EASTERN ARIZONA COLLEGE
Private Strings I for Non-Music Majors
Course Design
2018-2019

Course Information
Division: Fine Arts
Course Number: MUS 014
Title: Private Strings I for Non-Music Majors
Credits: 1
Developed by: Franklin Alvarez
Lecture/Lab Ratio: 0 Lecture/2 Lab
Transfer Status: Non-transferable
Activity Course: Yes
CIP Code: 50.0900
Assessment Mode: Capstone
Semester Taught: Upon Request
GE Category: None
Separate Lab: No
Awareness Course: No
Intensive Writing Course: No
Diversity and Inclusion Course: No

Prerequisites
None

Educational Value
A. To General Education
   1. Development of talent, appreciation of music and fine art in general, and enriches knowledge of
genral history and fine arts.
B. To Major/Program
   1. To provide lower division private lessons for transfer string majors and minor students.
C. Other
   1. To give the student some insight into the technical problems involved in playing the strings.
   2. Knowledge of string literature enriches the study of history and other fine arts.
   3. There is a correlation between playing the strings and other skills requiring finger dexterity.

Description
Private instruction in stringed instruments: violin, viola, violoncello, and contrabass. A private lesson
course fee is required.
Supplies
None

Competencies and Performance Standards

1. Read music for stringed instrument being studied.
   Learning objectives
   What you will learn as you master the competency:
   a. Memorize names of all notes for clef of the instrument being studied.
   b. Classify all musical intervals within an octave by listening method.
   c. List all musical intervals within an octave by listening method.
   d. Identify verbally each musical interval as you sight read a single line, slow speed.
   Performance Standards
   Competence will be validated:
   o in written and oral examinations
   o in the learner's performance
   Criteria - Performance will be satisfactory when:
   o learner memorizes names of all notes for the clef of the instrument being studied
   o learner identifies musical intervals
   o learner classifies all musical intervals
   o learner identifies verbally each musical interval in a single line

2. Demonstrate the theory of correct fingerings, complete with correct hand and body position.
   Learning objectives
   What you will learn as you master the competency:
   a. Apply correct finger patterns as needed in context with tonality and key structure.
   b. Perform with correct posture and intervalic relationships.
   Performance Standards
   Competence will be demonstrated:
   o in lesson review of practice material
   o in performance
   Criteria - Performance will be satisfactory when:
   o learner applies correct finger patterns as needed
   o learner demonstrates correct posture

3. Perform string solo literature suitable to the learner's level.
   Learning objectives
   What you will learn as you master the competency:
   a. Master several songs, each more difficult than the previous.
   b. Acquire and build skills through practice and performance.
   Performance Standards
   Competence will be demonstrated:
4. **Exhibit good tone and reasonable intonation as appropriate to learner's skill.**

**Learning objectives**

*What you will learn as you master the competency:*

a. Fundamental understanding of tone production and its variables.

b. Apply understanding to the instrument.

**Performance Standards**

*Competence will be demonstrated:*

- in class activities and exercises
- in performances

*Criteria - Performance will be satisfactory when:*

- learner shows understanding of tone production and its variables
- learner can play with beautiful tone

**Types of Instruction**

Individualized/Independent Study

**Grading Information**

**Grading Rationale**

100% Studio Attendance/Performance

**Grading Scale**

- A 100-90%
- B 89-80%
- C 79-70%
- D 69-60%
- F 59% and below
