts Degree  
 AA-SR 60804  
 Advisor: Patrick Lukens  

This degree provides the first two years of a four-year bachelor’s degree program in political science. Upon obtaining this AA degree you could enter a college of education and obtain a bachelor’s degree and a secondary teacher's certificate; or enter a college of liberal arts and complete a bachelor’s degree in political science. Following this, you might enter law school, employment in government or graduate school for further and more specialized work in political science. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Elective and Foreign Language Requirements  

To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:

1. If you have no foreign language coursework completed, take the French or Spanish 101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university. Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required for this degree.

Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective and Foreign Language Requirements 13 to 14 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

**PRE-MEDICAL SCIENCE**

**Associate of Arts Degree**

**TG-XR 80707**

**Advisors:** Duane DeSpain, Joel Shelton

This degree provides the first two years of a four-year bachelor of science degree in preparation for entering one of the professional medical schools such as dentistry, medicine, osteopathy, or veterinary medicine.

To complete this curriculum in two years you will need to have completed two years of high school algebra and one year of high school chemistry or the college equivalents before you begin the curriculum requirements.

**Humanities**

Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

**Social Sciences**

Select courses from the list on pages 55-56. 6 credits

**Total General Education Requirements** 38 to 39 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective Requirements** 4 to 8 credits

**Total Minimum Degree Requirements** 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

---

**PRE-OPTOMETRY**

**Associate of Science Degree**

**TG-XR 80709**

**Advisors:** Duane DeSpain, Joel Shelton

Requirements for admission to the schools and colleges of optometry vary. However, all require at least two years of pre-optometry study. Since each school has its own unique program, you should obtain the catalog of the institution you plan to transfer to and select elective EAC courses that meet the requirements of the transfer institution.

**Total General Education Requirements** 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

**Elective Requirements**

To obtain this degree you must take a minimum of two credits of elective courses numbered 100 or above to obtain the 64 credits required. You should obtain a catalog from the
institutions you will transfer to and select courses required by the optometry curriculum at that institution.

Total Elective Requirements 2 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

PRE-PHARMACY

Associate of Arts Degree
TG-XR 60704

Advisors: Duane DeSpain, Joel Shelton

This degree prepares you for entrance into the College of Pharmacy at the University of Arizona. If you plan to transfer to another university, its Pharmacy curriculum should be followed. Pharmacy aptitude tests should be taken and application to the university made early in your second year at EAC.

Please consult your advisor as there are approximately 72 credits of prerequisites required for admission into a College of Pharmacy.

Curriculum Requirements

All of the courses listed below are prerequisites for admission into many College of Pharmacy programs. Only 23 of these credits are required for graduation from Eastern Arizona College. Select at least 6 courses from the list below.

Select another non-BUA department Social Sciences course from list on pages 55-56.

Total General Education Requirements 38 to 39 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of “C” or better.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.sau.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 0 to 3 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
PRE-PHYSICAL THERAPY

Associate of Arts Degree
TG-XR 60705
Advisor: Tammy Gillespie

This degree will fulfill the pre-physical therapy requirements at most transfer institutions. Obtain the catalog of the institution you plan to transfer to and select your elective courses based on their requirements.

Curriculum Requirements
- BIO 202 Human Anatomy and Physiology II 4 credits
- BIO 205 Microbiology 4 credits
- PHY 111 General Physics I 4 credits
- PHY 112 General Physics II 4 credits

Total Curriculum Requirements 16 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics
- MAT 160 Introduction to Statistics 3 credits

Lab Science
- CHM 151 General Chemistry I 4 credits
- CHM 152 General Chemistry II 4 credits
- BIO 201 Human Anatomy and Physiology I 4 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
- PSY 101 Introduction to Psychology 3 credits
- PSY 250 Developmental Psychology 3 credits

The courses provide a background in psychological principles and techniques to enhance work in other Social Sciences and in such professional fields as education, business, law enforcement, and health-related fields.

Students often major in psychology to prepare for careers in related fields such as personnel relations, occupational and personal counseling, medicine and dentistry, social and case work, marketing, administration, the legal profession, or counseling and teaching in the public schools. Others plan on graduate work in psychology. Graduate training in psychology prepares you for a career as an academic psychologist (teaching and research), clinical psychologist (mental health centers, institutions, and private practice), industrial and organizational psychologist, and government psychologist (research, administration, testing).

High school preparation should include courses in Social Sciences as well as the natural sciences (such as biology and chemistry). Two years of high school foreign language study and a proficiency in algebra is highly desirable. In general, the broad liberal arts education that prepares you for college studies is appropriate for majors in Psychology at Eastern.

Curriculum Requirements
- CMP 103 Introduction to Computer Based Systems 3 credits
- PSY 101 Introduction to Psychology 3 credits
- PSY 220 Introduction to Statistics 3 credits
- PSY 270 Experimental Psychology (IW) 4 credits

Total Curriculum Requirements 13 credits

General Education Requirements
AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition
- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics
- MAT 140 College Mathematics OR 3 credits
- MAT 154 Precalculus Algebra 3 to 4 credits

Lab Science
- BIO 100 Biology Concepts 4 credits

Another Lab Science course from the list on pages 55-56.

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 9 credits

Social Sciences
- PSY 230 Social Psychology 3 credits
- PSY 240 Abnormal Psychology OR 3 credits
- PSY 250 Developmental Psychology 3 credits
- SOC 101 Introduction to Sociology (GH) 3 credits

Total General Education Requirements 35 to 36 credits

Elective Requirements
To obtain this degree you must take twelve credits of elective courses numbered 100 or above to obtain the 64 credits required. You should obtain a catalog from the institution you will transfer to and select electives required by that institution.

Total Elective Requirements 12 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:
- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

PSYCHOLOGY

Associate of Arts Degree
AA-SR 60806
Advisor: Nan Pennington

This degree specifies courses that satisfy the AGEC transfer pathway for an AA-SR degree. The Psychology courses identified in the Curriculum Requirements and the General Education Requirements also satisfy the preparatory major requirements for a baccalaureate degree in Psychology. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. This degree also satisfies the needs of students - majors and non-majors - who are interested in psychology primarily as a part of a broad liberal education. In addition, the courses provide a background in psychological principles and techniques to enhance work in other Social Sciences and in such professional fields as education, business, law enforcement, and health-related fields.

Elective and Foreign Language Requirements
To obtain this degree you must demonstrate proficiency in a foreign language at the 202 course level. To do this select from the following options:
- If you have no foreign language coursework completed, take the French or Spanish
101, 102, 201, 202 course sequence offered at EAC.
2. If you have completed two years of high school French or Spanish courses, take the 201, 202 course sequence at EAC. These two courses will fulfill your foreign language requirement.
3. If you have completed four years of high school foreign language courses or have obtained foreign language ability at the 202 course level in some other manner, testing options are available to demonstrate your proficiency. Contact the Records and Registration Office for more information.
4. Any foreign language at the 202 course level may be transferred from an accredited college or university.

Depending on which option you choose, select a sufficient number of elective credits to obtain the 64 credit hours required for this degree. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.woa/wa/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

**Total Elective and Foreign Language Requirements 15 to 16 credits**

**Total Minimum Degree Requirements 64 credits**

In addition to completing each of the courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

### RENEWABLE SUSTAINABLE ENERGY

**Certificate of Proficiency**

**30634**

**Advisors:** Pat Burke, Charles Smith

The Renewable Sustainable Energy Certificate of Proficiency provides the student an opportunity to develop advanced skills in the technical field of renewable energy. Students will receive a background in industrial and residential applications of electricity, solar energy, and wind energy.

**Curriculum Requirements**

- ELT 101 Fundamentals of Electricity and Electronics OR
- ELT 110 Electricity and Electronics 3 credits
- ELT 115 Conduits and Raceways 2 credits
- TEC 171 Renewable Energy Technology 2 credits
- TEC 172 Photovoltaic Design and Application 2 credits
- TEC 173 Passive Solar Design and Application 2 credits
- TEC 174 Wind Turbine Design and Application 2 credits
- TEC 175 Introduction to Weatherization 1 credit
- TEC 176 Building Energy Analyst Training 5 credits

**Total Minimum Certificate Requirements 19 credits**

In order to obtain this certificate you must:

- Complete each required course above with a grade of "C" or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 10 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:

- Completion of ENH 100, Writing Fundamentals, or higher with a grade of "C" or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of "C" or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of "C" or better.
- EAC equivalent mathematics placement score of 41 or higher entered into your student record.

### SMALL BUSINESS MANAGEMENT

**Associate of Applied Science Degree**

**20115**

**Advisor:** Michael Fox

This degree prepares you for a middle-management career in retail, wholesale and industrial organizations, as well as self-employment as a small business owner.

**Curriculum Requirements**

- BUS 101 Fundamentals of Accounting OR
- BUA 233 Uses of Accounting Information I 3 credits
- SBM 110 Introduction to Entrepreneurship 3 credits
- SBM 111 Marketing 3 credits
- SBM 121 Supervision 3 credits
- SBM 211 Financial Management 3 credits
- SBM 221 Business Ethics 3 credits
- SBM 231 Business Planning 1 credit

**Total Curriculum Requirements 19 credits**

**Curriculum Related Requirements**

Select 9 additional credits from the following:

- AIS 118 Electronic Keyboarding II 3 credits
- AIS 237 Word Processing Applications 3 credits

**Gainful Employment Disclosure.** The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. In addition to completing the required courses listed above, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests.
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better.
- Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Complete an academic requirement by one of the following methods:
  1. Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
  2. EAC equivalent writing placement score of 70 or higher entered into your student record.
  3. Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
  4. Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
  5. EAC equivalent mathematics placement score of 41 or higher entered into your student record.

SOCIETY

Associate of Arts Degree
AA-GR 60807
Advisor: Wayne Flake

This degree prepares students for careers requiring a general AA degree, entry level social services work, or transfer to a 4 year college program leading to a Bachelor’s degree. Since program requirements differ between universities official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements

General Education Requirements

AGEC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness (GIH) course.

Composition
ENG 101 Written Communications I 3 credits
ENG 102 Written Communications II 3 credits

Mathematics
MAT 140 College Mathematics OR
MAT 154 Precalculus Algebra 3 to 4 credits

Lab Science
BIO 100 Biology Concepts 4 credits
Another Lab Science course from list on pages 55-56. 4 credits

Humanities
Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences
ANT 102 Introduction to Cultural Anthropology (GIH) 3 credits
Another Social Sciences course from list on pages 55-56. 3 credits

Options
CMP 103 Introduction to Computer Based Systems 3 credits
Another Options course from list on pages 55-56. 3 credits

Total General Education Requirements 35 to 36 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

Select a sufficient number of elective credits to obtain the 64 credit hours required for this degree. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CEG.waa/ea/EBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Suggested courses for university transfer:
UA Transfer Students
Language proficiency demonstration: select courses that will satisfy the language proficiency at the University of Arizona.

Total Elective Requirements 13 to 14 credits

Total Minimum Degree Requirements 64 credits

In addition to completing each of the courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

• Complete at least 16 degree credits at Eastern Arizona College.
• Attain a cumulative grade point average of 2.00 or higher.
• File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
• Remove any indebtedness to the College.

SPORTS MEDICINE AND REHABILITATIVE THERAPIES

Certificate of Proficiency
30501

Advisors: Jim Bagnall, Craig Hackett

Students in this program will learn basic exercise science, nutrition, fitness assessment, exercise programming, and instructional and spotting techniques. Students who successfully complete the program are prepared to earn national certification as an ACE Personal Fitness Trainer. They may go on to further education leading to a career as an athletic trainer or a physical therapist.

Curriculum Requirements

HHP 100 Personal Health 3 credits
HHP 140 Fitness and Sports Medicine I 1 credit
HHP 141 Fitness and Sports Medicine II 1 credit
HHP 210 Introduction to Exercise Science and Physical Education 3 credits
HHP 211 Professional Activities - Weight Training 2 credits
HHP 212 Professional Activities - Aerobic Fitness 2 credits
HHP 240 Fitness and Sports Medicine III 1 credit
HHP 241 Fitness and Sports Medicine IV 1 credit
HHP 270 Introduction to Sports Medicine 3 credits
HHP 272 Rehabilitative Techniques 3 credits
HHP 274 Sports Nutrition 3 credits
HHP 276 Sports Psychology 3 credits
HHP 278 Kinetic Anatomy 3 credits
HHP 292 Athletic Training Practicum I 3 credits

Total Minimum Certificate Requirements 32 credits

In order to obtain this certificate you must:

• Complete each required course above with a grade of “C” or better.
• File a petition for certificate through your Gila Hank Online account.
• Remove any indebtedness to the College.
• Complete at least 15 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:

• Completion of ENG 100, Writing Fundamentals, or higher with a grade of “C” or better.
• EAC equivalent writing placement score of 70 or higher entered into your student record.
• Completion of BUS 111, Business Mathematical Calculations, with a grade of “C” or better.
• Completion of MAT 100, Applied Mathematics, or higher with a grade of “C” or better.
• EAC equivalent mathematics placement score of 41 or higher entered into your student record.

2017-2018 Eastern Arizona College Academic Catalog | 119
ASSOCIATE OF ARTS DEGREE

SPORTS STUDIES

AA-SR 60502

Advisors: Jim Bagnall, Craig Hackett

Recipients of this degree are prepared to pursue a major in Athletic Training, Wellness, Kinesiology, or related Sports Medicine at a four-year college or university. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs.

Curriculum Requirements

Select at least 24 credits from the following courses that correspond to your area of emphasis:

- HCE 156 Science for Allied Health 4 credits
- HHP 100 Personal Health 3 credits
- HHP 210 Introduction to Exercise Science and Physical Education 3 credits
- HHP 270 Introduction to Sports Medicine 3 credits
- HHP 274 Sports Nutrition 3 credits
- HHP 276 Sports Psychology 3 credits
- HHP 278 Kinetic Anatomy 3 credits
- HHP 290 Prevention and Care of Athletic Injuries 3 credits
- HHP 292 Athletic Training Practicum I 3 credits
- HHP 293 Athletic Training Practicum II 3 credits
- HHP 294 Athletic Training Practicum III 3 credits
- HHP 295 Athletic Training Practicum IV 3 credits

Total Curriculum Requirements 24 credits

General Education Requirements

ASGC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition

- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics

- MAT 140 College Mathematics or higher 3 to 5 credits

Lab Science

- BIO 201 Human Anatomy and Physiology I 4 credits
- BIO 202 Human Anatomy and Physiology II 4 credits

Humanities

Select from Humanities list on pages 55-56. Choose courses from more than one department and one course must be in the Fine Arts. 6 credits

Social Sciences

- PSY 101 Introduction to Psychology 3 credits
- Select a non-PSY course from the Social Science list on pages 55-56. 3 credits

Options

Select courses from the list on pages 55-56 to achieve a total of at least 35 credits in General Education courses. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections. 4 to 6 credits

Total General Education Requirements 35 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. Choose electives from the list of courses in the Arizona Higher Education Course Equivalency Guide (CEG) located at http://aztransmac2.asu.edu/cgi-bin/WebObjects/Admin_CES.woa/wa/EBeBetter. Select the Eastern Arizona College Elective or Better report. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements 5 credits

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above with a grade of "C" or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

THEATRE ARTS

AA-SR 60404

Advisor: Steven Higginbotham

This degree provides the first two years of a four-year program in Theatrical Arts. Since program requirements differ between universities, the official transfer pathway (www.aztransfer.com/transferpathways) of the school which you plan to attend upon leaving EAC should be consulted in order to adjust this program to your personal needs. At EAC you may gain experience in acting, scene design, make-up, costume design, children's theatre, educational theatre, and theory and criticism.

Curriculum Requirements

THC 110 Acting I 3 credits
THC 111 Acting II 3 credits
THC 117 Voice and Diction for Theater 3 credits
THC 120 Rehearsal and Production I 1 to 2 credits
THC 203 Principles of Dramatic Structure 3 credits
THC 230 Stage Makeup 2 credits
THC 231 Stagecraft 3 credits

Select at least 3 credits from the following:

- ART 111 Drawing 3 credits
- DAN 150 Beginning Theatre Dance I 1 credit
- DRF 154 Introduction to AutoCAD 3 credits
- MUS 127 Men’s Chorus I 1 credit
- MUS 129 Women’s Chorale I 1 credit
- THC 160 Repertory Acting Company I 3 credits
- THC 205 Musical Theatre I 3 credits
- THC 290 Acting Workshop 1 to 3 credits

Total Curriculum Requirements 21 to 22 credits

General Education Requirements

ASGC-A. To complete your General Education requirements, one of the courses taken to fulfill degree requirements must be designated as an Intensive Writing/Critical Inquiry course and another must be designated as a Global/International/Historical Awareness course.

Composition

- ENG 101 Written Communications I 3 credits
- ENG 102 Written Communications II 3 credits

Mathematics

- Select from list on pages 55-56. 3 to 5 credits

Lab Science

- Select from list on pages 55-56. 8 credits

Humanities

- MUS 101 World of Music (GIH) 3 credits
- THC 105 Introduction to Theatre (GIH) 3 credits

Select another Humanities course from list on pages 55-56. 3 credits

Social Sciences

- PSY 101 Introduction to Psychology 3 credits
- Select two additional Social Sciences courses from the list on pages 55-56. Choose courses from more than one department. 6 credits
WELDING/MANUFACTURING FUNDAMENTALS

Certificate of Proficiency
30642
Advisor: Carlton Penn

This program provides the student an opportunity to develop skills using various welding and cutting tools, techniques, and materials in preparation for entry into the welding trades.

Curriculum Requirements
AMT 104 Machining and Fabrication OR
MSP 101 Fundamentals of Machine Shop 2 to 3 credits
AMT 220 Advanced Manufacturing Methods 4 credits
WLD 101 Welding 3 credits
WLD 108 Welding and Metal Fabrication 3 credits
WLD 201 Repair Welding and Fabrication OR
WLD 270 Technical Welding 3 credits
WLD 211 Pipe Welding OR
WLD 260 Flux Cored Arc and Gas Metal Arc Welding 3 credits

Total Minimum Certificate Requirements 20 to 21 credits

In order to obtain this certificate you must:

- Complete each required course above with a grade of "C" or better.
- File a petition for certificate through your Gila Hank Online account.
- Remove any indebtedness to the College.
- Complete at least 10 credits at Eastern Arizona College.

You must also complete an academic requirement by one of the following methods:

- Completion of ENG 100, Writing Fundamentals, or higher with a grade of "C" or better.
- EAC equivalent writing placement score of 70 or higher entered into your student record.
- Completion of BUS 111, Business Mathematical Calculations, with a grade of "C" or better.
- Completion of MAT 100, Applied Mathematics, or higher with a grade of "C" or better.
- EAC equivalent mathematics placement score of 40 or higher entered into your student record.

Gainful Employment Disclosure. The following link provides valuable information regarding this certificate program such as the total length of the program, the percentage of students who graduate on time, the total cost of the program, student loan data and other valuable data. Please review this information so that you make an informed decision regarding your education at EAC. http://www.eac.edu/Student_Services/Financial_Aid/gainful_employment.shtm

WELDING TECHNOLOGY

Associate of Applied Science Degree
20609
Advisor: Carlton Penn

Welding Technology degree program provides the student an opportunity to develop skills using various welding and cutting tools, techniques, and materials. This degree program prepares students for career success in welding and metal fabrication. This Welding Technology degree also develops supervisory skills that enables students to become a project supervisor or manager. Welding certification by an independent agency is available.

Curriculum Requirements
AMT 102 Materials for Industry 3 credits
AMT 104 Machining and Fabrication OR
MSP 101 Fundamentals of Machine Shop 2 to 3 credits
DRF 150 Dimensioning and Tolerancing 1 credit
TEC 133 Safety Practices for Industry 1 credit
WLD 101 Welding 3 credits
WLD 108 Welding and Metal Fabrication 3 credits
WLD 201 Repair Welding and Fabrication 3 credits
WLD 211 Pipe Welding 3 credits
WLD 260 Flux Cored Arc and Gas Metal Arc Welding 3 credits
WLD 270 Technical Welding 3 credits
WLD 290 Welding Certification 1 credit

Select from the following courses to complete a total of 46 credits.

- AMT 110 Introduction to Fab Lab Technology 2 credits
- AMT 220 Advanced Manufacturing Methods 4 credits
- AUT 101 Introduction to Automotive Technology OR
- AUT 180 Automotive Service Techniques 2 to 4 credits
- AUT 105 Automotive Electrical Fundamentals OR
- ELT 110 Electricity and Electronics 2 to 3 credits
- CCE 111 Cooperative Education I (Occupational) 1 to 4 credits
- DRF 154 Introduction to AutoCAD 2 to 3 credits
- DRF 271 Advanced AutoCAD 2 to 3 credits
- MSP 260 Pattern Making and Foundry 2 credits
- SBM 110 Introduction to Entrepreneurship 3 credits
- SBM 121 Supervision 3 credits
- SBM 231 Business Planning 1 credit
- TEC 112 Basic Hydraulics and Pneumatics 2 credits
- WLD 299 Independent Study 1 to 4 credits

Total Curriculum Requirements 46 credits with a GPA of 2.00 or higher

General Education Requirements

Mathematics/Composition
BUS 111 Business Mathematical Calculations AND/OR 3 to 6 credits
ENG 100 Writing Fundamentals or higher

Computers
CMP 101 Introduction to Computers OR
CMP 103 Introduction to Computer Based Systems 3 credits

An additional 9-12 credits are to be selected from the list of General Education courses on pages 57-58. You may not exceed nine credits in any GE category, with the exception of Health and Physical Education where the maximum is two credits.

Total General Education Requirements 18 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major. Each course taken to satisfy the General Education Requirements of this degree must be completed with a grade of "C" or better.

Total Minimum Degree Requirements 64 credits

In addition to completing the required courses listed above, you must meet the following general...
graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- Demonstrate a reading competency at the tenth grade level or above as demonstrated by one of the following methods:
  1. EAC Equivalent Score of 60 or higher via COMPASS, ACCUPLACER, ASSET, ACT Reading Assessment, SAT Verbal Score, Nelson Denny, TABE, or ABLE tests.
  2. Completion of ENG 091, Reading Improvement II, with a grade of “C” or better

*Your EAC equivalent reading assessment test score is available on Gila Hank Online or from your advisor. If you took the ASSET test or submitted an ACT, SAT, Nelson Denny, TABE, or ABLE score, a derived EAC equivalent score has been placed in your record and is available on Gila Hank Online or from your advisor.

- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.

3 credits

Total General Education Requirements: 39 credits

Courses listed in Curriculum Requirements that qualify for General Education credit (see the General Education section of the catalog) may fulfill both General Education and Curriculum Requirements unless General Education Requirements are specified in the major.

Elective Requirements

To earn this degree you must select a sufficient number of elective credits numbered 100 or above to obtain the 64 credit hours required. If you plan to transfer, consult the catalog or an advisor from the school you will transfer to as you make your selections.

Total Elective Requirements: 17 credits

Total Minimum Degree Requirements: 64 credits

In addition to completing the required courses listed above with a grade of “C” or better, you must meet the following general graduation requirements to obtain this degree:

- Complete at least 16 degree credits at Eastern Arizona College.
- Attain a cumulative grade point average of 2.00 or higher.
- File a Graduation Petition at least 60 calendar days prior to the end of the semester in which graduation is anticipated and pay the Graduation Fee of $25.
- Remove any indebtedness to the College.
COURSE DESCRIPTIONS

EAC offers over a thousand courses in fifty-three subject areas. Our classes are taught by highly qualified instructors, not teaching assistants, and classes are small so you won’t get lost in the crowd.

SAMPLE COURSE DESCRIPTION

1. This is the course number. Courses numbered from 001 to 099 will not be counted as graduation credit. Those numbered 100-199 are normally first-year or freshman level, and those numbered 200-299 are normally for second-year or sophomore students.

2. The credit hour is the unit of credit at EAC, as at most colleges and universities. Each credit hour represents one 50-minute class per week per semester, plus two hours of outside preparation and/or lab work.

3. An entry here indicates that the course meets one of EAC’s General Education requirements in the category shown.

4. The semester offered applies only to the Thatcher campus. Classes may also be offered in different semesters than specified depending on student demand. Requests for classes may be made to the Academic Deans on the Thatcher Campus. Other sites will offer and teach classes based on student demand at those sites. We reserve the right to cancel any class for which there is insufficient enrollment.

5. This designation indicates that the credits for this course do not count against you in an overload situation (18 or more credit hours).

6. An entry here indicates that in order to succeed in this course, you should have certain prerequisite experiences prior to taking it. Prerequisites are checked by computer at the time of registration. If you wish to enroll prior to receiving a grade in the prerequisite course, enrollment is allowed but is contingent on the final grade. If you have met the prerequisite at another institution, an official transcript from that institution must be on file and have been evaluated by the EAC Records and Registration Office prior to registration.

A waiver of prerequisites may be requested by petitioning the Admissions and Academic Standards Appeals Committee. The petition process must be completed prior to the end of registration for the course you wish to enroll in.

Students who enter or complete a course without meeting the prerequisites for that course may either be withdrawn from the course without a tuition refund, or receive no credit for the course.

AJS 103
Criminal Investigation
3 credits
Offered every fall semester
This course covers the fundamentals of criminal investigations. The theory of criminal investigations, crime scene procedures, case preparation, interviewing and basic investigative techniques are examined.

AJS 115
Basic Peace Officer Academy I
15 credits
Offered upon request
An approved AzPOST Peace Officer Academy designed to train a regular or reserve officer for State certification. Students must be sponsored by an approved law enforcement agency, or admitted through open enrollment, in accordance with all current Arizona Peace Officer Standards and Training Board guidelines. All students must first be admitted to the academy to enroll in the course. Refer to the Administration of Justice AAS degree curriculum for a listing of courses that, upon academy graduation, are fulfilled toward the Administration of Justice AAS or AA degrees.

AJS 126
The Juvenile Function
3 credits
Offered every spring semester
An examination of the history and development of juvenile justice theories, procedures, and institutions.

AJS 202
Substantive Criminal Law
3 credits
Offered every spring semester
This course covers the philosophy of legal sanctions and historical development from the common law to modern criminal law; classifications of crimes, elements of and parties to crimes, general definitions of crime, common defenses utilized, and includes specific offenses and the essential elements of each offense.

ADMINISTRATION
OF JUSTICE

AJS 101
Introduction to Criminal Justice
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
An introduction to crime and society’s responses to it. Examines the nature and causes of crime, the criminal law, constitutional safeguards, and the organization and operation of the criminal justice system including the police, courts, and corrections. Covers the history of the criminal justice system, terminology, and career opportunities.

AJS 200
Human Anatomy and Physiology II
4 credits
GE category: Lab Science
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: BIO 201
Continuation of structure and function of the human body. Topics include the endocrine, circulatory, respiratory, digestive, urinary, and reproductive systems.

The Shared Unique Number (SUN) System helps you identify courses that will directly transfer among Arizona’s community colleges and three public universities. Using the SUN System, you can easily search for and enroll in courses that offer direct equivalency at other Arizona colleges and universities. SUN courses have their own unique course number and prefix listed alongside each college’s course number. Look for the SUN icon in this catalog or on the EAC web site or visit www.azsunsystem.com for more information.
AJS 215
Basic Peace Officer Academy II
15 credits
Offered upon request
Prerequisite: AJS 115
An approved APPOST Peace Officer Academy designed to train a regular or reserve officer for State certification. Students must be sponsored by an approved law enforcement agency, or admitted through open enrollment, in accordance with all current Arizona Peace Officer Standards and Training Board guidelines. All students must first be admitted to the academy to enroll in the course. Refer to the Administration of Justice AAS degree curriculum description for a listing of courses that, upon academy graduation, are fulfilled toward the Administration of Justice AAS or AA degrees.

AJS 220
Procedural Criminal Law
3 credits
Offered every fall semester
This course examines the court system and procedures from arrest to final disposition with special attention given to the appellate and Supreme Court decisions, due process of law, and Constitutional Law. Current and recent developments relating to arrest, searches, and seizures; constitutional rights predominately associated with the Fourth, Fifth, Sixth, and Fourteenth Amendments are related to criminal justice and its administration-warrants, warrantless seizures, exclusionary rule, confessions, eye-witness identification, electronic surveillance, entrapment, and state variance with federal rules.

AJS 225
Criminology
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Study of deviance, society’s role in defining behavior; theories of criminality and the economic, social, and psychological impact of crime; relationships between statistics and crime trends. Examines crime victimization and the various types of crime and categories of offenders.

AJS 254
Crime Control
3 credits
Offered every fall semester
This course focuses on the research regarding the effectiveness of various crime control programs. It is designed to provide students with a broad analysis of both historic and contemporary crime control strategies implemented by the police, courts, legislators, and the correctional system. It is based upon an emerging perspective that is transforming criminological theory and practice: environmental criminology.

AJS 266
The Police Function
3 credits
Offered every spring semester
This course is a study of who the police are, what they do, and how they do it. It includes basic patrol techniques including stopping, arresting, and handling criminal suspects, methods of police patrol and observation, handling domestic disputes and crisis intervention, and crimes in progress.

AJS 282
Police Supervision
3 credits
Offered every fall semester
A study of the police first line supervisor’s role and responsibilities as they relate to leading, directing, and controlling personnel both formally and informally.

AJS 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Administration of Justice.

ADMINISTRATIVE INFORMATION SERVICES

AIS 108
Introduction to Keyboarding Technique
1 credit
Offered every fall and spring semester
This course is designed to teach the keyboard and proper keyboarding technique. Identical to CMP 108.

AIS 117
Electronic Keyboarding I
3 credits
Offered every fall and spring semester
This course introduces techniques of computer keyboarding with emphasis on touch control, speed, and accuracy. Using a word processing program, the course also introduces the formats of reports, letters, memos, tables, and employment documents.

AIS 118
Electronic Keyboarding II
3 credits
Offered every fall and spring semester
After a comprehensive review of basic keyboarding principles with emphasis on improving speed and accuracy as well as developing 10-key skills, students use a word processing program to produce a wide range of typical business correspondence, tables, reports, forms, and publications based on current office practices. At least one semester of keyboarding is recommended.

AIS 213A
Office Procedures/Records Management
1 credit
Offered every fall semester
One of the three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the business office. In this module, students will learn the basic principles and procedures of managing business records and documents using alphabetic, geographic, subject, chronological, and numeric filing systems. Covers the records management process from creation to disposition.

AIS 213B
Office Procedures/Office Transcription
1 credit
Offered every fall semester
One of three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the business office. In this module, students develop skills in the use of transcribing equipment to produce mailable documents in various business entities, including the medical, legal, government, education, and general business field. Emphasizes listening techniques, English fundamentals, proofreading, and proper formatting. Keyboarding skill necessary.

AIS 213C
Office Procedures/Office Management
1 credit
Offered every fall semester
One of the three office procedures modules designed to give the student real-world, hands-on experience while developing knowledge and skills necessary for work in the professional business office. In this module, students develop skills for operating reprographics and communications equipment. Students are also introduced to the concepts of professionalism, ethics, and acceptable attitudes for workplace success.

AIS 214
The Office Professional
3 credits
Offered every fall and spring semester
Study and application of office procedures, skills, and responsibilities that reflect the technological changes, global influences and professionalism of the 21st century office professional. Students will learn to be productive team members, behave ethically, process information via technology, communicate effectively, prepare travel, meeting, and financial documents, lead and supervise others.

AIS 215
Legal Transcription
3 credits
Offered every fall semester
This course is designed to give the student a working knowledge of legal terminology and legal report formats used in transcription from taped legal dictation. Recommend keyboarding skills of 40 wpm.

AIS 237
Word Processing Applications
3 credits
Offered every fall and spring semester
This course provides students with the opportunity to learn word processing for employment purposes or home use and to utilize a microcomputer as a word processor. It is recommended that the student keep a minimum rate of 40 net words per minute.

AIS 238
Advanced Office Applications
3 credits
Offered every fall semester
Prerequisite: CMP 101 or CMP 103 or instructor approval
In this project-oriented course, students create documents suitable for professional and personal purposes. Prior knowledge of word processing, spreadsheet and database applications is essential. Activities will include merging, macros, templates, sorting, calculated tables, file management, styles, fill-in forms, and graphic use.

AIS 239A
Multimedia/Electronic Task Management
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. Using a Personal Information Manager (PIM) program, students will learn how to manage email, organize schedules, maintain contact lists and to-do lists, and keep a log of computer tasks. This module also includes integrating data to and from other applications. Identical to CMP 239A.

AIS 239B
Multimedia/Digital Imaging
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. This module provides students with hands-on experience with digital imaging technology including scanners, digital cameras, and photo software. Students must be familiar with basic desktop publishing techniques to complete projects. Identical to CMP 239B.
AIS 239C
Multimedia/Internet for Business
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. In this module, students learn and apply the tools, language, and culture of the Internet. Important ethical issues are addressed as individual and team Internet projects are completed. Projects will include web site design and research. Identical to CMP 239C.

AIS 240
Desktop Publishing
3 credits
Offered every fall and spring semester
Emphasizes basic to intermediate skills in desktop publishing through a variety of modern, real-life activities using current versions of Microsoft Publisher and Microsoft Word. Students will develop skills in making design and typography decisions, handling multi-column documents, inserting and editing graphics, and creating styles and charts. Students will create a portfolio of business documents to demonstrate mastery. Word processing skill is needed. Identical to CMP 240.

AIS 241
Integrated Business Projects
3 credits
Offered every spring semester
Prerequisite: AIS 238 or instructor approval
Reinforces the major office applications found in suite software: word processing, electronic presentations, spreadsheets, and databases. Students use the applications software in real-world situations that show the significance of learning the software and that require decision-making and problem-solving skills. Students will spend 15 hours on the job with an expert and observe how the professional goes about his or her daily tasks.

AIS 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Administrative Information Services.

AIS 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Administrative Information Services.

AIS 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ADULT BASIC SKILLS

ABS 020
ELAA Beginning Literacy
2 credits
Developmental course - does not count for graduation credit
Offered upon request
This course emphasizes speaking, listening, reading and writing through strategies such as basic vocabulary and grammatical structures in face to face conversations with one person at a time or in familiar, supportive group. Topics about common, routine matters become familiar. Listening skills are developed during short monologues and dialogues.

ABS 021
ELAA I
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Provides learners with basic vocabulary and grammatical structures in face-to-face conversations with one person at a time or in a familiar, supportive group. Topics about common, routine matters become familiar. Listening skills are developed during short monologues and dialogues.

ABS 022
ELAA II
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Learners at this stage of proficiency comprehend basic vocabulary and grammatical structures in face-to-face conversations with one person at a time. Listening communications are short monologues and dialogues on familiar routine topics delivered at a slow-to-normal rate. Their speech is guided by specific questions when necessary.

ABS 023
ELAA III
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Students at this stage of proficiency can write short reports or essays up to four paragraphs using basic vocabulary and common language structures. The adult learner can comprehend short conversations and interactions that are face-to-face with one person at a time or in small groups. Listening communications consist of moderately short monologues and dialogues on familiar routine topics.

ABS 024
ELAA IV
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Students at this stage of proficiency comprehend standard speech in most settings. They are able to comprehend the main ideas and relevant details of extended discussions on a wide variety of general interest topics. They have mastered basic sentence structure and verb tenses, but may have some difficulty with more complex structures. Learners' rate of speech is at a normal-to-fast rate.

ABS 025
ELAA V
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Develops improved proficiency and understanding of most standard speech. Expands understanding of the main ideas and relevant details of discussions or presentations on a wide range of topics including unfamiliar and technical ones. Listening communications are exercised in the form of lectures, debates, discussions and critiques. Learners expand understanding of speech variations in stress, intonation, pace and rhythm.

ABS 030
Basic Math I
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Basic mathematical concepts will be applied to a variety of real-life problems.

ABS 031
Basic Math II
2 credits
Developmental course - does not count for graduation credit
Offered upon request
This course is an introduction to number sense, data analysis, measurements, and beginning algebra and geometry.

ABS 032
Basic Math III
2 credits
Developmental course - does not count for graduation credit
Offered upon request
High intermediate mathematical concepts and more complex concepts will be applied to solve a variety of real-life problems.

ABS 035
Secondary Math I
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Secondary mathematical concepts will be applied to solve a variety of real-life problems.

ABS 036
Secondary Math II
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Prerequisite: ABS 035
Advanced secondary mathematical concepts will be applied to solve a variety of real-life problems.

ABS 040
Basic Reading I
2 credits
Developmental course - does not count for graduation credit
Offered upon request
This course will assist the learner to develop and apply reading strategies for the understanding of written materials.

ABS 041
Basic Reading II
2 credits
Developmental course - does not count for graduation credit
Offered upon request
This course will assist the student in decoding strategies to derive meaning of words and distinguish between various texts.

ABS 042
Basic Reading III
2 credits
Developmental course - does not count for graduation credit
Offered upon request
This course will assist the student in understanding the meaning of words and texts in different genres through various reading strategies.
ABS 050  Science  
2 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
This course provides learners with a broad knowledge base and the ability to use a range of reasoning skills including analyzing and solving problems, applying information to new situations, explaining results, and interpreting information.

ABS 060  Social Studies  
2 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
This course provides learners a roadmap to place in perspective the people, ideas, and events that have shaped our nation and the world.

ABS 070  Elementary Writing I  
2 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
This course is an introduction to decoding strategies, grammar, and writing skills.

ABS 071  Elementary Writing II  
2 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
This course is an introduction to writing applying correct spelling, punctuation, capitalization, grammar, and usage rules to complete a variety of writing tasks.

ABS 072  Elementary Writing III  
2 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
This course will emphasize the writing process to create expository and narrative paragraphs. Polished grammar and spelling corrections are expected to be included in final drafts.

ABS 075  Secondary Writing I  
2 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
This course is a brief review of complex grammar rules and usage, with a focus on developing a persuasive essay, an expository essay, a personal narrative, and a research project.

ABS 076  Secondary Writing II  
2 credits  
Developmental course - does not count for graduation credit  
Offered upon request  
Prerequisite: ABS 075  
This course is an in-depth study of the writing process used in a variety of genres, including a research paper.

AGR 102  Animal Industry  
3 credits  
Offered upon request  
A comprehensive view of the livestock and poultry industries, including the way the science of biology is used in modern livestock practices, focusing on production, marketing, and distribution.

AGR 119  Beginning Horseshoeing  
2 credits  
Offered upon request  
Fundamentals of beginning horseshoeing, including anatomy and physiology as it deals with the proper shoeing of horses.

AGR 135  Conservation and Natural Resources  
3 credits  
Offered every fall and spring semester  
Study of conservation as it relates to natural resources, including water, forest, range, wildlife, and recreation. Identical to BIO 105 without lab.

AGR 230  Gardening and Landscaping  
3 credits  
Offered every spring semester  
Basic principles of gardening and landscaping in a semi-arid desert environment. Successful completion of this course will fulfill the training requirements for the University of Arizona Cooperative Extension Master Gardener Program.

AGR 240  Ecology of the Gila River  
3 credits  
Offered upon request  
The course will meet the training requirements of the Arizona Master Watershed Steward Program in Graham and Greenlee counties. Students will study biotic and abiotic functions of a watershed, explore the benefits and uses of natural resources, and discuss impacts of the socioeconomic concerns and activities of the community. Identical to BIO 130.

AGR 297  Workshop  
1 to 6 credits  
Offered upon request  
Prerequisite: ABS 075  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Agriculture.

AGR 298  Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Agriculture.

AGR 299  Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

Advanced Manufacturing Technology

AMT 102  Materials for Industry  
3 credits  
Offered every fall semester  
This course examines the appropriate use of metals, ceramics, polymers, acrylics, and composites in product manufacturing and fabrication.

AMT 104  Machining and Fabrication  
3 credits  
Offered every fall semester  
This course will help students develop an understanding and appreciation of the machine tool industry and the processes which produce metal projects. Focuses on using mills, lathes, surface grinders, and hand tools to fabricate various products from a variety of metals using precise measurements and holding precise tolerances.

AMT 110  Introduction to Fab Lab Technology  
2 credits  
Offered every fall and spring semester  
Prerequisite: AMT 111 or instructor approval  
This workshop allows participants an opportunity to turn an idea into a small usable product using Fab Lab machines and equipment. Students will investigate, develop, and bring ideas to reality. Students will be supervised and assisted to ensure proper safety procedures are followed, machine setup is correct and guided to ensure correct operation. Students will work collectively to keep the Fab Lab safe, organized, and the workstation cleaned up. Students will also be required to understand associated costs of supplies used in the fabrication process.

AMT 220  Advanced Manufacturing Methods  
4 credits  
Offered every spring semester  
Prerequisite: AMT 110 or instructor approval  
This course will focus on using manual tools, mill, lathe, surface grinder, and CNC (Computer Numerical Control) machines to produce first-run prototype parts from an industry standard drawing. Students will develop a process plan to establish the step-by-step process for part production. Students will use this process plan to ensure each part produced meets tolerances as noted on CAD/CAM drawing. The course also explores the work opportunities related to the emerging careers in Advanced Manufacturing field.
ANT 240
Advanced Manufacturing Production Processes
3 credits
Offered every spring semester
Prerequisite: AMT 220 or instructor approval
This course focuses on using manual machines, 3D scanners, 3D printers, laser cutters, CNC (Computer Numerical Control) routers, plasma cutters, and CNC lathes and mills to produce multiple projects. Core to this course will be the study of industry products to improve their function and usability. Students will be required to develop and follow a manufacturing process plan from CAD (computer aided design) drawing. Students will also be required to upload a project’s machine code and manufacture parts within drawing print callouts and specifications.

ANT 110
Mexican-American Culture
3 credits
GE category: Social Sciences
Offered every spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
The Mexican-American culture, from an anthropological, sociological, and historical point of view with emphasis upon contemporary conditions and problems is presented. The course surveys Mexican-American people from their origins in Meso-America and the Gran Chichimeca to the present in the southwestern United States. It includes settlement patterns, society, and political economy of the Spanish Empire and Mexico in El Norte since the Treaty of Guadalupe Hidalgo.

ANT 222
Buried Cities and Lost Tribes
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
A general introduction to prehistory. Covers the development and spread of modern man in the Old and New Worlds, the development of agriculture, and the rise of civilizations. Distinguishes between fact and fiction in the interpretation of world prehistory as it applies to various cultures, including gender and ethnicity.

ART 110
Introduction to Physical Anthropology
3 credits
GE category: Social Sciences
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Survey of physical anthropology and archaeology, including primate studies, origin and antiquity of humans, fossil humans, racial theories, heredity and population genetics, and prehistoric archaeology.

ART 102
Introduction to Cultural Anthropology
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Introduction to cultural anthropology presents culture as a complex adaptive mechanism allowing human populations to solve universal problems in a variety of ways. Cross-cultural content is emphasized as the course explores the diversity of human lifeways and the use of that diversity as a comparative laboratory.

ANT 120
Indian American Culture
3 credits
GE category: Social Sciences
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Critical survey of Indian American cultures north of Mexico. This course will include discussions on prehistory, historical development, culture, social organization, arts, and technology as they pertain to Native American groups in North America.

ART 201
Archaeology of the Southwest
3 credits
Offered every spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Explores the development of culture in the prehistoric Southwest from the late Pleistocene through the early historic period. Study of archaeological data recovered from the Southwest.

ART 211
Women in Cross-Cultural Perspective
3 credits
GE category: Social Sciences, Intensive Writing
Offered every spring semester
Prerequisite: ENG 101 with a grade of “C” or higher
This course is a cross-cultural study of the definition, trends, and issues of women’s status by examining and evaluating the operative forces behind women’s role in society.

ART 221
Color and Design
2 to 3 credits
Offered every spring semester
Principles of color theory as related to the visual arts.

ART 101
Fundamentals of Design
3 credits
Offered every fall semester
This course provides an introduction to stained glass from India. Students will learn to draw designs and understand what is meant by constrained creativity.

ART 113
Figure Drawing for Non-Art Majors
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: ART 111
Drawing from draped models, supplementary study of anatomy and plaster casts.

ART 114
Figure Drawing for Art Majors
2 to 3 credits
Offered every spring semester
Activity/Personal Enrichment
Prerequisite: ART 111
Drawing from draped models, supplementary study of anatomy.

ART 118
Rangolee Art from India
1 credit
Offered upon request
Activity/Personal Enrichment
This course provides an introduction to Rangolee Art from India. Students will learn to draw designs and understand what is meant by constrained creativity.

ART 122
Beginning Stained Glass I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Precision glass cutting, copper foil, and lead cane techniques are developed in the creation of stained glass for interior and architectural art objects.

ART 123
Beginning Stained Glass II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Precision glass cutting, copper foil, and lead cane techniques are developed in the creation of stained glass for interior and architectural art objects.

ART 126
Glass Design
2 credits
Offered upon request
Activity/Personal Enrichment
Provides the student with an opportunity to understand and relate the media of liquid glass in its basic element in nature and for its practical as well as aesthetic use.

ART 128
Beginning Digital Photography
3 credits
Offered every fall and spring semester
Exploration of basic camera techniques, lighting, composition, digital photography, and digital photo editing.
ART 133 World Art I
3 credits
GE category: Humanities
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Survey of the history of art from the Paleolithic period to the Renaissance, including non-Western art.

ART 134 World Art II
3 credits
GE category: Humanities
Offered every spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Survey of the history of art from the Renaissance to Contemporary Art.

ART 141 Mixed Media Techniques in Contemporary Painting
2 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
This course is designed to provide instruction in the numerous techniques, materials, and approaches to mixed media painting in contemporary art, including the use of tools, application of materials, and composition.

ART 143 Beginning Acrylic Painting I
1 to 3 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
This course is designed to provide an introduction to the numerous techniques, materials and approaches to painting with acrylics, including use of tools and materials, composition, color theory and mixing, use of underpainting, washes, glazing, masking, mixing, light, shadow, and depth.

ART 145 Beginning Watercolor I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Explore and use beginning techniques, styles, and methods for watercolor painting. Development of skills with an emphasis on highly finished work.

ART 146 Beginning Watercolor II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Explore and use beginning techniques, styles, and methods for watercolor painting. Development of skills with an emphasis on highly finished work.

ART 147 Beginning Oil Painting I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Oil painting materials and techniques including composition, structure, and expression are studied.

ART 148 Beginning Oil Painting II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 147.

ART 151 Beginning Sculpture I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Basic techniques in modeling small sculpture using terra cotta or stoneware clays. Basic principles of three-dimensional design.

ART 152 Beginning Sculpture II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 151.

ART 153 Beginning Scrapbooking I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
The student is introduced to the methods and techniques of modern scrapbooking. The student will learn how to develop quality page layouts through paper selection, cropping photos, journaling, use of stamps, embossing, incorporation of computer generated images and text, and templates, along with many other scrapbooking techniques currently being used in the scrapbooking industry.

ART 154 Beginning Scrapbooking II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 153.

ART 157 Beginning Woodcarving I
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Develops methods of carving and composition. Studies in types of woods and how to use their natural qualities; how to use a variety of finishes for the woods.

ART 158 Beginning Woodcarving II
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 157.

ART 159 China Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
This class will cover the act of painting overglazes on the surface of china or tile blanks.

ART 161 Beginning Ceramics I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Problems in hand-forming, wheel work, design, glazes, decorative processes, clays, and firing are covered.

ART 162 Beginning Ceramics II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 161.

ART 168 Beginning Ceramic Crafts I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 161.

ART 169 Beginning Ceramic Crafts II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Painting techniques are developed in the use of stains and glazes for the decoration of mold-made ceramic objects. Small kiln firing skills are developed.

ART 171 Beginning Crafts I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of various crafts.

ART 172 Beginning Crafts II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171.

ART 172A Beginning Crafts II – Tole Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171A.

ART 172B Beginning Crafts II – Nativity
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171B.

ART 172C Beginning Crafts II – Doll Making
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 171C.
ART 172D
Beginning Crafts II – Taxidermy
3 credits
Offered upon request
Activity/Personal Enrichment
Emphasizes mounting a medium life-size mammal and a medium life-size bird. Includes the construction of habitats. Comprises proper measuring techniques, skin preparation, form selection, mounting procedures, and the restoring of color.

ART 173
Beginning Jewelry I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Fundamentals of jewelry making, covers basic fabrication of jewelry from sheet and wire, covers forming and soldering.

ART 174
Beginning Jewelry II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Fundamentals of jewelry making, covers basic fabrication of jewelry from sheet and wire, covers forming and soldering.

ART 175
Beginning Jewelry III
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Faceting machine is used to develop skills in gemstone faceting. A variety of cuts and styles are used depending on the natural qualities and shape of the stone.

ART 177
Beginning Gem Faceting II
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 175.

ART 178
Beginning Lapidary I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
An introductory course in the study and application of classifying, selecting, cutting, shaping, and polishing minerals and gem stones.

ART 179
Beginning Lapidary II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 178.

ART 181
Graphic Design I
3 credits
Offered every fall semester
Prerequisite: ART 178
A continuation of principles, tools, techniques, and media in graphic design layout. Includes layout, presentation, and concept development.

ART 182
Graphic Design II
3 credits
Offered every spring semester
Prerequisite: ART 181 or instructor approval
A continuation of principles, tools, techniques, and media in graphic design layout. Includes layout, presentation, and concept development.

ART 184
Basic Computer Graphics
3 credits
Offered upon request
Emphasizes the fundamental concepts and features of Photoshop. Uses industry-standard, image-editing tools for designers who want to produce sophisticated graphics for the Web and for print. This course cannot be used as a curriculum requirement for the Graphic Design AAS program. It is recommended that the student have a working knowledge of computers.

ART 185
Advanced Computer Graphics
3 credits
Offered upon request
Emphasizes the advanced concepts and features of Photoshop. Uses industry-standard, image-editing tools for designers who want to produce sophisticated graphics for the Web and for print. This course cannot be used as a curriculum requirement for the Graphic Design AAS program. It is recommended that the student have a working knowledge of Basic Adobe Photoshop.

ART 186
Digital Illustration
3 credits
Offered every fall semester
Introduction to industry standard software for creating computer generated artwork and documents, with emphasis on creation of a variety of readable, professionally laid-out documents, which meet design and printing industry standards. Students will be introduced to the basic use of Adobe Illustrator tools, illustrating of graphics, typography and layout design.

ART 187
Beginning Photoshop
3 credits
Offered every fall and spring semester
Maximizing the quality of graphic images by adjusting color or image in parts of that picture. Improving the ability to print the picture after it has been modified. Instruction utilizes Adobe Photoshop software.

ART 187A
Basic Photoshop I
2 credits
Offered upon request
Maximizing the quality of graphic images by adjusting color or image in parts of that picture. Improving the ability to print the picture after it has been modified. Instruction utilizes Adobe Photoshop software.

ART 187B
Basic Photoshop II
2 credits
Offered upon request
Prerequisite: Prior or concurrent enrollment in ART 187A required
Using a variety of tools and commands for improving the quality of a photographic image. Transforming ordinary images into extraordinary digital artwork. Creating graphics by modifying image data using Adobe Photoshop software.

ART 187C
Basic Photoshop III
2 credits
Offered upon request
Prerequisite: ART 187A and ART 187B or concurrent enrollment in ART 187B
Using the pen tool to draw precise straight or curved paths and create intricate selections. Creating advanced vector shapes which can be filled, stroked and used as clipping paths. Creating complex effects using layers, masks, clipping groups, and style layers with Adobe Photoshop software.

ART 188
Digital Publishing
3 credits
Offered every spring semester
An introduction to electronic or “desktop” publishing on the Macintosh computer. Topics will include the development of text and graphics and the use of the page layout program Adobe InDesign, to create a variety of documents for publication.

ART 189
Typography
3 credits
Offered every fall semester
A study of type including the history and development of type, terminology, fonts and their uses, type in design, composition, and typesetting on the computer.

ART 190
Beginning Fibers I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Use of fibers through a variety of techniques. Includes introduction to off-loom weaving, on-loom weaving, machine knitting, basketry, and paper making.

ART 191
Beginning Fibers II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Further development of techniques developed in ART 190. Student will be able to work with more independence and less guidance than in ART 190 since basic concepts have been introduced.

ART 216
Illustration I
3 credits
Offered every spring semester
Exploration of varied techniques, styles, and media for illustration. Development of skills; emphasis on highly finished work.

ART 217
Illustration II
3 credits
Offered every fall semester
Prerequisite: ART 216
Continuation of ART 216. Exploration of advanced techniques, styles, and media for illustration. Development of skills; emphasis on highly finished work.

ART 222
Intermediate Stained Glass I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 221-122. Precision glass cutting, copper foil, and lead came techniques are developed in the creation of stained glass for interior and architectural art objects.

ART 223
Intermediate Stained Glass II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 222.

ART 228
Intermediate Digital Photography
3 credits
Offered upon request
Prerequisite: ART 128
Exploration of intermediate and advanced camera techniques, photographic styles, lighting, composition, digital photography, and digital photo editing.

ART 245
Intermediate Watercolor I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Explore and use advanced techniques, styles, and methods for watercolor painting. Development of skills with an emphasis on highly finished work.
ART 246
Intermediate Watercolor II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Explore and use advanced techniques, styles, and methods for watercolor painting. Development of skills with an emphasis on highly finished work.

ART 247
Intermediate Oil Painting I
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Introduction to oil painting materials and techniques.

ART 248
Intermediate Oil Painting II
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 247.

ART 249
Intermediate Sculpture I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 151-152. Develops techniques and skills in modeling, the creation of sculpture, and casting basic to composition.

ART 250
Intermediate Sculpture II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 249.

ART 251
Intermediate Scrapbooking I
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 250.

ART 252
Intermediate Scrapbooking II
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 251.

ART 253
Intermediate Woodcarving I
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 157-158. Develops methods of carving and composition. Studies in types of woods and how to use their natural qualities; how to use a variety of finishes for the woods.

ART 254
Intermediate Woodcarving II
2 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of ART 253.

ART 255
Intermediate Ceramic Crafts I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 168-169. Painting techniques are developed in the use of stains and glazes for the decoration of mold-made ceramic objects. Small kiln firing skills are developed.

ART 256
Intermediate Ceramic Crafts II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 255.

ART 257
Intermediate Crafts I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of various crafts.

ART 258
Intermediate Crafts II - Tole
Painting
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 257.

ART 259
Intermediate Crafts II - Nativity
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 258.

ART 260
Intermediate Crafts II - Doll
Making
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 259.

ART 261
Intermediate Ceramics I
2 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 161-162. Problems in hand-forming, wheel work, design, glazes, decorative processes, clays, and firing are covered.

ART 262
Intermediate Ceramics II
2 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 261.

ART 263
Firing Techniques I
1 to 2 credits
Offered upon request
Activity/Personal Enrichment
Methods of firing ranging from pit fire, sagilatte, raku, andmajolica, using low-fire clay bodies such as terra cotta and low-fire electric kiln cone 06 firing range. This hands-on course will consist of making ware, preparation of kiln, firing, unloading and cleaning up.

ART 264
Firing Techniques II
2 credits
Offered upon request
Activity/Personal Enrichment
A continuation of ART 263. Methods of firing ranging from pit fire, sagilatte, raku, and majolica, using low-fire clay bodies such as terra cotta and low-fire electric kiln cone 06 firing range. This hands-on course will consist of making ware, preparation of kiln, firing, unloading, and clean up.

ART 265
Intermediate Lapidary I
2 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 172A.

ART 266
Intermediate Lapidary II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 265.

ART 267
Intermediate Lapidary III
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 266.

ART 268
Intermediate Lapidary IV
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 267.

ART 269
Intermediate Lapidary V
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 268.

ART 270
Intermediate Lapidary VI
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 269.

ART 271
Intermediate Lapidary VII
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 270.

ART 272
Intermediate Lapidary VIII
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 271.

ART 273
Intermediate Lapidary IX
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 272.

ART 274
Intermediate Lapidary X
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 273.

ART 275
Intermediate Lapidary XI
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 274.

ART 276
Intermediate Lapidary XII
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 275.

ART 277
Intermediate Lapidary XIII
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 276.

ART 278
Intermediate Lapidary XIV
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 277.

ART 279
Intermediate Lapidary XV
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 278.

ART 280
Intermediate Lapidary XVI
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 279.

ART 281
Intermediate Lapidary XVII
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 280.

ART 282
Intermediate Lapidary XVIII
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 281.

ART 283
Intermediate Lapidary XIX
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 282.

ART 284
Intermediate Lapidary XX
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 283.

ART 285
Intermediate Lapidary XXI
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 284.

ART 286
Intermediate Lapidary XXII
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 285.

ART 287
Intermediate Lapidary XXIII
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 286.
ART 287
Advanced Photoshop
3 credits
Offered every spring semester
Prerequisite: ART 187 with a grade of "C" or higher or instructor approval
Maximizes the quality of graphic images, prepares color images for output, creates special graphic effects, modifying scanned images, and retouching images.

ART 289
Portfolio Development
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
This class is intended for Graphic Design majors in their final semester. Graphic Design majors will develop a portfolio to be used as a base for exploring employment (including self-employment) opportunities, further career development, renewed and/or continued education and training, and personal development.

ART 290
Intermediate Fibers I
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Use of fibers through a variety of techniques. Includes introduction to off-loom weaving, on-loom weaving, machine knitting, basketry, and paper-making.

ART 291
Intermediate Fibers II
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Continuation of ART 290 with more independent decision making regarding projects and their production.

ART 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Art.

ART 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Art.

ART 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ASTRONOMY

AST 103
Introduction to Astronomy
4 credits
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or instructor approval
A survey of modern astronomy introducing topics from our solar system and other planetary systems, galaxies, the evolution of stars, and the methods and technology used to explore planetary and stellar processes. Included with this course is a lab that introduces the student to astronomical observations with the use of a series of telescopes and lab exercises.

AUTOMOTIVE TECHNOLOGY

AUT 100
Automotive Fundamentals
2 credits
Offered upon request
This course provides a basic study of key automotive vehicle systems. Course provides basic operational knowledge, care, and maintenance of engine, fuel, ignition, suspension, brakes, and drive train systems.

AUT 101
Introduction to Automotive Technology
2 to 4 credits
Offered every fall semester
This course provides fundamental information on key automotive vehicle systems. Course teaches basic operational knowledge, care, and maintenance of engine, fuel, ignition, suspension, brakes, electrical, and drive train systems.

AUT 104
Small Engines
2 to 3 credits
Offered upon request
This course provides a basic study of key automotive vehicle systems. Course provides basic operational knowledge, care, and maintenance of engine, fuel, ignition, suspension, brakes, electrical, and drive train systems.

AUT 105
Automotive Electrical Fundamentals
2 credits
Offered every fall semester
This course provides a study of automotive electrical and electronic fundamentals. Course provides an in-depth study on how to properly use wiring and current flow diagrams in electrical diagnosis and repair. Course includes using industry-standard diagnostic equipment and techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 106
Internal Combustion Engines
4 credits
Offered upon request
This course provides a study of automotive internal combustion engines. Course includes engine rebuilding and performance testing. Course prepares students for the ASE certification test on engine repair.

AUT 107
Automotive Electrical Systems and Equipment
2 credits
Offered every fall semester
This course provides instruction related to automotive steering, supplemental restraint (air bags), and charging electrical systems and components. An emphasis is placed on electrical system diagnosis and electrical repair. Course gives students the opportunity to use various industry-standard, diagnostic, electrical equipment and testing techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 108
Automotive Electrical Systems and Equipment
2 to 3 credits
Offered upon request
This course provides instruction related to automotive steering, supplemental restraint (air bags), and charging electrical systems and components. An emphasis is placed on electrical system diagnosis and electrical repair. Course gives students the opportunity to use various industry-standard, diagnostic, electrical equipment and testing techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 110
Fuel and Emission Systems
2 to 3 credits
Offered every fall semester
This course provides a study of automotive starting, supplemental restraint (air bags), and charging electrical systems and components. An emphasis is placed on electrical system diagnosis and electrical repair. Course gives students the opportunity to use various industry-standard, diagnostic, electrical equipment and testing techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 120
Manual Transmission and Drive Train
3 credits
Offered every fall semester
Prerequisite: AUT 100
This course provides a study of automotive electrical and electronic fundamentals. Course provides an in-depth study on how to properly use wiring and current flow diagrams in electrical diagnosis and repair. Course includes using industry-standard diagnostic equipment and techniques. Prepares the student to take the ASE certification test on electrical/electronic systems.

AUT 130
Steering and Suspension Systems
3 credits
Offered upon request
Activity/Personal Enrichment
This course provides a study of tires and wheels, wheel balancing, two and four wheel alignment, and diagnostic and service techniques. Course prepares students for the ASE certification test on steering and suspension systems.

AUT 131
Automotive Brake Systems
2 credits
Offered every fall semester
Prerequisite: AUT 100
This course provides the theory, diagnosis and the repair of automotive brake systems. This is an in-depth study of disc and drum brake systems. The course covers anti-lock brakes, hydraulic operation, and brake system service, diagnosis and repair. Course prepares students for ASE certification test on brakes.

AUT 150
Automotive Painting and Refinishing
3 credits
Offered every spring semester
Activity/Personal Enrichment
Students taking this course will study automotive painting, minor repair, and refinishing techniques. Course will provide instruction related to automotive paint types, painting and refinishing, and minor body repairs (forming, shaping and body filler use).

AUT 180
Automotive Service Techniques
2 credits
Offered upon request
Activity/Personal Enrichment
This course provides a basic study of key automotive vehicle systems. Course provides instruction related to automotive electrical, transmission, engines, brakes, suspension, and A/C. Course includes an opportunity for the student to service and repair vehicle systems and components using computer-based reference material. In this course’s modular lab assignments, emphasis is placed on each student’s ability to demonstrate practical application of learned skills. Course prepares students for ASE certification tests.
AUT 220  
Automotive Electronics and Computerized Vehicle Controls  
2 credits  
Offered spring semester in odd-numbered years  
Prerequisite: AUT 105 and AUT 110 or instructor approval  
This course provides a study of automotive power train computerized systems and addresses electronic principles. Course includes an in-depth study of computerized engine/power train control operation, trouble shooting techniques, and proper repair of these systems. This course requires each student to have basic skills and knowledge in electrical/electronic fundamentals and prepares the student to take the ASE tests which have electrical/electronic or automotive computer control system questions.

AUT 230  
Automatic Transmissions  
4 credits  
Offered fall semester in odd-numbered years  
This course teaches operating principles of modern automatic transmissions and transaxes. Course includes diagnosis, maintenance, testing, repair, and basic information on computerized power train control systems. This course prepares students for the ASE certification test on automatic transmissions/transaxes.

AUT 250  
Advanced Automotive Painting and Refinishing  
3 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: AUT 105 or instructor approval  
Students taking this course will study automotive painting, minor repair, and advanced painting techniques. The course will provide instruction related to automotive paint types, painting and refinishing, and minor body repairs (forming, shaping and body filler use).

AUT 260  
Vehicle Performance and Diagnosis  
3 credits  
Offered every spring semester in even-numbered years  
Prerequisite: AUT 105 and AUT 110 or instructor approval  
This course provides instruction in computerized power train system operation and diagnostic procedures. Course includes an in-depth study in modern ignition, fuel, and power train computer-controlled systems. Course provides in-depth knowledge related to various onboard vehicle diagnostic processes. This course gives the student the opportunity to use industry-standard testing equipment such as PC-based scopes and hand-held scanners. Course requires an understanding of automotive electrical and electronic fundamentals and together with AUT 110, prepares the student for ASE certification test on engine performance.

AUT 265  
Vehicle Emission Strategies and Testing  
2 credits  
Offered upon request  
Prerequisite: AUT 105 or instructor approval  
This course provides instruction on diagnostic procedures for automotive emission failure concerns. Course includes an in-depth study in how modern fuel/ignition, and power train computer-controlled systems relate to exhaust emission strategies. Course gives students an opportunity to use industry-standard testing equipment such as, hand-held scanners and infrared exhaust analyzers. This course requires the student to have basic skills and knowledge in electrical/electronic fundamentals and together with AUT 110, prepares the student for ASE certification test on engine performance.

AUT 266  
Vehicle Heating and Air Conditioning  
3 credits  
Offered every spring semester  
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.

AUT 280  
Advanced Shop  
4 credits  
Offered every spring semester  
Prerequisite: AUT 180 or AUT 101 and AUT 105 or instructor approval  
Course provides students with an opportunity to perform advanced automotive service work in preparation for entry into the automotive trade. Course includes an option for students to develop skills at an automotive worksite. This course addresses all service and repair on any vehicle system and provides the student exposure to shop management operations and strategies. This course is intended for the automotive major only and prepares the student to take all eight ASE automotive certification exams.

AUT 297  
Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Automotive Technology.

AUT 298  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Automotive Technology.

AUT 299  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

BIO 100  
Biology Concepts  
4 credits  
GE category: Lab Science  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
This class will expose learners to the different career opportunities in the field of Environmental Biology. Learners will obtain information about career preparation to obtain jobs in this field.

BIO 101E  
Careers in Environmental Biology  
1 credit  
Offered upon request  
This class will expose learners to the different career opportunities in the field of Environmental Biology. Learners will obtain information about career preparation to obtain jobs in this field.

BIO 105  
Environmental Biology  
4 credits  
GE category: Lab Science  
Offered every fall semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.

BIO 101A  
Desert Survival  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.

BIO 101B  
Birds of the Gila Valley  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.

BIO 101C  
Natural History of the Gila Valley  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.

BIO 106  
Introduction to Human Anatomy and Physiology  
4 credits  
GE category: Lab Science  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.

BIO 1181  
General Biology I  
4 credits  
GE category: Lab Science  
Offered every fall semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
This course provides instruction on basic operating principles, diagnosis, and service of modern automotive heating and air conditioning systems. Course includes an in-depth study of a/c system operation, diagnostic and service procedures, and environmental concerns. Prepares students for ASE certification test on heating and air conditioning.
BIO 182 General Biology II
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: BIO 181

Designed for Biology majors. Additional principles of structure and function of living things at molecular, cellular, and organismic and higher levels of organization.

BIO 187 Introduction to Biological Research
4 credits
Offered upon request

This course is designed to introduce students to the scientific research process at an interactive level. Basic tools and procedures of an environmental or ecological researcher will be discussed and reinforced in the lab setting. The culminating product will be an individualized written research proposal that may become the basis for further scientific investigation in BIO 295.

BIO 201 Human Anatomy and Physiology I
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: A grade of “C” or higher in one of the following courses: BIO 100, BIO 160, BIO 181, CHM 130, CHM 131 or CHM 151

Study of the structure and function of the human body. Topics include cells, tissues, integumentary system, skeletal system, muscular system, and nervous system.

BIO 202 Human Anatomy and Physiology II
4 credits
GE category: Lab Science
Offered every fall and spring semester
Prerequisite: BIO 201

Continuation of structure and function of the human body. Topics include the endocrine, circulatory, respiratory, digestive, urinary, and reproductive systems.

BIO 226 Ecology
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy

Arizona contains a broad diversity of both and abiotic and biotic variables acting upon the plant and animal species that have adapted to life in a sometimes harsh, desert environment. These fragile ecosystems have been affected from both a positive and negative standpoint by an increasing human population. This course will provide students with a basic understanding of ecological principles, concepts of energy flow through an environment, and knowledge and hands-on experiences to better understand the characteristics, restoration strategies, interactions within, and stewardship for healthy ecosystems.

BIO 295 Undergraduate Biological Research
4 credits
Offered every spring semester

This course is a unique opportunity for students to apply and practice that which they have learned about the research process. Whether partnering with a mentor project or carrying out their personal research proposal, students discuss, analyze and critique their work through portfolio entries and team sessions coordinated by the instructor. Coursework culminates in a Poster Session of student research at the close of the semester.

BUS 101 Fundamentals of Accounting
3 credits
Offered every fall and spring semester
Concurrent enrollment in BUA 233 not permitted

An accounting and record keeping course of practical value to many people at home or in business. Covers theory of debits and credits of most common accounts, the trial balance, and financial reports. Students with special aptitude in bookkeeping who plan to continue in accounting should take BUA 233 and BUA 243 instead.

BUS 111 Business Mathematical Calculations
3 credits
GE category: AAS degree only
Offered every fall and spring semester

Instruction and practice in fundamental business operations. Begins with basic mathematical operations and then continues through payroll, banking, interest, income tax, and other areas of business mathematics.

BUS 143 Real Estate Fundamentals
6 credits
Offered upon request

To give the student an overview of Real Estate Fundamentals and prepare the student to pass the State of Arizona Real Estate test.

BUS 171 International Business
3 credits
Offered upon request

Overview of international business to introduce students to international trade concepts. Focus of the course is on international business environment issues that influence global business practices, decisions, and applications.

BUS 181 Reception Management
3 credits
Offered upon request

This course is a study of skills, attitude, and performance as they relate to front desk employees engaged in the hotel/motel industry.

BUS 205 Computerized Accounting with QuickBooks
2 credits
Offered every fall semester
Activity/Personal Enrichment
Prerequisites: BUS 101 or BUA 233 and CMP 101 or CMP 103 or instructor approval

This course is designed to assist students and small business owners in performing accounting tasks by using computer software package designed specifically for accounting purposes. Students will develop skills to operate a computer to implement the following functions: recording transactions, generating financial and management reports, setting up and maintaining a system, and developing business budgets. The course utilizes the QuickBooks accounting software.

BUS 211 Retail Management
3 credits
Offered every spring semester

Principles and practices used in the management of retail stores. Includes site selection, layout, organization, staffing, positioning, customer service, promotional techniques, and all aspects of the buying function.

BUS 214 Contemporary Sports Management
3 credits
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy

An introduction to local, national, and international sport, legal issues, and ethics in sport management, and its influence on society and culture. Assesses and analyzes the increasing globalization of the sports industry and develops an understanding of the similarities and differences in sport management practices and applications around the world. Includes current trends in sports research and management. Covers the history of the sports industry, terminology, and career opportunities. Identical to HHP 214.

BUS 221 Human Resource Management
3 credits
Offered every fall and spring semester

Human resource theory and practice, planning, recruitment, placement, employee development, evaluation, benefits and services, health and safety, and employee relations.
BUS 251
Human Relations
3 credits
GE category: AAS degree only
Offered every fall and spring semester
Emphasizes application of basic psychological principles to the understanding and influencing of human behavior, particularly in personal and business relationships.

BUS 261
Fundamentals of Investing
3 credits
Offered upon request
Evaluation of various investment forms including study of inflation, taxation, government securities, stocks and bonds, real estate, and retirement plans.

BUS 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Business.

BUS 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Business.

BUS 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

BUS 151
Scheduling and Cost Estimating
3 credits
Offered every spring semester
This course is designed to teach various types of scheduling and estimating methods and the importance of incorporating these concepts into the completion of a successful construction, business, or technological project.

BUS 200
Introduction to Organizational Leadership
3 credits
Offered every fall semester
This course presents a broad survey of leadership theory and research as currently practiced in formal organizations. Includes examination of leadership models, power and influence, team leadership, cross-cultural leadership, strategic styles of interaction, ethics, leadership skill development, decision-making techniques, and effective goal implementation.

BUS 210
Society and Business
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
An introduction to the study and scientific inquiry of issues and demands placed on business enterprise by owners, customers, government, employees, and society. Included are social, ethical, and public issues and analysis of the social impact of business responses.

BUS 220
Business Statistics
3 credits
Offered every fall semester
Prerequisite: MAT 140 or higher with a grade of “C” or higher or placement test score as established by District policy
This course provides business applications of descriptive and inferential statistics, measurement of relationships, and statistical process management including the use of spreadsheet software for business statistical analysis.

BUS 221
Principles of Microeconomics
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Studies aggregates of the entire economy; concentrates on national income analysis, business cycles, the money and banking system, the global economy, and fiscal and monetary policy. Concurrent enrollment with BUA 223 not recommended.

BUS 223
Principles of Microeconomics
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Study of forces affecting individual and group behavior in the allocation of resources and distribution of income, and selected current problems. Concurrent enrollment in BUA 221 not recommended.

BUS 233
Uses of Accounting Information I
3 credits
Offered every fall and spring semester
Introduction to the uses of financial information for internal and external purposes. Emphasizes using accounting information to meet the needs of financial decision makers, financial statement analysis, and understanding the business cycle.

BUS 243
Uses of Accounting Information II
3 credits
Offered every spring semester
Prerequisites: BUA 233
Introduction to the uses of financial information for internal and external purposes. Emphasizes using accounting information to meet the needs of financial decision makers, focusing on analysis for use by management.

BUS 245
Legal Environment of Business
3 credits
Offered every fall and spring semester
Introduces the sources and basic principles of the law as it relates to business, including the U.S. legal system, the Constitution, sources of the law, business ethics; and studies a variety of applications of the law in contracts, torts, agency, and government regulation of business.

BUS 298
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Business Administration.

CHM 130
Fundamental Chemistry
4 credits
GE category: Lab Science
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
This course is designed to help students understand basic chemical principles and master problem-solving skills. Students will develop an understanding of how those concepts and skills are relevant to other courses and their daily lives. Chemical topics covered in the course include basic science concepts, measurements, atomic theory, bonding, stoichiometry, states of matter, solutions, acids and bases, and nuclear chemistry.

CHM 138
An Introduction to General, Organic, and Biological Chemistry
4 credits
GE category: Lab Science
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
For students with little or no background in chemistry. The first half of this one semester course includes an introduction to general principles of chemistry including measurements, atomic structure, chemical bonding, naming compounds, states of matter, solutions, and chemical reactions with applications in health care. The second half of the course covers aspects of organic and biological chemistry that directly affect health care. They include sections on hydrocarbons, organic functional groups, carbohydrates, lipids, proteins, enzymes, nucleic acids, and metabolic pathways that provide energy for life.
CHM 151 General Chemistry I
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy

Provides the student with knowledge of the fundamental principles of chemistry with an emphasis on matter and measurement, states of matter, atomic structure, chemical periodicity, chemical bonding, chemical reactions, stoichiometry, energy of reactions, aqueous solutions, and properties of gases. The student also applies critical thinking strategies in scenario and inquiry-based laboratory activities. Recommend completion of at least two years high school algebra and one year high school chemistry or college equivalent.

CHM 152 General Chemistry II
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: CHM 151

Provides the student with knowledge of the fundamental principles of chemistry with an emphasis on the control of chemical reactions and the chemistry of the elements. Chemical kinetics, equilibria, acids-base chemistry, entropy of reactions, electron transfer reactions, nuclear chemistry, and an introduction to organic chemistry will be explored. The student will also apply critical thinking strategies in scenario and inquiry-based laboratory activities.

CHM 230 Fundamental Organic Chemistry
4 credits
GE category: Lab Science
Offered upon request
Prerequisite: CHM 130 or CHM 138 or CHM 151

An introduction to carbon-containing compounds. Included is the study of hydrocarbons, alcohols, carboxyl compounds, amines, carbohydrates, lipids, proteins, enzymes, nucleic acids, and metabolic pathways.

CHM 235 General Organic Chemistry I
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: CHM 152

General principles of organic chemistry with emphasis on reactivity and synthesis. Topics include bonding, structure and properties of organic compounds, stereochemistry, overview of organic reactions, kinetics and thermodynamics, structure, synthesis, and reaction of alkenes, aldehydes, and alkyl halides, nucleophile substitution and elimination reactions, structure determination using Mass Spectrometry, Infrared Spectroscopy, and Nuclear Magnetic Resonance Spectroscopy, aromaticity, and electrophilic aromatic substitution reactions.

CHM 236 General Organic Chemistry II
4 credits
GE category: Lab Science, Intensive Writing
Offered every spring semester
Prerequisite: CHM 235 with a grade of "C" or higher and ENG 101 with a grade of "C" or higher

Continuation of CHM 235. General principles of organic chemistry with continued emphasis on reactivity and synthesis. Topics include the study of alcohols, ethers, epoxides, sulfides, conjugated systems, aromatic compounds, ketones, aldehydes, amines, carboxylic acids and their derivatives, enols, carbohydrates, nucleic acids, amino acids, peptides, proteins, lipids, and polymers.

CHM 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment

Designed to meet a variety of needs for students in Chemistry.

CHM 299 Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment

Design and execution of original projects under faculty supervision.

COM 100 Introduction to Human Communication
3 credits
Offered every fall semester
Prerequisite: CHM 152

General principles of organic chemistry with emphasis on reactivity and synthesis. Topics include bonding, structure and properties of organic compounds, stereochemistry, overview of organic reactions, kinetics and thermodynamics, structure, synthesis, and reaction of alkenes, aldehydes, and alkyl halides, nucleophile substitution and elimination reactions, structure determination using Mass Spectrometry, Infrared Spectroscopy, and Nuclear Magnetic Resonance Spectroscopy, aromaticity, and electrophilic aromatic substitution reactions.

COM 115 Introduction to Interpersonal Communication
3 credits
Offered every fall semester

This course will introduce students to the concepts and practices involved in interpersonal communication interactions. The course will cover the many dimensions of interpersonal communication including, but not exclusively, fundamental building blocks, perceptions and self-concepts as they relate to communication interactions, interpersonal relationships, nonverbal communications, interpersonal conflict, deception, and interpersonal skills and dynamics in personal and professional relationships.

COM 150 Oral Interpretation of Literature
3 credits
Offered upon request
Prerequisite: ENG 101 with a grade of "C" or higher

Imaginative and skilful oral rendering of prose and poetry through study of literature and techniques of presentation.

COM 200 Basic Communication Theory
3 credits
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher

This course will introduce students to the breadth of theoretical approaches in the field of communication. The course will survey the many dimensions of study including, but not exclusively, interpersonal communication, influence, media, rhetorical analysis, organizational, and gender communication focus areas.

COM 201 Public Speaking
3 credits
GE category: Humanities
Offered every fall and spring semester
Prerequisite: ENG 101 with a grade of "C" or higher

Study and practice of effective, audience-centered public speaking. Includes methodology of written and spoken communication.

COM 205 Survey of Communication Research
3 credits
Offered every spring semester
Prerequisite: ENG 101 with a grade of "C" or higher and COM 200 with a grade of "C" or higher

This course introduces students to the breadth of research approaches and application in the field of communication. The course surveys the many dimensions of research methodologies including, but not exclusively: ethnomethodology, survey, factor analysis, rhetorical, historical, and narrative and auto-ethnographic analyses and research in media and popular culture.

COM 215 Interviewing Principles and Practices
3 credits
GE category: Intensive Writing, Options
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher

This course introduces students to the concepts and practices related to multiple interviewing approaches. The course covers the multiple methodologies, interview settings and approaches, communication behaviors and principles, written and oral interviewing practices, and addresses the interviewing skills of both an interviewer and interviewee. Structure of interviews, instrumentation, multiple formats including: informational, recruiting, survey, health, performance reviews, employment and persuasive interviews is also covered.

COM 260 Elements of Intercultural Communication
3 credits
GE category: Social Sciences, Intensive Writing
Offered every spring semester
Prerequisite: ENG 101 with a grade of "C" or higher

This course will introduce students to intercultural and cross-cultural concepts and practices in the field of communication. The course covers globalization of communication, historical understandings of intercultural interactions, cultural identity, intercultural relationships, nonverbal communication expectations, cultural practices, and the communication behaviors embedded within intercultural interactions.
COM 271 SUN COM 221
Small Group Communication
3 credits
Offered every spring semester
This course will introduce students to the breadth of theoretical approaches and practices related to communication in small group settings. During the course students will have the opportunity to study communication interaction approaches and put into practice the skills identified as effective communication strategies in small groups.

COM 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Communication Studies Program.

COM 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Communication Studies Program.

COMPUTERS

CMP 099
Computers for Beginners
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
A first course for beginning computer users designed to introduce students who have never used a computer to the basic elements of running a computer in a comfortable, structured manner with significant instructor support in the lecture/demonstration mode.

CMP 100
Computer Careers
2 credits
Offered upon request
This course is designed to help students determine an appropriate computer field as a career. Students will be given time to conduct career research in the field to help them select a career path. Emphasis is placed on choosing an appropriate career path and then creating a career plan to achieve their success. Students will also be given the opportunity to visit area businesses, conduct an informational interview with a business professional, and participate in a job shadowing program.

CMP 101
Introduction to Computers
3 credits
GE Category: AAS degree only
Offered every fall and spring semester
A first course in computers designed to provide students with a hands-on experience of the personal computer and its uses in society. Basic operating system functions as well as application programs from the current Microsoft Office Suite will be taught including Word, Excel, and PowerPoint. True beginners may want to consider CMP 099, Computers for Beginners, before taking this course.

CMP 103 SUN CIS 1120
Introduction to Computer Based Systems
3 credits
GE Category: GE Options, AAS degree only
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Uses of computer hardware and software in business and society; computer terminology, program definition and flowcharting/algorithms, introduction to programming using general purpose language and word processing, spreadsheet, database, graphics, multimedia, and Internet. Business applications focus on spreadsheet creation and formatting along with database creation and formatting.

CMP 108
Introduction to Keyboarding Technique
1 credit
Offered every fall and spring semester
This course is designed to teach the keyboard and proper keyboarding technique. Identical to AS 106.

CMP 110
Current Applications
2 credits
Offered upon request
Provides individuals with the opportunity to develop personal projects in varieties of current software such as spreadsheet, database, word processing, multimedia, Internet and other applications for microcomputers, which cannot take place in courses where time is given to learn a software package, but not to use it for personal project design and implementation. Not for computer majors, except as elective.

CMP 110R
QuickBooks
1/2 to 2 credits
Offered upon request
Takes the students through the features of current QuickBooks to develop an introductory skill level for personal and vocational use.

CMP 110X
Beginning Microsoft Excel
1/2 to 1 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft Excel, a spreadsheet program.

CMP 110Y
Intermediate Microsoft Excel
1/2 to 1 credit
Offered upon request
Students will become familiar with intermediate level functions of Microsoft Excel, a spreadsheet program.

CMP 110Z
Advanced Microsoft Excel
1/2 to 1 credit
Offered upon request
Students will become familiar with the advanced level functions of Microsoft Excel, a spreadsheet program.

CMP 110A
Beginning Microsoft Access
1/2 to 1 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft Access, a database software package.

CMP 110AB Intermediate Microsoft Access
1/2 to 1 credit
Offered upon request
Students will become familiar with intermediate level functions of Microsoft Access, a database software package.

CMP 110AC Advanced Microsoft Access
1/2 credit
Offered upon request
Students will become familiar with advanced level functions of Microsoft Access, a database software package.

CMP 110AD Beginning Microsoft PowerPoint
1/2 to 1 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft PowerPoint, a slide and video software package.

CMP 110AE Intermediate Microsoft PowerPoint
1/2 to 1 credit
Offered upon request
Students will become familiar with intermediate level functions of Microsoft PowerPoint, a slide and video software package.

CMP 110AF Advanced Microsoft PowerPoint
1/2 to 1 credit
Offered upon request
Students will become familiar with advanced level functions of Microsoft PowerPoint, a slide and video software package.

CMP 110AJ Microsoft Outlook I
1/2 to 1 credit
Offered upon request
Students will become familiar with beginning level functions of Microsoft Outlook, an integrated electronic mail, calendar, and task management software package.

CMP 110AK Microsoft Outlook II
1/2 to 1 credit
Offered upon request
Students will become familiar with advanced level functions of Microsoft Outlook, an integrated electronic mail, calendar, and task management software package.

CMP 110AM PC Troubleshooting and Repair
1 credit
Offered upon request
This course is designed to teach the basic principles of PC troubleshooting and repair, including providing a basic knowledge of PC components and their function and how to use Window built-in diagnostic tools. It provides a foundation in diagnosing common symptoms and catastrophic failures as well as proper hardware handling and removal and reinstallation of common components. It is recommended that students be familiar with basic Windows operating systems, navigation and menu and be able to use small hand tools.

CMP 110AN Intermediate PC Troubleshooting and Repair
1 credit
Offered upon request
This course is a follow-up to CMP 110AM, providing intermediate PC troubleshooting and repair. Includes diagnosing common Windows system failures, changing system configurations, BIOS, and registry; downloading peripheral device drivers, and removal of CPU and motherboard. Recommendation: Completion of CMP 110AM or equivalent.
COURSE DESCRIPTIONS

CMP 113  
Operating Systems I  
3 credits  
Offered every fall and spring semester  
In this course the rationale behind the Windows operating system will be examined. Hands-on experience will be gained using the operating system, including desktop management, file and folder manipulation, the use of the control panel, digital media capabilities, Internet and networking rationale, and maintaining, monitoring and optimizing personal computers. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 113B  
Apple OS X  
1/2 credit  
Offered upon request  
Designed to provide experience using aspects of the Mac OS X including: Finder, Dock, Stacks, Searchlight, Spaces, Expose, Drive Mounting, Time Machine, Utilities, Settings, Mac, iPhoto, and iMovie.

CMP 113D  
Apple OS  
1 credit  
Offered every fall and spring semester  
In this course the rationale and use of the iOS operating system is explored and designed to provide experience using aspects of Apple’s iOS including: Settings, Gestures, Copying between programs, email setup and use, calendar setup and use, contacts setup and use, importing and exporting documents, iCloud setup and use, Keynote, and Pages.

CMP 113E  
Microsoft OS  
1 credit  
Offered every fall and spring semester  
The rationale behind the Windows operating system will be explored. Hands-on experience will be gained using the Windows operating system, including desktop management, file and folder manipulation, configuration, data manipulation, networking, proper operating system management, and operating system settings. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 113F  
Linux/Unix OS  
1 credit  
Offered every fall and spring semester  
The rationale behind the Linux/Unix operating system will be explored. Hands-on experience will be gained using each operating system, including desktop management, file and folder manipulation, configuration, data manipulation, networking, proper operating system management, and operating system settings.

CMP 115A  
Beginning Microsoft Windows  
1/2 credit  
Offered upon request  
Students will become familiar with beginning level functions of Microsoft Windows, an operating system used for organizing and maintaining computers.

CMP 120  
Introduction to Programming  
1 credit  
Offered upon request  
An introduction to software and programming concepts for students interested in visual or scripting languages. Topics include notations, data, operators, sequence, selection, repetition, and subprograms.

CMP 121  
Visual Basic Programming I  
3 credits  
GE category: AAS degree only  
Offered every fall semester  
A comprehensive introduction to event-driven, object-oriented computer programming using the Visual Basic programming language. Students learn to write problem-solving programs and develop a wide variety of Windows applications in a graphical environment. The course uses Visual Basic to illustrate good programming practices, application development techniques, and overall visual design.

CMP 126  
Java Programming I  
3 credits  
Offered upon request  
An introductory programming course for vocational computer majors and students transferring to universities in a business program. Course concentration includes object-oriented programming including data types, classes, objects, methods, decision and repetition structures, string and array manipulation, and Java applets. Computer majors are encouraged to take CMP 126 as their final programming language in their program of study. Students who have no previous computer programming experience should consider taking CMP 120 before taking CMP 126.

CMP 128  
C# Programming I  
3 credits  
GE category: AAS degree only  
Offered every spring semester  
C# Programming I is an introductory programming course for vocational computer major students transferring to universities in a business program. Course concentration includes the Visual Studio integrated development environment including user interfaces and controls, and object-oriented programming concepts including data types, classes, objects, methods, decision and repetition structures, and string and array manipulation. Computer literacy is assumed.

CMP 130  
C Programming I  
3 credits  
GE category: AAS degree only  
Offered upon request  
A comprehensive introduction to the C language; preparation and writing of programs using C, using current programming techniques. A prior programming language is helpful. For two-year Computer majors or students transferring in a Computer Information/Management Information Systems degree. Identical to EGR 130.

CMP 145  
ioS Application Development I  
3 credits  
Offered every fall semester  
This course is an introductory programming course for vocational computer majors utilizing the Xcode application, the programming language Swift, and various iOS frameworks. Students will explore design patterns, coding conventions and guidelines, and essential concepts including storyboard and Cocoa Touch frameworks. Computer literacy is assumed.

CMP 151  
Computer Systems I  
3 credits  
Offered every fall semester  
Designed to provide an understanding and experience with hardware and operating systems at the technical support level, exploring aspects of the PC, including: computing, PC technician troubleshooting skills and tools, hardware performance, PC system components, peripheral devices and drivers, storage options and standards, networking theory and components.

CMP 152  
Computer Systems II  
3 credits  
Offered every spring semester  
Designed to provide an understanding and experience with hardware and operating systems at the technical support level, exploring aspects of the PC, including: wireless networking concepts, printing processes, mobile devices, Windows system management, file management, security, and troubleshooting.

CMP 161  
Electronic Spreadsheet with Microsoft Excel  
3 credits  
Offered every fall and spring semester  
Comprehensive, practical applications and techniques using Microsoft Excel with hands-on experience in the computer laboratory. The beginning through advanced spreadsheet procedures taught will prepare the student to pass the Microsoft MOUS Expert Certification Test. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

CMP 170  
Database Management with Microsoft Access  
3 credits  
Offered every fall and spring semester  
Prerequisite: CMP 101 or CMP 103  
The student will participate in case-based approaches to the storing, modification, and extraction of information from a computerized database management system. The student will learn how to create and maintain database objects including tables, forms, queries, reports, pages, macros, and modules. Database design, security, and integration with other programs and the Internet is also covered. Student interested in Microsoft Office Specialist certification will find the course an excellent foundation for exam preparation.

CMP 201  
Systems and Procedures  
3 credits  
Offered every spring semester  
Prerequisite: CMP 100 and CMP 103 or instructor approval  
This course introduces the elements of information systems used in business organizations. Students will learn about systems development, e-business and e-commerce strategies, network and telecommunication issues, enterprise systems, ethics relating to information technology, and project and database management. Concepts will be reinforced through group participation in the form of research, hands-on activities, projects, and presentations. Students will use Microsoft Office, Microsoft Project, and other software as needed to complete individual and group projects.

CMP 230  
Linux System Administration  
3 credits  
Offered every fall semester  
This course covers system architecture; Linux installation and package management; GNU and Unix commands; devices, Linux file systems, and the File System Hierarchy Standard; command line work, maintenance tasks.

CMP 235H  
Beginning Microsoft Word  
1/2 to 1 credit  
Offered upon request  
Designed to provide the student with an opportunity to cover and practice basic features of word processing using Microsoft Word software.

CMP 235I  
Intermediate Microsoft Word  
1/2 to 1 credit  
Offered upon request  
This course is designed to provide intermediate word processing skills to students with prior experience using microcomputers and Microsoft Word. It is recommended that the student key at a minimum rate of 25 words per minute.
COURSE DESCRIPTIONS

CMP 235J
Advanced Microsoft Word
1 to 2 credits
Offered upon request
This course is designed to provide advanced word processing skills to students with prior experience using microcomputers and Microsoft Word. It is recommended that the student have an intermediate knowledge of Microsoft Word and key at a minimum rate of 25 words per minute.

CMP 239A
Multimedia/Electronic Task Management
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. Using a Personal Information Manager (PIM) program, students will learn how to manage email, organize schedules, maintain contact lists and to-do lists, and keep a log of computer tasks. This module also includes integrating data to and from other applications. Identical to AIS 239A.

CMP 239B
Multimedia/Digital Imaging
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. This module provides students with hands-on experience with digital imaging technology including scanners, digital cameras, and photo software. Students must be familiar with basic desktop publishing techniques to complete projects. Identical to AIS 239B.

CMP 239C
Multimedia/Internet for Business
1 credit
Offered every spring semester
One of three multimedia modules designed to give students a higher level of office technology skills. In this module, students learn and apply the tools, language, and culture of the Internet. Important ethical issues are addressed as individual and team Internet projects are completed. Projects will include web site design and research. Identical to AIS 239C.

CMP 240
Desktop Publishing
3 credits
Offered every fall and spring semester
Emphasizes basic to intermediate skills in desktop publishing through a variety of modern, real-life activities using current versions of Microsoft Publisher and Microsoft Word. Students will develop skills in making design and typography decisions, handling multi-column documents, inserting and editing graphics, and creating styles and charts. Students will create a portfolio of business documents to demonstrate mastery. Word processing skill is needed. Identical to AIS 240.

CMP 250
Networking Systems I
3 credits
Offered every fall semester
This course is designed to provide an understanding of networking signaling processes, hardware, installation, and troubleshooting. CompTIA Network+ exam objectives are covered. Topics include protocols, connections, software, network hardware and the OSI Reference model, for use in local area networks (LANs) and wide area networks (WANs). This course also prepares one for continuing on to Microsoft and Cisco certifications.

CMP 251
Networking Systems II
3 credits
Offered every spring semester
This course is designed to provide an understanding of networking signaling processes, hardware, installation, and troubleshooting. CompTIA Network+ exam objectives are covered. Topics include: wireless networking protocols, connections, software, network hardware as well as network security and network management for use in local area networks (LANs) and wide area networks (WANs). This course also prepares one for continuing on to Microsoft and Cisco certifications.

CMP 255
Server Administration
3 credits
Offered upon request
CompTIA Server+ is an international, vendor-neutral certification for technical support professionals with 18 to 24 months of IT experience. CompTIA Server+ certifies the technical knowledge and skills required to build, maintain, troubleshoot, and support server hardware and software technologies. The exam covers virtualization, disaster recovery and security procedures.

CMP 272
Website Development I
3 credits
Offered every fall and spring semester
This course prepares the student to develop basic websites for use in all areas of society. The student will develop an understanding of networking requirements for the Internet in regards to web development. Students will learn web site design, planning, and organizational skills. The student will learn and use a wide variety of website development tools at introductory levels. Applications and skills taught will include becoming Dreamweaver, HTML, XHTML, all current standards in industry. Before enrolling in this course, it is suggested the student have a thorough understanding of Internet terminology and be comfortable using common Internet features including uploading and downloading files. To be successful, intermediate skills in file management, i.e., saving, copying, moving, and creating files and folders, are needed. A beginning course in the Internet or Operating Systems would be helpful.

CMP 273
Website Development II
3 credits
Offered every spring semester
Prerequisite: CMP 272
This course prepares the student to develop advanced websites for use in all areas of society. The student will learn and use a wide variety of website development tools at advanced levels. Applications and skills taught will include, but not be limited to, Dreamweaver, HTML, XHTML, XML, Fireworks, and Flash, all current standards in industry.

CMP 280
Database Design and Development
3 credits
Offered upon request
This course is designed to provide individuals with a complete introduction to database concepts and the relational database model. Topics include QBE, SQL, normalization, design methodology, DBMS functions, database administration, and other database management approaches, such as client/server databases, object oriented databases, and data warehouses. At the completion of this course, students should be able to understand a user's database requirements and translate those requirements into a valid database design. Students should have already completed CMP 170 Database Management with Microsoft Access or possess equivalent knowledge.

CMP 281
Advanced Database Design and Development
3 credits
Offered upon request
Offered in Gila County only
Prerequisite: CMP 280
This course is an intermediate programming course for vocational computer majors and students transferring to universities in a business program. Course concentration includes ADO, .NET, DataSets, XML data sources, web-services, user-defined functions and .NET framework integration.

CM 291
CIS Practicum
5 credits
Offered every fall and spring semester
Prerequisite: CMP 100
A course to provide the computer major with an opportunity to gain work experience in the field of computers. The course makes use of all computer courses in the major and will be taken during the student's last semester of the degree or certificate course sequence.

CMP 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Computers.

CMP 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Computers.

CM 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

COOPERATIVE EDUCATION

Eastern Arizona College offers cooperative education courses for students who have selected a career objective. Designed to give students the opportunity to learn through supervised work experiences, the course integrates students’ educational activities with on-the-job learning opportunities. Meetings with the coordinator are designed to assist students in identifying activities and competencies they will complete on the job. This can include learning job survival skills, improving technical skills, and developing effective human relations and communications skills.

The courses are designed to serve students from all disciplines who wish to experience supervised on-the-job training as part of their skills, upgrade their positions, or move to new career areas through job-related experiences and goals described in a written training plan.

Credit is based on total hours completed in the on-the-job learning during the semester as follows:
- 75 hours (5 hrs/week) - 1 credit
- 150 hours (10 hrs/week) - 2 credits
- 225 hours (15 hrs/week) - 3 credits
- 300 hours (20 hrs/week) - 4 credits

Before participating, you should:
- Select and begin pursuing a career objective.
- Be employed in, or be able to be placed in, a job that is related to your career objective, and with a supervisor (employer) who is willing to participate in the Cooperative Education experience.

A student may enroll in Cooperative Education each semester until earning a maximum of eight credits.
COE 101
Job Seeking Strategies
1 to 2 credits
Offered upon request
This course is designed to help students develop the necessary paperwork to apply for jobs. Includes application, cover letter, résumé, references, letters of recommendation, and thank you notes. Communication and interviewing skills are developed and live interviews are conducted.

COE 111
Cooperative Education I (Occupational)
1 to 4 credits
Offered every fall and spring semester Activity/Personal Enrichment
Project plus 75 lab hours per credit.

COE 112
Cooperative Education II (Occupational)
1 to 4 credits
Offered every fall and spring semester Activity/Personal Enrichment
Project plus 75 lab hours per credit.

COE 113
Cooperative Education III (Occupational)
1 to 4 credits
Offered every fall and spring semester Activity/Personal Enrichment
Project plus 75 lab hours per credit.

COE 121
Cooperative Education I (Non-Occupational)
1 to 4 credits
Offered every fall and spring semester Activity/Personal Enrichment
Project plus 75 lab hours per credit.

COE 122
Cooperative Education II (Non-Occupational)
1 to 4 credits
Offered every fall and spring semester Activity/Personal Enrichment
Project plus 75 lab hours per credit.

COE 298
Workshop
1 to 3 credits
Offered upon request Activity/Personal Enrichment
Designed to meet a variety of needs for students in Cooperative Education.

COE 299
Independent Study
1 to 3 credits
Offered upon request Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.
COS 127  Manicuring II  
4 credits  
Offered upon request  
Prerequisite: COS 125 or concurrent enrollment in COS 125  
Second course for students seeking a cosmetology or manicuring license. Emphasis is on additional skill building in areas covered in Manicuring I including bacteriology, sanitation, and disinfection, safety in the salon, and professional image.

COS 131  Haircutting, Scalp Treatment, and Tinting I  
5 credits  
Offered upon request  
Instruction in all basic haircutting techniques. Introductory corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

COS 133  Haircutting, Scalp Treatment, and Tinting II  
4 credits  
Offered upon request  
Prerequisite: COS 131 or concurrent enrollment in COS 131  
Additional instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

COS 135  Haircutting, Scalp Treatment, and Tinting III  
4 credits  
Offered upon request  
Prerequisite: COS 133 or concurrent enrollment in COS 133  
Advanced instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

COS 137  Haircutting, Scalp Treatment, and Tinting IV  
2 credits  
Offered upon request  
Prerequisite: COS 135 or concurrent enrollment in COS 135  
Professional instruction in haircutting techniques. Professional corrective scalp treatment, massage, hair reconditioning, current methods of hair coloring, bleaching, special effects, color corrections, and a skin patch test.

COS 150  Manicuring III  
4 credits  
Offered upon request  
Prerequisite: COS 127 or concurrent enrollment in COS 127  
Third course for students seeking a manicuring license. Focus on additional skill building in areas covered in Manicuring I and II, including anatomy and physiology, the nail and its disorders, the skin and its disorders, and client consultation.

COS 152  Manicuring IV  
4 credits  
Offered upon request  
Prerequisite: COS 150 or concurrent enrollment in COS 150  
Final manicuring course for students seeking a manicuring license. Focus on polishing all manicuring skills in preparation for a mock state board exam. Additional instruction in salon management and nail product/services sales.

COS 201  Science for Cosmetology Instructors  
1 credit  
Offered upon request  
This course covers instructional techniques for teaching, demonstrations of the safe use of chemicals, safety precautions in the use of electricity and electrical equipment, and cosmetic chemistry. Theory and practical procedures are explained and demonstrated for each topic. Students must have a current cosmetology license and instructor permission.

COS 203  Management for Cosmetology Instructors  
3 credits  
Offered upon request  
This course covers instructional techniques for teaching and mastering an introduction to personal improvement, Arizona laws and rules governing cosmetology business ethics, telephone techniques, receptionist techniques, and shop management. Student must have a current cosmetology license and instructor permission.

COS 205  Instructing in Cosmetology I  
3 credits  
Offered upon request  
This course covers correct instructional procedures pertaining to manicuring, shampooing, finger waving, haircutting, and curl construction; enabling student instructors to stress all safety precautions and to demonstrate their manipulative skills to students clearly and confidently. Student must have a current cosmetology license and instructor permission.

COS 206  Instructing in Cosmetology II  
3 credits  
Offered upon request  
Prerequisite: COS 205 or concurrent enrollment in COS 205  
This course covers basic instructional methods and techniques for the effective observation and assistance to experienced instructors, in the performance of their duties, to perform skill demonstrations in chemical applications. Student must have a current cosmetology license and instructor permission.

COS 207  Instructing in Cosmetology III  
3 credits  
Offered upon request  
Prerequisite: COS 206 or concurrent enrollment in COS 206  
This course covers basic instructional methods and techniques for the effective instruction of students in the skills of haircutting with razor and scissors, observing and performing guidelines, roller placement, and the clear and enthusiastic demonstration of all skills needed. Student must have a current cosmetology license and instructor permission.

COS 208  Instructing in Cosmetology IV  
3 credits  
Offered upon request  
Prerequisite: COS 207 or concurrent enrollment in COS 207  
This course covers designing lesson plans, demonstration schedules, theory schedules, quizzes and examinations, and observing and absorbing human relations in dealing with students and patrons. Student must have a current cosmetology license and instructor permission.

COS 240  Cosmetology Refresher I  
1 to 6 credits  
Offered upon request  
Professional level of instruction in permanent waving, chemical straightening, curling, shampooing, and hairstyling. Advanced instruction in haircutting techniques, hair color, bleaching, special effects, and color correction. Students will be instructed in these advanced techniques to ensure salon readiness.

COS 241  Cosmetology Refresher II  
2 to 6 credits  
Offered upon request  
Prerequisite: COS 240 or concurrent enrollment in COS 240  
Professional level of instruction in advanced cosmetology techniques. Instructors will work individually with each student to help them achieve the cosmetology hours needed to better hone their practical skill in the industry. Students will be instructed in the advanced techniques to attain jobs in other states and to be thoroughly skilled in all aspects of the cosmetology curriculum.

COURSE DESCRIPTIONS
This course on leadership is designed to provide the student with an opportunity to research, review, and understand various characteristics of personal leadership.

This course provides service learning opportunities for students. The primary purpose is to instill personal value and appreciation for giving back to the community through service activities. This course also helps instill the importance of professional work traits, which can help students succeed as they enter the community workforce.

Three days of sessions and activities taught by EAC faculty, staff, and returning students are returning students that have achieved academic and social success at EAC. Mentors will accompany and assist in teaching new students about student services, academic support, campus and community navigation, EAC technology, campus safety, study skills, time and money management, social integration, job finding skills, career exploration, etc.

Break-out sessions, self-reflection exercises, keynote speakers, and small group discussions will be utilized to educate, inform, and create relationships to promote a new student’s post-secondary experience. Working to improve the student’s college readiness and social integration, this course is also designed to develop reading comprehension and basic math skills in students with deficiencies.

This course introduces the student to the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

A continuation of DAN 134. This course introduces the student to the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

Study and performance of a variety of dance styles for media dance entertainment to include modern, ballet, jazz, tap, and ballroom.

This course introduces the student to the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

This course is designed to develop reading comprehension and basic math skills in students with deficiencies.

This course is designed to develop reading comprehension and basic math skills in students with deficiencies.

This course is designed to develop reading comprehension and basic math skills in students with deficiencies.

The study of ballet technique through the traditional exercises with proper awareness of style and phrasing.

This course introduces the student to the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

A continuation of DAN 134. This course introduces the student to the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

A continuation of DAN 134. This course introduces the student to the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

A continuation of DAN 134. This course introduces the student to the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

This course is designed to develop reading comprehension and basic math skills in students with deficiencies.
DAN 210
Intermediate Folk Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Fundamental dance skills in folk dance.

DAN 211
Intermediate Folk Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 210.

DAN 212
Intermediate Square Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Dance skills in Western styles of square, stomp, and round dances.

DAN 213
Intermediate Square Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 212.

DAN 214
Intermediate Western Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Dance skill in Western styles.

DAN 215
Intermediate Western Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 214.

DAN 222
Intermediate Jazz Dance I
1 credit
Offered upon request
Activity/Personal Enrichment
Dance skills in jazz.

DAN 223
Intermediate Jazz Dance II
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of DAN 222.

DAN 232
Intermediate Ballet I
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 133 or instructor approval
The study of ballet technique through the traditional exercises with proper awareness of style and phrasing and introduce pointe work.

DAN 233
Intermediate Ballet II
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 232 or instructor approval
Continuation of DAN 232.

DAN 234
Intermediate Clogging I
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 135
A continuation of DAN 135. This course expands the learner’s knowledge of the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

DAN 235
Intermediate Clogging II
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: DAN 234
A continuation of DAN 234. This course expands the learner’s knowledge of the fundamental dance skills of clogging. Clogging is a traditional style of percussive folk dance which involves rhythmic foot tapping that can be danced to any style of music.

DAN 240
Dance Repertory
1 credit
Offered upon request
Activity/Personal Enrichment
The study of performance skills from pre-classic to contemporary dance forms, including folk repertory.

DAN 241
Dance Composition
2 credits
Offered upon request
Activity/Personal Enrichment
A study of the choreographic process which makes use of content, form, and technique while examining the elements of time, space, and energy. Analyzes choreographed works in all areas of dance and recreates some dances for learning purposes.

DAN 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

DAN 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

DENTAL ASSISTING EDUCATION

DAE 100
Introduction to Dental Assisting
3 credits
Offered every fall semester
Offered in Gila County only
Prerequisite: DAE 107 or concurrent enrollment in DAE 100
This course provides the student with an overview of the dental assisting profession, members of the dental healthcare team, professional code of ethics in the field of dentistry, and the legal requirements for the field of dentistry.

DAE 101
Dental Health and Safety
3 credits
Offered every fall semester
Offered in Gila County only
This course provides the student with an overview of the dental assisting profession, members of the dental healthcare team, professional code of ethics in the field of dentistry, and the legal requirements for the field of dentistry.

DAE 105
Oral Health and Dental Disease Prevention
3 credits
Offered every fall semester
Offered in Gila County only
Prerequisite: DAE 100, DAE 101, and BIO 160 or HCE 156 or concurrent enrollment in DAE 100, DAE 101, and BIO 160 or HCE 156
The learner will classify dental caries, discuss early childhood caries, and explain the importance of saliva related to tooth decay, explain the goal of CAMBRA, describe the prevalence of periodontal disease, identify the two basic types of periodontal disease and list and describe the seven basic care types.

DAE 107
Science in Dentistry
4 credits
Offered every spring semester
Offered in Gila County only
Prerequisite: DAE 105
This is an introductory course to bio-sciences as it relates to the oral embryology and histology; hand and neck anatomy, and tooth morphology. This course provides information on regions of the face (landmarks) and oral cavity. Upon completion, students will identify planes and associated body direction used to divide the body into sections and describe the four levels of organs of organization of the human body.

DAE 109
Patient Information and Assessment
3 credits
Offered every spring semester
Offered in Gila County only
Prerequisite: DAE 107 or concurrent enrollment in DAE 107
This course focuses on the preclinical skills needed for delivered dental care including the importance of managing patient records. Students will be trained on patient vital signs assessments and the role of the dental assistant in a medical emergency. Students will be introduced to the principles of pharmacology.

DAE 112
Radiographic Imaging in Dentistry
4 credits
Offered every spring semester
Offered in Gila County only
Prerequisite: DAE 107 or concurrent enrollment in DAE 107 or instructor permission
This course provides the student with an overview of radiographic imaging. Explains how x-rays are produced, and identifies types of radiation. The student will also understand the effects of radiation and how radiation is measured. Radiation safety is discussed in this course.
DRAFTING TECHNOLOGY

**DRF 104 Blueprint Reading**
2 credits  
Offered upon request  
Interpreting technical drawings and accompanying specifications. Emphasizes technical terms and symbols, industrial standards and tolerances. Reading of working drawings and sketches, basic drafting fundamentals and techniques are covered. Designated for non-drafting technicians.

**DRF 108 Technical Drafting**
2 credits  
Offered every fall semester  
Course is designed for students with little or no drafting background. Course content includes use of drafting equipment, drafting techniques, lettering, geometric construction, multi-view, isometric, section view, and auxiliary view drawings. All drawings will meet the ASME Y14.5M standard for dimensioning and drafting layout.

**DRF 150 Dimensioning and Tolerancing**
1 credit  
Offered every spring semester  
An intensive course covering basic and advanced dimensioning techniques. Emphasis is placed on the ANSI Y14.5M standard for geometric dimensioning and tolerancing.

**DRF 154 Introduction to AutoCAD**
2 to 3 credits  
Offered every fall and spring semester  
Students will gain hands-on experience using AutoCAD computer drafting software. Emphasis is placed on the integration of 3D solid modeling and 2D drafting output. All drawings will meet the ASME Y14.5M standard.

**DRF 160 Descriptive Geometry**
3 credits  
Offered every fall semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154  
The study of lines, planes, successive auxiliary views, intersection of planes, angles between planes, developments, parallelism, perpendicularity, and the relationships between various geometric elements. All drawings will meet the ASME Y14.5M standard.

**DRF 170 Residential Architecture**
2 to 3 credits  
Offered every spring semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154  
Students will be instructed in residential architecture drafting techniques required to design and draft floor plans, exterior and interior details, and structural representations. The course will use architectural CAD software to develop a full set of residential house plans. All drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 207 CADD Workshop**
1 credit  
Offered upon request  
For high school and community college teachers, or other interested individuals, wishing to advance their knowledge and skills in the area of Computer Assisted Design and Drafting (CADD). This short-term course is geared to meet the various levels of CADD expertise from beginning to advanced. Attendees will be divided into skill level groups and areas of interest. Basic technique and commands will be covered for the beginning skill level and advanced techniques will be covered for attendees with experience in the CADD field.

**DRF 220 Parametric Solid Modeling**
3 credits  
Offered every spring semester  
Prerequisite: DRF 154 or concurrent enrollment in DRF 154 or instructor approval  
This course uses the latest in parametric modeling technology (SolidWorks & Autodesk Inventor) in the study of mechanical drafting, threads and fasteners, detail and assembly drawings, section views, and basic dimensioning and tolerancing techniques. Parametric modeling simulates manufacturing processes, and completed solid models can be easily transferred to production tools such as 3D printers or CNC machines. All drawings will meet the ASME Y14.5M standard.

**DRF 230 Civil Drafting**
3 credits  
Offered every fall semester  
Prerequisite: DRF 154  
Studies basic elements of map drafting including symbols, plotting contour lines, grid maps, elevation and profiles, closed and open traverse, legal descriptions, grading, volumes, street construction, and basic use of GPS systems. All drawings will meet the ASHTO Green Book, American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 232 Structural Drafting**
2 to 3 credits  
Offered every spring semester  
Prerequisite: DRF 154  
A study of the basic elements of structural drafting including symbols, dimensioning, design, and detail drawing of steel and concrete structures. All drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 235 Arc Geographic Information Systems I**
2 credits  
Offered upon request  
Prerequisite: DRF 230 with a grade of "C" or higher or instructor approval  
This course provides an introduction to Arc Geographic Information Systems (GIS) concepts and GIS databases. Students will learn processes related to manipulating spatial and tabular data, querying a database, presenting data clearly, and effectively using maps, reports, and charts.

**DRF 236 Arc Geographic Information Systems II**
3 credits  
Offered upon request  
Prerequisite: DRF 235 with a grade of “C” or higher  
This course utilizes advanced Arc Geographic Information Systems (GIS) concepts and GIS databases. Students will design and create a GIS project using geodatabase and validation rules while learning to edit topology and perform spatial analysis.

**DRF 260 Commercial Architecture**
2 to 3 credits  
Offered upon request  
Prerequisite: DRF 154  
Course will focus on the use of CAD in the area of commercial architectural facilities layout and design. Projects involve the creation of commercial floor plans, external elevations, and site plans. Emphasis is placed upon meeting the customer needs, local building codes, and industry standards. All drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements.

**DRF 270 Advanced AutoCAD**
2 to 3 credits  
Offered every spring semester  
Prerequisite: DRF 154  
Course examines how to use advanced AutoCAD software capabilities. Students will focus on system customization including menu development. Advanced drafting techniques, assembly part modeling, and drafting applications will also be included.

**DRF 287 Drafting Capstone Project**
2 credits  
Offered every spring semester  
Prerequisite: DRF 170 and DRF 230 with a grade of “C” or higher and prior or concurrent enrollment in DRF 220, or instructor approval  
This is an end-of-program capstone project course to allow students the opportunity to create a complete drafting and design project from start to finish in one of the principal drafting related areas emphasized throughout the degree program: architectural, civil, or mechanical. Successful completion of this course will validate competencies from previous coursework. All architectural and civil drawings will meet the American Architectural Graphic Standards, the International Building Code, the International Residence Code, ADA, and any additional local building and zoning requirements. All mechanical drawings will meet the ASME Y14.5M standard.

**DRF 297 Workshop**
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Drafting Technology.

**DRF 298 Workshop**
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Drafting Technology.
Course Descriptions

DRF 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

EARLY CHILDHOOD EDUCATION

ECE 100
Foundations of Early Childhood Education
3 credits
Offered every fall semester
Introduction to the field of Early Childhood Education including history, philosophy, and the application of child development techniques. Includes assessment techniques for observing and recording behaviors, communication skills, guidance techniques, developmentally appropriate practices and the role of the teacher in early childhood settings. Observation and participation hours in a childhood setting required.

ECE 102
Early Childhood Curriculum
3 credits
Offered every fall semester
This course provides the student with an introduction to methods and materials to assist young children three to five years of age in the learning process. Emphasis will be placed on assessment of children's learning, arrangement of indoor/outdoor space, music and movement, dramatic play and creative media. Students will locate, plan, implement, and evaluate creative learning activities using a variety of methods and materials.

ECE 105
Health, Safety, and Nutrition
3 credits
Offered every fall semester
Nutrition education, menu planning, childhood diseases and illness, and sanitation and safety in group settings will be introduced. Protecting the health and safety of young children and promoting the development of lifelong health habits. Communication with health professionals and parents on health, safety, and nutrition issues will be included for children birth through age eight.

ECE 110
Infants and Toddlers Development
3 credits
Offered every spring semester
This course will provide the students with an introduction to the principles of development in children from birth through 36 months. Emphasis will be placed on individuality of child and the adult role in providing a safe, stimulating environment for the development of the very young child.

ECE 120
Guiding Children's Social Development
3 credits
Offered every spring semester
Students will gain knowledge in a study of positive guidance and discipline techniques that can be used to encourage children to develop self-discipline and responsibility for their own actions. Students will also learn the importance of assessing, understanding, and enhancing the development of communication skills of young children to help guide and develop a child's self-image. Students will learn how to translate information presented into related skills and procedures that support children's social development.

ECE 150
Practicum: Direct Field Experience Birth to Preschool
2 credits
Offered every fall and spring semester
Prerequisite: ECE 100, ECE 102, ECE 105, ECE 110, ECE 120, or instructor approval
Supervised experience in the education, guidance and care of young children birth through age eight. Course begins with four weeks of classroom instruction on developmentally appropriate curriculum, guidance techniques, and age appropriate activities. Students will complete first aid certification, and must show proof of fingerprint clearance before student is placed at a center for lab.

ECE 171
Child Growth and Development
3 credits
GE category: Social Sciences
Offered every spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
This course gives students a broad, comprehensive view of the science of human development at each stage of development from conception through adolescence. Considers the biological, cognitive, physical, and social aspects of development from a knowledge base of theory, research, and current issues. Students will apply learning to developmentally appropriate principles and practices that guide relationships and learning experiences for all children. Additional discussion will include family, culture, ethnicity, and gender. This course is identical to PSY 171.

ECE 210
Home, School, and Community Relations
3 credits
Offered every spring semester
This course will stress the importance of family. The course objectives will include the specific attitudes, philosophies, and practical techniques that teachers in any setting can find useful in building relationships with families.

ECE 220
Introduction to Early Childhood Special Education
3 credits
Offered every fall semester
An introductory level course with an emphasis on current educational practices and related educational theories including identification, causes, and characteristics of exceptional learners birth through age eight. An overview of the history of special education, assessment, intervention and curriculum will be introduced. Observation and participation hours in a special education setting required.

ECE 240
Child Development Portfolio and Assessment Preparation
3 credits
Offered every fall and spring semester
Prerequisite: Instructor approval
Includes an in-depth review of the functional areas providing the basis for the Child Development Associate competency and gives step-by-step approach of activities necessary to complete the CDA Assessment process.

ECE 281
Children's Literature
3 credits
GE category: Humanities
Offered every fall semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Introduction to children’s literature with a focus on how to effectively choose and use children’s literature in educational and other contexts. Considers selection guidelines, storytelling, interpretation, and evaluation of children’s books. Students will discuss developmentally appropriate practice in the selection of books and stories for children. Identical to EDU 281 and ENG 281.

EDU 200
Introduction to Education
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Overview of the historical, political, economic, social, and philosophical factors that influence education and make it so complex. Opportunity for students to assess their interest and suitability for teaching.

EDU 222
Introduction to Special Education
3 credits
Offered every spring semester
An introductory level course with an emphasis on the history of special education in society and the United States, legal influences on the provision of special education services to disabled students, and characteristics and instructional approaches to educating disabled children.

EDU 230
Cultural Diversity in Education
3 credits
Offered every fall semester
Examination of the relationship of cultural values to the formation of the child’s self-concept and learning styles. Examination of the role of prejudice, stereotyping and cultural incompatibilities in education. Emphasis on preparing future teachers to offer an equal educational opportunity to children of all cultural groups.
COURSE DESCRIPTIONS

EDU 233
ESL/SEI Methods I
3 credits
Offered upon request
This course provides the student with methods of planning, developing, and analyzing lesson plans in all content areas using English Language Learners (ELL) Standards. Emphasis is on components of curriculum content, teaching strategies, development/evaluation/adaptation of teaching materials, and the role of culture in learning. Student will examine the alignment of ELL Proficiency Standards to the state and national academic standards. This course also covers multiple assessment techniques, tracking of student progress using the AZELLA assessment, and use of assessment results for placement and accommodation.

EDU 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course intended to meet a variety of needs for Education students.

EDU 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

EDU 234
ESL/SEI Methods II
3 credits
Offered upon request
The training provides the participant with methods of planning, developing, and analyzing lesson plans in all content areas using ELL Standards in order to teach children who are learning English as a second language. The emphasis is on ELL Proficiency Standards, assessment objectives, recent changes in SEI requirements, teaching strategies, development/evaluation/adaptation of teaching materials and the role of culture in learning. The course examines the alignment of ELL Proficiency Standards to the Arizona Language Arts Academic Standards. The course covers alternative methods of assessment, and analysis of the use of AZELLA assessment. This training prepares participants for ethnically diverse classrooms. This training covers 45 hours toward the ADE requirement for teaching certification renewal.

EDU 281
Children's Literature
3 credits
GE category: Humanities
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or instructor approval
Introduction to children's literature with a focus on how to effectively choose and use children's literature in educational and other contexts. Considers selection guidelines, storytelling, interpretation, and evaluation of children's books. Students will discuss developmentally appropriate practice in the selection of books and stories for children. Equivalent to ECE 281 and ENG 281.

EDU 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Education.

EDU 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ELT 101
Fundamentals of Electricity and Electronics
3 credits
Offered upon request
This course is an introductory course into the basic principles of electricity and electronics theory with emphasis of electrical applications. The course will also introduce the student to the study of various blueprints, schematics, wiring diagrams and symbols as they are used in practical industrial applications.

ELT 110
Electricity and Electronics
3 credits
Offered every fall semester
This course is an introductory course into the basic principles of electricity and electronics theory with a heavy emphasis on industrial applications. Students will be introduced to the study of various blueprints, schematics, wiring diagrams and symbols as they are used in practical industrial applications.

ELT 112
AC Electrical Systems
3 credits
Offered every fall semester
This course is an introductory course of Alternating Current (AC) theory and systems with a heavy emphasis on industrial application and settings. The course will introduce the student to transformers, electrical measuring test equipment, single and polyphase motors, motor controls, AC generation, and troubleshooting skills.

ELT 115
Conduits and Raceways
2 credits
Offered every fall semester
This course is an introductory course of conduit installation and bending as well as raceways, with a heavy emphasis on industrial applications and settings. The course will introduce the student to various conduit types and sizes as well as the tools and equipment used to cut, bend, thread, and install electrical conduit. Wire pulling and termination will also be included.

ELT 119
Process Measurement Instrumentation I
3 credits
Offered every spring semester
This course is an introductory course in industrial process measurement and instrumentation. This course will introduce the student to various industrial processes of pressure, temperature, level, flow, weight, force, position, and analytical measurement. The course also discusses the various instruments used in process measurements.

ELT 120
Process Measurement Instrumentation II
3 credits
Offered every spring semester
Prerequisite: ELT 161
This course supplements concepts studied in ELT 161 and continues to analyze industrial process measurement and instrumentation. The course will allow the student to continue a study of the various industrial processes of pressure, temperature, level, flow, weight, force, position, and analytical measurement.

ELT 171
Process Control Instrumentation
3 credits
Offered every spring semester
Prerequisite: ELT 161 or concurrent enrollment in ELT 161
This course is an introductory course into the basics of Process Control instrumentation. This course examines the various industrial processes and how to control them through the use of electrical, electronic, and pneumatic automatic controllers. Course involves each student in different modes of process controls such as on/off and proportional and integral and derivative modes. It also deals with interfacing process measurement signals to controller inputs and connecting controller outputs to a final control element.

ELT 181
Electronic Components
3 credits
Offered every fall semester
Prerequisite: ELT 112 with a grade of "C" or higher or instructor approval
This course is an introductory course into electronic components that are used in present day electronic devices. This course will delve into semiconductor theory and the manufacture and design of semiconductor components. It will also cover analog as well as digital components not to be limited to the following semiconductor devices: diodes, silicon controlled rectifiers (SCR's), bipolar junction transistors, field effect transistors (FET's), operational amplifiers (OP-AMPS), digital logic gates, microprocessors, random access memory (RAM), and read only memory (ROM). The student will also be introduced to common circuits that employ these devices such as oscillators, amplifiers, flip-flops, multivibrators, shift registers, counters, frequency dividers, and microprocessor circuits.

ELT 191
Substation Maintenance
3 credits
Offered every fall semester
Prerequisite: ELT 110, ELT 111 and ELT 112
This course will introduce the student to the various types of electrical power distribution substations employed by many industrial and utility companies. It will also cover substation switching configurations, distribution substation configurations, substation components, switchgear maintenance and testing, circuit breaker fundamentals, maintenance and testing, and storage batteries maintenance and testing. Fundamentals of protective relays and testing are also covered as well as transformer testing and transformer oil and gas testing procedures.
ELT 251  
National Electric Code  
2 credits  
Offered upon request  
Prerequisite: ELT 112 or instructor approval  
This course will introduce the student to the current National Electric Code (NEC) regulations and standards. The NEC provides regulations and standards pertaining to electrical components and systems including wiring methods, materials, conductors, overcurrent protective devices, branch circuits and feeders, grounding, transformers, services, special locations, and calculations. The purpose of the NEC is the practical safeguarding of persons and property from hazards arising from the use of electricity.

ELT 271  
Programmable Logic Controllers  
3 credits  
Offered every spring semester  
Prerequisite: ELT 112 or instructor approval  
This course introduces the student to the principles of Programmable Logic Controllers (PLCs). This course emphasizes the applications and implementation of PLCs as used in industrial control settings. It analyzes the interfacing of inputs, outputs, and development of ladder logic control programming. The course will subject the student to elementary, intermediate, and advanced programming functions as commonly used in PLCs.

ELT 272  
Motors and Motor Controls  
3 credits  
Offered every fall semester  
Prerequisite: ELT 112  
This course introduces the student to the various types of direct current and alternating current motors as well as single and polyphase motors. The course will also demonstrate various types of motor controls such as relay logic, use of sensors and variable speed control schemes. The student will learn to take voltage, current and resistance measurements to troubleshoot motors and control circuits. Students will learn to use and interpret schematics, blueprints, and diagrams to troubleshoot circuits and design and construct motor control circuits.

ELT 297  
Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
A course designed to meet a variety of needs for students in Electronics.

ELT 298  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
A course designed to meet a variety of needs for students in Electronics.

EMT 103  
Emergency Medical Technician  
9 credits  
Offered every fall and spring semester  
Prerequisite: Admission to Eastern Arizona College's EMT Program. Introductory course for students to learn skills to recognize and properly treat illness and injury in the pre-hospital setting. Successful completion of the course leads to the opportunity to test for certification by the National Registry of EMT’s and the Arizona Department of Health Services. A total of 12 hours of clinical experience and 12 hours of vehicular experience will be scheduled in the Emergency Department and on the ambulance to provide direct, hands-on experience with a variety of patients.

EMT 110  
Emergency Medical Responder  
2 credits  
Offered upon request  
This course is focused on basic life support as performed by a healthcare provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills.

EMT 121  
Cardiopulmonary Resuscitation  
1/2 credit  
Offered every fall and spring semester  
This course follows the American Heart Association guidelines for knowledge and skill in cardiopulmonary resuscitation and AED at the healthcare provider level. Learning focuses on the skills involved in helping an individual with airway obstruction, respiratory arrest, and/or cardiac arrest.

EMT 122  
First Aid and CPR  
2 credits  
Offered every fall and spring semester  
This course is focused on basic life support as performed by a healthcare provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills. Identical to HCE 101 and HPE 190.

EMT 150  
Emergency Medical Technician Refresher  
2 credits  
Offered every spring semester  
Prerequisite: Current CPR card issued by National Heart Association (Health Care Provider) or American Red Cross (Professional Rescuer). CPR card may be expired within one year as a new AHA BLS card will be issued after completion of the course. Proof of current state or NREMT certification. Expired certification is acceptable as long as it is less than two years expired prior to start of class. Failed attempt on NREMT exam is also acceptable. The prospective student will submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office prior to registration. This course is designed to meet National Registry and Arizona Bureau of EMS (BEMS) recertification requirements for the EMT. Enhances the knowledge base of the Emergency Medical Technician (EMT) and reinforces basic skill competencies. BLS for Healthcare Providers will also be completed during the course and a CPR card issued upon completion.

EMT 170  
Vehicular Extrication and Trauma Care  
1/2 credit  
Offered upon request  
This course provides a review, as well as some new insights into vehicular extrication and providing patient care to the trauma patient. This course is interactive and designed to challenge the participant in the areas of knowledge base, decision-making, and application of skills.

EMT 180  
EMS Instructional Strategies  
2 credits  
Offered every fall semester  
Prerequisite: Instructor approval  
This course is conducted in cooperation with the Arizona Department of Health Services, Bureau of Emergency Medical Services (EMS). It follows National Emergency Medical Services Education Standards (NEMSES) set forth by the National Highway and Traffic Safety Administration (NHTSA). It is designed to prepare and make eligible the participant for approval as an EMT instructor in the State of Arizona.

EMT 200  
Paramedic Prep Course  
2 credits  
Offered upon request  
Prerequisite: Proof of current NREMT or Arizona EMT certification and current BLS CPR healthcare provider card  
Prepares the EMT to begin paramedic training. Covers review of EMT knowledge, human anatomy and physiology, math calculation and EKG interpretation. Designed to prepare students to pass paramedic entrance exams and to improve their success in paramedic school.

EMT 210  
Paramedic I  
12 credits  
Offered upon request  
Prerequisite: Admission to Eastern Arizona College’s Paramedic Program. HCE 112 and BIO 160 or BIO 201 and BIO 202 with a grade of “C” or higher. Concurrent enrollment in EMT 219 and EMT 220. The Paramedic Training Program follows the guidelines set forth by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CAEMS). Concurrent enrollment in EMT 210, 212, and 214 is the study of emergency medical care and evaluation and treatment of injuries. The program focuses on both technical and practical knowledge while providing in-depth skills training to evaluate and treat a wide variety of both medical and trauma emergencies in the prehospital setting. Progression of learning includes didactic/laboratory integrated with or followed by additional clinical/field experience. Student will be responsible to pay an additional fee for Fidap as part of the course fees.
EGR 1102 C Programming I 3 credits
GE category: AAS degree only
Offered upon request
A comprehensive introduction to the C language; preparation and writing of programs using C, using current programming techniques. A prior programming language is helpful. For engineering majors. Identical to CMP 130.

EGR 102 Introduction to Engineering 4 credits
Offered every fall and spring semester
Prerequisite: MAT 120 or higher with a grade of "C" or higher or placement test score as established by District policy
Engineering design, effective team participation and career preparation. Students are expected to participate in hands-on design projects, develop education/career plans and initiate development of the personal and management skills necessary for lifelong learning.

EGR 150 Digital Logic Design 3 credits
Offered upon request
Prerequisite: MAT 154 or MAT 187 with a grade of "C" or higher or placement test score as established by District policy or instructor approval
This course is designed to satisfy lower division requirements for electrical and computer engineering. Students will learn number systems, coding of information, Boolean algebra, combinational and sequential logic circuit design, and an introduction to logic design using Field Programmable Gate Arrays and VHDL.

EGR 124 Engineering Mechanics I - Statics 3 credits
Offered every spring semester
Prerequisite: MAT 220 and PHY 211 with a grade of "C" or higher or concurrent enrollment in MAT 220 and PHY 211
First semester course on engineering mechanics which includes topics such as problem formulation and solution methods; two- and three-dimensional vector representation of forces, moments and couples; static equilibrium of particles, rigid bodies and engineering structures; analysis of external and internal forces in structures utilizing free-body diagrams; and properties of cross-sectional areas.
EGR 215  
Engineering Mechanics II - Dynamics  
3 credits  
Offered every fall semester  
Prerequisite: EGR 214 with a grade of "C" or higher  
Dynamics is the second of two sophomore level courses dealing with engineering mechanics. This class builds on the concepts learned in the first course (Statistical Mechanics) and looks at bodies which are not in equilibrium. A study of the kinematics and kinetics of particle and rigid body motion. Concepts covered include: force and acceleration, work and energy, and impulse and momentum.

EGR 220  
Circuits I  
4 credits  
Offered every spring semester  
Prerequisite: MAT 260 with a grade of "C" or higher, or concurrent enrollment in MAT 260.  
This course covers the basic principles of both direct current and alternating current electric circuits. Topics include Kirchoff's Laws, simple resistive circuits, node and mesh equations, operational amplifiers, inductors and capacitors and the first and second order circuits involving them, phasors, and transformers.

EGR 233  
Mechanics of Materials  
3 credits  
Offered upon request  
Prerequisite: EGR 214 or higher and a grade of "C" or higher  
Students will learn the fundamental concepts of stresses and strains, deformations and displacements, elasticity and inelasticity, strain energy, and load carrying capacity. Students will also analyze and design structural members subjected to tension, compression, torsion, and bending.

EGR 250  
Plane Surveying  
3 credits  
Offered every spring semester  
Prerequisite: MAT 181 with a grade of "C" or higher or MAT 187 with a grade of "C" or higher or instructor approval  
This course provides an introduction to plane surveying. Students learn principles and practices of general surveying, chaining, leveling, stadia, and extensive field work using a variety of industry-standard instruments and techniques.

EGR 255  
Thermodynamics  
3 credits  
Offered upon request  
Prerequisite: Prior or concurrent enrollment in MAT 220 required  
Thermodynamics is a basic science that deals with energy and energy changes. This course covers the basic principles of Thermodynamics and presents real-world applications and problems so that students can gain an understanding of physical and chemical changes that are influenced by the energy of systems.

EGR 296A  
Mineral Resource Engineering Seminar  
1 credit  
Offered upon request  
This professional seminar provides a first opportunity for undergraduate students to examine and discuss topics in mineral resource engineering. The course features industry speakers describing current challenges and technology innovations in the broad area of mineral resources. Students develop skills in information retrieval, technical writing, and verbal presentation. Appreciation of sustainable development and the technical needs of the Mine of the Future are developed.

EGR 298  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
A course designed to meet a variety of needs for students in Engineering.

EGR 299  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

ENG 054  
Basic Writing Skills Lab  
1 credit  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Concurrent enrollment in ENG 055 required  
Practice in grammar, mechanics, and usage to develop clear and effective writing. Lab is self-paced, focusing on individual needs.

ENG 055  
Basic Writing Skills  
3 credits  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: Placement testing or equivalent and concurrent enrollment in ENG 054 required  
Individual and group instruction in basic writing skills.

ENG 089  
Reading Improvement Lab I  
1 credit  
Developmental course - does not count for graduation credit  
Offered upon request  
An open entry/open exit developmental course for students who wish to improve vocabulary, comprehension, and critical reading skills. Lab is self-paced, focusing on individual needs. Recommended for students at the tenth grade or higher reading level.

ENG 090  
Reading Improvement Lab II  
3 credits  
Developmental course - does not count for graduation credit  
Offered every fall semester  
Emphasizes improvement in comprehension and related reading and thinking skills.

ENG 091  
Reading Improvement II  
3 credits  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Emphasizes improvement in comprehension and related reading and thinking skills. Completion meets AAS graduation reading requirement.

ENG 095  
Interactive English Lab  
1 to 3 credits  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
An open entry/open exit course which emphasizes listening comprehension, sentence structure, vocabulary, and pronunciation through the use of the Rosetta Stone software.

ENG 098  
Writing Lab  
1 credit  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
An open entry/open exit developmental course for students not concurrently enrolled in a composition course who wish to improve grammar, mechanics, and usage skills. Lab is self-paced, focusing on individual needs.

ENG 099  
Writing Fundamentals Lab  
1 credit  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Practice in grammar, mechanics, and usage to develop clear and effective writing. Lab is self-paced, focusing on individual needs.

ENG 100  
Writing Fundamentals  
3 credits  
GE category: AAS degree only  
Offered every fall and spring semester  
Prerequisite: ENG 055 with a grade of "C" or higher or placement test score as established by District policy and concurrent enrollment in ENG 099 required  
Practice in reading and writing sentences, paragraphs, and short essays; intensive review of basic grammar.

ENG 101  
Written Communications I  
3 credits  
GE category: Composition  
Offered every fall and spring semester  
Prerequisite: ENG 100 with a grade of "C" or higher or writing placement test score as established by District policy and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher  
Emphasizes clear and effective writing and critical reading. Students generate a minimum of 7,000 words including revisions throughout the semester. Students with borderline placement scores will benefit from taking the English lab (ENG 110 - Written Communications I Lab) that is designed to accompany ENG 101.

ENG 102  
Written Communications II  
3 credits  
GE category: Composition  
Offered every fall and spring semester  
Prerequisite: ENG 101 with a grade of "C" or higher and reading placement test score as established by District policy or ENG 091 with a grade of "C" or higher  
Continues development of skills and concepts taught in ENG 101. Emphasizes research and critical reading and writing. Students generate a minimum of 7,000 words including revisions throughout the semester.

ENG 110  
Written Communications I Lab  
1 credit  
Offered every fall and spring semester  
A self-paced, open entry/open exit course. One-on-one support for students in ENG 101, emphasizing the processes and skills required for effective narrative, analytic, and source-based writing. In addition, practice in punctuation, grammar, and stylistic concerns as needed on an individual basis.

ENGLISH
ENG 111
Written Communications II Lab
1 credit
Offered every fall and spring semester
A self-paced, open entry/open exit course. One-on-one support for students in ENG 102, emphasizing the processes and skills required for effective literary analysis and source-based writing, including focus on MLA documentation and avoiding plagiarism. In addition, practice in punctuation, grammar, and stylistic concerns as needed on an individual basis.

ENG 113
College Reading
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: ENG 091 with a grade of "C" or higher or placement test score as established by District policy
Emphasizes mastery and application of critical reading strategies for college level texts. Completion meets AA, AAS, AGS, and AS graduation reading requirements.

ENG 131
Introduction to Creative Writing
3 credits
Activity/Personal Enrichment
Offered spring semester in even-numbered years
Prerequisite: ENG 101 with a grade of "C" or higher or concurrent enrollment
Students will produce 3,000-6,000 words of prose and 20 pages of poetry (including major revisions). Students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established writers.

ENG 201
World Literature I
3 credits
Activity/Personal Enrichment
Offered spring semester in even-numbered years
Prerequisite: ENG 101 with a grade of "C" or higher
Selected world literature from ancient times to the Renaissance. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 202
World Literature II
3 credits
Activity/Personal Enrichment
Offered spring semester in odd-numbered years
Prerequisite: ENG 101 with a grade of "C" or higher
Selected world literature from the Renaissance to modern times. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 217
Writing Reflective Essays
3 credits
Activity/Personal Enrichment
Offered every fall and spring semester
Prerequisite: ENG 101 with a grade of "C" or higher
Writing and analyzing personal, reflective essays; exploring the influence of discourse in our identity and world. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 218
Writing About Literature
3 credits
Activity/Personal Enrichment
Offered every fall semester
Prerequisite: ENG 102 with a grade of "C" or higher
Critical reading and analytical writing on poetry, fiction, and drama. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 221
English Literature I
3 credits
Activity/Personal Enrichment
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher
Covers selected literature from the Middle Ages through the Restoration and Eighteenth Century. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 222
English Literature II
3 credits
Activity/Personal Enrichment
Offered every spring semester
Prerequisite: ENG 101 with a grade of "C" or higher
Covers selected literature from the Romantic Period through the present. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 230
Publications I
3 credits
Activity/Personal Enrichment
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher or concurrent enrollment in ENG 101 or instructor approval
Students are responsible for preparing significant portions of Oasis, the yearbook of Eastern Arizona College. They will also participate in the production of EAC's literary magazines. Students will gain experience with desktop publishing and digital imaging as prepress requirements for printing. The curriculum covers principles of journalism, elementary design, and basic photography, with work outside of the class, covering school activities and meeting production deadlines.

ENG 231
Publications II
3 credits
Activity/Personal Enrichment
Offered upon request
Prerequisite: ENG 101 with a grade of "C" or higher or concurrent enrollment in ENG 101 or instructor approval
Students are responsible for preparing significant portions of Oasis, the yearbook of Eastern Arizona College. They will also participate in the production of EAC's literary magazines. Students will gain experience with desktop publishing and digital imaging as prepress requirements for printing. The curriculum covers principles of journalism, elementary design, and basic photography, with work outside of the class, covering school activities and meeting production deadlines.

ENG 232
Poetry Writing
3 credits
Activity/Personal Enrichment
Offered spring semester in odd-numbered years
Prerequisite: ENG 101 with a grade of "C" or higher
Students will write 45 pages of poetry (including major revisions). Students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established poets.

ENG 233
Advanced Poetry Writing
3 credits
Activity/Personal Enrichment
Offered spring semester in odd-numbered years
Prerequisite: ENG 232
Students will write 45 pages of poetry (including major revisions). Students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established poets.

ENG 234
Short Story Writing
3 credits
Activity/Personal Enrichment
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher
Students will write 45 pages of poetry (including major revisions). Students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established poets.

ENG 235
Independent Writing: Poetry
1 to 3 credits
Activity/Personal Enrichment
Offered upon request
Prerequisite: Instructor approval
Students seeking 1 credit hour will write 15 pages of poetry (including major revisions). All students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established poets.

ENG 236
Independent Writing: Fiction
1 to 3 credits
Activity/Personal Enrichment
Offered upon request
Prerequisite: Instructor approval
Students seeking 1 credit hour will write 15 pages of poetry (including major revisions). All students will hone their critical and aesthetic capabilities through analysis and constructive criticism of their own work, the work of their peers, and the work of established poets.

ENG 237
Independent Writing: Nonfiction
1 to 3 credits
Activity/Personal Enrichment
Offered upon request
Prerequisite: Instructor approval
Directed nonfiction writing: essays, journals, and reports. Students confer with instructor throughout semester. To receive departmental elective credit at many universities, English majors should register for 3 credit hours.

ENG 241
American Literature I
3 credits
Activity/Personal Enrichment
Offered every fall semester
Prerequisite: ENG 101 with a grade of "C" or higher
Selected readings from Native beginnings to the Civil War. Students generate a minimum of 2,500 words including revisions throughout the semester.
COURSE DESCRIPTIONS

ENG 242
American Literature II
3 credits
GE category: Humanities, Intensive Writing
Offered every spring semester
Prerequisite: ENG 101 with a grade of "C" or higher
Selected readings from the Civil War to the present. Students generate a minimum of 2,500 words including revisions throughout the semester.

ENG 260
Technical Report Writing
3 credits
GE category: AAS degree only
Offered every spring semester
Prerequisite: ENG 100 or ENG 101
Drafting and revising memos, letters, résumés, proposals, and interpretive reports. Identical to TEC 260.

ENG 281
Children's Literature
3 credits
GE category: Humanities
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Introduction to children's literature with a focus on how to effectively choose and use children's literature in educational and other contexts. Considers selection guidelines, storytelling, interpretation, and evaluation of children's books. Students will discuss developmentally appropriate practice in the selection of books and stories for children. Identical to ECE 281 and EDU 281.

ENG 283
Tutor Training Workshop I
2 credits
Offered upon request
Introductory workshop in tutoring composition; review of writing skills.

ENG 284
Tutor Training Workshop II
2 credits
Offered upon request
Continued improvement of writing and tutoring skills acquired in ENG 283.

ENG 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Projects are chosen by students to meet their individual needs and interests.

ENG 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in the English Program.

FAMILY AND CONSUMER RESOURCES

FCR 130
Sewing for Today
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Basic to advanced clothing instruction. Projects are chosen by students to meet their individual needs, interest, and skill level; primarily part-time or non-major students.

FCR 132
Quilting
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
For students who need or want to learn a variety of quilting techniques. Projects are chosen by students to meet their individual needs and interests.

FCR 134
Advanced Quilting
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
For students who need or want to learn advanced quilting techniques. Projects are chosen by students to meet their individual needs and interests.

FCR 138
Beginning Machine Embroidery
2 credits
Offered upon request
Activity/Personal Enrichment
Beginning machine embroidery. Projects are chosen by students to meet individual needs, interest, and skill level; primarily for part-time and non-major students.

FCR 139
Advanced Machine Embroidery
2 credits
Offered upon request
Activity/Personal Enrichment
Students will provide fabric, all supplies for projects, and embroidery machine.

FCR 143
Beginning Gourmet Cooking
1 credit
Offered upon request
Activity/Personal Enrichment
The art of preparing and serving a variety of gourmet foods and an appreciation of foreign cuisine.

FCR 145
Intermediate Gourmet Cooking
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 143
Skills in the selection, preparation, and serving at the intermediate level of gourmet foods including, but not restricted to, appetizers, vegetables, garnishes, omelets, quiches, soufflés, stir-fry, Italian cuisine, Scandinavian cuisine, microwave cuisine, phyllo dough, Saudi Arabian cuisine, French cuisine, fondue, and turkey and chicken de-boning with dressings.

FCR 147
Advanced Gourmet Cooking
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 145
Skills in the selection, preparation, and serving at the advanced level of gourmet foods including, but not restricted to, appetizers, vegetables, garnishes, omelets, quiche, soufflés, stir-fry, Italian cuisine, Mexican fiesta, German cuisine, Scandinavian cuisine, microwave cuisine, phyllo dough, Saudi Arabian cuisine, French cuisine, fondue, and turkey and chicken de-boning with dressings.

FCR 151
Beginning Cake Decoration
1 credit
Offered upon request
Activity/Personal Enrichment
Prerequisite: FCR 152 or instructor approval
Offered upon request
Activity/Personal Enrichment
Students will learn the basic principles and methods of cake and pastry baking, decorating, and sales. Instruction is given on the history of cakes, kitchen safety, selection and mixture of ingredients, cooking procedures, cake assembly, decoration techniques, cake preservation, and associated entrepreneurial activity.

FIRE SCIENCE

FSC 100
Introduction to Fire Science
3 credits
Offered upon request
This course is intended to familiarize new firefighters or persons who are interested in the field of fire protection with the basics of the fire service, including the history, traditions, terminology, organization, and the basic operations of modern fire departments.
FSC 101 Fire Department Operations I 6 credits
Offered upon request
Offered in Gila County only
This course is primarily designed for new fire department recruits or students wishing to become structural firefighters. The course covers all aspects of fire department operations including equipment and personnel policies. Preparation for Arizona Structural Fire Fighter certification through the Arizona Center for Fire Service Excellence (ACFSE) using International Fire Service Accreditation Congress (IF-SC) standards and testing.

FSC 102 Fire Department Operations II 5 credits
Offered upon request
Offered in Gila County only
Prerequisite: Prior or concurrent enrollment in FSC 101 required
This course is primarily designed for new fire department recruits or students wishing to become structural firefighters. Emphasis is on the chemistry of fire, building construction, administrative policies, and techniques of firefighting. Preparation for Arizona Structural Fire Fighter certification through Arizona Center for Fire Service Excellence (ACFSE) using International Fire Service Accreditation Congress (IF-SC) standards and testing.

FSC 106 Hazardous Materials First Responder Operations 2 credits
Offered upon request
Offered in Gila County only
This course prepares students to function as first responders at the operations level. Emphasis is on the basic characteristics of hazardous materials, hazardous materials laws and regulations, and the components of a planned response. Preparation for Arizona Structural Fire Fighter certification through the Arizona Center for Fire Service Excellence (ACFSE) using International Fire Service Accreditation Congress (IF-SC) standards and testing.

FSC 110 Fire Hydraulics 2 credits
Offered upon request
Offered in Gila County only
This course is intended to familiarize firefighters or persons who are interested in the field of fire protection with the complexities of pumping or moving water for firefighting activities.

FSC 115 Rescue Practices for Fire Service 3 credits
Offered upon request
Introduction to skills necessary to assess, extricate, and care for victims in emergency situations. This course also includes an overview of fire service-based rescue, rescue operations and incident management, and civilian versus firefighter rescue. Also includes an overview of technical rescues.

FSC 120 Fire Apparatus and Equipment 3 credits
Offered upon request
Offered in Gila County only
This course will familiarize the student with automotive apparatus (pumpers, aerial ladders, lift platforms, hose wagons, transports, and utility vehicles), water towers, heavy auxiliary mechanical equipment and appliances, generators, compressors, rescue and forcible entry tools, and cutting torches.

FSC 130 Fundamentals of Fire Prevention 3 credits
Offered upon request
Offered in Gila County only
Introduction to the principles of fire prevention. Includes authority, responsibility, and organization of fire prevention, inspection procedures and reports, fire hazard recognition, building construction, and occupancy classifications. Also includes site access and means of egress, water-based fire protection and water supply systems, portable extinguishers, special agent, extinguishing systems, and fire detection and alarm systems, plans review, hazardous materials and flammable and combustible liquids, and storage, handling, and use of other hazardous materials.

FSC 135 Strength and Fitness for Fire Service 2 credits
Offered upon request
Offered in Gila County only
The course offers the students the aspects of fitness for firefighting. Students will learn how to develop strength, cardiovascular endurance and flexibility in a participatory learning environment. Course sessions will address aerobic and strength training, proper lifting, warm-up and flexibility techniques, training principles and elements of wellness. Proper handling of fire service equipment will be introduced.

FSC 140 Fire Protection Systems 3 credits
Offered upon request
Offered in Gila County only
In this course the student will learn the principles of fire protection systems. Includes portable and fixed fire extinguishing equipment, automatic sprinkler and deluge systems, rate of temperature rise and smoke detecting devices, and alarm systems.

FSC 145 Arson Detection and Investigation 3 credits
Offered upon request
Basic principles of arson investigation. Includes an introduction to fire investigation, laws, fire causes, determining point of origin, evidence, fire setters, case investigation and preparation, and courtroom demeanor and testimony.

FSC 150 Basic Wildland Firefighting 3 credits
Offered upon request
The course is presented through a series of lectures and field exercises. It includes factors affecting wildland fire behavior; the start and spread of fires; how fuels, topography, and weather conditions affect fire spread; and how to recognize dangerous situations on the fireline.

FSC 160 Enhanced Fitness Activities for Fire Science 3 credits
Offered upon request
Progress in this course is assessed using baseline physical fitness measurements and comparing them to post-physical fitness measurements at the end of the semester. The same tests are used for baseline and post-physical fitness testing: 3-minute step test, sit-ups, push-ups and sit-and-reach flexibility test. Each student is required to show improvements in all physical fitness test performances after a semester of regular aerobic, strength-training and flexibility workouts. There is no threshold level that students need to reach in order to “pass” their tests. Attendance is required for regularly scheduled workouts.

FSC 201 Patient Stabilization 2 credits
Offered upon request
This course is intended to familiarize new medical responders or persons who are interested in the field of emergency medical technology with the knowledge, skills, and tactics necessary to facilitate in basic emergency medical operations in both emergency and non-emergency situations. This course is also intended as a preparatory course for students who plan to go on to take Emergency Medical Technician (EMT) training.

FSC 204 Firefighting Tactics and Strategy 3 credits
Offered upon request
Offered in Gila County only
This course covers fireground tactics and strategies for emergency and non-emergency situations.

FSC 208 Firefighter Safety and Building Construction 3 credits
Offered upon request
Offered in Gila County only
This course covers building construction types, methods, and materials as well as how a fire may affect a building with an emphasis on firefighter safety and tactics.

FSC 223 Incident Command System 1 credit
Offered upon request
This course is designed to inform the participant how the Incident Command System is used to manage emergency and non-emergency field operations.

FSC 225 Incident Safety Officer 1 credit
Offered upon request
This course is designed to enable the student to identify and analyze health and safety aspects relating to their role as Incident Safety Officer in both emergency and nonemergency situations.

FSC 297 Workshop 1 to 6 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Fire Science.

FSC 298 Workshop 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Fire Science.

FSC 299 Independent Study 1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.
**GEOLOGY**

**GLG 015**
**Rocks and Minerals**
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Identification, classification, and origin of rocks and minerals with emphasis on materials common to Arizona.

**GLG 101 Physical Geology**
4 credits
GE category: Lab Science
Offered every fall semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course covers the fundamentals of geology: rocks, minerals, geologic time, plate tectonics, earthquakes, volcanoes, surface processes, and earth resources. The lab delves into the chemistry of minerals, how rocks form, geologic mapping with GPS, geology in the field, and other fundamental topics. Several field trips are taken each semester.

**GLG 102 Historical Geology**
4 credits
GE category: Lab Science
Offered every spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course is an introduction to the principles and interpretation of geologic history. It emphasizes the evolution of the earth's lithosphere (crust), atmosphere, and biosphere through geologic time. It includes consideration of the historical aspects of plate tectonics, the geologic development of North America, and important events in biological evolution and the resulting assembly of fossils. It provides an appreciation for the vast extent of geologic time, the natural processes affecting change on the earth, and the identification of common fossil types.

**GLG 118 Geology of Arizona**
2 credits
Offered upon request
Geology of Arizona focuses on the unique geological processes and features found in Arizona. The course emphasizes specific regions and features within the state including, but not limited to, the Grand Canyon, Mt. Graham, and the Chiricahua mountains. The course will cover all of the dominant lithology and mineralogy of Arizona as well as the structural and geomorphological history of the region. Field trips will be a dominant feature of the course, comprising at least sixteen hours combined.

**GLG 298 Workshop**
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Geology.

**GLG 299 Independent Study**
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

---

**HEALTH AND PHYSICAL EDUCATION**

**HPE 101 Beginning Physical Activities I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Sections are offered in a variety of physical activities, including individual, dual, and team sports.

**HPE 101C Beginning Body Conditioning I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in developing the basic skills and knowledge in body conditioning.

**HPE 101D Beginning Bowling I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.

**HPE 101F Beginning Football I**
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
A study of the game of football including fundamental techniques such as offensive, defensive, and special teams strategies, rules, and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare student for competition.

**HPE 101G Beginning Golf I**
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.

**HPE 101H Beginning Hiking I**
1 credit
GE category: AAS degree only
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills and knowledge which lead to optimum hiking performance.

**HPE 101I Beginning Jogging I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills in the fundamentals of jogging.

**HPE 101J Beginning Jogging-Hiking I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills and knowledge for jogging and hiking.

**HPE 101N Beginning Poms and Cheers I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills and knowledge for poms and cheers.

**HPE 101P Beginning Racquetball I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
To develop racquetball skills, knowledge of the rules of the game that can be demonstrated during competition, and to increase level of physical fitness.

**HPE 101Q Beginning Swimming I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
To orient students to water. To learn basic swimming techniques and strokes for lifelong fitness.

**HPE 101R Beginning Tennis I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to develop physical fitness and tennis skills that may be demonstrated in competition and games.

**HPE 101S Beginning Volleyball I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

**HPE 101T Beginning Weights I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Weight lifting class designed to increase body strength using free weights and universal weight equipment. Students will learn basic weight lifting techniques and lifts to target particular muscle groups. Students will also learn a lifetime physical fitness skill to increase their level of fitness.

**HPE 101AA Beginning Baseball I**
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
A study of the game of baseball including fundamental techniques, rules, and a brief history of the game.
COURSE DESCRIPTIONS

HPE 101AB
Beginning Varsity Baseball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
A study of the game of baseball including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive baseball techniques and skills and to prepare student for competition.

HPE 101AC
Beginning Basketball I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
This course is designed to teach students the fundamentals of basketball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

HPE 101AD
Beginning Varsity Football I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
A study of the game of football including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive football techniques and skills to prepare students for competition.

HPE 101AE
Beginning Varsity Softball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball and techniques used which include hitting, throwing, catching, and offensive and defensive strategies.

HPE 101AF
Beginning Varsity Volleyball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 101AG
Beginning Varsity Basketball I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
This course is designed to teach students the game of basketball, offensive and defensive strategies of the game of basketball, and to prepare them to participate in competition.

HPE 101AH
Mountain Bike Riding I
2 credits
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: Minimum age 16
This program is designed to educate and improve knowledge of mountain bike riding. This includes knowledge of bike handling and familiarity of local trails.

HPE 101AJ
Beginning Aerobics I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist the student in developing overall physical fitness.

HPE 101AK
Cardio Kickboxing I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is designed to give students an understanding of basic kickboxing footwork and techniques. Students will learn proper stances, kicking, punching, blocks and attitude while increasing their fitness level and flexibility. All set to music!

HPE 101AL
Beginning T’ai Chi Ch’uan I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
An introduction to the ancient Chinese exercise form T’ai Chi Ch’uan, and the oriental philosophies on which it is based.

HPE 101AM
Beginning Varsity Golf I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

HPE 101AN
Beginning Varsity Tennis I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

HPE 101AO
Pilates for Fun and Fitness I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is designed for the student to develop strength, flexibility, and centering by utilizing proper Pilates technique. Also, this course is designed to increase community awareness of various methods for the achievement of wellness and life-long fitness.

HPE 101AP
Beginning Physioball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in learning basic skills and stability on an exercise physioball.

HPE 101AQ
Beginning Mixed Martial Arts I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Beginning Hatha Yoga I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is designed to give the student an understanding of basic kickboxing footwork and techniques. Students will learn proper stances, kicking, punching, blocks and attitude while increasing their fitness level and flexibility. All set to music!

HPE 101AR
Beginning Hatha Yoga I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is designed to give the student an understanding of basic kickboxing footwork and techniques. Students will learn proper stances, kicking, punching, blocks and attitude while increasing their fitness level and flexibility. All set to music!

HPE 101AS
Beginning Body Conditioning II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in learning basic skills and stability through mastery of the mixed martial arts.

HPE 101AT
Beginning Chi Gong I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Physioball
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to improve knowledge of mountain bike riding. This includes knowledge of bike handling and familiarity of local trails.

HPE 101AU
Beginning Bowling II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Offered in Gila County only
Activity/Personal Enrichment
Prerequisite: HPE 101D
Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

HPE 101AV
Beginning Power Walking I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 101AW
Beginning Physical Activities II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of HPE 101.

HPE 101AX
Beginning Body Conditioning II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in developing the basic skills and knowledge in body conditioning.

HPE 101AY
Beginning Bowling II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101D
Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.
COURSE DESCRIPTIONS

HPE 102F
Beginning Football II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101F
A study of the game of football including fundamental techniques such as offensive, defensive, and special teams strategies, rules, and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare students for competition.

HPE 102G
Beginning Golf II
1 credit
GE category: AAS degree only
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Designed to assist students in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.

HPE 102H
Beginning Hiking II
1 credit
GE category: AAS degree only
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Designed to assist the student in learning the basic skills and stability through participating in longer and more difficult mountain hikes.

HPE 102I
Beginning Jogging II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101I
Designed to give students the opportunity to learn warm-up, jog, run, and cool-down using the proper stretching and running techniques.

HPE 102J
Beginning Jogging-Hiking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101J
Student will learn the basic skills and knowledge for jogging and hiking.

HPE 102N
Beginning Poms and Cheers II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101N
A study of the game of football including offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare students for competition.

HPE 102O
Beginning Racquetball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101O
To develop racquetball skills, knowledge of the rules of the game, and offensive and defensive strategies involved in the game. To increase level of physical fitness.

HPE 102Q
Beginning Swimming II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
To orient students to water. To learn basic swimming techniques and strokes for lifelong fitness.

HPE 102U
Beginning Tennis II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101U
Designed to assist students in learning the basic skills and knowledge which lead to optimum tennis performance.

HPE 102X
Beginning Volleyball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101X
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 102Y
Beginning Weights II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Weight lifting class designed to increase body strength using free weights and universal weight equipment. Students will learn basic weight lifting techniques and lifts to target particular muscle groups. Students will also learn a lifetime physical fitness skill to increase their level of fitness.

HPE 102AA
Beginning Baseball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101AA
A study of the game of baseball including fundamental techniques, rules, and a brief history of the game.

HPE 102AB
Beginning Varsity Baseball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101AB
A study of the game of baseball including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive baseball techniques and skills and to prepare students for competition.

HPE 102AC
Beginning Basketball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101AC
This course is designed to teach students the fundamentals of basketball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

HPE 102AD
Beginning Varsity Basketball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101AD
A study of the game of basketball including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive basketball techniques and skills to prepare students for competition.

HPE 102AE
Beginning Varsity Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101AE
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball and techniques used which include hitting, throwing, catching, and offensive and defensive strategies.

HPE 102AF
Beginning Varsity Volleyball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101AF
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 102AG
Beginning Varsity Basketball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101AG
Designed to assist the student in developing overall physical fitness.

HPE 102AL
Beginning T’ai Chi Ch’uan II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101AL or instructor approval
An introduction to the Sun Style Competion Forms and Shibashi Level 2 forms of T’ai Chi Ch’uan.

HPE 102AM
Beginning Varsity Golf II
1 credit
GE category: AAS degree only
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Prerequisite: HPE 101AM
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

HPE 102AN
Beginning Varsity Tennis II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 101AN
Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

HPE 102AN
HPE 102AO
Beginning Physioball II
1 credit
GE category: AAS degree only
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Prerequisite: HPE 101AO
Designed to assist the student in learning basic skills and stability on an exercise physioball.

HPE 102AP
Pilates for Fun and Fitness II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101AP
This course is designed for the student to develop strength, flexibility, and centering by utilizing proper Pilates technique. Also, this course is designed to increase community awareness of various methods for the achievement of wellness and life-long fitness.

HPE 102AY
Beginning Hatha Yoga II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

HPE 102AZ
Beginning Chi Gong II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is a continuation to the movement of ancient Chinese Chi Gong and its philosophy and meditation in movement and preventive medicine.

HPE 102BA
Beginning Swim Aerobics II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist the student in developing overall physical fitness.

HPE 102BB
Beginning Strength and Flexibility Training II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101BB
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 102BC
Beginning Power Walking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101BC
Designed to give students the opportunity to learn warm-up, walk, and cool down using the proper stretching and power walking techniques.

HPE 102BD
Beginning Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 101BD
Designed to teach the fundamentals of the game of softball including rules, hitting, throwing, catching and fielding.

HPE 104
Physical Conditioning and Assessment I
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: Minimum age 13
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 105
Physical Conditioning and Assessment II
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 104
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 163
Theory and Practice of Football
2 credits
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
A study of the fundamental techniques of team play, game strategy, rules, coaching principles and organizational methods.

HPE 165
Theory and Practice of Baseball
2 credits
GE category: AAS degree only
Offered every fall semester
Activity/Personal Enrichment
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles and organizational methods.

HPE 166
Theory and Practice of Volleyball
2 credits
GE category: AAS degree only
Offered every fall semester
Activity/Personal Enrichment
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles and organizational methods.

HPE 167
Theory and Practice of Softball
2 credits
GE category: AAS degree only
Offered every fall semester
Activity/Personal Enrichment
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles and organizational methods.

HPE 169
Theory and Practice of Basketball
2 credits
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
A study of the fundamental techniques of team play and strategy stressing rules, coaching principles and organizational methods.

HPE 170
Lifeguard Training
2 credits
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
The objective of this course is to teach the students the skills and knowledge an individual requires to properly assume lifeguarding responsibilities at a swimming pool, waterpark, or a non-surf water beach.

HPE 172
Water Safety Instruction
2 credits
Offered upon request
Includes a review of water courses the student will be eligible to teach. Teaching methods relative to those courses, general information for instructors, and practice teaching. Whenever possible, practice teaching will be done in actual swimming courses, rather than peer-group simulation of class situations. Swimming skills practices.

HPE 174A
Scuba Diving
1 credit
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Fundamentals of safe scuba diving with emphasis on theory of diving mechanics, physics, physiology and safe practices. This course does not include actual diving and is confined to classroom instruction only.

HPE 180
Introduction to Leadership I
1 credit
Offered upon request
An introduction to teamwork skills including an overview of basic principles as well as assessment and implementation strategies.

HPE 181
Introduction to Leadership II
1 credit
Offered upon request
Prerequisite: HPE 180
To develop and enhance leadership techniques and skills and to prepare students to be leaders.

HPE 190
First Aid and CPR
2 credits
Offered every fall and spring semester
This course is focused on basic life support as performed by a health care provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills. Identical to EMT 122 and HCE 101.

HPE 201
Advanced Physical Activities I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Sections provided in a variety of activities.
### HPE 201C  
**Advanced Body Conditioning I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Designed to assist the student in developing the basic skills and knowledge in body conditioning.

### HPE 201D  
**Advanced Bowling I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 102D  
Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.

### HPE 201E  
**Advanced Football I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102E  
A study of the game of football including fundamental techniques such as offensive, defensive, and special teams strategies, rules, and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare student for competition.

### HPE 201F  
**Advanced Golf I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102F  
Designed to assist the student in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.

### HPE 201G  
**Advanced Hatha Yoga I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 102G  
The student will learn the basic skills and knowledge for jogging and hiking.

### HPE 201H  
**Advanced Poms and Cheers I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 102H  
Designed to assist the student in developing the basic skills and knowledge which lead to optimum poms and cheers performance. An additional fee is required.

### HPE 201I  
**Advanced Weight Lifting**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 102I  
Develop physical fitness and softball skills that may be demonstrated in competition and games.

### HPE 201J  
**Advanced Volleyball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 102J  
Weight lifting class designed to increase body strength using free weights and universal weight equipment. Students will learn basic weight lifting techniques and lifts to target particular muscle groups. Students will also learn a lifetime physical fitness skill to increase their level of fitness.

### HPE 201K  
**Advanced Varsity Softball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 102K  
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball and techniques used which include hitting, throwing, catching, and offensive and defensive strategies.

### HPE 201L  
**Advanced Varsity Football I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102L  
A study of the game of football including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare student for competition.

### HPE 201M  
**Advanced Varsity Basketball I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102M  
A study of the game of basketball including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive basketball techniques and skills and to prepare student for competition.

### HPE 201N  
**Advanced Varsity Tennis I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102N  
Designed to assist the student in developing the basic skills and knowledge which lead to optimum tennis performance.

### HPE 201O  
**Advanced Varsity Baseball I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102O  
Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

### HPE 201P  
**Advanced Varsity Basketball I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: HPE 102P  
Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

### HPE 201Q  
**Advanced Varsity Golf I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102Q  
Designed to assist the student in developing overall physical fitness.

### HPE 201R  
**Advanced Varsity Softball I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102R  
Designed to assist the student in developing overall physical fitness.

### HPE 201S  
**Advanced Varsity Tennis I**  
1 credit  
GE category: AAS degree only  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: HPE 102S  
Designed to assist the student in developing overall physical fitness.

### HPE 201T  
**Advanced Hatha Yoga I**  
1 credit  
GE category: AAS degree only  
Offered upon request  
Activity/Personal Enrichment  
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.
Activity/Personal Enrichment

This course is a continuation to the movement of ancient Chinese Chi Gong and its philosophy and meditation in movement and preventive medicine.

HPE 201BA
Advanced Swim Aerobics I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist the student in developing overall physical fitness.

HPE 201BB
Advanced Strength and Flexibility Training I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102BB
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 201BC
Advanced Power Walking I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102BC
Designed to give students the opportunity to learn warm-up, walk, and cool down using the proper stretching and power walking techniques.

HPE 201BD
Advanced Softball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 102BD
Designed to teach the fundamentals of the game of softball including rules, hitting, throwing, catching, and fielding.

HPE 202 Advanced Physical Activities II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Continuation of HPE 201.

HPE 202A
Advanced Basketball I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202AC
This course is designed to teach students the fundamentals of basketball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

HPE 202B
Advanced Baseball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202AB
A study of the game of baseball including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive baseball techniques and skills and to prepare student for competition.

HPE 202C
Advanced Body Conditioning II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Designed to assist the student in developing the basic skills and knowledge in body conditioning.

HPE 202D
Advanced Bowling II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201D
Designed to assist the student in learning the basic skills and knowledge which lead to optimum bowling performance. An additional fee is required.

HPE 202F
Advanced Football I
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201F
A study of the game of football including fundamental techniques such as offensive, defensive, and special teams strategies, rules, and a brief history of the game. To develop and enhance competitive football techniques and skills and to prepare student for competition.

HPE 202G
Advanced Golf II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201G
Designed to assist the student in learning the basic skills and knowledge which lead to optimum golfing performance. An additional fee is required.

HPE 202H
Advanced Hard Core II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201H
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201J
This course is designed to teach safety techniques and knowledge which may be demonstrated in competition and to increase level of physical fitness.

HPE 202I
Advanced Poms and Cheers II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202I
This course is designed to teach safety techniques and knowledge which may be demonstrated in competition and to increase level of physical fitness.

HPE 202J
Advanced Racquetball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202J
To develop racquetball skills, knowledge of the rules of the game that can be demonstrated during competition, and to increase level of physical fitness.

HPE 202K
Advanced Spanish I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202K
This course is designed to teach safety techniques and knowledge which may be demonstrated in competition and to increase level of physical fitness.

HPE 202L
Advanced Spanish II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202L
This course is designed to teach safety techniques and knowledge which may be demonstrated in competition and to increase level of physical fitness.

HPE 202M
Advanced Tennis I
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202M
To learn basic swimming techniques and strokes for lifelong fitness.

HPE 202N
Advanced Varsity Baseball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202AB
This course is designed to teach students the fundamentals of baseball, prepare them to participate in competition and understand the basic offensive and defensive strategies of the game.

HPE 202O
Advanced Varsity Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202AE
To teach an understanding of the rules of softball and techniques used in softball and games. To develop and enhance competitive softball techniques and skills and to prepare students for competition.

HPE 202P
Advanced Varsity Volleyball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202X
To learn basic swimming techniques and strokes for lifelong fitness.

HPE 202Q
Advanced Varsity Football II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202AD
A study of the game of football including fundamental techniques, offensive and defensive strategies, rules, and a brief history of the game. To develop and enhance competitive football techniques and skills to prepare students for competition.

HPE 202R
Advanced Varsity Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 202AE
Develop physical fitness and softball skills that may be demonstrated in competition and games. To teach an understanding of the rules of softball and techniques used which include hitting, throwing, catching, and offensive and defensive strategies.
HPE 202AF
Advanced Varsity Volleyball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201AF
Designed to develop physical fitness and volleyball skills that may be demonstrated in competition and games.

HPE 202AG
Advanced Varsity Basketball II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201AG
This course is designed to teach students the game of basketball, offensive and defensive strategies of the game of basketball and to prepare them to participate in competition.

HPE 202AJ
Advanced Aerobics II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201AM
Designed to assist the student in developing overall physical fitness.

HPE 202AM
Advanced Varsity Golf II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201AM
Designed to assist college level golfers in furthering their skills and knowledge which will lead to optimum golf performance at the college level.

HPE 202AN
Advanced Varsity Tennis II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 201AN
Designed to assist college level tennis players in furthering their skills and knowledge which will lead to optimum tennis performance at the college level.

HPE 202AY
Advanced Hatha Yoga II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is designed to give the student an understanding of yoga basics for proper breathing and spinal health. The student will learn elementary steps toward meditation to relax and calm the mind using 20 to 30 basic poses and variations thereof.

HPE 202AZ
Advanced Chi Gong II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
This course is a continuation to the movement of ancient Chinese Chi Gong and its philosophy and meditation in movement and preventive medicine.

HPE 202BA
Advanced Swim Aerobics II
1 credit
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Designed to assist the student in developing overall physical fitness.

HPE 202BB
Advanced Strength and Flexibility Training II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201BB
Designed to increase both upper and lower body strength and total flexibility using a combination of resistance training and flexibility training.

HPE 202BC
Advanced Power Walking II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201BC
Designed to give students the opportunity to learn warm-up, walk, and cool down using the proper stretching and power walking techniques.

HPE 202BD
Advanced Softball II
1 credit
GE category: AAS degree only
Offered upon request
Activity/Personal Enrichment
Prerequisite: HPE 201BD
Designed to teach the fundamentals of the game of softball including rules, hitting, throwing, catching and fielding.

HPE 204
Physical Conditioning and Assessment III
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 105
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 205
Physical Conditioning and Assessment IV
1/2 to 2 credits
GE category: AAS degree only
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: HPE 204
Individualized, computerized 30-minute total body workout program designed to improve cardiovascular efficiency, joint flexibility and muscular strength. This program is designed to reduce resting heart rate, percent of body fat, and will aid in lowering levels of stress and blood pressure.

HPE 220
Professional Activity I
3 credits
Offered fall semester in odd-numbered years
Assists the student in learning the skills and teaching methods for golf, football, and basketball. It includes basic techniques, methods, rules, and strategies.

HPE 221
Professional Activity II
3 credits
Offered spring semester in even-numbered years
Assists the student in learning the skills and teaching methods for badminton, soccer, track and field. It includes basic techniques, methods, rules, and strategies.

HPE 262A
Officiating: Volleyball
1 credit
Offered upon request
Rules and mechanics of officiating; training for prospective officials.

HPE 262B
Officiating: Basketball
1 credit
Offered upon request
Rules and mechanics of officiating; training for prospective officials.

HCE 100
Basic Health Care Concepts and Skills
4 credits
Offered every fall and spring semester
Introductory course for the students who are interested in health occupations. Student learning will focus on health care systems, careers in health care, personal qualities of a health care worker, legal responsibilities, and basic knowledge and skills required in the health profession. This course is designed to prepare the student to enter the world of health occupations.
HCE 101 Basic Life Support  
2 credits  
Offered every fall and spring semester  
This course is focused on basic life support as provided by a healthcare provider. The content includes patient assessment, airway management, cardiopulmonary resuscitation, shock, bleeding and wounds, body area injuries, poisoning, burns, cold and heat-related emergencies, bone injuries, medical emergencies, emergency childbirth, and first aid skills. Identical to HPE 130 and EMT 122.

HCE 102 Introduction to Health Information Management  
3 credits  
Offered upon request  
Offered in Gila County only  
An overview of health care delivery systems and mechanisms in the U.S. Includes the medical model of healthcare and delivery in the U.S., public policy, professional roles, legal and regulatory issues, ancillary services, health record and payment systems including the Electronic Health Record (EHR), and computer systems. Also includes health reform initiatives in the U.S.

HCE 103 Computers in Healthcare  
2 credits  
Offered upon request  
Offered in Gila County only  
Introduction to computer applications in healthcare settings including electronic health records, health record content, structure, and origin of clinical information for various healthcare settings. A basic review of federal, state, and organizational documentation guidelines. Legal and ethical issues applicable to health information documentation and coding practices. It is recommended that one introductory course in computers be completed prior to enrolling in this course.

HCE 112 Medical Terminology  
2 credits  
Offered every fall and spring semester  
This course is designed to give direction to the beginning allied health student who has very little experience in scientific or medical subjects. The content includes study of medical terms using a programmed learning, word-building system approach as well as the study of allied health professions, medical abbreviations and symbols, review of basic grammar as it relates to medical terminology, and introduction to basic body structures. Emphasis in the course will be determined by assessing individual and group needs and providing private consultation as well as group instruction to meet those needs.

HCE 114 Math for Medications  
2 credits  
Offered every fall and spring semester  
This course is an introductory course for reading medication documents and accurate calculation of dosages and solutions. The content includes review of basic math, systems of measurement, introduction to medication administration, and dosage calculation.

HCE 116 Medical Dosage Calculations  
2 credits  
Offered every fall and spring semester  
This course involves reading medication documents and accurate calculation of medical dosages and solutions. The content includes math review, systems of measurements, medication administration, dosage calculations, and unit conversions.

HCE 130 Medical Assisting: Administrative Competencies  
4 credits  
Offered every spring semester  
This course is focused on knowledge necessary to perform medical assistant’s administrative duties. The content includes introduction to medical assisting and health profession, ethics, safety, and security in the medical office, integrated administrative procedures, health insurance, medical coding, and billing.

HCE 152 Laboratory Assisting: Overview, Principles and Procedures  
4 credits  
Offered every fall semester  
Prerequisite: HCE 186 with a grade of “C” or higher or concurrent enrollment in HCE 186 or instructor approval; Must be at least 18 years of age at the start of the class; Present current CPR card issued by the American Heart Association (BLS Healthcare Provider) or American Red Cross (Professional Rescuer); Present proof of two-step TB skin test or chest X-ray within the past six (6) months; Present proof of MMR (measles, mumps, & rubella), Hepatitis B, Varicella (chickenpox), Tdap (tetanus, diphtheria, & pertussis) and Influenza Vaccine (Flu Shot) immunizations; Present proof of fingerprint clearance card. The prospective student will submit documentation of the prerequisites with the completed Form of Prerequisites to the Records and Registration Office prior to registration. Practicum in laboratory assisting based in healthcare facilities. Adhering to quality assurance, quality control, infection control, and laboratory safety, students will perform clinical skills for pre-analytical processing of laboratory specimens, initial testing phases, and point-of-care testing using laboratory instrumentation, information systems, and supplies. Performing clerical and computer functions based on medico-legal guidelines for documentation.

HCE 159 Clinical Laboratory Operations  
4 credits  
Offered every spring semester  
Prerequisite: HCE 152  
Overview of laboratory services, laboratory professionals, and the role of a clinical laboratory technician. Understanding of health care reform, reimbursement, cost analysis, coding, credentialing, accreditation, laboratory regulations, and regulatory agencies. Emphasis on process improvement, laboratory mathematics, statistics, documentation, medico-legal implications, education, management and personnel, and specimen integrity. Application of pre-analytical, analytical, and post-analytical principles, infection control, and laboratory safety. Recognition of acceptable quality control and quality management principles, phlebotomy principles, lab equipment, and water requirements. Includes information systems and information management in laboratories. Importance of professional growth, ethical conduct, communicating with the patient and public explored. Review of the laboratory department and the testing performed in each department including specimen requirements and rejection criteria.

HCE 160 Medical Assisting: Clinical Competencies  
6 credits  
Offered every fall semester  
Prerequisite: HCE 100 or NUR 100 or concurrent enrollment in HCE 100 or NUR 100 or instructor approval with a valid/active CNA license  
This course is focused on knowledge necessary to perform clinical competencies as a medical assistant. The content includes emergency procedures and first aid, therapeutic approach, integrated clinical procedures, diagnostic procedures, and laboratory procedures.

HCE 170 Medical Assisting: Extremity  
4 credits  
Offered every spring semester  
Prerequisite: HCE 160  
Designed to provide for student attainment of the entry-level competencies for medical assistant. Placement in an ambulatory health care setting is required for a minimum of 160 hours. In an actual work situation, students will perform both administrative and clinical competencies. Administrative competencies include perform clerical functions, perform bookkeeping procedures, and prepare special accounting entries. Clinical competencies include fundamental principles, specimen collection, diagnostic testing, and patient care. Transdisciplinary competencies will be integrated in both clinical and administrative areas. These include communication, legal concepts, patient instruction, and operational functions. Student must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis.
COURSE DESCRIPTIONS

HCE 171 Introduction to Pharmacology 3 credits
Offered every fall semester
This course assists the student in acquiring the drug knowledge and usage of various drugs. Emphasis is placed on drug classes and the mechanisms of action so that students will understand why certain drugs are prescribed for particular disease states.

HCE 180 Patient Care Technician 4 credits
Offered every spring
Prerequisite: NUR 100 or instructor approval with a valid/active CNA license
This course is focused on patient care services under the supervision of an instructor. Students will learn knowledge and skills necessary to perform mid-level nursing care to complex patients and recognize changes in patient conditions. Contents include but are not limited to infection control, sterile technique, wound care, urinary catheterization, venipuncture, ECG application, neurological observation, and skills in assisting with physical and occupational therapy. Students must have an active and valid certified nursing assistant certification.

HCE 181 Medical Claims Processing 3 credits
Offered upon request
Offered in Gila County only
Prerequisite: HCE 103 or concurrent enrollment in HCE 103
This course allows for the student to understand the application of third-party payer billing information to claims processing in the non-hospital setting. This course also includes the use of computer for claims to ensure confidentiality, data retention, and successful payment for services.

HCE 186 Phlebotomy and Clinical Laboratory 2 credits
Offered every fall and spring semester
The study of accurate, up-to-date, practical information and instruction in phlebotomy procedures and techniques, along with a comprehensive background in phlebotomy theory and principles. Skill includes drawing blood, obtaining blood cultures, using Lancet or a Microlance for a micro-draw or an infant heel stick, and measuring bleeding time. This course requires successful invasive intravenous draws including ten (10) draws using vacutainer system, five (5) draws using butterfly system, and five (5) finger sticks.

HCE 187 Electrocardiogram 2 credits
Offered every fall semester
This course is focused on knowledge and skill necessary to perform electrocardiogram (ECG) monitoring duties. The content includes anatomy and physiology of the cardiac, pulmonary, and vascular systems. ECG interpretation techniques, equipment, and supplies used in telemetry will be covered.

HCE 189 Phlebotomy Certification Review 2 credits
Offered every spring semester
Prerequisite: HCE 186
This course provides comprehensive review of current phlebotomy theory and study plan for phlebotomy licensing. Provides an opportunity for students to test their knowledge and application of current phlebotomy theory both in the classroom and through clinical hours obtained in a working medical facility. Completion of the course requires a minimum of 50 successful venipunctures and 25 capillary punctures. In addition, placement in a clinical setting is required for a minimum of 30 hours. Students must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis. Students must also provide proof of MMR (measles, mumps, & rubella) and Hepatitis B vaccinations. Clinical sites may require additional vaccinations or other medical tests.

HCE 190 Human Body in Health and Disease 4 credits
Offered every fall and spring semester
This course encompasses the study of the basic concepts of human biology which includes anatomy, physiology, biochemistry, cytology, histology, pathology and related pharmacology. Included are the essential anatomical and physiological concepts of the human body’s organ systems. Also included are discussions of growth, development, and aging of the human body. Understanding of these subjects leads to the topic of the psychological development of one’s personality and inter-social relationships. This is based on the concept of the human’s “hierarchy of needs” which is part of this course. Lab activities may be incorporated into the lectures. They will be designed to support or teach concept.

HCE 201 Introduction to International Classification of Diseases (ICD-10) 3 credits
Offered upon request
Offered in Gila County only
Prerequisite: BIO 160 or BIO 202 and HCE 112 and HCE 190 or HCE 240 or concurrent enrollment in BIO 160 or BIO 202 and HCE 112 and HCE 190 or HCE 240
Introduction to principles and applications of the International Classification of Diseases (ICD) coding system and the Healthcare Common Procedure Coding System (HCPCS). Includes overview of coding, introduction to ICD 10th Revision Clinical Modifications/Procedural Coding System (10-CM/PCS), coding conventions, coding guidelines, hospital inpatient, outpatient, and physician-office coding, and overview of HCPCS.

HCE 212 Current Procedural Terminology (CPT) I 1 credit
Offered upon request
Offered in Gila County only
Prerequisite: HCE 210 or concurrent enrollment in HCE 210

HCE 214 Current Procedural Terminology (CPT) II 4 credits
Offered upon request
Offered in Gila County only
Prerequisite: HCE 212 or concurrent enrollment in HCE 212

HCE 216 Professional Practice in Coding and Billing 3 credits
Offered upon request
Offered in Gila County only
Prerequisite: Prior or concurrent enrollment in HCE 214 required
Designed to provide for student attainment of the entry-level competencies for medical coding and billing. Placement in a clinic, physician office, hospital, managed care organization, private billing, or insurance company setting is required for a minimum of 30 hours. In an actual work situation, students will perform both medical coding and billing competencies.

HCE 240 Human Pathophysiology 4 credits
Offered every fall and spring semester
Prerequisite: BIO 202 or concurrent enrollment in BIO 202 or instructor approval
Chemical, biologic, biochemical, and psychological processes as a foundation for the understanding of alterations in health. This course focuses on the etiology, symptomatology, evaluation, treatment, and prognosis of disease processes of the human body system. These may provide awareness of possible implications of certain aspects of diseases, current scientific advances, and selected therapeutics.

HCE 241 Nutrition 3 credits
Offered every fall and spring semester
Prerequisite: HCE 112 and HCE 190 or HCE 240 or HCE 216
Scientific principles of human nutrition. Emphasis on health promotion and concepts for conveying accurate nutrition information in a professional setting. Addresses medical nutrition therapy principles for treatment of common health conditions. Includes exploration of food sources of nutrients, basic metabolism of nutrients in the human body, relationship between diet and other lifestyle factors, use of supplements, current recommendations for food selection throughout the life cycle and use of nutrition tools for planning food intake or assessment of nutritional status.
Laboratory Competencies include the laboratory specimens within the medical collection and transportation of capillary draw. The student will facilitate clinics, doctors’ offices, laboratories, or drawing blood from patients in hospitals. Setting is required. Minimum age 18.

HEATING, VENTILATION AND AIR CONDITIONING

HVA 101 Principles of HVAC-R
1 to 4 credits
Offered upon request
This course gives a history of HVAC-R development. Students learn the relationship between pressure and temperature, and heat transfer and become familiar with different types of HVAC-R units.

HVA 103 HVAC-R Controls
1 to 4 credits
Offered upon request
This course teaches about the different controls that enable the HVAC-R units to operate as designed. The knowledge gained will provide the student with a greater understanding of HVAC-R controls. This will enable the student to work on and repair all major types of HVAC-R units.

HVA 105 Heating System Basics
1 to 3 credits
Offered upon request
This course teaches the different types of heating units used in all applications of the HVAC industry. The knowledge will enable the student to be able to work on and repair all major brands of heating units and will enable the student to maintain a well paid career.

HVA 109 Troubleshooting HVAC-R Systems
1 to 4 credits
Offered upon request
This course teaches the students the techniques required for servicing and repairing all forms of HVAC systems. The student will become familiar with being able to determine what is wrong in a given circumstance by evaluating what is wrong with information the student has learned. This knowledge will also enable the student to maintain a well paying career.

HCE 299 Independent Study
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

HCE 298 Electricity for HVAC-R
1 to 3 credits
Offered upon request
This course is designed for the application of concepts to the real world of HVAC-R. The course is designed with detailed electrical procedures, basic electrical concepts, reading of circuits and meters, identification of components, symbols and wiring diagrams used in air conditioning control systems, installation of contacts, relays, and overloads as well as troubleshooting applicable to the field of HVAC-R technology.

HCE 289 Phlebotomy Practicum
2 credits
Offered every spring semester
Prerequisite: HCE 158 and HCE 189 or concurrent enrollment in HCE 189.
Minimum age 18.

HIS 101 U.S. History to 1877
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Survey and development of western thought, culture, and political history from ancient times to 1860. This course of study includes the rise of the city of Mesopotamia and Egypt, the rise of Greece and Rome, the Byzantine Empire and the Middle Ages in western Europe, the Renaissance and Reformation, exploration and expansion, and the history of religious warfare.

HIS 102 U.S. History Since 1865
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
The United States since 1865. This course of study includes units on industrialization, the development of the west, the progresive era, World War I, the depression, World War II, the Cold War and post-Cold War western world and globalism.

HIS 111 History of China to 1600
3 credits
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Survey the development of Chinese culture and society from early man to the Ming Dynasty and European penetration. Students will become familiar with continuity and change in Chinese history, from distinct features of homo erectus fossil finds in China, through the traditional society encountered by European trappers in the seventeenth century. Topics will include the physical, climatological, and population characteristics of the region, contacts with surrounding cultures, the cultural, philosophical, and religious justifications for centralized imperial rule, traditional social structure, and social roles from the village level to the imperial court, and dynamic emergence, collapse, and reform. Chinese developments in writing, literature, art, science, and engineering will be reviewed at each historical stage.
COURSE DESCRIPTIONS

HIS 112 History of China 1600 to Present
3 credits
Offered every spring semester
Offered in Gila County only
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Survey of the development of Chinese culture and society from the period of early European contact under the Ming Dynasty (1577) through modern political and economic developments in China today. Students will become familiar with social and economic traditions of traditional China, the role of central Asian populations in Chinese polity, and the conservative role of traditional Chinese bureaucracy. Pressures created by European contact, trade, technological change, and conflicts on the borders of China will be described along with centralized efforts to control and resist change. Decline of centralized power in the nineteenth century, the Republican/Nationalist revolution, the emergence of the Chinese Communist Party, and the internal and external wars from 1937 to 1949 will be reviewed. Policies and institutions of the Chinese Communist Party from 1949 through the Great Leap Forward and Cultural Revolution will be studied along with economic, political, and military changes in the Post-Mao era.

HIS 220 History of Mexico
3 credits
GE category: Social Sciences
Offered upon request
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Survey of the political, economic, social, and cultural developments in the history of Mexico from Pre-Columbian times to the present.

HIS 250 Arizona History
3 credits
Offered every spring semester
Geography, geology, pre-history, and recorded history from the Spanish era to modern Arizona. This course of study includes units on Spanish and Mexican rule in Texas, New Mexico, Arizona and California, the U.S. Mexican War, migrations into Arizona, freighting, mining, railroads, territorial government, water, cattle, cotton, the Depression, WWII, Native American tribes, and promoting Arizona.

HIS 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs of students in History.

HIS 299 Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

HOP 100 Personal Health
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Students will gain an understanding of health issues critical to their well-being. This includes body functions in health and disease, ways of maintaining and improving one’s health, means of preventing disorders, understanding common diseases, and the importance of proper curative measures. Students will identify the historical and present day global health issues and their impact on society politically, socially, economically, and psychologically. Required for HPE majors, Sports Studies majors, and Sports Medicine and Rehabilitative Therapies certificates.

HOP 107 Personal Training
3 credits
Offered upon request
Prerequisite: Concurrent enrollment in HPE 104 or HPE 105 or HPE 204 or HPE 205
This course is designed to develop an understanding of the principles of strength and fitness training, including fitness evaluation, exercise prescription, special populations, nutrition and the scientific foundations of continued learning required in an ever-changing field. It will also provide a hands-on application of these principles.

HOP 140 Fitness and Sports Medicine I
1 credit
Offered every fall semester
This course is designed to allow on-field observations of student athletes’ participation in various fitness and athletic events as associated with Sports Medicine.

HOP 141 Fitness and Sports Medicine II
1 credit
Offered every spring semester
Prerequisite: HOP 140 or concurrent enrollment in HOP 140
This course is designed to allow clinical observation of post surgery/trauma rehabilitation and sport specific interventions.

HOP 210 Introduction to Exercise Science and Physical Education
3 credits
Offered every spring semester
An introduction to the disciplines and professions associated with exercise science/kinesiology including an overview of historical and philosophical foundations.

HOP 211 Professional Activities - Weight Training
2 credits
Offered every spring semester
Introduction to basic resistance training principles. This includes history, anatomy, physiology, biomechanics, weight training principles and concepts, program development, and assessment.

HOP 212 Professional Activities - Aerobic Fitness
2 credits
Offered every spring semester
Introduction to basic aerobic fitness principles which includes history, cardio respiratory anatomy, aerobic fitness concepts, program development, and assessment.

HOP 214 Contemporary Sports Management
3 credits
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
An introduction to local, national, and international sport, legal issues, and ethics in sport management, and its influence on society and culture. Assess and analyzes the increasing globalization of the sports industry and develops an understanding of the similarities and differences in sport management practices and applications around the world. Includes current trends in sports research and management. Covers the history of the sports industry, terminology, and career opportunities. Identical to BUS 214.

HOP 240 Fitness and Sports Medicine III
1 credit
Offered every fall semester
Prerequisite: HOP 141 or concurrent enrollment in HOP 141
Course is designed to allow application of techniques observed by students pursuing the Sports Medicine and Rehabilitative Therapies Certificate.
HHP 241
Fitness and Sports Medicine IV 1 credit  Offered every spring semester
Prerequisite: HHP 240 or concurrent enrollment in HHP 240
Course is designed to allow application of techniques observed by students pursuing the Sports Medicine and Rehabilitative Therapies Certificate.

HHP 270
Introduction to Sports Medicine 3 credits  Offered every fall and spring semester
Introductory course designed to provide insight into the athletic training profession: emergency care, daily training room procedures, etc.

HHP 272
Rehabilitative Techniques 3 credits  Offered every spring semester
This course will introduce the student to rehabilitation. Rehabilitation consists of treatment and education designed to help injured patients regain maximum function, a sense of well-being, and the highest level of independence possible. True rehabilitation consists of both psychological and physical recovery.

HHP 274
Sports Nutrition 3 credits  Offered every fall semester
Examination of the relationship between nutrition and the human body. Includes introduction to nutrition, food habits, nutritional components, food selection, nutritional assessment, eating disorders, and using your knowledge.

HHP 276
Sports Psychology 3 credits  Offered every fall and spring semester
Examination of psychological factors that influence sport performance and coaching behaviors and the psychological effects that sport and exercise involvement have on the participant. Includes an introduction to sport psychology and sport history, psychological principles of behavioral development and control, social psychological dimensions of sport and exercise, personality assessment, the study of special athletic populations, coaching roles and behavior, and exercise psychology.

HHP 278
Kinetic Anatomy 3 credits  Offered every fall semester
Examination of anatomical factors that will enhance "hands-on" experiences, teach anatomical structures, present common anatomical conditions, provide basic vocabulary of anatomy.

HHP 290
Prevention and Care of Athletic Injuries 3 credits  Offered every spring semester
Prerequisite: HHP 270
Designed to provide the student with basic knowledge and understanding of the principles of sports medicine, the care and treatment of athletic trauma, and the use of proper conditioning principles for prevention of injury.

HHP 292
Athletic Training Practicum I 3 credits  Offered every fall and spring semester
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

HHP 293
Athletic Training Practicum II 3 credits  Offered upon request
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

HHP 294
Athletic Training Practicum III 3 credits  Offered upon request
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

HHP 295
Athletic Training Practicum IV 3 credits  Offered upon request
To teach and evaluate competencies in acute care of injury and illness, assessment and evaluation, general medical conditions, health care administration, nutritional aspects of injury and illness, pharmacology, professional development and responsibilities, risk management and injury prevention, therapeutic exercise, and therapeutic modalities.

INDUSTRIAL ARTS

IAR 101
Woodworking 2 to 3 credits  Offered upon request
Activity/Personal Enrichment
History of wood technology, use of tools, safety, construction principles, introduction to wood finishes and other wood processes. Students will be charged for some supplies.

IAR 102
Advanced Upholstery 2 to 3 credits  Offered upon request
Activity/Personal Enrichment
Continued advancement in Apache studies. Recommended placement in APA 102 based on completion of APA 101 or equivalent native speaking skills.

LANGUAGES

APA 101
Apache Language I 4 credits  Offered upon request
Activity/Personal Enrichment
Continued advancement in Apache studies. Recommended placement in APA 102 based on completion of APA 101 or equivalent native speaking skills.

IAR 109
Independent Study 1 to 3 credits  Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

IAR 297
Workshop 1 to 6 credits  Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Industrial Arts.

IAR 298
Workshop 1 to 3 credits  Offered upon request
Activity/Personal Enrichment
A course designed to meet a variety of needs for students in Industrial Arts.

IAR 299
Independent Study 1 to 3 credits  Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

ASL 011
Conversational American Sign Language I 3 credits  Offered upon request
Developmental course - does not count for graduation credit
Introduction to Conversational American Sign Language. Emphasizes vocabulary, structure, grammar, dialogue, and narratives.

IAR 120
Machine Woodworking 2 to 3 credits  Offered upon request
Activity/Personal Enrichment
Use of power tools, industrial applications, proper structural relationships, and strength of wood construction. Students will be charged for some supplies.

ASL 012
Conversational American Sign Language II 3 credits  Offered upon request
Continuation of ASL 011.
**COURSE DESCRIPTIONS**

**FRE 1102**  
American Sign Language Lab I  
1 credit  
Developmental course - does not count for graduation credit  
Offered upon request  
Activity/Personal Enrichment  
Emphasizes vocabulary, structure, grammar, dialogue, and narratives. Lab is conducted primarily without voice. Students taking the lab independent of ASL 101 receive 1 credit. Students taking the lab concurrently with ASL 101 receive 0 credit.

**FRE 099**  
American Sign Language Lab I  
1 credit  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of American Sign Language Lab I. Students taking the lab independent of ASL 102 receive 1 credit. Students taking the lab concurrently with ASL 102 receive 0 credit.

**FRE 101**  
Beginning American Sign Language I  
4 credits  
Offered upon request  
Concurrent enrollment in ASL 098G required  
Development of American Sign Language and its application within the deaf community. Emphasizes vocabulary, structure, grammar, dialogue, and narratives.

**FRE 011**  
Beginning Conversational French I  
2 credits  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Emphasizes sentence structure, vocabulary, pronunciation, and study of French-speaking cultures.

**FRE 012**  
Beginning Conversational French II  
2 credits  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Emphasizes sentence structure, vocabulary, pronunciation, and study of French-speaking cultures.

**FRE 020**  
Intermediate French II  
4 credits  
GE category: GE Options  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
Continuation of FRE 201. Intermediate study of French language, with emphasis on speaking, listening, reading, and writing. Course taught in French. Completion of FRE 201 or two or more years of high school French or equivalent experience in a French speaking country recommended.

**FRE 261**  
French Conversation and Composition I  
2 credits  
Offered upon request  
Emphasizes speaking and writing in everyday idiom; employs material based on current topics.

**FRE 262**  
French Conversation and Composition II  
2 credits  
Offered upon request  
Emphasizes speaking and writing in everyday idiom; employs material based on current topics.

**FRE 299**  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in French.

**FRE 298**  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision for students in French Language.

**SPA 011**  
Beginning Conversational Spanish I  
2 credits  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Emphasizes sentence structure, vocabulary, pronunciation, and study of Spanish-speaking cultures.

**SPA 012**  
Beginning Conversational Spanish II  
2 credits  
Developmental course - does not count for graduation credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Emphasizes sentence structure, vocabulary, pronunciation, and study of Spanish-speaking cultures.
SPA 013
Intermediate Conversational Spanish I
2 credits
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Emphasizes sentence structure, vocabulary, pronunciation, and study of Spanish-speaking cultures.

SPA 090
Interactive Spanish Lab
1 to 3 credits
Developmental course - does not count for graduation credit
Offered every fall and spring semester
Activity/Personal Enrichment
An open entry/open exit course which emphasizes listening comprehension, sentence structure, vocabulary, and pronunciation through the use of the Rosetta Stone software.

SPA 101
Elementary Spanish I
4 credits
GE category: GE Options
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
This course is designed for students at the Beginning Spanish I level. Emphasizes speaking, reading, writing, listening comprehension, and culture through a variety of approaches.

SPA 102
Elementary Spanish II
4 credits
GE category: GE Options
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Continuation of SPA 101. Emphasizes speaking, reading, writing, listening comprehension, and culture through a variety of approaches.

SPA 201
Intermediate Spanish I
4 credits
GE category: GE Options
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Intermediate study of Spanish language, with emphasis on speaking, listening, reading, and writing. Course taught in Spanish. Completion of SPA 102 or four years of high school Spanish or equivalent experience in a Spanish-speaking country recommended.

SPA 202
Intermediate Spanish II
4 credits
GE category: GE Options
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Continuation of SPA 201. Intermediate study of Spanish language, with emphasis on speaking, listening, reading, and writing. Course taught in Spanish. Completion of SPA 201 or equivalent experience in a Spanish speaking country recommended.

SPA 261
Spanish Conversation and Composition I
2 credits
Offered upon request
Emphasizes speaking and writing in everyday idiom; employs material based on current topics.

SPA 262
Spanish Conversation and Composition II
2 credits
Offered upon request
Emphasizes speaking and writing in everyday idiom; employs material based on current topics.

SPA 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Spanish.

SPA 299
Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision for Spanish Language students.

MACHINE SHOP

MSP 101
Fundamentals of Machine Shop
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
This course teaches the principles of machining and metal cutting using modern machine tools, hand tools, and precision measuring tools. Students will learn to use all of the five basic machine tools, lathe, milling machine, drilling machines, shaper, and precision grinders.

MSP 102
Materials of Industry
3 credits
Offered every fall semester
This is a study of metals, ceramics, polymers and other commonly used industrial materials. This course explores the extraction, processing, refinement and utilization of a wide variety of industrial materials.

MSP 104
Machine Shop
4 credits
Offered every fall semester
Prerequisite: MSP 101 or MSP 104
This course directs the student in the use of five basic machine tools: drilling machines, lathe, milling machine, shaper, and precision grinders. Students will learn to use precision measuring instruments and layout equipment and to machine projects to print dimensions.

MSP 108
Introduction to Oxyacetylene Welding and Metal Fabrication
3 credits
Offered upon request
Prerequisite: MSP 101
A basic welding and metal fabrication course which stresses theory and application in welding methods including oxyacetylene welding, brazing, cutting, and soldering. Instruction is also given on sheet metal layout and construction. Identical to WLD 108.

MSP 115
Blacksmithing and Fabricating
2 credits
Offered upon request
Activity/Personal Enrichment
This is a course in forging, casting, welding, brazing, hot metal forming, heat-treating and layout, and design of metal parts and projects. Students will learn how to perform the tasks required for metal fabricating for the production of completed metal projects.

MSP 201
Advanced Machine Shop II
3 credits
Offered every fall semester
Prerequisite: MSP 240
This course promotes advanced skill development in the machine shop along with technical theory of machine tool operations. Projects consist of computer numerical control machining and complex machine tool processes.

MSP 260
Pattern Making and Foundry
2 credits
Offered upon request
This course covers the technology of sand casting for part production and the creation of artistic pieces. It includes industrial pattern making techniques and foundry methods.

MSP 270
Advanced Machine Shop III
3 credits
Offered every spring semester
Prerequisite: MSP 101 or MSP 104
A study of the methods of programming computerized numerical controlled machine tools, including continuous path contour planning, use of computer aided manufacturing, software, operating, editing programs and communicating with CNC machines. Using CNC machine tools to produce parts programmed from blueprint specifications.

MSP 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Machine Shop.

MSP 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Machine Shop.
MATHEMATICS

MAT 055 Basic Math
4 credits
Developmental course - does not count for graduation credit.
Offered every fall and spring semester.
A basic course in mathematics. Topics include operations with whole numbers, integers, fractions, and decimals; ratio, proportion, and percent. Additional topics include U.S. customary and metric measurement systems, and geometry.

MAT 077 Elementary Algebra
4 credits
Developmental course - does not count for graduation credit.
Offered every fall and spring semester.
Prerequisite: Placement test score as established by District policy.
An introduction to Algebra. Topics include algebraic expressions, linear equations and inequalities, graphing, exponents, polynomials, factoring, and systems of equations.

MAT 100 Applied Mathematics
4 credits
GE category: AAS degree only
Offered every fall and spring semester.
A survey of mathematical concepts including operations with numbers and fundamental algebraic operations, measurement, geometry, right-triangle trigonometry, and statistical measures of center.

MAT 120 Intermediate Algebra
4 credits
GE category: AAS degree only
Offered every fall and spring semester.
Prerequisite: MAT 077 with a grade of "C" or higher or placement test score as established by District policy.
A continuation of Elementary Algebra. Topics include functions, inequalities, equations, systems of equations, polynomials, and rational expressions and functions.

MAT 140 College Mathematics I
3 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 077 or higher with a grade of "C" or higher or placement test score as established by District policy.
Introduction to algebraic concepts and applications from business, social sciences, the physical sciences, and the mathematics of finance. Recommended completion of at least two years of high school algebra. Appropriate for students whose major does not require College Algebra or Precalculus.

MAT 154 Precalculus Algebra
4 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 120 with a grade of "C" or higher or placement test score as established by District policy.
A first course to prepare students for calculus. Topics include functions, graphs, equations, exponentials, logarithms, and series. Optional topics may include conic sections, sequences, and series.

MAT 156 Principles of Mathematics I
3 credits
Offered every fall and spring semester.
Prerequisite: MAT 140 or higher with a grade of "C" or higher or placement test score as established by District policy.
Mathematical principles and processes underlying mathematics instruction in grades K-8; problem solving, number theory, systems of whole numbers, integers, rational numbers, real numbers, ratios, decimals, and percents.

MAT 157 Principles of Mathematics II
3 credits
Offered every fall and spring semester.
Prerequisite: MAT 140 or higher with a grade of "C" or higher or placement test score as established by District policy.
Mathematical principles and processes underlying current and evolving programs of mathematics instruction in elementary schools, grades K-8; real numbers, geometry and measurement, statistics and probability.

MAT 160 Introduction to Statistics
3 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 140 or higher with a grade of "C" or higher or placement test score as established by District policy.
Applications of mathematics to real-life problems. Quantitative methods including probability, statistics, geometry, algebra, and exponential functions will be used to analyze concepts and applications from business, social sciences, the physical sciences, and the mathematics of finance. Recommended completion of at least two years of high school algebra. Appropriate for students whose major does not require College Algebra or Precalculus.

MAT 171 Finite Mathematics
4 credits
GE category: Mathematics
Offered every spring semester.
Prerequisite: MAT 154 or higher with a grade of "C" or higher or placement test score as established by District policy.
A first course to prepare students for calculus. Topics include functions, graphs, equations, exponentials, logarithms, and series. Optional topics may include conic sections, sequences, and series.

MAT 181 Precalculus Trigonometry
3 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 140 or higher with a grade of "C" or higher or concurrent enrollment in MAT 154 or placement test score as established by District policy.
Mathematical principles and processes underlying mathematics instruction in grades K-8; problem solving, number theory, systems of whole numbers, integers, rational numbers, real numbers, ratios, decimals, and percents.

MAT 200 Calculus I
5 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 181 with a grade of "C" or higher or MAT 170 with a grade of "C" or higher or placement test score as established by District policy.
Introduction to integral calculus and applications of the derivative. Introduction to integral calculus and applications of the integral.

MAT 210 Elements of Calculus
4 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 154 or higher with a grade of "C" or higher or placement test score as established by District policy.
A first course to prepare students for calculus. Topics include functions, graphs, equations, exponentials, logarithms, and series. Optional topics may include conic sections, sequences, and series.

MAT 220 Calculus II
4 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 210 with a grade of "C" or higher.
Continuation of MAT 210. Transcendental functions, techniques of integration, indeterminate forms, improper integrals, numerical methods, infinite series, conics, and polar coordinates.

MAT 230 Calculus III
3 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 220 with a grade of "C" or higher.
Continuation of MAT 220. Vectors, geometry, differentiation, and integration in Euclidean n-space. Line and surface integrals. Theorems of Green, Gauss, and Stokes.

MAT 240 Differential Equations
3 credits
GE category: Mathematics
Offered every fall and spring semester.
Prerequisite: MAT 230 with a grade of "C" or higher.
Basic concepts, ordinary differential equations of first order, higher order linear equations, variation of parameters, undetermined coefficients. Systems of equations, series solutions and Laplace transform methods.

MAT 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs of students in Mathematics.
MDC 112 Understanding Scriptwriting 2 credits
Offered every fall semester
This course provides an introduction to scriptwriting for film and video, the role of the script in media production, format and structure of the script, and basic understanding of scriptwriting for fiction and nonfiction.

MDC 125 Video Color Correction 3 credits
Offered every spring semester
This course covers the foundations of color correction used in film. Exploration of professional techniques used in video color correction including teaching the student how to balance color, manipulate light, and set the tone to successfully enhance a film.

MDC 150 Video Production 3 credits
Offered upon request
An overview of the principles and beginning techniques of video production.

MDC 160 Audio Production and Editing 3 credits
Offered upon request
Course provides an introduction to many aspects of digital audio production. Course teaches basic sound system principles, live sound reinforcement techniques, digital audio recording and editing processes.

MDC 166 Audio Engineering 3 credits
Offered upon request
This course offers instruction in the functions, operation, and use of audio mixers and associated equipment for audio recording for advanced audio production. Training includes advanced audio theory, audio mixing techniques, time-code synchronization, MIDI, music editing, album sequencing, commercial audio production, plus understanding and applying audio-effects. Special topics cover audio structure, aesthetics, usage rights, and employment opportunities.

MDC 168 Audio for Studio and Sound Reinforcement 3 credits
Offered upon request
This course offers instruction in the concepts and functions of studio microphones, audio mixers, sound systems, consoles, amplifiers, speakers, and processors. Focus is on studio recording and sound reinforcement for live venues. Special topics cover audio aesthetics, usage rights, and employment opportunities.

MDC 180 Video Editing I 3 credits
Offered upon request
Course work covers current techniques in non-linear video editing. Students will become familiar with use of computer based editing concepts common to the video editing industry. Students will learn how to author and create a DVD of their completed projects. Students will do research comparisons on equipment and software available for video editing.

MDC 191 Media Practicum I 1 credit
Offered every spring semester
Activity/Personal Enrichment
Designed to provide students with supervised work experience in media communications and to integrate students’ classroom and practical learning opportunities.

MDC 212 Writing the Screenplay 3 credits
Offered every fall semester
Prerequisite: MDC 112 and ENG 100 or higher with a grade of “C” or higher, or writing placement test score as established by District policy, or instructor approval
The emphasis of this course is on telling a visual story. Students are expected to develop and write a short screenplay. This course is a key component for success in other media production classes.

MDC 250 Documentary Video Production 3 credits
Offered upon request
Instruction in documentary video production for television, educational media, and corporate communications. The principles, standards, press rights, and ethics for documentary video production are covered. Students learn the process of producing, shooting, interviewing, and sound recording for video documentaries. Skills include pre-production planning, scheduling, location details, shot lists, and scripting for non-fiction video. Styles/techniques focus on different approaches to documentary production by PBS, BBC, National Geographic, and theatrical information. Special topics cover document story structure, aesthetics, usage rights, ethics, libel, and press laws.

MDC 252 Multi-Camera Video Field Production 3 credits
Offered upon request
This course offers instruction in the functions, operation, and use of mobile multi-cameras and associated equipment for live video and event production. Students learn the process of pre-production location scouting, venue lighting, directing talent, live switching, graphics, audio mixing, and microphones for live location video performances. Training includes location site surveys and safe organization of the equipment and crew within the constraints of both indoor and outdoor venues. All students are cross-trained in crew assignments, operations, equipment set-up and loading. Special topics are location operations, safety, and proper securing of video equipment and cables.

MDC 253 Sports Video Production 3 credits
Offered upon request
This course offers instruction in the functions, operation and use of HD broadcast digital cameras, and associated equipment for live sports video production. Training includes shooting on-location at the EAC football stadium and at the EAC gym for live webcasts. Students learn the process of producing, directing, and special camera operations for Sports Video Production. Students produce EAC sports promos, player highlights, and team profiles that are incorporated into the live webcasts. Opportunities include sports commentating and reporting. All students are cross-trained in crew assignments, operations, equipment set-up, and loading. Special topics are location operations, safety, and proper securing of video equipment and cables.

MDC 254 Cinema Style Video Production 3 credits
Offered upon request
This course offers instruction in digital cinema video production and the specialized cameras, lighting, and grip equipment used in cinematic filmmaking. Students learn the art and technique of visual and narrative storytelling. Training covers cinematic shooting styles using natural and available light plus traditional artificial lighting. Fundamental elements focus on the basics of filmmaking: producing, research, story development, directing, cinematography, sound recording, and post-production editing. Special topics explore different cinema genres, structure, aesthetics, and the vision of the director. Special topics are location operations, safety and proper securing of video equipment and cables.
MIN 297 Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in the Media Communications program.

MUSIC

MIN 121 Surface Mine Safety Training
1 to 2 credits
Offered upon request
Offered in Gila County only

This course will meet U.S. Mine Safety and Health Administration requirements for new miner training for individuals, contractors, and mine employees, when used as part of an approved safety training program.

MIN 297 Workshop
1 to 3 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Designed to meet a variety of needs of students in Mining and Industrial Technology.

MDC 280 Video Editing II
3 credits
Offered every spring semester
Prerequisite: MDC 180 with a grade of “C” or higher or instructor approval
Continuation of MDC 180. This course covers current techniques in non-linear video editing. Students will become familiar with concepts of video trimming, staying in sync, editing in the timeline, changing audio levels, and visual effects. This course will also focus on developing the student’s understanding of the multiple methods a video editor uses to enhance the script’s intent and the final project outcome.

MDC 290 Media Communications Capstone Project
3 credits
Offered every spring semester
Prerequisite: MDC 150, MDC 160, MDC 180, and MDC 212 with a grade “C” or higher, or instructor approval
This course requires students to apply concepts and methods from multiple courses, such as screenwriting, documentary production, cinema production, and post production. Students will be responsible for a semester length project.

MIN 299 Independent Study
1 to 3 credits
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

MUS 012 Private Piano I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Private instruction in piano techniques. A private lesson course fee is required.

MUS 033 Private Instruments I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Private instruction in band and orchestral instruments: flute, oboe, clarinet, bassoon, horn, saxophone, trumpet, trombone, tuba, baritone, guitar and percussion. Instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 013, and range upward for four complete semesters of private study. (One 30-minute lesson per week earns one hour credit). Participation in semester recital is required. A private lesson course fee is required.

MUS 040 Introduction to Chamber Ensemble
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Offered in Gila County only
Activity/Personal Enrichment
Study and performance of a wide variety of chamber music repertoire with weekly coaching sessions of string quartets and trios, piano and in other combinations with other instruments.

MUS 101 World of Music
3 credits
GE category: Humanities
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy
Increases all students’ ability to appreciate and enjoy the masterpieces of music of all periods through the study of styles, forms, and composers, attending/discussing concerts, and listening to recordings.

MUS 111B Marching Percussion I
1 credit
Offered every fall semester
Activity/Personal Enrichment
Study and preparation of percussion music for the marching band. Class is separate from marching band and is required for percussion students from the pit and the battery.

MUS 104 Private Strings I for Non-Music Majors
1 credit
Developmental course - does not count for graduation credit
Offered upon request
Activity/Personal Enrichment
Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. A private lesson course fee is required.

MUS 107 Aural Perception I
1 credit
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 105 required
Sight singing, ear training, and keyboard harmony.

MUS 111 Marching Band I
2 credits
Offered every fall semester
Activity/Personal Enrichment
Teaches basic marching fundamentals. Performs for half-time shows at football games, parades, and reviews music and techniques appropriate to various marching styles. Provides pep band music for the basketball season.

MUS 102 Music Fundamentals
2 credits
Offered every spring semester
Activity/Personal Enrichment
Provides the non-music major with a background in music symbols and notation sufficient to begin work in musical learning. May also introduce some music theory.

MUS 105 Music Theory I
3 credits
Offered every fall semester
Prerequisite: Prior or concurrent enrollment in MUS 107 required
Basic theory needed for development of musicianship and musical understanding; scales, keys, rhythm, triads, part-writing, cadences, dominant sevenths, secondary dominants, and simple modulations.

MUS 106 Music Theory II
3 credits
Offered every spring semester
Prerequisite: MUS 105 with a grade of “C” or higher and prior or concurrent enrollment in MUS 108 required
Continuation of MUS 105.

MUS 111 Marching Band I
2 credits
Offered every fall semester
Activity/Personal Enrichment
Teaches basic marching fundamentals. Performs for half-time shows at football games, parades, and reviews music and techniques appropriate to various marching styles. Provides pep band music for the basketball season.

MUS 111B Marching Percussion I
1 credit
Offered every fall semester
Activity/Personal Enrichment
Study and preparation of percussion music for the marching band. Class is separate from marching band and is required for percussion students from the pit and the battery.
MUS 117  
**Class Instruction in Brass I**  
1 credit  
Offered every fall semester  
Activity/Personal Enrichment  
Elementary group instruction required of instrumental music majors. Includes skills of teaching brass at the elementary level. Upper brass instruments with emphasis on trumpet and French horn.

MUS 118  
**Class Instruction in Brass II**  
1 credit  
Offered every fall semester  
Activity/Personal Enrichment  
Includes skills of teaching brass at the elementary level. Lower brass instruments with emphasis on trombone, baritone, and tuba.

MUS 119  
**Class Instruction in Woodwinds I**  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Includes skills in teaching woodwinds at the elementary level. Single reed instruments with emphasis on flute, clarinet, and saxophone.

MUS 120  
**Class Instruction in Woodwinds II**  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Includes skills of teaching woodwinds on the elementary level. Covers double reed instruments with emphasis on oboe and bassoon.

MUS 121  
**Class Instruction in Percussion I**  
1 credit  
Offered every spring semester  
Activity/Personal Enrichment  
Includes skills in teaching percussion at the elementary level. Percussion instruments with emphasis on standard percussion.

MUS 123  
**Class Instruction in Strings I**  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Includes skills of teaching strings on elementary level. Upper stringed instruments with emphasis on violin and viola.

MUS 124  
**Class Instruction in Strings II**  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Includes skills of teaching strings on elementary level. Lower stringed instruments with emphasis on cello and bass.

MUS 125  
**Jazz Ensemble I**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Studies and performs a wide range of popular and jazz literature to develop musicianship. Auditions will be held.

MUS 126  
**Jazz Ensemble II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 125. Auditions will be held.

MUS 127  
**Men’s Chorus I**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 127.

MUS 128  
**Men’s Chorus II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 128.

MUS 129  
**Women’s Chorale I**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s choruses.

MUS 130  
**Women’s Chorale II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, Concert, Messiah, and Spring Sing concerts.

MUS 132  
**Vocal Show Ensemble I**  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of popular and jazz repertoire. Auditions will be held.

MUS 133  
**Symphonic Choir I**  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 133.

MUS 134  
**Symphonic Choir II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 131.

MUS 135  
**Vocal Show Ensemble II**  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 135.

MUS 136  
**A Cappella Choir I**  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 136. Auditions will be held.

MUS 137  
**A Cappella Choir II**  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 137. Auditions will be held.

MUS 138  
**Chamber Ensemble I**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of chamber music repertoire with weekly coaching sessions of string quartets and trios, with piano and in other combinations with other instruments. Auditions will be held.

MUS 139  
**Chamber Ensemble II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 140.

MUS 141  
**Chamber Ensemble III**  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Open for membership without audition to students from any major field of study as well as faculty and community members. This ensemble is also an outstanding forum for music majors to refine skills on primary or secondary instruments. Required for instrumental music majors.

MUS 142  
**Symphonic Band I**  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Continuation of MUS 142.

MUS 143  
**Symphonic Band II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 143.

MUS 144  
**Mallet Ensemble I**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of mallet music repertoire.

MUS 145  
**Mallet Ensemble II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of mallet music repertoire.

MUS 146  
**Jazz Ensemble I**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of jazz repertoire.

MUS 147  
**Jazz Ensemble II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of jazz repertoire.

MUS 148  
**Symphony Orchestra I**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Studies and performs a wide selection of symphonic literature. Orchestra prepares concerts for public performances and provides accompaniment for music performances. Auditions will be held.

MUS 149  
**Symphony Orchestra II**  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 150.

MUS 150  
**Beginning Guitar**  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Covers the history, style, and development of playing skill on the guitar.
MUS 155
Class Piano I for Music Majors
1 credit
Offered every fall semester
Activity/Personal Enrichment
Fundamentals of piano for the music major. Course will encourage improvement of certain, defined piano skills to enhance performance and musicianship.

MUS 156
Class Piano II for Music Majors
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 155. A private lesson course fee is required.

MUS 157
Chamber Orchestra I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
This course is dedicated to providing musical and educational opportunity to study and perform a wide selection of chamber or small orchestra literature. This orchestra prepares concerts for public performances and provides accompaniment for musical theatre performances.

MUS 158
Chamber Orchestra II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 157.

MUS 161
Private Voice II
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in proper singing techniques using art song literature. A private lesson course fee is required.

MUS 162
Private Voice III
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 161. A private lesson course fee is required.

MUS 163
Jazz Theory and Improvisation I
1 credit
Offered upon request
Activity/Personal Enrichment
A basic course in the study of jazz improvisation. Specifically the study of blues scales and ii/V/I progressions are included within the curriculum. The student will synthesize basic jazz scales into effective jazz solos. Students must play an instrument.

MUS 164
Jazz Theory and Improvisation II
1 credit
Offered upon request
Activity/Personal Enrichment
A basic course in the study of jazz improvisation. Specifically the study of blues scales and ii/V/I progressions are included within the curriculum. The student will synthesize basic jazz scales into effective jazz solos. Students must play an instrument.

MUS 165
Class Piano for Non-Music Majors
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Class instruction of piano keyboard repertoire, technical skills, and keyboard theory commensurate with student's level of achievement. May be taken four times for credit.

MUS 171
Private Piano II
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction on the piano. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 012, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

MUS 172
Private Piano III
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction on the piano. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 012, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

MUS 181
Private Instruments II
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in band and orchestral instruments: flute, oboe, clarinet, bassoon, horn, saxophone, trumpet, trombone, tuba, baritone, guitar, and percussion. A private lesson course fee is required.

MUS 182
Private Instruments III
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 181. A private lesson course fee is required.

MUS 183
Private Strings II
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, MUS 014 and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries required. A private lesson course fee is required.

MUS 184
Private Strings III
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 183. Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, MUS 014 and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries required. A private lesson course fee is required.

MUS 185
Private Voice II
1 credit
Offered upon request
Activity/Personal Enrichment
Private instruction in proper singing techniques using art song literature. A private lesson course fee is required.

MUS 186
Private Voice III
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 185. A private lesson course fee is required.

MUS 187
Private Voice IV
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 186. A private lesson course fee is required.

MUS 188
Private Voice V
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 187. A private lesson course fee is required.

MUS 189
Private Voice VI
1 credit
Offered upon request
Activity/Personal Enrichment
Continuation of MUS 188. A private lesson course fee is required.

MUS 190
Vocal Jazz Ensemble I
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 189. Auditions will be held.

MUS 191
Vocal Jazz Ensemble II
1 credit
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of MUS 190. Auditions will be held.

MUS 203
Music Notation/Finalé
2 credits
Offered upon request
Activity/Personal Enrichment
This course covers the basic techniques of using Finale, a professional-level computer music notation program. Basic knowledge of music theory and computer literacy are recommended.
MUS 225  
Jazz Ensemble III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 126. Studies and performs a wide range of popular and jazz literature to develop musicianship. Auditions will be held.

MUS 226  
Jazz Ensemble IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 225. Auditions will be held.

MUS 227  
Men’s Chorus III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 128. Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s choruses.

MUS 228  
Men’s Chorus IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 227.

MUS 229  
Women’s Chorale III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Accompanied and a cappella women’s literature of all periods studied and performed. Focus on music department literature. Focus on literature for Fall Sing, Christmas Concert, Messiah, and Spring Sing concerts.

MUS 230  
Women’s Chorale IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Accompanied and a cappella women’s literature of all periods studied and performed. Focus on music department literature. Focus on literature for Fall Sing, Christmas Concert, Messiah, and Spring Sing concerts.

MUS 233  
Symphonic Choir III  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 134. Accompanied and a cappella literature of all periods studied and performed. Focus on literature for Fall Sing, Christmas, and Spring Sing concerts. Opportunity for performance in men’s, women’s, and mixed choruses.

MUS 234  
Symphonic Choir IV  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 233.

MUS 235  
Vocal Show Ensemble III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Open to men and women. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC’s vocal show ensemble, known as “Company.”

MUS 236  
A Cappella Choir III  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 137. Accompanied and a cappella literature of all periods studied and performed. Intended to be the top, large vocal ensemble - the touring choir. Focus on literature for Fall Sing, Christmas Concert, Messiah, Tour, and Spring Sing concerts. Auditions will be held.

MUS 237  
A Cappella Choir IV  
2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 236. Auditions will be held.

MUS 239  
Vocal Show Ensemble IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Open to men and women. Study and performance of accompanied and a cappella vocal music, including contemporary pop and jazz songs for various sized groups and voice combinations with choreography as needed. Auditions will be held for EAC’s vocal show ensemble, known as “Company.”

MUS 240  
Chamber Ensemble III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 141. Auditions will be held.

MUS 241  
Chamber Ensemble IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 240. Auditions will be held.

MUS 242  
Symphonic Band III  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Continuation of MUS 143. Open for membership without audition to students from any major field of study as well as faculty and community members. This ensemble is also an outstanding forum for music majors to refine skills on primary or secondary instruments. Required for instrumental music majors.

MUS 243  
Symphonic Band IV  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Continuation of MUS 242.

MUS 245  
Mallet Ensemble III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of mallet music repertoire.

MUS 246  
Mallet Ensemble IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Study and performance of a wide variety of mallet music repertoire.

MUS 251  
Symphony Orchestra III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 152. Studies and performs a wide selection of symphonic literature. Orchestra prepares concerts for public performances and provides accompaniment for music performances. Auditions will be held.

MUS 252  
Symphony Orchestra IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 251. Auditions will be held.

MUS 255  
Class Piano III for Music Majors  
1 credit  
Offered every fall semester  
Activity/Personal Enrichment  
Fundamentals of piano for the music major. The course will encourage improvement of certain, defined piano skills to enhance performance and musicianship.

MUS 256  
Class Piano IV for Music Majors  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Fundamentals of piano for the music major. The course will encourage improvement of certain, defined piano skills to enhance performance and musicianship.

MUS 257  
Chamber Orchestra I  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 158.

MUS 258  
Chamber Orchestra IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 257.

MUS 261  
Private Voice IV  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction in proper singing techniques using art song literature. A private lesson course fee is required.

MUS 262  
Private Voice V  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction in proper singing techniques using art song literature. A private lesson course fee is required.

MUS 271  
Private Piano IV  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Private instruction on the piano. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, 012, and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries is required. A private lesson course fee is required.

MUS 272  
Private Piano V  
1 credit  
Offered upon request  
Activity/Personal Enrichment

MUS 284  
Private Strings V  
1 credit  
Offered upon request  
Activity/Personal Enrichment  
Continuation of MUS 283. Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. All private instruction is given on levels of skill determined by the instructor. Numbers for this instruction begin with the sub-collegiate level, MUS 014 and range upward to four complete semesters of private study. (One lesson per week earns one hour credit.) Participation in semester recitals and/or juries required. A private lesson course fee is required.

MUS 290  
Vocal Jazz Ensemble III  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 191. Designed to meet the need for a small vocal ensemble that can travel and present entertaining variety shows of a professional nature, in the local community and around the state. A variety of pop musical styles will be studied and performed. Auditions will be held.

MUS 291  
Vocal Jazz Ensemble IV  
1 credit  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of MUS 290. Auditions will be held.

MUS 298  
Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in music.

MUS 299  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original music projects under faculty supervision.

NURSING  
NUR 100  
Nursing Assistant  
6 credits  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy and MAT 100 or higher with a grade of "C" or higher or BUS 111 with a grade of "C" or higher or math placement test score as established by District policy or instructor approval.  
A course designed to prepare individuals for entry-level positions as nursing assistants in structured health care settings directly supervised by a registered or licensed practical nurse. Successful completion of the certification written and manual skills exams will lead to a certification as a Certified Nursing Assistant (CNA) through the Arizona State Board of Nursing. Students must take NUR 100G, Nursing Assistant Lab, concurrently with this course. Students must attain a minimum of 120 hours of total instruction, which must include a minimum of 40 hours of classroom instruction, 20 hours in the skills lab, and 40 clinical hours in a skilled nursing facility. The Arizona State Board of Nursing requires for certification include proof of legal presence in the United States and disclosure of felony conviction(s). Fingerprints are required in order for DPS/FBI to conduct background checks for criminal convictions. Students must provide proof of current TB skin test, or a clear chest X-ray, or a statement from a health care provider indicating student is free from symptoms of pulmonary tuberculosis.

NUR 120  
Nursing One  
9 credits  
Offered every fall and spring semester  
Prerequisite: Admission to Eastern Arizona College’s nursing program  
This course creates a foundation of nursing practice for each student. Themes for the program include caring, clinical competency, and nursing identity. This course teaches fundamental elements of nursing practice. Students will provide basic nursing care to stable and older clients in a variety of settings. Instruction will be offered through multiple methods such as didactic, skills lab, online, and in the clinical setting. Entry into NUR 120 requires prior admission to the nursing program.

NUR 130  
Nursing Two  
9 credits  
Offered every fall and spring semester  
Prerequisite: BIO 202 with a grade of "C" or higher, NUR 120 with a grade of "B" or higher, and NUR 219 with a grade of "B" or higher  
This course allows students to build on the foundation of nursing practice by focusing on nursing care of acutely ill hospitalized patients. Themes for the program include caring, clinical competency, and nursing identity. This course teaches medical-surgical nursing. Students will provide nursing care to multiple adult clients in a variety of acute care settings. Instruction will be offered through multiple methods such as didactic, skills lab, online, and in the clinical setting.

NUR 219  
Pharmacology for Nursing  
3 credits  
Offered every fall and spring semester  
Prerequisite: BIO 201 and CHM 130 or higher (CHM 138 preferred) with a grade of "C" or higher  
This course presents the basic foundation of pharmacology taught in the nursing process format. It offers drug information in the group classification format and includes drug indications, actions, contraindications, side effects, implications for administration, and related patient/family teaching. It integrates anatomy and physiology, basic pathophysiology, microbiology, and drug administration concepts.

NUR 240  
Nursing Three  
8 credits  
Offered every fall and spring semester  
Prerequisite: NUR 130 with a grade of "B" or higher  
This course allows students to apply nursing judgment and skills focusing on nursing care of maternal child health and pediatric clients and integrating principles of management and leadership. Themes for the program include caring, clinical competency, and nursing identity. Students will provide nursing care to maternal, newborn, and pediatric clients. Students will also have the opportunity to utilize leadership and management skills in a variety of settings. Instruction will be offered through multiple methods such as didactic, skills lab, online, and in the clinical setting.

NUR 250  
Nursing Four  
10 credits  
Offered every fall and spring semester  
Prerequisite: NUR 240 with a grade of "B" or higher  
This course is designed for students to synthesize nursing concepts and principles from this and previous courses in the provision of care to complex and critically ill clients. Themes for the program include caring, clinical competency, and nursing identity. Students will provide nursing care to critically ill clients in critical care, psychiatric and maternal child settings. Instruction will be offered through multiple methods such as didactic, skills lab, online, and in the clinical setting. A live NCLEX review course is incorporated at the end of this course utilizing a national expert as the speaker.

NUR 297  
Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in the Nursing Program.

NUR 299  
Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in the Nursing Program.

PHYSICS  
PHY 107  
Physical Concepts  
4 credits  
GE category: Lab Science  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy  
Students are introduced to basic physical concepts in mechanics, fluids, heat, sound, optics, electricity, magnetism, atomic and nuclear physics. Recommend completion of one year of high school algebra.
**PHY 111** General Physics I  
4 credits  
GE category: Lab Science  
Offered every fall semester  
Prerequisite: MAT 181 with a grade of “C” or higher, or concurrent enrollment in MAT 181, or MAT 187 with a grade of “C” or higher, or concurrent enrollment in MAT 187, or placement test score as established by District policy, or division approval  
This course covers the fundamental principles of mechanics, waves, thermodynamics, fluids, and periodic motion. Problem solving is on the trigonometric level.

**PHY 112** General Physics II  
4 credits  
GE category: Lab Science  
Offered every spring semester  
Prerequisite: PHY 111  
Covers the fundamental principles of electricity, magnetism, and optics. Problem solving is on the algebraic level, with some trigonometric problems included.

**PHY 211** Physics with Calculus I  
5 credits  
GE category: Lab Science  
Offered every fall semester  
Prerequisite: MAT 220 or concurrent enrollment in MAT 220 required  
Covers fundamental principles of mechanics, fluids, thermodynamics, and wave motion using calculus.

**PHY 212** Physics with Calculus II  
5 credits  
GE category: Lab Science  
Offered every spring semester  
Prerequisite: PHY 211  
Covers fundamental principles of electricity and magnetism. Problem solving using calculus.

**PSY 220** Introduction to Psychology  
3 credits  
GE category: Social Sciences  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
The course presents an analysis of the way individuals think, feel, and behave in social situations and what factors influence our social behavior. The dynamics of individual and group behavior, and the perception of gender and ethnic differences as applied to the development of attitudes and values are also presented.

**PSY 230** Social Psychology  
3 credits  
GE category: Social Sciences  
Offered every fall semester  
Prerequisite: PSY 101 with a grade of “C” or higher, and ENG 091 with a grade of “C” or higher or reading placement test score as established by District policy  
The course presents an analysis of the way individuals think, feel, and behave in social situations and what factors influence our social behavior. The dynamics of individual and group behavior, and the perception of gender and ethnic differences as applied to the development of attitudes and values are also presented.
PSY 270  Experimental Psychology
4 credits
GE category: Social Sciences, Intensive Writing
Offered every spring semester
Prerequisites: ENG 102 with a grade of "C" or higher, and PSY 220 or MAT 160 with a grade of "C" or higher, and PSY 101 with a grade of "C" or higher
This course is an introduction to the experimental and quantitative methods used by psychologists to generate new psychological knowledge, and to determine the generality, validity, and reliability of research data. Laboratory will offer demonstrations as well as direct experience with research methods and techniques, and with methods for the analysis, description, and reporting of research results. Students will design and conduct an experiment as approved by the instructor.

SBM 106  eBay as a Home-Based Business
1 credit
Offered upon request
Offered in Gila County only
This course is designed to provide students the opportunity to learn and practice the skills required to open and operate a successful home-based business using eBay and other Internet auction and resource sites. Basic familiarity with computer operations and the Internet is recommended.

SBM 110  Introduction to Entrepreneurship
3 credits
Offered every fall semester
Introduces the entrepreneurial concepts of business management, including planning, raising capital, using business information, managing employees, and marketing products and services. The course includes the principles needed to operate a business and is designed for those who plan to have their own businesses and for those who desire to upgrade their skills in business management.

SBM 111  Marketing
3 credits
Offered every fall and spring semester
A study of all the business functions performed in getting goods and services from the producer to the consumer, including understanding the customer and designing an appropriate system of products, pricing, promotion, and distribution to meet customer needs.

SBM 121  Supervision
3 credits
Offered every spring semester
This course explores the supervisory skills needed to become a successful supervisor. It accomplishes this objective through coverage of the principles of management: planning, organizing, staffing, leading, and control. Students receive hands-on experience in many situations faced by supervisors.

SBM 211  Financial Management
3 credits
Offered every fall semester
Presents the principles of business financial management, including financial planning, understanding and analyzing financial statements, working capital management, break-even analysis, and raising capital. Emphasis is placed on using financial information for making effective business decisions.

SBM 221  Business Ethics
3 credits
Offered every fall semester
Improving the quality of business decisions and enhancing long-term business success through understanding ethical dilemmas, moral philosophy, character development, social responsibility, organizational culture, and special issues in a global economy.

SBM 231  Business Planning
1 credit
Offered every fall and spring semester
Prerequisite: CMP 101 or CMP 103
Develops skills for writing a business plan on computer, using word processing and spreadsheet software. All areas of a business plan will be covered, including the business market, mission statement, operations, products/services, marketing plan, and financial plan.

SBM 298  Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Small Business Management.

SOC 101  Introduction to Sociology
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Examines the nature and scope of sociology, its terminology and concepts, studies sociological perspectives, social processes, social institutions, development of society, and characteristics of social life.

SOC 110  Marriage and the Family
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Studies practices and theories of how relationships are formed, courting practices and adjustment strategies to couple and marital living as well as problems and conflict resolutions associated with marriage and family life. Also examines how children affect marriage, divorce, and remarriage relationships.

SOC 201  Social Problems
3 credits
GE category: Social Sciences
Offered every fall and spring semester
Prerequisite: ENG 091 with a grade of "C" or higher or reading placement test score as established by District policy
Studies the principal social problems of contemporary America: delinquency, crime, violence, substance abuse, education, minority relationships, aging, population, and ecology. Includes historical background and global perspective of same.

SOC 299  Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.
TECHNICAL EDUCATION

TEC 090
Job Skill Enhancement Using WorkKeys
1 credit
Developmental course - does not count for graduation credit
Offered upon request
This course is a computer-based developmental instructional process in academic-related skills for students in career and technical education programs. The course focuses on learning or upgrading basic math, reading, and locating information skills in preparation for obtaining a National Career Readiness Certificate. This is a recognized certificate which documents student’s academic skill and links these fundamental academic skills to occupational requirements for job success.

TEC 112
Basic Hydraulics and Pneumatics
2 credits
Offered every spring semester
This course provides basic instruction in the principles and applications of fluid power in industrial applications. The course will discuss safety, installation, troubleshooting, basic components, theory and practices of industrial hydraulic and pneumatic systems.

TEC 116
Rigging
1 credit
Offered upon request
This course provides instruction in the use of slings and common rigging hardware. Emphasizes basic rigging techniques, hitch configurations, safe loading practices, and load inspection, as well as the use of American National Standards Institute (ANSI) hand signals.

TEC 118
Equipment Management Systems
1 credit
Offered every fall and spring semester
This course provides instruction in planning and scheduling of manpower and resources. This course’s focus is on asset registration and equipment tracking. Course also includes an overview of non-destructive predictive technologies.

TEC 120
Aviation Ground School I
3 credits
Offered upon request
Instruction in flight theory, navigation, aircraft safety and operation, and federal aviation regulations. Completion of this course prepares and qualifies the student for FAA written exams.

TEC 121
Aviation Ground School II
3 credits
Offered upon request
Prerequisite: TEC 120
A continuation of instruction in flight theory, navigation, aircraft safety and operation, and federal aviation regulations. Completion of this course prepares and qualifies the student for FAA written exam for the Instrument Airplane Rating.

TEC 123
Aviation Ground School
6 credits
Offered upon request
Prerequisite: TEC 120 and TEC 121
Designed to assist the student in preparation for the FAA written exam for the private, commercial and flight instructor license and, if desired, for the instrument rating.

TEC 132
OSHA 10 Training
1/2 credit
Offered upon request
Offered in Gila County only
Students will be introduced to OSHA policies, procedures and standards as well as general industry safety and health principles covered in OSHA Act Part 1910. All OSHA standards will be followed. Upon successful completion of the course, participants will receive an OSHA general industry safety and health 10-hour course completion card from the Department of Labor.

TEC 133
Safety Practices for Industry
1 credit
Offered every fall semester
This course provides a comprehensive study related to hazards and safety practice and procedures within a technical shop environment. The focus of this course is to instill key concepts related to keeping workers and students safe before they enter the workplace. Topics will include proper hazardous material handling and documentation, Material Safety Data sheets, power tool safety, personal protective equipment, first aid, fire prevention, electrical dangers, lockout/tagout, and ways to avoid workplace injury.

TEC 150
Heavy Equipment Operation I
6 credits
Offered upon request
Offered in Gila County only
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results for drugs; Must have successfully completed either OSHA 10 or MSHA Training. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.

Tec 151
Heavy Equipment Operation II
6 credits
Offered upon request
Offered in Gila County only
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results for drugs; Must have successfully completed either OSHA 10 or MSHA Training. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.

Tec 155
Commercial Driver License Application
2 credits
Offered upon request
Offered in Gila County only
Prerequisite: Must be at least 18 years of age at the start of the class; Present proof of valid motor vehicle operator’s license; Present proof of complete drug screen indicating negative results; Physically qualified as outlined by Arizona Department of Transportation; Must have social security card; Must present proof that there have been no DUI convictions for the past five years; Must present proof of satisfactory driving record with no more than three moving violations during the past three years. Submit documentation of the prerequisites with the completed Proof of Prerequisites Form to the Records and Registration Office.

Tec 171
Renewable Energy Technology
2 credits
Offered every fall semester
This course provides an introduction to renewable and alternative energy technologies. Students will learn the following aspects of renewable energy: history, conservation, climate change, passive and active solar systems, wood heat, wind energy, micro-hydro electricity, and bio-fuels.

Tec 172
Photovoltaic Design and Application
2 credits
Offered upon request
This course provides an introduction into the science of active solar energy, converting sunlight into electricity. Students will learn the following aspects of photovoltaic energy: history, basic electricity, solar energy, conversion factors, wiring, site design, installation, and maintenance.

Tec 173
Passive Solar Design and Application
2 credits
Offered upon request
This course provides an introduction into the technology and application of passive solar energy as a renewable and energy efficient form of construction. Students will learn the following aspects of passive solar energy providing heating and cooling: types of solar collectors, water system components, space heating systems, site and sizing criteria, installation procedures, operation and maintenance.

Tec 174
Wind Turbine Design and Application
2 credits
Offered upon request
This course provides an introduction into the science of small wind turbine derived energy, converting wind into electricity. Students will learn the following aspects of small wind turbine energy: history, basic electricity, climate and weather energy, conversion factors, wiring, site analysis, site design, installation, and maintenance. Small wind turbines have <100kw generation capacity.

Tec 175
Introduction to Weatherization
1 credit
Offered upon request
This course prepares students to assess and implement weatherization tactics in order to protect buildings or homes and its interior from the elements.
TEC 176  Building Energy Analyst Training  
5 credits  
Offered upon request  
This course prepares student to test for Building Performance Institute (BPI) Building Analyst Certification.

TEC 191  Industry Internship I  
1 to 4 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: Instructor approval  
Eastern Arizona College offers industry internship courses for students who have selected a specific career objective in an industrial-technical field. Designed to give students the opportunity to learn through supervised work experiences, the courses integrate students’ educational activities with on-the-job learning opportunities. Meetings with the Coordinator are designed to assist students in identifying activities (competencies they will complete on the job), learning job survival and improvement skills, and developing effective human relations and communications skills.

TEC 260  Technical Report Writing  
3 credits  
GE category: AAS degree only  
Offered every spring semester  
Prerequisite: ENG 100 or ENG 101  
Drafting and revising memos, letters, résumés, proposals, and interpretive reports. Identical to ENG 260.

TEC 297  Workshop  
1 to 6 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Technical Education.

TEC 298  Workshop  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Designed to meet a variety of needs for students in Technical Education.

TEC 299  Independent Study  
1 to 3 credits  
Offered upon request  
Activity/Personal Enrichment  
Design and execution of original projects under faculty supervision.

THEATRE AND CINEMATIC ARTS

THC 103  Introduction to Motion Pictures  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Intended to help gain insight and knowledge into the creative processes of filmmaking. This is an opportunity for students to analyze film and key movements within a cultural context.

THC 105  Introduction to Theatre  
3 credits  
GE category: Humanities  
Offered every fall and spring semester  
Prerequisite: ENG 091 with a grade of “C” or higher  
This course is an introductory level survey course intended, through the study of plays and production techniques as well as play attendance, to provide students with a broad base of knowledge about the theatre.

THC 109  Acting I  
3 credits  
Offered every fall semester  
Investigation and practice of the fundamentals in the acting process. Coursework will include physical and mental preparation for the actor, ensemble building, improvisation, mastery of specific theatre terminology, and beginning work with scenes and monologues.

THC 110  Acting II  
3 credits  
Offered every spring semester  
Prerequisite: THC 110 or instructor approval  
This course serves as further exploration of Stanislavsky’s system of actor training. The actor will refine performance techniques through dedicated scene study of major plays within the realm of modern realism. In addition, students in this course will investigate and practice effective techniques for theatrical auditioning, résumé creation, monologue preparation, and the actor’s self-presentation.

THC 111  Acting III  
3 credits  
Offered every spring semester  
Continuation of THC 120  
Prerequisite: THC 110 or instructor approval  
Continues the study of acting and the development of the skills and techniques necessary for the actor. Emphasis will be placed on the application of Stanislavsky’s system of actor training.

THC 112  Acting for Film  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Study and command of techniques of acting, analytical studies of visual aspects of characterization together with the actor’s relationship to the stage and all parts of play production, training in poise, movement, pantomime, interpretation of lines, and in theatre and drama appreciation. Opportunity for experience in college productions.

THC 113  Voice and Diction for Theater  
3 credits  
Offered every spring semester  
Activity/Personal Enrichment  
An introduction to vocal training for production of Standard American Speech with an emphasis on resonance, breath control, vocal relaxation, and posture using the International Phonetic Alphabet and a variety of contemporary approaches to vocal training.

THC 117  Voice and Diction for Theater  
3 credits  
Offered every spring semester  
Activity/Personal Enrichment  
An introduction to vocal training for production of Standard American Speech with an emphasis on resonance, breath control, vocal relaxation, and posture using the International Phonetic Alphabet and a variety of contemporary approaches to vocal training.

THC 120  Rehearsal and Production I  
1 to 2 credits  
Offered every fall semester  
Activity/Personal Enrichment  
Continuation of THC 120  
This course is a practical introduction to the production process for students who seek to create with their fellows the “delicate illusionary reality that we call the theatre.” The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 121  Rehearsal and Production II  
1 to 2 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of THC 120  
This class is a special opportunity available to students who seek to create with their fellows the “delicate illusionary reality that we call the theatre.” The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 125  Acting III  
3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of THC 120  
This course is a practical introduction to the production process for students who seek to create with their fellows the “delicate illusionary reality that we call the theatre.” The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 128  Acting IV  
3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of THC 120  
This course is a practical introduction to the production process for students who seek to create with their fellows the “delicate illusionary reality that we call the theatre.” The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 140  Acting V  
3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Continuation of THC 120  
This course is a practical introduction to the production process for students who seek to create with their fellows the “delicate illusionary reality that we call the theatre.” The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 141  Introduction to Costume Design  
2 credits  
Offered upon request  
Activity/Personal Enrichment  
Prerequisite: THC 140 with a grade of “C” or higher  
Students will explore the design process, costume silhouette and detail, and scripts and character analysis within the context of historical theatrical costume.

THC 160  Repertory Acting Company I  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: THC 110 or instructor approval  
A course intended to model the structure of a professional theatre company in which members of the ensemble collaborate to stage creative performance projects. Emphasis will be placed on the application of targeted performance theory, the implementation of effective acting practices in rehearsal, and the development of well-crafted theatrical productions. Participation in performances and minimal rehearsals held outside of the scheduled class time is required. Performance topics will vary by semester.

THC 161  Repertory Acting Company II  
1 to 3 credits  
Offered every fall and spring semester  
Activity/Personal Enrichment  
Prerequisite: THC 160  
Continuation of THC 160.

THC 170  Introduction to Stage Lighting  
3 credits  
Offered every fall semester  
Activity/Personal Enrichment  
Stage lighting will introduce to the student a practical approach to the technical and production aspects of lighting for theatre, musical theatre, and musical concerts. Students will use a variety of techniques as they learn to hang and focus lighting instruments, understand the physics of lighting, read and understand light plots and paperwork, investigate CAD for stage lighting, and learn the types and uses of multi-parameter fixtures. In conjunction with the Music and Drama Departments, students will take an active role in each of the major productions.

THC 171  Stage Combat  
2 credits  
Offered every spring semester  
Activity/Personal Enrichment  
Introduction to the fundamentals of stage combat: how to conduct fights, duels and other alterations on stage that appear realistic to the audience, but are, in fact, safe for the participants.
THE 220 Principles of Dramatic Structure
3 credits
Offered every spring semester
Prerequisite: THC 105 or instructor approval
This course focuses on the fundamental analysis, interpretation, and evaluation of dramatic literature for theatrical production. Emphasis will be placed on creatively investigating the structure, style, themes, plot, characters, language, and context of assigned plays from different genres and eras. Assigned readings and attendance at selected play productions will be required.

THC 205 Musical Theatre I
3 credits
Offered every spring semester
Activity/Personal Enrichment
A survey of musical theatre, its origins, development, and influence and practical evaluation of involved skills.

THC 220 Rehearsal and Production III
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of THC 121. This class is a special opportunity available to students who seek to create with their fellows the "delicate illusionary reality that we call the theatre." The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goals shared in common by all in the process.

THC 221 Rehearsal and Production IV
1 to 2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Continuation of THC 220. This class is a special opportunity available to students who seek to create with their fellows the "delicate illusionary reality that we call the theatre." The department believes that the education of students is enriched by participation in the actual process of creating a performance and by participation in a variety of experiences in the process. The emphasis of all the course requirements is on commitment, teamwork, and dedication to the goal shared in common by all in the process.

THC 230 Stage Makeup
2 credits
Offered every fall and spring semester
Activity/Personal Enrichment
To teach and give experiences in basic design and application of stage makeup, based on character analysis of an individually-chosen character from a play, movie, or piece of literature.

THC 231 Stagecraft
3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Stagecraft will introduce to the student a practical approach to the technical and production aspects of musical theatre and drama. Students will use a variety of techniques as they learn scenic artistry and develop the skills needed to construct scenery, hang and focus lighting instruments, and implement a sound system for effects and reinforcement. In conjunction with the Music and Drama Departments, students will take an active role in each of the major productions.

THC 236 Introduction to Scene Design
3 credits
Offered every fall and spring semester
Prerequisite: THC 231 or instructor approval
Basic principles of scene design including script analysis, design elements, model building, rendering techniques, and design project.

THC 260 Repertory Acting Company III
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: THC 161
Continuation of THC 161.

THC 261 Repertory Acting Company IV
1 to 3 credits
Offered every fall and spring semester
Activity/Personal Enrichment
Prerequisite: THC 260
Continuation of THC 260.

THC 290 Acting Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Study and command of techniques of acting, analytical studies of visual aspects of characterization together with the actor’s relationship to the stage and all parts of play production, training in voice, movement, pantomime, interpretation of lines, and in theatre and drama appreciation. Opportunity for experience in college productions.

THC 298 Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Theatre and Cinematic Arts.

THC 299 Independent Study
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Design and execution of original projects under faculty supervision.

WELDING

WLD 101 Welding
2 to 3 credits
Offered every fall and spring semester
This course teaches principles of arc and oxyacetylene welding, flame cutting, and brazing with emphasis on mastering basic welding techniques.

WLD 108 Welding and Metal Fabrication
3 credits
Offered every fall semester
This basic welding and metal fabrication course will stress theory and application of fundamental welding and soldering methods. These methods include torch welding along with brazing, soldering, heating, and cutting. Student will be exposed to stick Arc and MIG (metal inert gas) welding. Instruction is also given on sheet metal layout and construction of a small project. This course also provides an introduction to using a numerical controlled plasma cutter to fabricate a project uploaded from a CAM (computer aided machining) program. An additional nonrefundable welding course fee is required.

WLD 111 Arc Welding
3 credits
Offered upon request
Activity/Personal Enrichment
Arc welding machines, their use and care; flat, vertical, overhead welding will be covered using various types of electrodes. Welding safety and basic electrical principles will be covered.

WLD 124 MIG Welding
3 credits
Offered every fall and spring semester
Offered in Gila County only
Activity/Personal Enrichment
The basic principles of inert gas welding using a MIG welder. Basic skills will be developed using a MIG welder on a variety of materials.
WLD 290
Welding Certification
1/2 to 1 credit
Offered every spring semester
Activity/Personal Enrichment
Prerequisite: WLD 260 or WLD 270 or concurrent enrollment in WLD 260 or WLD 270 or instructor approval
This course prepares students for American Welding Society (AWS) certification or other welding certifications. This course relies on previous welding courses or industry experience for skill development. An additional fee (approximately $75) is required for students who would like their official weld coupon inspected by a Certified Welding Inspector (CWI). Students will be required to pay for the inspection directly to the vendor and must be willing to have their official weld coupon inspected and approved by the course instructor prior to the inspection by a CWI.

WLD 297
Workshop
1 to 6 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Welding Technology.

WLD 298
Workshop
1 to 3 credits
Offered upon request
Activity/Personal Enrichment
Designed to meet a variety of needs for students in Welding Technology.

WLD 299
Independent Study
1 to 4 credits
Offered upon request
Activity/Personal Enrichment
Research, design and execution of original projects under faculty supervision.
ACCOMMODATION FOR STUDENTS WITH DISABILITIES

Eastern Arizona College will provide students with disabilities, who meet eligibility requirements, reasonable and appropriate accommodations to participate in the educational experiences offered by the College. Services may include tutorial assistance, readers, signers, note taking assistance, Braille or taped text, electronic formatted materials, accessibility provisions, modifications to classrooms and other facilities, modifications to testing procedures, and other accommodations determined to be appropriate.

Students seeking an accommodation should contact the Counseling Office at Eastern Arizona College, 615 North Stadium Avenue, Thatcher, Arizona 85552, telephone (928) 428-8425, to specify the nature of the accommodation requested. The college will respond to specific student requests for accommodation or auxiliary aids and services in a prompt and reasonable fashion. It is the responsibility of the student to inform the College at the address or by telephone specified above of his/her acceptance of an accommodation plan and to schedule a meeting with staff to begin implementation of a plan.

Reasonable accommodation shall not be construed as a guarantee of student success. Rather, reasonable accommodation provides the opportunity to participate. Reasonable accommodation is not in any way intended to devalue the end educational product.

ACADEMIC ADJUSTMENTS AND REASONABLE ACCOMMODATIONS FOR STUDENTS WITH COGNITIVE DEVELOPMENT DISORDERS

Students requesting an accommodation to address cognitive development disorders must:

1. Have been admitted to Eastern Arizona College,
2. Provide Eastern Arizona College with psycho-educational, psychological, psychiatric, or other appropriate diagnostic evaluation(s), as requested, to document the nature and extent of the disability. This documentation must:
   a. Include a psychoeducational evaluation that has been accomplished within the parameters of the diagnostic criteria established by the Diagnostic and Statistical Manual of Mental Disorders-IV, hereinafter referred to as the DSM-IV, and
   b. Include evidence that the evaluator has the appropriate qualifications and credentials for her/him to offer a diagnostic determination within the parameters of the diagnostic criteria for Cognitive Development Disorders established by the DSM-IV, and
   c. Be on file in the student’s permanent record before the student receives accommodation services.

ACADEMIC ADJUSTMENTS AND REASONABLE ACCOMMODATIONS FOR STUDENTS WITH OTHER DISABILITIES

Students requesting an accommodation to provide an academic adjustment or barrier free access must:

1. Have been admitted to Eastern Arizona College,
2. Provide Eastern Arizona College with an evaluation or medical information certifying the disability, and
3. Include evidence that the evaluator has the professional credentials and or specialized training, which qualifies her/him to offer a diagnostic determination.

COLLEGE FINANCIAL CONDITION

Students desiring information concerning Eastern Arizona College’s financial condition may obtain this information from the Fiscal Control Office.

DISCLOSURE OF GRADUATION RATES

Students desiring information concerning Eastern Arizona College’s graduation rates and transfer-out rates under the Student Right to Know Act, Public Law 101-542, may obtain this information from the Institutional Research Office.

EEO/AFFIRMATIVE ACTION

Graham County Community College District does not discriminate in admission or access to, or treatment or employment in, its programs and activities on the basis of race, creed, color or national origin, sex, disability or age. You may contact the District EEO/ADA Coordinator at (928) 428-8915, fax (928) 428-2578, mail – Eastern Arizona College, 615 North Stadium Avenue, Thatcher, Arizona 85552-0769; or at the Student Services Building, Office 221.

EQUITY IN ATHLETICS

Students desiring information concerning Eastern Arizona College’s intercollegiate athletic programs under the Equity in Athletics Disclosure Act of 1994, Section 360B of Publication L. 103-382, may obtain this information from the Institutional Research Office.

FACILITIES

Eastern Arizona College takes pride in having clean, safe, and up-to-date classrooms, laboratories, and performance areas. Specific inquiries about facilities should be addressed to the Admissions Office.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords you certain rights with respect to your education records. They are:

1. The right to inspect and review your education records within 45 days of the day the College receives a request for access. Submit to the registrar, dean, head of the academic division or department, or other appropriate official, a written request that identifies the record(s) you wish to inspect. The College official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise you of the correct official to whom your request should be addressed.

2. The right to request the amendment of your education records that you believe are inaccurate or misleading. You may ask the College to amend a record that you believe is inaccurate or misleading. You should write the College official responsible for the record, clearly identifying the part of the record you want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as you request, the College will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when you are notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel; a person or company with whom the College has contracted such as an attorney, auditor, or collection agent; a person serving on the Governing Board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC, 20202-4605

The College hereby designates the following categories of student information as public or "Directory Information.” Such information may be disclosed by the institution for any purpose, at its discretion.

- Category I: Name, address, telephone number, email address, dates of attendance, class, and picture.
- Category II: Previous institutions attended, major fields of study, awards, honors (includes Dean’s List), degrees conferred (including dates).
- Category III: Past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), date and place of birth.

You may withhold disclosure of any category of information under the Family Educational Rights and Privacy Act of 1974, as amended, to withhold disclosure, written notification must be received in the Records and Registration Office prior to the last day of registration as stated in the College Catalog. Forms requesting the withholding of Directory Information are available in the Records and Registration Office. The College assumes that the failure of any student to specifically request the withholding of categories of “Directory Information” indicates individual approval for disclosure.

Parents or guardians may have access to the education records of a dependent student defined in the Internal Revenue Code of 1954, Section 152, as evidenced by a notarized affidavit stating that the student is a dependent for income tax purposes, or other documentation as may be separately approved by the registrar, on a case-by-case basis.

A Directory of Records which lists all education records maintained on students by the College is available at the Records and Registration Office. Questions concerning the Family Educational Rights and Privacy Act may be referred to that office.

NOTIFICATION OF OCCUPATIONAL OPPORTUNITIES

Graham County Community College District informs students, parents, employees and the general public that we provide an equal opportunity occupational education program. All courses, services and activities are offered without regard to race, creed, color or national origin, sex, disability, or age.

Limited English speaking skills will not be a barrier to admission or participation in occupational educational programs. Admissions to Graham County Community College District must meet the criteria as published in the College Catalog.

PROGRAM TO PREVENT ILLICIT USE OF DRUGS AND ABUSE OF ALCOHOL BY EMPLOYEES AND STUDENTS

I. Introduction and Purpose

The adoption by Congress of the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) requires federal contractors and grantees to certify that they will provide a drug-free school. As a recipient of federal grants, the District must adopt a program toward accomplishing this goal. While federal legislation has been the impetus for creation of the program, the District recognizes that substance abuse is a problem of national proportions that also affects Eastern Arizona College.
Based upon that concern, it is intended that this program for prevention of alcohol and drug abuse on our campuses will go beyond the strict dictates of the law and will serve as a comprehensive educational and resource tool.

Arizona voters recently approved the Arizona Medical Marijuana Act (Proposition 203), which has legalized the use and possession of medical marijuana by certain individuals. The Act does not allow any person to use or possess marijuana in public. Additionally, it does not require employers to allow any employee to use or possess marijuana at work, nor to be under the influence of marijuana at work. Accordingly, the College will continue to prohibit the use and possession of all controlled substances (including marijuana) by students and employees on College property, and will continue to prohibit employees from working while under the influence of marijuana.

To this end the Graham County Community College District Governing Board has developed policies to:

A. Ensure that the Eastern Arizona College working and learning environment for students, employees and the public is safe, orderly and free of illegal activity.

B. Comply with the Drug Free School and Communities Act of 1989 (PL 101-26), the Drug Free Workplace Act of 1988 (PL 100-690, Title IV, Subtitle D) and other relevant substance abuse laws.

C. Provide students with access to appropriate treatment and rehabilitation assistance for problems associated with substance use or abuse.

REF: GCCCD Policy #4710 and Regulation #4710.01 which specify for employees the standards of conduct and consequences of violation, and Regulation #5800.01 which specifies for students the standards of conduct and consequences of violation in relation to drug and alcohol use.

II. Standards of Conduct
The above referenced policies spelled out in detail in the Eastern Arizona College General Catalog, state clearly that:

A. The manufacture, distribution, dispensing, possession or use of a controlled substance by any person on District property or as part of any of the District’s activities is prohibited.

B. A “controlled substance” is defined as an illegal drug, a legal drug used in excess of recommended dosage, an alcoholic beverage and/or any other mind altering substance. Marijuana, even when employed for a medical use, is considered to be a “controlled substance” under this Section.

C. Employees are prohibited from ingesting any controlled substance at work and from being at work while under the influence of any controlled substance. For the purpose of this Section, the College will not consider an employee who is a “registered qualifying patient” within the meaning of the Arizona Medical Marijuana Act to be under the influence of marijuana solely because of the presence of marijuana metabolites.

III. Sanctions for Violation of Standards of Conduct
Disciplinary actions include, but are not limited to:

A. Termination of Enrollment/Employment within the District,

B. Requirement to participate satisfactorily in a substance abuse assistance or rehabilitation program, or

C. Other enrollment/employment restrictions or stipulations, or combination of enrollment/employment restrictions or stipulations.

IV. Legal Consequences of Alcohol Abuse & Illicit Drugs Use

A. Laws Governing Alcohol
The State of Arizona sets twenty-one as the “legal drinking age.” An underage person who buys, receives, possesses or consumes alcoholic beverages is guilty of a misdemeanor and may be subject to a fine and imprisonment for up to six months. The Uniform Act Regulating Traffic on Highways prohibits driving while under the influence of intoxicating liquor or drugs (DUI). Drivers charged with DUI who refuse to be tested face suspension of their licenses or permits to drive for 12 months. A driver whose test results show a blood or breath alcohol concentration of 0.08 or more will have his/her license or permit to drive suspended or denied for not less than 90 consecutive days. The punishment for DUI ranges from not less than 10 days in jail and a fine of not less than $250 for a first offense to a minimum of 90 days in jail and revocation of the driver’s license for one year upon a second offense.

B. Laws Governing the Use of Drugs

Federal Laws: The Federal Comprehensive Drug Abuse Prevention and Control Act prohibits the possession, sale and trafficking of controlled substances. The Omnibus Drug Act of 1988 allows the following penalties for conviction of possession of illegal drugs: civil fines up to $10,000; forfeiture of cars, boats, or planes conveying the substance; loss of public housing; the loss of all federal benefits including student loans and grants.

Arizona Laws:
a. Title Thirteen, Chapter 34 of the Arizona Revised Statutes lists drug offenses and their penalties. Following is a list of drugs which are frequently misused with a description of the potential penalties attached to a conviction.

i. Marijuana: First offense for possession or use of marijuana in an amount of less than one pound constitutes a Class 6 felony and carries a possible prison term of one and one-half years and a fine of not less than $750. The sale of marijuana in an amount of less than one pound carries a prison sentence of four years and a fine of at least $750.

ii. LSD: Possession, use and sale of LSD are felonies carrying sentences from four to five years and fines of not less than $1,000.

iii. Heroin and Cocaine: Use and sale of heroin and cocaine are felonies carrying sentences from four to seven years and a fine of not less than $2,000.

b. Title 36, Chapters 28.1 of the Arizona Revised Statutes codifies the Arizona Medical Marijuana Act, which protects certain individuals from prosecution for the medical use of marijuana. Among other things, the Act:

i. Does not authorize any person to smoke marijuana in a public place.
iv. Does not authorize any person to undertake any task under the influence of marijuana that would constitute negligence or professional malpractice.

V. Health Risks Associated with the Use of Illicit Drugs and the Abuse of Alcohol

A. Illicit Drug Use: Controlled substances subject to illicit use are divided into several broad categories:

- Narcotics (Morphine, Opium, Heroin) are highly addictive. The effects of their use generally leads to feelings of euphoria, drowsiness, respiratory depression, constricted pupils, and nausea. Overdose is characterized by slow and shallow breathing, clammy skin, convulsions, coma, and possible death.

- Depressants (Barbiturates, Chloral Hydrate, Quaalude) are moderately to highly addictive. Effects include slurred speech, disorientation, and drunken behavior without the odor of alcohol. Overdose results in shallow respiration, clammy skin, dilated pupils, weak and rapid pulse, coma, and possible death.

- Stimulants (Cocaine, Amphetamine) are not known to be physically addictive but create a high psychological dependence. Effects of use are increased alertness, excitement, euphoria, increased pulse rate and blood pressure, insomnia, and loss of appetite. An overdose can lead to agitation, increase in body temperature, hallucinations, convulsions, and possible death.

- Hallucinogens (LSD, Mescaline and Peyote, TCP) are not known to be addictive. The effects of use include illusions and hallucinations, and poor perception of time and distance. Overdose causes longer, more intense “trip episodes,” psychosis, and possible death.

- Cannabis (Marijuana, Hashish) is moderately psychologically addictive. Effects include euphoria, relaxed inhibitions, increased appetite, and disoriented behavior. Overdose results in extreme fatigue, paranoia, and possible psychosis.

B. Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

VI. Drug or Alcohol Counseling, Treatment, Rehabilitation or Re-entry Programs That are Available to Employees or Students

Eastern Arizona College does not provide direct drug or alcohol counseling, treatment or rehabilitation services. Students or employees with concerns related to the use/abuse of drugs or alcohol are encouraged to meet with a member of the Counseling staff on the Thatcher Campus for confidential consultation and referral. Counseling staff are located in the Student Services Building on Stadium Avenue on the Thatcher Campus. Appointments can be made by calling (928) 428-8253. Arizona State Prison inmates are encouraged to contact the Program Supervisor at their institutions. Inmates at the Federal Correctional Institution (Swift Trail) should contact the FCI Psychology Department.

Direct contact with organizations or individuals providing drug or alcohol counseling, treatment or rehabilitation services can be made by students or employees depending on location:

- Graham County, Southeastern Arizona Behavioral Health Services (SEABHS), Safford: (928) 428-4550
- Greenlee County, Southeastern Arizona Behavioral Health Services (SEABHS), Clifton: (928) 865-4531

VII. Confidentiality

This Program is not intended to create obligations or restrictions that may interfere with the confidential nature of counseling, clinical or therapeutic relationships. Confidentiality will be maintained in accordance with state and federal laws, including the Arizonans with Disabilities Act and the Americans with Disabilities Act.

For tuition purposes, your residence is determined according to statutory law (A.R.S. §15-1801 et seq.) and regulations and precedents established previously by the State Community College Board (R7-1-304 and R7-1-305). These are subject to change by statute or State Board regulations.
RESIDENCY

Your residency status must be determined before you register and pay fees. It is your responsibility to register under the correct residency. Your residency status will not change automatically. Proper documentation must be filed with the Records and Registration Office for review and approval before your residency status will be changed. Requests for change in residency status must be made before registration. A change in residency classification will not take effect until the next registration following the change in status. Residency changes are not retroactive.

In determining your residency classification, we may consider all evidence, written or oral, presented by you and any other relevant information received from any other source. We may request a written sworn statement from you.

In addition to documentation for in-state residency status, Arizona residents must also provide evidence of citizenship or legal immigration status in order to be charged in-state tuition as per Proposition 300 which was passed by Arizona voters in 2006. You can find a list of appropriate documentation at www.eac.edu/prop300.

If we classify you as a non-resident for tuition purposes and you disagree, you may request a review by a Residency Review Committee. Your request must be written, signed by you, and accompanied by a sworn statement of all facts relative to the matter. You must file your request for review with the Registrar of the College within ten days of the time you receive notification from us of your classification as a non-resident. If you don’t properly file a request within this ten-day period, you waive review for the current enrollment period. You will receive written notice of the date, time and place of the Residency Review Committee meeting and you have the right to appear and be represented by the advisor of your choice and at your expense. You or your advisor, but not both, may examine and cross-examine witnesses and summarize the evidence. The decision of the Residency Review Committee is final.

In accordance with state regulation we have published below Arizona Revised Statute §15-1802 and the definitions provided in A.R.S. §15-1801.

ARIZONA REVISED STATUTE §15-1802
IN-STATE STUDENT STATUS

1. Except as otherwise provided in this article, no person having a domicile elsewhere than in this state is eligible for classification as an in-state student for tuition purposes.

2. A person is not entitled to classification as an in-state student until the person is domiciled in this state for one year, except that a person whose domicile is in this state is entitled to classification as an in-state student if the person meets one of the following requirements:
   a. The person’s parent’s domicile is in this state and the parent is entitled to claim the person as an exemption for state and federal tax purposes.
   b. The person is an employee of an employer that transferred the person to this state for employment purposes or the person is the spouse of such an employee.
   c. The person is an employee of a school district in this state and is under contract to teach on a full-time basis, or is employed as a full-time noncertified classroom aide at a school within that school district. For purposes of this paragraph, the person is eligible for classification as an in-state student only for courses necessary to complete the requirements for certification by the state board of education to teach in a school district in this state. No member of the person’s family is eligible for classification as an in-state student if the person is eligible for classification as an in-state student pursuant to this paragraph, unless the family member is otherwise eligible for classification as an in-state student pursuant to this section.
   d. The person’s spouse has established domicile in this state for at least one year and has demonstrated intent and financial independence and is entitled to claim the person as an exemption for state and federal tax purposes or the person’s spouse was temporarily out of state for educational purposes, but maintained a domicile in this state. If the person is a noncitizen, the person...
must be in an eligible visa status pursuant to federal law to classify as an in-state student for tuition purposes.

3. The domicile of an unemancipated person is that of the person’s parent.

4. Any unemancipated person who remains in this state when the person’s parent, who had been domiciled in this state, removes from this state is entitled to classification as an in-state student until attainment of the degree for which currently enrolled, as long as the person maintains continuous attendance.

5. A person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders or who is the spouse or a dependent child as defined in section 43-1001 of a person who is a member of the armed forces of the United States and who is stationed in this state pursuant to military orders is entitled to classification as an in-state student. A spouse or a dependent child does not lose in-state classification under this subsection if the spouse or dependent child qualifies for in-state tuition classification at the time the spouse or dependent child is accepted for admission to a community college under the jurisdiction of a community college district governing board or a university under the jurisdiction of the Arizona Board of Regents. The student, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification.

6. A person who is a member of the armed forces of the United States or the spouse or a dependent as defined in section 43-1001 of a member of the armed forces of the United States is entitled to classification as an in-state student if the member of the armed forces has claimed this state as the person’s state of legal residence for at least twelve consecutive months before the member of the armed forces, spouse or dependent enrolls in a university under the jurisdiction of the Arizona Board of Regents or a community college under the jurisdiction of a community college district governing board. For purposes of this subsection, the requirement that a person be domiciled in this state for one year before enrollment to qualify for in-state student classification does not apply.

7. A person who is honorably discharged from the armed forces of the United States shall be granted immediate classification as an in-state student on honorable discharge from the armed forces and, while in continuous attendance toward the degree for which currently enrolled, does not lose in-state student classification if the person has met all of the following requirements:
RESIDENCY

a. Declared Arizona as the person’s legal residence with the person’s branch of service at least one year prior to discharge from the armed forces.

b. Demonstrated objective evidence of intent to be a resident of Arizona which, for the purposes of this section, includes at least one of the following:
   - An Arizona driver license
   - Arizona motor vehicle registration
   - Employment history in Arizona
   - Arizona voter registration
   - Transfer of major banking services to Arizona
   - Change of permanent address on all pertinent records.
   - Other materials of whatever kind or source relevant to domicile or residency status

c. Filed an Arizona income tax return with the department of revenue during the previous tax year.

8. A person who is a member of an Indian tribe recognized by the United States department of the interior whose reservation land lies in this state and extends into another state and who is a resident of the reservation is entitled to classification as an in-state student.

PRESUMPTIONS RELATING TO STUDENT STATUS

Unless the contrary appears to the satisfaction of the Registrar, it shall be presumed that:

- No emancipated person has established a domicile in this state while attending any educational institution in this state as a full-time student in the absence of a clear demonstration to the contrary.
- Once established, a domicile is not lost by mere absence unaccompanied by intention to establish a new domicile.
- A person who has been domiciled in this state immediately prior to becoming a member of the armed forces of the United States shall not lose in-state status by reason of such person’s presence in any other state or country while a member of the armed forces of the United States.

EVIDENCE OF DOMICILE

1. An affidavit signed by the student must be filed with the person responsible for verifying domicile (the Residency Clerk in our Records and Registration Office).

2. Any of the following may be used in determining a student’s domicile in Arizona:
   - Income tax return
   - Voter registration
   - Automobile registration
   - Driver’s license
   - Place of graduation from high school
   - Source of financial support
   - Dependency as indicated on Federal income tax return
   - Ownership of real property
   - Notarized statement of landlord or employer
   - Bank accounts

   - Other relevant information

ALIEN IN-STATE STUDENT STATUS

An alien is entitled to classification as an in-state refugee student if such person has been granted refugee status in accordance with all applicable laws of the United States and has met all other requirements for domicile.

OUT OF COUNTY RESIDENCY

Arizona residents from counties in which there is no established community college district (Apache and Greenlee) may enroll in credit classes at Eastern Arizona College without payment of out-of-county charges. General tuition and fees are still payable.
THE PERSONAL SAFETY AND WELL-BEING of the students, faculty and staff at Eastern Arizona College are always an important concern of ours. You are encouraged to be responsible for your own security and the security of others.

Many people are involved in keeping the campus safe and secure. A truly safe campus, however, can only be achieved through the cooperation of all students, faculty and staff.

Anyone at any campus location who becomes aware of a crime (or is the victim of a crime) or any emergency should make an accurate and prompt report of the occurrence.

Medical or Police Emergency 911
Campus Police (928) 428-8240
Student Life Office (928) 428-8354
Housing Office (928) 428-8605
Head Residents:
Mark Allen (928) 428-8236
Nellie Lee (928) 428-8415
Residence Towers (928) 428-8606
Wesley Taylor (928) 428-0221

Responsibility for Safety
Thatcher Campus Police and student security personnel are available from 8 a.m. to 2 a.m. The Campus Police Building is located at 620 North College Avenue, Thatcher, Arizona and their number is (928) 428-8240 or 1-800-337-7407 (Pager).

Campus Police officers are certified by the Arizona Law Enforcement Officers Advisory Council and have full law enforcement authority anywhere in the state. EAC’s Campus Police are responsible for a full range of public safety services including all crime reports, investigations, medical and fire emergencies and traffic accidents. They are also responsible for the enforcement of laws regulating drinking, the use of controlled substances, weapons, and all other incidents requiring police assistance. Campus police monitor criminal activity of students in off-campus locations of student organizations recognized by the College.

Responsibility for Keeping Campus Buildings and Grounds Safe
Eastern’s Physical Resources (Maintenance) Department maintains the College buildings and grounds with a careful eye for safety and security. Physical Resources staff regularly inspects campus facilities and promptly makes repairs affecting safety and security. They respond to reports of potential safety and security hazards such as broken windows and locks.

Students and College staff members are encouraged to call the Physical Resources Department at (928) 428-8300 to report any actual or potential safety or security hazards. Individuals residing on campus are urged to keep their doors locked.

College classroom facilities are to remain locked when not in use. Individuals needing to use College facilities should submit a Facility Request form through the Student Life Office to obtain permission to use a particular room or College facility.

Changes in Safety and Security Procedures
Updated printed materials explaining changes in safety and security procedures (including timely reports regarding the occurrence of campus crimes) will be prepared and distributed to all students and employees.

Students in residence halls are further instructed in areas of crime prevention through meetings in which printed and video materials are reviewed and discussed. Future new students will be given the most current information.

In addition, EAC will release the latest crime statistics for the most recent year in our General Catalog and will provide full distribution to students and employees.

Illegal Drugs or Alcohol Not Permitted on Campus
Eastern Arizona College seeks to encourage and sustain an academic environment that both respects individual freedom and promotes the health, safety and welfare of all members of its community.

In keeping with these objectives, the College has established a policy and set up guidelines governing the possession and/or consumption of alcoholic beverages and illegal substances.

Alcohol is not permitted anywhere on the College campus at any time. Likewise, the College does not permit the use of marijuana, LSD, cocaine or any other illegal drug on the College campus. Individuals possessing, using or distributing such drugs are subject to disciplinary action (such as formal reprimands, community service, referral to counseling, suspension and expulsion) and possible arrest, imprisonment or fine, according to Arizona state law.

Who Can Help if I or a Friend Have a Problem with Substance Abuse?
Eastern’s Counseling Department provides professional and confidential counseling and referrals to help students with substance abuse problems.

The Counseling Department is located in the Student Services Building at 615 North Stadium Avenue, Thatcher, Arizona or may be contacted by calling (928) 428-8253.

All students and employees will receive a copy of regulations 4710.1 and 5800.1 regarding the Drug Free Schools and Communities Act.
SECURITY AND SAFETY

Personal Safety and Protection against Sexual Assault or Violent Crime
Eastern Arizona College considers the personal physical safety of students, employees and visitors an essential element in the maintenance of a learning environment. Every member of the College community should be aware that the College is strongly opposed to sexual assault, violence and other threatening or endangering behavior. Such behavior is prohibited by law as well as the Student Code of Conduct.

Dissemination of Information Concerning Sexual Assault and Violent Crime
The College will annually provide information concerning sexual assault and violent crime including at least the following:
- The definition of sexual assault and violent crime
- A statement of the College’s policy prohibiting sexual assault and violent crime
- The most accurate data available about the reported incidence of sexual assault and violent crime occurring on campus property
- Precautions which students should take to avoid becoming victims of sexual assault and violent crime
- Procedures for reporting sexual assault and violent crime
- Services which are available to both complainants and those accused of sexual assault and violent crime
- Statements of the rights of sexual assault and violent crime complainants and those accused of such actions in the College judicial process

Definitions
For the purpose of this policy, sexual assault is any sexual behavior between two or more people to which one person does not or cannot consent. The abuse of alcohol or other substances does not relieve individuals of their responsibilities to themselves or others.

Violent crime is one or more persons intentionally inflicting bodily harm on another person or persons.

Reporting
The guiding principle in the report of a sexual assault or violent crime is to avoid re-victimizing the survivor by forcing the person into any plan of action. Assistance with the wellbeing of the survivor is the primary goal. Victims may contact any one of several College departments or community agencies for assistance. The following resources provide immediate aid or ongoing consultation:

Graham County
For all Emergencies 911 or 9-911 from a campus phone
Campus Police (928) 428-8240 or Pager 1-800-337-7407
Graham County Sheriff (928) 428-3141
Thatcher Police (Mon - Fri, 8 a.m. - 5 p.m.) (928) 428-2296
or after hours (928) 428-3141
Rape Crisis 24-Hour Hotline 1-800-400-1001
Eastern Arizona College Counseling Office (928) 428-8253
(Mon - Fri, 8 a.m. - 5 p.m.)
Student Life Office (Mon - Fri, 8 a.m. - 5 p.m.) (928) 428-8354
Housing Office (928) 428-8605
Residence Hall Staff:
- Mark Allen North (928) 428-8235
- Mark Allen South (928) 428-8236
- Nellie Lee (928) 428-8415
- Residence Towers (928) 428-8606
- Wesley Taylor (928) 428-0221
Southern Arizona Center Against Sexual Assault 1-800-400-1001

In the event of a medical emergency, medical response personnel will be contacted. In the case of a sexual assault, emergency medical personnel are required to report the assault to the local law enforcement agency. However, the assault survivor who does not wish to see the police will be encouraged to seek a medical exam to treat physical problems and address the potential for injury, venereal disease, HIV, or pregnancy. The Rape Crisis Hotline can assist with these arrangements whether or not the survivor chooses to report the incident.

It is recognized that a sexual assault survivor may be undecided in reporting the assault to the police. A report to the police can empower the survivor in exercising legal rights and aid in the protection of others. If a report is to be made to the police, the survivor will be encouraged not to destroy evidence by cleaning up their person, clothing or bedding in any way. If the sexual assault survivor is undecided in reporting, the survivor will be encouraged to preserve evidence anyway in case it is decided to file a police report at a later date.

If the survivor has decided not to report the assault, the report recipient will maintain confidentiality. Other alternatives include:
- Make an anonymous report to police
- Make a report at a later date with the understanding that a report made after 72 hours may limit prosecution efforts

Sexual assault survivors may seek counseling at any time from College counseling services or the Rape Crisis Hotline.

Intervention
It is the intention of the College to take whatever action may be needed to prevent, correct, and if necessary, discipline acts of sexual assault or violence. Possible sanctions for students resulting from the College’s judicial process range from formal reprimands, community service, referral to counseling, suspension and expulsion. Possible sanctions for employees range from reprimands, referral to counseling, to termination of employment. Possible sanctions for visitors range from reprimands to
being barred from College property and activities. Both the accuser and the accused of sexual assault shall be informed of the outcome of the campus disciplinary process.

**Judicial Process**

A charge of sexual assault against a College student will be handled under the same procedure as bringing a Complaint of Sexual Harassment by the Provost/Chief Academic and Student Officer of the Thatcher Campus or Dean/Chief Officer for Greenlee County Eastern Arizona College site. When a complainant of sexual assault gives information to the Officer that a sexual assault has taken place and accuses a College student of the offense, the Officer will have the discretion to suspend the accused student pending a hearing. When any necessary investigation is complete, the Officer will formally notify the accused student of the charges and will set a hearing date within five (5) class days.

**Rights of the Sexual Assault Complainants and Accused**

A. The complainant and accused will have the right to be accompanied throughout the judicial process by an individual of their choice.

B. The sexual reputation of the complainant and accused will neither be used as evidence nor discussed in the judicial procedure.

C. The accused will have all the rights of due process, which are normally accorded to those under the College judicial process.

D. The victim will be notified in writing of any sanction imposed.

E. The victim will be notified of any appeals filed by the assailant and subsequent results.

**Sexual Harassment**

Any employee or applicant for employment or student who believes that he or she has been discriminated against on the basis of sex, or has been sexually harassed, should report the matter to any Dean (Assistant, Associate, etc.), the Provost, or Executive Vice President of the College.

The College President or personnel designated by the College President shall investigate complaints of sexual harassment. Any College administrator who receives a report of alleged sexual harassment must report the allegations to the College President as soon as reasonably possible.

**Annual Security and Fire Safety Report**

The Annual Security and Fire Safety Report that includes all reported campus crimes is available on the EAC website and can be accessed at [www.eac.edu/About_EAC/Consumer_Information/report.pdf](http://www.eac.edu/About_EAC/Consumer_Information/report.pdf). A paper copy of the report will be provided upon request. A daily crime log is available from the EAC Police Department upon written request.

</table>

Any of the crimes listed above which manifest evidence of prejudice based on race, religion, sexual orientation, or ethnicity, as prescribed by the Hate Crimes Statistics Act (28 U.S.C. 534)—None

If you would like to make an inquiry referencing a registered sex offender in the Thatcher area or the State of Arizona, go to [www.azdps.gov/Services/Sex_Offender/](http://www.azdps.gov/Services/Sex_Offender/)
SECURITY AND SAFETY

Social Security Number Use
EAC does not use the social security number of faculty, staff and students as that individual’s EAC Identification Number. Faculty, staff and students are assigned a random EAC identification number at their first enrollment or employment with EAC. Students are requested, but not required, to provide their social security number to facilitate awarding of financial aid, for learning or tuition credits for income tax purposes, and for supplementary identification purposes when necessary. Neither the social security number nor the EAC identification number are shared to third parties without the written consent of the student.

Veterans Information
Every Veteran claiming Veteran’s Educational Benefits is responsible for notifying the Veteran’s representative at Eastern Arizona College of any change in his/her schedule which causes an increase or decrease in credit hour load as soon as the change occurs. For questions, please contact the Veteran’s Representative in the Records and Registration Office on the Thatcher Campus of Eastern Arizona College or phone (928) 428-8273, or 1-800-678-3808, Ext. 8273.

Voter Registration Forms
Mail in voter registration forms for Graham and Greenlee Counties are available for all enrolled students and the public. Forms can be obtained at the Records and Registration Office and the Alumni Library on the Thatcher Campus. Voter registration forms may also be requested from the following:

Arizona Residents: Call toll free 1-877-THE VOTE (1-877-843-8683) or Access the Vote Arizona web page at www.azsos.gov for election information, voter information, and registration form.

New Mexico Residents: Call 1-800-477-3632 and ask for the Bureau of Elections

All Other States: Access the National Voter web page at www.eac.gov.
Access the Register to Vote web page at www.vote.govcm
